the Gender Filter

**Wow!
I really look like
a chick! This
new filter is really
neat!**

**I know
right!**

**I heard an
urban legend
about an ritual
where you use
this app and it
changes your
your gender
for real!**

**No way
that can
be true!
This filter
has just
be out
for just a
few days,
isn't it?**

**Huh...?
What is
my best friend
typing?**

**Jhonny is mostly
a chill dude.
Hmm... appearantly
he's in trouble.
I should go and
check.**

Jhonny
I just installed the app. Lets see how I turn out as a chick ;)

When you say "change my gender!" three times before taking the snapchat photo at this abandoned place where the filter has been made...

I'm here...

Change my gender!
Change my gender!
Change my gender!

Saying "change my gender" three times?

Wow... that's... totally...

BULLSHIT!
Jhonny, what kind of joke is that?

SLAP!

TAP!

What are you doing, love?

Please...

STOP!

Alright, let's test this "legend" of yours!
Change my gender!
Change my gender!
Change my gender!

uhm... what is happening?!

TAPI!

WOOSH!

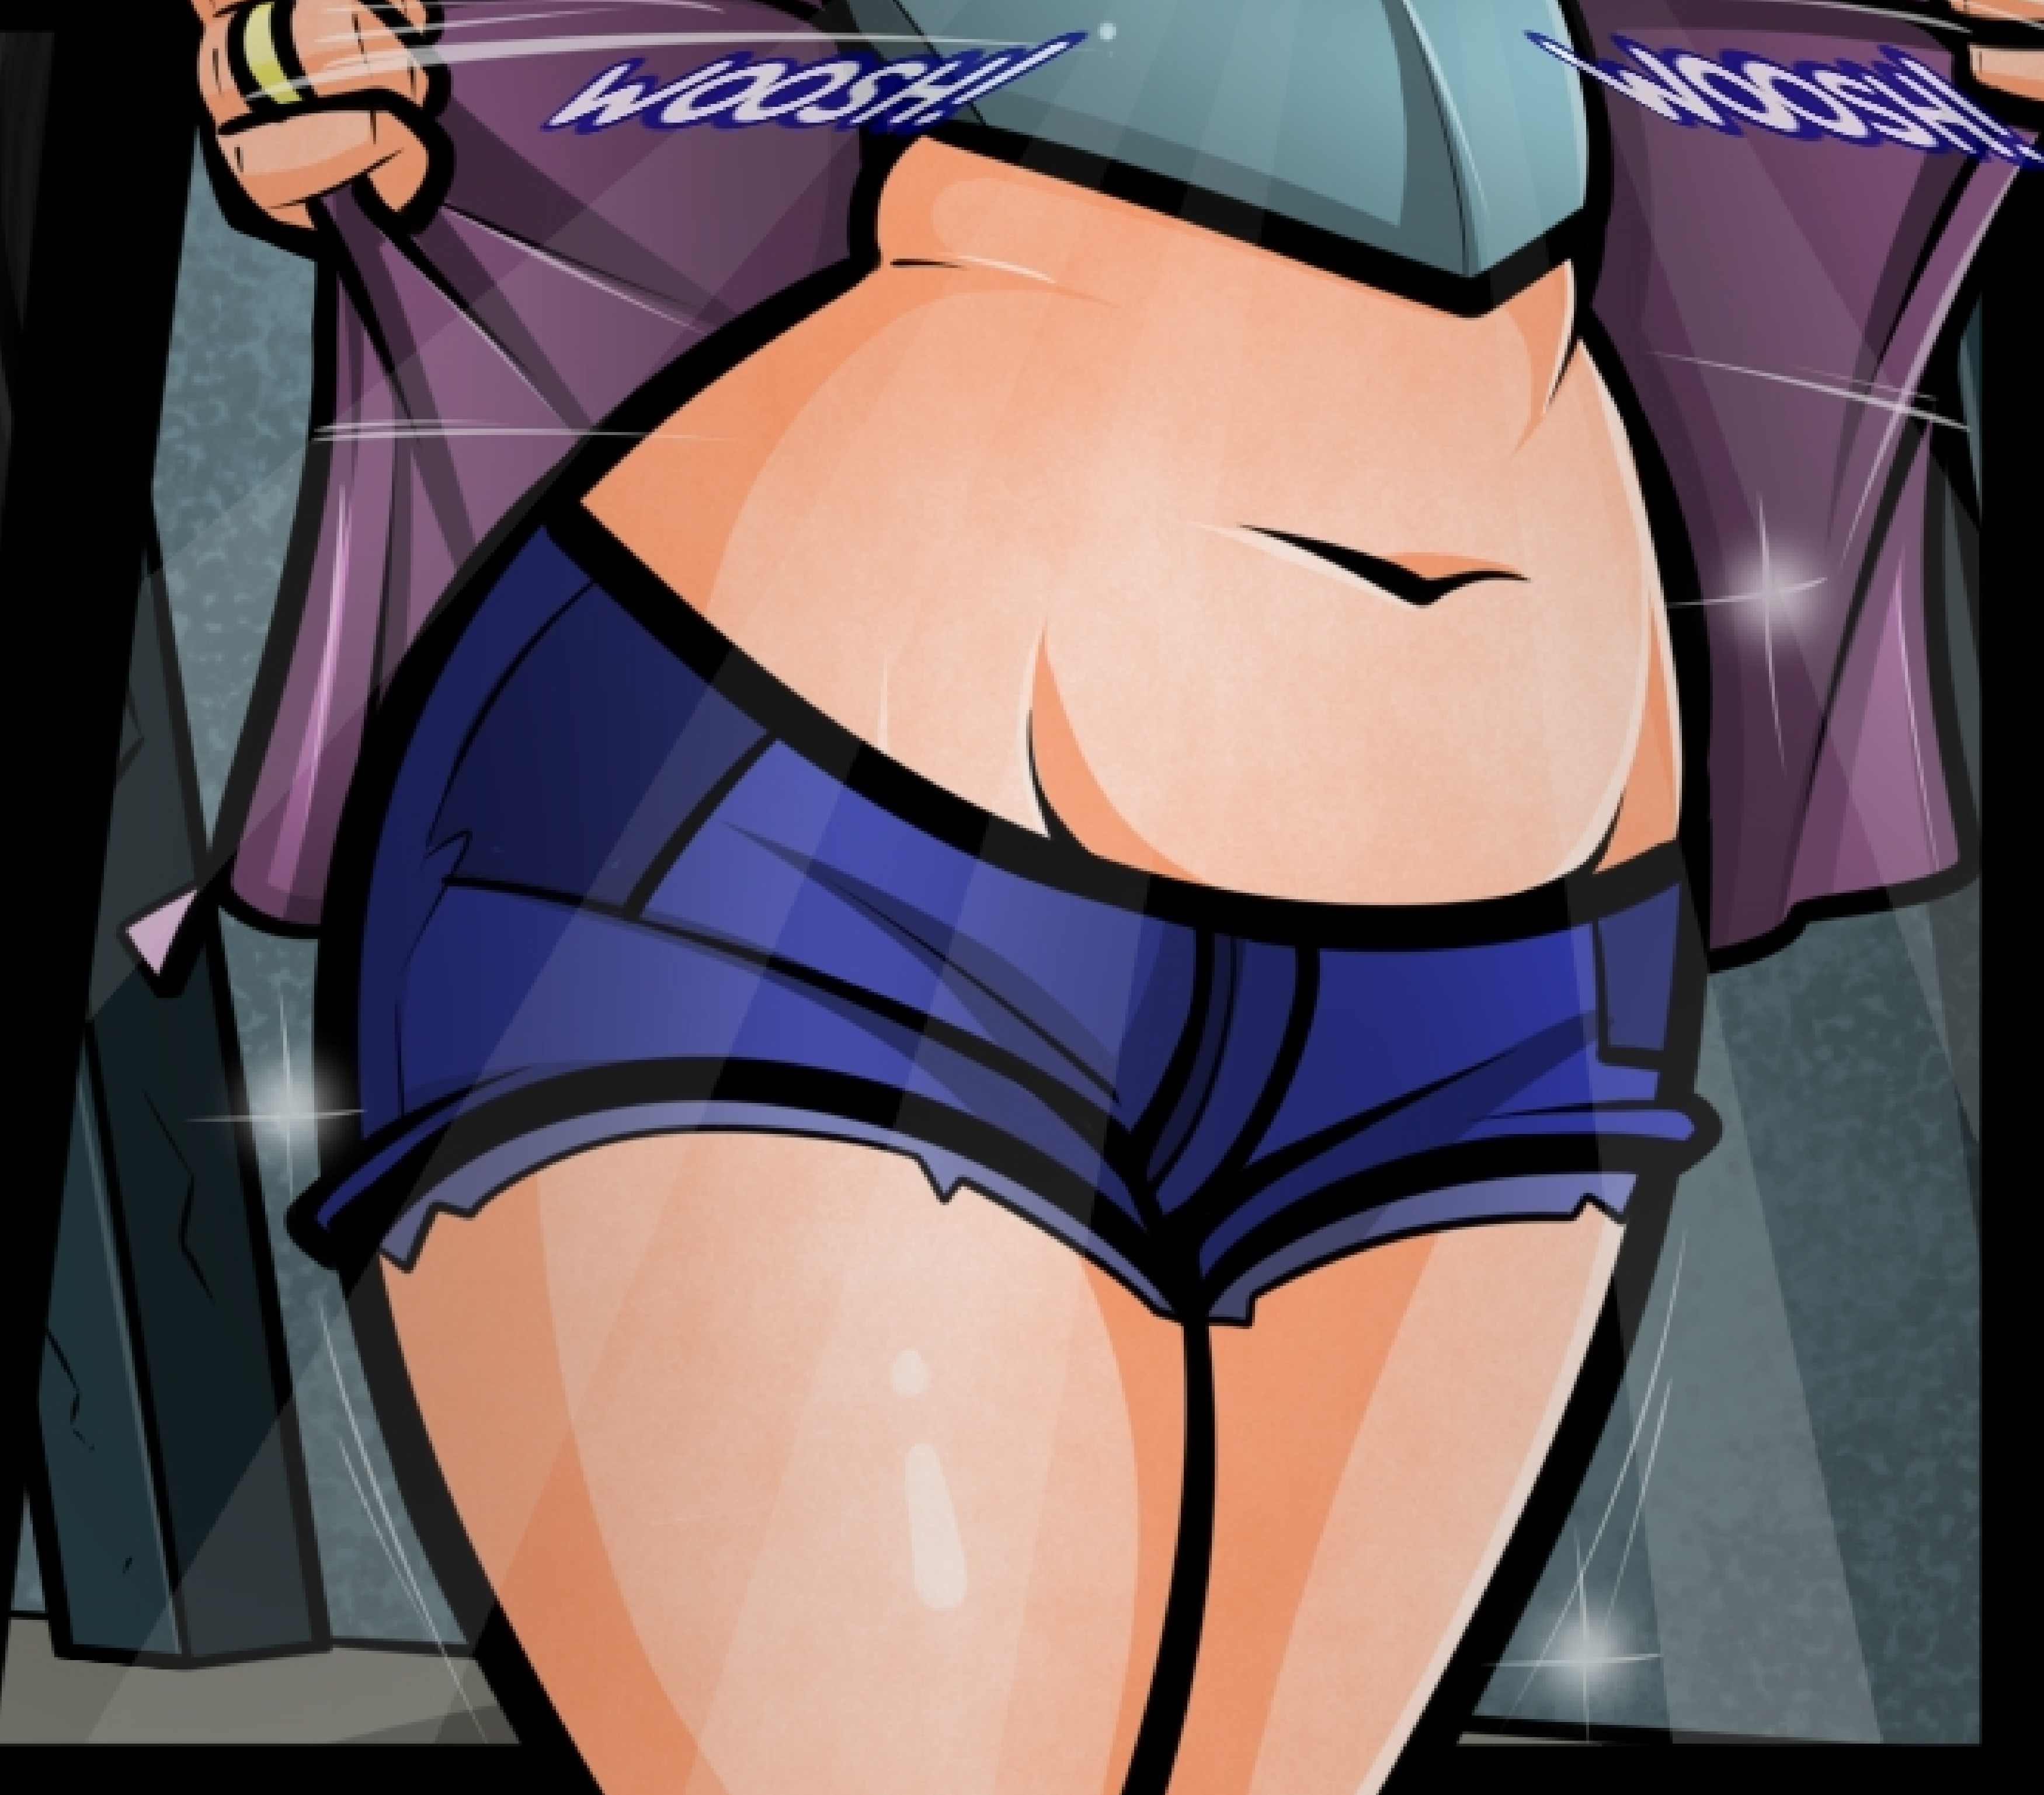

Oh no...
Your body also
has changed gender...
Why didn't you

soft... I'm going crazy...

Now we're
both fucked in
our new bodies...
Well, we can
look at the
bright side...

In this reality
we're a couple
again.

But we
were never
a couple...

oh god...

AAAH!
I CAN'T TAKE
THIS ANYMORE!
I DON'T WANT
TO BE A CHICK!
OH WAIT, WE CAN
USE THE SAME APP
AGAIN!

Change my
gender...
**CHANGE
MY...
GENDER!**

Change my
gender...

Jiggle!

Please?

Huh?
But how
can I change
back now?

It's no use.
I've already
tried it for
hours...

Boing!
Boing!

Boing!
Boing!

WOOSH!

What was I thinking?!

Two days later...

Maxine? I'm getting worried about you gal. You haven't showered in days...

