

the  
**GENDER  
WAVE**

*Boing!*

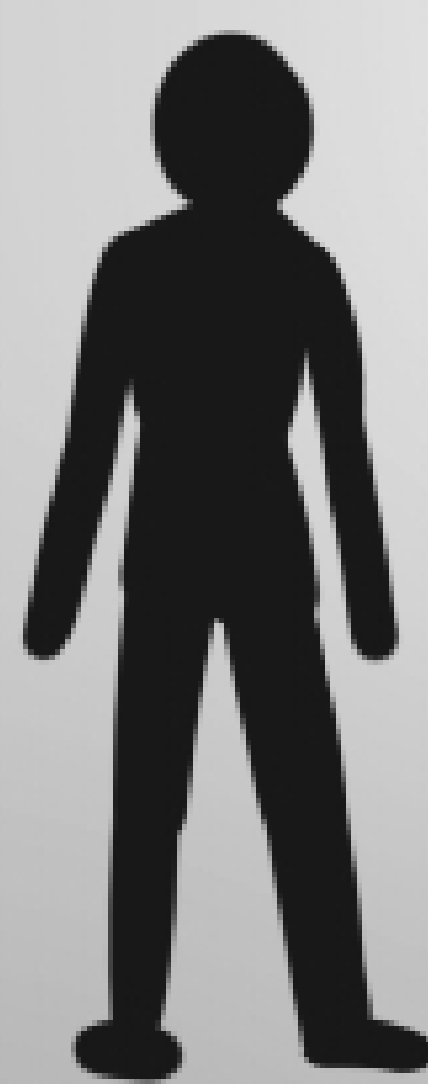

*Salzer*

Welcome to the next chapter of this story where the whole world has witnessed a strange event.

A huge wall of light has swept across the planet changing everyone's gender it encounters with.

Only humans got affected. There were some strange scenario's that when a pregnant women gets hit, the fetus will get transfered towards the male spouse who will get pregnant with their child.

25%

50%

90%

Outrunning this wall of light is impossible because there is a stationary wall of light waiting for the moving one to rejoin with it to disappear.

As you can see at this picture taken near the northpole.

Moving wall

stationary wall

No one on the surface could avoid the wall of light. And all of you who now have their gender swapped...

You've already crossed through...  
**the GENDER WAVE**

What are you doing, school nurse?

We already know this. Do you really think we don't follow the news, after the wave made us into girls?

What's wrong?

*Well I didn't know that there was a stationary wall...*

*\*cough\**

oh yeah... my apologies. I wanted to take the tension away from the body measurement that is about to take.

*Awesome!*

*hrrr...*

The procedure goes with the following: You'll go privately into one of those booths where you will measure your new body sizes.

There will be instructions and equipment that will help you to measure. And no! You won't measure your dick sizes.

Female group

Male group

We're here...

Nathan, you should go with the female group.

Oh yeah...

See ya later...

Why am I sweating all of a sudden?

I'll see you on the other side!

WOOSH!

**Come on!  
Get yourself  
together!**

**But first,  
I need to find  
Christon.**

*sorry*

**I will only  
measure my  
new body  
for the first  
time...**

**BOING!**

*Squeeze...*

*Squeeze...*

**Hey Nathan,  
you finally came!**

**Hey there!  
I am so relieved  
you're here as  
well.**

**So, what did I miss?**

*what cup do you think you have?*

*can I go home?*

*this is the worst day!*

*don't say that!*

**We're finally  
going to measure  
our new busts!**

I think I have a C-cup, but yours are probably bigger.

**YOU TWO OVER THERE!!!**

Are you never uncomfortable?

\*poke\*

\*poke\*

Can you two be silent, please?

**SORRY SIR!**

Typical...

Hum?

Yeah!

Are those Nathan and Christen?

Sir?  
Oh yeah, I'm a man now...

Anyway, when you go into the booth, you will first measure your height and weight. Then you will measure your new body parts such as the increased waist, hips and of course your cup size. If you need any help, you can call me or one of my colleagues. When you're finished, get to the lockers to get changed with the new clothes that are provided.

That's it. I wish you all good luck!

woosh!

woosh!

This can't be happening...

good luck!

krrr...

Alright... here we go...

So we did what the school nurse told us. We measured our new weight....

*hmm...*

*Krr...*

*That's short!*

...our new height...

*heeee!*

*Damn...*

...our new waist...

And last but not least...

Alright... this is the last one... My cup size...

*SLIP!*

Alright...  
First is the

Okay

this around  
my waist...

...and move  
it up to my  
under-bust.

There!

Wow...  
my cup size is an F!  
You're lying!

Alright.  
That wasn't  
too hard.

Squeeze...

Jiggle!

NAME: Nat  
WEIGHT: 65.8  
HEIGHT: 1.7  
(see instructions)  
Band Size: 40  
(see instructions)

Next  
is the  
actual  
cup size!

Okay...  
Just  
wrapping it  
around  
my boobs  
should  
work...

EEK!

Why can't  
they stop  
bouncing  
for once... and  
my  
voice! I just  
squeaked...

Did someone  
just screamed?  
Ha! ha! What  
a chick!

I have no  
choice but to go  
topless...

Whatever you do,  
don't scream...

Could you  
first knock or  
something? And  
what are you  
doing here  
anyway?

Totally  
NOT!

You're F\*\*\* up,  
Christon!

Don't  
visit  
me ever  
again!

Errr...  
They're just  
joking!

Alright, I don't want to admit it, but you can help me measure them. You happy now?

\*sigh\*

woosh

hihi!

Boing!

I certainly...

**AM!**

Should I ignore it?

Go on... I can handle myself with your puppies!

Hello?

Beeep!  
Beeep!

click

Hey Nathan, it's me, Sam. I need your help.

I can no longer pretend that everything is okay...

Especially now that we've come face to face with our new bodies while measuring our new parts?

I understand, but you 'new guys' have it so easy. You don't have to measure your new tits. And you also don't have to wear many complicated clothes!

It's precisely the lack of clothes that is scaring me!

Boing!  
Boing!

Who is that?

The most alien thing is the er... erection. How do I deal with that?

Oh... well that is... something that can't be fixed... right now.

Why are you talking so weird? Are you moaning?

Christon is helping me measure my... br... breasts. They tickle so much...

