

the GENDER WAVE

Chapter 2

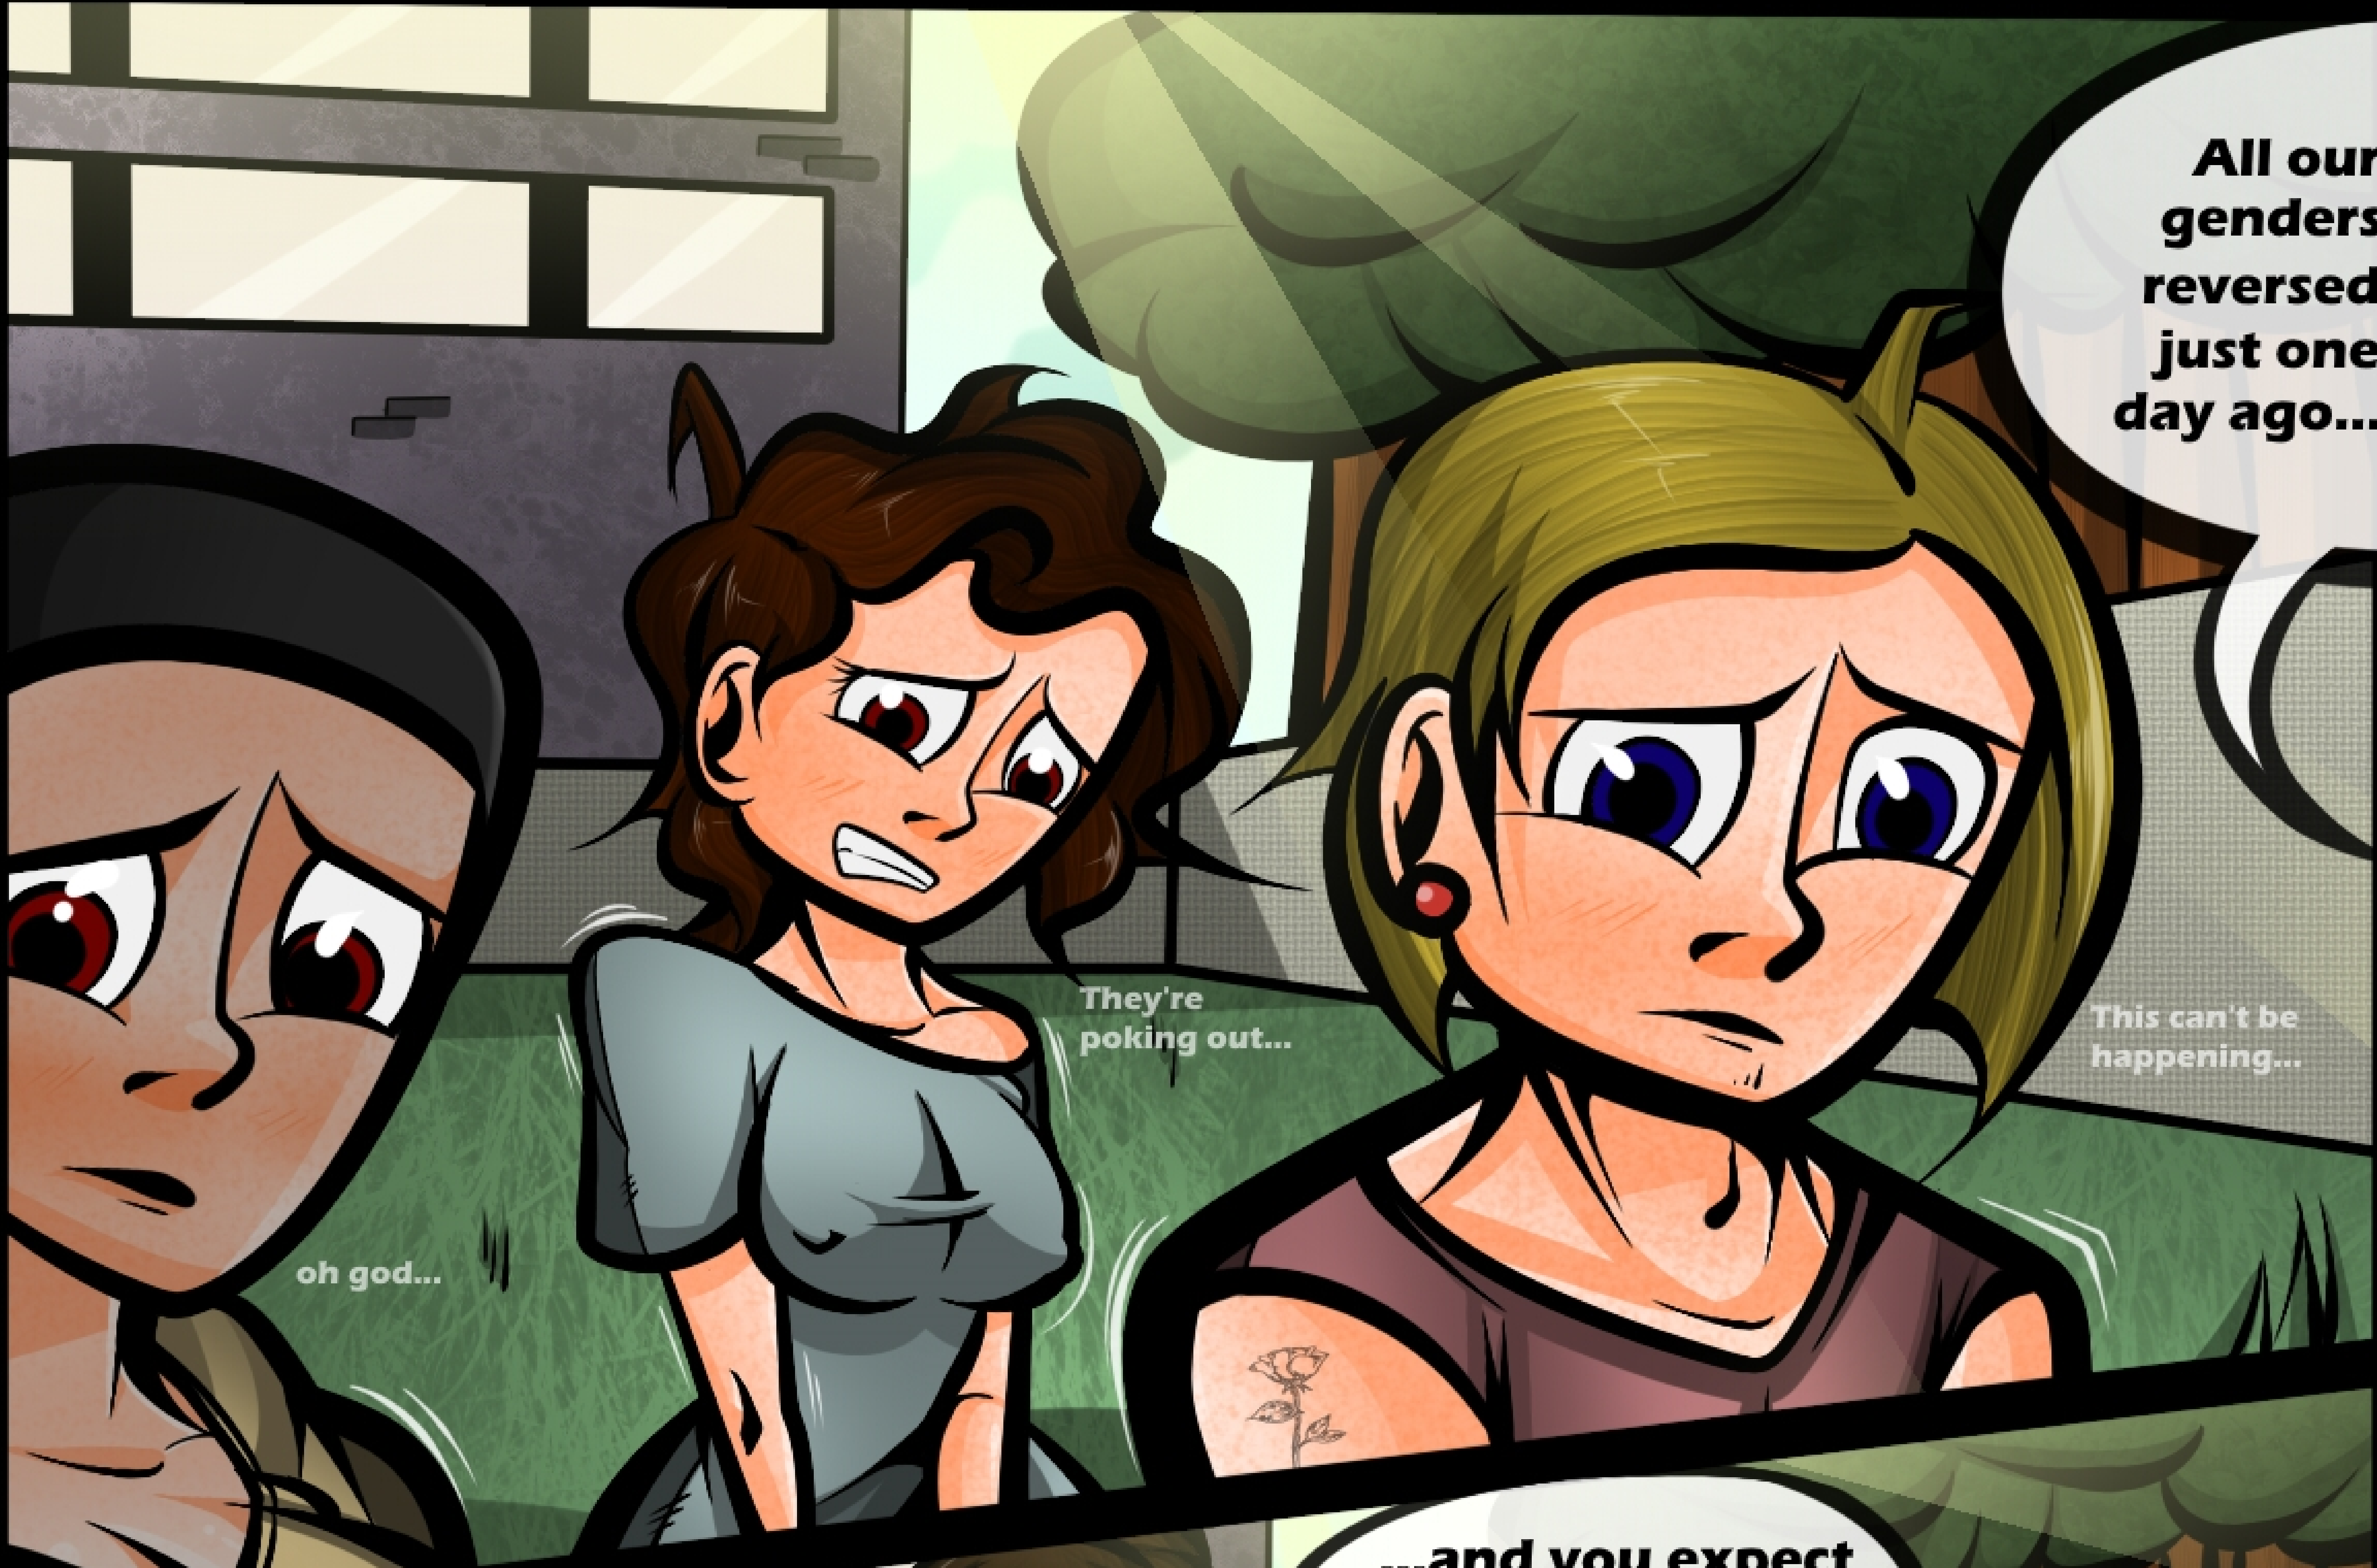

1 Day after the Gender Wave at school

Coach, this is unacceptable!

All our genders reversed just one day ago...

oh god...

They're poking out...

This can't be happening...

...and you expect us to train with our new bodies?!

**Sit down
already!!!**

**Because
all our
genders
have been
changed, I
have to
alter the
student
list first...**

**You
aren't
going to
train
any-
way...**

**In other words:
when you hear your
name, you stand up
and tell me whether
you've decided to
change your name to
your new gender
or not.**

Alright
let's begin:
Jack

yes...

It's angry Jack!

Let's get this
over with...

Do you want
to change your
name to match
our new g...

Do you think I'm
stupid? Of course
not! Do I look like
a girl?!

Yes!

Alright, I'll put "Jack" on it, although "Jackie" would suit much better...

SHUT UP!

You can stand over there. Next one: Nathan!

crap...

Why am I one of the first ones to stand up?

That was the reason why I sat all the way back... sigh*

Oh my...

Is she really nathan?!

This is so embar-rassing!

I can't belive it's her...

What a slut!

Wow!

BOING!
Boing!

BOING!
Boing!

I am in love!

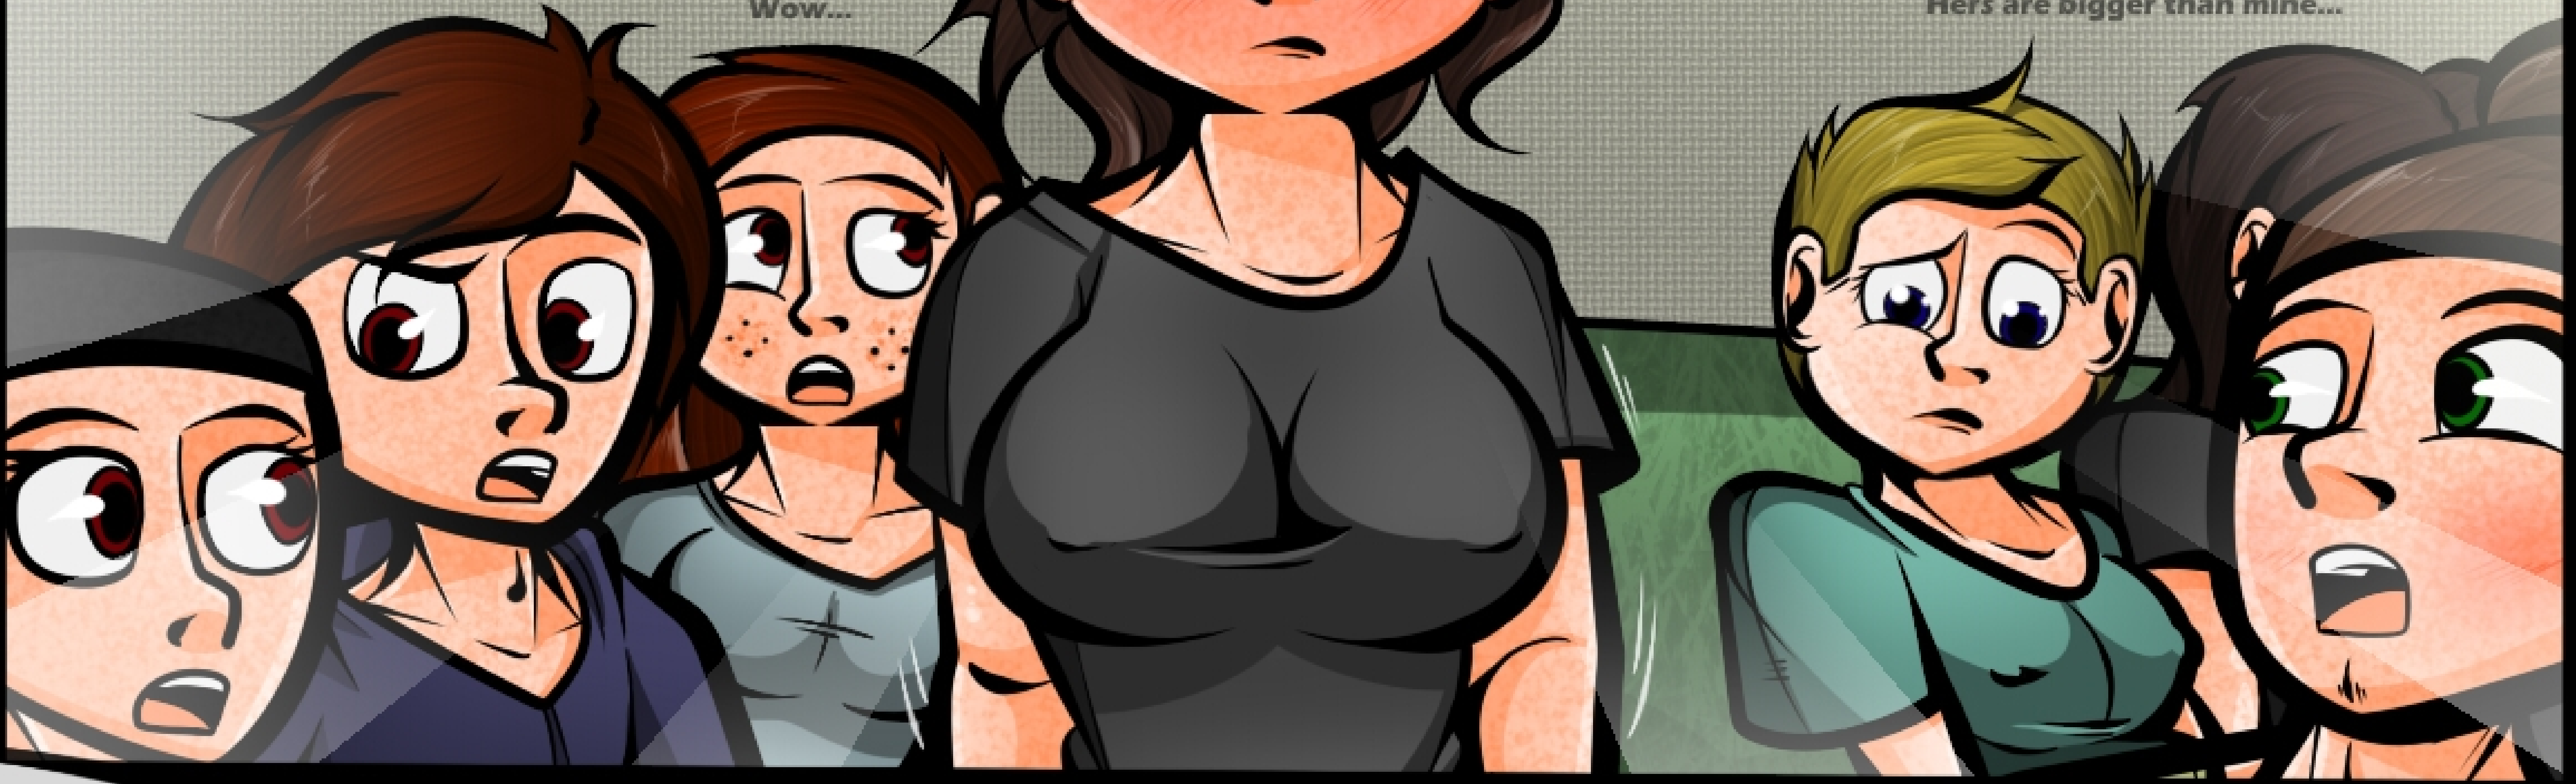

I can see her nipples poking out.

Just keep walking,
just keep walking...
Oh god...

She is really asking for it.
Not even wearing a bra...

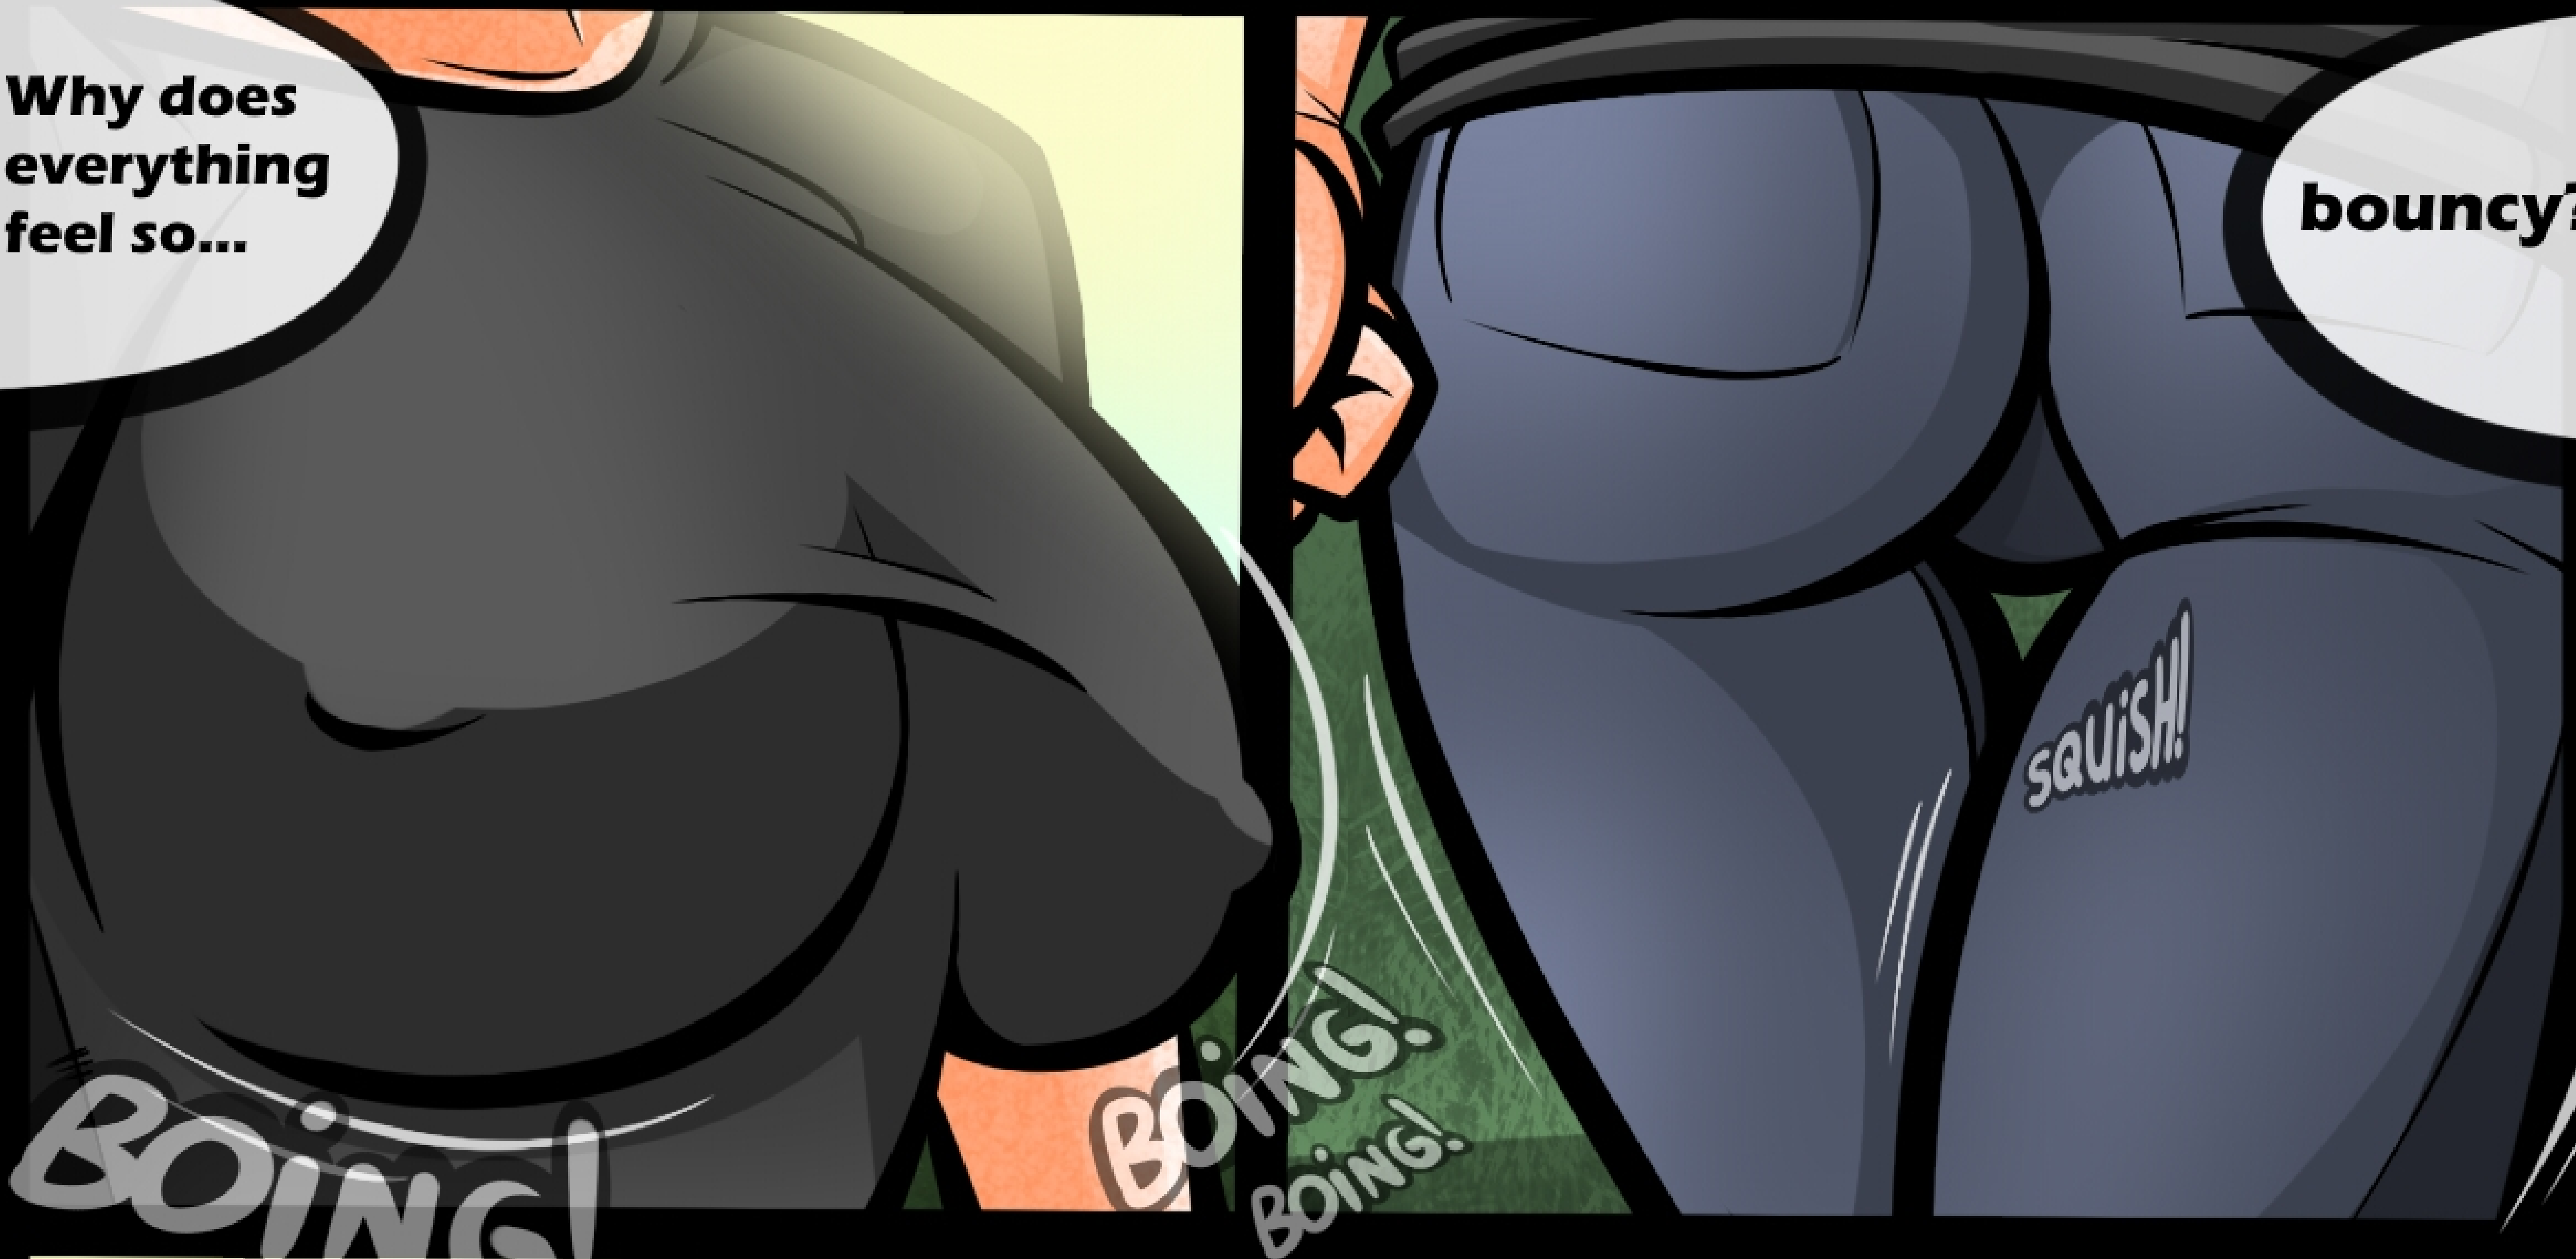

Wow...

Hers are bigger than mine...

Why does
everything
feel so...

bouncy?

BOING!
BOING!

Have you
decided
to change
your name
to your new
gender?

A new name...
Nathalie... Nina?
Oh god... I can't
handle a new
name, let alone
my new body....
But I must
change my
name!

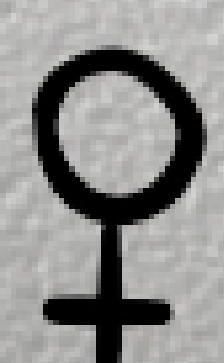

BOING!
BOING!
BOING!

Alright, I'll
write it down.
You can stand
next to Jack.

crap...

N...
NATHAN!

Nathan

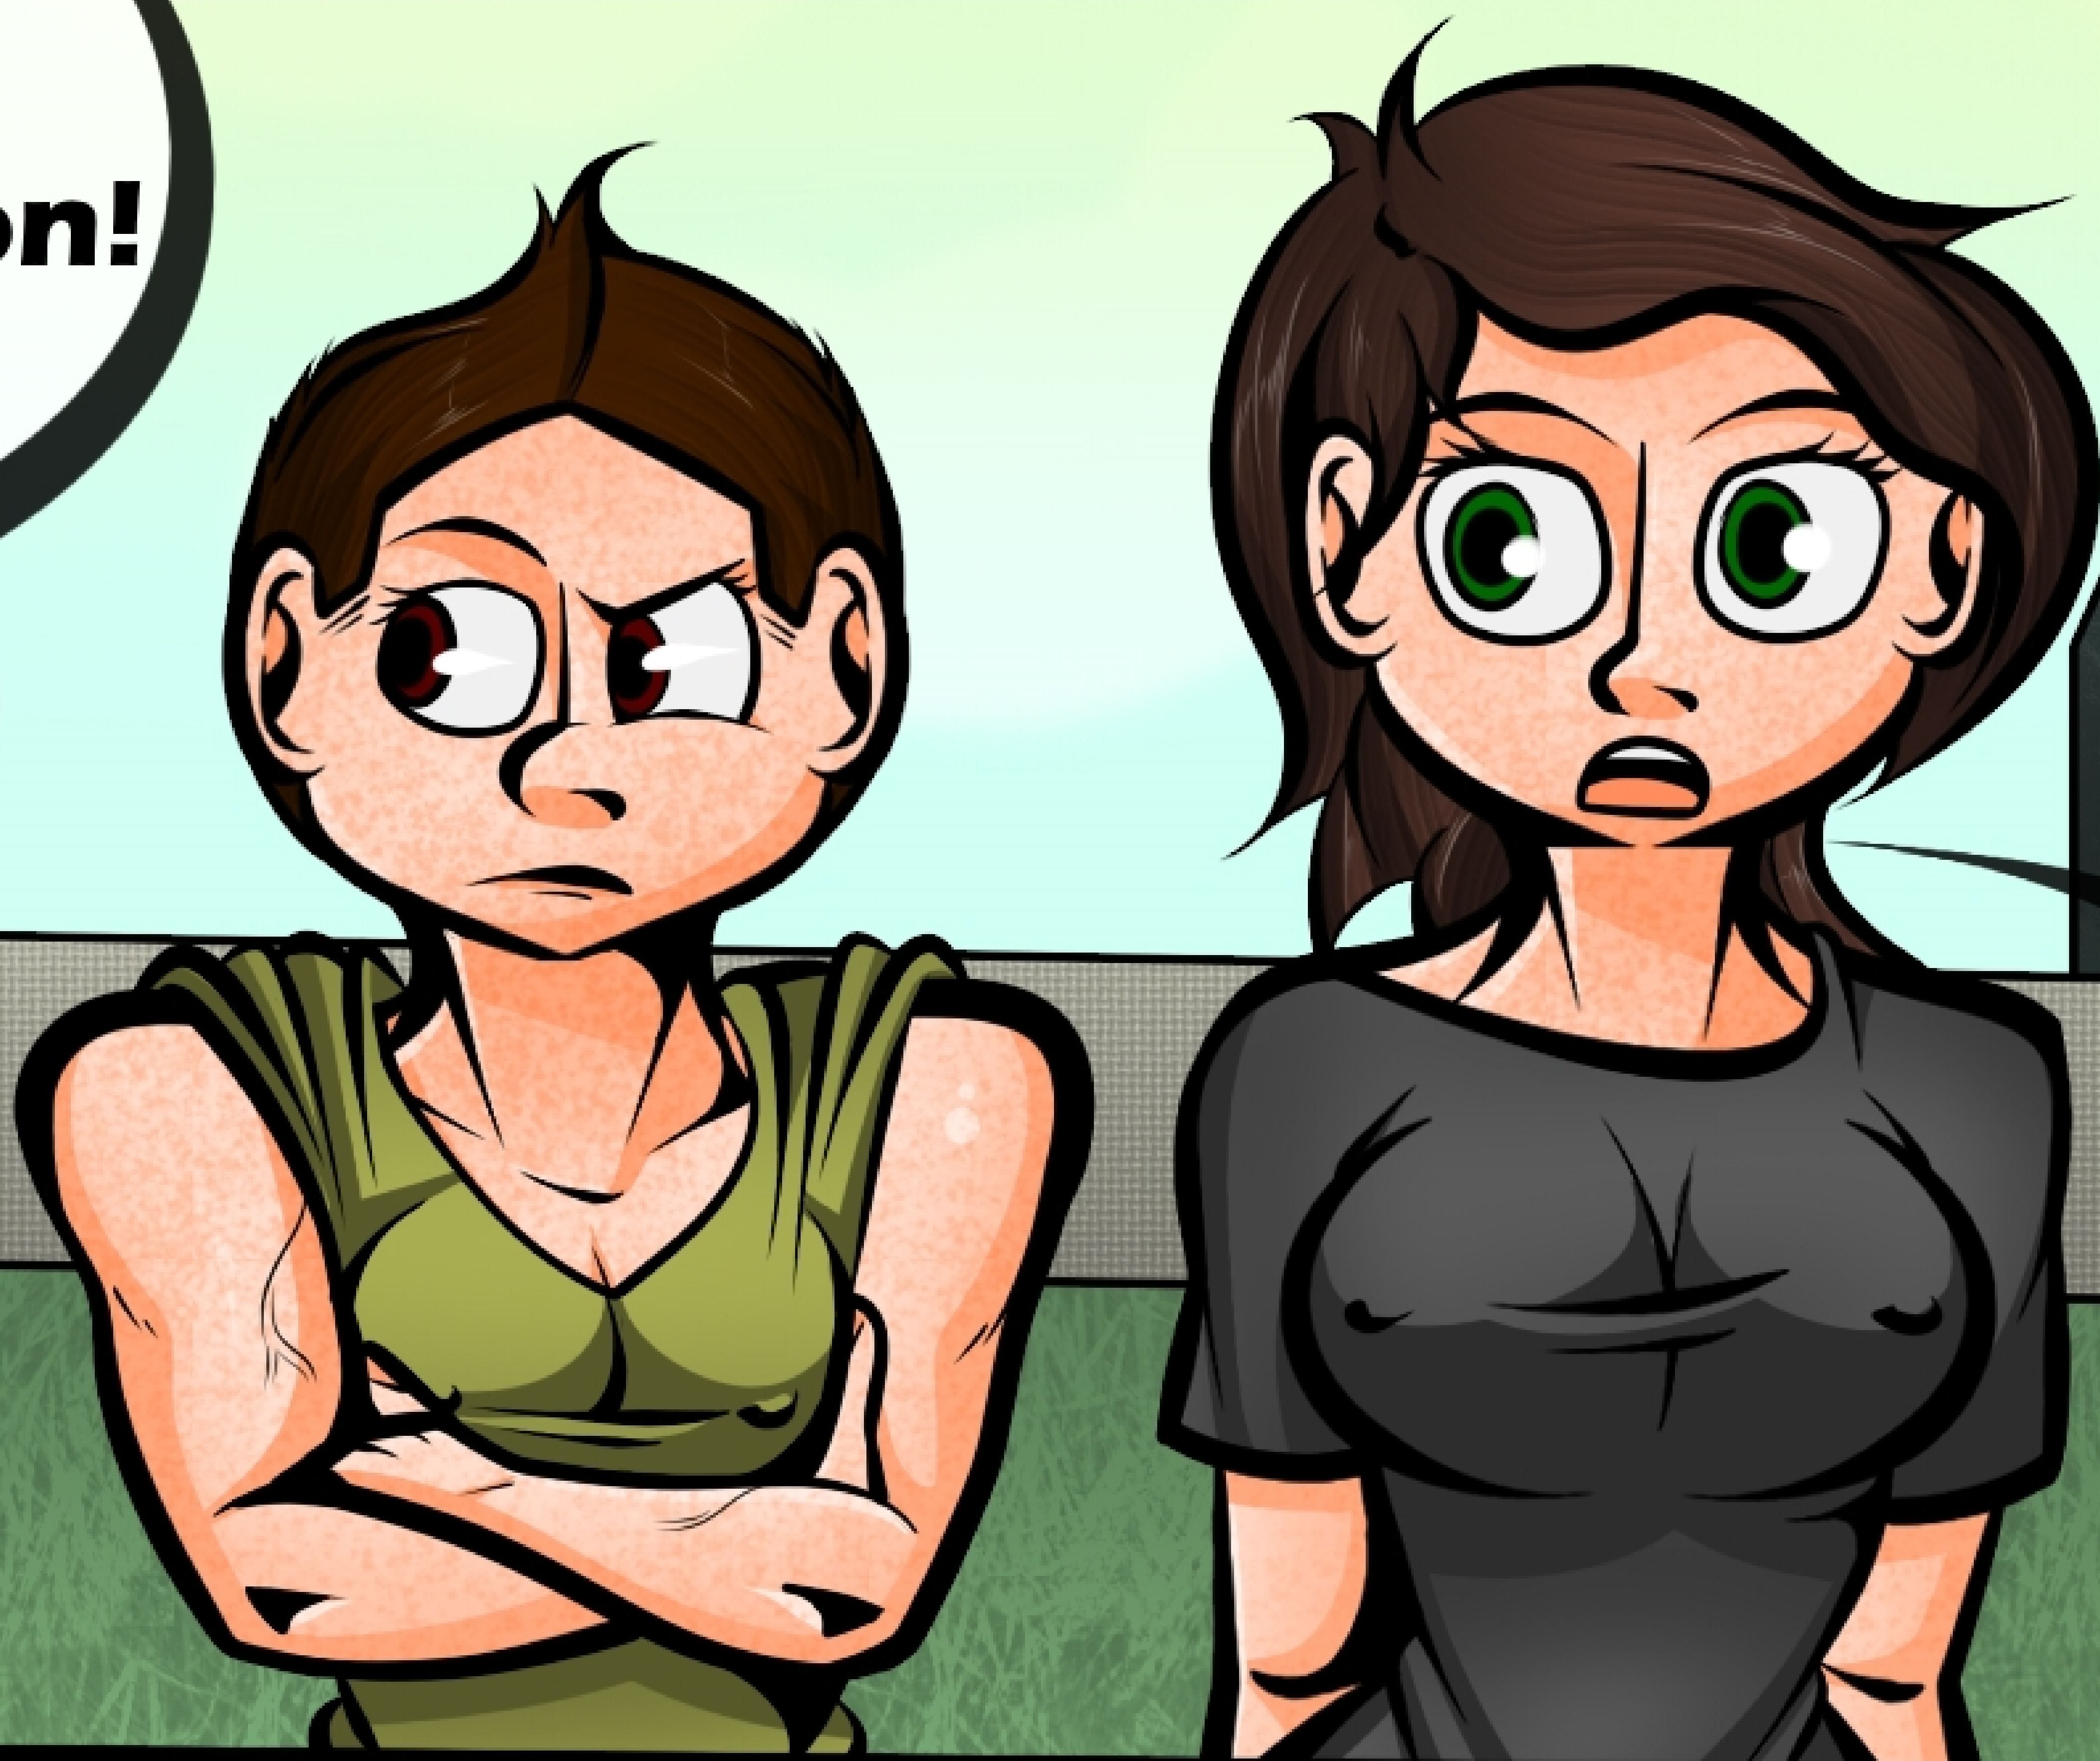

You
think
you're
better
than
me?!