How many times do I have to tell you Lis, I'm just having a cold!

If you need anything, give me a call.

I will! Just go already...

KNOCK!

Jeesh... Having female roommates is annoying!

But the worst thing is having to live in this girly pink room. I'm getting insane!

Some boy band!

urgh....

BAM!

Uhm... Max? Can I come in?

KNOCK!
KNOCK!
KNOCK!

GO AWAY!

I'm sorry for bothering. We need to talk things through...

EEK!
It's you!

Why do I squeek all the time?!

Uhm... ofcourse it's me. Can't you tell by my voice?

woosh!

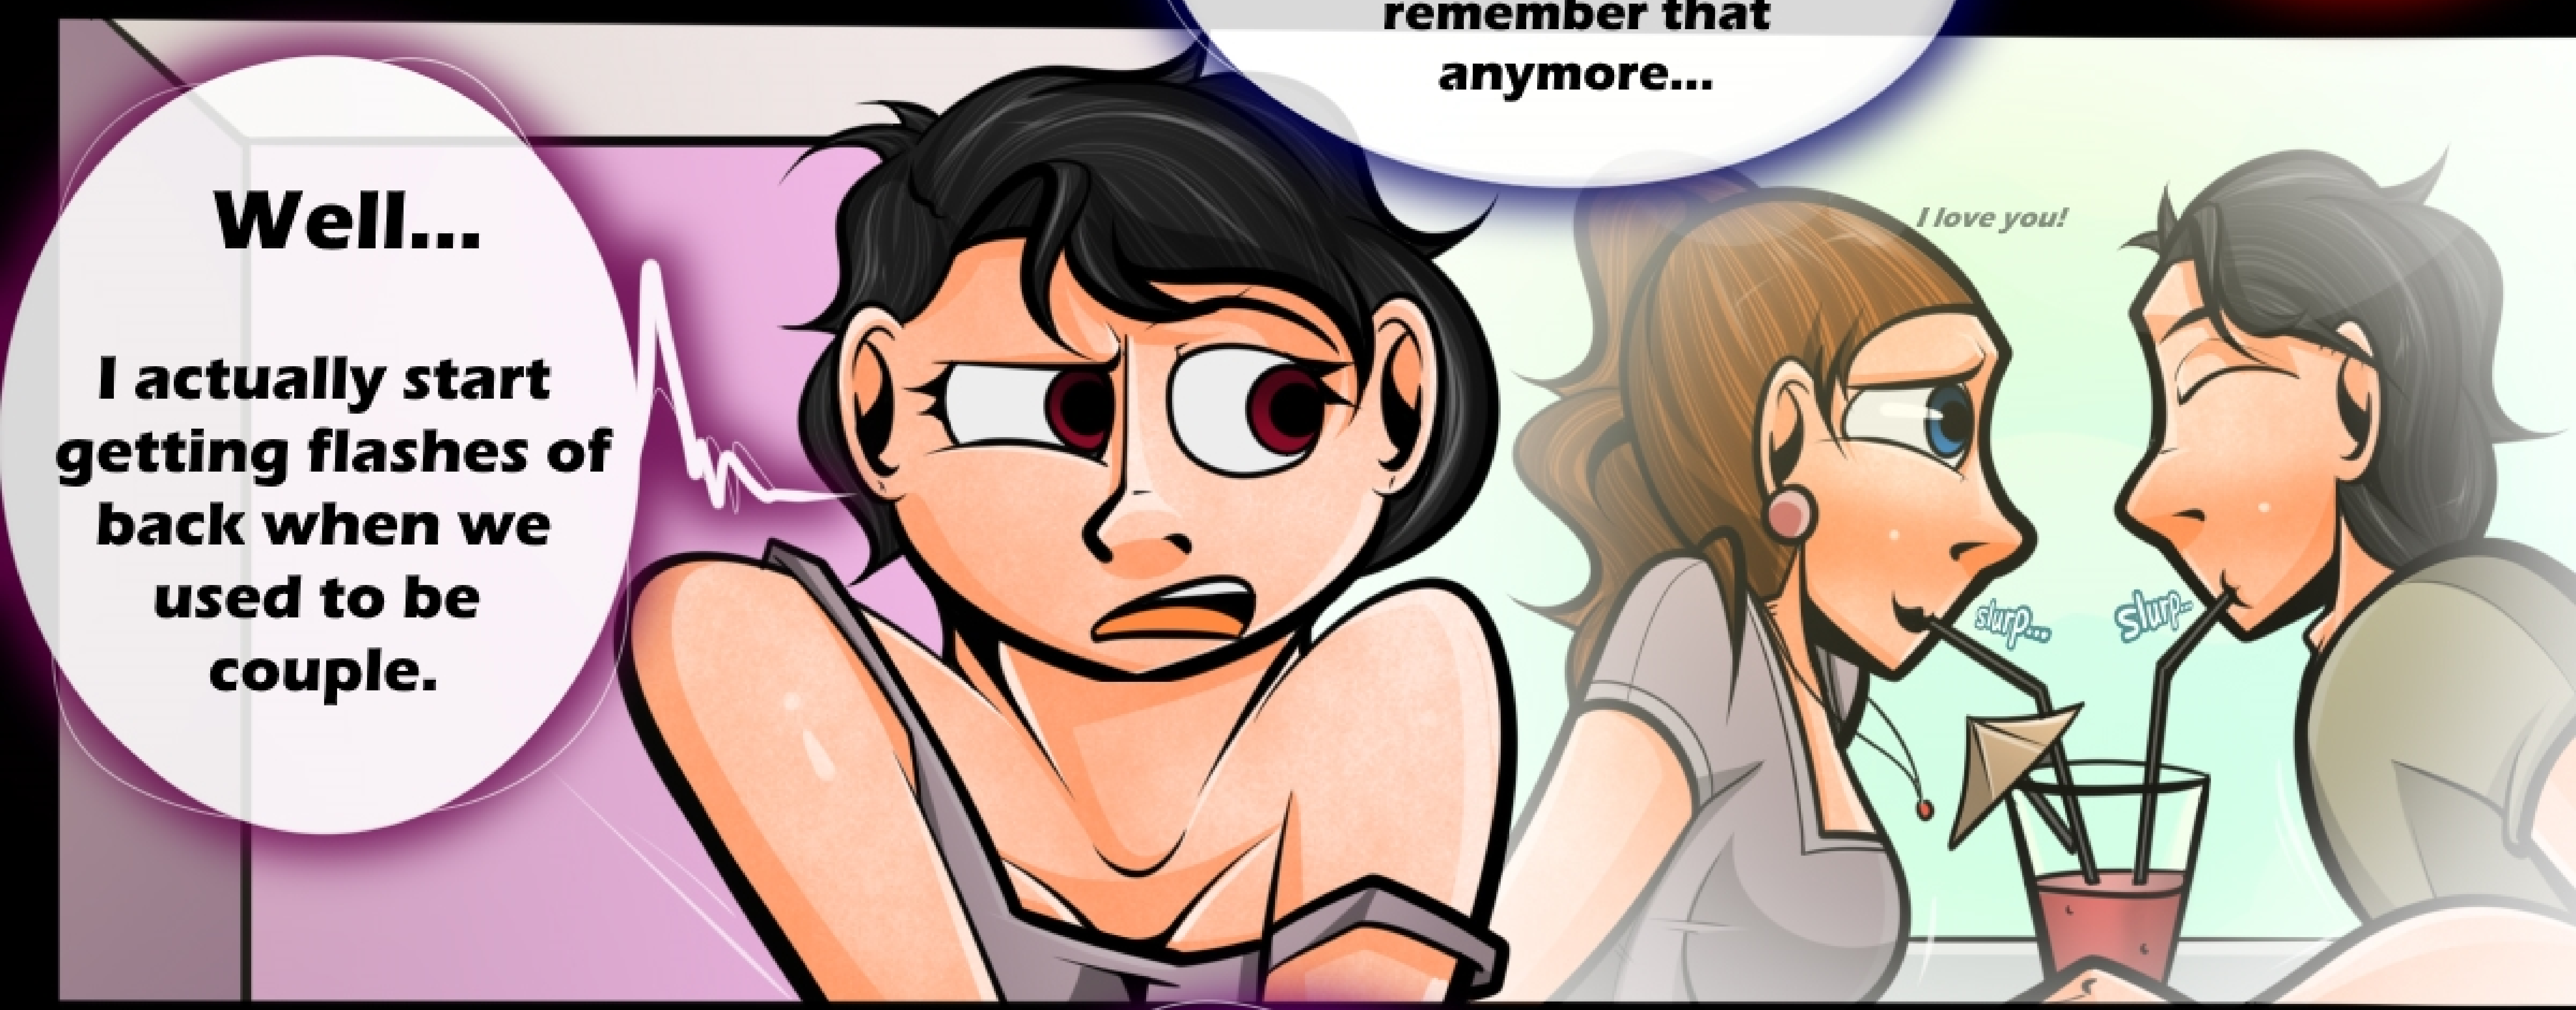

What are you doing here?

