

the GENDER WAVE

#NOBRA♡

Will you please go into the shower? You don't want your classmates to smell menstruation blood when you go back, do you?

Yes dad! I was planning to shower anyway... jeesh!

I'm going to be naked again...

Alright... let's get this over with.

It's okay... just don't...

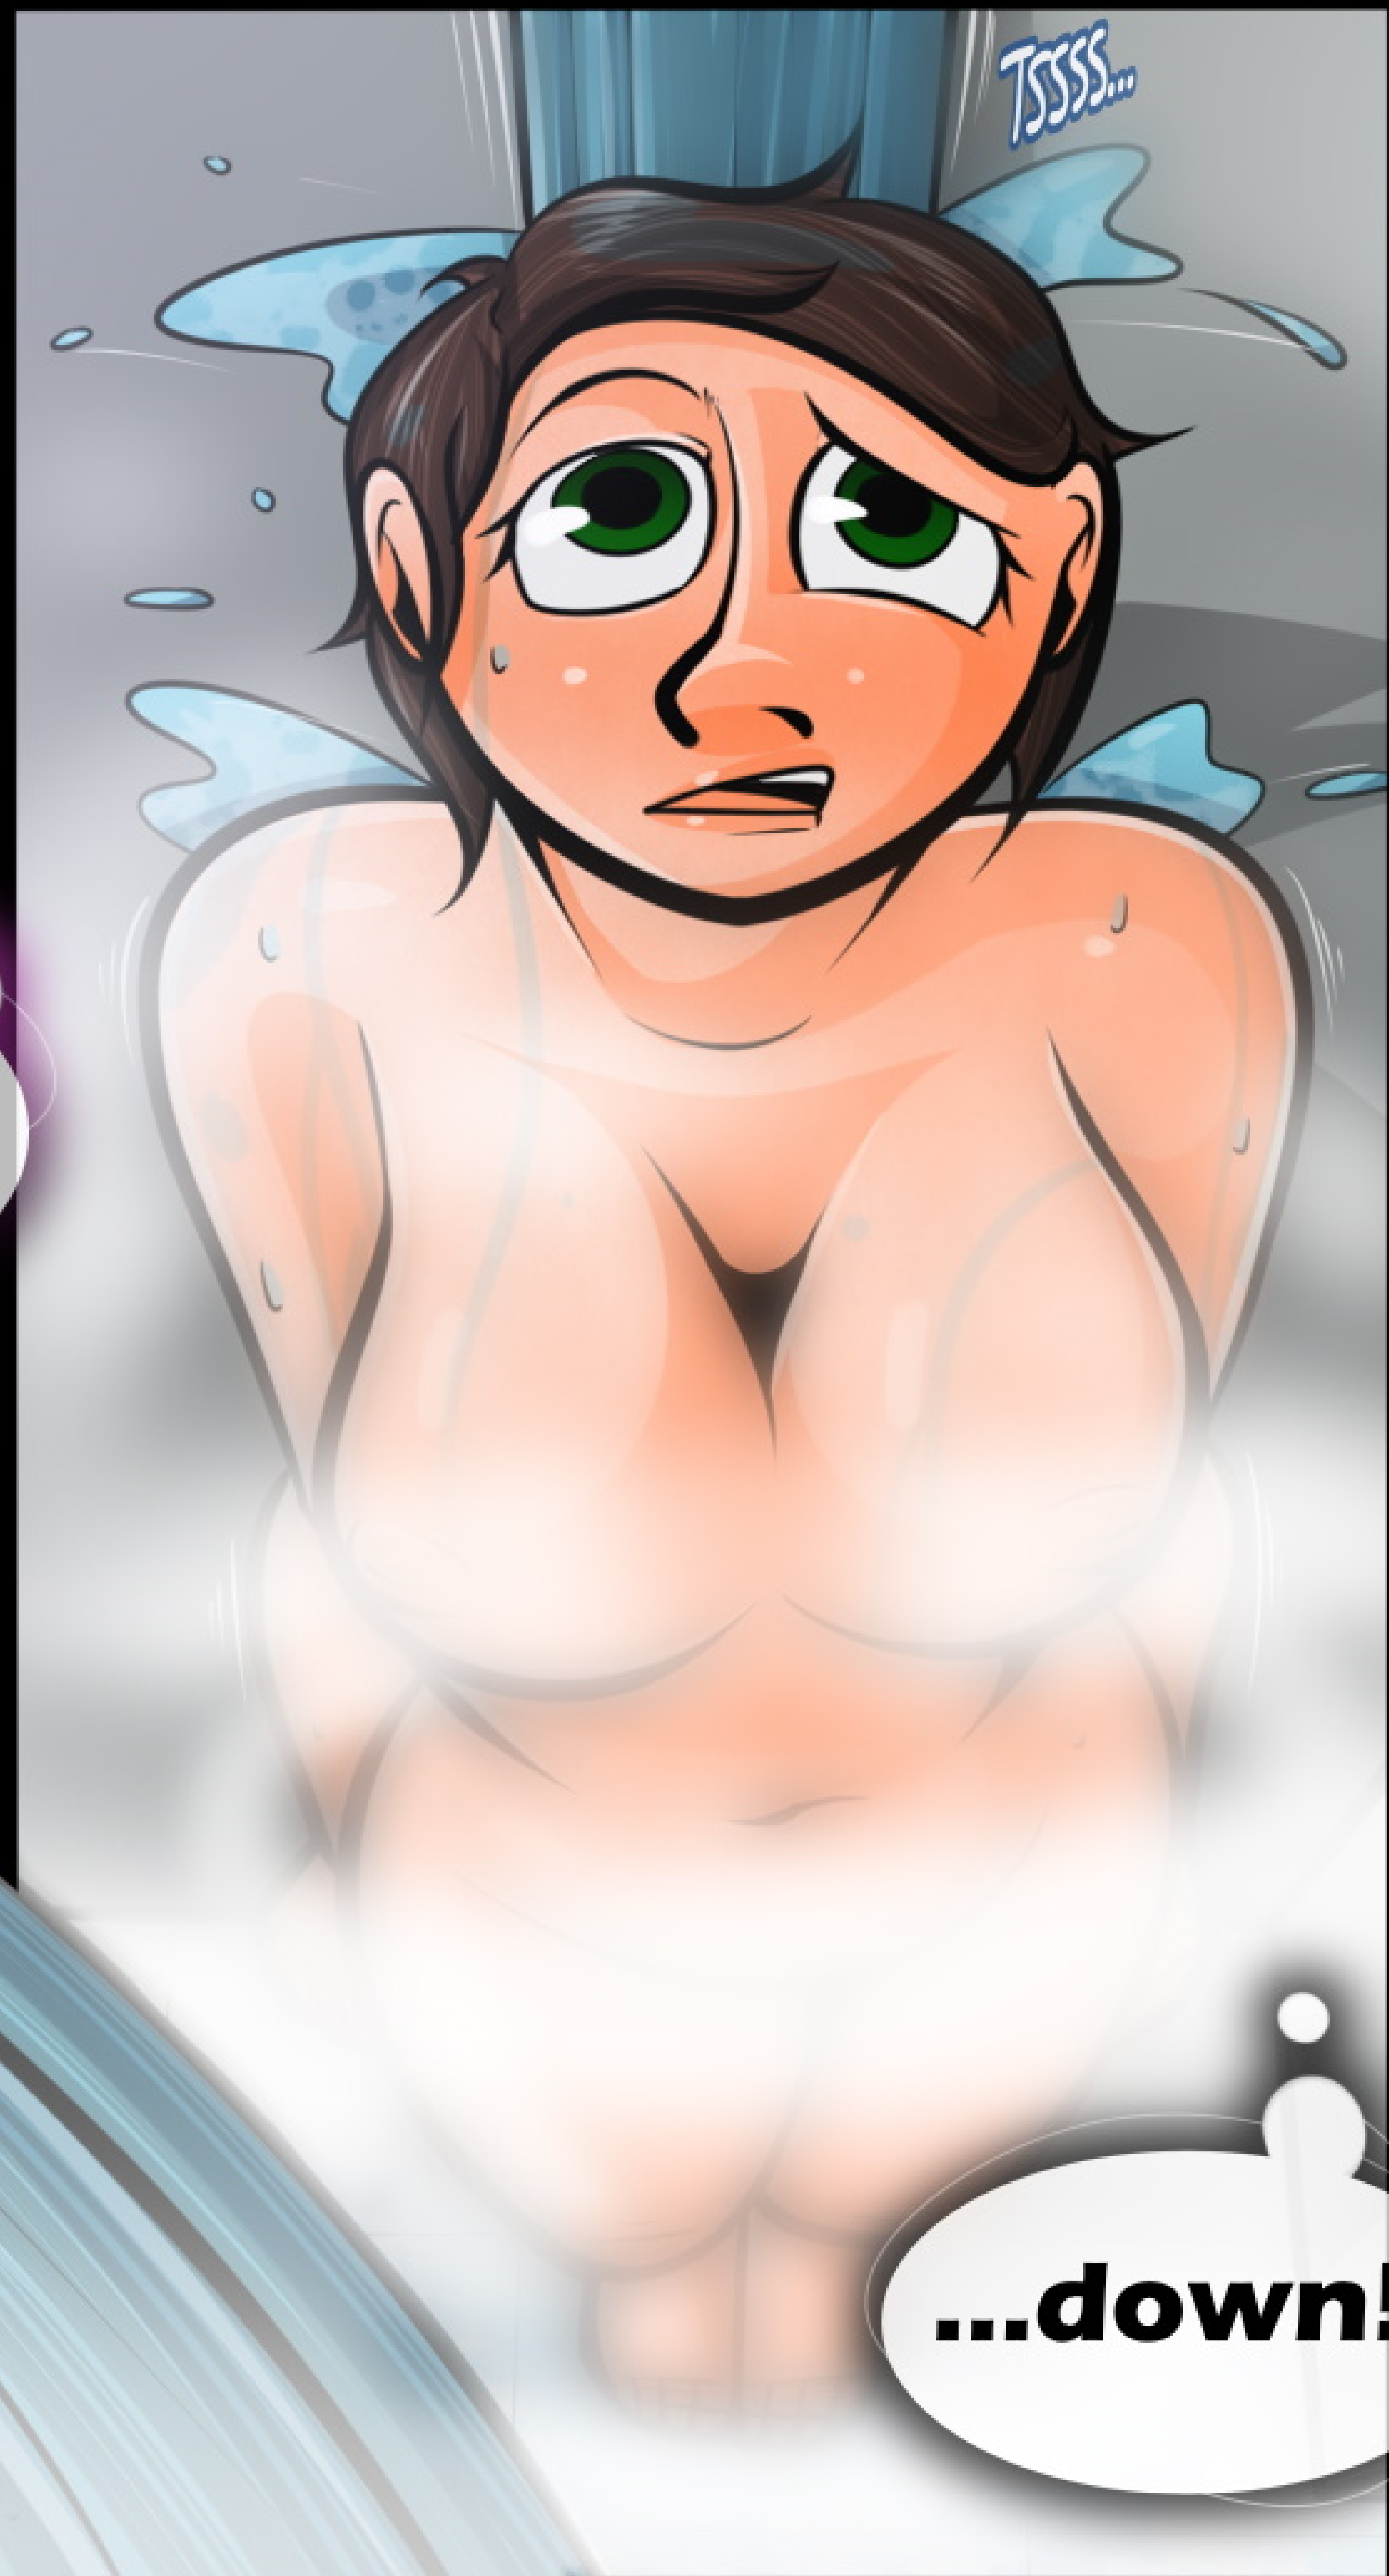

Stretch!

Stretch!

step...

...look...

...down!

Why am I still too scared to look at my naked body? I have this body of a girl for a couple of weeks now, and I still haven't even seen my own nipples. It's pathetic! They're just nipples... big red pluffy nipples... it's so alien to imagine they're my own.

Hello?
Are you there?

Nathan?

Oh...
HEY!

I was thinking aloud!

Sorry Dan,
I was lost in
thought...

Oh my god....

You
look a bit tired,
aren't you?

Yeah...

You can
say that.

This is so... hilarious!

It's because
of these stupid tits
and hips that I can't sleep
as I used to do as a guy.
How do you do it?

It's simple...
**Lots of
pillows!**

**Especially
on your waist and limbs.
That way your protrusions
won't stick out too much.
It's what I do nowadays.**

Ah...

Hmmm...
I might want to
try that tactic out.

Thanks for
the tip!

You're welcome...

PUSH!

We need so
much softness now.
Times sure have
changed.

But luckily
my period only
lasted one day.

Scratch...

You can
say that.

I'm glad
for you.

**GOD DAMMIT!
MY TOOK A
WHOLE F***ING
WEEK!!!!**

Giggle!

Giggle!

What are
they giggling
about?

I don't know.

Those social media influencers are still doing this kind of shit?

Giggle!

This is so... hilarious! Hihhi!

If there is one thing I don't miss from when I was a girl, is wearing a bra all day!

#BraLife? hmm... it looks so weird, haha!

I couldn't agree more!

You would think that we should be giggling, right?
I guess that doesn't matter what gender you have.
Interesting...

Oh god, she's looking at me!