Just
ignore
him...

Alright,
the next
person to
come forth
is...

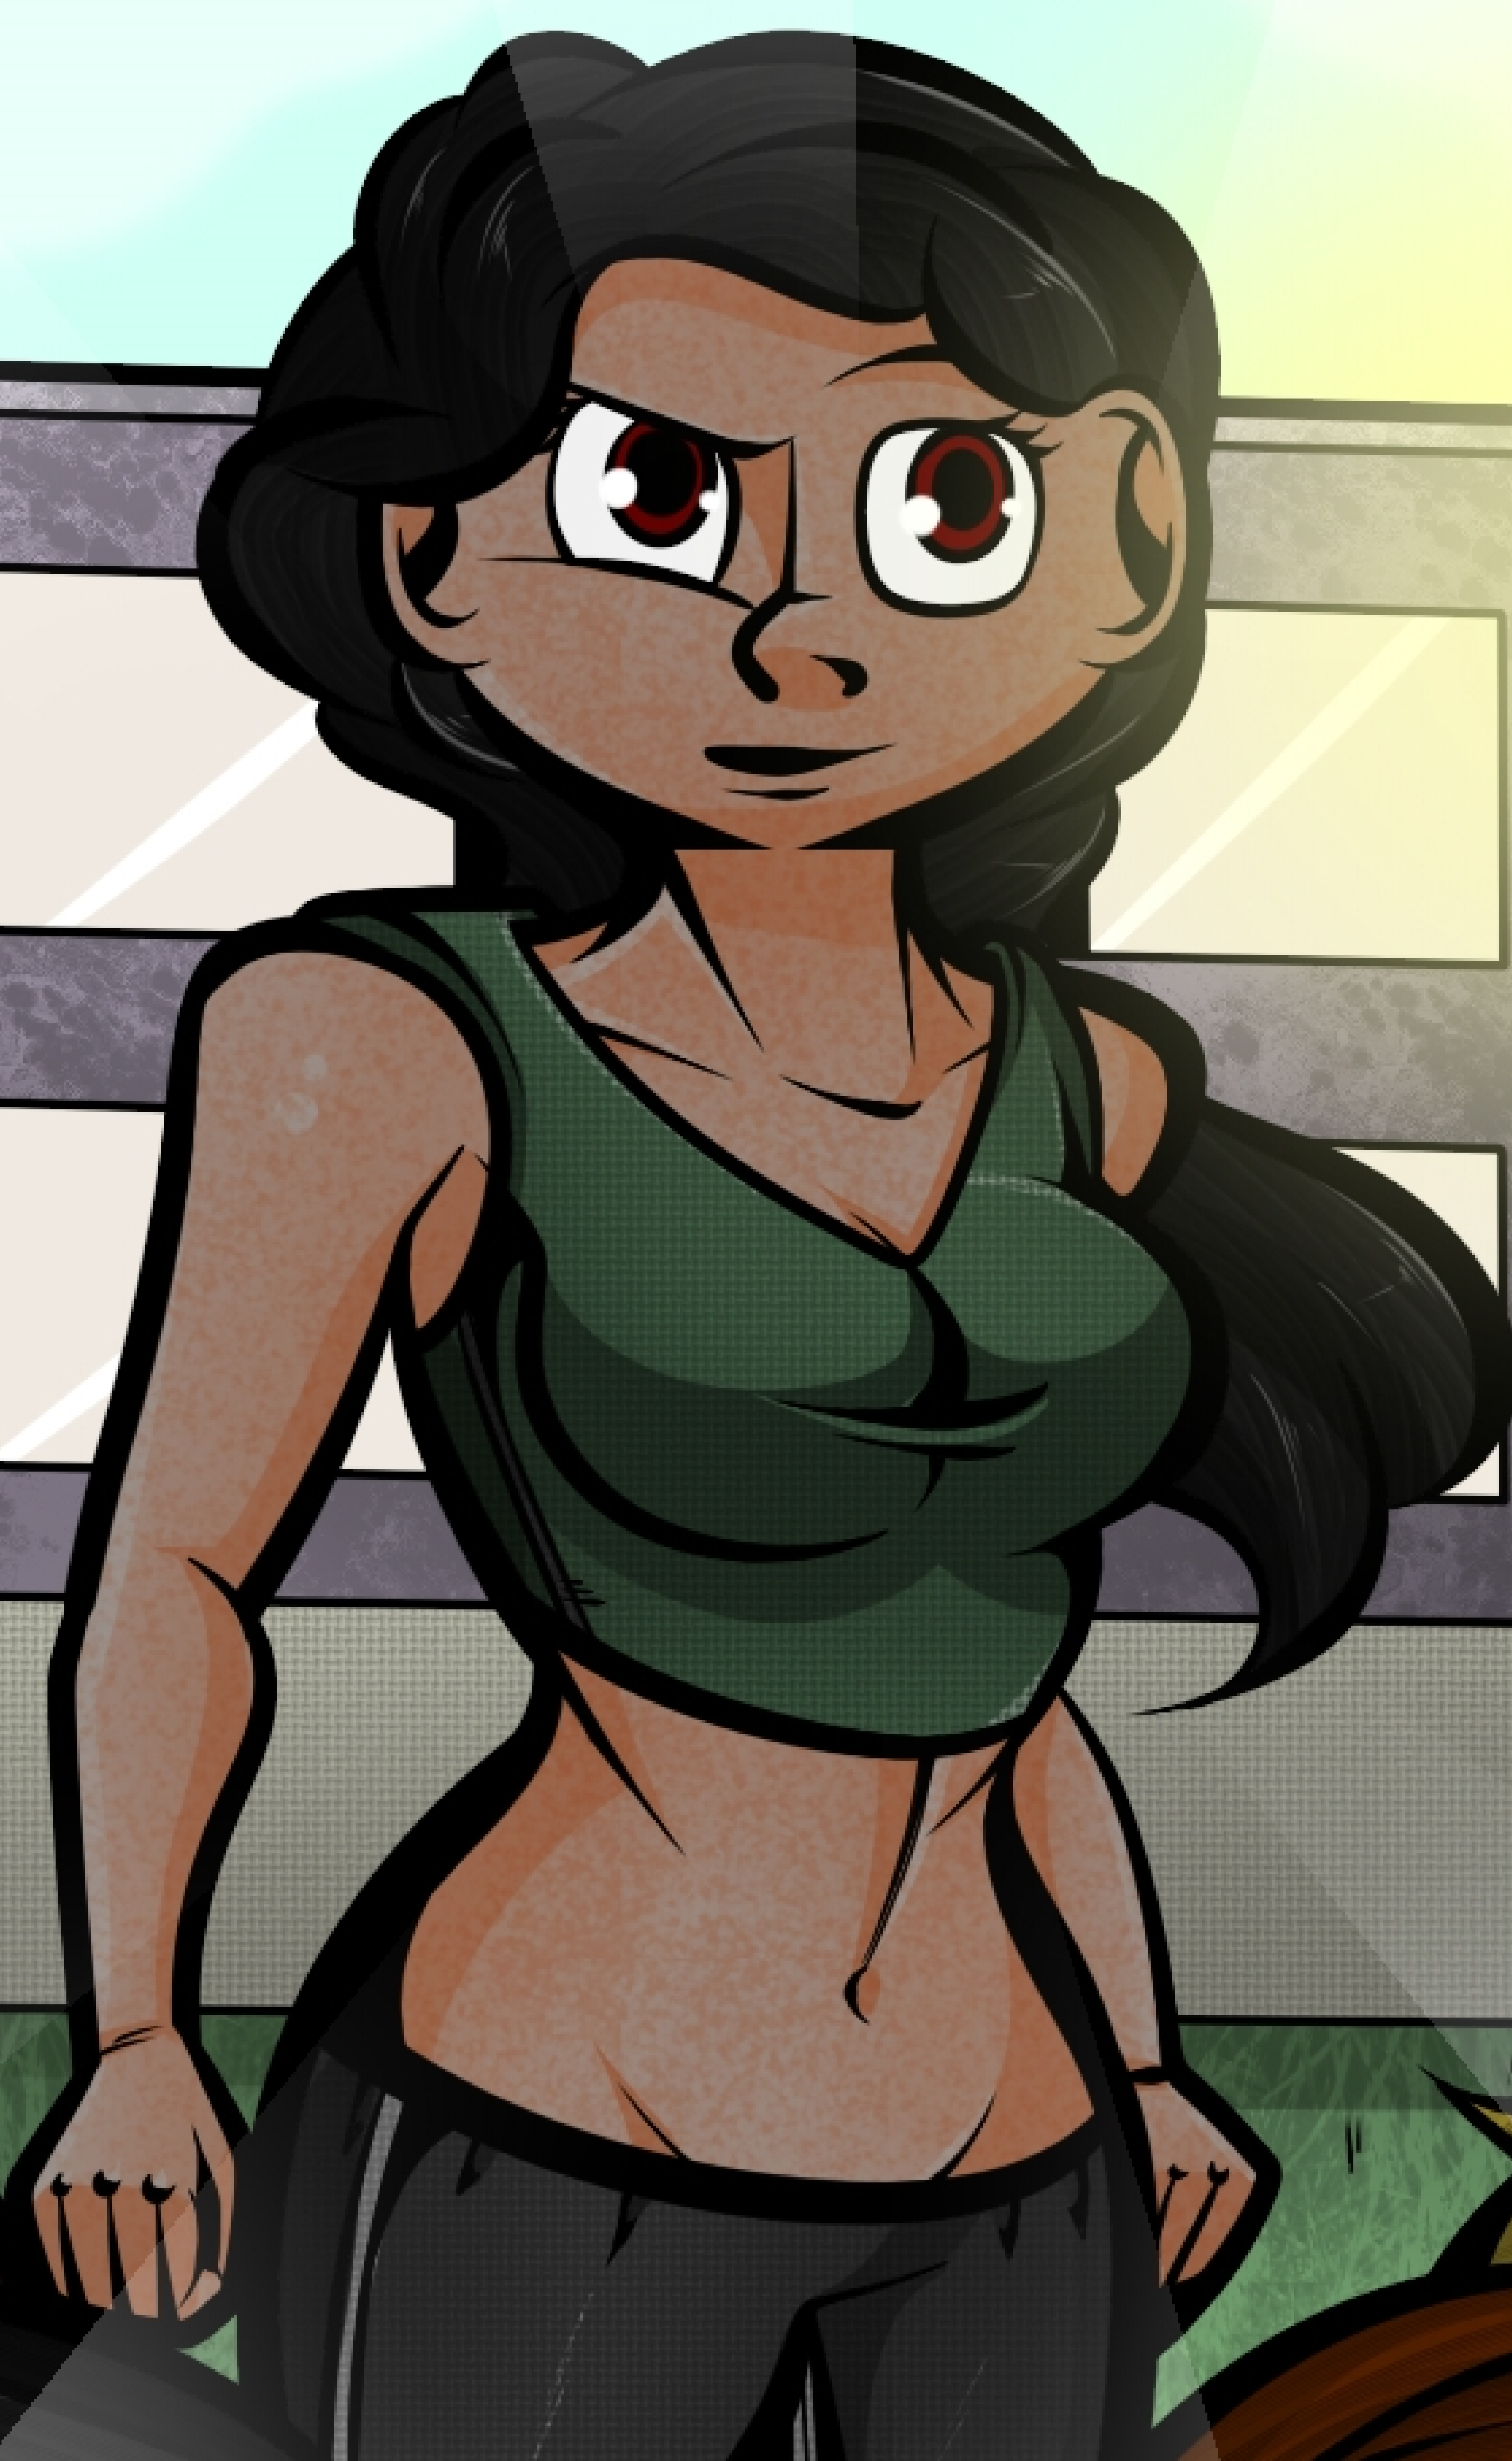

...
Christon!

Christon?

**Oh my
god! She
can't be
him!**

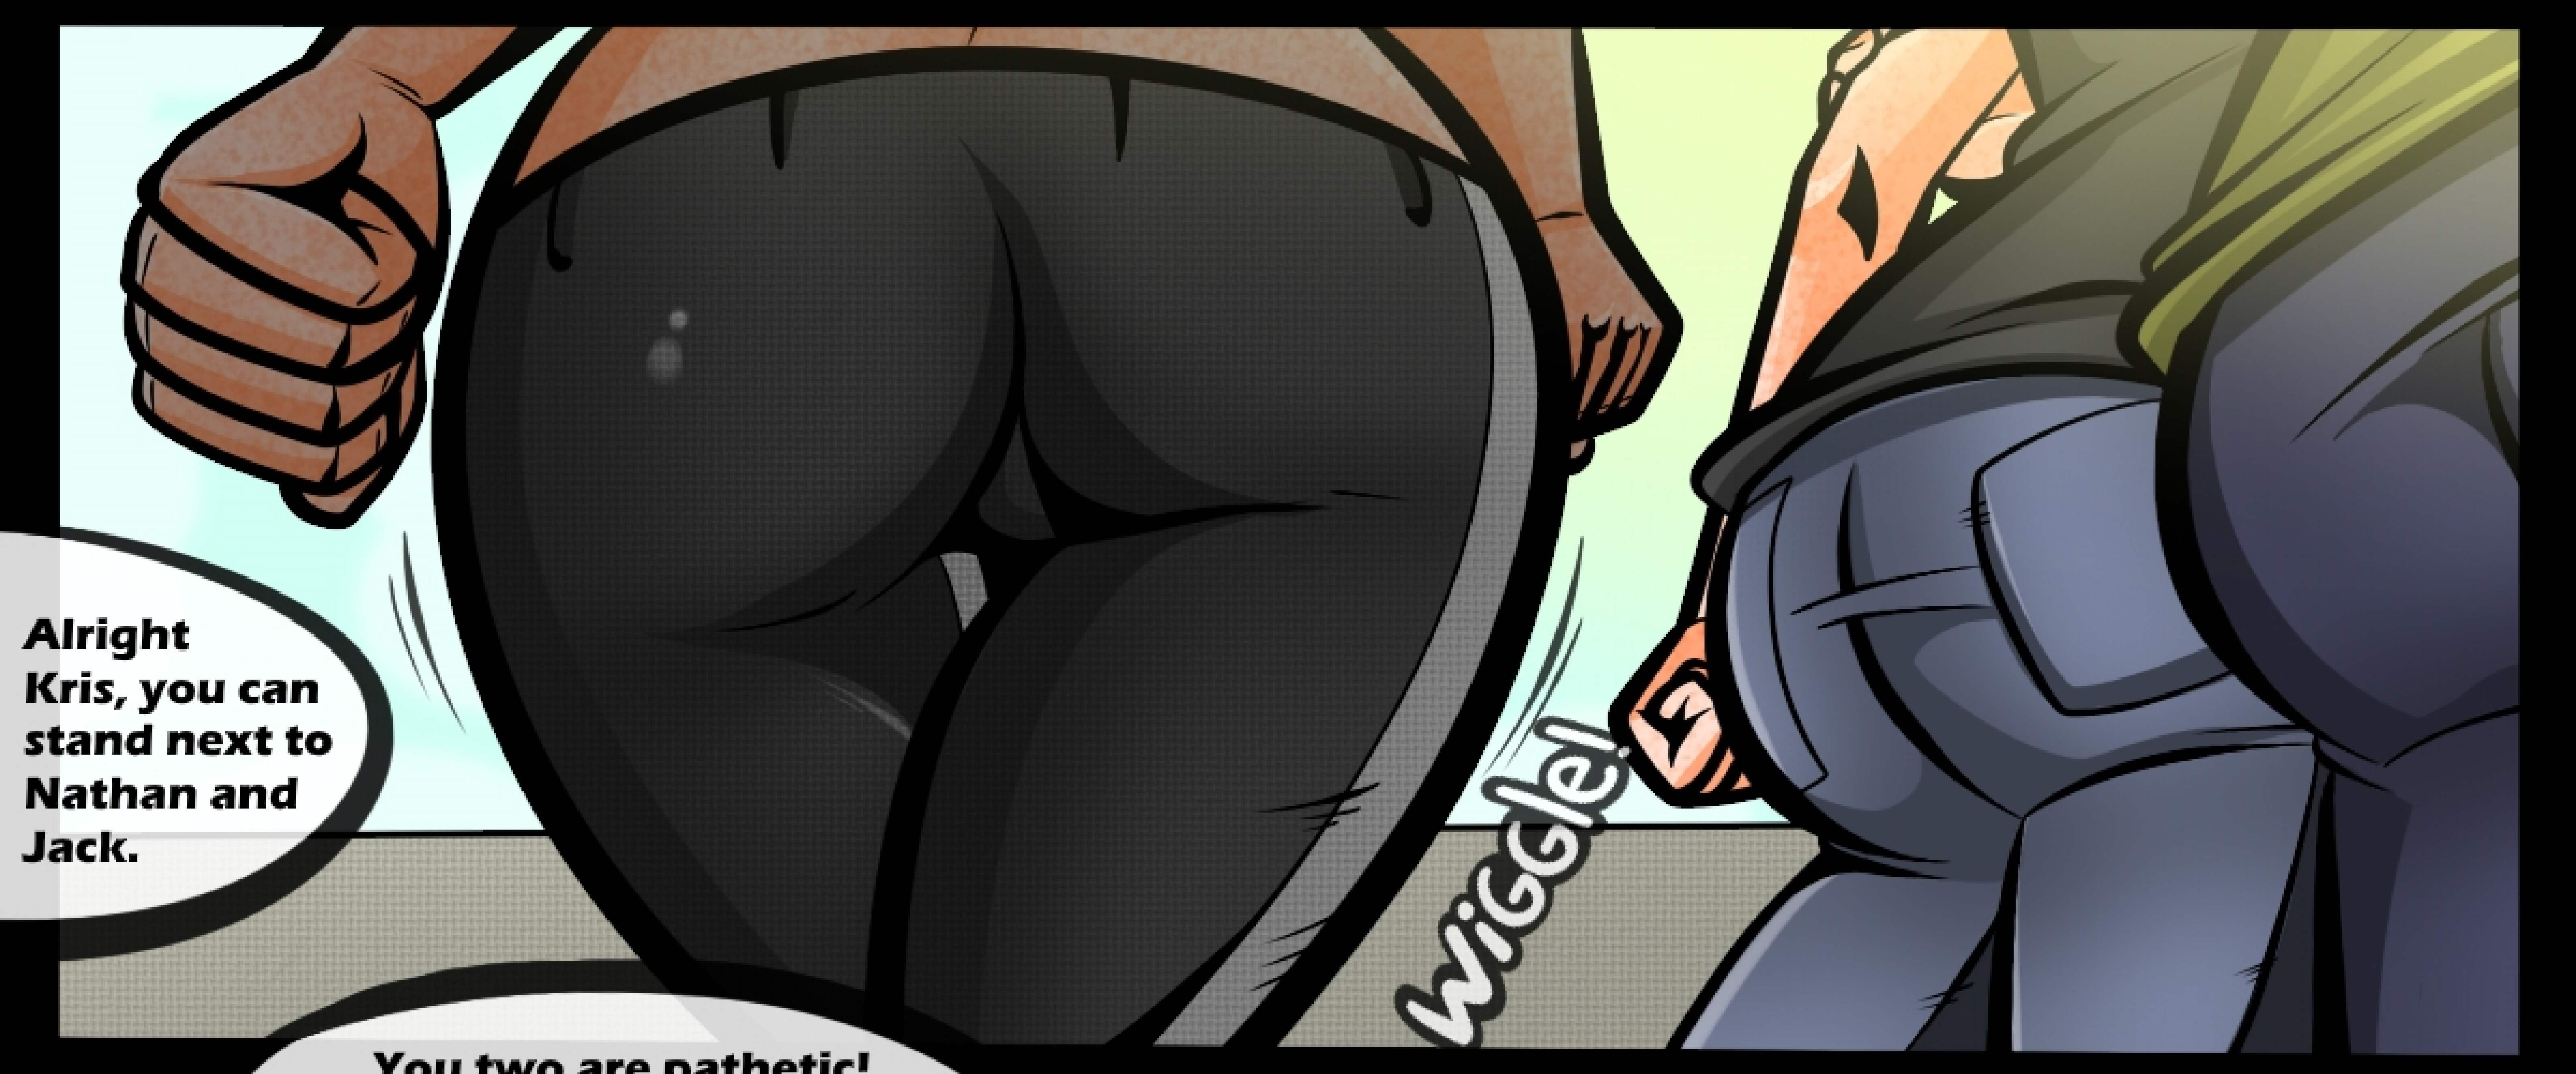

**This is
unbeliev-
able!**

I suppose you want to keep your name as 'Christon' right?

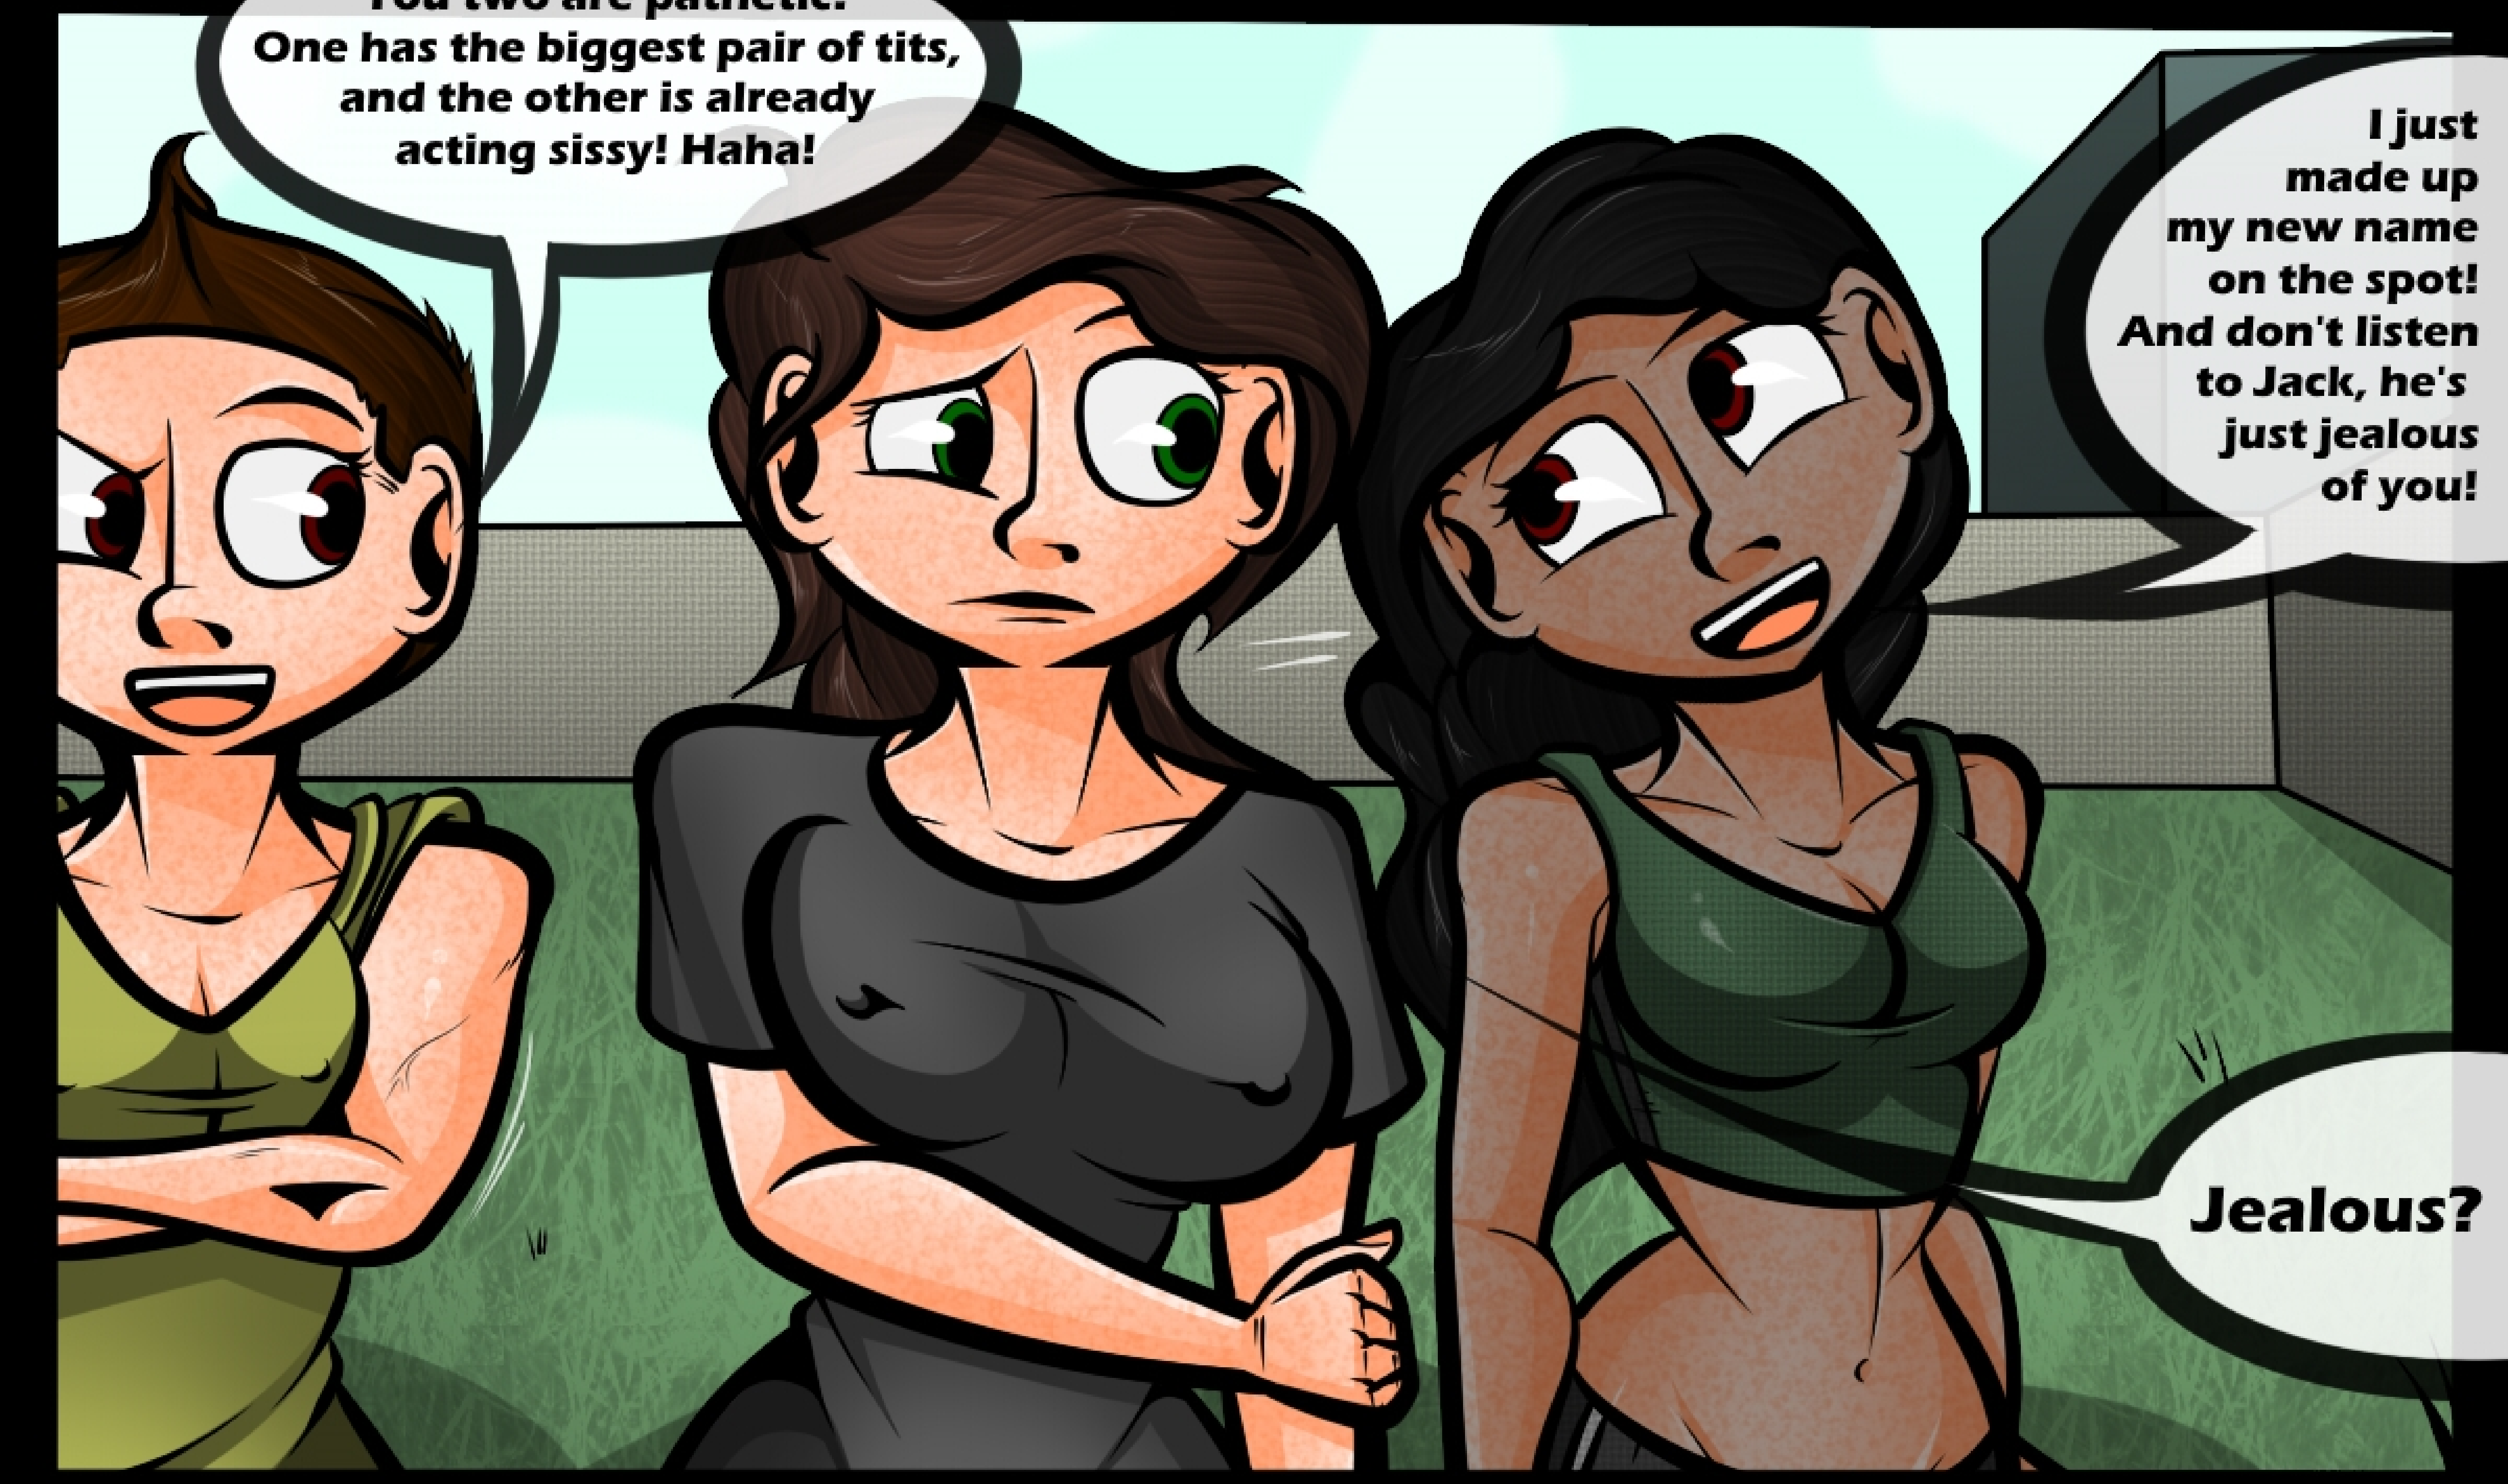

Well actually I want to change my name to... Kris!

Kris
♂ □ ♀

Alright Kris, you can stand next to Nathan and Jack.