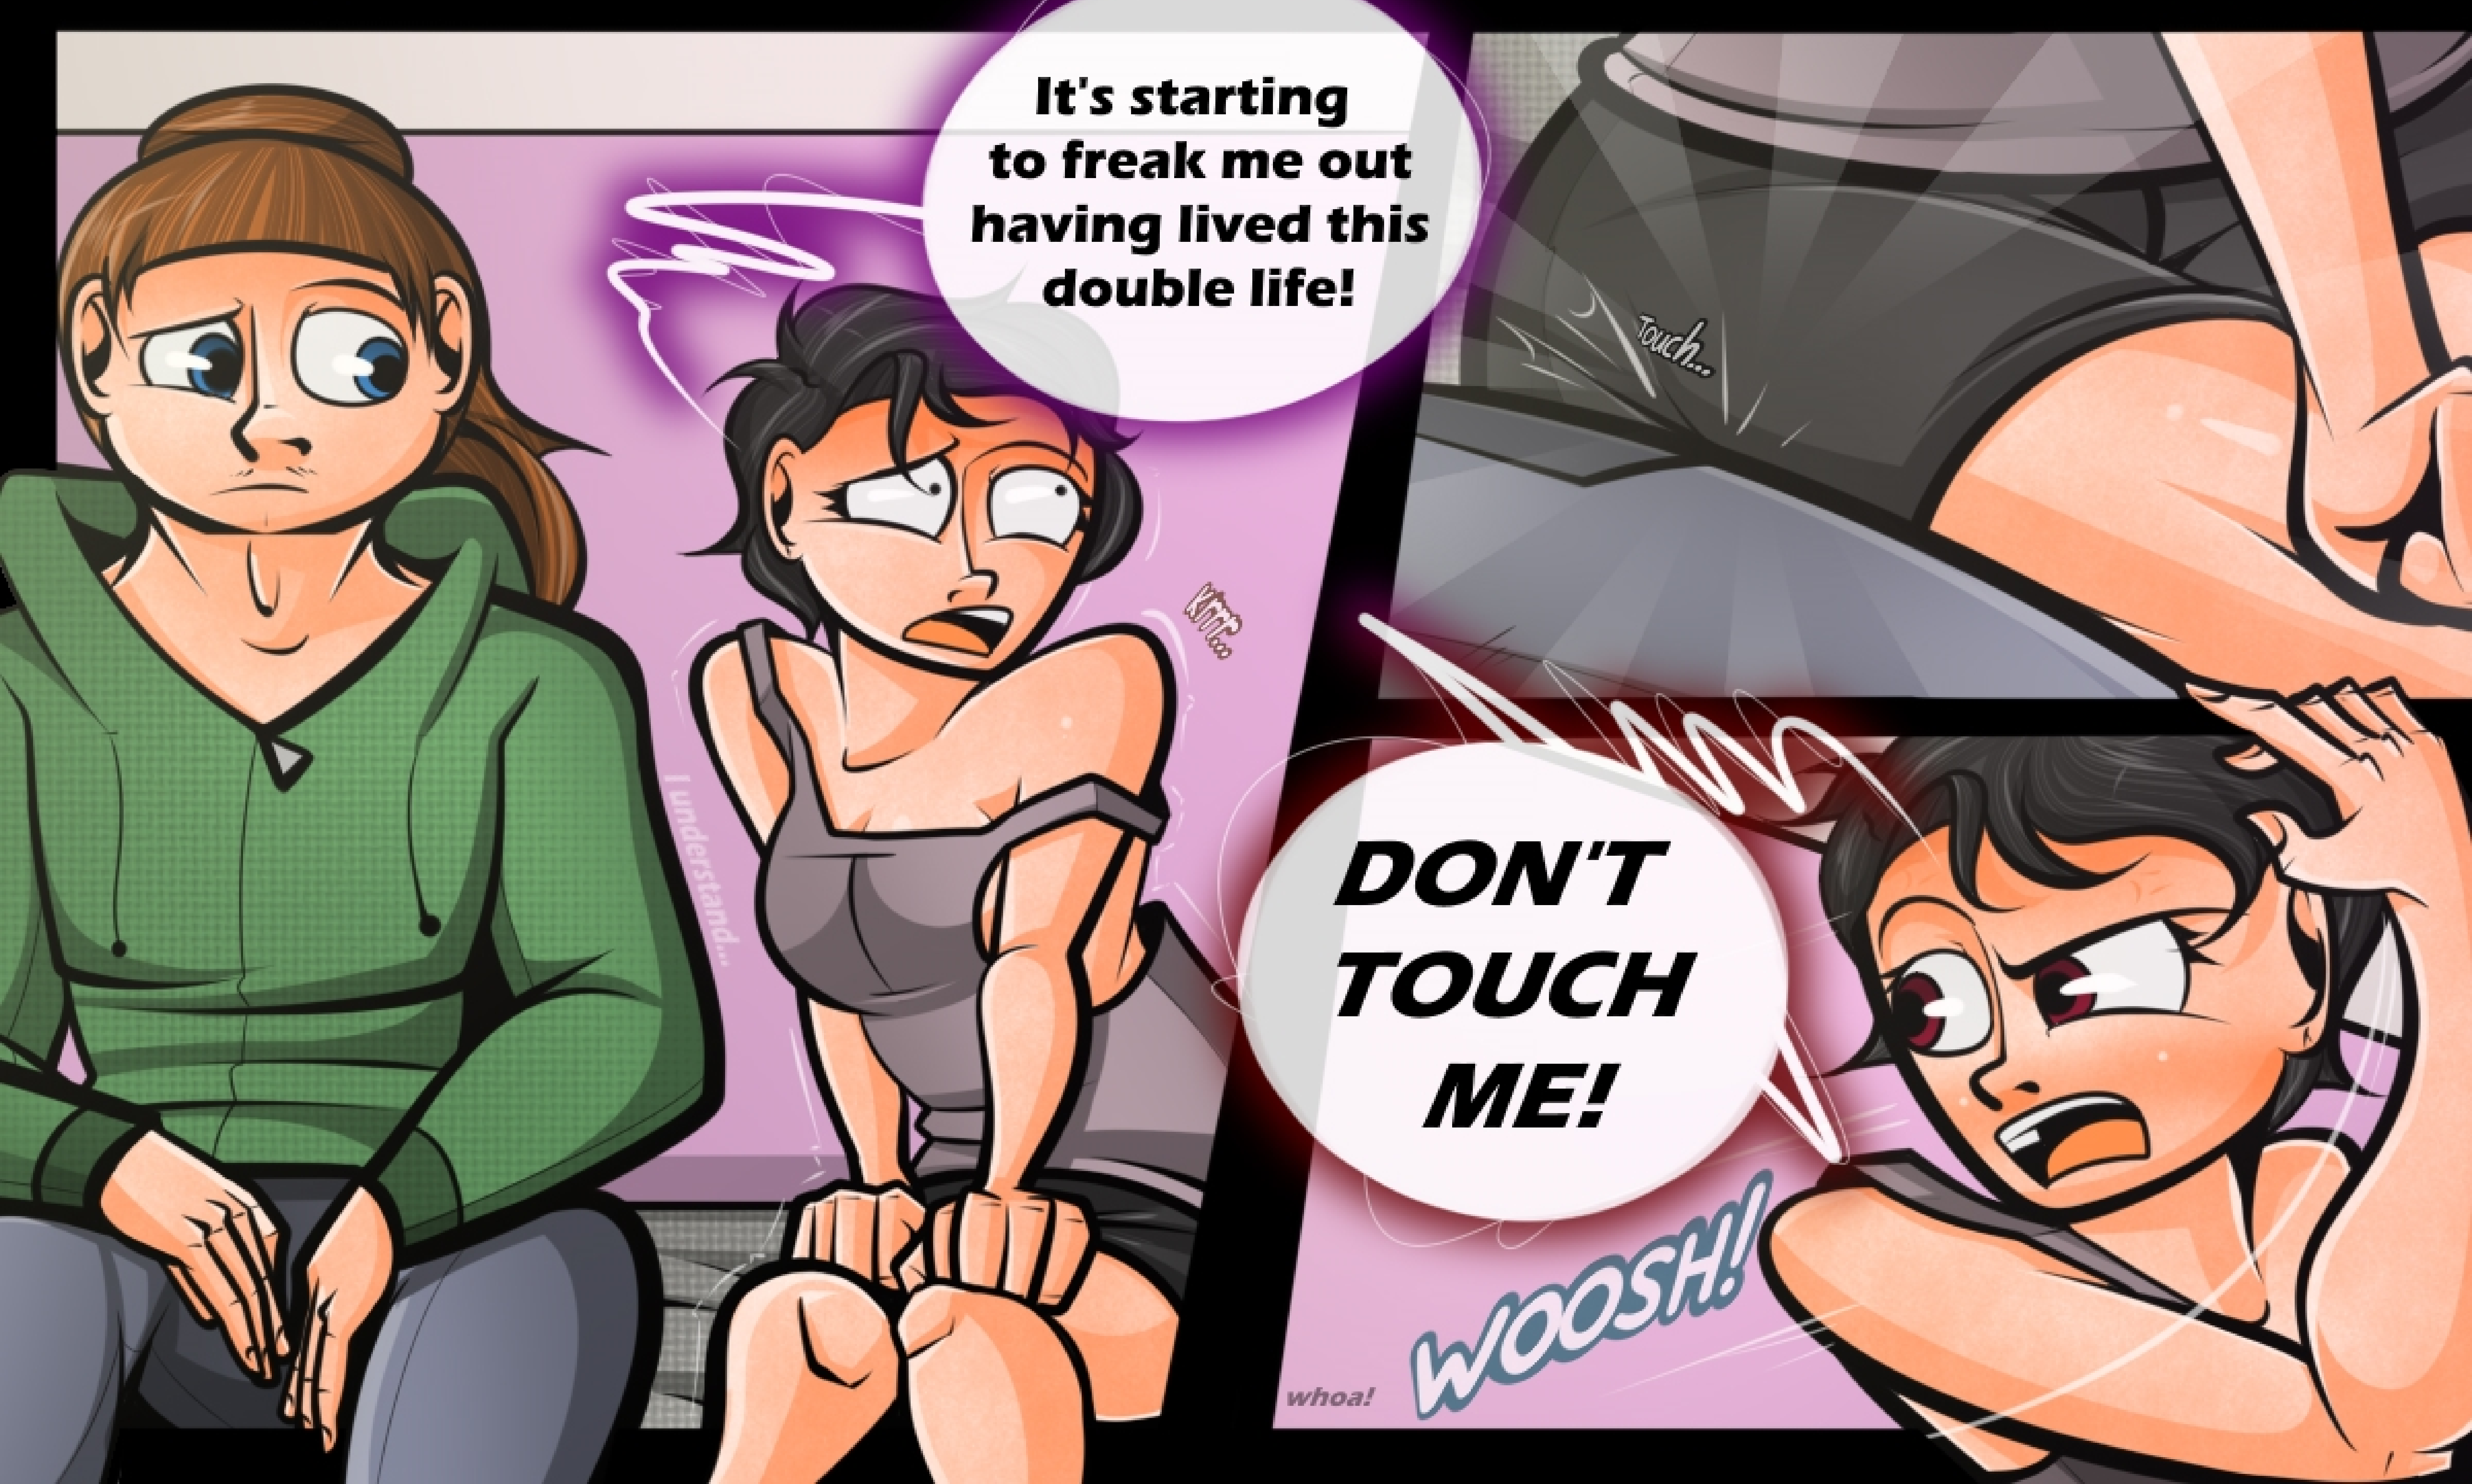

I was worried about you. You've locked yourself in your room for the past couple of days.

