Aaaah, what a nice day to enjoy the sea...

Excuse me sir...

I saw you here all alone and I thought that maybe you could join us...

Who's the pipsqueak Ash?
Oh, he'sjust a guy I found here

Hey! There's me too!
Oh my...

Hi shorty! I'm Brooke, and I don't like to be left out...

So, don't be rude and introduce yourself. What's your name, little one?
M-my name is T-Ted

Good, and just to ask, how old are you Ted? I like your mou-staches by the way...
I'm fourty four and t-thanks.

Fine. As I said, I'm Brooke and I just turned eighteen. This is Sara, she's seveneteen years old...
Cool to meet you Ted.

And the adorable blondie on your left is Ashley, she's six-teen years old.
Hi Ted! (giggles)

So, will you, a full grown man, help these three little girls?
Y-yes but, how?
You see, we were meant to bring a ball with us but I just forgot it at home...

So we actually need... a ball.

But I'm not a ball, I'm a person!

Oh, don't unde-
restimate your-
self Ted, you'll
be a good ball,
with my help of
course...

Here you are, the perfect ball! Needless to say, If you move a muscle (as if you had any) I'll break your bones...
Aaaaaaargh! It hurts!

Get ready Ashley! The first throw is yours!

AAAAAAAAH!
Here it comes!
I'll catch him!

Catch me,
catch me !

Gotcha!

You know Ted, I'm a volleyball player, so I will try a volleyball serve...
NOOOO!

Up you go!

Aaaargh!

Ash is really good with that kind of throw, I gotta admit it...
Come to Mommy little guy!

Here you go! Soft landing!

Wow! He's so light that I can make him twirl on my fingers like a basket ball!
I think I'm gonna vomit!

Don'y even try! And you should thank that we're not using you to play football!

It's yours Brooke!

About an half an hour later...
This is the last throw Ash, it's late, we gotta go home...

He's mine!

NOOOO!
Oh my god! I think I missed it!

AAAAAAH!!!!!!!!

THUD!

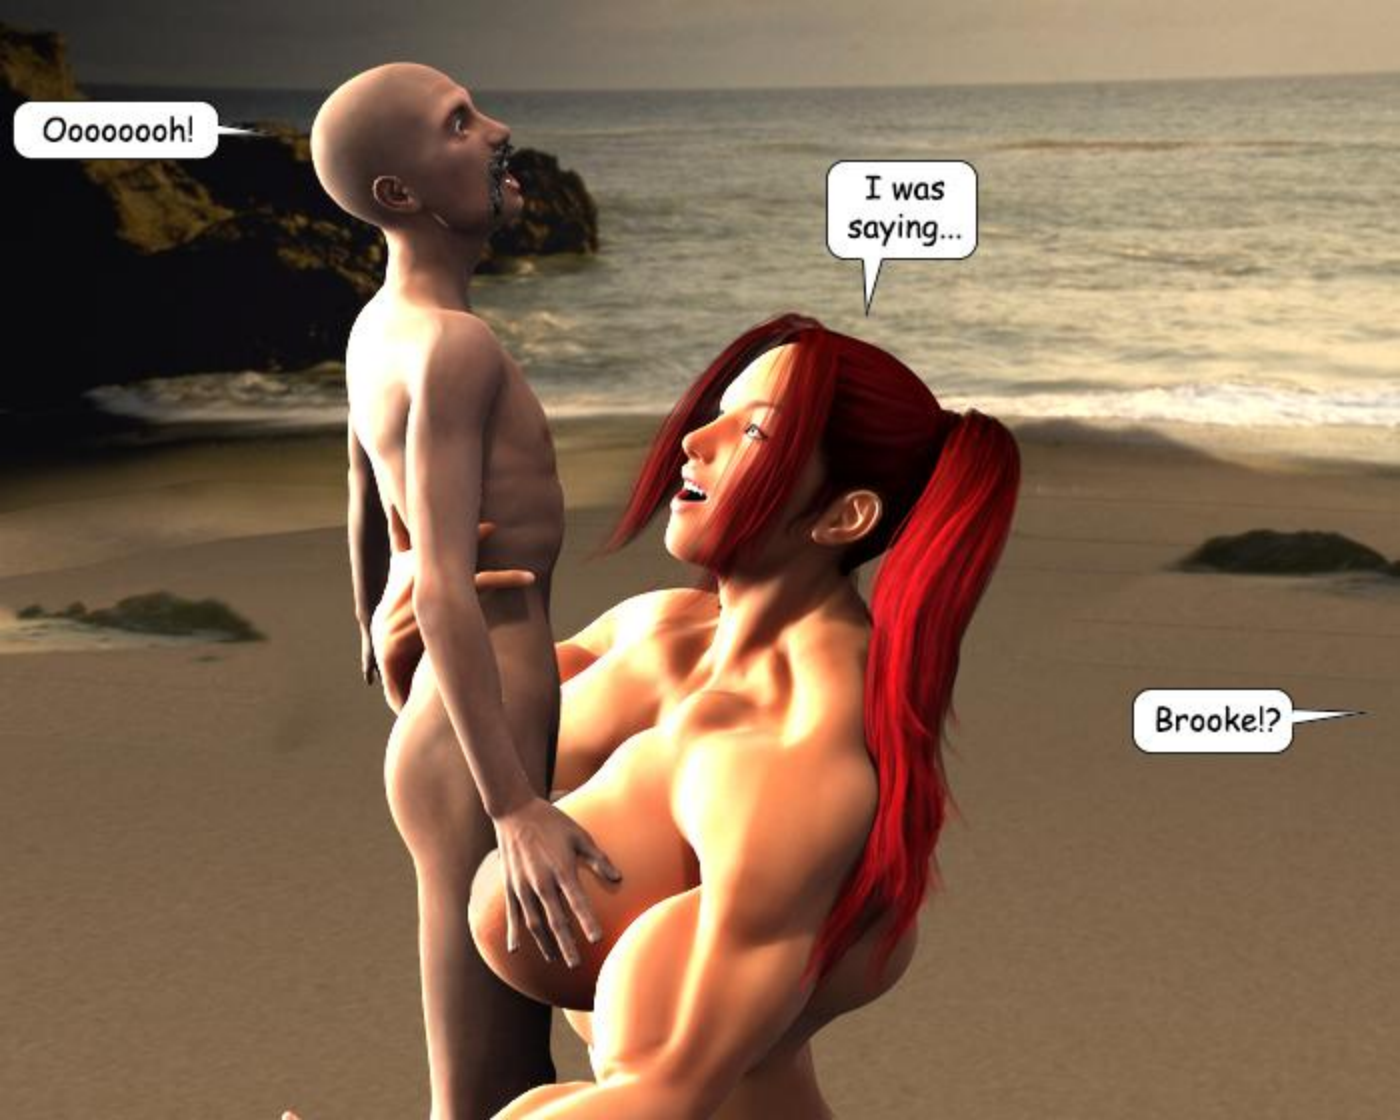

Oh shit! I killed him, I'm so sorry...
Don't worry, he fainted...

Sara, go dress up with Ashley, I'll take care of the little guy here...
Ok...

So, it's just me and you little midget. First of all, let's get rid of our clothes...

Small as I thought... But I can make it work..

Oh, come on guy! No man can resist to a boobfuck! Even less a little shrimp like you!

Oooooooh!
I was saying...
Brooke!?

What are you doing with Ted?
Oh I'm just... waking him up eheheh!

He's a good guy after all, I think we should keep him...

No please! I can't come with you! Let me go, I beg you!
Oh Ted...

Its' so cute that you think you actually have a choice!
THE END...
