MEANWHILE BACK ON DOMINA ISLAND

A 3D rendered scene showing three women walking on a wooden boardwalk at night. The woman on the left is wearing a gold and black outfit, the middle woman is wearing a pink outfit, and the woman on the right is wearing a purple outfit. They are in a tropical resort setting with thatched-roof buildings and palm trees in the background. The sky is a mix of orange and blue, suggesting dusk or dawn. The ground is a wooden path with large rocks and small pink flowers on either side.

THESE ARE YOUR ROOMS

THIS IS PARADISE!

A tropical resort at dusk. In the foreground, a swimming pool with a mosaic tile border and metal handrails is partially visible. In the middle ground, three women in colorful, shiny outfits (yellow, pink, and purple) are walking on a paved path. The background features several thatched-roof huts with warm interior lighting, surrounded by palm trees and lush vegetation. The sky is a mix of orange and pink from the setting sun.

A screenshot from a video game showing a scene in a hallway. In the foreground, a woman with a long black braid is seen from behind, wearing a black and yellow bondage harness. In the middle ground, another woman with a mask and a black harness is kneeling on a small cart. In the background, a man in a white shirt and tie stands with his hands on his hips. A speech bubble is positioned above him.
