

the  
**GENDER  
WAVE**

Step aside.  
She has the time of the month.

LET ME  
THROUGH!  
AARGH!!  
IT HURTS!

Duo to the sudden  
gender change to the world.  
The biological clock in  
ex-men were all alligned to the  
start. This caused the  
infamous...

...a mass  
synchronous  
menstruation  
period.

Jeesh...

**Please...  
calm down.**

**News reports  
claims that  
drugstores were  
overcrowded...**

**and advised  
ex-women to help  
their ex-men  
neighbours.**

**Almost 95% of  
the ex-men who  
are in fertile age,  
got the period.**

**eh?!**

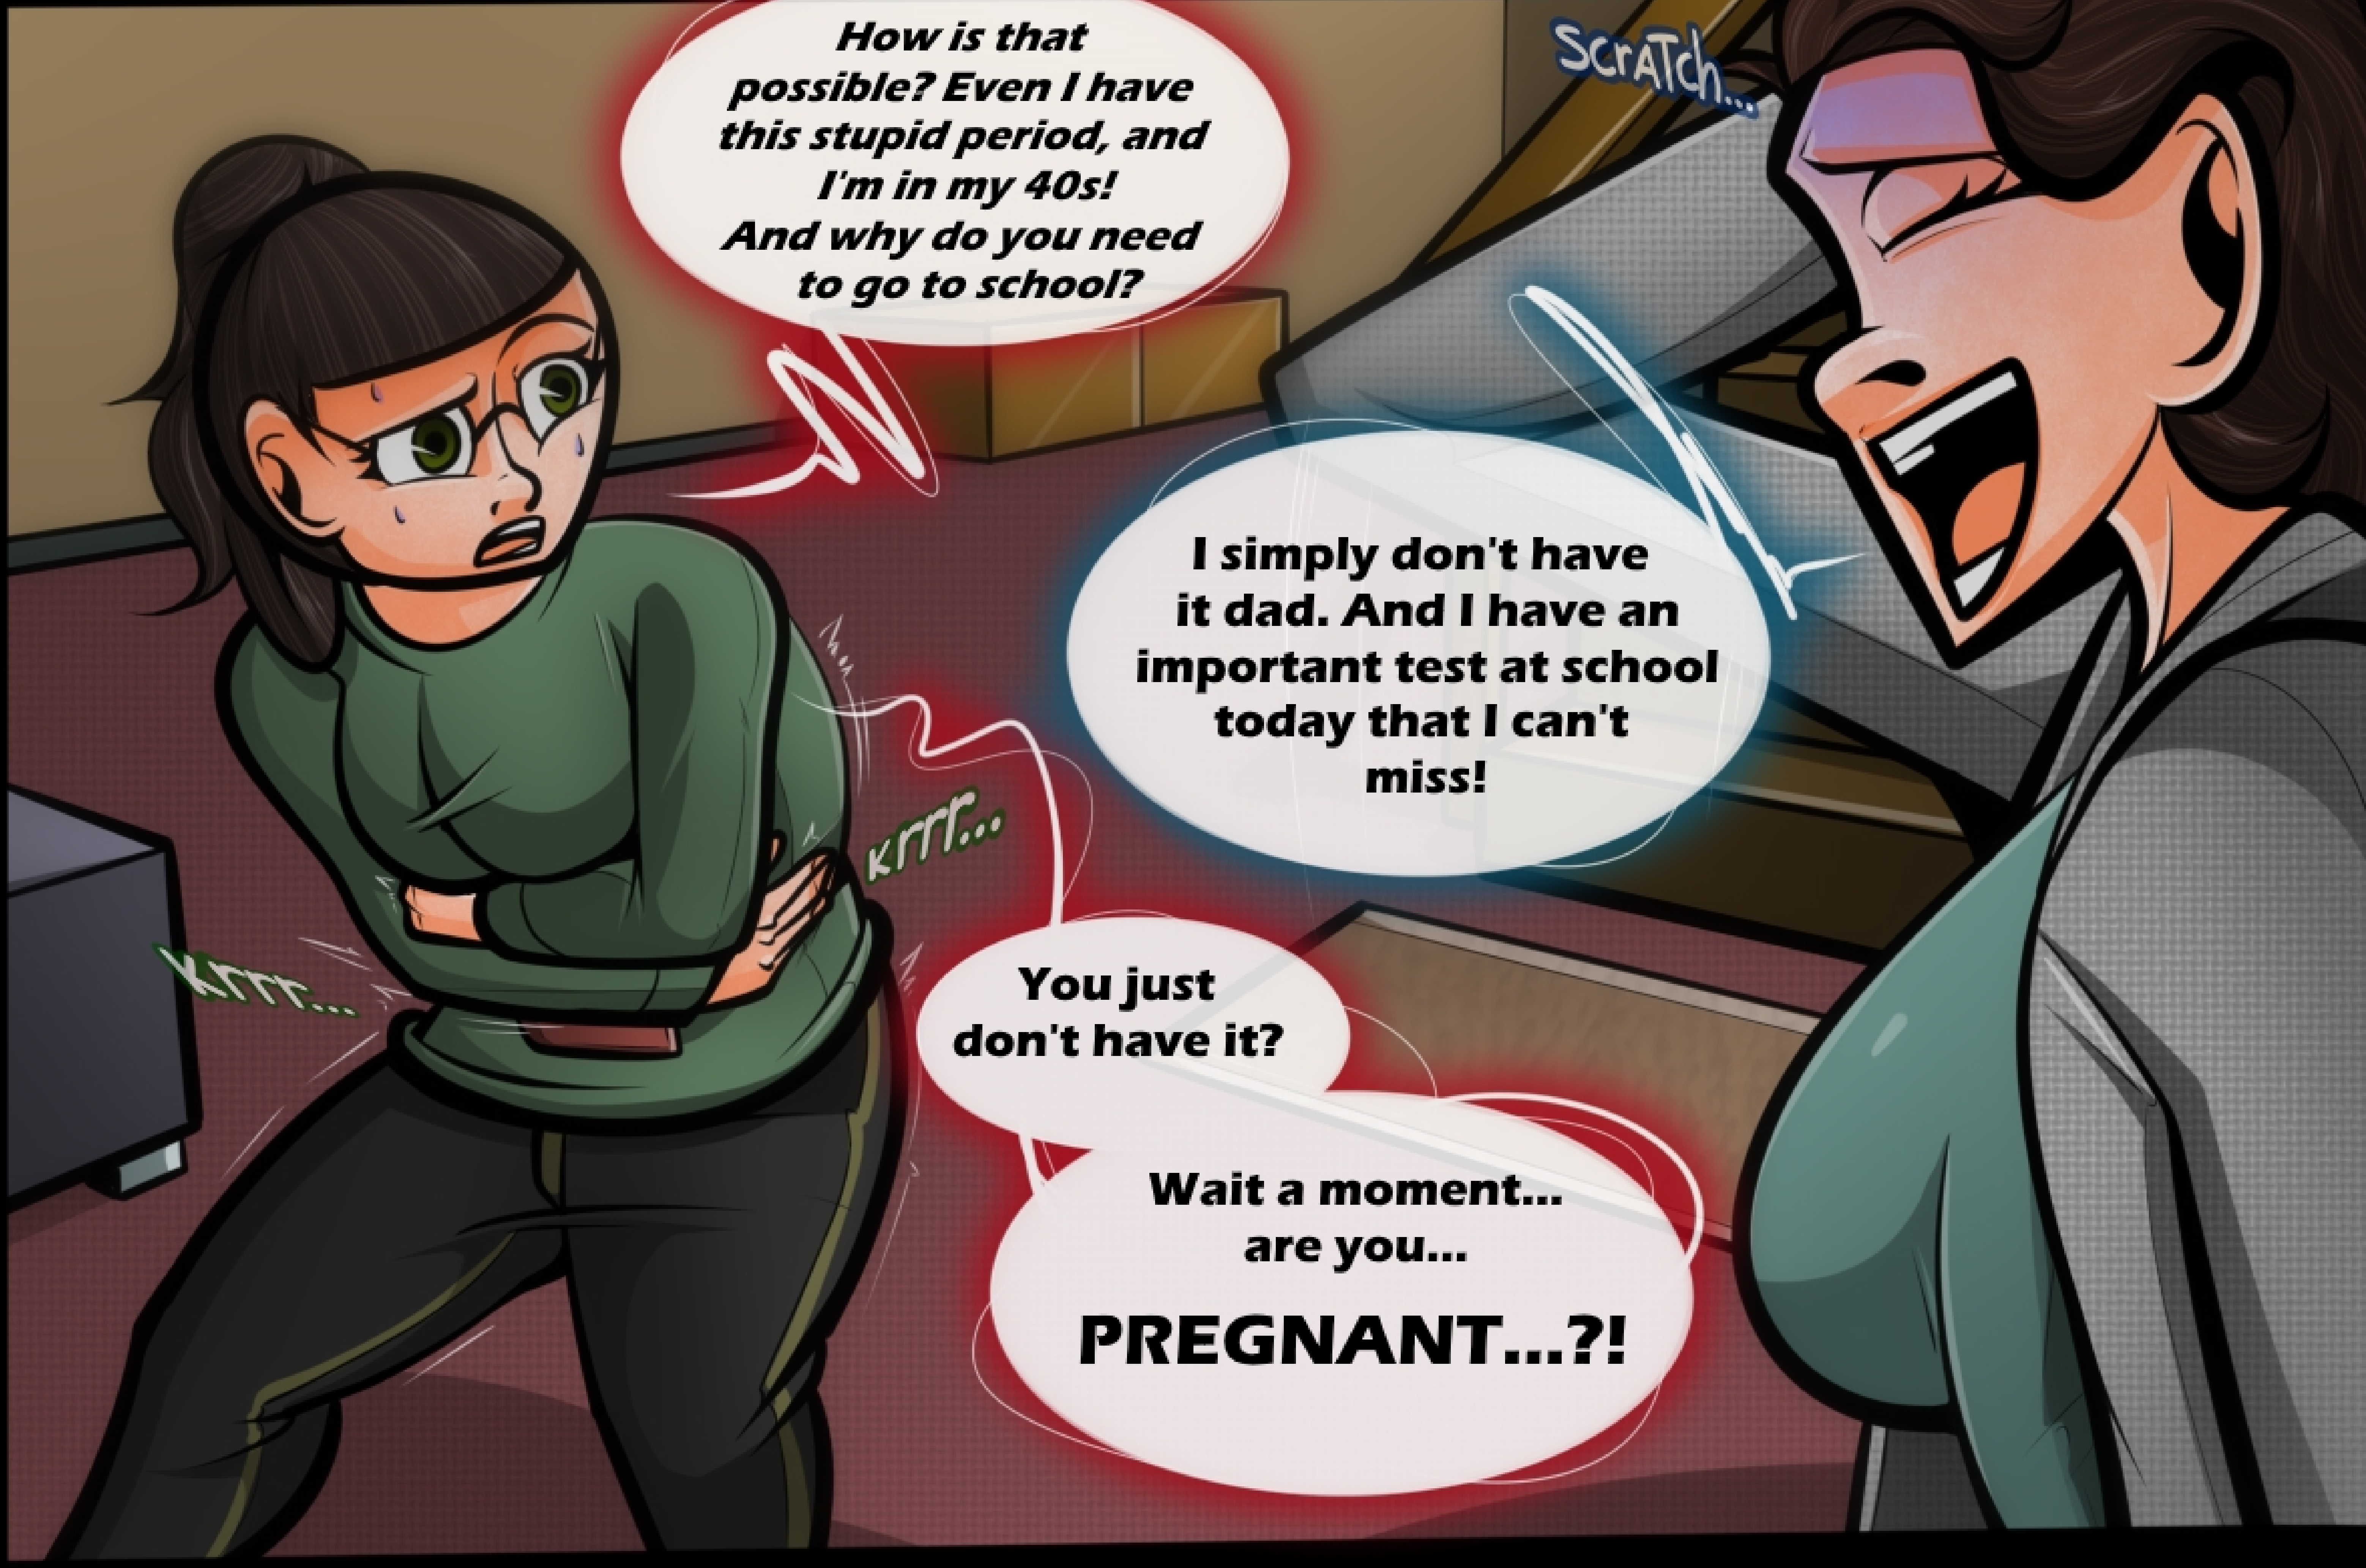

**urgh...**

**AAH!**

Hihi!  
Luckily I'm the 5% who doesn't have it today! I see you later dad!