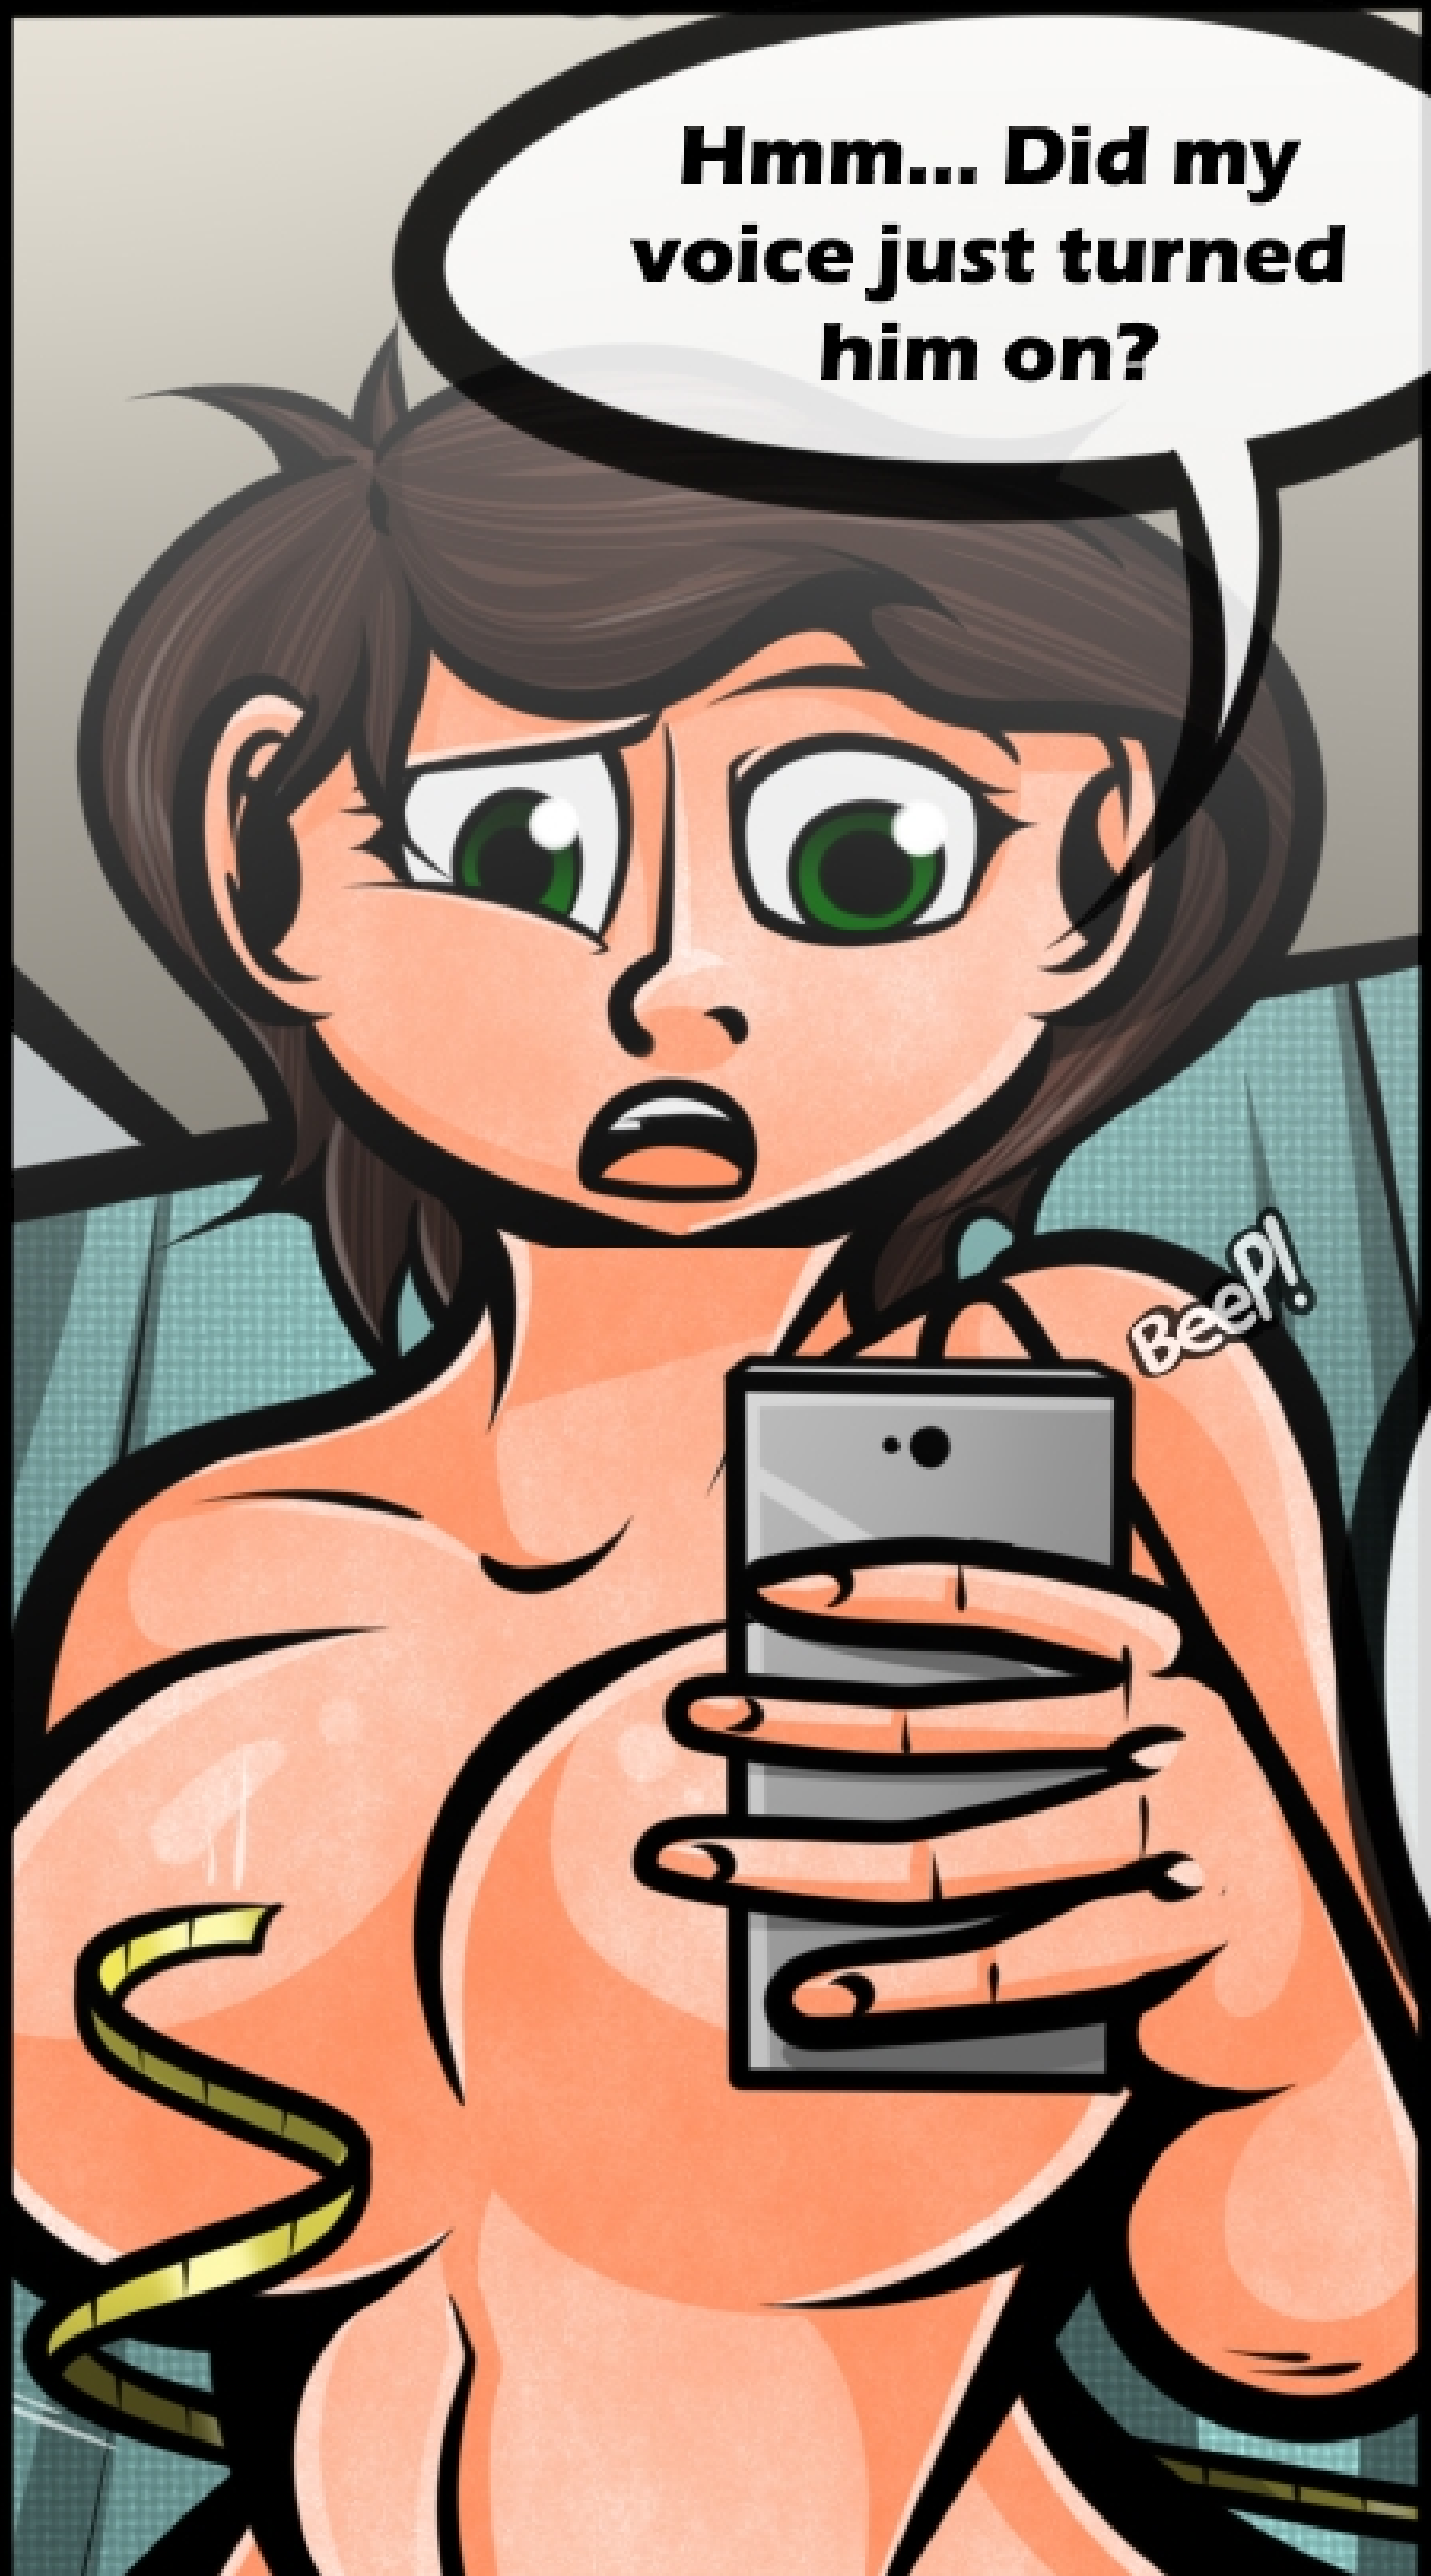

I'm gonna hang up now. The wood is only getting stronger because of your voice. We'll talk later.

No WAIT!