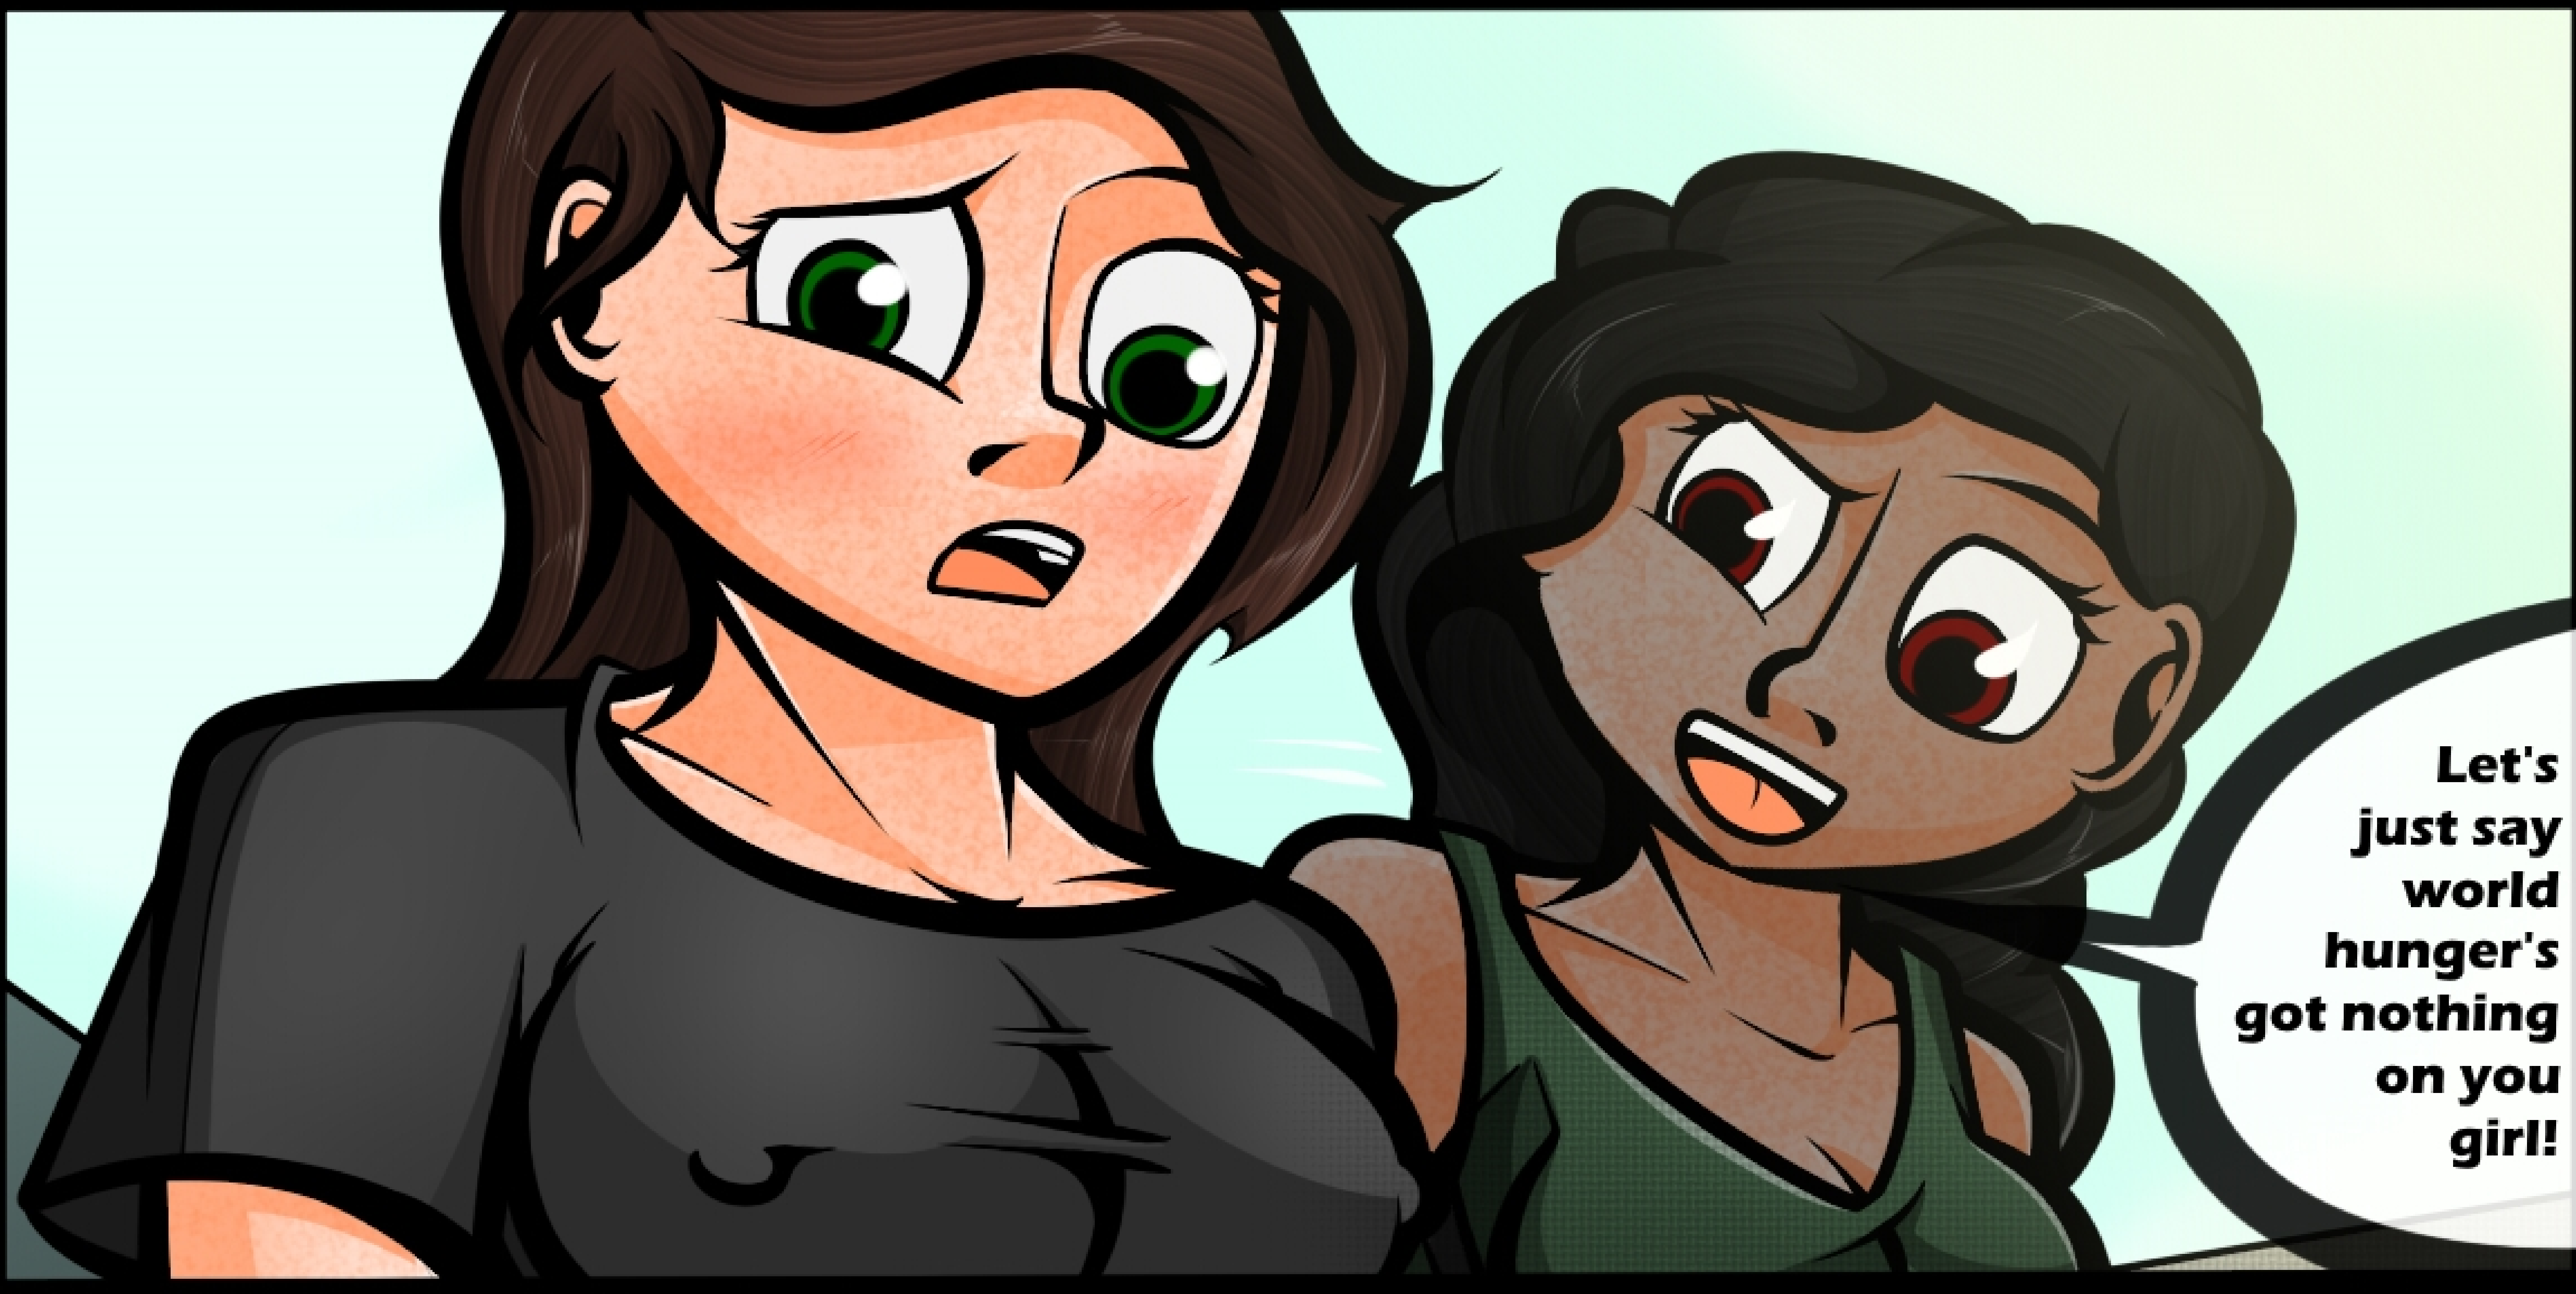

wigggle!

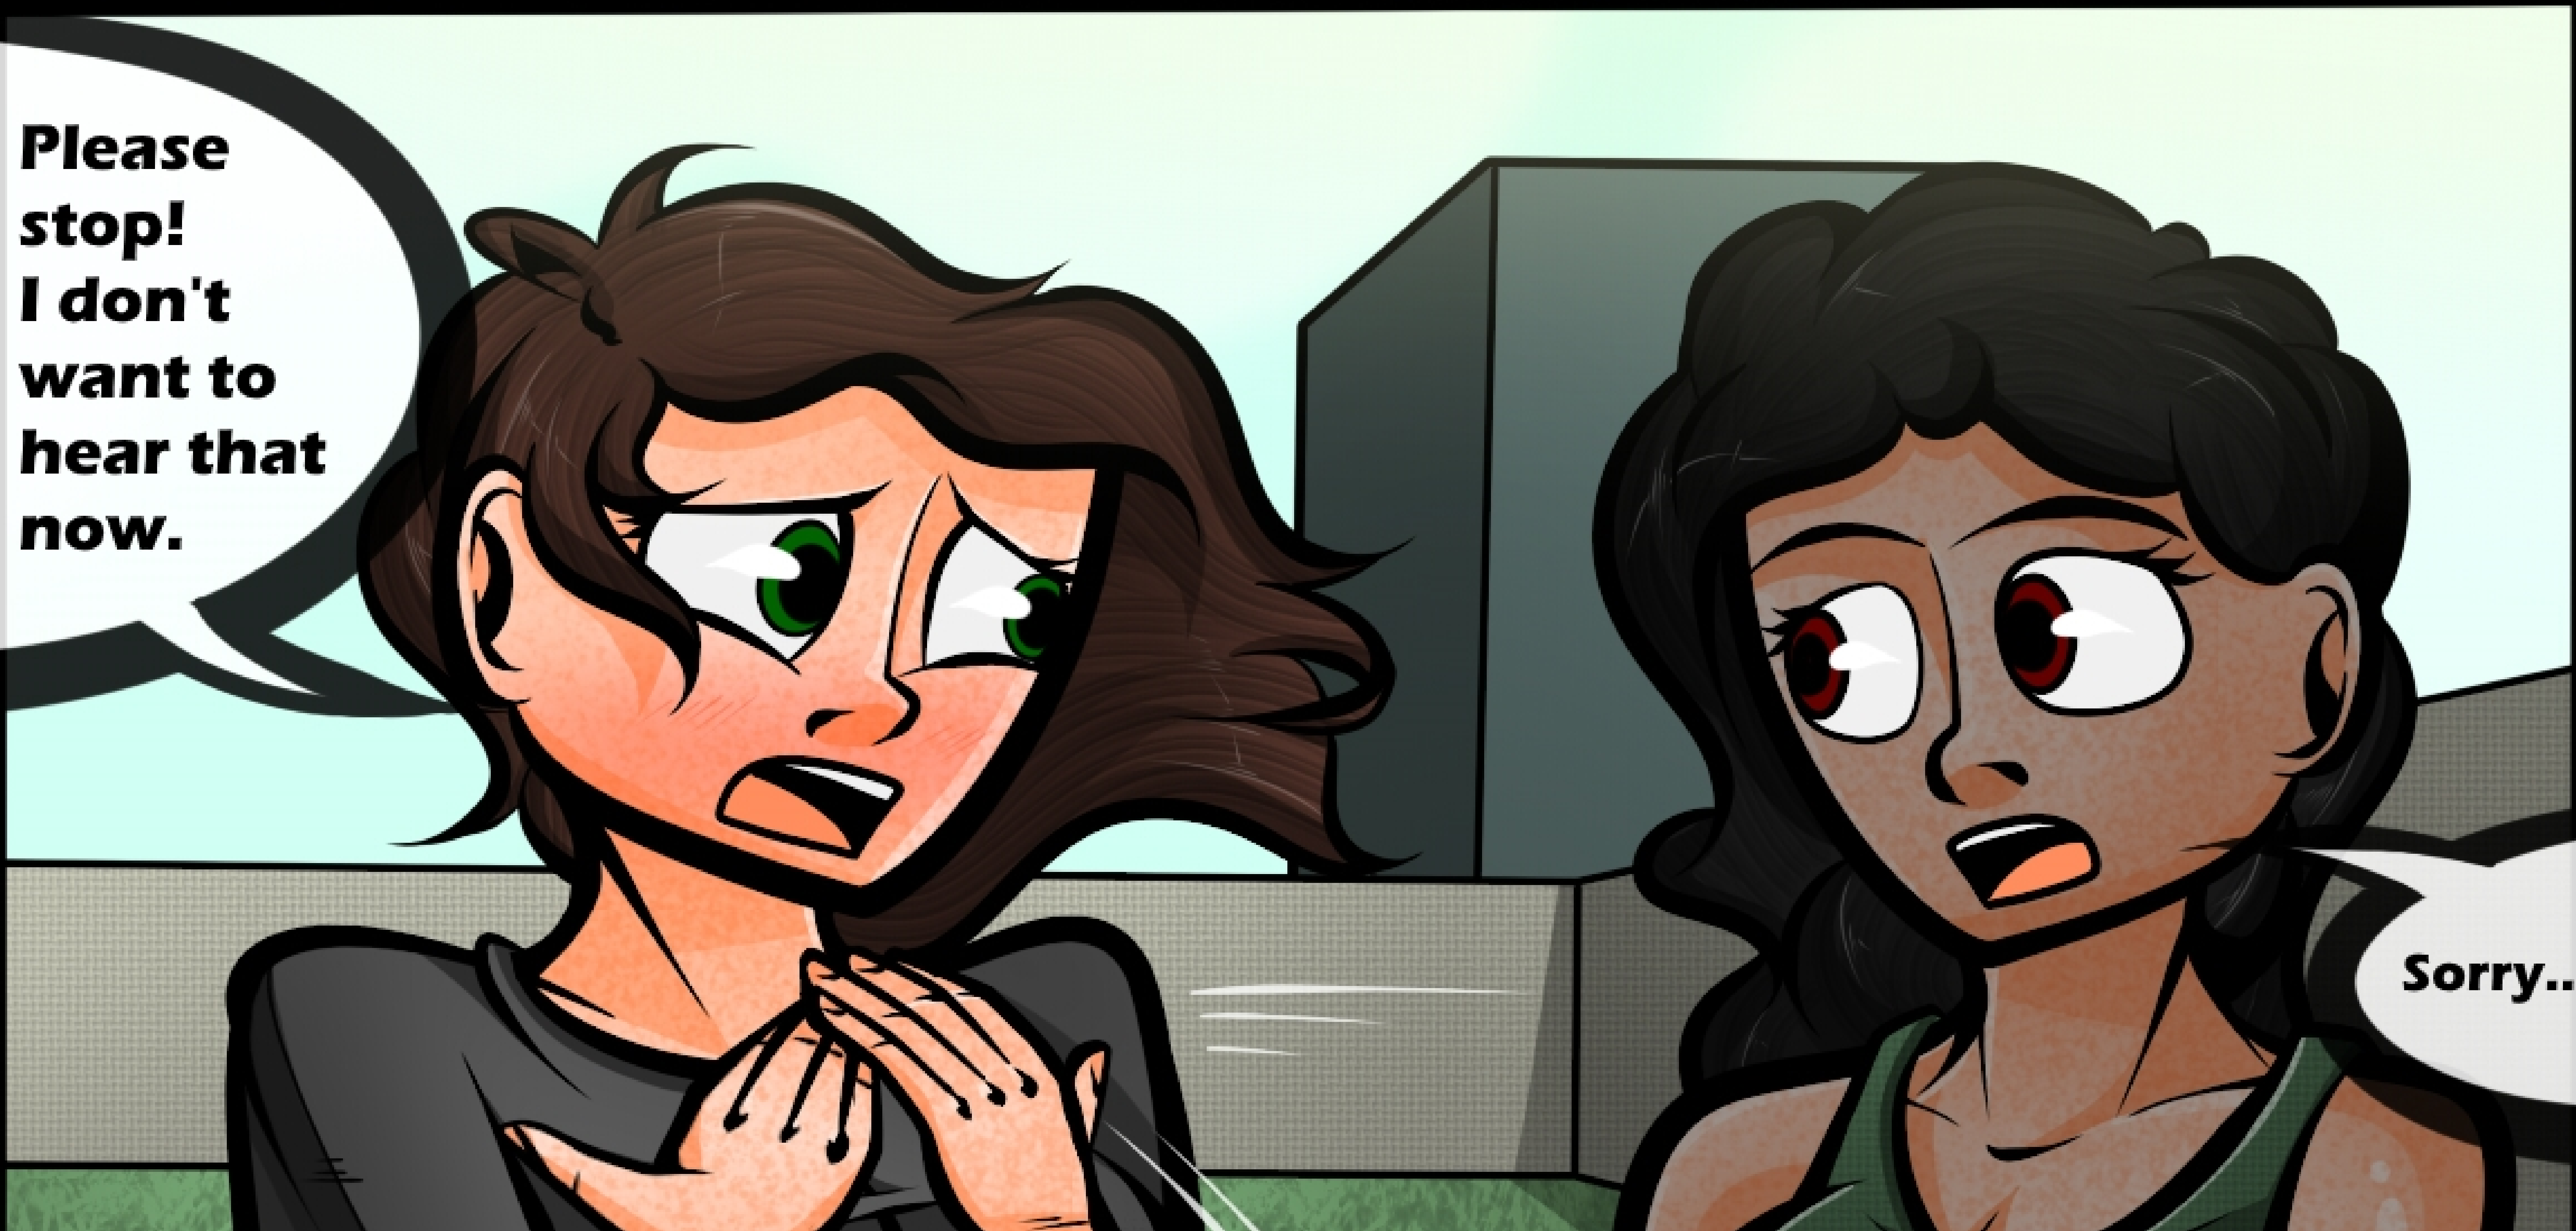

You two are pathetic! One has the biggest pair of tits, and the other is already acting sissy! Haha!

I just made up my new name on the spot! And don't listen to Jack, he's just jealous of you!

Jealous?

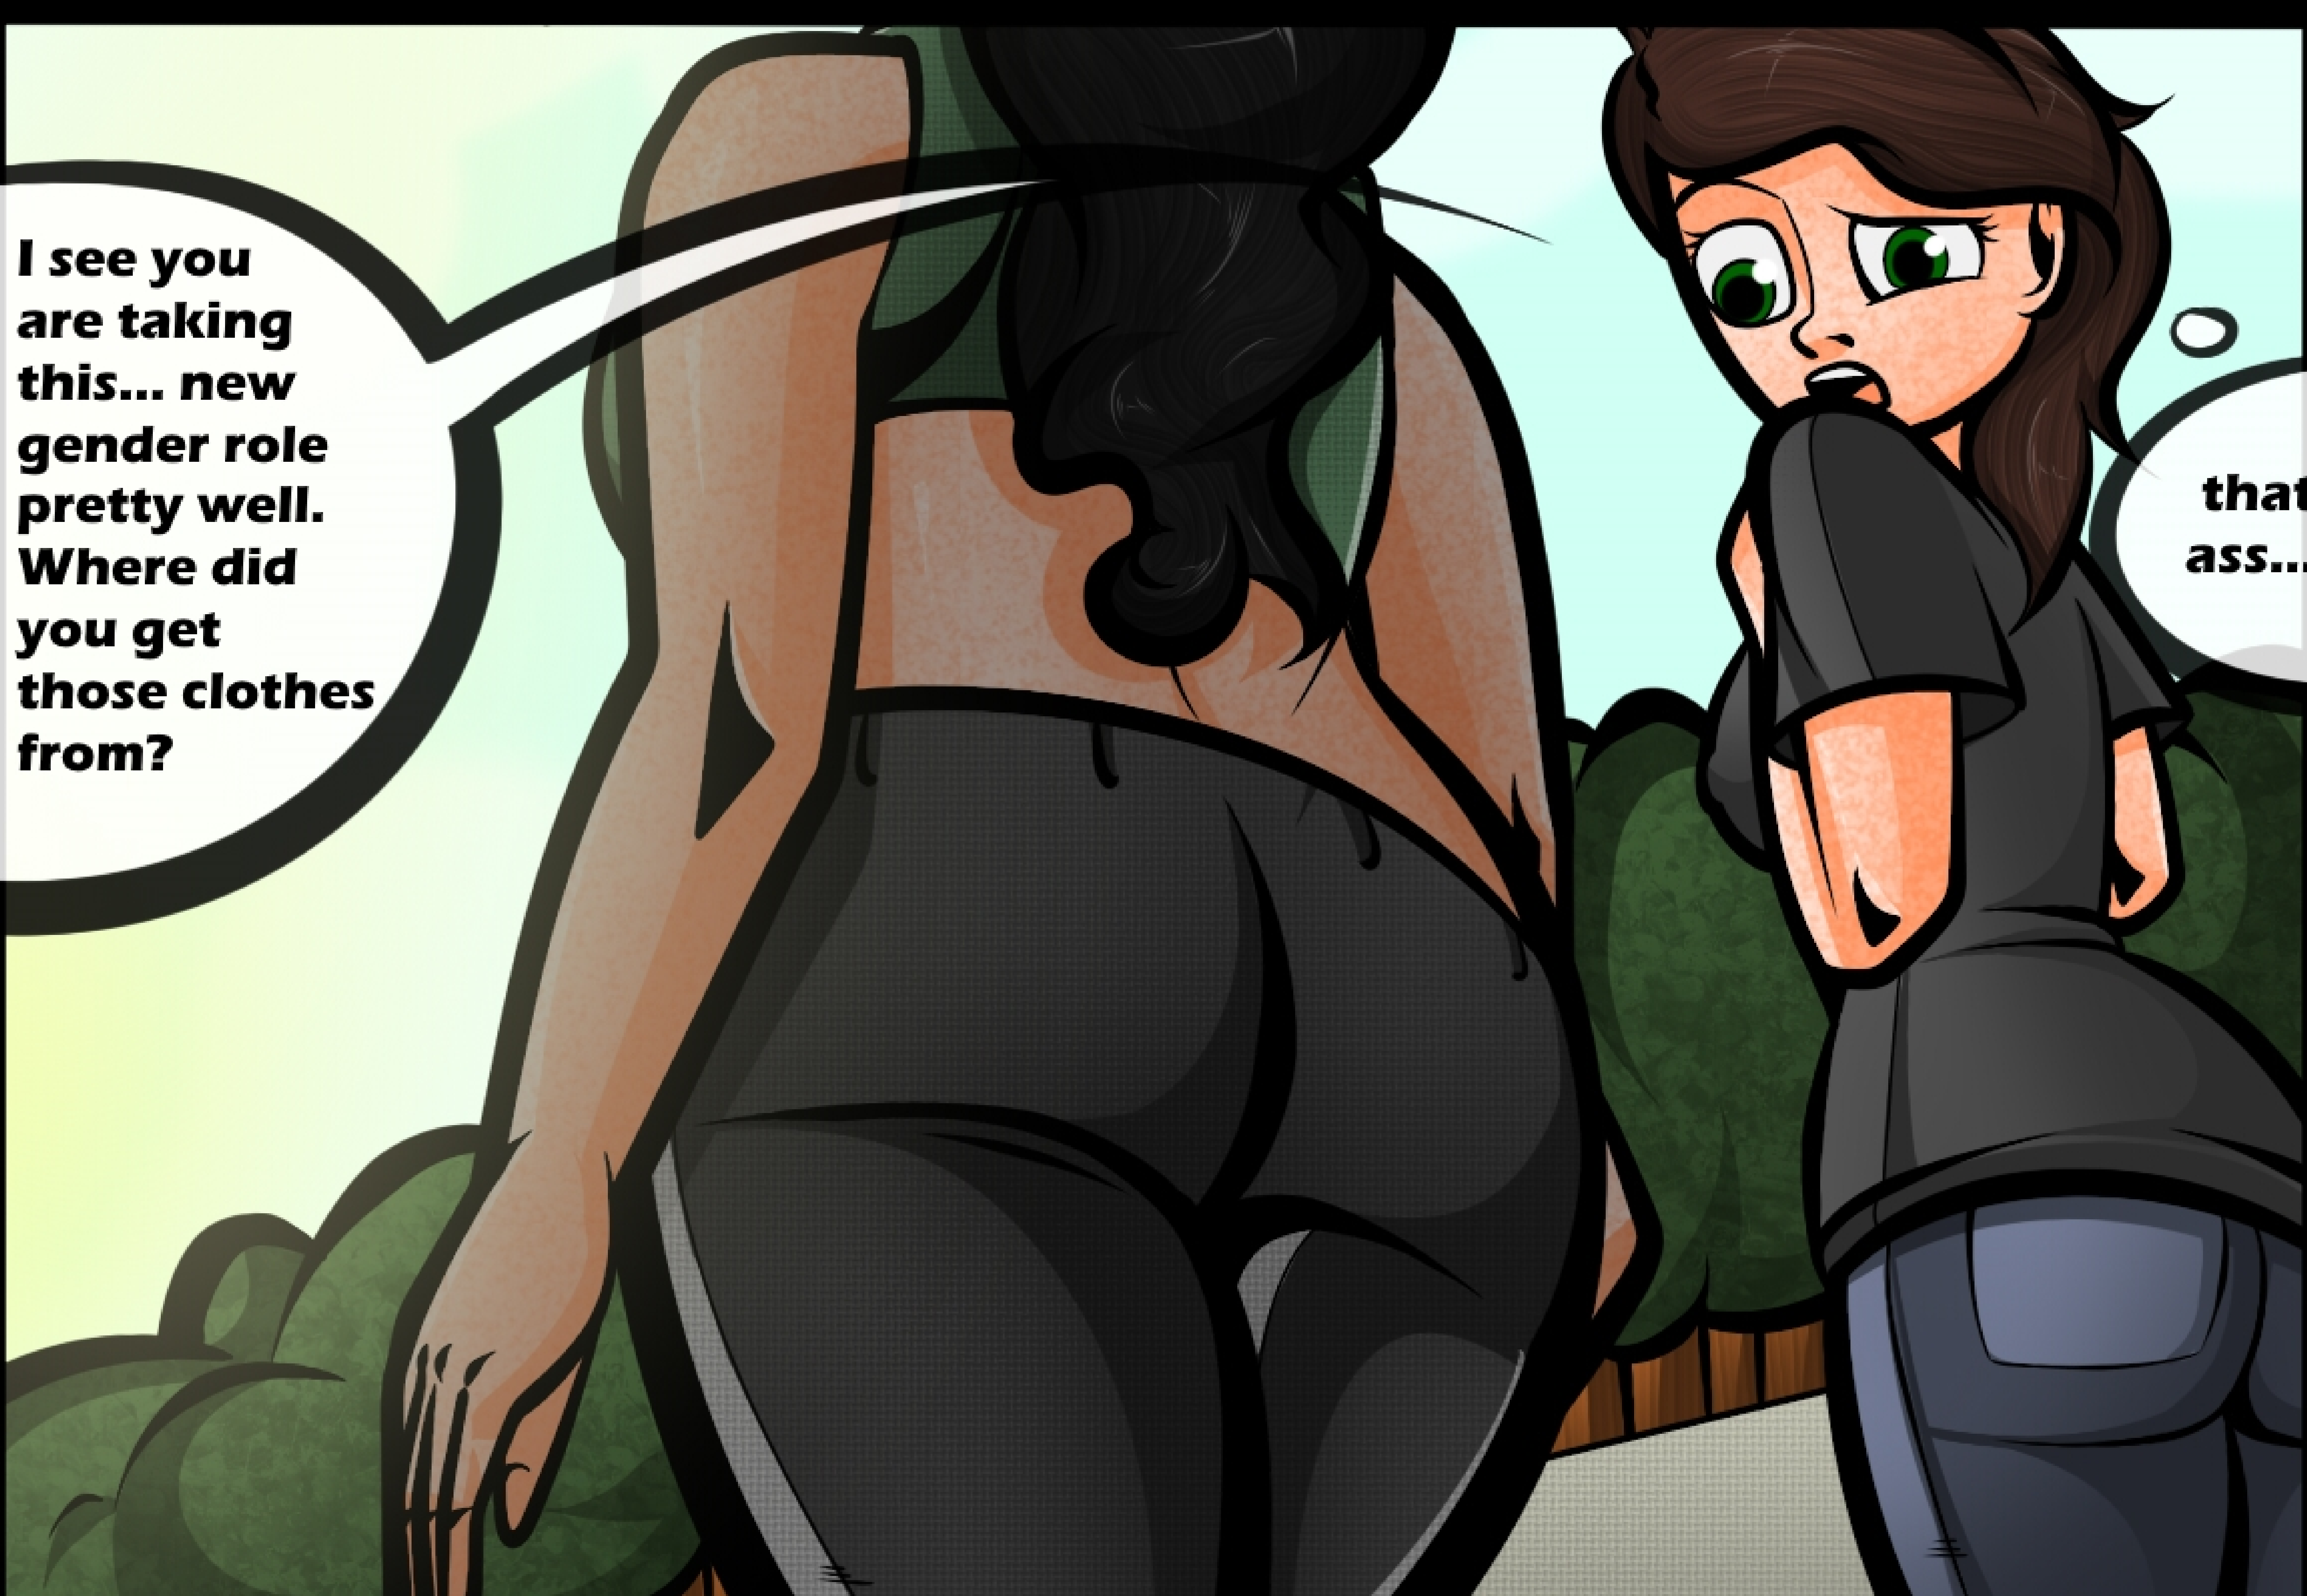

Let's just say world hunger's got nothing on you girl!

Please stop! I don't want to hear that now.

Sorry...

I see you are taking this... new gender role pretty well. Where did you get those clothes from?

that ass...

Urgh... this hair is annoying.

Before class I made a visit into the girls locker room and found some new boys without a need for their old underwear.

Let's just say we exchanged clothes.

BOING!
BOING!

Alright, next one to stand up is...

SAM

Hmm... Do I also need new clothes?

Yes!

I am here...

SAM?

I feel so tall...

You wouldn't think she would become this manly!

Not that it is bad though!

Well... Since 'Sam' is a gender neutral name, I will stick to that.

And Sam, would you like to change your name?

Alright... You can join the others.

Oh my god! Sam, you're SO...

I know... I am as tall as a mountain.

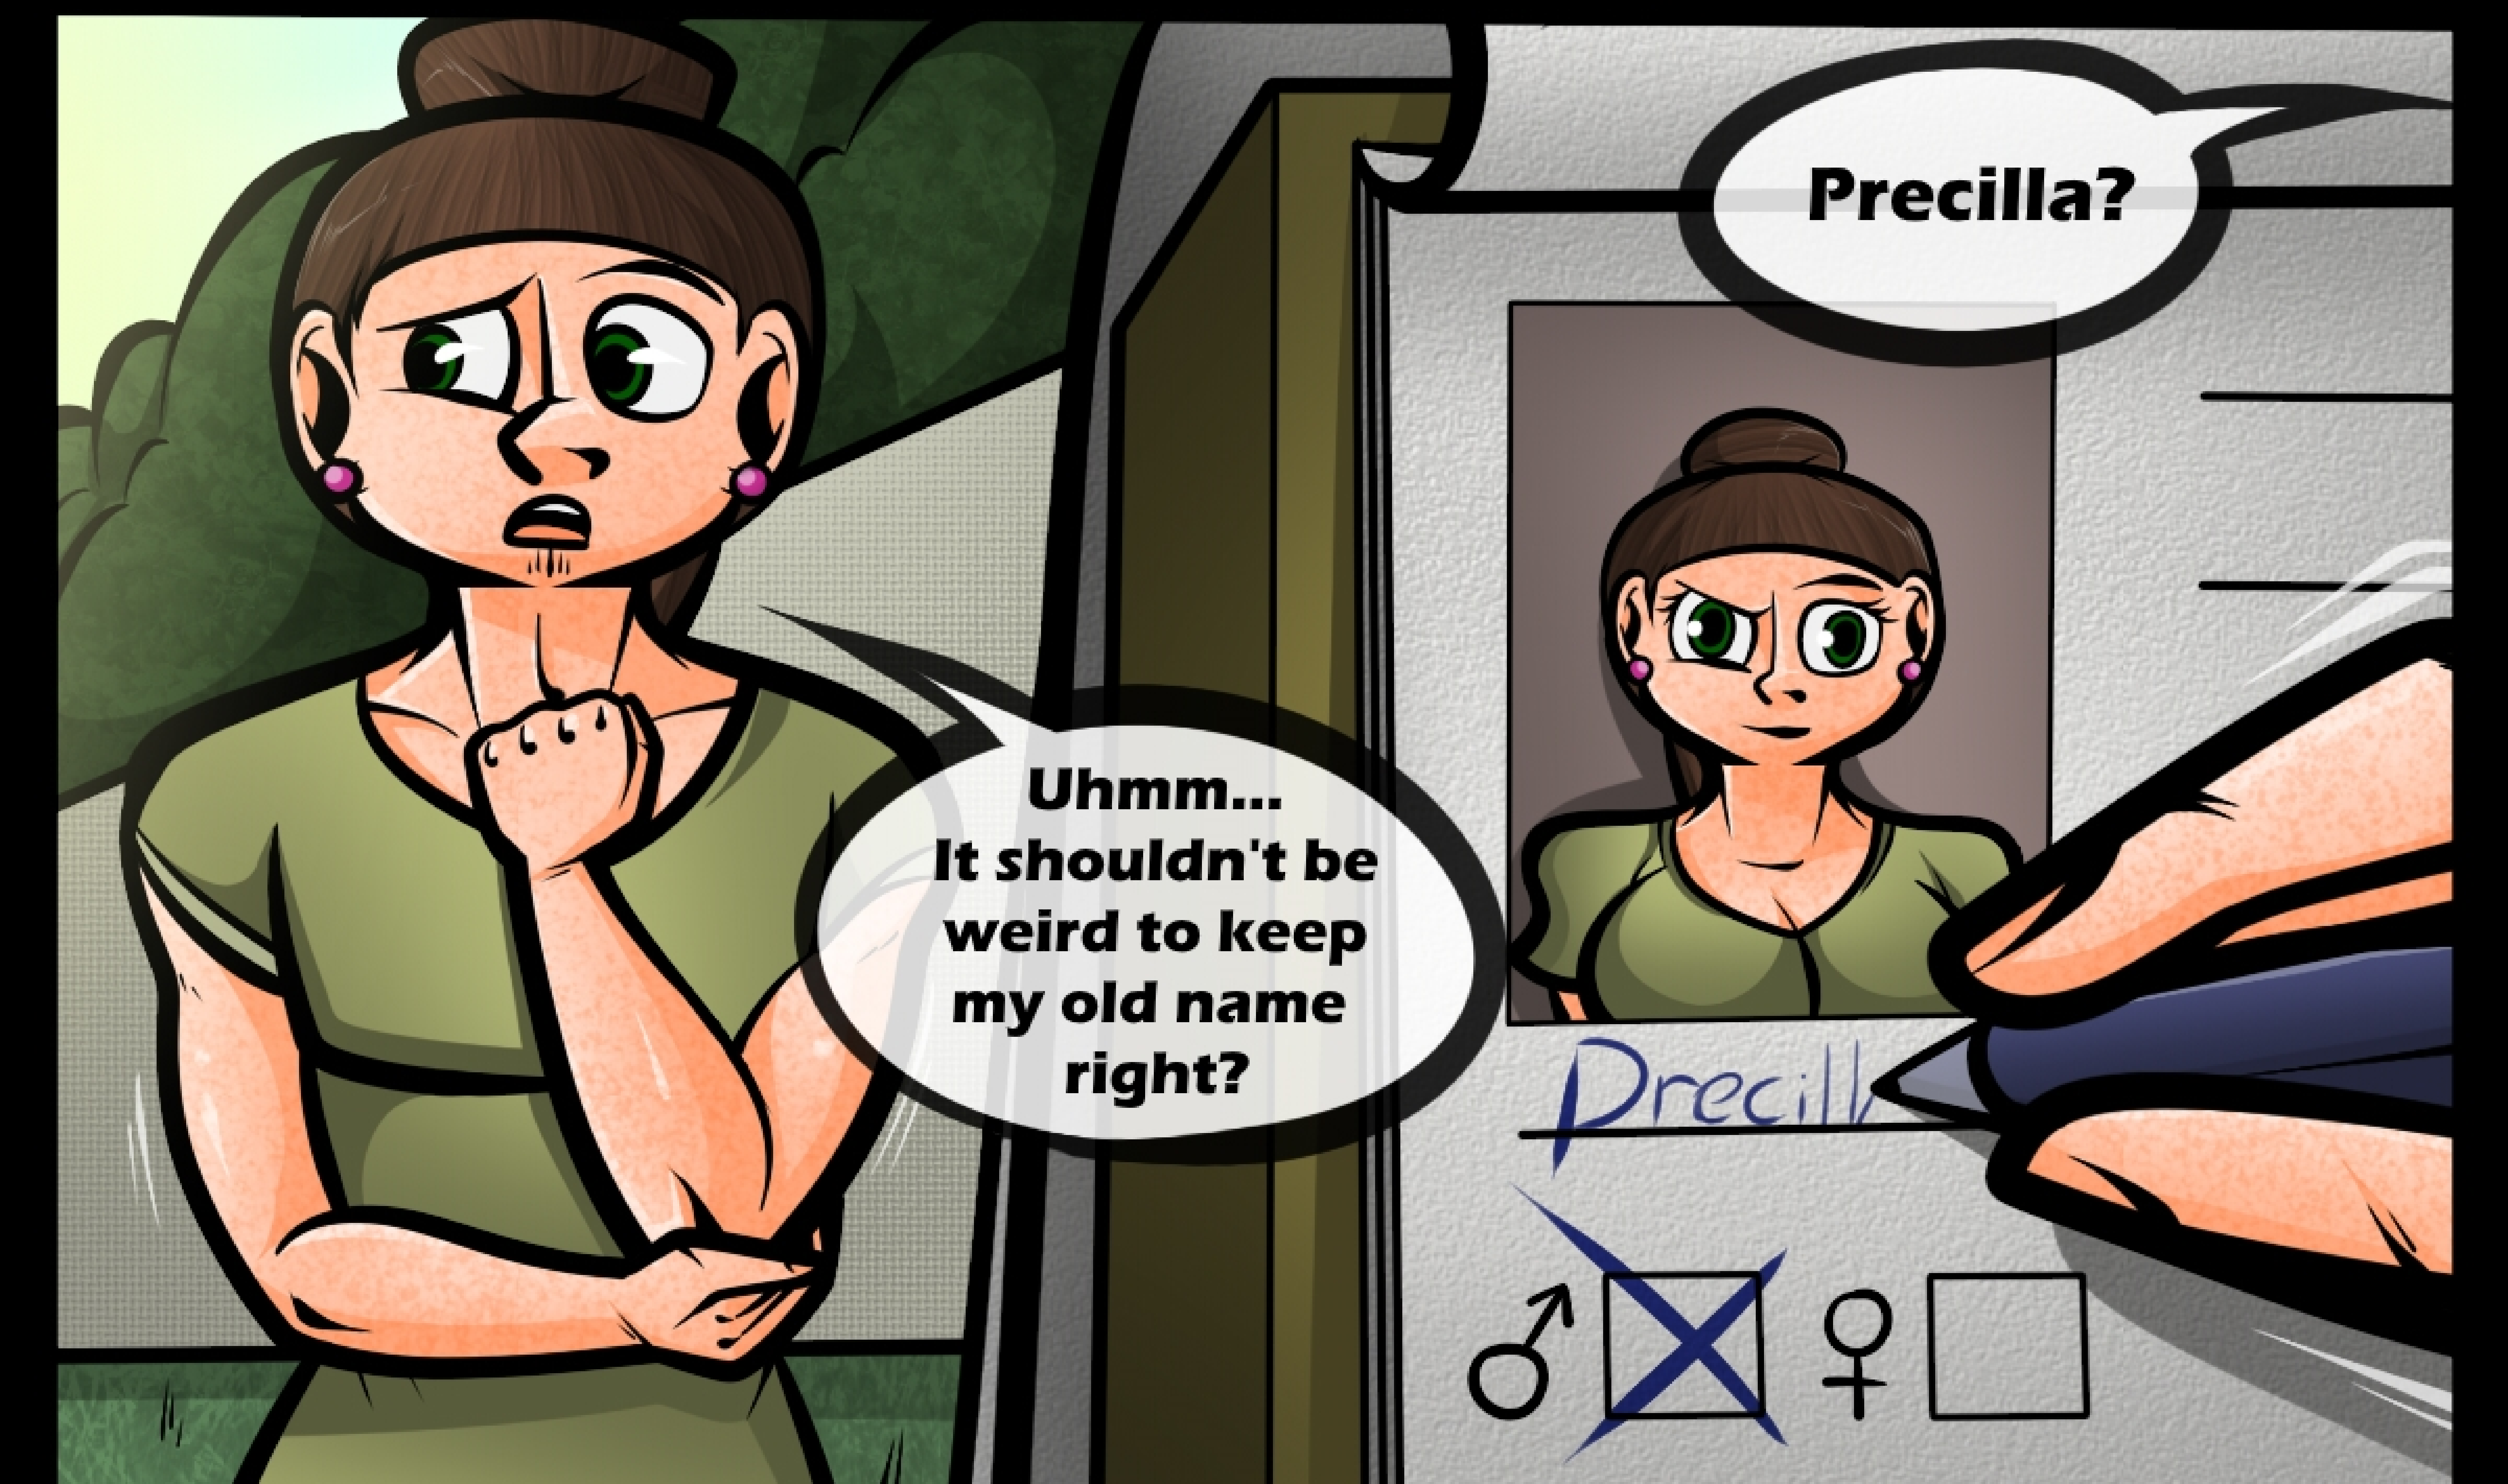

Wow... I mean... look at those muscles!

