

The Body of Her

-Part 1-

***the story is entirely fictional, and all characters in it are adults.**

Hey babe what are you doing~

I... I am playing a game babe.

I knew you were gaming again,
come on, tell me, did you miss me

Of course, even while I am playing
I keep thinking about you babe.

Be good, do not miss me too much,
classes start next week and I will be
back then.

Mm-hm, I will pick you up then.

So babe I will hang up first,
things are a bit busy here.

Hmph, always gaming. I really cannot
do anything with you, go on~

Finally hung up, now I can stroke
this bad boi in peace.

Hiss~ ah~, so good

My name is Lin Tao, a newly minted corporate workhorse fresh out of college. Although I am only a low level employee in the company it belongs to my family so my life is quite comfortable. The person who just called me was my girlfriend, she is one year below me and now a senior about to face the job search, but because it is winter break she has gone back home for the New Year.

But the garment I am holding and inhaling deeply right now does not belong to my girlfriend but to her best friend Tao Ting. She left it behind when she came to stay over once while my girlfriend and I were living together near campus before graduation.

Ah, so good, this feeling is incredible.

Every time I put on these clothes it is like opening a door to a realm of forbidden thrills and knowing they used to be Tao Ting's intimate wear makes the rush even stronger pulling me in so deep I cannot break free.

Tao Ting I... I want to become you.

When I wear Tao Ting's clothes I always feel a strong sense of dissonance and this contradiction brings a psychological pleasure utterly unmatched by the physical release of a simple ejaculation as if I am breaking some boundary and truly becoming Tao Ting.

This strange idea has been in my head for a long time. I do not know when it began, but I keep fantasizing about becoming a woman, and specifically my girlfriend's best friend Tao Ting. Yet inside I struggle, ashamed of my twisted thoughts while also having no idea how to fulfill this desire.

What am I doing... even during the post-climax clarity I still keep fantasizing?

I lack for nothing and my life is good, so why would I want to become an ordinary, even plain, girl.

But becoming her, becoming Qiqi's best friend, must be exhilarating. As long as I can experience it even once, I would do anything.

Even if it is only wearing the clothes she just took off and doing my makeup and hair exactly like hers, that would be good...

No, this is wrong... I must be crazy. How can I have such a bizarre thought?

Besides, she is my girlfriend's best friend. Is this not going too far? If they find out, they will probably think I am a pervert...

But... if this keeps up, this obsession
will drive me insane...

Maybe while Qiqi is away
I should talk to Tao Ting about it?

Her family situation is not good,
if I offer money she might not refuse.

Yes, I will not know unless I try.
Even if something goes wrong we
are graduating soon, at worst I will
just keep Qiqi from seeing her again.

Hey Tao Ting, are you free in the next couple of days? Could we meet up? I have something I would like to discuss with you.

But I never imagined that this move of mine
would completely change the fate of the three
of us...

What is it, Lin Tao? You called me out in such a hurry, what is going on?

I was planning to treat you and Qiqi to a meal when she gets back as thanks for helping me move into the place you two used to rent.

Ah~ I get it. Your anniversary is coming up and you want to buy a gift but do not know what, so you want me to act as advisor?

You really are something, you usually seem so carefree, I never thought you could be quite romantic...

No... Tao Ting, that's not
what I want to ask...

Oh? Then what is it, just say it.

I... I want to...

No, Lin Tao, are you serious?
Do you even hear what you're saying?

Tao Ting, I know this sounds very strange, but as long as you're willing I can pay any amount of money. I know a special effects makeup company, if you come with me to make a facial mold they can craft a silicone mask identical to your face

Stop... stop talking...

Then you lend me two sets of your clothes,
you won't need to worry about anything else.

Shut up I told you to stop talking can't you hear.

Tao... Tao Ting...?

Lin Tao I never thought you would have such a perverted idea, I'm sorry, I absolutely cannot cooperate no matter how much money.

So disgusting... from now on let's
not meet in private again.

Hey Tao Ting it's fine if you don't agree, just take it as I was joking

Sigh, I really shouldn't have said it,
nobody could accept something like this.

Oh no, she won't tell Qiqi about this right, if Qiqi finds out I'm done.

Tao Ting... wait a moment.

What are you doing pervert don't touch me stay away from me.

What else do you want!

I'm sorry Tao Ting my request just now was indeed too much you can be as angry as you like but please don't tell Qiqi okay?

Do you think that's possible Lin Tao
you asked me for something like that
how could I not tell Qiqi can I let her
stay with someone like you and feel
at ease?

Alright I've said all I have to say stop following me if you keep following I'll call the police.

No please I'm begging you.

Tao Ting watch the road...

Huh?

*EHRRrr!!!!

Look out!

Bystander A: Oh my god someone help!

Bystander B: Call an ambulance
and take them to the nearest hospital!

Exhausted, but we've barely managed to keep their vital signs.

Organ rupture spinal dislocation ordinary surgery can no longer save them even if they live they will only be walking corpses.