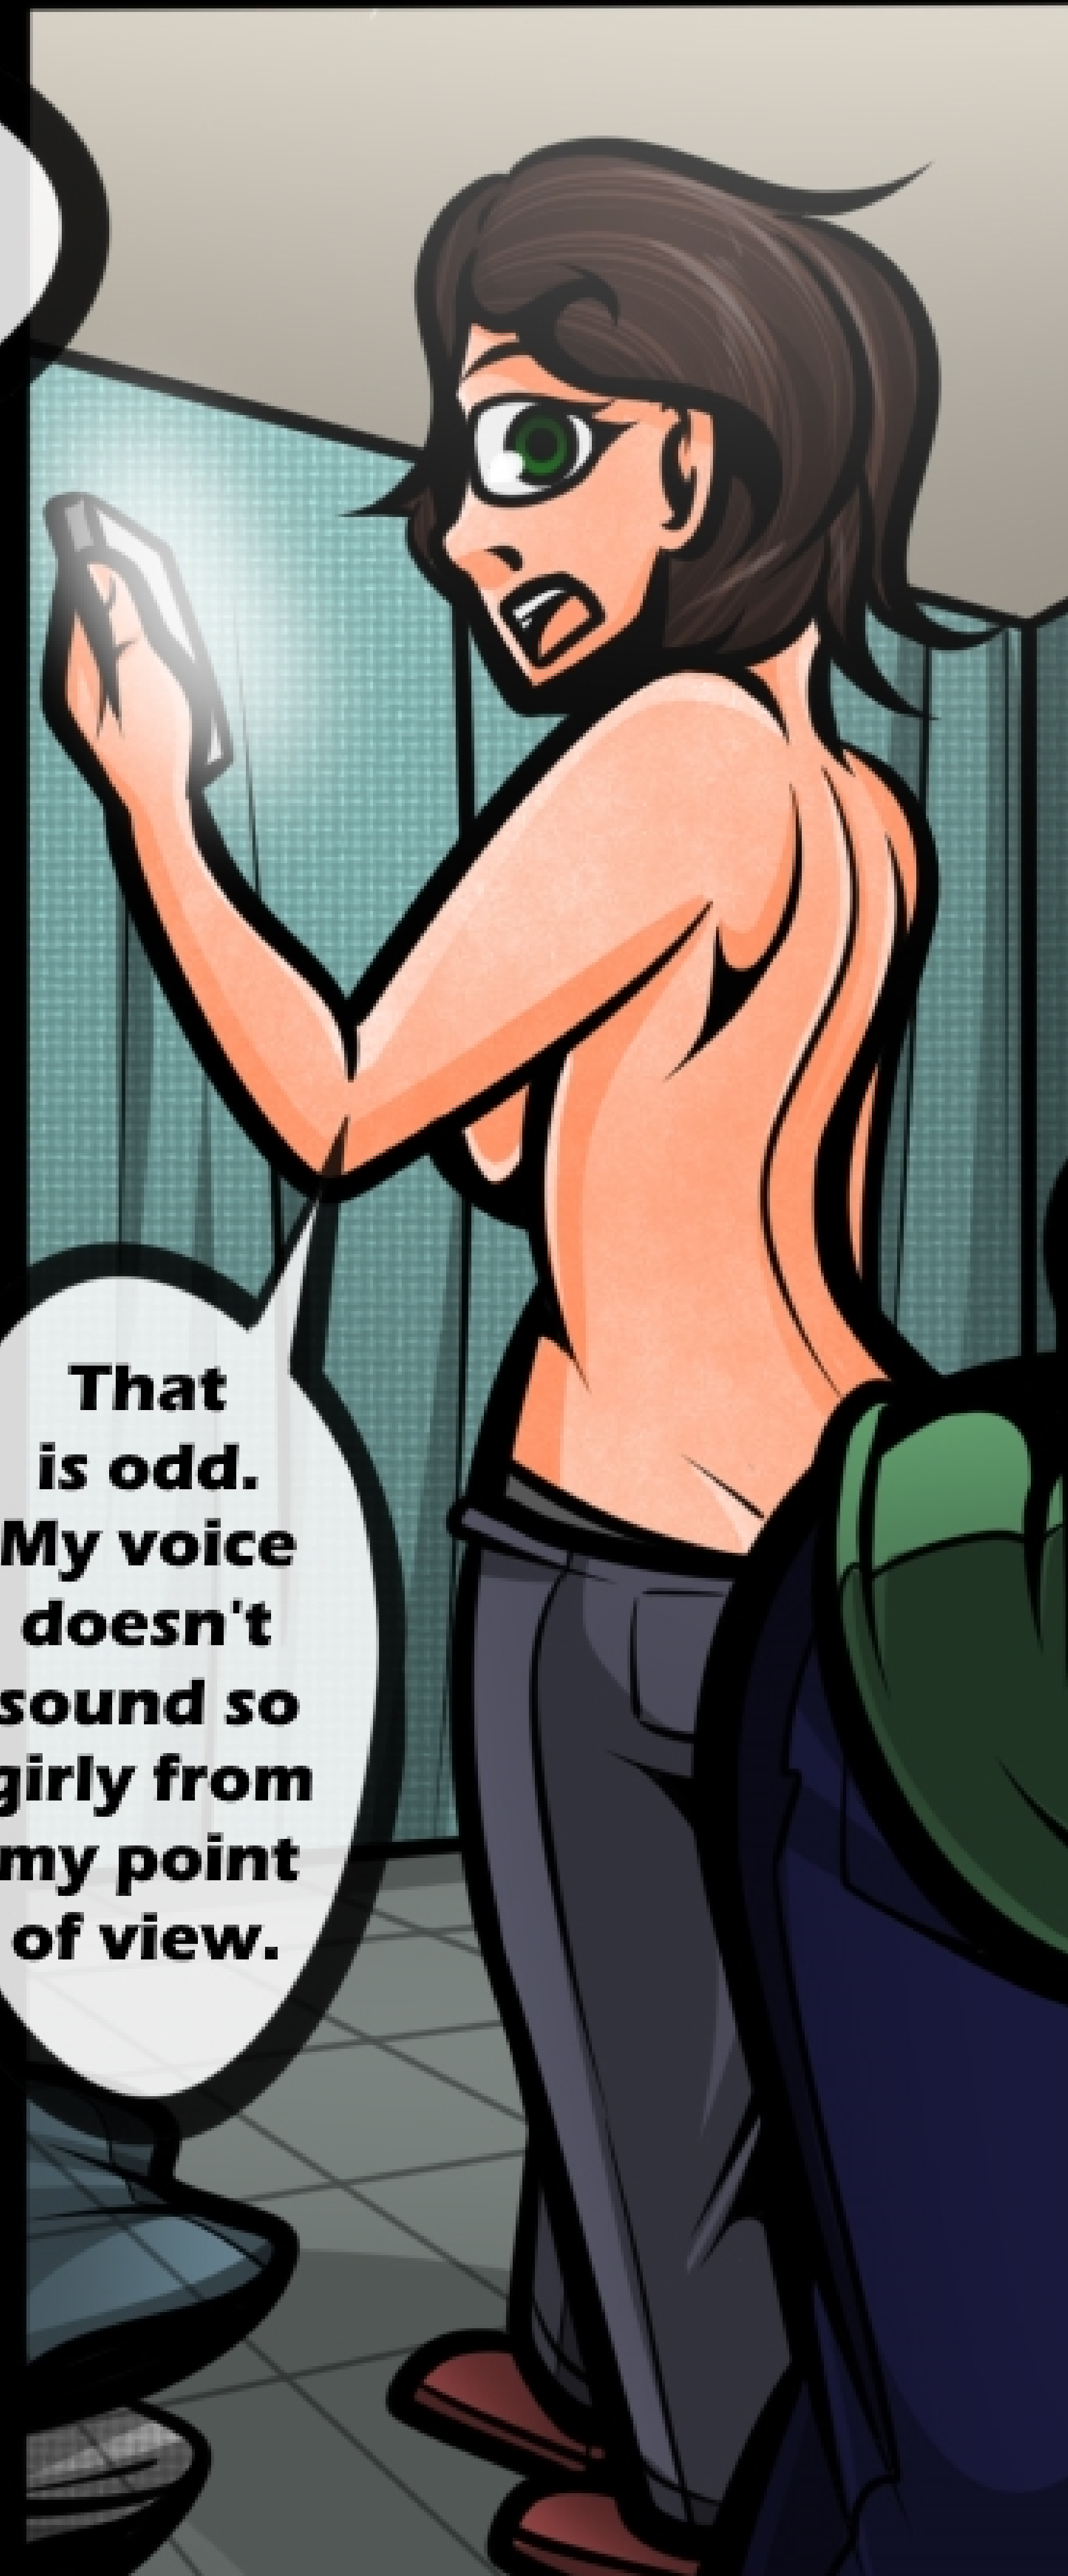

Hmm... Did my voice just turned him on?

Of course it did! Your voice is much higher and softer than you think it is.

That is odd. My voice doesn't sound so girly from my point of view.

I do wish this whole thing never happened!  
That we went back before it ever happened.  
When you constantly talk about your girlfriend instead of your "boyfriend".

When 'Angry' Jack was a strong dumb bully...

When guys were dudes...

When we talked about which of the girls in our class were the hottest.

When we could tackle each other and it wouldn't even hurt.

But now we are the girls of the class now. We can't take a hit because it would hurt. Now we are sporting balls of fat at our chest. With mine being the biggest of them all...

36DD-24-36

Well, technically you don't have the biggest tits in the class. That goes to Pregnant Jenny!

Shut up Kris! Don't call me 'Pregnant Jenny'. I know you already want to embraced your new identity, but mine is a bit different.

30C-24-30

52G-34-52

8 months...

I should have worn a condom when I went to the hookers...

