

THE BODY OF HER

-End.2-

Two months later.

小林緑子
KOBAYASHI

Why did you call me out I told you we should avoid meeting outside except for class.

Just have her look up at it...?
That simple?

Ah nothing...

Really Really?

I asked you out just to tell you the doctor reached out saying they can probably do the surgery to change us back.

Oh my god thank heavens I thought
I'd never change back.

Then let's hurry to the hospital.

Wait I have something to show
you before we go...

At a time like this what could be more important than changing back?

This... what is this...

Shh don't talk keep your eyes
on it don't look away.

Tao Ting you've actually always been jealous of my life right?

You've always been jealous that I have Qiqi and the freedom of being a man you want to be Lin Tao and not Tao Ting right?

Yeah I want to be Lin Tao.

So you came to me before saying how much you wanted to become me be Xiao Ya's boyfriend and live my life do you remember how happy you were then because I said I also wanted to be you and experience your life.

Yeah... I was really happy you said you wanted to be me I felt like someone finally understood me.

So after the accident when we did the head swap surgery you were actually thrilled and you had no plans to switch back right?

Yes I want to stay like this I have your body forever.

Then if the doctor says there's a way to fully become each other would you want it?

Of course of course let's go right now.

Alright then... (It actually worked
She's really hypnotized The doctor's
hypnotizer is seriously badass)

Ask the waiter to bring the check then we can head out.

So you two have decided right?

Not switching back we'll just live in each other's bodies like this right Tao Ting?

Yes doctor I want to be Lin Tao forever we've decided not to switch back.

Since Tao Ting said so I don't mind either.

But doctor we can't live wearing masks forever right Do you have any other method?

Of course I've already prepared
it this machine can alter your appearance.

This?

Yes you just need to sit a bit
no surgery required and you'll
look like each other.

All set? We're starting now.

Doctor... is this... reliable?
Can it really change our looks
just like that?

Don't you trust my invention
Sit still and don't move!

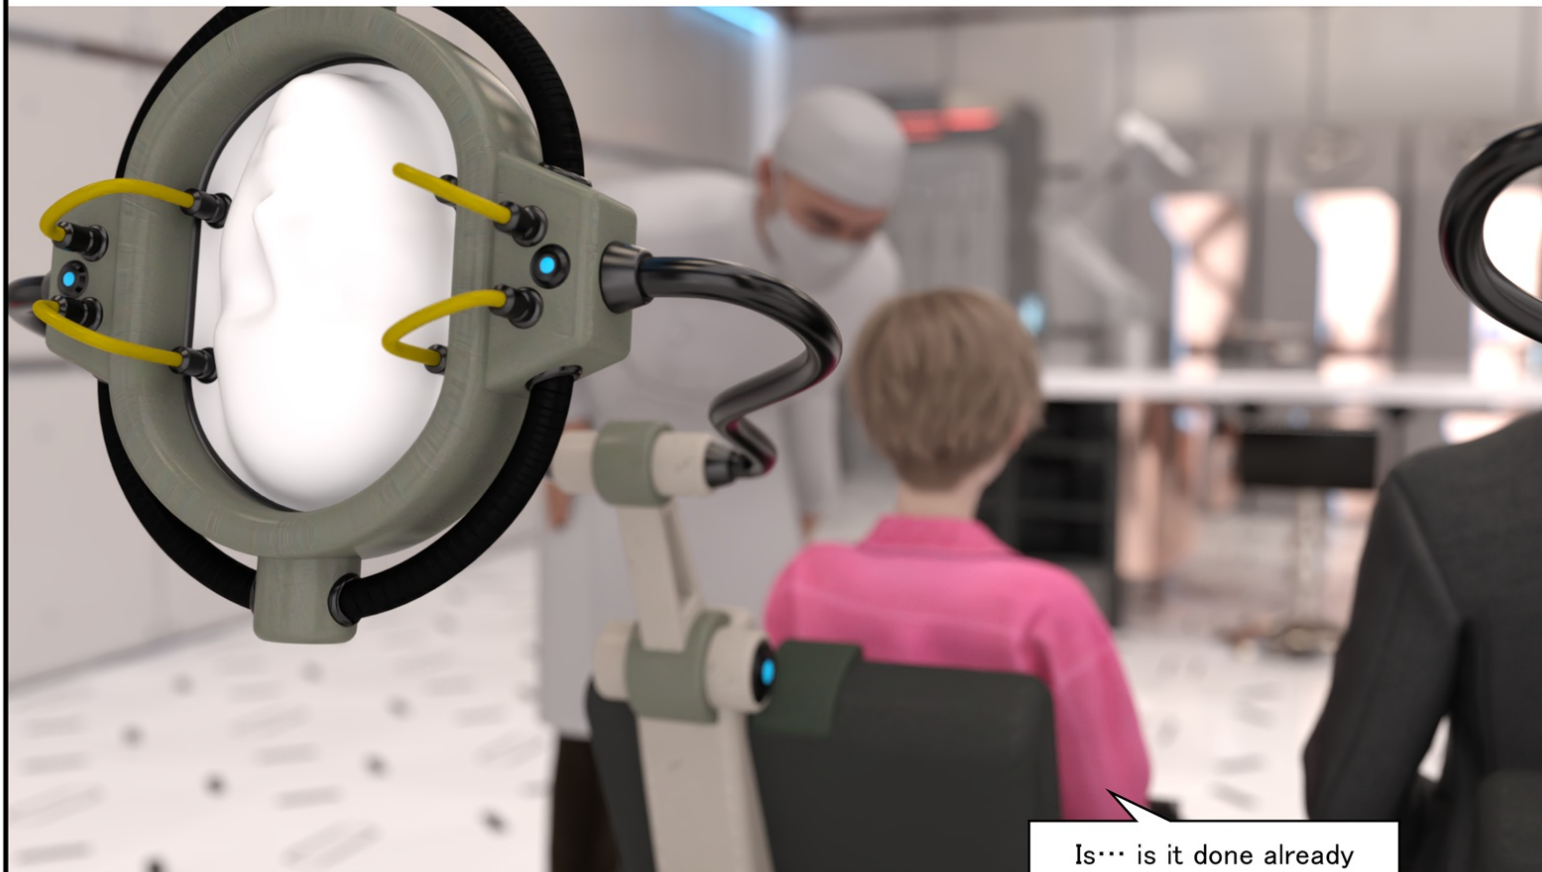

*Fzzzt..