WHAT...?!

How is that possible? Even I have this stupid period, and I'm in my 40s! And why do you need to go to school?

I simply don't have it dad. And I have an important test at school today that I can't miss!

You just don't have it?

Wait a moment... are you... **PREGNANT...?!**

WOOSH!

Sigh...  
Thank you that you have so much faith in me! I'll be going now...

WAIT...

**Nathan!  
You forgot  
something!**

Huh...

**What is it,  
dad? Or  
should I now  
say moo...**

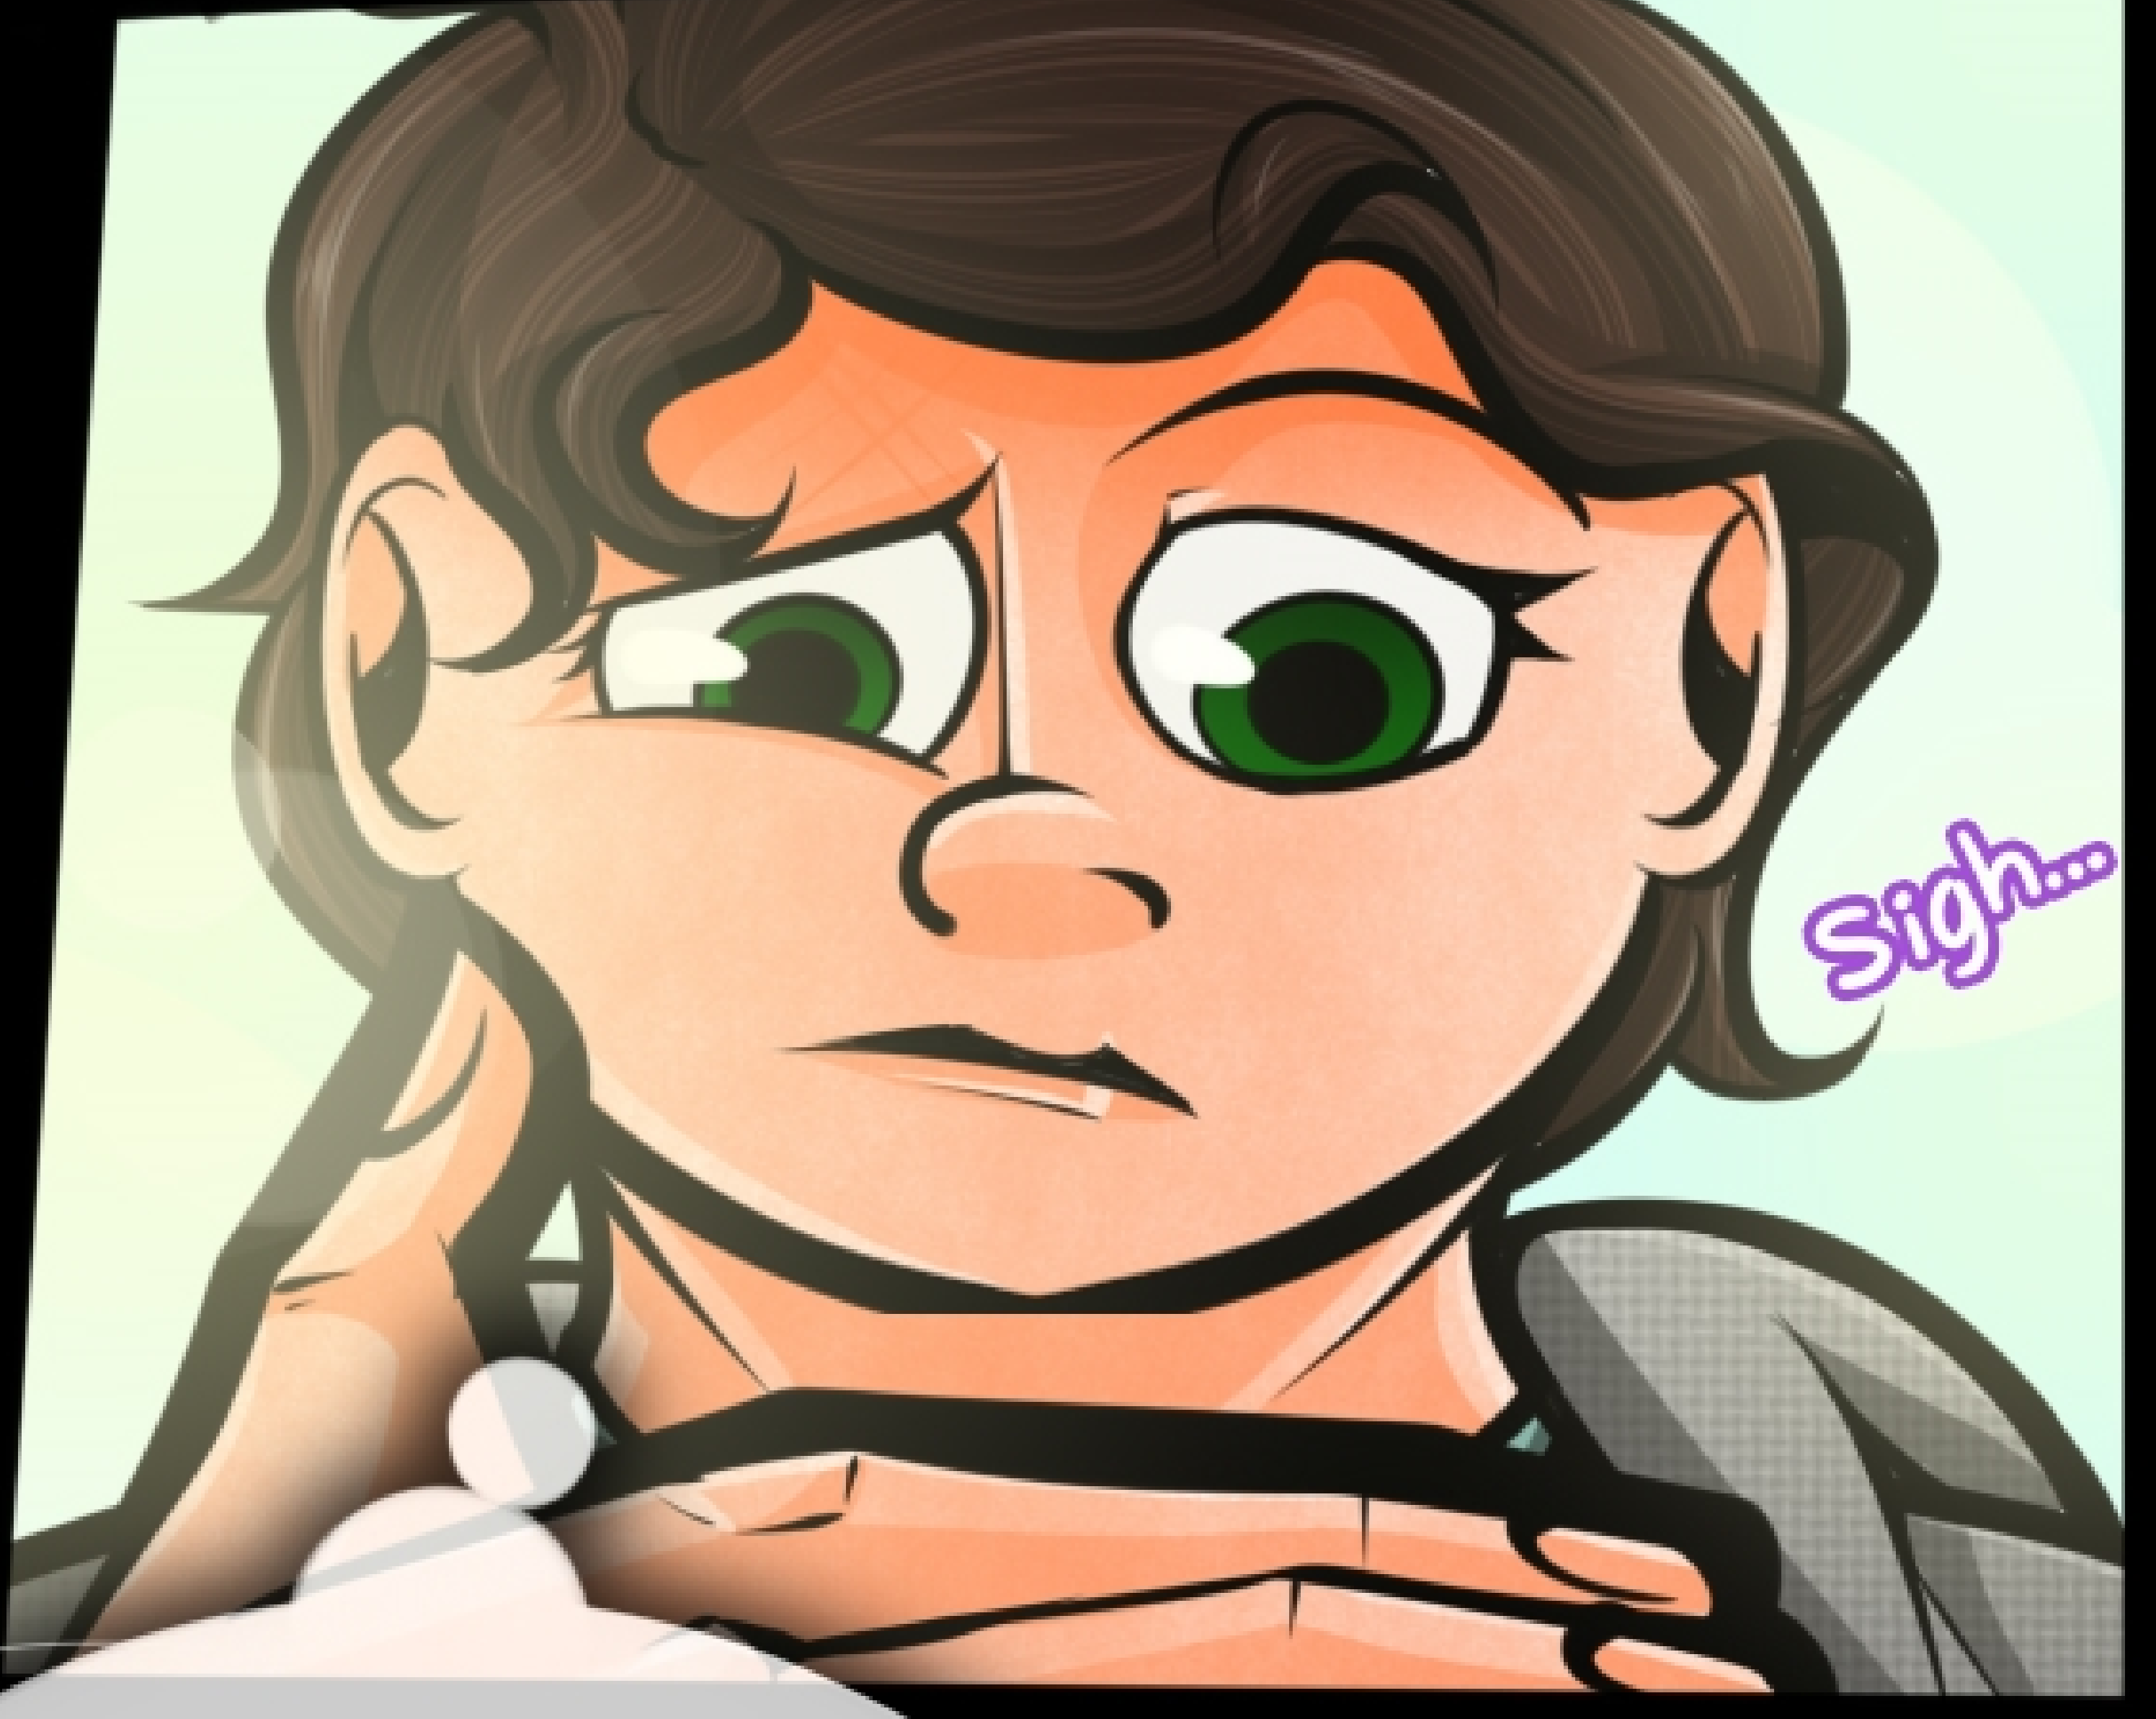

**BAM!**

OUGH!

**I know you  
went to Sam.  
I hope that you  
get your cramps  
today and that you  
don't forget to use  
this next time.**

Sigh...

