

Oh my God,
are you my
brothers date?

I think so.
I'm Teresa, your brothers
supervisor at work.

Oh i forget my mannars.
Please come in, Teresa.

By Amay2k12

Well, it is a first date, but yes! Why do you seem so surprised?

Wow, really his supervisor? I can't believe that. And you are really dating him?

Oh sorry Teresa. But you look too young to be on a date with my brother.

What? To young? I'm...

O.M.G!

You are totally right. I'm much younger than your brother, but who cares?

Ofcourse...maybe somewhere between thirty and twentyfive.

Yea, you look not older then in your late nineteens... maybe early twenty.

By Amay2k12

What's that supposed to mean?

I'm...confused...
What are you...
What are you doing?

Who cares? I care Teresa. You just look too smart to date my brother.

No offense, it's just... my brother tends to date girls that don't have a lot going on between their ears

Just checking out your brain. Yes...you're definitely smarter than most girls my brother dates. Most of that Bimbos aren't even smart enough to match their bra with their panties

By Amay2k12

My bra and panties match. Wanna see?
I don't wear some.
hehe

I'm smart!
And I'm dizzy...
giggle

Like I said:
YOU are smart,
Teresa.

Wow! Now I see
why you're so smart!
You got some really nice
titties!

By Amaz2k12

*You mean my
titties make me like
smart and stuff?*

*Of course
they do Tessa.
That is why Bimbo's
like you always have
a pair of really huge
titties.*

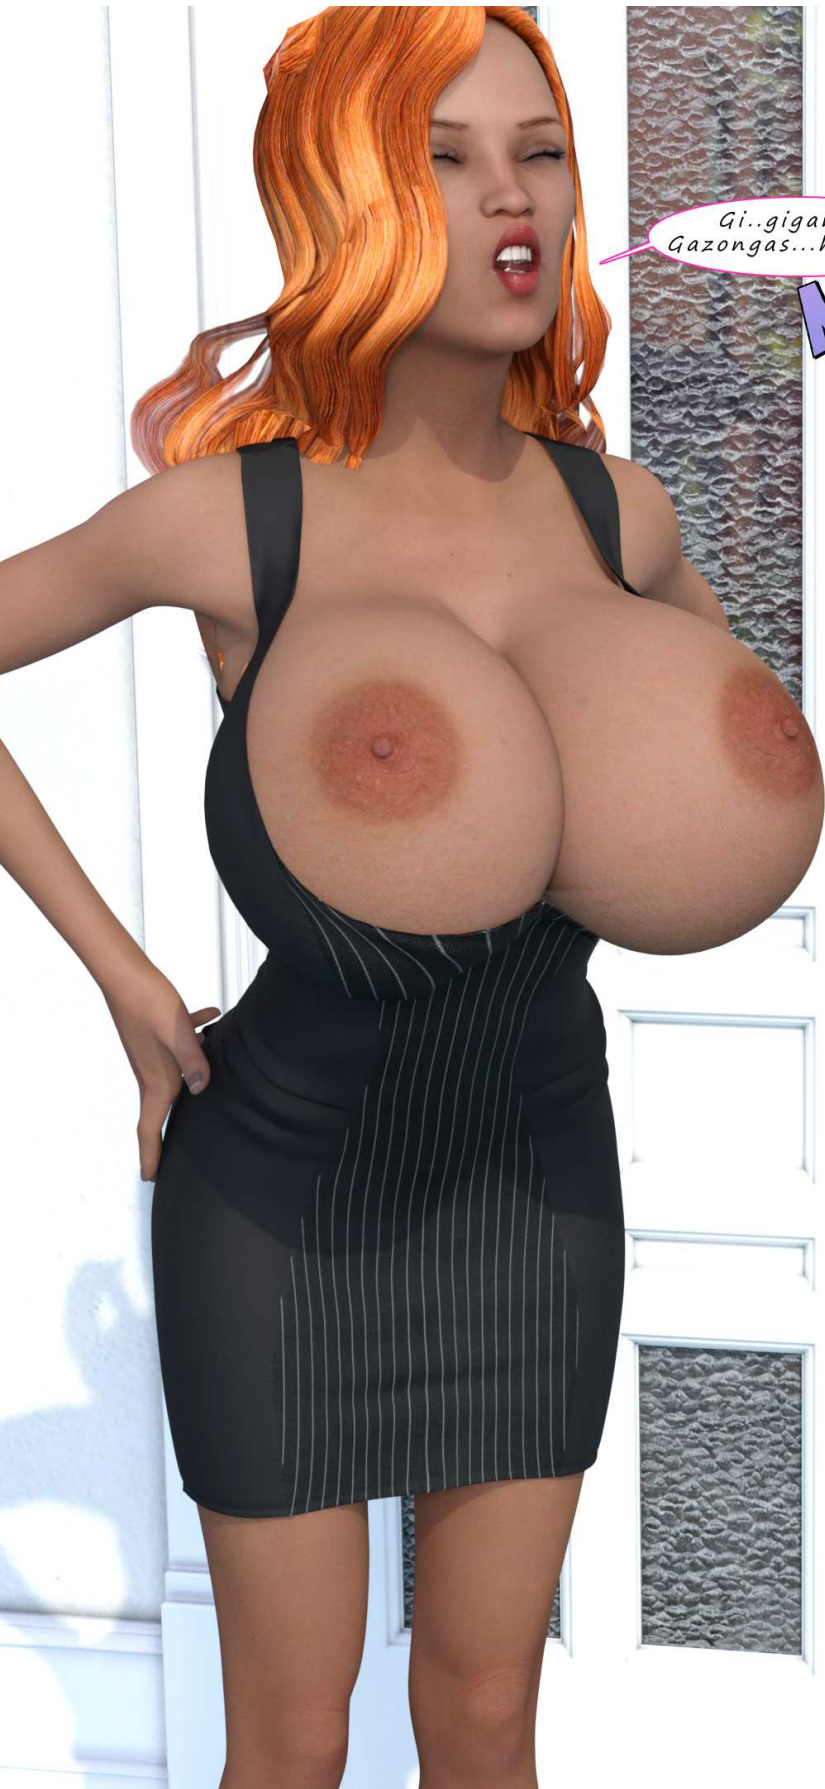

By Amaz2k12

...really huge...?
moan

Not just
really huge Tessa.
GIGANTIC TITTIES!

