

Home at last, after a long day

Yes, I know, we agreed that I would wait for you, but I saw this great opportunity. You know, when I have a hunch, I don't stop until I get what I want.

I have! And can you believe that my contact at the warehouse just wanted a date in return? . . .

Well you know me, I left a false door of "the possibility" open for him, depending on when he would give me the rest of the pieces of the suits. . .

...What?...

Now I just have to wait for him to call, and then pick up those damn masks, apparently the latex costumes are incomplete without them.

...don't worry, this time we're going to stay out of their facilities. He said something about an old subway station, an old warehouse, or something like that. . .

I'm sick of this hole-in-the-wall apartment, we've had to live in since our show was canceled because of those lazy cronies in the government.

I have a strong feeling, if all goes well, we'll get this year's "News-Award" and get our show back on the channel, and you know what? This time we can demand prime time broadcasting.

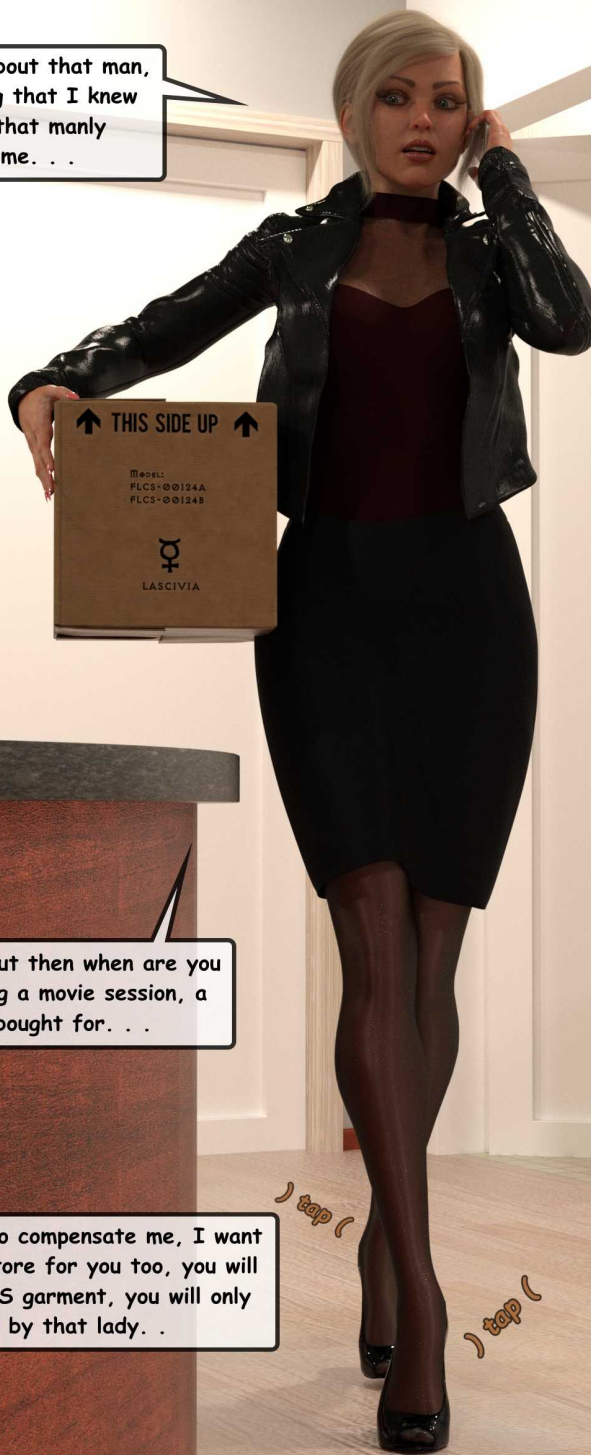

I am convinced that, thanks to these wicked suits, our luck will finally change.

But there was something strange about that man, I don't know, but I had the feeling that I knew him from somewhere. Most of all, that manly voice of his. . . was so familiar to me. . .

That? No, no, don't worry, I didn't agree to his advances, I just played along, you know I only love you.

And no, I'm not going to do anything stupid, who do you take me for?... Yes this time I will wait for you...
...Well...
changing the subject, when does your train arrive. . .?

Ah. . . your contact couldn't. . . but then when are you going to come back? I was expecting a movie session, a blanket, and that latex bodysuit I bought for. . .

OK, yes. . . But I want you to compensate me, I want to buy something from that store for you too, you will see that once you try a 7SINS garment, you will only want to wear clothes designed by that lady. .

STOP! Don't call me Whore! You know I don't like it, it's demeaning, I'm just a girl who has discovered a new form of sexuality.

Well love, she left you.

After a whole day in that building waiting to be served by her PR guy and then discovering that worker. . .

I need a relaxing bath. And who knows, maybe I'll buy something online. . .

Yessss! How you know me darling. . . see you then tomorrow afternoon. . .

And I will miss you tonight too, Sofi, bye bye.

Time to relax this goddess's body. . .
uffff now I really feel exhausted. . .
being perfect all day is exhausting. . .
so that later that feminazi might
receive me.

..lala la lala..

Who the hell does that bitch
believe that she is, to tell me
how I should dress... Arrrrr...

Luckily I ran into that man. . . I
already thought the whole morning
wasted. . . I hope he has the rest
of the things tomorrow morning as
he promised.

Aaaah, much better. . . those relaxing salts have left me as good as new, now to get comfortable. . .

Now that I think about it, I didn't look inside the box, the guy could have given me a box full of anything. Sofia is right, I should be a little more suspicious.

They must be very high quality fullsuits, that people are willing to pay so much for them. Also, I'm curious to see what those suits look like, the ones people are fighting each other to get their hands on them.

Let's see... yes, they are latex suits. . . one violet and. . .

. . .that black-green fabric is spectacular!!

WOW

Hmmm, Helena you are a charming, seductive woman. Why would I expect that muscled, sweaty guy to trick me by giving me a box of socks. . .?

Oh! They look small. . . like made for a high school girl. I'm going to take that one and have a better look at it.

WOW so soft. . . and silky. . .
You can barely tell it's latex.
This material is better than
7SINS. . .

Uh. . .what is
this inside. . .?

Slime?. . . Yes, I remember
they were already selling
ready-to-wear suits. . .

Hhmmm, it's slimy. . . but clean and fresh. . .
and quite oily to the touch. Luckily it doesn't
drip and. . . (sniffs) it smells like. . .
(sniffs stronger) smells like mango!

Oh, there are also several
boots in the box. And a
bottle of Lascivia Oil.

LASCIVIA

I have to try it! I know I promised Sofi that I wouldn't do that, but to miss this opportunity to try out this oil would be foolish. . .

I've read wonders about this oil, too bad it's so expensive. . . I'll leave the suit here on the counter.

What a nice sensation. . . it spreads so easily without dripping. . . an added bonus, with how expensive a bottle is, you don't want to waste a drop.

XXXXXXXXXX

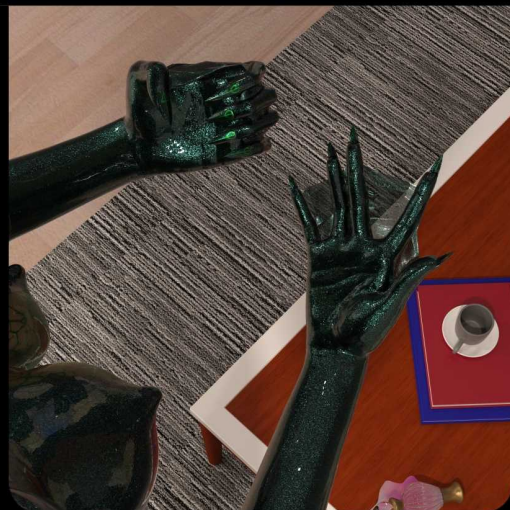

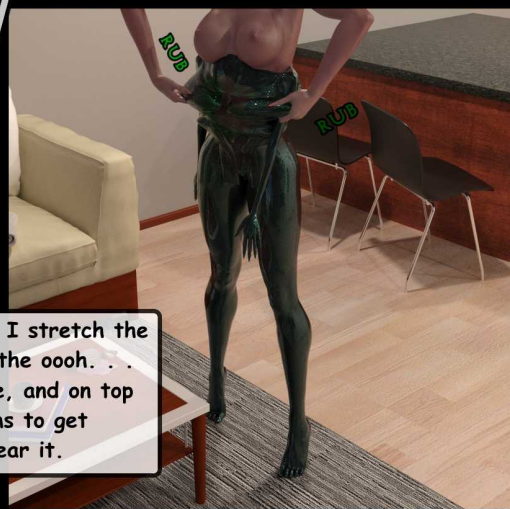

I can't believe I'm doing this. . . uff, so tight.