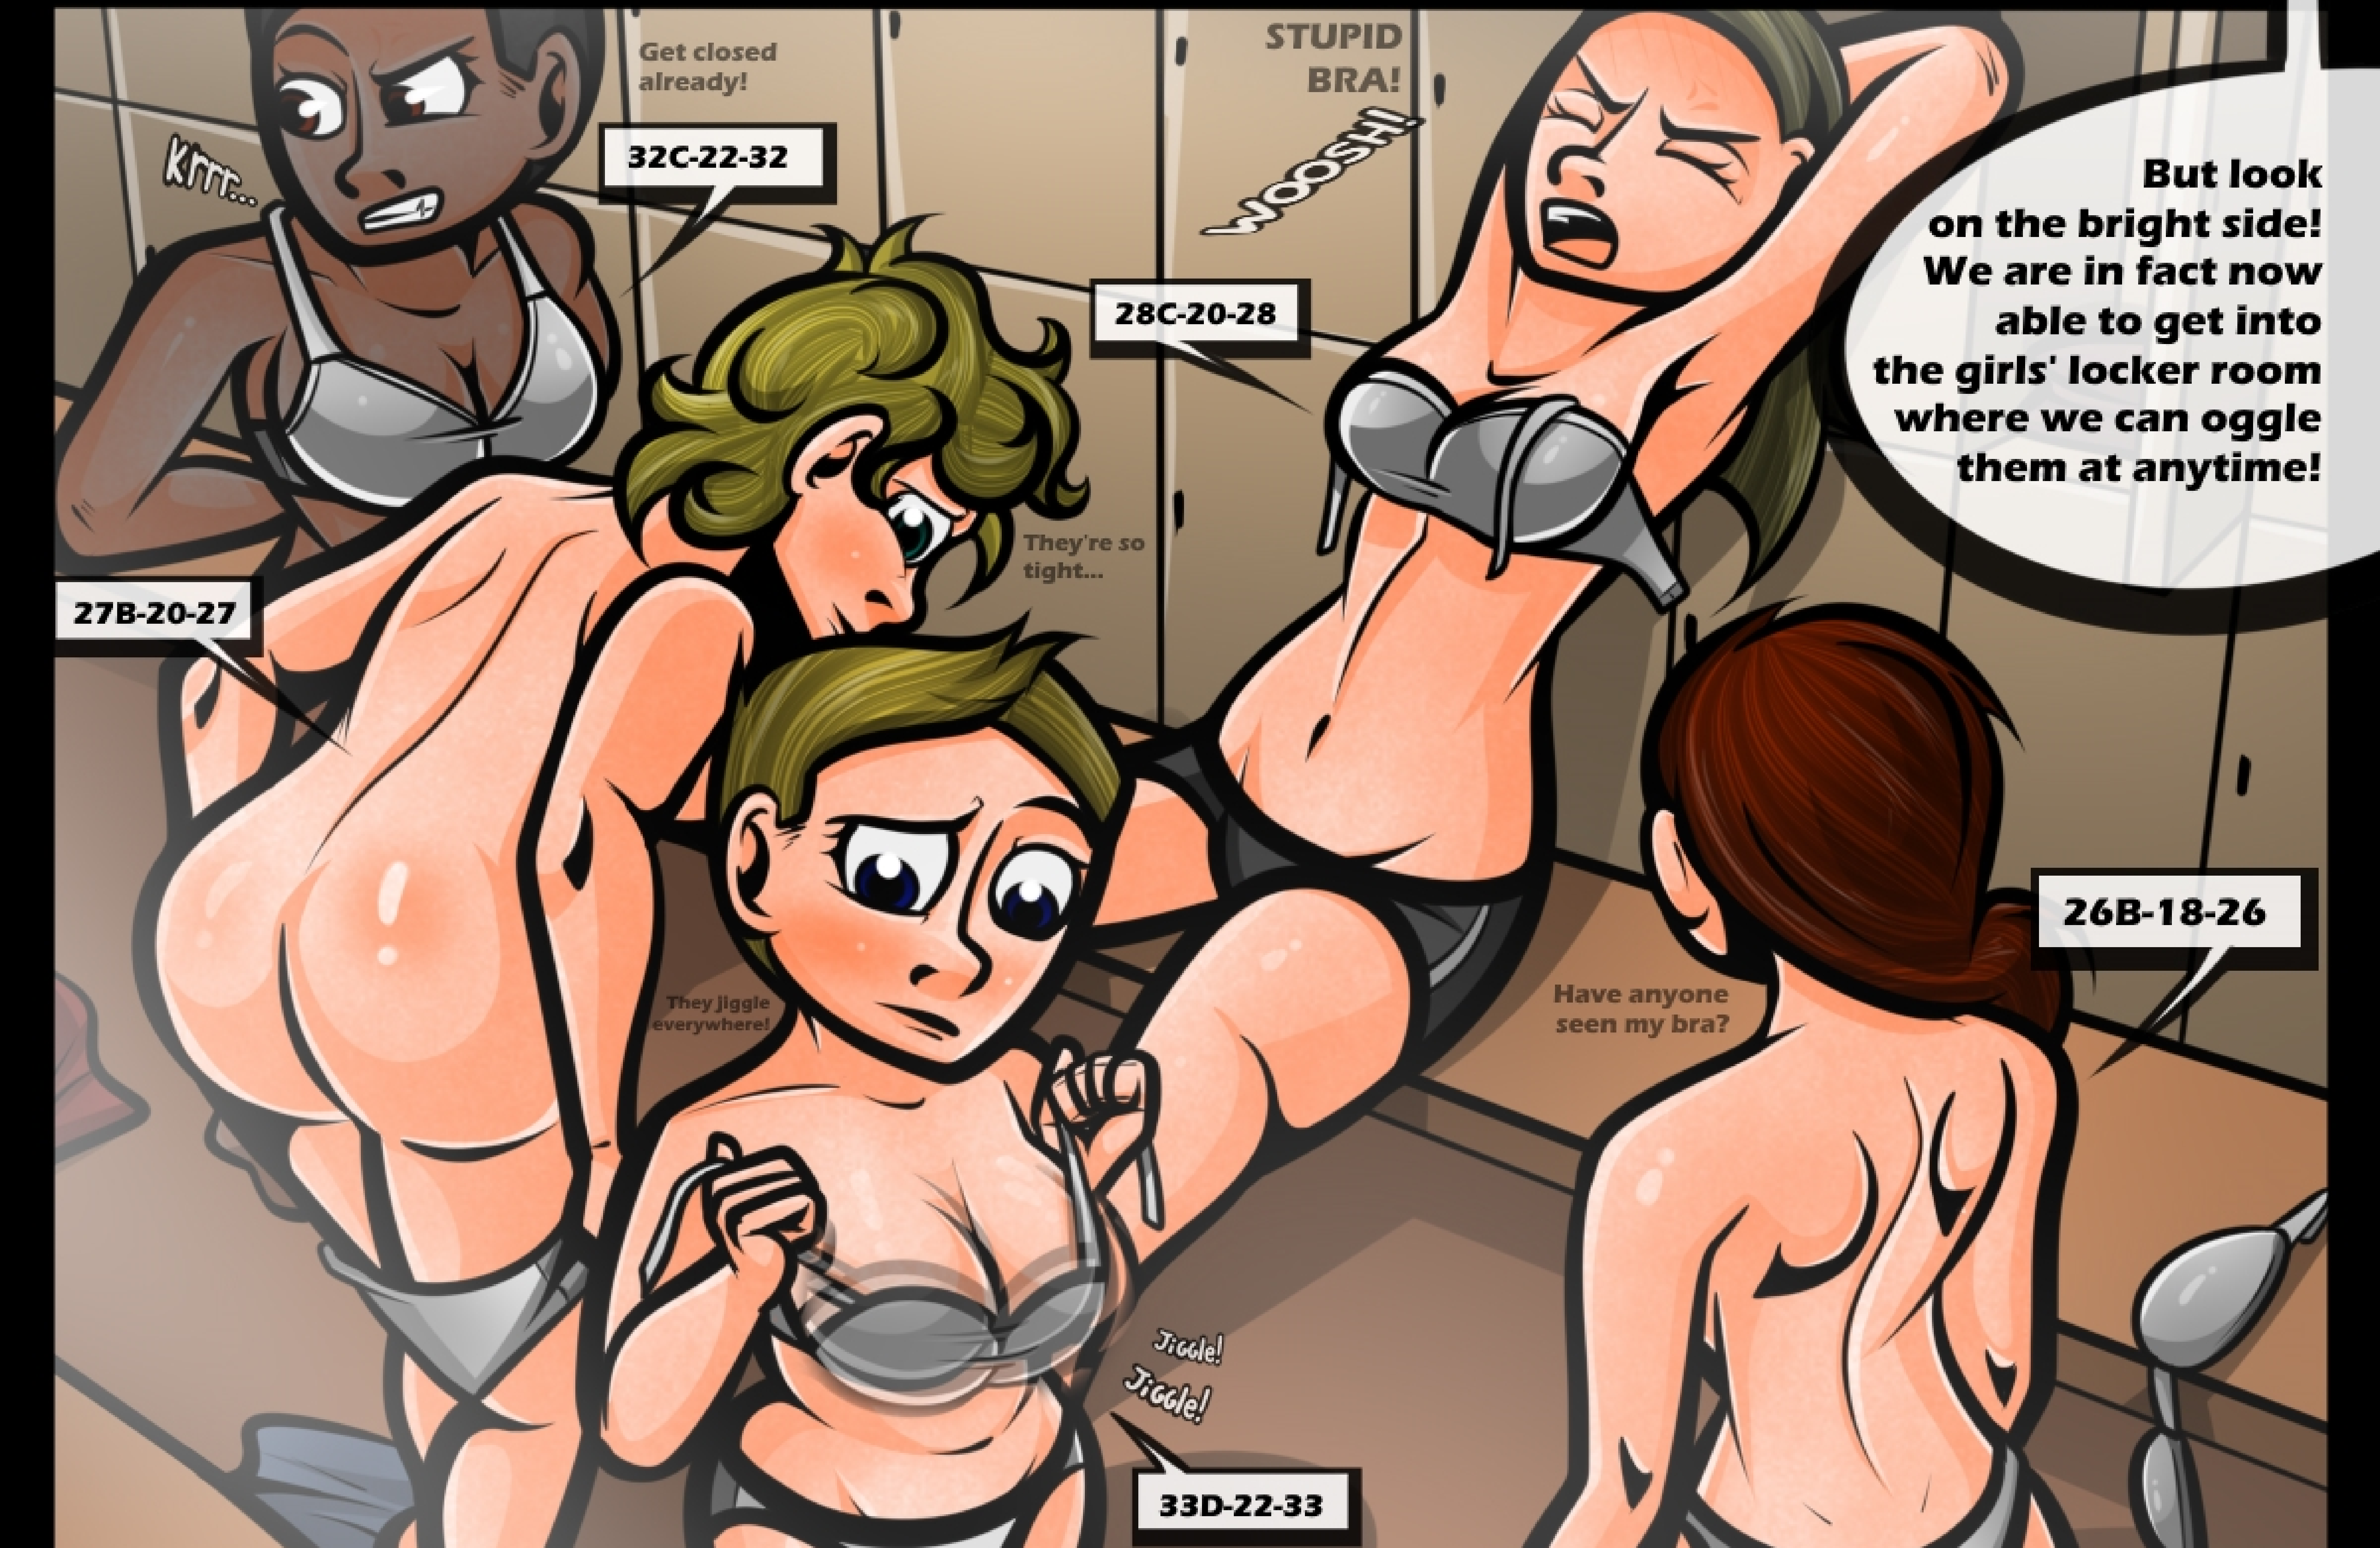

I understand you but he's pregnant and I'm not. Oh god... I can get pregnant too!

sigh\*

Damn...

26B-20-26

Hmm... Apparently those big jugs runs in your family.

Get closed already!

STUPID BRA!

But look on the bright side! We are in fact now able to get into the girls' locker room where we can oggle them at anytime!

