

Hey, listen dude, it seems I've found something really cool. I have a program called «The Date app». It's supposed to find me a perfect girlfriend.

Huh, good luck with that, I'm curious which hand of yours it will take for the better girlfriend - right or left?

Ha, ha very funny. Whatever you say, this time everything should work smoothly, it's not some piece of junk from the internet. Actually, I won a contest to be able to beta test it.

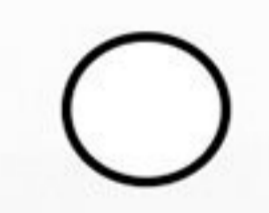

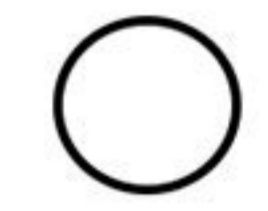

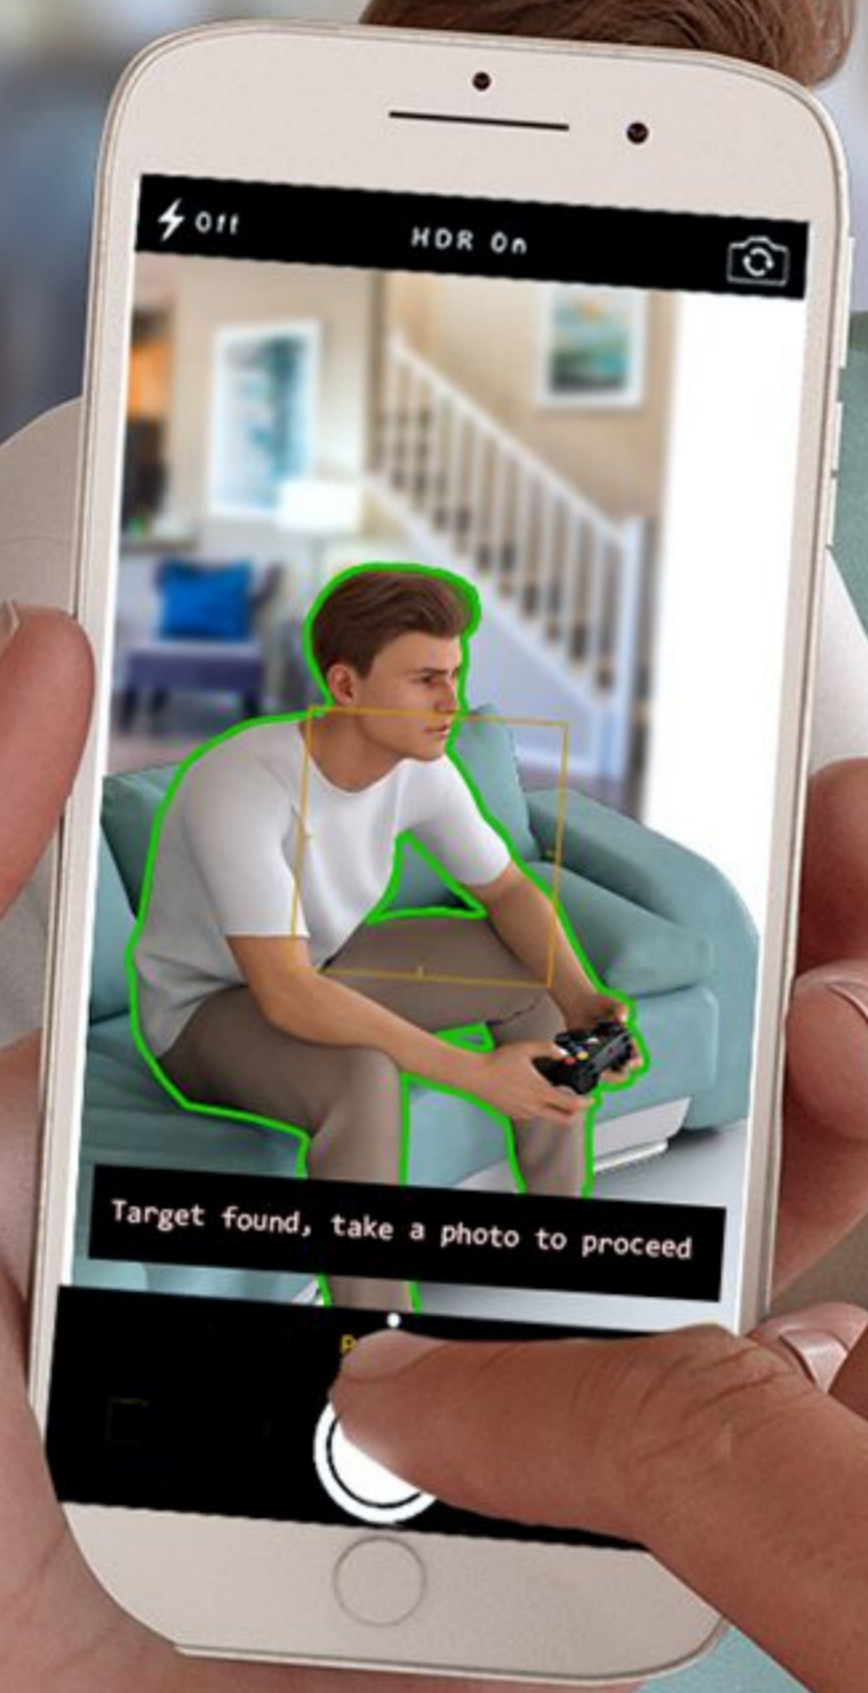

That's all very good but can you not disturb me while I'm playing, okay? You can find your dream girlfriend with your stupid app without me.

We'll see that. You'll be jealous of me, I tell you.

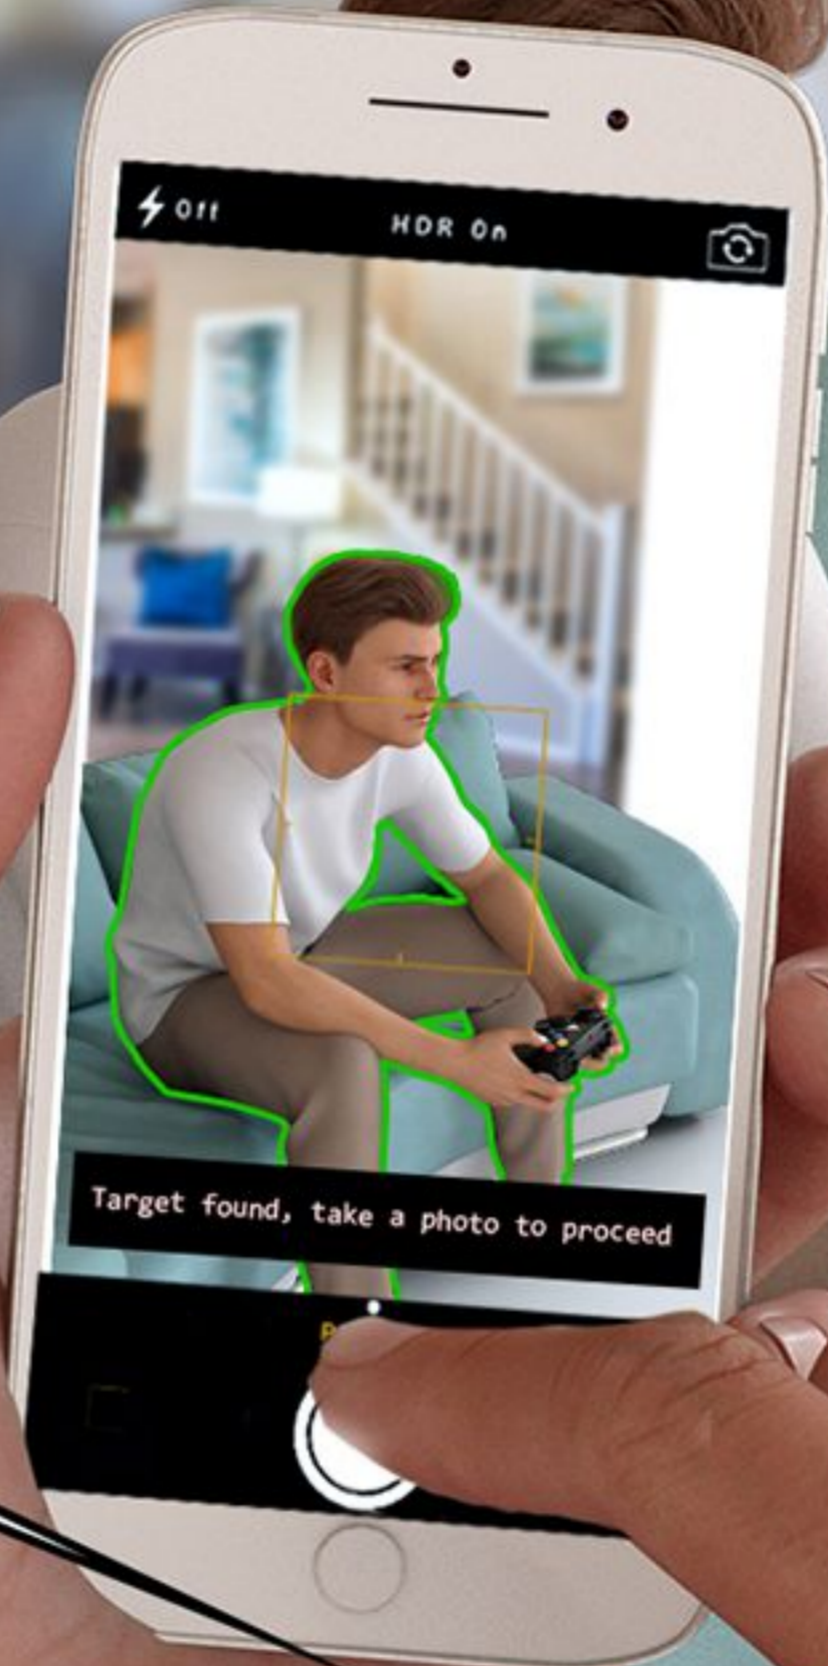

Hmm, it's weird, I opened the app but it looks like some camera... and what does it mean «find a target»? Target... that's interesting...

I pointed it at John and his body highlighted with green line. I wonder what will happen if I click this button.

