My brother tends to exaggerate a bit...

Come on, I don't think the situation is really that desperate...

What would you know about it, Matthew... we both go to the gym all the time, but I get absolutely nowhere with women... you're very lucky, let me tell you!

You're right about that... we're about to start our own family...

You're a beautiful woman, Klare... I have no idea how you turned out this way...

You can't say it like that...*hic*

Well... you know... “Tom” didn’t seem like the right name for me anymore... and I wanted to change my gender... that’s it...

I know something doesn't add up in this story... *hic* you should not get pregnant, you know... I'm happy for my brother, though...

It’s 2026, Henry... there are... *hic*... modern methods, you know... I’m happy for you too, sister...

Well, let's say... he used an experimental method...

You told us after three months... and she was already a baddie...

I'm stepping away for a moment, my love... I'll be right back...

Don't take too long, my love...

Henry is right about that... you even look older than me now... plus, you're shorter...

Yeah, something is not adding up to me, Klare... *hic*... you could have told us sooner...

You're right, sorry... we got a bit carried away... but it is what it is...

Sip... If I don't manage to find a woman, I'll still be the best uncle in the world... you can count on that... *hic*

T-Thanks Henry...
But you'll find someone...

I think it’s getting late... Come with me, big brother; you can’t go home in this state...

I’ll be the weird uncle... *hic* the cool uncle!

I'll handle it, Klare... I'll take him upstairs...

I.'ll ugh... ' wail... *hic I'll bea the best...

Thanks, Phill—I'd better take these... Take him to the guest room and stay the night yourself, too...

I want to have a family too, Phill... what about you?

Come on, *Uncle*... you need to rest...

Yes... our moment will come too...

Get some rest, Henry... your brother's special day is coming up soon...

I know... *hic*... He'll be a good father, and I... zzz

But how does he do it...
Sleeping like this...

A weird evening... but we knew that...
It was right to tell them... we're taking a big step...

My brother, even though he's drunk, has always been a smart guy... he knows there's something going on... we should tell him about the transf-

What's wrong with my face? It seems... different...

My skin is so soft... it feels like my face has changed... do I look more attractive?

The bra... when did I put it on? I don't remember doing it... I look like a girl this way...

grunt... I can't... get it off! It's so stiff, for God's sake...

What the hell is this thing made of... I just can't... and besides, I've never even worn it!

I can feel my body heating up even more... what is happening to me? Why does this always happen to me?

GROWING

Whoa... MMMNNNGG...
it feels a bit too hot...
but it feels good...

AAAHHHHH... my back is crackin... that felt so good... What is happening to me...

CRACK

YOOOOO, what? Why do I look like a fucking twink? I wasted all those years at the gym...

My muscles... all that work for what? My skin feels so sensitive... it's not a dream...

What is that supposed to mean? A wish coming true? Do girls like guys with this kind of body?

What the fuck... I don't want to be seen like this... do I need to go get checked out?

Shit, this is the only thing I could find to cover my face... if I sneak out like this, maybe they won't notice any changes...

FACIAL MASK

Maybe I really do look better this way... but why can't I take off my bra? What does that have to do with it?

Better to be quick getting there by car...

There’s no one here... better get going!

Oh... Klare... Ehi...
Fuck...

Phill, what are you doing?
Sneaking off without saying
goodbye... it’s early morning...
aren’t you feeling well?

I have to go, Klare... I have things to do...

What's up, Phill? You can tell me.

Klare... I don't know what's happening...

I don't buy it... why do you look shorter to me?

Actually, never mind... I think it's just a passing phase, hehe...

But Phill what phase? And why do you have my face mask on?

Oh God, this feeling again... shit...

Go back to your room... I'll be there soon, sister and-

it really sounds like a
woman's...

Phill? Is that your
voice? Phill?

I know what's happening to you—just let me in and I'll explain!

I look like a street hooker... I'm sweating like crazy—let me take off my shirt...

Okay, I need to calm down... these two bombshells are turning me on just by looking at them...

JIGGLE

Fuck, what an incredible feeling... *gasp*... feels like I'm cumming... MMMNNNNGGG... fuck me... aaahhh

Oh fuck... I need to pull myself together... the slutty sounds that were coming out of my mouth...

Phill! The door please!

I have to say, I look stunning... and I'm still changing... God, what am I going to turn into...

I know what is happening...

I've never felt anything like this before... I have to go back to Klare... ugh...

Hey sis... things are getting crazy...

Oh fuck Phill...
you're... a woman...