32C-22-32

28C-20-28

27B-20-27

26B-18-26

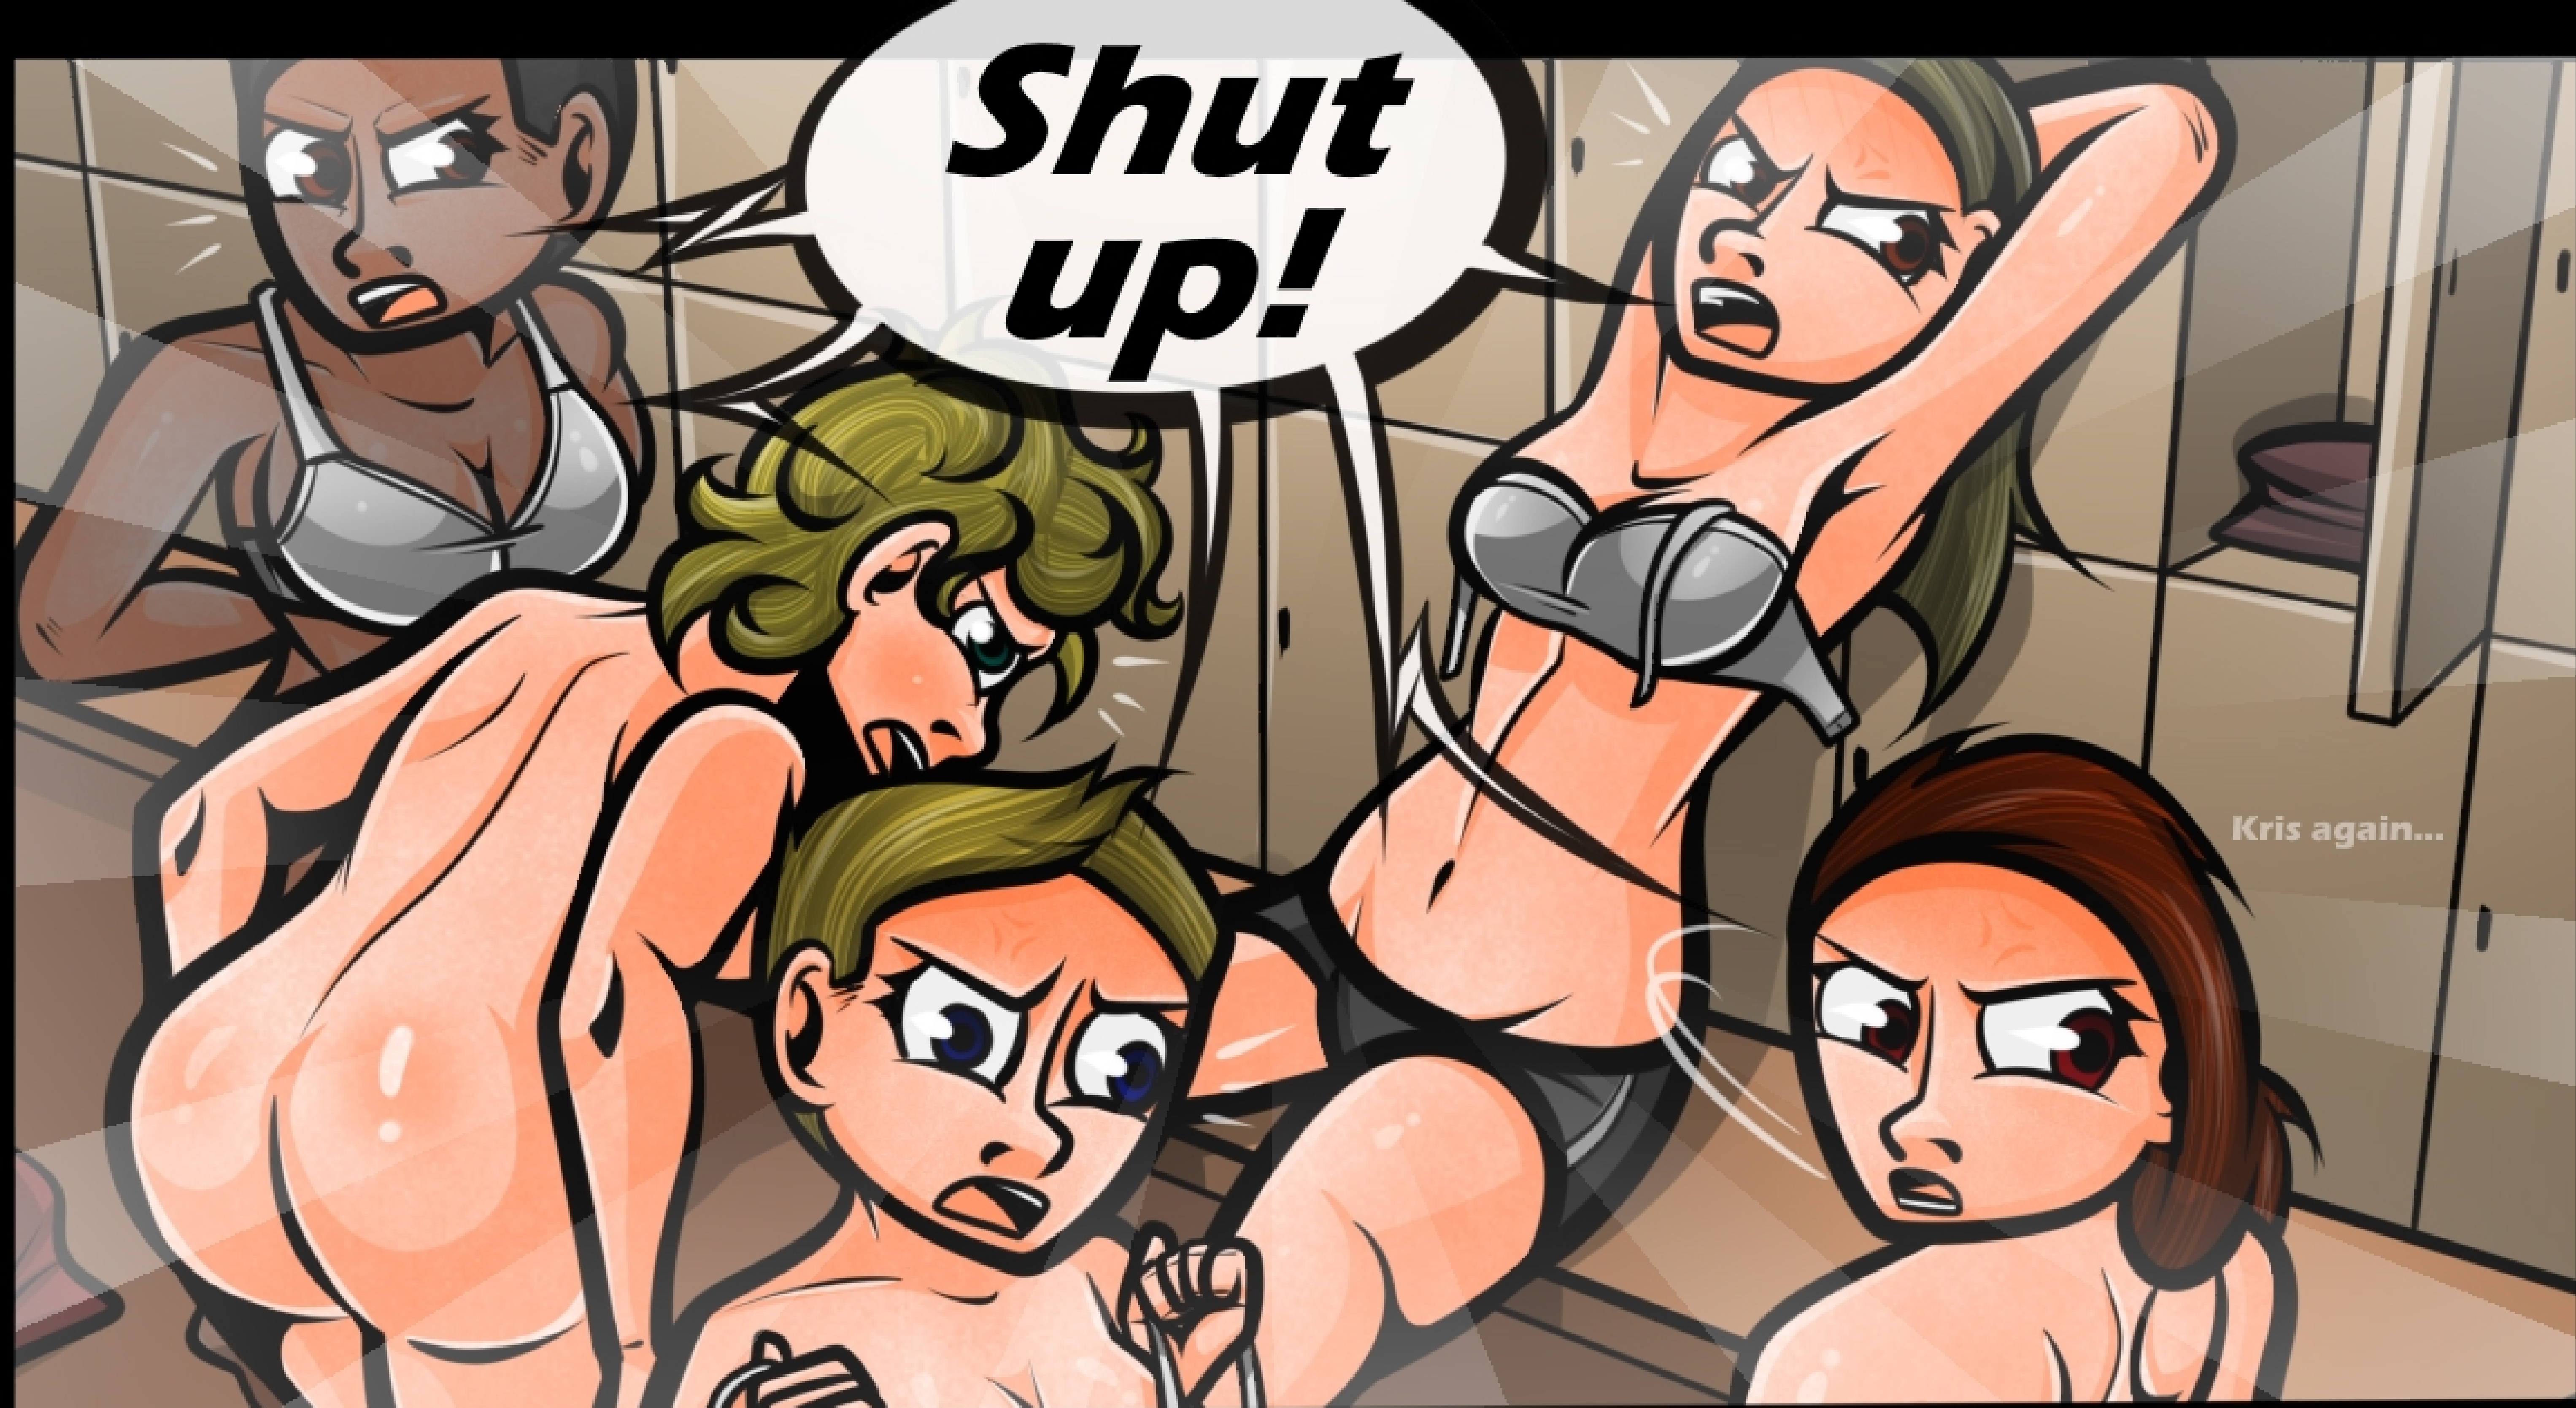

They jiggle everywhere!

They're so tight...

Have anyone seen my bra?

Tickle! Tickle!

33D-22-33

**Shut up!**

Kris again...

You're right, I must be more positive. Like I don't feel any backache at all.

Must be because of the bra.

BAM!  
BAM!  
BAM!

What is that sound?

I don't know. Did an accident occurred?

BAM!  
BAM!

F\*\*\*!

What is happening?

BAM!

???-??-??

Oh... It's just Angry Jack

Sorry for the interruption. Jack is acting aggressive. I won't look, I swear.

WHAT DO YOU THINK YOU'RE DOING? I DON'T BELONG HERE!

ARGH!

EEK...

From now on, you go to the girls' locker room, and not the boys locker room!

I think I threw her a bit too much.

I'M NOT A GIRLY GIRL LIKE THE REST OF THEM!

Sorry for throwing you so hard!

LET'S FIGHT! YOU AND ME! COME ON!

Yeah... just run away, you manly hag!

I must say, for someone who isn't a girl, you sure have a nice booty!

Uhm... you know who you're talking to, right?