Oh... I think its aphrodisiac effect is starting to take effect. . .

Oh gods! . . The more I stretch the material. . . the more the oooh. . . hmmm pushes into me, and on top of that, this suit seems to get tighter the longer I wear it.

. . .and yes. . . since I am already completely covered in this oil. . .

WOW, I don't even want to imagine, how difficult it will be to take off the suit. But definitely this suit is worth its price.

Damn zipper. . . let me zip it up... about goddamn time.

Yes, oh gods YES!! I made it! I've dressed in this suit of...

Moan. . . with each zip I can feel the dildo hidden inside the fake vagina sinking. . . gods, it feels like it's going to fill me up. . .

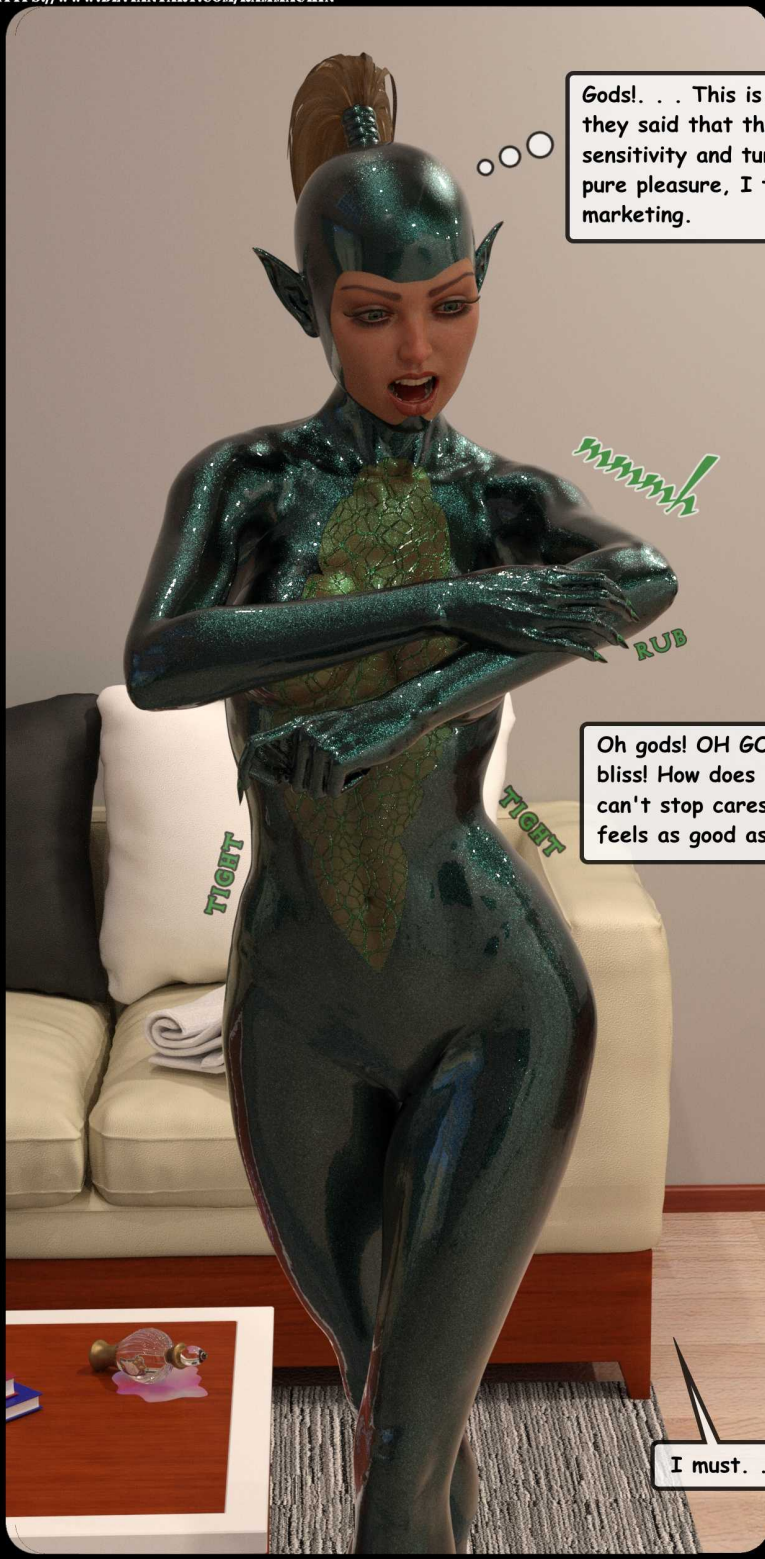

ZZZIIPP!

EH, What does it do to me. . .?!

OH GODS, IT CAN NOT BE!

Yes!!!! Finally and WOW, it really tightens, but this tension is super nice and...

Gods! . . . This is incredible. When they said that these suits increased sensitivity and turned all contact into pure pleasure, I thought it was just marketing.

mmmm!

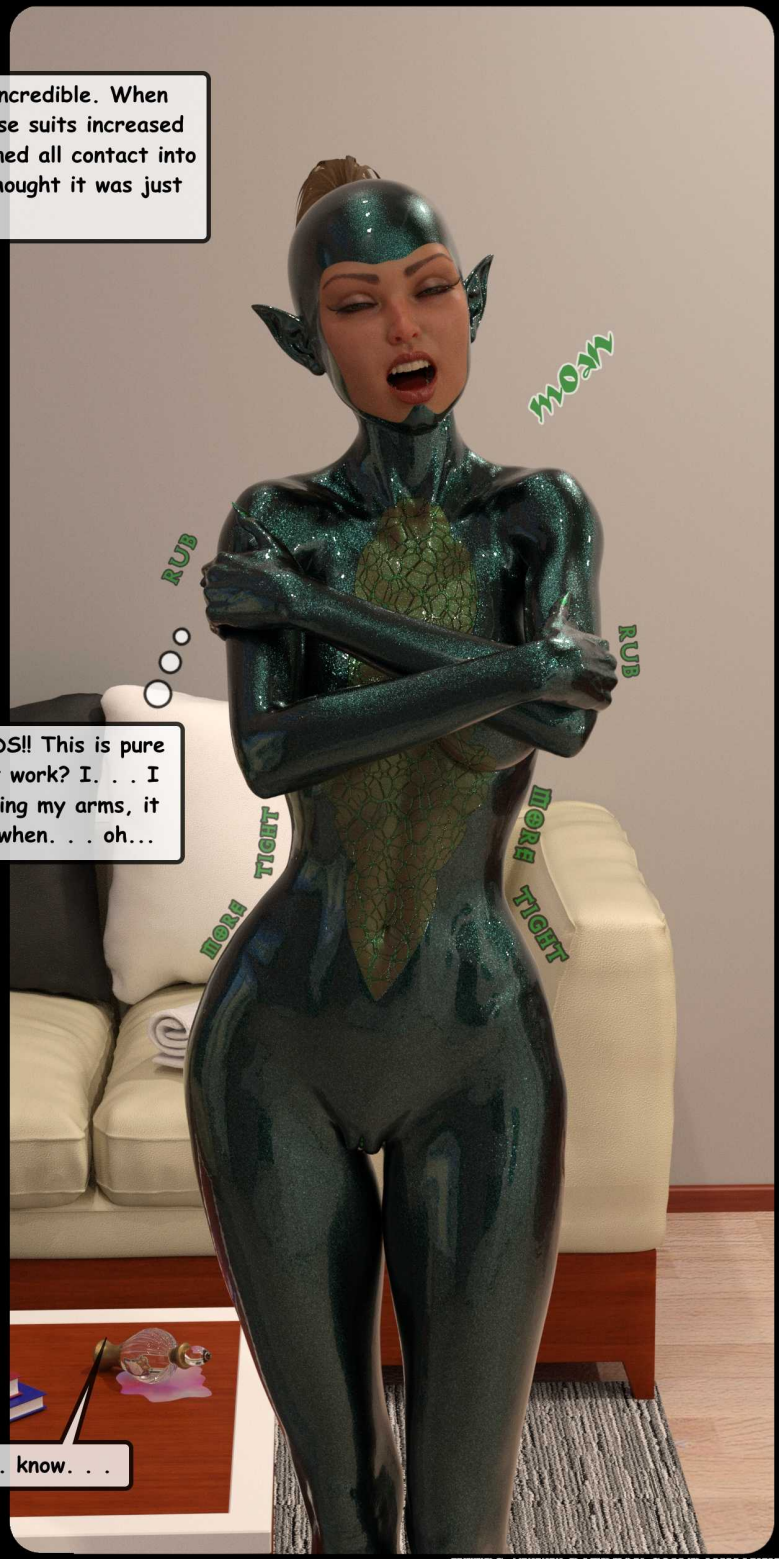

RUB

TIGHT

TIGHT

Oh gods! OH GODS!! This is pure bliss! How does it work? I . . . I can't stop caressing my arms, it feels as good as when. . . oh...

