TAGLWUM!

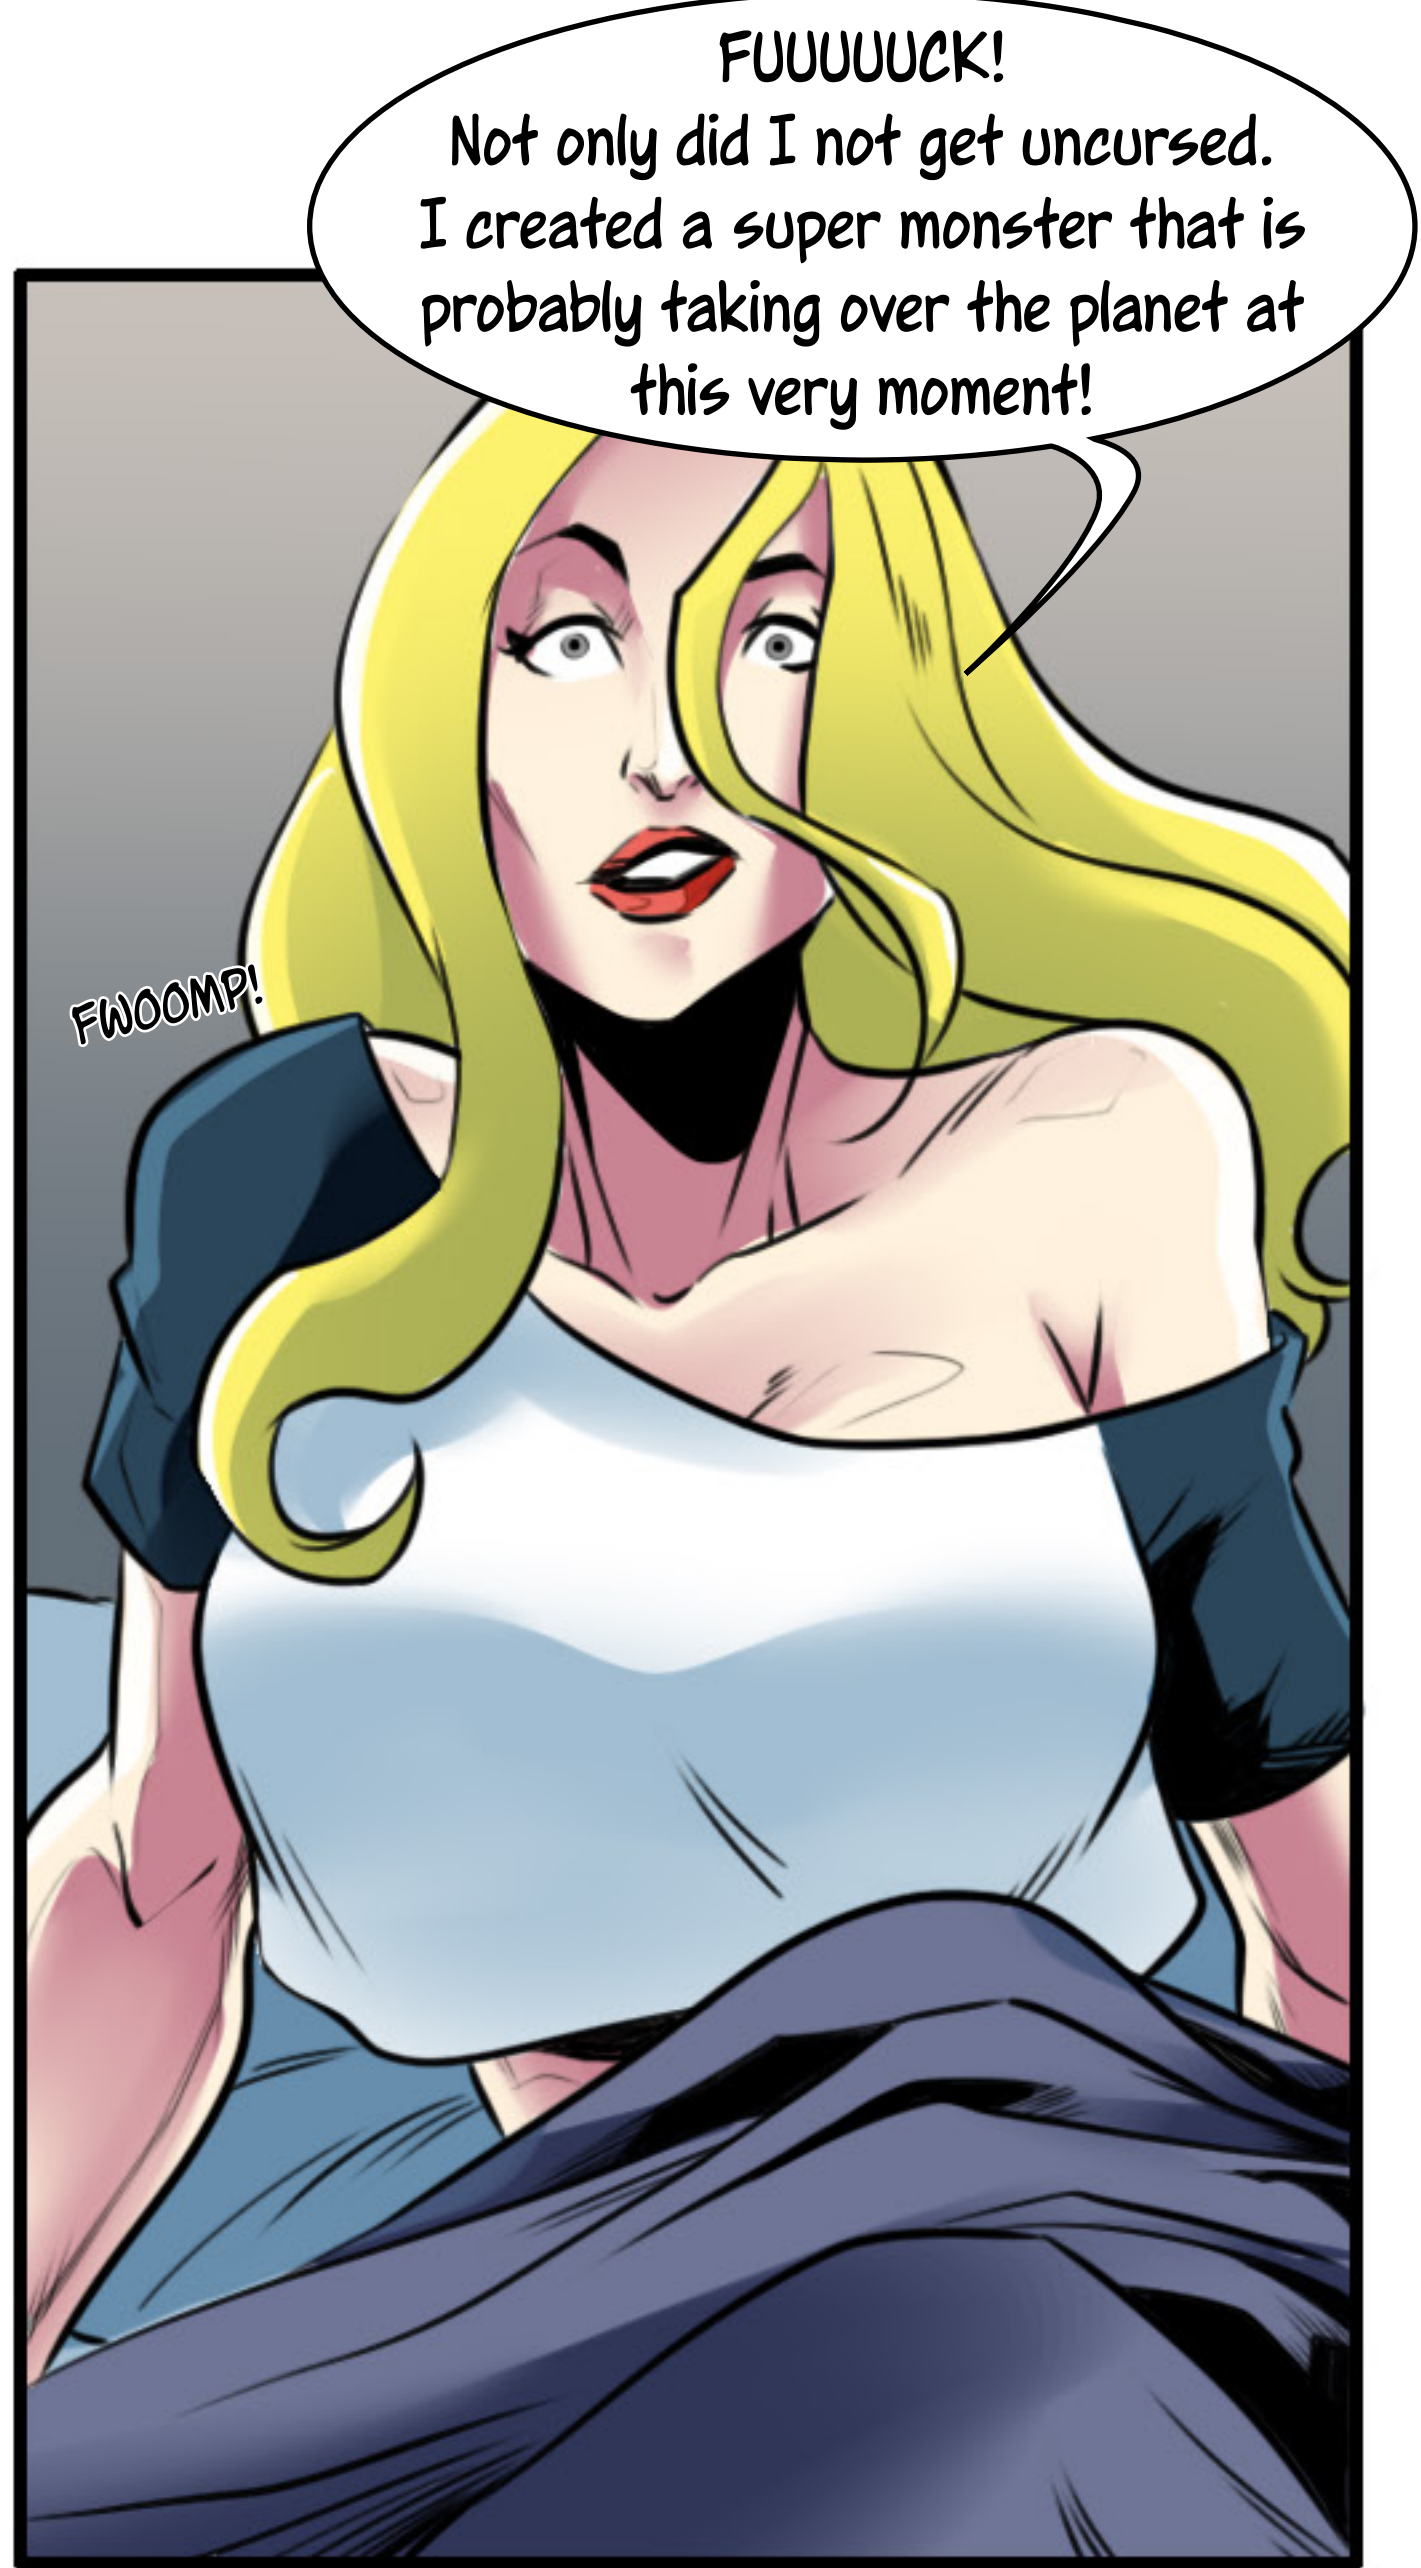