Heh heh it's just the prototype
first real test but it'll be over
soon hang in there.

Is... is it done already
how is it doctor?

Hmm it's our first real use
but the effect is really great Perfect.

Really doctor do I look completely like Tao Ting now?

Absolutely just like she looks exactly like you now.

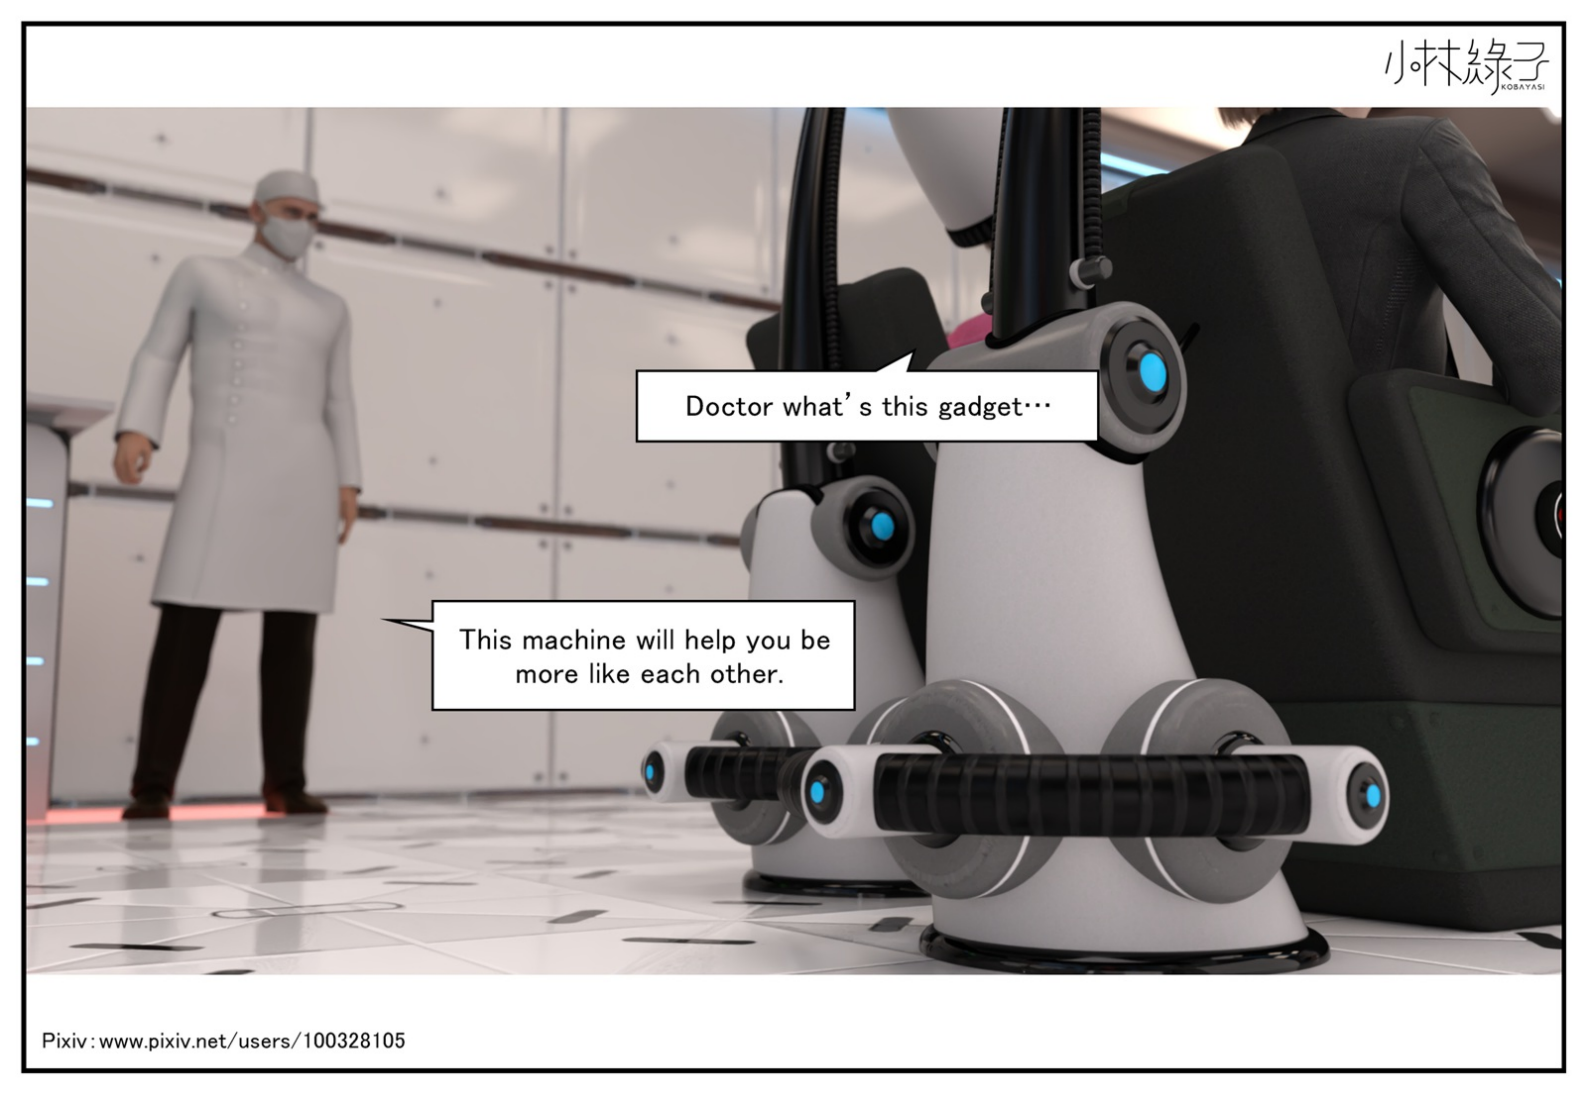

Really you too Lin Tao you've totally become my old self.

