
Hey you!
THE COLLEGE SLAVE!

Yeah what's up -
Oooh my...

Just checkin' you out, is all...
Huh? Why you need to check me out?

Beeeee-cause... I just happen to like small, tiny guys! Got a problem with that?
Eh, no... Each his own...

Hmmm. Yes. Yes, I think you will do nicely.
Do nicely for what?
Let me tell you a secret...

From now on, you are gonna be...

My sssssssslaaaave!

Aah, hmmm, yes, My mistake...
Ehm, well, sorry, but I don't have any desire to be your slave at all. Go find someone else, you freak!

I'm afraid I wasn't really clear. But the thing is...

You don't really have a choice, little boy. Unless of course...

... you think you are a match for these muscles...

Well? Do you think?

Back up baby. Let's teach you your first lesson.

First lesson is...

I am NOT kidding around!

That CLEAR, little SHIT?

Disobedience will result in a close encounter with my muscles.

And I can assure you, that HURTS!

Ok, let's lock you up and get you home now.

Get in there baby, I don't want a slave with broken fingers...

See if we can break out this locker...

Piece a cake

Hope you're comfy in there. I'll try to keep it steady

Don't worry, it's only a fifteen minute walk to my place.

Think you can be nice and quiet now if I allow you to come out?
Yes! Let me out please!

Ok slaveboy, come to mommy...

First I thought, because you are such a tiny thing, that you had been enslaved before. But obviously you haven't, so you're gonna have to learn some ground rules first.

From now on, your life is gonna be quite different. For as long as I want.

In the simplest terms, so that it's easy to understand and remember: you-do-exactly-what-i-tell-you. Always. Is that clear?
72

Didn't hear ya, so i'm applying a tiny bit of pressure. Is that clear?
Urghl! Yes! Yes!

Urgh, p-please, you k-killing me
Don't be a drama queen now. That was nothing. Absolutely nothing. Just a tiny taste and a little warning.
Now, let's get up and see how well you have assimilated your first lesson, shall we, slave?

Ok, take off your clothes

What? Why?

Excuse me? Didn't hear ya
Ehm... I... asked... why. Why do I need to take off my clothes.

Ok boy, I understand you're new to this, so I'll be patient...

But with "do as I tell you to do", I mean exactly that, ok? No questions, just that.

Do you understand?
Eh... I guess, yes. But...

Hmm, I see. *You guess*.
No, I mean, yes! Yes I understand!

So start using this little head, ok?

Now I hope this is the last demonstration I need to show you today. Up you go. Feel the punishment, slave.
AAAAAAAAAAA AAARGH!!!!

I haven't even *begun* to hurt you little boy.

you're nothing. NOTHING!

See, that's the pain. The good news is, I think you are ready now. Let me look in your eyes...

Oh yes, you're definitely ready now...

I can see the fear in your eyes. That's healthy baby. If you're afraid you'll be more obedient. And if you're more obedient, you will suffer less. Now finally, get undressed.

Wow, totally absence of abs, as expected. Wanna see mine?

That's a good boy. Let me show you some skin too baby...

Aren't my tits incredible? Everything about me is big, don't you think?

They could just swallow you, I mean fucking SWALLOW you! A tiny shrimp like you would get lost in my cleavage!

Ok slave, you can service them later. Now, get rid of the rest of your clothes. ALL of them.

That's it baby. The male body in all its shrimpiness.

I suppose you can't help that your dick is so tiny, but you'll have to learn to keep it up as much as possible.
Now, first thing we need to do for your new life is to take a picture.

Ok, camera's ready. Now let's both flex and look at the cam, ok?

Ok baby, that's it. I put the camera on autoshoot, so let's take a couple more.

Great shot. Now flex both "biceps" baby.

All right. We look just great. One sec baby, keep flexing them guns.

Just getting the weights in the picture. Now touch my bicep. Yes, that's a good baby.

Ok, that'll do. Now come with me to the couch and I'll explain how all this is gonna work.

Actually, just one more. Keep holding my bicep. Good boy.

God I look good. Makes me horny lookin at myself. Ok, to the couch now.

Ok, not you kneel down on the floor in front of me. That's it. Remember, a humble position, like kneeling or bowing, is always the best position for you. Especially if you want to please me or appease me, or apologize or get something, ask a question, or whatever. Let's just call it your default position. Now take of my boots and start licking my feet. They're sweaty.

