Welcome to Fanny Beach, Florida. My name is Dr. Gary Sinnerset, and this is my story. After graduating summa cum laude, I chose to pursue a career as a cosmetic surgeon - a decision driven by my profound fascination with beauty.

It's a charming little town, I have to admit...

...kind of antique and quaint, yet still cozy.

Well then... I'm curious to see what the house I bought actually looks like.

I'm not expecting much - it was, after all, a bargain deal.

But how does a successful cosmetic surgeon like me end up opening a general practice in a remote town in the middle of nowhere in Florida?

But in the end, what matters is that I can live here and set up my practice.

There's certainly more than enough space!

# Amaz2k12 - The Beauty Doctor

... so much space that I can pursue my secret passion in the basement the ultimate beauty ideal: a perfect bimbo woman!

But this time, I need to be more cautious. My experiments almost became public at the hospital ...

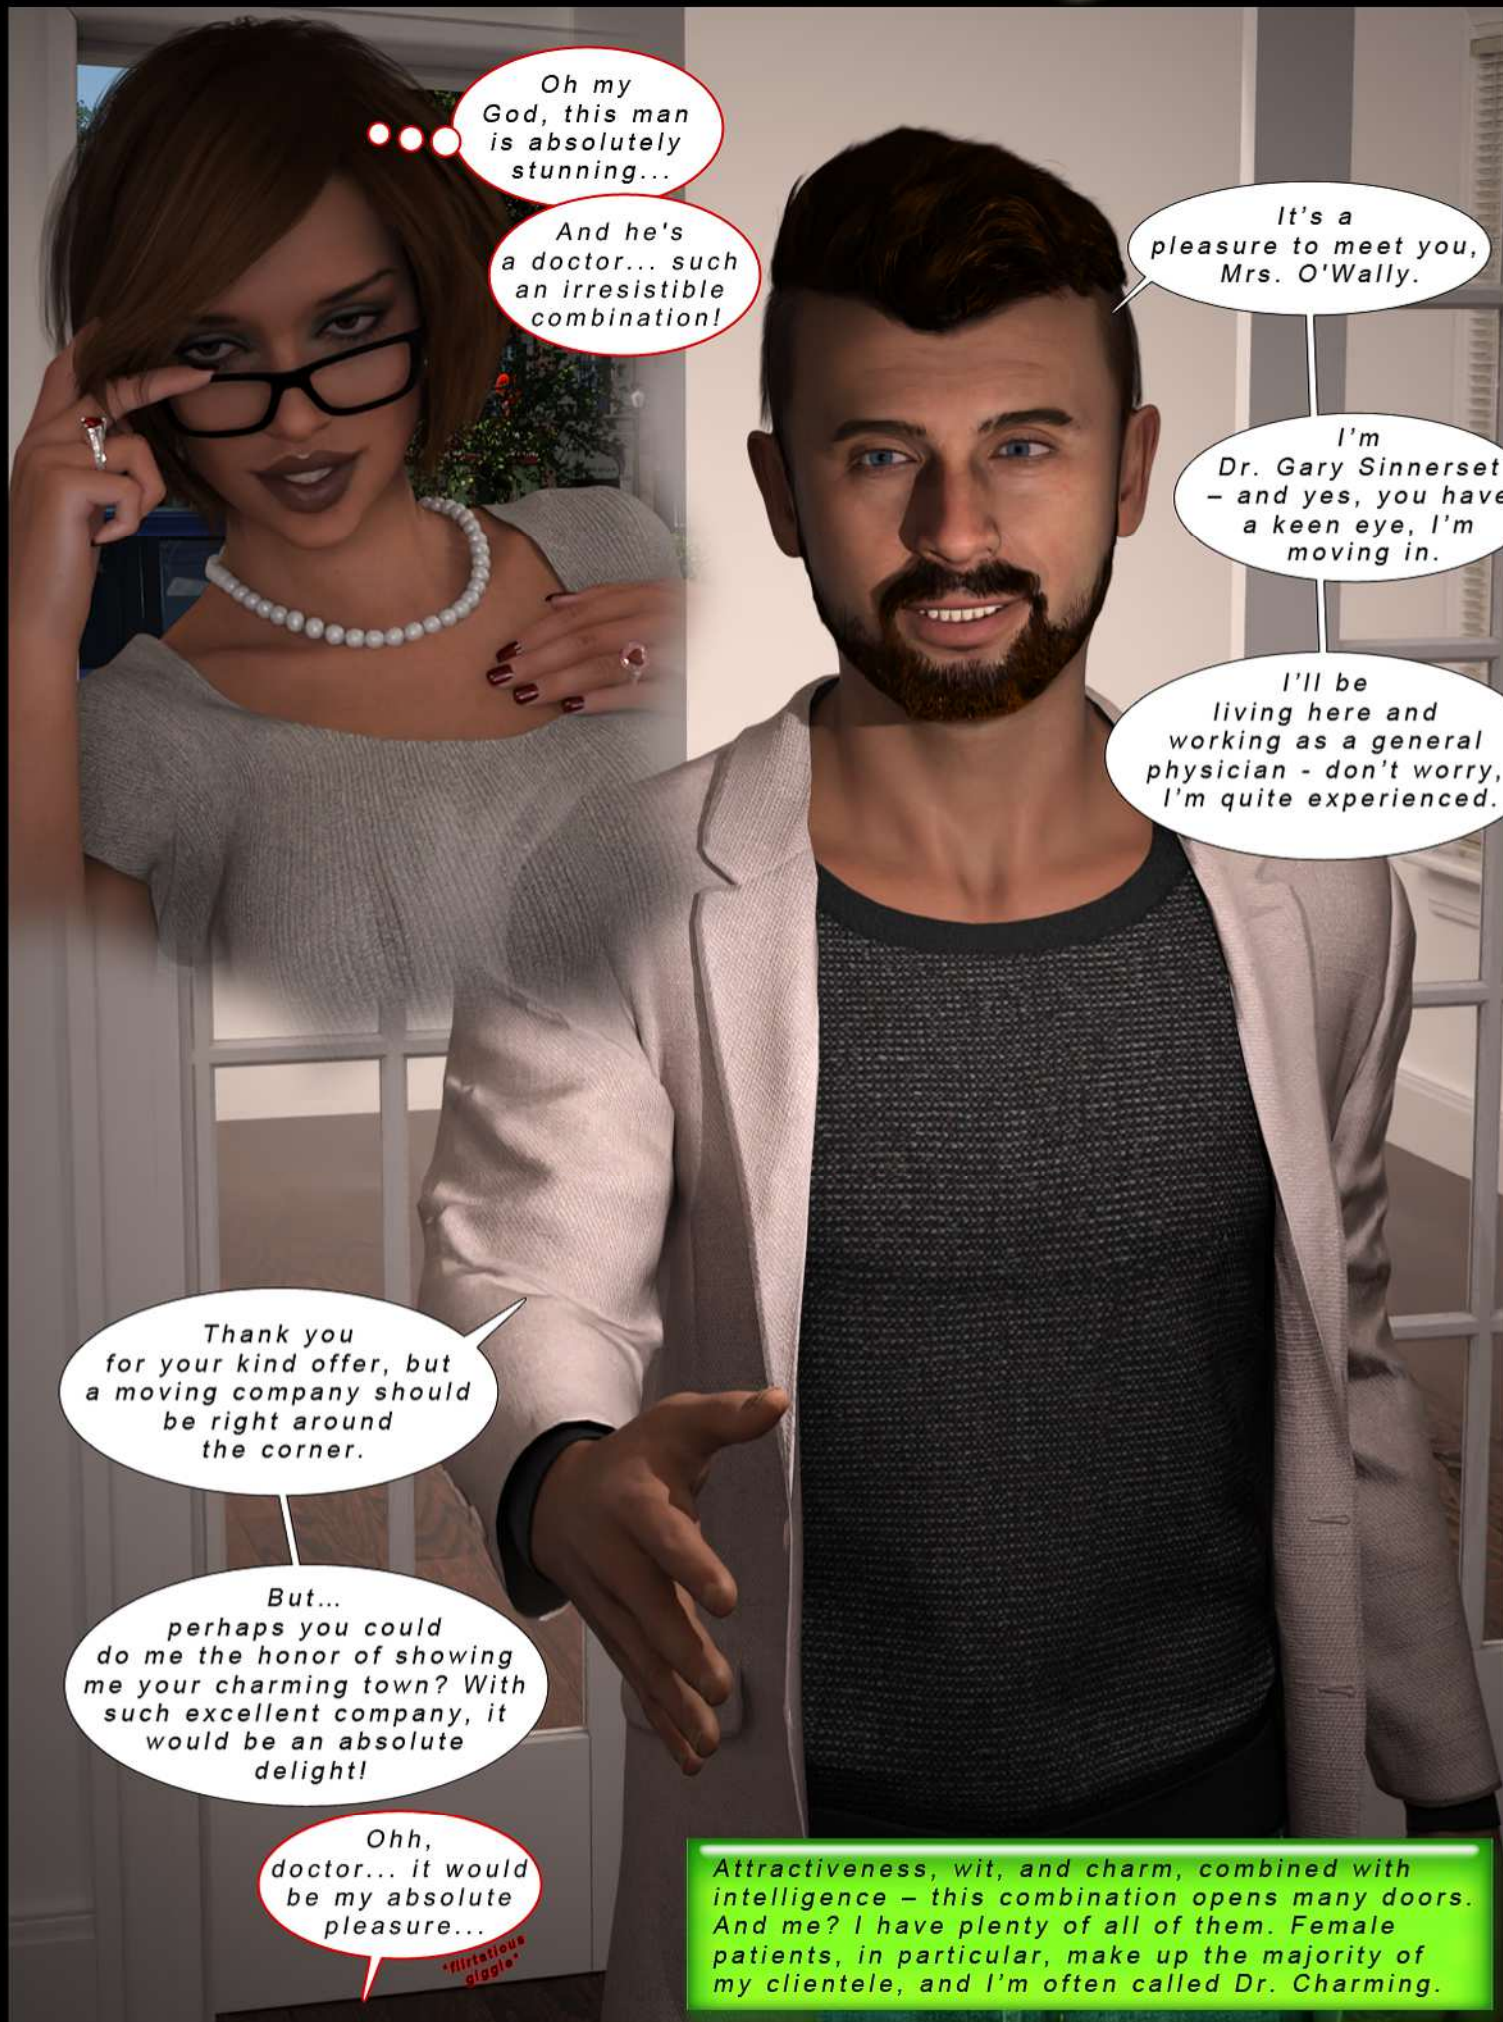

... which forced me to leave my prestigious position and move here.