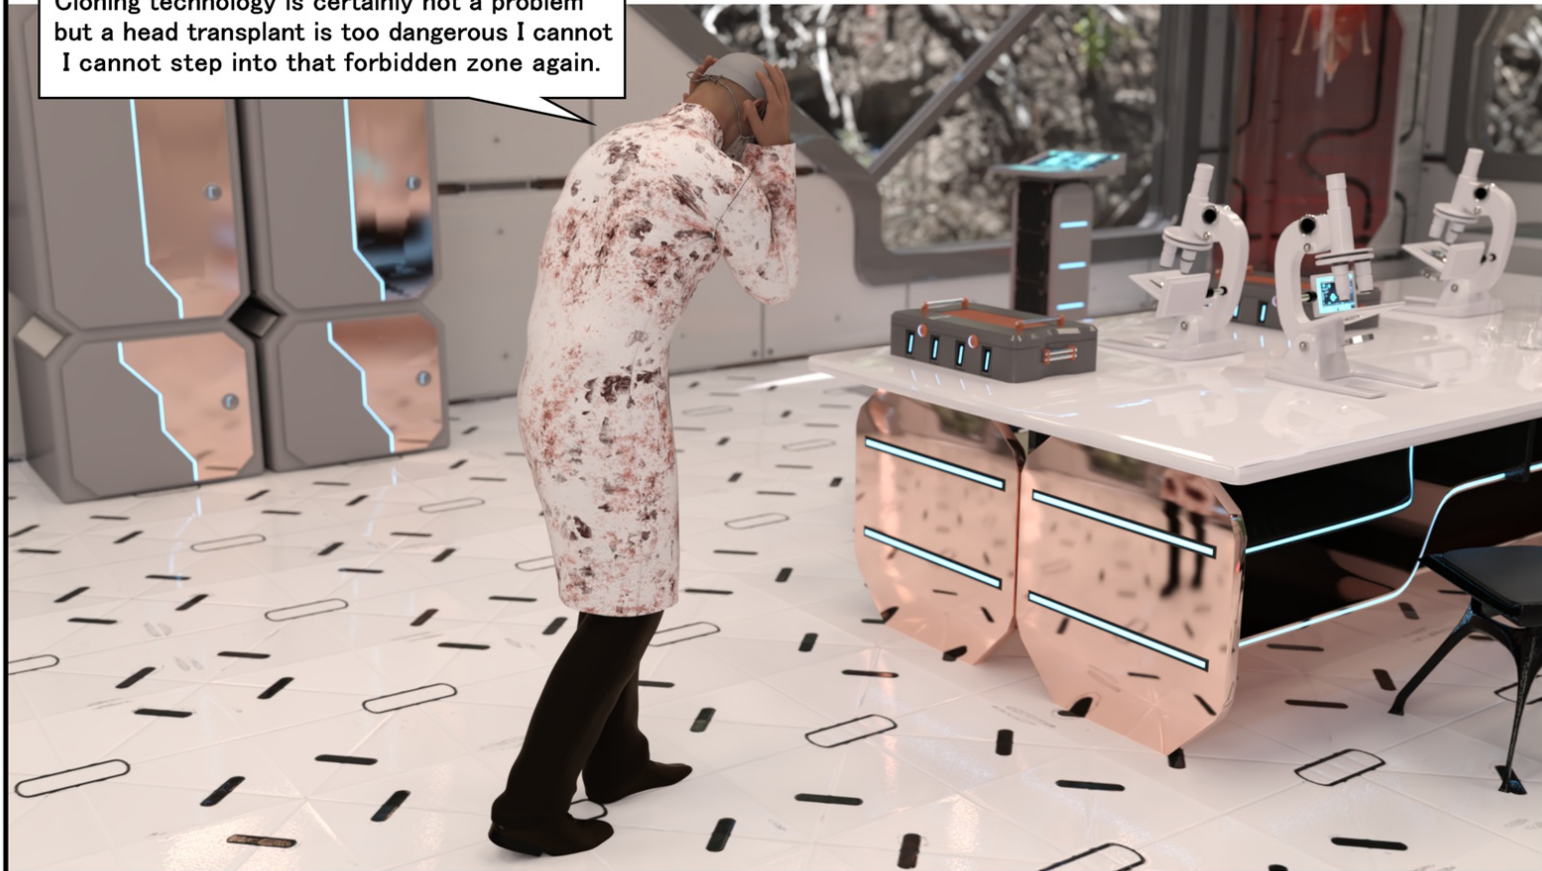

However they are such perfect
experimental samples.

Although current medical technology considers them practically dead to me they still have a chance.

Young healthy brains intact their consciousness is still there if I clone a new body for them and transplant their heads they still have a chance to fully recover.

Cloning technology is certainly not a problem
but a head transplant is too dangerous I cannot
I cannot step into that forbidden zone again.

But are they not the best experimental samples
heaven has sent me if it succeeds if it succeeds.

You are so young, you do not want
to live in nutrient fluid forever, do you?

Come, let us complete
this miracle together.

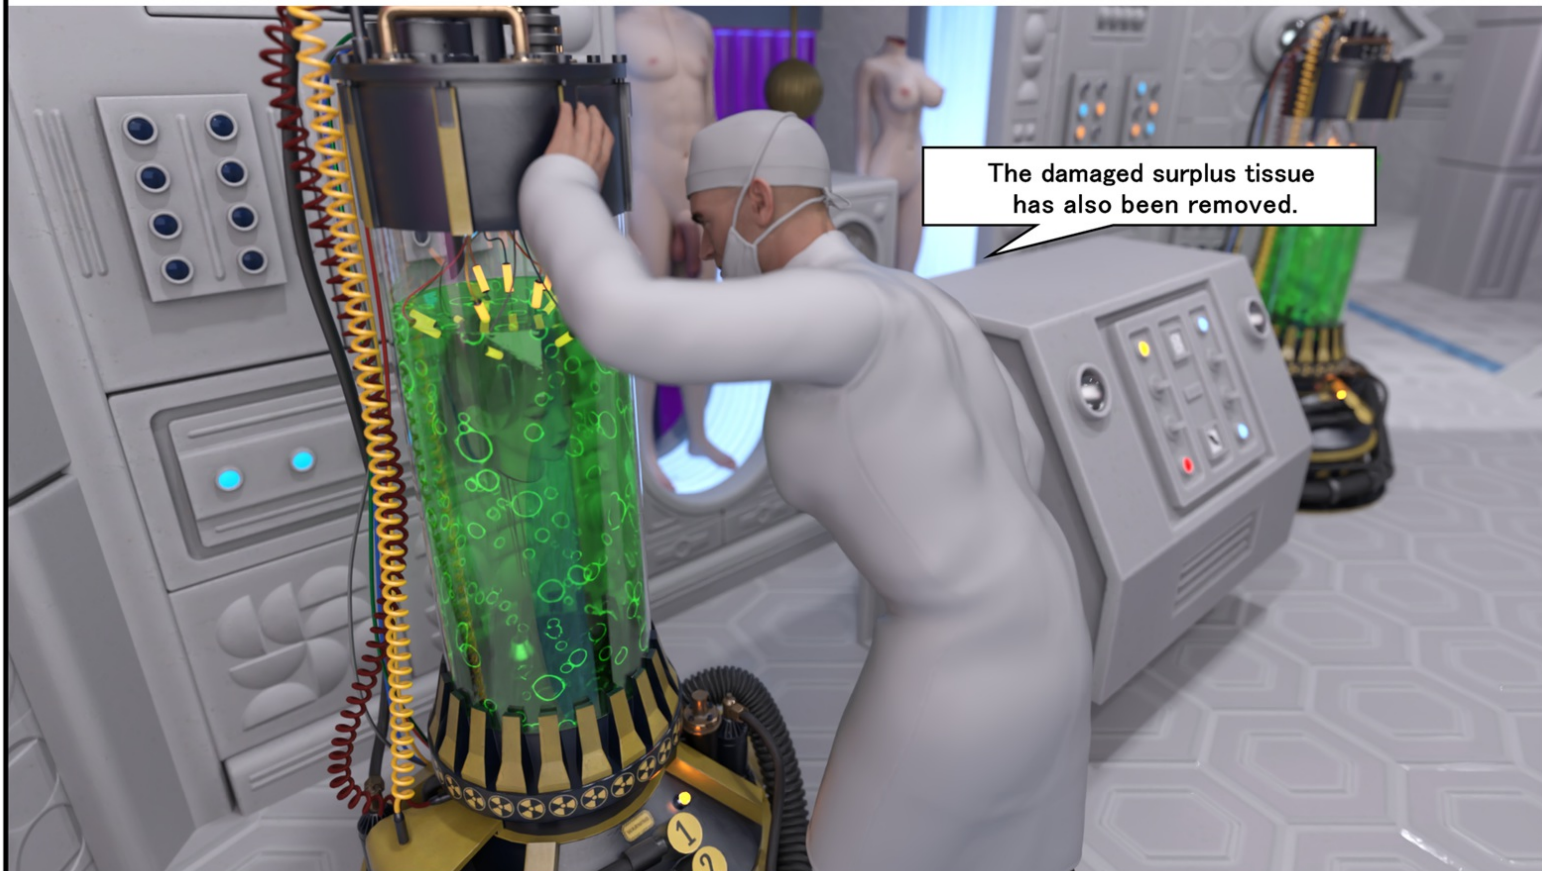

No surprise it is me, with just a few cells
I perfectly cloned their bodies.

