Could it be?

I...I never believed that this curse truly existed. Magic can't be real. But...what if...?

Yes! I found it!

PST!

Ups. I'm sorry!

Yes! That is absolutely amazing! If this is absolutely amazing! If this curse really works, it would help me to show that bitch, Carolyn, her place! She beat me me last time in the debate club! hehe

PST! Shut up!

PST!

And with the knowledge of an old, ancient curse Lisa left and hurried to head home
The needed ingredients for the curse would not be hard to find, every shop have them and today will be Lisa's day...she knows it!

Let's see...What do I need? 3 black candles, purified water, rose essence...hm... a picture of her?

Fine. I will get a picture from the Yearbook... or her website.

After Lisa found everything she need for the spell she started to think what could be the best fate for Carolyn...

Hmm...I don't know. What would fit to her?

Southern Hillbilly?

Cumslut?

Maybe a arabic wife with no rights?

Naaa!

Damn it!
Not that voice!

Hey!
Lisa!

Burn in Hell,
Bitch!

Oh..hey
Carolyn. How
are you, my dear?

Hm..
maybe Bitch
in heat?

Hi Lisa,
nice to see you!
where are you
going?

Oh, still going home. It was a boring time in the library. hehe

Au contraire. What do you want in the library? Do you want revenge because i beat you?

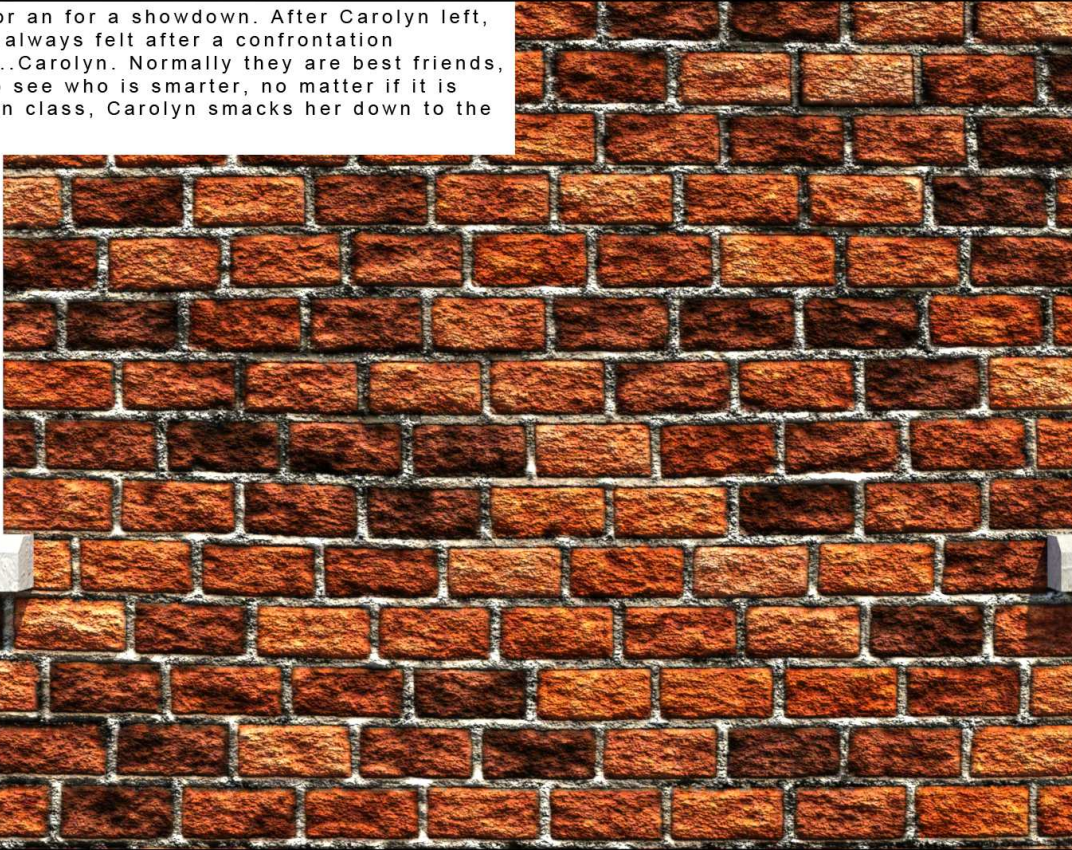

A Bimbo? An airhead, slutty Bimbo?

That sound amazing! A Bimbo would fit perfectly.