By Amaz2k12

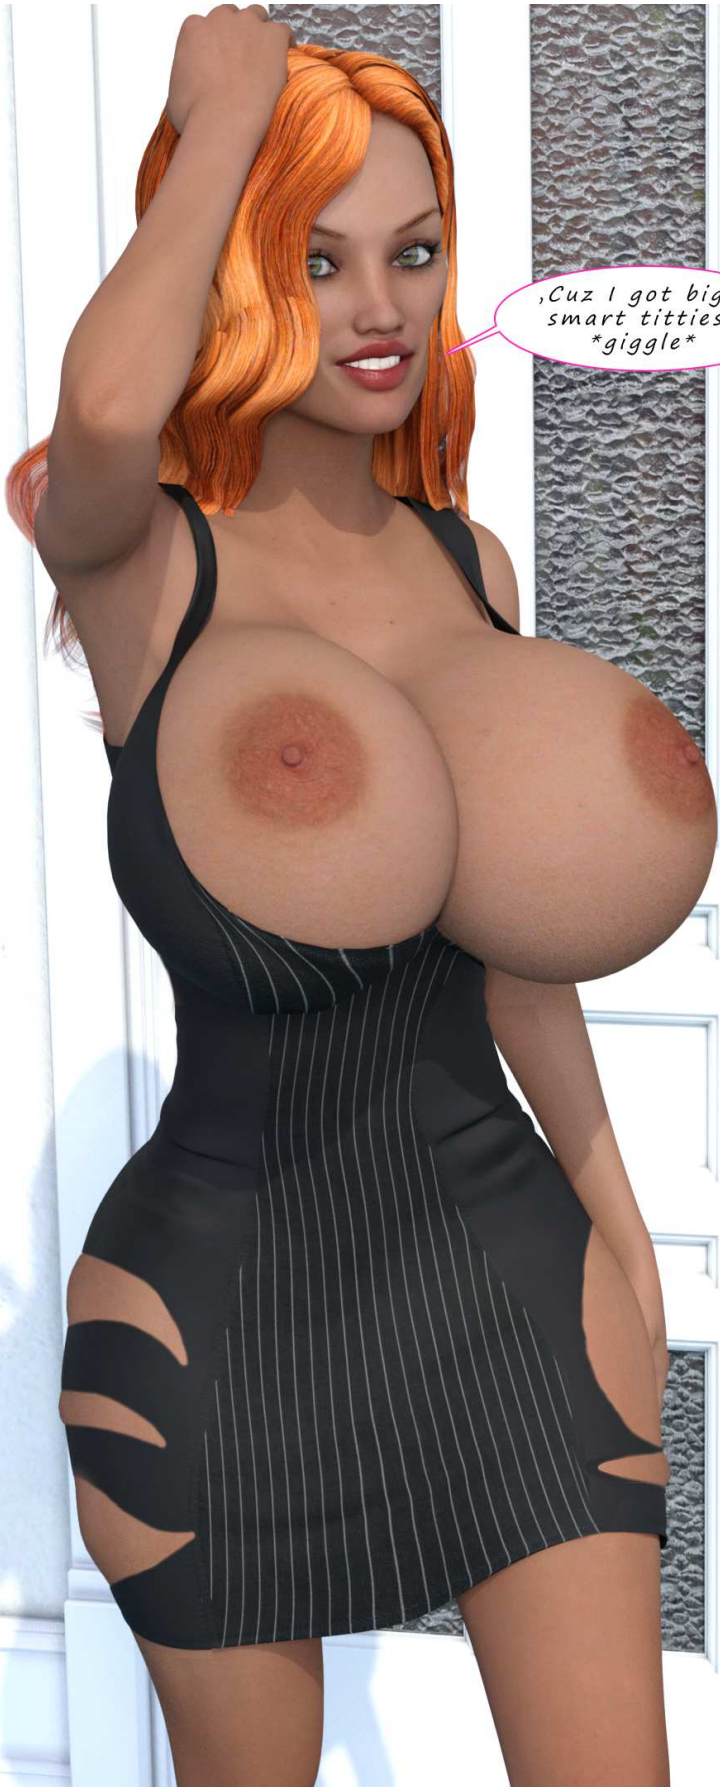

*Gi..gigantic
Gazongas...hu...uhh*

NNNNNGH

Yes! You are, without any question, the smartest girl my brother has dated, Tessa

By Amaz2k12

*,Cuz I got big,
smart titties?
*giggle**

*Exactly! You're
ways to smart for my
big brother. So it is
a good thing I sent him
to bed.*

By Amaz2k12

Huh?

Your date got cancelled, but that's ok. I'll keep you company tonight. I really enjoy the company with a smart girl like you!

By Amay2k12

Ohh...uhm...Well...
can I like tell you
a secret then?
giggle

Sure Tessa, yes
you can!

By Amay2k12

I feel like
a total airhead
Bimbo, Silly!
giggle
I'm a dummy!

Well, Tessa. That
is ok for me. I like the company
of Bimbo's even better!