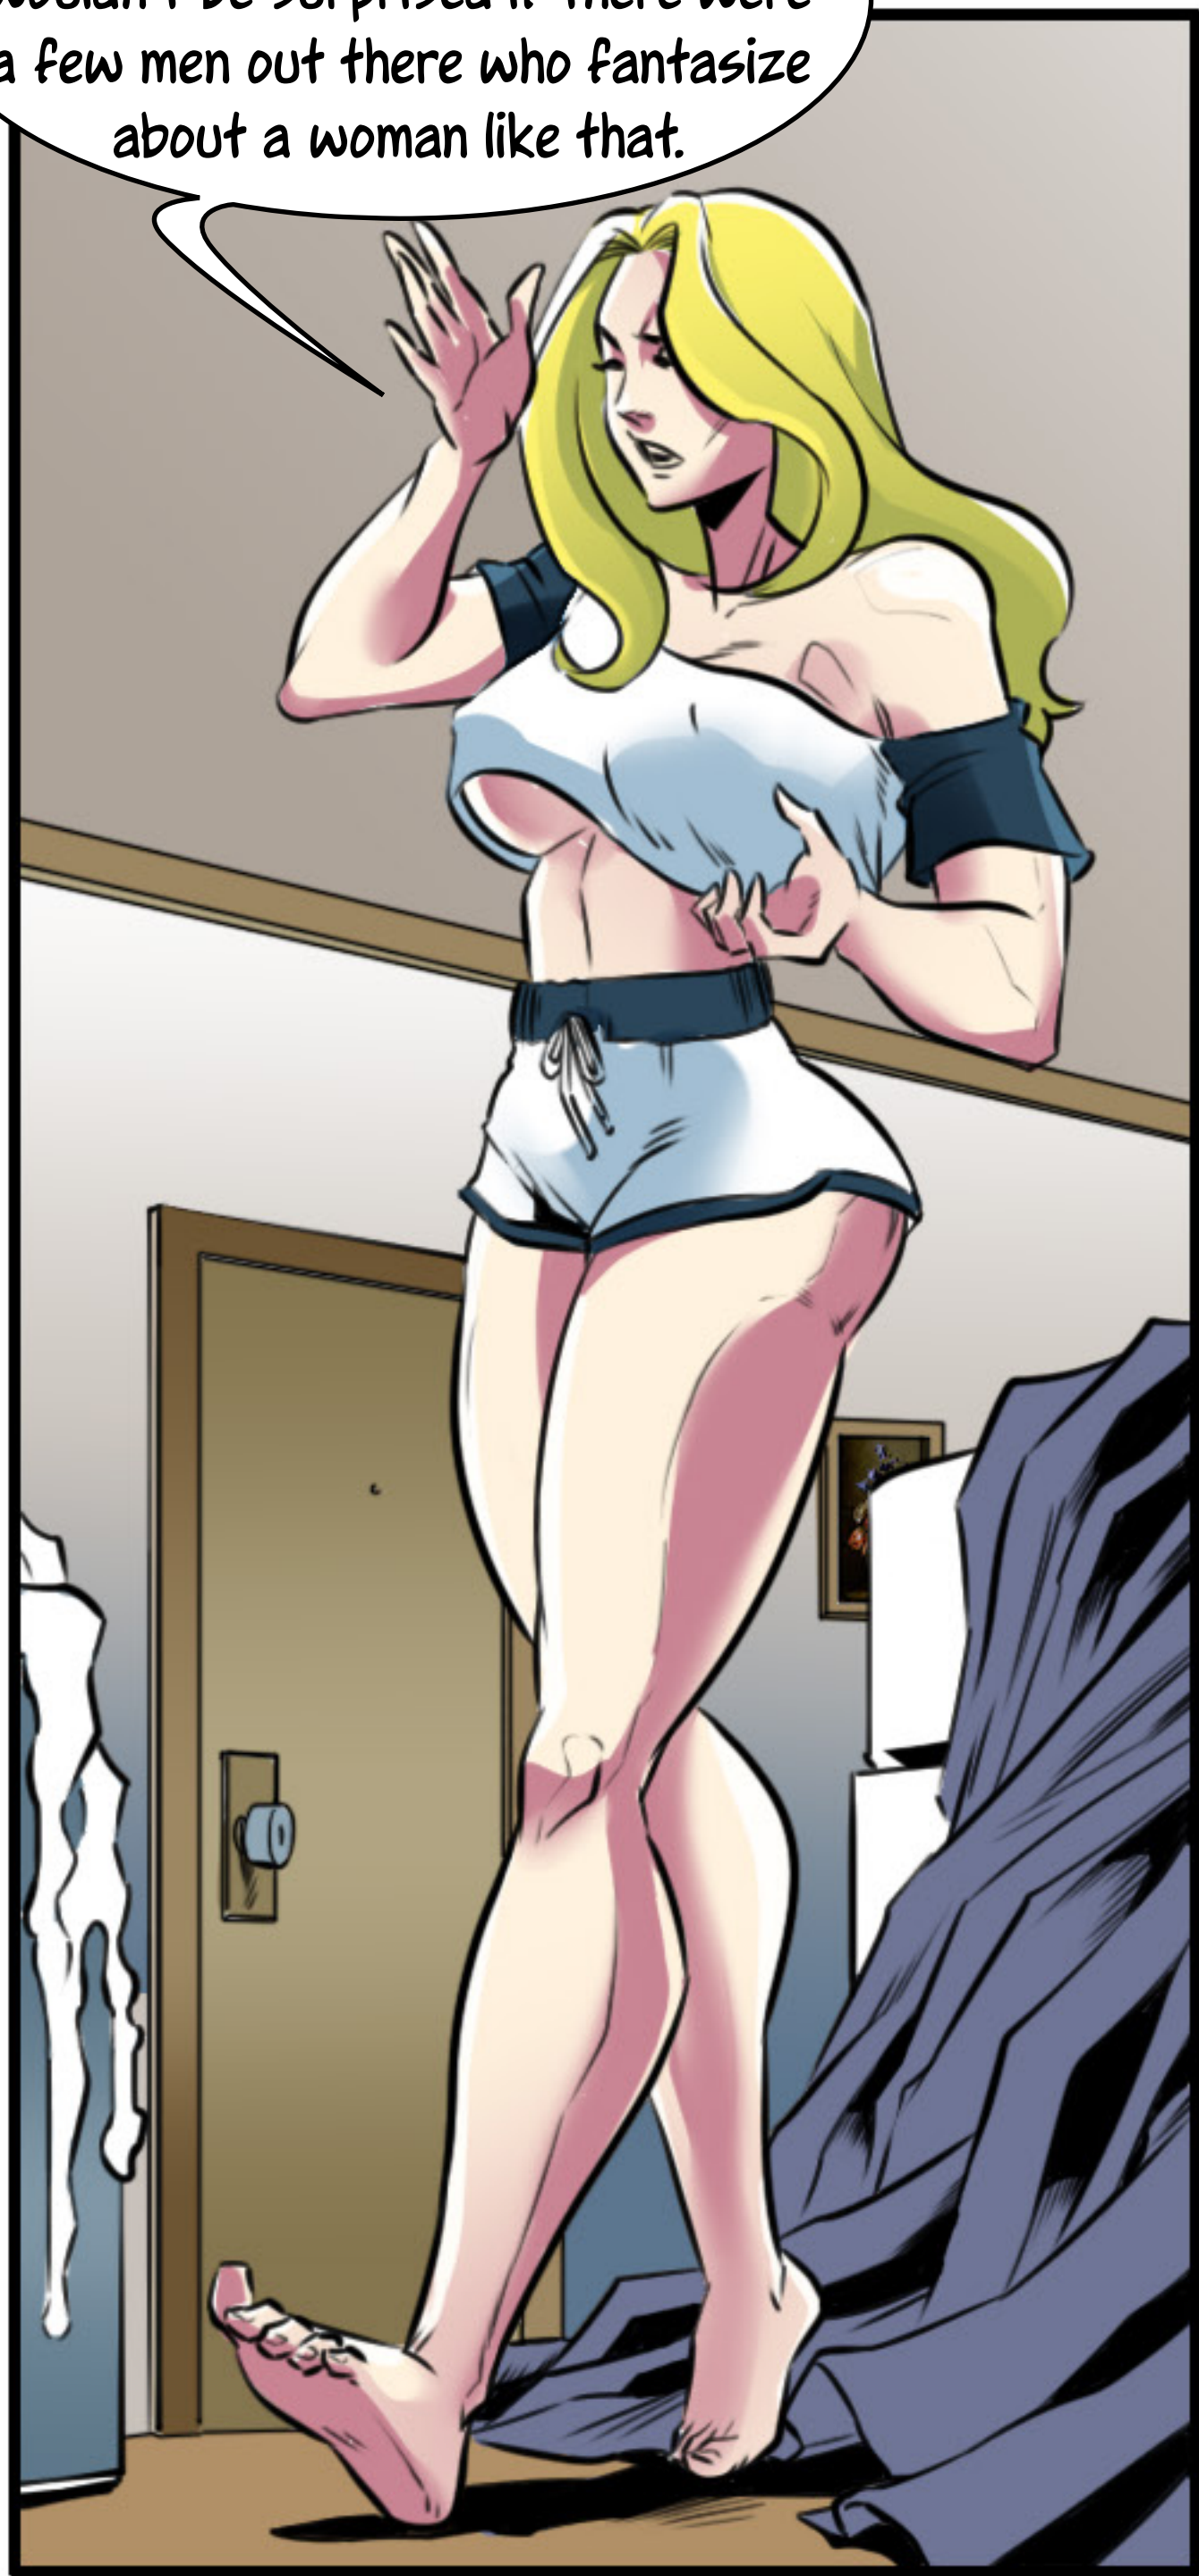

The next day...

HUH?!