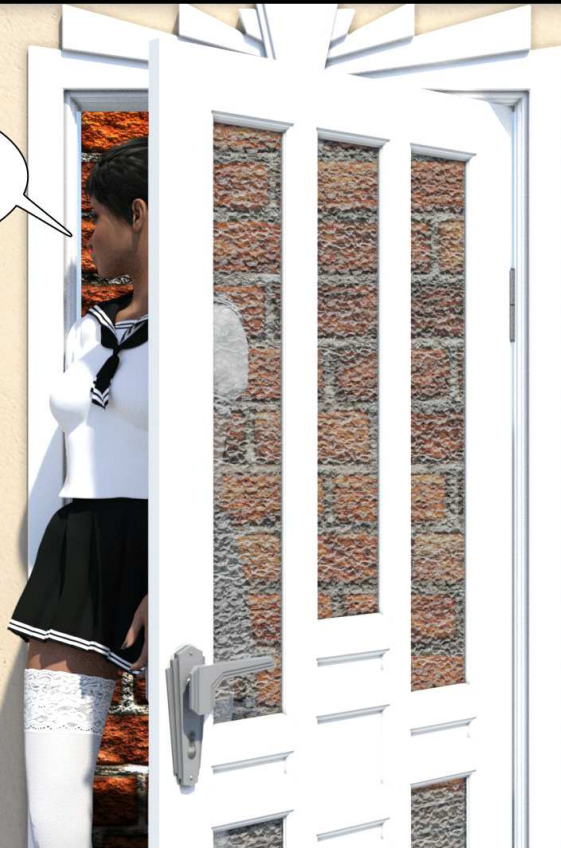

umm... Bye..

Don't worry that little head of yours, Lisa. You never have chance against my high IQ. See you Silly.

Oh boy...what for an for a showdown. After Carolyn left, Lisa felt as she always felt after a confrontation with her enemy...Carolyn. Normally they are best friends, but everytime to see who is smarter, no matter if it is in a contest or in class, Carolyn smacks her down to the ground...

Don't worry that little head of yours... she said. I swear, with this curse she will be the dumbest person ever! *grr*

So Lisa started to work on the ritual. Everything she needed was easy to get...or was already at her home. Just one hour later everything was in place and she lit the candle flames.

And the last thing before the ritual becomes hard... a picture of Carolyn. As I remember correctly the picture is optional, but it increases the effects.

The photo, the ingredients, the mixture is ready... now comes the hard part. I need to concentrate and keep that monotone chant for twenty three minutes. Then the changes should happen to my enemy. There is no room for mistakes...