I managed to figure that much out myself...

Did you happen to wear my bra?
JIGGLE
JIGGLE

I didn't put it on... it fell on my head yesterday while I was out... I brought it into my room, and I woke up wearing it! But I didn't put it on myself!

My bra did this to you... fuck... It's even too tight for you...

I can feel it rubbing against my nipples... I can't get it off no matter what...

I know what you mean... it happened to me a year ago, hehehe...

WHHHHATTT? Don't tell me... you've become a woman with this bra? And you're just carrying it around like that?

But how Klare... Is there a way to stop all this?

Not with that specific bra... with another one I found at university. But yes... well, that's how I changed...

Not as far as I know...
it's like a sort of curse...
one that, honestly, has
improved my life...

Jesus Christ Klare...
are you telling do I have
to live as a woman?

I'm telling you, for me it was an opportunity... I don't know why this is happening to us specifically... but there must be a reason...

And the people out there who won't see the transformation will never believe you... just as you wouldn't have believed me... so you'd better dress as a woman right away...

I'll leave you some privacy... as soon as you're ready, I'll take you down to the others...

Do I really have to let others see me like this? Fuck... I have no choice; I have nothing to wear...

This damned body... at least I still have my virility...

At least I'm more comfortable this way... I need to think about what to say to the others...

They're a bit loose on me... Well, Klare has amazing thighs... they'll probably be tight on her now...

Unfortunately, I ruined these... especially on the ass...

Okay, that should work... damn... I'm... I'm...

Yes, Klare, please... I'm so confused...

Okay... um... I'll walk you down now; I can do the talking, if you want...

Wait...Before leaving... it's normal to feel... how should I put it...

Feeling intense pleasure? Feeling like you're about to cum during the transformation? Yes, that's normal...

Okay, you could have put that better... oh well, let's just move on...

Here we are... hey guys... so, I have to tell you something...

So, your wife doesn't have any female friends to introduce me to?

He certainly has them, but you have to be a good brother...

Who is that... She heard me?

Klare, who is she?

I did not... it did it all by himself... now it won't come off...

So, how should I put this... she's Phill... she put on my bra, Matt...

What the... HAHAHAHAHAHA... what are you talking about... I know you heard us and want to introduce me to your friend... thanks for that!

I didn’t hear a fucking thing you said... This is Phill. You wanted to know how I ended up like this, right? I was wearing a cursed bra, too.

A cursed bra? What are you talking about... you could've come up with a better one than that... HAHAHAHA... Right, Matt? .... Matt?

Again? I don’t believe it... is it the same bra? No, this one is black; the other one had exploded... unbelievable...

She’s turned into a real stunner... and in my clothes, too... speaking of which, I gave you some trousers—where are they?

Hey, you three are scaring me... what are these crazy stories... it can't be Phill... she has red hair, but it can't be...

I keep staring at Henry... why does he look different than usual? He looks bigger...

I can feel my nipples hardening... I'm getting so incredibly turned on just hearing him speak...

Henry... you have to believe her... I saw it...

You can't be serious... I won't believe it until I see it...

Fuck... I want to touch those muscles... I want to...

I'm telling you, that's how it is... Tom transformed right in front of me!

I'm having strange thoughts...
my body is heating up...

VIOLET

Wow, he's really cute actually... I've never seen him in this light and-

GROWING

It sounds like total bullshit to me.

WHHHAAATTTTTTT!
It’s getting even more beautiful...

VIOLET

MMNGGGGGG... It keeps getting more and more intense...

My legs are tired, hehe... and I'm a bit hot; can I sit down?

Hey sister, how are you feeling... I recognize that look... come here...

I see the look in your eyes... let yourself go, you won't be able to resist... I'm happy for you, sister... Here, take this...

Thanks Klare...

Shit, we've got an appointment for you today... Klare...

So you forgot... we have the X-ray... that's why I'm dressed...

I'll get dressed in a flash and we'll go!

Thanks Klare... thanks for everything... see you later...

I'm sorry, but we really have to go... behave yourselves...

Go ahead and sit down... Phill-... I don't know what to call you...

Phill it's ok for now...

So, is it really you? What's it like being such a beautiful woman... hehe... shit...

Unexpectedly too pleasant... I'm feeling things I've never felt before...

Sorry I didn't believe you right away... it seemed impossible to me....

I don’t blame you... I wouldn’t have believed it either... I feel so strange...

Thank you anyway for believing me... you know, my body and soul are much more sensitive...

No problem...