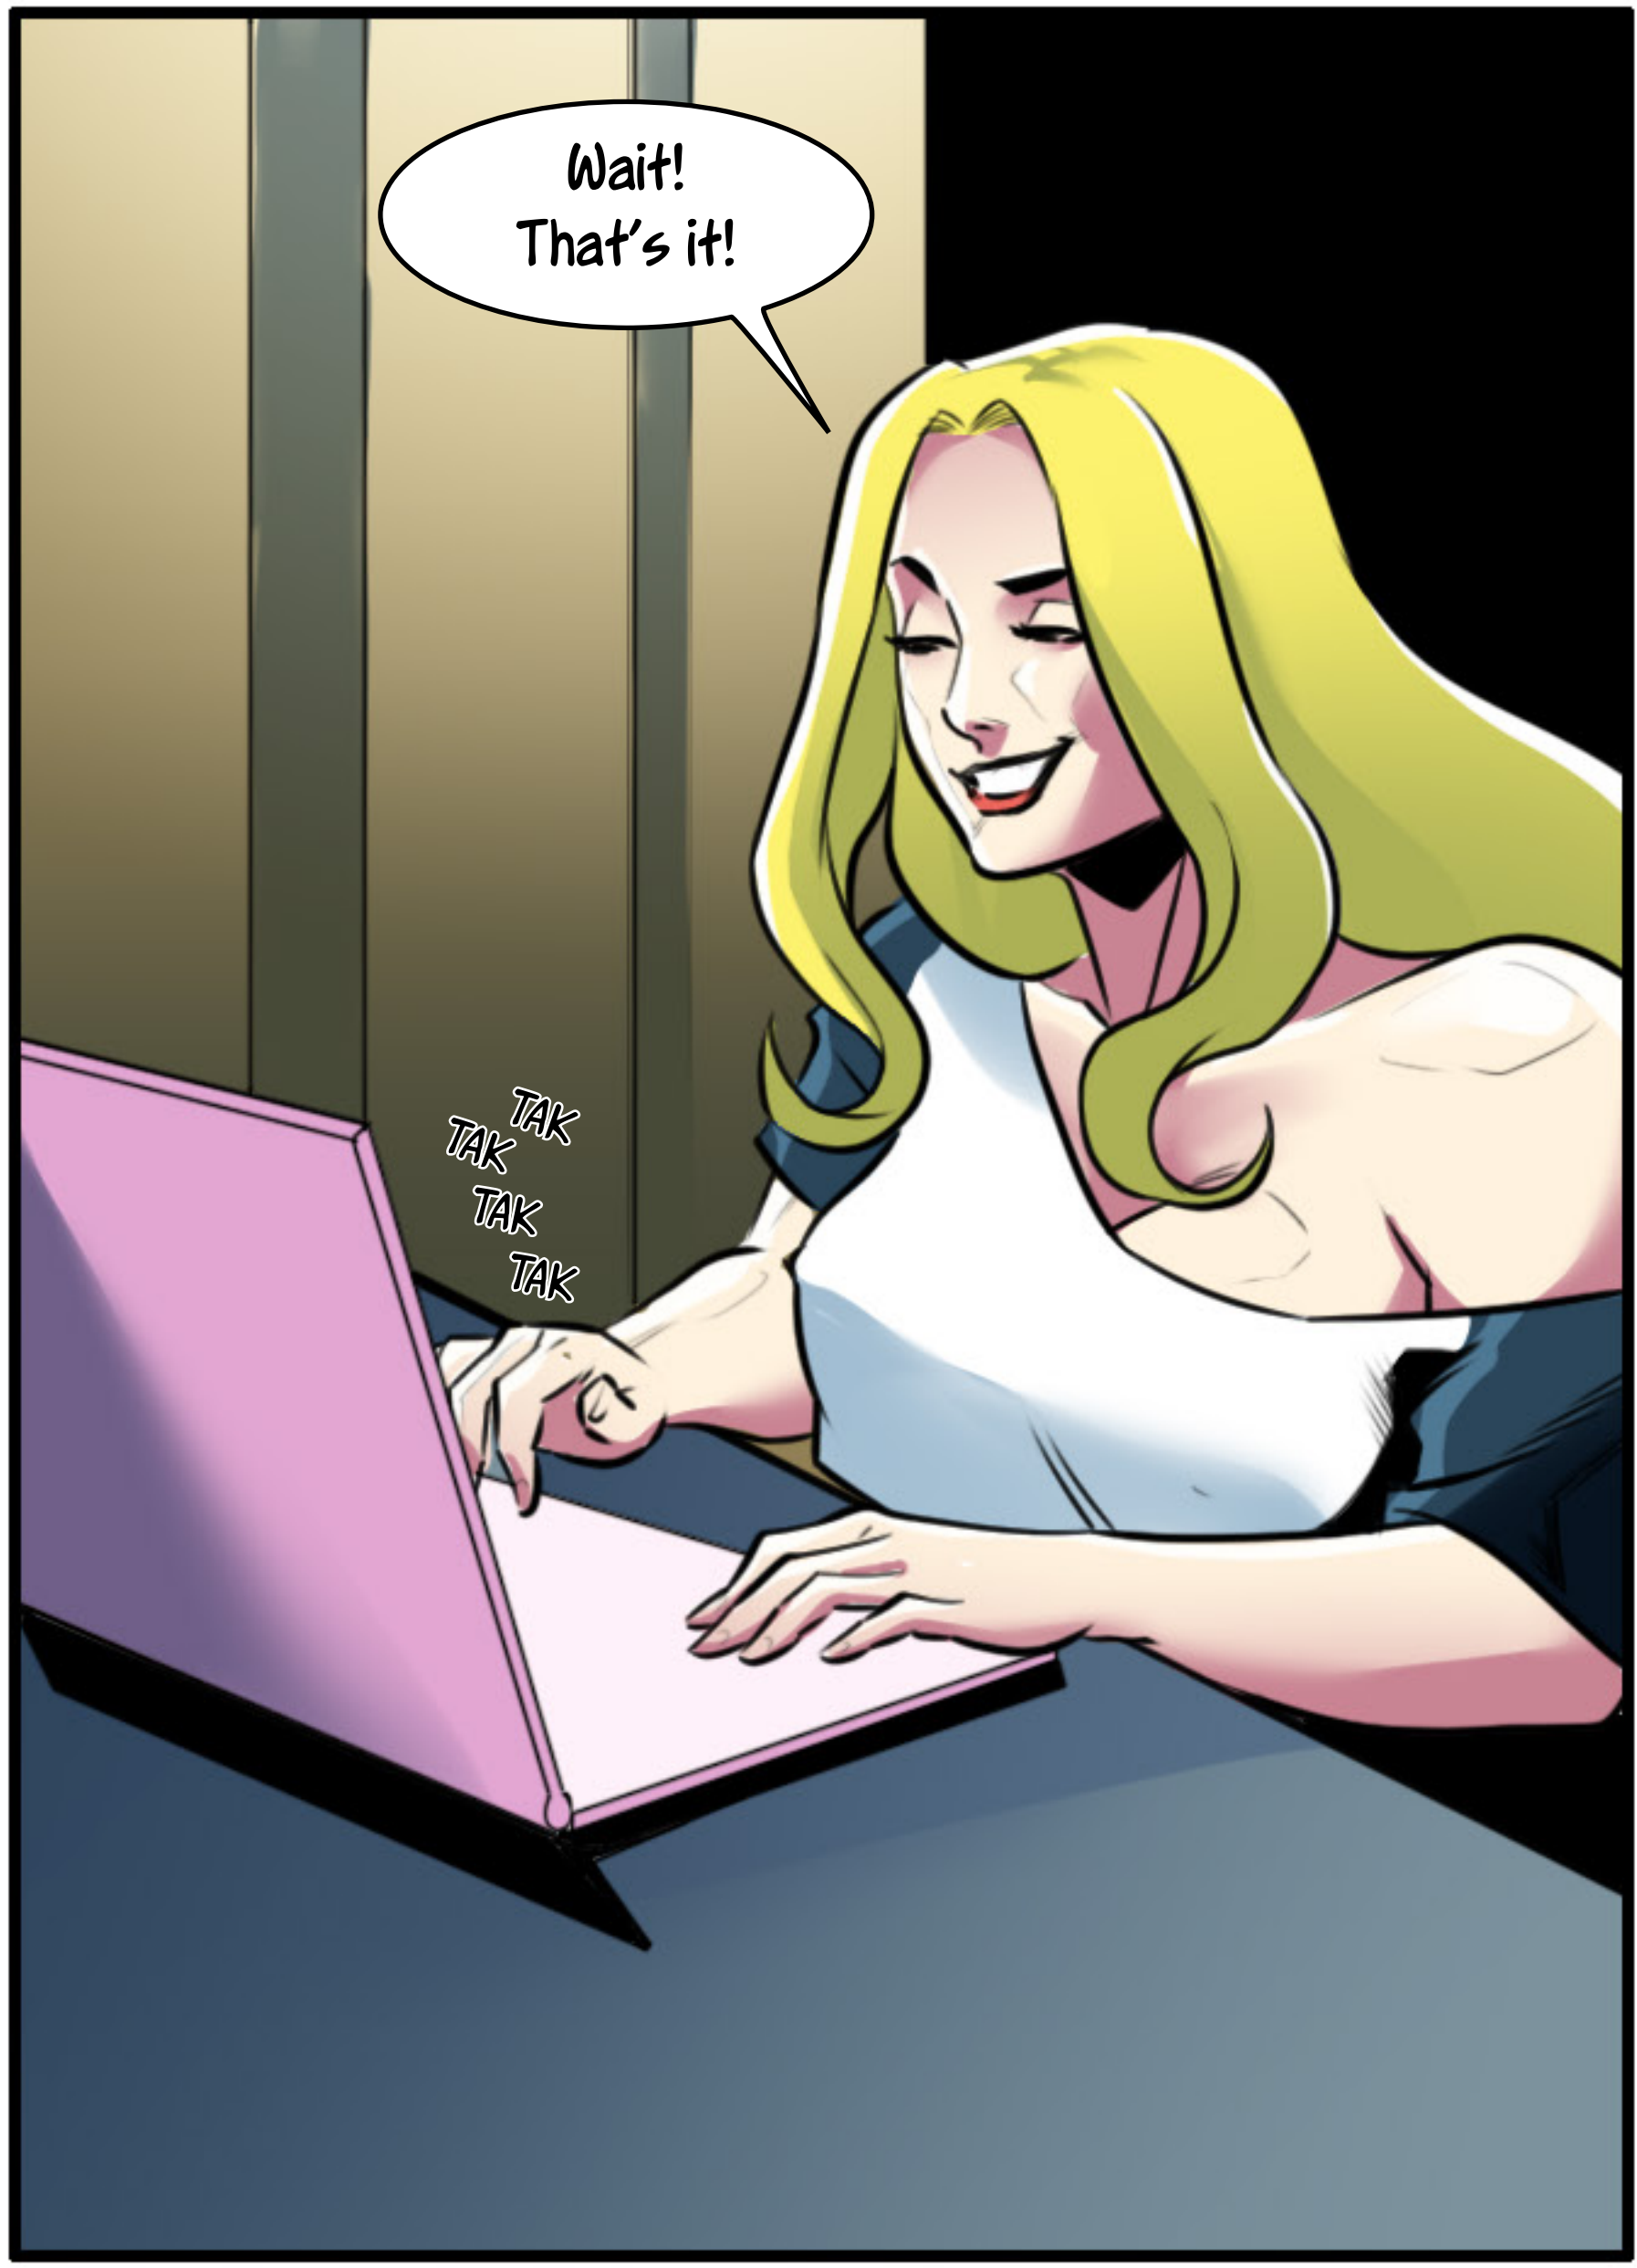

Ughhh...
What happened? I remember
getting my super ass kicked
and then... How did I get
back here?

She's practically
an evil goddess now. Hmph...
wouldn't be surprised if there were
a few men out there who fantasize
about a woman like that.

FUUUUUCK!
Not only did I not get uncursed.
I created a super monster that is
probably taking over the planet at
this very moment!

FWOOMP!

Wait!
That's it!

GLUG

GLUG

What?