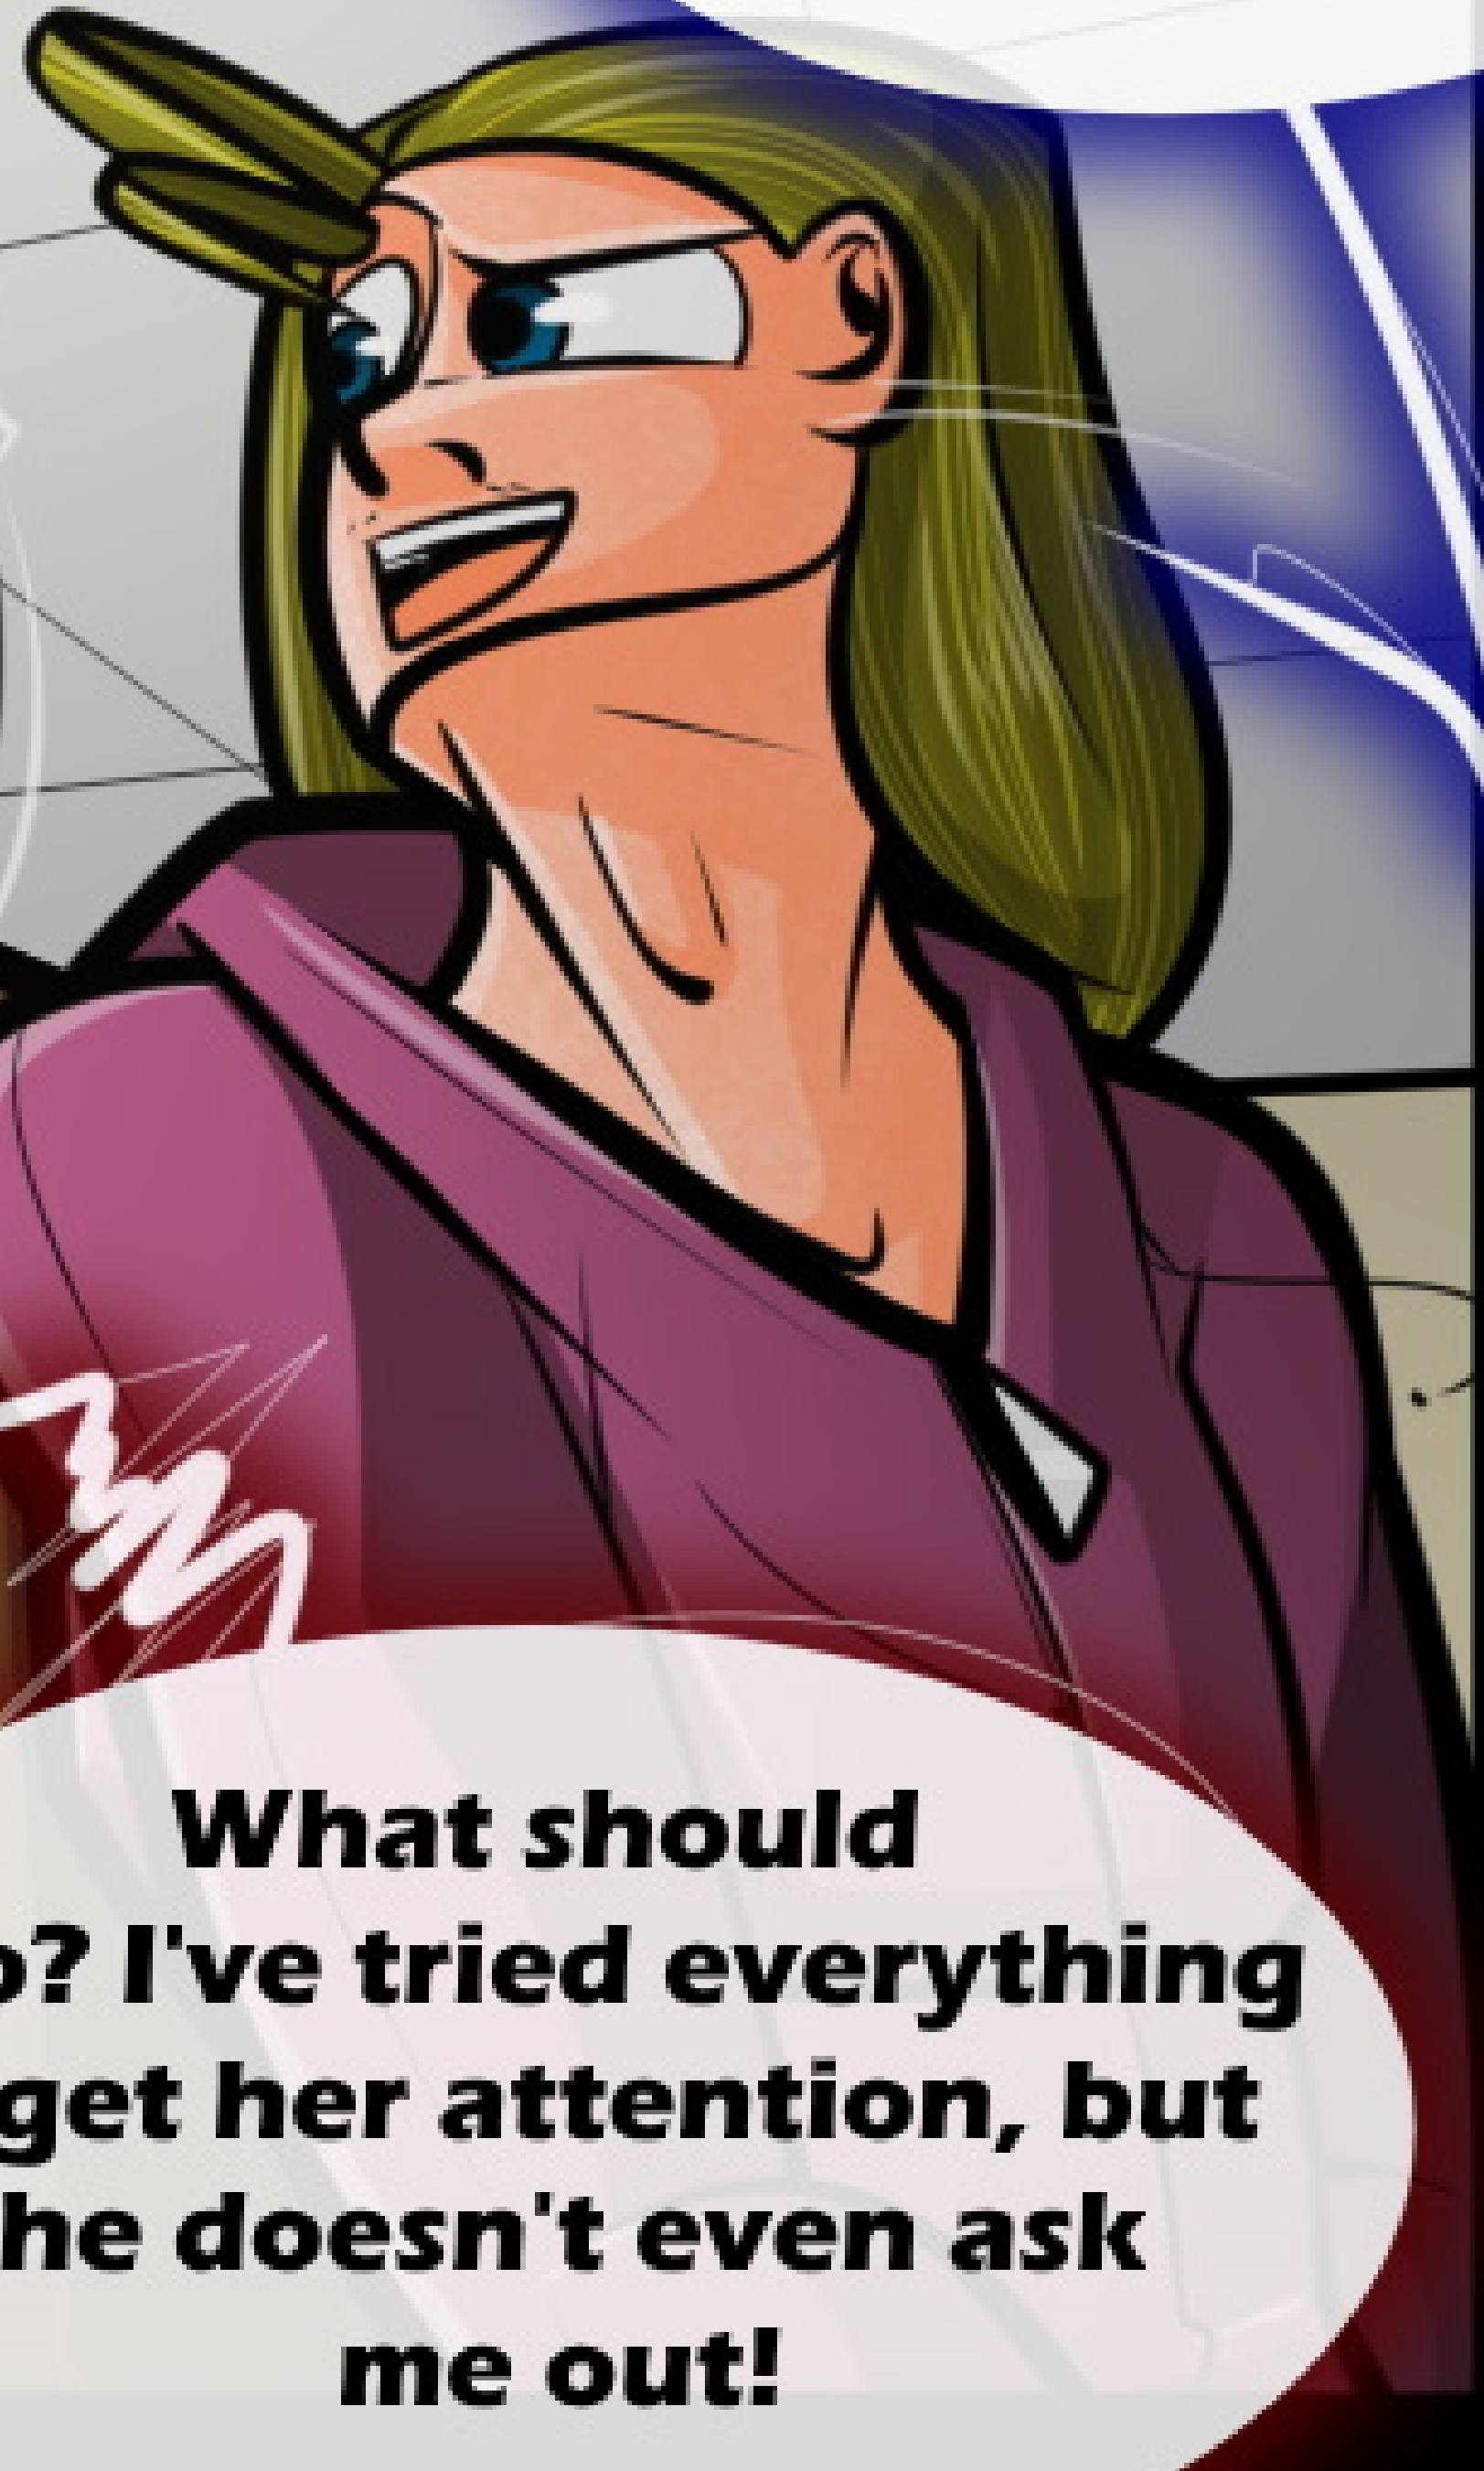

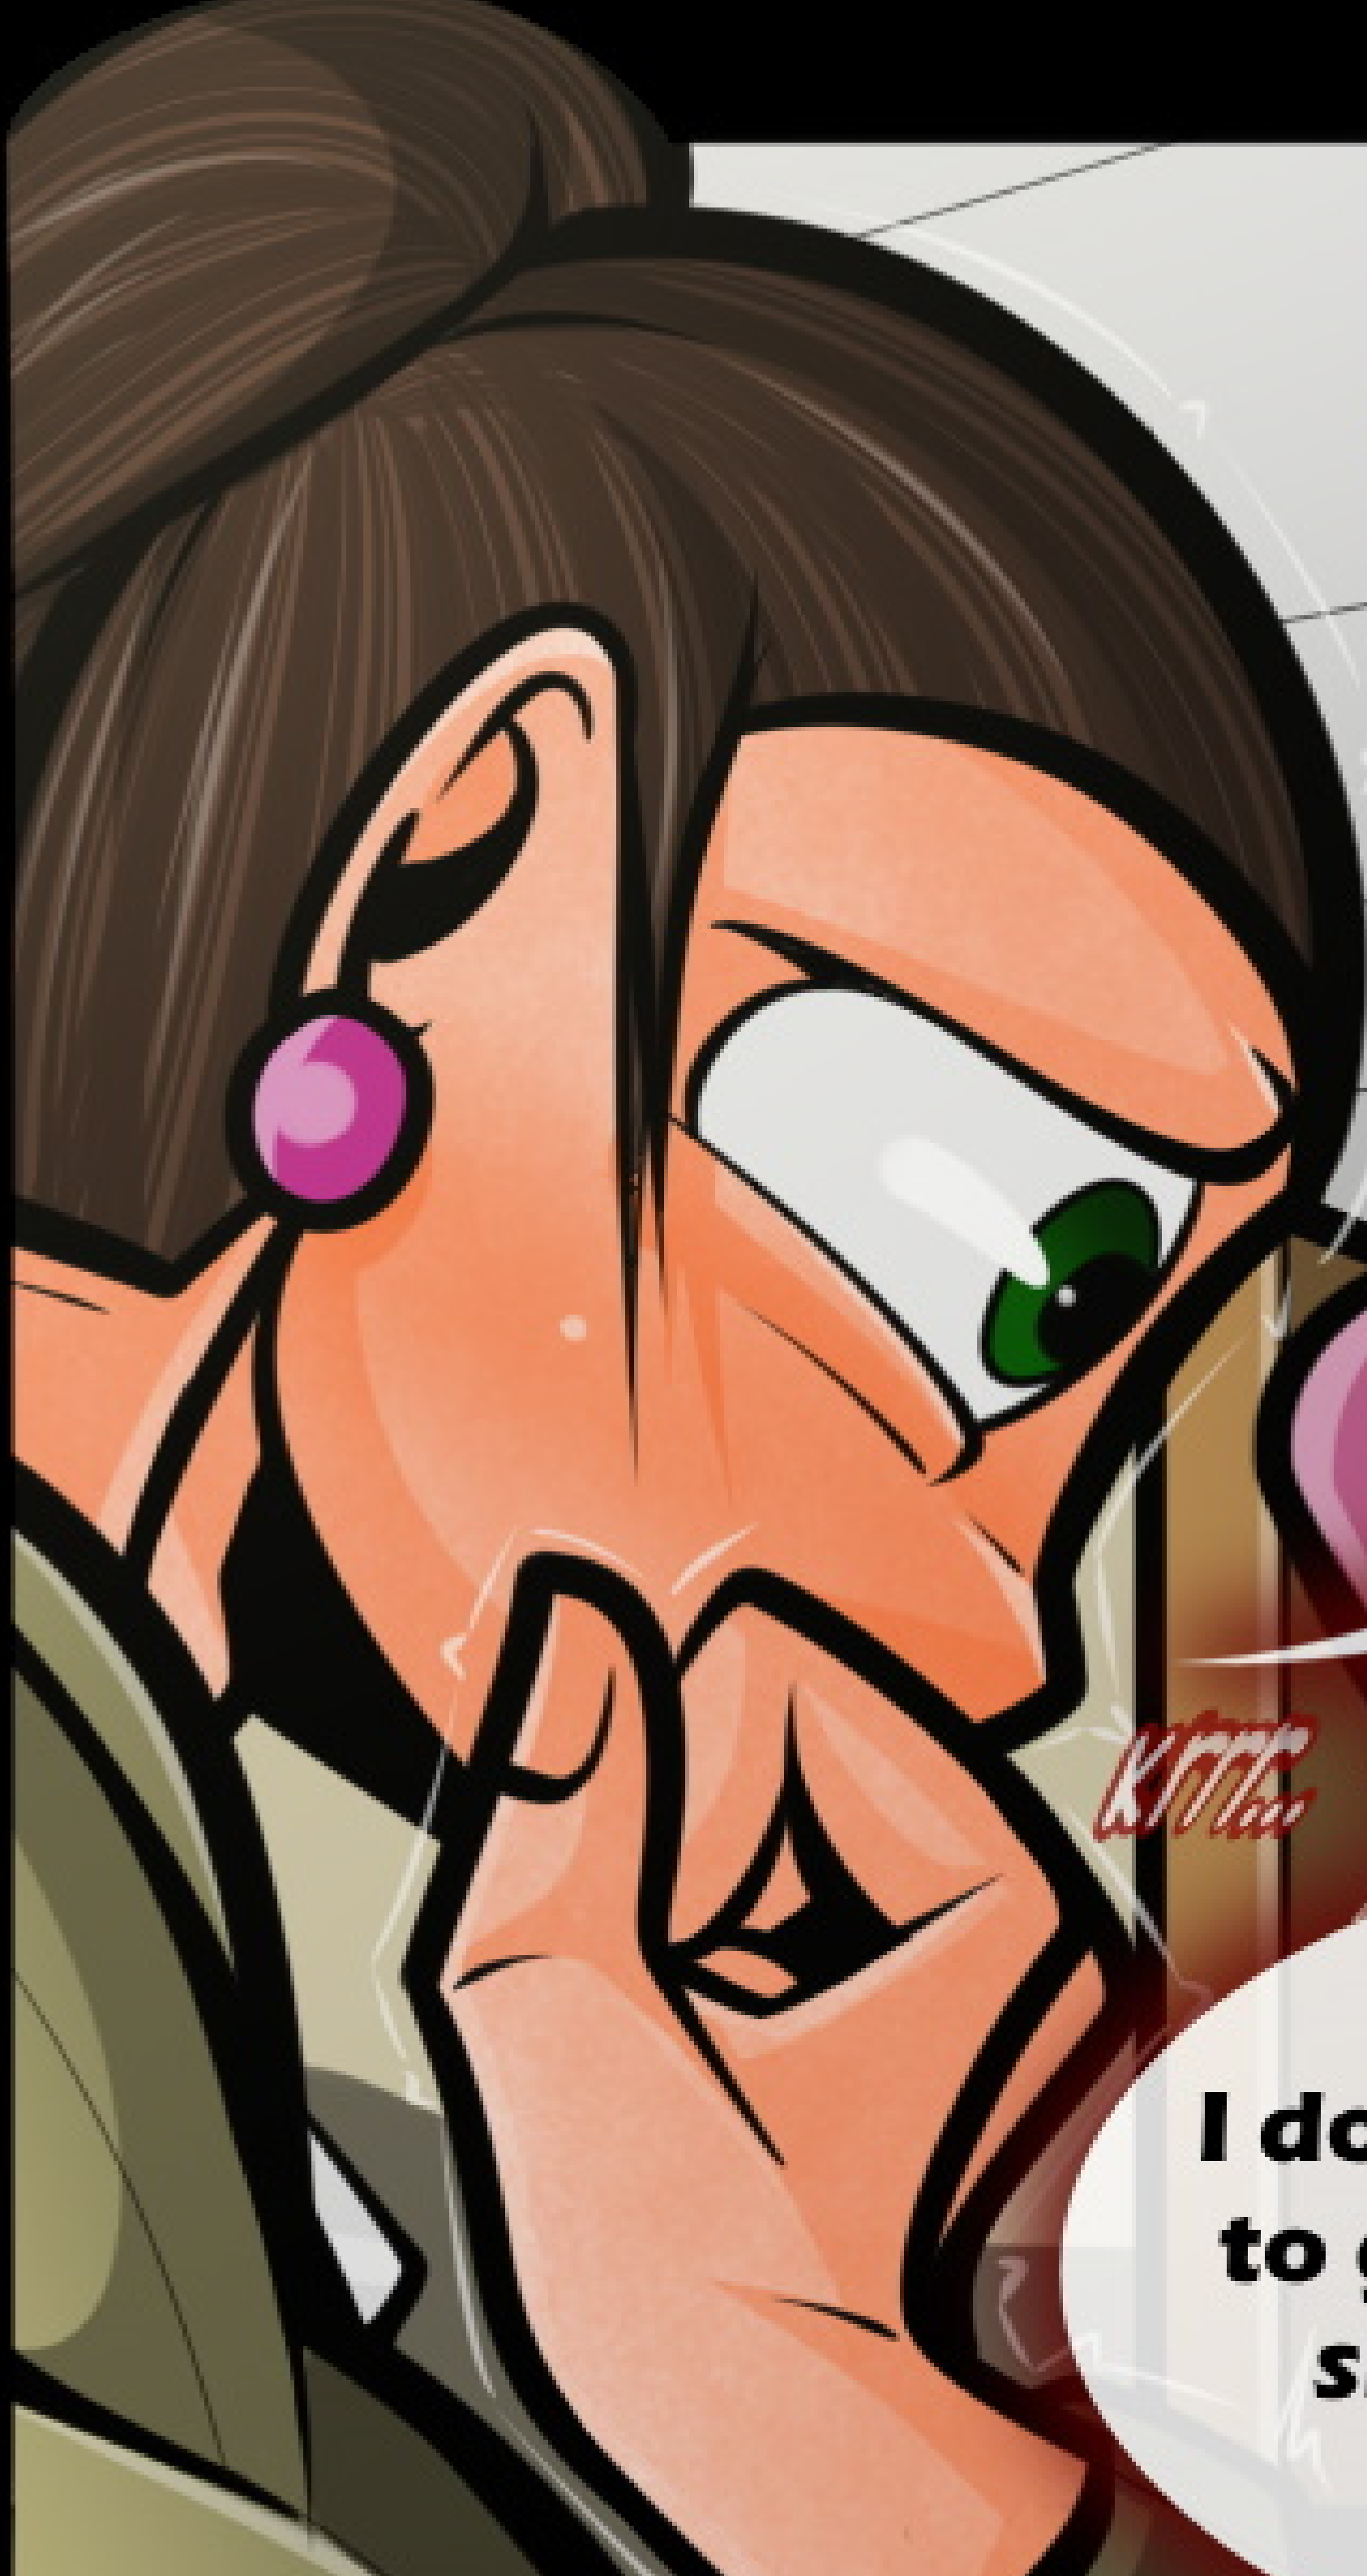

Who?

Don't look!

SHAKE...

SHAKE...

You mean Nathan?

What should I do? I've tried everything to get her attention, but she doesn't even ask me out!

Like what?

Like... I made constantly eye contact, I stroking my hair while smiling when she looks at me.

You know... the flirt tactics I use for years. Men can't resist that!

oh my...

CRASH!

BING!

I see, normally that would make any man fall for...

Well you could approach ask her out?

Approach?

Hmm...

Well, Nathan isn't always the acting type and besides...

Why do I have to make the first step?! That isn't how it works!

the roles are kinda reversed now if you know what I mean.

You're right!

I need to man up and do the first step!

FOOD!

I can do this...
I can do this...

I can do this!

And have you tried masturbation as a girl before?

Not knowing how to take care of your new body?
The college is there

I haven't even seen myself naked as a girl...

EEEEK!

PUSH!

I can't do this!

GOD DAMN IT!
Guys, I need your help!