I must . . . know . . .

MORE TIGHT

MORE TIGHT

Oh fuck. . . fuck. . . OH FUCK!!

I've never felt anything so good when I touched myself!

And the more I fucking touch, the better it feels and the suit. . . aaaah. . . wait. . . what?

CHANGE

CHANGE

Hmmm, the suit leaves me. . .

OH GOD! It's getting inside ME!

OH YES! MORE. . . I'll push it in deeper. . . FUCK, I feel like I'm being filled with hundreds of perverse and clingy tendrils... Filling me up and sticking to my. . . Oh gods! OH GODS!! . . . I can feel them in my womb. . . I LOVE IT !"

GODS... YESSS!

It feels like the suit is getting tighter and tighter.

wow

Like I'm being vacuum-packaged, fully wrapped and it feels like...

wow

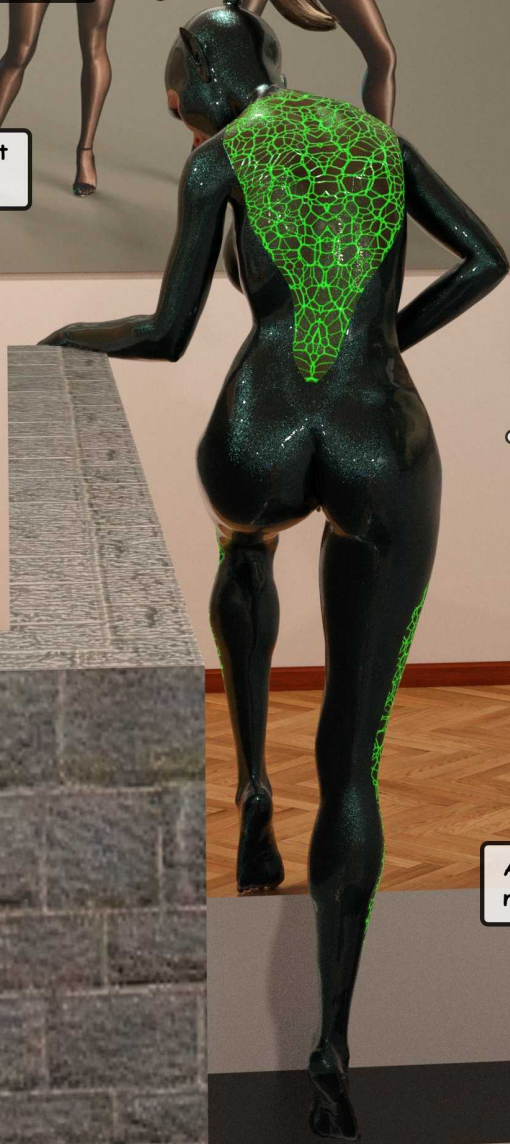

No wonder rich people pay fortunes for these suits.

UH! The suit. . . is starting to vibrate. . . I think. . . I'd better get to my bed before I can't stand up straight. . .

I don't know if it's the oil or if it's me, but I feel wetter than ever before in my life.

Wait a minute, what about this green glow?

Oh God, I don't know what this suit is doing to me, but I'm definitely its now...

Oh God, I don't know what this suit is doing to me, but I'm definitely its now...

And I'm going to be a very naughty green creature. . .

this is impossible. . .

I like it. . .
NO!!, I LOVE IT!

I've barely put a finger between my lips and I'm about to explode. . .

And to think I wasn't going to wear it. . . Thank goodness I've been overcome by temptation.

OH! Fuck yes. . . I love it. . . and I don't even have the missing parts. . .

I need to find it. . .
Where is it?

Damn it, where did
Sofia hide it. . .

How does the suit make me
go and look for a fucking dildo?

Fuck, and why does
that control make
me even hornier?

It's like, fuck, this
heat, I didn't even
feel like this in high
school.

I could only think of
masturbating... Hard...

Damn it, because they didn't
create these suits before now!

Just this is. . .

FUCK! How can that be? My rubber pussy is so wet!

Slowly, more, and I've just stuck in a little finger. . . I. . .

OH FUCK!!
OH FUCK!!

This is too good, yes,
YES! I love this suit.

I've never been so horny
in my life, I love it. I LOVE IT!

MOAN

hmmmm

oooh!

RUB

RUB

My pussy never felt so
good, I can't stop. . .

I could be like
this forever!

Oh Hell. . . what's. . .
happening to my pussy. . .

. . .ACCEPT YOUR
NEW SELF. . .

What? I feel like there's
a voice in my head. Is it
because of the suit?

. . .YOU WANT THE DESIRE
THAT THE SUIT
HAS AWAKENED IN YOU
TO DOMINATE YOU. . .

What has this suit done to me. . .
I feel like I'm melting and merging,
becoming one with the suit. . .

Yes. . . with this suit I can
stop being me and be. . .

. . .YOU'RE NOT
HELENA ANYMORE. . .

I like it. . . I like it a lot. . .
it's like I'm being devoured
by the pleasure of this suit. . .

. . .LET IT HAPPEN, LET THE
SUIT CONSUME YOU. . .

Like I want to become someone
else... horny, hot, who just wants
to be a whore... and it's so good.

YES, I'm a perverted creature, I like to be this horny creature, I like. . .

. . . YOU'RE ALREADY A CREATURE. . .

Yes! Make me a creature dominated by her pussy, I like it!

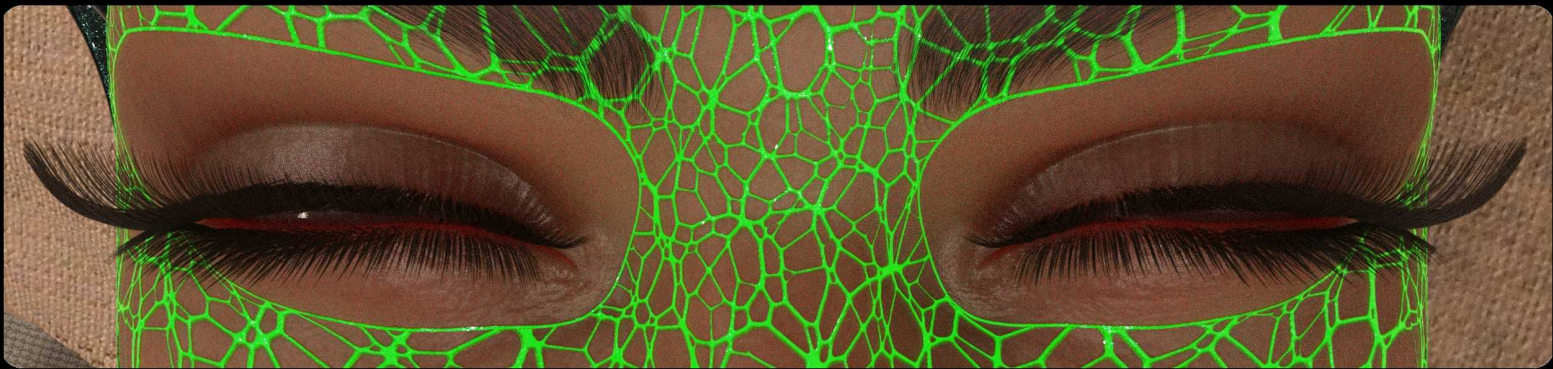

It feels so good to be this perverted horny creature.

. . . NOW YOU'RE GOING TO BE INSATIABLE AND VERY SLUTTY. . .

Yes, yes, yes, I feel I'm about to explode, I want to cum. I NEED TO CUM!

I'll be whatever it takes to keep feeling like this all the time and more, I want more. . .