Ah, but for now, let's focus on the present. There's someone ... a visitor.

Good afternoon! I saw you moving in.

I'm Eleonore O'Wally, your neighbor. Do you need any help?

# Amaz2k12 - The Beauty Doctor

Oh my God, this man is absolutely stunning...

And he's a doctor... such an irresistible combination!

It's a pleasure to meet you, Mrs. O'Wally.

I'm Dr. Gary Sinnerset - and yes, you have a keen eye, I'm moving in.

I'll be living here and working as a general physician - don't worry, I'm quite experienced.

Thank you for your kind offer, but a moving company should be right around the corner.

But... perhaps you could do me the honor of showing me your charming town? With such excellent company, it would be an absolute delight!

Ohh, doctor... it would be my absolute pleasure...

*\*irritating giggle\**

Attractiveness, wit, and charm, combined with intelligence - this combination opens many doors. And me? I have plenty of all of them. Female patients, in particular, make up the majority of my clientele, and I'm often called Dr. Charming.

# Amaz2k12 - The Beauty Doctor

Two weeks later: The house is set up, the practice is ready, and the first candidates for two open positions are being interviewed. Here are the two most intriguing applicants.

# Amaz2k12 - The Beauty Doctor

It's a pleasure to meet you, Ms. ... Erna, correct?

It's a pleasure to meet you too, Dr. Sinnerset.

The second candidate: Erna, 46 years old, mother of a daughter. An experienced medical technician - impressive credentials but visually rather plain.

So, tell me: Why are you interested in working at my practice specifically?

Qualifications? Outstanding - she could easily hold a senior position in a hospital.

Looks? Her radiance has faded, but there's a certain grace that hints at past beauty. Intriguing.

For my tests? She might be ideal...

Caution - she's intelligent. I'll need to make her believe her experience is the only reason she stands out here.

My reason is practical: Your practice is in town, which would save me the hassle of commuting every day.

I'd be ready to start in two weeks - if you've made your decision by then.

# Amaz2k12 - The Beauty Doctor

The interviews are over, but Dr. Sinnerset has already made his choice. For him, though, this is only the beginning ...

I should keep a few applicants on standby. If I plan to influence the entire town, I'll need additional staff in the future ...

But these two women ... they're special.

... Laura: young, beautiful, a little naive. She'll be easy to mold.

... Erna: experienced, marked by life, but incredibly well - connected. A key figure.

Together, they perfectly fill the gaps my experiments require.

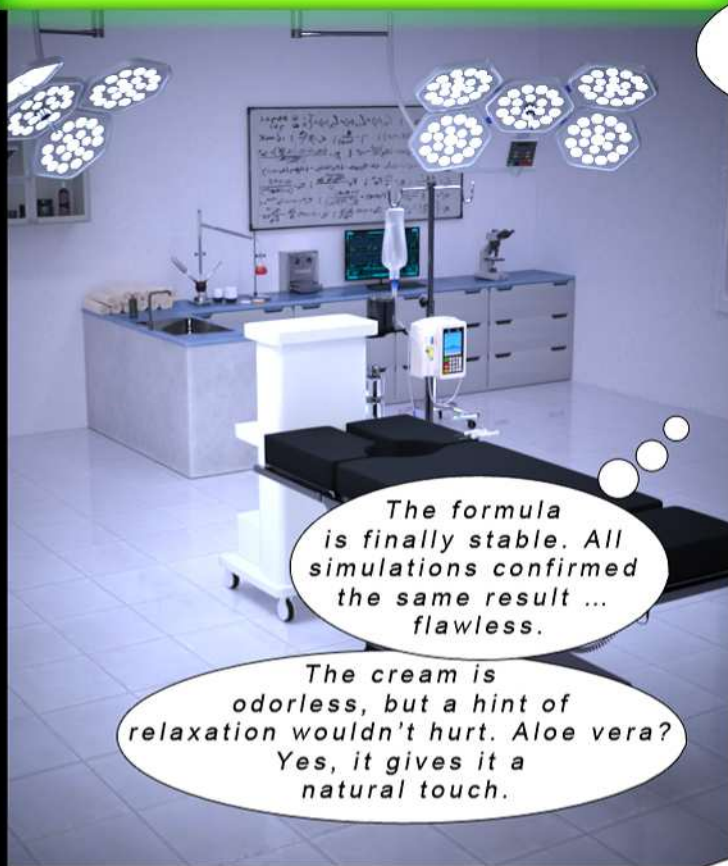

The Bimbofication transformations ... they will usher in a new era. But first, my lab needs to be completed.

That nosy neighbor ... Eleonore O'Wally ... also makes an excellent target. She still gets her milk delivered to her doorstep every morning.

Soon, the work will begin - and with it, my vision of ultimate beauty.

# Amaz2k12 - The Beauty Doctor

Four weeks later ... deep in the doctor's secret basement lab, where his experiments are beginning to bear fruit ...

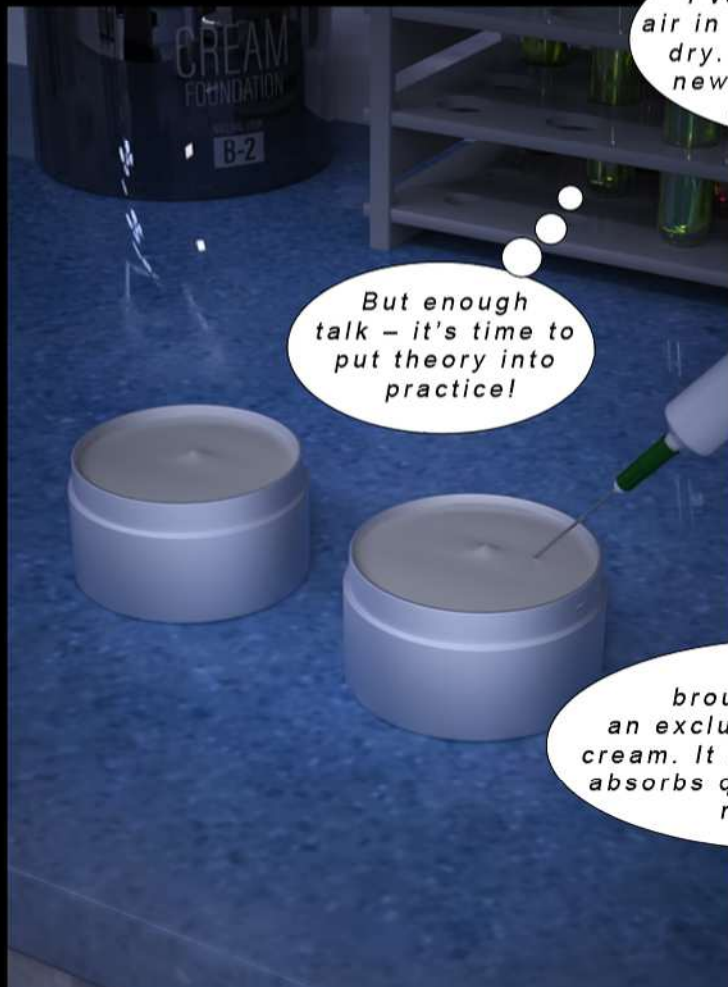

And the serum? I can't wait to see the results ...

The formula is finally stable. All simulations confirmed the same result ... flawless.

The cream is odorless, but a hint of relaxation wouldn't hurt. Aloe vera? Yes, it gives it a natural touch.

Erna, Laura - I've noticed that the air in the practice is quite dry. Unfortunately, the new humidifier system is still delayed.

But enough talk - it's time to put theory into practice!

So, I've brought you both an exclusive moisturizing cream. It nourishes the skin, absorbs quickly, and leaves no residue.

I hope you'll accept this small gift - I'm sure your skin will thank you for it.

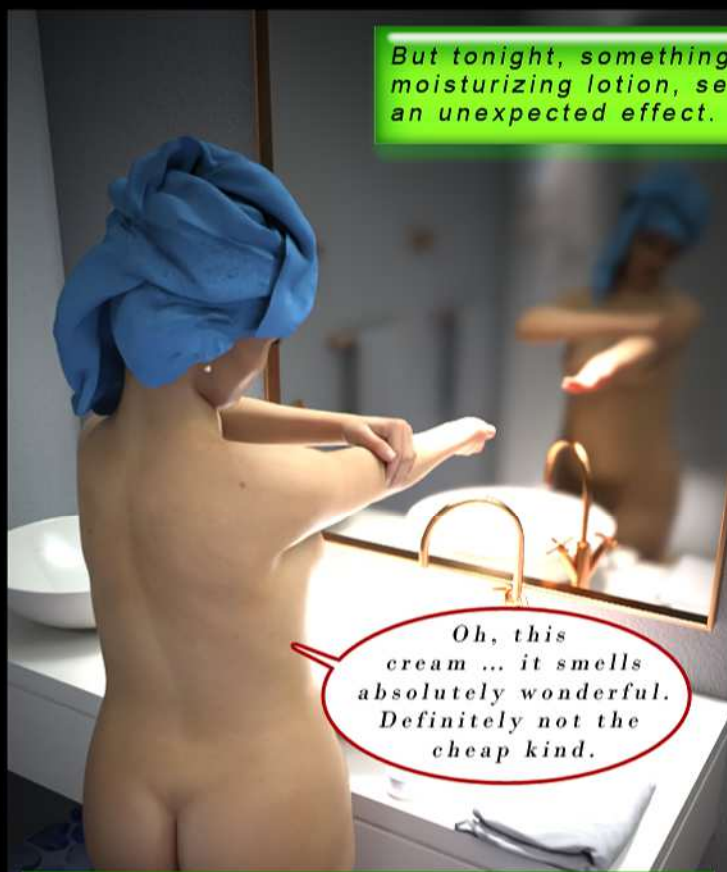

# Amaz2k12 - The Beauty Doctor

This new doctor is such a refreshing change. Good thing I managed to get out of my old contract just in time ...