Transformation initialization

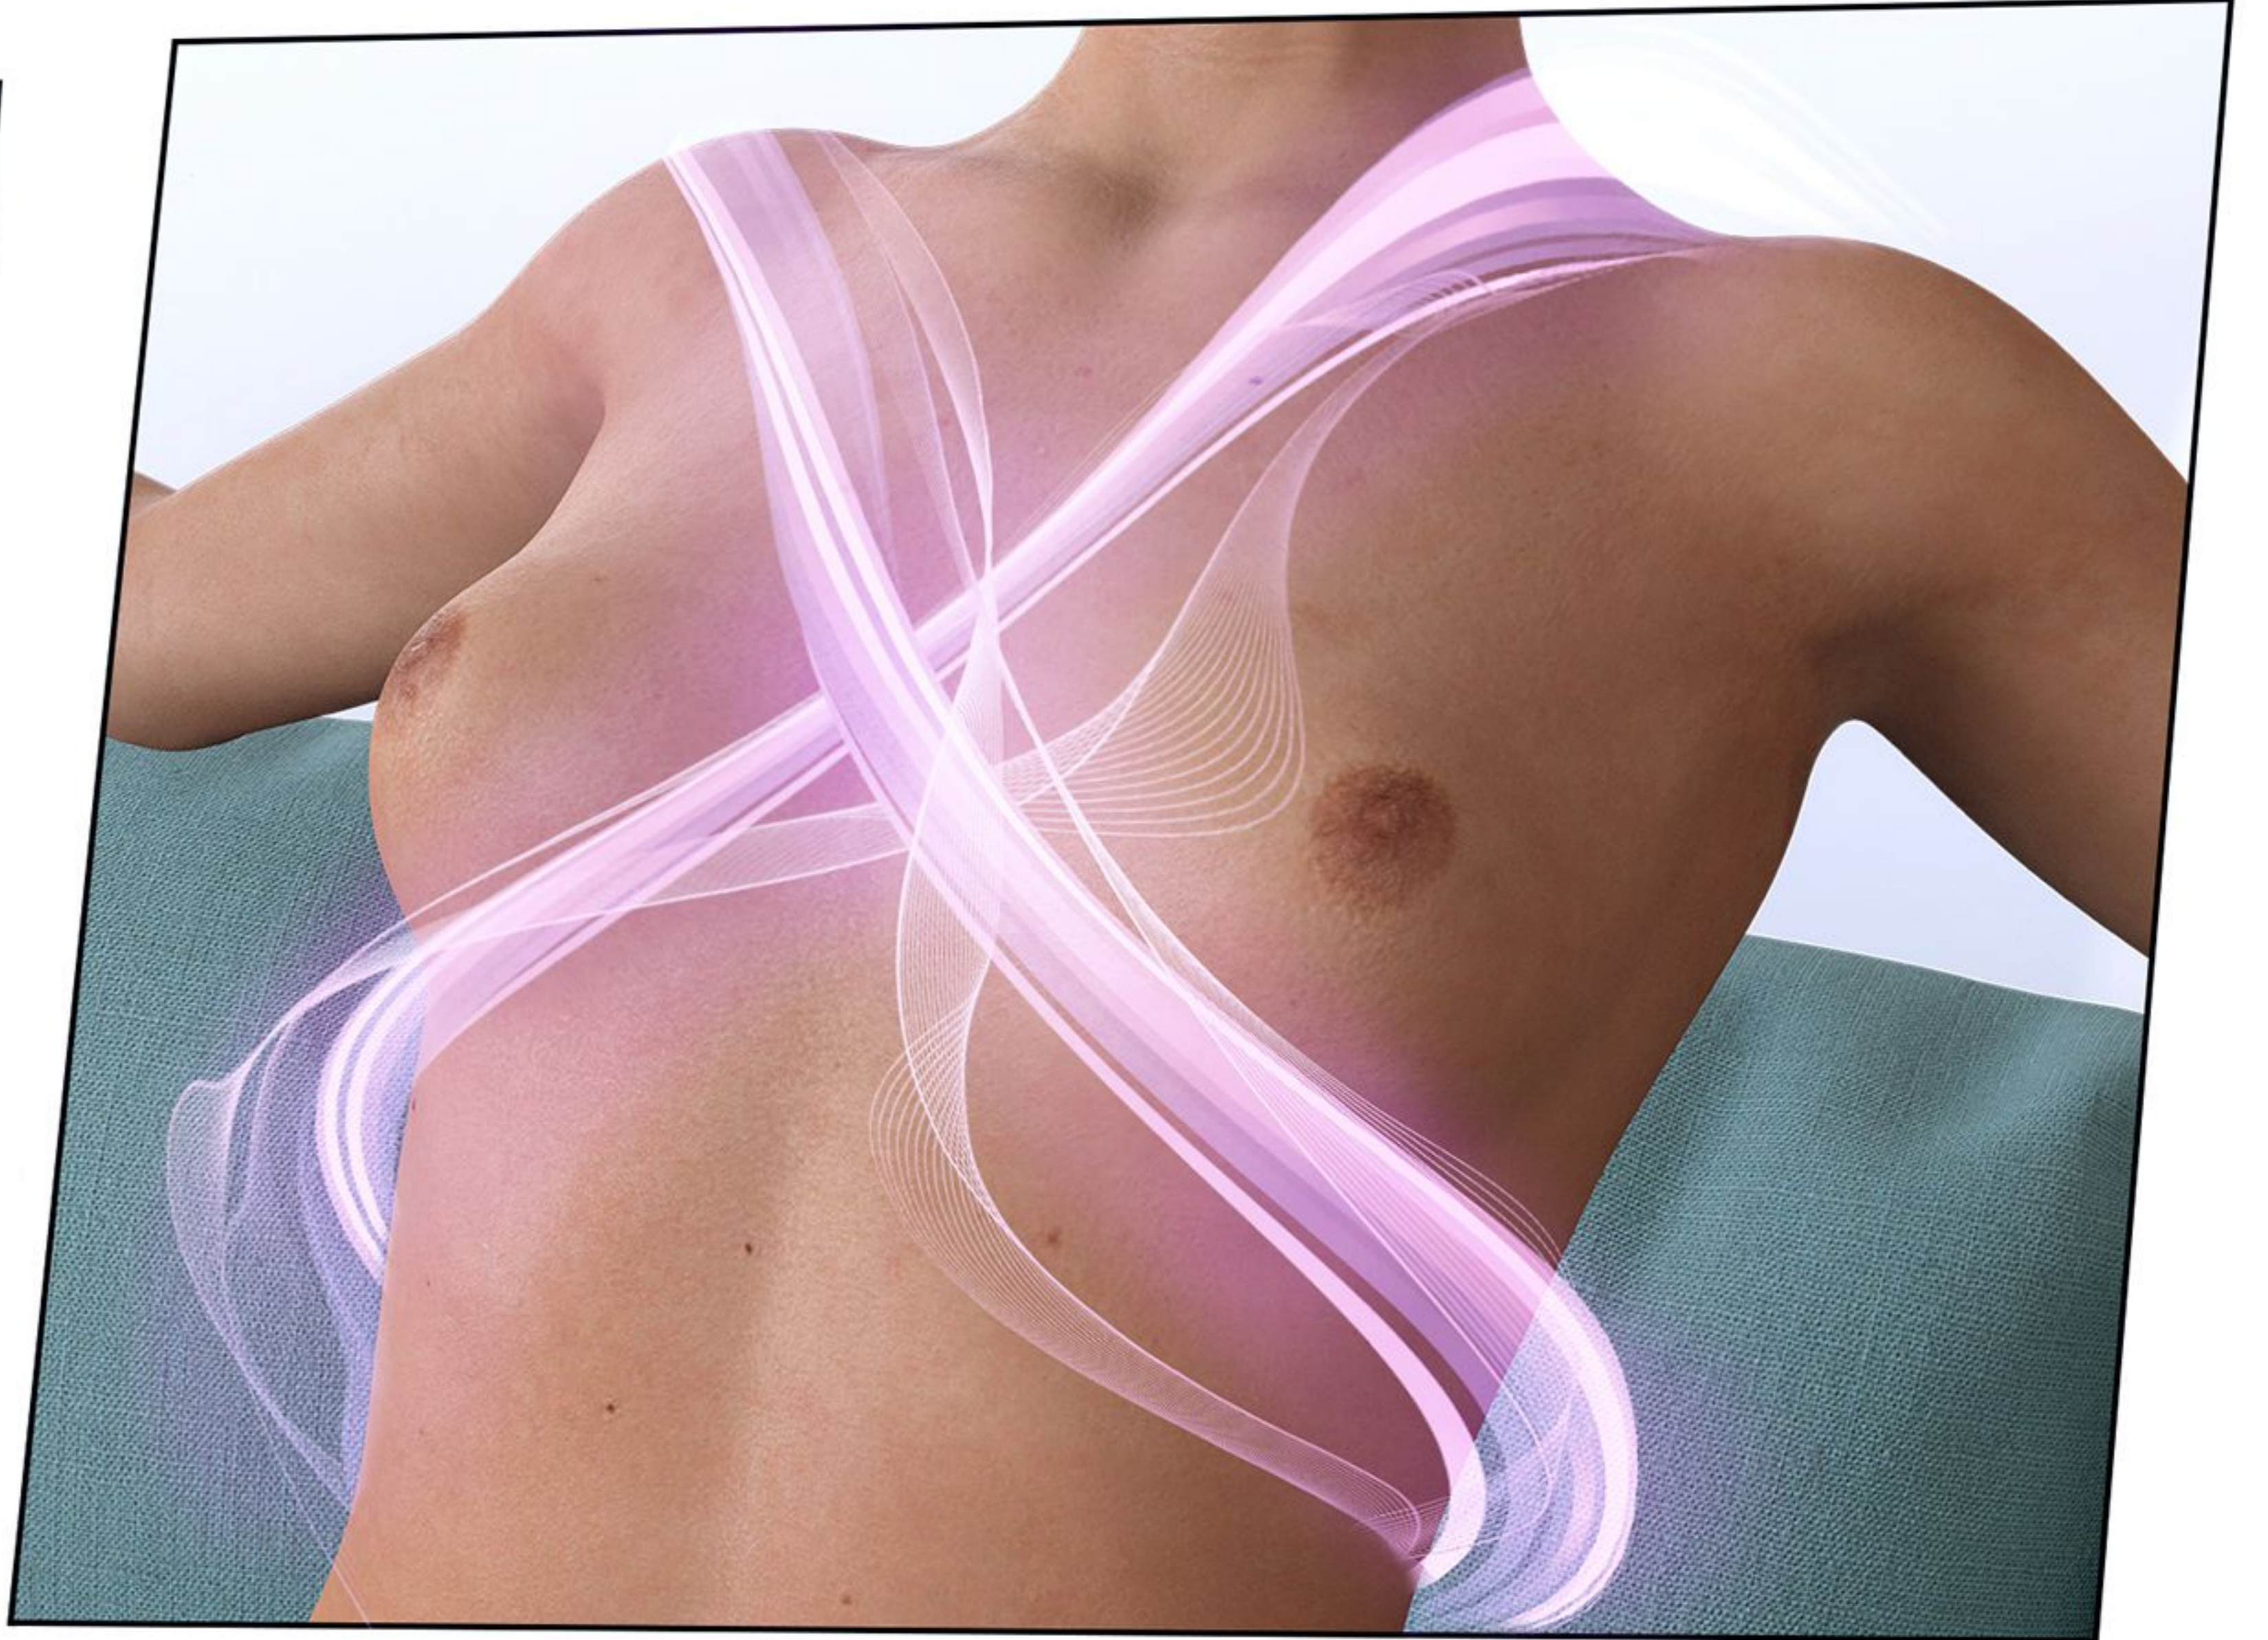

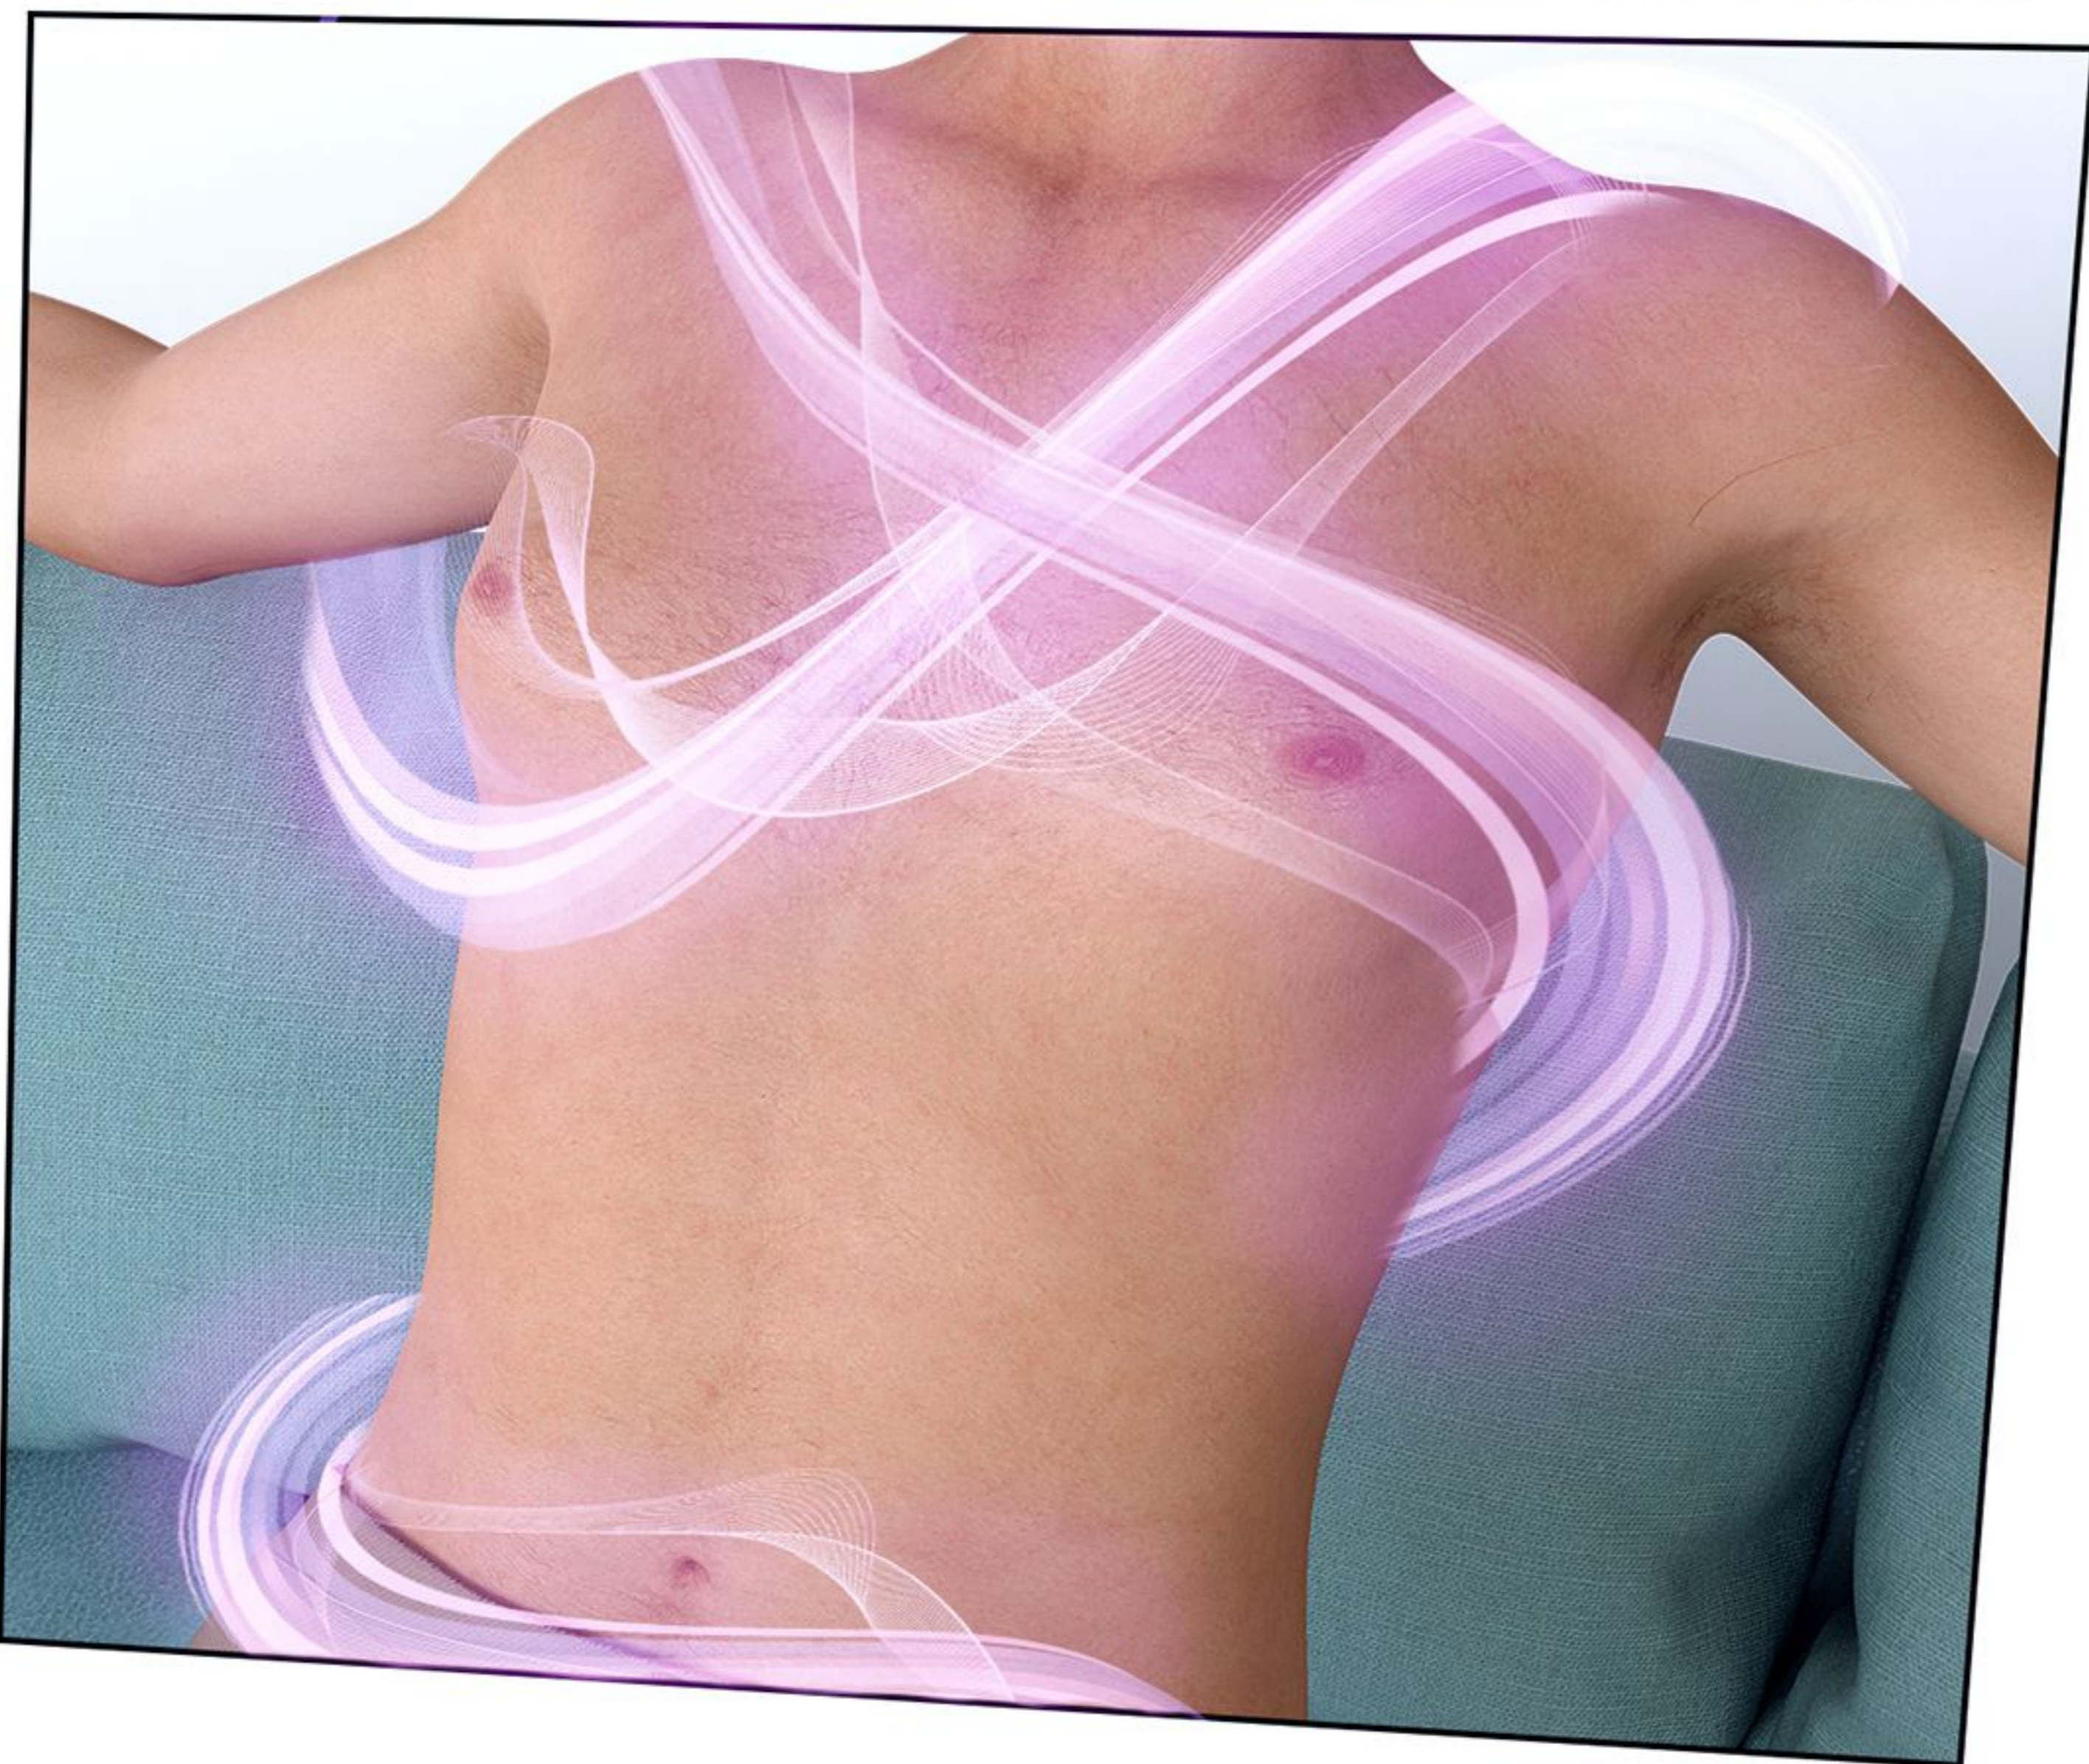

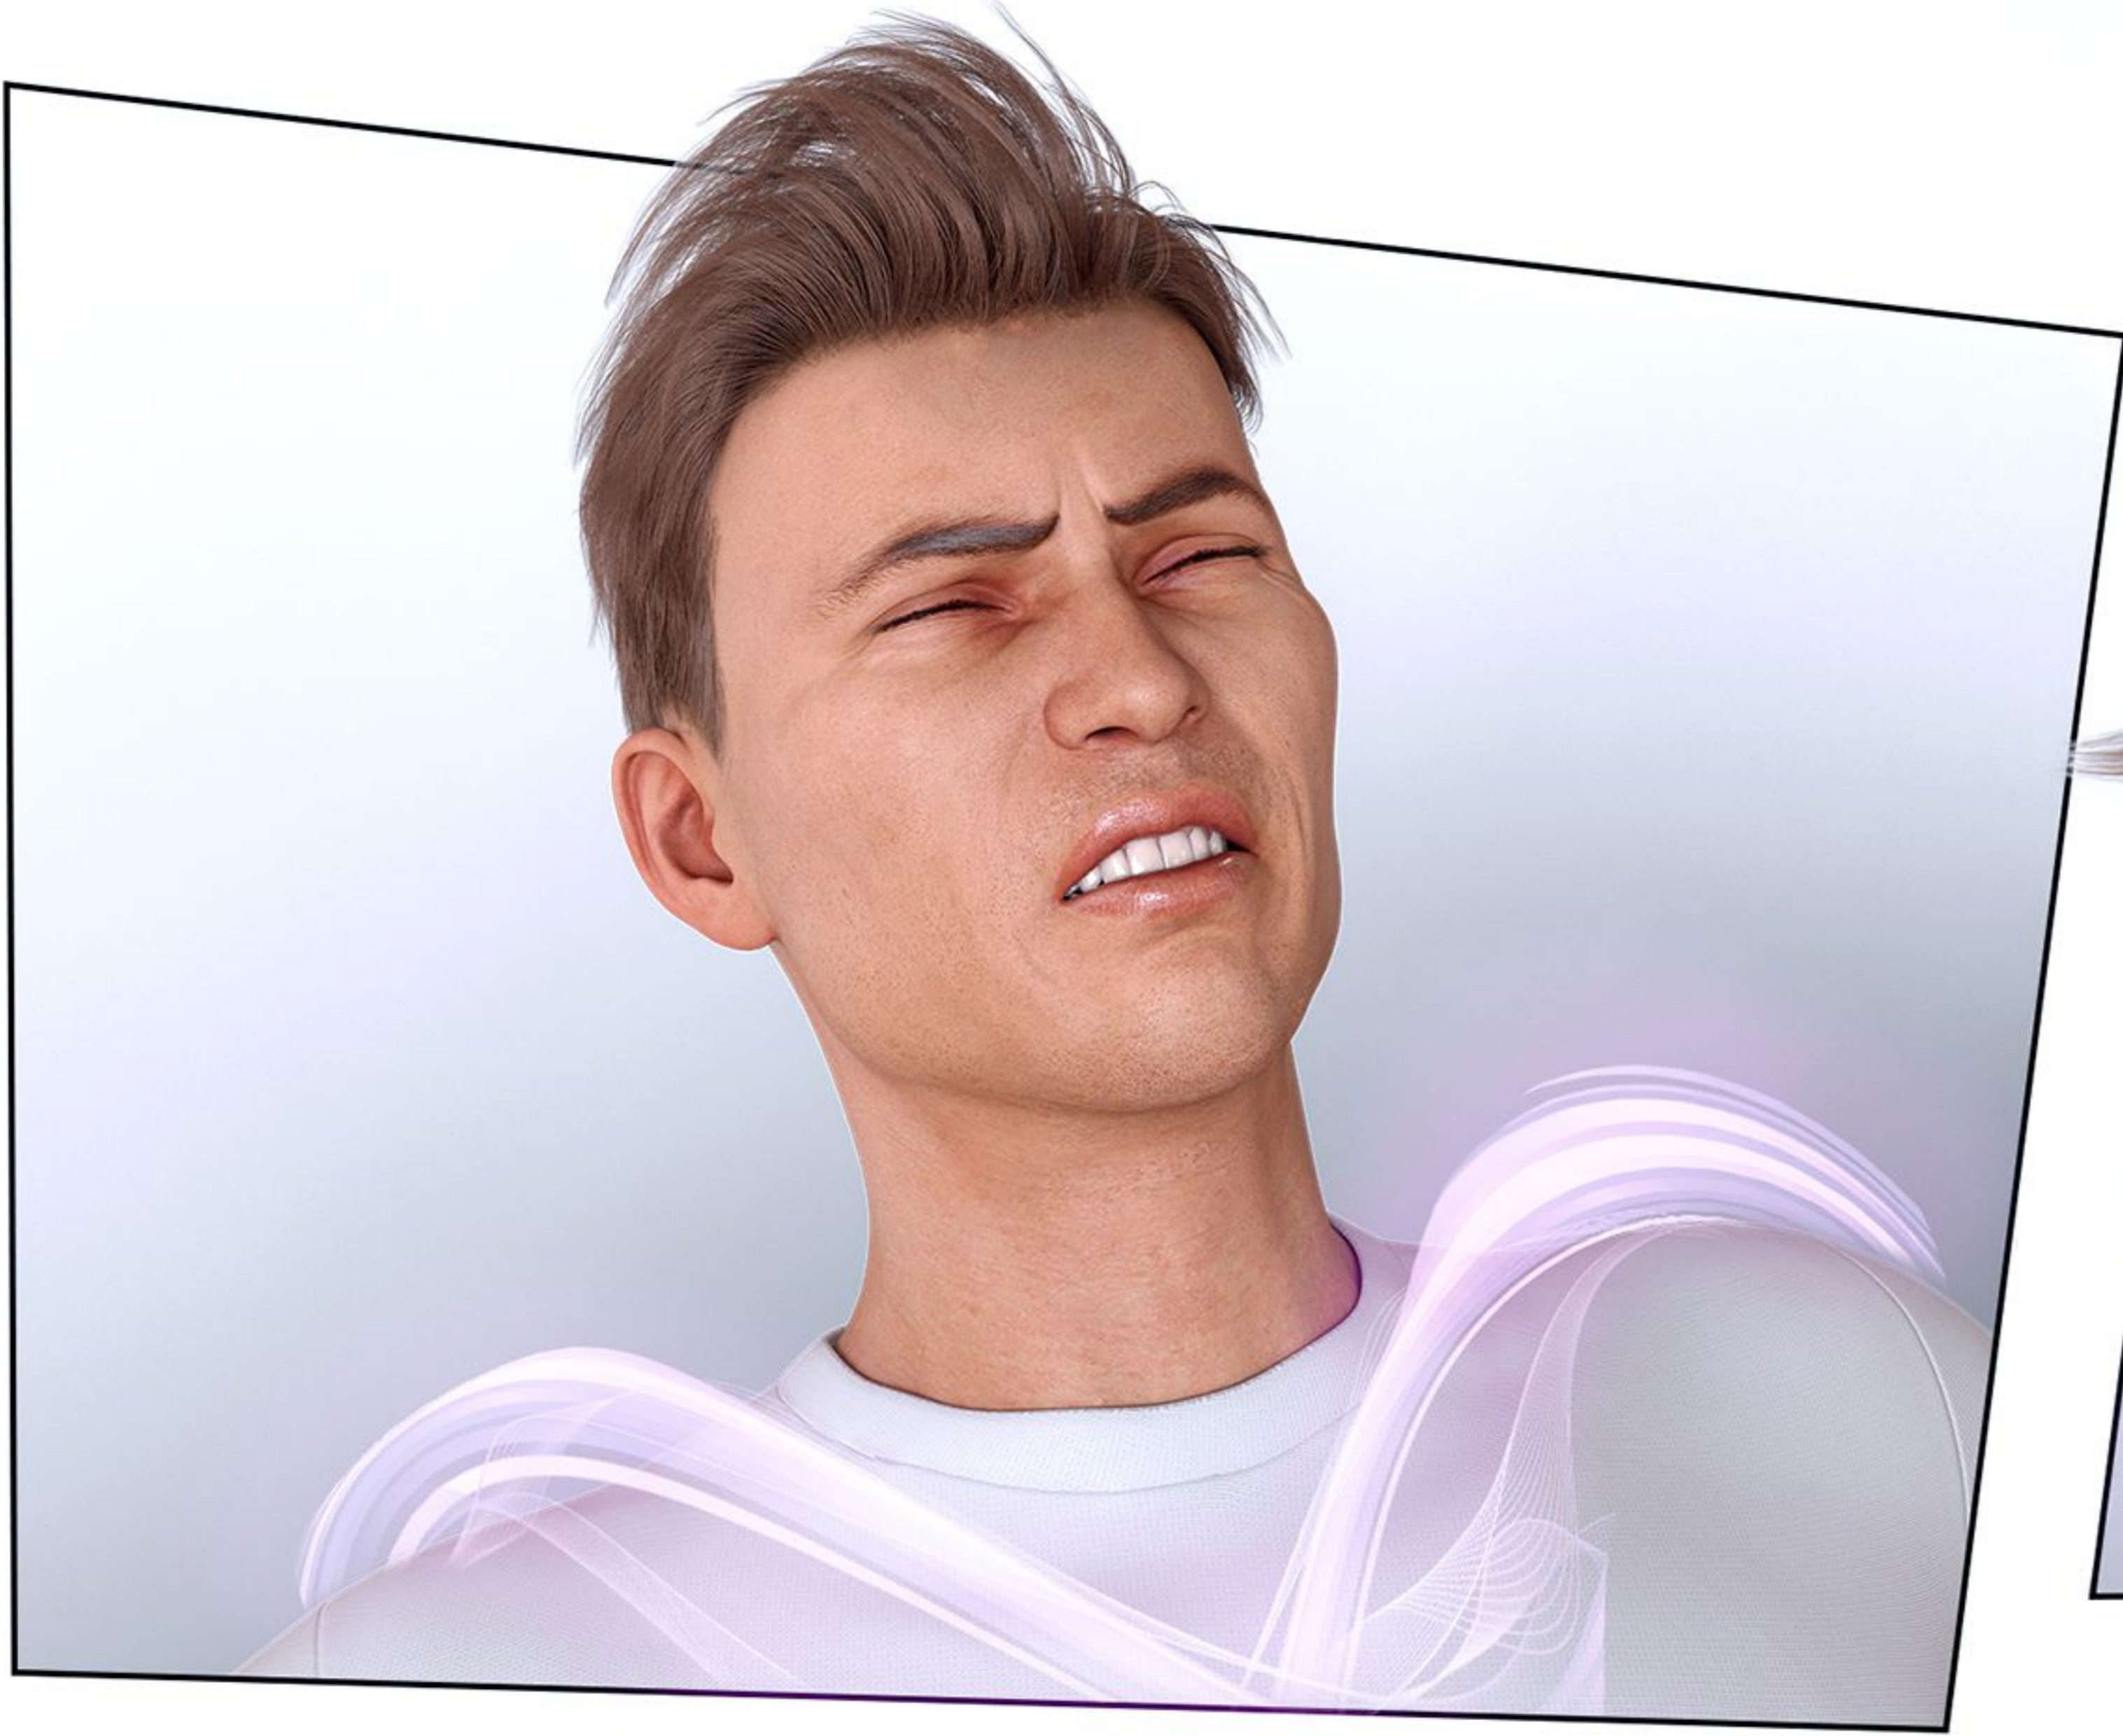

Ugh... Why do I feel so dizzy suddenly?

Fuck... Did I eat something wrong? It feels as if my guts are turning inside out.

Ughh... I can't move...

What the hell was that? Wait... Is this my voice?
Why it's so high suddenly?

What are these two lumps on my chest?
And why am I so skinny? I need to look in
the mirror...

Oh my god! I turned into a chick!
Dude, do you see it too or am I
dreaming?

What are you laughing at? This isn't
funny at all.

Haha, if it's a dream, it's the most
interesting you've ever had.

So he is now a girl from head to toe, and as I see, that's only a small part of what this program is capable of. If I play my cards right, I'll finally get a girlfriend I've always dreamed about.

I have boobs, I have real boobs... And my dick is gone. How is this even possible?

Neither do I, dude, but it seems the app, that I've got this time, really working.

Why would I do that, you look much better as a girl, don't you agree?

Haha, you look so scary, please don't hurt me with your little fists, hahaha... you rather look like a little angry bunny. Fine, fine let me find the right button before you tickle me to death.

What do you mean?! Have this program done it to me? Then change me back, right now!

Don't play with me you asshole. Change me back or I'll beat the crap out of you.

Hmm, something isn't right, I clicked the button but it doesn't seem to work.

Yeah, actually I've found one. Hmm... let me see... First step: carefully choose a person, you want to be your date... blah, blah... the second step: change her characteristics to match your requirements... that's interesting... and the third step: have a date with your new girlfriend... I mean it doesn't explain anything.

Oh, here it is I think: please note, in order target body to adapt to changes and protect it from physical overload or other negative effects, reverse transformation is possible only 24 hours after performing all three stages listed above.

Are you kidding me? Then there must be some instruction, try to look for it.

And that's all? There must be something about how to change me back.

