THE FALL
OF THE
BARBARIAN QUEEN

42 BC

Rome controls virtually all the known world. Pax Romana, the Roman Peace, is the order of the day, except on the northern border, where the fighting continues. Barbarian tribes have organised themselves into guerrilla groups and are constantly harassing the invading Roman armies. Rome is all-powerful at the centre, but its forces are badly stretched at many points of the northern border.

Neyra, the enigmatic Warrior Queen, is the most famous of the “rebel” warriors. She is the most wanted person in the whole Empire. Caesar Octavius has put a price on her head.

She is the subject of many stories, true and false, in Rome. She is believed to be young and uncommonly beautiful, with long flaxen hair that shines like gold in the sunlight. A spy who once saw her addressing her men reported that her hair flowed like a silver river in the moonlight. Some said that it shone with its own light. Many believed that all men who saw her fell in love with her. There was talk of magic powers...

She was said to be as skilful in the use of weapons as any Roman general.

Caesar Octavius grew uneasy at the rumours about her. He decided to send one of his cruellest fighters, Caius Sadicus, to find a way of putting an end to this living legend...

Northern Border
of the
Roman Empire

The Barbarians lost the battle. Neyra, the young Queen, is now a prisoner of Rome...

-So ... this is Neyra the Barbarian Princess, now a prisoner of Rome? Well ... well ... well ... On your knees, bitch!!!
-Never. I'm a Queen and your are Roman Bastard...

A Queen? Don't make me laugh. You're a slut to fuck, nothing else. You've got a beautiful face, girl ... let's see how good your body is ... Strip her naked!!!

Yeah, you're quite desirable ... You're body is a slut's, a whore's! Put her in the cage!!!

-Come on, go in, bitch ... you're going to travel to Rome on your knees, caged like the dog you are!
 -I'll kill you for this, I swear!

You're scum... As well as being murderers you are men without honour... Is this how Rome treats her prisoners?

You haven't seen anything yet, you slut. Wait till we get there... Put the cage on the cart. On display! So everyone can see the Barbarian Princess stark naked and in chains...

You're going to be sorry you're alive, bitch... I'll make sure of that myself...

Two days later,
in the Roman Dungeon...

Welcome, bitch. Time to have some fun with this
gorgeous body of yours...

Come on, scum. Get out of that cage!!! You're gonna
be raped...

Come here, Barbarian ... I'll take care of you personally...
These last few days of your fucking life are gonna be
worse than Hell!

We'll fuck you like you've never been fucked. Enjoy it because it's the last time you'll get it in your fucking life We'll show you what sort of real men we Romans are!

Yeah ... better chain the slut first. She looks quite a tigress...

You start ... You do the bitch cunt first and I'll do her ass when done...

I'm gonna rip your cunt raw, bitch... I can't wait any longer. Hummm ... let me see what you hide here, girl ... let me feel that Barbarian cunt ... It's my first one...

Come on, slut ... open those pretty legs for me ... See my prick? It is you who make me that hard!

-Your skin is smooth... yeah ... you're gonna be a good fuck...
-Leave me alone, you bastard...

-SLAP ... SLAP ... Open I said! Yeah ... good girl ... You need my hard prick up your cunt, don't you?
-No... Stop it... you're a filthy coward...

-You're tight, bitch ... yeah ... You were a virgin but you're wet as a fucking whore ... AH ... AH ... AHHHH...
-NOOOOOOOOOO!!!

-Feel it? ... This is a Roman Prick, bitch ... You should appreciate that...
 -AAAAHHHHHHHHH...!!! NOOOOOOOOOOOO!!!

It is a top honor for a filthy barbarian bitch like you to be fucked by a real man...

Yeah ... you're a good fuck ... slut ... I'm gonna shot my seed right up you ... AH ... AHHHH ... AH ...

Mine'll be the last prick to fuck your barbarian cunt when you're still alive ... bitch... AH ... AH ... NOW!!! ... TAKE THAT... Feel my milk? TAKE ... TAKE...

All yours, fellow ... Fuck the shit out of her. Bet she's virgin at the back too...

Come here, girl ... see this? I'm gonna rip apart your asshole with it ... You'll gonna scream, I swear!

You were quite a tigress ... weren't you, Barbarian? ... Now it is over... Now you're in chains... Come on, open those pretty buttocks. for me.

We have all the night and I'm gonna tame you ... but first I'll bugger you ... like this ... right up your ass!!!

The savage violations
went on until well
after midnight...

Yeah ... you were a virgin up here too ... Know what?
Tomorrow you'll die on the cross, and I'll fuck you there
again...