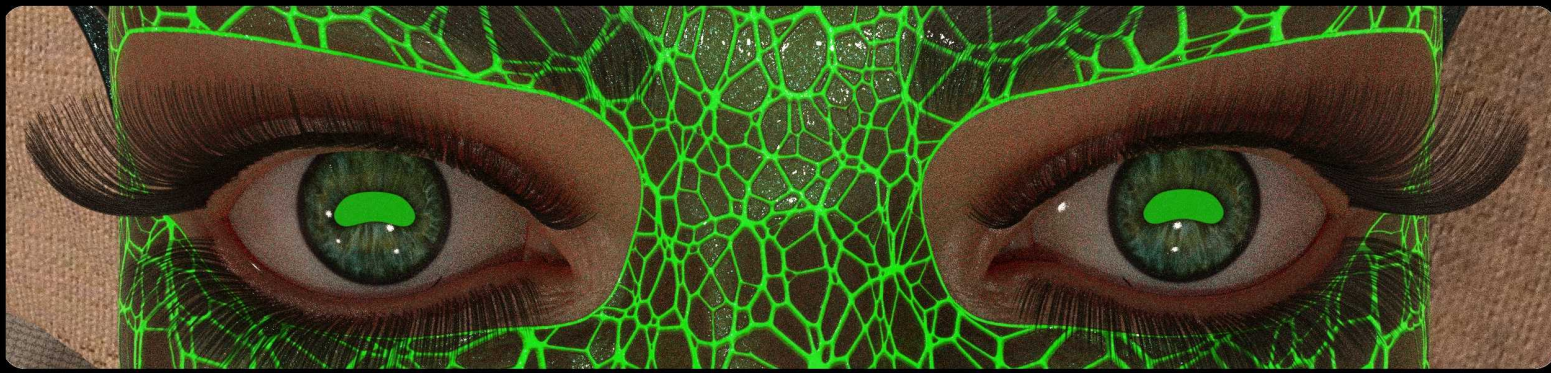

. . . YOU'RE NOT GOING TO FIGHT YOUR NEW NATURE. . .

. . . AND YOUR NATURE FORCES YOU TO. . .

It feels like the suit is trying to dominate me... it's stealing my being... something in my mind is seeking to control me and I want it to...

Oh fuck, NO! I'm trapped by the suit! It wants to drive me mad with frustration, refusing to let me reach climax using just my fingers. . .

A DICK, YOU NEED A DICK. THAT'S WHAT YOUR PUSSY CRAVES. ONLY THIS WILL LET YOU CUM AND DRIVE YOU CRAZY AND CORRUPT YOU WITH PLEASURE. A BIG, FAT... COCK!

Yes! That's right, I need I mean... this creature... need a COCK!!

At last! I found it!

I won't reach climax with anything else.

Oh gods, just seeing it makes me even hornier and only perverse ideas fill my head.

My super special Xenomorph-Dildo, I need it, otherwise I won't be able to cum.

Too bad there isn't a fucking alien, like in the comics, to take me to his UFO. To invade me with his huge and deformed cock.

WHAT THE HELL WAS THAT? That fantasy? Where did that come from? . . .but. . .I have to admit. . . I like...no, NOW I desire it. . . to be fucked by another creature like me!

What?! I don't remember feeling the dildo so deep, so big!

Has this suit...
...tightened...
...my pussy??

Hell. . . But what am I thinking? I'm not that kind of. . . Whore!... am I?

But now if. . . now I'm not Helena. . . and what the hell. . .

Yeah, yeah, fuck, oh, no. . . don't think about it. . . don't think. . . about. . . a. . . big. . . Strong. . . Pervert. . . Xeno UFO...

OH! a Xenomorph Creature. . . filling me with his. . . oh FUCK!! . . .

FUCK, I'm really disgusted by that fantasy, but I... I enjoy it... badly! I want more!!

AAAaaaH!

no!!!

Hmmmm...yeeeee!!!

)SLIME!

CHANGE

CHANGE

These suits are designed to bring out the whore we're secretly inside when wearing them.

And for the first time in my life, just being a whore isn't enough for me. NOW! I will be more than just a whore. . .

. . .right now I'd like to be the girl-creature from the movie SPECIES. . .

Find an alpha-male, mate and lay countless eggs, having intense orgasms with every egg I produce...

Was it the suit that put that thought into my perverted mind?

After it already entered my womb.

Is that what it wants me to "bring to it"?

A hot creature with an irresistible body?

I want to be like
this all night. . .

I have to control myself. . .
slowly. . . so. . . oh, yes. . .

The slower I move the dildo. . .
the more. . . oh fuck. . . the
tighter the suit seems to get. . .

What is happening now?. . . the whole
suit is vibrating. . . and I feel a strong
tingling in my hands. . .

And my. . . oh hell. . . my pussy. . .
it's like the dildo is getting bigger,
fatter. . .

FUCK! My pussy seems so tight, that the dildo
is trapped inside of me. . . OH HELL!! . . .

HMMMMMM!

TINGLING

Ooooh...

MOAN!

I feel like I'm going to be split in two. . . how is that possible?

What's the suit doing? I feel a strong tingling now in my hands.

AAAAAaah!

WTF!!

CHANGE

What's happening to my hands? My fingers... Shit! Can I make this suit stop?

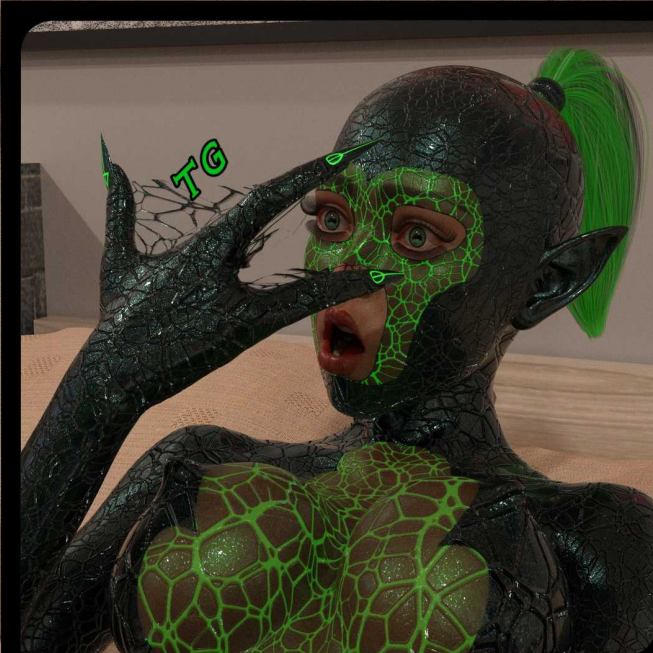

I must... Shit! . . . The pleasure won't let me. . . I must take out the damn dildo. . .

bmm

OH!

Shit, my feet. . . is this why I feel that sensual tingling?

OH NO!!!

TG

My hands, my beautiful hands. . .
It's because of this damn suit. . .

What?! What's this sticky green
substance? It seems to be glowing.

No, it can't be from my pussy. . .
it's impossible! And it smells so
delicious. . . no, No! NO!!

⋮

OH GOD! It is true, these costumes
not only fill their wearers with lust,
but also transform them.

Oh shit, they didn't say anything about this shit in the ads. I hope that opening the suit reverses this shit. . .

Sofia's gonna kill me if she finds out I've worn this suit. . . uh!

But what. . . I can't find the zipper. . . or the seam. . .

It can't be. . . no, it can't be. . . it can't be gone!

OH GOD, the whole suit is vibrating again. . .

OH FUCK!

OH FUCK!!!

FUCK!!

Please let it be the guy,
who gave me the box!

I need to get out of this
suit before it completely
transforms and controls me!!

Thank the gods, for calling just now. I need your help... One of the suits. . . I don't know how. . . but I'm stuck inside it and I can't take it off. . . And it's doing something to me... I can't control it. . . it's transforming me into something. . .

I NEED TO REVERSE WHAT IT'S DOING TO ME AND REMOVE IT FROM MY BODY!!

What? You put on one of the suits?? Are you mad?? But I explicitly warned you that those suits were unstable prototypes. Well calm down, I know how to get you out of the suit, but for that you must wear all the other pieces of the suit. Including the last piece I've finally managed to extract, the mask. Just now I was going to send you the location for the handover. It's inside the abandoned subway stop, in the Star District neighborhood.

TO BE CONTINUED. . .

Honey. . . as what is that girl dressed?

That. . . I'm sure she's one of those Freak Whores, one of those who wear these outfits I told you about.

Those magic suits that trap and transform the women who wear them? How disgusting is that? A whore. . . using the same bus as we are.

Those two. . . they're talking about me. . . they know I can hear them. . .

Fuck, they think I'm a prostitute. . . what a shame. . .

How have I fallen so low? How could I have let it come to this?

Because a part of me wants to be that whore, fuck. . . I need to get off this bus. Fast!

Next stop:
Star District.

Thank the gods, I need to get the fuck out of here. . .

I'm so hot. . . What is happening to me?

Aah! Cold air. . . this will help. . .

Although the cold seems to make the suit... feel better.

Do I really look like a slut in this outfit? More like a monster.