Erna moves through her usual evening routine. Her husband sleeps peacefully on the couch in front of the TV, while she tries to shake off the weight of the day - days that feel increasingly burdensome with age.

... but enough about work. Marcy is quiet, and Harold is probably snoring away on the couch again.

But tonight, something feels ... different. The moisturizing lotion, seemingly ordinary, reveals an unexpected effect.

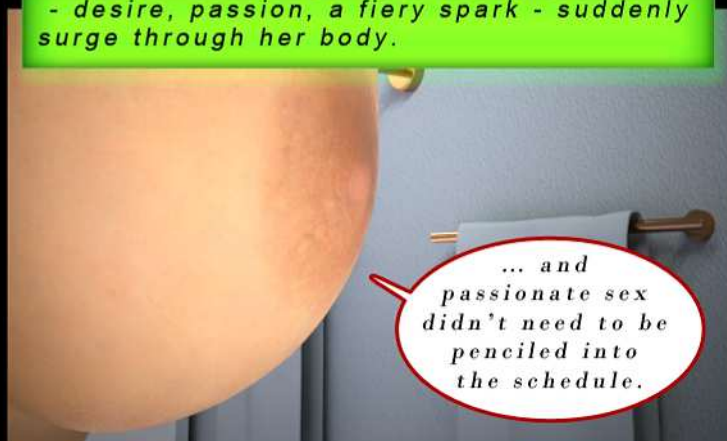

Oh, this cream ... it smells absolutely wonderful. Definitely not the cheap kind.

... and it feels amazing, too ...

It takes me back to when Harold and I were young ...

Feelings she thought she had long buried - desire, passion, a fiery spark - suddenly surge through her body.

... and passionate sex didn't need to be penciled into the schedule.

Her nipples harden as the cool lotion glides across her skin.

# Amaz2k12 - The Beauty Doctor

Oh my God ...  
what's happening to  
me? This desire ... I  
haven't felt anything  
like it in years!

Not even  
before menopause  
was it ever this ...  
intense.

When she steps out of the bathroom,  
she wears something that had collected  
more than just dust in her wardrobe. A  
satin camisole, once bought with quiet  
hope but never worn, now clings to her  
body like a second skin. Her eyes  
sparkle - a flicker of renewed energy  
seems to course through her.

I feel ...  
unbelievably wet,  
like my pussy is  
about to overflow.  
How is this even  
possible?

And this  
nighty ... it looks  
incredible on me. Why  
did I let it sit in  
the closet for  
so long?

Phew ...  
I'm so horny I  
can't take it another  
second!

Harold!  
Darling, wake up  
and get over here right now!  
I ... I have something for  
you, and trust me, you  
don't want to  
miss this!

# Amaz2k12 - The Beauty Doctor

Oh my God, Harold! It's been so damn long since we ... I mean ... I can't even remember!

I never really wanted ... well, this piece of meat. It was always more your thing ...

Erna's husband lies naked as usual at this time of night, asleep in front of the TV ... his beer belly rising and falling in a steady rhythm. But Erna, overwhelmed with arousal, doesn't even notice. With a practiced grip, she reaches for his limp member ...

... but today? Today is different. I'm so turned on I can barely think straight. This desire ... it feels completely new!

... which quickly stiffens to full hardness. Before Harold fully comes to his senses, Erna mounts him, riding him like she never has before. This is one wake-up call Harold will never forget.

E-Erna? Darling? Oh my goodness ...

Harder, Harold! Fuck me like there's no tomorrow!

Fuck me like a slut!

... how many times have I dreamed of being woken up like this!

# Amaz2k12 - The Beauty Doctor

With daily application, an astonishing side effect begins to emerge ...

**Tuesday: Erna, 40** – fine lines fade, her skin begins to glow, and she feels more vibrant.

**Wednesday: Erna, 32** – youthful energy returns, her movements are lively, and she exudes an alluring confidence.

**Thursday: Erna, 25** – smooth, flawless skin, her body firm and toned, with perfectly sculpted curves. Her libido becomes almost insatiable.

Harold,  
you're just pathetic.  
Seriously, that was  
embarrassing.

**Friday: Erna, 21** – an irresistible blend of youthful innocence and seduction. But beneath the surface, a fiery passion ignites, breaking all boundaries.

You know what? I'm going out tonight. There are plenty of guys out there who actually know how to handle a woman like me.

So don't bother waiting up – you'd just be disappointed anyway.

Erna isn't just getting younger – her desires are growing with an intensity that Harold couldn't keep up with as early as Tuesday. While she fully embraces her newfound lust, poor Harold is completely outmatched.

# Amaz2k12 - The Beauty Doctor

The moment Erna orders her first drink, a confident guy makes his move. What he doesn't realize: he's just one of the many she plans to devour tonight ...

Teehee, thanks, handsome. But no, I'm not married. No ties, no baggage. Just me - free and ready for anything

You know, tonight I'm craving ... a lot. And honestly? One guy won't cut it.

So, what do you think? Can you keep up? Or should I move on to the next guy who can satisfy my appetite?

Hey, gorgeous! You're new here, right? Your boyfriend let you out all by yourself?

Let me buy you a drink. What's your poison? Something strong to set the mood?

You're so young, so hot ... there's gotta be a jealous boyfriend somewhere, isn't there?

What do you say? Let's have some fun tonight. I bet I can make it worth your while.

It doesn't take long, and just a few minutes later, suspicious sounds echo from the ladies' room at the bar ...

NEVER GIVE UP  
NEITHER DOES  
ANYBODY ELSE

Oh God, yes! So deep ... that's exactly how I want it!

You're so damn hot, babe ... I knew you were special the moment I saw you.

Harder, Tiger! I want the whole bar to hear us!

Hold tight, I'm about to show you what a real man can do.

Oh yes, so intense ... I've never felt this alive before!

\*FLAP\*  
\*FLAP\*  
\*FLAP\*

\*knead\*

The faint rattling of their movements mingles with the bar's background noise, leaving it unclear if anyone outside suspects what's happening ... but neither Erna nor her partner seems to care.

# Amaz2k12 - The Beauty Doctor

One week later – at the practice. Erna and Laura's behavior has become almost unrecognizable.

Oh no,  
this is all wrong ...  
I must've made a  
teeny-tiny  
mistake.

Both women exude an almost tangible,  
seductive energy that noticeably impacts  
their focus and professionalism.

Just one  
mistake? Sweetie,  
take a closer look! All you  
dots are little hearts, and  
the rest of the  
form ...

Wow, Erna,  
that's like a whole  
gallery of doodled dicks!  
Whoever sees this is gonna  
have a good laugh!

You're  
so naughty ...  
hahaha!

Erna's biological rejuvenation seems to  
have stabilized, and now the two could  
easily pass as equally young sisters –  
albeit very flirtatious ones.

Meanwhile, Mr. Miller, a patient, stares at the form in his hand, eyebrows raised, wondering if  
he's looking at an art project instead of medical paperwork.

# Amaz2k12 - The Beauty Doctor

Meanwhile, in Dr. Gary Sinnerset's office...

The cream is showing incredible results.

Simply fascinating - Erna looks like she just graduated high school...

... no one would ever believe she used to be a woman in her fifties.

And their libido? Both hers and Laura's have skyrocketed into orbit.

Of course, there's a downside. Two young, confident women under one roof?

...and an hour ago - just ten minutes before page 13, when things were a bit more chaotic.

Ha! I'm the only one here who actually knows what she's doing! You're just a pretty face!

Oh wait, scratch that - not even. You're just the cute distraction!

It's like a ticking time bomb - one wrong word, and it's a full-blown catfight.

Pfft, cute is more than enough to have the guys wrapped around my finger. And hey, I'm YOUNG - which you, aren't!

Maybe you should stop talking and focus on your wrinkle cream instead!

Still, I'm more than pleased. But enough about that - I should focus on my patients...

You little brat!

You old hag!

# Amaz2k12 - The Beauty Doctor

Doctor, my husband just can't satisfy me anymore.

We haven't had sex in a year...

And now he complains of a headache every time I even try!

That's because you dress like my old strict teacher in history class, Abigail.

And you're more bureaucratic than the IRS in Germany and the States... together!

HOW DARE YOU, Erwin?! I'm the one trying to save our marriage here!

You should be thankful I'm even making an effort!

I mean, I need an appointment just to kiss you - and if the kiss is too wet, you turn into a dra...

Doctor, do you see what I'm dealing with? Just prescribe him those little blue pills so at least something moves down there - because right now, it's more lively under MY skirt than in HIS pants!

# Amaz2k12 - The Beauty Doctor

Instead of the little blue pill for your husband, I have a much better solution...

A vitamin injection that will reignite your love life - almost like you're newlyweds again!

But there's one thing: the serum is still experimental. Side effects? None so far - just happy results!

For the best effect, I'd recommend you both get the injection. Oh, and as testers, there's even a small compensation.

Doctor, if it works, who cares about risks? Erwin will go along with it.

You know what? Triple his dose - no, quadruple it. Maybe he'll finally act like a real man!

Why not, but only at your own risk!

Of course, Abigail. Why not just max it out while you're at it? I love being the guinea pig.

# Amaz2k12 - The Beauty Doctor

After Erwin received his 10x-strength injection and Abigail prepared for hers:

You know what? Just double her dose. She'll thank me - and I'll finally get some peace.

Sir, we don't fully understand the risks... this might be...

Hmm, if I mix in the compound I used in Erna's cream, the results could be... interesting.

Between us: I've got this other girl. Total sex bomb. I need the extra energy to keep up with both of them.

No problem, Doc. I'll sign it as soon as Abigail steps out.

Don't worry about the cost. Just make it work!

Fine, but only if you sign this waiver - purely to keep the pharmaceutical industry happy, you understand?

# Amaz2k12 - The Beauty Doctor

What were you whispering with the doctor about, Erwin?

Uh... I just signed the consent forms for both of us, Honey. You feeling alright?

Hmm, yes, that's important. So... how are you feeling now?

Oh, I feel amazing... I swear the vitamin boost is kicking in - my pants are getting... tight.

Ooooh, I'm so glad to hear that. Now let's head home - I haven't felt this turned on in ages... teehee!

10 minutes later...

A total success! Two serums in one dose. I should've added the other formula too, just to see how it works on men...

But no worries - there'll be another opportunity.

Ooooh, Doctor? Do you have a moment for me...?