Not knowing how to take care of your new body?
The college is there

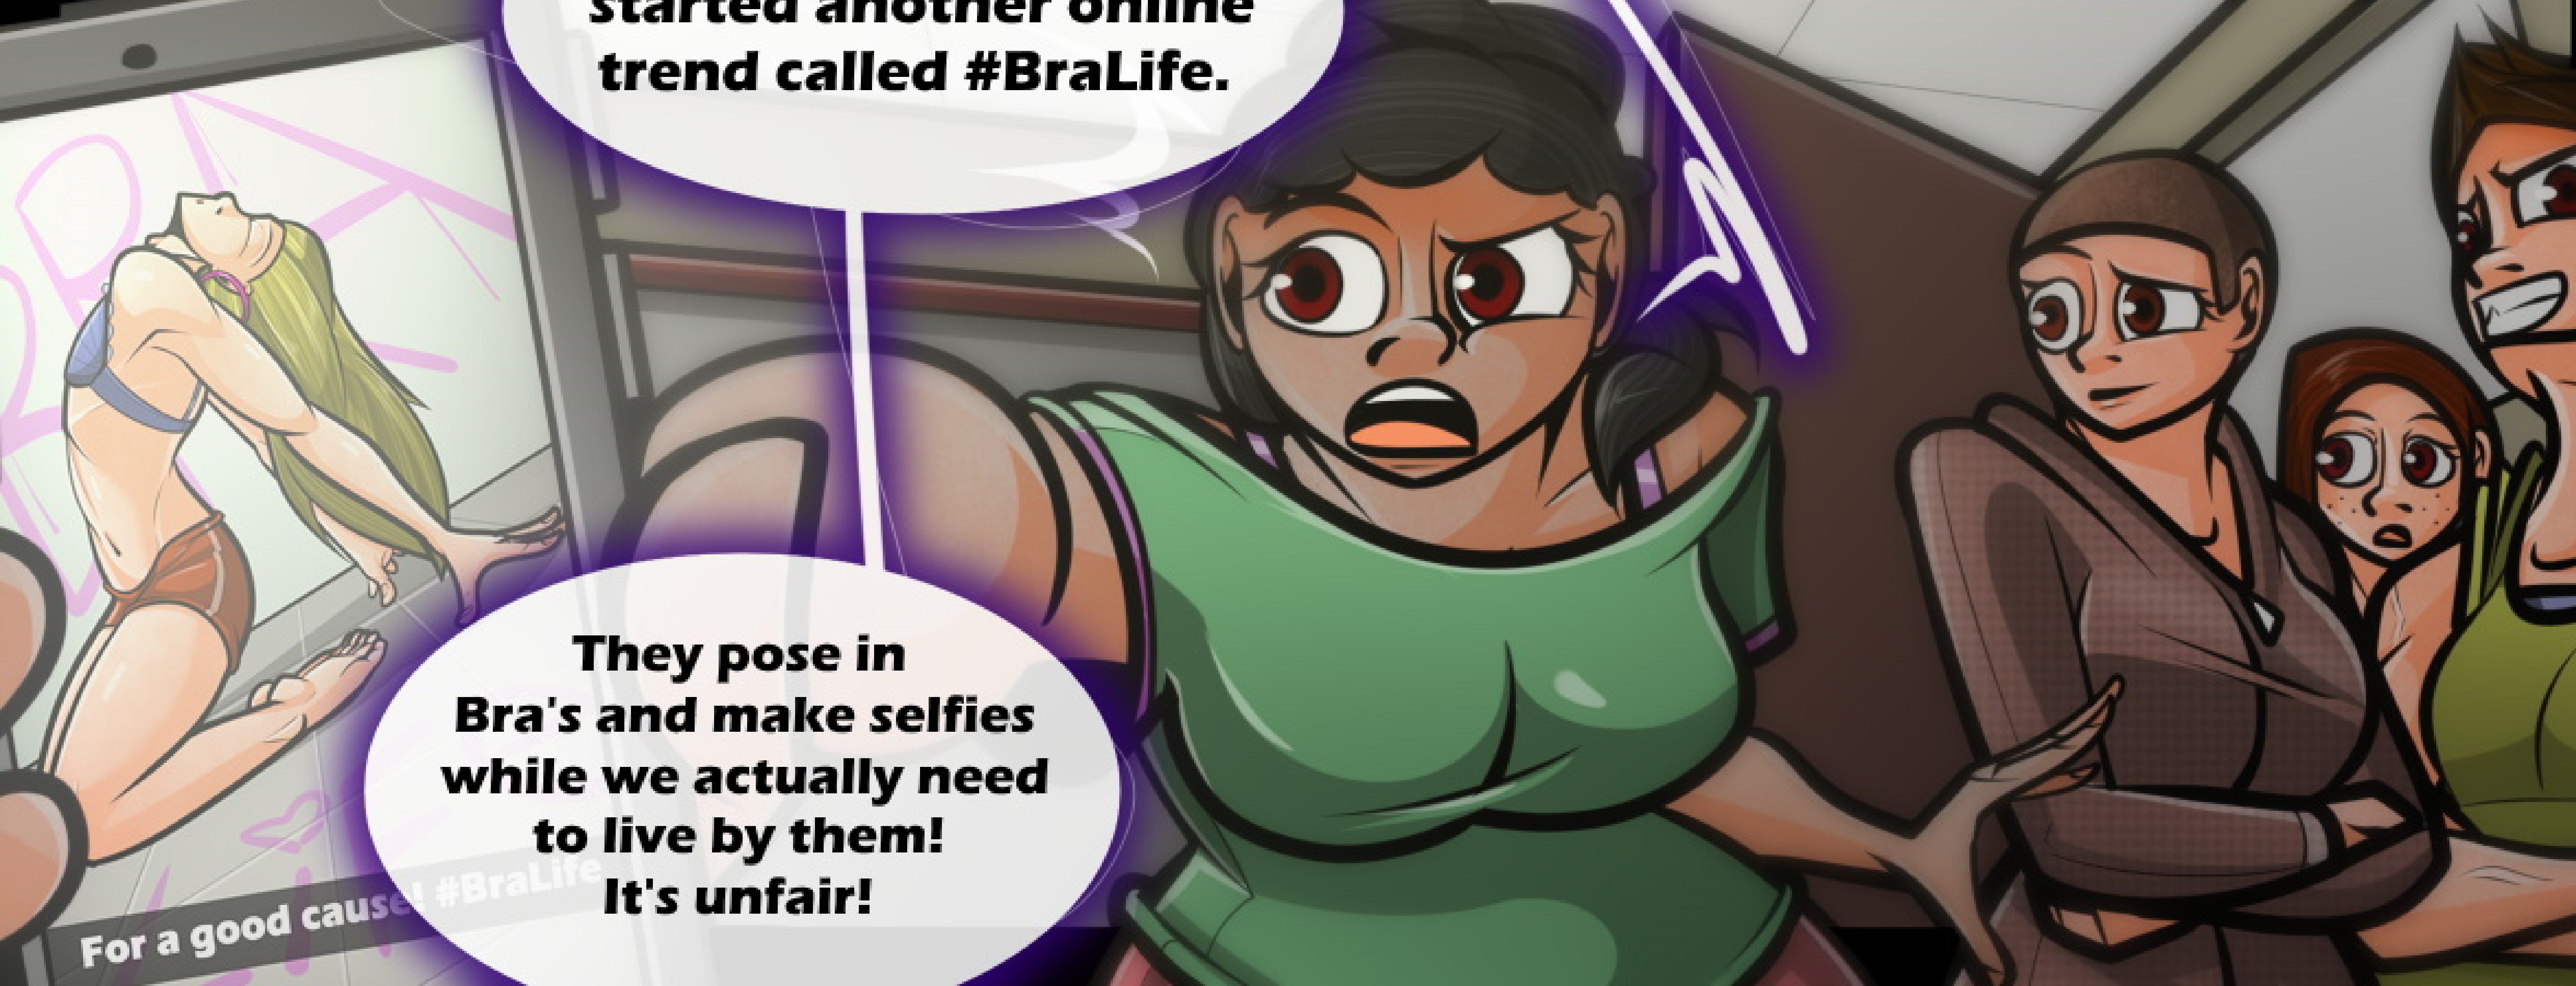

What's wrong, Kris?

Do you see this?

WOOSH!