From famous presenter and fashion influencer, to freak whore.

puff

The more I think about it. . .
the more disgusted I get. . .

What was I thinking when
I put on the outfit?

At least, nobody can
recognize me! . . .

*HEY!!! How much
for the night, doll!*

No one can recognize
me, no one... hmmm.

Who am I kidding, I put on this
outfit to let out the whore in
me, to be a latex whore.

And if no one can
recognize me. . .

... so why be shy and hide?!

I want to... I need everyone to judge me...

Find yourself another street bitch!!!

YES! I can feel it again, now more intense... like an electric current running through my body.

How much for the blowjob?!!

But this time I can feel it even in my head...

Hmmm, I feel... like I'm drunk...

... This costume is a perverse creation, but I love it. . .

I love to look like a creature. . .
I love to be controlled and perverted by the suit. . .

Oh gods, what am I thinking. . .
and why do I like it so much?

Hmmmm, I can feel the will of the suit and. . .

OH! That's the station. . . that must be where my contact is waiting for me. . .

It's getting. . .
stronger. . .
I must. . .
hurry. . .
hmmmm

The suit is doing something to me. . .
it's not just making me horny. . .

. . .what if... Aaaaah. . .
what if I keep the suit?

Hello?!

Is anybody down there. . . ?

I don't like this place. . . it looks so dirty, so deserted and. . . yeech. . . what's that smell?

It smells so dirty, so disgusting. . . but. . . there's something about it that. . .

Fuck it gets more intense and stinky the lower I go.

Down here, you're late, I was just about to leave.

I'm sorry, it wasn't that easy trying to get here without anyone seeing me. . .

With no one seeing you? But you're showing off again. If you were wearing a coat. . . maybe. . . I would believe it.

That tone of voice. I know it. . . yes, but from where?

Come on Helena, already in our high school you liked to be the center of attention.

Wait, what did you say. . .? "Our high school"?

Oh no! It's the creep from high school. The one we all called 'Fat Ball' for obvious reasons. A totally disgusting ugly nerd.

*Damn it! You. . . YOU!
You are Marco, aka 'Fat Ball',
the fat guy from the chess club. . .*

*The one who stole
my panties from
the locker room!!!*

*And you were the bitch who
actually put them in my
backpack to get me kicked out.*

*I remind you that it's just
you and me here, and we both
know what you did and why.*

This is all your fault Fat Ball, look at me, see what you've turned me into!!!!

You... YOU did this for revenge, didn't you?!

But what is he wearing. . . ?

That's. . . all. . . his??!

What revenge? I'm not after any revenge, these things are long past me.

I have to remind you that I warned you about those costumes and that I told you not to wear them. . .

Now then, my, I got to be the most popular guy and the golden boy of the institute. . .

So, do you want my help or not?

Your help? How could I trust you after this?!?!!!!

I don't know what you think of me, but after I got expelled because of you, I transferred to a better place than that crappy small town high school.

Look at me, I now have a better body than those assholes at the soccer club you were fooling around with.

And I can easily get someone better than you! And for the last time, do you want me to help you or not?!

EXCUSE ME?!!

Better... than... me?!!
Have you seen this sex goddess's body?

Admit it, you don't want any others, you want to help me so you can fuck me.

What's wrong with me? Why can't I control myself? Why can't I overcome this pride?

I think your stupid and arrogant presenter ego is failing you, you dumb bitch. It's going to make you need my help.

What did you just call me Fat Ball?!!

I'm a black belt in Karate, I could destroy you with one punch!!!

You?? I guess you haven't noticed that I'm twice your weight, and I don't stop training. . . working out every day.

Don't provoke me anymore, or I'll punch you in that macho face of yours.

I am provoking you? Who is getting horny with whom, bitch?

I think you've seen my dick and you want me to take away all the nonsense you're wearing on top of your mind.

Are you really a lesbian or are you just pretending to be one because it's good for your ratings?

You're going to be so sorry!!!

KKEEEJJJAAAAAH!!!

Already, even If I'm barely holding you. . .

Do you like how I touch your ass?
Do you want me to slide it a little more between your cheeks?

NO! STOP!!

You're going to make me unable to control myself. . .