**I hope I'll  
never have to  
use this...**

**Sure dad,  
I'll see  
you later...**

Later in the bus...

I should probably  
get rid of it,  
but I don't know  
where...

Huh...?

Aw...  
You're just too  
cute to be true!  
Infants aren't normally  
that happy when they  
see me haha!

Why doesn't this  
thing work?!

MAMA!

ZAP

Boing!

Oh...

Well that explains it's happiness... Great...

Huh? What is that over there?

ma... ma!

Regain your old...

wow!  
I don't know...  
I can become a woman again?

Regain your old GENDER!

just a simple sex reassignment surgery!  
Now for only 5000 dollars!

Warning, the operations aren't done by a professional surgeon and may cause physical damage to the body.

**GENDER?!**

But... how?

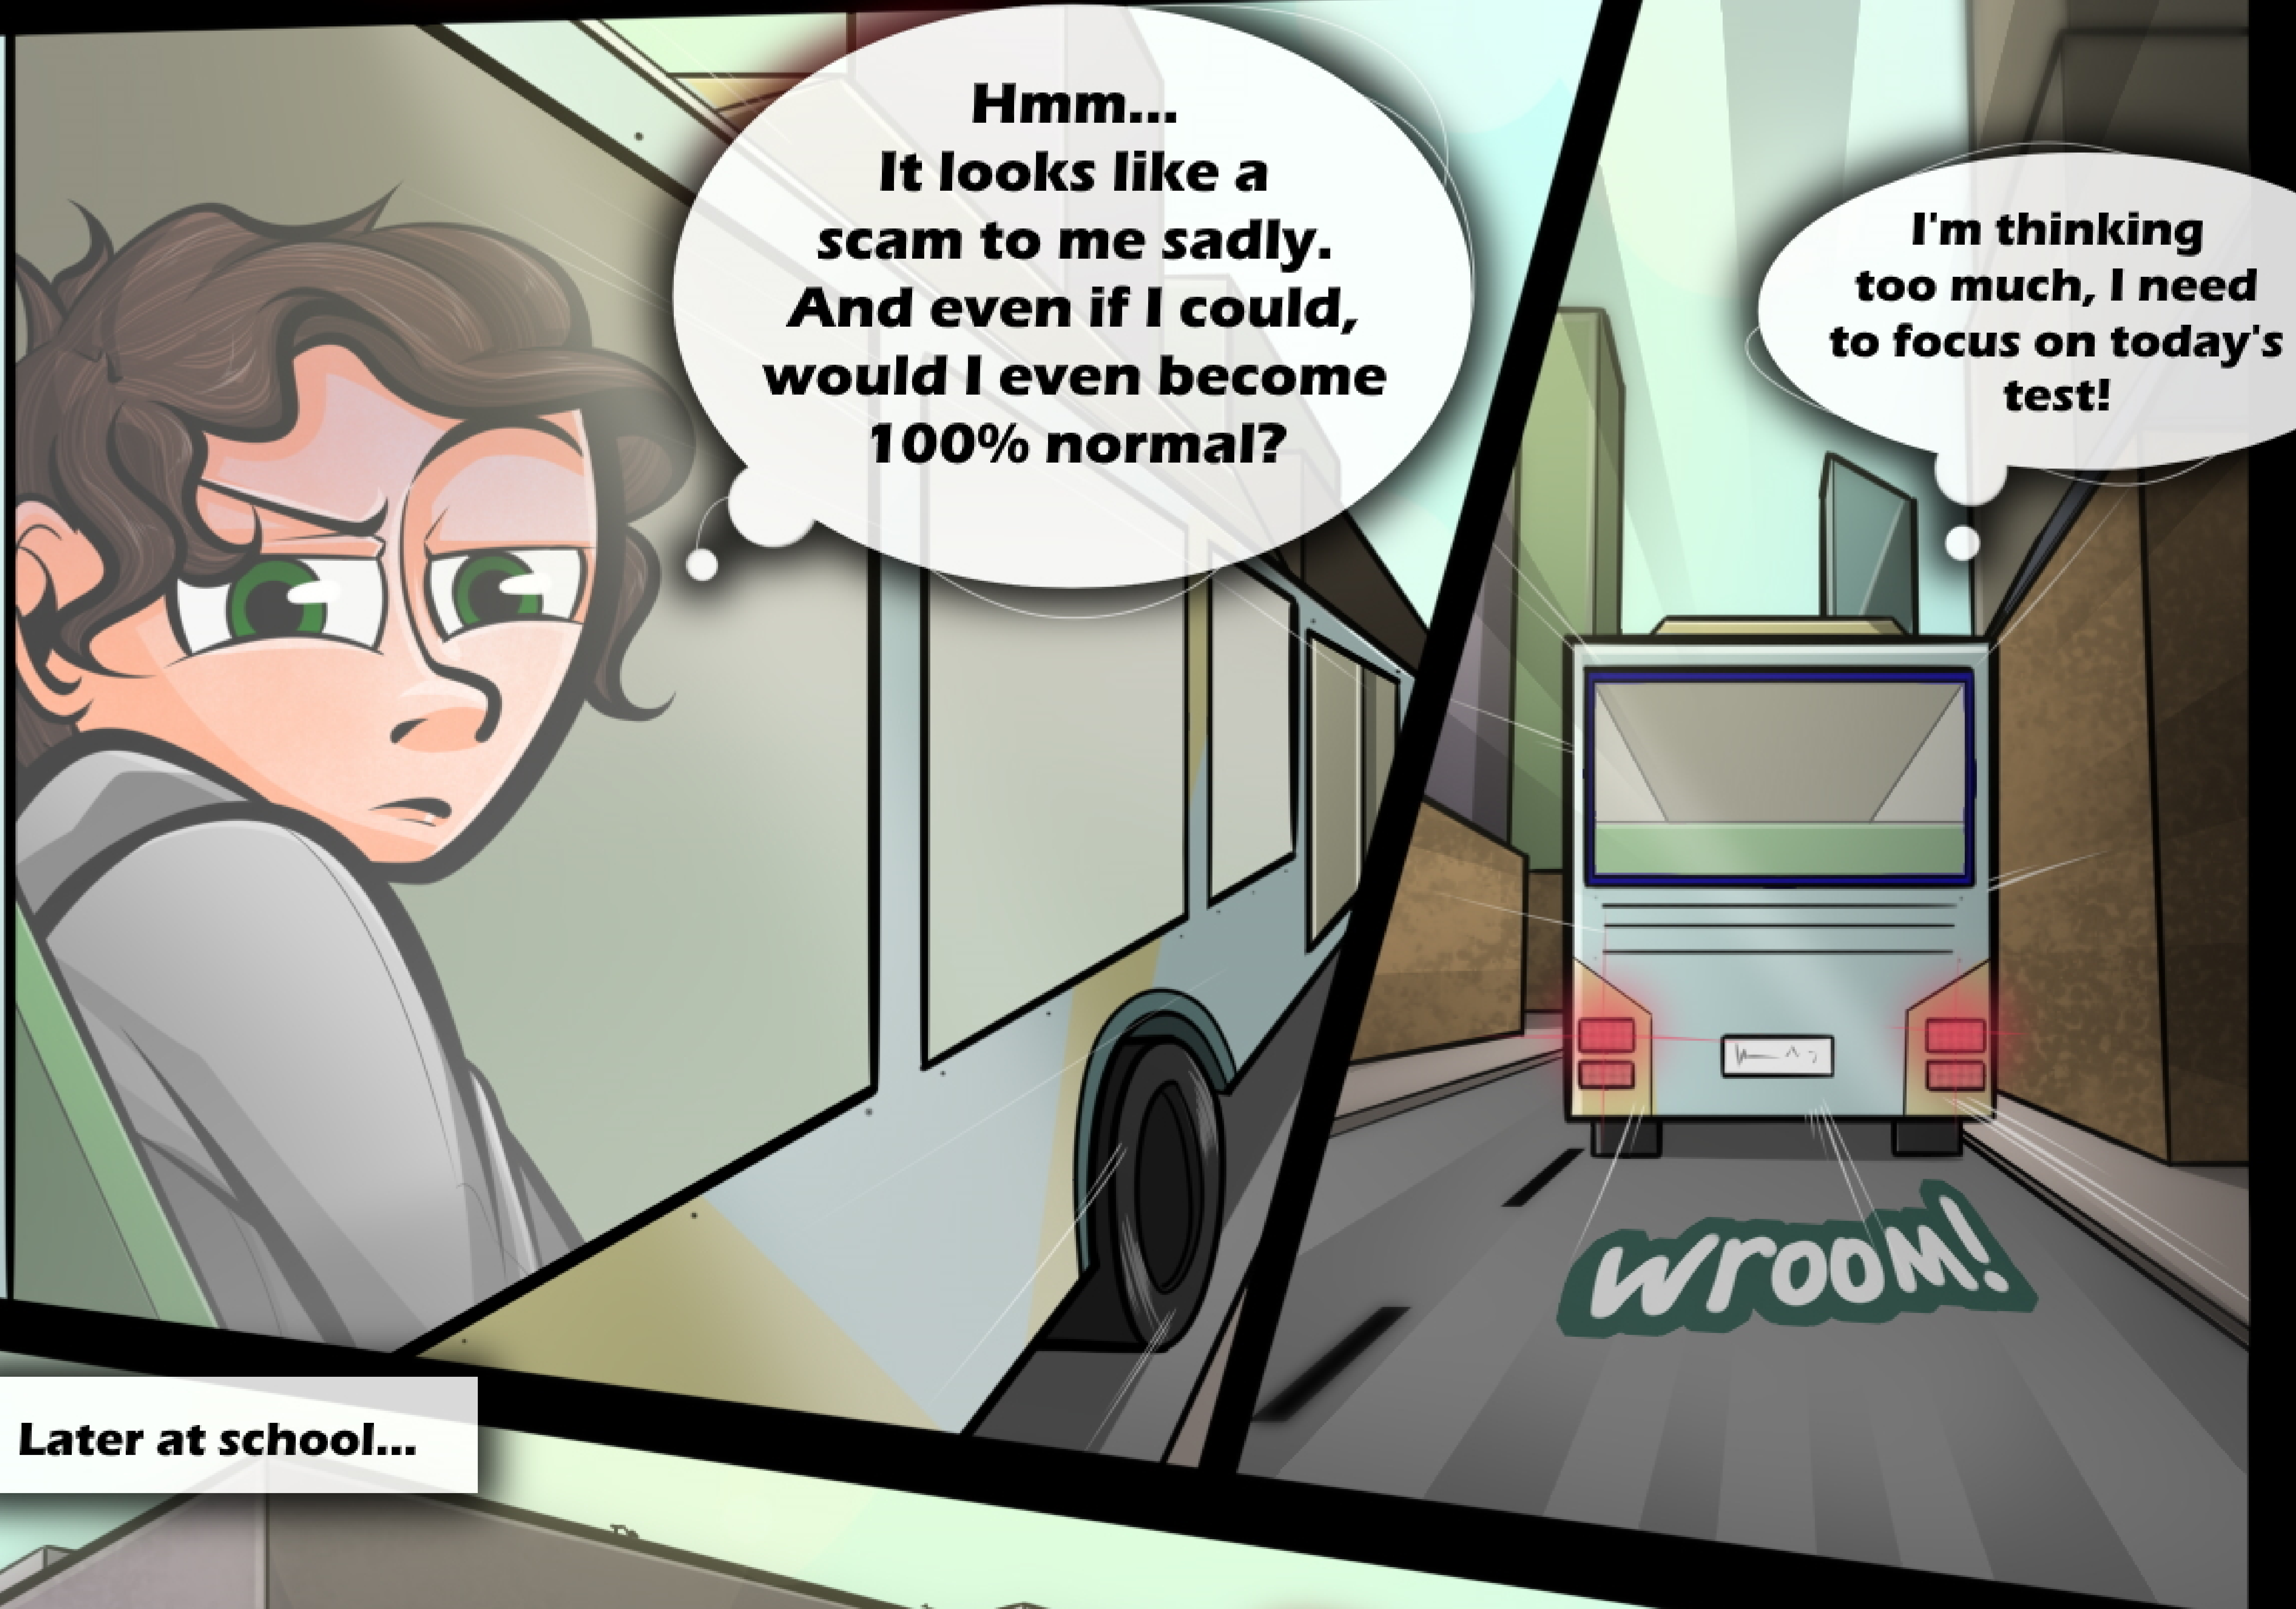

Hmmm....

