

The Body of Her

-END.3-

KOBAYASI

Qiqi's not home today, so I finally have a chance to take off the mask and breathe a little.

Even though the doctor said I can keep wearing it without any issues. I still feel like having it on too long can't be good for my skin.

Phew~ this is so weird. Showering
in a guy's body just isn't as enjoyable
as when I was a girl.

Come to think of it, I haven't really taken a close look at this body of mine like this...

Looking at it this way is just too bizarre,
a girl's head but such a strong, muscular
body...

There's even a dick down there that's bigger than my boyfriend's... Ugh... I hate it so much...

But... this thing does feel pretty good
sometimes... especially when...
I put it inside Qiqi...

Inside Qiqi's pussy, so warm, so wet...
wrapping around my cock.

Huh?

Oh god, it's hard again!

*erects

No, no, Tao Ting, calm down.
Otherwise you'll really turn into
a perv like Lin Tao.

Who knows how long this kind of life
is going to last.

I should just put the mask back on and head out. If Qiqi comes home and sees me like this she'll be scared to death.

Hm? What's this...

These look like the clothes Qiqi changed out of yesterday.

This pair of panties—if I remember right,
Qiqi and I bought them together.

So... so good... it smells just like Qiqi.

What am I doing... these are Qiqi's panties... We're both girls, and she's my best friend, how can I do something like this!

I' ll... just take one sniff...

Qiqi's dried pee stain is right here...

Ah, Qiqi, even your panties
smell amazing.

握緊

My dick's too big, Qiqi's panties are squeezing it so tight, it feels amazing.

So weird, Qiqi already had me lick her socks before, but why do I still get the urge just seeing the socks alone now...

Mm, such a weird smell, so stinky,
but my dick's even harder.

So salty, Qiqi's feet must've sweated
a ton in these stockings.

I must look like such a pervert right now...
wearing Qiqi's panties and licking the
stockings she wore...

But it feels so good, I just can't stop.

Beep... beep... beep...

Still not picking up? Where did Tingting go?
She skipped class this afternoon and
isn't replying to me.

Huh? Lin Tao's not home either?
Didn't he say we'd go eat when
I got back from class... seriously...

So... weird...

It's just regular women's clothes
Qiqi wore, so why does my dick get
this hard when I put them on?

I look like some cross-dressing perv
right now, is this the thrill guys get
from wearing women's clothes...

Mm, I really want to just have sex with Qiqi like this and let her see how pervy her bestie looks.

Ah, no, just thinking about it
and I'm gonna cum...

That felt amazing to cum, hehe.

Tingting? You skipped class this afternoon, didn't answer my messages, why are you in my house??

Qiqi! Why are you back?

What are you doing, and why are you wearing my clothes.

Wait, Qiqi, go out first.

What's wrong, Tingting, what are you nervous about?

I... I...

Something's off, you look so weird today, why do you seem so buff?

Oh my god, Tingting, why do you have that thing?

I' m screwed!

Tingting, listen to me...

So for this whole month since I came back, the one who's been with me every day, even having sex with me, wasn't my real boyfriend but my best friend in disguise?

Mm...

Geez, head-swapping and all that,
it's unbelievable, how could something
like this even happen.

But this thing...

And the way your body looks now...
I can't help but believe it.

Sorry, Qiqi, I never wanted to lie to you.
But... I really didn't know what to do.

You're not mad at me, right?

How could I blame you, baby...
You're a victim too...

If we're blaming someone, it's
that doctor or Lin Tao.

I never thought he'd have such
a twisted fetish.

Still, what a wild experience...
We actually had sex so many times
during this period.

I told you it felt different from having sex with him normally. He's never that good usually.

Don't bring it up, Qiqi,
it's so embarrassing.

Wow, Tingting, your dick's up again.

Blame Lin Tao's body, the
libido is insane!

And you're pressing
so close... so...

Haven't we always been
like this before?

Y-yeah... it's just that now
it's this man's body...

Is that so, so now you get turned on by your bestie too?

Ah~

Do you imagine me secretly jerking off with my boyfriend's body?

Qiqi, stop... keep that up and I'll cum again.

Hey, Tingting, I want to try it too, see what it's like to do it with a girl.

You can just do it with me like this.

Ah... really? Qiqi?

You're this hard already,
which means you really want
to fuck me, right?

Mmm~

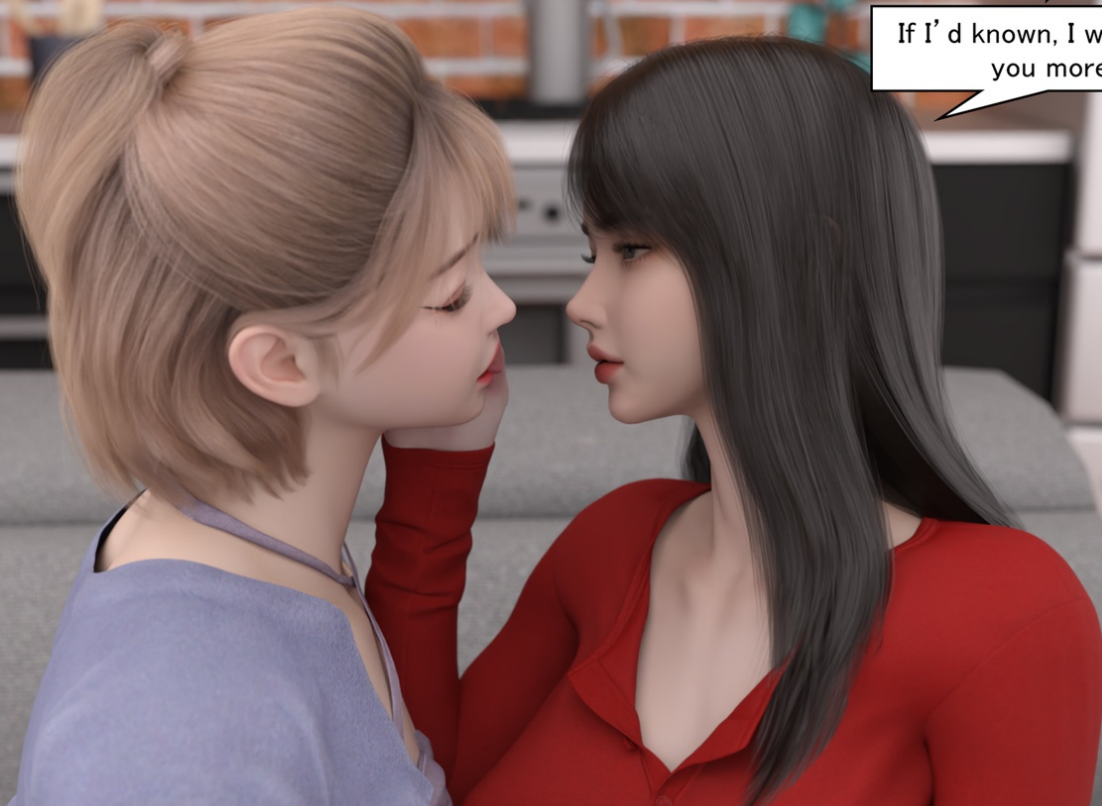

Seriously, Tingting, who knew you were such a good kisser, your tongue's as soft as jelly.