I'm surprised you haven't done that yourself!

I still want to see you since we used to be a couple. Ofcourse you don't remember that anymore...

Well... I actually start getting flashes of back when we used to be couple.

It's starting to freak me out having lived this double life!

DON'T TOUCH ME!

WOOSH!

whoa!

I'M SORRY!

I'm sorry about touching your bottom back in the compound. I wanted to become a couple again, but I only was thinking with... uhm...

Krr...

Some boy ba

With your dick right?

Yeah...

Sigh
What should we do now?

Well...

You first need to take a bath! Good hygiene is important for girls.

oh god...

You're making that shit up, aren't you? And besides...

...I haven't looked myself naked at all.

save2

Why did I agree to **this?**

Are you okay, love?

Of course I am! Don't cling on me all the time.

Can't she... er he just give me one second of privacy?

Urgh... let's just get over with thi..... **WHOA!?**

This... this is **SO.... unreal.**

Boing!

Boing!

sorry....

TSSS...

TSSS...

Those nipples are... they shouldn't be this...

Squeeze

And not to mention the place they're at. They extrude so much from my body! Go back... urgh...

BIG!

Anyway, let's move on.

Hmm... it's a bit colder than I expected. I always use this temperature... weird...

Oh god...

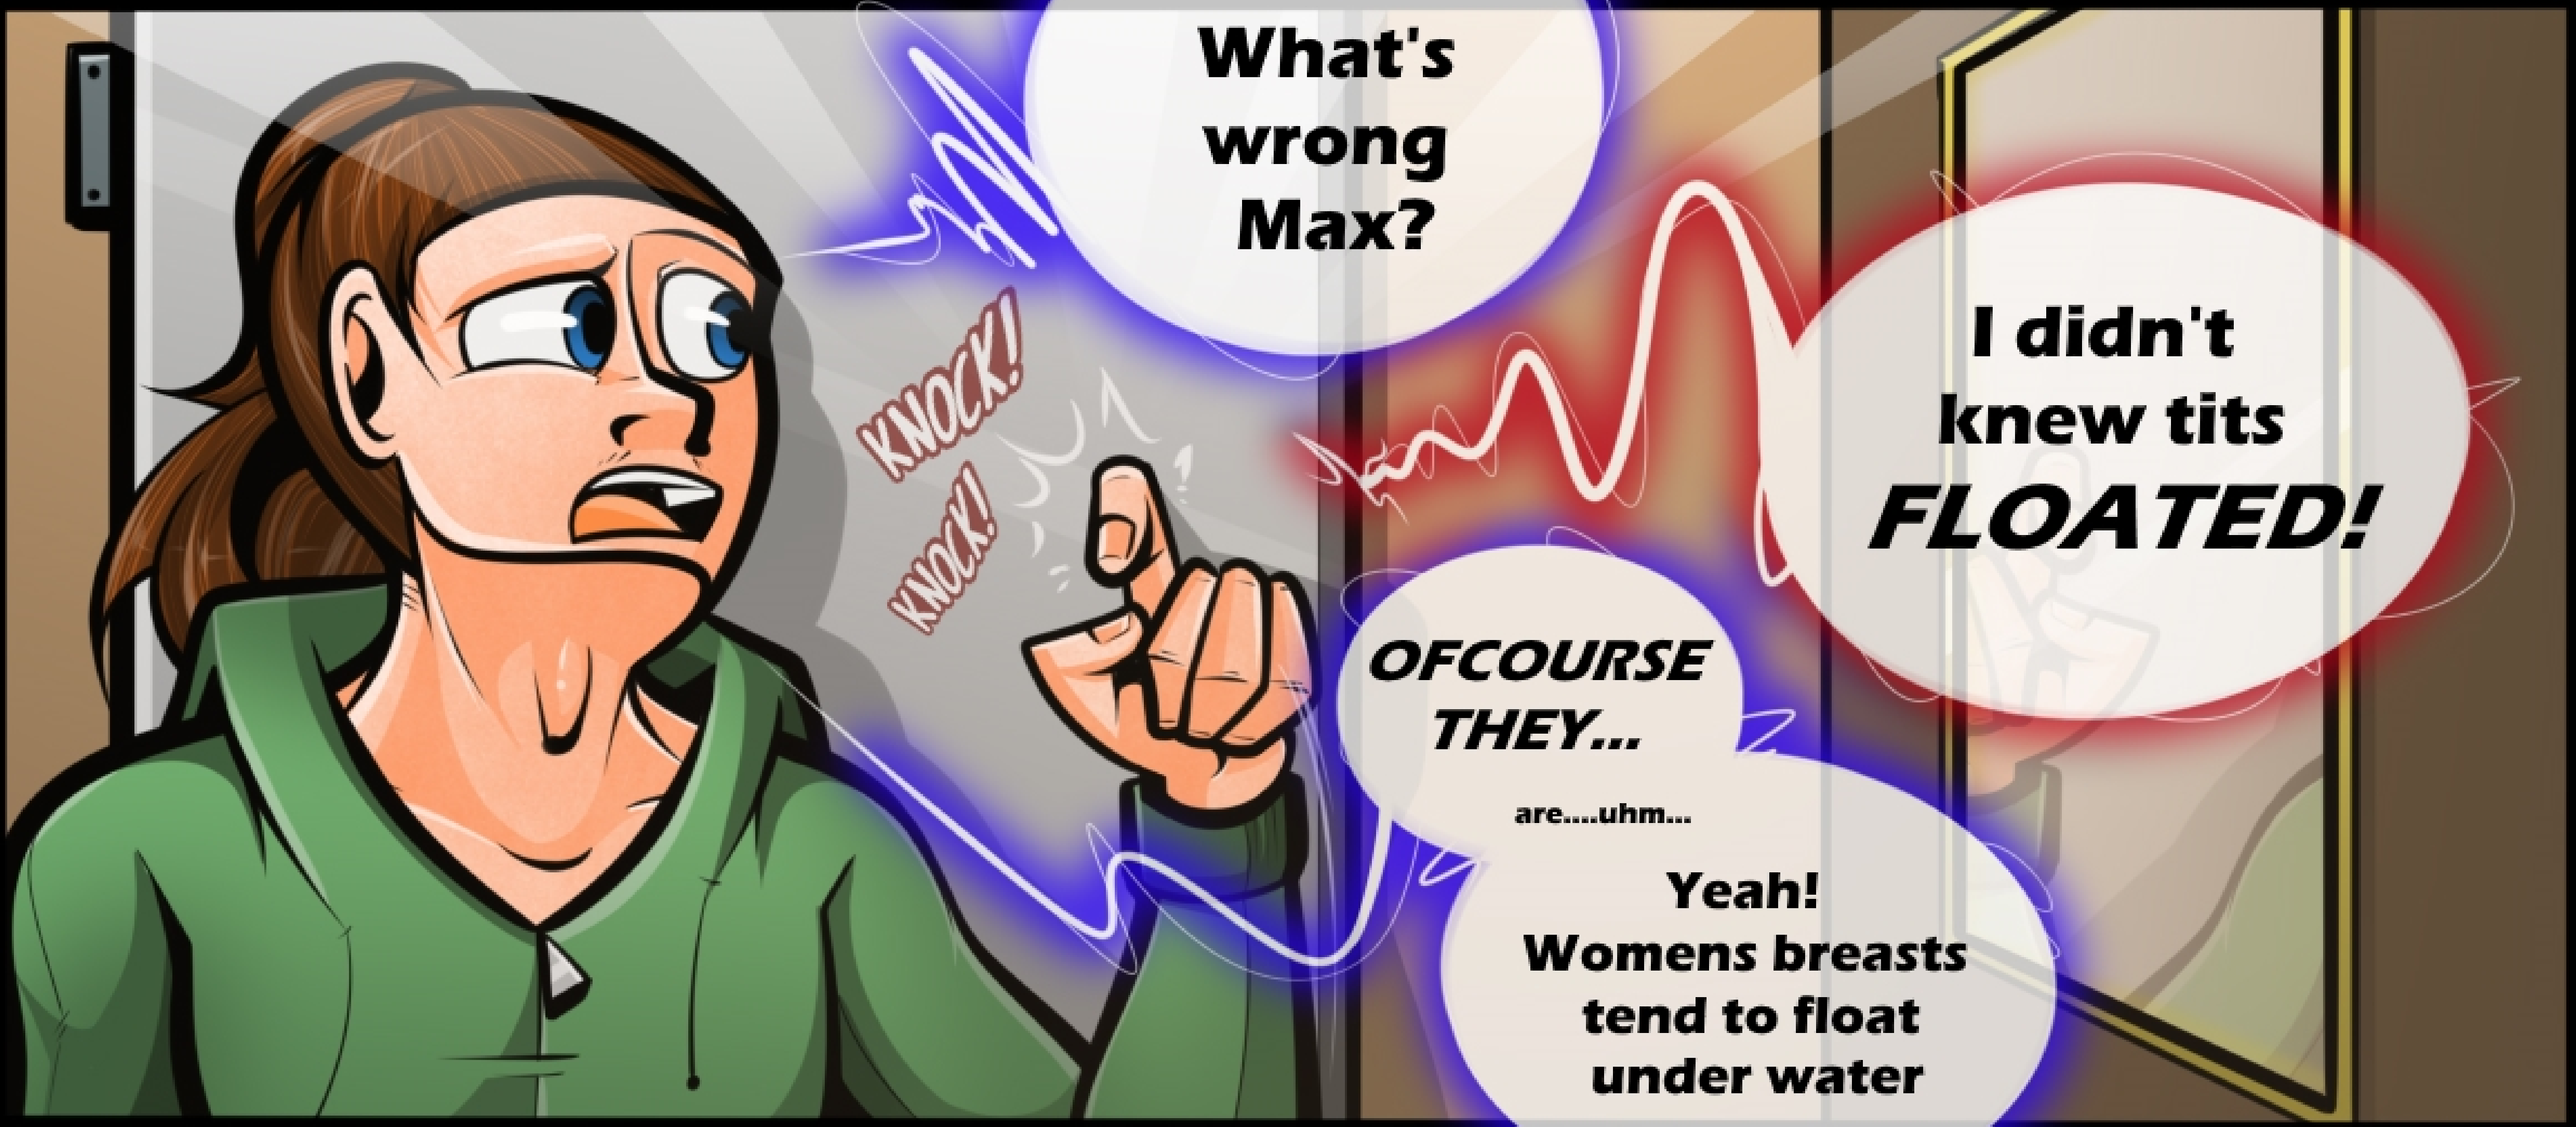