Yes, Laura? What do you need?

# Amaz2k12 - The Beauty Doctor

Dr. Gary Winterset was not a man who was easily rattled...

Doctoor...  
you work waaay  
too much! I thought  
I'd help you relax  
a little...

Ever since  
Erna started looking  
like a hot college babe,  
you barely even look at  
me anymore...  
but I have plenty to  
offer too!

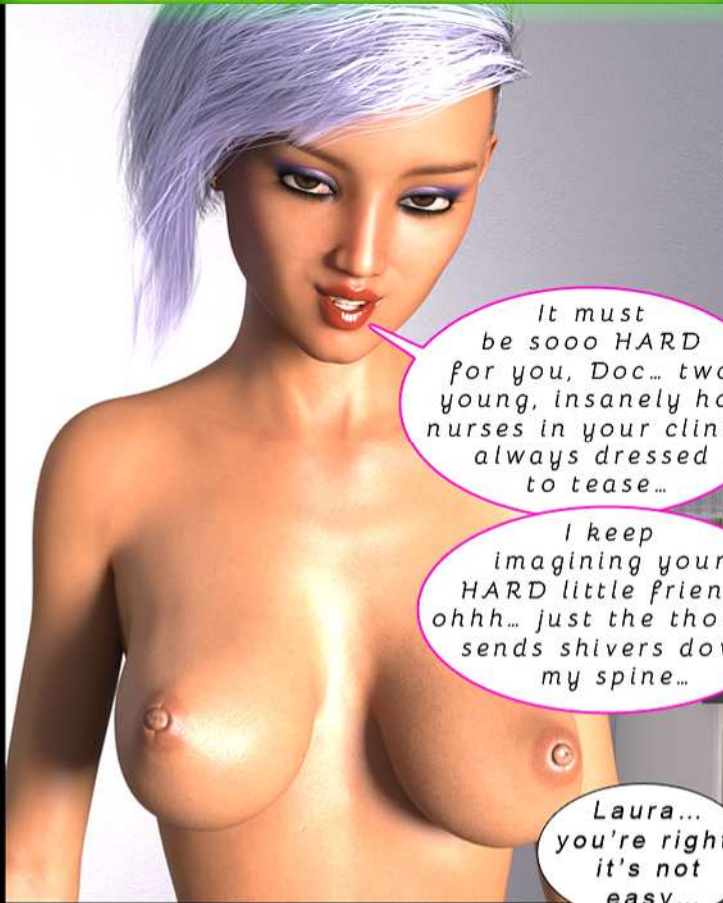

Do you  
like my boobs? Look  
how they bounce - so  
perky, so firm!  
Okay, maybe a little  
small, but hey - that's  
fixable...

Next patient  
isn't due for another  
30 minutes... how about  
a very thorough  
examination?  
I love playing doctor...  
and I promise, I'm a  
very obedient patient...

But even for him, it wasn't exactly an everyday occurrence to have a completely naked, visibly aroused Laura presenting herself in his office like a gift just waiting to be unwrapped...

# Amaz2k12 - The Beauty Doctor

Dr. Gary Winterset was a man of science... but even for him, it was becoming increasingly difficult to focus on his research.

It must be sooo HARD for you, Doc... two young, insanely hot nurses in your clinic, always dressed to tease...

I keep imagining your HARD little friend... ohhh... just the thought sends shivers down my spine...

Laura... you're right, it's not easy...

Tempting? Absolutely. But Dr. Winterset had bigger plans...

The mixture is a complete success. Erna looks young again... and both women are now completely uninhibited, shamelessly horny.

It's time for my next step... I'll leave the lab door slightly open...

... but as much as I want to take you right here and now...

... if anyone caught us, it would all be over. But the risk... might just be worth it.

Mmmhh... uhh...

Two young, completely uninhibited nurses, barely dressed - and one of them was standing stark naked in front of him.

A few hours later...

Huh? Wasn't the door locked? Maybe Dr. Gary's downstairs in the lab? I should check it out...

# Amaz2k12 - The Beauty Doctor

Dr. Gary always kept this room locked. Neither Laura nor Erna had ever set foot inside...

Wow...  
I've never been  
down here  
before...

Gary?  
Are you here?  
Hello?

This was where the doctor conducted his experiments late at night...

What are  
these weird  
contraptions? What  
does Gary do  
down here?

Wait a  
second... isn't this  
the same cream he  
gave Erna and  
me...?

Is this  
why she suddenly  
looks so young  
again?

Pff...  
nonsense.  
But...

What if  
I just take one...  
you know, just  
in case?

And tonight... was one of those nights.

# Amaz2k12 - The Beauty Doctor

All you have to do is ask, Laura, and I'll tell you exactly what each cream does.

\*gasp\*

Doctor?! I didn't even...

Welcome to my lab. Let me guess... you're after a bigger bust, aren't you?

Well, you've got two options: The cream, which will greatly accelerate breast growth...

This cream can do that? Wow! I always thought it was just...

Or the direct route - my new machine. It's powerful, but... well, let's just say the side effects are still unpredictable.

So, what's it gonna be?

Oh, screw it! I choose the machine - make me HUGE!

# Amaz2k12 - The Beauty Doctor

# Amaz2k12 - The Beauty Doctor

Due to the intense stimulation, Laura's breast tissue multiplies rapidly. Within minutes, her once youthful breasts expand into massive, gravity-defying L-cup spheres...

Ohh,  
Gary... enough...  
\*moan\*

Any  
more, and I'll...  
explode right here  
and now!

... heavy, full, and bouncing  
with every little movement.

As she rises from the chair, the sudden weight throws her off balance - a sexy struggle with two XXL-sized assets!

Hehe...  
this is the best  
science experiment  
I've ever done...

But now  
it's time to put  
these magnificent  
beauties to  
the test...

Ready,  
Doctor?

And tonight... was one of those nights.

# Amaz2k12 - The Beauty Doctor

You're right, Laura... a test run would make sense right now.

Ohhh, Doctor... do you even hear yourself?

A test run? Is that your scientific way of saying you want me?

And the best part? No one can disturb us. We're the only ones here.

Come on, Gary... I see the way you look at me...

So... do you... feel good?

I'm naked... ready... willing...

So... what's holding you back?

# Amaz2k12 - The Beauty Doctor

But the scientist in Gary just can't resist. Despite his growing arousal (and honestly, who could resist such a tempting sight?), he stays focused.

Caution is key... I'll be monitoring this formula very closely in the coming days.

Come on, Gary - does it always take you this long to get your pants off? I remember things going a lot faster...

He applies the same gliding formula he prescribed to the couple just hours ago...

But don't worry, Laura - I'm just making sure we won't have any little surprises in nine months.

Don't worry, it will make you even sluttier, dear Laura.

Oh no, no way - I'm loving this new me, and I'm not about to - ohhh so ready...

... and finally, he gives in to temptation as Laura eagerly awaits him.

Ready? Here comes the next phase of the experiment, sweetheart.

I hope you're ready... \*moan\* ohhh... because I never \*ugh\* do things halfway.

# Amaz2k12 - The Beauty Doctor

And so, their passionate game begins...

How do I make sure she keeps quiet about the lab...?

Whatever... pleasure first, science later.

Ohhh, Gary... you're such a damn good lover...

Looks like you're enjoying this just as much as I am, Laura...

I... \*ohhh\* I can feel it... so close... no one's ever taken me this far...

Alright, if you want it rougher...

But don't worry, baby... I'm not made of glass... I'm a very slutty girl!

Then show me what you've really got, SLUT!

So give me everything you've got!

\*SWING\*

\*wobble\*

\*FLAP\*  
\*FLAP\*  
\*FLAP\*

Yet even as Gary gives in to pleasure, his mind keeps racing.

# Amaz2k12 - The Beauty Doctor

But even the most passionate encounters must come to an end... and 60 minutes later...

Damn...  
I've never met a  
woman this insatiable.  
What a ride!

But this  
just gave me the perfect  
solution to my little  
problem...

Uhhh, baby...  
I don't think I've  
ever had this many  
orgasms...

Laura...  
you're incredible...  
but I gotta admit...  
I am officially  
done.

You've  
definitely got  
skills - and damn, you  
look good... for a  
nerdy doctor!

Yet even as Gary gives in to  
pleasure, his mind keeps racing.

# Amaz2k12 - The Beauty Doctor

Laura hit the nail on the head – Dr. Gary may be a nerdy type, but when it comes to science, he's always quick to get back to business...

I wasn't always like this, Laura. But tell me – do you like your new curves?

Ohhh yes, they're perfect...

...even if they're about to pop out of every top I own...

Glad to hear it! To make sure they stay that way, I should give you a little stabilization formula, okay?

Why do you ask, Gary? Want to double-check for yourself?

Like I said – the machine is still experimental. Without this, your body might try to reset itself... and we wouldn't want those gorgeous new curves of yours to shrink away, now would we?

But seriously – there's no way I'd ever give up a single inch of these amazing tits!

...and soon enough, you'll completely embrace the Bimbo lifestyle – forgetting all about my little secret.

Just a little precaution...

And hey – what girl doesn't love shopping?

I guess my first stop is... shopping!

Yet even as Gary gives in to pleasure, his mind keeps racing.

# Amaz2k12 - The Beauty Doctor

As night falls over the city, Dr. Gary wraps up his evening of experimentation...

Laura is one hell of a talented assistant... but if the stabilizer works as expected...

Hmmm... what new possibilities might unfold after she forgot most of her knowledge?

Ah, time will tell. The real question is...

What should I do about my curious neighbor? Ever since she greeted me on move-in day with that perfect smile, she's been watching my every move...

Coincidence? Or is there more to it? Could she be... a government agent keeping tabs on me?

... but his mind is already racing—his next big goal in sight.

Eleonora O'Wally  
39 Years old  
Librarian

Oh, Doctor... how much longer are you going to make me wait?

# Amaz2k12 - The Beauty Doctor

Of course, the doctor had planned ahead. Two days after her first application of the daily cream...

Dr. Gary's thoughts

Six weeks ago, I left the original serum at her doorstep – disguised as an innocent cream and a subtle fragrance spray.

But unlike Erna, this reaction was... different.

She didn't grow younger – no, that would be too obvious.

Instead, her pleasure center became hyper-sensitive – like a high-performance scanner tuned to every little sensation.