If I'd known, I would've kissed you more before.

Mm... Qiqi, your lips are so soft too...

But Tingting, your hands have gotten as naughty as a guy's~

And it's not just your hands that got naughty, your cock down there reacts exactly like a guy's.

*Pull~

So... Qiqi... are we really gonna do this...

Maybe I should put the mask back on.
This is so awkward.

Feeling awkward? Looks like it's not exciting enough yet~

How about this then?

As for Lin Tao, he loves the smell of my feet the most; you shouldn't be any different now, right, Tingting.

Knew it~

So? Feels good having your glans under my foot, huh? Your reaction really has become just like Lin Tao's.

In that case, if I do this, you'll
totally lose it, right.

Then... Qiqi, I' m gonna put it in...

Mm~ hurry up.

Ah~~

Ah~ Tingting, why does it feel like you're even bigger than Lin Tao down there?

Because doing it with you like this is way too exciting, so my dick is rock hard.

I always listened when you talked about how Lin Tao did you, and I remembered it all.

...You're so good at it...
Tingting, it feels amazing...

Feels good, Qiqi? Am I fucking
you right?

S-so good... way too good.

(Qiqi's face is all red and shy right now, so cute. How did I never notice before.)

Qiqi... you're so tight...
I never thought I'd get to do
this with you...

M-me neither, Tingting,
I'm so happy...

Ahhh, Qiqi, I can't— I'm gonna cum.

Mmm~ Tingting, I can feel it, your cum...

Phew~ I'm exhausted.

Good job, Tingting.

Turns out doing this between
us girls really does feel better.

Qiqi, like this... do I still count as a girl?

Of course you do. No matter what your body's like, you're my little fairy.

Honestly, if I could, I'd spend my whole life with you. You see, we're both girls, we like the same stuff, we love buying the same dresses when we shop, we can gossip till midnight, none of that works with Lin Tao at all.

Plus now you've got this thing, so the only "benefit" a guy gives me, you can cover too. Imagine how happy we'd be together.

B-but what about Lin Tao.

An anime-style illustration of two young women sitting on a grey couch. The woman on the left has short, light brown hair and is wearing a light blue, long-sleeved top with a ruffled hem. She is leaning her head against the woman on the right. The woman on the right has long, straight black hair and is wearing a light purple, strapless top with a ruffled hem. She has her hand on the chest of the woman on the left. The background shows a kitchen area with a white oven and a brick wall.

Right, he's still got your body.
That kinda gives him a free pass.

Oh my god, baby, why are you hard again?

Just being close to me feels that good?

Y-yeah, Qiqi, you smell too good.

I really am curious what this
guy thing feels like.

How to put it? It's super sensitive, especially
when it's hard—just a little touch feels like a
shock. When we were... uh, doing it just now,
that feeling was so intense, like all my blood
rushed there, and it was so good my mind
went blank.

Oh right, Tingting, take me to see that doctor.

Ah, the doctor said we need at least two months to switch back.

A 3D rendered scene of a modern living room. A woman with long brown hair, wearing a purple jumpsuit, is sitting on a grey sofa with her back to the camera, her hands clasped behind her. In front of her is a dark wood coffee table with a white vase containing green plants and some papers. A man with short brown hair is lying on the coffee table, his head resting on the surface. The room has a brick wall, a wooden floor, and a black staircase on the right. A large window in the background shows a city skyline at dusk. A white chair and a small table are visible in the background.

Come on, before we switch back,
we can still have some fun~

So, doctor, is there a way to do this?
My best friend just wants to experience
what it's like to be a guy.