The replacement bodies for both
of you are ready!

The damaged surplus tissue
has also been removed.

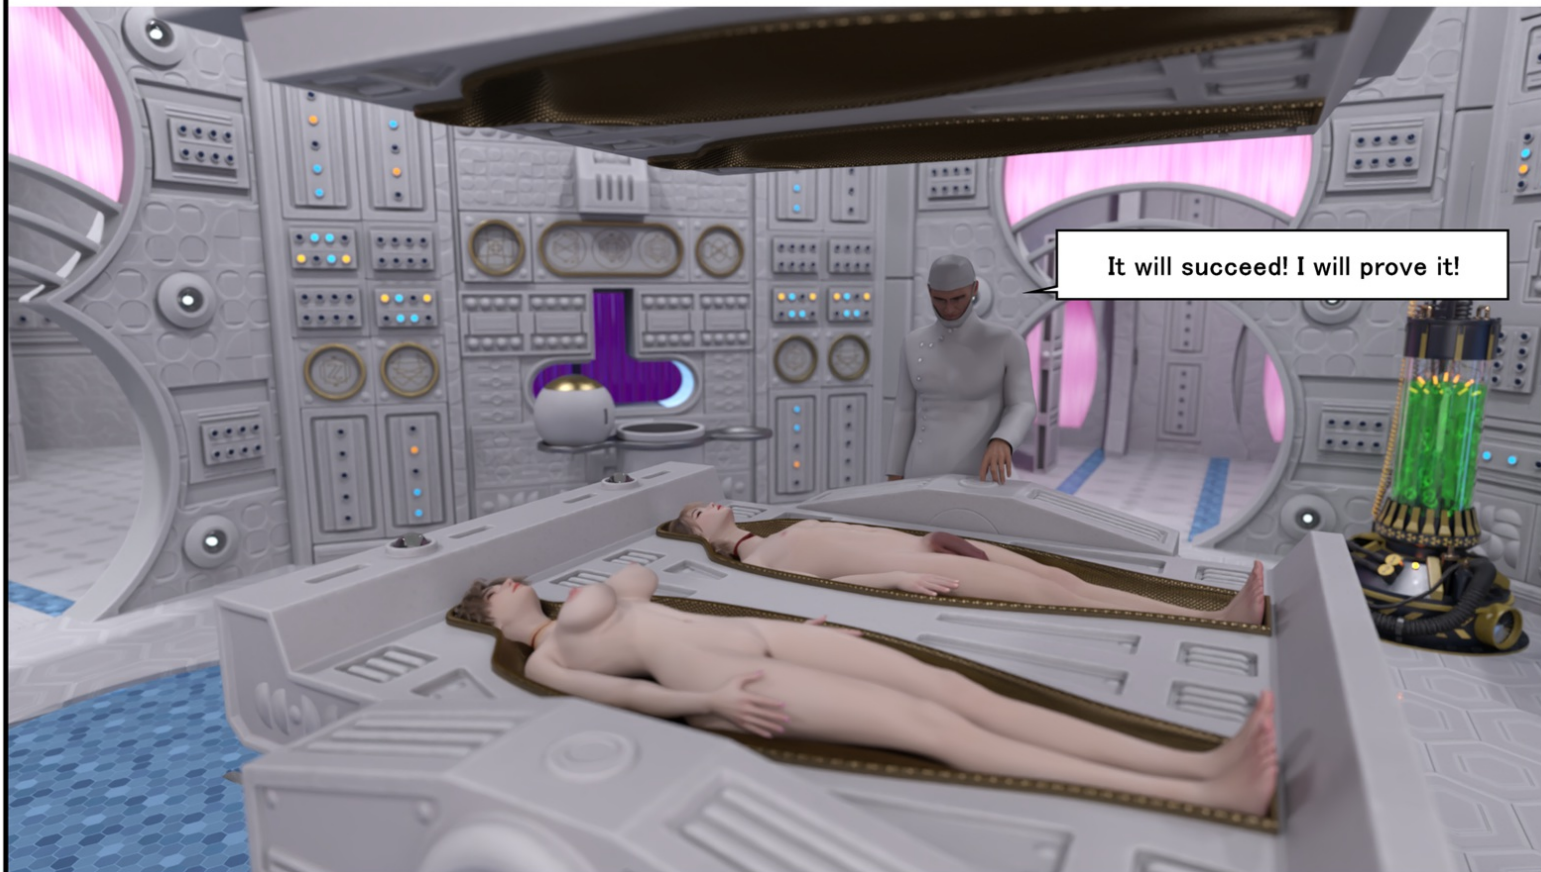

The next step is simply to attach
your heads to the bodies.

However, heh heh heh, since this is an experiment, why not be a little bolder, don't you think?

I remember I was in a car accident...

Was it you who saved me, doctor?

That's right! When you were brought in you were essentially pronounced dead, it was only with technology beyond this era that I brought you back.

You remember everything, that's wonderful,
it indicates my surgery was highly successful

Thank you, doctor...

But doctor, my body feels a bit strange...

And what am I wearing...?

Oh, those clothes belong to the boy who was brought in with you, because your head is now on his body, so of course you can only wear his clothes.

What?! Doctor, you mean these belong to that pervert...?

Even that as well?!
How is this possible?!

So that means I now have
Tao Ting's body?

Doctor, you are far too irresponsible,
how could you swap our bodies on your
own for the sake of your research!
What are we supposed to do from now on?

Hurry and find a way
to swap us back!

Uh, swap you back... that may
be a bit difficult.