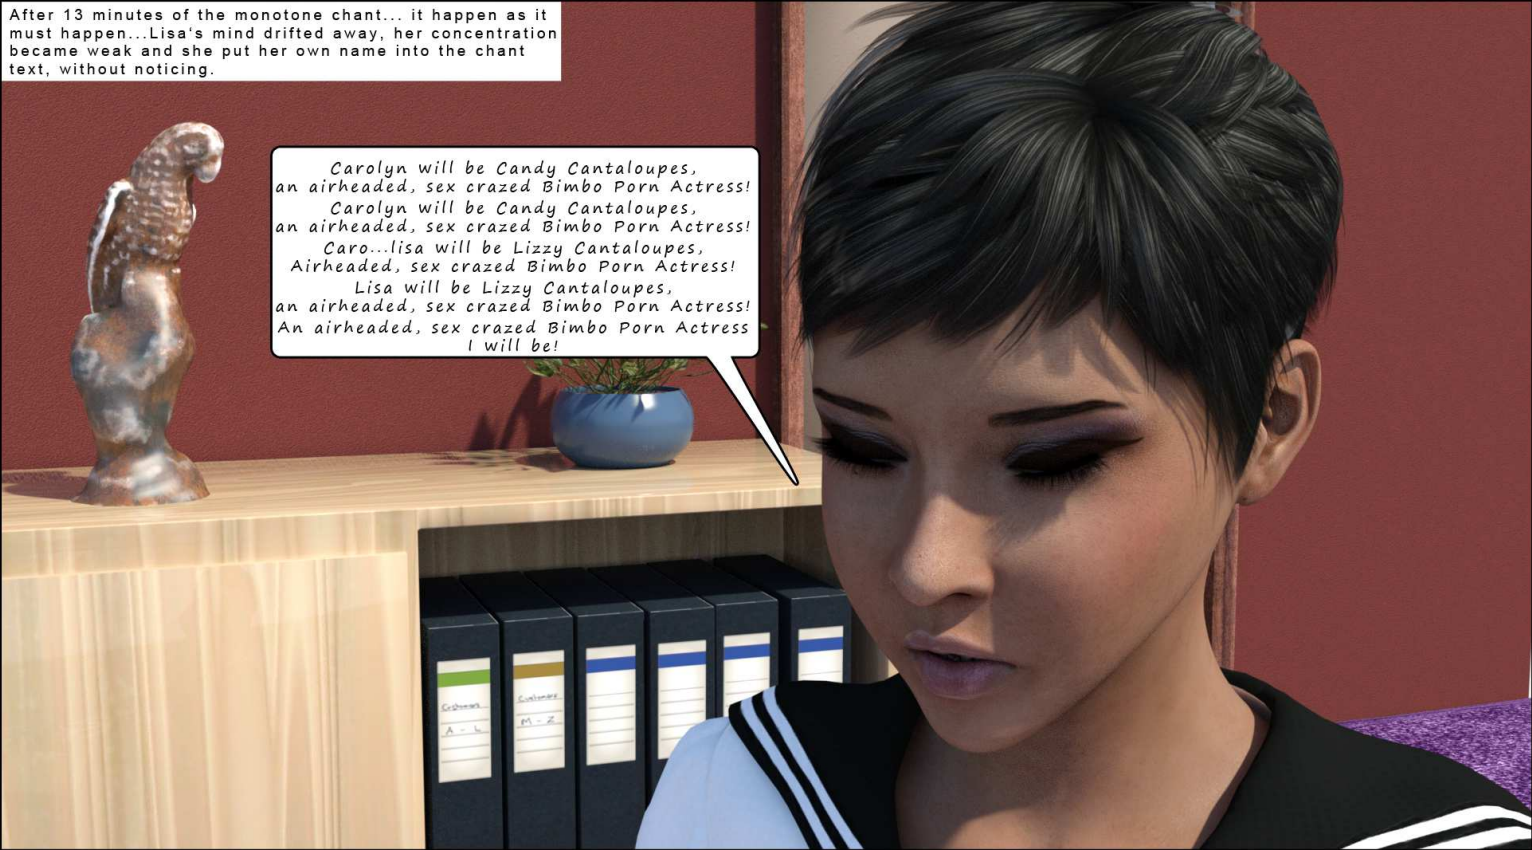

Relax Lisa, you can do it. Just stay cool and concentrate!

Carolyn will be Candy Cantaloupes, an airheaded, sex crazed Bimbo Porn Actress!
Carolyn will be Candy Cantaloupes, an airheaded, sex crazed Bimbo Porn Actress!

Carolyn will be Candy Cantaloupes, an airheaded, sex crazed Bimbo Porn Actress!
Carolyn will be Candy Cantaloupes, an airheaded, sex crazed Bimbo Porn Actress!

And that monotone text twentythree minutes? That is very hard, even for a bright mind like Lisa has...

After 13 minutes of the monotone chant... it happen as it must happen...Lisa's mind drifted away, her concentration became weak and she put her own name into the chant text, without noticing.