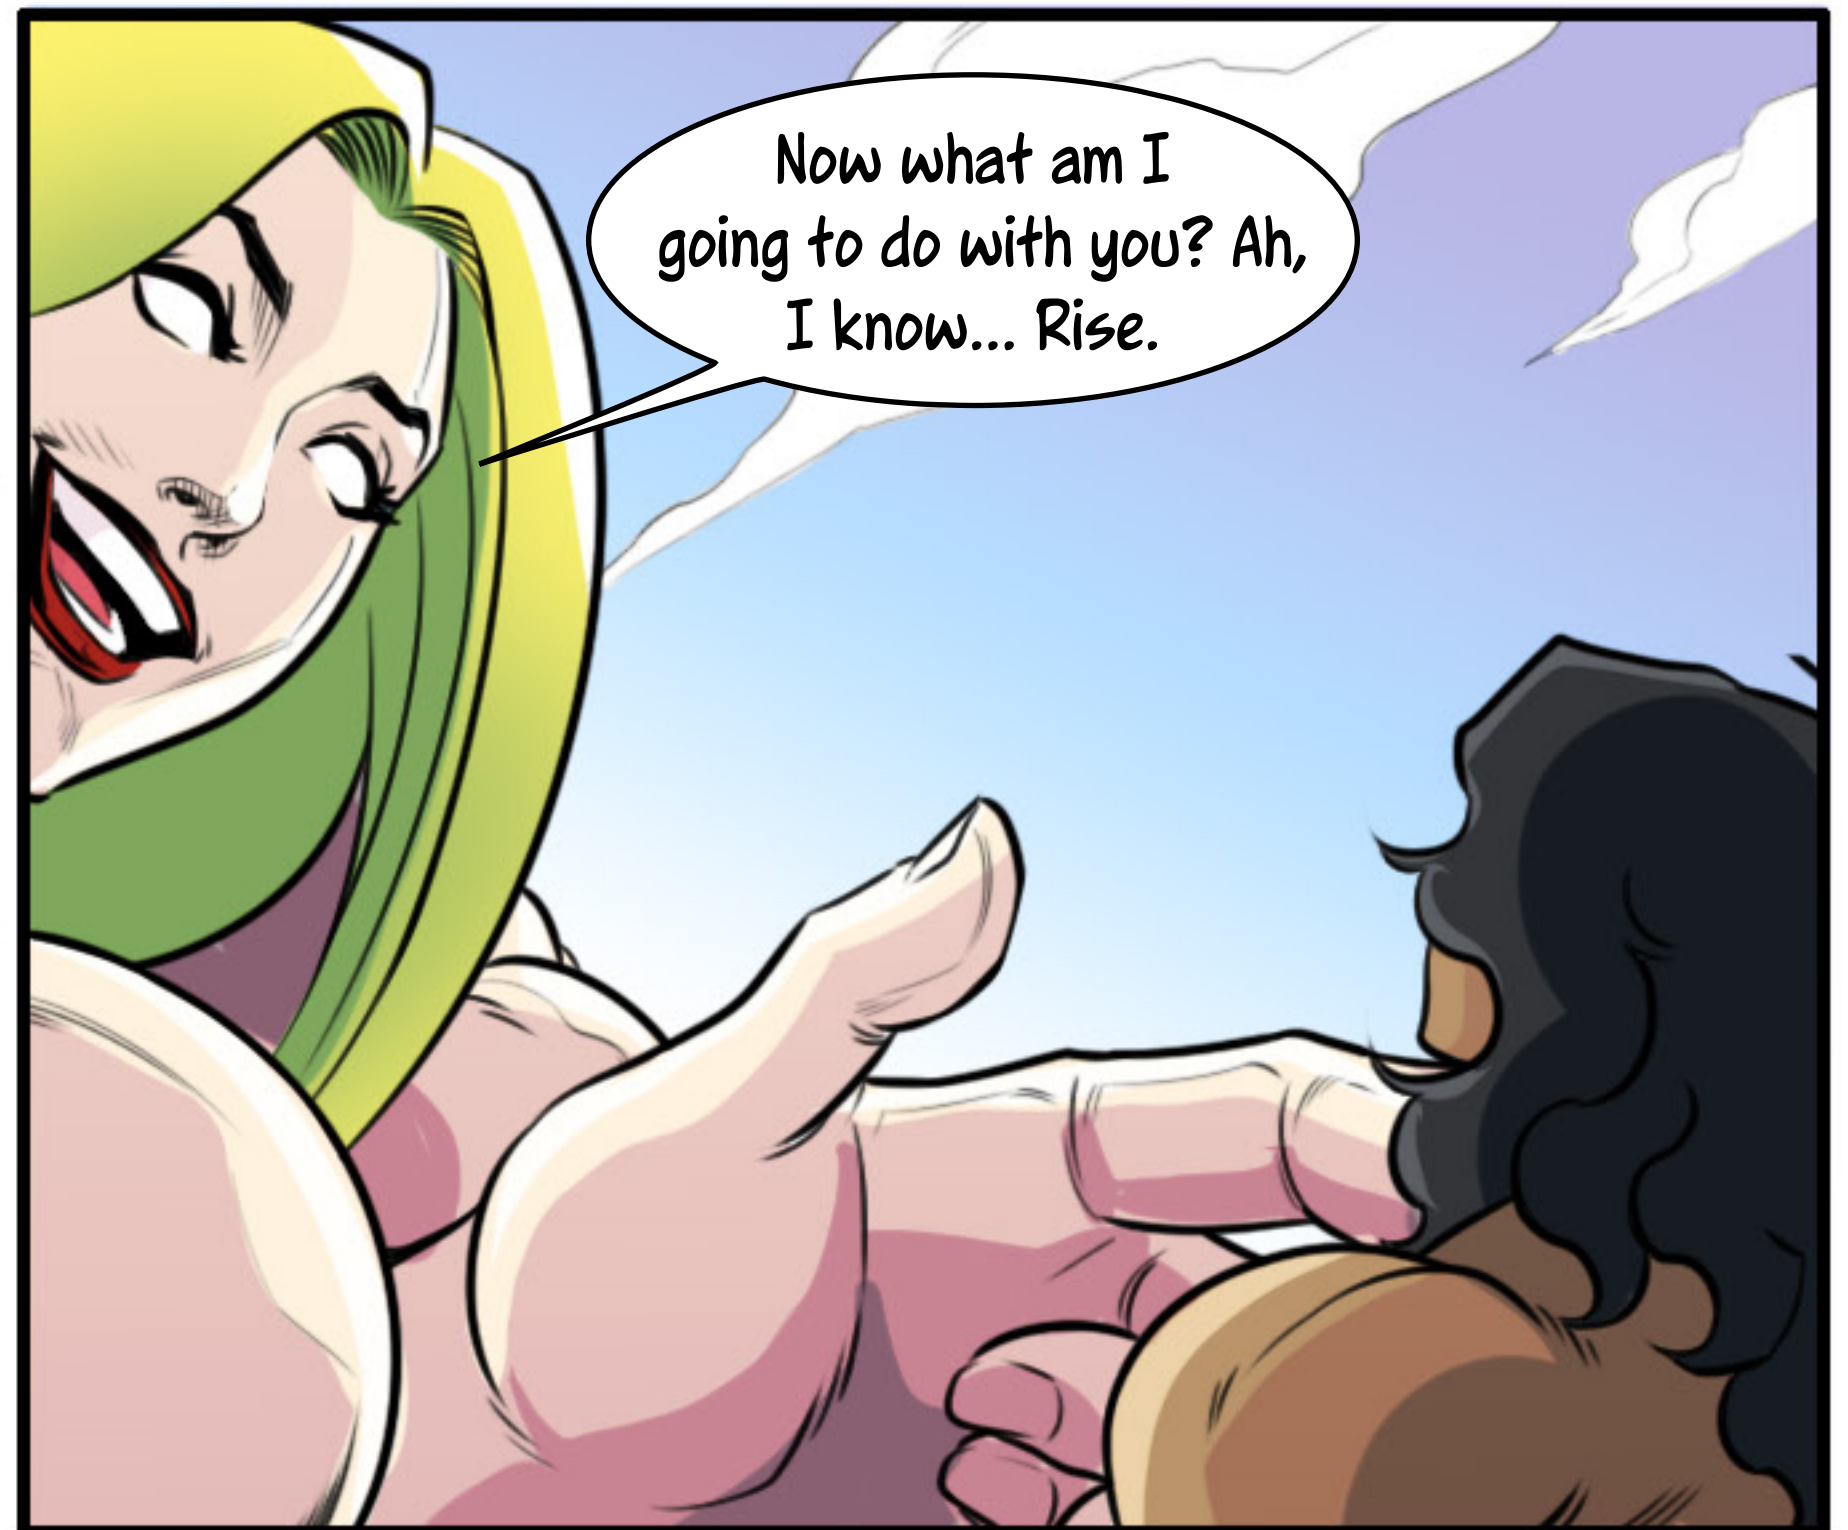

There is no word for what I have become. My power is beyond limitless. Beyond any logical means of measure. Mere gods are nothing compared to me!

Even you, a being so powerful that gods would worship you, are nothing to me.