SHAKE!  
Regain your old GENDER!  
CHEAP!  
With just a simple sex reassignment surgery!  
Now for only 5000 dollars!  
Warning, the operations aren't done by a professional surgeon and may cause physical damage to the body.

Our people have already reversed the genders of over hundreds of people. Go on! Become your old self again before the price sky rockets!

So, yeah...

Hmm...  
It looks like a scam to me sadly.  
And even if I could,  
would I even become  
100% normal?

I'm thinking  
too much, I need  
to focus on today's  
test!

WROOM!

Later at school...

Nathan, why  
are you here?

**What od you mean? I'm here for the school test.**

**Haven't you heard the news? Almost all the female students called sick because of the synchronious menstruation.**

**The test is canceled!**

**And I'm pretty sure you're also going to get the cramps. Everyone, lend her your tools for the period.**

**WHAT?!**  
**No... I don't need those, I already have those with...**

**Alright class, let's continue...**

*me...*

*Bling!*

*Bling!*

Duo to the absense of half the class, I'll repeat the subject of last lesson, namely the convergence of wave by the mathematic Joseph Forier...

**Psst... Sam...**  
Pretty crazy that I get so much stuff, isn't it? I don't even have the period, haha!

Hey Nathan...

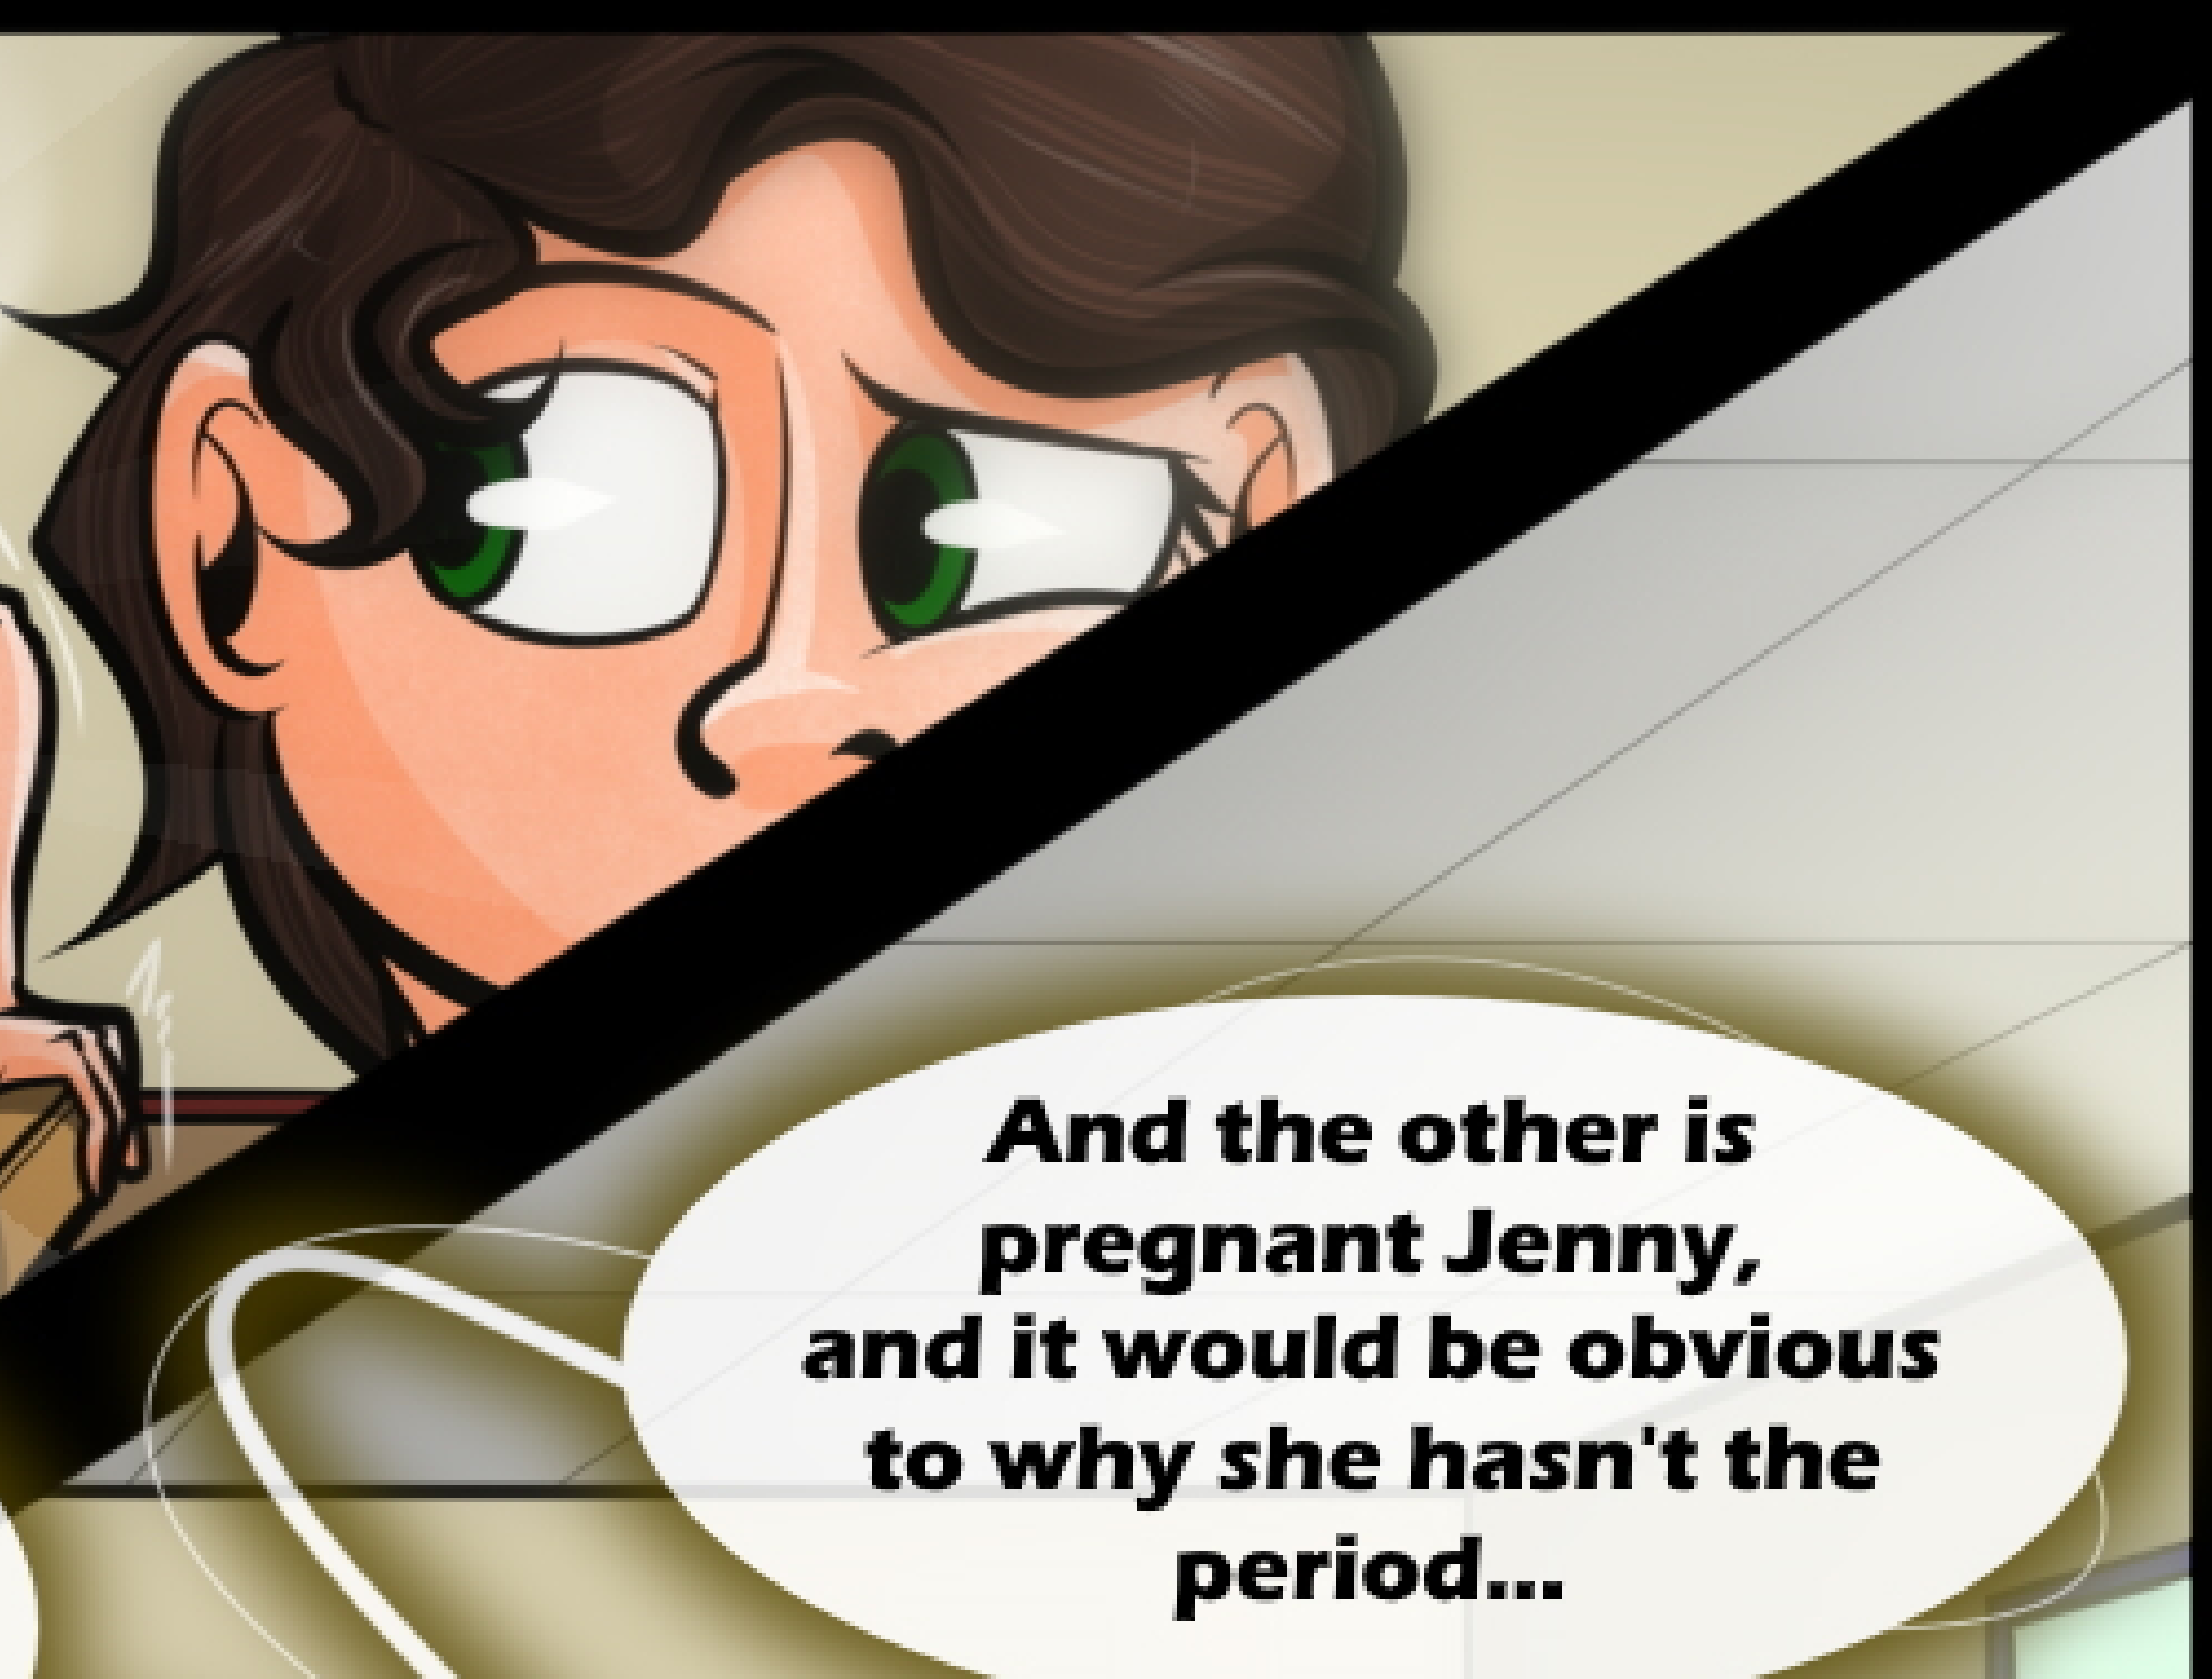

**It isn't something to underestimate! The pain is horrible! You should have stayed home.**

I mean, let's look at the girls showed up:

We have angry Jack, who as you can see, has the period but is trying to hide it because of his ego or masculinity.