sploosh...

Boing!

Boing!

They're floating...
THEY'RE FLOATING!

What's wrong Max?

I didn't know tits FLOATED!

OFCOURSE THEY...
are...uhm...

Yeah! Womens breasts tend to float under water

I thought you knew that, since you used to play with mine boobs all the time...

hello?...

SIGH...

Okay, I learned something new today.

My voice... it's so girly. I need to relax! But still...

There are so many things I don't know about this body

Ooh... it's kicking again...

KICK!

hihi!

Gloss...

What kind of clothes do I use? How do I use make-up?

And ofcourse, how do I deal with periods and... pr... pregnancy?!

Squeeze...

Squeeze...

It's scaring me so much! What do I do? I wanna go back to normal...

sob...

knock... knock...

Hey, I once want to tell you that I'm sorry.

Truth isn't that I wanted to be couple again or that thought with my hormones, but...

How can I say it.... I'm scared of all this.

...

Can you come in?

I'm feeling the same as you. This world has changed all around us, but you are still the same, and I am still the same. Maybe... maybe we can become a couple again?

Oh max...

Come in here in bath, like we used to do all the time!

I thought you would never ask!

Glide...

**OKAY,
THIS ISN'T
WORKING
ANYMORE!**

**What do
you mean,
sweatheart?**

**MY BODY IS
BREAKING IN HALF!**

LET'S SWITCH!