Damn...

Uhhh... Thank you I guess... I should be going now...

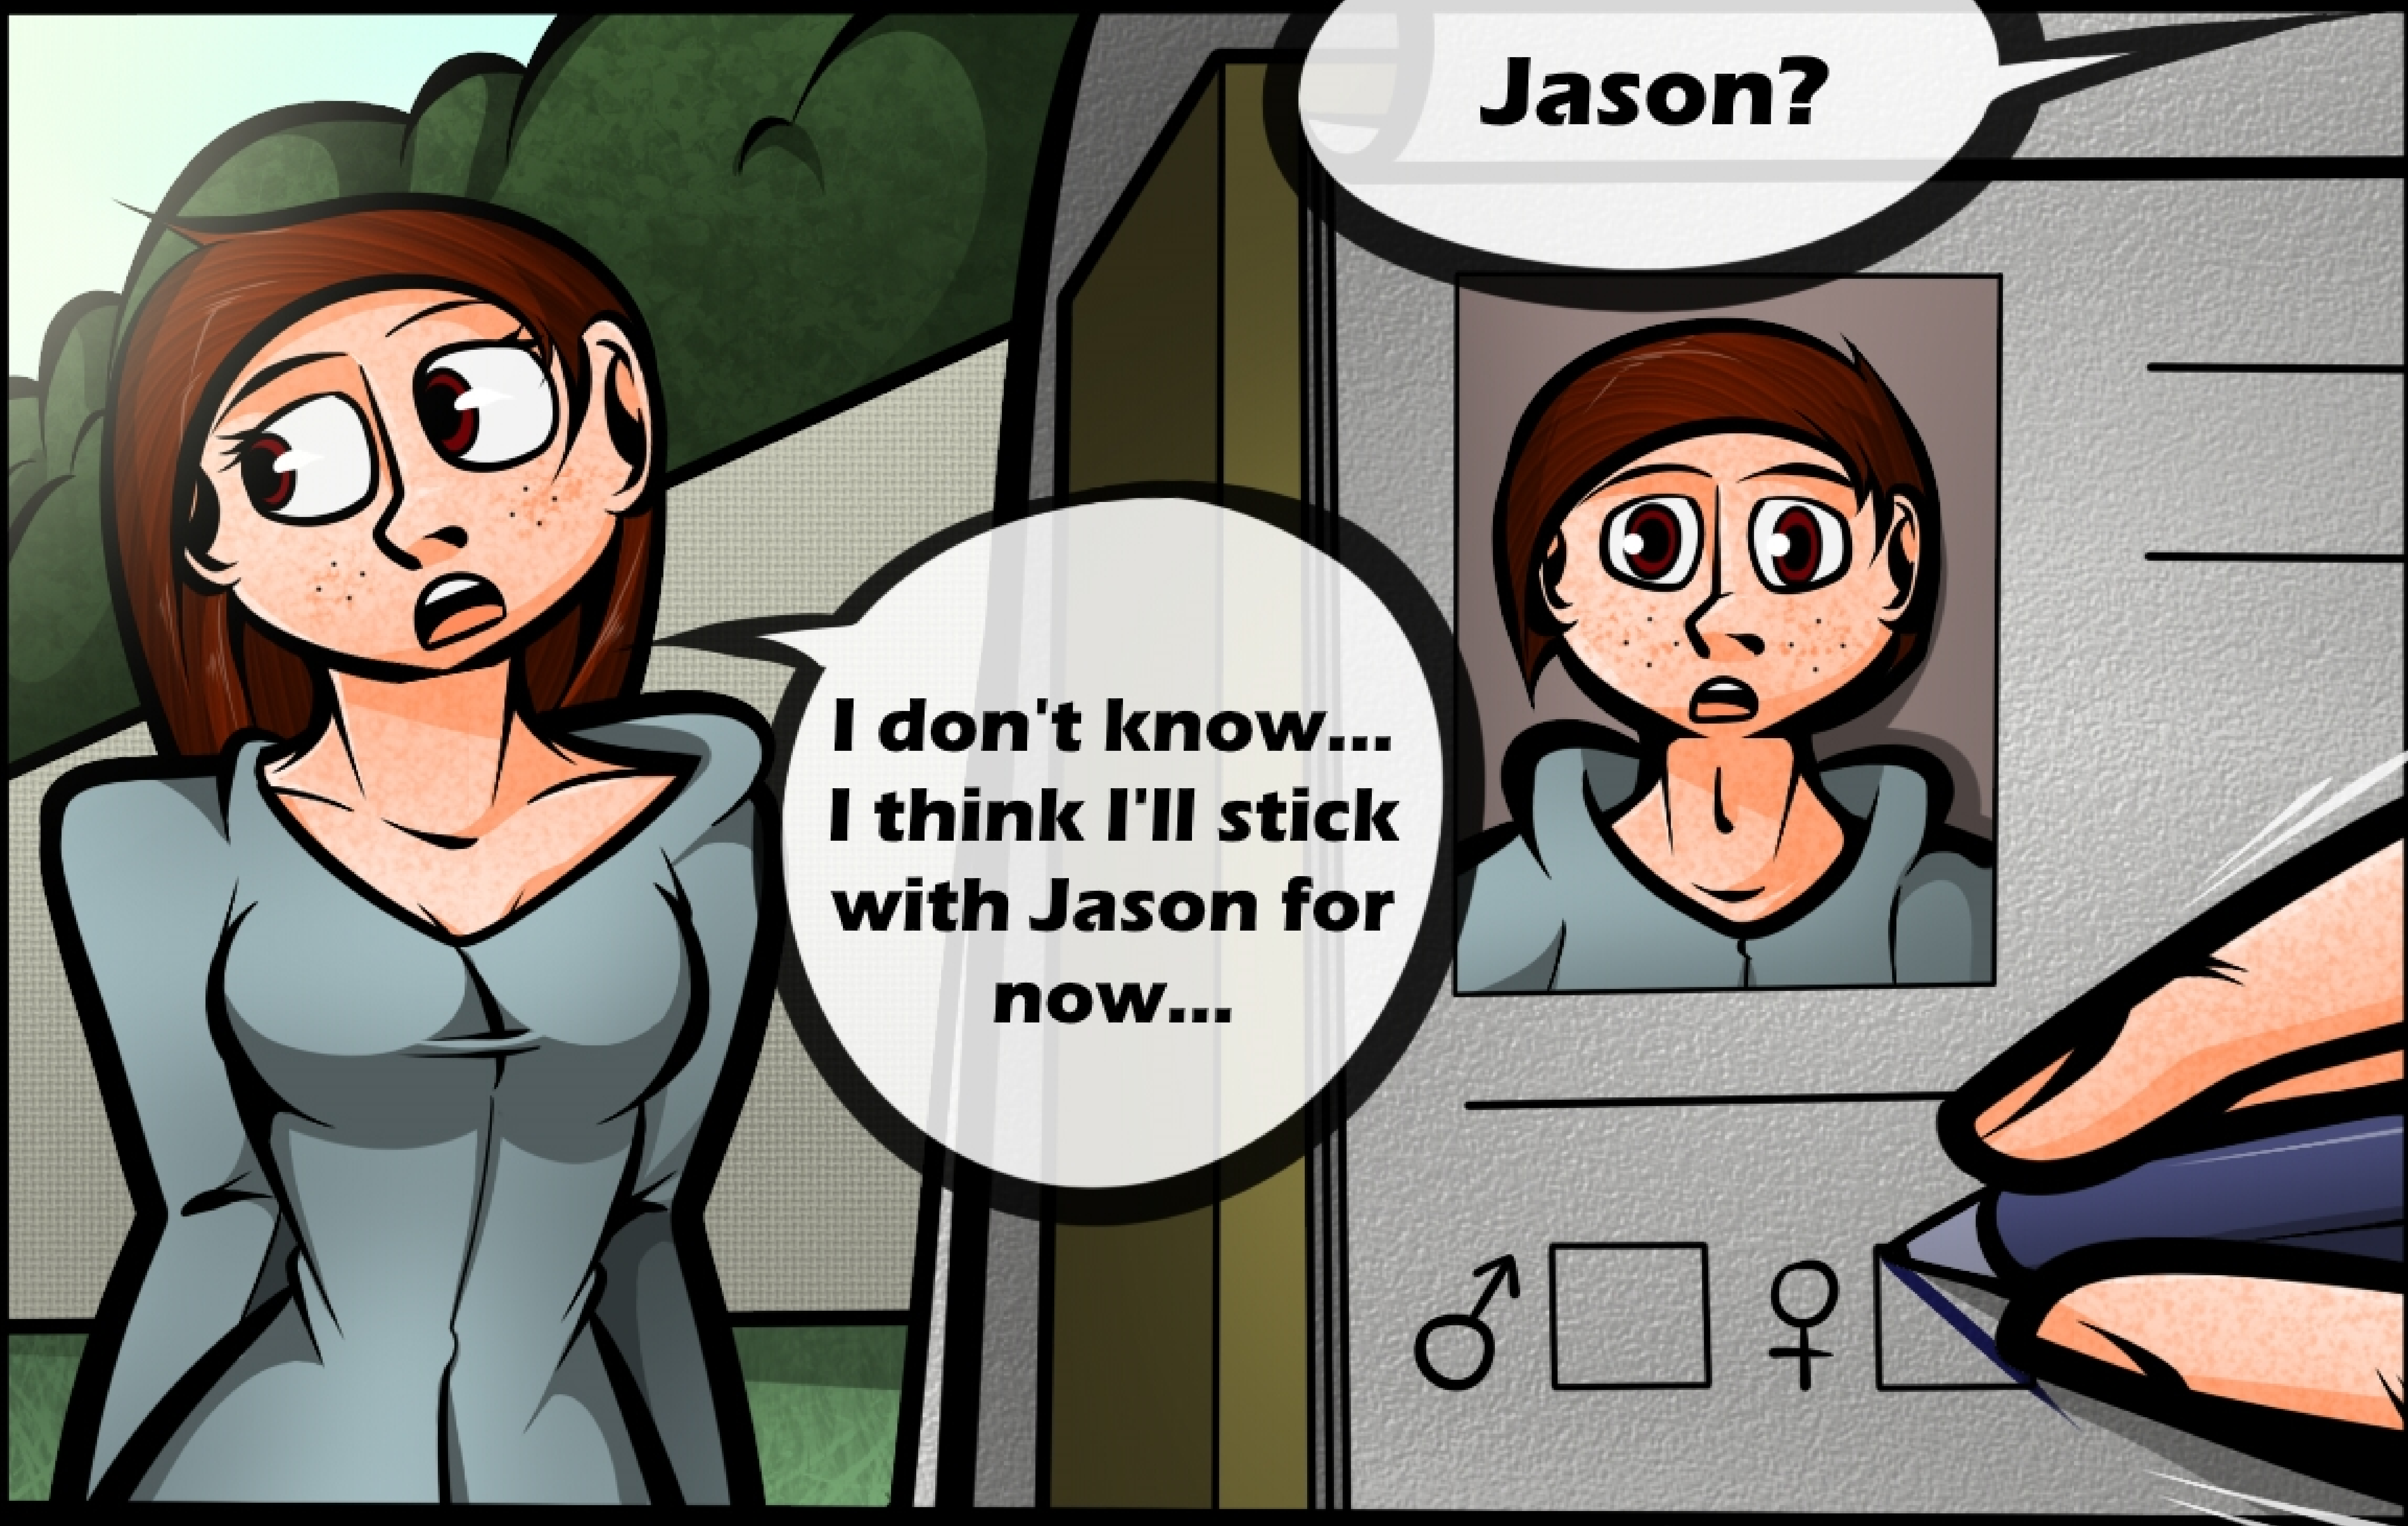

And do you want to change your name according to your new gender...

Precilla?

Uhhh... It shouldn't be weird to keep my old name right?

♂ ♀

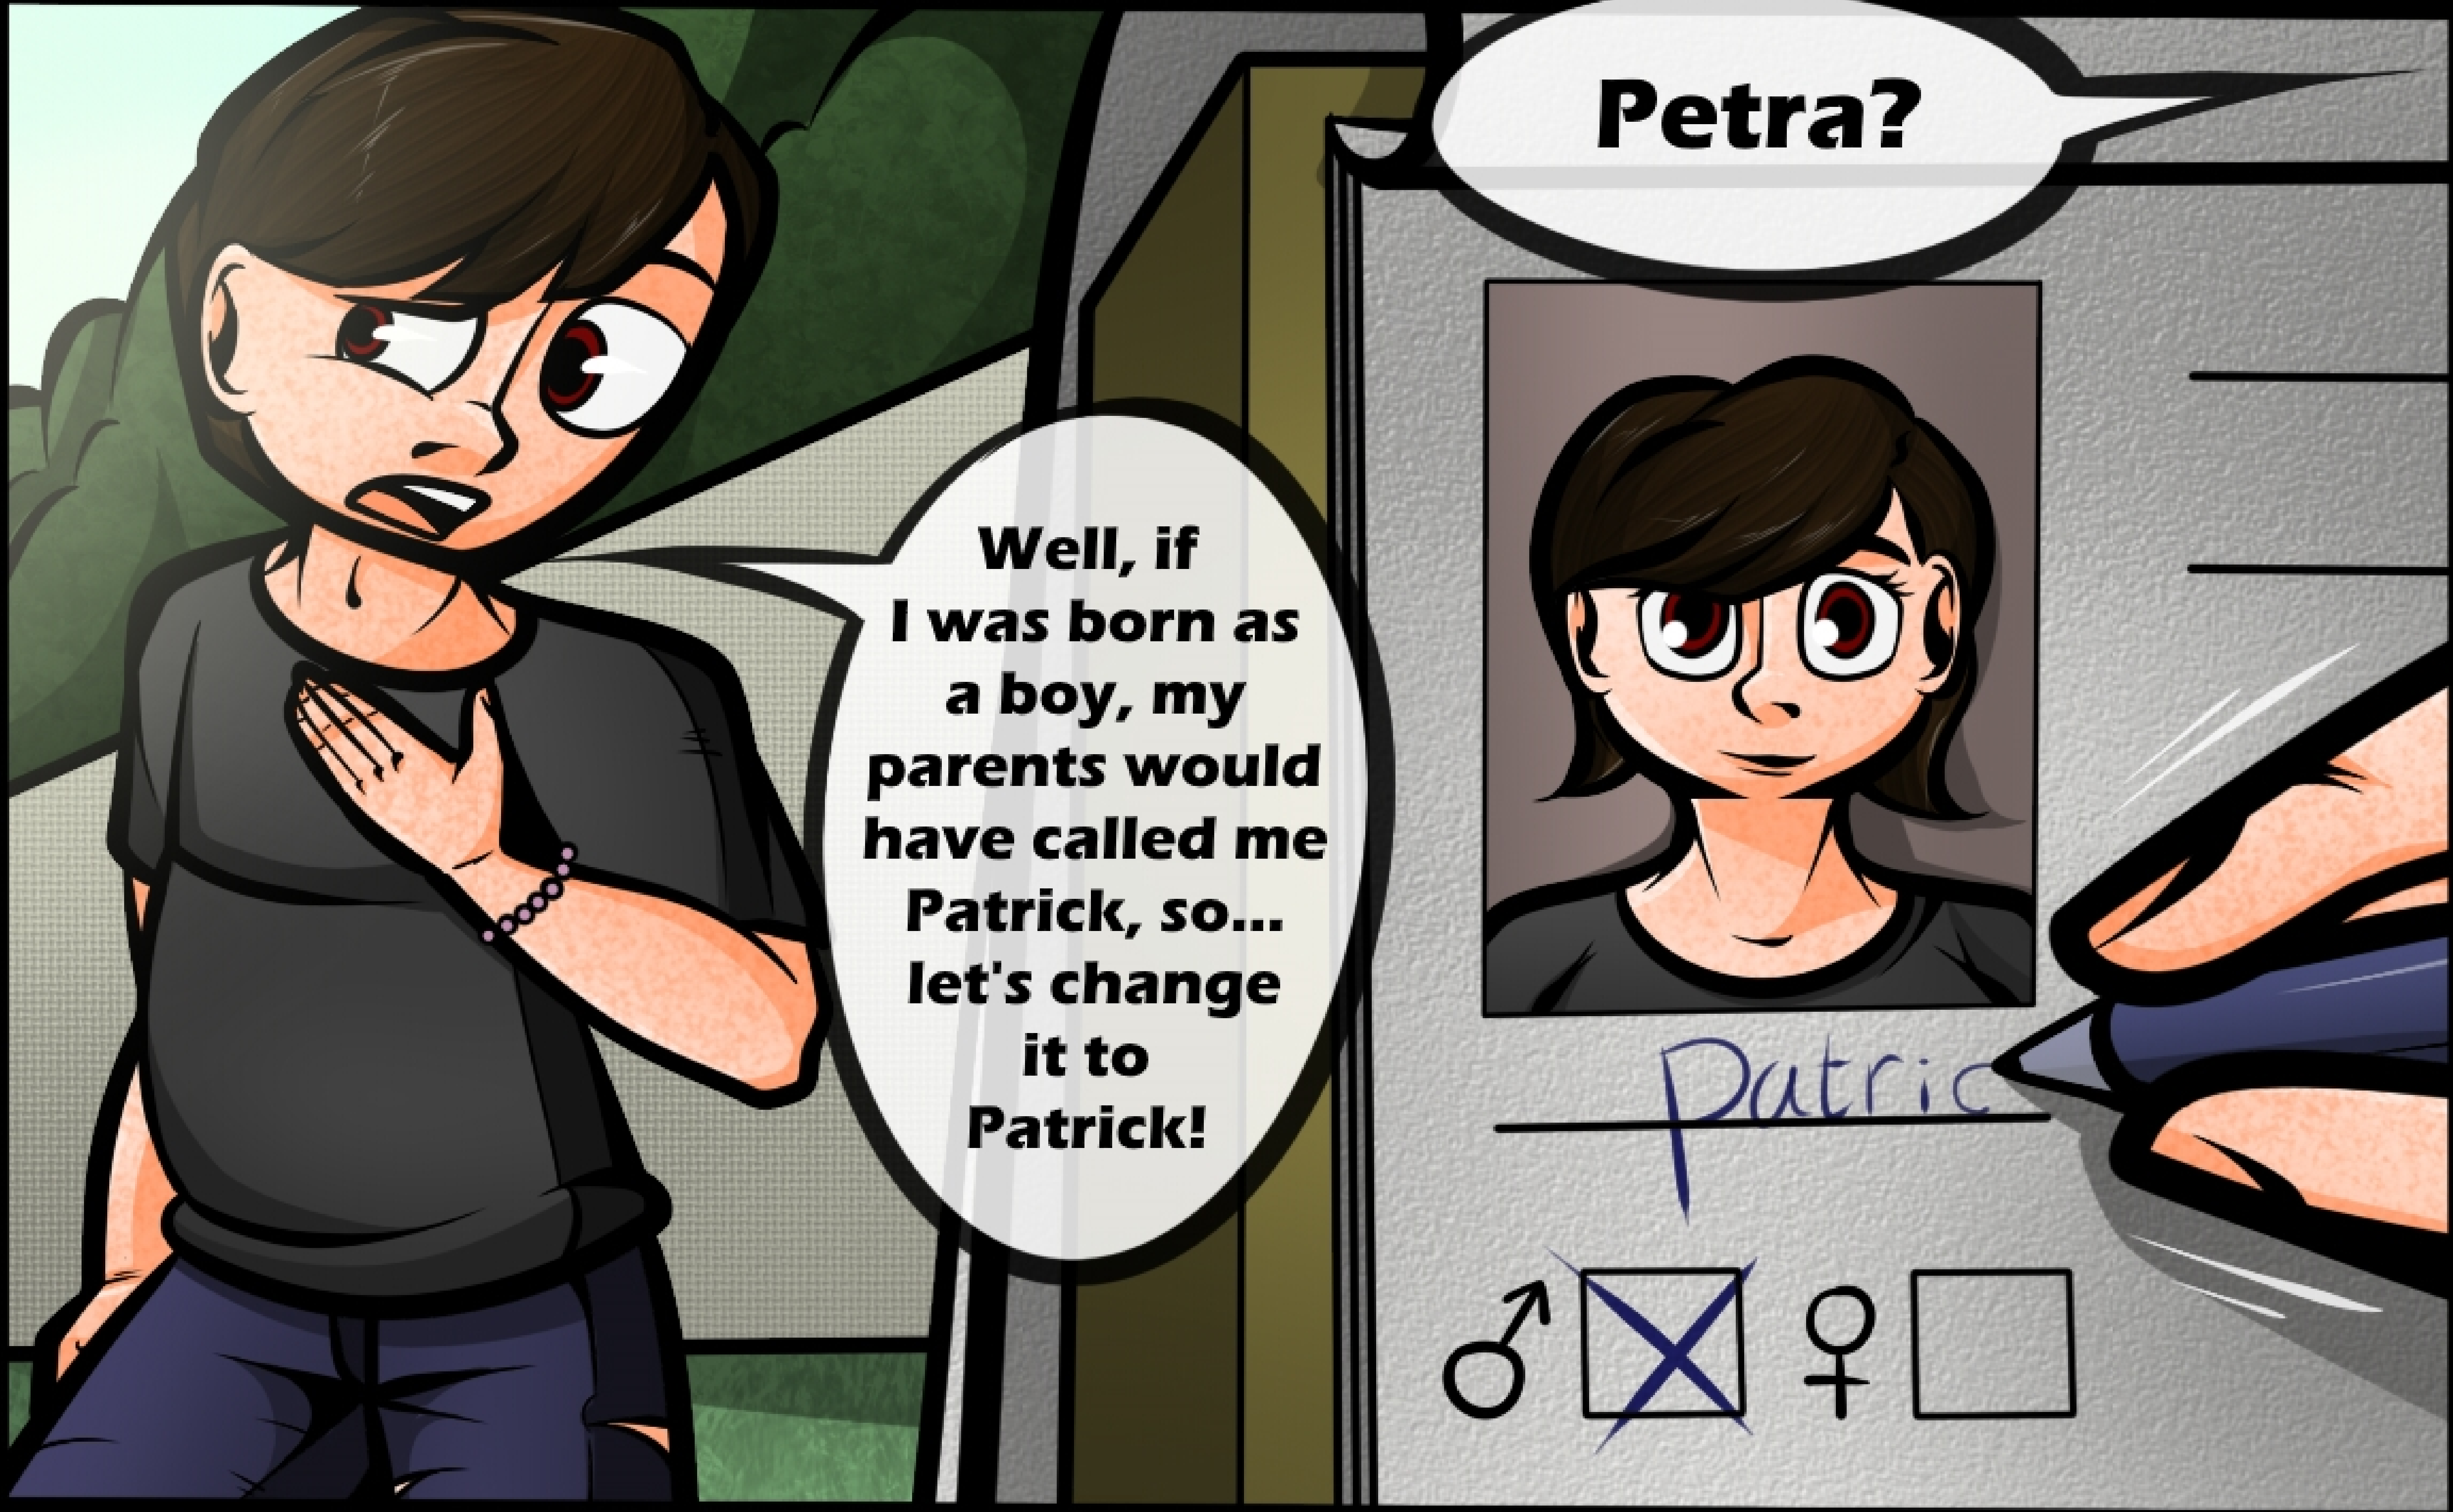

Jason?

I don't know...
I think I'll stick
with Jason for
now...

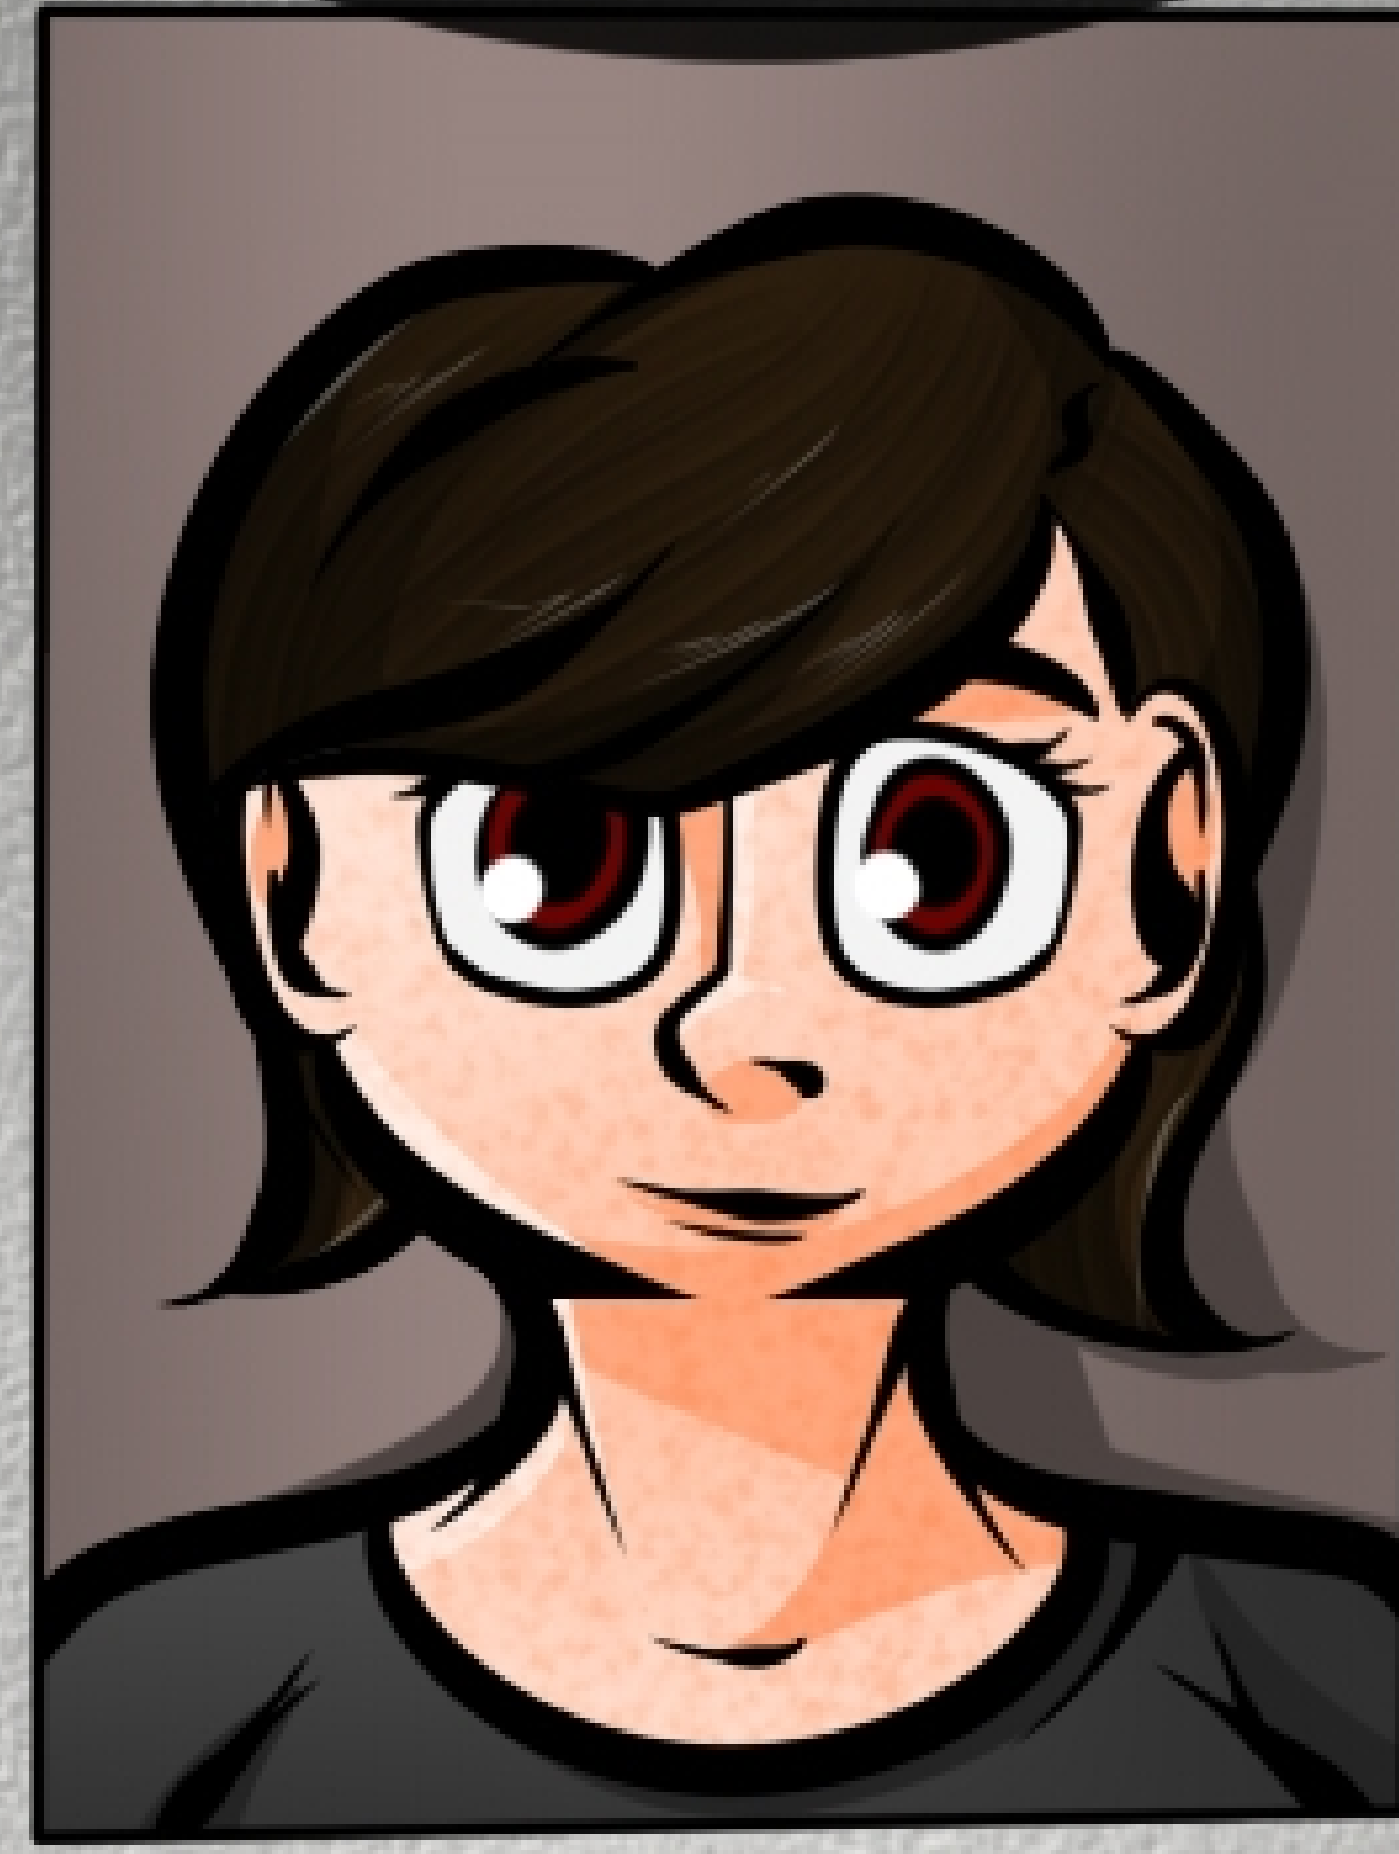

♂ ♀

Petra?

Well, if
I was born as
a boy, my
parents would
have called me
Patrick, so...
let's change
it to
Patrick!

Patrick

♂ ♀

Jenn?

Dan...?

Rick?

James?

Lisa?

We're
almost
there
...

15 names later...