And the other is pregnant Jenny, and it would be obvious to why she hasn't the period...

But how does that explain me? I'm still feeling fine. Maybe the Gender Wave didn't give me the menstruation cycle?

Can somebody explain to me what the function of this next curve is based of?

Teacher! Those are some saggy tities! HAHA!

Well, the female body is complex. But I must say the body of men is even more weirder!

That p... porn magazine you gave me in the weekend sort of... helped me.

What do you mean by that?

Still bigger than yours, Jacky!

You Jacked off...?!

WHAT DID YOU CALL ME?

Jack, don't make such crude remarks!

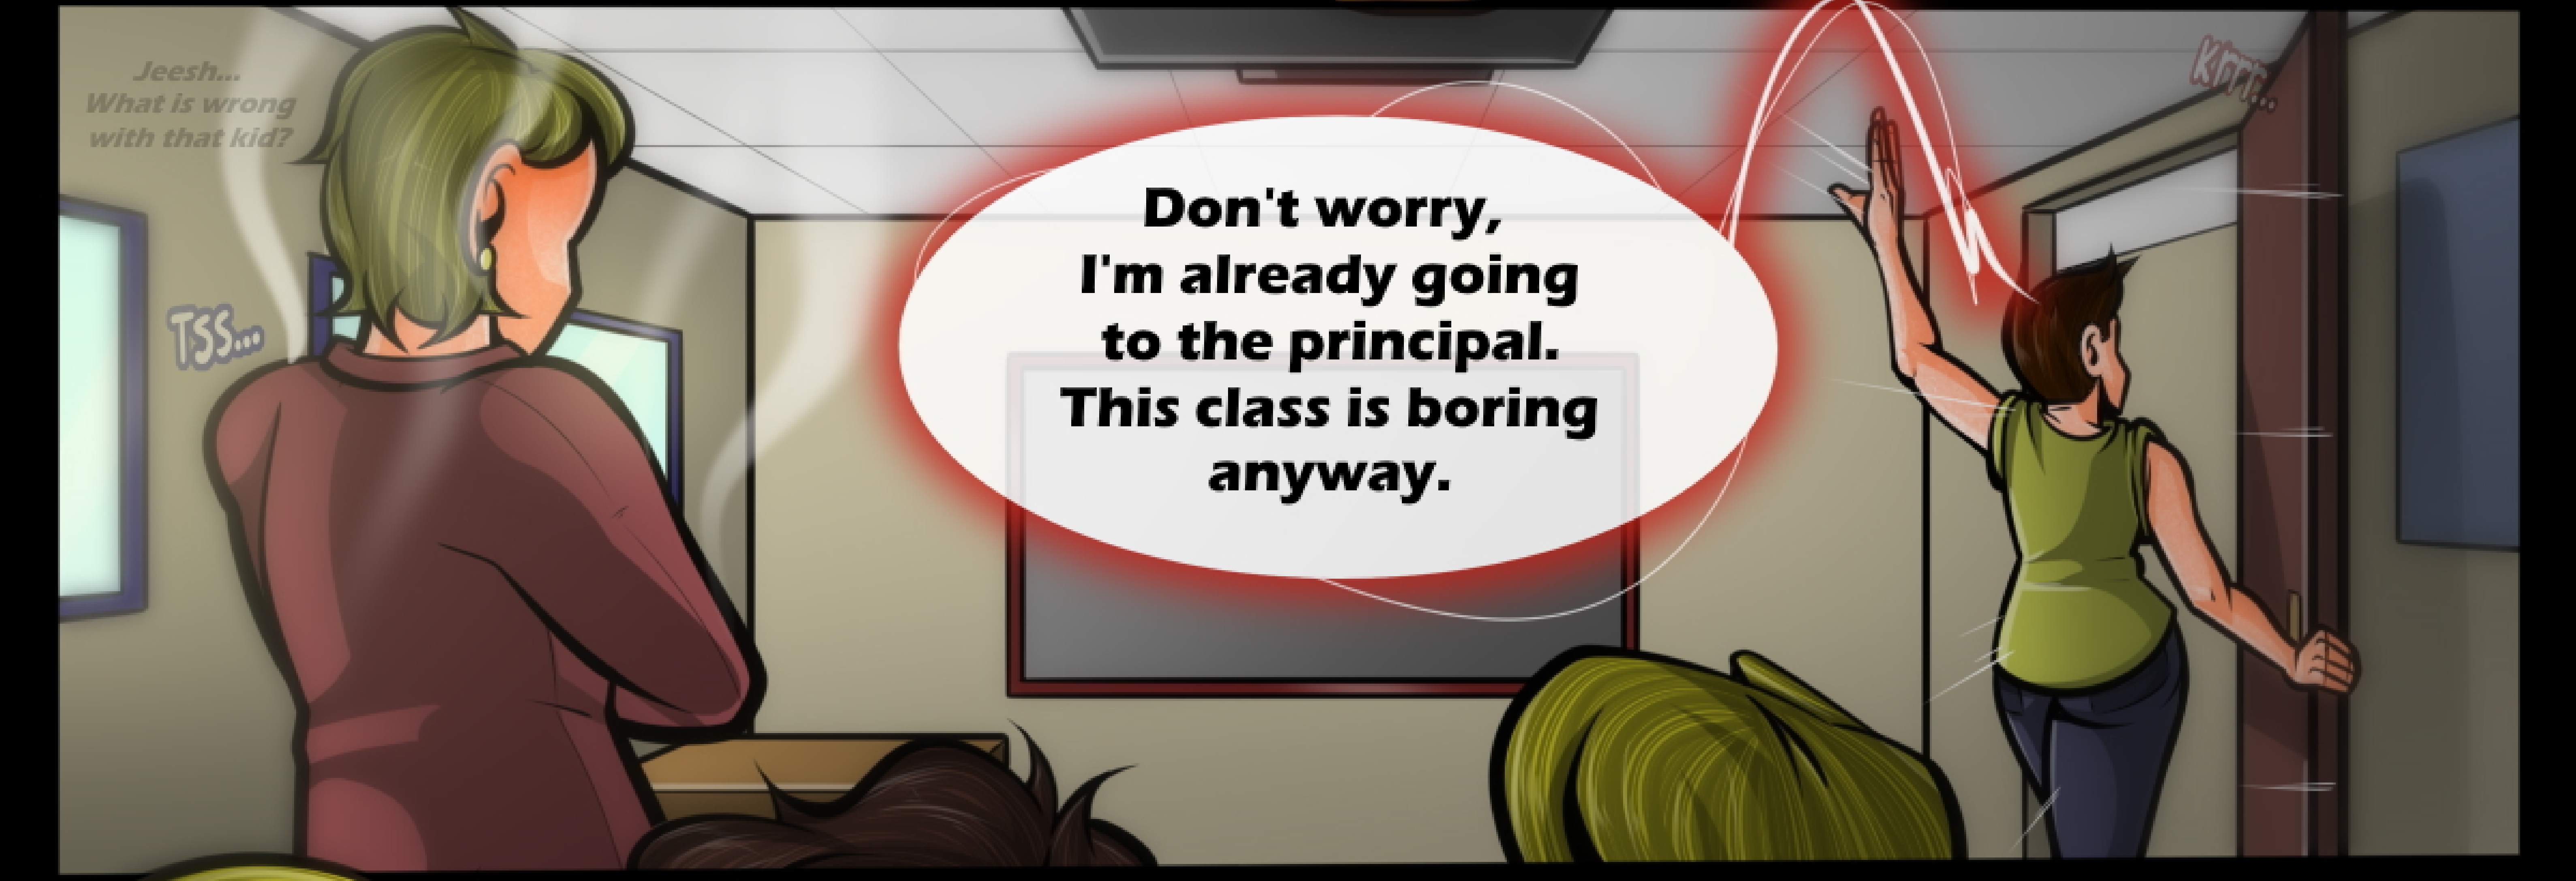

WHAT ARE GONNA DO ABOUT IT? DRAGGING ME OUT WITH YOUR GORILLA ARMS YOU MISFIGURED B\*TCH?

ONE MORE WORD OR...

Point!

WOOSH!

Jeesh... What is wrong with that kid?

TSS...

Don't worry, I'm already going to the principal. This class is boring anyway.

Krr...

BAM!

So...where were we?

Wait... don't you find it a bit odd that Jack is more... angrier than usual?

One of the side effects of having a period is having some...

enormous mood swings.

Wait a moment...

That's a tampon sweetie

Did Jack also got the uhm... THIS from the class?

And no, Jack refused them all.

Maybe I should check up on Jack and give him some of mine.

Why do I suddenly think of people, all the time?

Wait, I have more questions about... my body...

Oh hihi! I need to take care of my uhm... my period. Haha...

Where are you going?

My excuses, take as much time as you need.

BAM!

God that was embarrassing... Alright, where did Jack go to? He must be somewhere near the toilets.

COME ON!  
LET ME IN!

There he is!

Why is David also there?

We used to be pals together! Why won't you let me through?!

Haha, you don't have the strength and equipment anymore to enter the mens bathroom. Unless we can arrange something physical?

URRGH...  
YOU FUCKING LOSER!

KTTT...

Hey there David,  
you surprised me a  
bit haha!

Sorry, I  
haven't talked  
to you since...  
well since  
you were a  
man.

Yeah... times  
sure have  
changed.

*Luckily I'm still a man... haha!*

Uhm David,  
can you move  
your arm  
away?

*Grabe*  
I need to go  
to the toilets!

Oh sure...  
a girl as hot  
as you sure has her  
needs, but...

We can also  
talk for a while.

Jack is in there, and you  
know how Jack is.  
Always angry. Now since  
he got a pair of tits herself, she  
really does acts like a  
weird chick. Not unlike you,  
you look gorgeous and act  
still the same.

Wait a  
moment...

Is he  
staring at my  
breasts?

*Jiggle!*

Wait a moment,  
is that what I think  
it is?

Oh crap!  
I forgot to put  
it in my bag!  
Thanks a lot  
dad...

eh...?

SLIP!

**A condom?**  
You're now already on  
the hunt for a  
partner?

So you're  
interested in me?  
I must say I feel  
flattered but I saw  
it coming.

Don't grab  
my waist.  
Or else...

No, but I can  
scream really  
loud.

What's  
the matter?  
Are you going  
to punch me?  
Haha!  
You're a chick  
now.

GRAB!

What do you mean?

And when  
the students and  
teachers get here and  
they see a girl getting  
grabbed by a boy.

They know exactly  
who is the evil person!  
Just like you said,  
I'm a chick now.

Krrr...

Krrr...

You can have your condom back. Use it on some other loser. You're gonna need the protection.