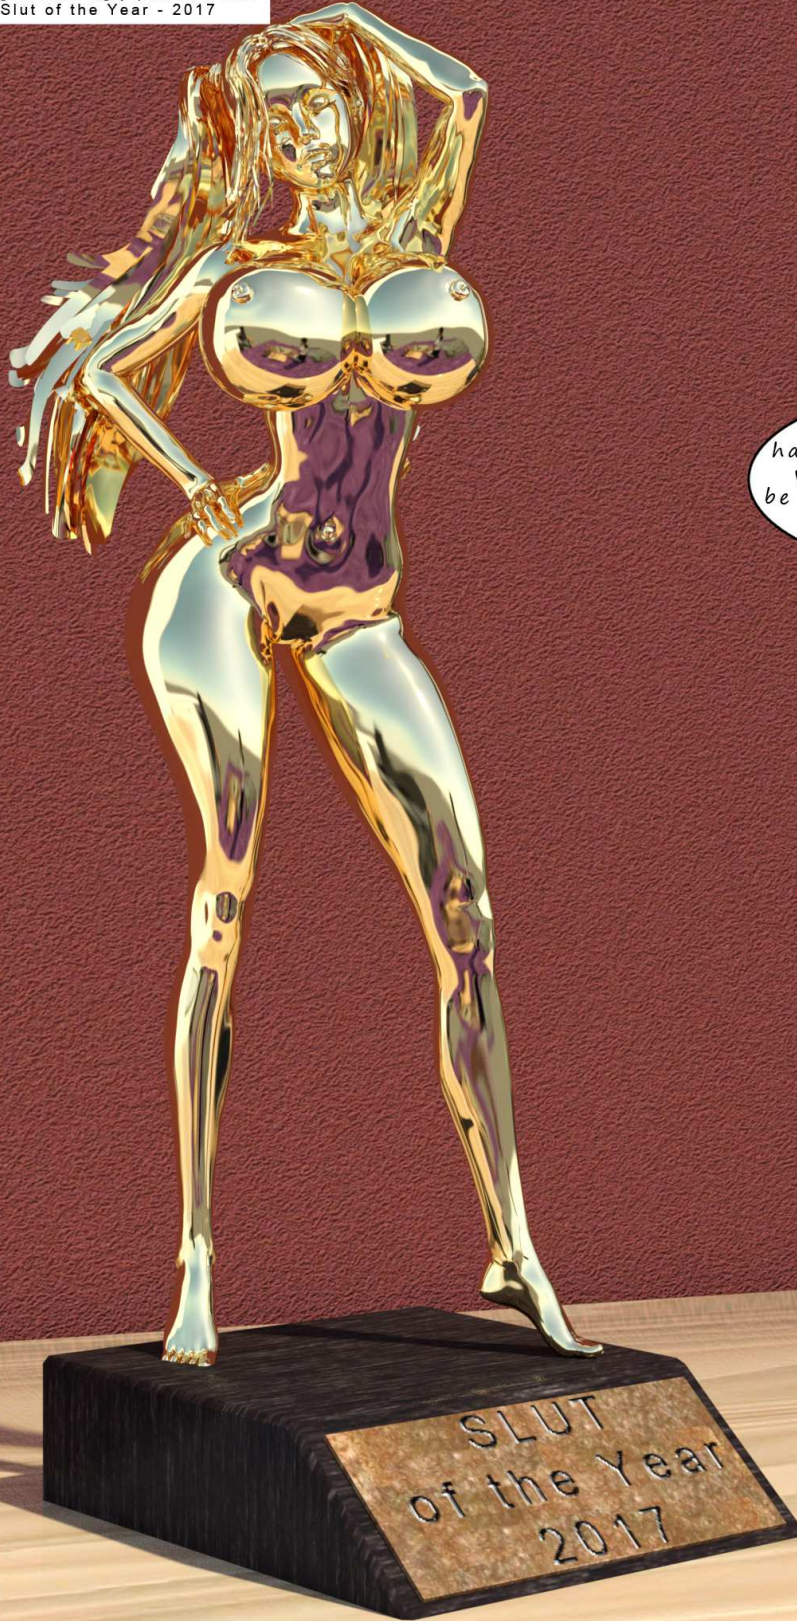

Carolyn will be Candy Cantaloupes,
an airheaded, sex crazed Bimbo Porn Actress!
Carolyn will be Candy Cantaloupes,
an airheaded, sex crazed Bimbo Porn Actress!
Caro...lisa will be Lizzy Cantaloupes,
Airheaded, sex crazed Bimbo Porn Actress!
Lisa will be Lizzy Cantaloupes,
an airheaded, sex crazed Bimbo Porn Actress!
An airheaded, sex crazed Bimbo Porn Actress
I will be!

After 20 minutes of the monotone chant...

Carolyn will be Candy Cantaloupes,
an airheaded, sex crazed Bimbo Porn Actress!
Carolyn and Lisa will be Candy and Lizzy Cantaloupes,
airheaded, sex crazed Bimbo Porn Actresses!
Carolyn and Lisa will be Candy and Lizzy Cantaloupes,

Carolyn and Lisa will be Candy and Lizzy Cantaloupes,
airheaded, sex crazed Bimbo Porn Actresses!
Airheaded, sex crazed Bimbo Porn Actresses
we will be! *giggle*

After 23 minutes of the monotone chant first things in her room had already changed...the ugly parrot is now a contest trophy with a sign: Slut of the Year - 2017