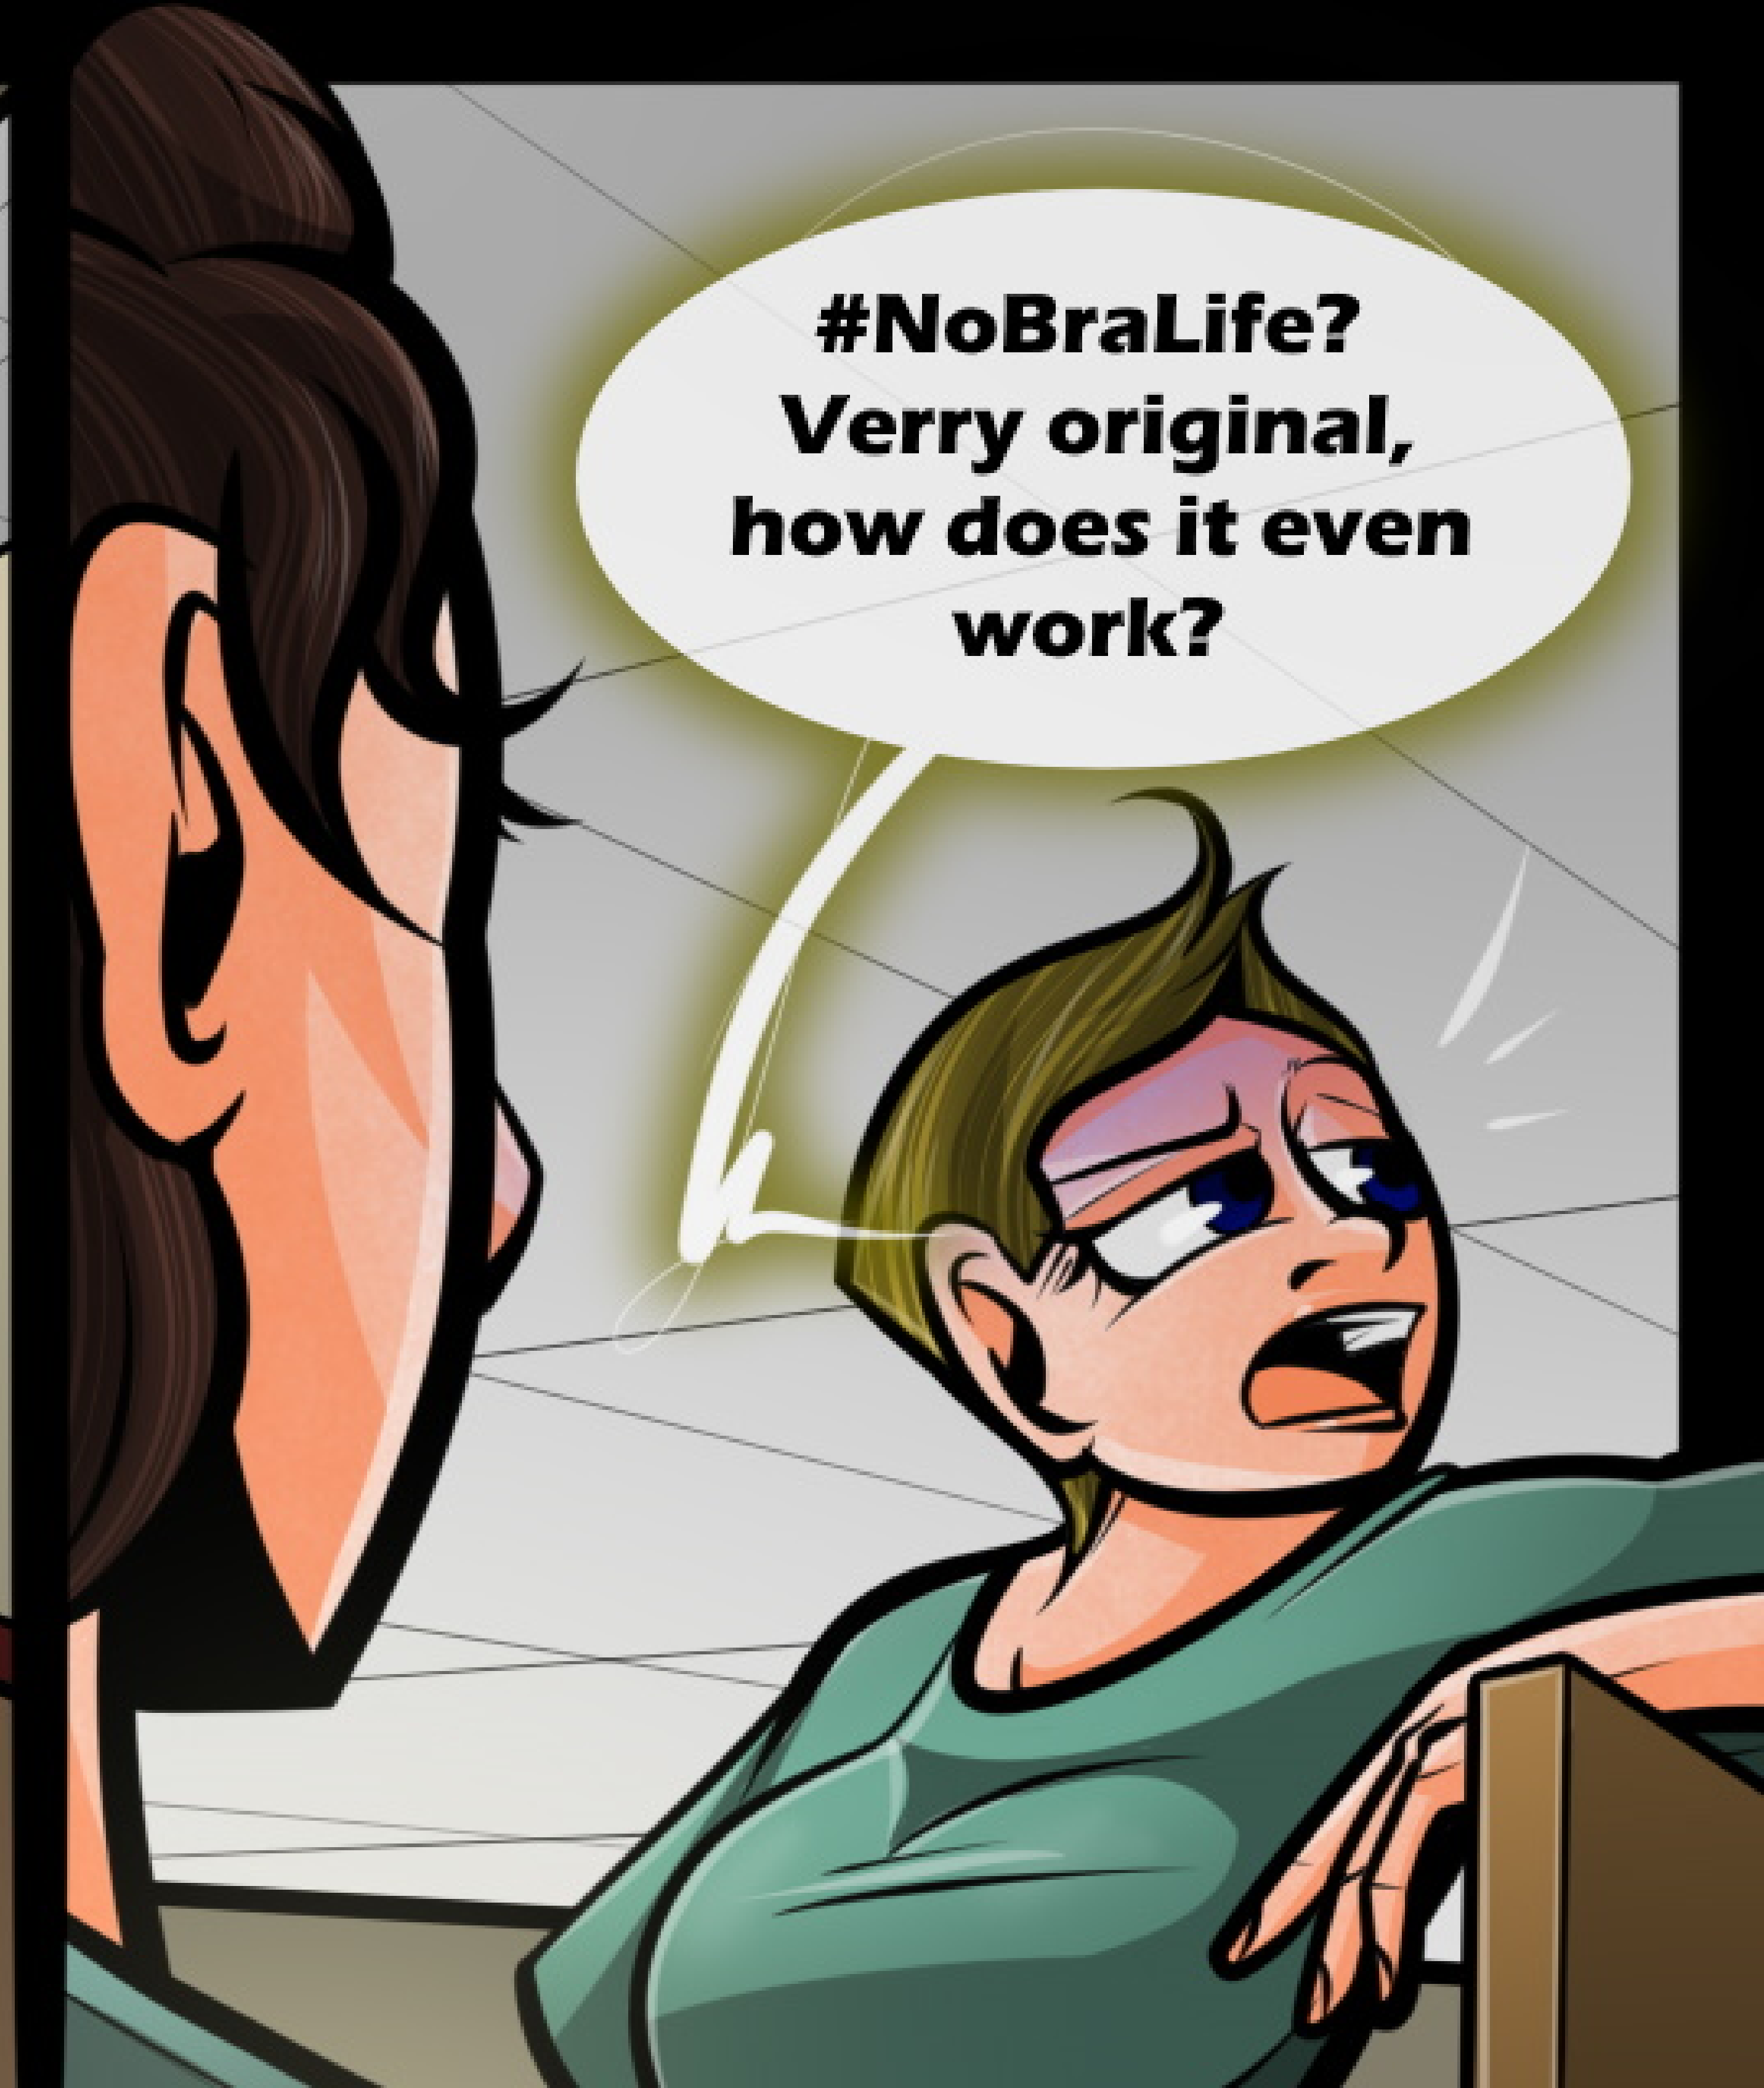

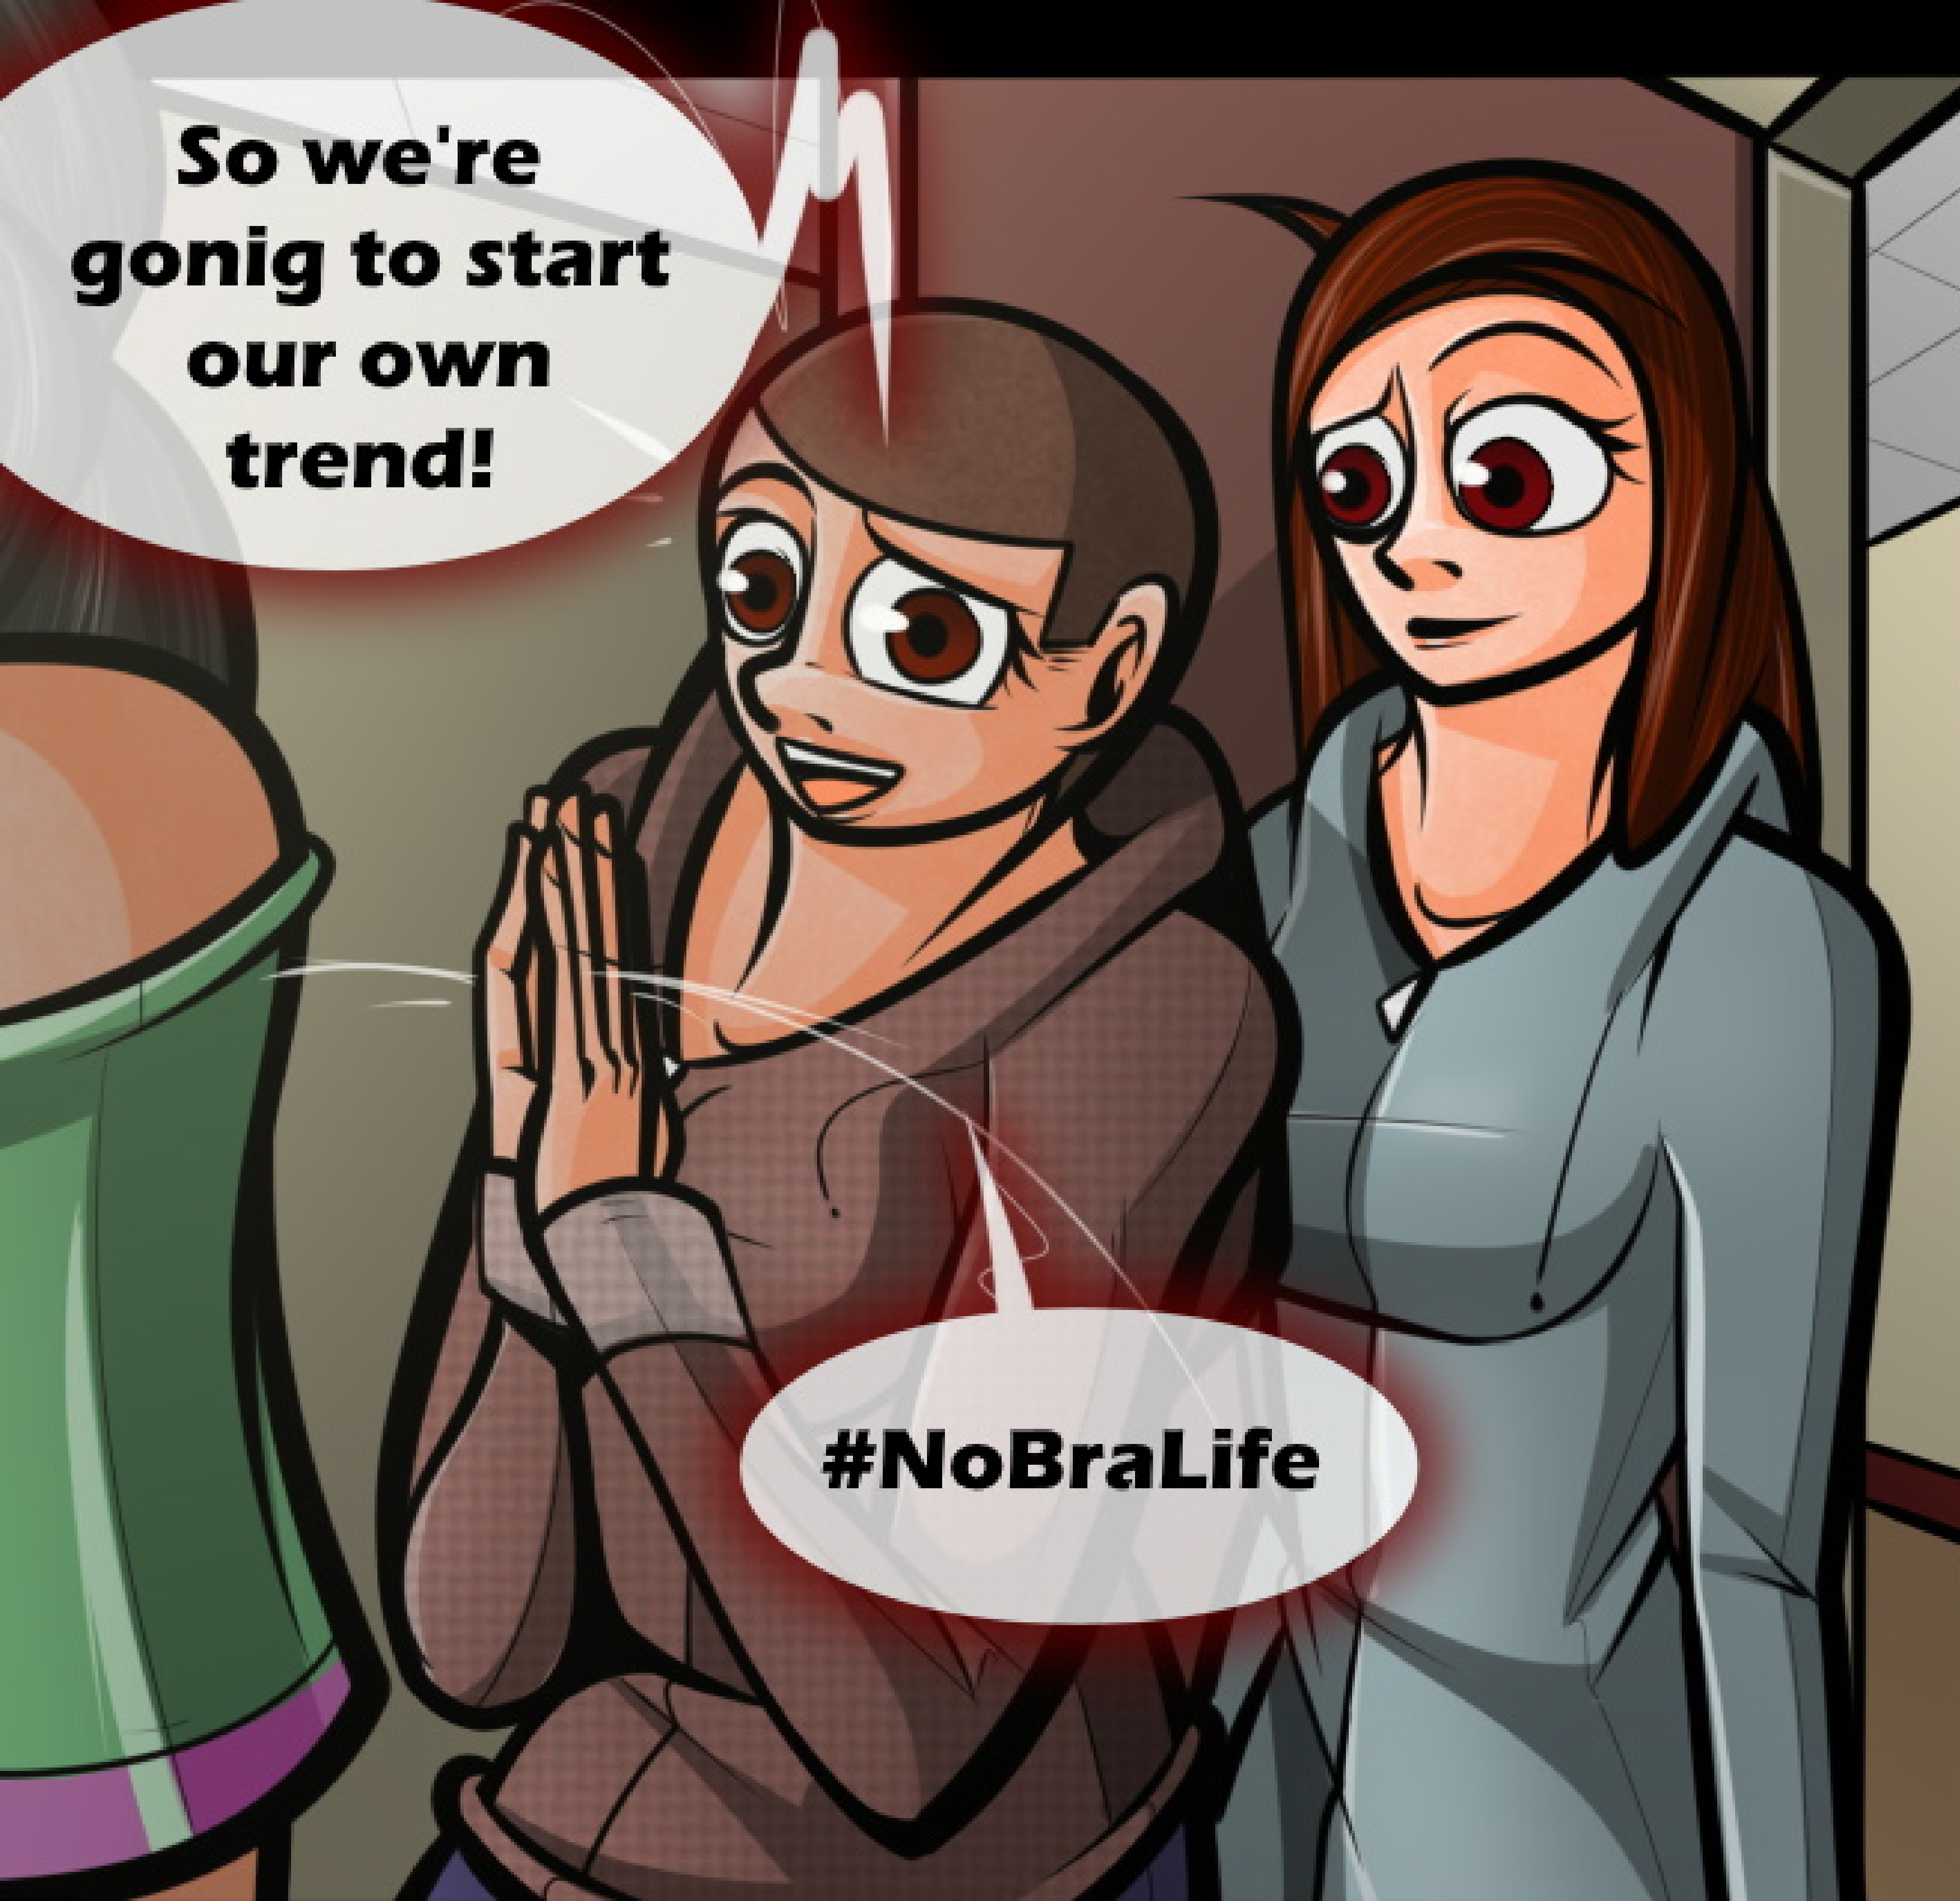

Uhm what...

The ex-girls started another online trend called #BraLife.

They pose in Bra's and make selfies while we actually need to live by them!
It's unfair!

For a good cause #BraLife

I already told you Kris, it's a stupid plan!

WHAT?!

If Nathan doesn't join, then I won't either!

Seriously Jack?!

ugh

Well, it couldn't be that bad? It's just a group shot.

We can't do it without you...

Please?!

Damn...

Damn... her cute smile...

URGH...

Alright... I'm in!

SLAP!

GREAT!

This is what we're going to do...

While we're having gym, two of us will sneak to the back of the yard.

Then we'll sneak up to the storage room and get tons of additional towels.

You see? I still have the balls rolling!

Roll...

Coast is clear...

WOBBLE!

SWEATING

I really have gotten weaker...

Everyone, grab a pair and take off your clothes.

And lastly we'll all meet in the locker room and change our clothes for towels.

Tumble...

GRAB!

I'll take this one!

GRAB!