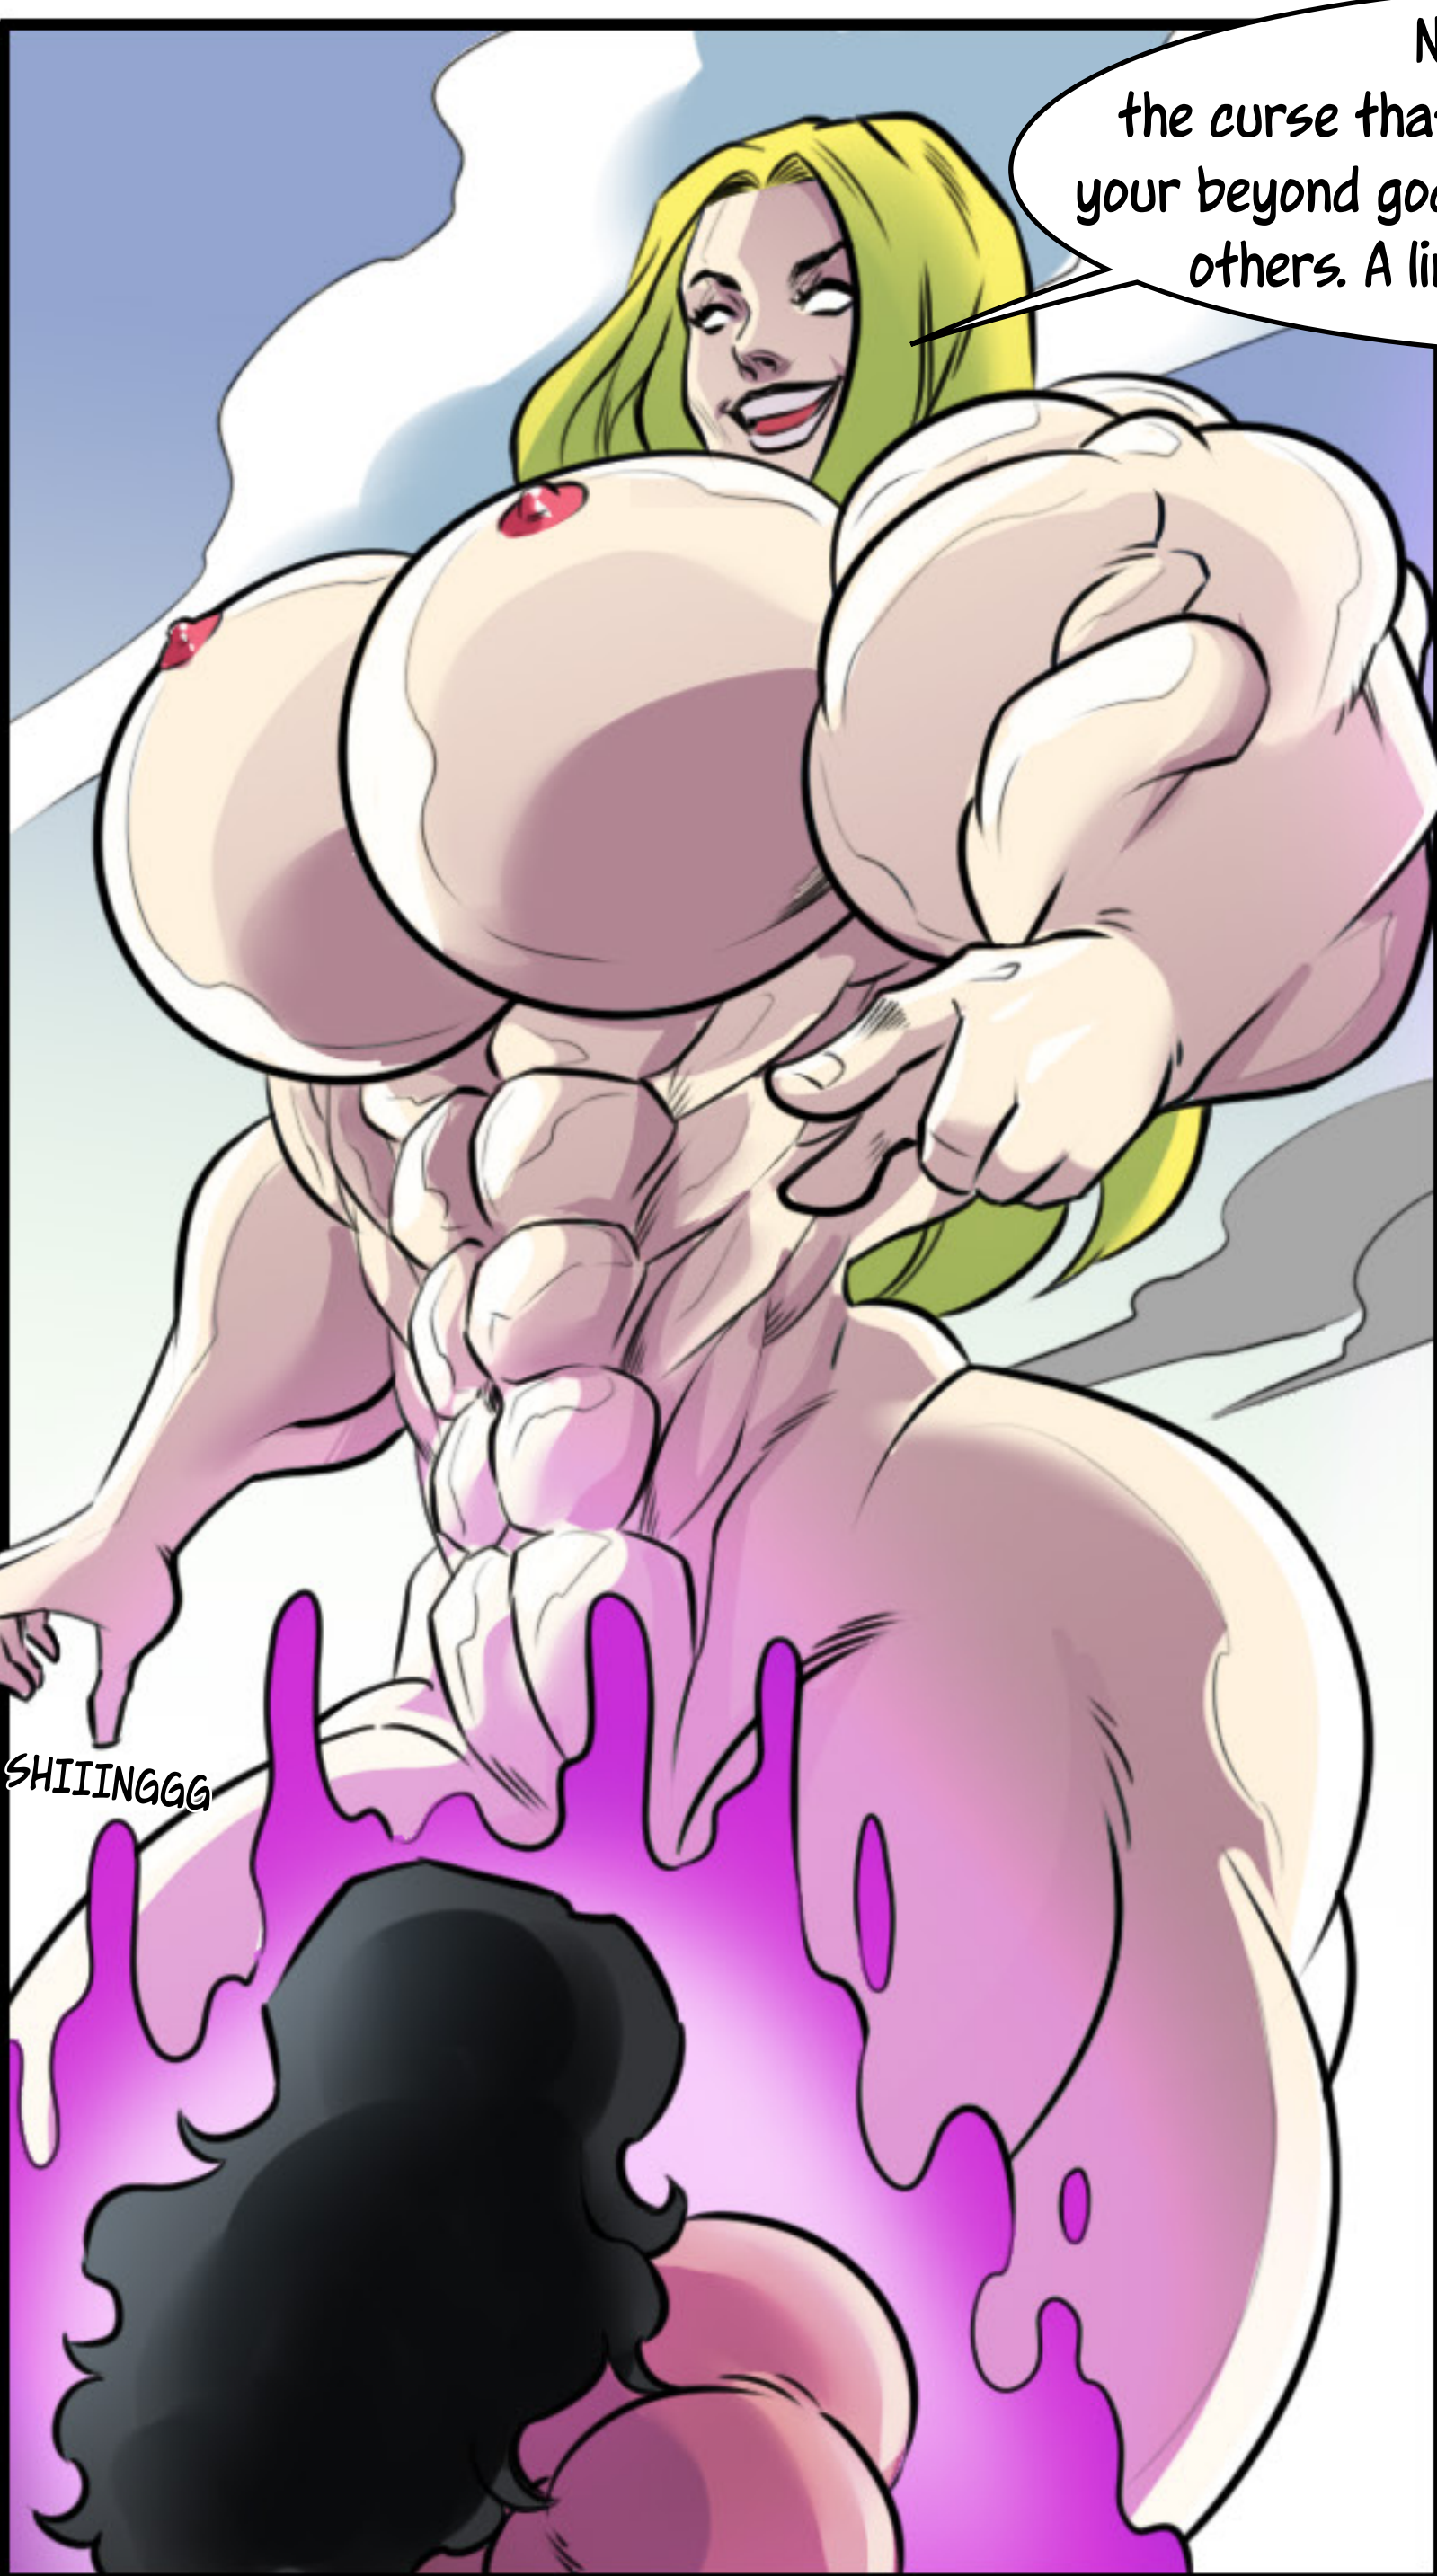

Now what am I going to do with you? Ah, I know... Rise.

These bands are a symbol of your eternal servitude.