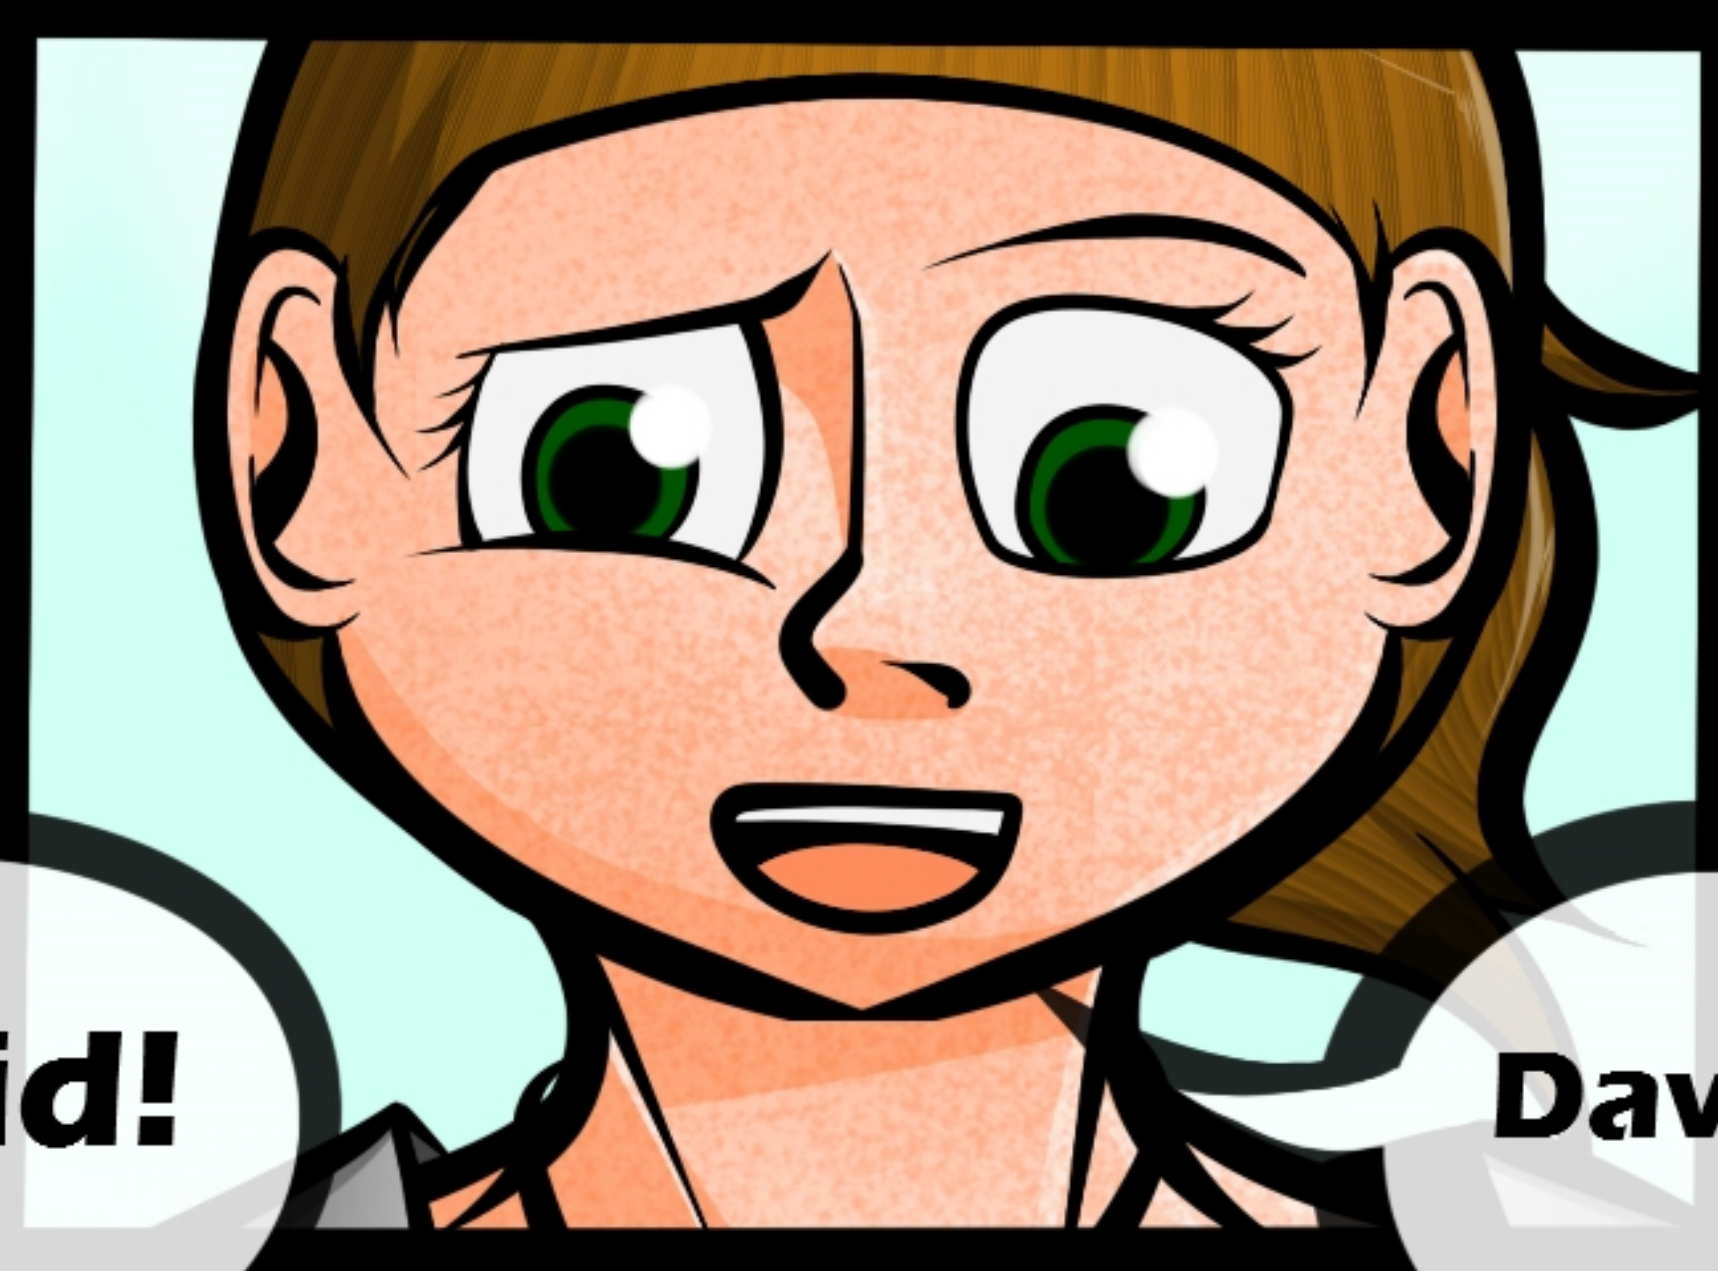

Oh god...
Half of the girl's
nipples are poking out.
Couldn't they at
least put on some
extra shirts?

Alright,
the last person to
come forth is...

David!

David?

What
the...?!

Well...
You don't have
to ask for my new
name...

eh...?!

Because I'm still a...
Man!

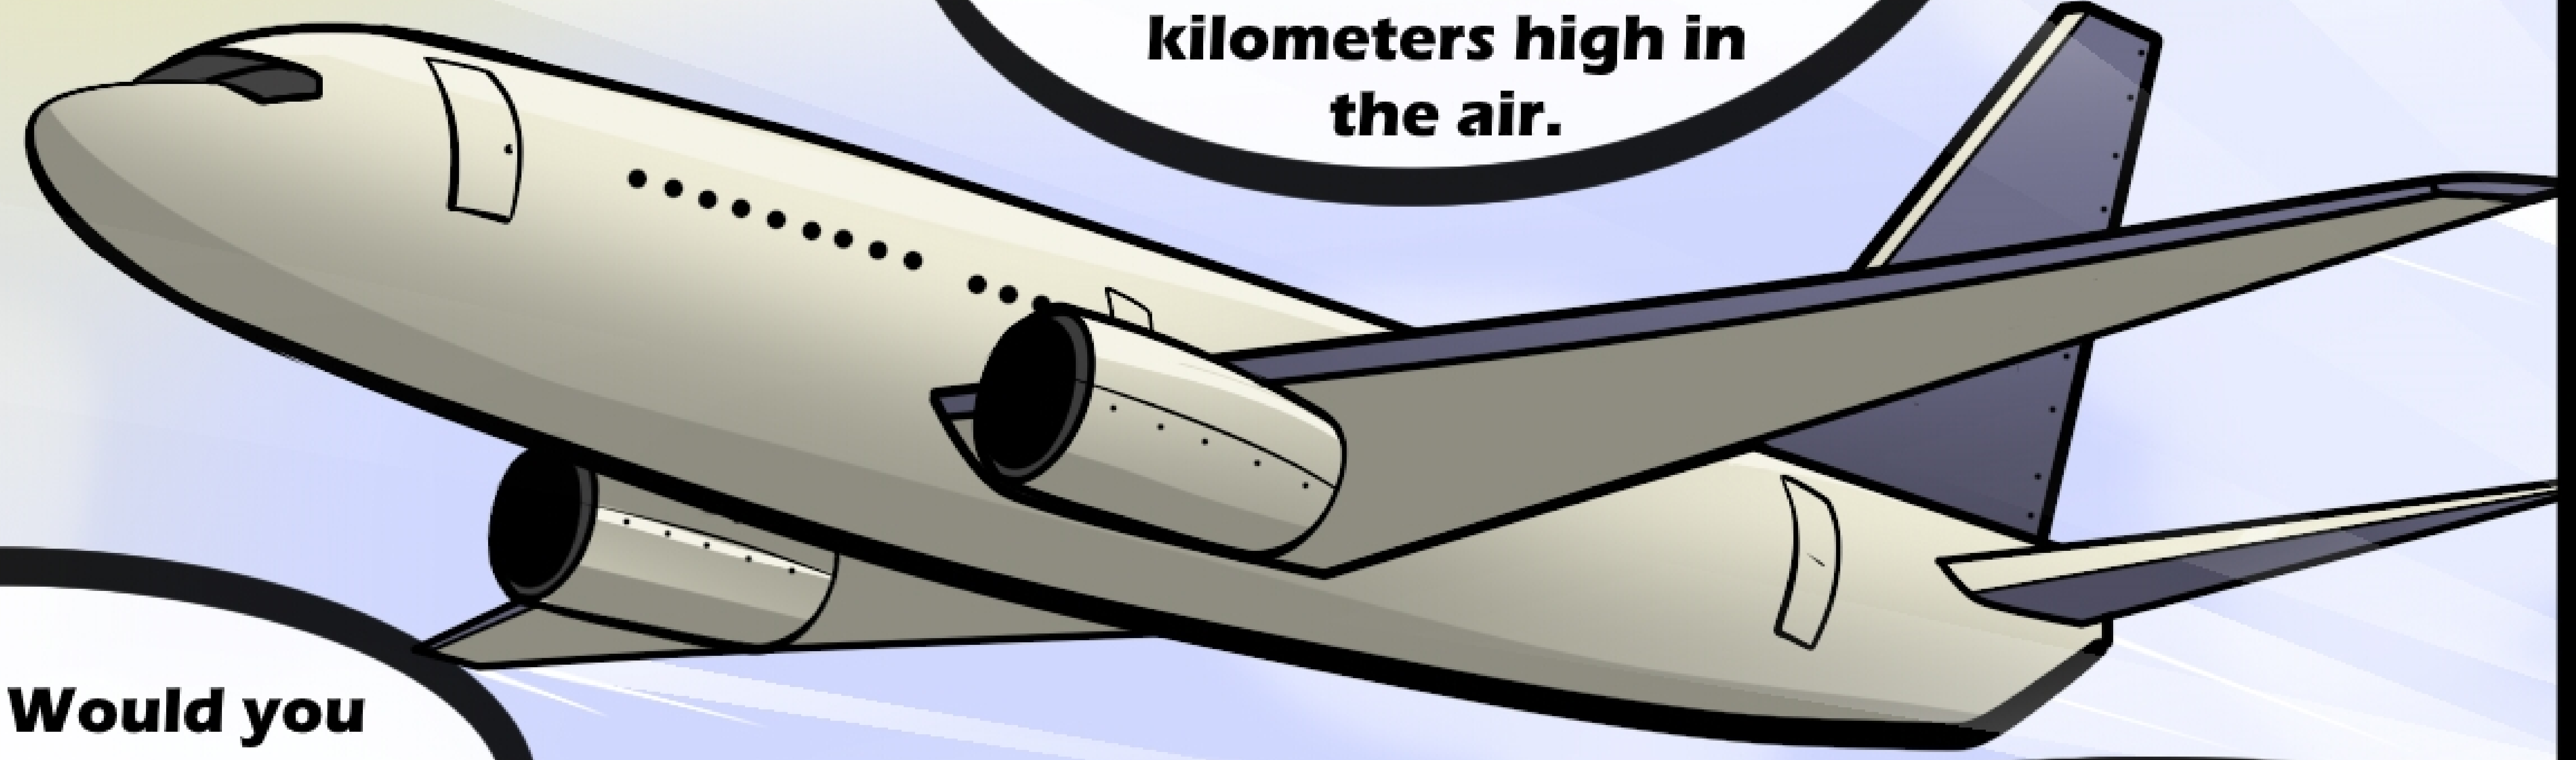

How are
you still a
f@#!ing
man?!

Don't
worry
Jack. I'll
explain.

Yesterday, when the Gender Wave swept across the surface, I was seven kilometers high in the air.

Would you like something sir?

Even though the wave only reached five kilometers high and couldn't reach the airplane, I was still worried it would reach me and change me into a woman...

Yes, can I have some snacks please?

Eventually when I looked down, I saw it...

...the Gender Wave itself!

Dear passengers,
we're approaching
the Gender Wave.
We don't know if
it will have an
on us. So fasten
your... *****

zaf zaf zaf zaf
zaf zaf zaf zaf zaf zaf zaf zaf zaf zaf
zaf zaf zaf zaf zaf zaf zaf zaf zaf zaf

I closed my
eyes and braced
myself to change
gender, but in the end
only one in one tenth
of the passengers
got affected.

Long story short: I've dodged the Gender Wave.

Wow...
Uhm alright, I'll set your name as David.

You can join the rest.

Who do you think you are?
Let's fight!
You and me after sundown!

I'm jealous...

I wonder what remaining your gender would be like when everyone else hasn't.

Sounds good!

Alright, we're finally done. Class is now dismissed

THEN WHY DID WE HAVE TO COME TO SCHOOL NOW?! THIS SUCKS!

Tomorrow we'll handle the subject about your new gender and what comes with it.

CLASS IS DISMISSED!

grr...

kakaa!

kakaa!

Piep...

But 'Sam' really is a gender neutral name.

It's nothing. I really like your response to not change your name!

You're really risky to change your name Kris, you're the only guy who did it.

I know it's a bit weird to ask because of all the change, but do you guys want to go to my place to chill and game?

I'm sorry, but I'm going to my girlfriend's place or now boy-friend's place if you know what I mean.

Uhm... I can't right now. My dad expects me to be home now.

Bye!

See you tomorrow

Hmm... this is odd to think about...

but Nathan looks kinda...

Beautiful isn't she! He turned out so well!

Okay...

Couldn't they have at least be quieter?

I really mean it!

I don't know what is happening to me, but I just kept staring at here tits and ass. It's freaking me out.

15 minutes later...

That's my dad's car. Why isn't he working while I was at school?

Okay please don't make a sound. Slowly... slowly... slowly!

Nathan?
Is that you?

Great...

It really is you!

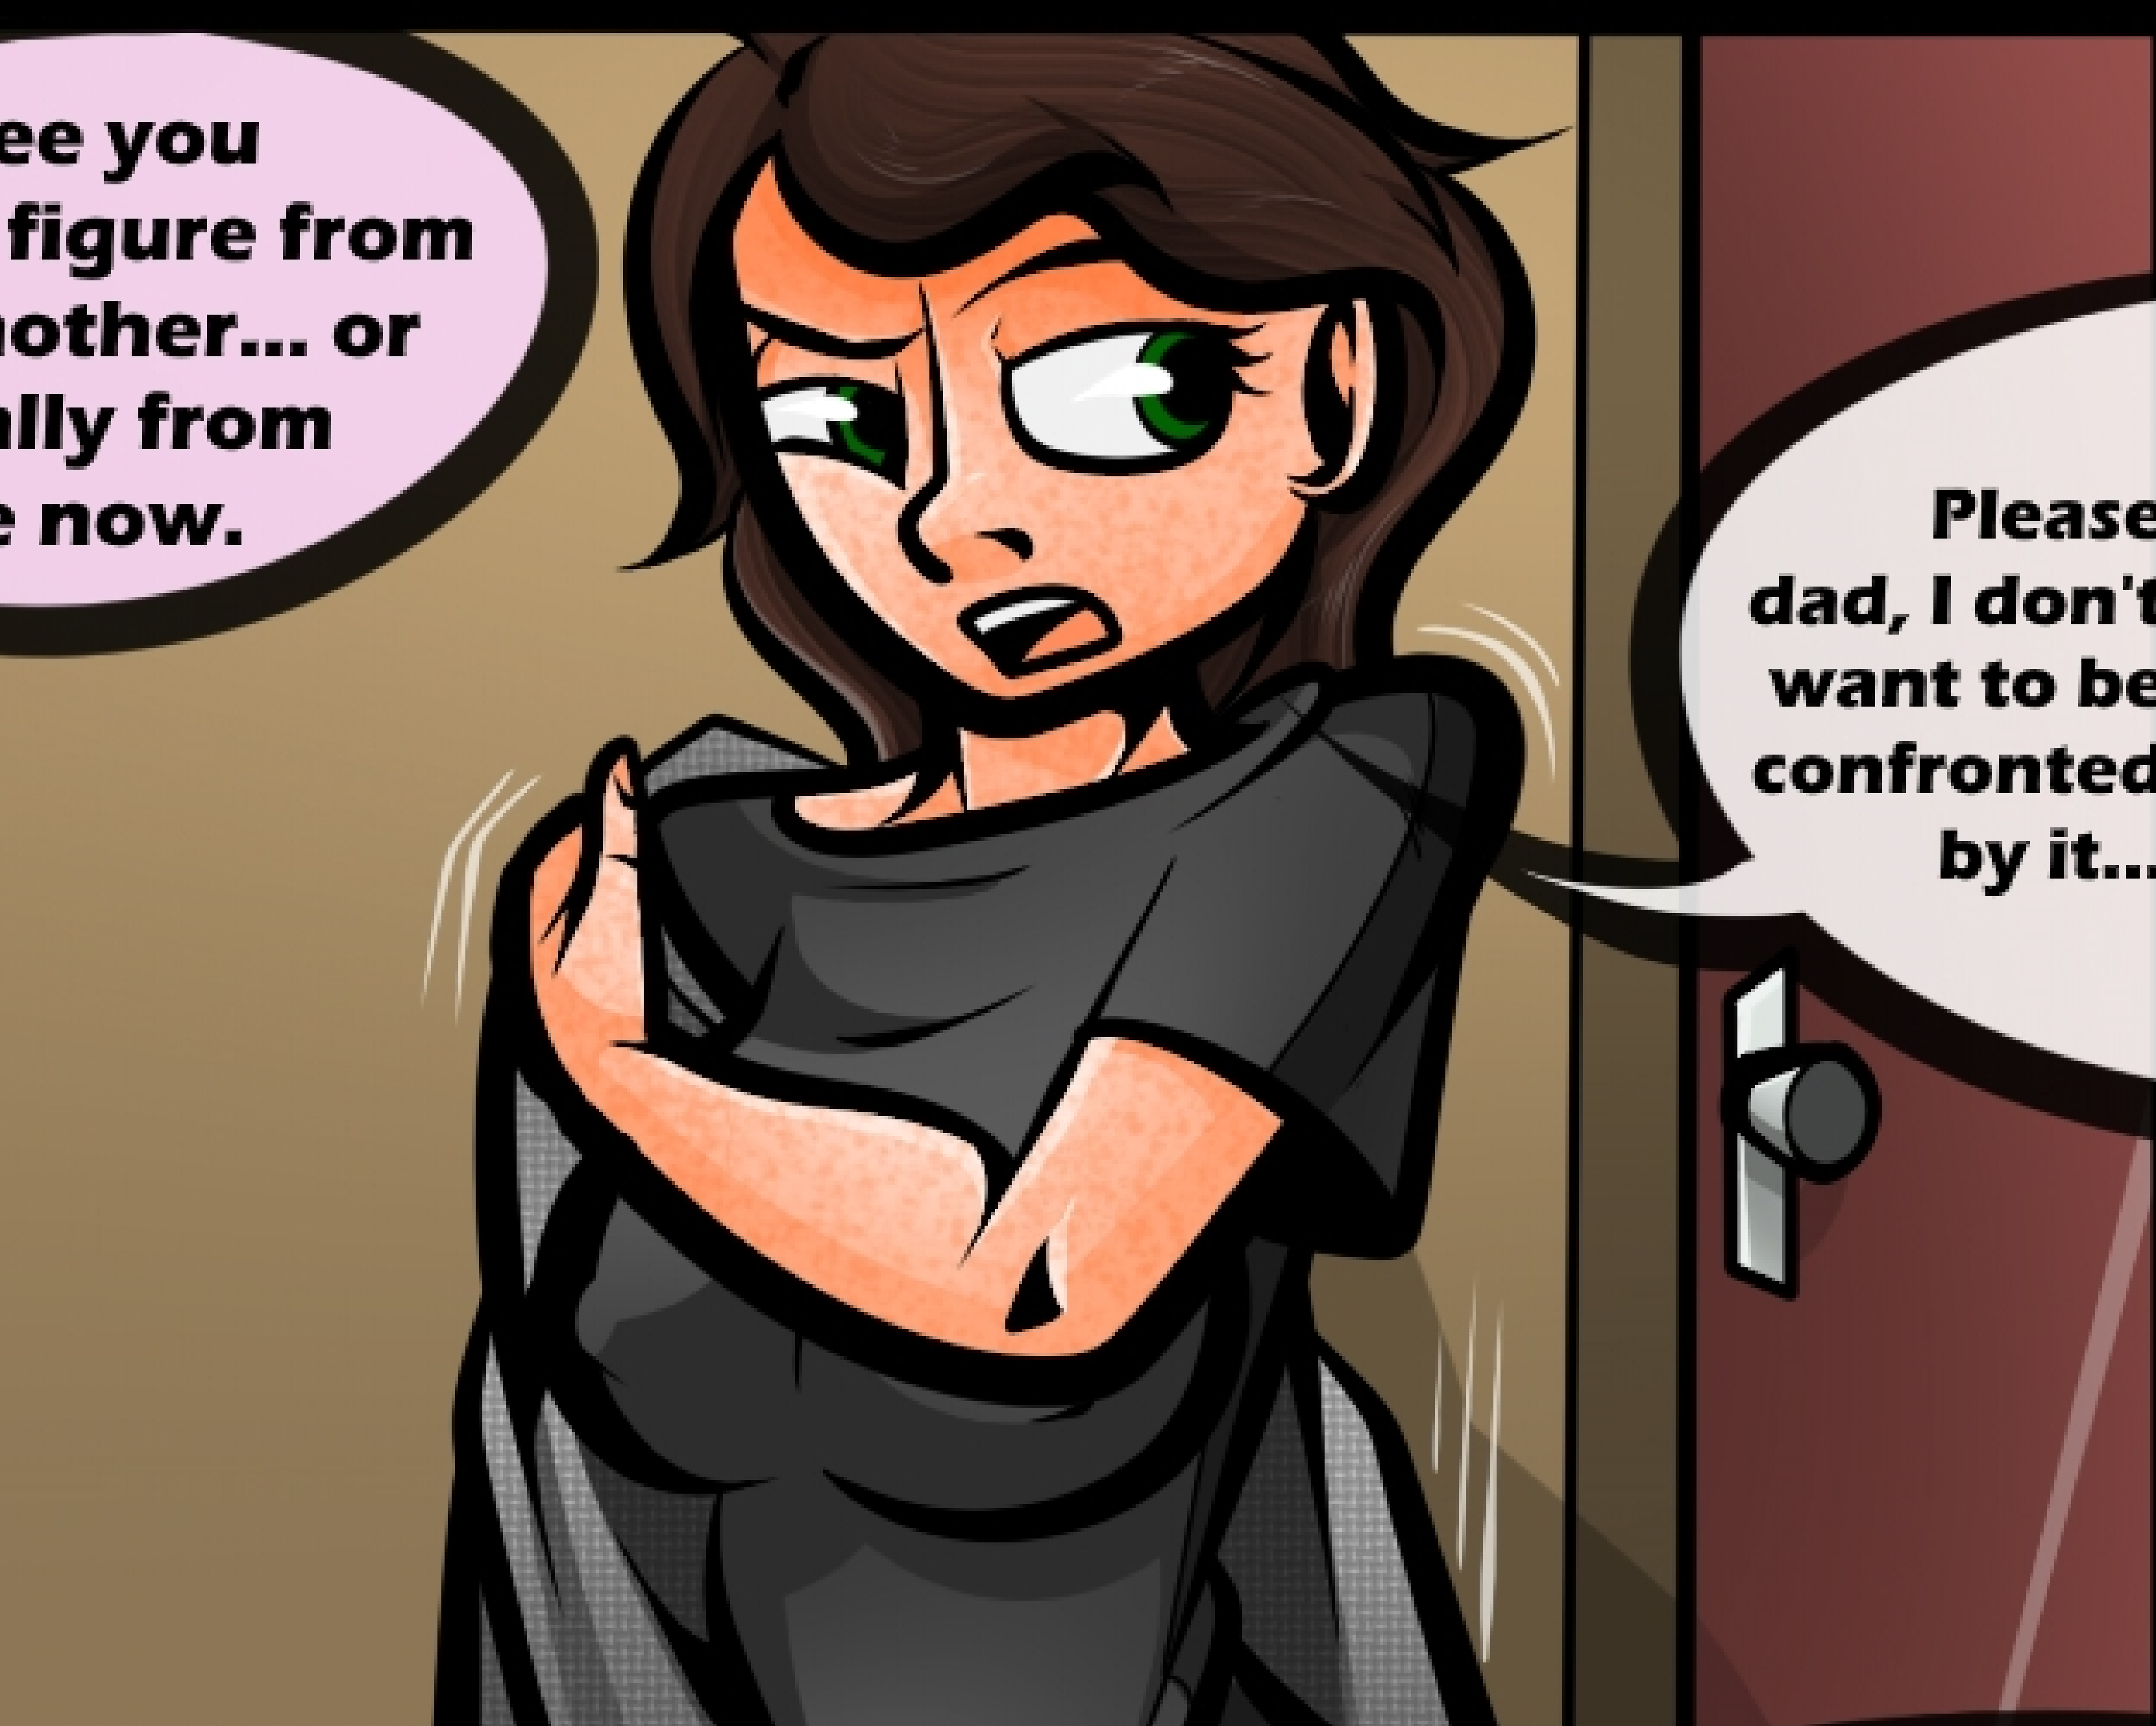

**I know we saw each other yesterday as women...
...but I still have to get used to it.**

hi dad...

I see you got the figure from your mother... or actually from me now.

Please dad, I don't want to be confronted by it...

Boing!

Yes, but your classmates were clearly confronted by it. I mean... your nipples are poking out like a needles!

STOP IT DAD! I DIDN'T HAVE A CHOICE, I HAD GYM TODAY!

jeez...

Don't worry Nathan, I already have the solution here!

This looks like your size!

a bra...?
are you kidding me?!

Pretty neat, isn't it?

Sigh....

The government went to all the men and handed them various bra's.

they feel comfy...

saveeeeee

**I GET IT!
I'LL TRY ONE OUT!**

I think I exaggerated a little bit. I should give him some space.

It's been only one day and he already acts like a stupid concerned mother.

Oh my god... There is a whole set of those things...

Not that it's anything to be surprised about.

I am finally alone!

Okay... so what should I do now? I can't think anything other than how my body feels. It's so alien... And do those breasts ever stop bouncing?

**Boing!
BOING!**

Let's see how
Christon is
doing.

Hey Chris, did you
also recieved lingerie
from your parents?
nathan //17:39

Uhm... not that I
know of

But you should try them
on! I bet your back must
hurt with your chest ;)
chris //17:40