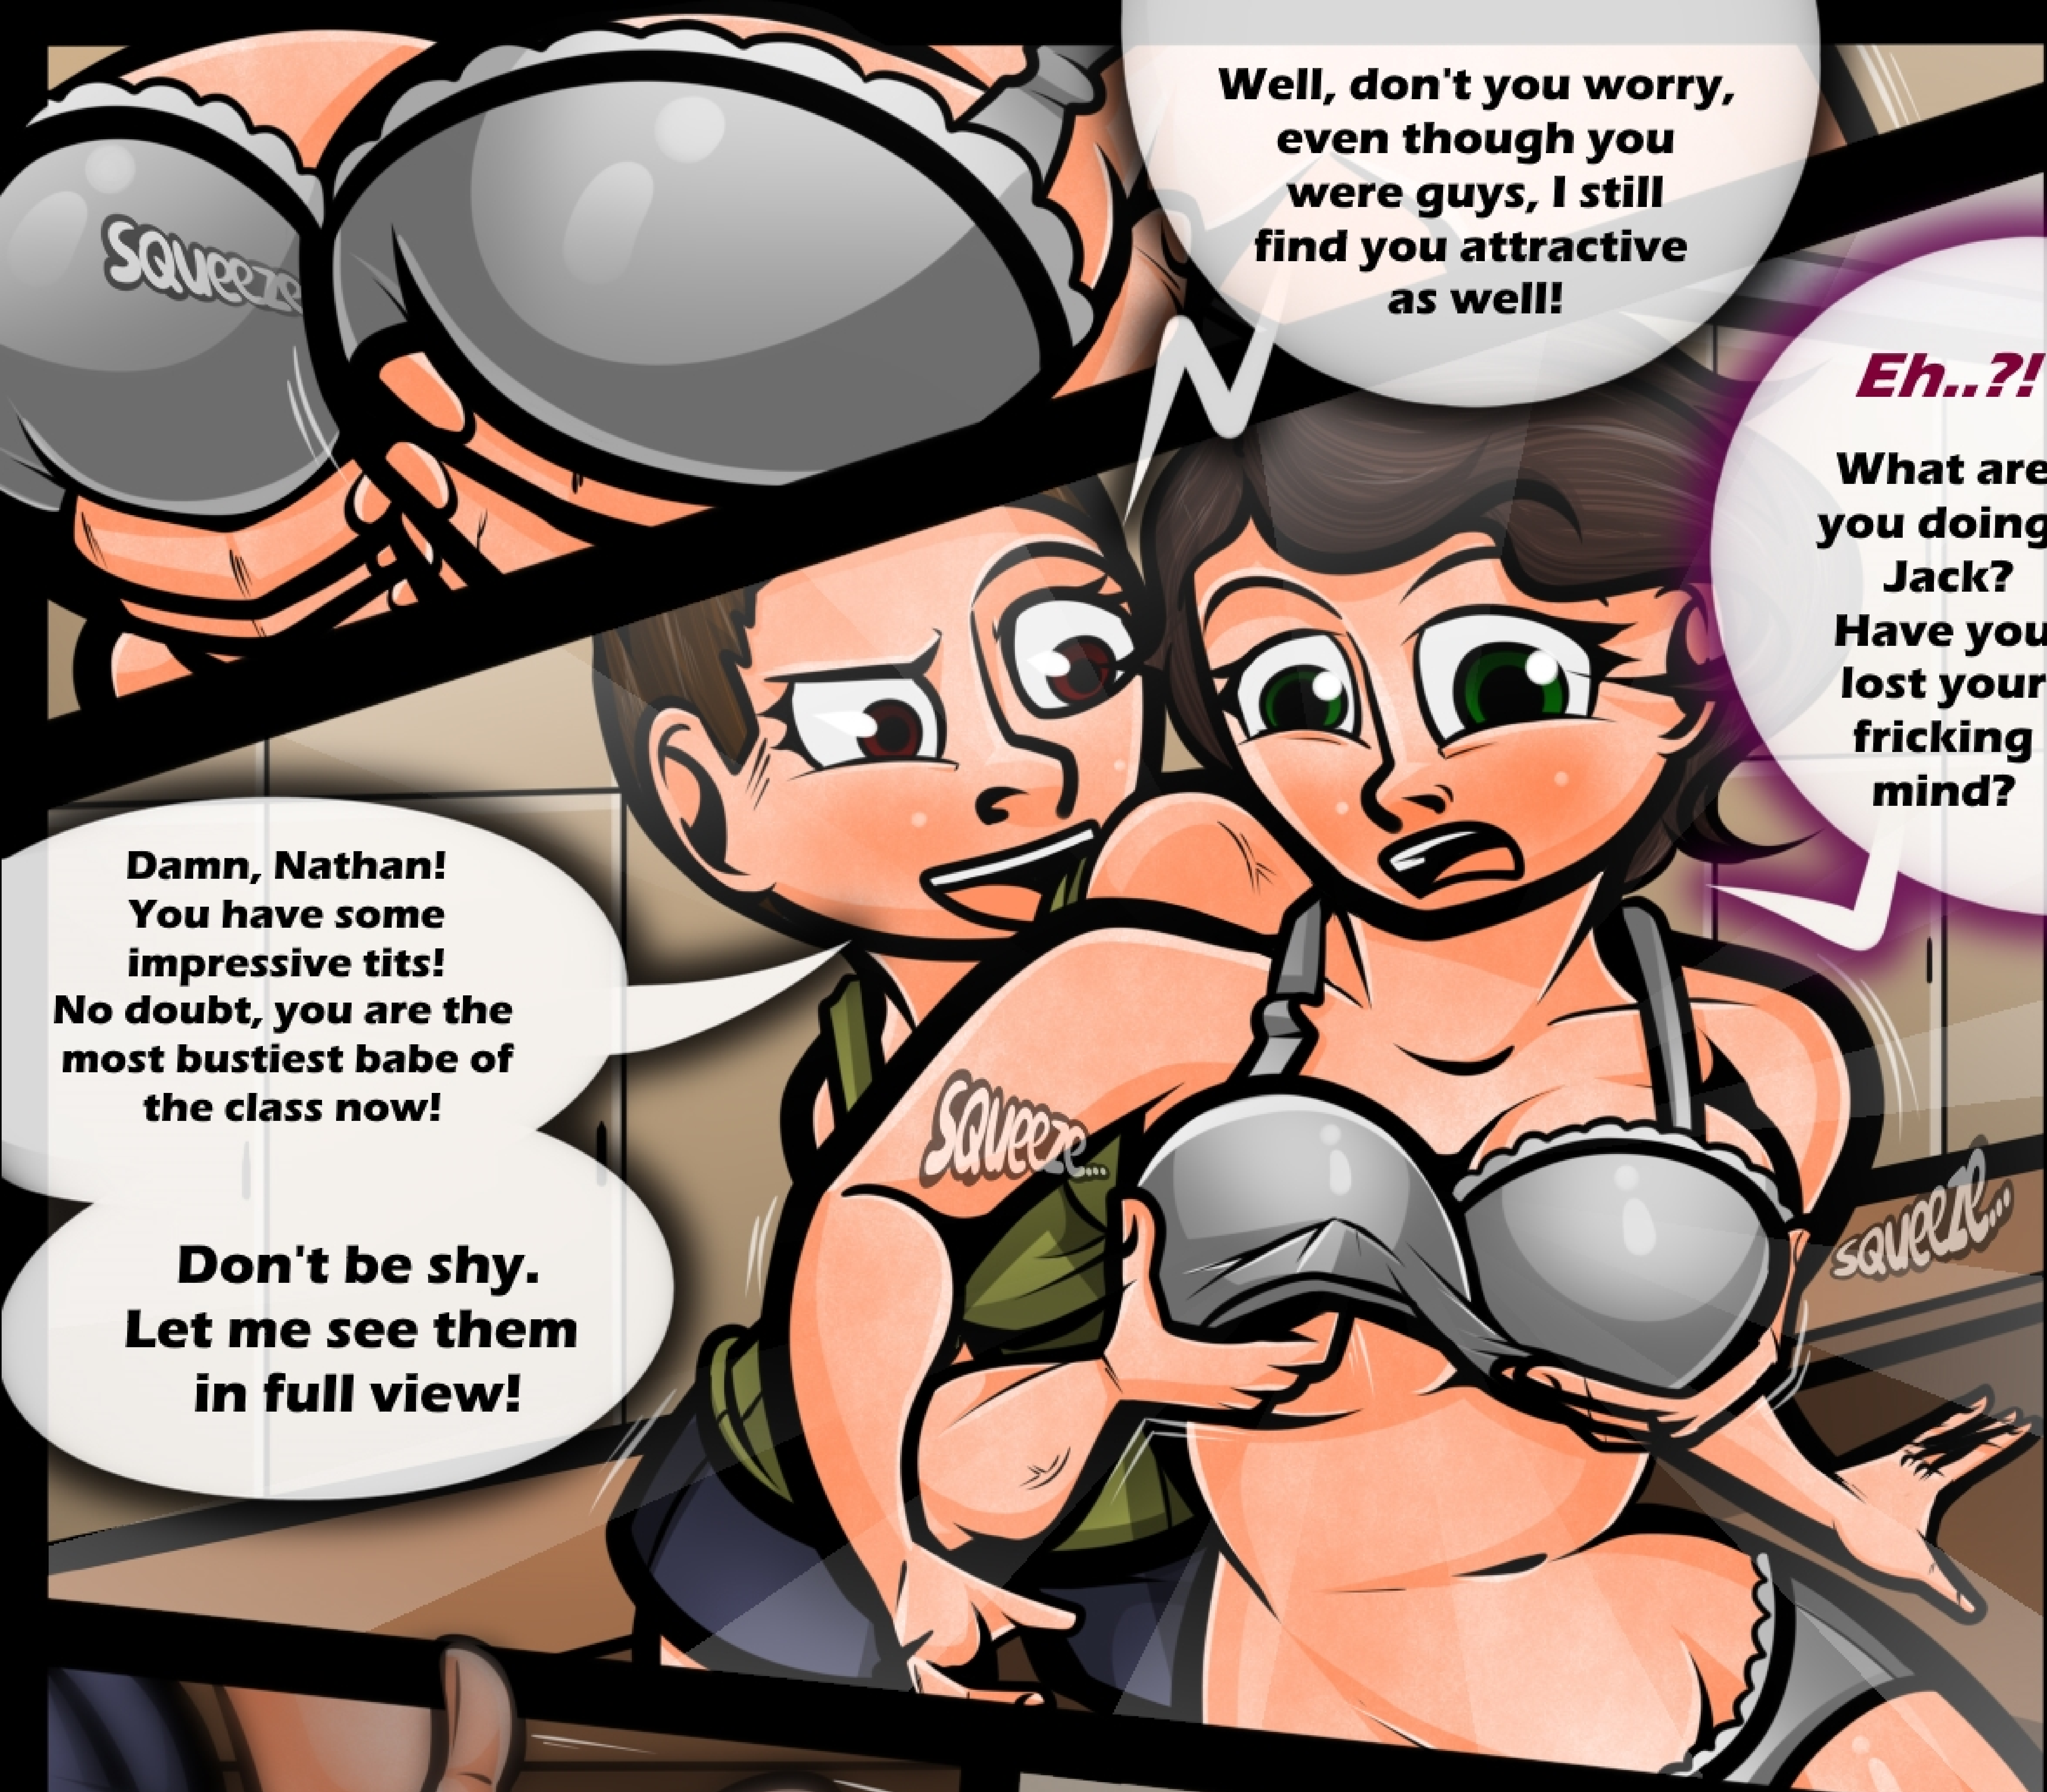

HA HA HA! You chicks are just checking me out! So you do fall for manliness after all!

Does he really think himself as a dude?

Okay...

Uhm...

Well, don't you worry, even though you were guys, I still find you attractive as well!

**Eh...?!**  
What are you doing, Jack? Have you lost your fucking mind?

Damn, Nathan! You have some impressive tits! No doubt, you are the most bustiest babe of the class now!

Don't be shy. Let me see them in full view!

**WHAT THE HELL WERE YOU DOING? DON'T SLAP MY BACK LIKE THAT!**

Wow Jack. You certainly have a junk in the trunk!

*is this going to be a fight?*

Ha ha! You even squeeled like a girl!

**Ah!**

**SLAP!**

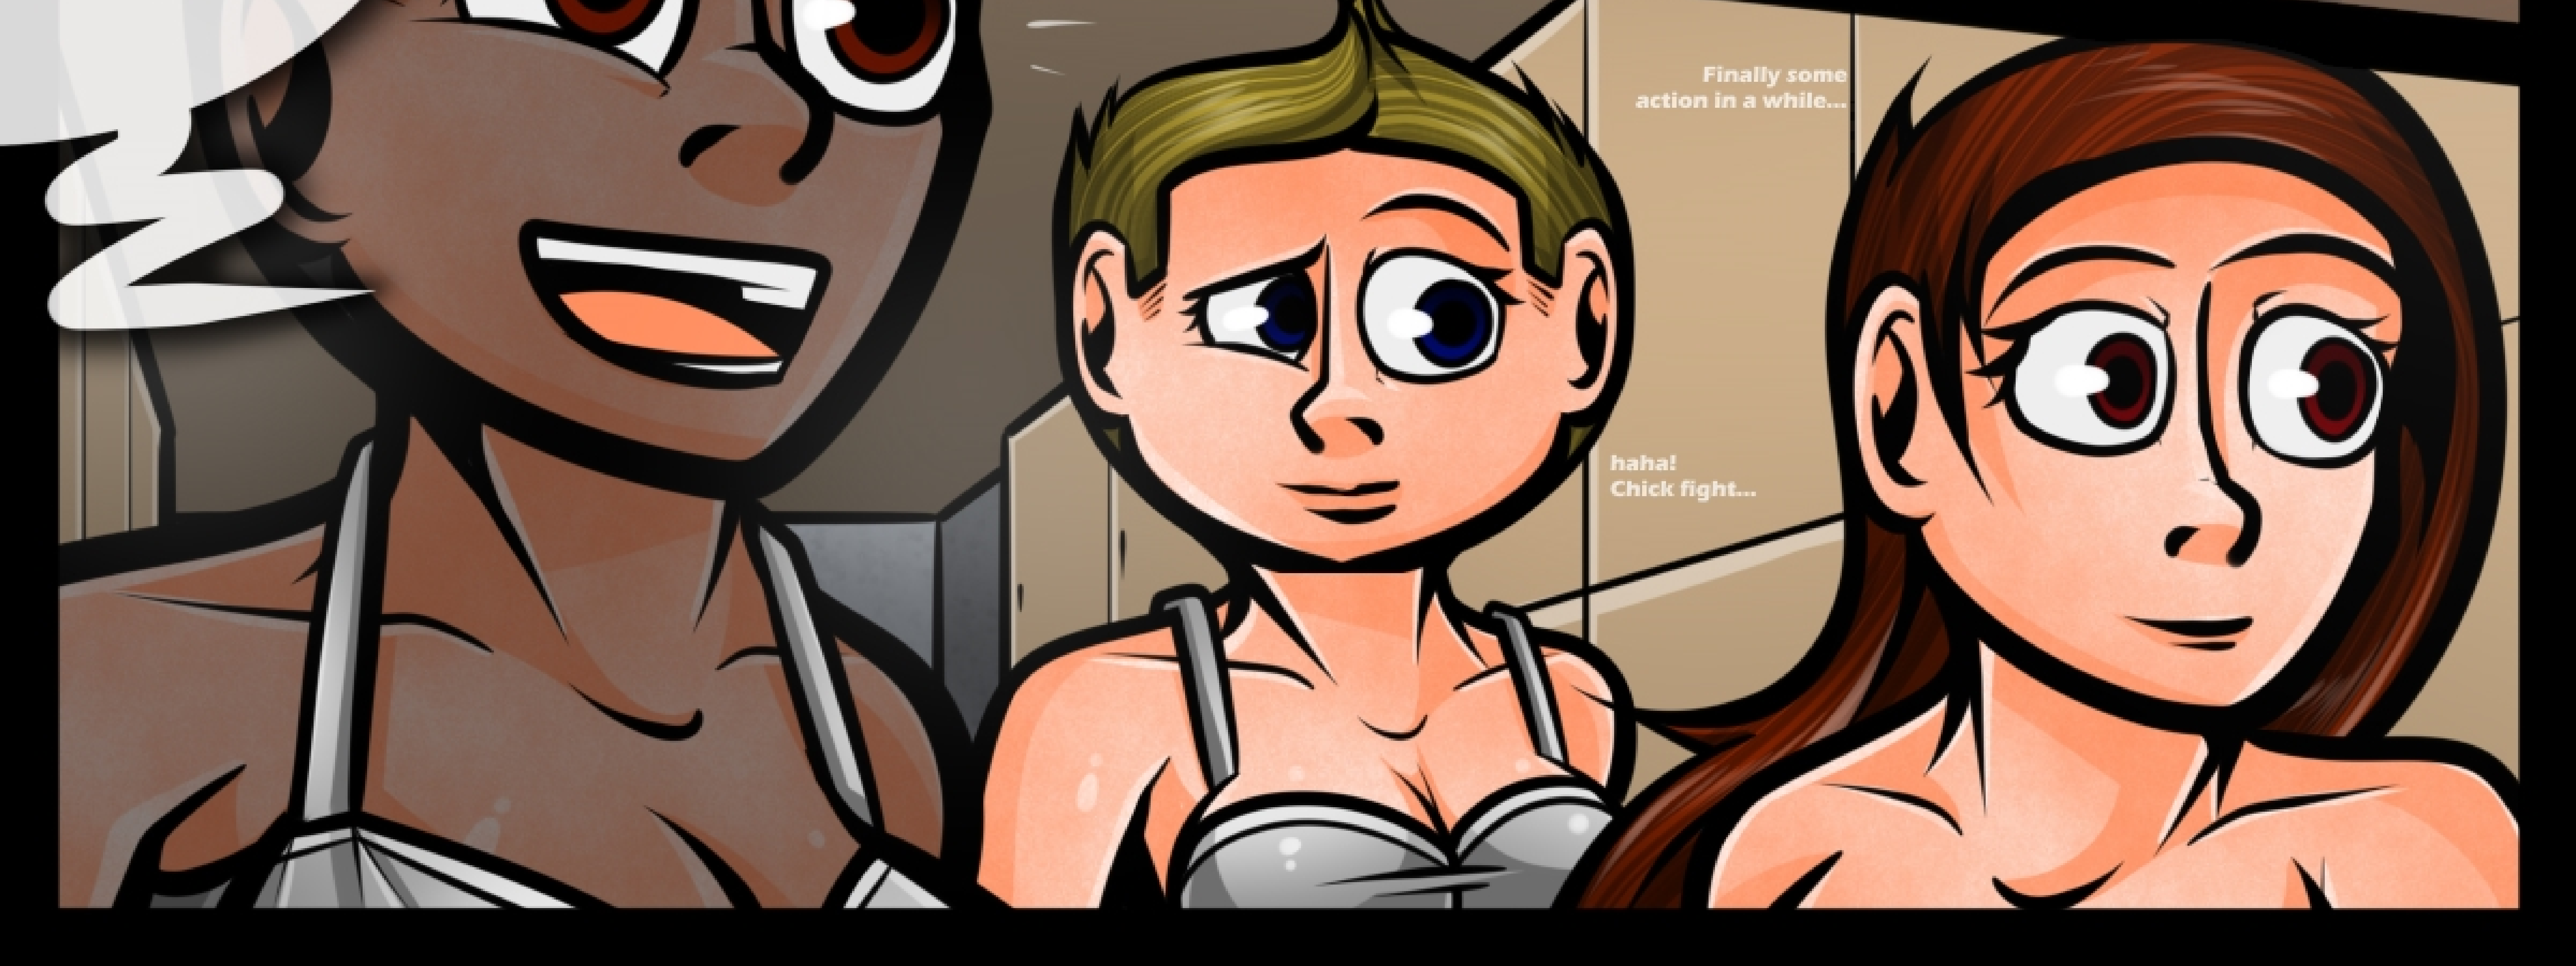

Let's see how you will squeel when you feel this fist on your face!