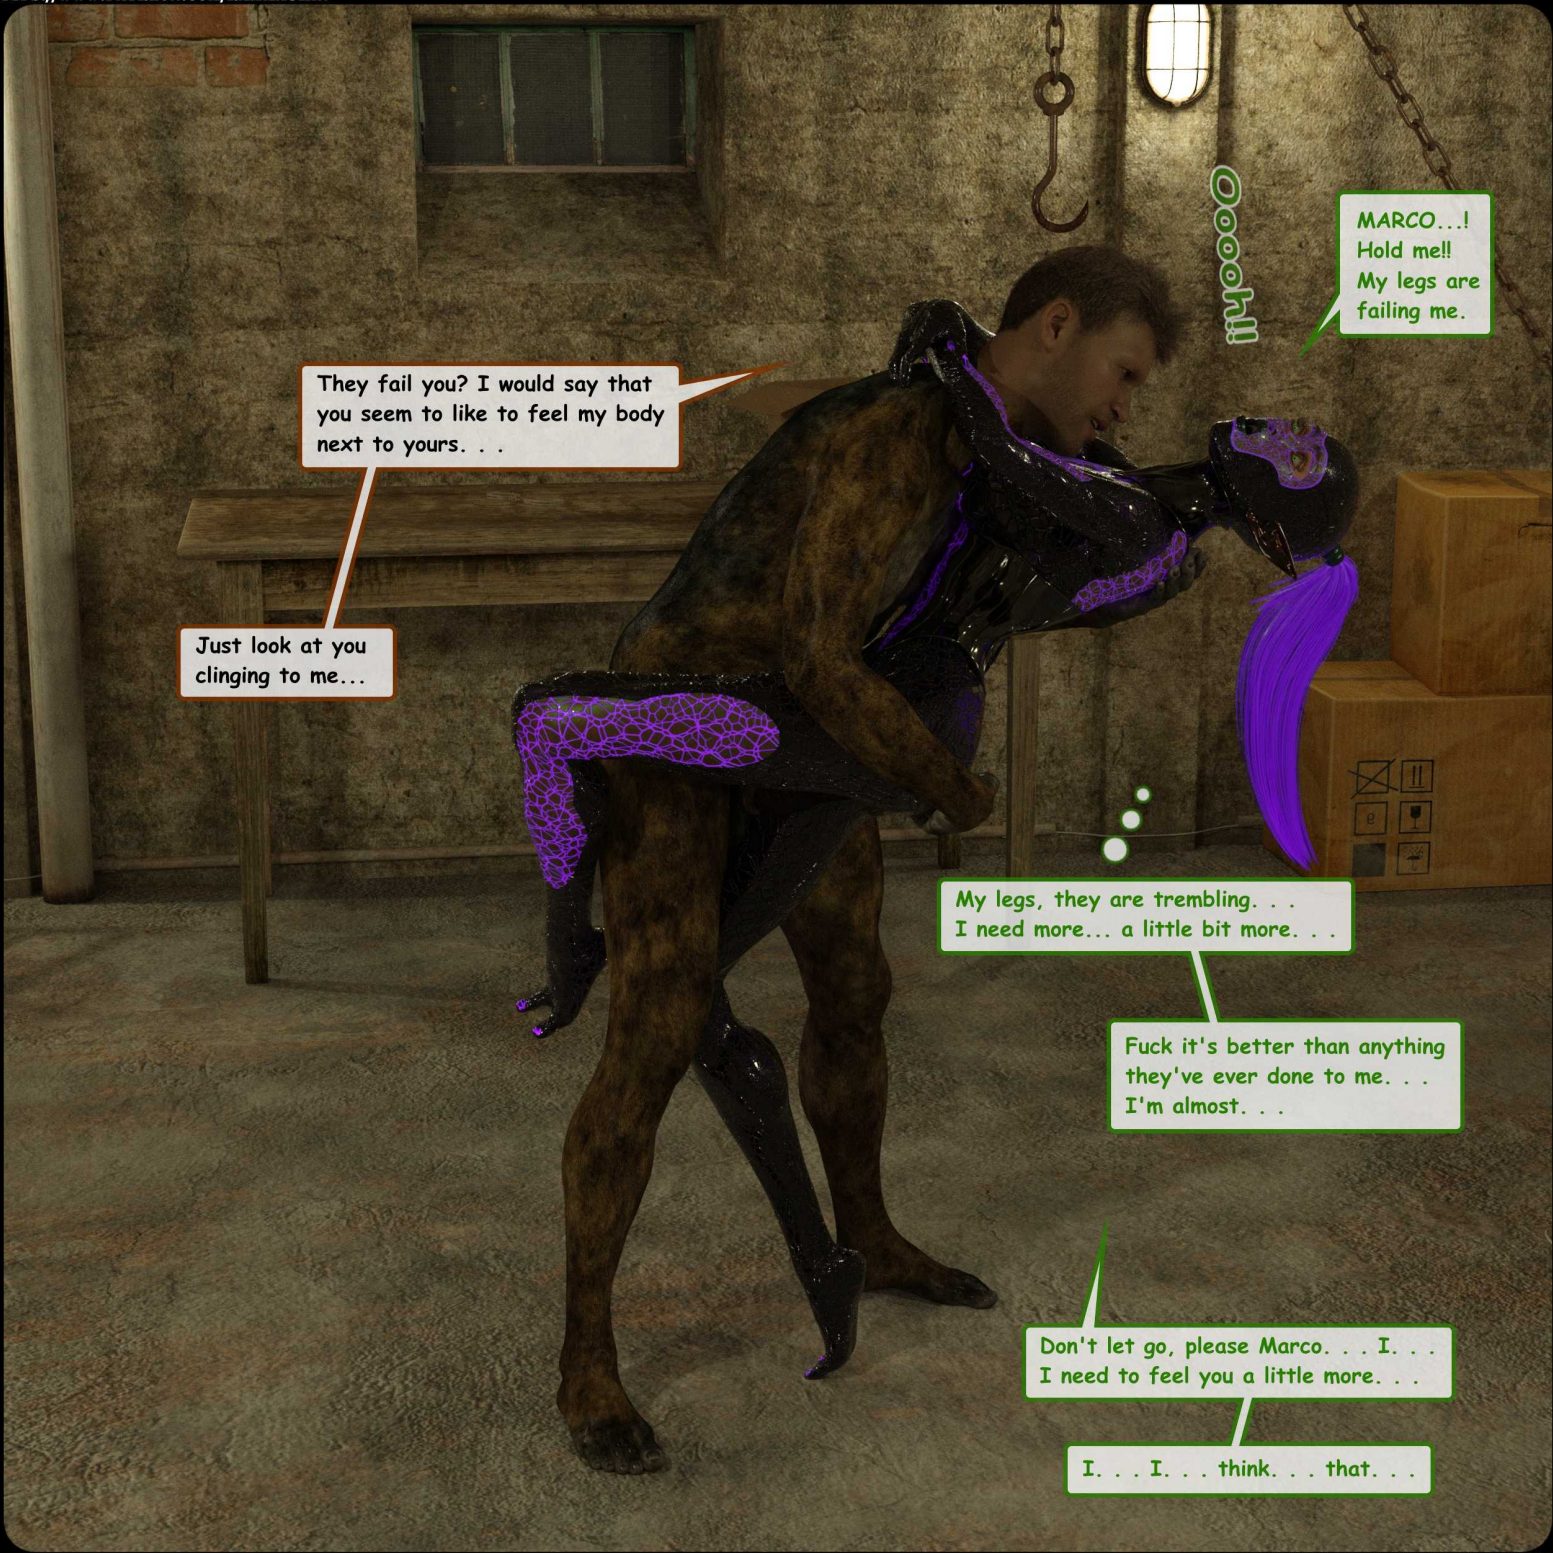

Fuck yes! . . . I mean NO. . . please, Marco get off of me. . .

Get off me or I'll consider it a . . . a . . .

moan!

His cock. . .
is touching. . .
my thigh. . .

Hmmmm, its touch is even better than feeling the rest of his body.

They fail you? I would say that you seem to like to feel my body next to yours. . .

Just look at you clinging to me...

MARCO...!
Hold me!
My legs are failing me.

Ooooohii

My legs, they are trembling. . .
I need more... a little bit more. . .

Fuck it's better than anything they've ever done to me. . .
I'm almost. . .

Don't let go, please Marco. . . I. . .
I need to feel you a little more. . .

I. . . I. . . think. . . that. . .

I think I've gone too far. . .

oh SHIT!!

I CUMMING!!

My pussy. . . it's the best orgasm I've ever had in my life. . . and without physical sex. . .

