

the GENDER WAVE

I can't believe I'm going to do this. To have sex with my best friend...

CUP...

HMM...

Yeah, this looks like the outfit in the picture Kris wants me to wear.

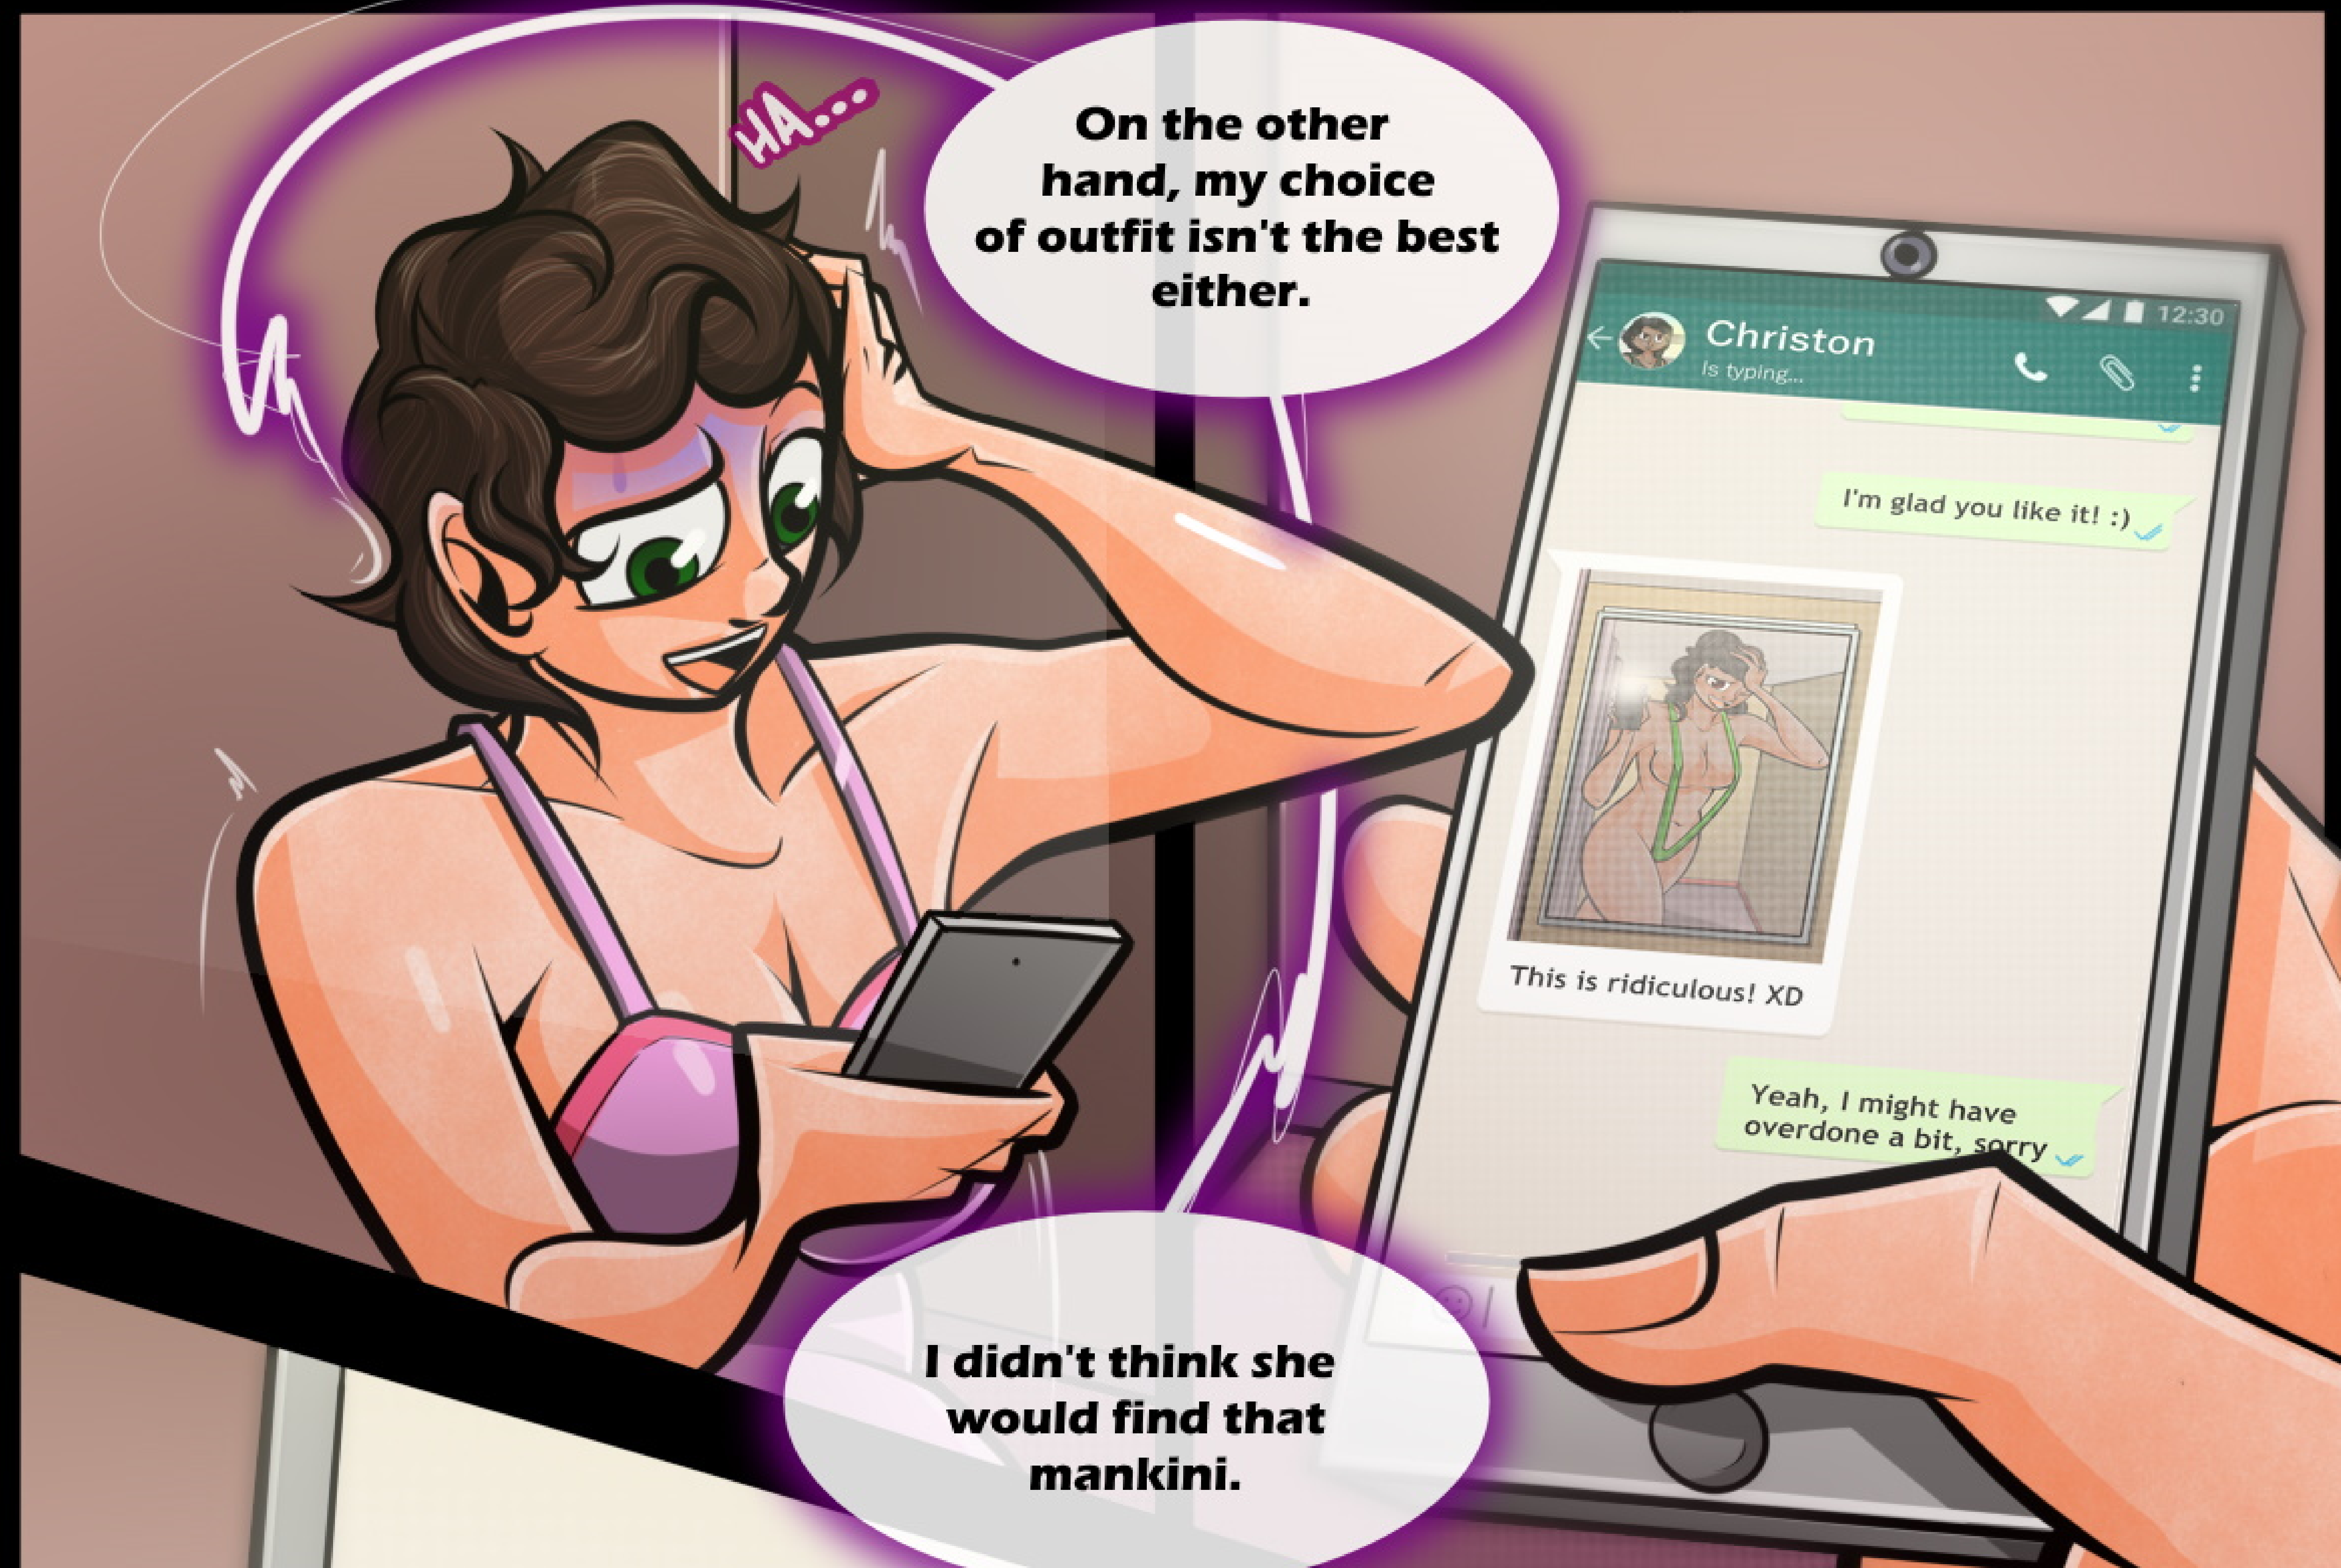

It is so soft, let's send her a picture...

SNAP!

She really wants me to look at my most girliest.

TAP!
TAP!
TAP!

On the other hand, my choice of outfit isn't the best either.

I didn't think she would find that mankini.

As long it turns you on

Can't wait to rip your clothes out tonight and experiment with our new curves hihi!

Wow she really is in to it. Never got a hot chick really into me that easy!

I must say she looks really hot in that...

WHAT THE?... MY NIPPLES ARE ERECT?!

Why are you two poking so much out?! Go back in there!

Urgh... and I thought having boner was obvious.

Is that...
Precilla?

Shall I
call your
boyfriend
over?

EH?!

**BOYFRIEND?!
NO!**
Can I pay now?

**Ofcourse!
That would be
30 bucks.**

Here you go.

Peep!

**Thank you.
Have a nice day
miss... mister!**

**Just keep
walking...**

**Don't let her
see
your face...**

**You're
almost...**

WOOSH!

**Nathan?
Is that you?**

Oh my god...

There...

SIGH...

75% discount on
all clothes!!!
Gender
change deal!

Hey there Precilla!
Long time no see!
hihi!

What a
coincidence,
isn't it?

Hihi!

Yeah, I used
to go here often
to buy clothes before
the wave. I wanted
to see it agian.

But since I'm
now two heads taller,
it looks like so small now,
just like everything
else!

Well, for me
everything looks
so much bigger
now.

Point!

Wrooh...

Being a guy
sucks ass!

I bump at
everything I encouter,
I have hair all over my
body and the clothes
are just....

Huh?

Bump!

BORING!
No choice at all on
what you want to wear!

I agree, but at least they have big enough pockets. I can't even fit my phone in it!

Do they expect me to bring a purse or something like that!?

Well, you have other places to put it as well...

Where?

Well...

FUMBLE...

SCRATCH!

Where I used to place it...

was beneath my bra.

Oh yeah! Sorry!

No, I came with it.

...

HAAA!

ha...

So... I should be goin...

Can I ask you something?

Oh crap...

Oh no...

It feels just like before...

Has no one ever told you that you're such an cute and a kind girl?

FLASHBACK...