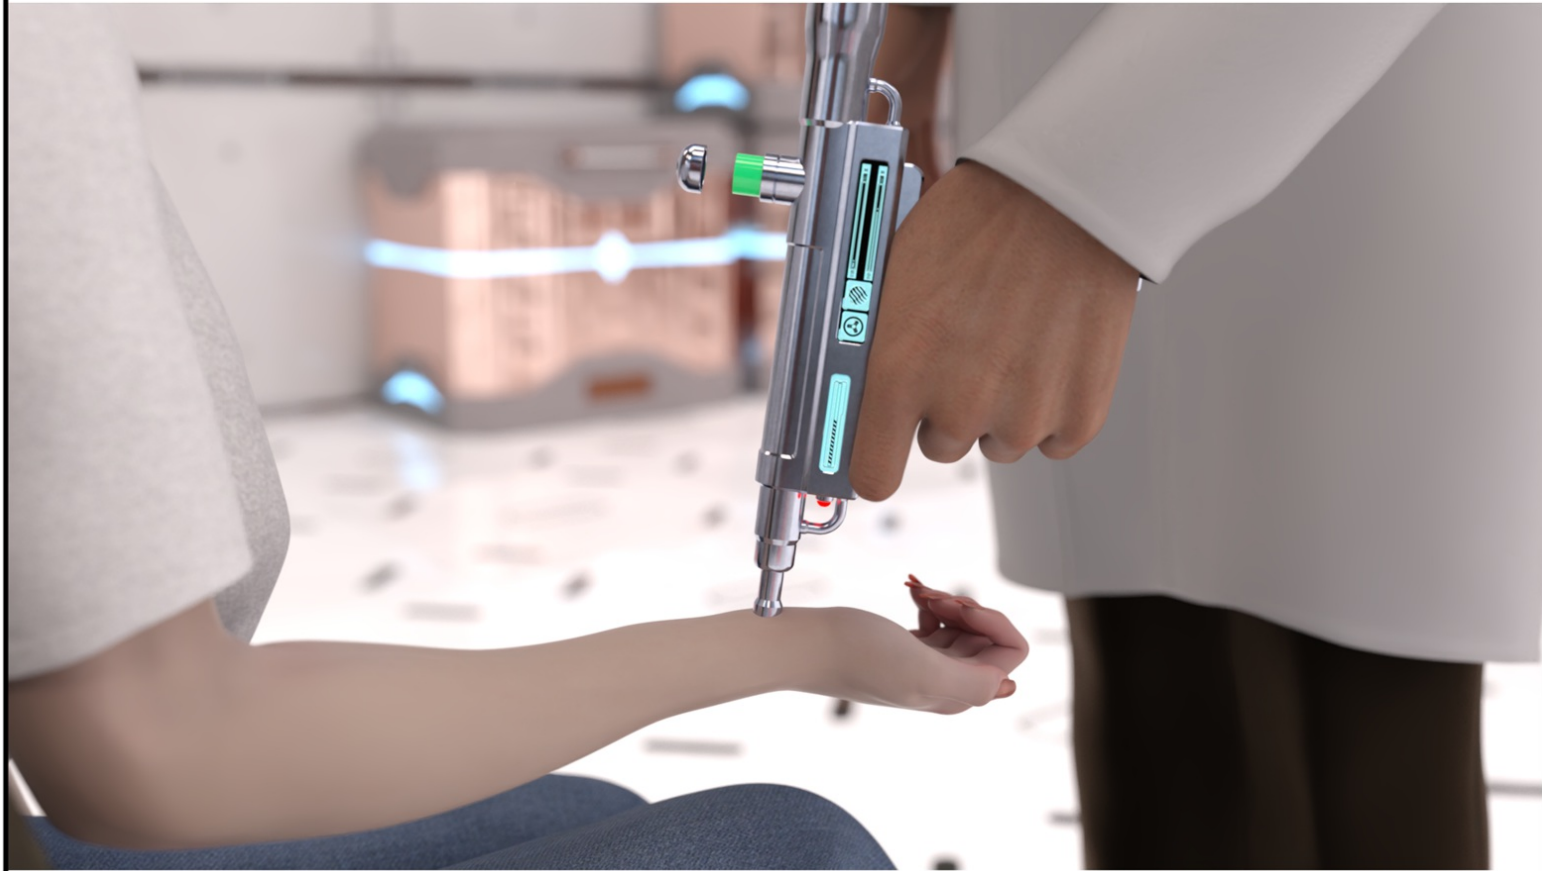

Of course... I made a potion from Lin Tao's genes that can change a body's sex; we can use that and give it a try.

Don't worry, Qiqi, the doctor's really reliable.

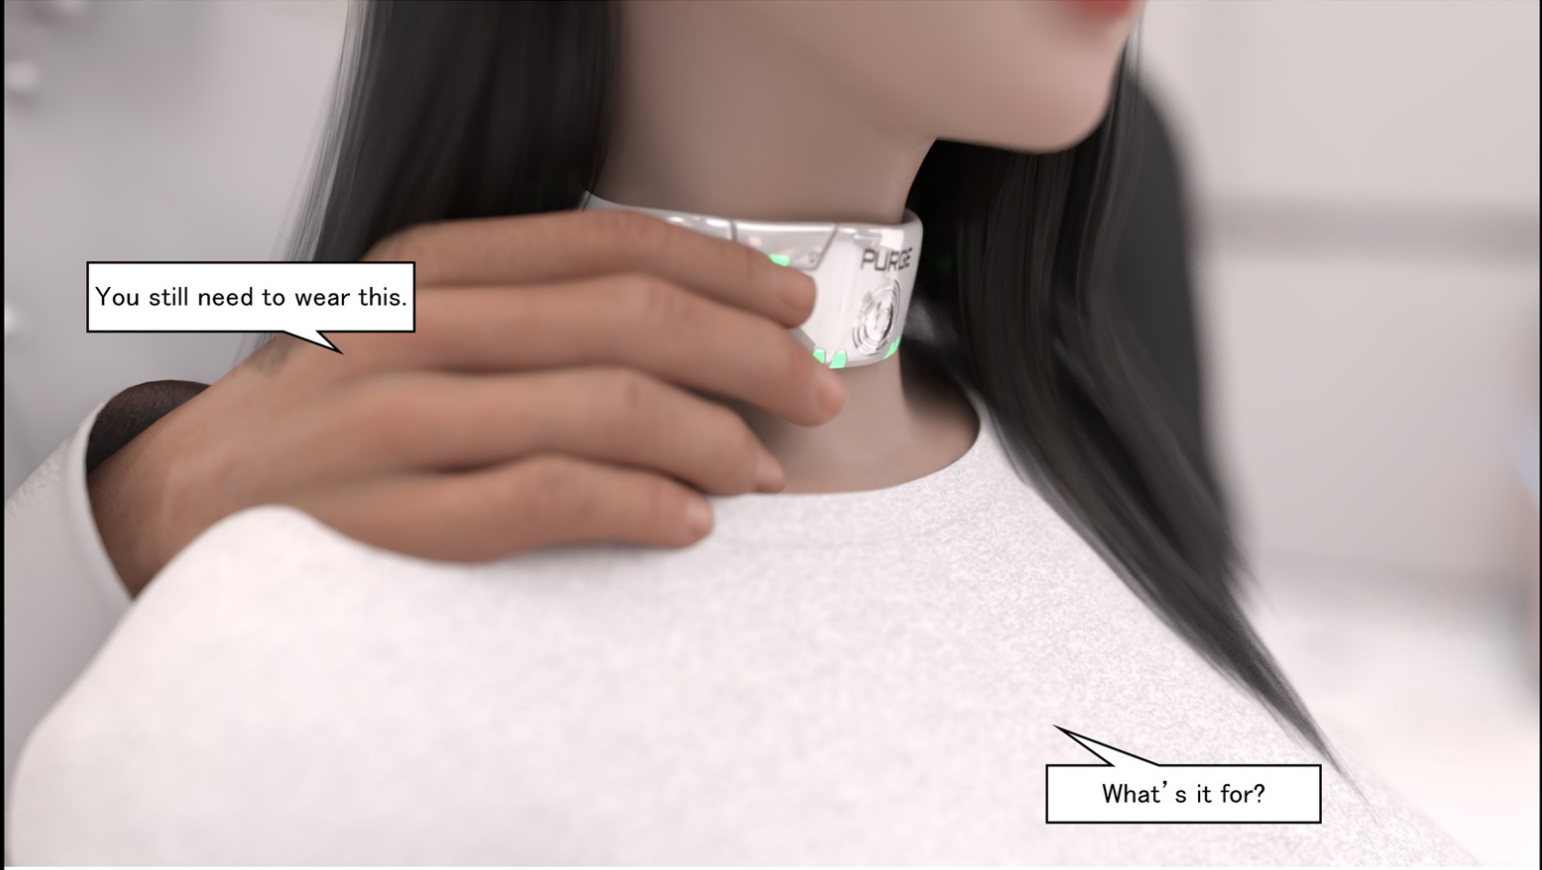

Ah, you're just gonna use it right away?