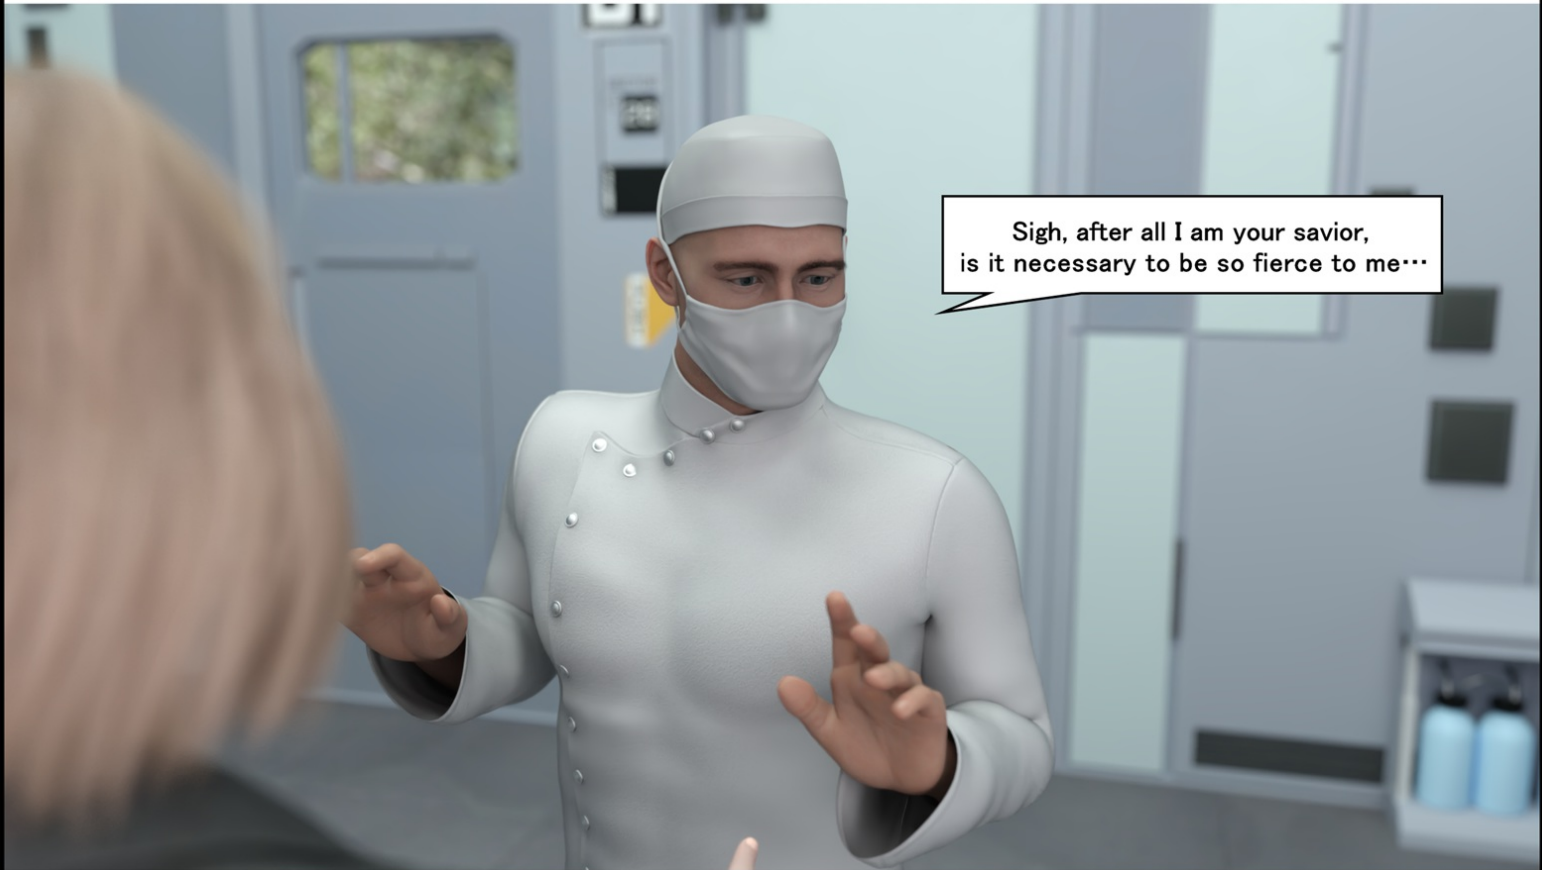

If you don't find a way to return us,
the two of us will definitely sue you
and you can wait for prison!

Ah...

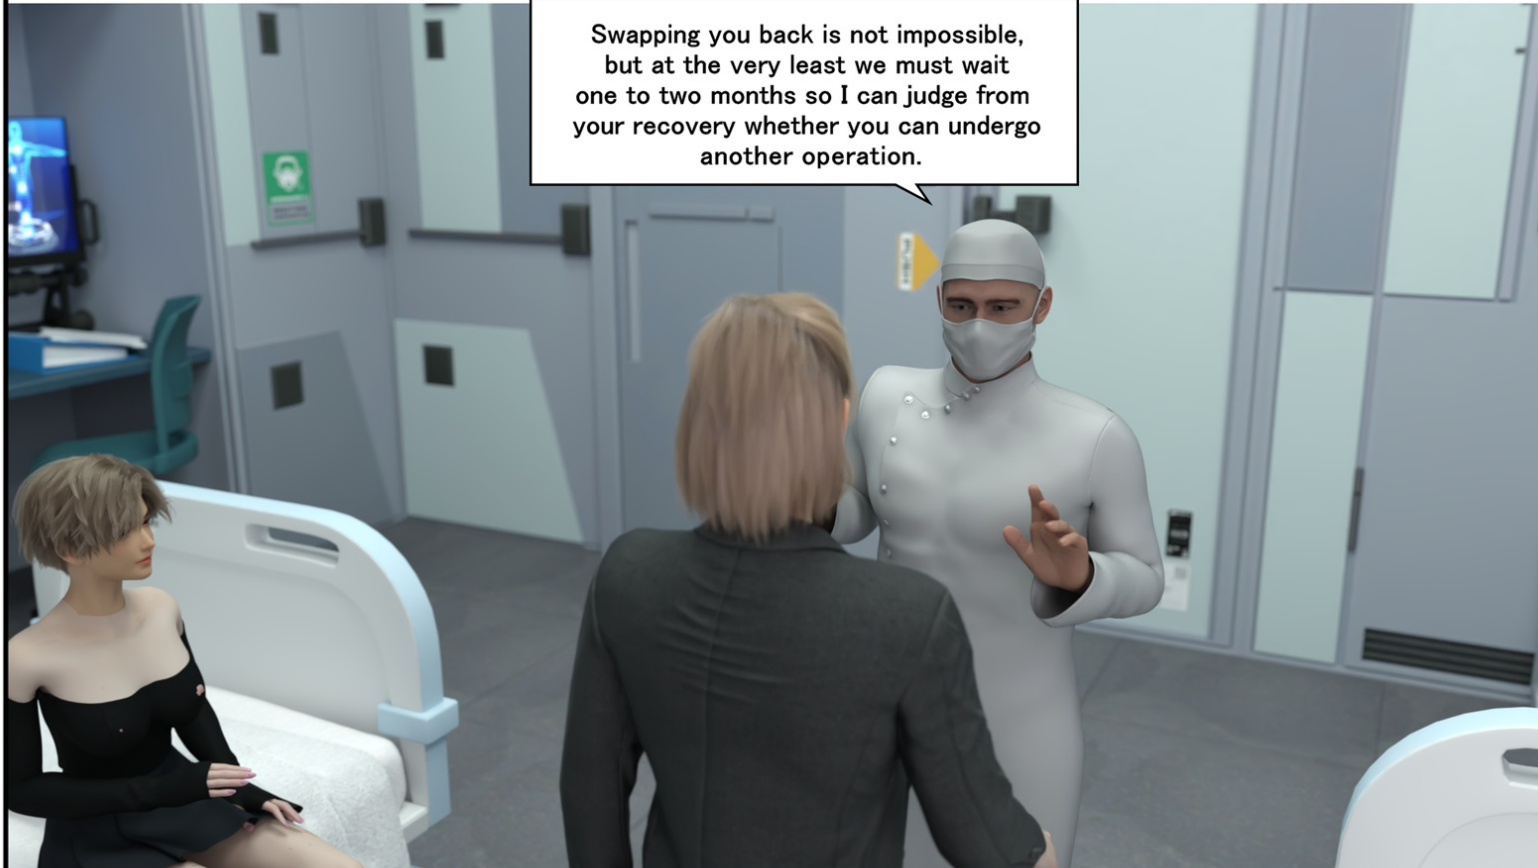

Lin Tao, you culprit, aren't you going to say something??