And why can I? Because I'm an extremely skilled and strong 6'6", 240lbs bodybuilder and weightlifter, with a big dominant and sadist streak. Basically you will do whatever I want you to do because you will be afraid to get hurt, both physically and emotionally.

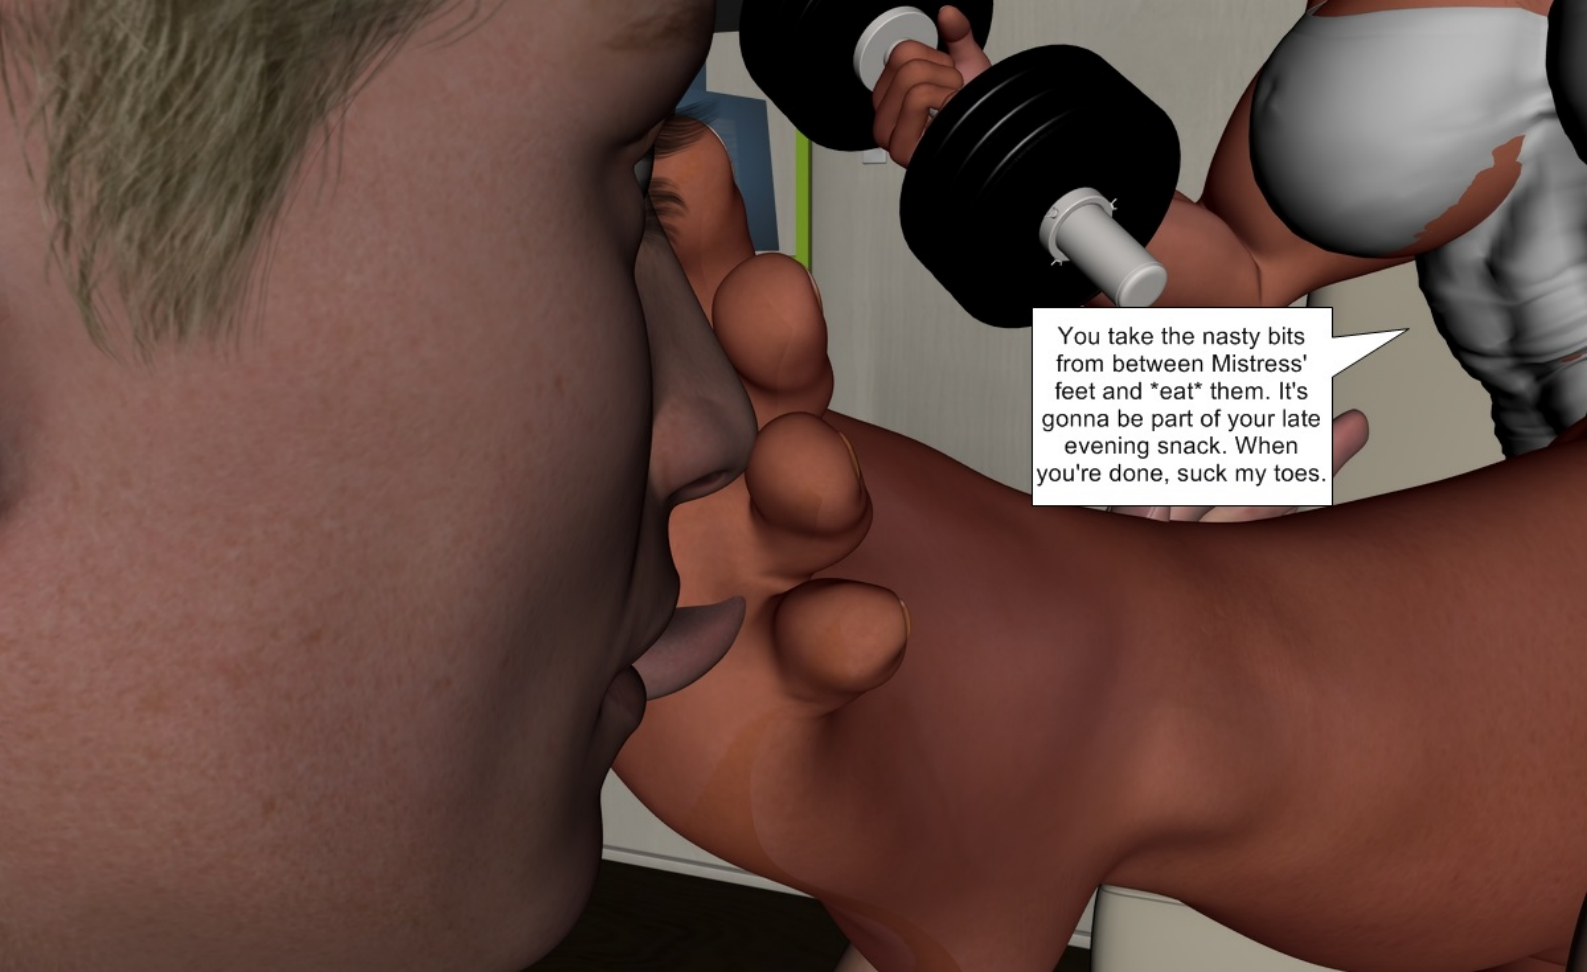

Mmmmm, I think muscles are soooo sexy, don't you? Getting horny here describing myself, lol.

Keep licking baby. You're being a good boy. You know, I promised you that you'd get hurt for not obeying, but I also promise you I will minimise the hurt when you behave.

Ok, some more house rules. You can call me Mistress, or Boss, or Miss Muscles, Miss Bodybuilder or something of the kind. I allow you to be creative and I trust you'll be respectful when you address me.

You'll not speak unless spoken to. If you want to say something, you ask for permission to speak. Is that understood?
Yes Mistress.
That's my boy.

Clean up between my toes now. That's where all them nasty bits are.

You take the nasty bits from between Mistress' feet and *eat* them. It's gonna be part of your late evening snack. When you're done, suck my toes.

Good slave. Feel up them big calves in the meantime. Get a feel of the power locked in them.

I can see you're erect in the meantime. Puny still, though. We may have to consider having your penis enlarged.

Yes baby, that's the power I have over you, thanks to these muscles. Now come over here, now we have to go over the difficult part.

There. Are you comfortable on Mistress' lap?
Yes, Mistress.
ТРОИЦКАЯ 18.

Ok, so here's the thing. You are basically my property now. All of you, including this little excuse for a penis. Uh-uh, no talking right now.

For the entire time that your my slave, you should basically consider your life "in suspension". It doesn't really exist. You don't exist, except to obey and serve me. Now I will need you for several things. Here are the main ones...