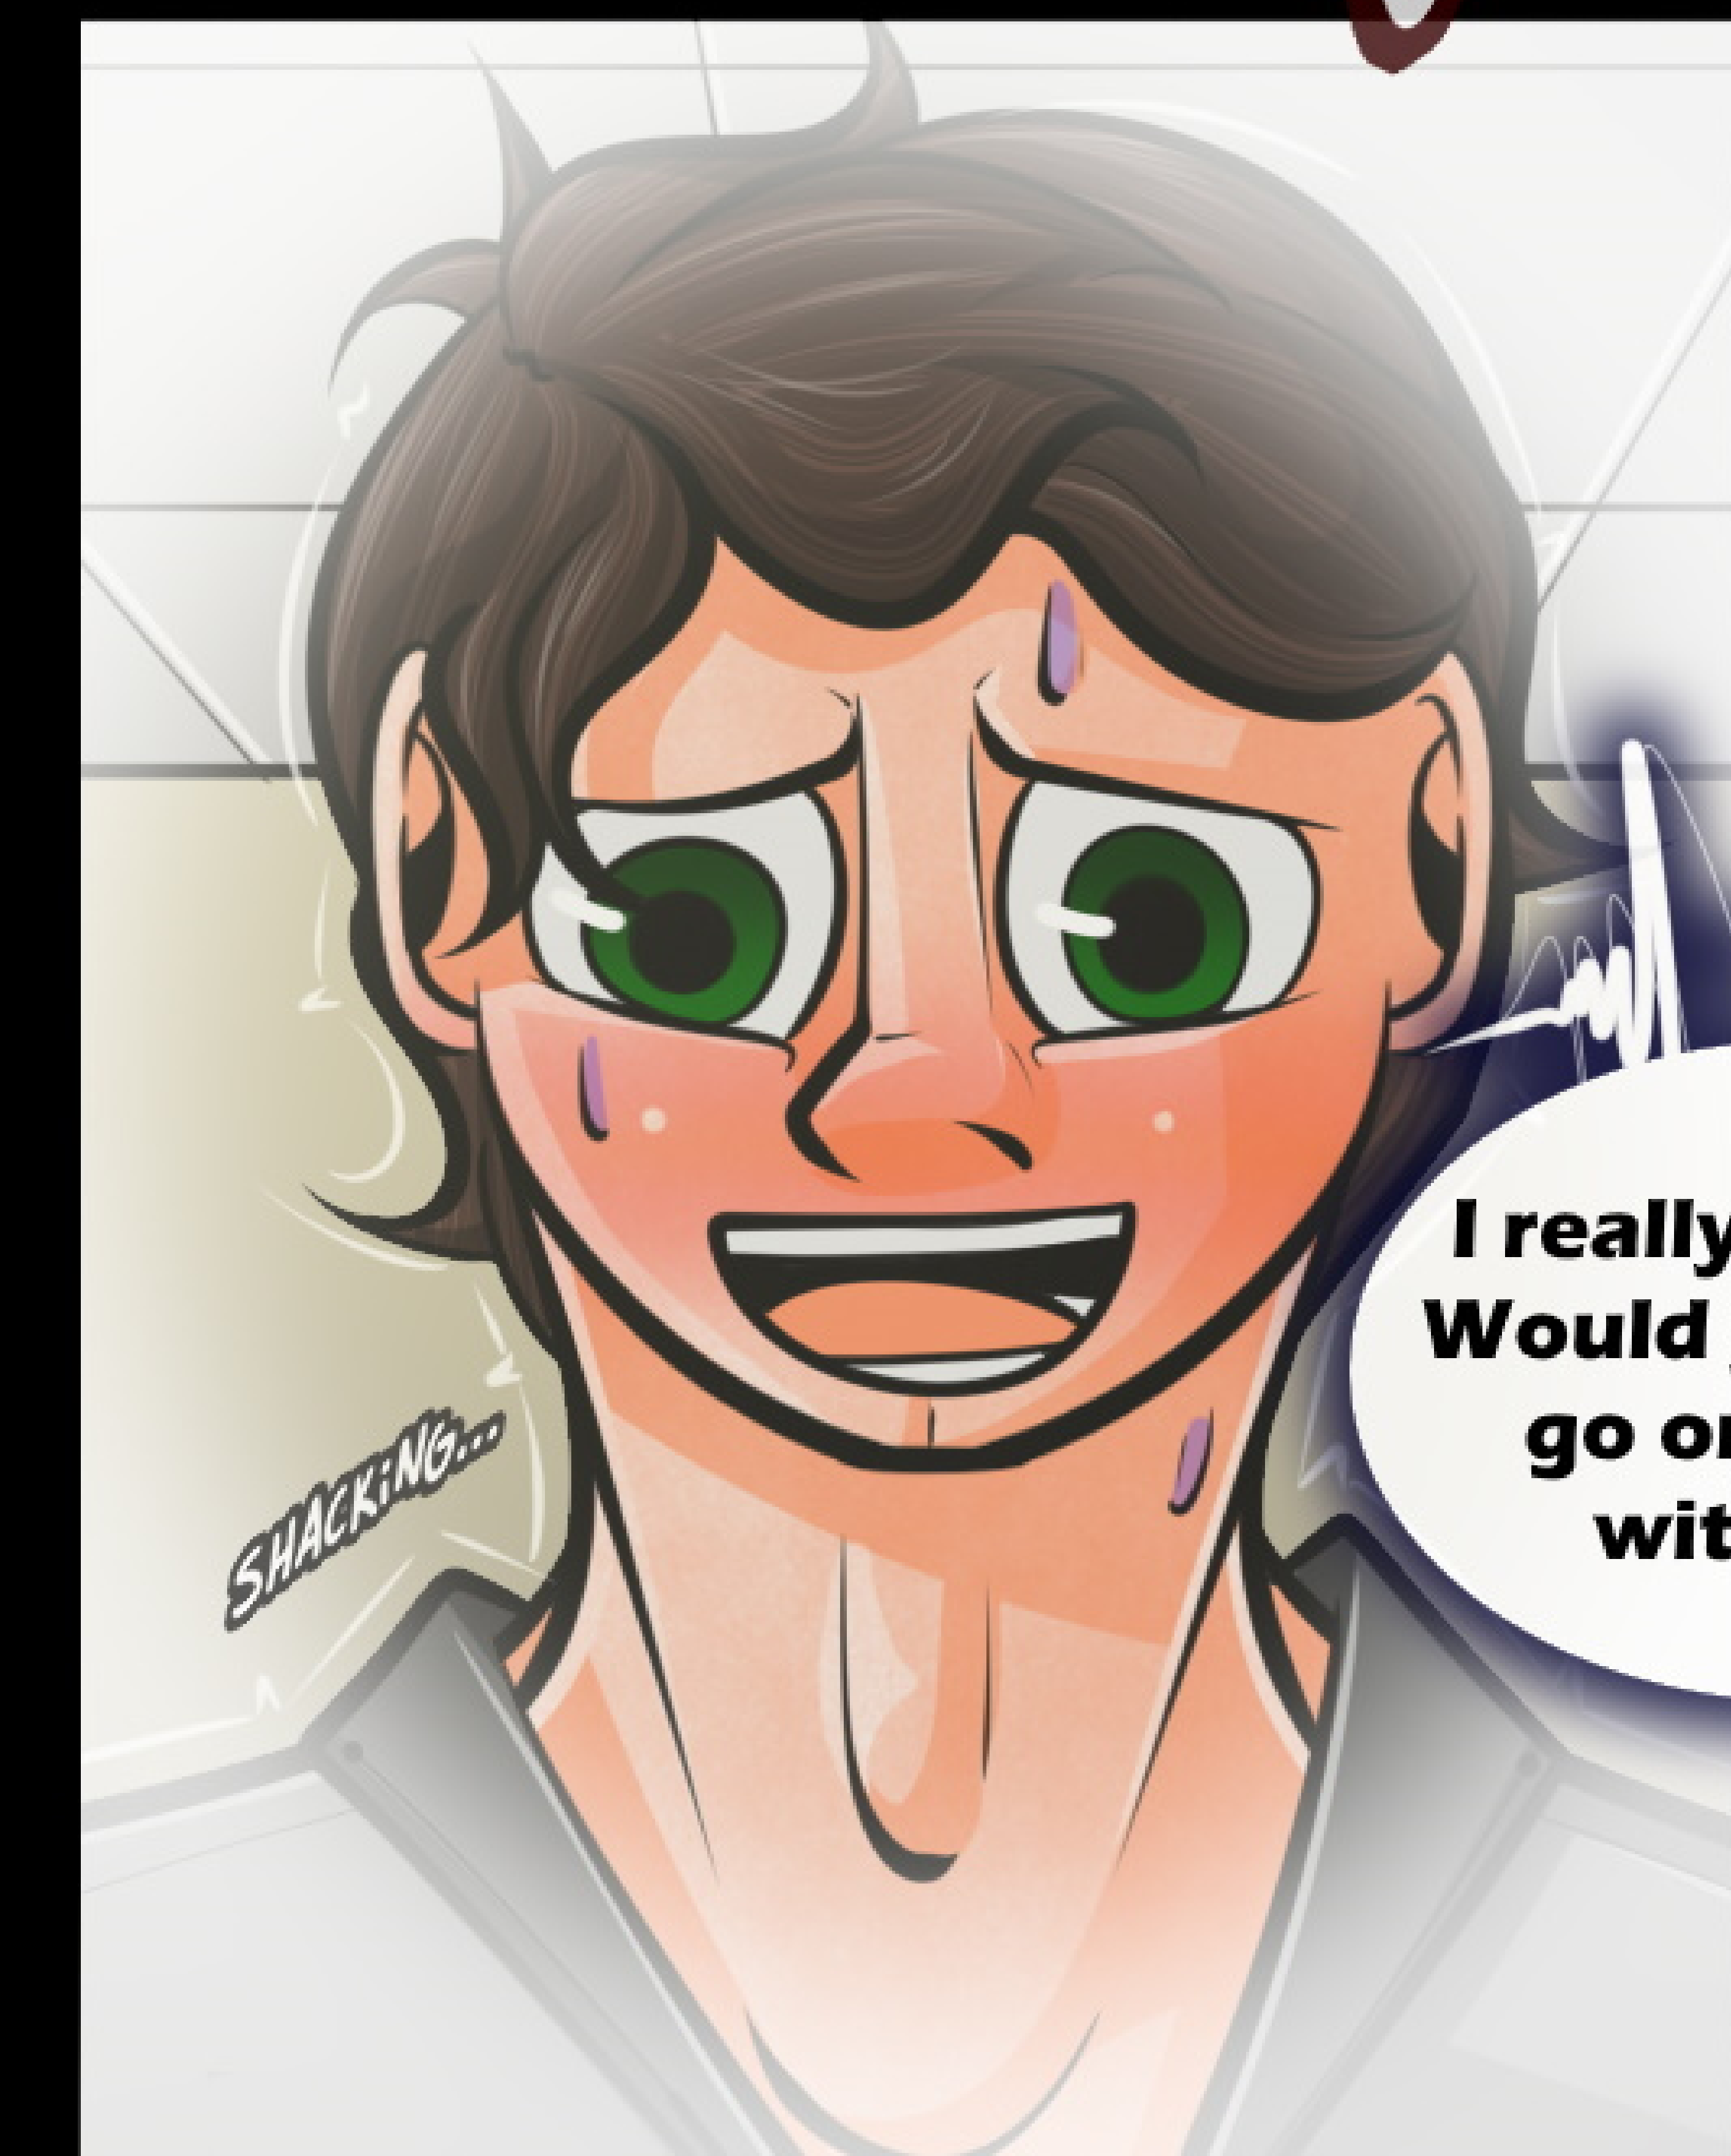

FLASHBACK...

When I'm near you, my head keeps spinning arround and my heart pounds like crazy.

What I want to say...

BAM...

SHACKING...

I really like you. Would you like to go on a date with me?

vice!

Oh haha... Uhm...

So uhm...
what is your
anwer?

Sorry what?

Tell me...

Last time?

Wait a moment!
Don't you remember the last
time we had this talk?

Back before
the wave, I asked
you out. You must
remember that,
don't you?

Oh gosh...
I got asked by like a
lot of guys back then,
eventually they all became
like... blurry and...

Giggle...
Giggle...

I remember
clearly what your
answer was.

You said...

*Seriously?
With you?
I'll rather go with
the chess club nerds,
than go out with
your ugly face.*

**Keep fishing
little loser!**

*Don't worry, there are
always other fishes
in the ocean!*

sob...

**It was a stupid
thing I said years
ago! I see things
more clearly
now.**

Wah...

Urgh...

**More
clearly?**

**Because I'm the
hot chick now?
Are you fucking
serious?!**

**Because
of what? Now
that the role are
reversed?**

I'm sorry that I rejected you only by your appearance.

CLAP...

I hope you can forgive me and and make the better decision.

SHAKE!

No I won't. Please understand this. I'm not rejecting you by your appearance, or even my sexuality.

KRR...

WOOSH!

But by what's inside of you.

SOB...

Sorry to have bother you!