Finally alone, Neyra dangled from the chains in the dark
... She could not even close her legs... She cried all night
long

At dawn...

...they came for her...

Wake up, girl... Today is the big day... Your last day... Ha! ha! ha!

Oh... come on, don't cry... Perhaps you'll last more than a day nailed to the cross... Ha! ha! ha!

Don't fight bitch and get walking... Everybody out there is waiting to see you naked, carrying the cross...

Don't fight bitch, I said... there is nothing you can do. You're dead meat...

Yeah... give it hard to her... we've no time to lose

Much better... tie her thigh... you know she's a tigress... Ha! ha! ha!

Come on, bitch. Now get up on your feet and walk to your death ... Ha! ha! ha!

Get up, I said!!! Faster than that ... fucking bitch!!!

Move those pretty legs ... this way!!!

Don't like the whip on your tits? Then move!!!

Bravo ... good girl ... you did it!!! Now walk, slut!!!

Keep moving ... Yeah... Whip her... Harder than that... On her back...

...and on her pretty ass ... Yeah ... This Barbarian slut is stronger than she looks ... Ha! ha! ha!

Come here girl, I'll keep you on the leash ... This is just like leading a calf to the slaughterhouse ... Or was it a dog? Ha! ha! ha!

What disgrace! A high and mighty queen led naked with a rope around her neck!!!

Come on, bitch... walk now ... and don't stop for or you'll regret it ...

I tell you: there are things even worse than dying on the cross ... Move faster than that, I said!!!

I'll flog you to within an inch of your life, you bitch. MOVE! I wanna see you sweat before you die. It makes me horny!

Look, Citizens of Rome!!! This naked bitch was a Barbarian Queen who dared to defy the power of Rome!!!

Wriggle that ass and jiggle your tits, you whore ... These people want more fun from your regal wares!

Look at them, Barbarian. They despise you... You're no more than a naked slut to them...

All they want is to see your slut's body nailed to the cross ... and to fuck your corpse when dead ... Ha! ha! ha!...

Walk!!! Or do you like the whip, you whore?... Come on... walk!!!

Look at her pretty face, guys... She's not a fighter any more... She's scared... She doesn't want to die...

Too late now!!! ... Ha! ha! ha! ... We all wanna see your pretty limbs pierced by Roman nails.

See that city gate? It's the last one you'll go through in your fucking life, bitch!!!

Come on... quick... the sooner you get there, the sooner you'll die. No more pain then ... Ha! ha! ha!

Tired, bitch? I thought you Barbarians were stronger ... and braver. You're scared, you've never been more than holes to fuck...

Yeah... keep on whipping her, buddy... It makes me horny... I'll bugger that well striped ass before I nail her down...

Did you hear me, bitch? Stop wriggling your naked ass or I'll bum fuck you like I did in the dungeon...

Yes... this is what you want. This is what you are now...
A hole to fuck before you die! Ha! ha! ha!

Fucking bitch!!! UP ... UP ... Stand up and move!!! It's
late and we won't waste more time killing you...

Come on... STAND UP or I'll whip you to death right
here!!!

*Go ahead... Kill me, you bastard!. I can't stand it
anymore...*

No such luck, my pretty one!. You're here for a long dying ... We want a good show ... Ha! ha! ha!

Here we are, bitch ... Come, on ... lay on the dust!!!

Be careful or you'll get hurt on your pretty tits! Ha! ha! ha!

...And on your pretty nose too... Ha! ha! ha!

Do you want to bugger her now, Caius Sadicus? She's placed most properly for the occasion... Not yet... Nail her first... She'll move better then ... Ha! ha! ha!

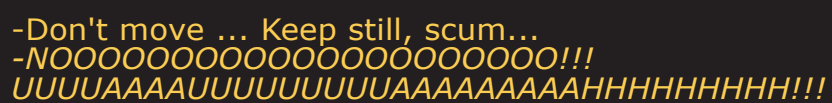

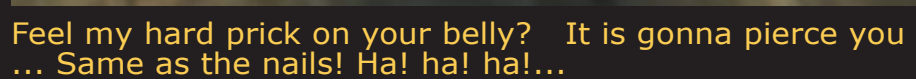

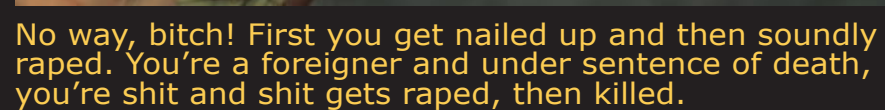

Come on, bitch. Lay on your back...

Smile, bitch. I'm gonna rape you once more. I promised you, remember?