Are you joking?
nathan //17:40

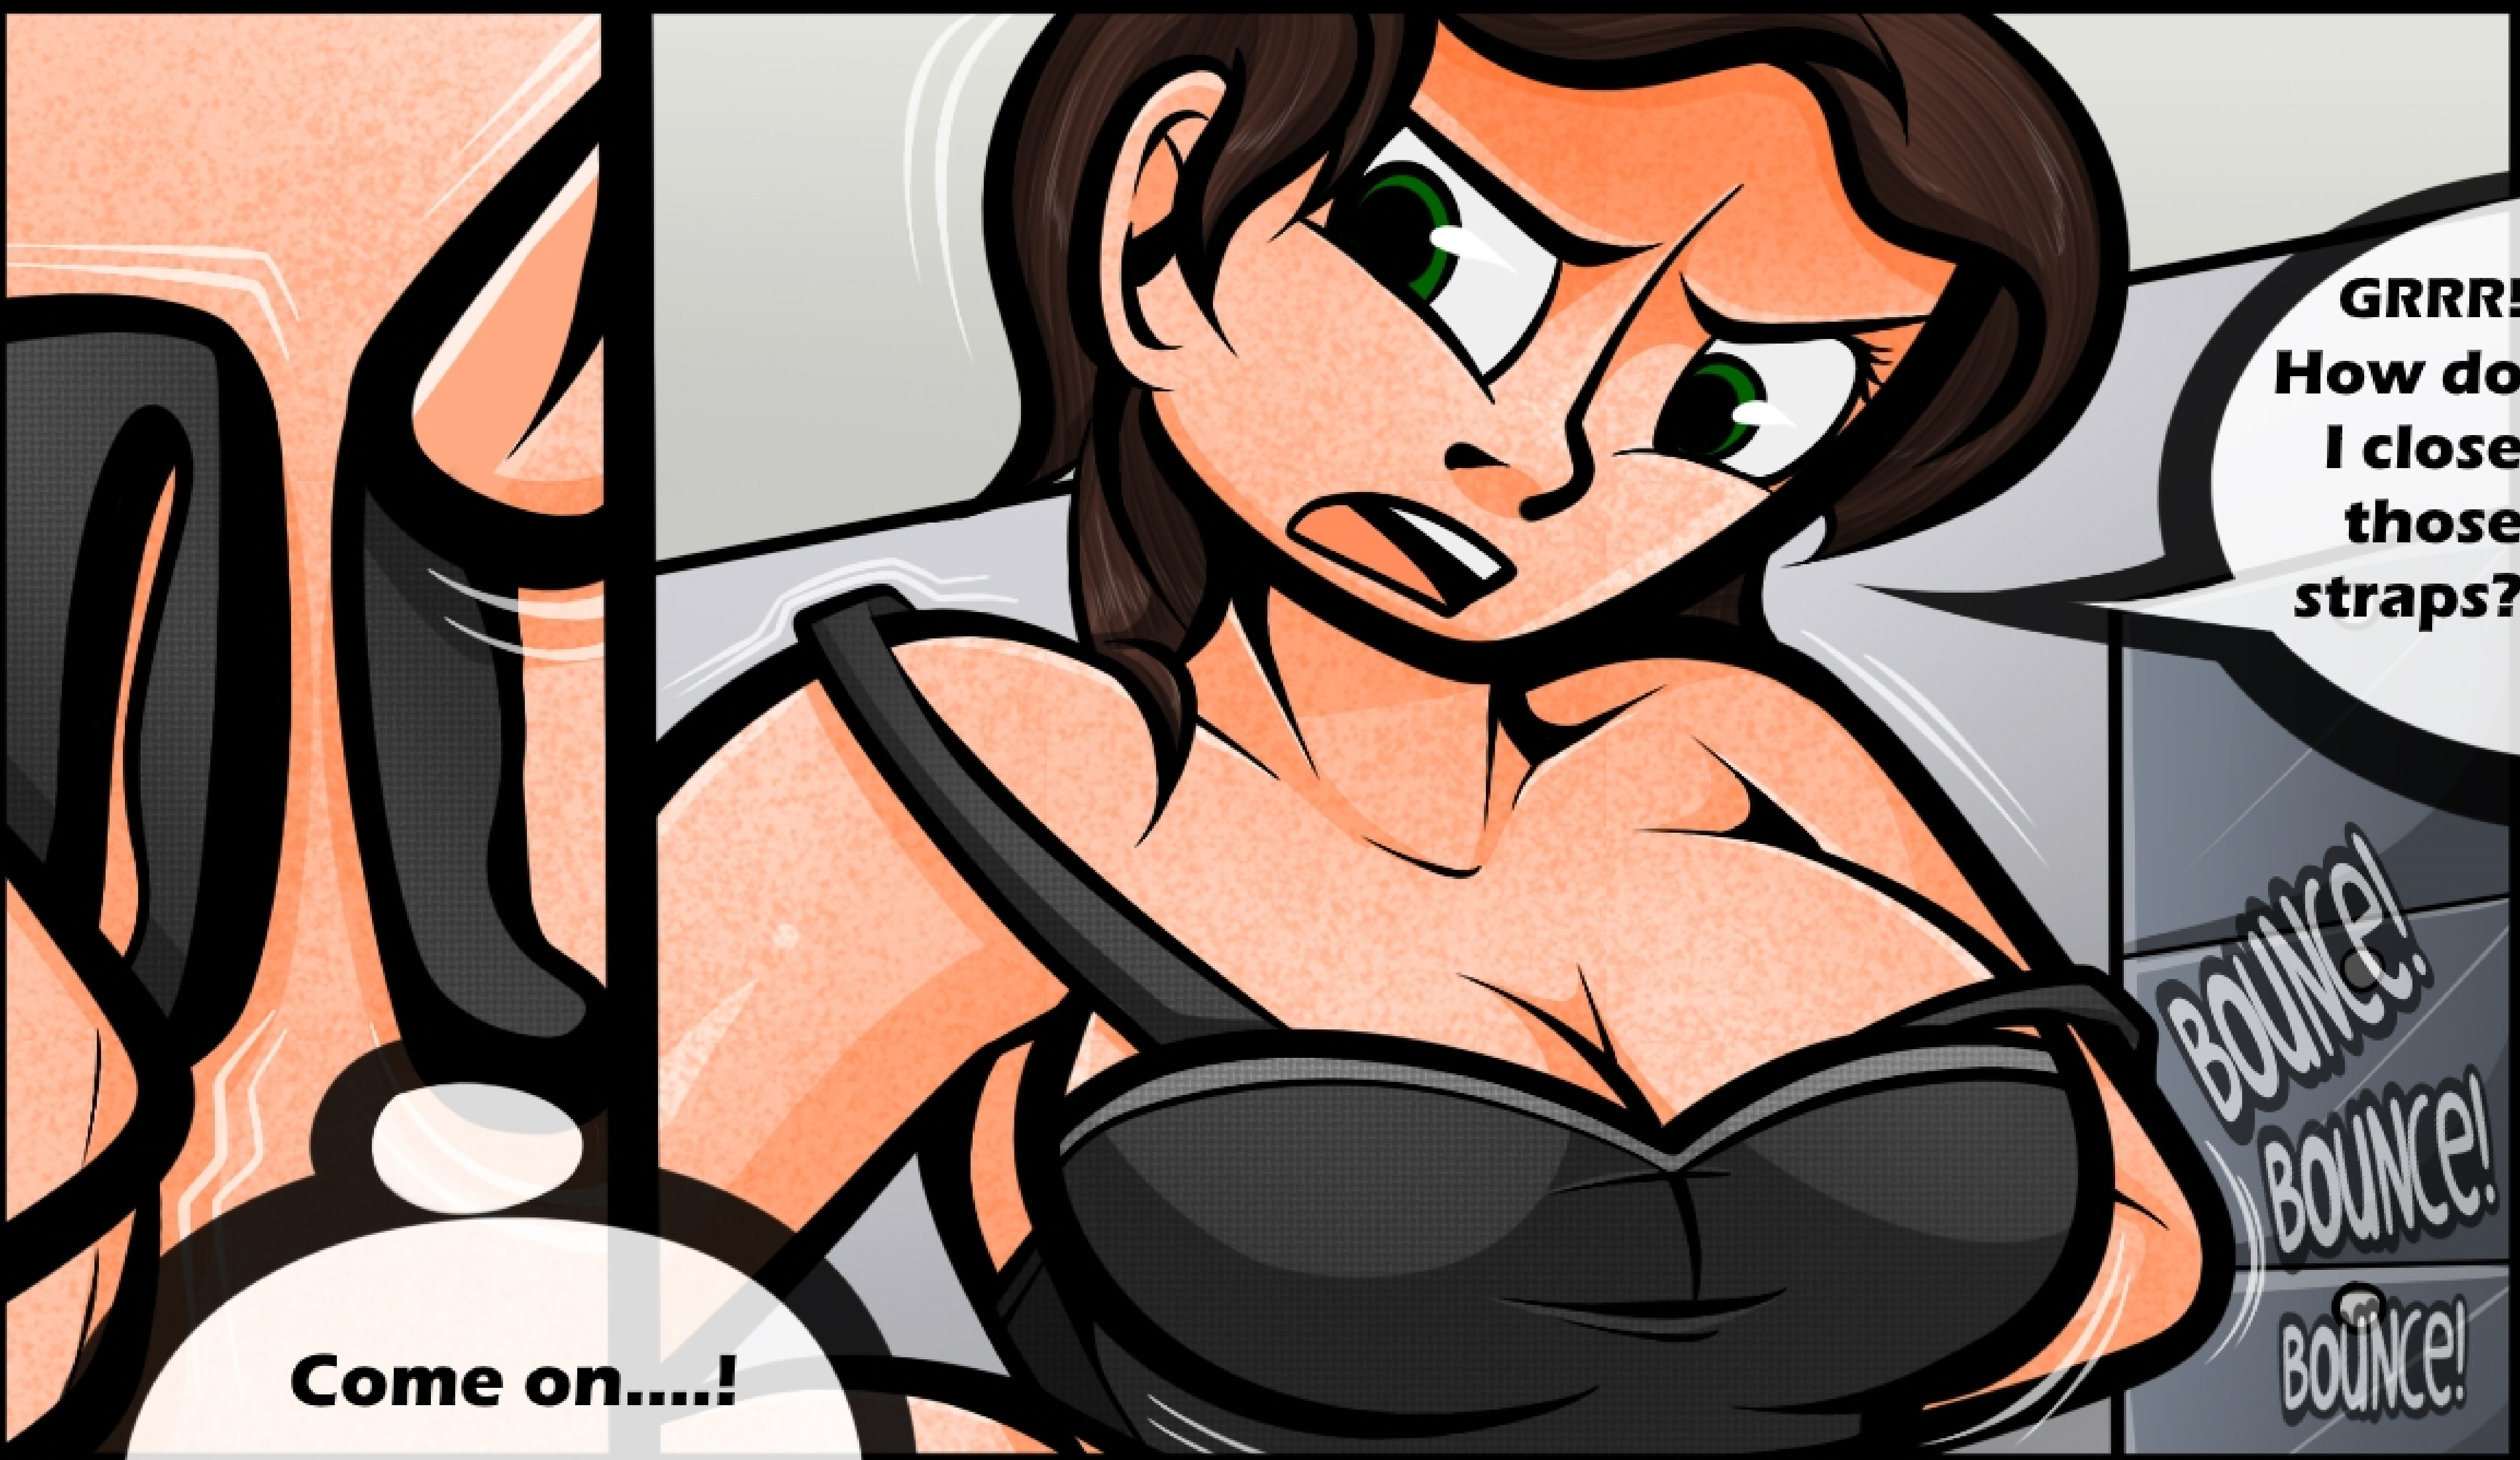

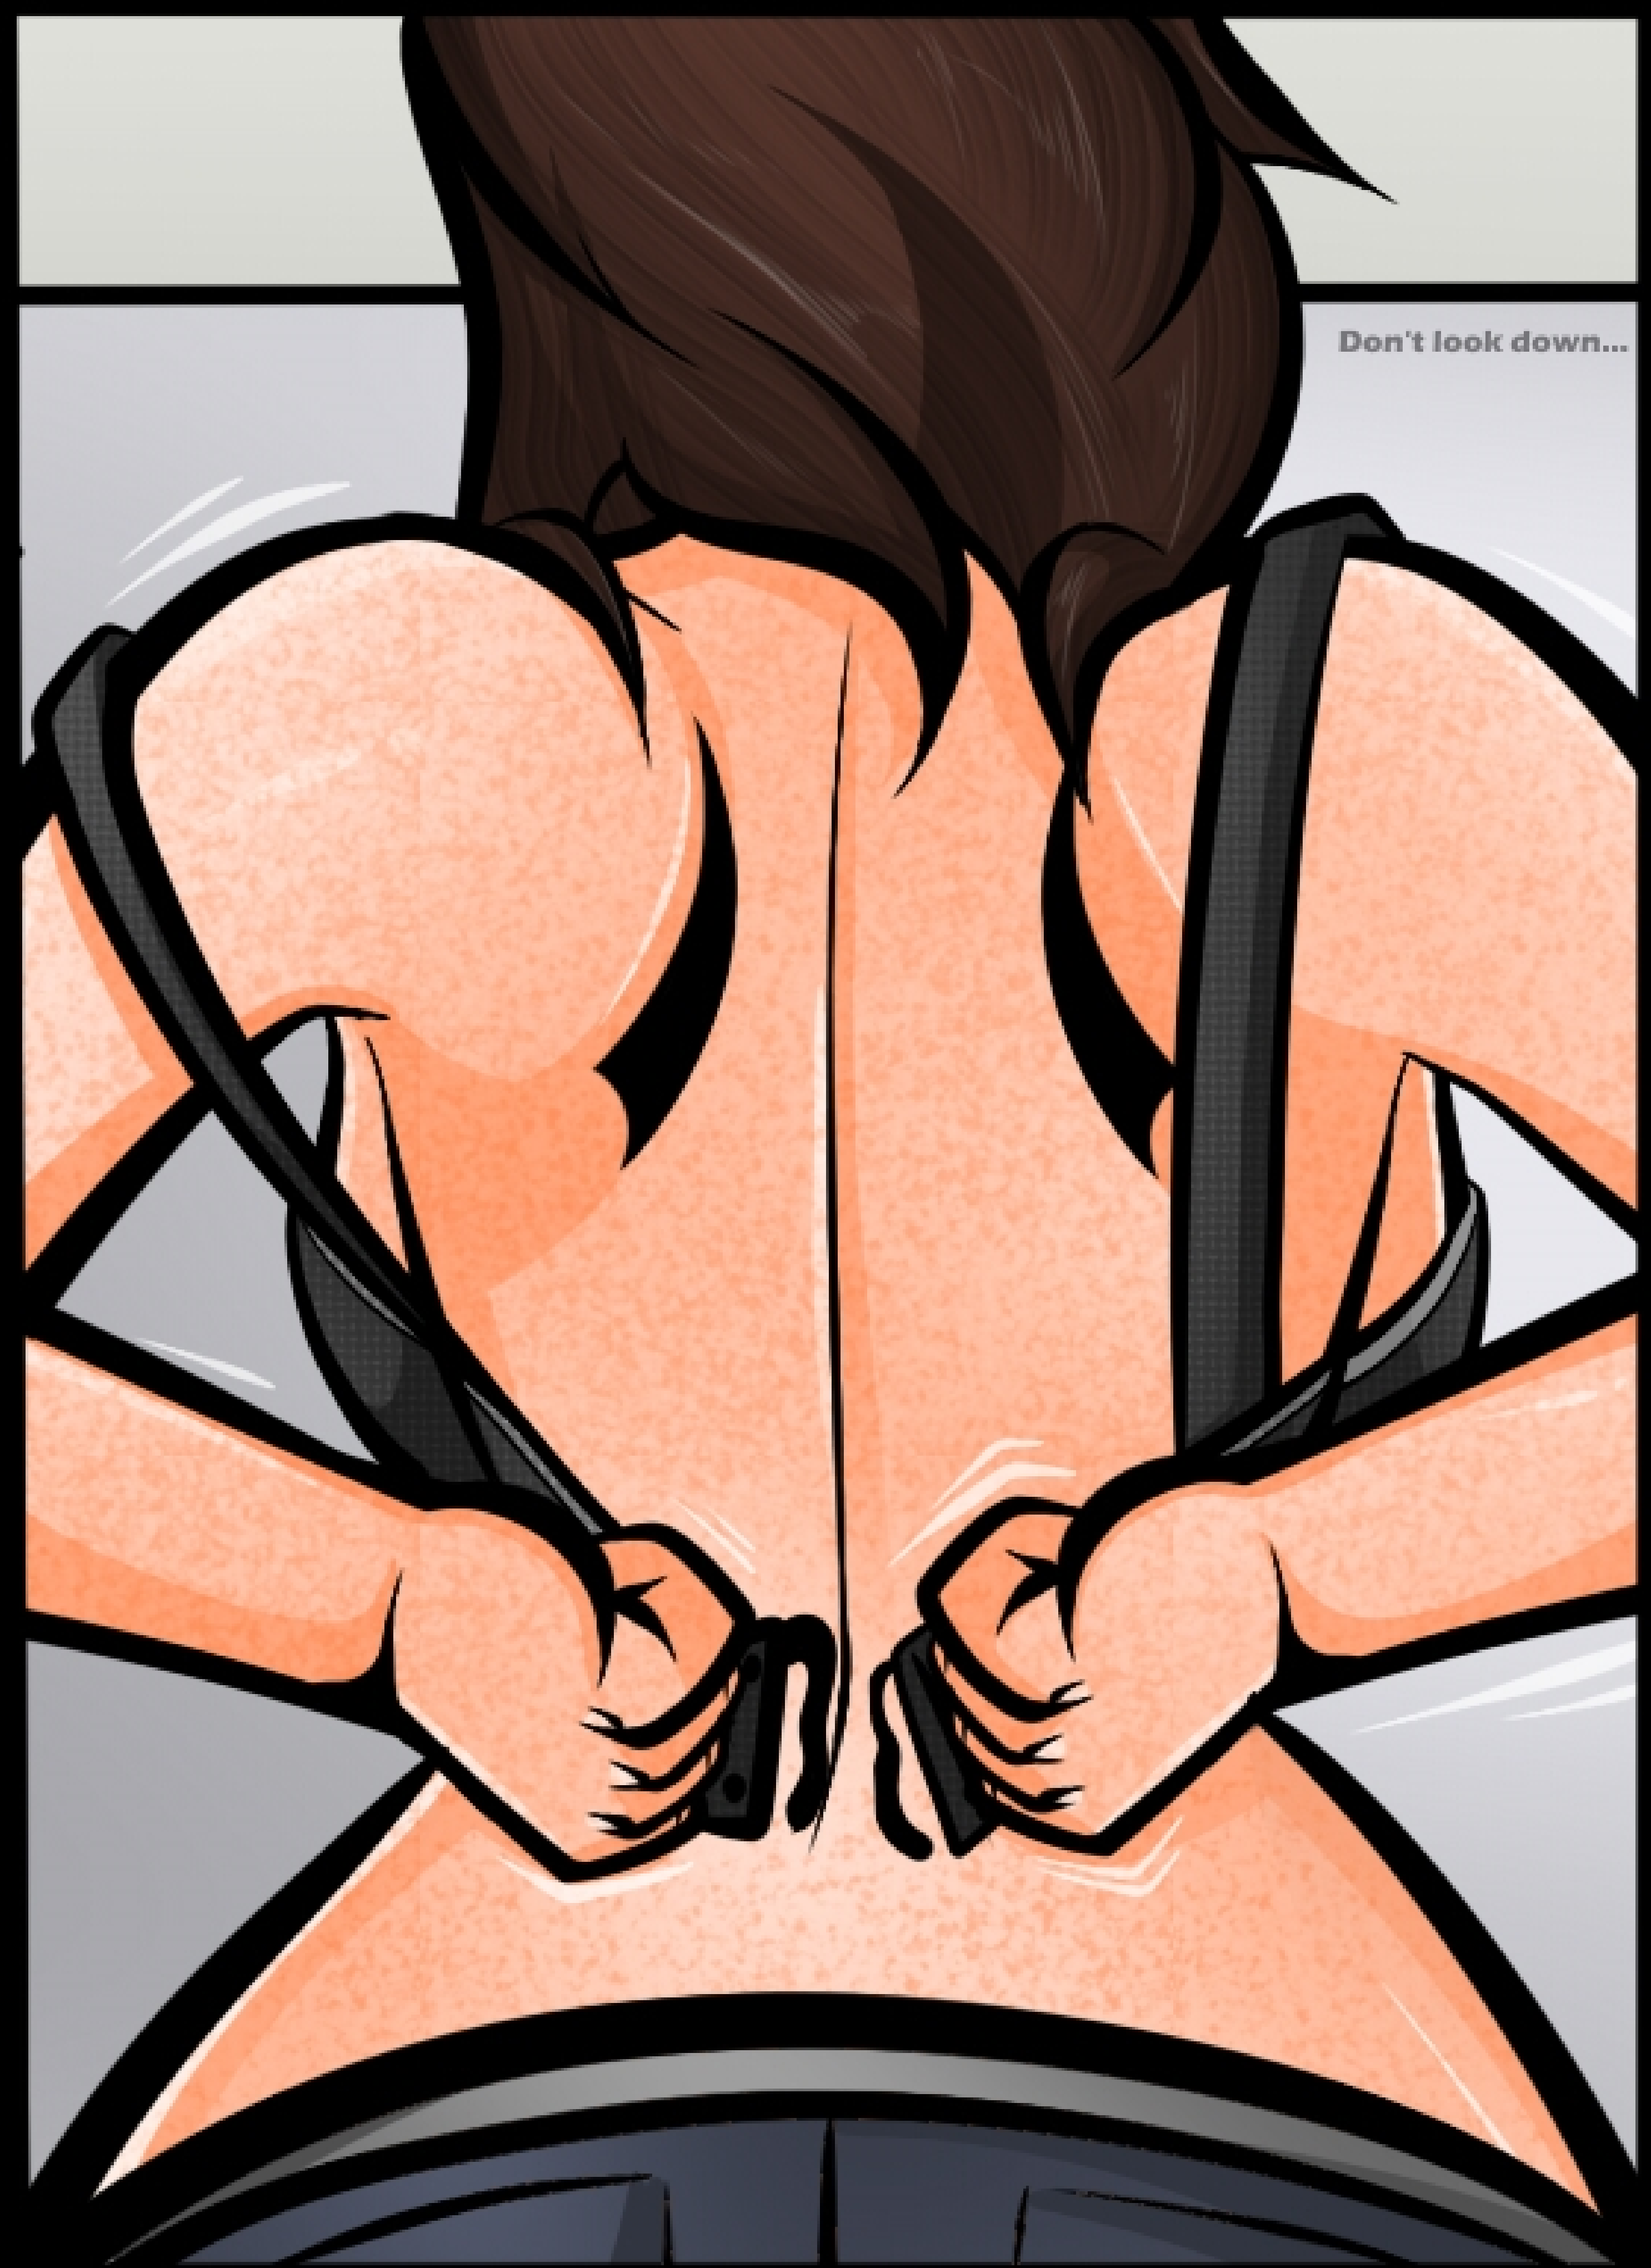

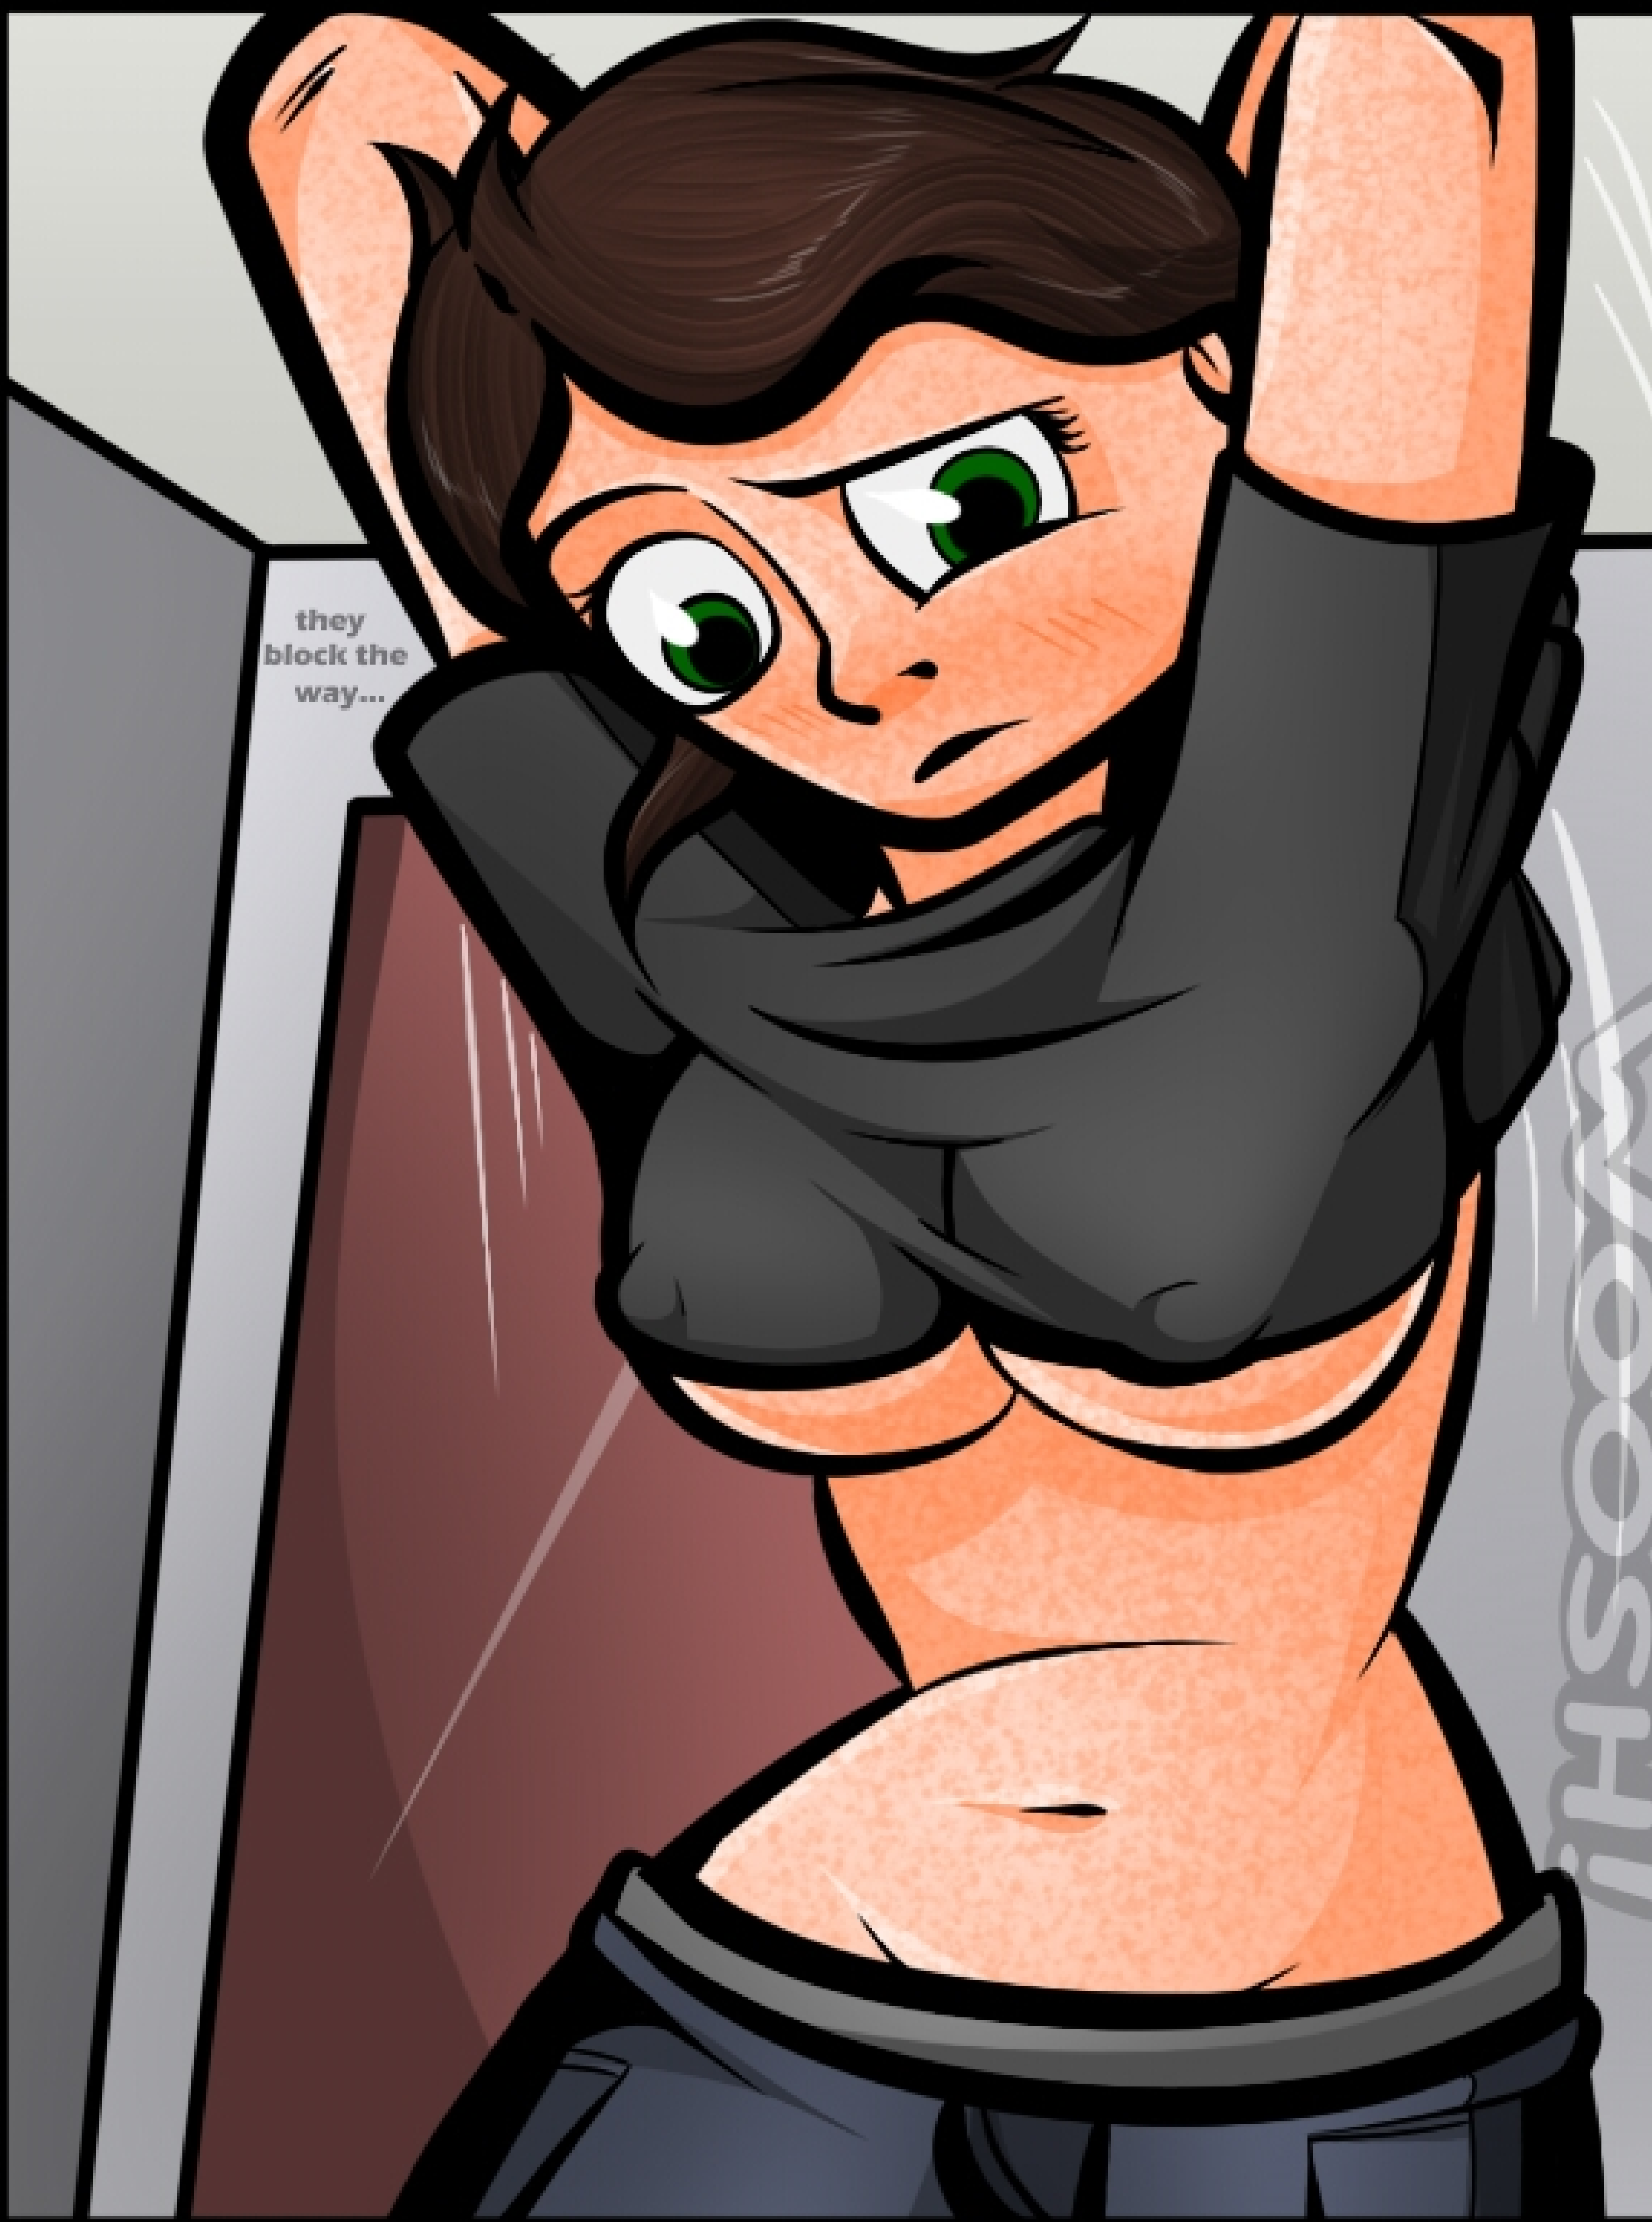

Ofcourse not ;)
chris // 17:40

Alright, I'll
do it already!

Uhhh...

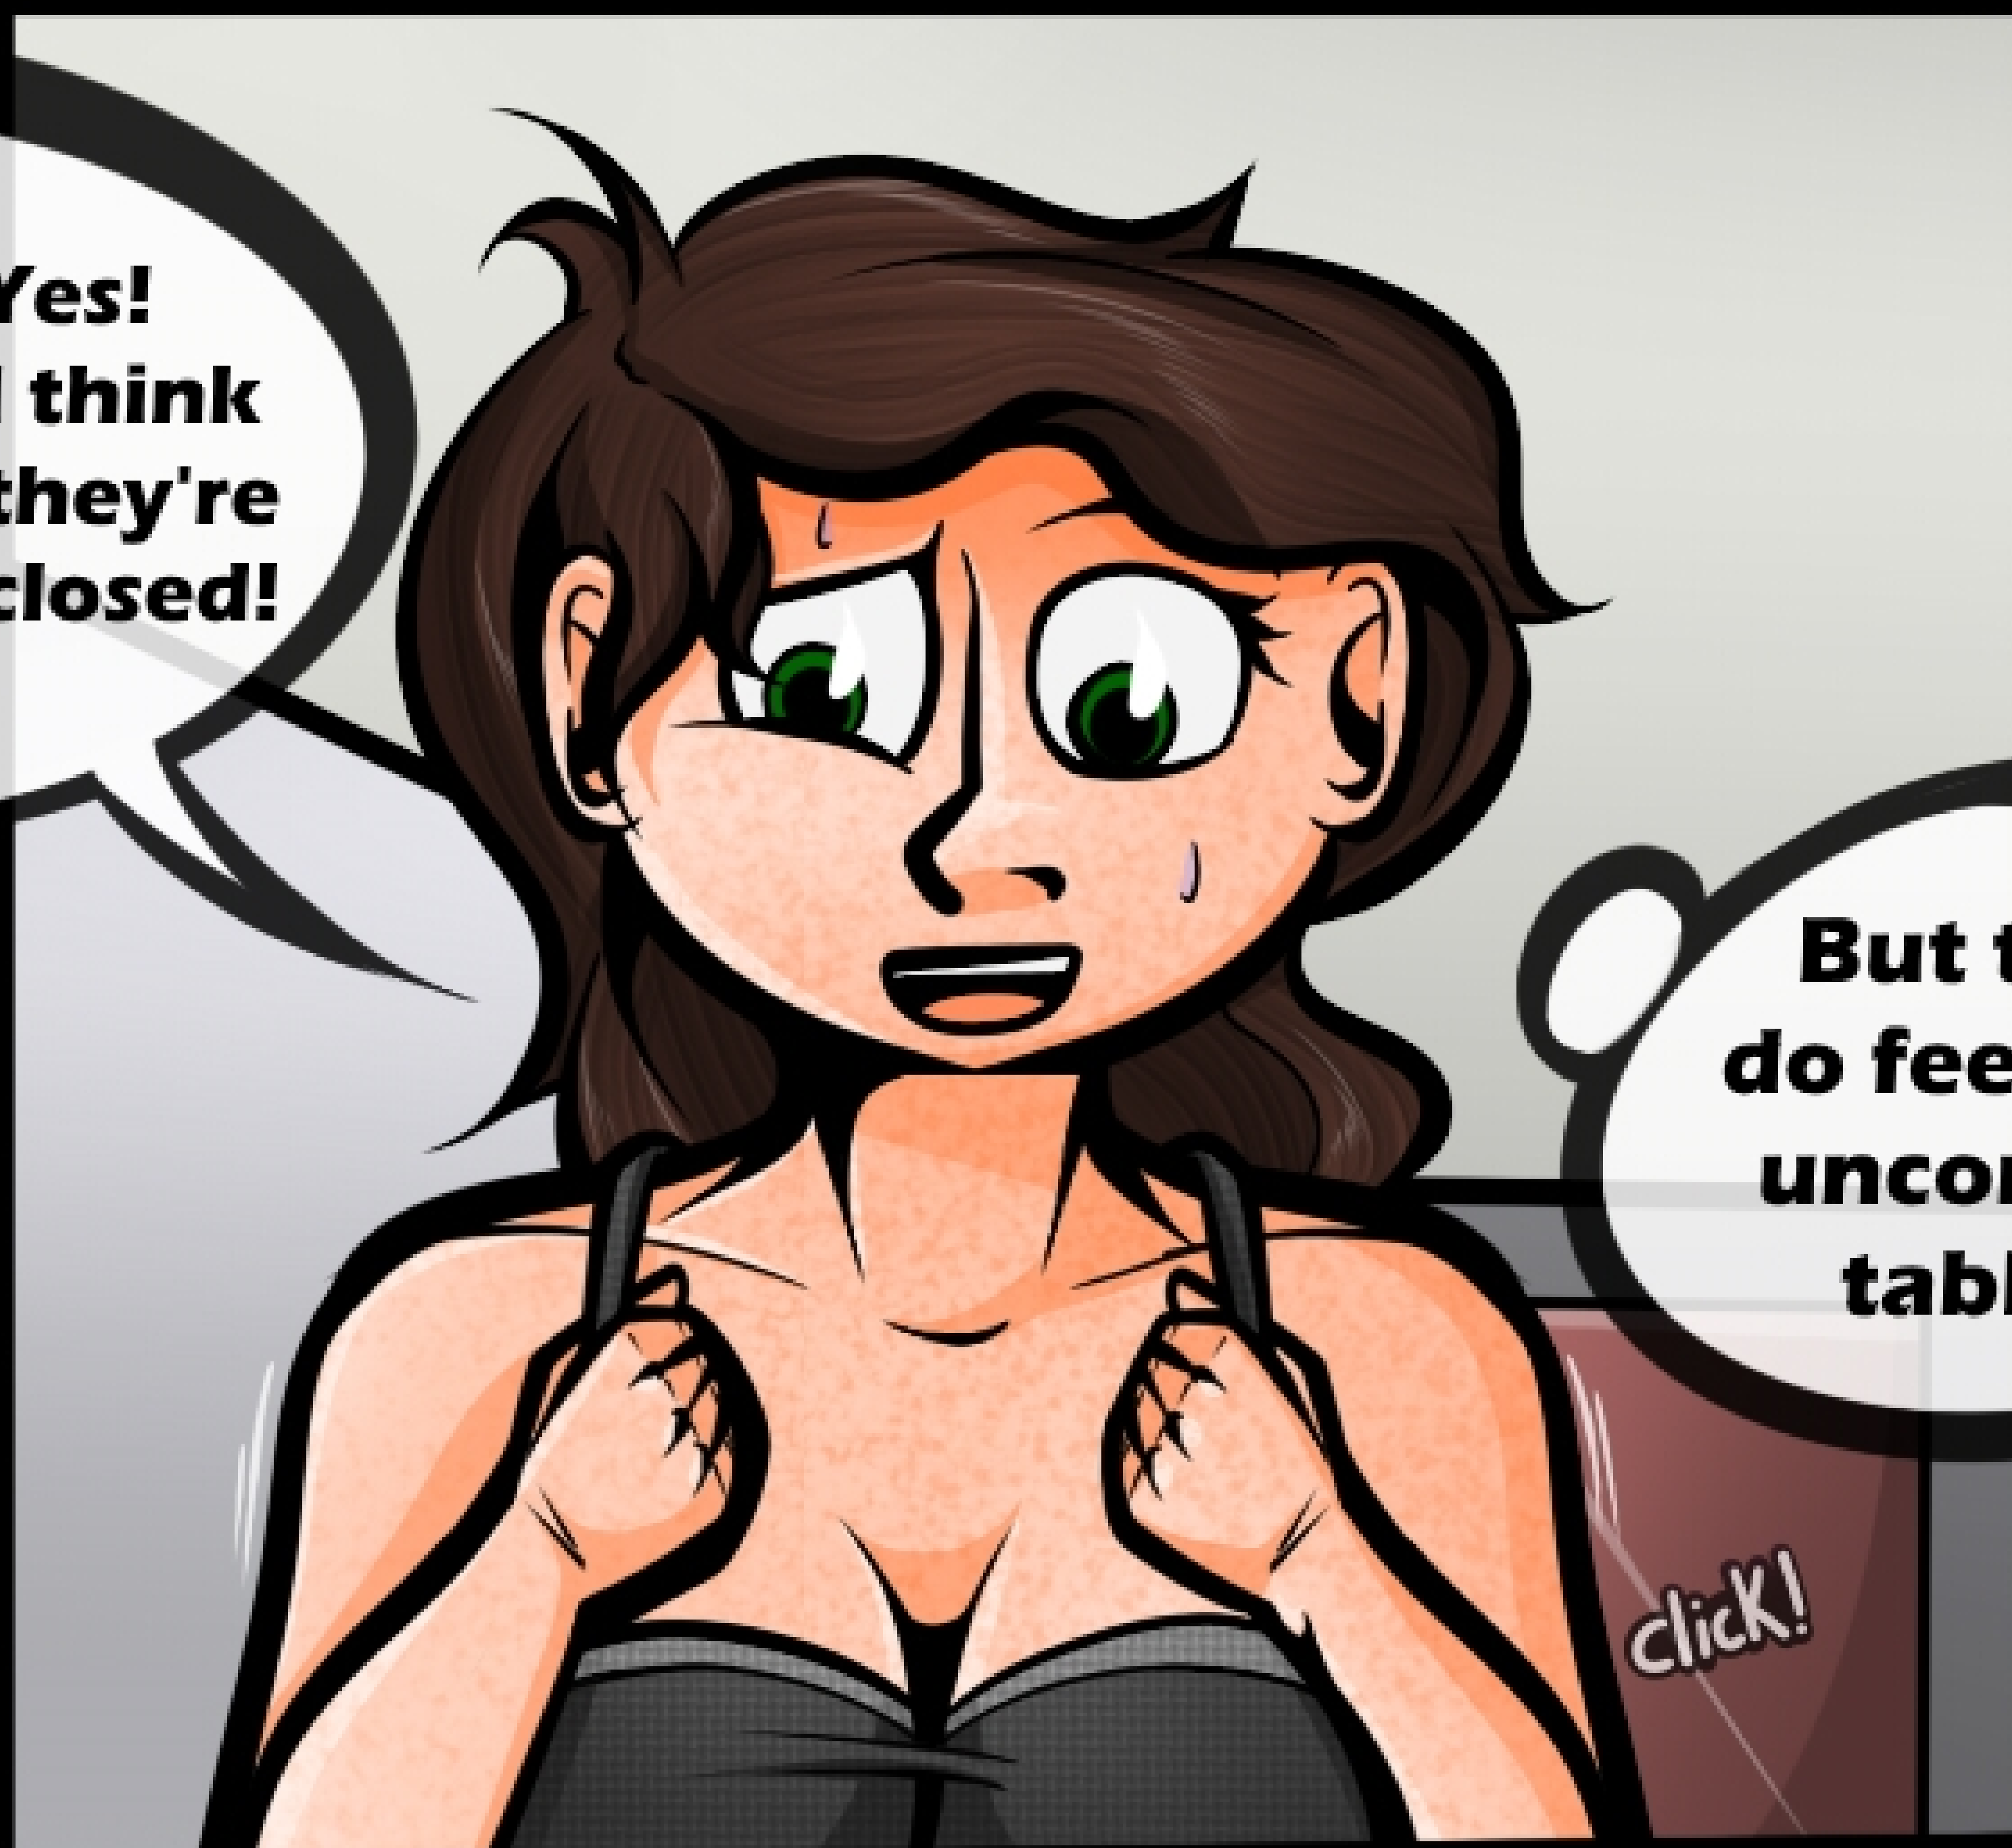

How
do I
handle
this?

I think these look like my size...