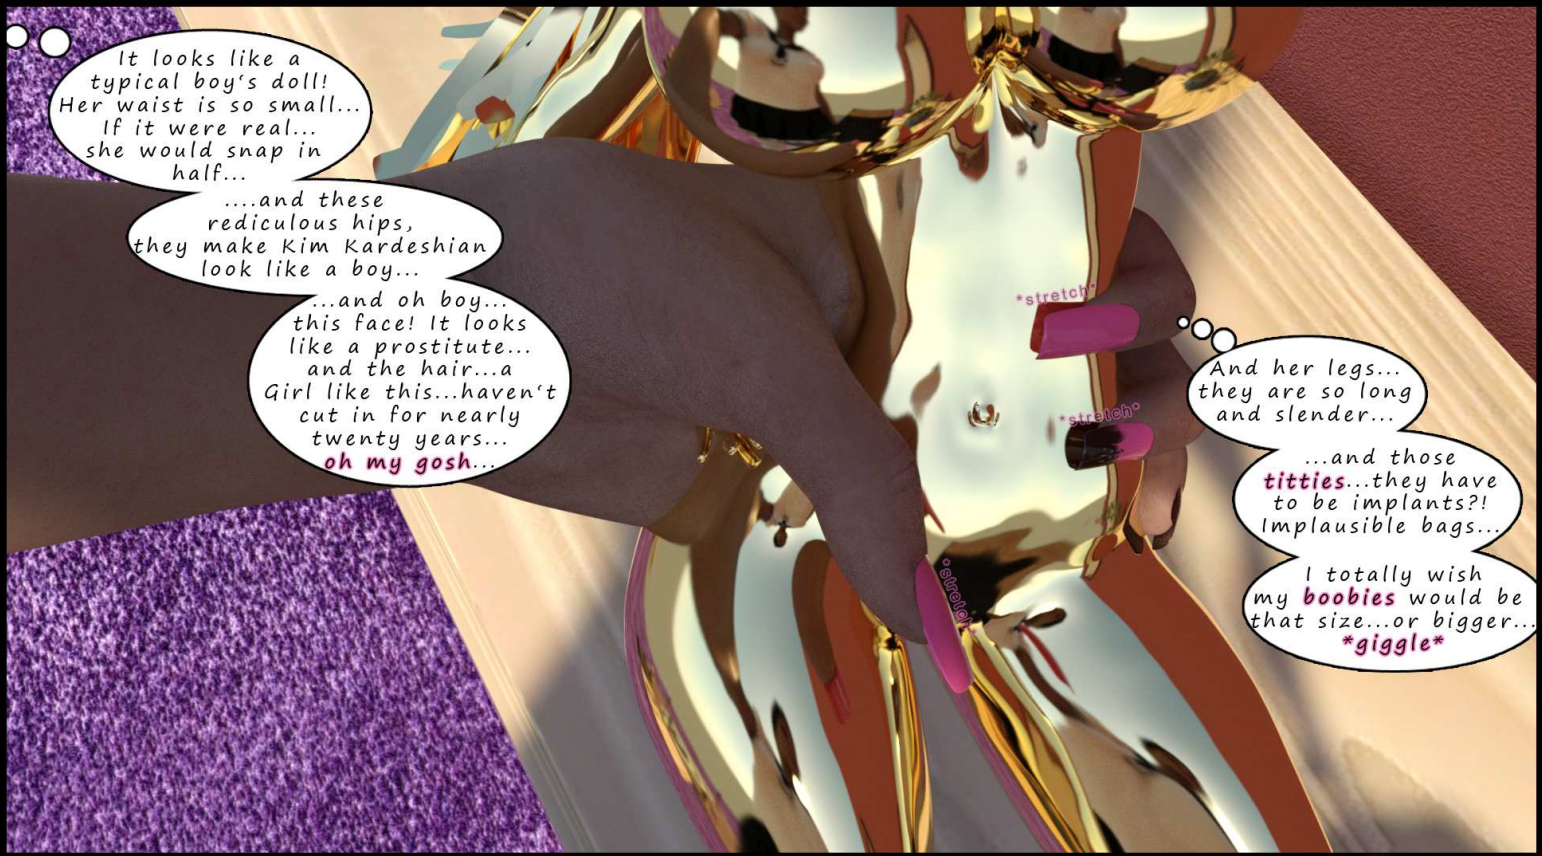

pew That was not that hard i guess. I hope everythings works fine and Carolyn will be changed to her new identity! I can't wait to see, teehee...

Oh...what is that statue for there?

giggle

It looks like a typical boy's doll! Her waist is so small... If it were real... she would snap in half...

But the curse has doubled it's effects, after Lizzy blacked out. The Phone App is standing on repeat. Candy and Lizzy don't know it, but the effects are taking place.