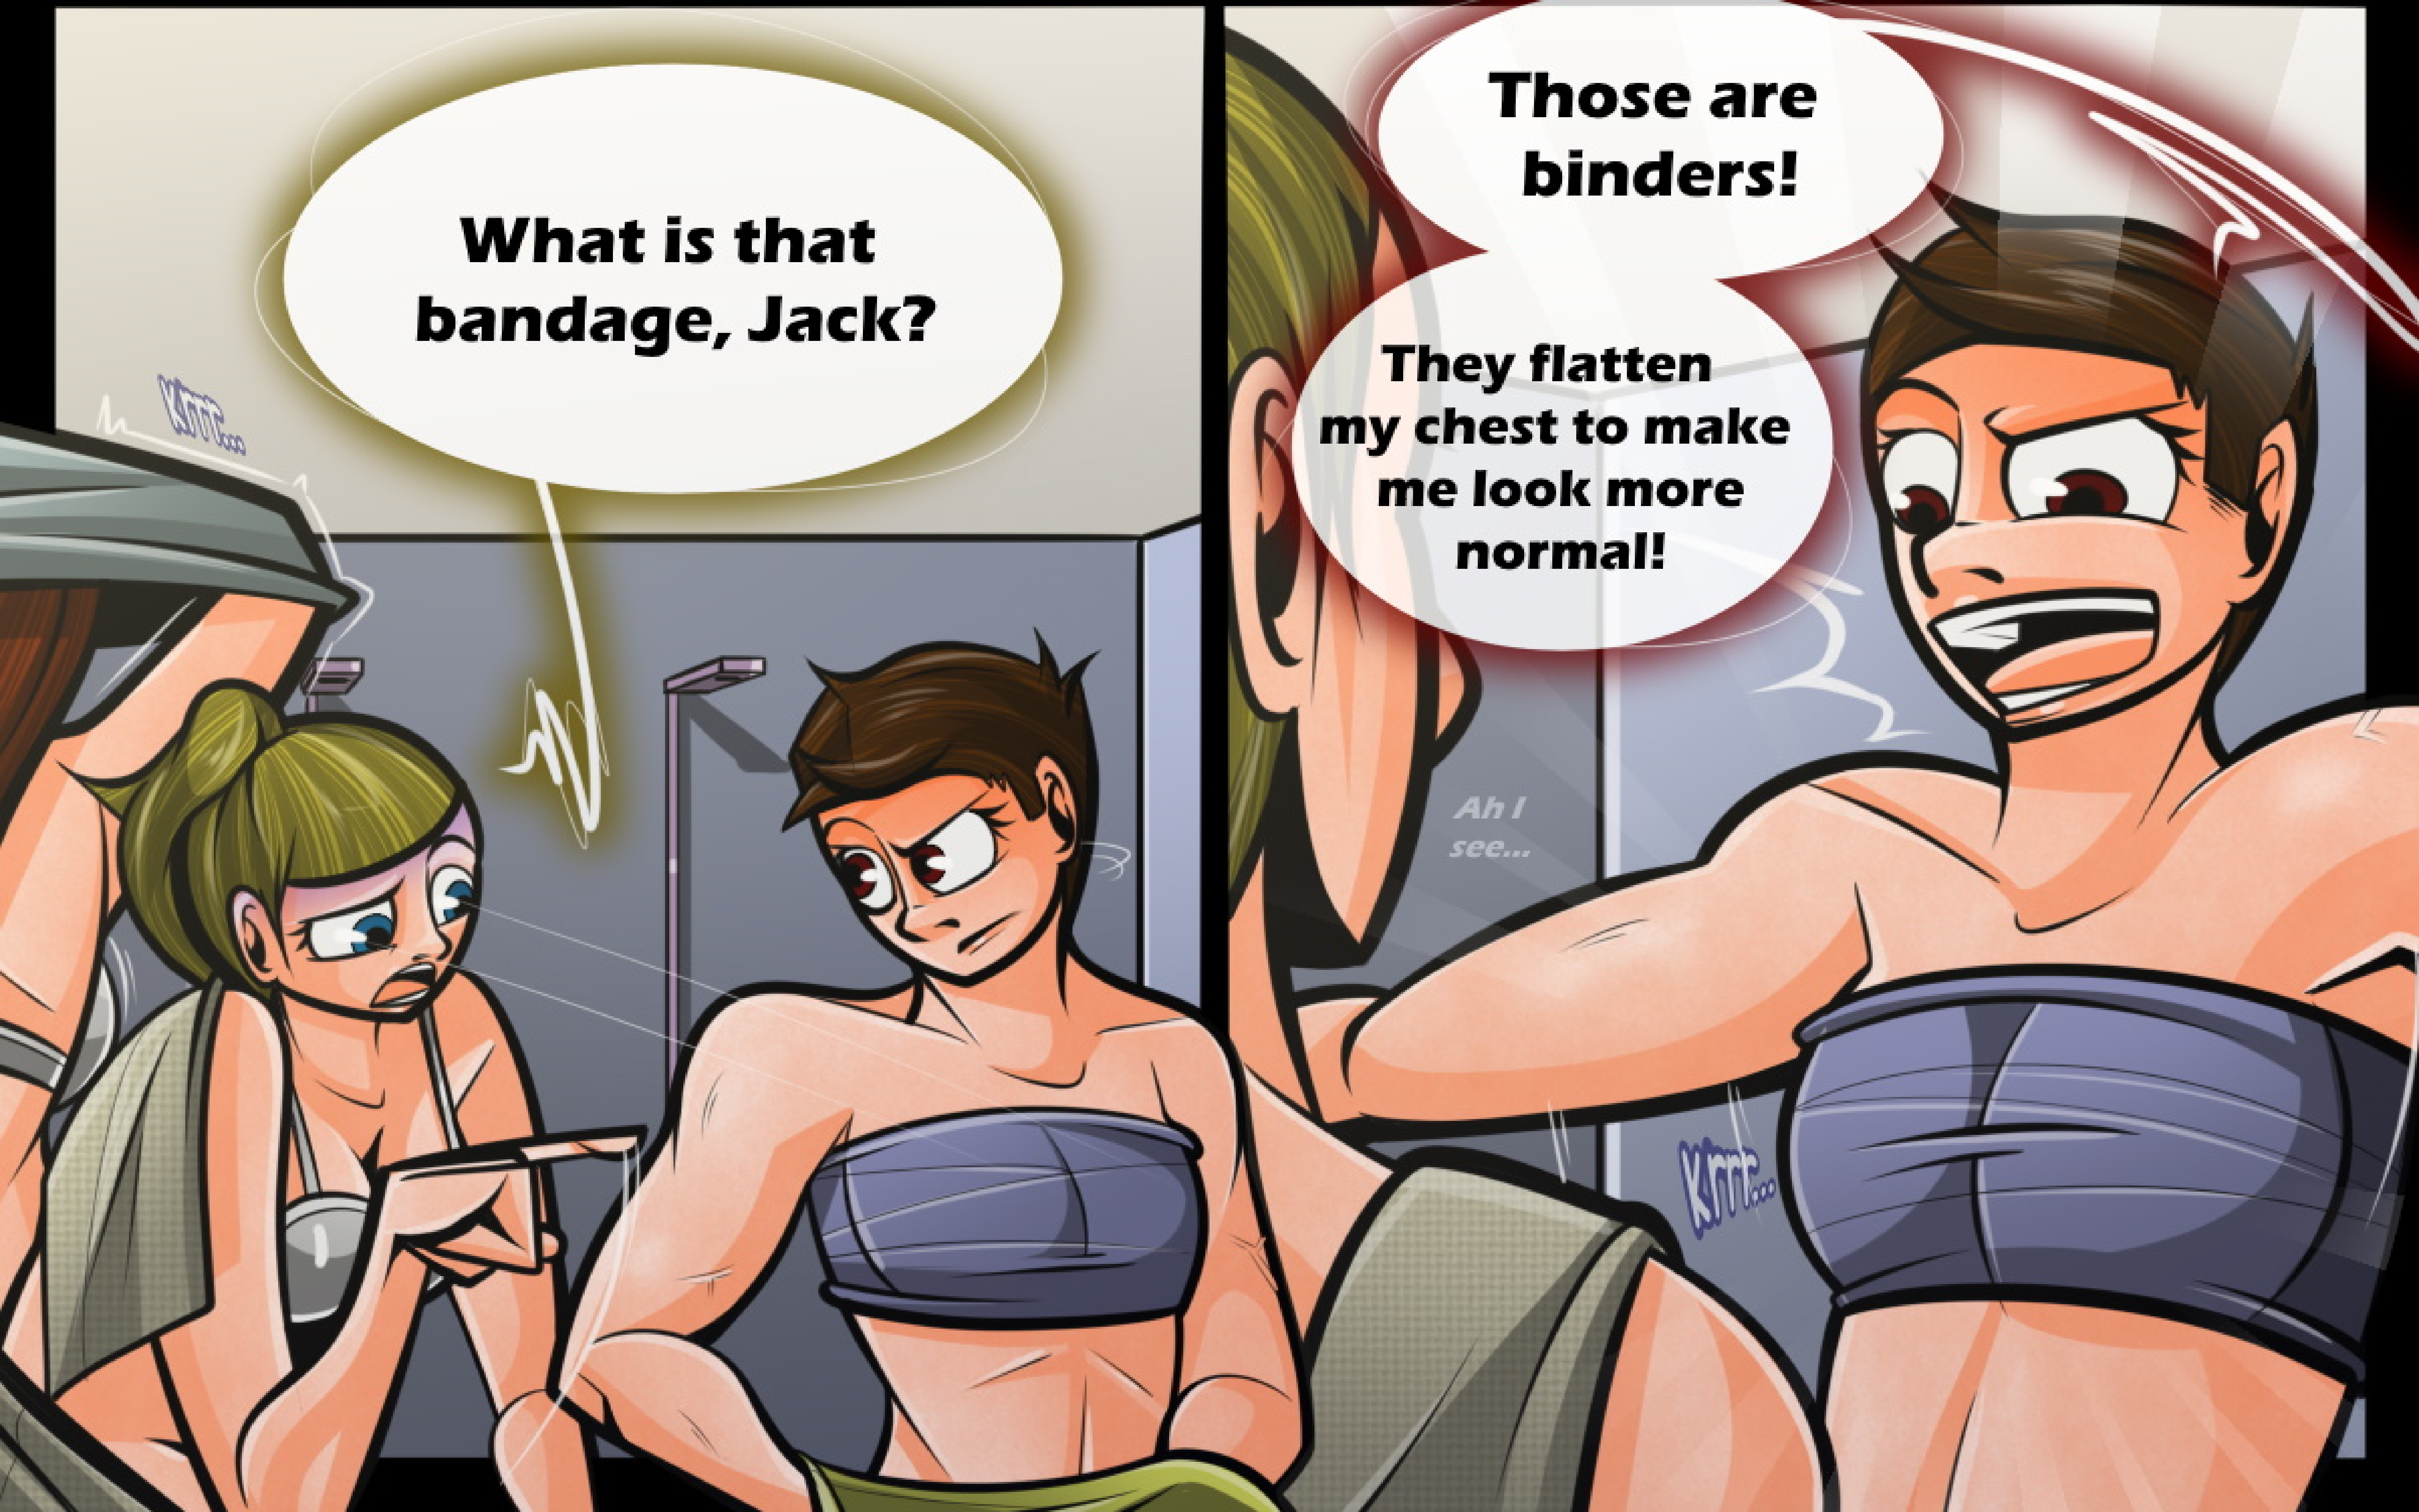

What is that bandage, Jack?

Those are binders!

They flatten my chest to make me look more normal!

Ah I see...

It does make you look like a man with the clothes on. Doest it hurt?

Come on... why don't you come off?

Boing!

Nah... Only when I breath.

I see you're having trouble. Can I give you advise?

Uhm... sure.

You know, it is much better to take it off from the front than behind, otherwise those girls will block it.

Like this!

Your ti... you aren't wearing a bra?

GRAB.

GRAB.

Boing!

Uhm...

Boing!

Oh yeah sorry, I took them off before we came here.

Hmm... okay, thanks for the tip by the way.

You're welcome!

Boing!

Odd... I used to dread wearing bra's.

But after having wore them for so long now, it feels weird now I'm bare chested again.

Squeeze...

Jiggle!
Jiggle!

Jiggle!
Jiggle!

I know... They're hanging wild loose like water balloons.

It feels like I'm not wearing underwear, but then for my chest.

urgh!

Jiggle!
Jiggle!

Jiggle!
Jiggle!

More like... **Chest-icles!**
Do you get it?

Sigh...

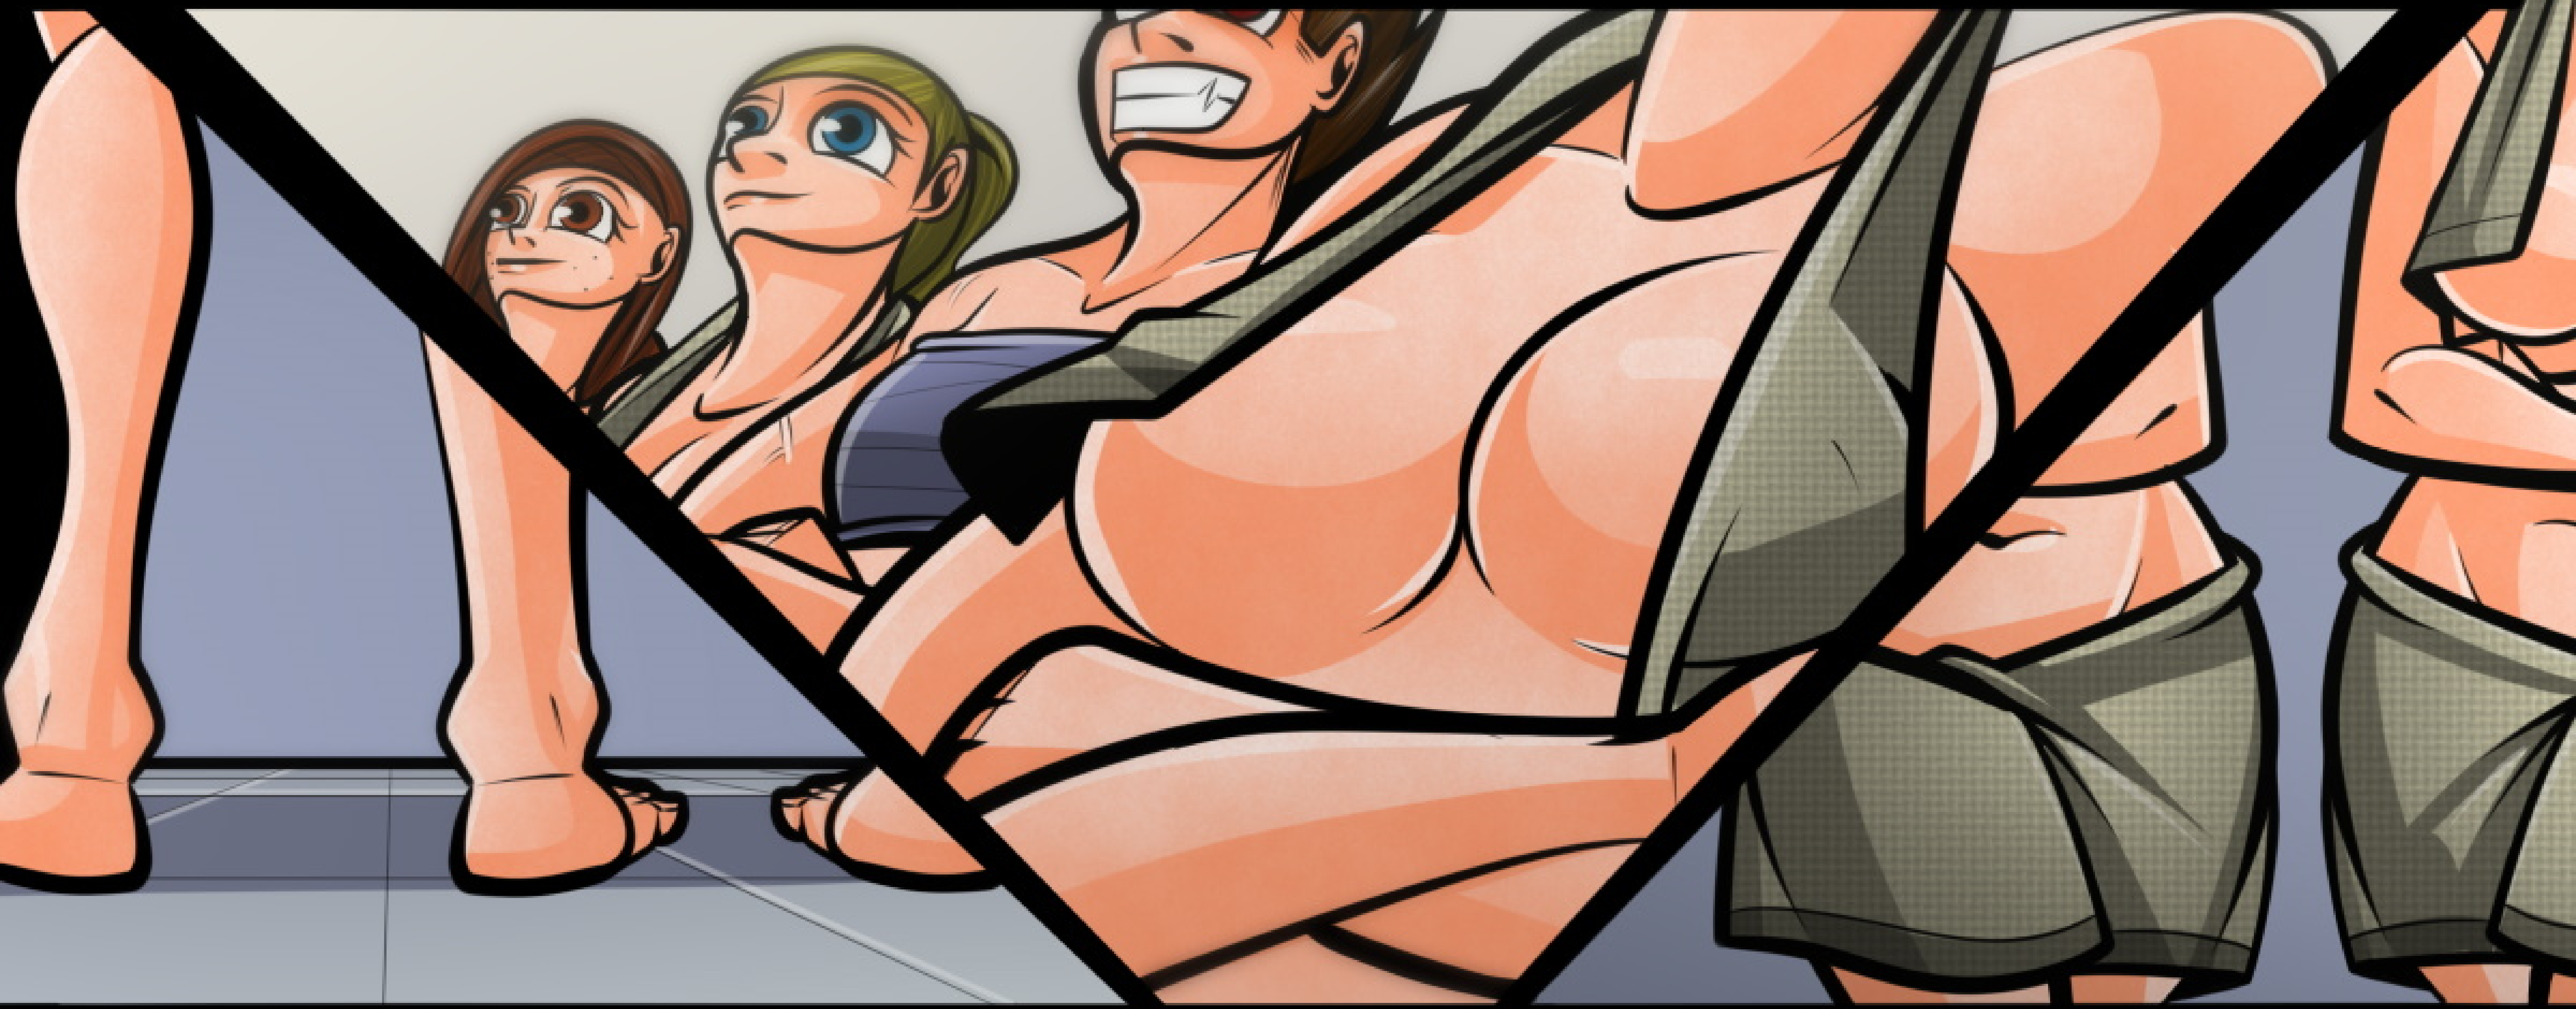

HAHA...

GAGA...

I almost looked down...

I think we're ready. Everybody, let's line up!

Is Kris talking to us?

I don't mind getting closer to an attractive chick...

Can you two go a bit closer to each other? And is everybody all here?

TAP! TAP!

Wait Kris!

Nathan is still busy putting on the towel.

Point

Why is she looking up?

This is so much harder than I expected without looking down!

Peek...

I think the towel covering the nipples?

**Nathan?
What are
you doing?**

**Looking at
the sun?
Come join us!**

Huh?

Go on already!

SCRATCH...

**Oh... Sorry,
I was uhm...**

**Lost in
thought!**

I see...

**Wait a
moment...
is that a
classic...**

*You can go ahead
and set up the camera...*

*Boing!
Boing!*

BLING!

nip slip?

HMM...

Hey, there is something on your chest!

What is it?

Oh it's no red alert, but let me give you a hint!

Huh...?!

Squeeze...

Twist!

Twist!

AAAAA!!!

This one is going to my naughty folder.

SNAP!

Kris... Argh... STOP IT!

Haha! Sure, I'll "snap" out of it.