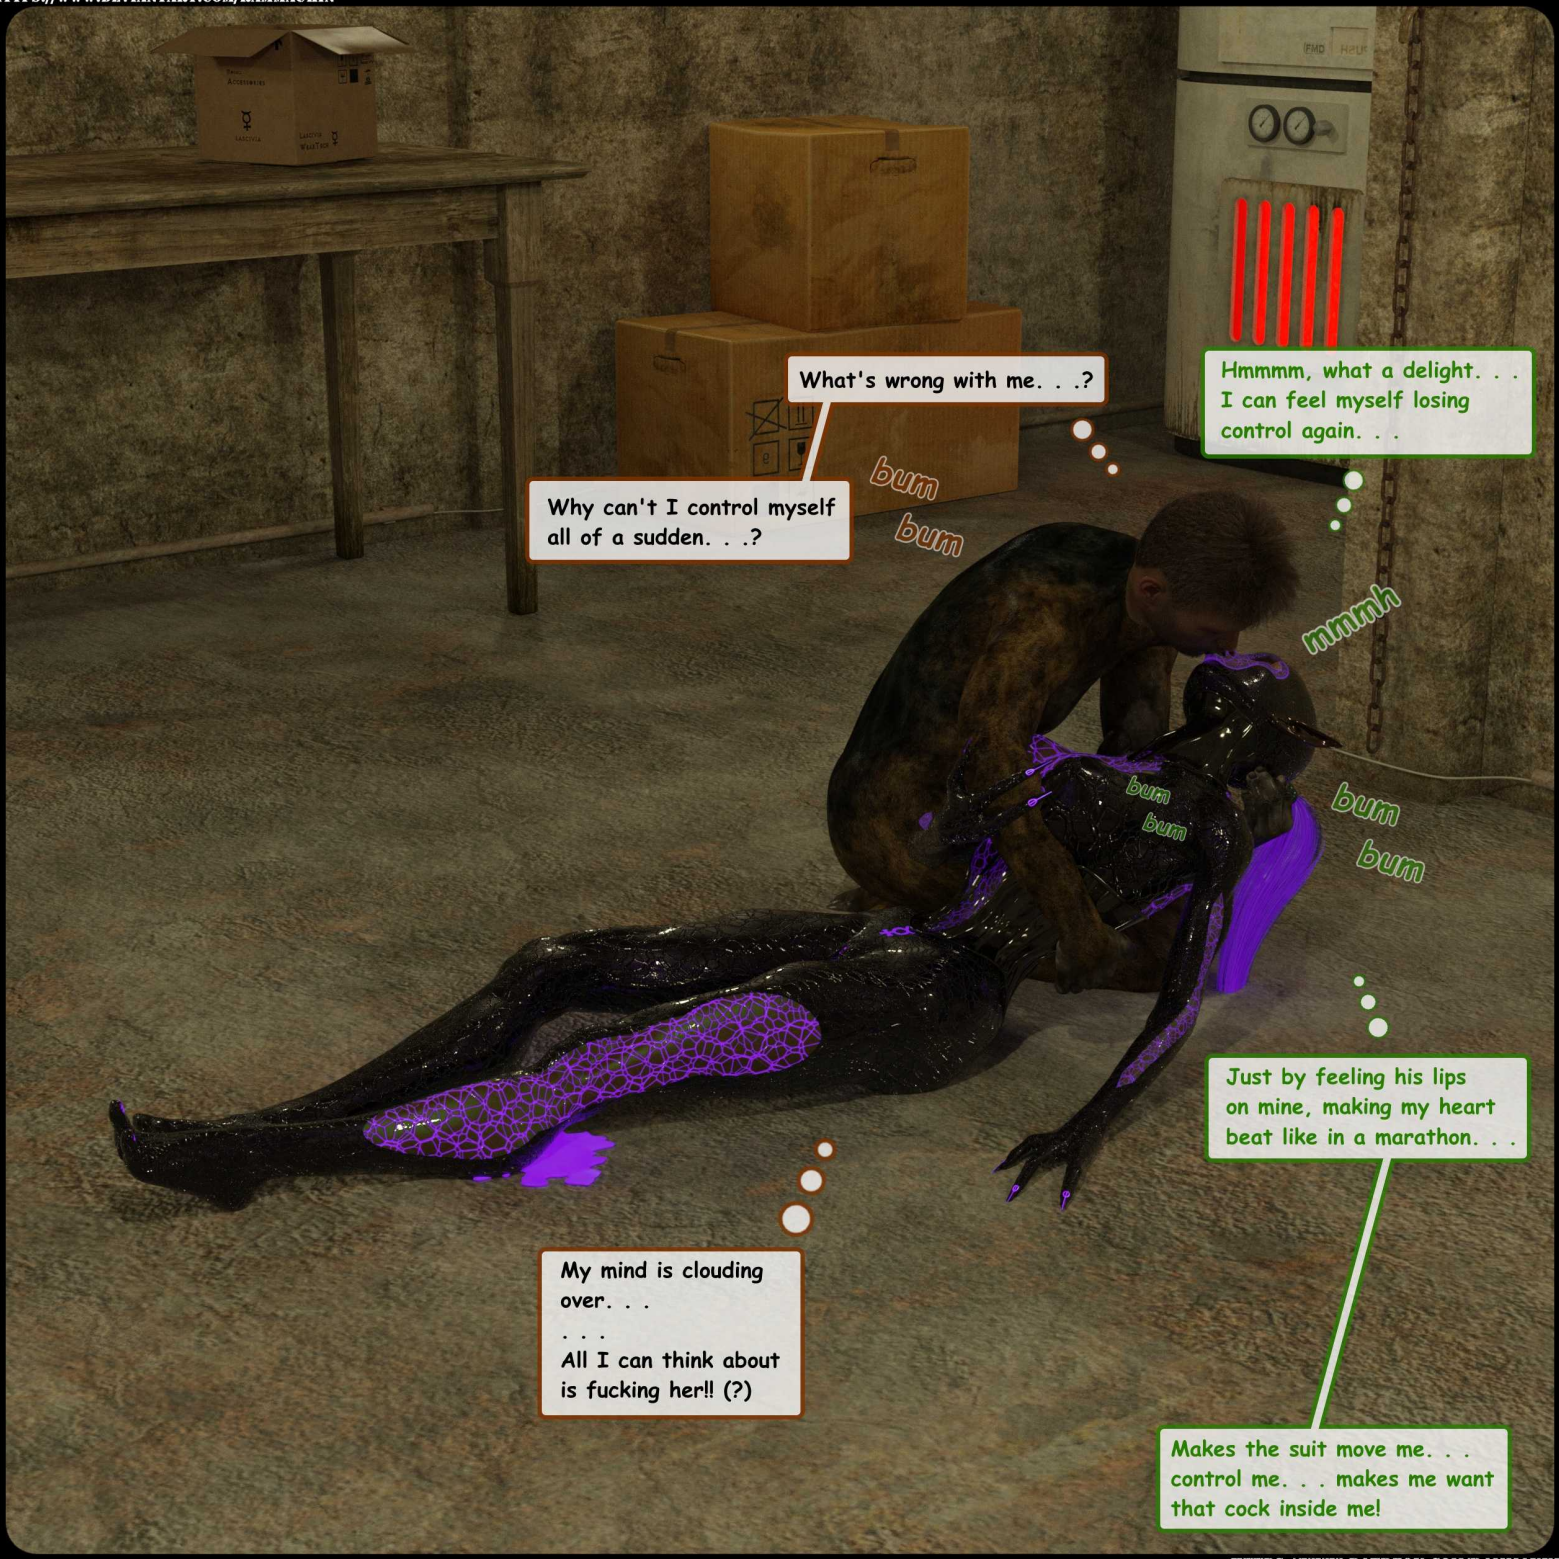

I don't know what the suit is still doing. . . but I feel like it wants me to be a part of it. . .

Please Marco. . . don't let go of me, kiss me. . . this. . . creature wants a kiss. . .

And what's that. . . smell. . .?? that's coming from her cum?

mnhh

What's wrong with me. . .?

HmMMM, what a delight. . .
I can feel myself losing control again. . .

Why can't I control myself all of a sudden. . .?

bum
bum

mmmmh

bum

Just by feeling his lips on mine, making my heart beat like in a marathon. . .

My mind is clouding over. . .
. . .
All I can think about is fucking her!! (?)

Makes the suit move me. . . control me. . . makes me want that cock inside me!

This urge is uncontrollable. . .
is that why that purple stuff
has come out of her pussy?

That smell is so strong. . .
as much as this impulse to
fuck her. . .

Marco. . . I need you. . .
I need your cock. . .

The suit. . .
I love it. . .

I want to have
you inside me. . .

It doesn't want me to
think about anything else
but filling my pussy. . .

I'll let you fuck me
any way you want.

HI
Cock, you need a BIG
HARD, AND FAT COCK. . .

How I need that
cock inside of me. . .

OH!!

Hurry up!!! Don't you want to fuck me? I'm so horny and wet. . .

moan

AAAAARRRRR!

My suit is reacting to that smell too. . .

It is making its effect much stronger and impossible to resist. . .

This is more intense than before. . . I can hear again those whispers. . .

moan

ALL YOU WANT IS TO BE FUCKED. . .

I. . . it makes me more. . . animal. . . me want. . . more. . .

I shouldn't listen to them. . . but I want to hear it. . . I need it to change more. . .

... BECAUSE YOU NEED HIM TO GUM INSIDE OF YOU...

AH!

YES!! YES!!

I want to get fucked more. . .

...TO MATE WITH HIM...

OH! MARCO!!

I need you. inside me!!!!

RRRRRRRRH!! AARRRG!

DAMNED BE YOU. . . YOU WILL NEED TO ALWAYS WANT MORE AND MORE. . .

WE NEED HIS SEEDS. . . WE HAVE TO TRANSFORM YOU MORE. . .

I can't stop masturbating. . . it feels so good. . . I could be like this for the rest of my life. . .

But the more I touch myself. . . the less it satisfies me and at the same time. . . fuck. . .

MARCO!!! What are you waiting for. . .?!

FUCK ME!!!

I like... more... I want. more...

YOU WANT TO BE A CREATURE OF THE SWAMP. . .

. . . TO BE A MONSTER IN THE EYES OF HUMANS. . .

Yes... yes. . .

YES! YEEESSSS!

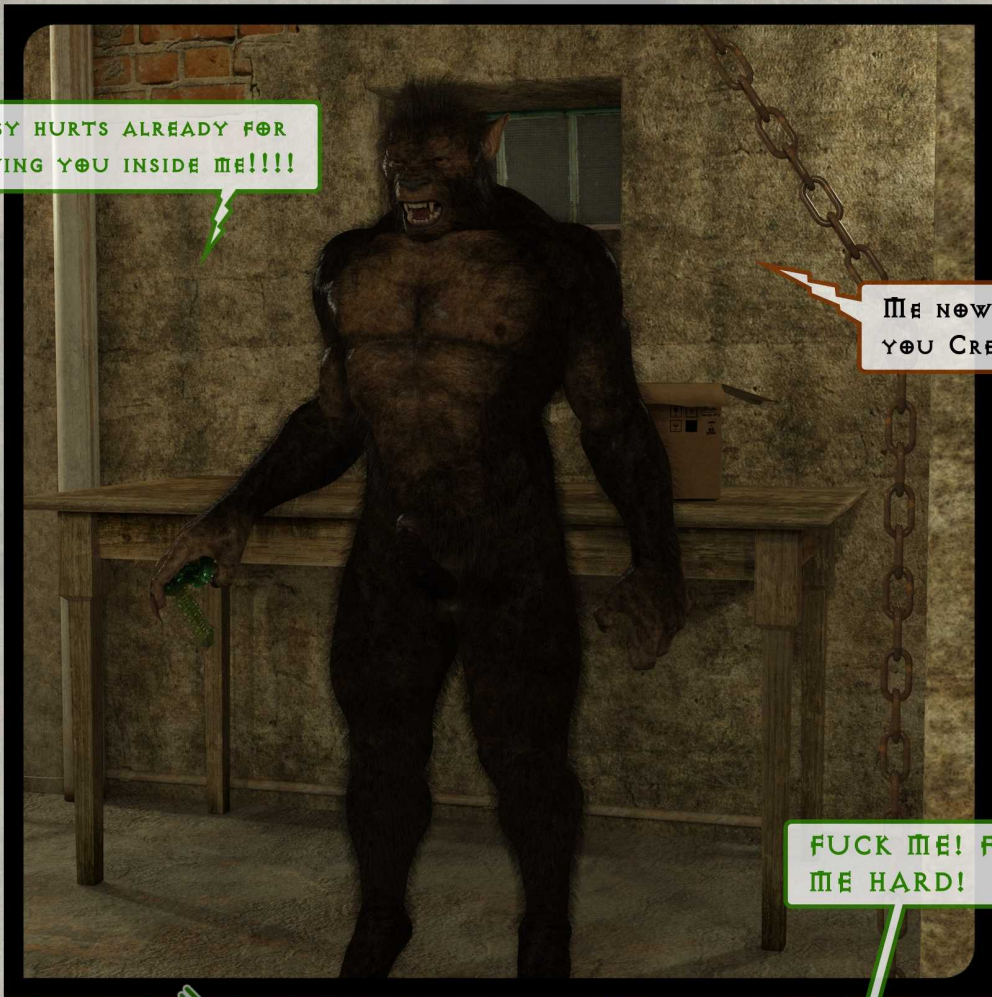

moan

READY. . . I WILL GIVE YOU WHAT YOU NEED. . .