The first thing is obvious. You will do all kinds of chores for me, like cooking, cleaning, groceries...

Now the other part... You know, I work out as much as I can. That leaves me little time my studies. Yet I want this masters in physical education. And that's where you come in. I know you're smart, I checked you out...

Can you guess what that means in practice, baby?
Ehm, that I should tutor you?
Tutor you, *Mistress*. Yes, what else?
Ehm... that I should help you write your papers, Mistress?
Help write them? You'll *write* 'em. Lol. What else
That I give you all my notes?
Obviously. What else?

Hmm, can't think of anything else... Mistress.
Really. What about exams?
If we sit next to each other during exams, I might be able to help you mistress. But I wouldn't like to run a risk of getting caught, of course... Mistress.

Poor little baby. You are still not understanding this whole situation. What you have to be afraid of is *me*. Nothing else. But we'll get to that.

In any case, what I will have you do is to take, where possible, my exams for me. You will just write my name on the exam paper. Of course I'll be expecting good results... And unfortunately it will mean that you can't take those exams yourself. It all boils down to the fact that you will drop out of this first year tomorrow.
WHAT??

Uh-oooh! Speaking when not spoken to. That means pain, of course. I've always wanted to crush a jaw with my bare hand. Should keep that for when you're *really* bad perhaps.

Now tomorrow, you will drop of of college for this year. Is that understood?
Aaaaaargh
Is that UNDERSTOOD? or do i have to break your jaw now?
Aaaaaargh. Yes... Stoooooop
Yes who?
Aaaaaargh.Yes Mistress!

Permission to speak, mistress?
NOT granted. Ok, next step. Go to the computer. Login to your Facebook account.