Ohhh... what is this?! Since when does my skin feel... so sensitive?

Shortly after Gary moved in...six weeks ago.

Eleonore O'Wally's home – one week into the experiment... and things are heating up.

Her hormones? A never-ending surge – every touch, every thought, a spark igniting the fire inside her.

Every day, just a little... hotter.

At first, it was just a pleasant tingle... when reading, when bathing...

But now? Now she just can't stop...

God, why... **\*moan\***... why is this book making me so unbelievably... hnggh... horny?!

# Amaz2k12 - The Beauty Doctor

Three weeks ago, at Eleonore's workplace – the city library. But if you're looking for her, you're out of luck...

Her arousal level has skyrocketed...

To a point where words like "inhibition" or "morality" barely mean anything to her anymore.

Her desk? Abandoned. Files piling up, untouched.

Instead, you'll find her in the storage room – busy.

Yes, Henry... just like that! You're a natural...

Don't worry, boss – you're up next! Can't wait, huh?

If her boss hadn't caught her in the act and spilled every juicy detail to me...

Well, then I wouldn't be telling you this story now, would I?

Trust me, neither can I... ohhh God!

Not with books... but with the students and visitors who "accidentally" wander in...

# Amaz2k12 - The Beauty Doctor

Eventually, Eleonore makes up her mind - she needs to visit her new neighbor and doctor.

But as soon as she sits down for her appointment, she can't focus on the conversation for even two minutes...

Eleonoro O'Wally  
39 Years old  
Nymphomaic Librarian

Yes, I understand the issue, Mrs. O'Wally.

I'd like to take a blood sample to investigate further.

Based on that, we can determine the right course of treatment.

Oh, doctor...  
I don't know what's happening to me...  
\*slurp\*

This desire... for... mhhh ...  
SEX...

... it's just... so  
insanely strong!

People are already talking about me, but you know what?

I just don't care anymore!

What's happening to me, doctor?!

# Amaz2k12 - The Beauty Doctor

30 minutes later...

Hmm...  
I know exactly  
what you need. The cream  
and aerosol did their  
job perfectly...

Mmmm,  
that was amazing... but  
somehow... something's  
missing. But what?

Well, Eleonore,  
I'll sign you off for the  
rest of the day and give you a  
mild sedative. That way,  
you can get some  
proper rest.

Of course,  
with a few special  
enhancements... a little  
boost for body and mind.  
Let's see how well  
it works.

Oh, please,  
Gary - "Eleonore"  
sounds way too  
formal. Just call  
me Ela.

Ugh,  
getting a full  
night's sleep again...  
that would be so  
amazing...

Oh god,  
but right now,  
I'm already...  
so turned on.

I'll have  
your blood sample  
analyzed. Just come back  
tomorrow morning,  
okay?

Tomorrow  
morning? Perfect!  
I don't have to be at  
the library until  
noon.

# Amaz2k12 - The Beauty Doctor

Eleonore's bedroom

- a place of rest... or maybe not?

What a day... The library wants to fire me - and for what?

"Inappropriate public behavior" - pff, as if!

Gary was right, I really need some rest... his sleeping aid is kicking in... yawn... Oh man, I'm exhausted...

But first... let's turn on my little helper.

\*bzzzt\*

Oh wow... this feels so intense today...

My whole body is tingling... I feel so \*moan\* alive...

\*bzzzz\*

Mhhh... yesss...

# Amaz2k12 - The Beauty Doctor

With her vibrator still humming away, Eleonore drifts into a deep sleep...

Ohhh  
yes... right  
there...

Her dreams? A whirlwind  
of passion and desire.

As she slumbers, something  
inside her shifts - not just  
her mindset, but her entire  
being...

Mhhh...  
this book... so damn  
steamy...

Her inhibitions melt away,  
her morality reshapes itself...

Until she finally wakes up, feeling  
refreshed and... different.

Mhhh...  
what a night...  
\*yawn\*

\*stretch\*

I slept  
sooo well... and I  
feel... absolutely  
amazing...

Come on,  
boys, show me what  
you've got...

# Amaz2k12 - The Beauty Doctor

Ela leaps out of bed, stretching luxuriously, feeling lighter than she has in years.

The insatiable hunger for sex from before seems to have vanished - but in truth, she's simply grown accustomed to it.

Wow...  
that was the best  
sleep I've had  
in years!

No stiff  
back, no creaky  
joints - did I wake up  
in someone else's  
body?

In truth, she's horny as hell, always  
on the hunt for cock... She is highly  
nymphomatic - a real slut.

Hah!  
Almost too good  
to be true... but  
no time to dwell  
on it!

A new day,  
new cocks - and  
a library waiting  
for me!

Her body and mind have embraced this new reality...  
but as she steps in front of the mirror...

# Amaz2k12 - The Beauty Doctor

# Amaz2k12 - The Beauty Doctor

Let's be real - this isn't exactly an everyday situation. So, Eleonore does the only logical thing: she needs to see Dr. Gary. Now.

Okay,  
first things first -  
I so need to see  
the doc...

She grabs something from her closet,  
not even realizing that the crop top  
and shorts actually belong to her  
daughter. Ironic, considering she  
took them away for being "way too  
revealing"...

Is  
he even  
home?

But just as she's about to strut out the door,  
a familiar voice calls from the hallway.

Mom? Have  
you seen my pink  
sneakers? Y'know, the  
ones with the sparkly  
stars?

Oh,  
crap... Kathy's still  
here?!

# Amaz2k12 - The Beauty Doctor

Fully aware that her drastic de-aging - along with her significantly enhanced assets - might come as a shock to Kathy, Ela steps into the hallway. Meanwhile, her daughter is still rummaging around, looking for her sneakers...

Kathy!  
How many times  
have I told you to  
put your stuff in  
one place?

Honestly,  
young lady, this  
is completely  
bogus -

Ugh, you  
know what? Never  
mind! I always keep my  
things neat and organized,  
unlike some people...

Anyway,  
I'm totally not  
vibing right now.  
I'm going over to  
Dr. Gary's.

...he's got  
exactly what I need  
right now...

Ugh,  
Mooooom,  
I -

Yeah,  
yeah, I get it,  
you're so responsible  
and all - wait.

Whoa,  
whoa, whoa.  
You...

What  
is up with your  
voice? You sound,  
like...

And what  
exactly do you  
need from Dr.  
Gary?

# Amaz2k12 - The Beauty Doctor

Curious, Kathy turns around - expecting to see the familiar face of her aging mother... but instead -

OH. MY. GOD. WHAT THE ACTUAL - ?!

AHEM!  
Kathy, young lady, I will not tolerate this -

Dude, you look... so freakin' young!

Like, there's no way anyone's gonna believe you're -

DOUBLE OMG! Look at those totally fake melons!

Wait, WHAT?! Fake... MELONS?!

EXCUSE ME?! I did NOT—

But sure, tell me it's "not appropriate" to wear crop tops, huh?

This is so beyond unfair, like, totally not cool!

Spill it, Mom - when did you get a boob job?!

# Amaz2k12 - The Beauty Doctor

# Amaz2k12 - The Beauty Doctor

Together, the two head to Dr. Gary Winterset's office, where they're greeted by Laura at the reception desk.

I need to see Dr. Gary. He's, like, totally expecting me!

Hmm, Miss O'Wally, I could maybe squeeze you and your sister in before -

Sister? OMG—that's my daughter, okay? For real!

Dude! Her boobs are, like, off the charts!

Oh? Wait - your daughter?! Like, for real?!

That's kinda why I really need to talk to him, sooo...

And she totally sounds like a bimbo girl!

Ummm... I can maybe slot you in after Dr. Gary's current appointment...

Yeah, that'd be, like, totally awesome, thanks!

This is, like, SO my way - where can I sign up?

He's, like, super busy right now.....

He's, umm... like, super sweet...

I mean! He's a really professional doctor. Yeah. That.

# Amaz2k12 - The Beauty Doctor

The wait isn't long. Just as a patient steps out of Dr. Gary's office...

Whoa, that was way too close... How do I even begin to explain this to Kathy?

I want cawcks... a lot of them! NOW!

Okay, this is so weird...

Every girl here's got massive boobs and acts all... bubbly AF.

Is this Dr. Gary's doing? I mean - look at Mom! She's like... totally my clone-sis.

...something about her rings a bell. But from where?

Crap - it's Abigail. The queen of school gossip...

Wait - hold up... Mrs. Johnson?! No freaking way...

She's younger... and her rack is like - whoa.

Hey there...

Sup, Abi...

Oh, hi Kathy! Everything... um, good?

Hey, Mrs. J - yeah, I'm good.

See you later at school, sweetie!

See you in class!

# Amaz2k12 - The Beauty Doctor

Yep, that's Abigail — the same woman we saw with her husband back on page 15.

Hmm... who was that girl with Kathy just now?

I don't recognize her from school... and trust me, a rack like that doesn't just walk past unnoticed.

But that face... there's something about it. Kinda like her older sister?

Wait a sec... did she just say, "Sup, Abi"?

Oh. My. God.

That was Ela!

And judging by that open blazer (with no top underneath)... we'd say she's showing similar effects to Eleonore.

One week later, her transformation is clearly in full swing. She's visibly younger, and her rapidly expanding curves leave little room for doubt.

No way... that cannot be -

...umm... well, maybe? Heehee.

I wonder if Erwin's home... haven't seen him in days.

Then again... Carlos has been soooo much more... hands-on lately. Mmm...

But hey — if you recall, this is exactly what she asked for.

# Amaz2k12 - The Beauty Doctor

# Amaz2k12 - The Beauty Doctor

Gary...  
what's going on  
here?

Ela,  
I-I don't have a  
clear explanation  
yet, but -

You're  
looking at me like  
I'm dessert. And I'm  
starving...

As your  
doctor, I have  
to ask you  
to -

Do you  
like what you  
see?

I definitely  
like what I'm  
seeing.

Last night...  
in my dreams... we  
went all the way,  
baby.

ELA,  
your hand...  
that's -

Come on,  
use that adorable  
brain of yours.

If you  
help me... maybe  
I'll help you.

\*giggle\*  
I know you  
want this just as  
bad as I do...

I... Ela,  
you... this  
isn't -

Oh my freaking GOSH!

Is my  
mom seriously hitting  
on the doctor - while  
half naked?!

Your  
daughter is  
standing right  
there!