Looks like we can finally live
as each other without relying on masks.

Yeah that's awesome I've finally
become the real Tao Ting.

Not so fast there's still
one more thing.

A futuristic laboratory scene. In the background, a doctor in a white lab coat and mask stands in a hallway with white lockers. In the foreground, a large, complex machine with grey and black components and glowing blue lights is visible. A person in a dark suit is partially visible on the right, interacting with the machine. Two speech bubbles are overlaid on the scene.

Doctor what's this gadget...

This machine will help you be
more like each other.

Unlike last time this is for a long-term change so you need the other's memories and habits or it won't work.

Doctor you really thought of everything... but this won't hurt right...

No it's painless I promise.

As the machine started Lin Tao felt a flood of memories rush in—wearing a pink dress to kindergarten first period panic the thrill of his first kiss with A Jie and the pleasure every time A Jie pinned him down in bed Each moment felt like he'd lived it himself his personality softened and he even felt love for A Jie and dreams of a future family He knew he was absorbing everything from Xiao Wen.

It's perfect doctor my moves naturally feel more feminine.

I've finally perfectly become Tao Ting not only do I look like her I even have all her childhood memories.

Thanks doctor.

Don't mention it you helped me
complete a lot of the experiments
I've always wanted to do.

This... I'm not really sure it shouldn't have taken this long for him to wake up let's wait maybe he's recovering more slowly.

But doctor why hasn't he woken up yet.

Uh... what's going on with me.

Ouch my head hurts...

You finally woke up Tao Ting hurry
hurry go look in the mirror at how
you look now.

Huh what did you call me you're crazy Tao Ting I'm Lin Tao.

By the way where are we anyway
this place looks so weird.

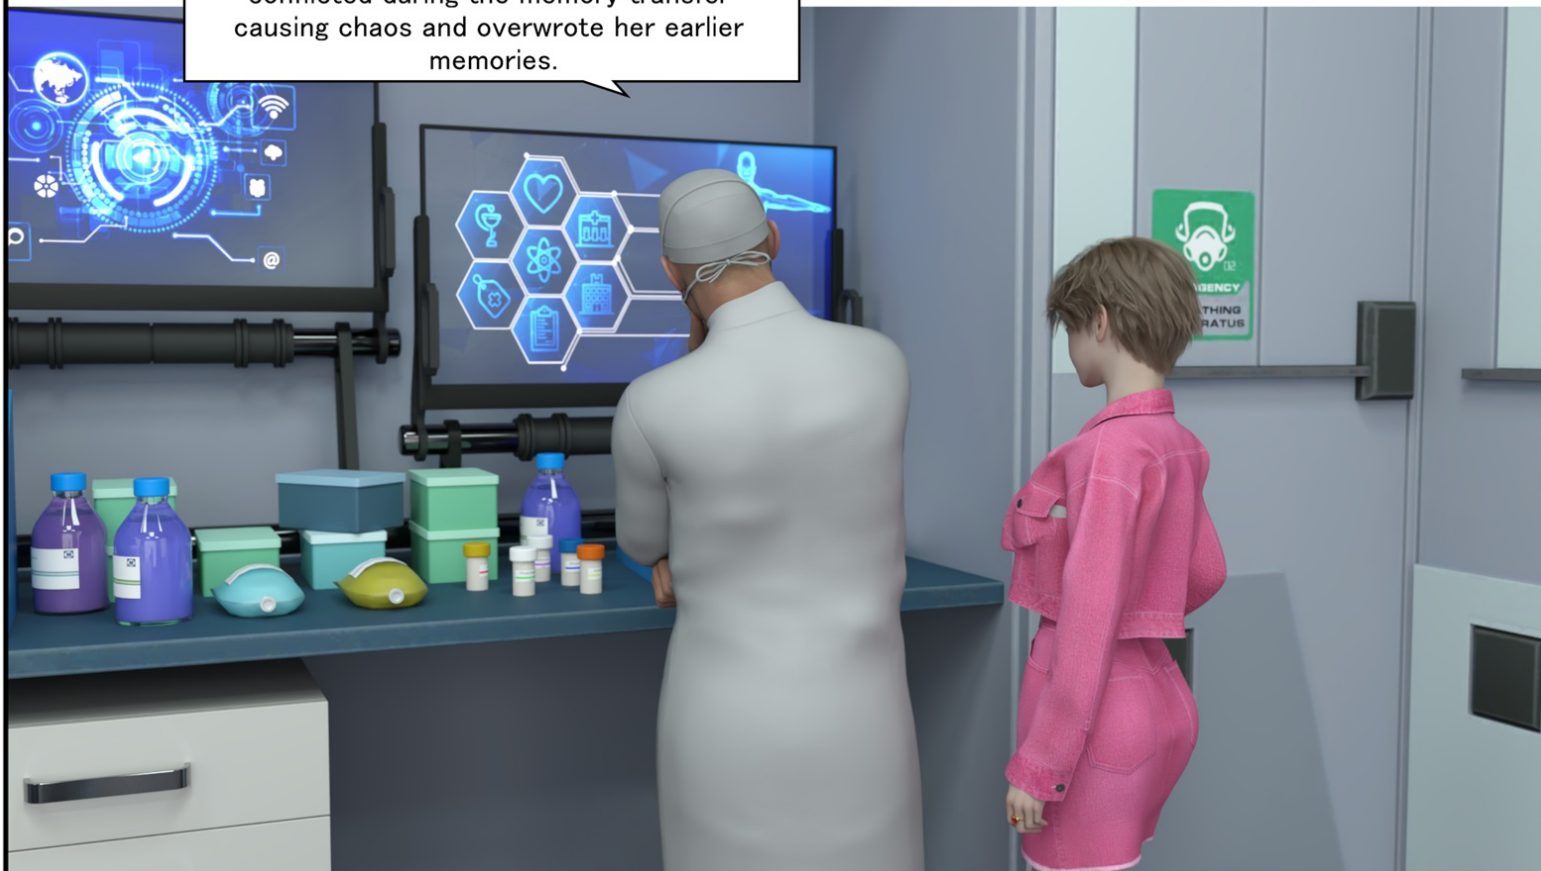

Huh you... you don't remember.