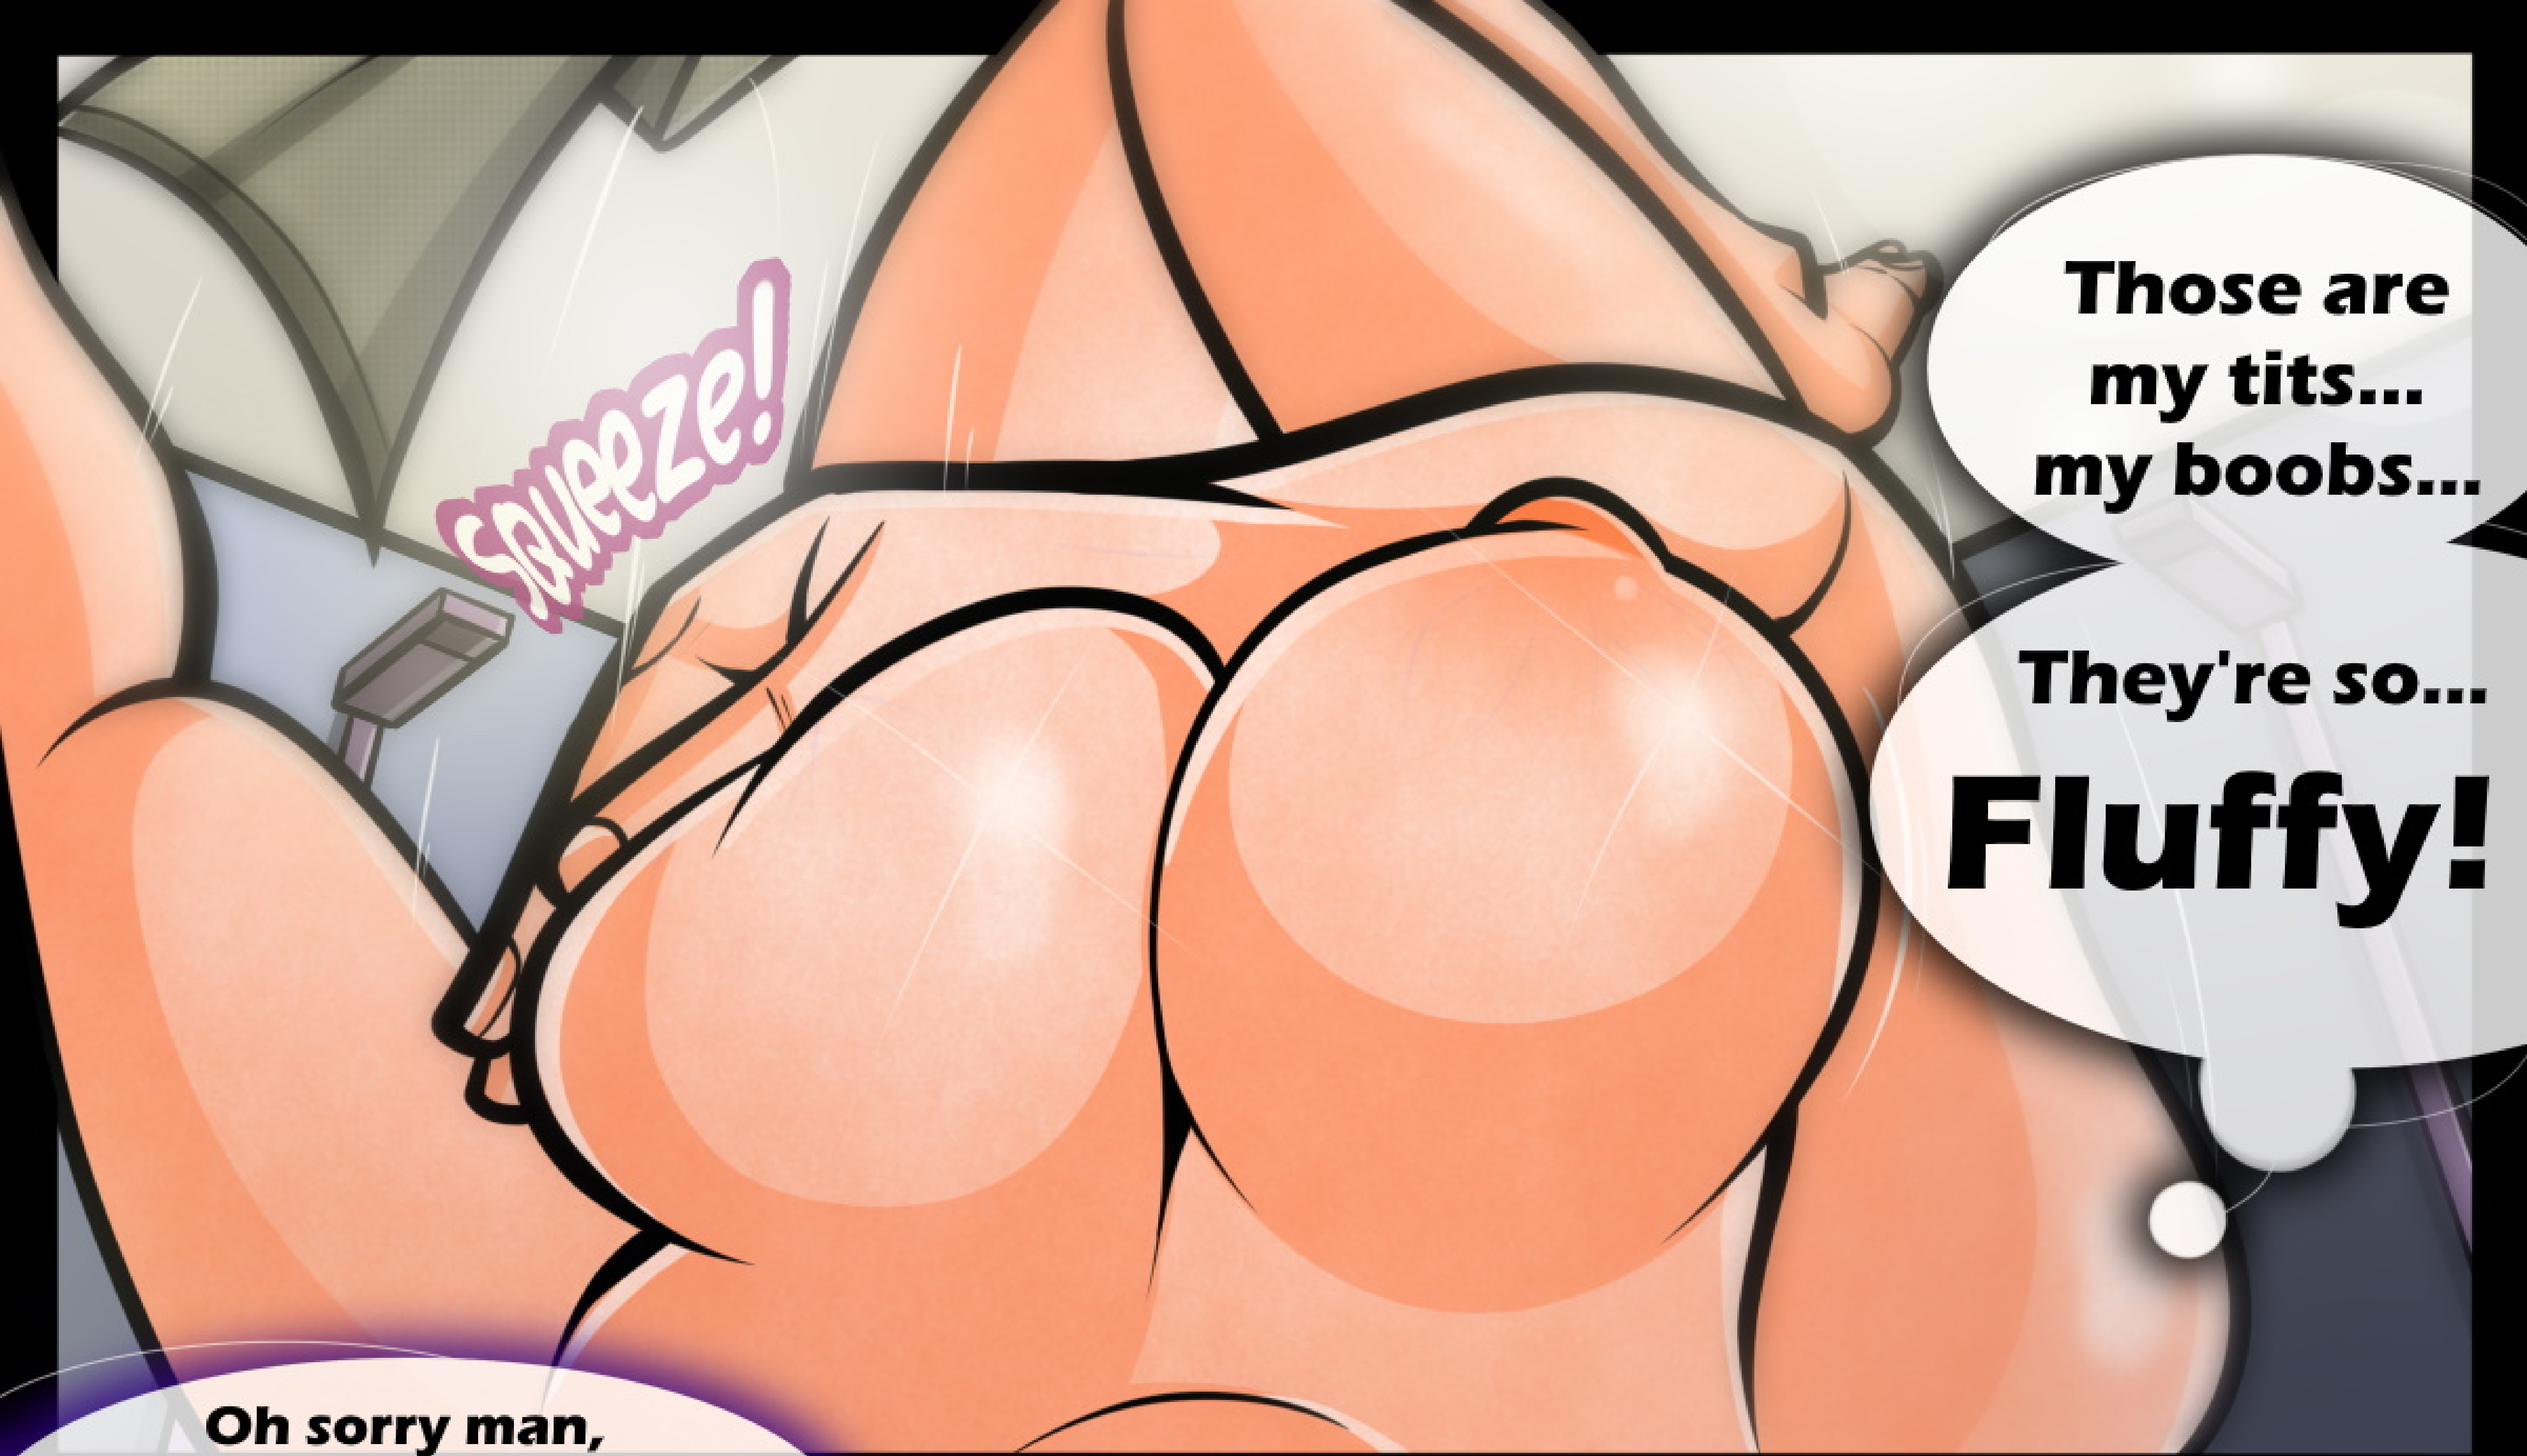

PUSH

Flick!

Oh my... I see them!

woosh!

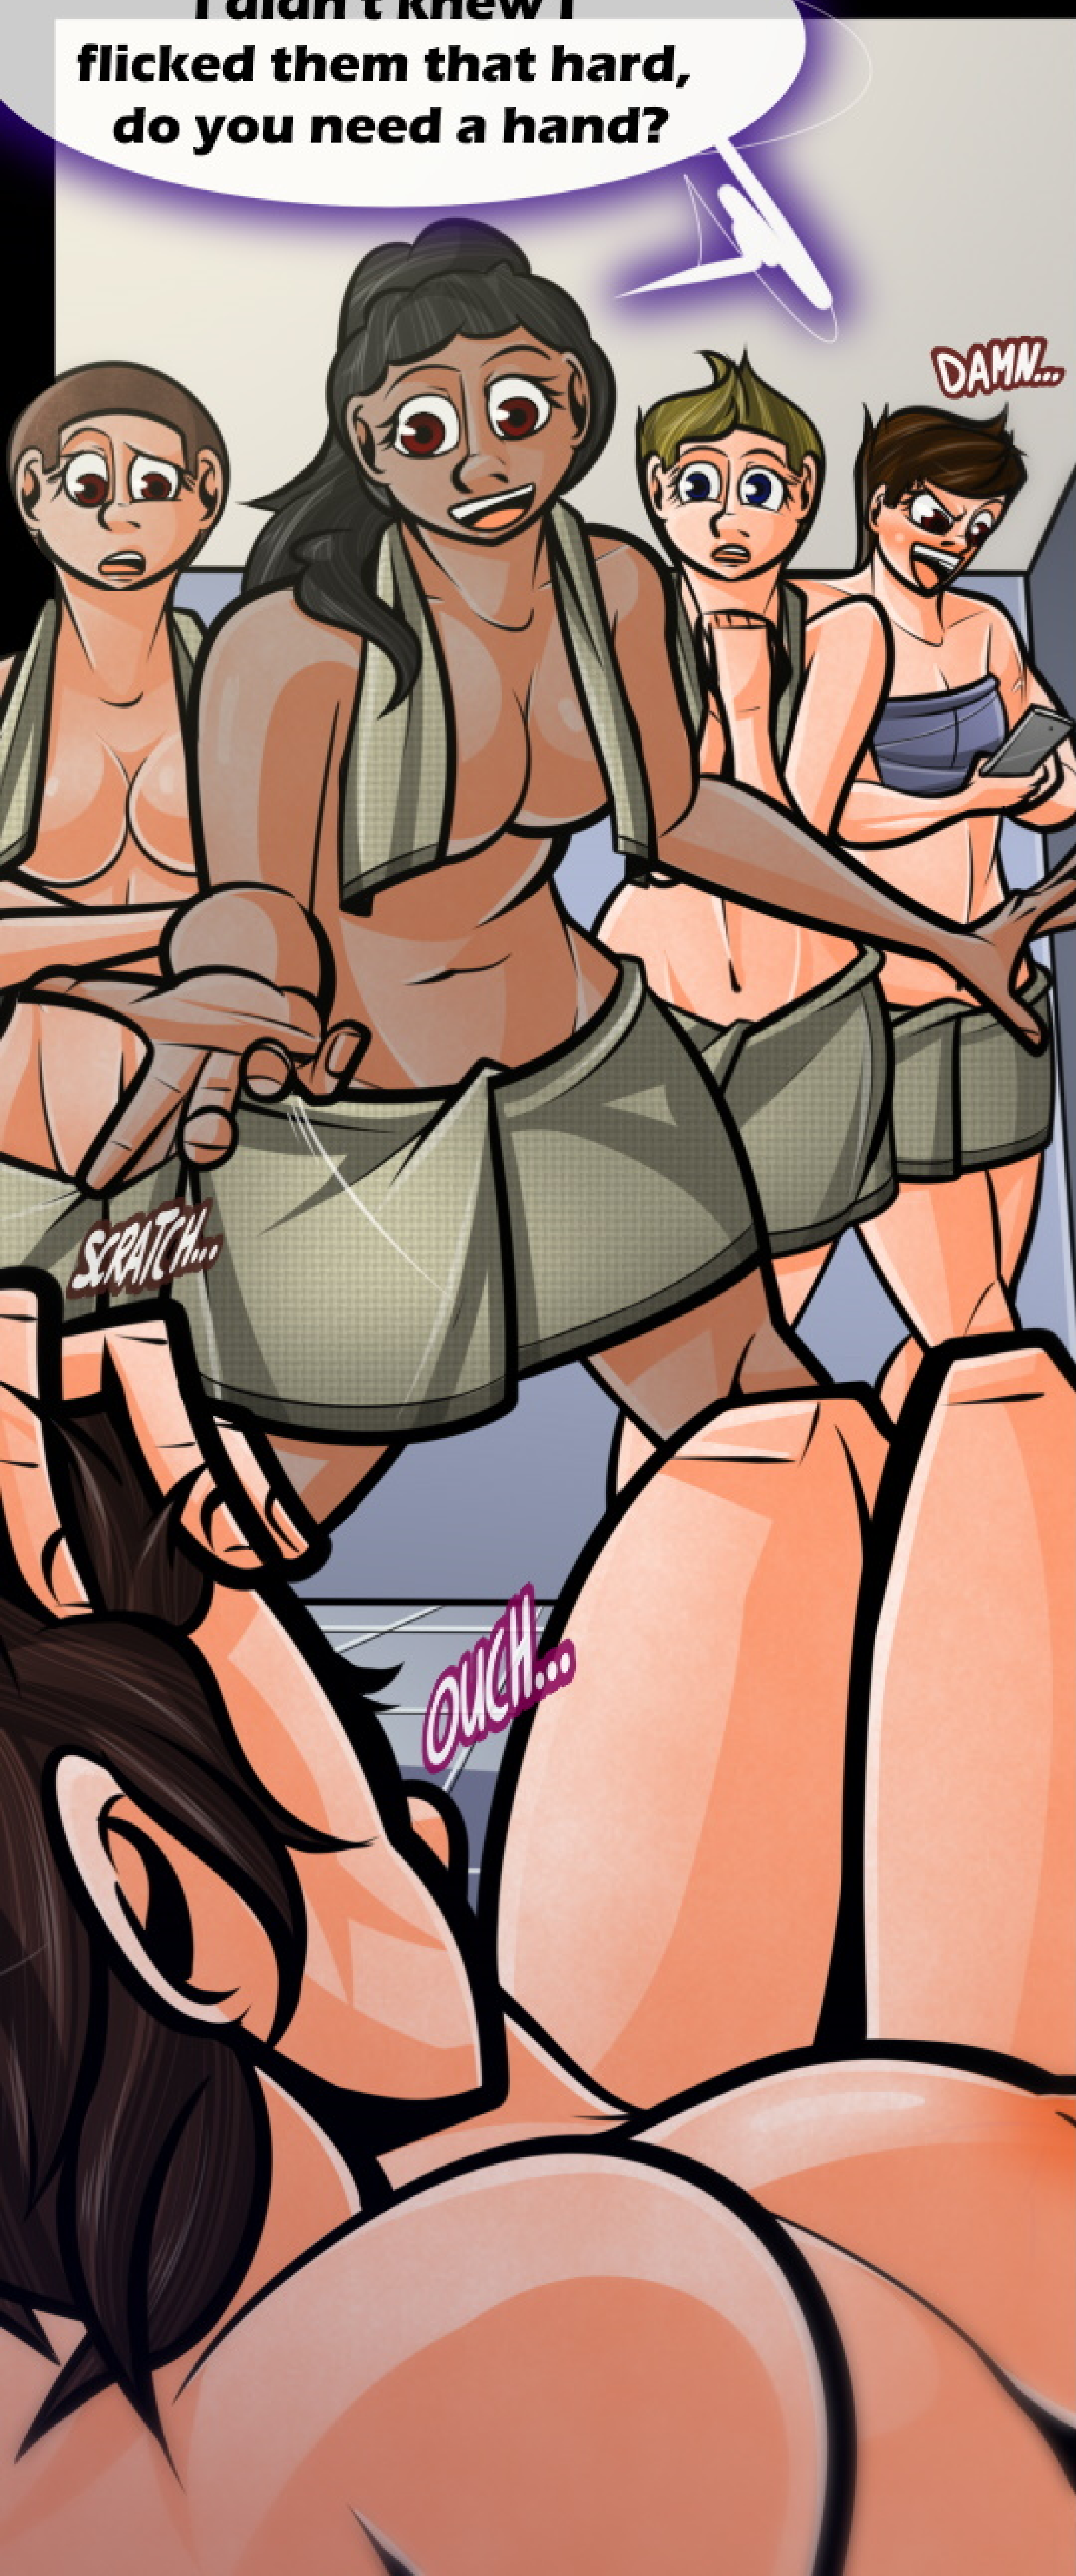

Squeeze!

Those are my tits... my boobs...

They're so...
Fluffy!

Oh sorry man, I didn't know I flicked them that hard, do you need a hand?

DAMN...

SCRATCH...

Ouch...

Whoa!

SLAP!

NO!
Leave me alone!

Oh crap...

Jiggle!

RUN!

Should we go after him?

GRAB!

Don't worry, I'll handle this.

A couple of minutes later...

Hey...

Hey!

Are you here to twist my nipples again?

Sigh...

I think I've done enough of twisting towards you

Yeah, you can say that.

Dan told me, you've never seen yourself naked since the wave. I'm sorry that I forced you to see yourself that way.

Well... actually that isn't the only reason.

POOF...

**You see...
I want to see it when
I have my first orgasm
as a girl.**

WHAT!
**Wait... you
only avoided seeing
yourself naked to
reserve it for someone
you're having
sex with?**

**Not sex, just masturbation.
I mean our bodies are so different
now that we might be in someone
else's body right now.
And I know female-me
looks hot now.**

**Everybody's flocking to
me, the guy at the mall, Precilla.
So masturbation feels sort of
like sex with this hot girl
that is actually me.**

**I know...
it sounds weird.**

Hehe...

**Well, the whole
world is weird now.**

**Sorry about spoiling
the goods, can I make
it up to you?**

Huh?

How?