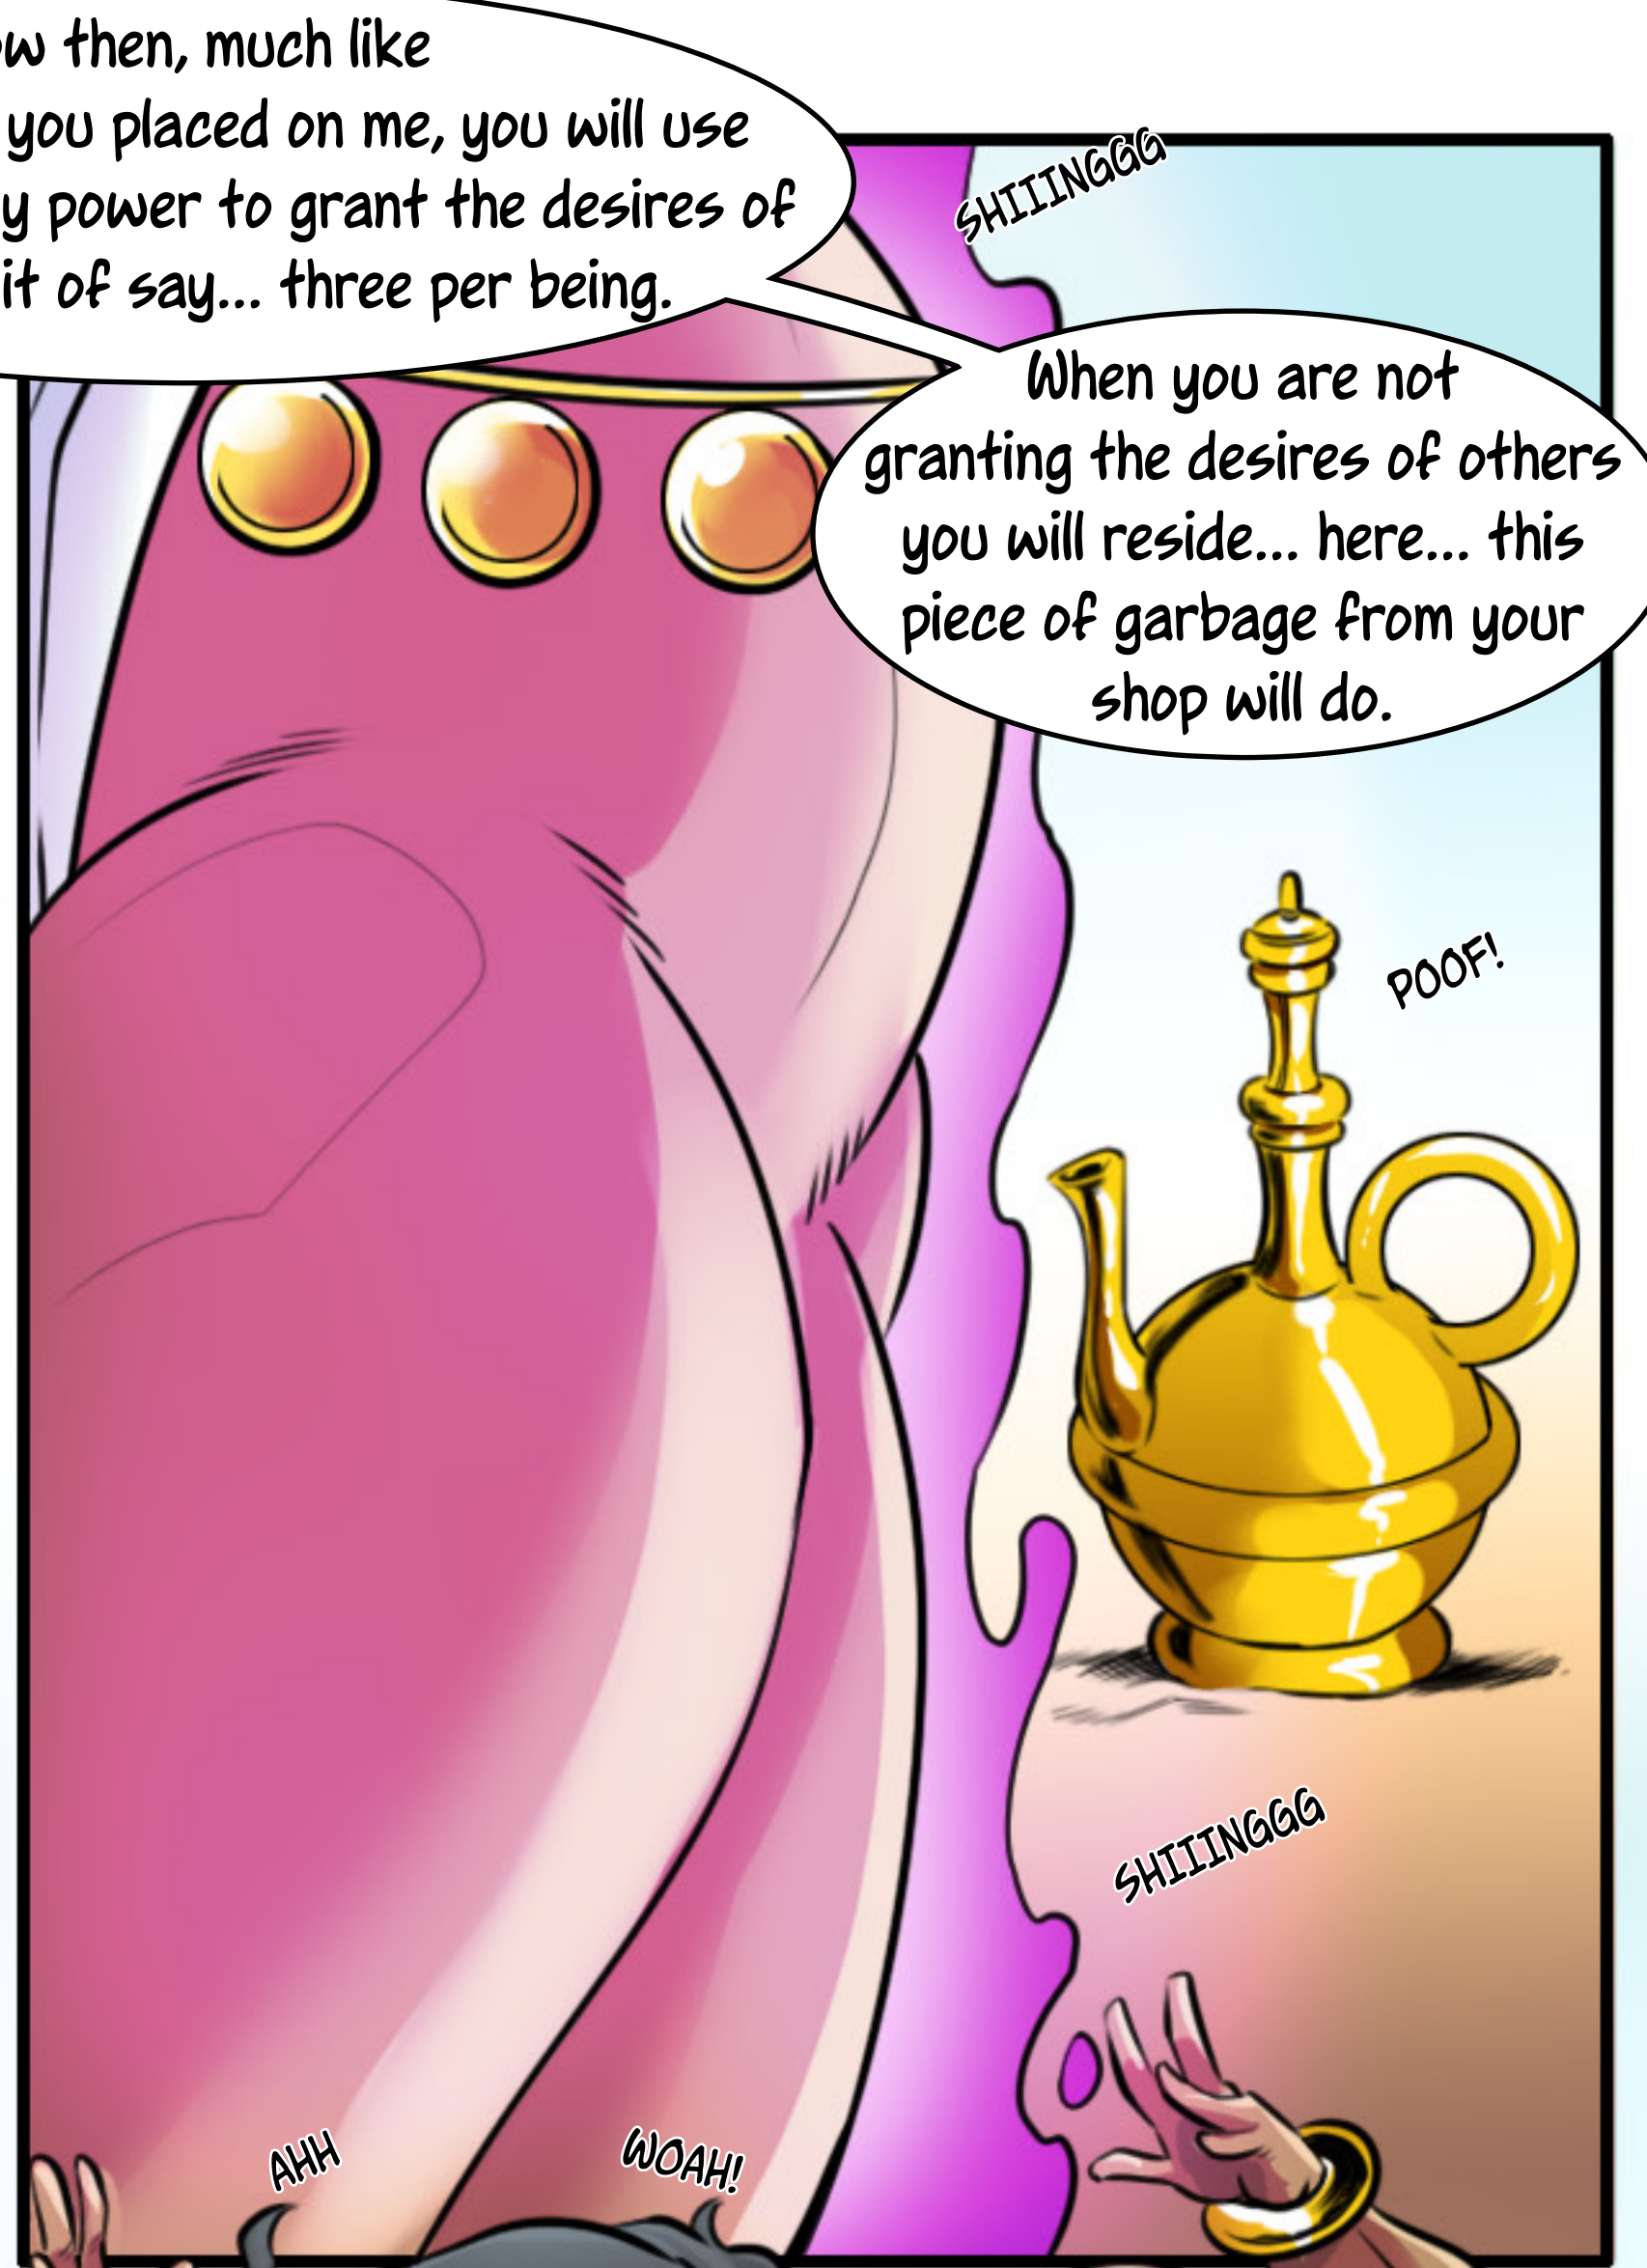

Since you are about as powerful as a mere mortal compared to me you will dress like one. You seemed fond of this style of clothing.

Now then, much like the curse that you placed on me, you will use your beyond godly power to grant the desires of others. A limit of say... three per being.

SHIINGGG

SHIINGGG