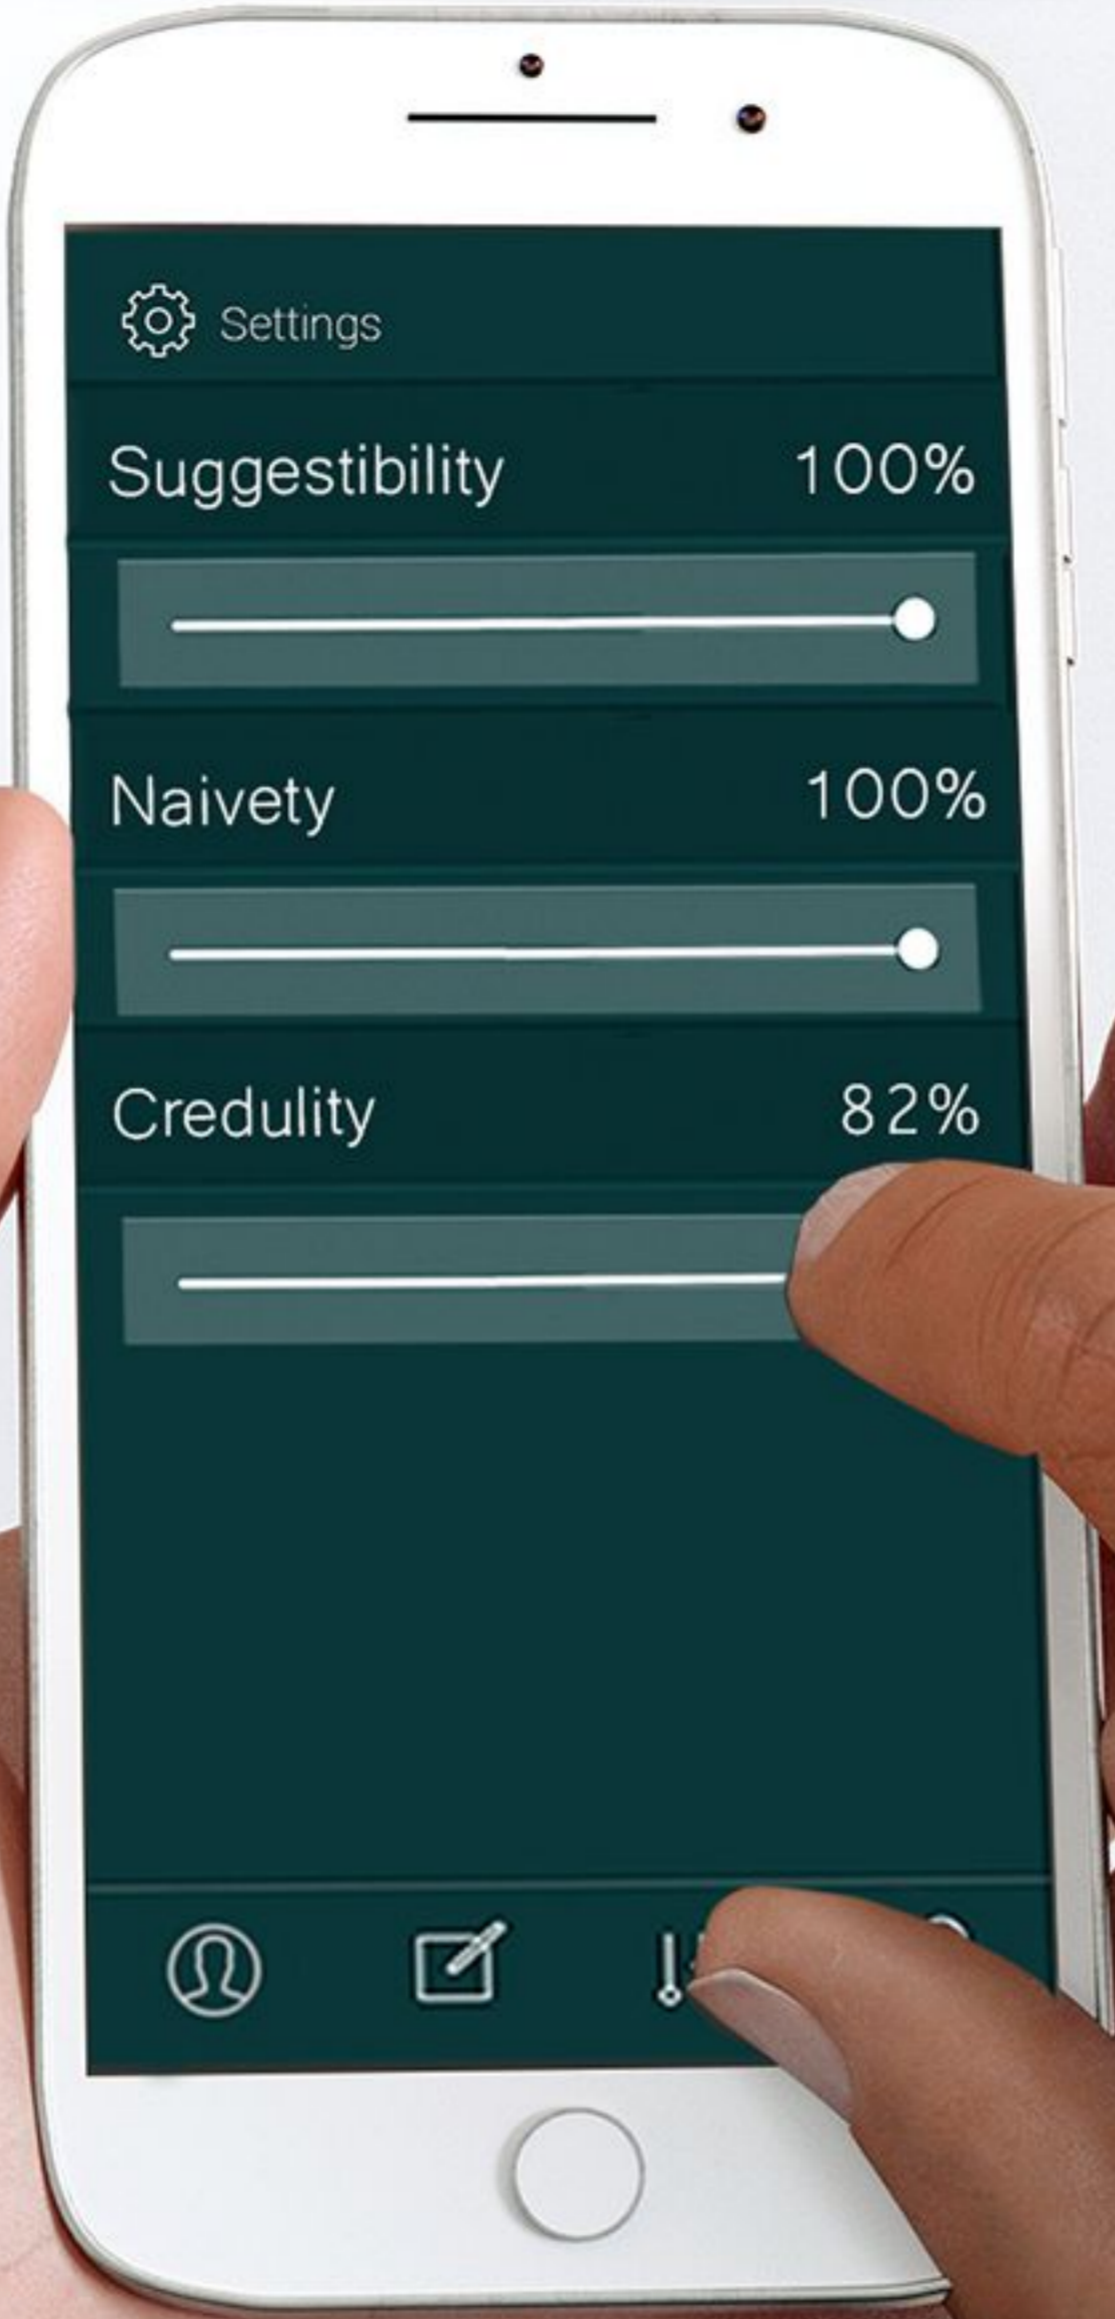

What?! I am stuck like this for 24 hours? God, what have I done to deserve such a stupid roommate, huh? And what does it mean after performing all three steps?

You didn't listen or what? The first step was transforming you into a girl, it looks like now I should tweak some settings to turn you into my dream girlfriend and then we are going to have a date. Until we do all this, you can't change back.

Stupid you say? We'll see.

Listen, I don't like the idea to have my roommate as a girlfriend either, but we don't have other options. And actually, it doesn't have to be like a real date, right? We can stay right here and just pretend we are having a good time.

Because no one else was around and I was just testing it, okay? Fine let's get to the step two, so you can change back faster.

But I can't go out anywhere like this, furthermore with you, I'm not a gay.

Fuck, you owe me big for this one, do you know this? Why did you even use this thing on me?

Yeah, I suppose.

Who the hell is Jessica?

Now jessica, you look like a girl but you definitely don't look the way I'd like.

It's your new name, I can't call my girlfriend John, right? Now let me see what do we have here... Wow so many settings...

Of course, only what's necessary. Let's adjust your height first, I want my girlfriend to be a lot shorter than me.

Just don't do anything drastic, okay?

And she's to get that nice curvy body, you know, with toned thin waist and round butt.

And what I really like about you Jessica, is your soft but perky D-cup breasts, I just can't get enough of them.

Oh yeah, that's exactly what I meant.