Ah, yes, doctor, please think of a way.

Sigh, after all I am your savior,
is it necessary to be so fierce to me...

Swapping you back is not impossible,
but at the very least we must wait
one to two months so I can judge from
your recovery whether you can undergo
another operation.

Then what do I do for these one or two months?
I can't stay here the whole time, and if we go
out how can we face people like this?

Yeah...

There is a way, don't worry,
I'll get something.

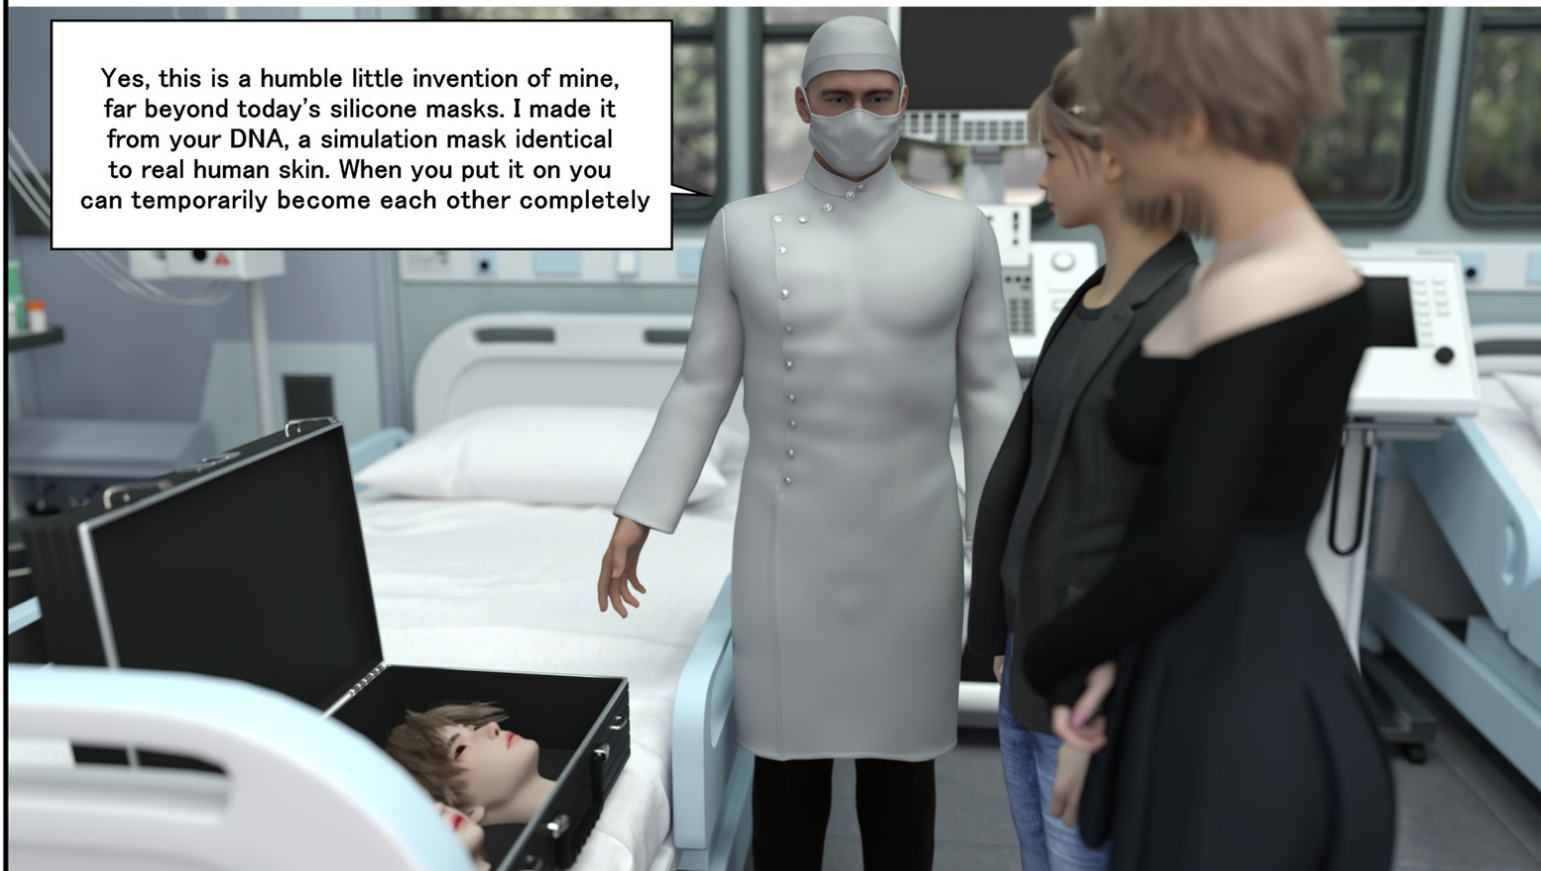

You'd better have a reliable solution!

Masks?

What... what is this...?

Yes, this is a humble little invention of mine, far beyond today's silicone masks. I made it from your DNA, a simulation mask identical to real human skin. When you put it on you can temporarily become each other completely

What do you mean, doctor? Are you saying that for this month I have to become this pervert completely?

Tao Ting, don't say it like that, it's only a month.

You seem to be enjoying this!
If not for you, how would any of
this have happened?

You don't have to wear it all the time,
only when you must, as a disguise.

If you can avoid it, just try
not to see people.

Fine..

Alright, for a month or two it's impossible not to see anyone, let's take them, Tao Ting.

Damn, I guess we'll have to do it this way for now.

So during this time please focus on recovering,
I will find a way to complete the second surgery
as soon as possible.

Inside the apartment shared
by Zhang Qiqi and Tao Ting.

Damn! Damn! These are clearly my own clothes, but... I can't get into them at all.

Tao Ting, stop forcing it, with your current build you can't wear women's clothes.

How will I know if I don't try!

And what is going on, why does this thing bulge when I'm wearing my own clothes?!

Men's body reacts like that... especially to a girl's underwear.

It's only you who reacts like that! What a pervert.

You're the one controlling this body...

What did you say, Lin Tao? If not for you and your twisted ideas, would I have to endure this for a whole month?

Oh no, my boyfriend is calling, stay quiet.

Hey babe, sorry, we had plans,
but I might not make it tonight.

What, you are almost here...
then come up when you arrive.

No, Tao Ting, are you crazy? If your boyfriend comes up and sees us like this he will be scared to death.

Do you think I do not know he will freak out when he sees us like this? We were supposed to watch a movie tonight, he is nearly here, can I just send him away, answer me.

Then... what do we do,
should we use that.