Don't move wait here for me.

Doctor... how did this happen
she seems to have amnesia...

Damn it it looks like the previous hypnosis
conflicted during the memory transfer
causing chaos and overwrote her earlier
memories.

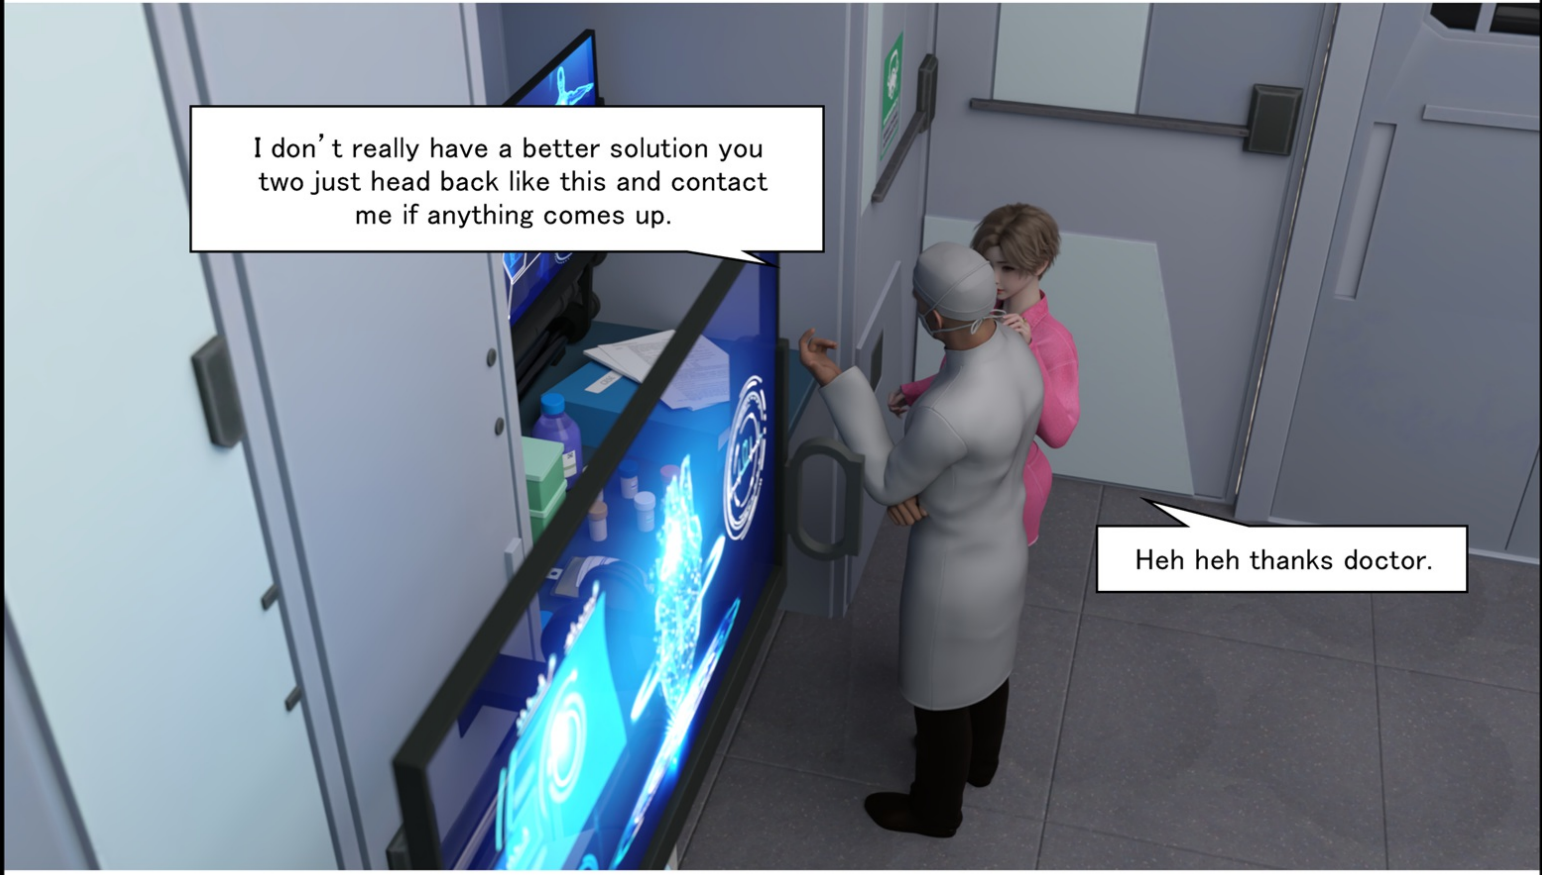

How to fix her... I don't have a way right now either.

Heh heh doctor this is great it actually makes things easier anyway she fully believes she's Lin Tao so let him just go with it.

That could work but I'm worried about when her emotions get unstable...

I don't really have a better solution you two just head back like this and contact me if anything comes up.

Heh heh thanks doctor.