Well, let's have...

sex.

...

...

...

Uhm...

R...right now?

WHAT?
Ofcourse not silly!
We have the whole
class waiting for us.

But look at us!

Wave...

We're two attractive babes now. And now I'm single, I want to experiment again.

So what do you say? Let's pick a day, get some sexy underwear and toys and blaze it like there is no tomorrow?

I don't know... It's a lot to take in...

Hmm...

Is Nathan joining or not? I've brought her towel...

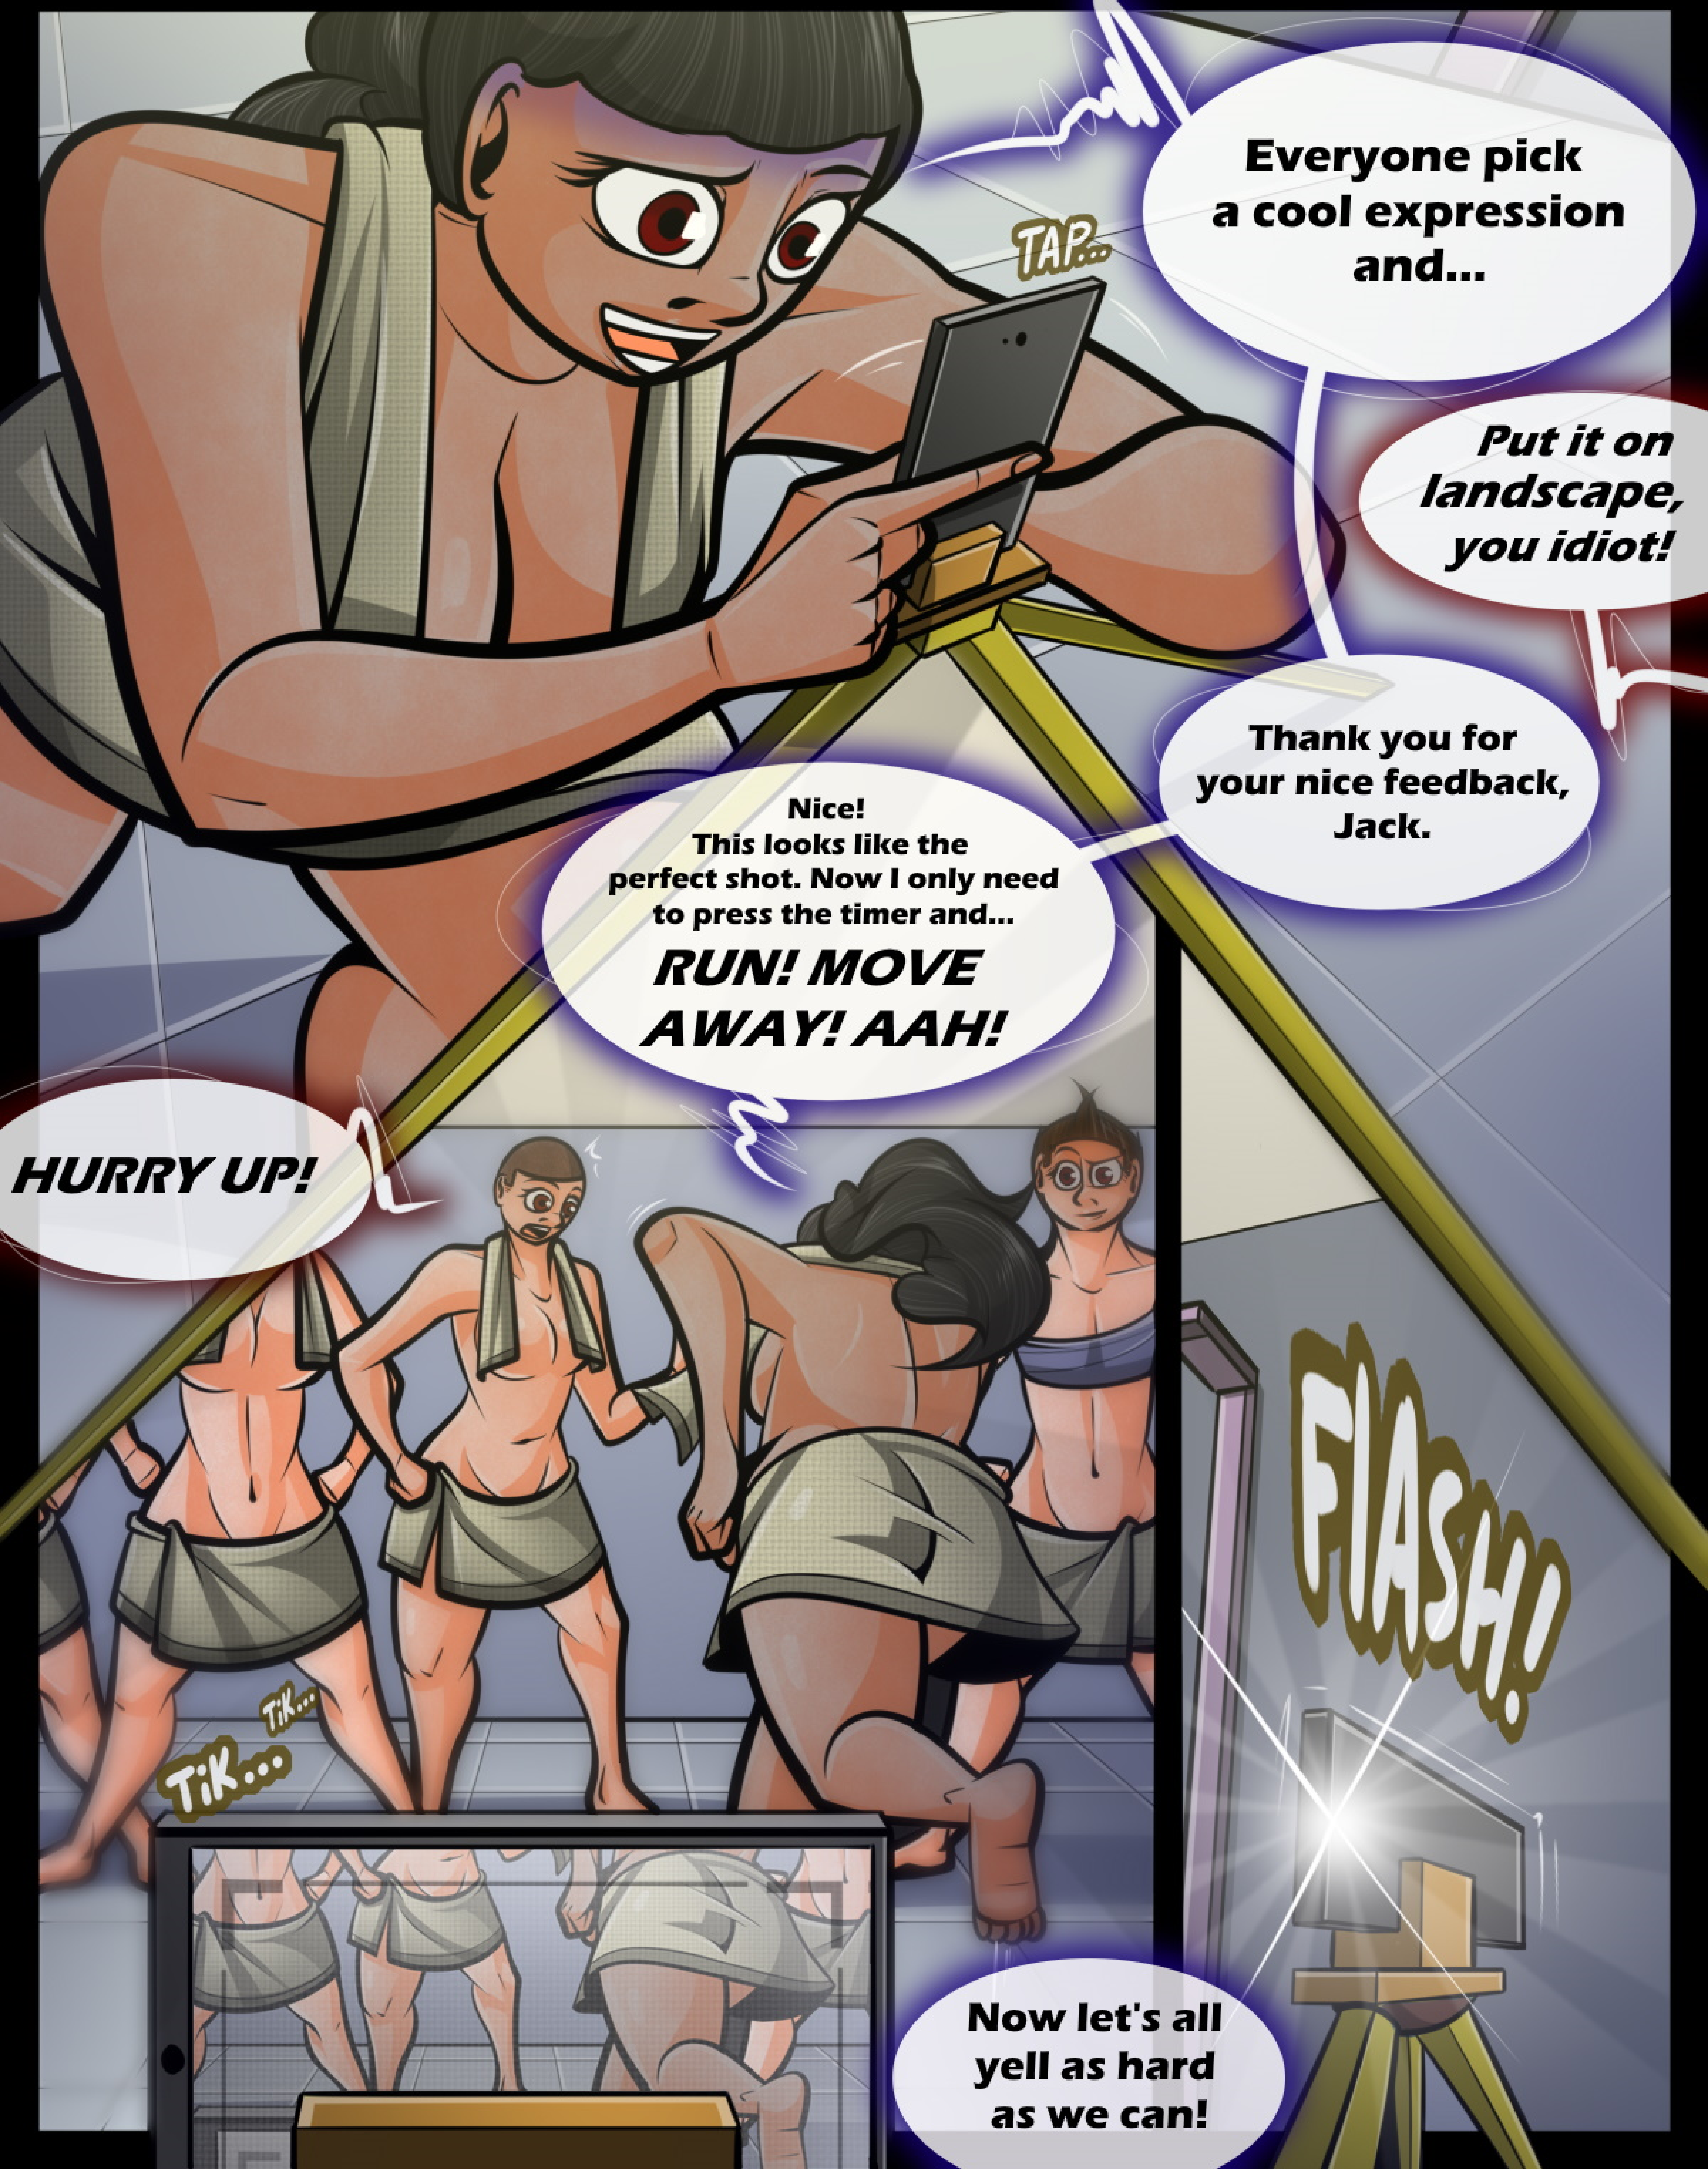

Sure, I'll join!

I see that also as a yes for "us"!

Wait, no I didn't mean to...

Quit rambling already! It was only a nipple twist.

WMPF...!

Everyone pick a cool expression and...

Put it on landscape, you idiot!

Thank you for your nice feedback, Jack.

Nice! This looks like the perfect shot. Now I only need to press the timer and...
RUN! MOVE AWAY! AAH!