Shut the hell up!

Aha Jacky girl, you forgot to realize... that you fight like a girl now!

Christon and 'Angry Jack' are fighting... awesome!

Finally some action in a while...

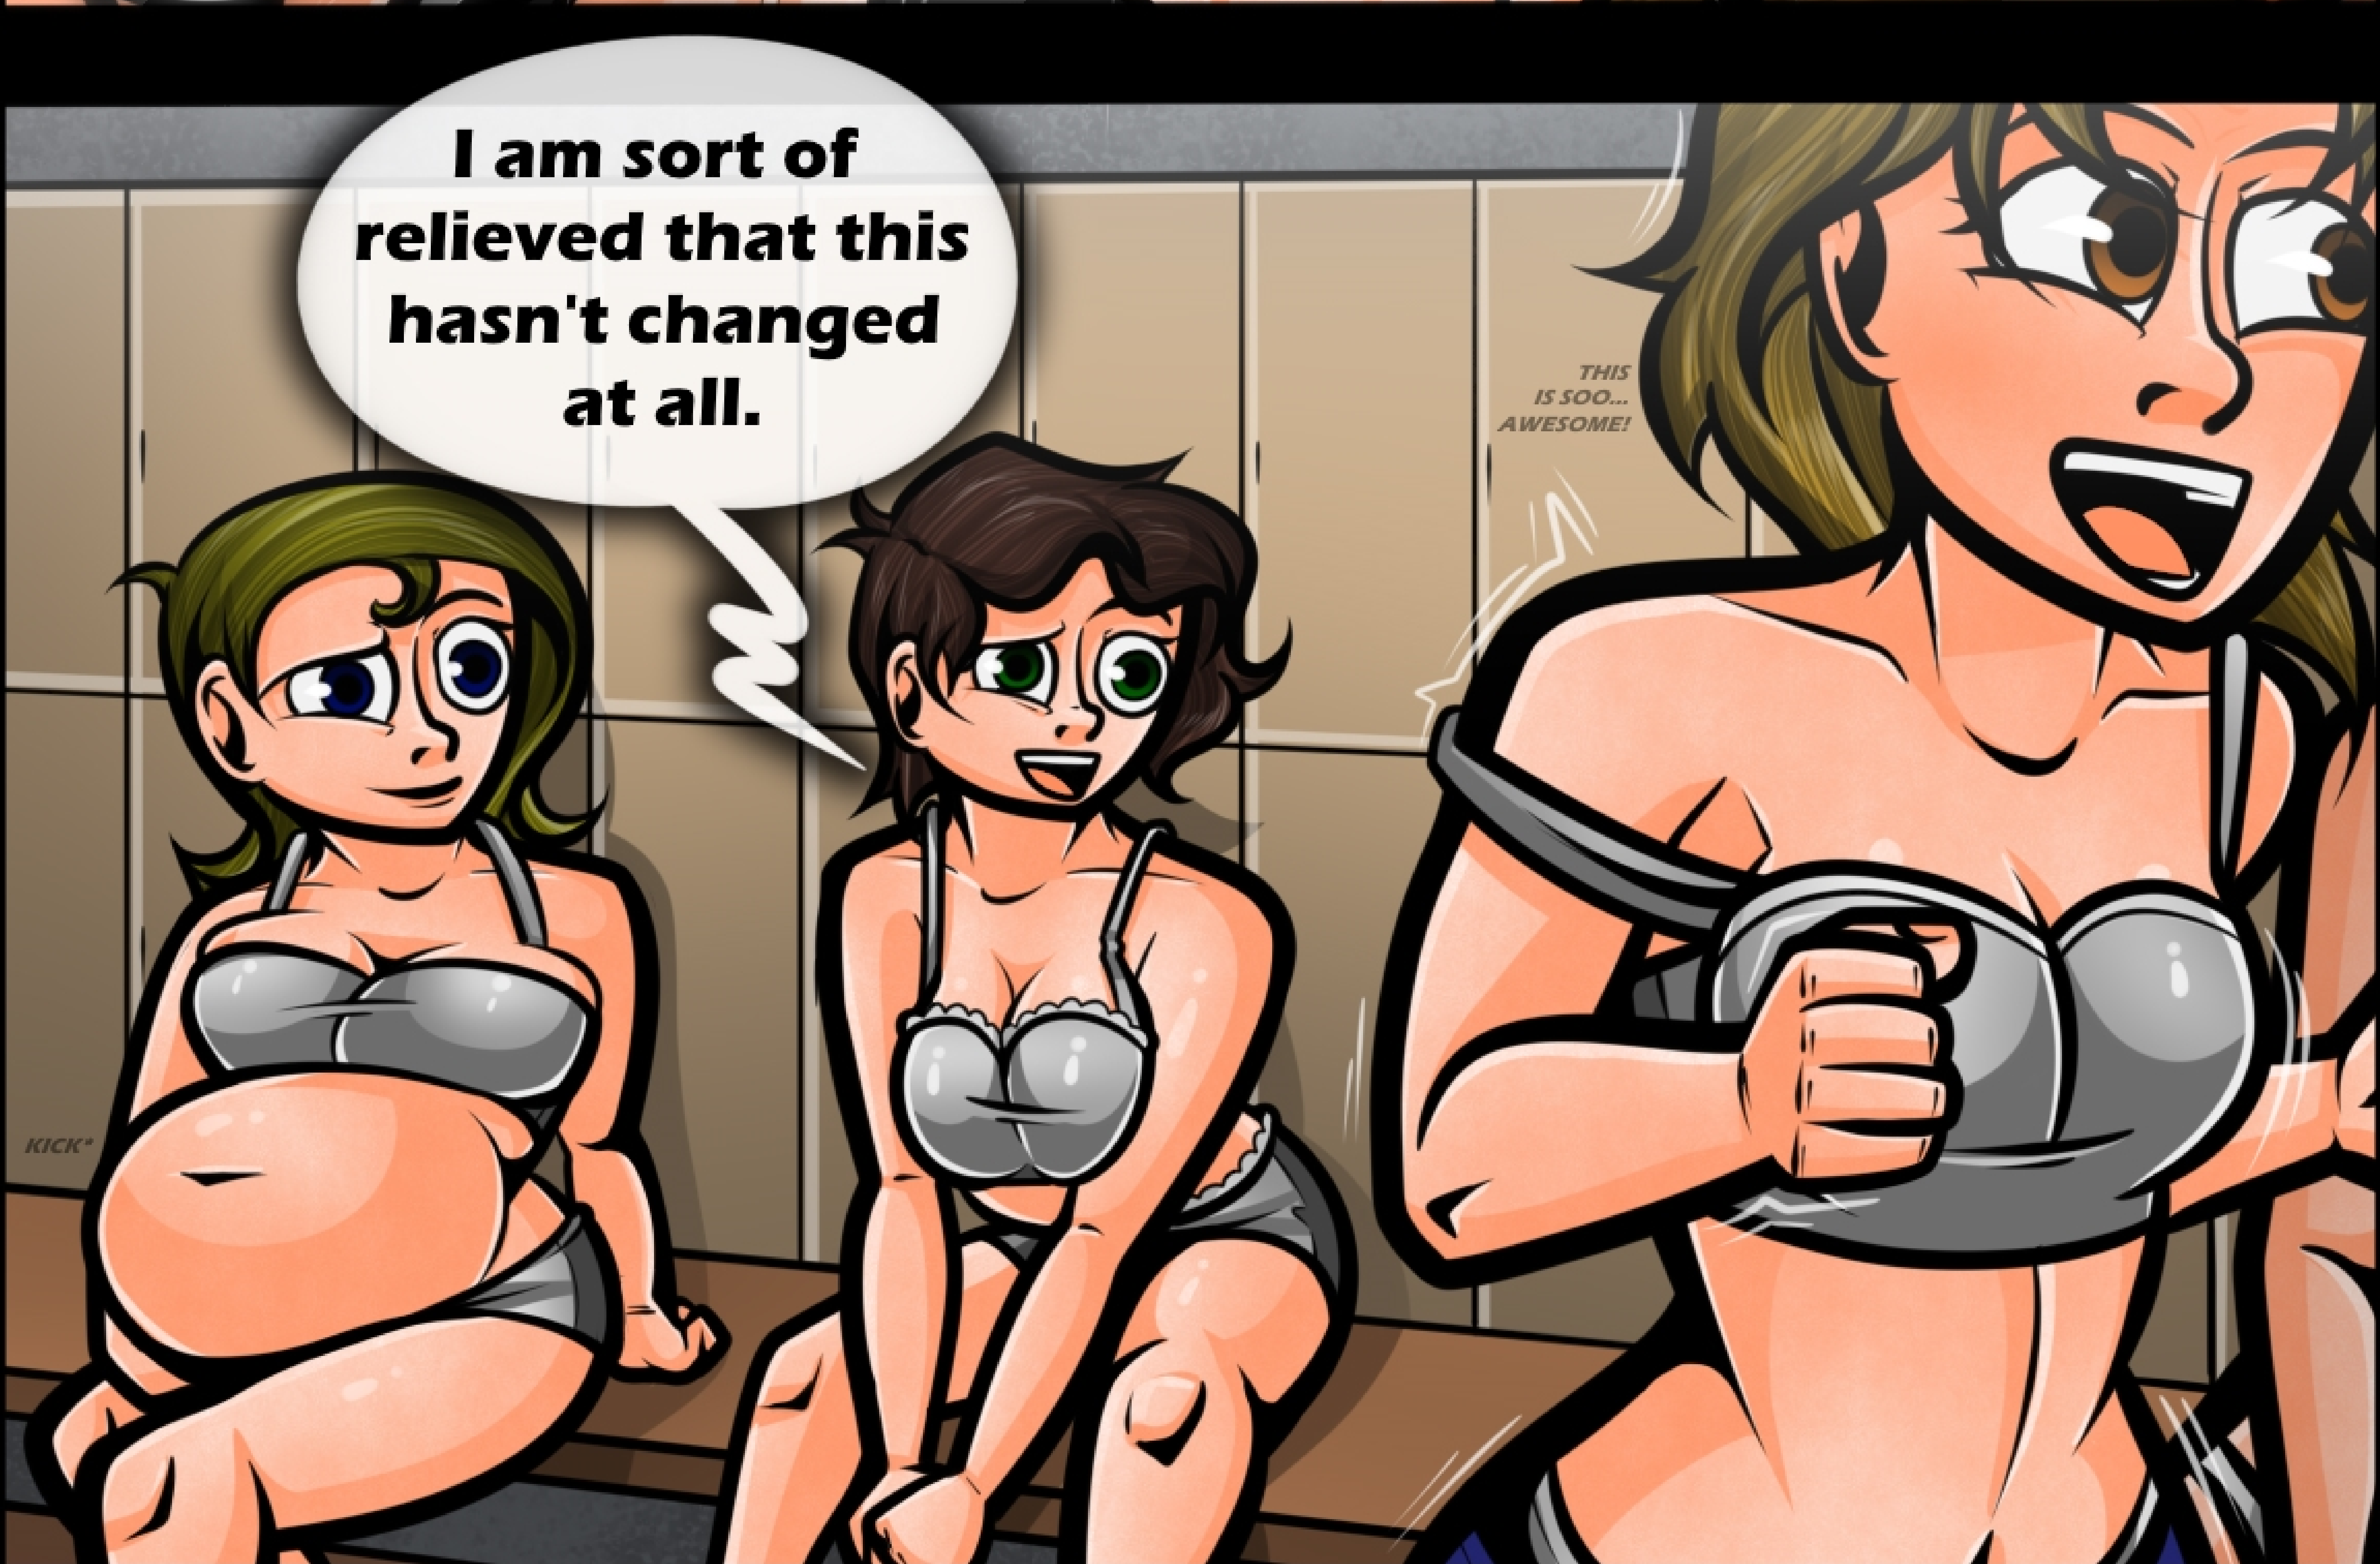

haha! Chick fight...