Come on, hand out.

T-this... that's it?

You still need to wear this.

What's it for?

This suppresses the drug's activity, basically, you can adjust it to control how "male" you become. It also keeps the drug from affecting anything above your neck.

Do I have to wear it all the time?
That's such a hassle.

You can take it off briefly, but try not
to leave it off too long—unless you've
decided to stay a man for good.

Sexual stimulation will speed up the transformation.

Then I'd better keep it on.

Got it...

That's it for today. If you need anything, just come to me anytime.

For the first two days after the injection, nothing really changed. My throat just felt a bit sore, like a mild cold. On the third day, I finally felt something was off...

No way, I'm gonna cum again~

Is it the drug kicking in? How many times has it been today? It feels like I'm swollen down there.

And why does it feel so weird down there...

Nope, I need to hurry upstairs
and sleep, I still have class tomorrow.

The next day

What's up? Come in, Tingting.

There aren't many people in the classroom, right.

Do I look weird wearing men's clothes?

Really? I'm just scared someone
I know will see me.

Nope, forcing yourself into
girls' clothes now would be weirder.

Wearing Lin Tao's outfit is
perfect, kind of unisex.

Relax, even if they do, they'll just think you changed your style. This outfit's loose, they can't see your shape.

They might even think I snagged another hot guy. You look so handsome right now, Tingting.

Holding you like this, I feel like my
clit's getting hard. I don't even
know if I can make it through class.

Where the hell did Lin Tao go?
He hasn't contacted me for so long...

Eh, whatever, who cares.
When it's time to see the
doctor in a month, he'll definitely
show up.

Qiqi, are you okay?
Does it hurt a lot?

Not really hurting, just kinda weak all over,
and it feels weird down there—swollen and itchy.

Can you take a look for me, Tingting.

Huh, now? We're in class, Qiqi.

It's fine, no one's in the last row.

Oh my god, Qiqi, it looks so weird down here. Your clit's red and swollen...

Really? No wonder it feels so bad. Tingting, can you... lick it for me.

Ah, that's... not a good idea.

Please, Tingting, it's so uncomfortable down there.

(Qiqi's crotch... damn it, my dick's rock hard too.)

Ah, that's so good, right there.
Tingting, suck my clit.

After class

So good, Qiqi, your tongue's so agile.

I can't, I'm gonna cum, swallow
all my cum, Qiqi.

You came so much, Tingting.

Do you really need to
lick it that clean?

Of course, that's your precious essence.
If I eat it, maybe my dick will grow faster.

Even if it doesn't help, I can't bear to waste the cum my bestie shot out.

Mm~ feels like it's swelling
again down there.

Tingting, I might need
your help again.

Whoa, how did it get this much bigger so fast.

I don't know either, just help me already.

Over the next few days, the feeling down there just got stronger. I couldn't go out at all. Only Tao Ting's dick could calm the itching for a bit.

Every corner of the house became our battlefield—sofa, bed, even the bathroom. We devoured each other's bodies. She got more and more used to Lin Tao's body, these days at home, she was like my real boyfriend, taking care of me and satisfying me.

And my crotch, under all that sexual stimulation, got bigger day by day. When I was excited, my clit could get up to five centimeters, looking like an underdeveloped penis.

Ahhhhh~

My clit's so sensitive, Tingting,
stroking it like this makes it even harder.

No, what is this feeling.
It's too intense. I'm gonna climax~

Ahhh~

Did you just cum?

Not sure if it counts, a bit of clear
fluid just leaked out.

What' s wrong, hugging me that tight?

I like you, want to hold you like this forever.

Oh~? I don't buy it, why didn't you tell me before?

I was embarrassed, we were both girls.

Now we're both boys, so I'm not shy anymore.

Alright, alright, seeing how you're reacting down there, I believe you.

But yours is way bigger than mine.
Don't tell me this is my limit.

Turns out I worried too much,
because in just two days, my
crotch got even crazier.

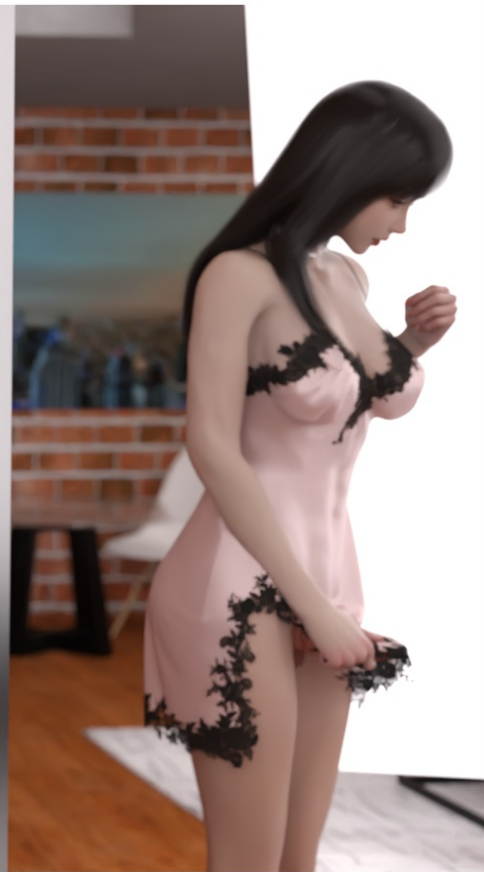

Whoa! It's this big? My nightgown's pitching a tent. Is this morning wood?

God, it actually turned into this.

Lifts up~

Even my labia got so thick...

It feels hard inside when I touch it...

Could... balls be growing in there?

Looking at it now, I probably can't be seen as a girl anymore, right. This thing definitely counts as a dick now.