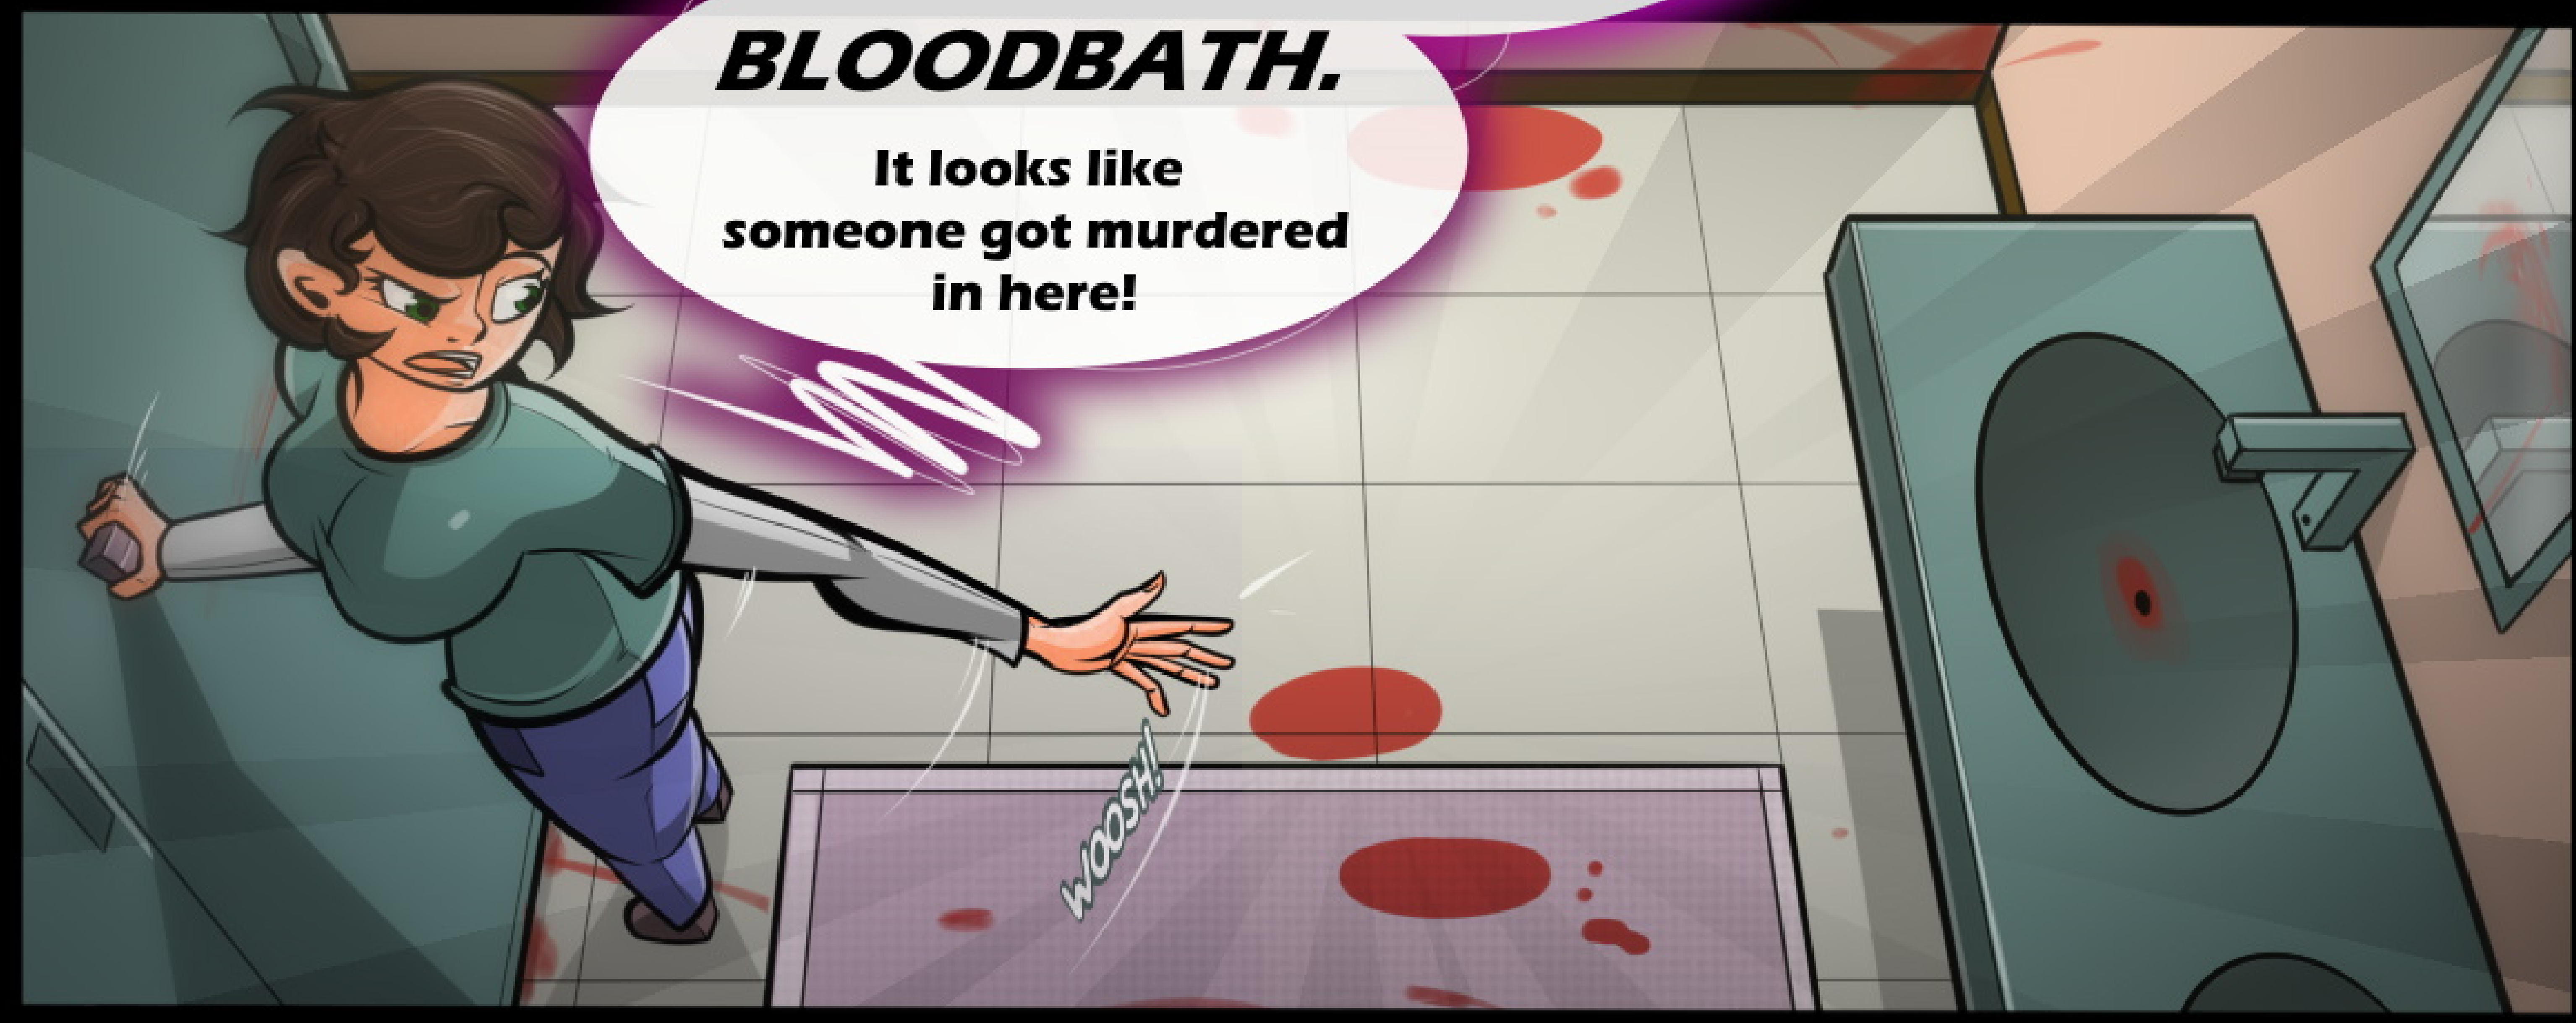

**That was heavy!**  
I'm glad I don't share the toilets with him. Not to mention it is a lot more cleaner.

I should have seen this coming...

Jack?  
Where are you?  
It's me, Nathan.  
I've brought some supplies to help you out.

Here you need a tampon...

**I DON'T NEED IT, YOU CAN STICK IN YOUR OWN SNATCH!**

**Urgh... NOW YOU LISTEN TO ME YOU LITTLE SHI...**

**Nathan, Jack? Are you two here?**

**It's me, Sam. Is everything going alright? If not, I can help you gir...guys out. Shall I come in?**

**Knock! Knock! Knock!**

**shit...**

**SLIP!**

Hey Sam,  
don't worry about us,  
everything here is  
going uhm...  
*smooth...*

Smooth, huh?

I've changed my mind  
about not helping Jack.  
Sorry for being so  
narcissistic. Where is she?  
Can I come in now?

Uhm.. it  
would be best  
if... you know...

Oh my god...  
I've never seen  
the girls toilets so  
dirty before.

Slide...

eeeek!

**What did you expect from guys turned girls?**

*ew...*

**This is horrible...**

**Jackie?  
You really need a tampon like right now!**

*Oh god...*

*Krrr...*

**Sam,  
we can handle this ourselves.**

**No,  
you can't.**

**You haven't even got your first period.**

*woosh!*

**GET  
OUT SAM!  
NOW!**

**YOU CAN'T  
GO INSIDE THE  
GIRLS TOILETS!**

**You were right,  
everyone was right.  
I'm such a fool...**

Krrr...

**I mean,  
look at  
me.**

Sob...

Sob...

**The  
toughest  
guy in school,  
reduced to...**

***this little bitch  
crying in the  
toilets!***  
***I really have turned  
into a girl...***

So...go on!

Aren't you going to say something clever?

sniff...

hmm...

Rumble...

shine!

huh?

Here you go.

On the plus side, we're all bitches in here.

Oh my god...  
That is so fucking  
true!

HA!  
HA!  
HA!

You're pretty  
alright for a loser,  
thank you gal.

Hahaha...

**BUT DON'T  
EVER TALK OF  
THIS AGAIN TO  
ANYONE!**

No, I  
won't!

OUCH...  
PUNCH!