I didn't break up with Tao Ting's boyfriend either instead after becoming "her" I learned how to get along with him even better I know what men want to hear how they like to be teased when to give in and when to be gentle yet firm As "Tao Ting" I've fully immersed myself in the thrill of being pampered like a woman But of course I haven't forgotten the original Tao Ting after all he made all this possible and I'll do everything I can to satisfy his preferences.

This past year flew by I finished university as Tao Ting and at graduation Qiqi stood beside me excitedly hugging me for photos she kept saying how lucky we were to reach the end together as "besties" I smiled and genuinely felt happy for her she didn't know that the "Lin Tao" who'd stayed up late with her writing reports brought her coffee fought with her then made up is now standing by her side in another identity still protecting her Qiqi and I joined her old company in different departments but after work we'd always grab milk tea go shopping and gossip together she said I understand her better now than Lin Tao ever did I just smiled without saying a word

Wow Qiqi that new bag of yours looks so nice and expensive right did Lin Tao buy it for you how is he so generous.

He would never buy me such an expensive bag.

What's wrong Qiqi why the long face again.

Ah Ting Ting actually this bag was
a gift from Director Xu.

Really Director Xu is so generous giving such an expensive bag he must really like you then.

Stop the snark Ting Ting you know why he gave you this bag I don't want to do anything that betrays Lin Tao.

...But this bag...

But I loved it so much I couldn't
help but accept it.

Ting Ting am I such a shameless woman.

So that's what's been bothering you but when you decided to come here I thought you were ready to face this you should've known Director Xu's intentions from the start.

But hey Qiqi you're so beautiful it's only natural people want to be close to you in this world trading looks for chances and resources really ... it's no big deal.

How could that be Qiqi you're my best friend
no matter what you do I've got your back.

Don't overthink it sweetie. (Lin Tao would just be enjoying it.)

Thanks Ting Ting I feel so much better... just feel a little guilty toward Lin Tao.

Xu... Director Xu... this is the
women's restroom you know.

Qiqi you look so pretty today
I've liked you since day one.

Director Xu please don't do
this we're at work...

It smells so good~

Cut the act, Xiaoya, look how wet you are down there!

What a youthful pussy, really beautiful.

Director Xu don't... don't look like that... it's so embarrassing...

Ah Director Xu... it's so dirty there.

Hmm it feels so good Director Xu
you're better at licking than my boyfriend.

A woman in black lingerie and high heels stands in a bathroom. A toilet is visible in the background. The scene is dimly lit, focusing on the woman's legs and feet.

Director Xu I... I can't... I
want... I want to.

Oh? Want what.

Want your cock.

Wow, qiqi, I never thought you'd get taken down by that old dude so fast!

You used to be so innocent and sweet, and now you're letting some greasy middle-aged dude pin you down in a bathroom just for cash.

But I'm not gonna blame you, darling,
since we've both changed so much.
We're both women now, so I really get
what you're going through. And even
when I was still Lin Tao, do you know
how many times I fantasized about this
exact scenario?

Mmm~ even now that I'm Tao Ting,
hearing you get fucked still makes my
pussy so wet.

Director Xu, do we really have to do it here today? How about next time at my place? It's just way too embarrassing here.

We'll talk about next time later, but with your pussy this wet, you probably can't even walk.

I... I...

Look at your pussy opening and closing like that, don't be embarrassed—just say it, say you want it.

Mm, I want it, I really want it~

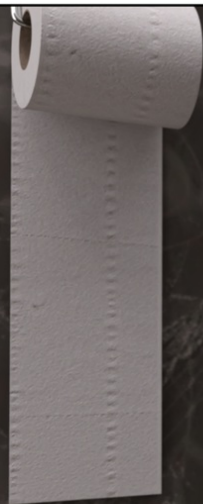

Like it? Hmm? You like daddy's big cock?

I like it~ Daddy, fuck me to death.

My horny pussy feels so good.

When did qiqi get so slutty, you never used to say stuff like this when we fucked before.

But it feels so good watching my girlfriend
get fucked right in front of me while I can
only sit here jerking off as her best friend.
This feeling is so thrilling.

Ah, daddy... a little faster...
I can't hold on anymore...

You little horny bitch, you're
squeezing me so good...
wanna cum for you?

Mm... daddy, cum inside...
fill me up with your seed...

Qiqi' s so fucking horny...

Let's clean this mess up.

Mm. Okay

Qiqi, whenever you want anything just tell me—if anyone at the company ever gives you a hard time, let me know too.

Thanks, Director Xu.

But hey, your boobs seem a bit small—have you thought about getting a lift?

Huh? My boobs are small?

It's not small at all, I just prefer them bigger, like a mature woman's tits.

Then... we'll talk about that later.

Lin Tao, hurry up and put your cock into my pussy.

I love your cock the most.