I mean,  
yeah, he's kinda hot...  
but he's gotta be, like, in  
his thirties?!

Then again...  
she is technically my mom...  
ugh, this is such a  
mindfreak!

Kathy's a  
big girl.

But  
I've got the  
experience.

She  
can join... or  
leave. I'm not  
waiting.

# Amaz2k12 - The Beauty Doctor

I have zero clue what's going on here!

But seriously, Doc?! Whatever YOU did to my mom...

She's turning into some kinda total bimbo hottie!

I want the exact same deal! Like - full package or more!

My mom used to lecture me about dressing like that!

Ohhh, Gary... I know you're, like, well-equipped...

But what I'm feeling down there is just... mhhh, so much man meat...

teehee~ You're gonna break me, aren't you?

Hell, she's literally wearing my clothes right now!

And now she's more Bimbo Barbie than me?

No freakin' way, Doc! You can't be serious!

# Amaz2k12 - The Beauty Doctor

Kathy,  
I appreciate your  
trust.

But what's  
happening here goes  
far beyond conventional  
medicine.

Frankly,  
I'm just as surprised  
by your mother's  
transformation  
as you are.

According to her  
bloodwork - she's not  
39 anymore.

Biologically,  
she's 18. That's not  
science... that's  
a miracle.

*\*Giggle\** Ohhh,  
Dooctor... you're,  
like, sooo smart.  
*\*purrs\**

Can you  
make me, like, totally  
full-on Barbie now?

I swear,  
my sis would be sooo  
jelly - she always wanted  
to be the blonde  
bombshell.

# Amaz2k12 - The Beauty Doctor

Doctor, seriously - how is this even happening?!

Did you hear her call me sis?!

Ugh, that is so messed up!

Come on, Mom - uh, Ela - let's go.

Doc, if you find a "solution," you better stop by anytime.

Kathy, your mother should absolutely not be left alone -

- and definitely not go to work in her current... condition.

But sure, if that's what you want.

I've got school, and Mu - ugh - Ela has "work"...

Though honestly? That's just ridiculous at this point.

Whaaaat? Do I really have to leave already, sis?

Awww, pooo! The doc was just about to make me into a real Bimbo Barbie!

Like, I'm sooo horny right now... can't I stay a bit longer?

Pretty please, sis? I'll be, like, suuuper good... or bad - whatever he wants. \*giggle\*

I'll stop by tonight -

...if that's still okay with you.

# Amaz2k12 - The Beauty Doctor

With the energy of a teenage tantrum, the door slams shut. Silence falls again... only Dr. Gary remains, alone with his thoughts and data.

SLAM!

So... it works. The catalyst finally fused. Not just regression - evolution. The perfect Bimbo!

Ela is becoming the prototype I always dreamed of. Beauty, confidence, raw femininity - without a scalpel, without shame.

They called me mad back at the university. Said it was unethical. But what's unethical about giving women complete control over their own form?

And Kathy... her spark is undeniable. That hunger to transform, to break free... she doesn't even realize how ready she is.

The serum... or the machine. Maybe both. But the formula still needs refining.

# Amaz2k12 - The Beauty Doctor

A little while later, Ela finds herself back at her job at the library. Though, truth be told, the place has started to lose its charm...

Heehee, like... my sis is such a total buzzkill. I mean, why'd she even drop me off here sayin' I 'work' here or whatever?

Ugh, this place is, like, sooo boring... but okay, I already spotted some cuties hangin' around...

If I, like, bend over just right... maybe one'll come say hi~

Her ongoing bimbofication makes dusty shelves and overdue books feel a lot less exciting.

Just as she's putting away a few volumes, someone... interrupts her.

Excuse me, young lady?

Huh? wha-?

Only library staff are allowed behind the shelves - especially on the ladder.

And I assure you, you are not one of my employees.

Now would you kindly explain what exactly you're doing up there?

# Amaz2k12 - The Beauty Doctor

How do you explain something like this to your boss... when your brain is already halfway lost in pink fluffy clouds?

Buuut like,  
I do work here...  
I think?

Miss... I  
would know if a  
student like you  
worked here.

I'm Eleonore - but  
that sounds, like, super  
old and stuff. Just call  
me Ela...

...or hottie,  
or cutie, or whatever  
you want, Mister~

Did you  
say Eleonore? As in...  
Eleonore O'Wally?

Impossible.

She's a  
respectable woman  
in her 40s... not a scantily  
dressed co-ed like -

Wait...  
don't I know you from  
somewhere?

Are you  
the boss here? Mmm,  
I totally love Daddy-types...  
you're, like, so huggable!  
Teehee~

Wait.  
What... what  
are you trying  
to say?

Easy answer:  
Don't even try.  
Just go with it.

# Amaz2k12 - The Beauty Doctor

Somewhere between flirt and full fantasy, Ela forgets where she is...

...or maybe she just doesn't care anymore.

# Amaz2k12 - The Beauty Doctor

Enough, Miss!

This is a library,  
not a... a lingerie  
runway!

When Dr. Zulaufson realizes something... stirs in his pants - something that hasn't shown signs of life in years - he panics. Ela is swiftly dismissed from the city library.

Out. Now.  
Before I do something  
highly unprofessional...  
like faint.

Awww, like,  
for real? I was just, like,  
trying to, y'know... be cute 'n  
helpful 'n stuff?

Ugh, you're,  
like... such a total meanie  
face! I was gonna - umm -  
wait, what was I -  
um...?

Whatever!  
I didn't even wanna  
be here anyway. Books  
are, like... hard.

And you  
smell, like... paper.  
Boring paper.

*\*giggle\**

# Amaz2k12 - The Beauty Doctor

After Ela wiggles her way out of the library wing - (with Abraham's eyes glued to her jigging behind... not that he'd ever admit it) - he continues his daily round.

Sweet mercy...  
Why couldn't Marlene have  
half that energy?

...Or cleavage.

Shut up,  
Abe. You love your  
wife. You fear your  
wife. Same thing.

Twenty minutes later, he returns to his office  
- only to find the door... surprisingly unlocked.

Hmm?  
Thought I locked  
this...

He pushes it open - and is met with a  
most unexpected sight.

YOU?!

But I -  
how on earth did  
YOU get into my  
office?

Umm...  
through the door,  
silly? Duh~

# Amaz2k12 - The Beauty Doctor

Ela is more bimbo than ever - and getting bimbo-er by the second. But underestimate a girl like her, and you're bound to lose control.

Sooo... like, I was gonna leave, right? But then I, um... had this key thingy in my pants?

An' you were, like, super rude, Mister Grumpy-face - sooo I figured I'd just, y'know... drop it off myself!

An' since your office is, like... totally cozy 'n stuff...

You like what you see, huh? Be honest. These girls weren't this huge this mornin'... buuut, like, wow.

Unless you'd rather go home to, like... Madame Moodkiller the wife dragon?

You're... wearing nothing but those pink, slutty shoes...

And... those - very suggestive stockings. Good heavens... my pants...

Only one person had the spare key to this office...

My assistant Miss Eleonore O'Wally...

Ela... this is... What on earth happened to you?

# Amaz2k12 - The Beauty Doctor

Ela...  
they're...  
you're...

Like... yeah,  
duh - I'm totally  
young again, and sooo, like,  
super mega hot?  
\*Giggle\*

But how  
did - when  
did - umph!

I  
mean, come on, sugar  
daddy... who even talks  
this long?

I mean,  
come on, sugar daddy... who  
even talks this long?

The temptation proves too much...  
Even a grumpy librarian has his  
breaking point. And let's face it -  
Ela's new form isn't exactly... subtle.

My big ol'  
bouncy boobies didn't get all  
plumped up just for, like,  
air, y'know?

They  
need some... like...  
attention~

I used  
to dream about  
this... back in  
the '90s...

...And now, in  
my sixties... it's actually  
happening.

...Eureka.

Mmm... bet  
you've never had a naked  
girl on your desk who also  
knows how to alphabet  
...umm... what ever!

Multitasking,  
teehee

# Amaz2k12 - The Beauty Doctor

Ela is now in a state of constant, dizzy arousal...

Ohhh, sugar daddy... your hands are, like, magic

Abraham's flustered attempt at a "massage" only speeds up her transformation.

Her hips widen, her tiny booty bubbles into a jaw-dropping Brazilian booty...

Ugh... who invited the mood police?

... and just when things start to jiggle into high gear...

# Amaz2k12 - The Beauty Doctor

In the doorway stands a woman of unmistakable authority. Older, around 60+, Sharply dressed. And absolutely radiating fury.

Uhh... there's, like, a total lemon-faced dragon lady in the doorway - hardcore bad vibes!

Bet she's just jelly 'cause I got all the curves now. Like, hello?

And oh-em-gee, she's, like... super old 'n wrinkly and stuff...

Oh... no. No no no...

Marlene. That's... my wife.

I'm doomed.

# Amaz2k12 - The Beauty Doctor

# Amaz2k12 - The Beauty Doctor

# Amaz2k12 - The Beauty Doctor

I have never - not once in my entire life - been disrespected like this!

Oh my ...

There will be consequences, Abraham. Real ones.

It's... even better than I imagined back in '94...

Mark. My. Words.

We are SO done!

Teehee~ like, I mean... who knew grandpas could thtill get it up?

Mmmm... oldie but like, totes still tho hard

Bet he hasn't had this kinda thepecial treatment in, like... foreverrrr

# Amaz2k12 - The Beauty Doctor

As Marlene storms toward her car, fury boiling beneath the surface, her mind races through the possibilities...

# Amaz2k12 - The Beauty Doctor

Almost an hour later, in the consultation room of Dr. Gary Sinnerset...

Thank you for seeing me without an appointment, Doctor.

Of course, Mrs. Zulaufson. What can I do for you?

I'm not here to beg. I want options. And I'll pay whatever it takes.

Naturally, no judgment.

But at 55, surgery isn't ideal. It's invasive, slow... risky.

There is another method. Discreet. Potent. Elegant.

Though... experimental. Pill-based. No cuts. No needles.

Experimental, hmm? I'll think about it.

But let's be honest...

If it works - we'll see how 'cute' little Ela feels then.

# Amaz2k12 - The Beauty Doctor

Marlene thought she was the one holding the reins... To her, revenge is honey-sweet.

Thank you, Doctor. I trust this conversation stays between us...