In that case, next time I see Lin Tao, I'll scare him to death. Hmph, you love being a woman so much? I'll become a man and fuck you good.

Since that's the case,
I might as well crank the drug
effect up a bit more.

A few days later

Like this?

Closer.

Peeing standing up feels so weird,
like it'll splash on me.

It won't, standing is way more
convenient than squatting.

Relax.

Hmm, I can't feel it.

Ah, it's coming out.

Feels better, right.

Mm

Done peeing, let's go.

I don't think so.

Huh?

See? This is why you shouldn't wear skirts out. If we don't take care of it, you can't even go home.

You touching me just now, I got hard after peeing.

Then help me out, won't you.

Didn't expect the drug to go this far,
your huge boobs flattened out like this.
You look like a little femboy.

I'm shocked too. My beautiful boobs,
you can't even see an outline now.

By the way, why do our cocks look about the same size?

But if I hadn't maxed the effect, my dick probably wouldn't have grown this much either.

They should be the same. Your body is Lin Tao's, and from my neck down I fused Lin Tao's DNA too.

So that means we're now...

Yeah, we can probably count as two brothers.

Oh~ rubbing our glans together
feels so good~

Ah, brother, stroke faster, okay?
I think I'm gonna cum.

Ah, me too, Qiqi, let's cum together.

Ahhh~

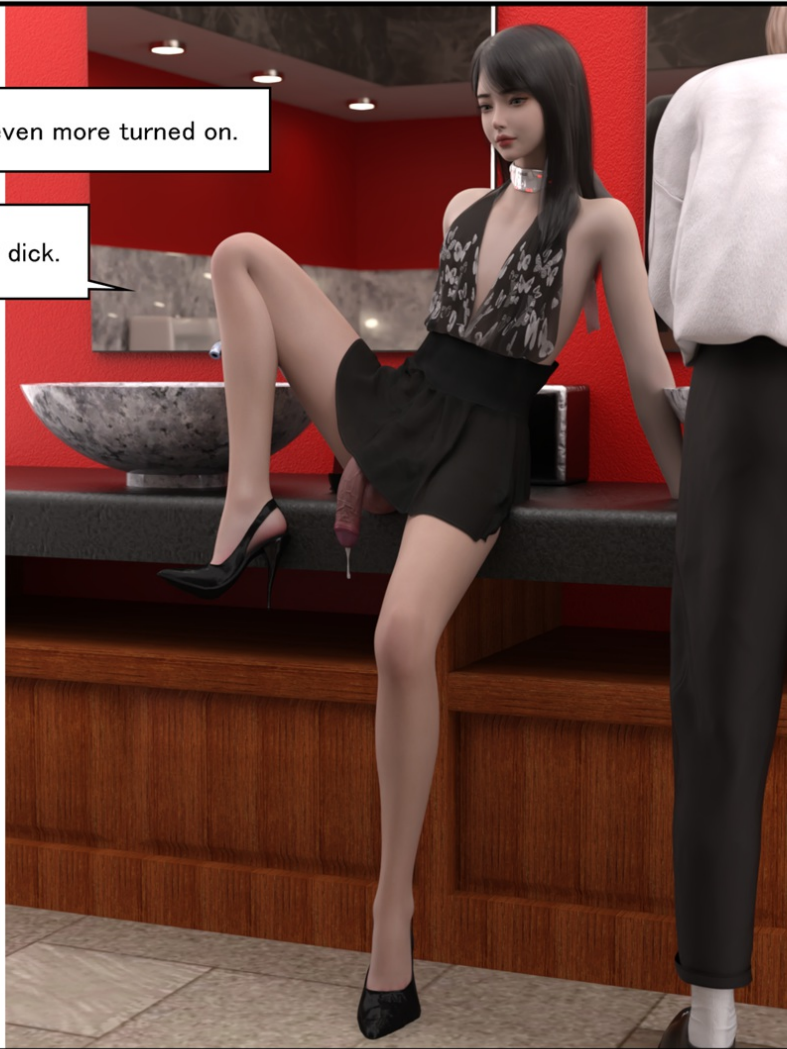

Cumming feels amazing, being a
guy was definitely worth experiencing.

I really wonder how those guys who like you
would react if they found out their goddess
is actually a big-dicked trap.

I think they'd be even more turned on.

They'd probably fight to lick my dick.

Think we could invite a few junior girls to have some fun? I still haven't tried sex with a woman.

Forget juniors, you still need to deal with your "girlfriend."

Huh? My “girlfriend”?

It's Lin Tao, isn't he basically your “girlfriend” now?

A 3D rendered scene of a modern bathroom. A man in a white shirt and dark pants stands at a vanity with a woman in a black dress. The vanity has a dark countertop with three white oval sinks and blue faucets. A large mirror is mounted on the wall behind the vanity, reflecting the scene. The walls are a mix of grey and red. A potted plant is on the left side of the vanity. A urinal is visible on the left wall. A trash can is on the floor near the plant. A white text box with a black border is overlaid on the scene, containing the text: "He contacted me earlier, let's settle things with him first."

He contacted me earlier, let's settle things with him first.

So you didn't even wear the mask and
live my life properly all this time?
My boyfriend's probably gone, huh.

I'm sorry... it was so hard to become a girl,
I just really wanted to experience my
female version life...

You could' ve at least contacted me.
Do you know how worried Qiqi and I were?

Qiqi... she knows?

I couldn't reach you, so I had to take off the mask and go to class. After a while, of course I got found out.

Qiqi must be really mad. She probably won't want to see me and is getting ready to break up.

I get it, who could accept their boyfriend
living as their bestie in her body.