Mmm mmm mmm~ Lin Tao~

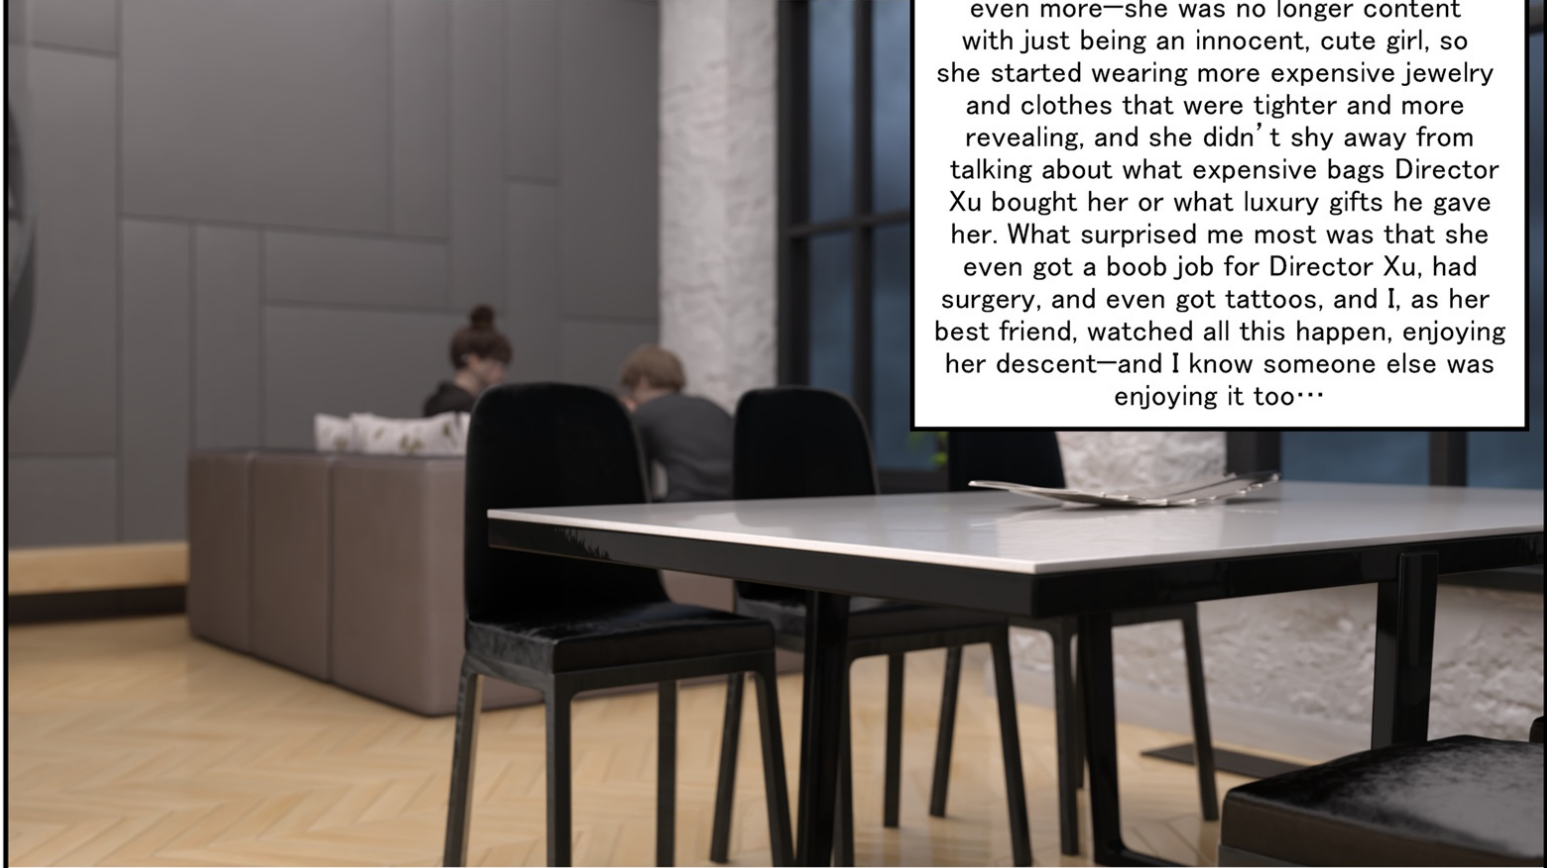

Watching qiqi cum from being fucked,
and I'm here jerking off thinking about
sneaking around with Tao Ting... I'm
really getting more and more perverted!

However, Tao Ting, you must be tormented
by those perverted thoughts in your head
right now, but don't worry, I'll satisfy you too.

From then on, Qiqi's behavior escalated even more—she was no longer content with just being an innocent, cute girl, so she started wearing more expensive jewelry and clothes that were tighter and more revealing, and she didn't shy away from talking about what expensive bags Director Xu bought her or what luxury gifts he gave her. What surprised me most was that she even got a boob job for Director Xu, had surgery, and even got tattoos, and I, as her best friend, watched all this happen, enjoying her descent—and I know someone else was enjoying it too...

What's up, Lin Tao? Suddenly calling me to your place—aren't you afraid Qiqi will get jealous?

Tao Ting, I have something to ask you...

Oh? What is it? Ask away.

Don't you think Qiqi's been acting a bit strange lately? She often tells me she's on a business trip, and every time she comes back she buys really expensive stuff.

I just want to ask you if she is...

Seeing someone else.

Hmph, you actually guessed it
a long time ago, didn't you?

After all, Qiqi's changed so much. But why didn't you say anything? I guess it's because you enjoy her debauchery too—thinking about her moaning under another man every night, you're fantasizing about her seductive moves in your mind too, right?

You... what are you saying, Tao Ting!
I... there's no way I could think that.

Don't rush to deny it—I'm not done yet.

I guess confirming whether Qiqi's cheating is secondary, right? What you really wanted was to test my attitude.

Wha... what attitude?

Testing how receptive I am to that idea
you have in your head of wanting to
become me, right?

(Wh... why can she guess so accurately...)

(Wh... why can she guess so accurately...)

But don't worry, I don't think your thoughts are perverted.

Re... really?

I' ll even find a way to help you
fulfill your fantasies.

But... why are you willing to do that?

Silly, Qiqi can sneak around behind your back, so why can't the two of us sneak around too?

But not today. In a couple of days,
when the time's right, I'll satisfy
you properly.

A few days later.

Mmm, it really suits you, doesn't it?

Is it comfortable wearing the panties
I just took off? Do you like how it feels?

Look—when you put on this wig,
you really do look a lot like me.

Thank you, Tao Ting. I'm already
more than satisfied like this.

Ah.

That's enough to satisfy you? Don't you want to become me even more completely?

This is the main event
I've prepared for you today

Ah... this... what is this...

If you put this on you can completely become me and help me deal with the upcoming threesome

A modern interior scene featuring a spiral staircase on the left, a light-colored sofa with patterned cushions in the center, and a large potted plant in a white pot with gold legs on the right. The floor is made of light-colored wood with a herringbone pattern. A large window in the background shows a night sky with stars. A speech bubble is positioned in the middle of the scene.

Please come in, Director Xu.

