...
AND I ALREADY FEEL CONTROLLED ENOUGH
...
I CAN'T SAY I WANT THAT IN MY MOUTH AND
CERTAINLY NOT DOWN MY THROAT

WELL, IT'S UP TO YOU, BUT I THINK IF WE REMOVE
THE GAG PART WE TAKE THE RISK OF SOMEONE
NOTICING
...
AND IF YOU WERE TO MAKE A NOISE OR TALK BY ACCIDENT
THEN THE GAMES UP
...
TIED AND GAGGED WOMEN ARE THEIR FIELD OF
EXPERTISE, AREN'T THEY?
...
WHAT WOULD YOUR BONDAGE CONTACT SAY?

REFLEX
...
IT'S NOT COMING OUT NOW

PETE
...
STOP PUSHING SO
HARD!

FUCK!
...
SO HARD TO
BREATHE!

JUST STAY CALM

A man with short, styled hair, wearing a light grey t-shirt and dark pants, is in a bathroom. He is leaning over a black, glossy female mannequin. He is adjusting a gag in the mannequin's mouth. The gag is a black, rectangular device with a metal ring. The mannequin has long, dark hair styled in a braid with yellow and black accents. In the background, there is a white door with a black handle, a mirror reflecting the man and the room, and a sink area. A speech bubble is positioned above the man's head, containing text.

BREATHE THROUGH YOUR
NOSE
...
YOU'LL SOON GET USED TO
THE GAG

I'VE FALLEN INTO HIS
TRAP!

A man with short, styled hair is standing in a bedroom, looking down at a black, humanoid robot. The robot has a glowing green light on its forehead and a long, braided black ponytail with gold rings. The man is wearing a grey t-shirt with a vertical graphic on the front that includes the letters 'FA' and a square. A speech bubble from the man contains the text. The room has a bed with a patterned coverlet, a wooden door, and a window with blinds. A decorative light fixture is visible in the background.