**LET'S
SWITCH!**

**This is so
weird doing this
as a man, I feel so
empowered
and big!**

**At least
I'm not choking
now...**

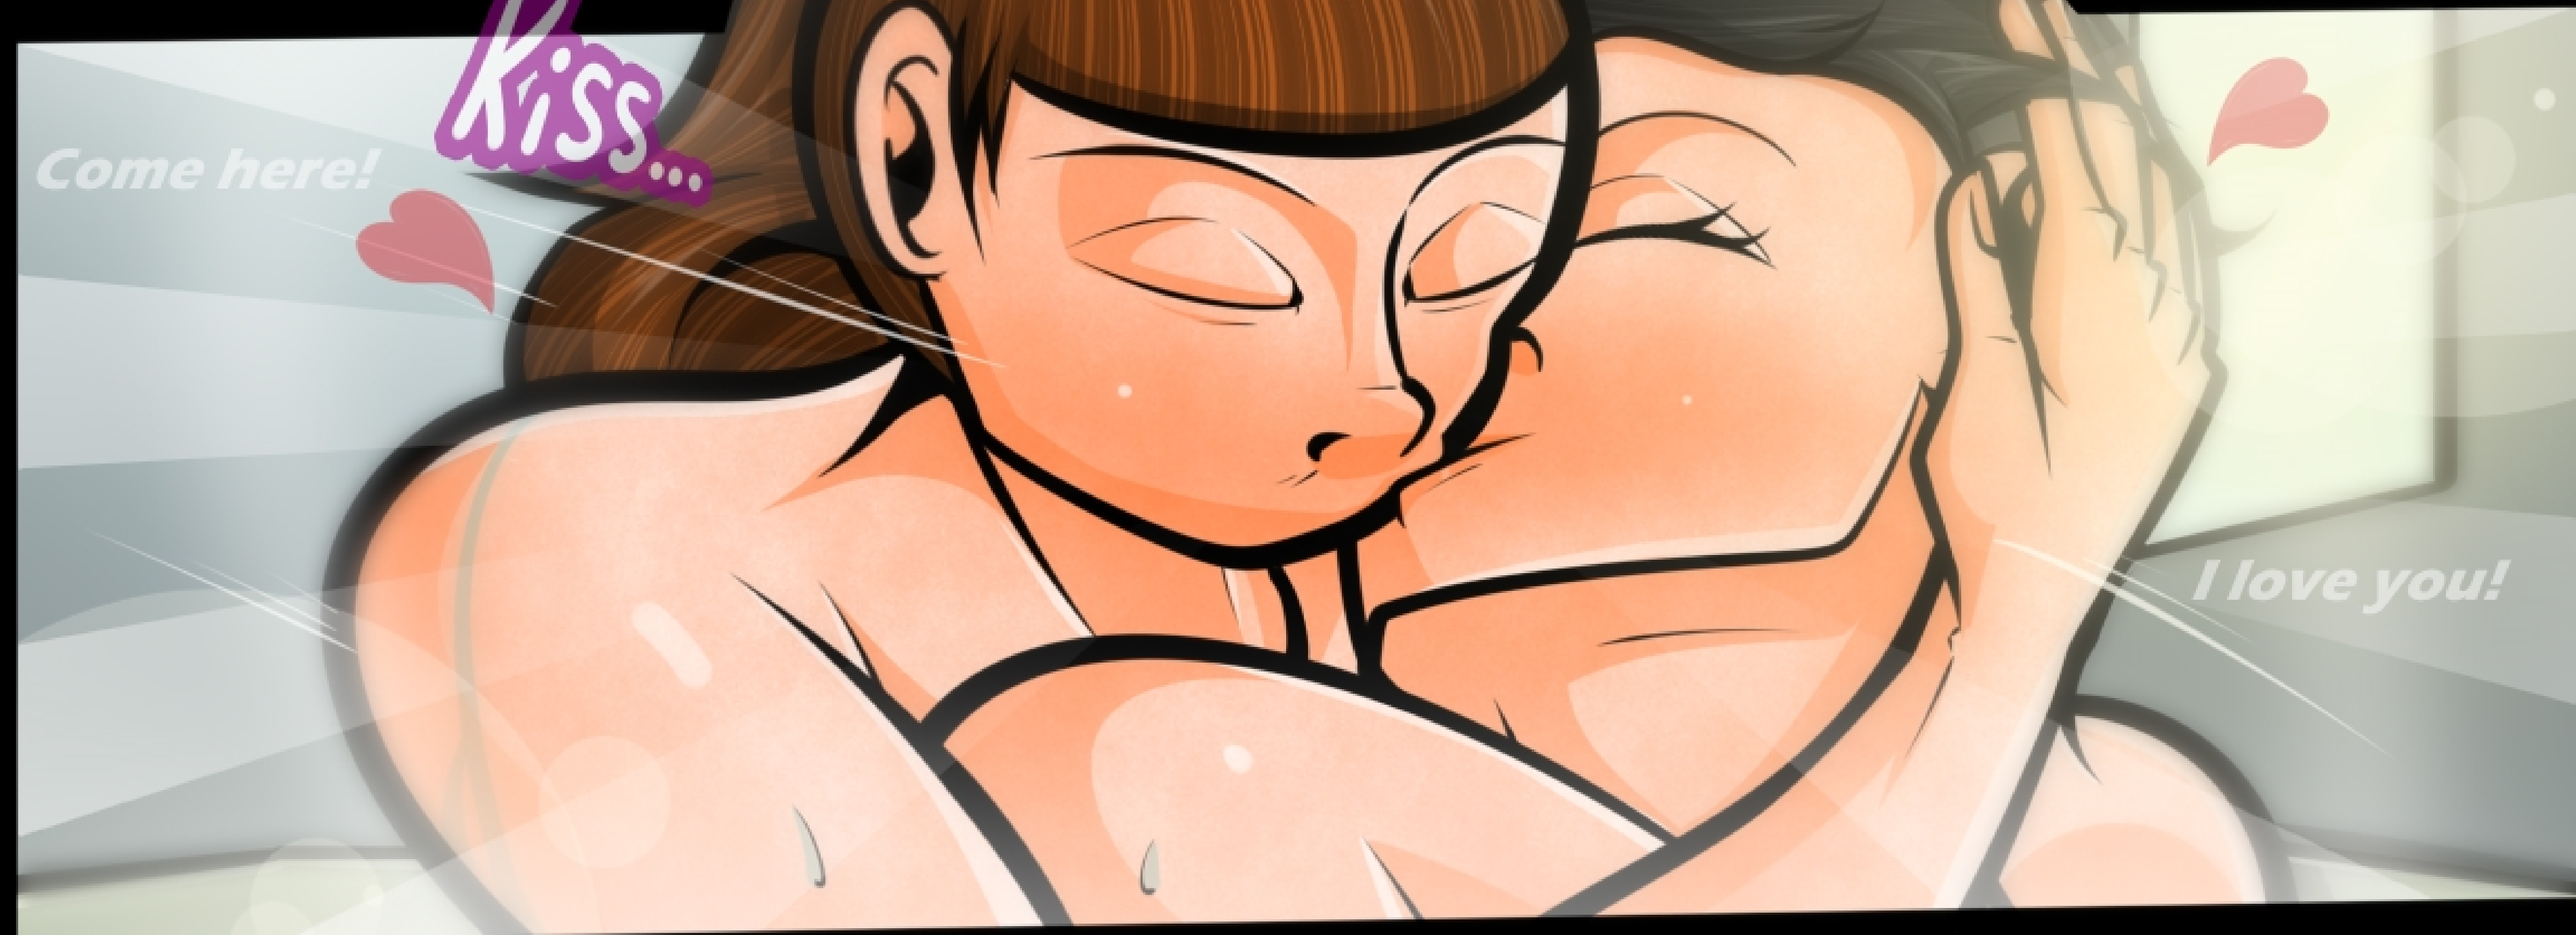

Well, this is also weird for me, being so small and petite compared to you. But I do have to say that I feel sort of... safe?

Haha, stop it!

I'm glad that I'm with you. I love you so much!

No shit, sherlock.

I know right? I also used to felt that!

Wanna have sex?

Yes...

Are you for real?!

Beep!