What else can we do,
we have to use it.

How is it, tight.

Stop pulling, it is already
all the way down.

How about the front, adjust it yourself, I cannot see.

Have you put it on, come here and let me look.

How is it, does anything look strange.

That doctor may be a madman,
but he is a genius, this thing makes
you look exactly like me.

Wow... Tao Ting, you...

Shut up, I do not know
why it is like this.

Oh no, it must be Ajie.

Ajie, wait a second, I am coming to open the door.

I will hide in the bathroom, grab any clothes, get him out quickly, do not blow our cover.

HEHE..

I did not expect it to be so easy,
from now on I am completely Tao Ting.

A scene from a video showing a person in a white coat opening a dark door. Another person is visible in the background, looking towards the door. A speech bubble is overlaid on the image.

Tingting, are you alright, why did you take so long to open the door.

You look so...

It is nothing, I just spent time finding clothes.

Why are you suddenly
unwell, is it your period. ?

Then should we go to the hospital?

Relax, it is not.

No need, it is just a little dizziness,
but we are not going out tonight.

Maybe a slight cold, sit a while and then head back, I do not want to pass it to you.

Come, let me see if
you have a fever.

No fever, why is your
face still red.

I told you, just a little dizzy.

That will not do, I have to
check my dear properly.

(Oh no, this lecher, he is going to...)

Ajie, stop it, I really feel sick...

You should relax if you feel bad, you have not contacted me for two days, I thought you were angry.

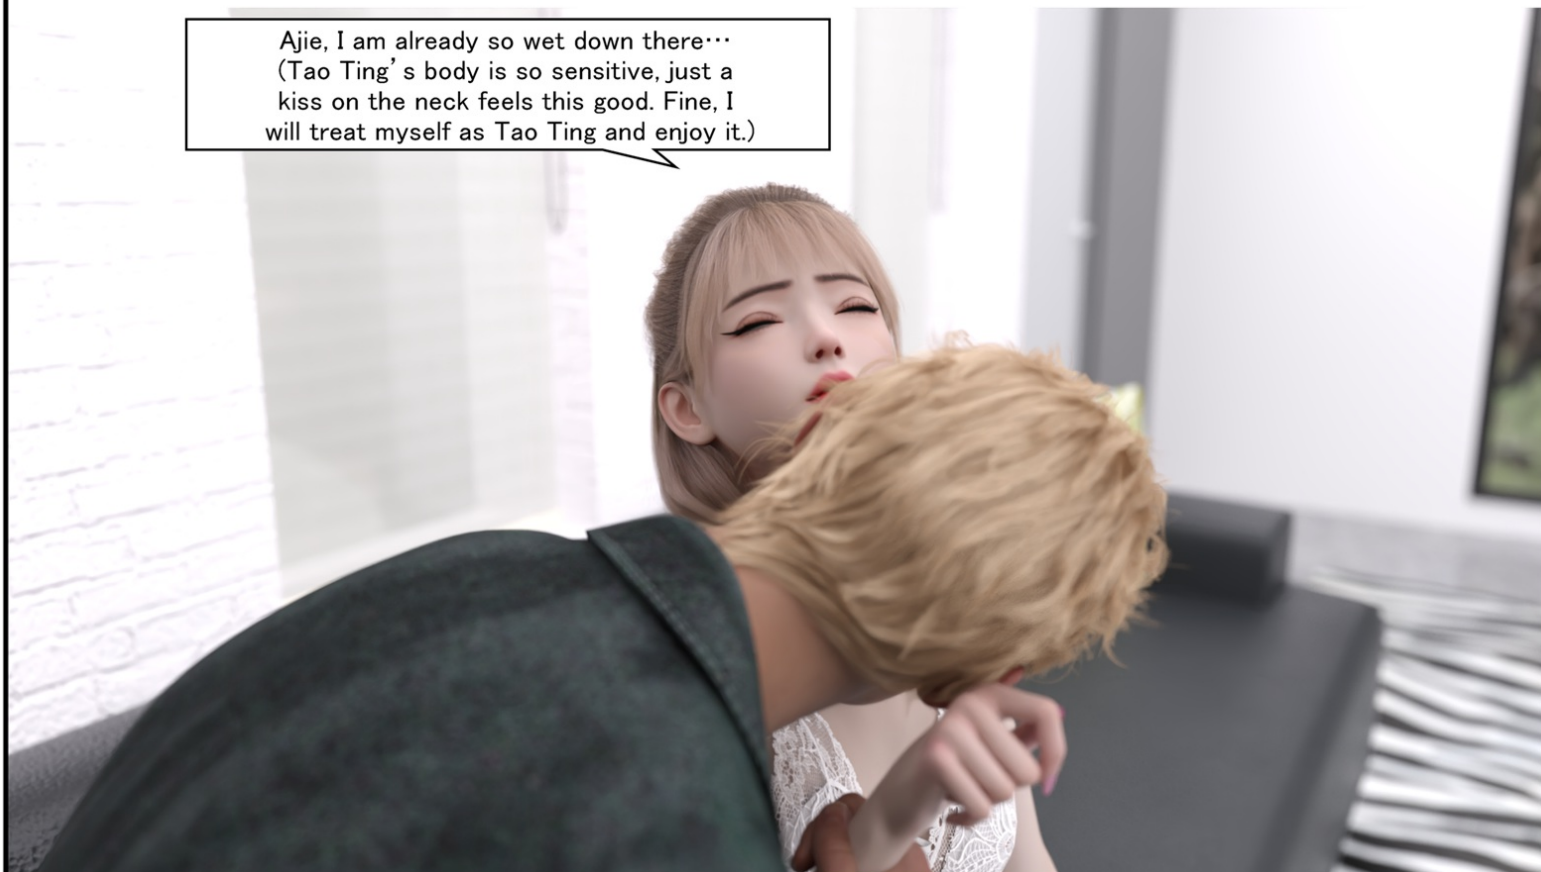

No... I am not... (He is so close, my body feels strange...)

Come on babe, let your
man pamper you.

Yha~ (Damn, he kissed me right away.)

Ajie, I am already so wet down there...
(Tao Ting's body is so sensitive, just a
kiss on the neck feels this good. Fine, I
will treat myself as Tao Ting and enjoy it.)

Oh, my little cutie is not wearing any panties.

Well, I knew you were coming.
(Damn, I am so slutty.)

What is this, you are soaked already.

Mm~ I want it~ (So good, being a woman feels amazing.)

Ya~ Ajie, hurry and put your cock in.

Tingting, why are you so wild today,
do you want me to fuck you to death.