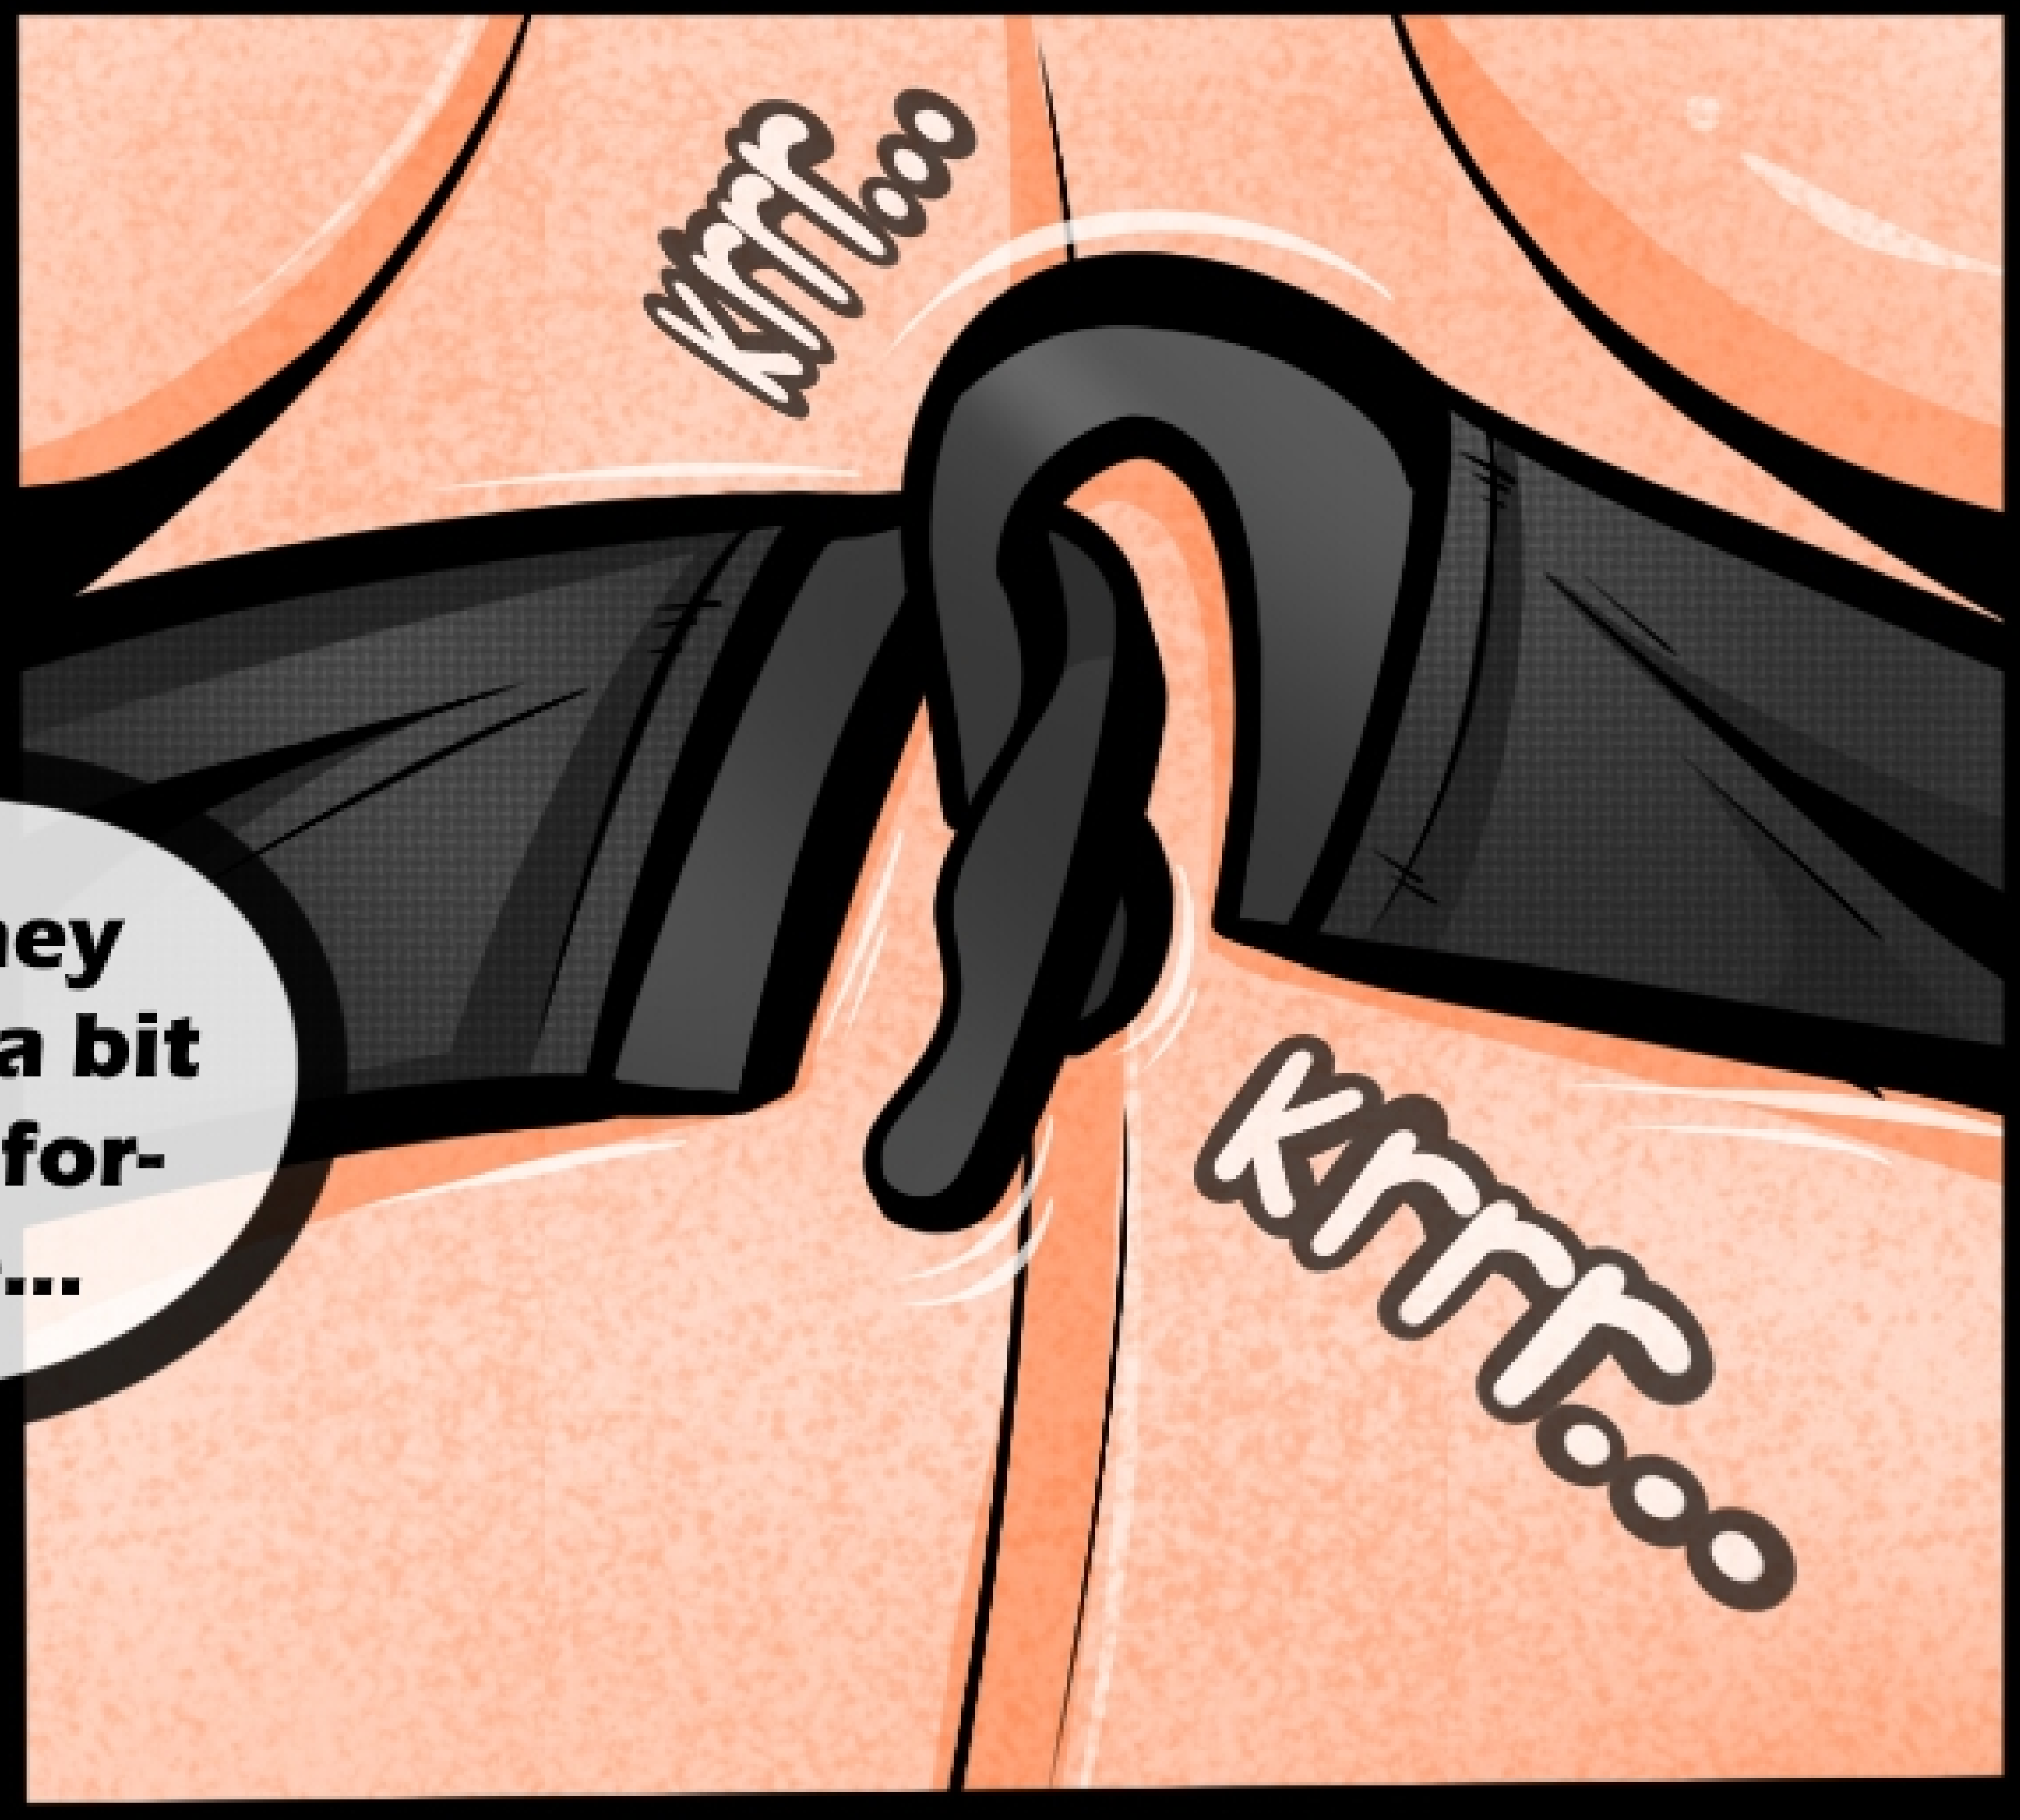

STUPID BRA!!!

Yes! I think they're closed!

But they do feel a bit uncomfortable...

click!

krfff

krfff

At least my boxershorts still fit. So I can keep wearing them!

woosh!

Oh... a mirror... I don't want to look at myself... come on Nathan, you can do this!

Alright...3... 2...
1...

Wow...
Well, I can't deny
it...

I'm definitely a
girl!

They're so... tight!

It's hard to breathe with this bra on... Is it too small?

oh...
And is it uhh.. normal that it's giving me a funny feeling at my br.. breasts?

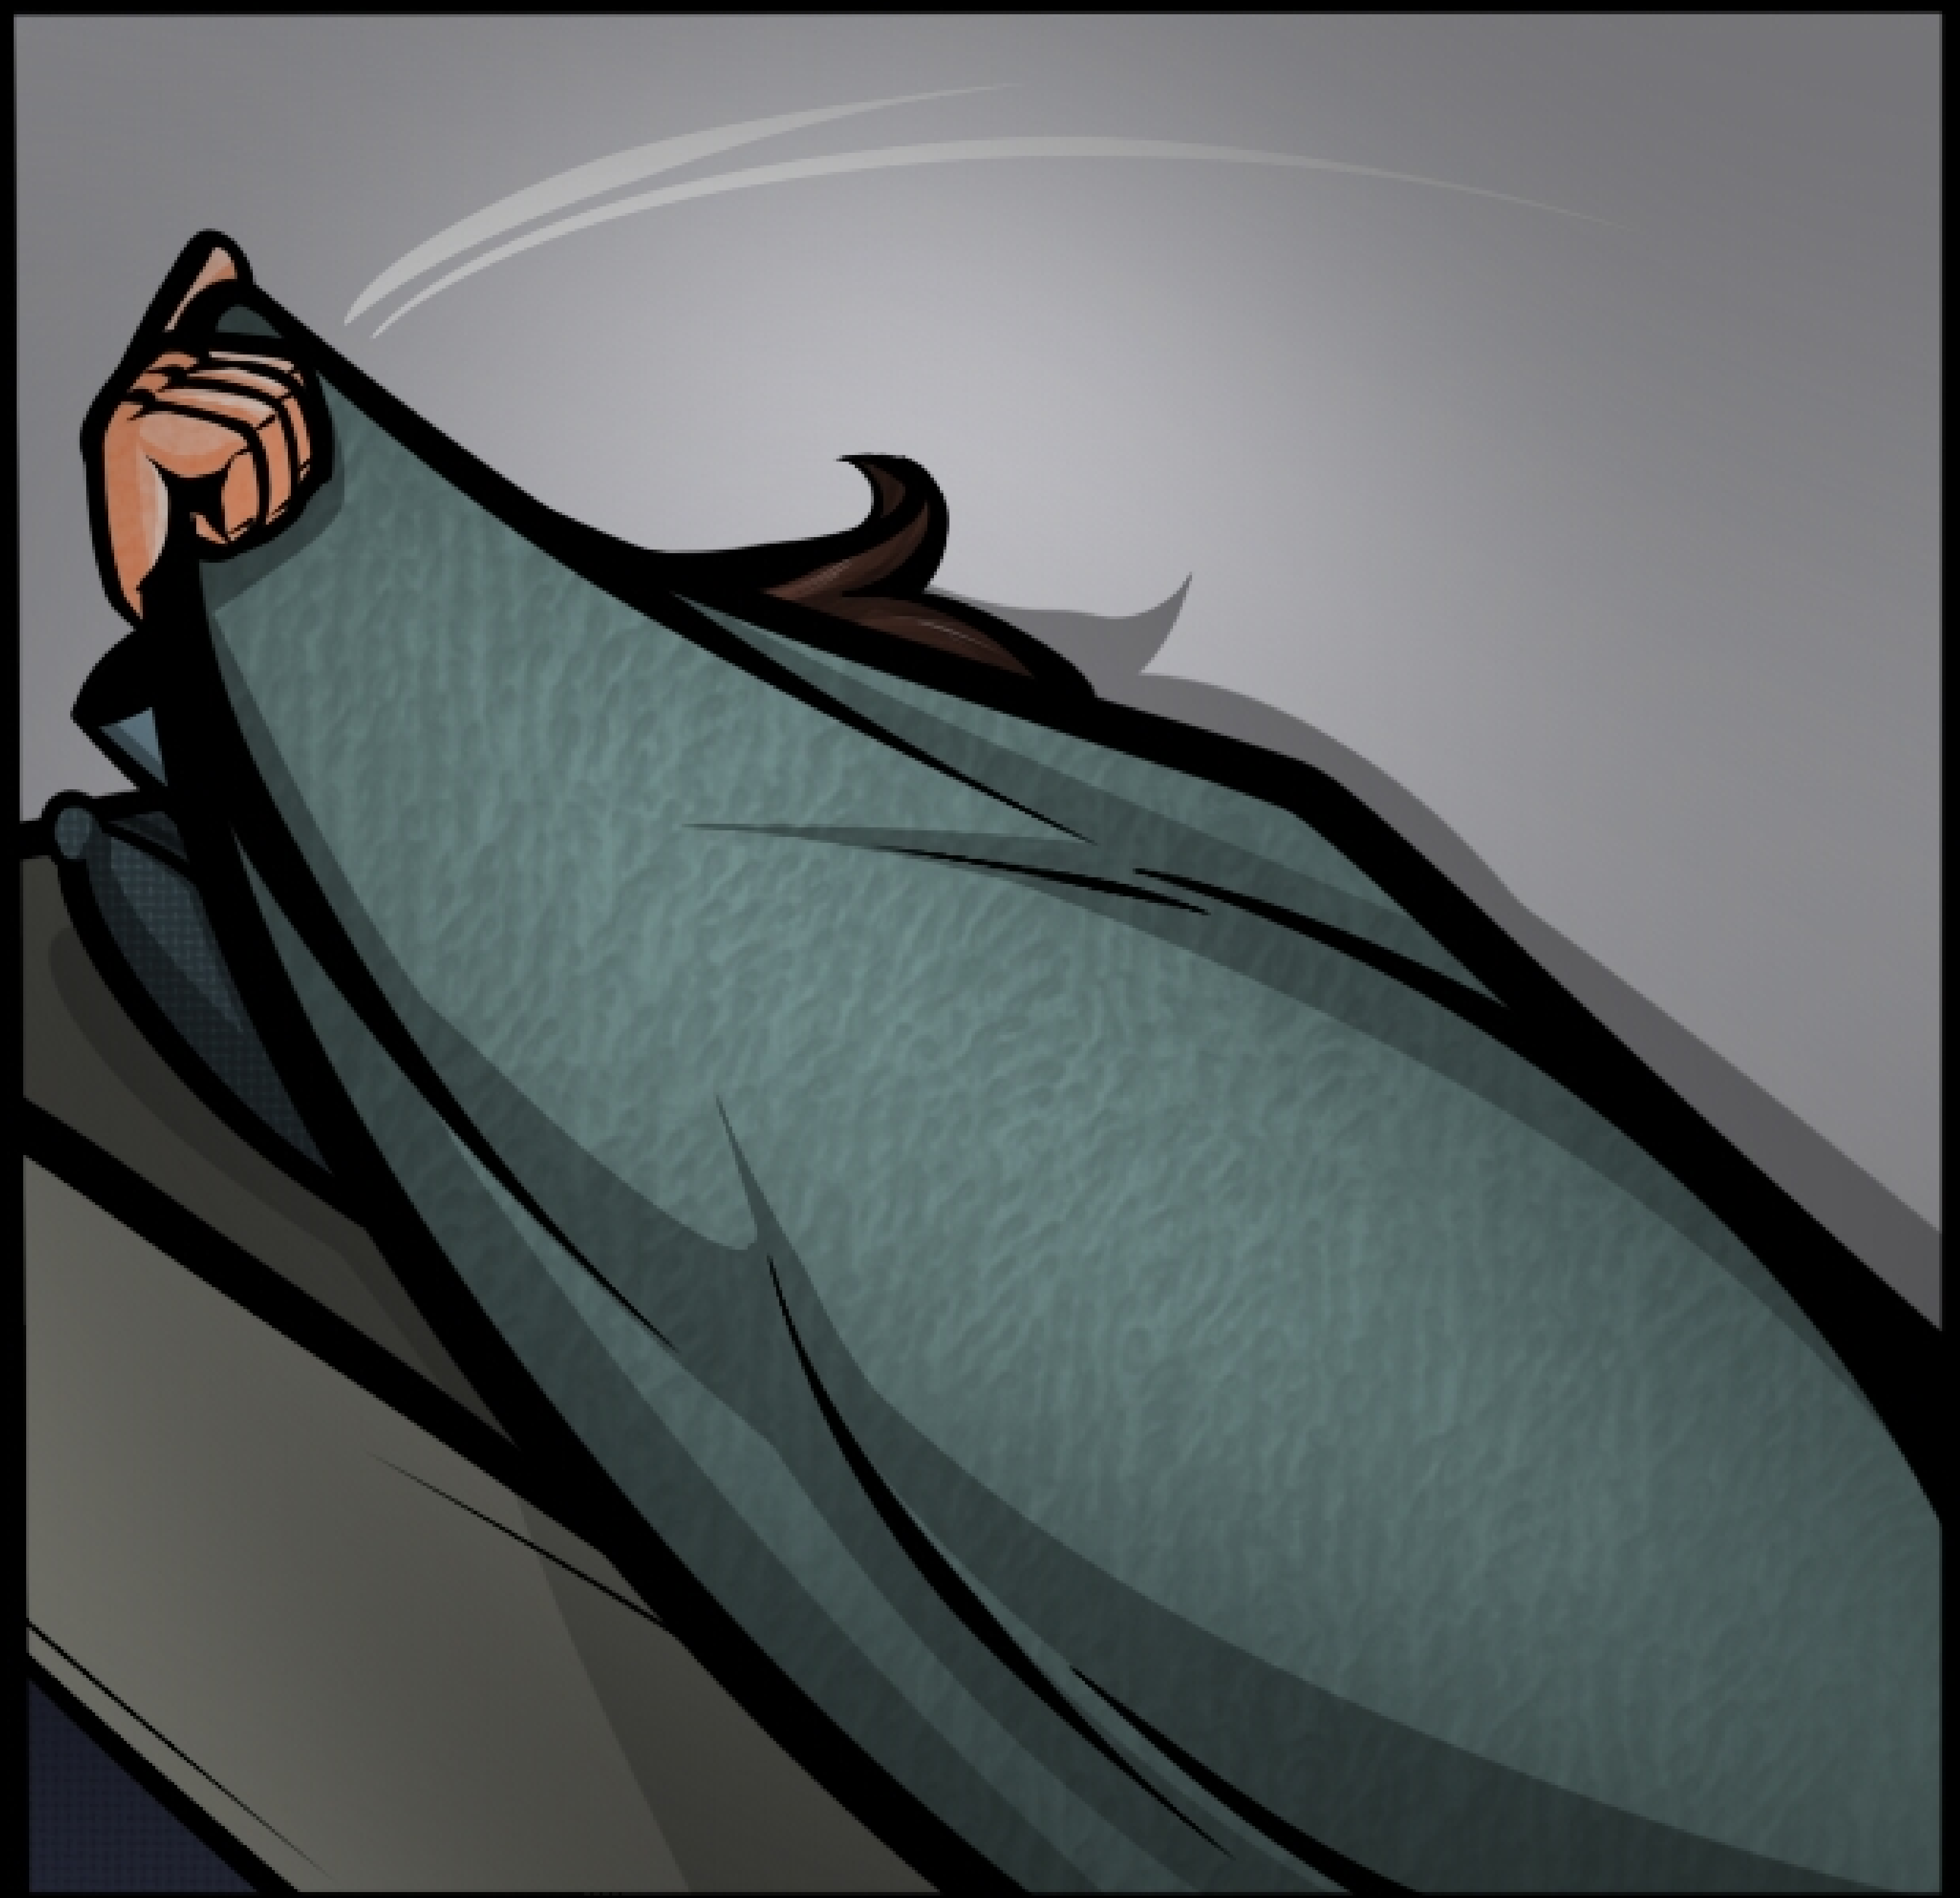

It's like I'm being tickled. Should I give it a poke..?

hmmm....

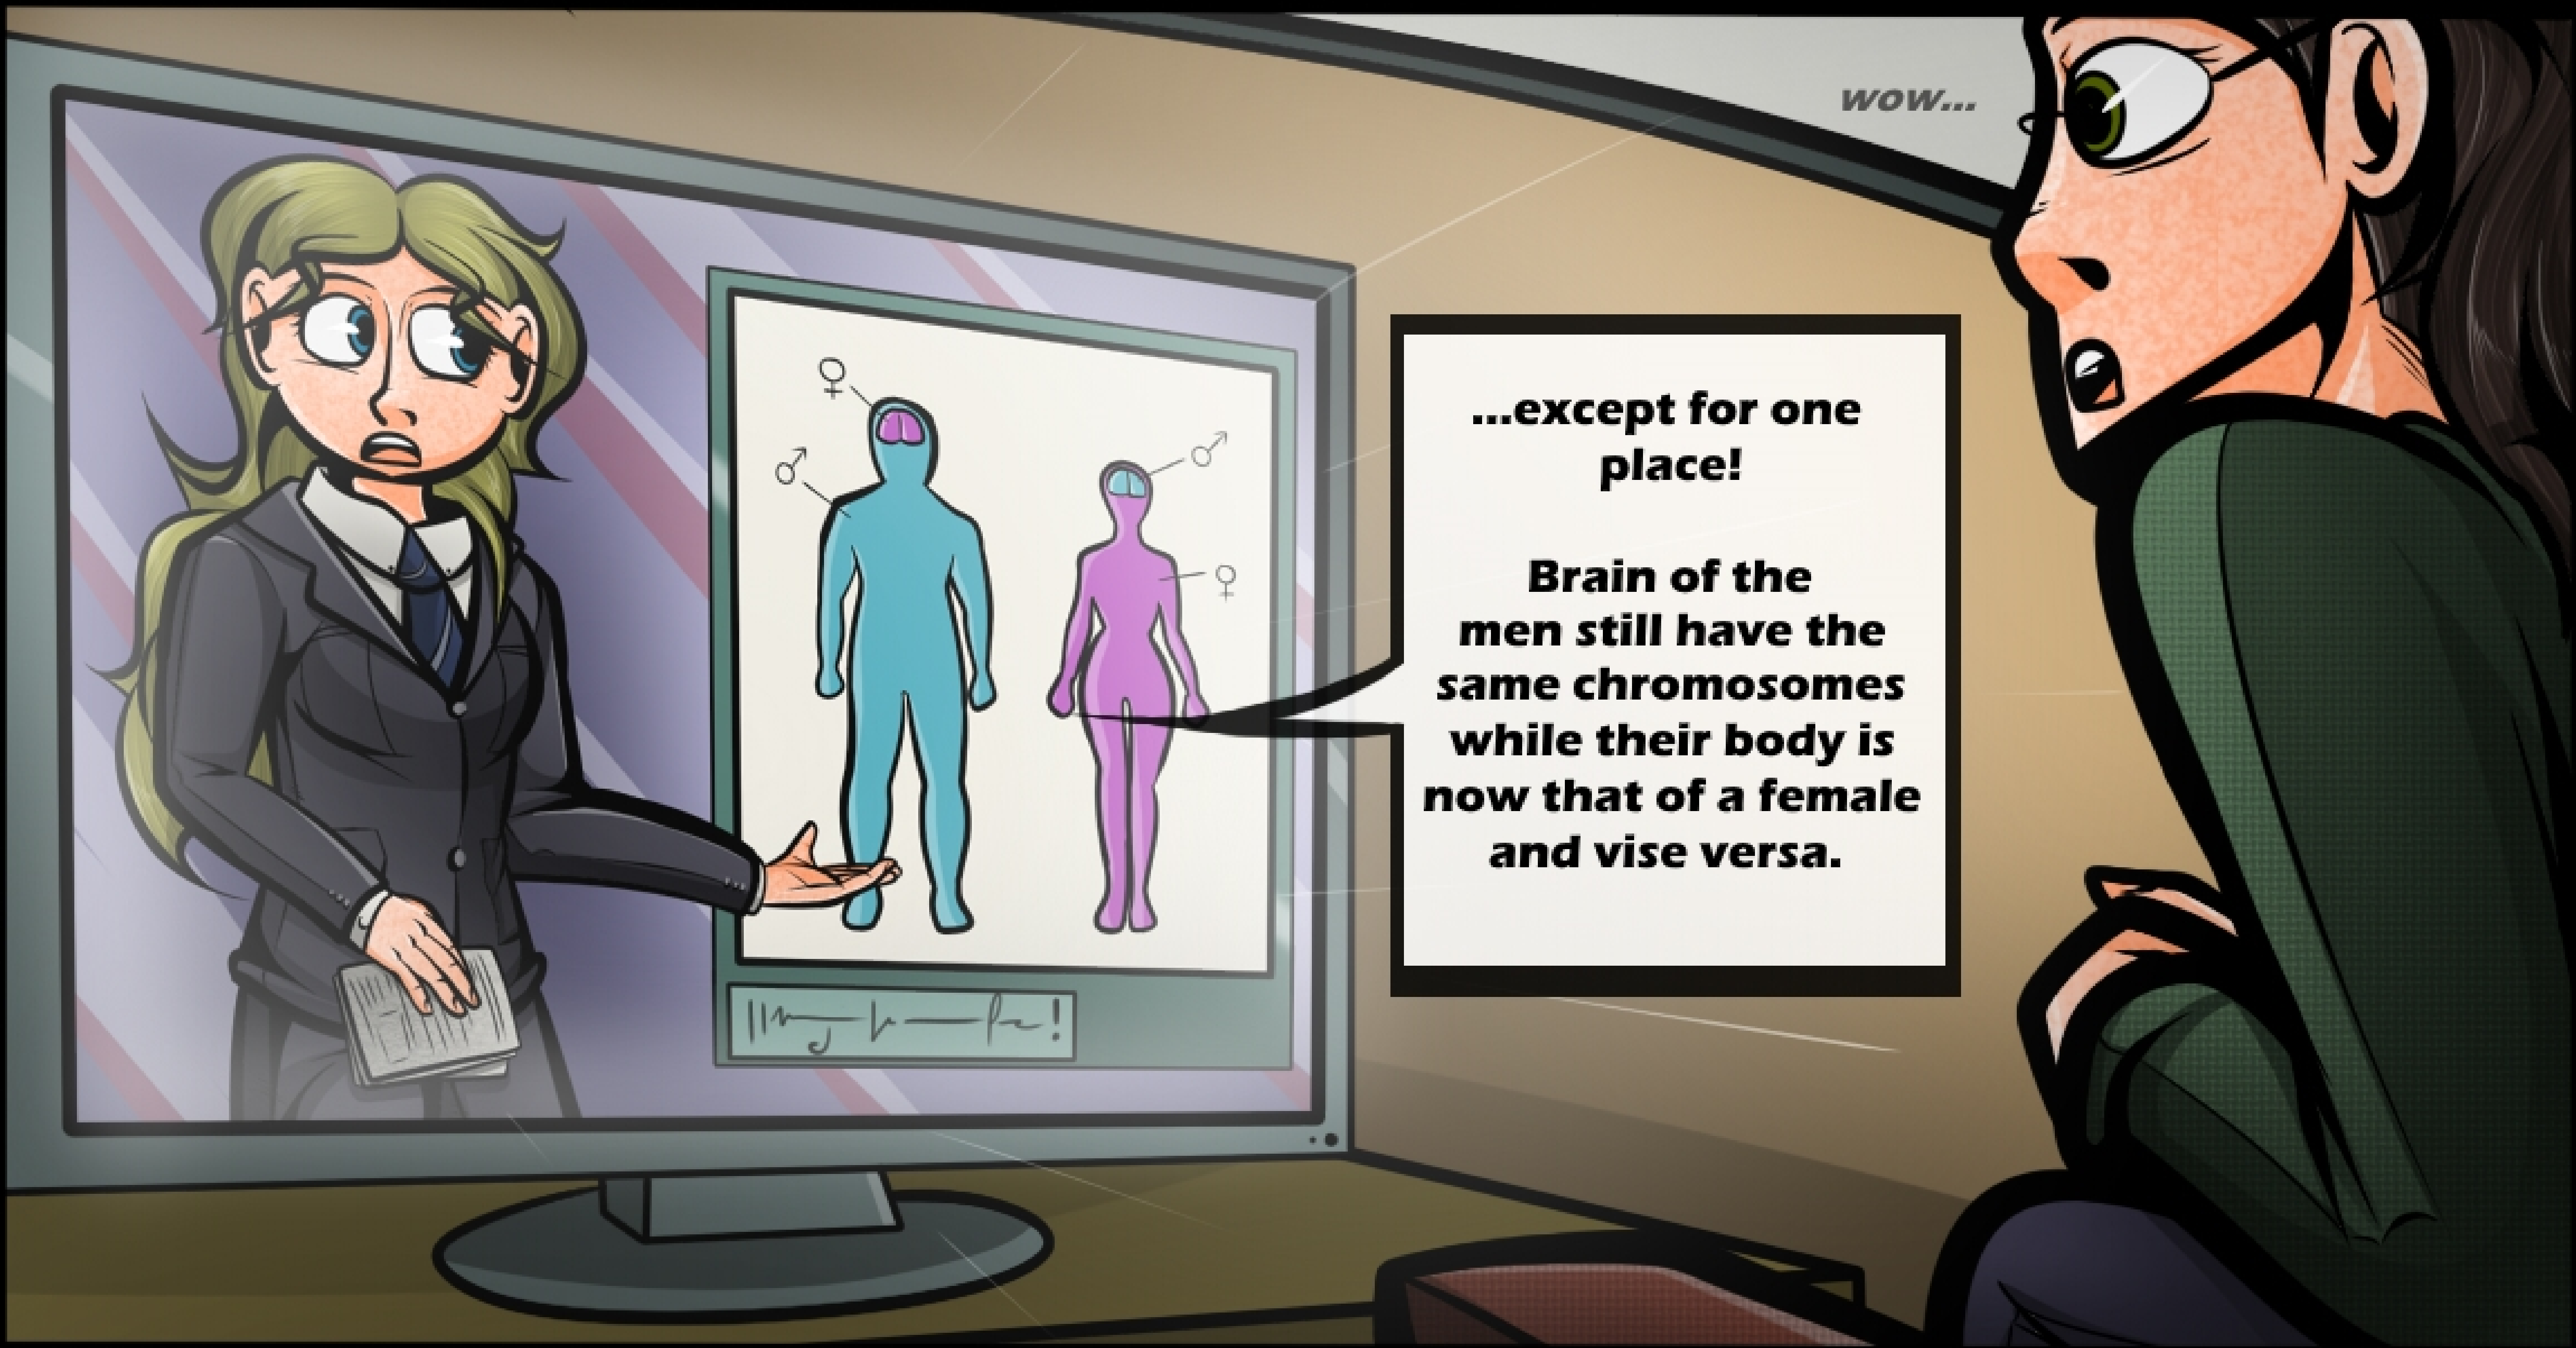

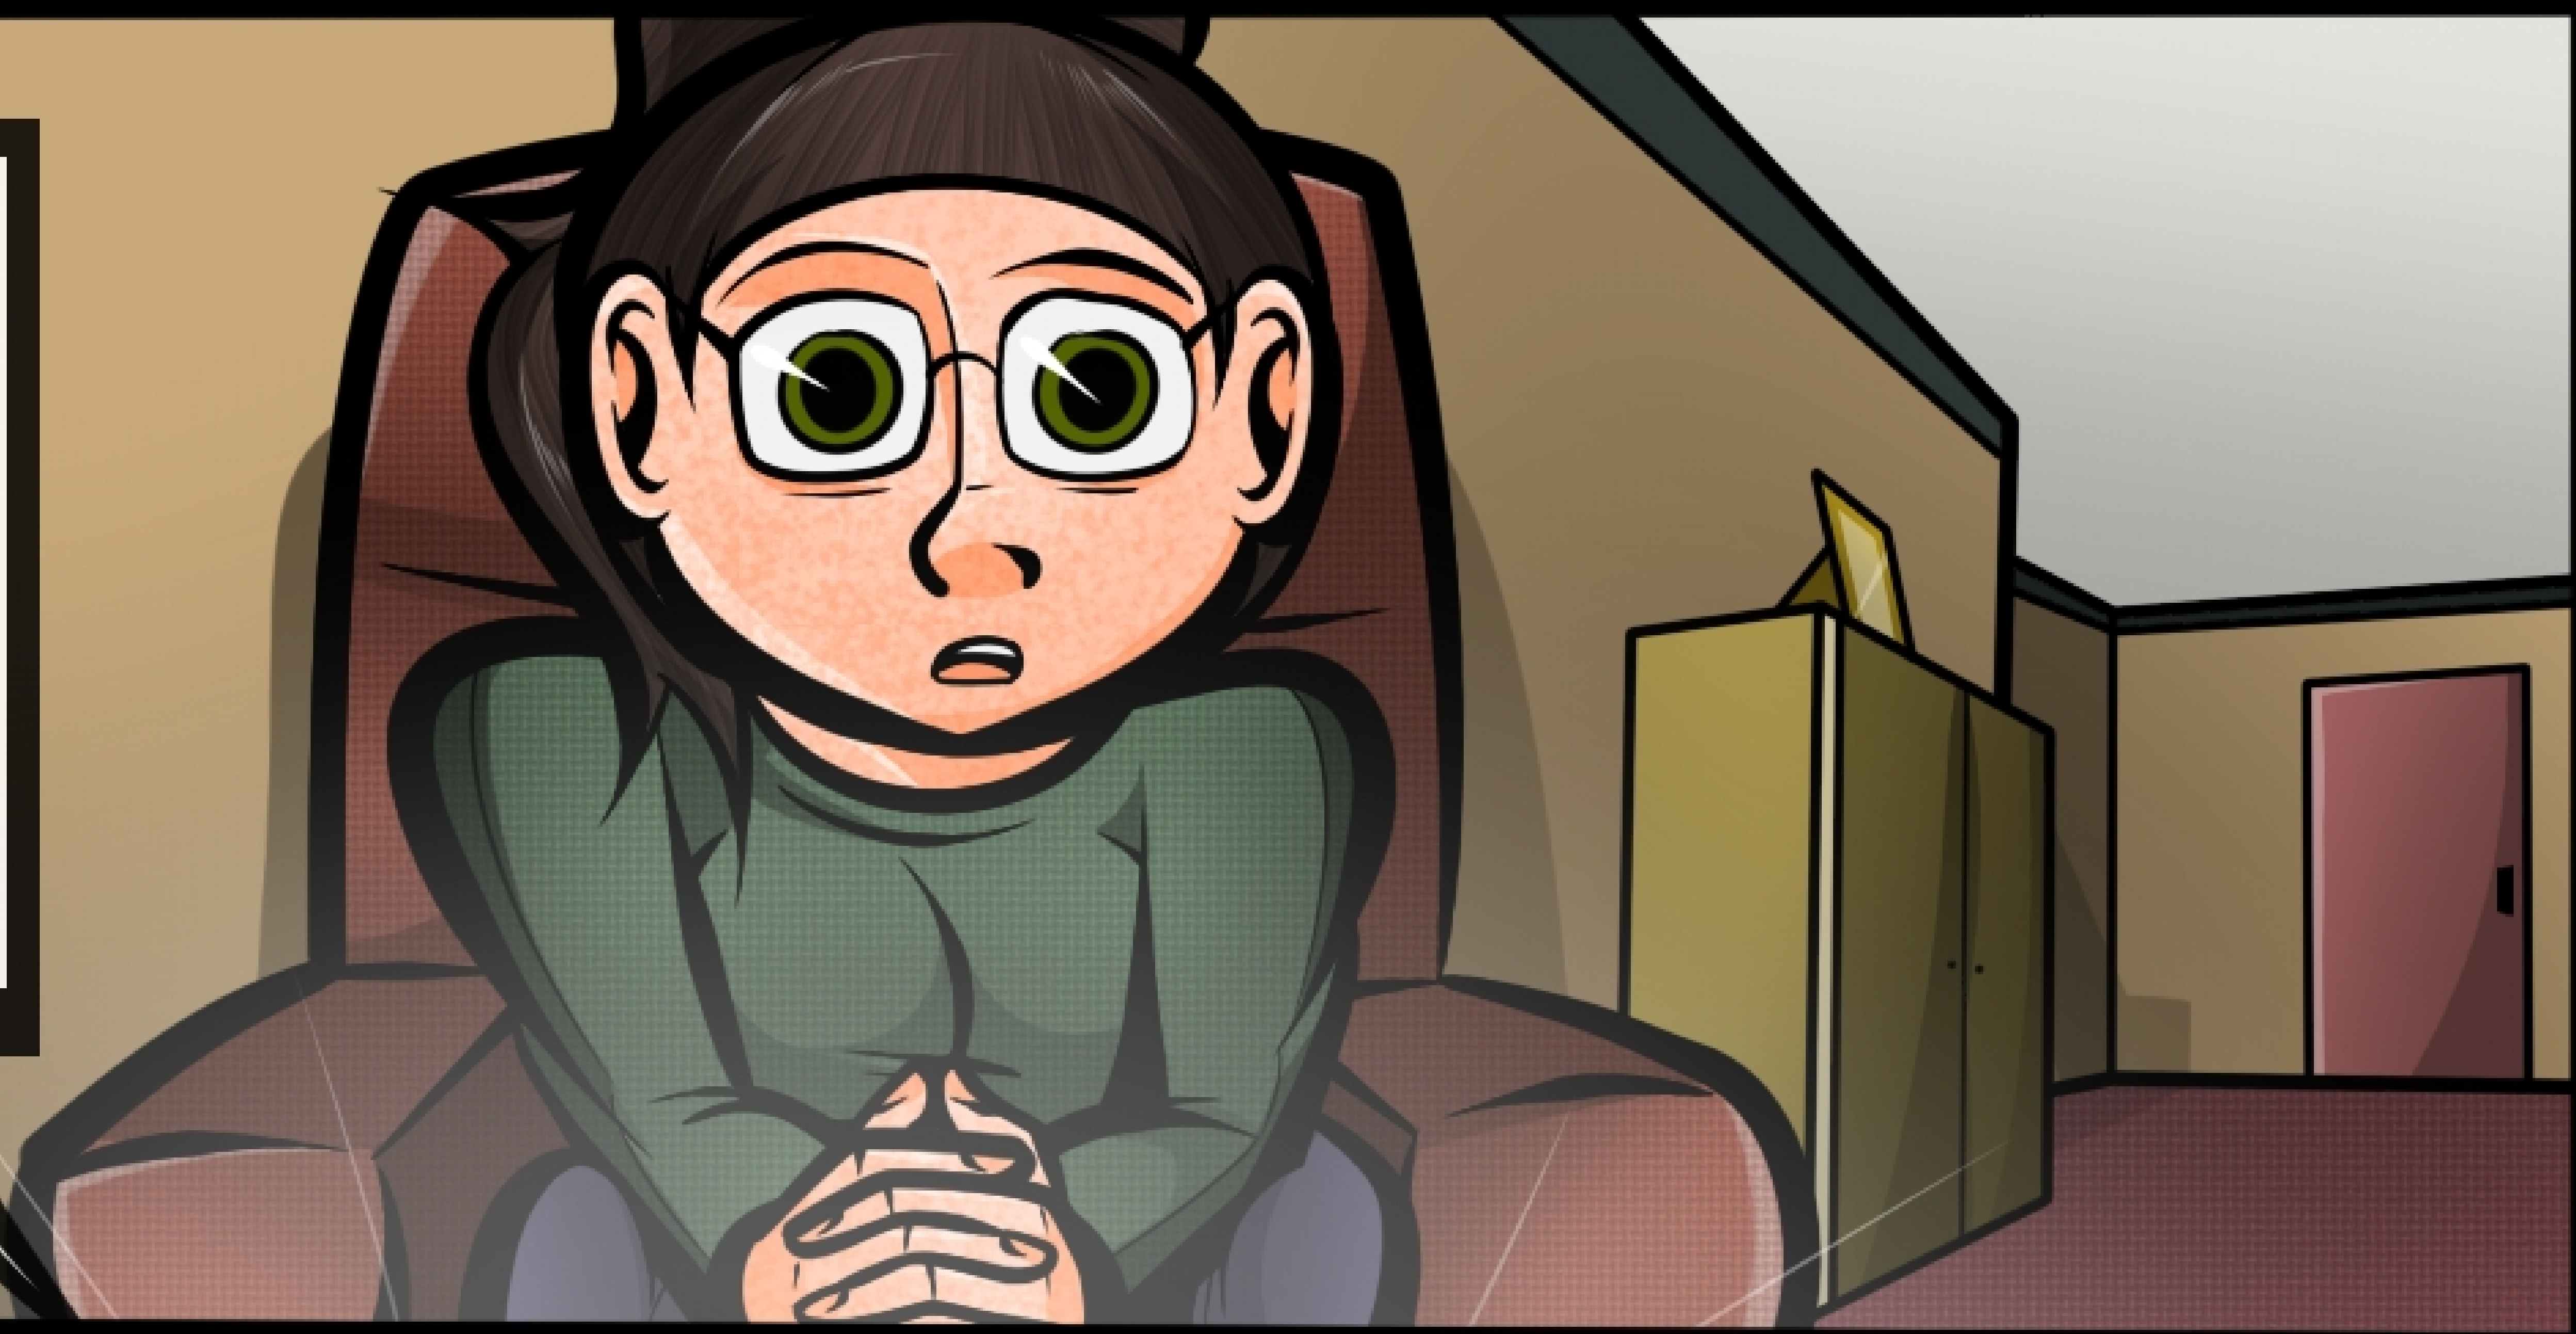

Nah...