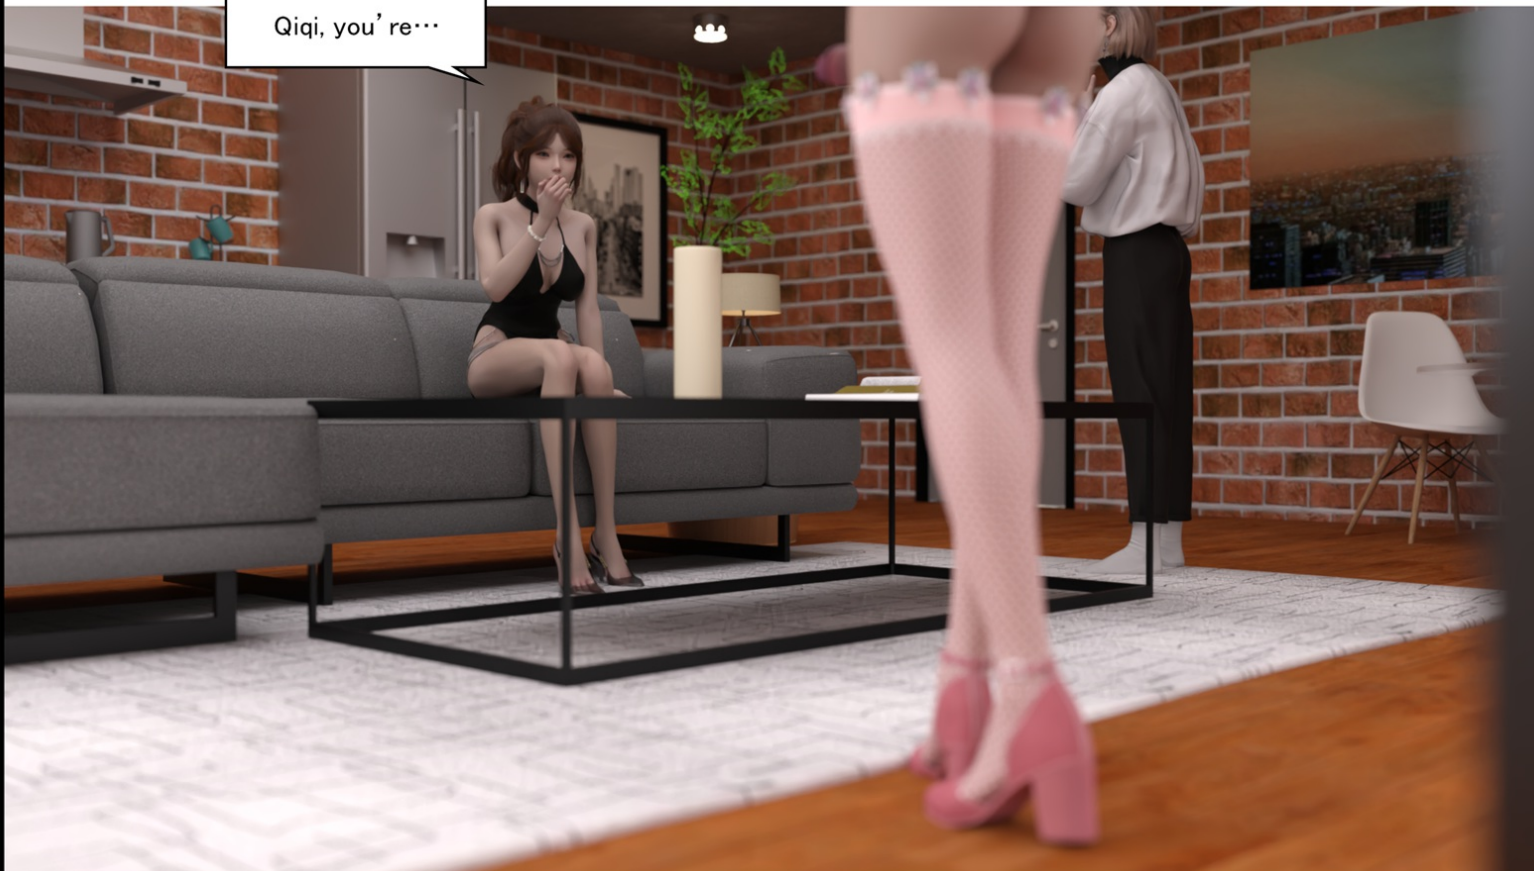

Yeah, it's hard for you to be her boyfriend like this, but she might be better suited to be your boyfriend now.

Huh, Tao Ting, what do you mean.

Qiqi, come down. Your girlfriend's here.

Qiqi, you' re...

Honey, long time no see.

You seemed pretty comfy using
Tao Ting's body, so I tried the guy life too.

Well? Do you like the current me?

I was shocked Tao Ting actually took Qiqi to the doctor to do this, but I wasn't mad at all—if anything, I was happy Qiqi could become like this. After that, the three of us lived together in a very delicate balance. Qiqi and I were still a couple, only now I was her girlfriend. Qiqi and Tao Ting were still best friends, but they went from besties to bros.

Gotta say, honey, you really do look like a little cross-dressing boy right now, kinda cute.

I fantasized so many times about getting played with in girls' clothes, never thought one day I'd be the one playing with you in girls' clothes.

I was a girl to begin with,
what's so weird about
wearing girls' clothes.

Which girl has a dick
this big though.

Don't touch my nipples...
they're super sensitive.

Just a little nipple play and your
cock's this hard—still saying you're
not a little femboy?

Admit it, you're my trap little boyfriend now, tottering in girls' clothes while I play with you.

Such a cute reaction.
Come on, baby, tell big sis
what you're thinking right now.

A 3D rendered scene featuring two anime-style female characters in a living room. The character in the foreground has long black hair, wears a pink bunny-ear headband, a silver choker, and a pink floral-patterned top. She has her eyes closed and a slightly blushing expression. The character behind her has brown hair and is looking towards the viewer. The background shows a grey sofa, a wooden coffee table with a green plant, and a brick wall.

S-sis... I want to put my
dick into your pussy...

Good girl, sis wants to try your big cock too.

I' m in, you' re so tight...

Hahh, Qiqi, this feels so good.
I've slept with so many guys,
but I still love having sex with
you the most.

So this is what Tingting's pussy
feels like, it's amazing~

Right? My pussy feels great, huh~

*hug~

Mmm, bro, you smell so good.

What's poking my butt!

Compared to my pussy,
my dick feels even better,
you know.

Bro, your rectum's so warm.

Ah~~

Oops, sorry, I was too busy making bro feel good and forgot about his girlfriend.

Ugh, you two damn gays are so annoying, hurry up and move!

Life went back on track for a while.
On weekdays, Tao Ting still wore my
mask to go to work, and I wore hers
to go to class with Qiqi.

Class is such a pain now, I even
have to wear fake boobs.

These forms are way too big, bigger than my old chest. Still, I look insanely sexy—black stockings and giant boobs.

I'm looking at my own body, and my dick still got hard.

Tingting... are you done peeing?

What's up

Come out, it's urgent.

Seriously, I thought it was something real urgent!