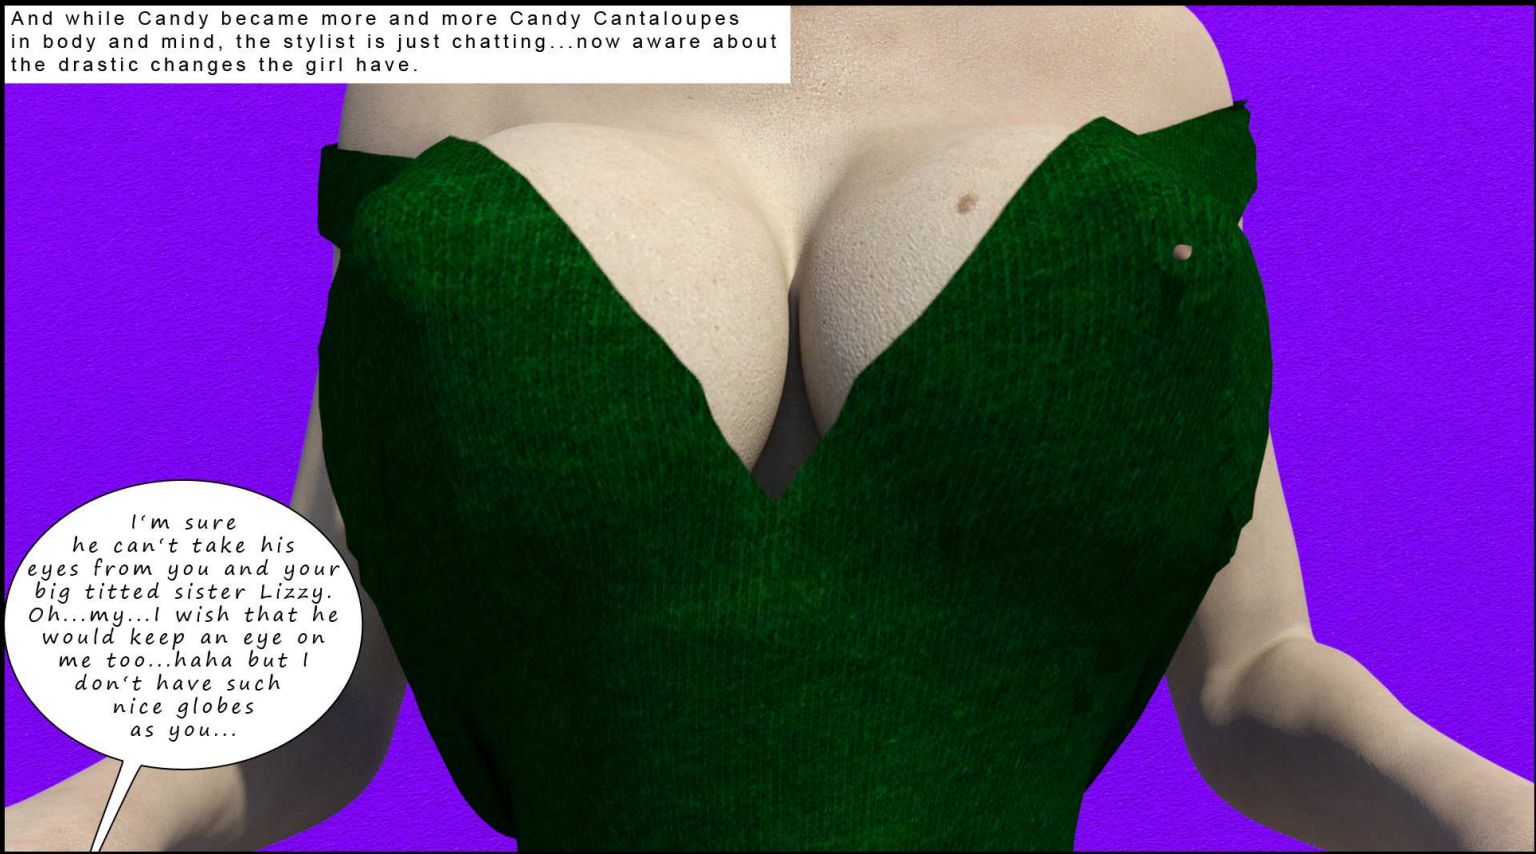

You know honey, it is always a pleasure to have you, or your „sister“ Lizzy here in my room. Your Make-Up is mostly perfect and I don't have a lot to do. But..I get paid by the hour...

...and so we have time for a little chit chat, just we „Girls“. Did you see the new the new paper boy? He is so cute!

And while Candy became more and more Candy Cantaloupes in body and mind, the stylist is just chatting...now aware about the drastic changes the girl have.