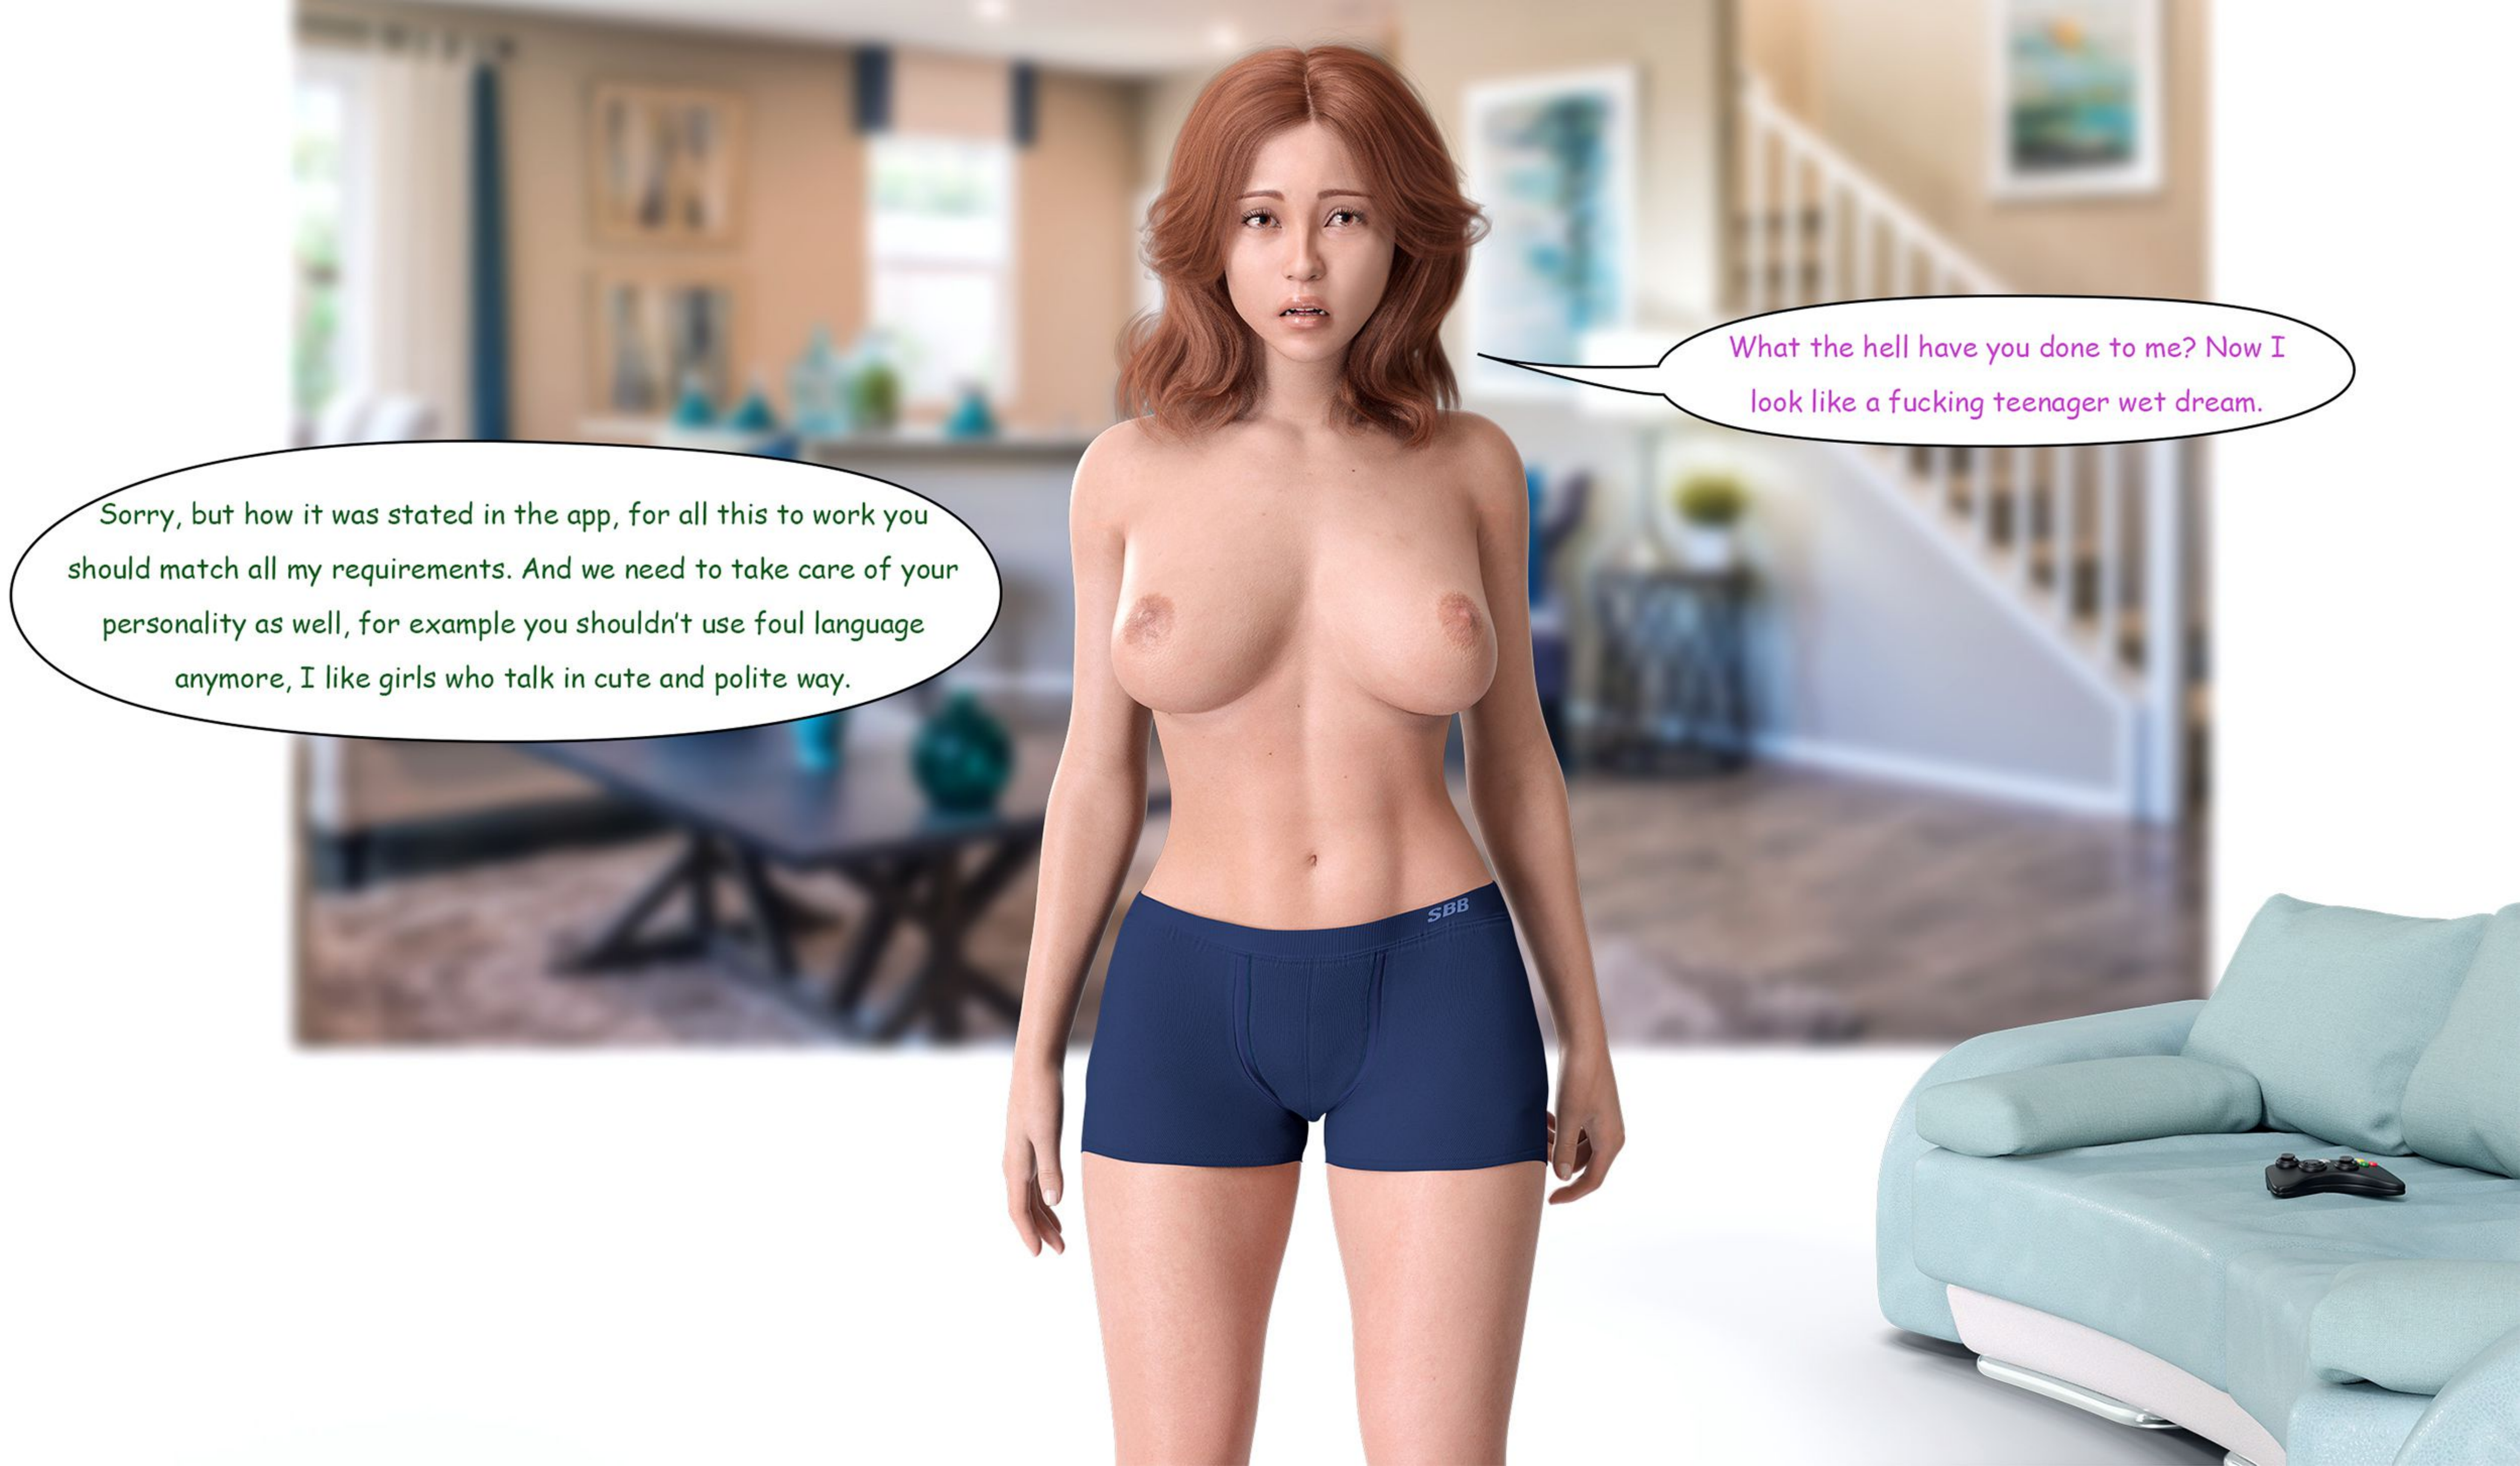

And we can't forget about your face, right? My girlfriend has to be a real cutie. And her skin is soft and smooth like a baby's

Now that's a lot better

Sorry, but how it was stated in the app, for all this to work you should match all my requirements. And we need to take care of your personality as well, for example you shouldn't use foul language anymore, I like girls who talk in cute and polite way.

What the hell have you done to me? Now I look like a fucking teenager wet dream.

That's your problem Jessica, I love girls who don't argue with their boyfriend, from now on you always let me decide what's better for you.

Hey, maybe that's like enough of changes already?

But...

There's no buts, we both know you are not that smart too decide something yourself, but don't worry, you'll have many other things to bother about, because from now on you want to look pretty for your boyfriend all the time and you really enjoy pleasing him, right?

It's okay, you just need some time to get used to this.

I don't... don't know...

And now it's time to pick a scenario for our date...
Yeah this one one perfect, and there is no need
to go anywhere, just like you wanted.

Hey what's happening?! Where did my trunks
go?

Don't worry they will be replaced by more
appropriate pair.

Where did these clothes come from?

It's you who should tell me this, Jess. I just came home seeing you dressed like this. I guess you have prepared a surprise for me, right?

No, that's nothing like that... It was you who just made me like this.

I think you are just confused, Jess. Try to concentrate and you'll remember everything. Today is half a year as we've been dating, and you decided to make it really special. You got all dolled up and put on this school girl outfit, knowing how I like such stuff, didn't you?

No... I mean... I couldn't do something like this...

Really? I love when you pretend being so shy and innocent, but you can drop the act now, I knew what you are planning to do from the beginning, you naughty girl.

Something that I've been asking you for a while, your lips today are just irresistible, aren't they?

And what is it?

«Gulp»

So you could fulfil your plan, obviously, I still can't believe you finally agreed to suck it, you are just the best girlfriend ever, Jess.

Of course, Jess, I won't force you, but you know how long I've been waiting for this moment, I mean it's not a big deal for you to use your mouth a little, right? Come on, I bet you were always curious about how blowjob feels too.

Wait Billy, why are you taking off your pants?

What!? You want me to suck your thingy down there? But you promised we'll just pretend having a date, I don't have to do it like for real, right?