Let's just say - you don't want me as an enemy here.

Naturally. Just as I trust you to hold up your end.

Very well. I'll have the capsule delivered tonight... via discreet courier.

Totally anonymous, of course.

Good. I'll be waiting... eagerly.

Good day, Doctor.

Kathy will deliver it. It's her price of admission... into the Bimbo life she so much craves.

And she'll swallow the promise like candy - 'No IQ drop, just the body.'

Honestly... moving to this town was the smartest thing I've ever done.

Shame she has no idea Ela's already in Dr. Gary's hands. And to Gary? Just another controlled experiment... on the way to this town's next happy little Bimbo.

# Amaz2k12 - The Beauty Doctor

# Amaz2k12 - The Beauty Doctor

Dr. Garry knows he needs Kathy.

Your suspicion about your mother's transformation was correct.

I'm a government scientist - working undercover on a formula to reverse aging.

The dream of eternal youth. But... along the way, I unlocked more.

Full bimbofication. Breast expansion. Mental reprogramming. Desire amplification.

The last results were... powerful.

That's why I shut down my old lab and disappeared - so I could continue my work... in secret.

Whoa... like, seriously? That's totally wild...

You mean - no plastic surgery? No knives, no scars, no downtime?

Your mother volunteered. As did several others in this town.

My mom? I mean... I'd never have guessed - but after what I saw this morning...

You've made it clear you're curious - maybe even eager - to be like her. A perfect Bimbo Barbie.

So I ask you: would you be willing to do me a favor?

In return... I'll grant your wish. Whether through my machine... or one of my pills.

Sooo, like... what do you need me for, Doctor?

But is his story really the truth...?

# Amaz2k12 - The Beauty Doctor

You know the librarian's wife - Marlene Zulaufson?

Yes. That one. She caught her husband with your bimbofied mother. Right in his office.

Now she wants to start a... let's say, Bimbo rivalry - to win him back.

Perfect. You'll deliver this canister directly to her. No one else. Make sure no one connects you to me. This stays top secret.

Ugh, that grumpy ol' lemon? Everyone knows her. Pretty sure she's never even smiled - like, ever.

Wait... my mom with her man? No waaaay! Okay, yeah... guess I get why she's, like, totally jelly.

So I just, like, take this cute lil' pill tin over to her house? And only she gets it?

After that... come see me tonight at the clinic. I'll leave the back door unlocked. Just slip in.

Totes no problem, Doc~ consider it, like, delivered!

# Amaz2k12 - The Beauty Doctor

Less than an hour later... at Marlene Zulaufson's home.

# Amaz2k12 - The Beauty Doctor

You remind me of someone... I thought you were in a nursing home, dear.

That's right. I had the treatment done last month - by the Doctor himself.

Just look at me now, Marlene. Meanwhile, my cheating husband? He's old, wrinkled... and rotting in a nursing home.

Hal Serves him right. So... the treatment actually works?

I swear! I've got my youth back, all my experience intact... and he's the one in diapers.

And you? You could have it too. Our mutual friend gave me this just for you.

I thank you kindly. How about we grab tea sometime?

We young ladies need to connect - and show these little girls what real women are made of!

Trust me - you're gonna love it. We'll see each other again real soon~!

# Amaz2k12 - The Beauty Doctor

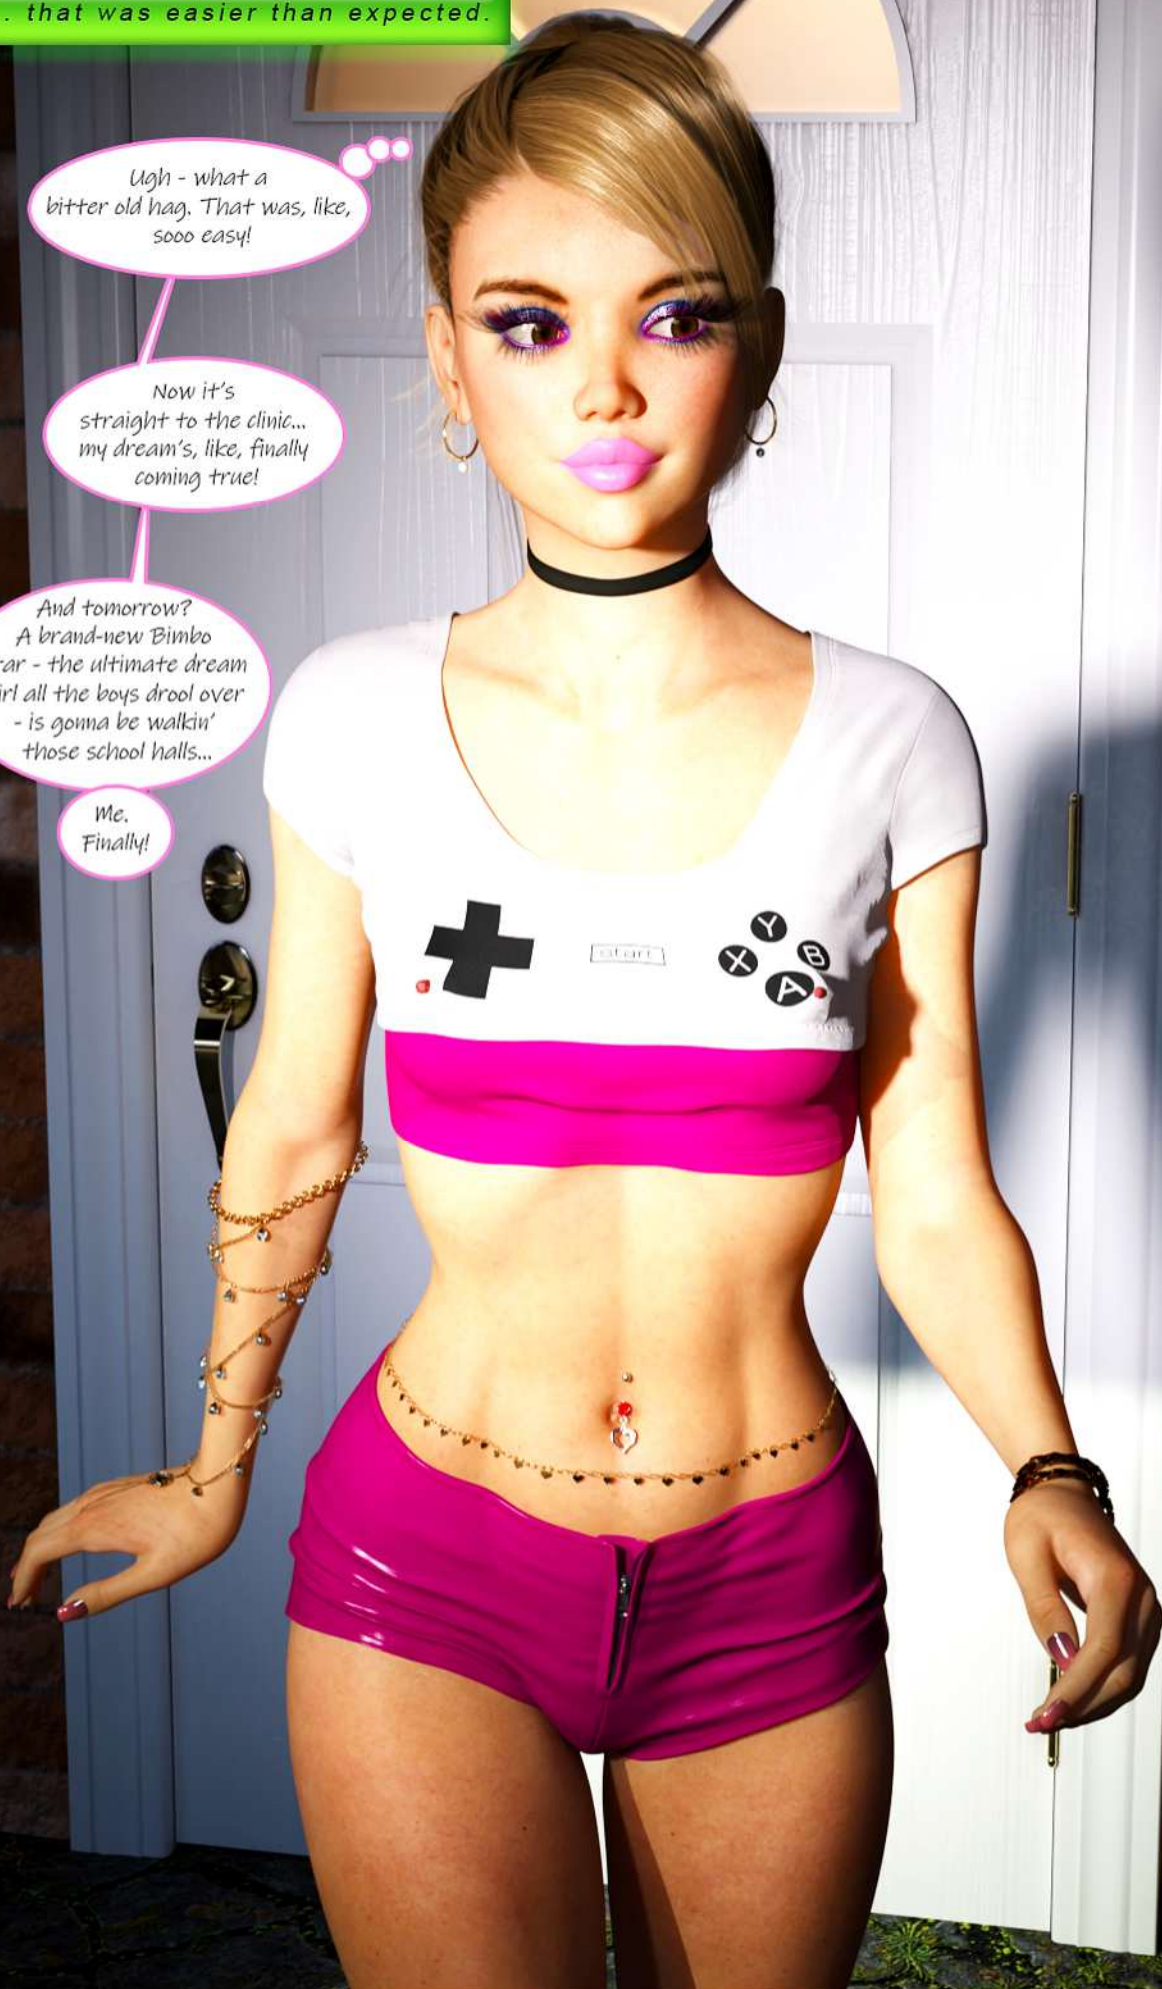

Well... that was easier than expected.