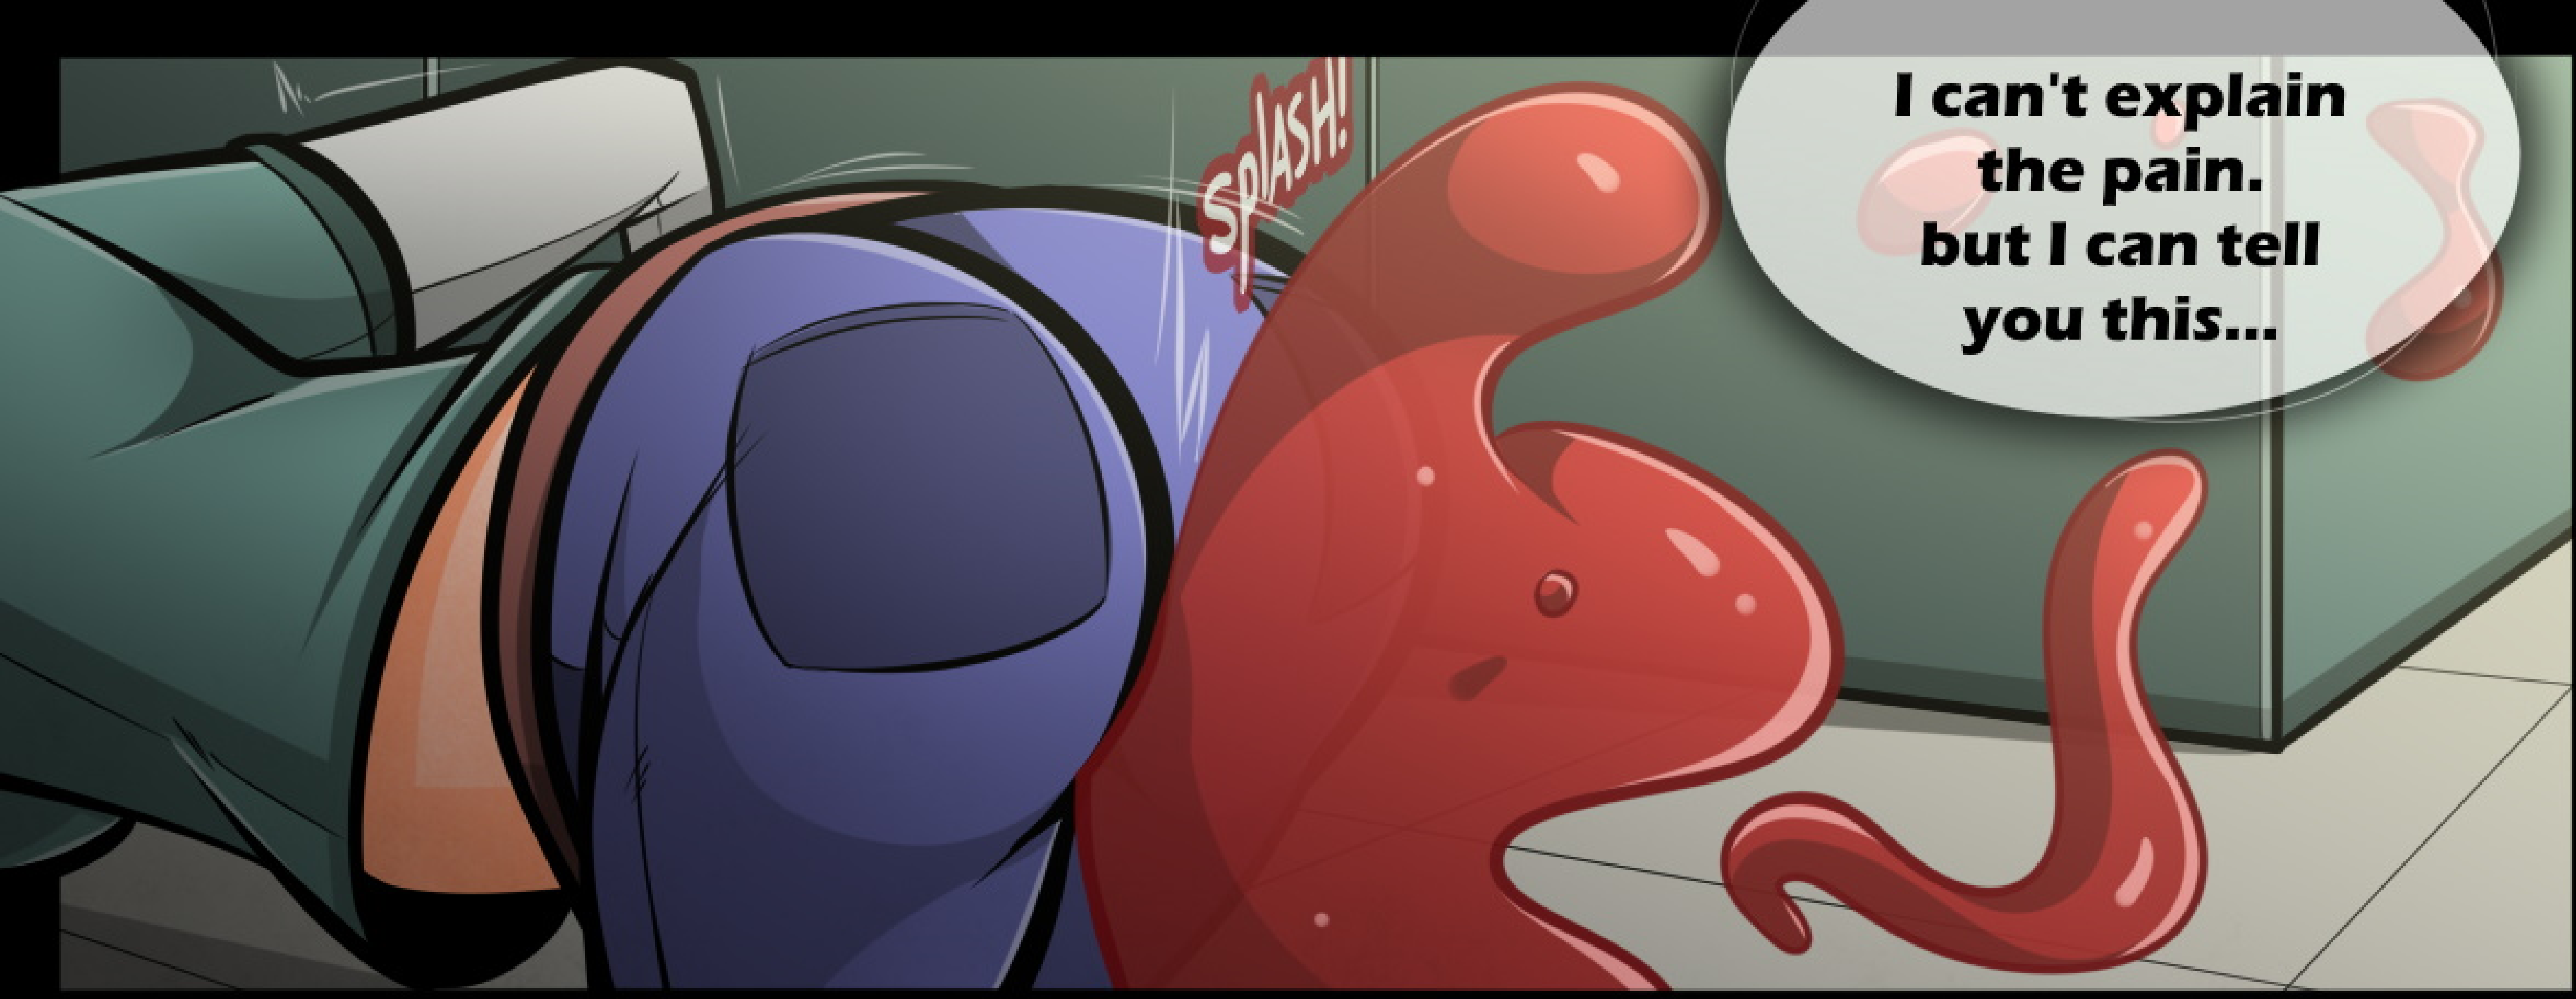

Well... time to put it in.  
Can you please give me  
some privacy?

Sure...

Those  
mood  
swings...

Krrt...

I can't explain the pain. but I can tell you this...