Don't say nonsense Jess, there is only one perspective for you to do this.

I were... but not from this perspective.

Ugh... Why is my body moving on its own? I must resist it otherwise...

I see you are a bit confused, Jess. Let me help you to sort out your feelings.

Don't worry, I know what a huge step this is in our relationships, so I can make it more pleasurable for you. From now on you just enjoy sucking cocks, it makes you feel so hot and tingly down there, isn't it great?

Don't say until you try, Jess, come on, it won't bite you.

Am I really going to suck Billy's cock? It's so humiliating... But if it makes him happy, it's not a high price to pay, girl, you love to make your boyfriend happy, right... Wait what am I thinking, I am not even his girlfriend for real.

Wait, don't change anything more

No! I don't want to enjoy it.

Why doesn't it feel disgusting to me anymore? It's another man's cock! Come on, girl, you must hate it.

You see? There is nothing bad about it... And actually you are doing great, now don't be shy, put it inside your mouth.

But it tastes sooo... yummy, why on earth should I hate it? It won't do anything bad if I enjoy it a little.

Good girl... Ugh... Just don't stop babe, you are so good at it.

Who knew that you are such a natural cocksucker, Jess, are you sure you are doing it for the first time? I mean, these precious lips of yours were destined to suck cocks.

Mmm... I can't help it... it feel soo good to have a dick inside my mouth.

Come on babe, if you keep going like this I won't resist so long. And as I see you are having a good time too, you naughty girl. You pretended being so reluctant at start and look at you now. You just can't get enough of my cock.

Oh my God! I'm cumming, I'm cumming inside your mouth, Jess.

Wow! That was really not bad for your first blowjob, babe. But when you do it next time, make sure to swallow it all, like a good girl should do, okay?

Next time? But you are going to turn me back into a man, right?

Of course, there will always be time for that. But now let's better focus on having more fun, our date isn't over after all.

And since you made me feel really good,
now I want you to feel the same.

And to make sure you don't even think
about going back to being a guy again.

Mmm... What have you done?

But all my body feels sooo... hot, especially inside
my panties.

What are you talking about,
Jess? Nothing.

Moaning P-Please, Billy, you should help me! It can't stop itching down there and I feel like I am on fire.

Don't worry, babe, I know the exact treatment for that.

So do you really want me to help you, Jess?

Moan Oh... Yes, please, do something, Billy!

Well, if you ask so much...

W-Wait, what are you doing?

I'm going to fuck you, Jess, isn't it what you wanted?