**Look at this Jacky.  
Everyone is  
witnessing...**

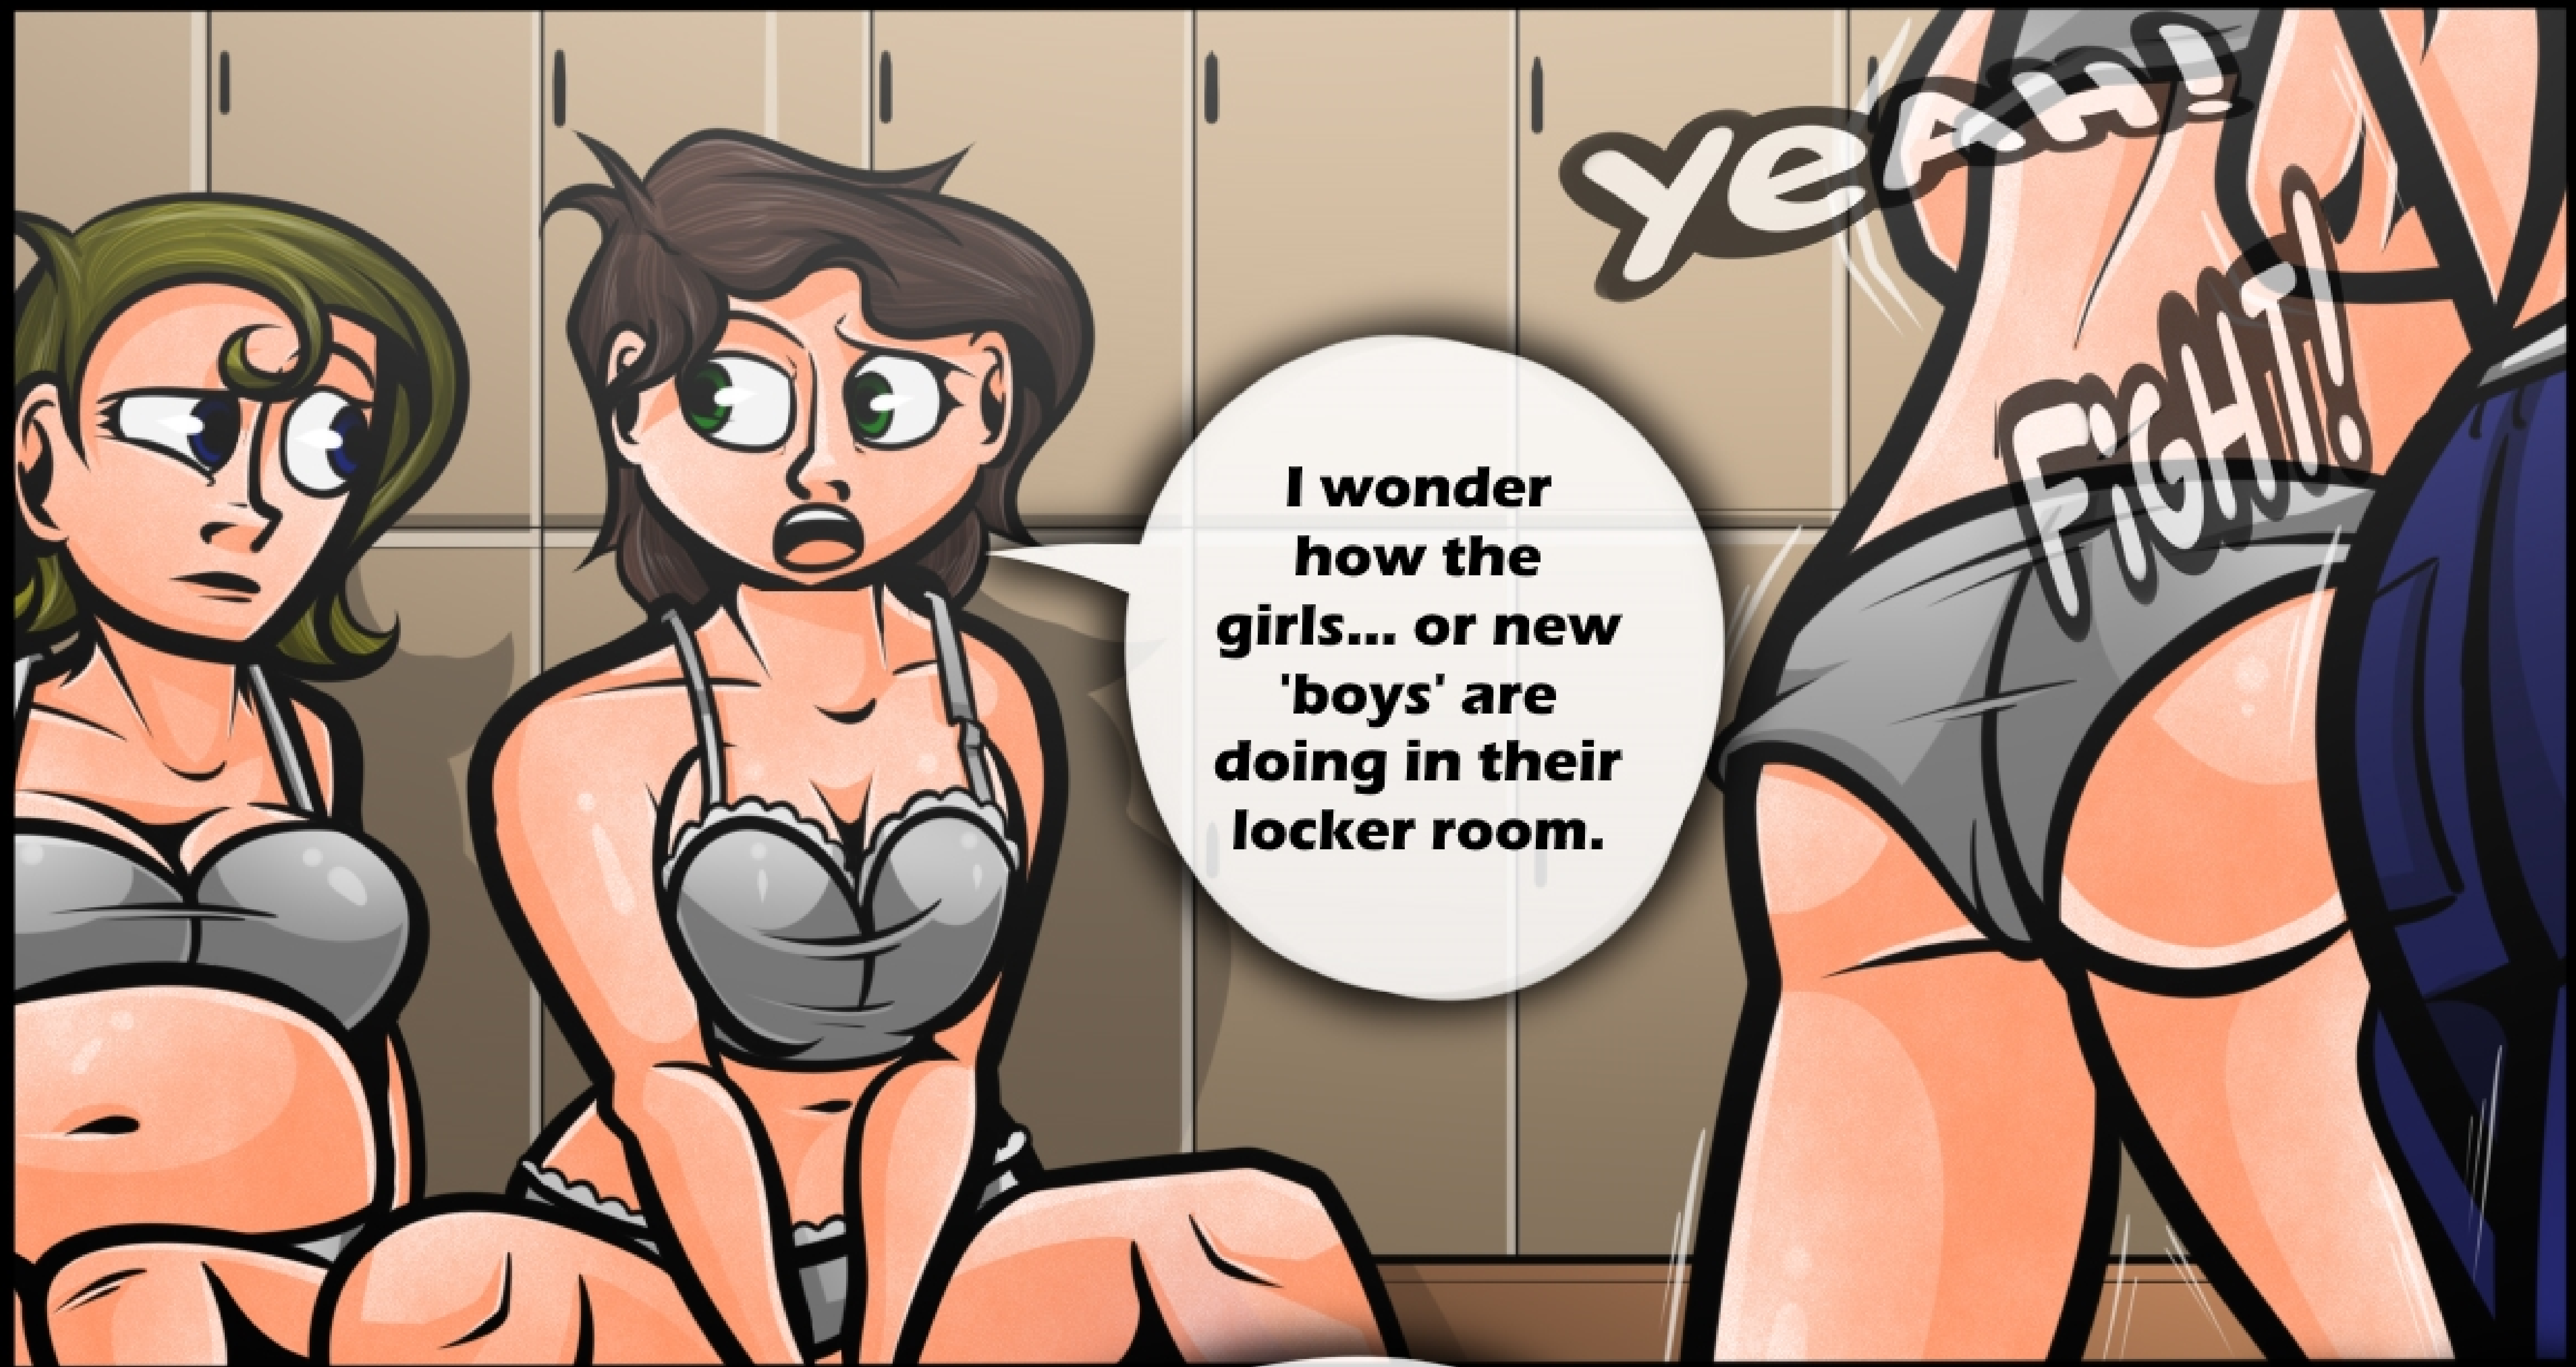

**how  
I'll kick  
your girly  
ass!**

**I am sort of  
relieved that this  
hasn't changed  
at all.**

*THIS  
IS SOO...  
AWESOME!*

I wonder how the girls... or new 'boys' are doing in their locker room.

yeha!

FIGHT!

Meanwhile at the boys' locker room...

Before the Wave: Male  
After the Wave: Male

Come on gals, just because I wasn't a girl before the wave, doesn't mean I don't belong here...

YES IT DOES! GO AWAY!

Jeez...

Aren't we little tiny bit extreme now?

NO!