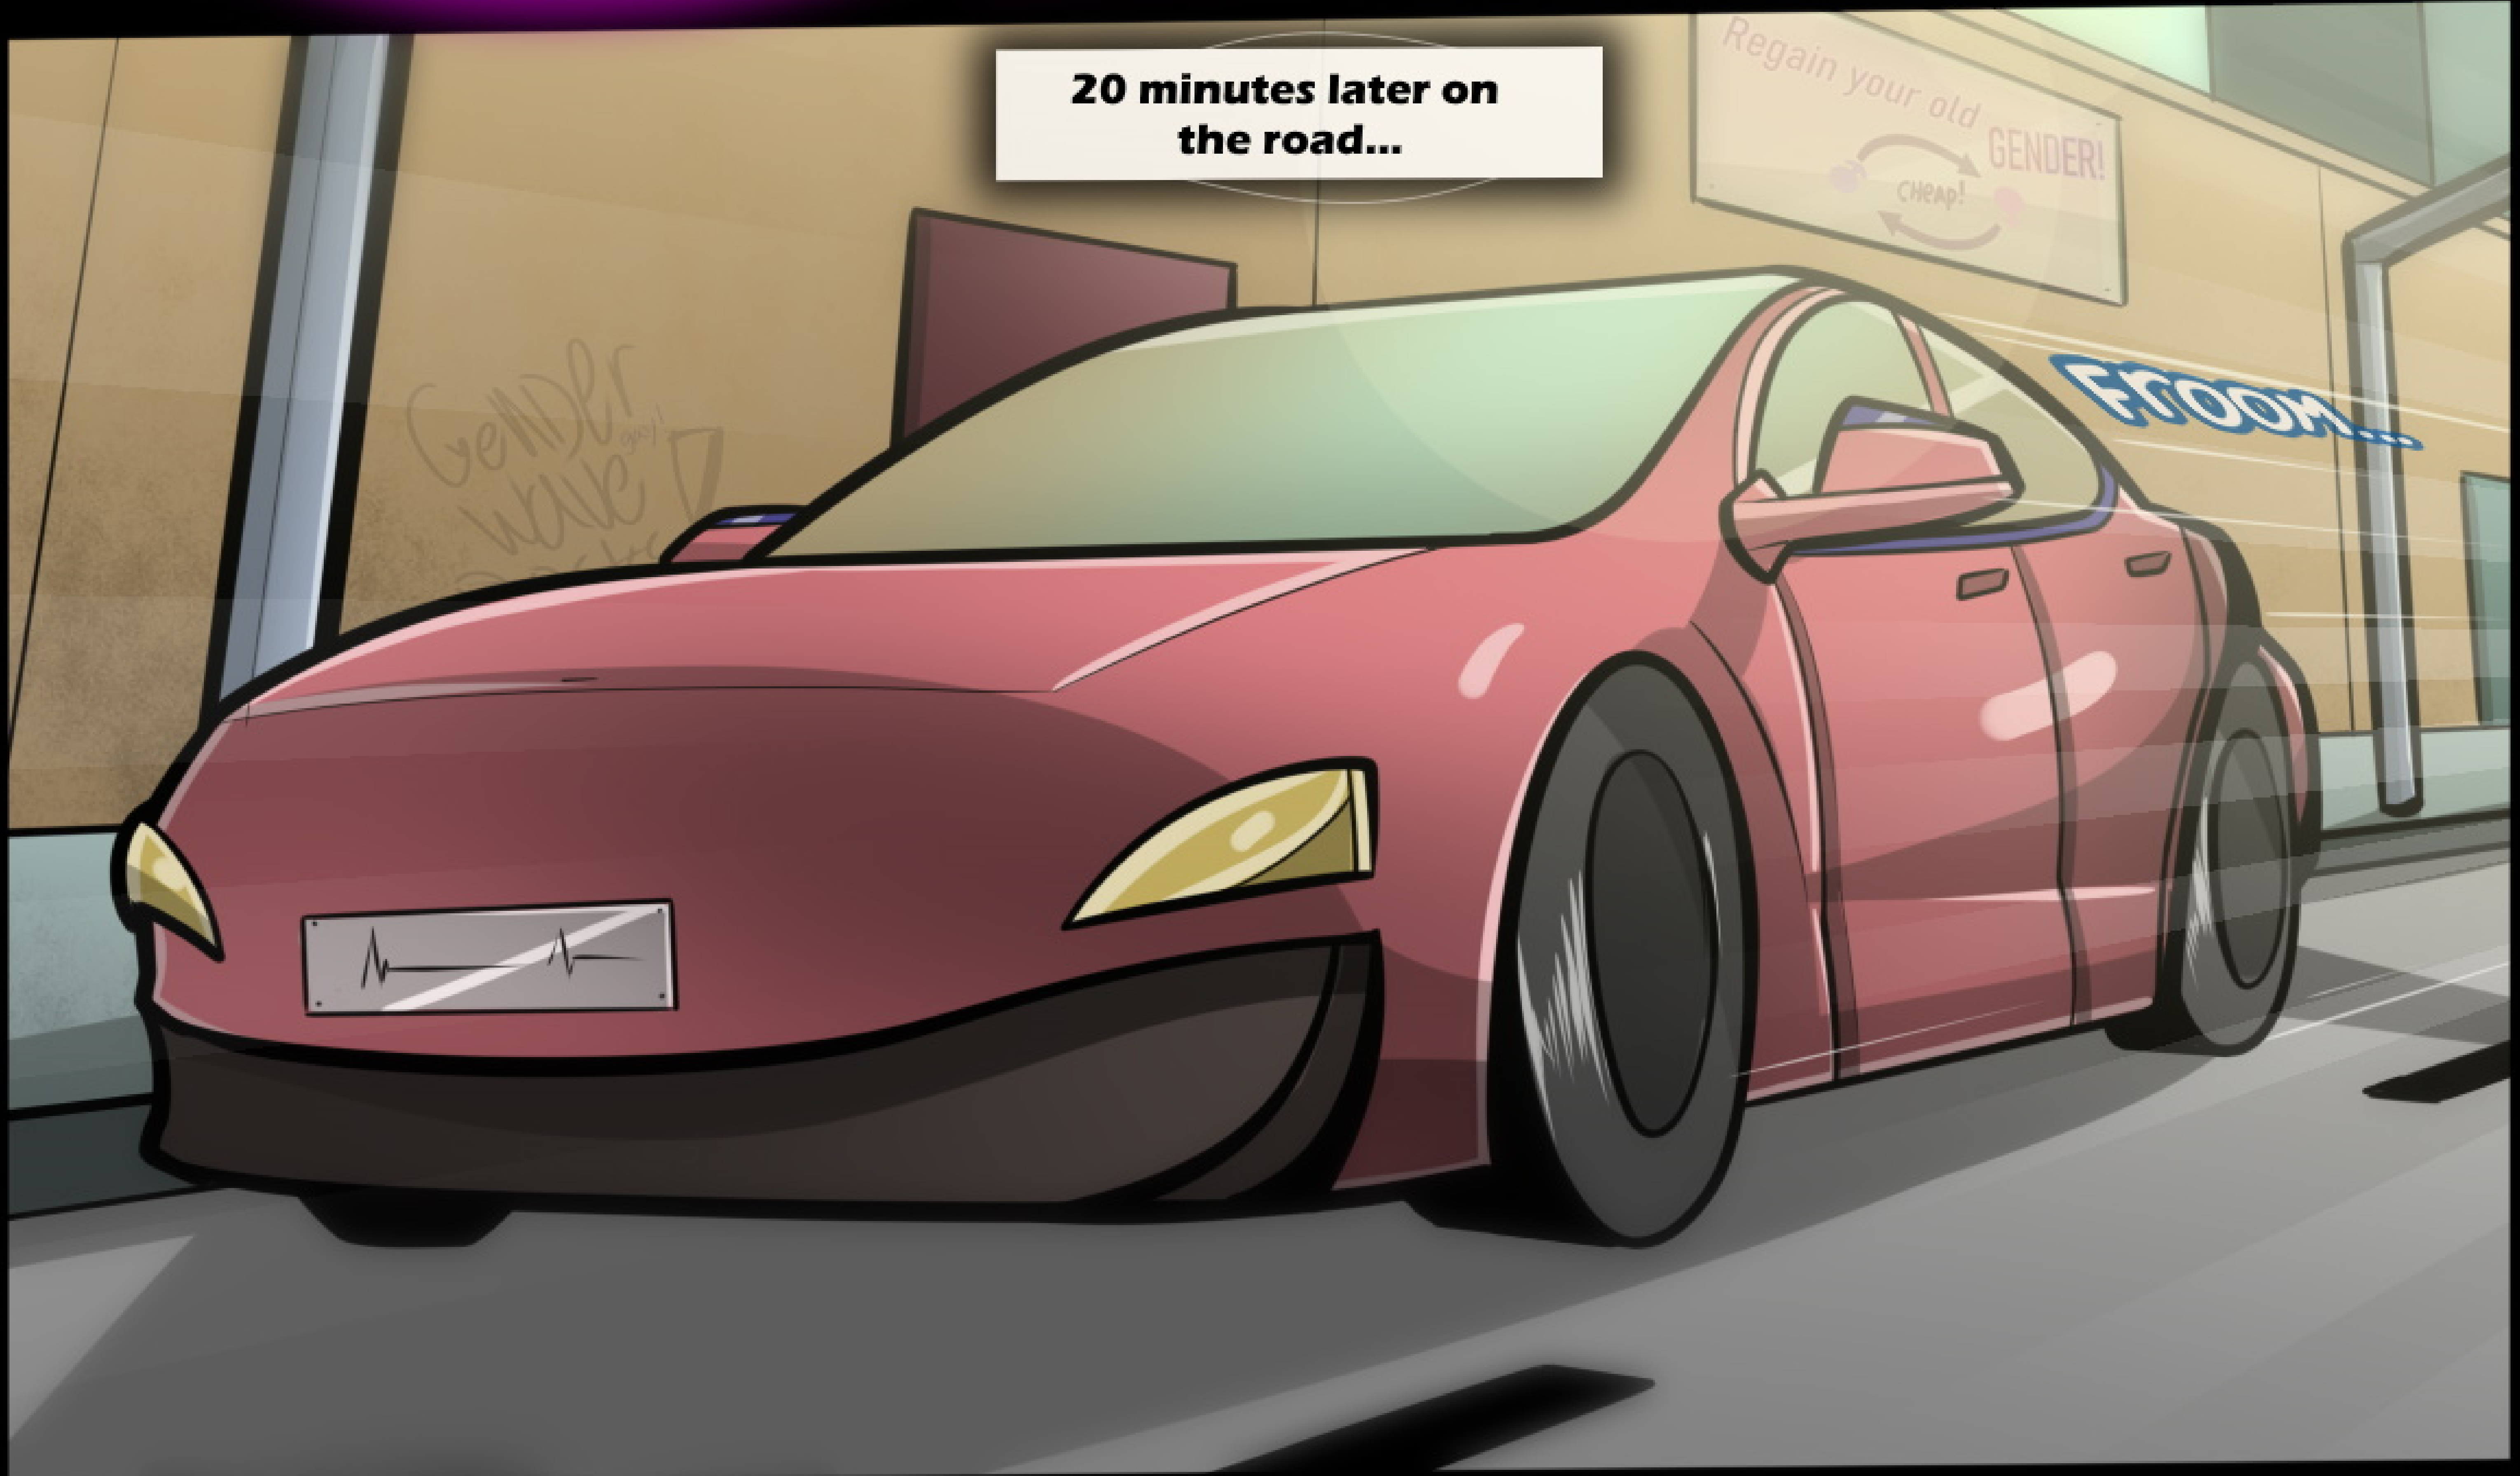

Having a period feels like being... ***pocessed!***

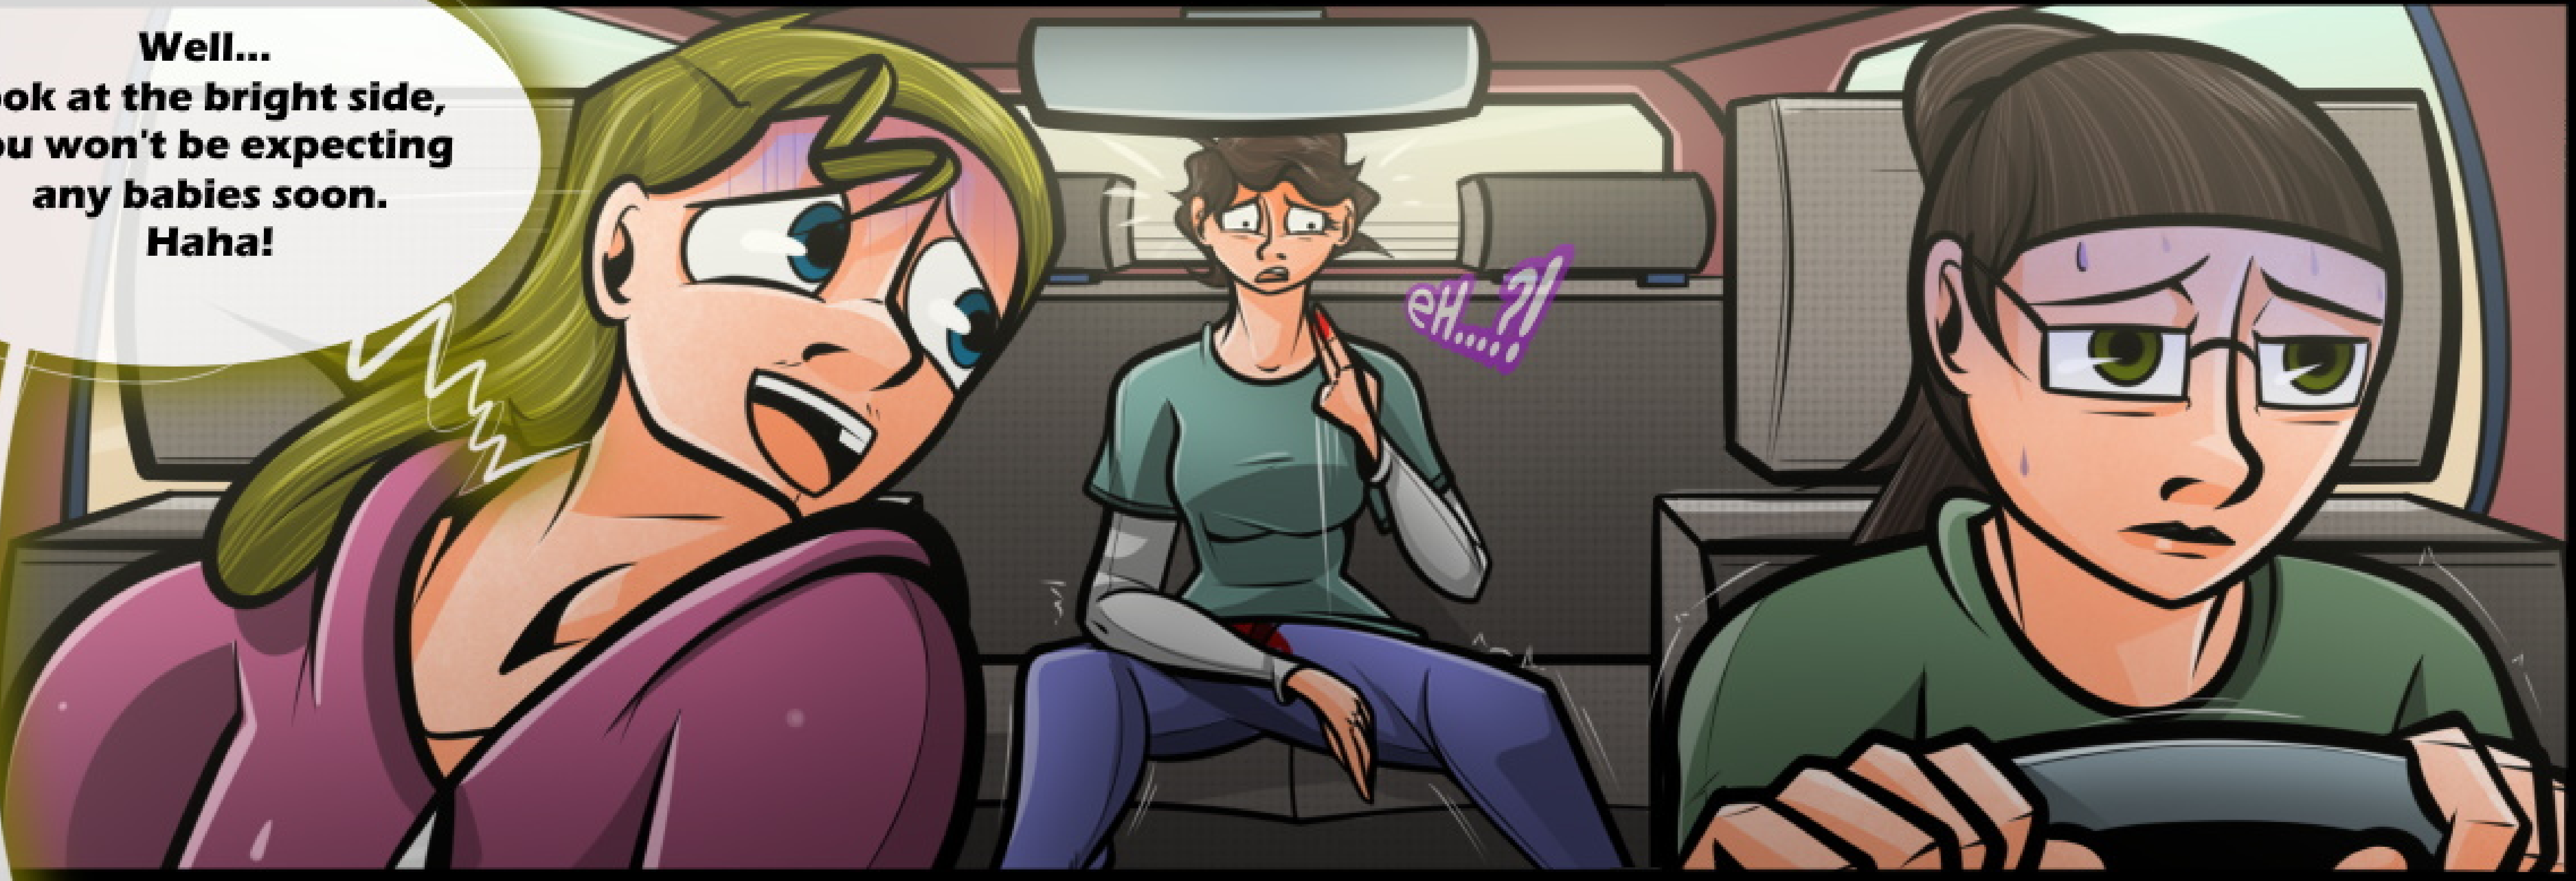

URGH...

Krrr...

Krrr...

Well...  
look at the bright side,  
you won't be expecting  
any babies soon.  
Haha!

Uhm... Nathan's Dad?  
She has passed out...  
again.

And this  
is how the  
mass synchronious  
menstruation day  
began...

In history books  
it is now known  
as...

**M-day**

END OF  
CHAPTER