PLEASE... DON'T DO IT... Just kill me and leave me alone...

-Hold her arm tighter... I'm not finished yet
-IIIIIIIAAAAAAAGGGHHHHHHHHHHHHHHH!!!

-Does it hurt, Queen? That was the first nail ... More to come ... Ha! ha! ha!...
-IIIIIIUUUUAAAAAAGGGHHHHHHHHHHHHHHH!!!

It is getting late, we should keep on with the proceedings now...

-Sorry, fellows. I promised this bitch a good fucking, and that's what she's gonna get!
-No... please... not like this... You're a fucking coward...

How dare you spit at me, bitch? You're going to regret that, I swear! But first let's have this bit of fun...

-Are you spending yourself, honey? Like it? Yes, you do... you like a big roman prick up your filthy barbarian cunt, don't you?
-AGGGGGGGHHHHHHHHHH...!

Yeah... you like it better now than in the dungeon... your screams are getting convincing!
-NOOOOOOOOOOOOOOOO ... IIAAAAAAAIIIIIIIEEEEEEE!!!

Feel that, bitch? You're lucky, aren't you? Not many condemned prisoners get a last fuck on the cross, Ha! ha! ha!

Raise your hips, whore ... and move that ass ... fuck me crazy! Ha! ha! ha!

-I'd fuck you to death... but that would spoil these gentlemen's fun, wouldn't it? Come on, it is time for your little arse-hole to get raped...
-No... please... stop it...

-Like it now? You say no? How dare you, scum!
-AAAAHHHHHHHHHHHHHHHHHH! Please... enough... I can't stand it... AAGGHHHHHH... my wrists... they'll kill me...

Ok guys, I'm ready. Go and hang the slut.

Just drag her by the wrists ... That way it'll be more painful

-You're here to be punished, bitch. Not just to lie around and enjoy being fucked.
-AAAAHHHHHHHHHHHHHHH!!! Please... AAAAHHHHHHHH!!!

Better get used to it... It will be much worse up on the cross, I'm telling you ... Ha! ha! ha!...

Look how her pretty legs kick. I bet she'd be quite a good fuck in bed...

-If your wrists broke and don't stand the strain, I'll nail you by the elbows, bitch!!
 -Yeah ... why not! Ha! ha! ha!... Look, you scared her. She's kicking faster now! Ha! ha! ha!...

Look at her body, she's beautiful.... It's a pity to kill such a sexy woman... Female war prisoners get sold as slaves, not killed...

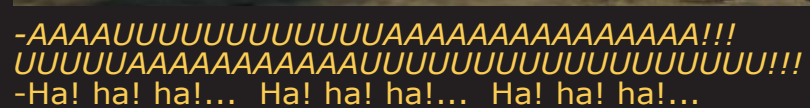

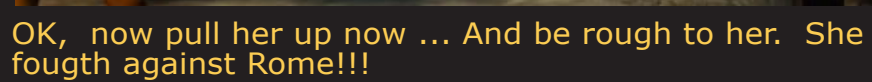

-What do you mean? You'd like to buy her as your sex slave, soldier? She's a tigress, she'll bite your prick off the first time you fuck her face!! Ha!... ha!... ha!...

www.dofantasy.com

I would tame her first! Keep her in chains!... I always wanted a body like this of my own, with long, golden hair. Yeah ... it is a pity to feed the worms with this juicy cunt! Anyway, you can fuck her corpse when dead.

-I told you your screams make me horny? Come on, bitch. Scream... Scream louder than that...
-AAAAAAAAAAHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH!!!

-Do your wrists hurt? We could fix that, couldn't we? Nail the steel horn to the post, between the bitch's legs...
-Please... please... AAAAAAHHHHHHHHHHHHHHHHHHHH!!!

-Are you better now, you scum? I bet this horn makes you horny too!
-Yes... yes... AAAAHHHHH! yes...

-Doesn't it hurt your cunt, bitch?
-No... no... please leave it...

You're here to get punished, not to spend yourself again and again like a whore. So we have to fix this. Understand?

-besides I want your cunt free for tonight... we'll be back after dinner to have fun with you, understand?
-Oh please... haven't you had enough?

-No, we haven't had enough, we're real men and you're here to be raped to death.....
-Hey buddies, I got an idea... why don't we hook her onto the horn by the ass

-Good! Like a worm on a hook! Come on, girl, lift your hips for me...
-No... please... NOOOOOOOOOOOOOOOO!!!
www.dofantasy.com

Come on, whore... Tell me when you feel the tip against your tiny shit-hole...

NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!!!!... I BEG YOU ... NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!!!!!!!!!!

-Now it is fine... Just pull the slut down.
-NOO...!!!!..

AAAAAAAAAAAGGGHHHHHHH!!!!
UUUUUUUUUAAAAGGGGGGGHHHHHHHHHHHHH!!!!

-Don't fight bitch... You're gonna get impaled. No point arguing about it! Do you feel it, Barbarian? Ha! ha! ha!...
 -UUUUUUUAAUUUUUUUUUUUUUUUUUUUU!!!

That was brilliant! The slut looks much calmer now...
 Hope you didn't kill her yet.

-No I didn't... she's still alive. See how she writhes...
 -Yeah... like a dirty belly dancer... Ha! ha! ha!...

Now it's time to nail your dainty little feet, whore... I hope this helps your wrists and arse

-Don't fight it, you scum. Just let your feet hang and let the spike go up you... It will do anyway...
-AAAAAAHHHHHHHHHHHHHHHHHH!!!

Your gonna be the best-nailed bitch ever, Barbarian! Ha! ha! ha!...

Please... please... no more... have mercy and kill me now...

That's it, go ahead, pal. You have a very nice cunt, barbarian... I said it for you!

-AAAAAAAAAAAAHHHHHHHHHHHHHHHHHHH!!!
-Does it hurt, whore? I guess so. Now you see just how stupid it was to fight against Rome!

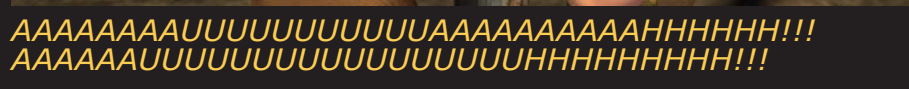

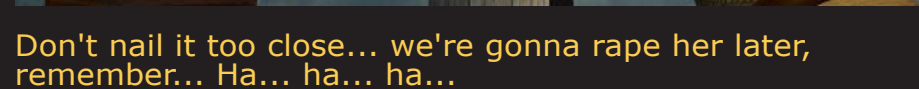

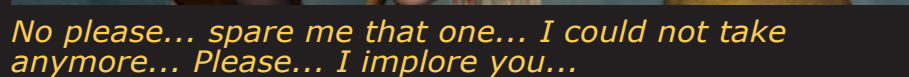

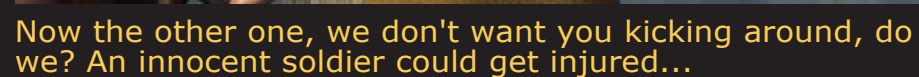

-Grab her ankle and pull her leg down, soldier. I want her fully impaled.
-UUUUUUUAUUUUUUUUUUUUUUUUUUUUUUHHHH!!!

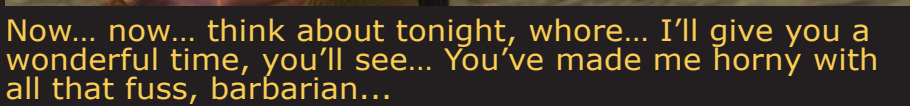

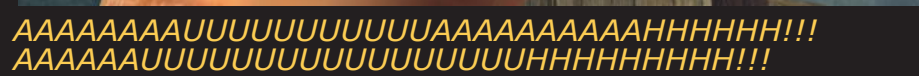

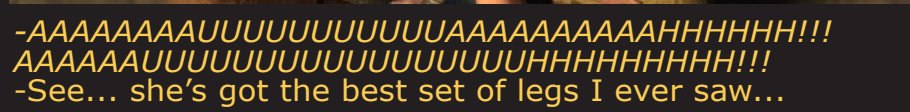

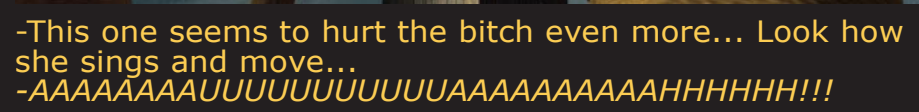

-Come on, give it to me, this will be the last nail if I decide not to nail your knees too...
-Better not do it, pal, it would be annoying if we came back tonight to have fun with her

-it's a pity, Id like to pierce those pretty knees too... With a body like this you could've been my sex-slave... Instead of these nails You would have enjoyed my huge Roman prick for ages!
www.dofantasy.com

Perfect! Look at the bitch's cunt... juicy and open, ready to take plenty of Roman cocks. I told you, she likes getting fucked.

Now, slut, have a rest and try to keep on living, We're gonna come to rape you later and we want you to be alive. Take care...