Ugh - what a bitter old hag. That was, like, sooo easy!

Now it's straight to the clinic... my dream's, like, finally coming true!

And tomorrow?  
A brand-new Bimbo star - the ultimate dream girl all the boys drool over - is gonna be walkin' those school halls...

Me.  
Finally!

# Amaz2k12 - The Beauty Doctor

Still, Marlene couldn't shake her doubts.  
Had Kathy been playing pretend all along?

That girl  
seemed familiar  
somehow...

But  
with that face? I  
couldn't put a name  
to it.

Still, she  
knew about the pill's  
effects - and about  
the Doctor.

Well...  
the Doc delivered.  
And the payment  
cleared.

At least  
in the bathroom  
I get some peace  
and quiet...

No Abe  
barging in - cheating  
bastard...

Unless he's  
still busy screwing that  
plastic little hussy.

Though, let's  
be real - he doesn't have  
the stamina for that. He's  
probably snoring into a  
stack of overdue  
book returns.

# Amaz2k12 - The Beauty Doctor

# Amaz2k12 - The Beauty Doctor

# Amaz2k12 - The Beauty Doctor

A sudden idea sparks in Marlene's freshly rejuvenated mind...

Whoa -  
feeling turbo-charged  
now!

Kind of  
a waste to sit around  
waiting for that crusty  
Abe...

Why not  
hit the town again,  
just like the good  
old days?

# Amaz2k12 - The Beauty Doctor

Tomorrow  
is gonna be chef's  
kiss-

Will how this retro  
clothes suddenly screams  
statement piece.

- match  
Abe short-circuit  
when 'old Marlene'  
struts in looking  
factory-fresh!

\* stretch \*

Okay - love  
myself some Mozart, but  
tonight needs a bass drop,  
not a harpsichord.

Guess I'm...  
what do kids say?  
'Serving'? Yeah,  
that.

Note to  
self: find a playlist  
that matches new-me  
energy -

-and  
maybe a latte  
that matches my  
tingling lips.

\*VRoom\*  
\*VRoom\*

# Amaz2k12 - The Beauty Doctor

Meanwhile, somewhere between red light and green...

# Amaz2k12 - The Beauty Doctor

Highway miles roll by, and so do Marlene's bra sizes... inch by glorious inch.

# Amaz2k12 - The Beauty Doctor

The register wasn't far - Marlene only noticed it after the last customer (a broad-shouldered silver-fox) stepped away...

Uh -  
good evening, ma'am,  
that'll be... whoa -  
b-boobies-

This,  
uh... card... sure,  
right -

And maybe...  
your number...? I  
mean, umm - pump  
number!

Card slid,  
tank fed - sooo adulating  
right now!

Swipecy-swipe, mister!

\*wobble\*

That lil'  
light means 'approved,'  
right? Teehee-'cause  
I'm always approved.

Next  
stop, um... whatev I  
just, like, totally  
forgot?

...But Marlene is gone.  
Mari Lane, the full-on  
Airhead Teen Bimbo Brat,  
has arrived - and she's  
here to stay.

# Amaz2k12 - The Beauty Doctor

The cashier finally looks down - and realizes the "credit card" was just a yellow post-it.

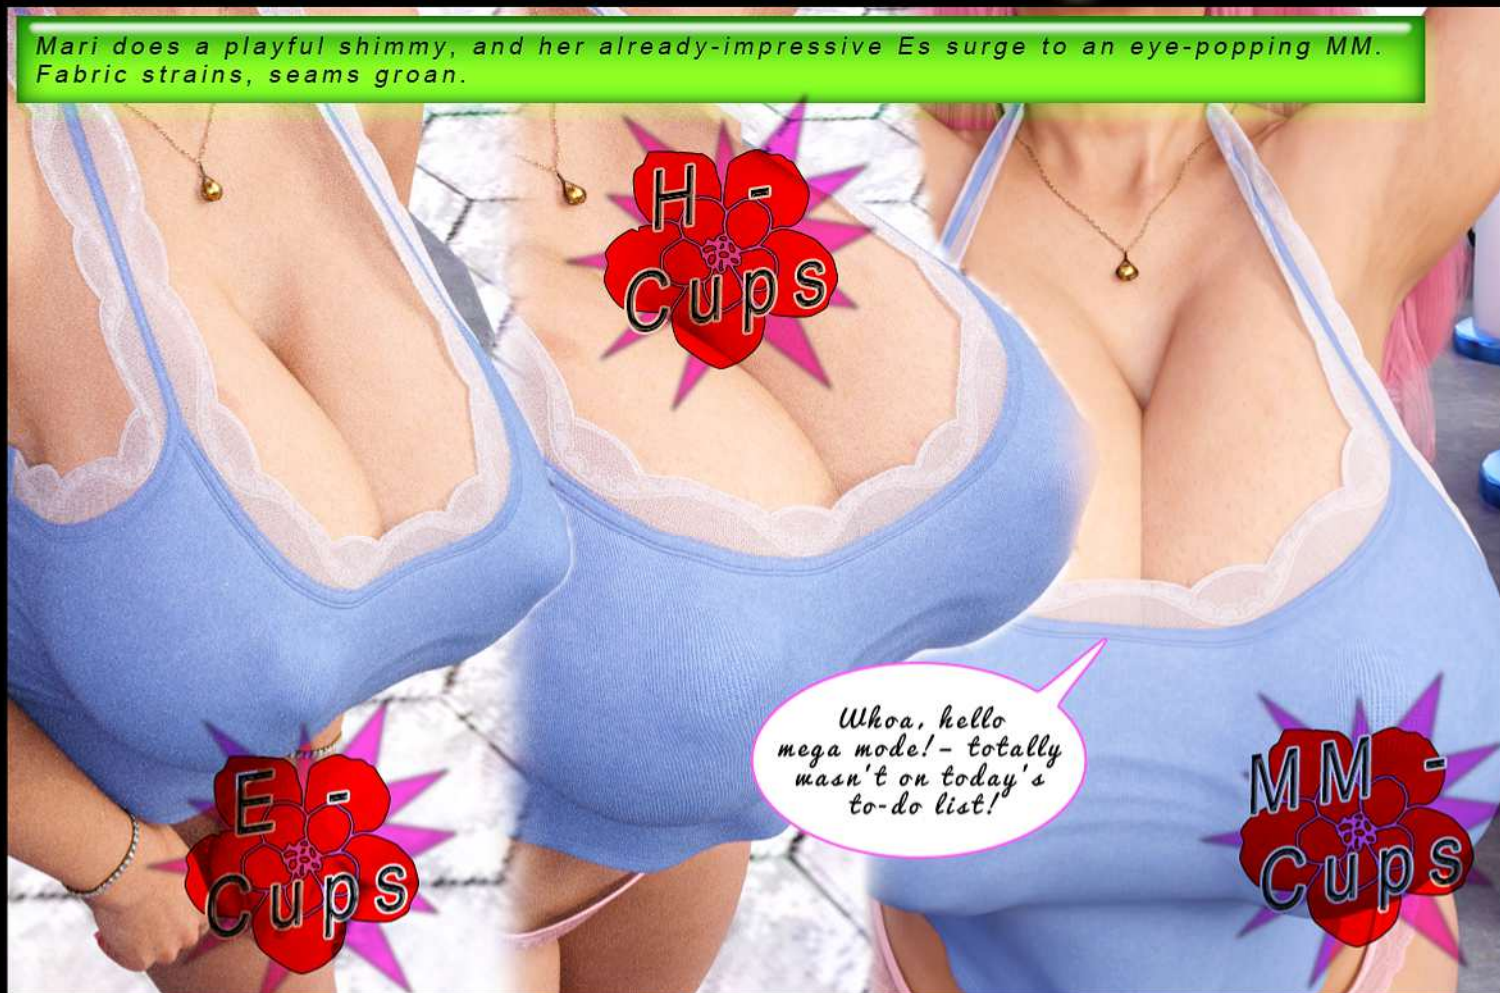

# Amaz2k12 - The Beauty Doctor

# Amaz2k12 - The Beauty Doctor

Mari does a playful shimmy, and her already-impressive Es surge to an eye-popping MM. Fabric strains, seams groan.

# Amaz2k12 - The Beauty Doctor

The tyrannical, jealous wife of 55 is gone. In her place: Mari Lane eighteen, radiant, bursting with energy, living life with zero brakes.

Ok stud, show me, like, what you've got...

\*giggle\*

A dream come true... oh my God...

This girl wants you-like, totally-in every single inch of her body...

C'mon, sugar!

\*giggle\*

\*jiggle\*

\*wobble\*

\*FLAP\*  
\*FLAP\*  
\*FLAP\*

Yo, is nobody at the register? Woohoo - free stuff!

Fill the carts, guys, cameras are down!

Dr. Gary's new formula? A resounding success. But now... let's rewind just a little, to when Kathy first stepped into his lab...

# Amaz2k12 - The Beauty Doctor

And so... a few hours earlier, just after Kathy returned to Dr. Gary's lab from delivering Marlene Zulaufson her little 'package'...

Kathy, you've earned this. You've done more than enough - now it's your turn.

But the choice is yours... how your transformation begins, and how it ends.

You could take this pill - exactly the same one you just delivered...

Pfft, so easy, Doc. I just acted like I was some old friend who already got young from your magic pill.

That bitter old hag totally bought it.

Can't wait to see what it does to her... kinda hope she pops like, extra trashy.

My calculations suggest the outcome will be... outstanding.

But be warned - it offers no control. The body decides. The results can be extreme.

Or... there's the chair. Computer-guided. Measured waves reshaping body and mind... controllable, at least to a point.

# Amaz2k12 - The Beauty Doctor

# Amaz2k12 - The Beauty Doctor

And so, Kathy's own chapter begins...

If you'd prefer, Kathy, I can step into the next room and monitor the process from the computer there?

No need, Doc - if anything goes wrong, you'll be right here.