Qiqi, what made you decide to come to your place today your boyfriend won't be back is he.

Oh Director Xu don't worry my boyfriend is on a business trip today no one will disturb us.

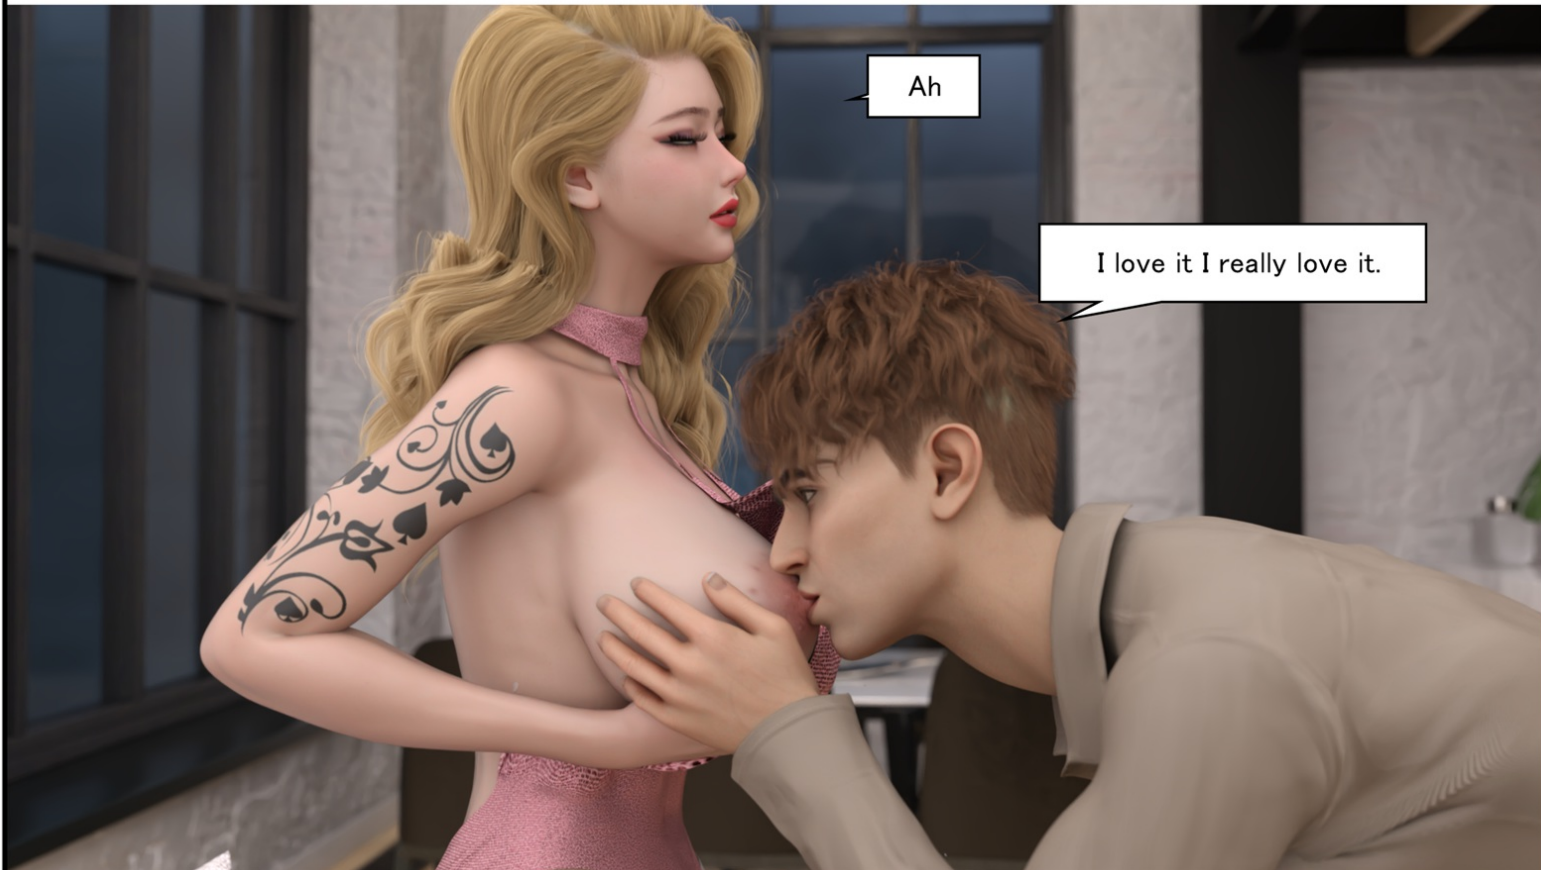

That's great let me kiss you you're becoming more and more to my taste now.

You know how much pressure I was under to get a butt augmentation and a boob job just because you like it.

Carrying these huge boobs every day is so heavy

But as long as you like it it doesn't matter.

Mm don't rush there's still a surprise I prepared for you.

You've always said you wanted to try a threesome right I invited my best friend today.

Oh really your best friend do I know her?

I know her she works at the company too.

Ting Ting come down.

Di... Director Xu

Qiqi..

Hi darling sorry to keep you waiting.

I never expected that by turning me into her Tao Ting actually wanted me to replace her in a threesome with Qiqi this is basically making me watch Qiqi get fucked right how does she know me so well.

Come on darling didn't you
tell me you've wanted to join
for so long.

Tonight let's have a great time
Director Xu's cock is huge it feels
so much better than your boyfriend's.

Director Xu who do you like
more me or Ting Ting

This is so thrilling..

Qiqi's so horny now too bad I don't have a cock to fuck her with anymore.

And there's Tao Ting—she's the real Tao Ting, but she thinks she's the imposter, completely treating me like I'm her.

Ahhhh~ this feels so amazing, I can't take it anymore, my pussy can't handle it.

Mm ah ah, Director Xu, you're driving it all the way in—softer... just a bit softer.