Later...

...alone on the cross, the Barbarian Queen was crossing the thin line between life and death

Come on, you go first. Don't make the slut wait for it anymore

Wake up, you bitch. Time for some good dick!

Shit you make me horny, girl. I always wanted to fuck a Queen ...Ha... ha... ha...!

What...? Who's? Where... where am I?

Oh ... please ... No ... not again. Let me die... please...

Yes, you'll die, but after a good, sound fuck. Look at my prick, don't you like it up your cunt, bitch?

-I implore you, soldier... leave me alone, let me die on my own...
-I asked you a question, bitch. Answer me!

ANSWER ME SLUT!!! ... Can't you? what happened to you, did they tear out your tongue? Show me your fucking tongue at once if you don't want me to hit you...

Yeah... you still have a nice pink, little tongue. I tell you what I'll do... I'm gonna kiss you deep in the mouth...

Don't close your mouth... and wet your lips if you can...

Come on, bitch, moisten those lips and get ready to kiss me...

A pity about all these scars on your face... I'm sure you were beauty...

Feel my dick on your belly? I'm hard as a bone. You make me hard.

So you'll have to deal with it... Isn't that fair?

AAAAGGGGGGGGGHHHHHHHHHHH...! NOOOOOOOOGGGGGGGGGGGG...!

Hummmm...! SLURPS ...SLURPS ... HUMMMMMMMMM...!

I'll bet you're horny after so much kissing, bitch... Tell me you want it...

It doesn't matter if you aren't... I'm gonna rape you anyway... Do you like me doing this? You're juicy down there...

I like the feel of your thighs and cunt, woman. You were made for fucking... You'd make a splendid pleasure slave...

-This will be your last fuck of your fucking life, bitch. So enjoy it...
-Please...

Like me fingering you? Yeah... A good hard spike up the ass and loving fingers on your cunt is what you like...
-No... no... stop it... please...

-I want to hear you moan... Nice, sexy moans, you know what I mean...
-Please... no... please...

Now open your legs... I can't stand anymore. I need to fuck you.

Shit... how stupid! I forgot your dainty feet are nailed to the cross.

-I'm afraid this is going to hurt you. Take this bitch!!!
-NOOOOOOOOO... AAAAAGGGGGGGHHHHHHHHHHH!!!

-Feel it now? Yeah... scream... scream... I know you like it.
-AAAAAGHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH!!!

Yes... you like it... You squeeze me... you milk me...
-PLEASEEEEEEEEEEE ... NO MORE ... NOOOOOOOOOOO!!!
w w w.dofantasy.com

You're a fucking whore. You're shit. You come no matter
you are nailed to the cross or not...
-AAAAGGGGGGGGGHHHHHHHHHHHHHHH...!!!

AAAAAGGGGGGGGGGGGGGGGGHHHH!!!!!!
 NOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!!!

-NOOOOOOOOOOOOOOOOOOOOOOO!!! NOOOOOOOOOOOOOOO!!!
-Yes... fuck it, slut... Feel it... YES... NOW... NOOOOW!!!

NOOOOOOOOOWWWWWWWWWWWWWWWW!!!

SLAAAAPPPPPPPP Take that, fucking idiot!! Look! You stained my prick with your filthy, barbarian blood.

The savage violations continued to happen ceaselessly, well into the night...

Leave her alone ... Don't kill the slut, it is my shift now and I want the cunt alive.

HOURS LATER: OK whore. That was an excellent performance. Now it is time to pay you...

See this coin, whore? It is a gold sextercius. It is what pay a slut for a fuck here... Kiss it, this is Caesar Octavius, your friend...

Come on, kiss it and take it. It is your slut's wages

-Don't be silly, she could not take it, her hands are busy... Put it up her cunt!
-Yeah... good idea ... Ha! ha! ha!...

Yeah... Now this fucking barbarian cunt is worth something ... Ha! ha! ha!...

I'll tell you something, cunt. I hope you don't die tonight, I hope you keep on living so I can fuck you alive again. But if you die, I want you to know that I'll screw your fucking corpse anyway. Sleep well, you shit.

Then...

...nothing, only misery and terrible pain...

...and the deepest, intimate humiliation...

Finally alone, the Barbarian Queen raises her eyes to the sky and prays to her gods.

*Gods of the dawn... Listen wherever you are! You have made my people the slaves of Rome...
You have allowed this ultimate outrage to the sacred person of their Queen...!!!*

You have never listened to my prayers ... Listen to them now: End my life!!!

The earth shook and lightning split the night...

This time the pagan gods of Murdox had listened to their young queen's pleas.