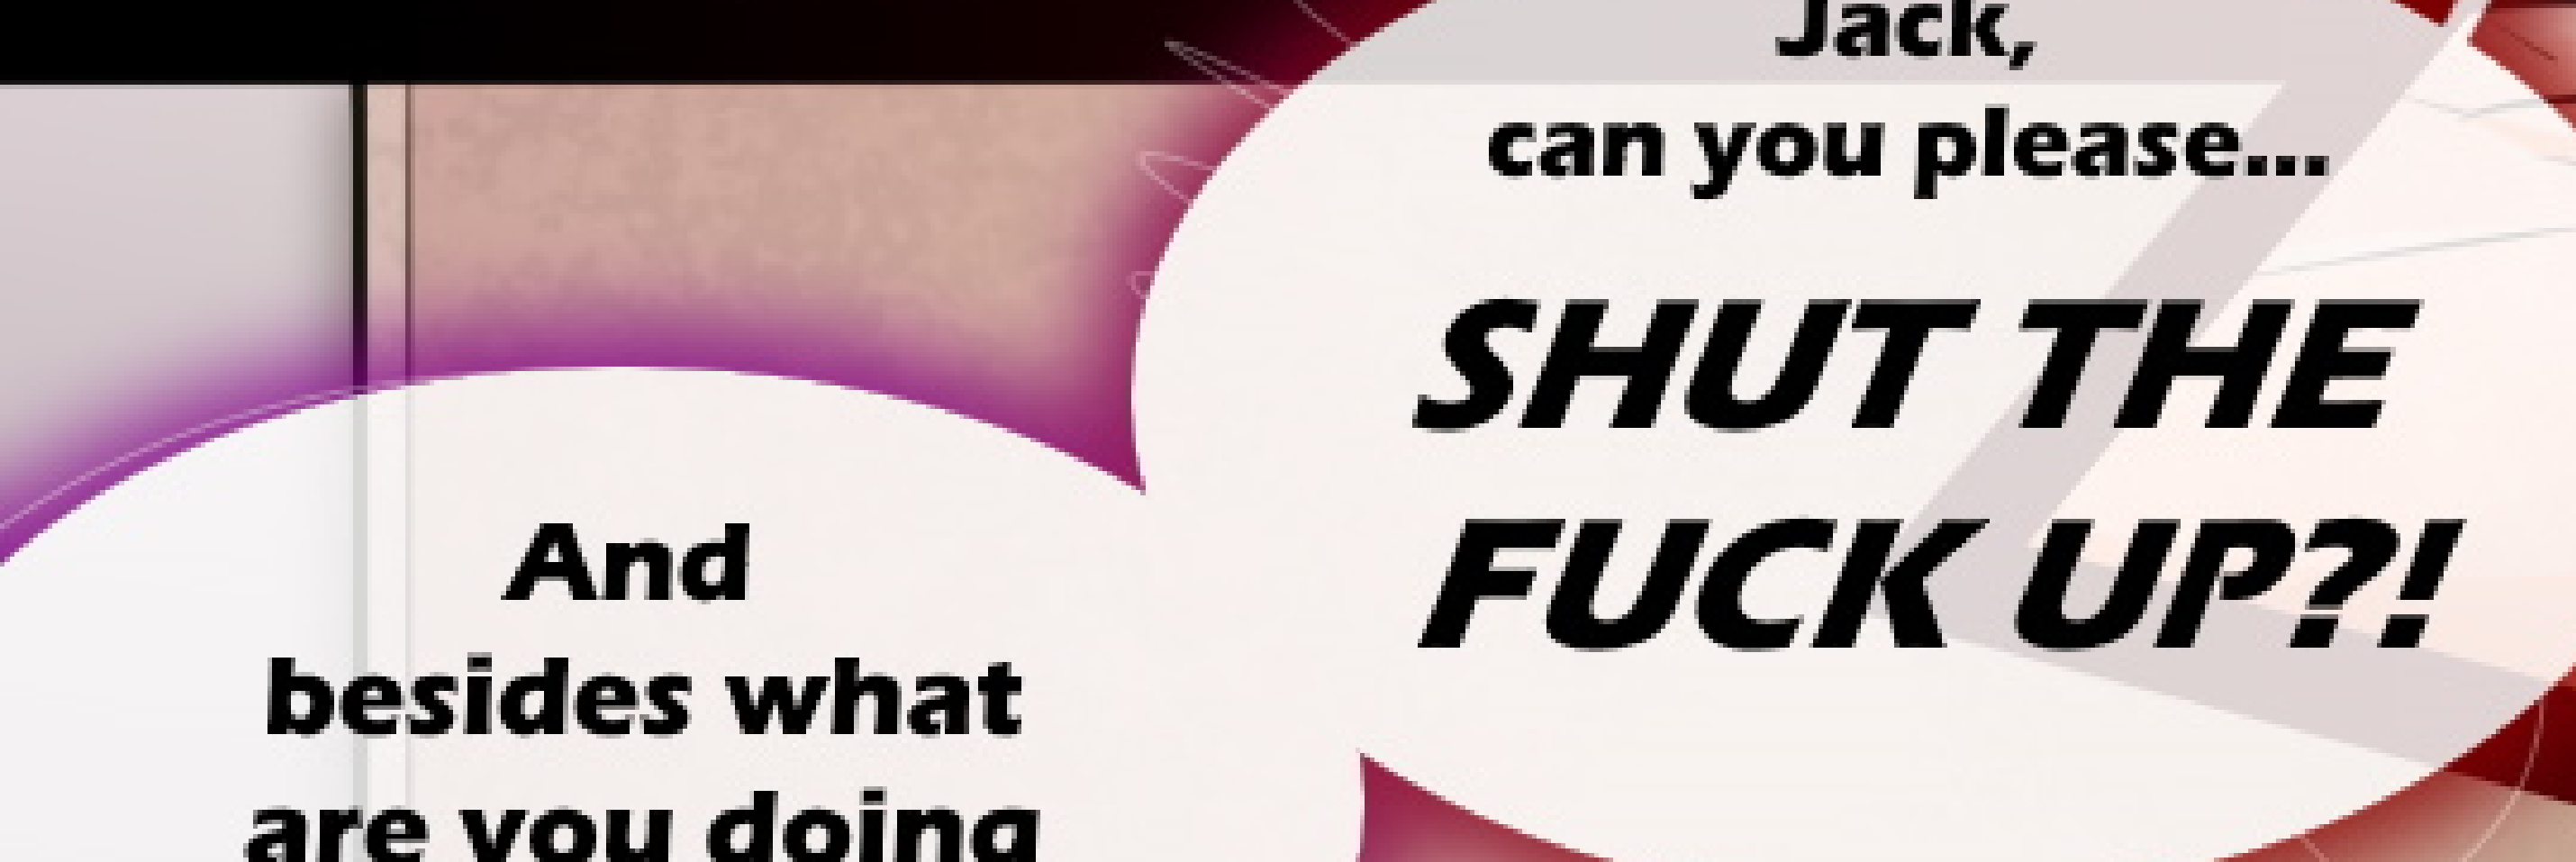

Wow, damn Nathan...

You're already beating men off with a stick. Haha!

That bitch of a Precilla finally learned her lesson, hasn't she?

Jack, can you please... **SHUT THE FUCK UP?!**

And besides what are you doing here anyway?

Eh...?

UHMM...

TING!

Grrr...

NONE OF YOUR BUISNESS!

Right...

And that's how it all went down, Kris.

I know... you think I'm a monster for rejecting her.

Monster? More like a sassy girl!

Don't feel bad about yourself. You did the best thing you could have done.

I do find it weird of Precilla to act humble all of a sudden. Especially now that she's so... macho?

Yeah, you would think that all that testosterone and muscles would make the self-centered Precilla a total douchbag.

But in contrary she's now so much... kinder?