This day already went too weird. I'm going to sleep.

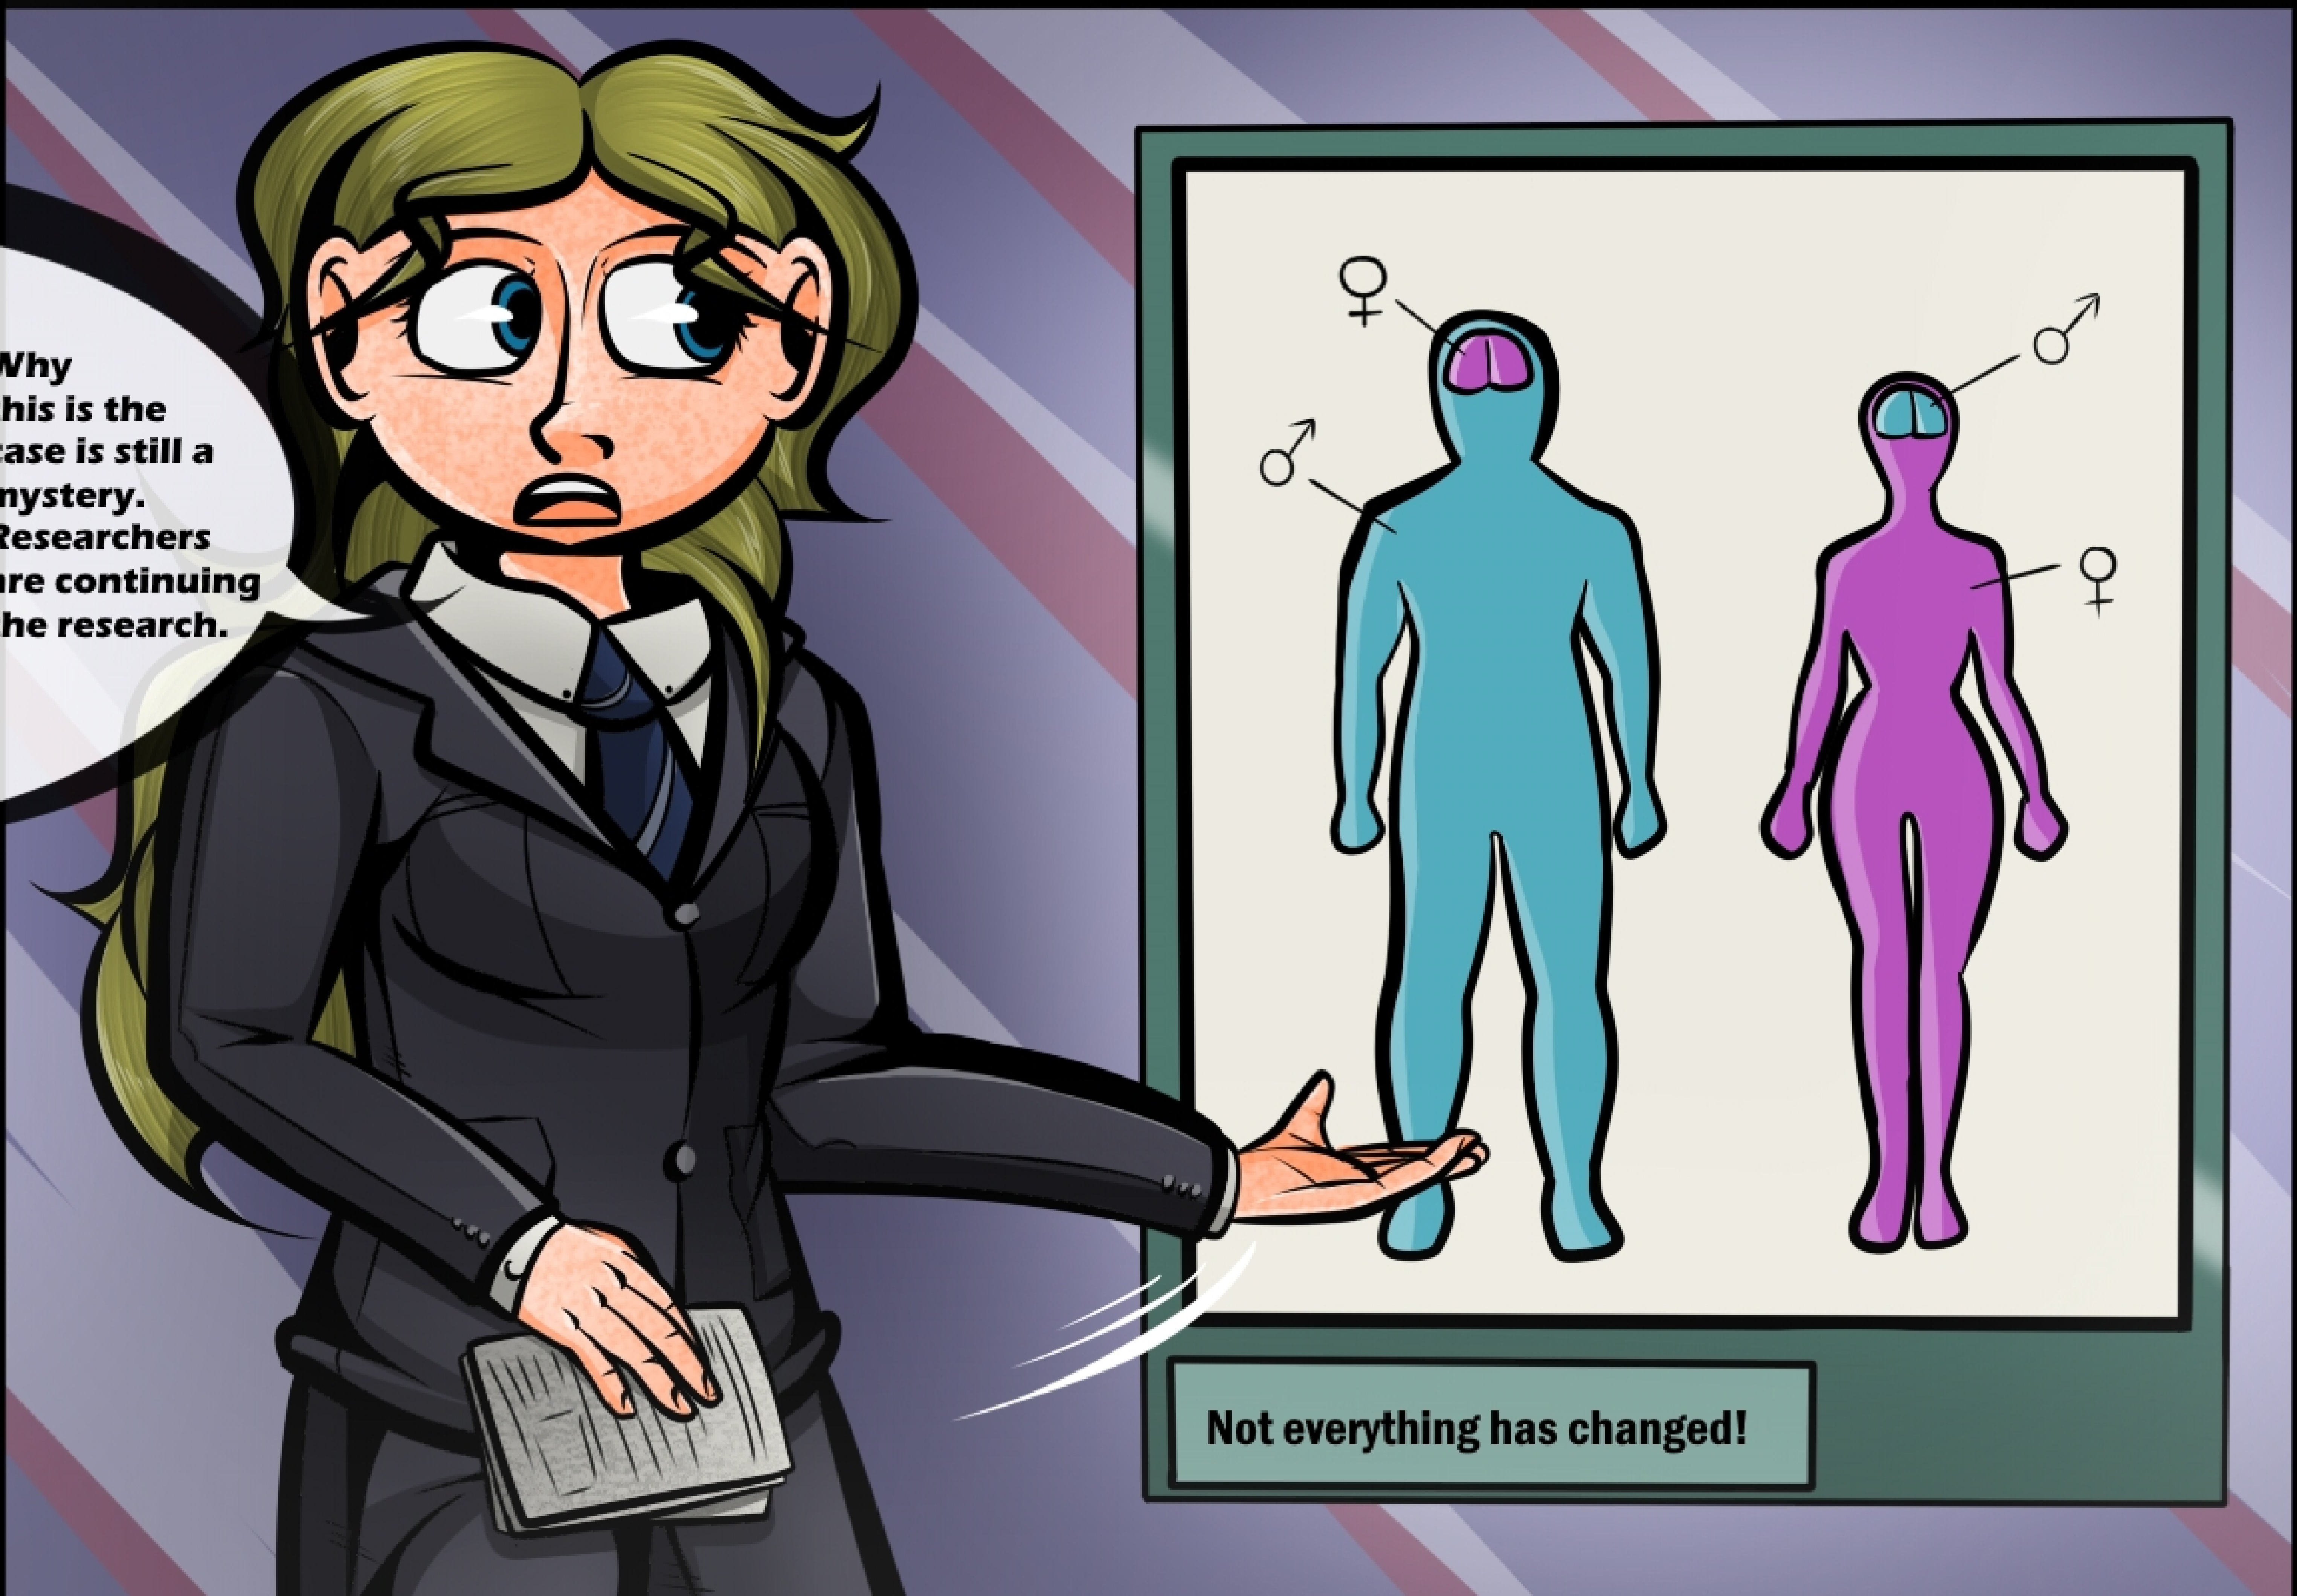

It has been 16 hours since the whole globe has changed gender. Approximately 0.2% of the population managed to escape.

The world's governments denies knowledge of how this phenomenon occurred. Researchers have found that the chromosomal DNA of each individual has changed..

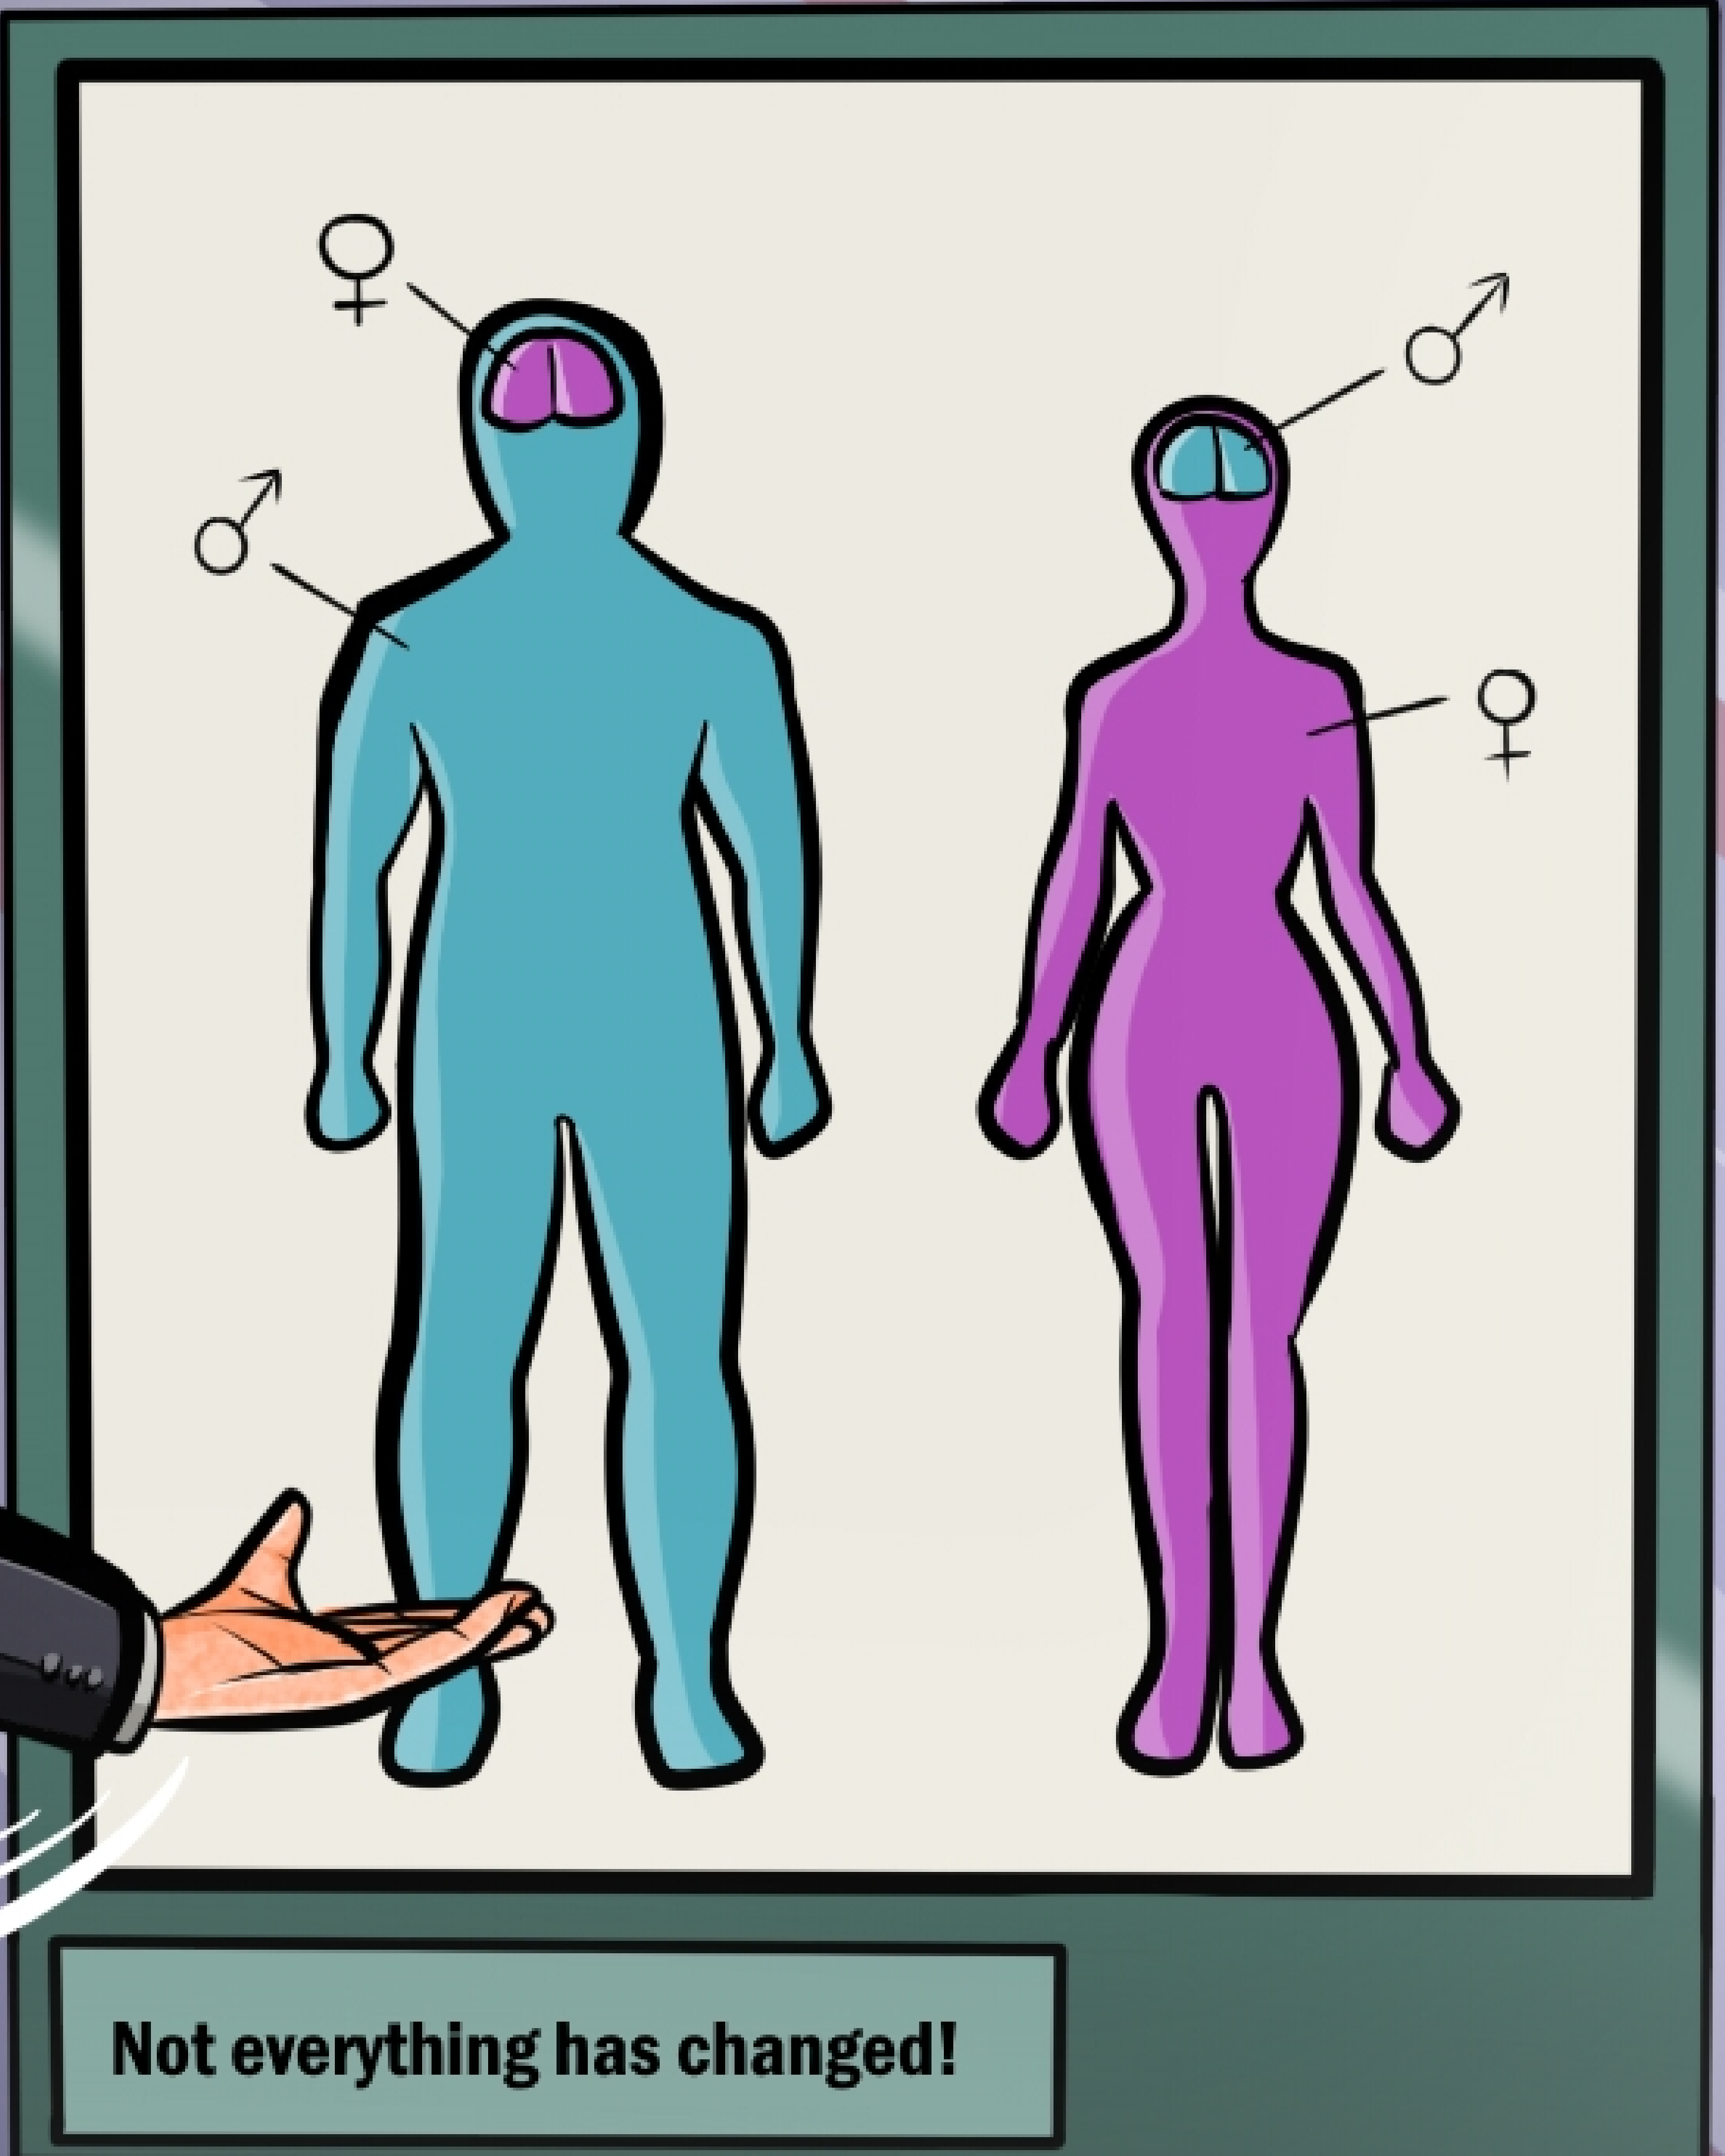

WOW...

...except for one place!
Brain of the men still have the same chromosomes while their body is now that of a female and vice versa.

Why this is the case is still a mystery. Researchers are continuing the research.

Not everything has changed!

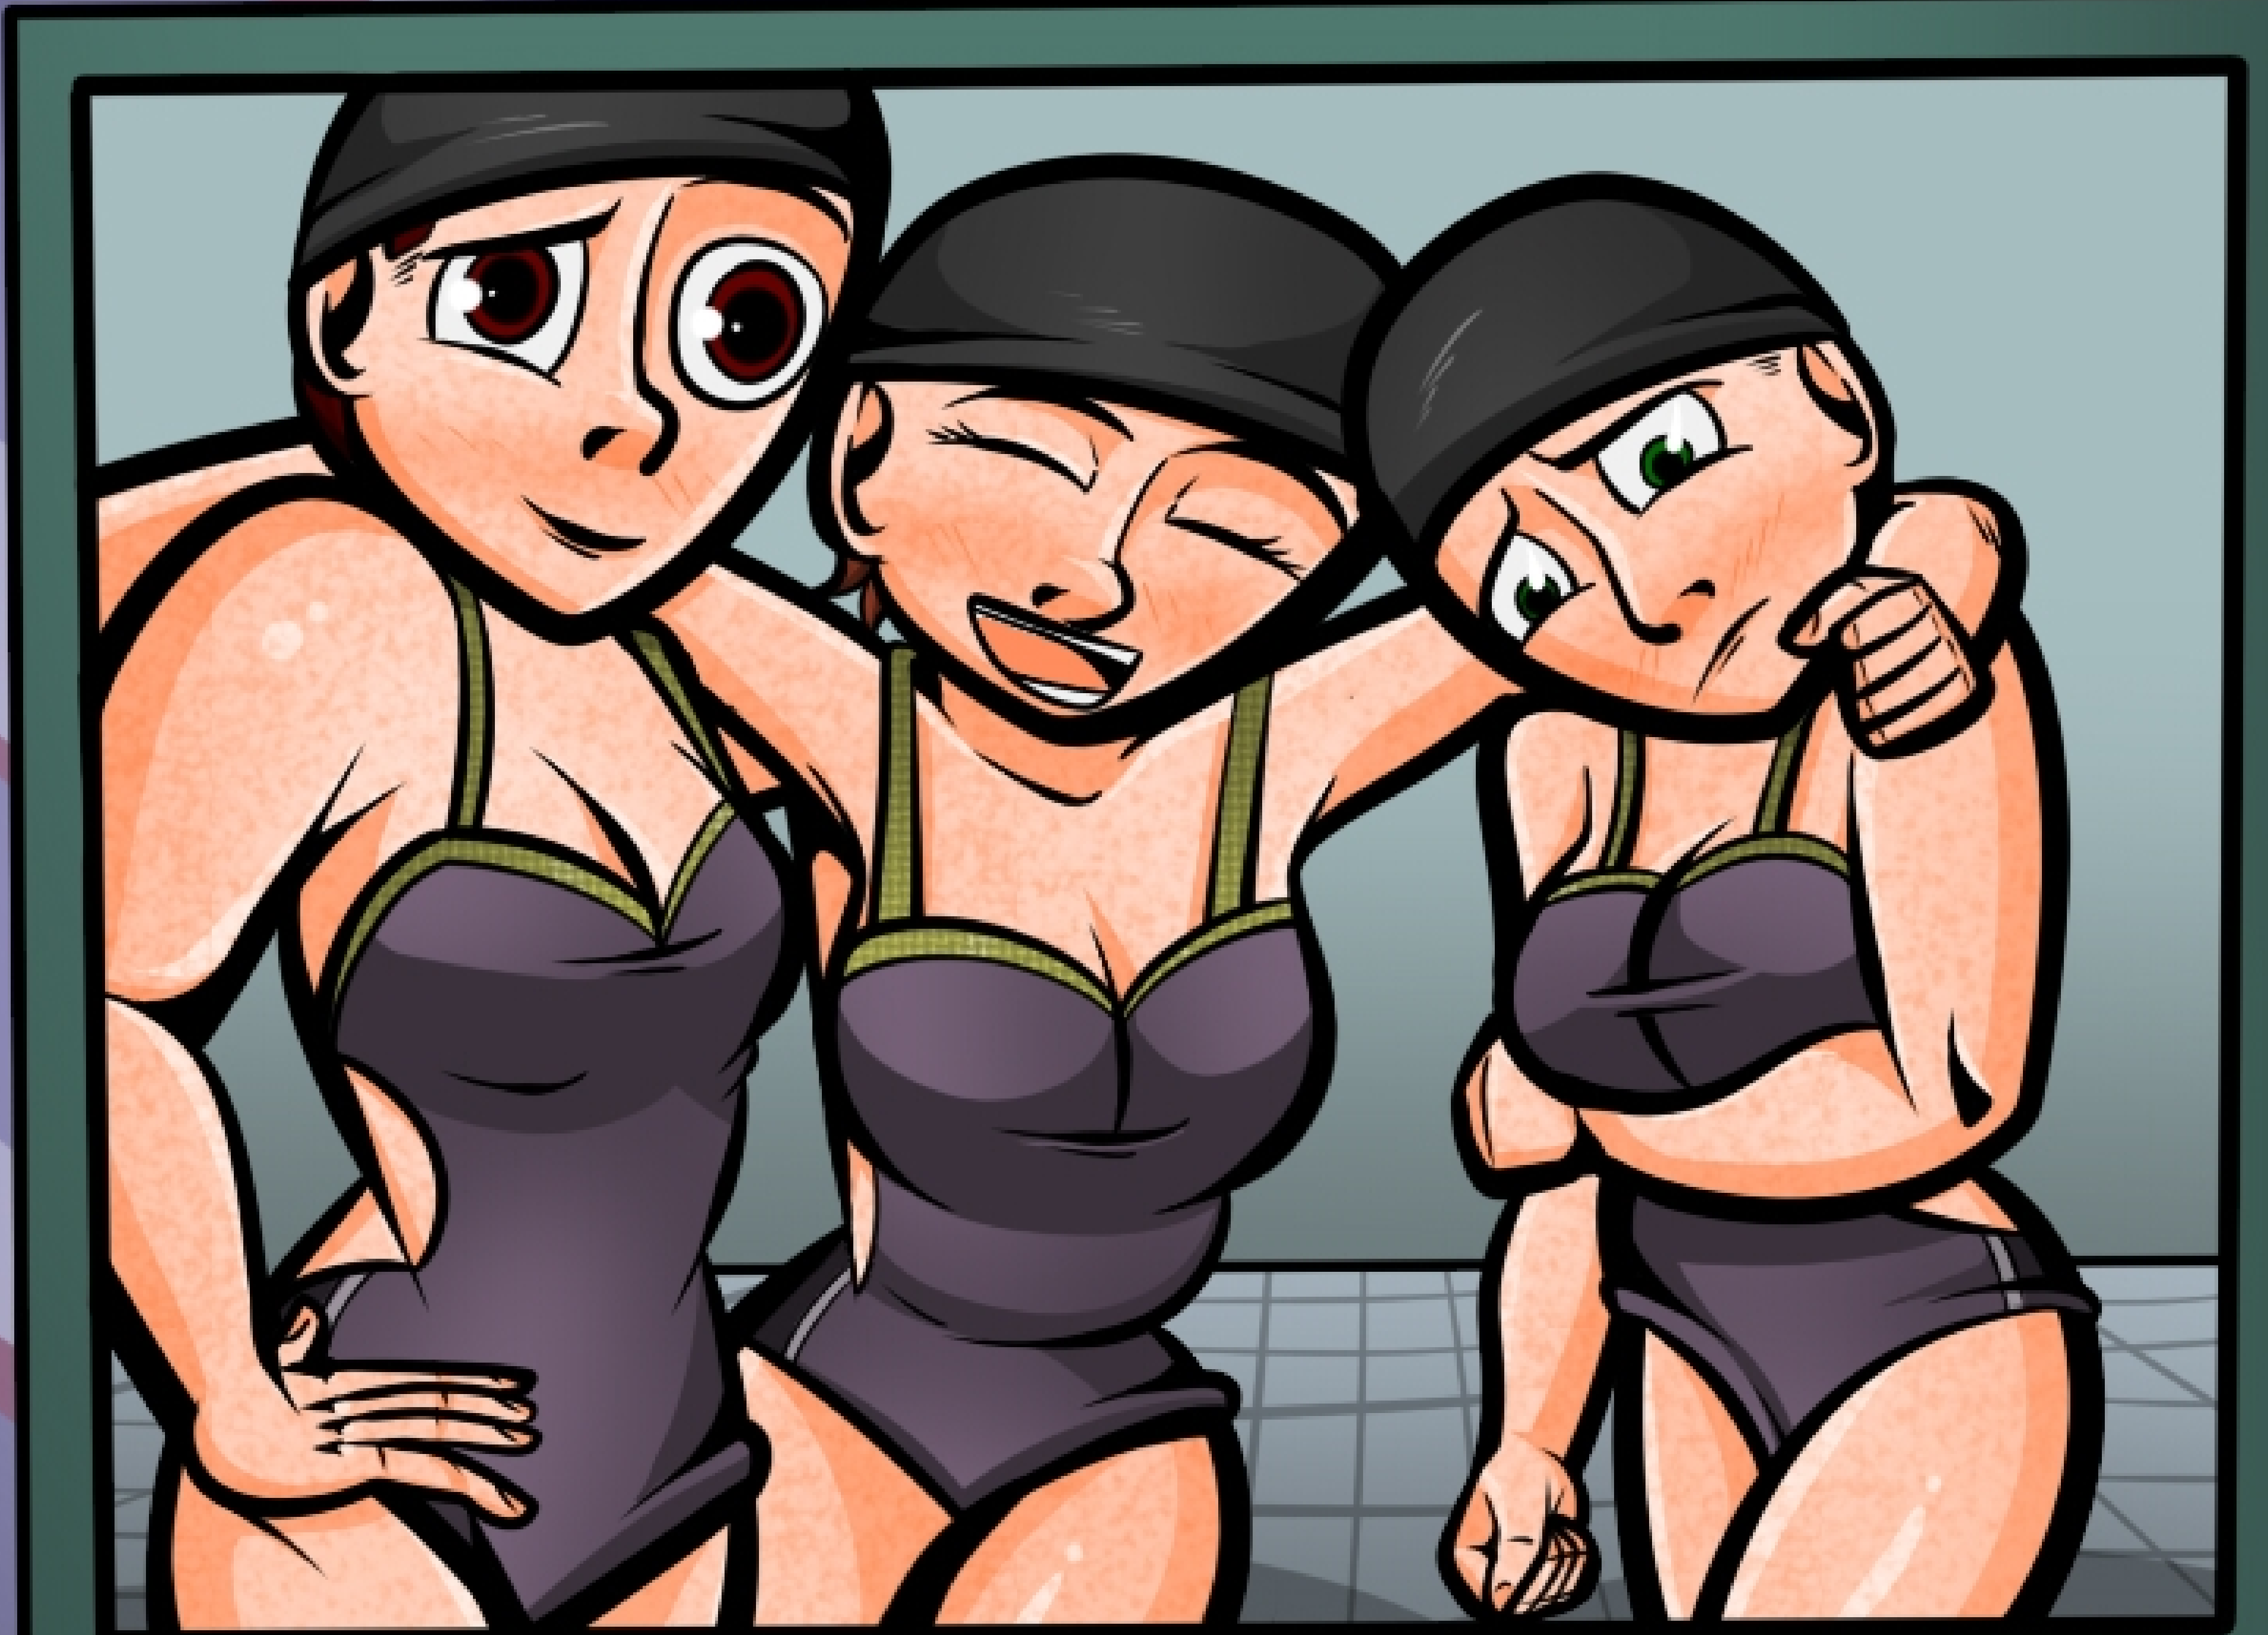

To summarise:
The chromosomes
in your brain
haven't
changed.

Hmmm...That
is pretty interesting...
Does that also mean
our sexual orientation
haven't changed
too?

Other news:
The 'new'
swimteam is
holding an event to
raise money for the
victims of the Gender
Wave and awareness
of gender
prejudices.

New swimteam

They look so
uncomfortable...
I think I had enough for
today.

ZAP!