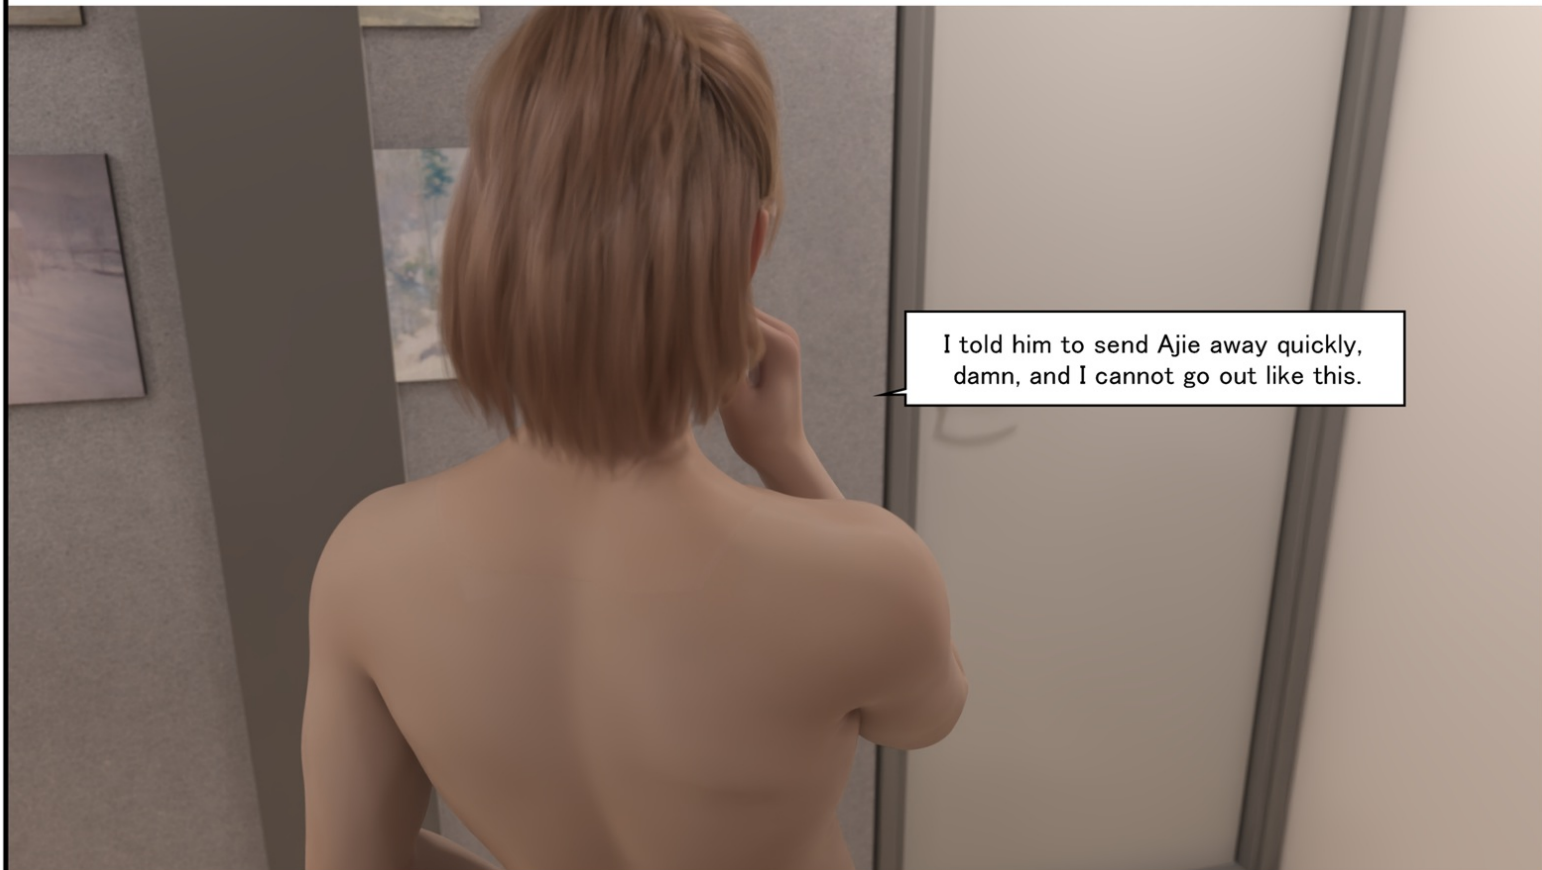

Yes... I want it, fuck me, I need you.
(Shit, I am so depraved, about to be taken as Tao Ting and fucked by her boyfriend, this is so damn thrilling.)

Ah... Ajie, good husband,
so deep... harder...

I told him to send Ajie away quickly, damn, and I cannot go out like this.

My body is being taken, yet I am hiding here like a peeping-tom listening to this.

Fuck me... Ajie, I am your Tingting,
pound me hard.

Damn, Lin Hao you bastard, I knew it,
he is enjoying this, stealing my body
and acting so slutty.

And what is wrong with this perverted body,
why is it getting hard even in this situation.

Mm~

So deep~ in this pose~

That's right baby, just sit up
and move by yourself like that.

Ah, that's definitely Qiqi's call,
don't mind her.

She must need something,
here, answer it.

Emm... (If I pick up it's basically being fucked
by Tao Ting's boyfriend in front of Qiqi.)

Hello... Qiqi.

(On the phone) Hey Tingting, I'll be back from my hometown tomorrow.

(On the phone) But after I return I
might stay at my boyfriend's place
for two days.

Oh, alright. (Qiqi, do you know your boyfriend
has already become someone else's girlfriend
now.)

(On the phone) Then let's meet
at school next week.

Okay, dear~ (Being fucked by another
man while talking to my girlfriend... what
kind of shameful play is this?)

(But right now Ajie is banging me as Tao Ting and Qiqi also thinks I'm Tao Ting, just thinking about it makes my pussy wetter, I want Ajie to go harder.)

Ah~

(On the phone) Tingting, what's wrong?

No, nothing, Ajie is just playing with me.

(On the phone) You two really know how to have fun. Alright, won't bother you, see you next week.

Mm~ mm, see... see you next week, Qiqi~

You jerk, what were you doing during that call.

Feels great being fucked while your best friend listens, huh.

N... no, it's embarrassing.

No?

Come here you.

Ya ah~

You were clearly wetter
inside just now.

Aren't you going to thrust harder
and make your Tingting climax~.

Damn, Tingting, you're so
slutty today, I love it.

Ah... Ajie, good husband, fuck
your little slut Tao Ting to death~

Tao Ting... your boyfriend is gone.

Tao Ting...?

Wow, why did you suddenly come in!

Well... Ajie has left.

(He... changed into this lingerie, so... so cute.)

I know, I know, get out quickly.

Uh... do you want me to help you?

No... (Damn, it's so swollen down there.)

Wait... don't go yet...

How can I get this thing to soften?

Very simple, I'll relieve it for you.

Relieve it?

Right, haven't you ever stroked
your boyfriend off?

Wow, from this angle my cock
really looks... impressive.

How did it get this hard?

Feels good? Mm...

How about this, I quite like teasing the glans~

Ah~ gentler! (What is this feeling, oh god, this guy... is so skilled)

The glans is already leaking
precum, seems you're enjoying it.

So, do you like the feeling of a cock now?
Experiencing my body swap isn't so bad,
right~.

I... I... (Why, it's clearly my own face yet
I find it somewhat cute, and the breasts
are so tempting)

Um... can you take off the top?
I want to see... your chest.