Change your relationship status. Since there's no slave-mistress relationship, just put "has a relationship with Keira Johnson", which is me. Then, change your big facebook picture to one of the pics we took just a moment ago. And STOP CRYING!

What's on your mind?
Oh yes baby, look at me towering over you on your Facebook page! My tits ready swallow you... Isn't it amazing? You may expect some questions from your friends, heheh.

Ok, now that we got the basics covered, I think it's time to FUCK you, Tiny. Or RAPE you, I guess - depends on how you are looking at this. Which is quite irrelevant of course. Gimme 5 minutes to freshen up, and then come to my bedroom.

Come in slave, don't be shy now.

I know...

Almost more muscle than one can take huh...

Now come over here, midget.

You know, I'm in a good mood. I grant you the permission to speak. A small sentence. Ask or say. Now.
P-please don't hurt m-me
Lol, as if. That's kinda unavoidable I'm afraid. Now...

If you ever come to me in my bedroom soft like that again, I'll squeeze your balls till they're blue. Just today I'll help you, because it's your first time. And because like I said, I'm in a good mood.

Oh god baby it's so small, even when erect... Damn...

You know what I think...

You know what, fuck it. This is not gonna work, you're just to small. So good news for you: you're dismissed. Go!

Huh, really? I can go?
Yes, get out of here, go! Unless you want me to give you a little hand job first...
Eh, no, that's ok. Ehm, bye!

Run for your freedom baby!

But then, with a small but well-directed movement of her mighty leg, the giantess trips the poor midget...

Oh my god, your face was hysterical. They buy it every time! Always cracks me up!

Stupid little shit, can't believe it, hahahaha. Thinks he's gonna get out on day one because his dick's too small. Hahahahaha

Better give you a physical reprimand for being so stupid. Because if you gonna be like that on my exams...

Start by lickin my feet, slave.

Not flexible enough apparently.

Lemme help you a bit. Lick! Before I dislocate some bodyparts.

Ok, time to get you on the bed

Flyeeeeeeee

Ok baby, you ready to get your brains fucked out by a giantess? Say yes mistress, I'm ready.
Yes Mistress, I'm ready.

Yes, of course you are. Good boy.

You know baby, this might hurt a bit.

But at the very least you get to play with some really big tits. All the boys like that.

Hope you do too

Better say "yes mistress", just to be on the safe side.
"Yes Mistress"

Good boy. See, it's not all that difficult... Stop shaking boy.

Almost with you baby

One important thing, slave. It's very obvious, but I tell you anyway. This is all about me, ok I fuck you, but you will not orgasm. In fact, you will never orgasm without my explicit permission. Which I will give you just now and then. Understood?
Yes, Mistress

Now, feel my forearm here. I need you to be at least as hard as that.

Think you can do that, little slave?
I think so, Mistress.
Sure you can.

Now let's roll you on your back...

You ready to get fucked by an amazon bodybuilding giantess?
Yes, Mistress.
Lol, I don't believe it for a minute, but it's your only possible answer.

You see, one of the things you're not ready for is my sheer weight, which is about twice yours, I figure. Try to keep breating, ok? The first time is the most difficult.

That's my boy. Easy does it.
Don't panic. Aaaaah, yes.

Ooooh, come on little slave, suck my tits while I do you. Yes, yes, come on, Yes, yes...

I could suffocate you with these tits...

But you might enjoy that just a little too much, so I rather use my arm. Yes, that's it, that's it. Right where I want you baby. Ooooh yes, oooh yes, ooh

You worthless piece of shit, I can barely feel you you fucking ant, I can kill you with just any of my muscles you tiny shit you OOOOOOOOOOOOHHHHH

Moments later...
That wasn't too bad for a first time... And you didn't come. Well done slave, I just might keep you for a couple of months... Now, after sex I like my body to be worshipped.

You know slave, I guarantee you you that in time you'll come to adore these big muscles of mine. Now some

Yes baby, feel the size of that gun. What do you think of it?
It's... eh... incredibly huge and hard, Mistress.
You think it's beautiful?
Yes Mistress, your bicep if very beautiful...

Good boy! This is what domination is all about you know. I overpower you, I control you, I hurt you... and you do everything I want. You tell me what I want to hear, You obey because you're very, very afraid of me

And as time goes on, you'll become more and more afraid. And you'll obey faster, and you become a more efficient slave, serving even my most absurd or humiliating requests. Welcome to your new life, boy. Do you like the general idea?
Yes Mistress.
Hahaha, right. If only you had a choice. Now, worship my humongous thighs...

