## THE BONDAGE SHOW

---

---

Art and Story  
by Tawny Tomsen  
March 2017

**T&T Products**

Ladies and Gentlemen, welcome to our main attraction. Here are our actresses Conny and Sara.

Please give them a warm welcome. Applause .....

Wow ... these girls are really gorgeous ...

Conny and Sara, the stage is yours ....

Conny and Sara start with their show. Watch and enjoy. There is not mutch to comment on.

# DRAKE'S Pub

Suzie helps the actresses and brings the necessary utensils.

A last kiss before chaining ...

The first wrist cuff is chained ...

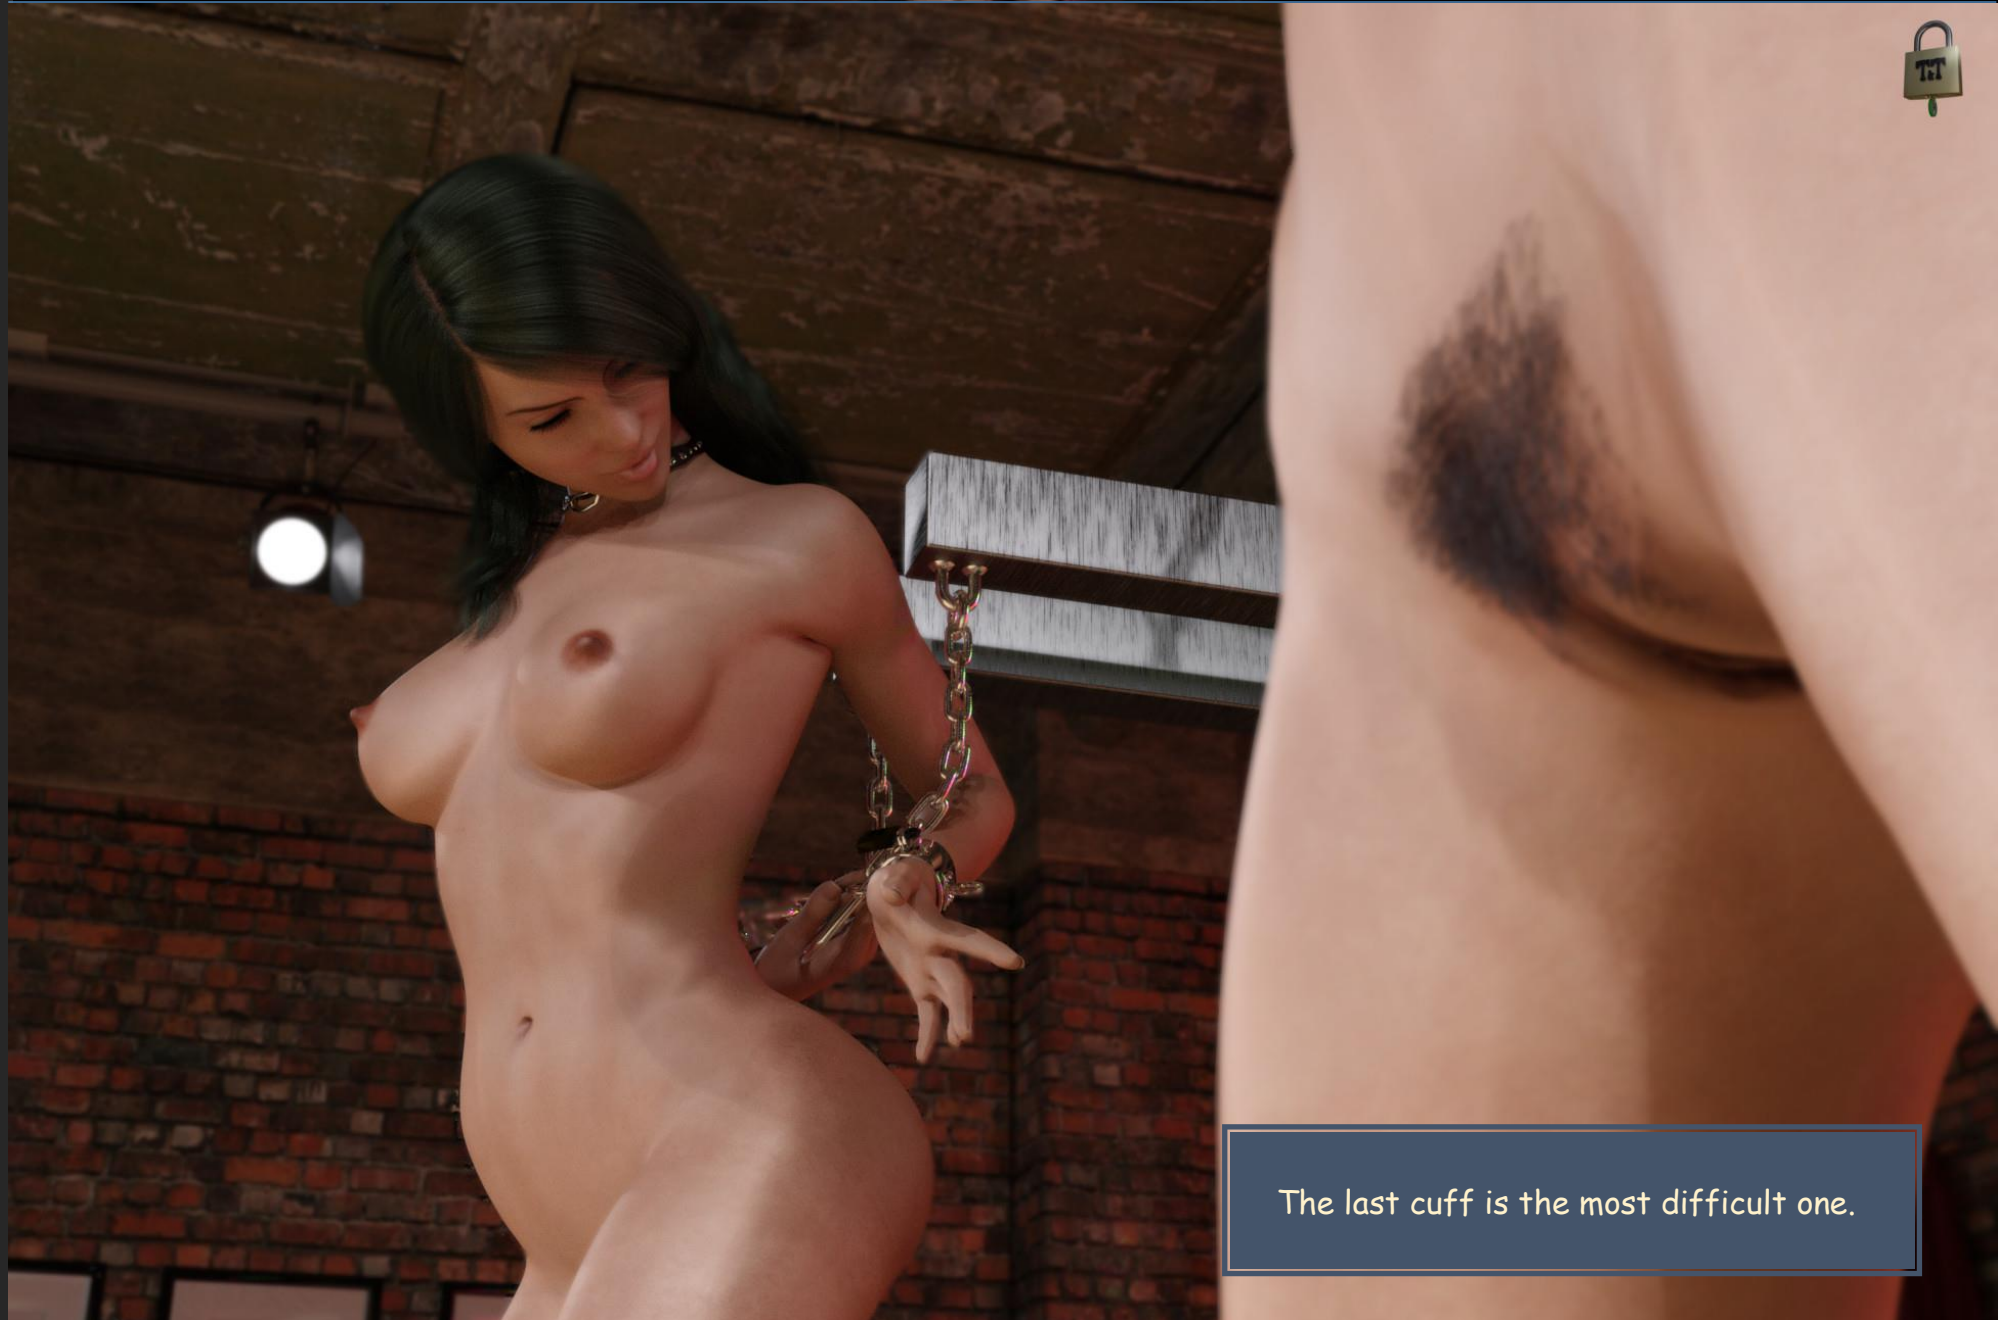

All wrist- and ankle-cuffs are chained ...

Sara raises the bar a bit ...

Sara chains herself ...

The last cuff is the most difficult one.