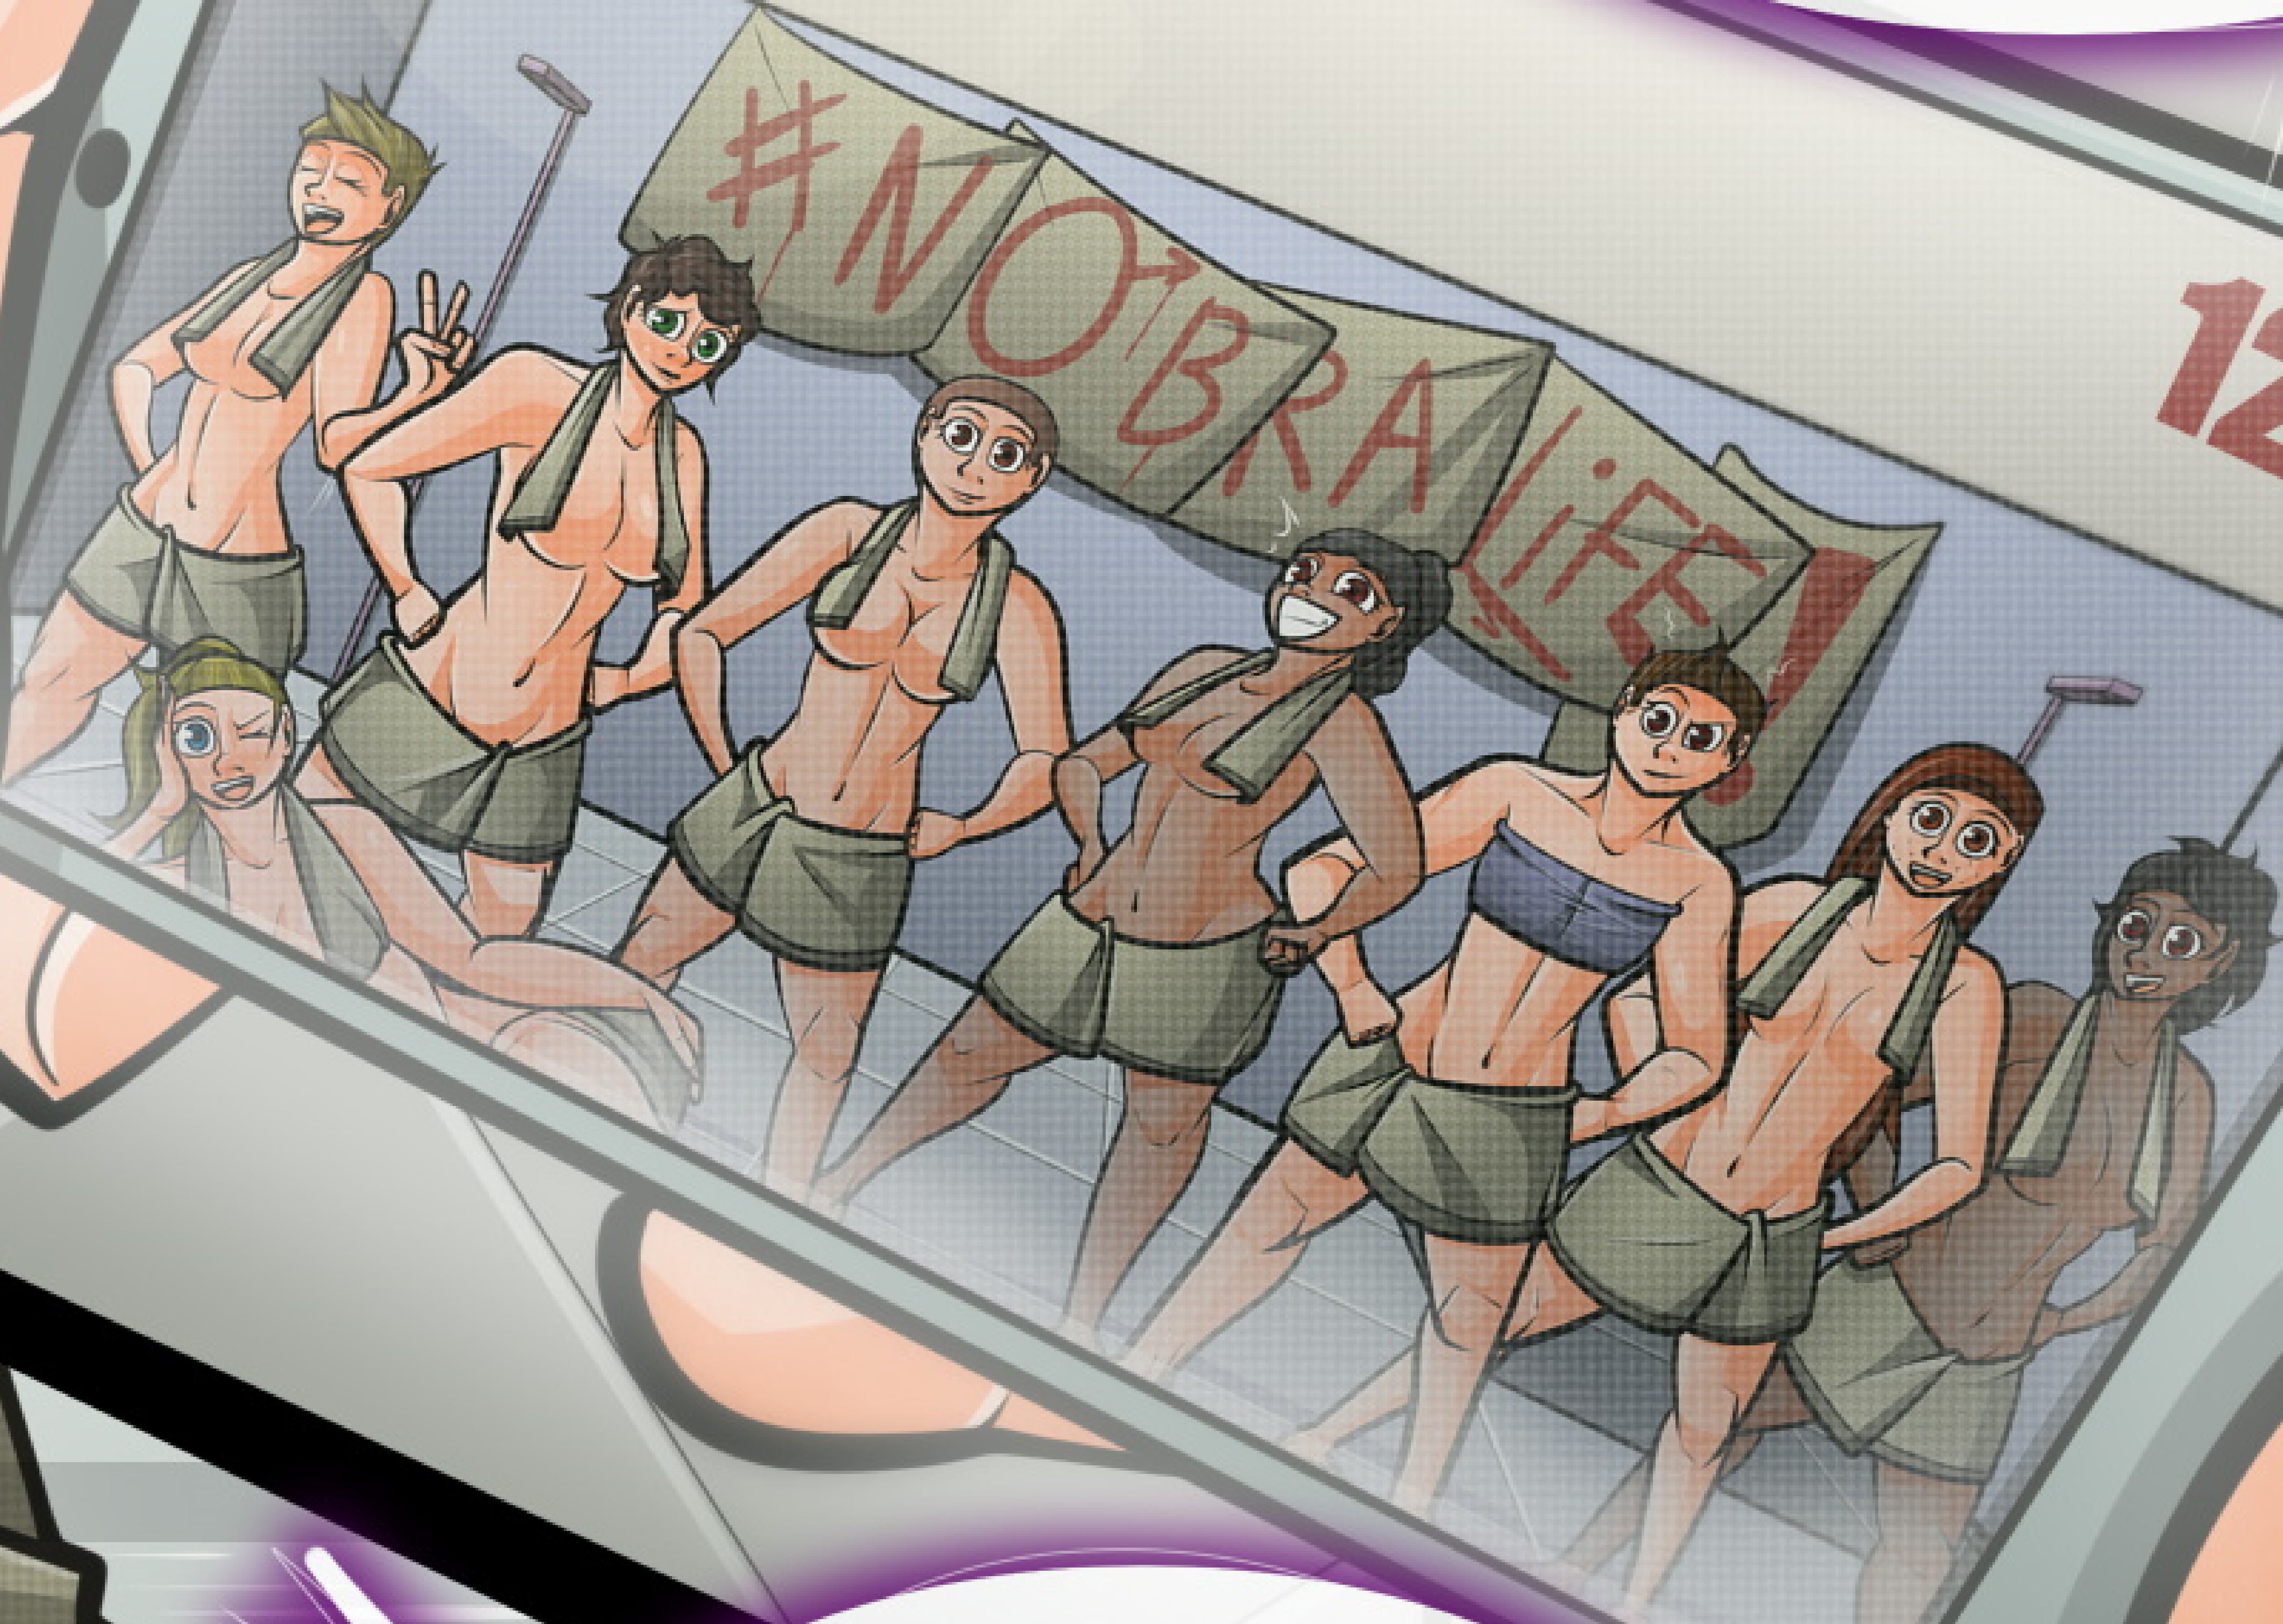

HURRY UP!

FLASH!

Now let's all yell as hard as we can!

**Damn... I look so girly there.
And Kris looks so confident.
And she wants me to have sex
with her haha! Luckily this
post hasn't made much
attraction.**

12 ❤️

**Let's keep it
that way. What
would my dad think?
Urgh...**

**Now, if I'm really
going to have sex
with my best friend,
and I've already
have seen my tits.**

TAP...

Bounce...

Bounce...

**Then I
really need
to see myself
completely
naked.**

**Come on...
Don't be such
a pussy!**

KRR...

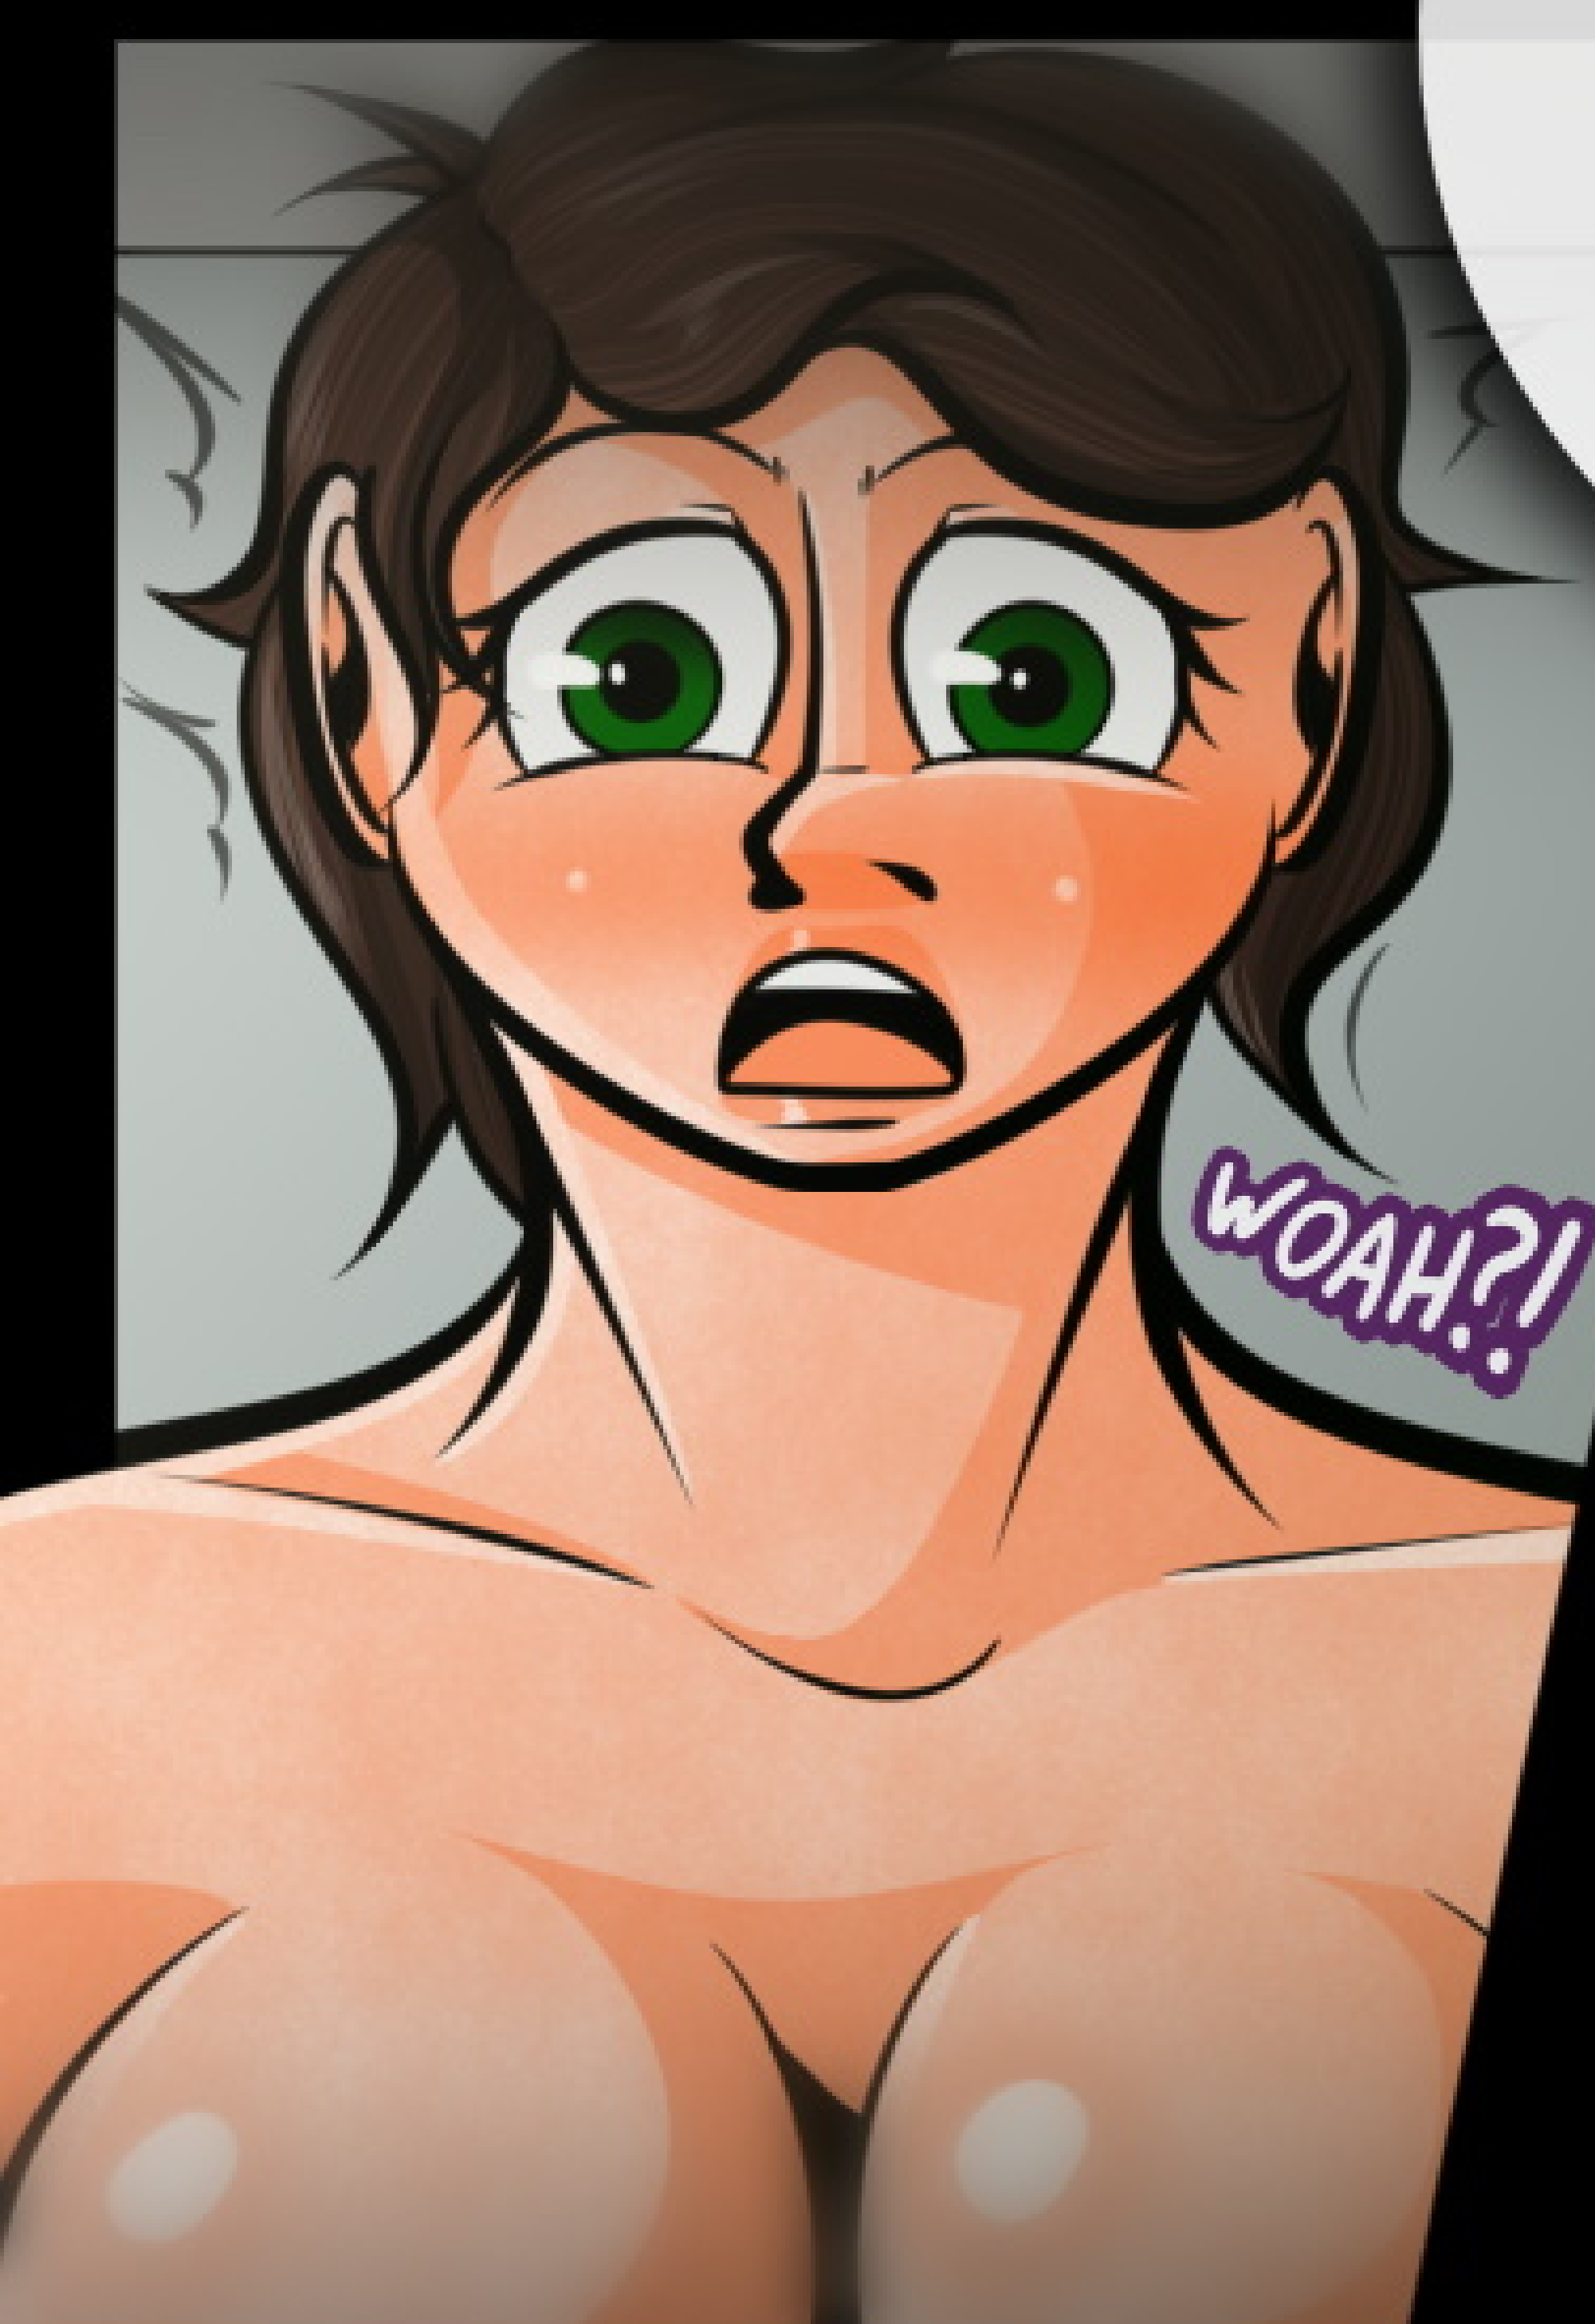

FLOOD...

**Uhm...
I don't
know what
to say...**

**I'm
totally a hot
bombshell!**

WOAH?!

There's so many of those flaps around it. I can't even see it.

And this ass... they really jiggle all the way! I really feel the weight of them.

STROKE...

SHAKE!

SHAKE!

But that's nothing compared with these... balls of fat. They're as heavy as a... milk pack.

AAH...

NATHALIE!!!
COME HERE
RIGHT NOW
YOUNG LADY!

Dad?

GRAB

I'm sorry I occupied the bathroom so long...

Wait... you're not angry?

There is a new trend responding to the #bralife movement called #nobraife.

OFCOURSE NOT! You're on television!

Normally I would get mad, but at least you've embraced your new body more. And besides this is hilarious!

Slide...

GRAB!

HUH?

HAHA!

POINT!

Many ex-men all over the world are posing without are bra and only towels to strike a manly pose.

It started by this college group shot in the bathrooms.

This can't be happening because of us? Do they have nothing else to cover in the news?!

I mean... it wasn't even popular!

Psycho analysts think this may be caused by the outcry of ex-men experiencing the discomforts of bra's. Google is coming up with a new type of bra that will fit any kind of size and is...

Hey, at least you'll get more popular at college, you know?

Or has it been blowing up in JUST a couple of min...

ARE YOU KIDDING ME?

WHAT...

SCRATCH!