Hurry up. . .
MOTHERFUCKER!

MY PUSSY HURTS ALREADY FOR NOT HAVING YOU INSIDE ME!!!!

ME NOW FUCK YOU CREATURE...

FUCK ME! FUCK ME HARD!

YES!!

AH!

YES, CREATURE! YES!!

the more I feel the tingling of the suit, the more my insides burn and my body... oh YES!

moan

OH YES! It makes me feel so good. . . But I need to be fucked. . . mmmh. . .this creature need to be used.

YES!!

AH!

Yes, my Queen. Helena won't be a problem anymore...

But things haven't totally gone as planned. . .

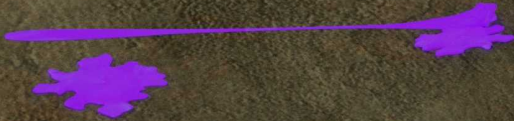

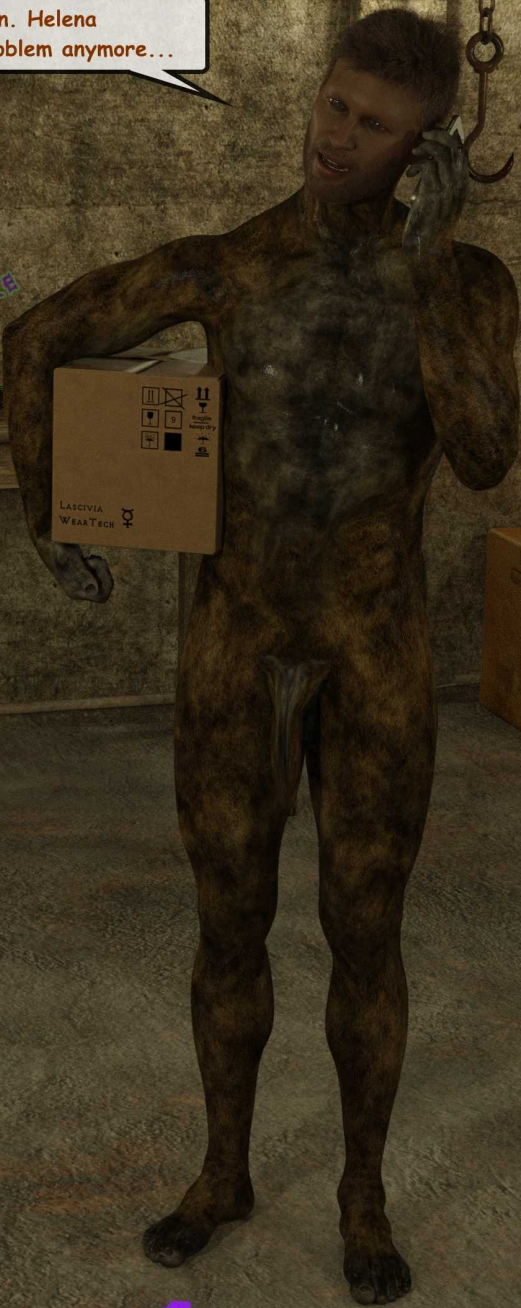

MORE

The costume that I designed for her. . . that was supposed to make her addicted. . .

It didn't work exactly as planned.

For starters, her body chemistry has changed, I have taken samples of her pheromones to study them.

They are the most potent thing I've ever felt in my life, more so than the 'Essence of Succubus'.

Yes, her body form has also changed. . .
but not in the way as it should have. . .

Her mind has also been affected.

I don't think she can be our new
public relations representative,
as I had planned.

What I mean, is that her body is still changing and not in an erotic or sensual way. . . like the others. . .

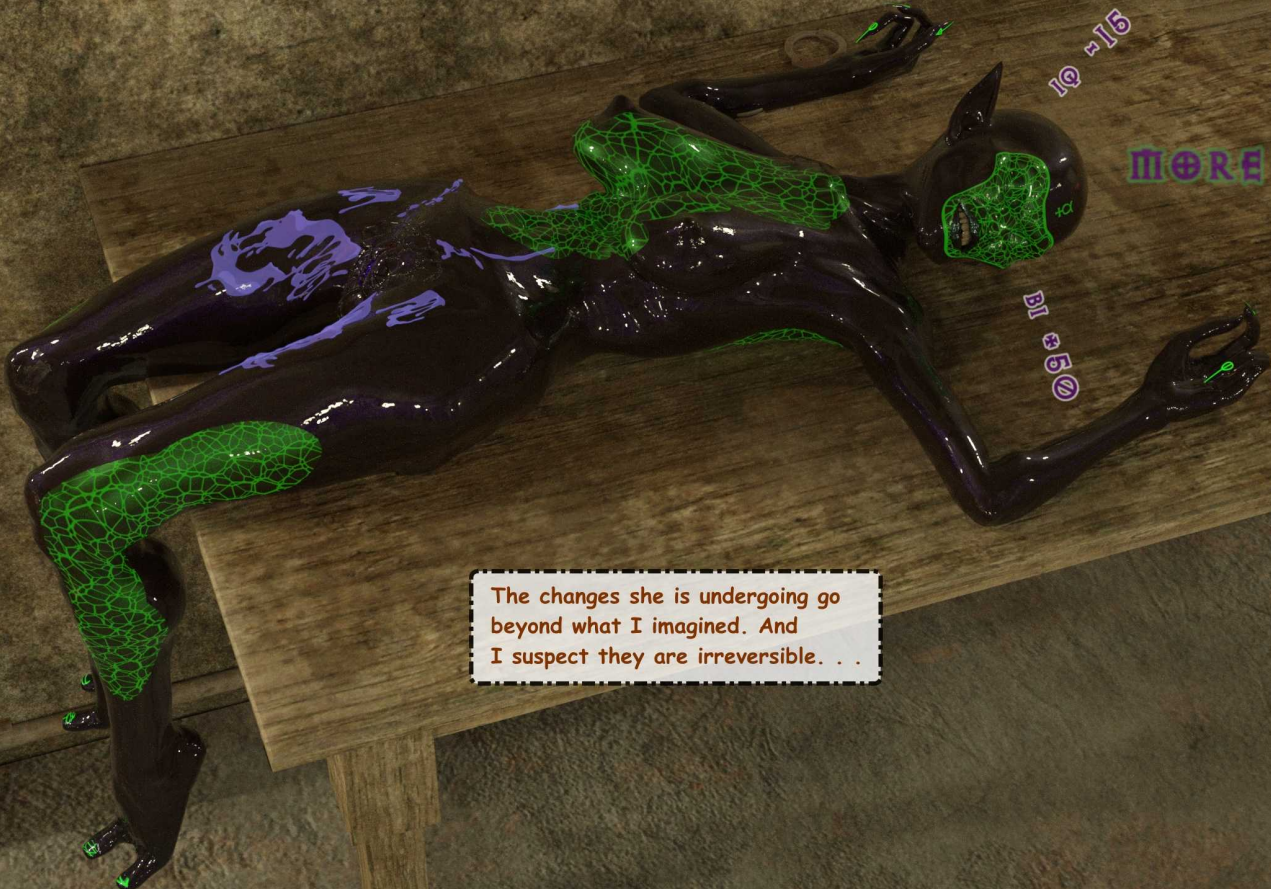

I think we can use her company as a lure. . .

She will serve better in the farms where we hide the failed transformations.

(*BI = Beast Instinct)
(*IQ = Intelligent Quotient)

No, no, she's exhausted right now, I don't think she'll wake up before the 'cleaning crew' arrives.

Don't worry my Queen, I will stay here all the time, and I will continue studying her.

The changes she is undergoing go beyond what I imagined. And I suspect they are irreversible. . .

The suit, even though it still looks like latex. . . it feels like skin to the touch now. . .

Yes, I think I will be able to replicate this suit, only I will need this specimen to study it.

WE ARE A MONSTER NOW.

WE ARE READY TO BREED.

Thank you my Queen.
You are very generous.

Yes, I will continue to experiment with this monster.

To BE CONTINUED. . .