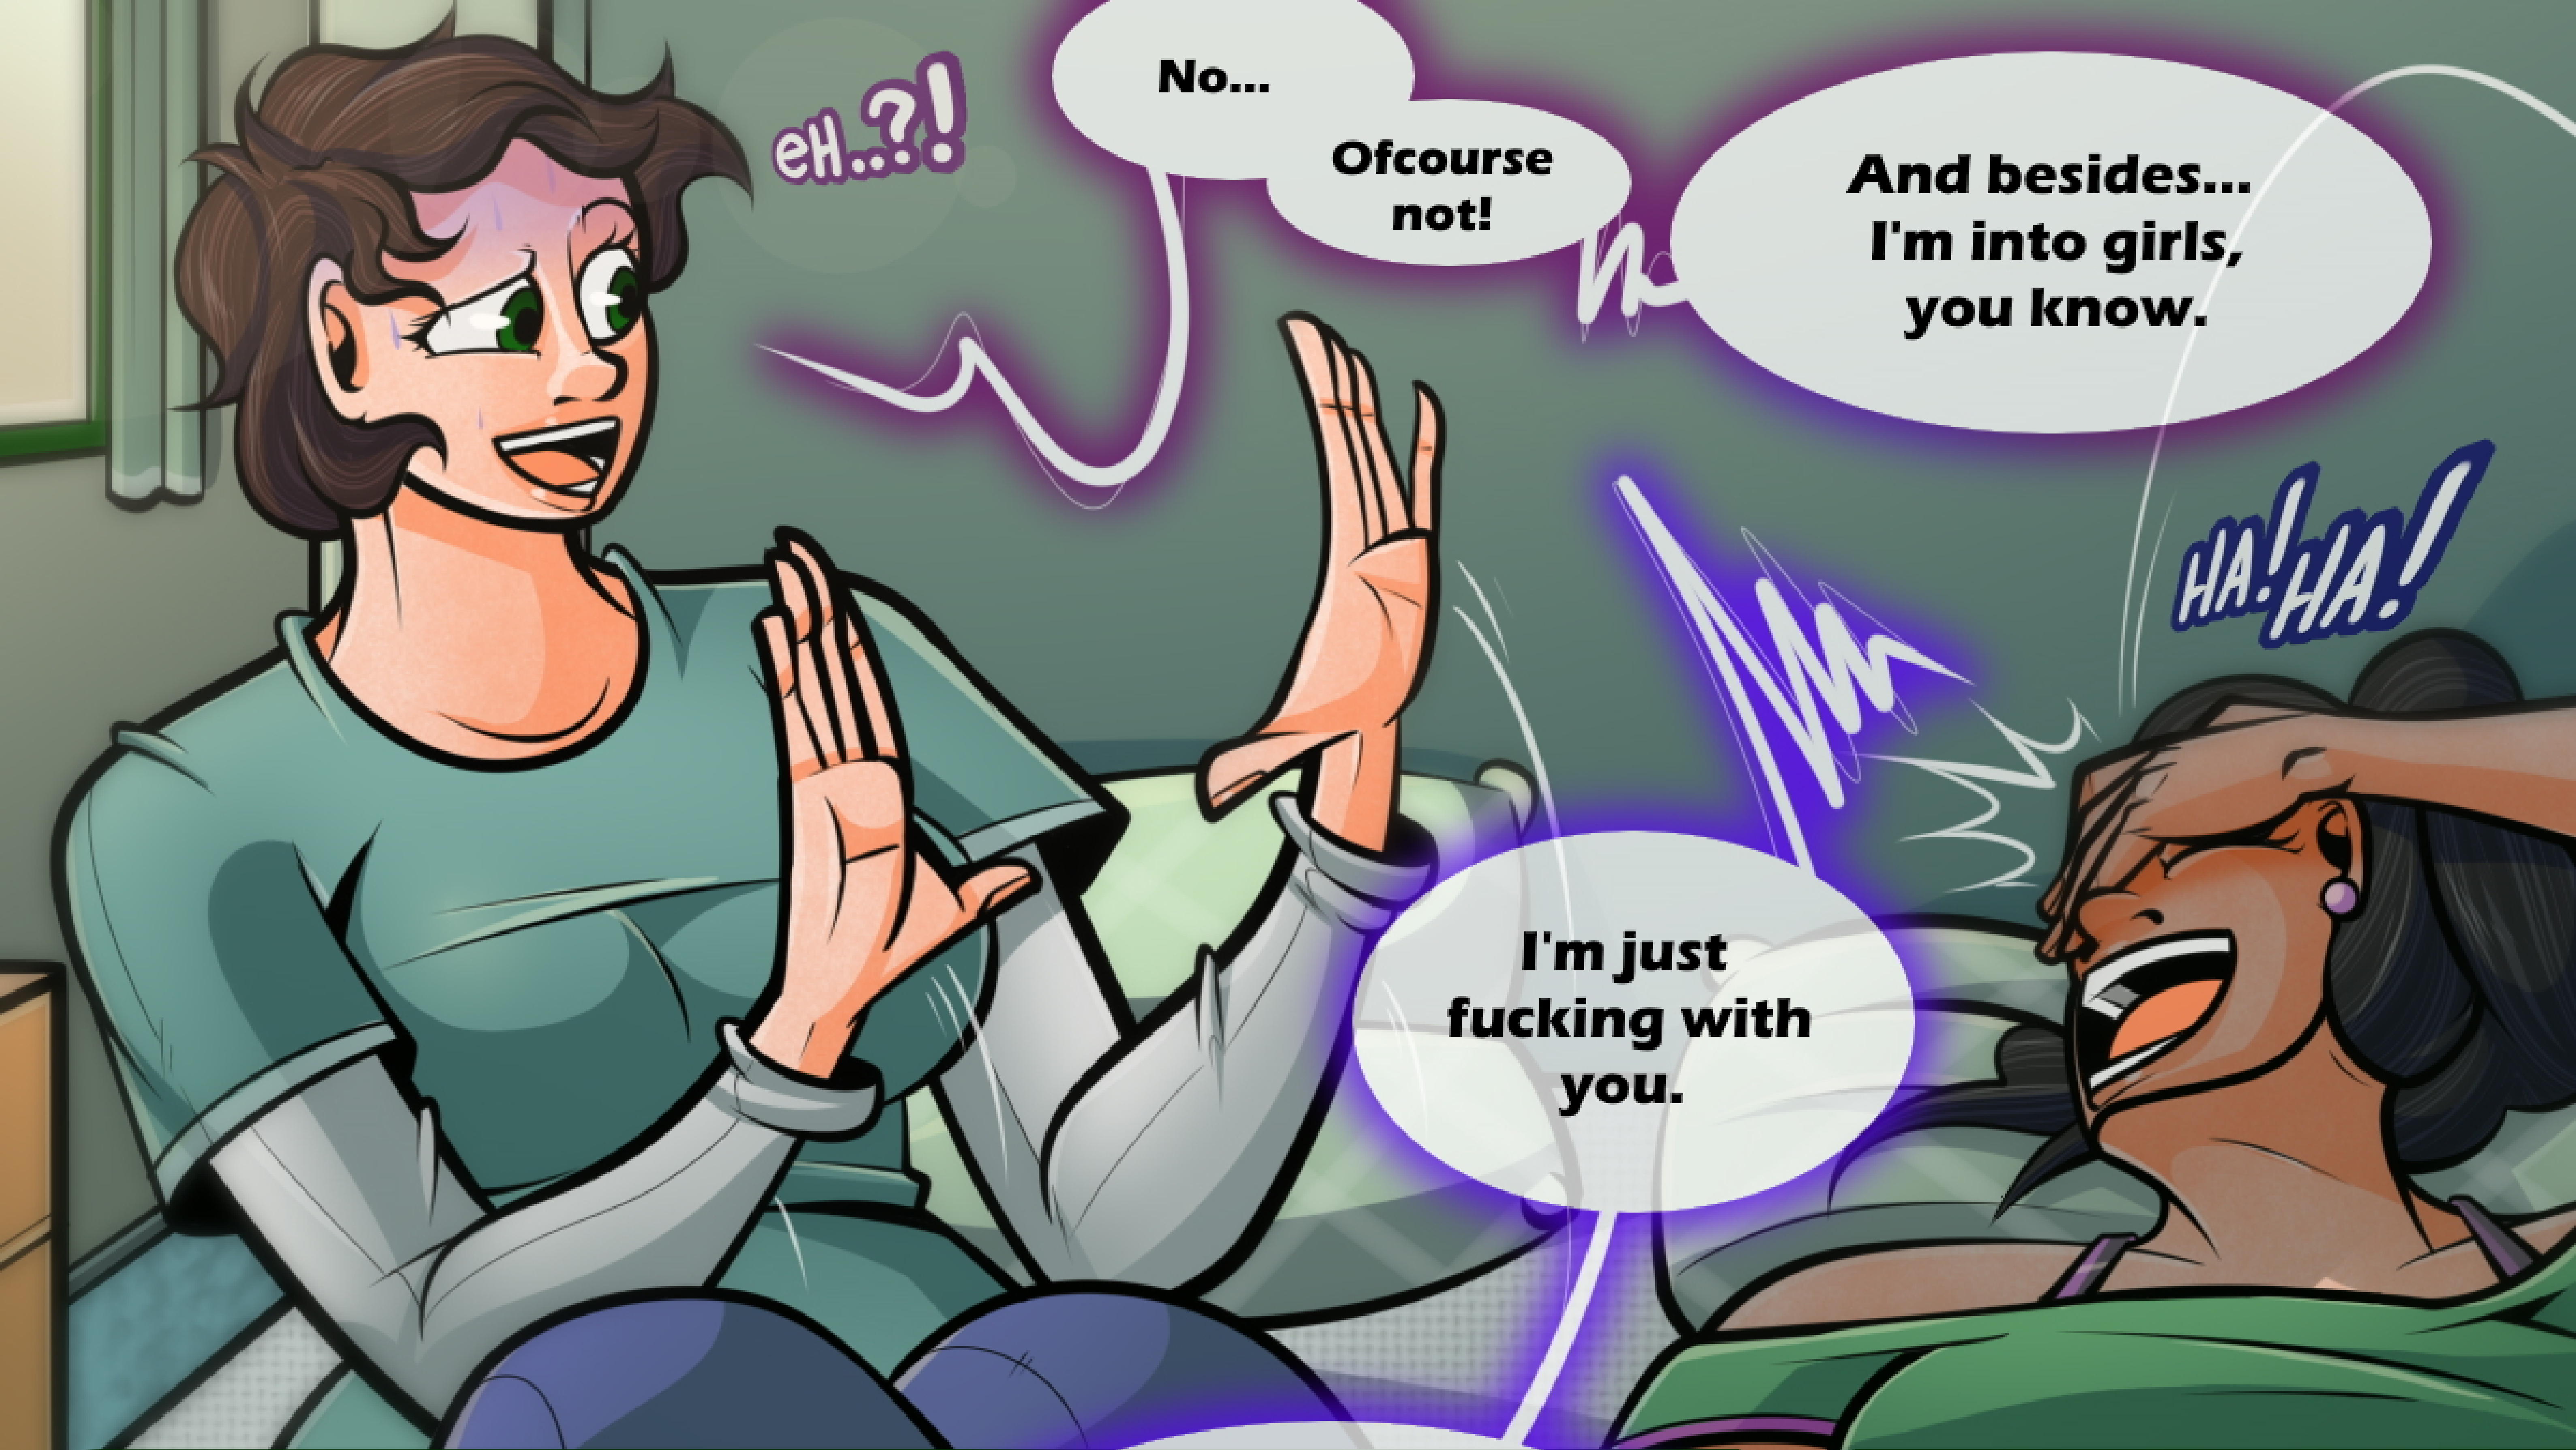

Maybe you could give her a chance? Who knows... maybe it will "match" between you two.

Twirl!

SIGH...

SOB...

SOB...

eh...?!

No...

Ofcourse not!

And besides... I'm into girls, you know.

HA! HA!

I'm just fucking with you.

Otherwise we wouldn't be having our sex date. It's my first time as a lesbian.

Jiggle...
Jiggle...

It's my first time since ever. And with you from all people.

Well I seem to have turned you on. Look at those stiff lady boners!

PUSH...

So... are we gonna start... having... sex now?

Flick! Flick!

Not yet!
We first need to change
to our sexy outfits we
chose for eachother.

That cute
pink nightie for you
and for me that...
mankini...

Haha
you know
it is at least
a little bit
funny!

Luckilly I won't
wear this for too
long. Also, we're
going to the attic.

The attic?

OH MY
GOD!

What do you think?

TADAA!

Wow... the smell... the music... You sure have prepared for this.

Well, this is a special occasion, isn't it?

And besides, of all the girls I've had as a guy, you are the most sexiest!

Damn... this wedgie is killing me!

KRR...