Isn't this urgent...

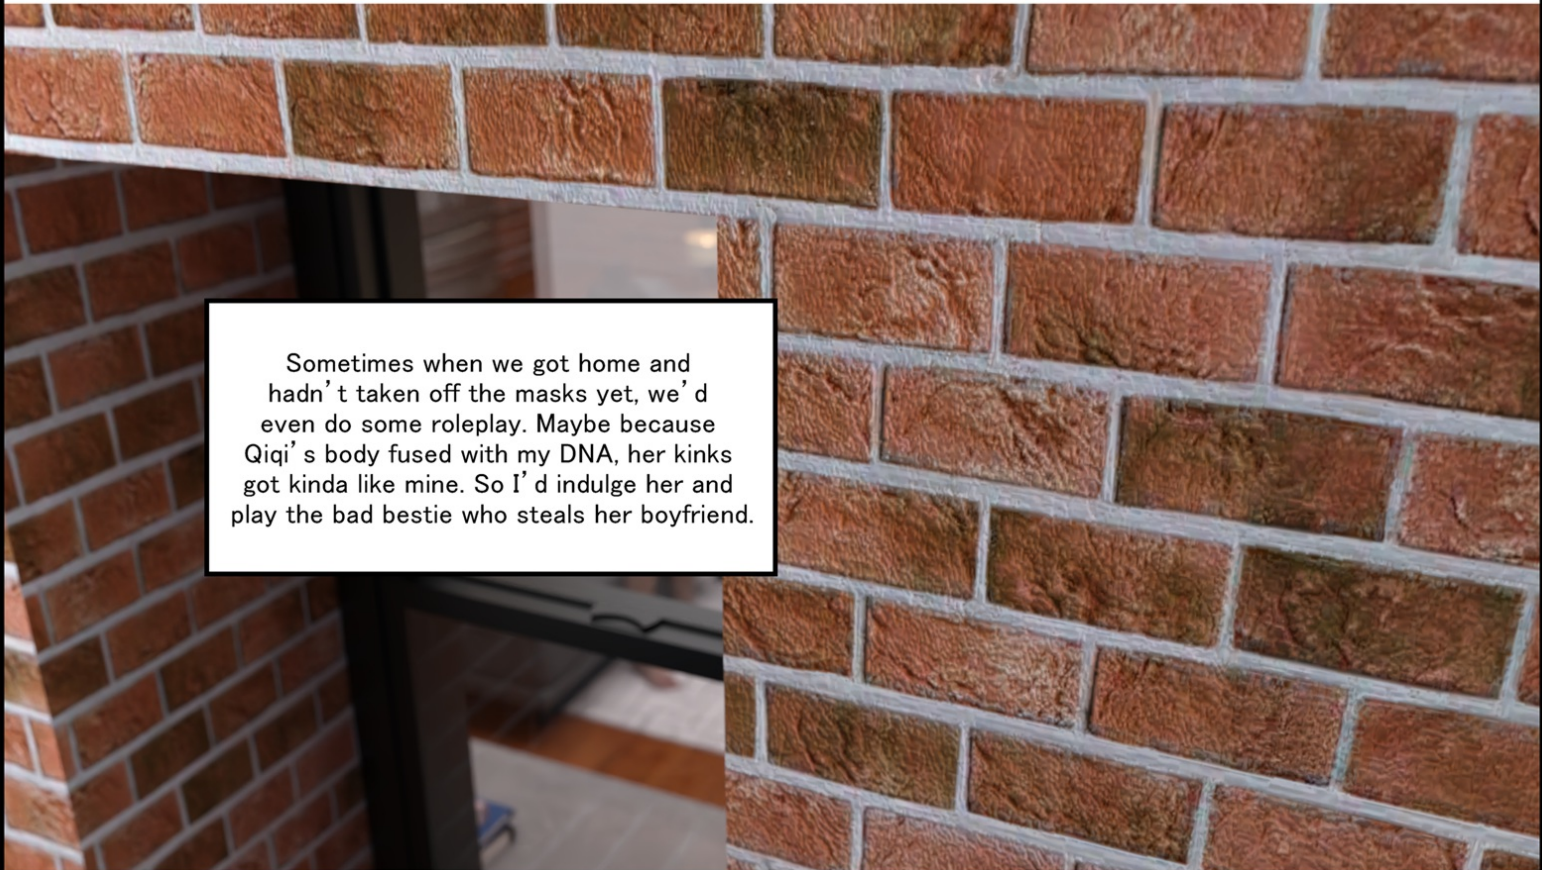

Ah~ you aren't even taking off the stockings

So good, it really looks like I'm having sex with Tao Ting while she's still a girl.

Ah ♪ Qiqi, your dick is so hard~

Mmm ♪ that's so good, Tingting,
I'm gonna cum.

Sometimes when we got home and hadn't taken off the masks yet, we'd even do some roleplay. Maybe because Qiqi's body fused with my DNA, her kinks got kinda like mine. So I'd indulge her and play the bad bestie who steals her boyfriend.

Zhang Qiqi, can't believe you lied to me for so long.

S-sorry, Tao Ting, I shouldn't have hidden that I'm a trap. Please don't steal Lin Tao from me, okay.

Lin Tao would never
date a trap like you!

Right, hubby~

Of course, wifey. Even if she really were a girl, I'd still like you more.

W-wife...

What's wrong? Hearing your boyfriend call another woman "wife" right in front of you turn you on too much?

Your dick is that hard already,
what a filthy slut.

Mmm 🍆 hubby, you're thrusting
so deep 🍆 feels amazing 🍆

What's that hand doing?
Watching got you wanting to
jerk off, huh?

Nope. A perv like you only
gets to lick my feet.

Wow, hubby, look at Zhang Qiqi
licking my feet so happily.

Her cock is super hard too.

Ah ah, Tingting, don't step on my glans, I can't hold it.

*step on~

Days like this went on right up until the eve of Tao Ting and Qiqi's graduation. Since Qiqi couldn't wear the drug suppressor forever, and Tao Ting and I couldn't rely on masks forever either, we went back to the doctor to figure out a solution.

A year later

That's the situation for this month, Director Xu.

Got it, Xiao Zhang.

No thanks, Director Xu, my boyfriend's waiting at home.