One day I'll let you ride one of my legs. They're bigger than your torso, oh my...

You ready to have some more fun little boy?
After the goddess had fucked her slave twice and had had some additional worship time, she suddenly pulled a couple of attributes from under the bed pillow.

Yes Mistress, I'm ready.
What the fuck do you think you're doing?
Ehm, holding my hands for you to cuff me, mistress.
Oh my god, get up, silly boy.

Take another good look at me will you? Describe what you see in front of you. Make it colourful.
Ehm, I see a huge female bobybuilder with muscles that are out of this world. She looks incredibly strong

LOOK AT ME when you talk to me! That's better. Ok little boy, not bad. Now let me ask you: does this women seem like she is in need of any attributes like handcuffs to control her little slave?
No Mistress, she can undoubtedly do without.

Good slave. Now who COULD use a little help by means of something like handcuffs? Who?
Ehm, me, I guess, Mistress?

That's right. So, undoubtedly to his surprise, slave is now allowed to handcuff mistress. Take this.

Stop shaking boy. I'm not gonna lash out at you. Do it. Cuff me!

Hurry up, you haven't got all day.
You still have to make dinner.

You know, one slave once said this reminded him of the movie King Kong. But I'm strong but not that strong, so I can' t break this cuffs. Nor am I Houdini or something.

See? Real cuffs. No way for me to get out. Now put the key under the pillow.

You getting horny from the feeling of control you have over me baby?
Ehm, I don't feel any control Mistress
Lol, I was kidding, silly slave. Of course you don't. Look at us...

So how DO you feel then, me towering over you like this?
Ehm, like a... midget, Mistress.

A midget, really? I'm disappointed. What you feel like is an ant, ok?
Yes Mistress, I feel like an ant. That's exactly it.

Now listen to me, ant, we're gonna play a little game here.

I like a challenge, so I'm gonna give you a fair chance to get out of here. I'm cuffed, so it's just these legs against you, ok?

Oh you know, my legs and my tits, I shouldn't forget them.

They're weapons in their own right you know, better watch out for them too. Now, you go stand against the back of the room. If you get out of the door before I get a hold of you, you're free. Truly. You wanna be free slave?
Ehm... ehm... yes... Mistress.
Only honest answer. So take your position and when I say go, you try to outrun or outfight me. Give all you got, or I'll hurt you extra.

3-2-1 GO!

Run slaveboy, run!

Ladies and gentlemen, we didn't expect this but the big heavy bodybuilder is FAST!

And yes, folks, she's got him right where she wants him, right between her massive treetrunks of legs. Look at the panic on his face ladies and gentlemen! The midget knows this is a really dangerous position to be in...

Because at anytime she can bring on the... wait folks, yes, she's doing it, she's squeezing the living fuck out her victim...

Shhhh baby, I know it hurts, but I don't want to hear any whining. We don't wanna wake up the neighbours do we?

Now, while I keep squeezing and while you're in pain, I want you to lick my tits. No sound, no slowing down, or I squeeze harder.

That's a REALLY good boy! I know it's not easy what I'm asking. Now bury your face in my tits, and don't come out till I say so. I call it "titboarding" baby.

Wonderful! I like my slaves like that, extremely obedient, even in difficult circumstances. That's ok baby, you can come out.

You've done very very well my little slave. I'm gonna release you know. I know you're very scared but this is all part of your training to become a very pleasing slave. You do want to please me, isn't it?
Yes Mistress, I want to please you

Ok, it's time for the ultimate test, which would conclude the first part of your training. You're gonna take a second pair of cuffs from under the pillow. Cuff both my legs, but in a way that my ankles are locked togheter with my hands.

When you're done, put the key under the pillow and come sit close to me on the bed.

Now, if you would go to the door now, I can't catch you, and that's the point. You have my permission to leave. BUT you have to know that if you do, I will find you, and the hurt and humiliation you experience today will be nothing compared to what I will do to you. But it's up to you, you can take the risk. Now go to the door and open it.

Up to you. Either you go and you try to get your life back, knowing I'll find you some day, or you stay and face your fear, and commit to servitude till I say your term is over.