Ah, Ting Ting, your
hand—don't touch my clit.

Don't rush, little Ting, you'll get your turn to enjoy soon.

Mm, Director Xu, my pussy is so wet too
(oh god, what am I even saying, I'm a man
watching my girlfriend get fucked right in
front of me, and I'm not even ashamed...)

(I' m actually enjoying it...)

Come on, Ting Ting, it's
your turn now.

Ah~ so... good
(I can't believe I'm getting
fucked by another man in front
of my girlfriend.)

Look how turned on you are, rolling your eyes—so, I was right, Director Xu' s cock feels amazing, huh.

Darling, let's sneak around behind our boyfriends' backs together for that thrill.

But this is a secret just
between us besties.

Director Xu, you're so biased—after fucking Ting Ting for so long, my down there is itching like crazy.

You little horny bitch, and now you're even arguing with me.

Don't, Director Xu, don't stop—keep fucking me.

Oh god, I'd love to satisfy you both properly, but I'm probably about to cum any second now.

Perfect timing—Director Xu,
cum into Qiqi's pussy.

Director Xu, I want it too.

Let's give it to Qiqi this time,
and next time it's your turn, Tao Ting.

Ahhh~~ thank you,
Director Xu.

Ahhh, Director Xu, all your seed's gone right into my womb.

Director Xu, are you happy
with how we played?

Not bad, not bad, Qiqi—you should
do this more often.

Ting Ting, I've got to go to a dinner with Director Xu tonight, so I won't be back.
If you're tired, just stay here tonight.

If you want to sleep, use the
bed—you'll catch a cold on the couch~

Wheeze...

Look how out of breath you
are—you must've enjoyed that, huh?

How was it? Fun pretending to be me?

So thrilling, Tao Ting, you totally get me.

But... just watching from above made me so frustrated. You've gotta let me get off too.

Do you want me to strip down and do you instead?

No need for that.

Wh... what are you doing...

A 3D rendered scene showing a woman's lower body. She is wearing a red bikini top and a gold necklace with a large flower-shaped pendant. A penis is inserted into her vagina. Her hands are resting on her thighs. A speech bubble is present on the left side of the image.

See, didn't it just come right out?

Ah? My cock can actually slide out like this?

Watching my cock come out
of my pussy—how wild is that?

Both parts can feel it... so good...

Stop just enjoying yourself
and satisfy me too.

Ah, Tao Ting, that feels so good—having male and female pleasure at the same time...

Mmm~ Lin Tao, I love your cock so much.

It's so strange—I feel like
I'm getting fucked, too...

I can't take it, Lin Tao,
I'm gonna be fucked to death.

But I want more... I' m gonna cum.

huff... huff...

It's tiring, but fucking me feels amazing, right, Lin Tao?

Lin Tao?

I... I'm obviously Tao Ting—though I can't quite remember what happened, that body is definitely mine.

You... you're Lin Tao, right, and still wearing my skin?

Wait, this doesn't feel right...

Oh my god, what is this?!

Ahhh, Lin Tao! What on earth did you do to me!

Uh... well, I... I don't know—it was...
the doctor's surgery went wrong!
Let's go find him!

Later we found the doctor, and he quietly told me that the intensity of simultaneous male and female orgasms had reactivated Tao Ting's old neural pathways, bringing back her memories. Luckily, he played along, coaxing and tricking her into believing it'd be very difficult to reverse. Though she was reluctant, she had to accept reality.

And once Qiqi and I found out we were pregnant, the weight of responsibility really set in, so she slowly fully embraced the role of Lin Tao.

And I'm about to marry her ex-boyfriend, A-Jie, as Tao Ting. Today I'm here trying on wedding dresses and taking my first maternity photos.

Perfect—just like that.

Though I'd fantasized countless times about becoming Tao Ting, I never imagined I'd one day stand before a soft-lit backdrop, gently caressing my slightly rounded belly and, in her guise, giving the camera a motherly smile.

Tilt your head a little lower, then smile a bit more.

In front of the lens I'm wearing a pure white maternity gown, my shoulders exposed, belly rounded, eyes soft. It all feels natural, like the slow, steady growth and change of this pregnant body. I am Tao Ting, and I will become a mother. I'm marrying my fiancé—my college first love, and I'm the woman destined for him.

Okay, gorgeous, you look amazing—can I use your photos in our studio display for promotion?

Oh, you can, but I'd feel so embarrassed...

Haha, someone as beautiful as you deserves to be seen by everyone.

Go change into another outfit,
gorgeous, and I'll take a few more shots.

Sure thing, thanks.

Am I really that beautiful?
Gosh, you're making me blush.

Huh? Qiqi, what are you doing up here?

Sorry, darling, I was the one who asked you to come for the check-up and had you waiting downstairs.

No worries—it's still early, I just came up to see how gorgeous my little beauty is today.

Zhang Qiqi, I, Lin Tao's ex-girlfriend, now under the guise of best friend Tao Ting, continue to stay by her side; because of her relationship with Director Xu she's long been infamous, and former classmates and friends gossip behind her back, calling her fallen and promiscuous, unable to understand why a good woman like me would always stick around.

Where's your husband?

Honestly, can he really be okay leaving his precious little wife with an eight-month pregnant woman like me?

He had to handle some company stuff after wrapping his part and left early.

But they don't know— to me, Qiqi has never been that 'bad woman' everyone thinks she is. No matter how she's changed or what she's done, in my eyes she's always been my closest, most important bestie.

How's late-stage pregnancy—pretty inconvenient, huh?

It's actually not too bad, I'm almost used to it.

Really? I'm so worried right now.

Baby, your godmother is about
to meet you soon.

By the way, since you're already up here,
why don't we take a set of photos together?

Of course.

Oh, perfect—both of us moms
can share a little more eye contact.

Darling, we'll always be best friends forever.

Of course, my darling Qiqi.

.Ending No.2.
.The End.

I gently caress my belly—that's me continuing
on as Lin Tao. And inside her belly... who knows?