Stop it! We're not some couple!

But thank you. You are also verry... attractive!

**Come closer,
let's make out!**

Hell yeah...

**Why can't I come
closer? Something
is blocking my...**

**Oh haha!
Ofcourse those
tits would be in
the way. So
weird...**

Boing!

Squeeze...

Relax...

**We're girls
after all.**

SMOOSH...

That felt soft!

Haha genius! The same reaction!

Let me motorboat those puppies.

STRETCH...

STRETCH...

Jiggle!

AH...

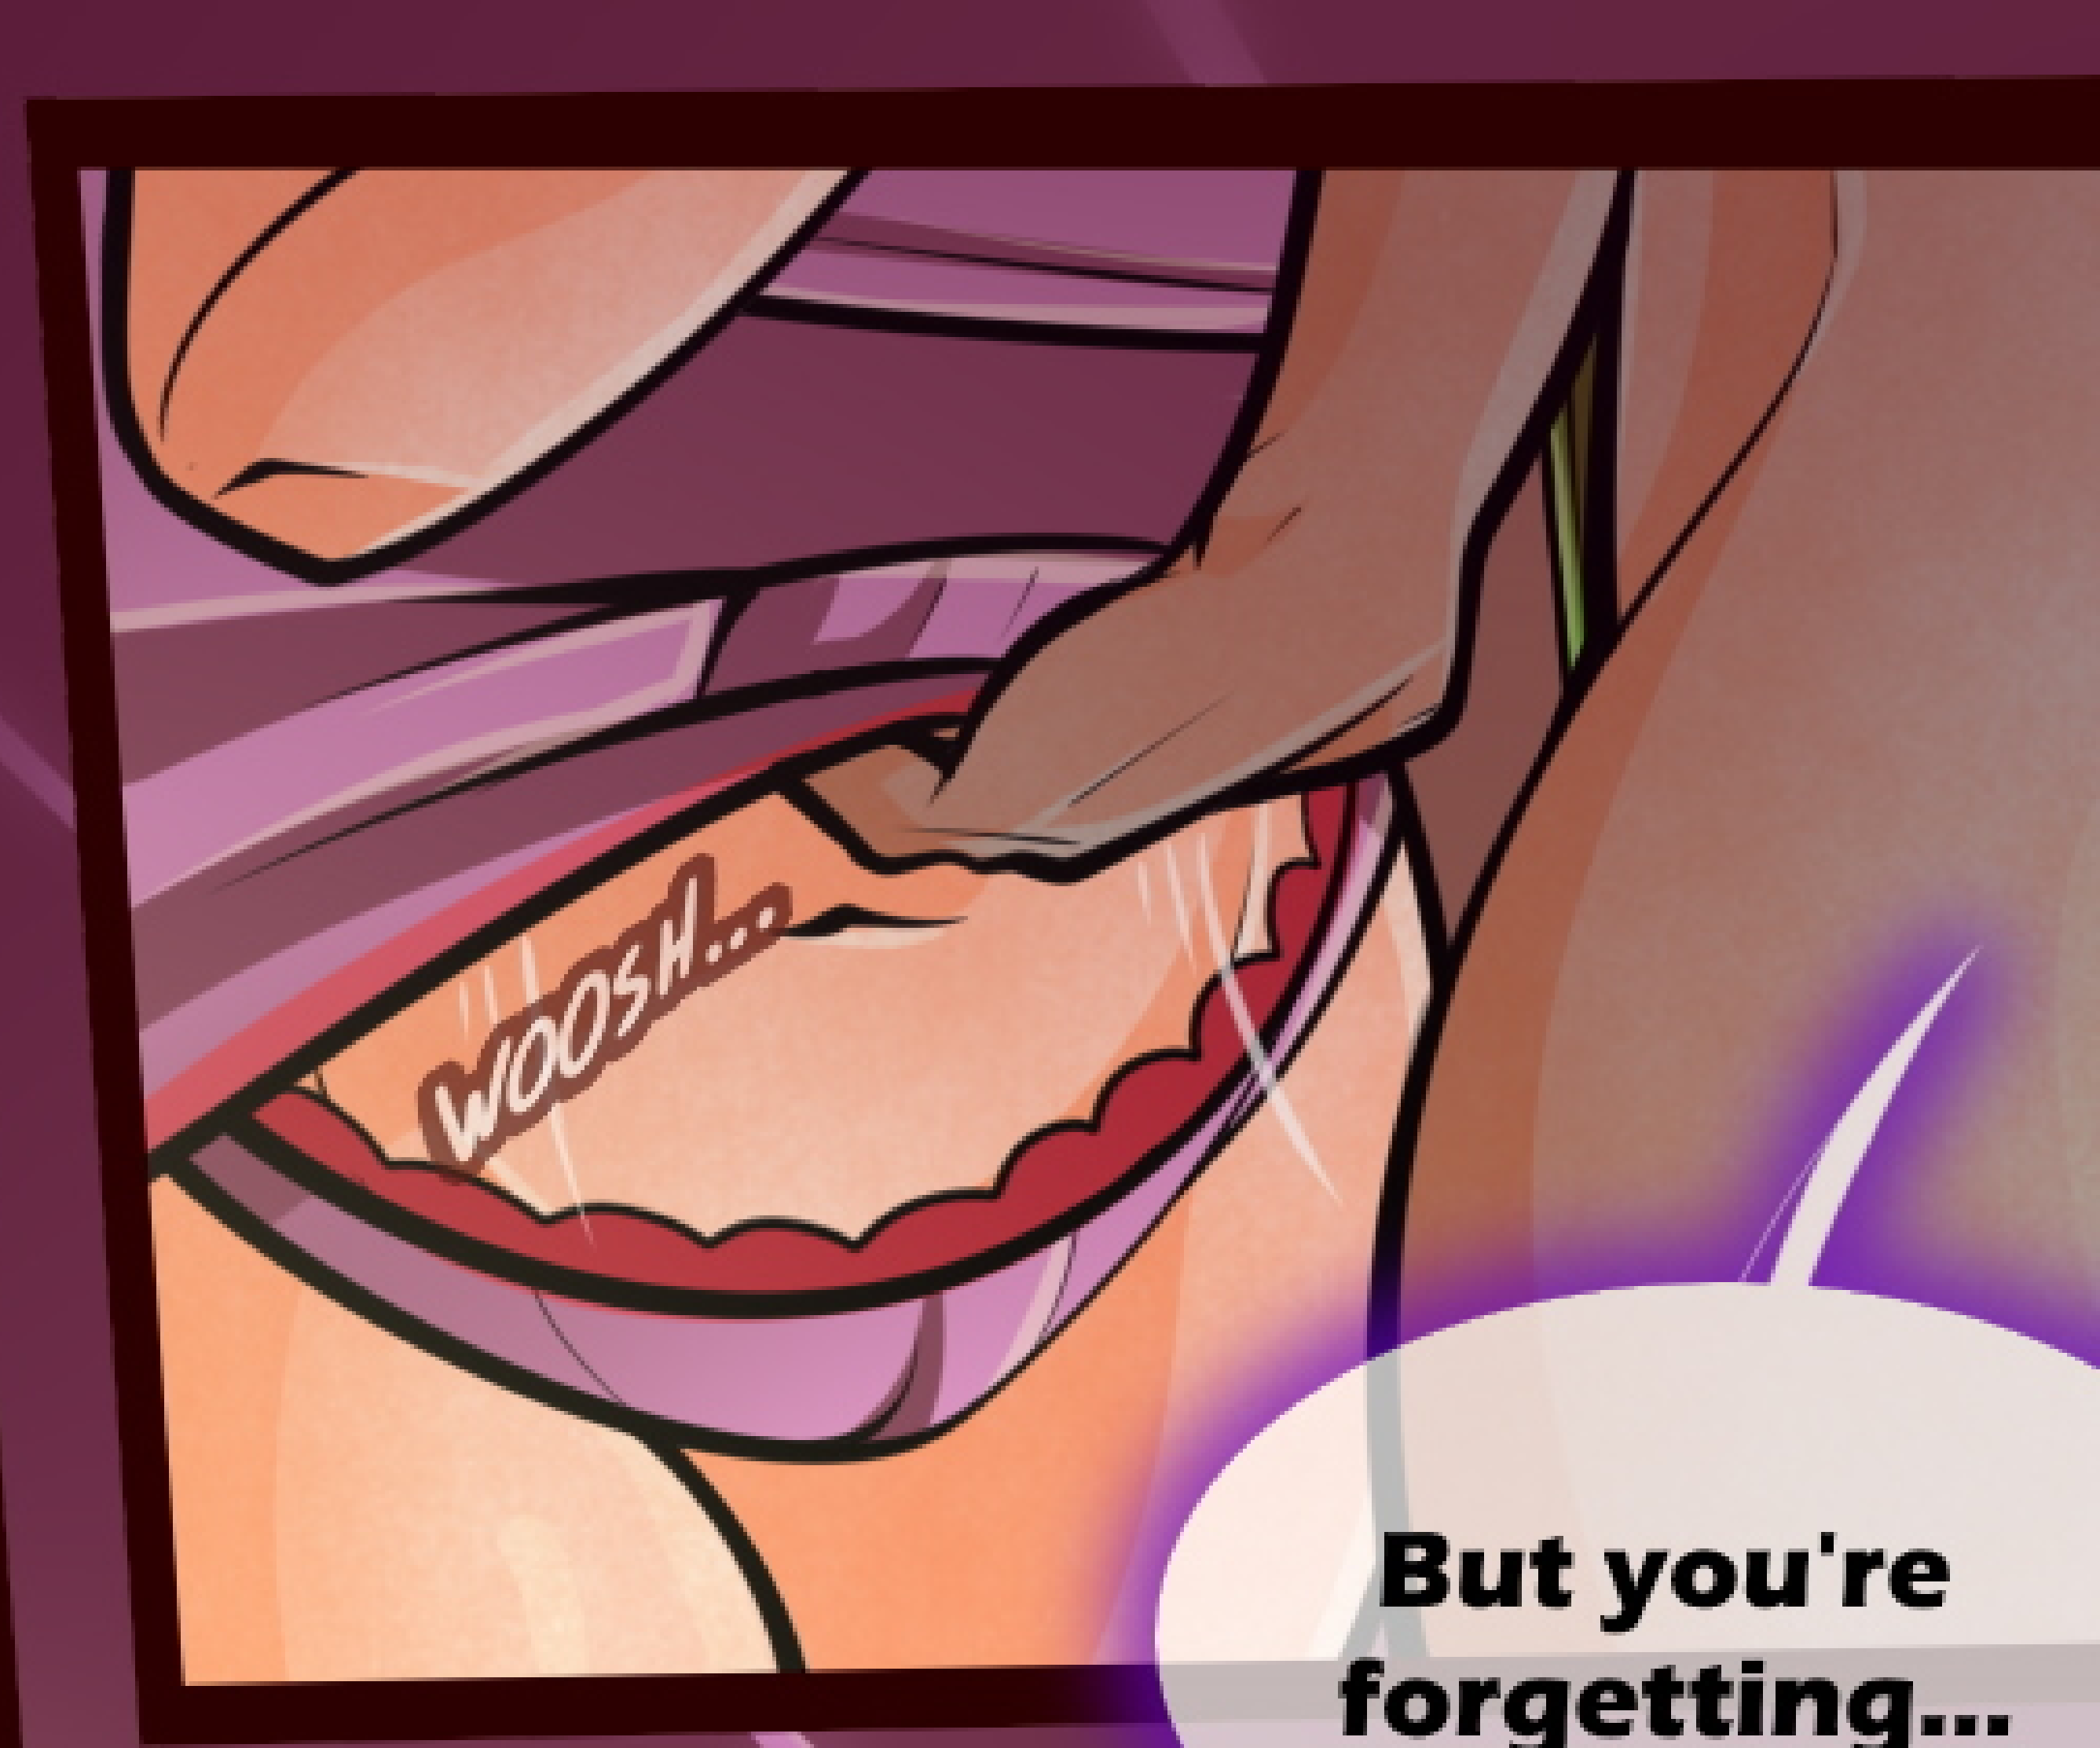

Jiggle!

Ahh... that was unexpected from you.

SHAKE!

SHAKE!

woosh...

But you're forgetting...

Slide...

That I can do the same thing!

Aah! your hands are as cold as ice!

Krr...

Squeeze!

Sorry about that.

Do you want me to warm them up?

Lick...

Ooh... your nipples are so soft, let's wake them up.

hihi!

Woah! That tickles! Wait... what are you doing?

SMOOSH...

Sucking them ofcourse!

squeeze!

Maybe some milk comes out from it!

Are you crazy?

I've heard some ex-men could make their tits lactate with enough stimulus even though they're not pregnant. Although with your DD-cups, it will be much easier.

This is so weird...

slurp...

I'm having my
tits sucked by my
best friend who...

SHAKE...

SHAKE...

WOW...

Slurp...

damn...
she looks so hot...
Those hips. How
she moves...that ass...

Drool!!!

KRRR...

KRRR...

Maybe I'll
squeeze a little.

FLOMP...

Ooh... you're
taking a liking to my booty?
You can spank them
if you want.

Are you sure?
Isn't that too
painful?

He!

I've had ex-girls
who were way more
rougner than you.
Go on!

Ah okay...
Here it goes...

WOOSH!

SIAM!!!

AH!!!

Oh shit!
Kris, are you okay?
Did I hit you too hard?

T-that was just a tickle.