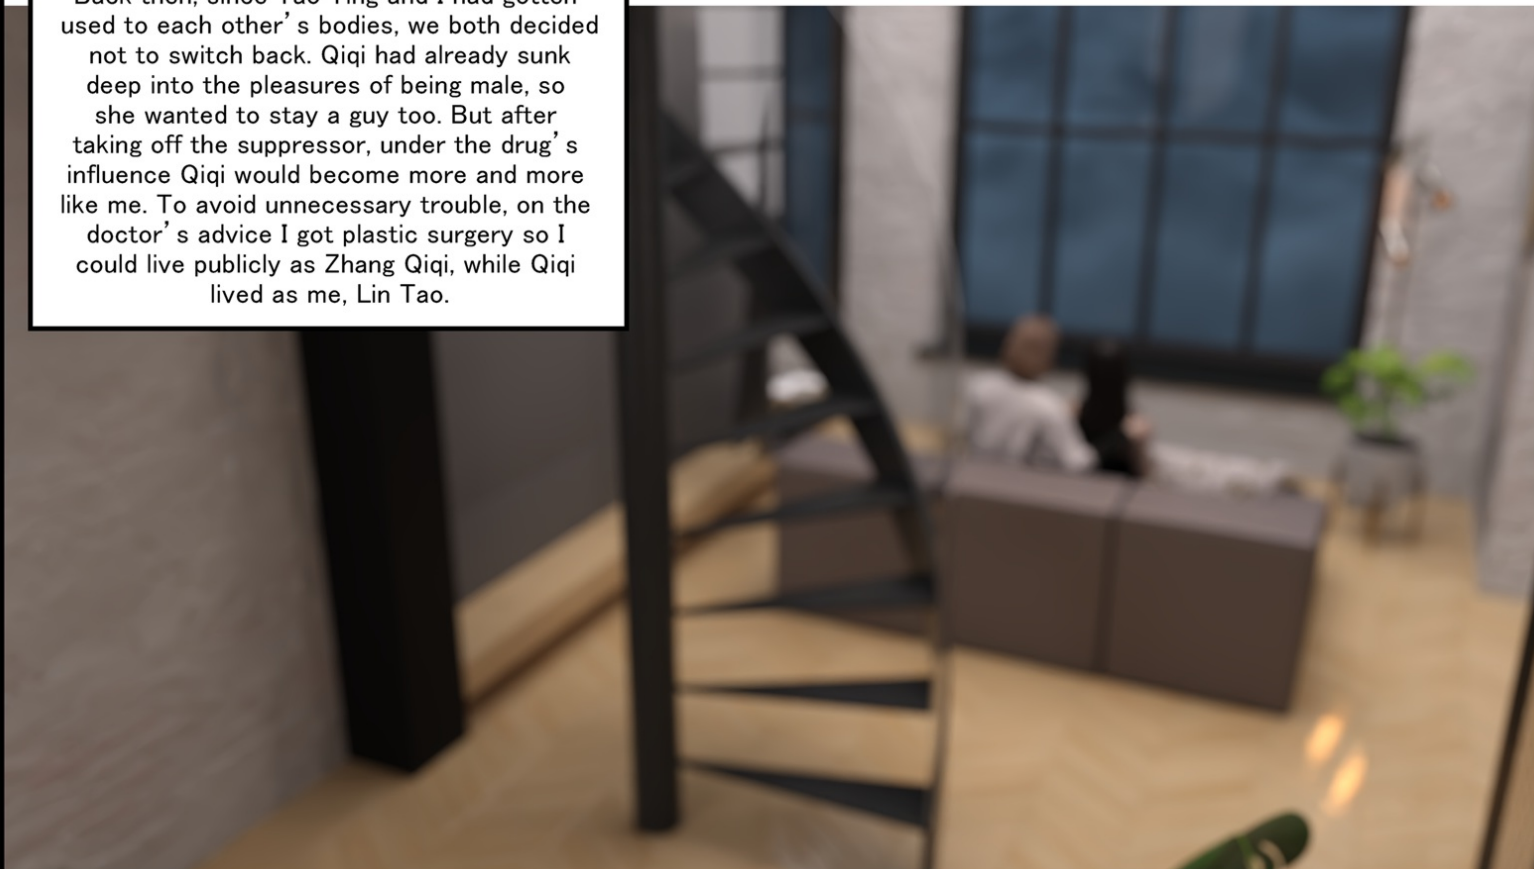

Bye, Director Xu,
see you next week.

Damn, I hired her thinking she was a slut, but she's so damn proper.

At least her work is solid. Forget it.

Back then, since Tao Ting and I had gotten used to each other's bodies, we both decided not to switch back. Qiqi had already sunk deep into the pleasures of being male, so she wanted to stay a guy too. But after taking off the suppressor, under the drug's influence Qiqi would become more and more like me. To avoid unnecessary trouble, on the doctor's advice I got plastic surgery so I could live publicly as Zhang Qiqi, while Qiqi lived as me, Lin Tao.

After graduation, Qiqi and I quickly got married,
and Tao Ting fully started living as a man.
But our relationship was never as simple as it
looked.

Why not have Lin Tao get pregnant?

He thought it was a hassle, but his parents
were pushing hard. He had no choice but to
see the doctor again and figure out a way
for me to get pregnant instead.

Still, I was a girl, even though I later became
a guy. I was happy to experience pregnancy.

Didn't the doctor's drug already turn you completely into a man? How can you still get pregnant?

I don't know the details, but the doctor said even though my vagina became a dick, my uterus and all that still worked. So he did a little tweak and now anal sex can get me pregnant.

You... you're upset? I got pregnant
with your kid without asking you?

No...

Come on, Tingting, don't be mad.
There wasn't much choice, your
body is Lin Tao's, so it had to be you.

How could I be mad, Qiqi.
I'm happy you can carry my child.

Mwah, love you most, Tingting.

You scumbag, flirting with my husband again.
Not going after those young girls tonight?

Knew it.

Later tonight...

Hey, what are you doing~

Not teasing your man anymore,
teasing you feels better, huh.

W—who wants to be teased by you.

Ugh, don't leave tonight.
Stay and keep me and Qiqi
company, okay?

Hey, you two gonna leave a pregnant woman out in the cold?

Sorry, honey! Tingting and I will jerk you off, okay?

Don't be mad, darling, don't get worked up.

Hehe, that's more like it.

Ah, being with you two like this,
holding my belly, I feel so satisfied.

So happy~

Wow, Qiqi, you can still cum that much even while pregnant.

I'll grab tissues.

.The End.