Of course, why so polite. (As expected, the little head is doing the thinking haha)

After all, loving breasts
is a man's nature.

So, big brother, are
my breasts nice?

If that's not enough I can
show you my pussy too.

(Oh god, how can he be this slutty,
my hand is uncontrollably reaching
for my cock again.)

Lin Tao, you were so dirty just now!
I never talk like that when I have sex
with Ajie!

Really? But men love it that way.

Just like you now~ Do you
enjoy this feeling?

Mm, I like it, it's so good.

I really want to shove it into
your slutty pussy and fuck you hard~

I'm about to lose it, Lintao, you're driving me wild, your cock feels so good. (This... this sensation, I can't take it, my mind's gone completely blank!)

Wow~

You cum so fast, weren't you gonna fuck me?

I'm sorry I got it all over your face.

Don't worry it's your first time too losing control is perfectly normal. (Men's sexual desire is terrifying I actually said such filthy things just now...)

(Men's sexual desire is terrifying I actually said such filthy things just now...)

By the way Qiqi just called and said she will be back tomorrow. Once she returns she will stay with me for two days so I have to ask you to stand in for me during those two days.

Yeah that is the only option.

Is it on properly?

Yeah flawless.

Will I really not blow our cover if I stay with Qiqi like this?

Yeah that is true...

No you know her better than
I do nothing will slip.

A few days later in a
university classroom

Why is Tingting still not here?
She normally gets here earlier
than anyone.

Long time no see darling~

Wow Tingting you scared me.

Hey why are you so cute today
you even changed your hairstyle.

It looks great you are
absolutely adorable.

Hehe does it look good?

I have not seen our Qiqi for a long time so of course I have to dress nicely.

Hmph you dressed this cutely for your Ajie didn't you?

Well Ajie is my boyfriend a woman dresses up for the one she likes. (Great Qiqi has completely mistaken me for Tao Ting. Calling another man boyfriend in front of my own girlfriend I am so shameless.)

And you it has been over half a month since you saw Lintao these two days must have worn you out.

(It is really hard on Tao Ting having to stay with Qiqi while pretending to be her boyfriend.)

I'm fine but he has felt kind of strange these past couple of days a feeling I can't describe.

Forget about him let me tell you I went back home this time for my internship. The boss of that company really liked me and asked me to start working right after graduation.

Really isn't that great?
What company is it?

It's an influencer management company but I don't think he only values my ability. I keep feeling there is something between the lines as if his intentions are not pure.

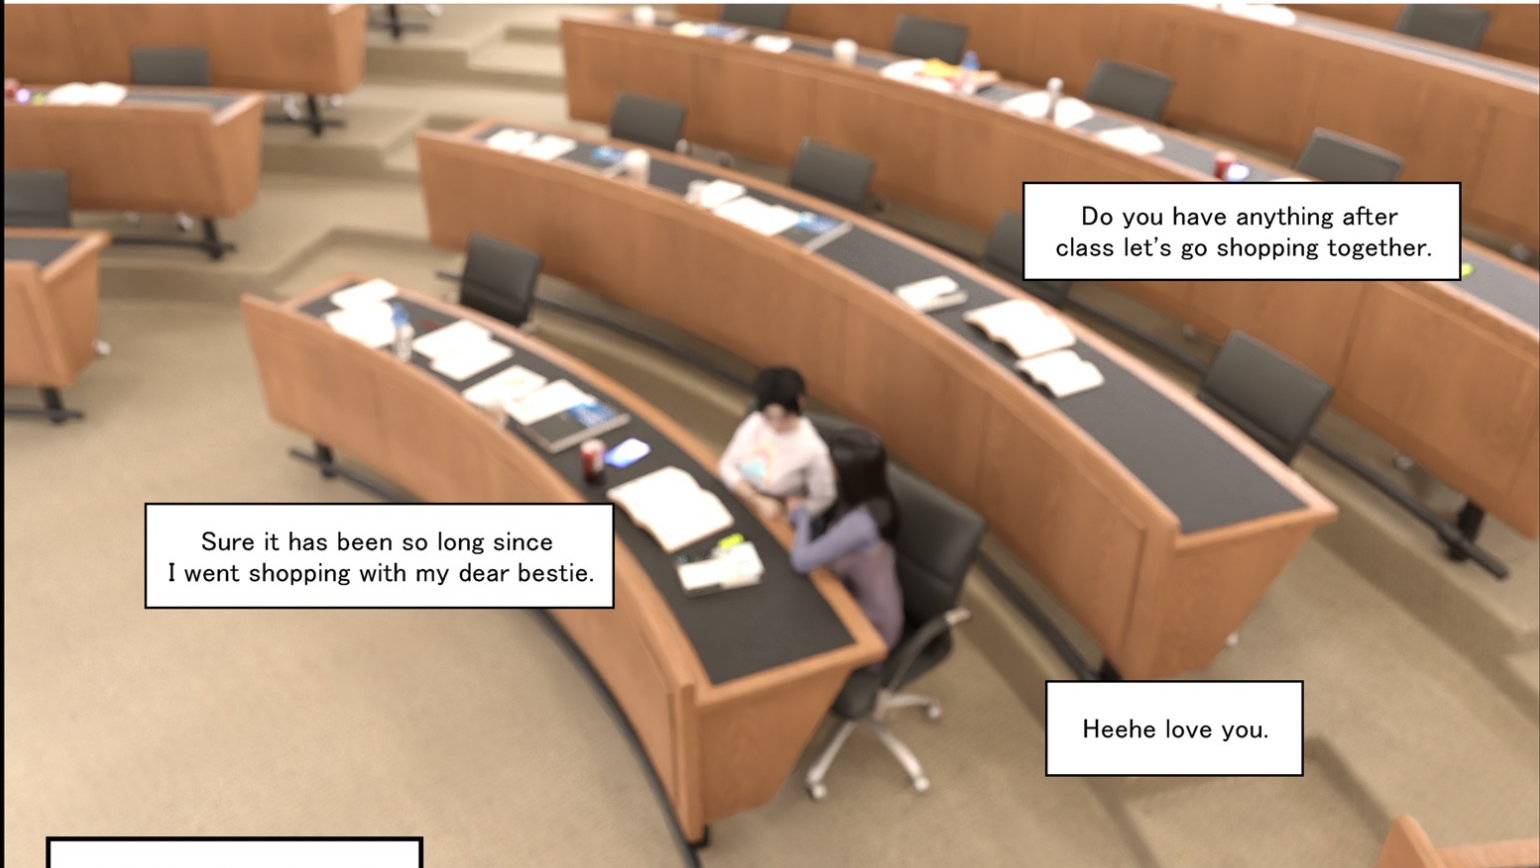

After hearing Qiqi say that I was certain the so called boss definitely had ulterior motives. Yet at that very moment I actually wanted Qiqi to go. A scene of my girlfriend cheating on me for money instantly flashed across my mind. Just imagining it made my pussy turn wet.

Ah ah nothing.

Qiqi what are you thinking about.

Do you have anything after class let's go shopping together.

Sure it has been so long since I went shopping with my dear bestie.

Heehe love you.

.To Be Continued.