You call that a spank?

But you
screamed...

I laughed about
how weak that slap
was. May I ask you
honestly: are you a
dom or a sub?

Uhm... I think
I'm more of a
dominant?

That
slap was
extreme!

Thinking? Ha!
Sounds so sub to me.
This is how a
dom acts!

HMPE...

W-what
are you
doin...

Jiggle!

PUSH!!!

This is
what you get for
that slap...

Let's see
that cave of
yours

This is
embarrassing...

HMPE...

Oh my
god!

You still have a
penis?

WHAT?

SHAKE...

SHAKE...

Slide~

Never mind it is just you big clit!

It's the same size as my thumb!

Thank you for making fun of my freaky body...

Everyone is freak now, look at my pussy.

It consist of such large flaps, that can't even find my clit most of the time.

Oh... I'm sorry.

None taken. But it's weird to think that's all left our cocks now.

What do you mean by that?

I've heard that everyone begins with a pussy, but the boys develop the penis from the clitoris before we're born.

Now it's just this small nub and our balls are inside us as ovaries.

Ploosh...

Huh... Maybe we can stretch it out and make a penis out of...

slip! slip! slip!

MOAN

TSS...

Did I just m-moaned?

It seems like my finger technique is working! It's dripping wet!

I couldn't control my voice! It went...

SLAM...

Automaticly!
It's like a
reflex.

Since you're ready
down there and
your clit is already
large.

Let me match it
with the...
Big Guns!

THROB...

THROB...

Pulse...

**ARE YOU
CRAZY?**

**THERE'S NO
WAY THAT'S
GOING TO FIT
INSIDE ME!**

CLAMP...

**I was just
joking!**

**HA...
HA...**

Sigh...

Shame...

Lets start with a simple cute vibrator!

HOLY CRAP!

You call this cute?! This is a DRILL!

SHAKE...