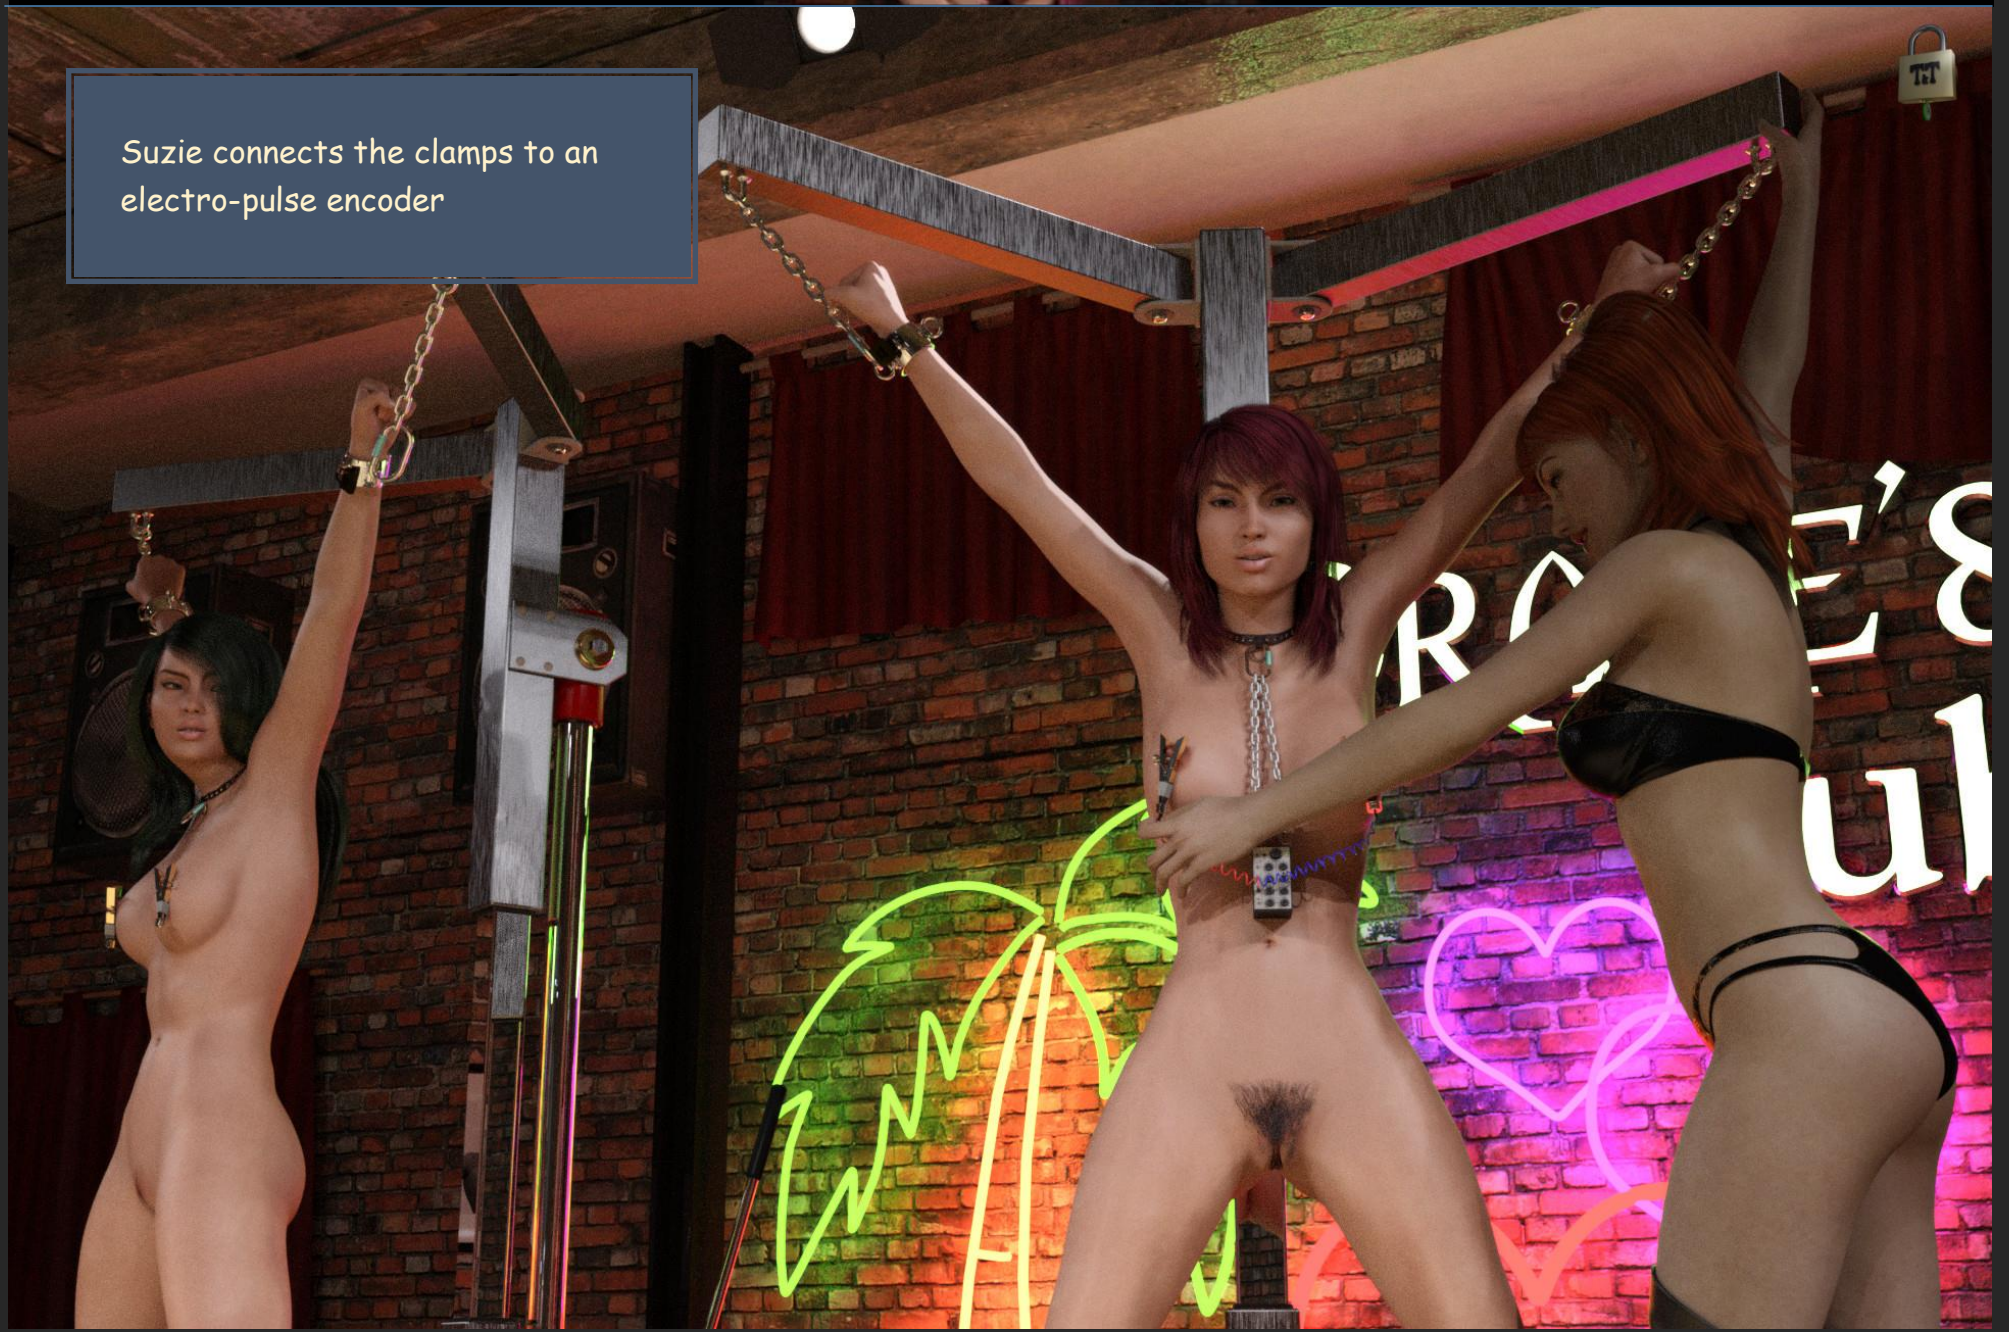

Conny and Sara are stretched and ready for treatment.

Suzie hardens Conny's and Sara's nipples to attach clamps on them.

Suzie connects the clamps to an electro-pulse encoder

On each of the helpless girls the dildos are prepared and inserted. Afterwards Suzie turned the intruders on.

Ladies and Gentleman, soon we will start our quiz for Sara and Conny. But before we do this, let's get them a bit horny by the pumps. The winner will receive one week free accommodation, free board and amusement. Wrong answers will be fined by a small electric shock on their nipples.

You have 10 Seconds for the answer. And here is my first question:  
What is both a French wine region and a luxury American automobile?

- a) Cadillac or
- b) Champagne

The stopp-watch counts down:  
"...five, four, three, two, one"

AAAAHHHHHHHHHHHHHHHHHH

Correct Conny ... and no answer from Sara ... Suzie, please give Sara a little shock ...

And after a short rest period for Sara we will continue with the next question:  
Who was the original author of Dracula?  
a) Jules Verne  
b) Bram Stoker  
You had again 10 Seconds and answer now

AAAAAAAAAAAAAAAAHHHHHHHHHHHHHH