When you are not granting the desires of others you will reside... here... this piece of garbage from your shop will do.

POOF!

SHIINGGG

AHH

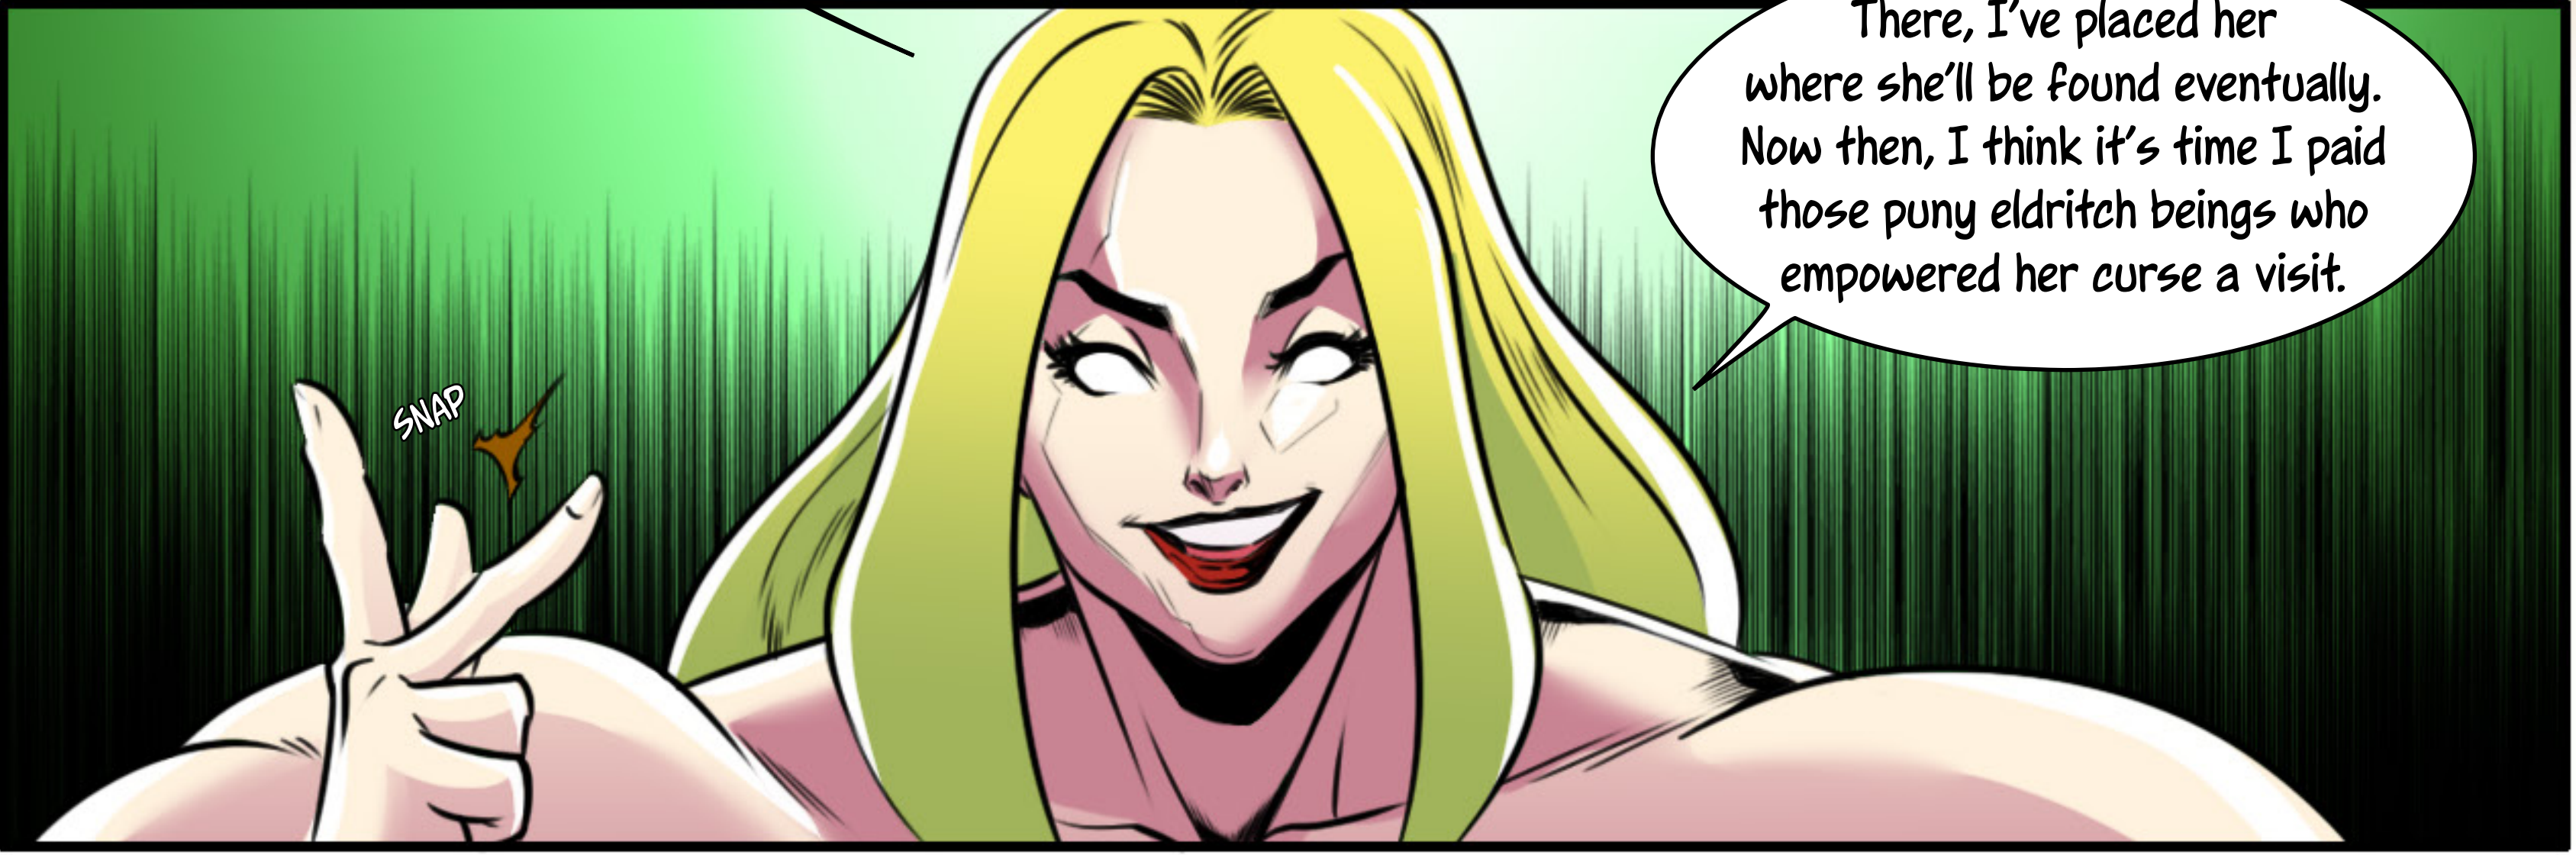

WOAH!

FRWOOSH

FRWOOSH

Now get inside I tire of looking at you.

There, I've placed her where she'll be found eventually. Now then, I think it's time I paid those puny eldritch beings who empowered her curse a visit.

SNAP

HAHAHAHAHA!

Maybe I'll keep them as pets.
Hahahahaha!