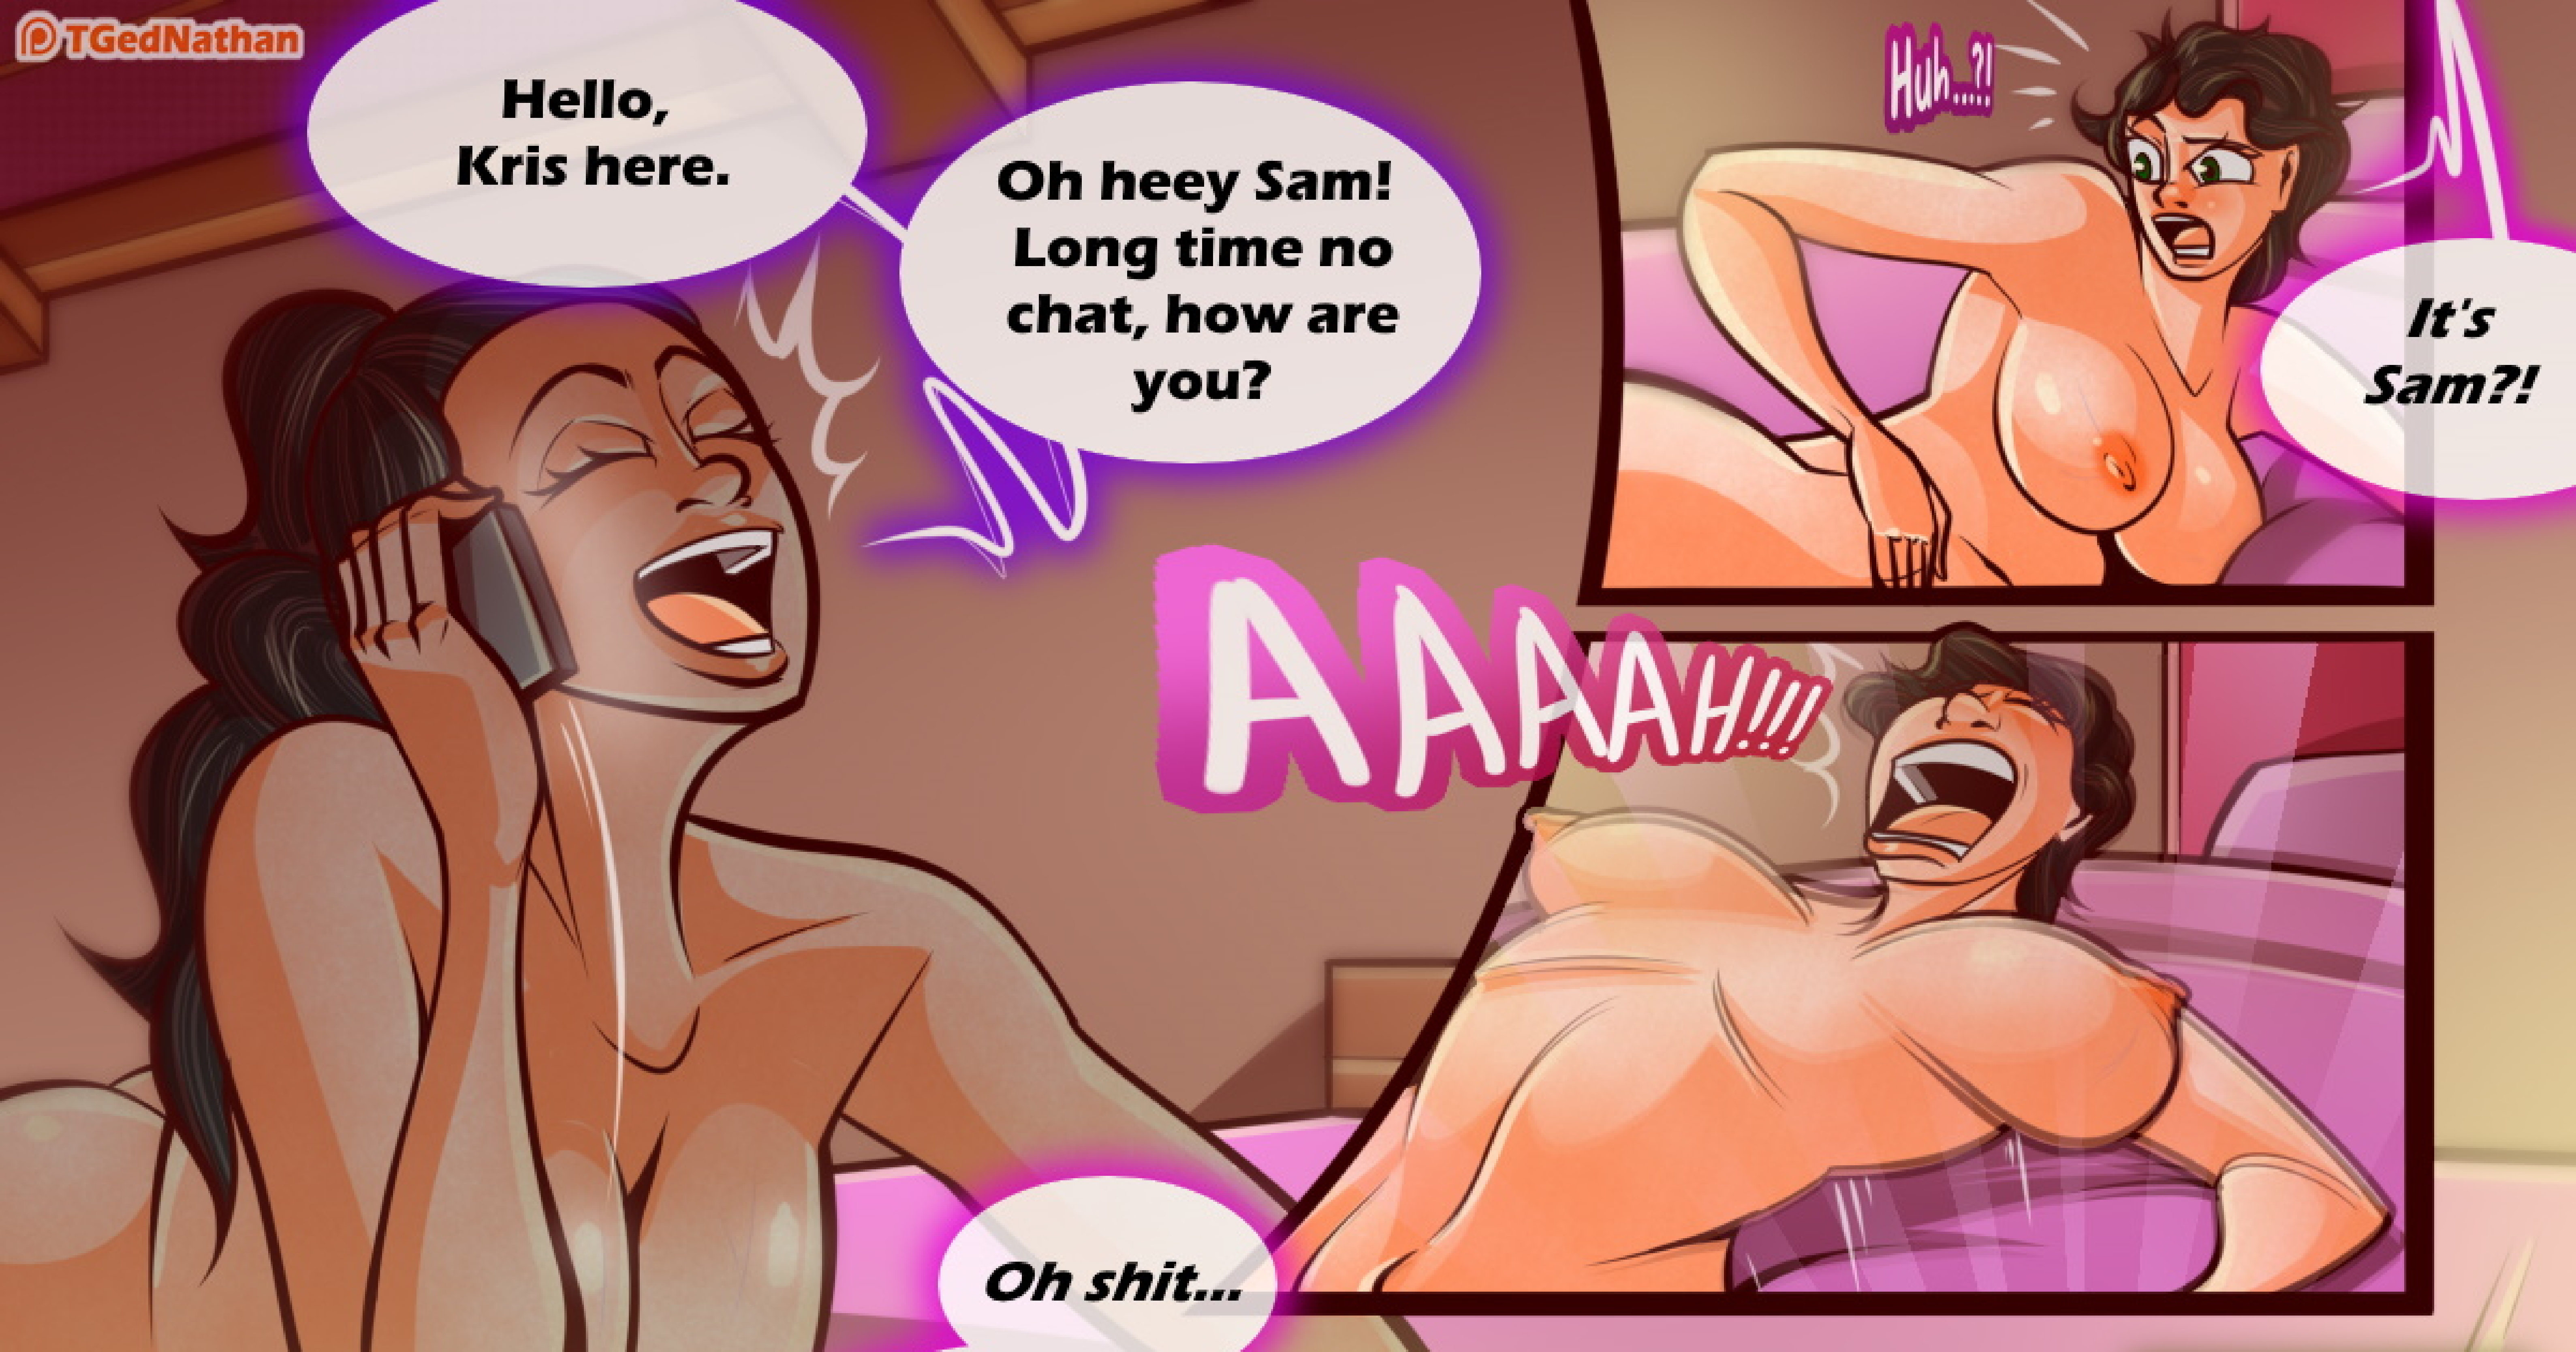

I think I found your g...

I think I should take this.

Should we s-stop?

NAH...

No worries. It's probably one of those dates who misses me.

Hello, Kris here.

Oh heey Sam! Long time no chat, how are you?

Huh...?!
It's Sam?!

AAAAH!!!

Oh shit...

What that was? Oh that's just Nathalie laughing at her phone.

Don't tell Sam I'm here...

She won't hear us right?

Don't worry. Unlike most girls,

SHAKE...

Nathalie can't focus on multiple things at once.

What's up?

Kyah...

I don't want her to know this what I'm about to tell you.

Precilla came crying to me because of, you know... the rejection.

Love does that to people sadly. Luckily she has you to comfort her.

Well... the crying has stopped, but now...

I think the testosterone is surging through her head right now.

Shall I come over and make her more relaxed, if you know what I mean?

WHAT? No, not like that! I was wondering how you men used to deal with blue balls?

Hmm... the strip club is where I used to go often with Nathan to lighten up the mood.

But I don't know if those are still open, now everyone's gender is flipped.

The strip club?!

There's no way that fixes Precilla's mood, right?

Sam, dudes only want one thing and it's called...

I have to go!

Bye!

What's was that? Are you...

KYAH! SQUIRM!

SQUIRM! SQUIRM!

KYRR...

I'm glad you like it, but now it's my turn!

Oh, ofcourse haha, sorry!

I hope Sam didn't heard me.

Who cares? And besides, I've told Sam you were laughing at your phone.

What did you guys talked about?

Squeeze...

Oh uhm... Come here, let's smooch!

SMOOSH ♥

Trr...

Meanwhile...

Kling...

Can you please stop calling me that?

Oh damn! Nathalie! That's the spot!

After those moans of yours? Get used to it, babe!

Giggle!

Giggle!

Trrring!!!

I didn't expected you to actually come, Jacky!

First of all...

Nobody will know about this! And second, I'll be on top and do all the work! You're just here to fill in the role!

This is all because of these stupid girl hormones!

Sounds good, but what about your end of the bargain?

UUGH...

Fine... here you go faggot!

You happy now?

Wow...

SIGH!

I would never knew that you would be riding my...

Shut up!

SMOOSH!

KFF...

TO BE CONTINUED...