UUUUUUUUUUUUUUUUUUUUUUHHHHMMM

Sorry Ladies, A is not correct and U is not an option.  
Suzie ... It seems both want an electric shock

And now Ladies and Gentlman, the quiz is over after 15 questions. Sara did 14 wrong answers and Conny's wrong answers are 12. So the winner iiiisssss: Connnnyyyyyy .... Applause for Conny

Conny and Sara didn't really notice this statement. They are floating in a wave between pleasure and pain.

Suzie please remove their clamps and turn them together as eye-catcher for our guests

And now we reached the end of our performance. Both girls will stay there the whole evening for your entertainment. So enjoy our drinks, our food, the good music and the moaning of the girls. Thank you for watching.

The Guests enjoy the rest of this evening while watching the two girls. Paul has taken a seat with a mysterious, maybe not quite unknown lady and negotiates something with her.

Everything OK Sara?

Hours later, when all the guests left the restaurant, Suzie freed Sara. Sara was total powerless and was unable to stand on her feet.

Give me a few secs and than I am fine, but what is with Conny?

Do not worry about Conny, she must wait a little longer because she won a prize today. Which means, you do not have to wait for her, it will take a little while.

Is this all right for you Conny?

Yes Sara, best you walk at home and I will come later.

Sara has worn her clothes and waves good-bye with a worried look in her eyes.

Worried about Conny, Sara goes home through this seedy neighborhood.

And here is your price, Conny. Free Vacation, Entertainment, Food, Cinema .... and all this pleasure, you will find in this box. Enjoy your stay.

Conny opens her eyes widely. She could not believe what is going on.

Heeeeyyyy ...  
you are crazy ...  
you cannot do this.....

Sleep well, dear Conny ...

Club

Paul and Suzie moved Conny into the transport container during her unconsciousness and fixed her in it. Suzie checks again if everything is properly closed and connected.

Conny wakes up and after she noticed her situation, she panics. She is completely immobile in this transport container and a lot of devices are connected to her body.

Nobody knows where the trip will go, or how long she had to stay in this vessel.

Would we ever see Conny again?

So stay tuned on this channel

Yours  
Tawny

END