What?! Oh my gosh! You get me totally wrong... I mean we can't do this, I'm a man, after all.

A man? Are you sure a sexy little minx like you, who has got all wet just from sucking her boyfriend's dick and now was literally begging me to fuck her, can be a man? I don't think so, being my girlfriend suits you much better, you should finally admit, that you love being like this.

But that's not true... I don't like it... Oh... Mmm... Like at all...

Really? These lewd moans of yours tell me otherwise, so should I take it out or keep going, Jess?

Oh my gosh! He put just a tip of his dick inside my pussy and... Mmm... What are this sensations, it feel sooo good. I should tell him to stop but...

Moan N-No please, keep going... Put it deeper.

That's Jessica I know.

Here we go... Oh God, your pussy is so tight, you're enjoying it too, you naughty girl.

I can't help it, your dick inside me feels just amazing...
Ohhh... Just fuck me harder Billy.

N-No, it's not like this...

No, please... *moan*... Whatever, but
don't stop.

I'm... I'm your horny little slut... mmm... Your
dick is the best, I can't live without it.

I still can't believe it, you used to be the manliest man I know, but
now you are squeezing my dick like a horny little slut, don't you
think you discovered your true self?

Really? Then, if you don't like my dick, maybe I should
take it out after all.

Then say it, I want to hear how you love to be
fucked.

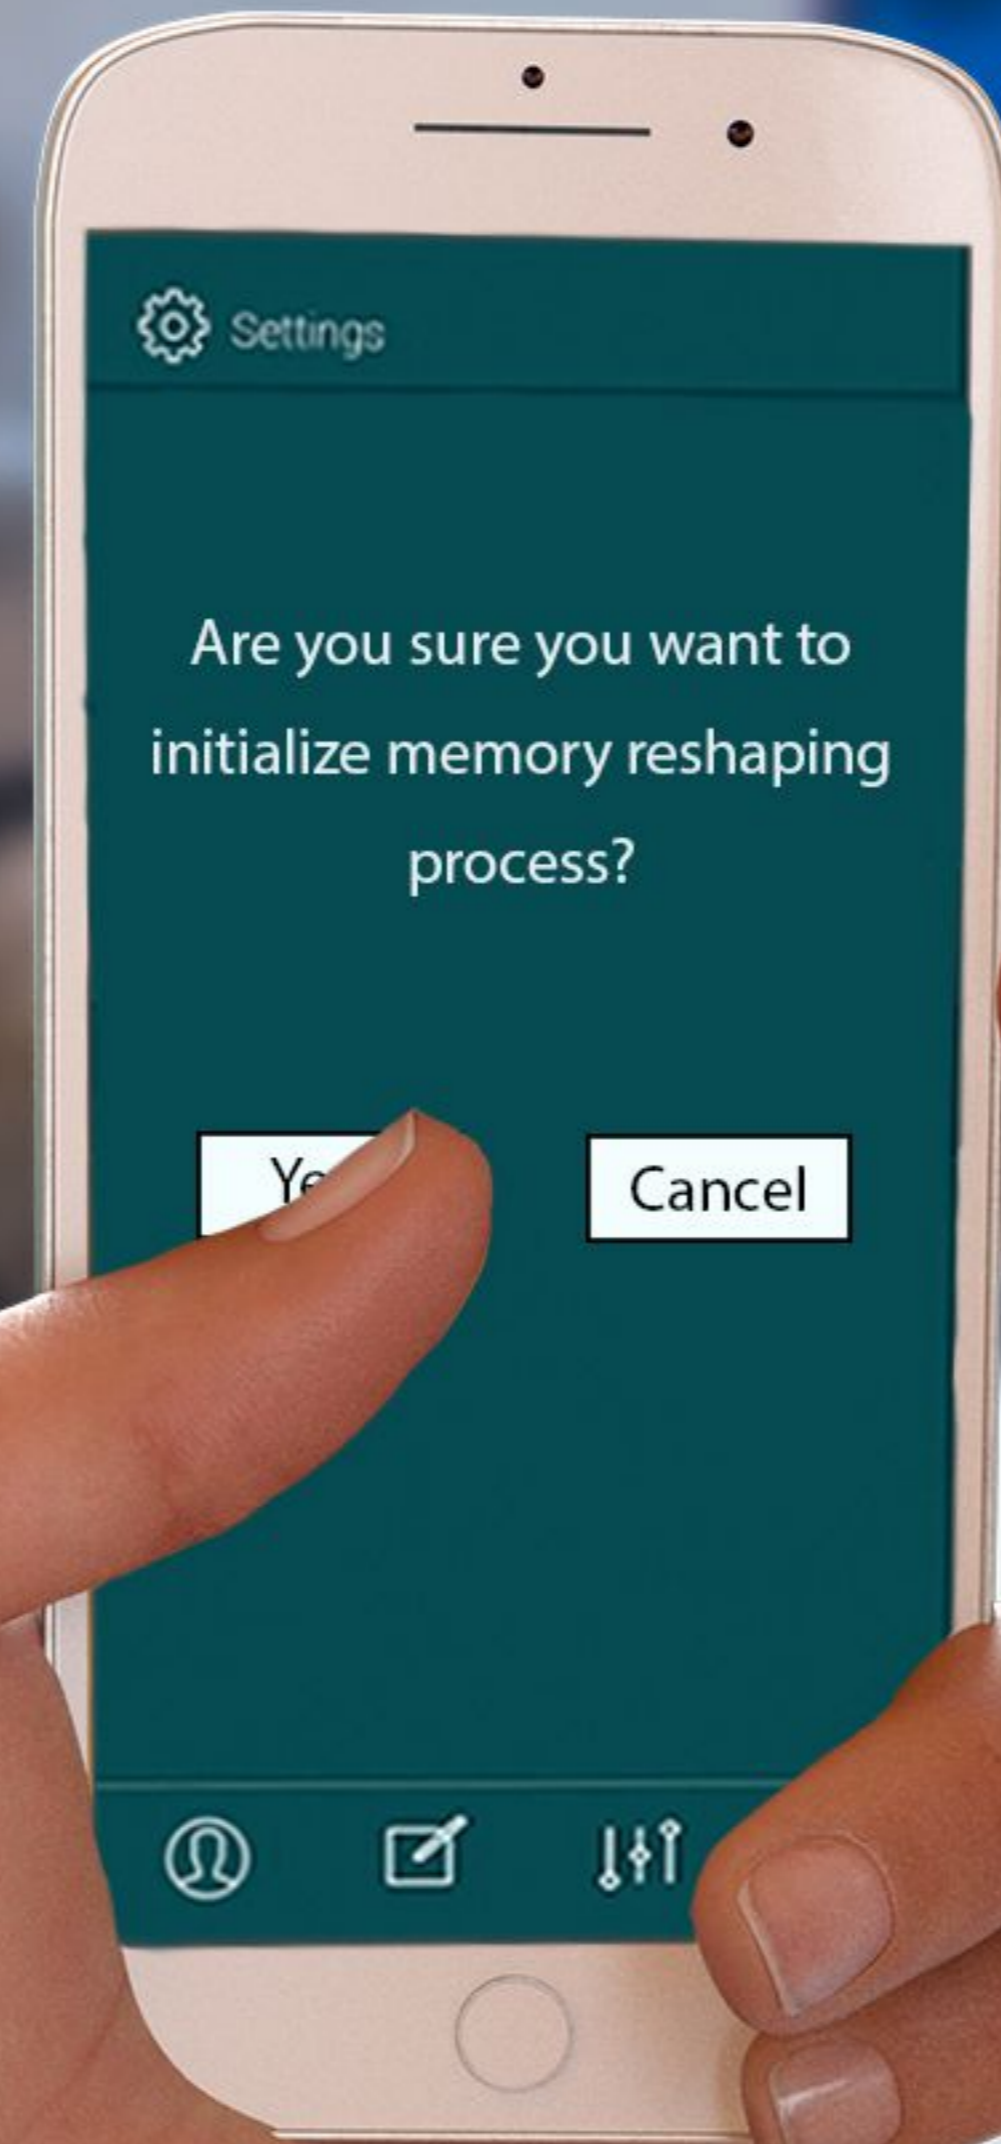

My new life?

Good girl, I'm glad you accepted your new life.

Just imagine to have sex like this every single day, and you can suck my dick whenever you want, isn't it your dream coming true?

We only need to get rid of this annoying voice in your head, that wants to go back somewhere, there's nowhere to go back, John, you will stay as my sexy submissive girlfriend forever.

I'd love that but...

It's too late Jess, but don't worry, there's not much John left there, and soon he won't bother your pretty little head anymore, just focus on who you really are...

W-Wait, I don't want to live like this, change me back Billy, please...

Don't you remember our first date?

Hi!

Is this really me?

Or our first sex...

No, no, it can't be.

Moan Oh my gosh, Billy, I'm almost there!

Me too, Jess, God, you're so gorgeous

You were always fond of doing naughty things,
weren't you?

Were I?

Right here? Are you sure, Jess?

And have you forgotten how you love role-play?

Gosh... I can't believe I was doing something like this

Master I've been a good girl cleaning the house all day, maybe you won't punish me?

A woman with voluminous red hair is shown from the back, wearing a black and white maid-style outfit with lace trim and a white bow at the back. She is holding a pink fluffy object in her right hand. She is wearing black high-heeled shoes. The background is a blurred indoor setting with a staircase and furniture.

Submissive roles are your favorite, right?

But these memories... They are so real.

Fine, no spanking for you today, Gisèle, but there's one more task you need to do.

We have so much fun together.

Oh, this position... I love it so much.

Does my pussy feel good?

Moan Thank you, master!

Yeah... Mmm... It's the best, Gisèle, you are the sexiest maid I ever had.

And I can't imagine my life without you, I'll
be always with you...

What is this warm feeling inside my
stomach?

Because I love you, Jess.

I... I do remember now, I remember
everything, Billy.

I love you too

A few days later

What happened, I thought you love shopping, Jess

She's with
me

Geez, tell me we are going home now.

Of course I do, but umm... not with this thing in my ass.

Sit? But I can't sit like this...

You said yourself you want to try something new. Trust me, your backdoor is a perfect option. Now let's find some place to sit in.

Yeah, that's why I agreed to it.

Of course you can, you have to. We need to train your pretty little butt properly before use it, you do want it to feel really good, right?

Then you should be a good girl, at least for a couple of hours and then when we get home I'll show you the best experience you've ever had.

The End
