

# the **GENDER WAVE**

By TGedNathan

**It all started on a normal summer day. When all of a sudden...**

**a huge wall of light moved fast across the earth.**

If you make contact with the wall of light...

it changes your gender.

**And with the speed of the rotating earth...**

(0 to 328 meters/sec)

**No one could out run the wall of light.**

**Within a day the wall will have made its turn around the planet, changing everyone's gender.**

**Most of humankind were informed before the wall could hit them, so they could prepare or try to escape the tall wall.**

**BREAKING NEWS**

**EVERYONE'S GENDER IS CHANGING?!?!**

**Breaking news! You will not believe it, but it's happening:**

**A huge wall of light**

moves across the surface changing everyones gender. Researchers say that this wall of light will have made its turn across the planet within the end of this day. That's right, if you're a man you will become a woman and if you're a woman, you will become a man!!!

We sadly weren't informed of the wall of light soon hitting us...

Why is breaking news soo loud? It isn't big news anyway!

BEEP!

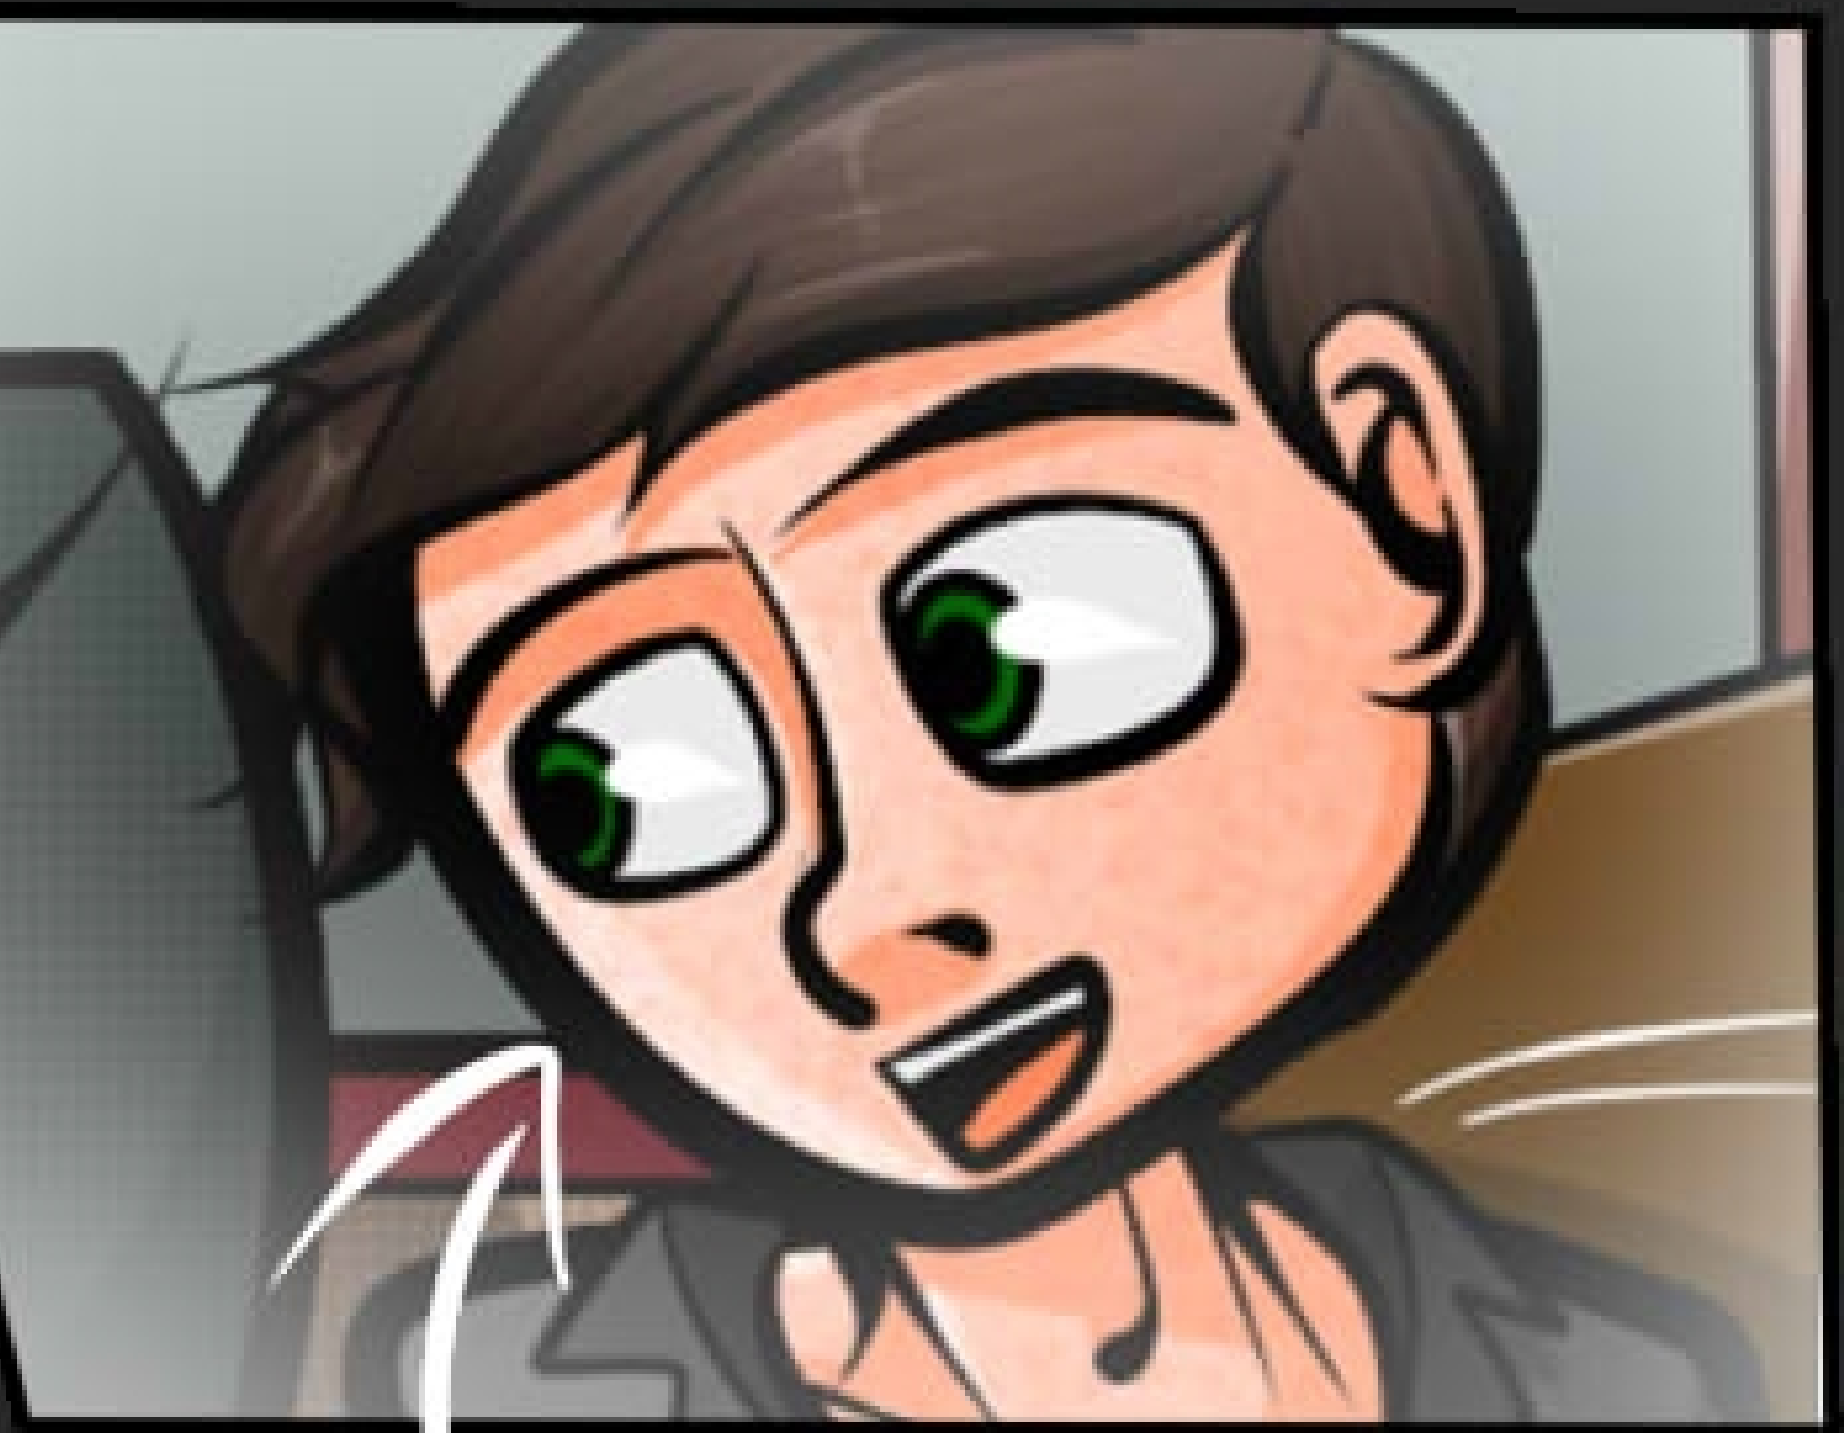

That's because I parry your attacks.

Why can't I hit you at all?!

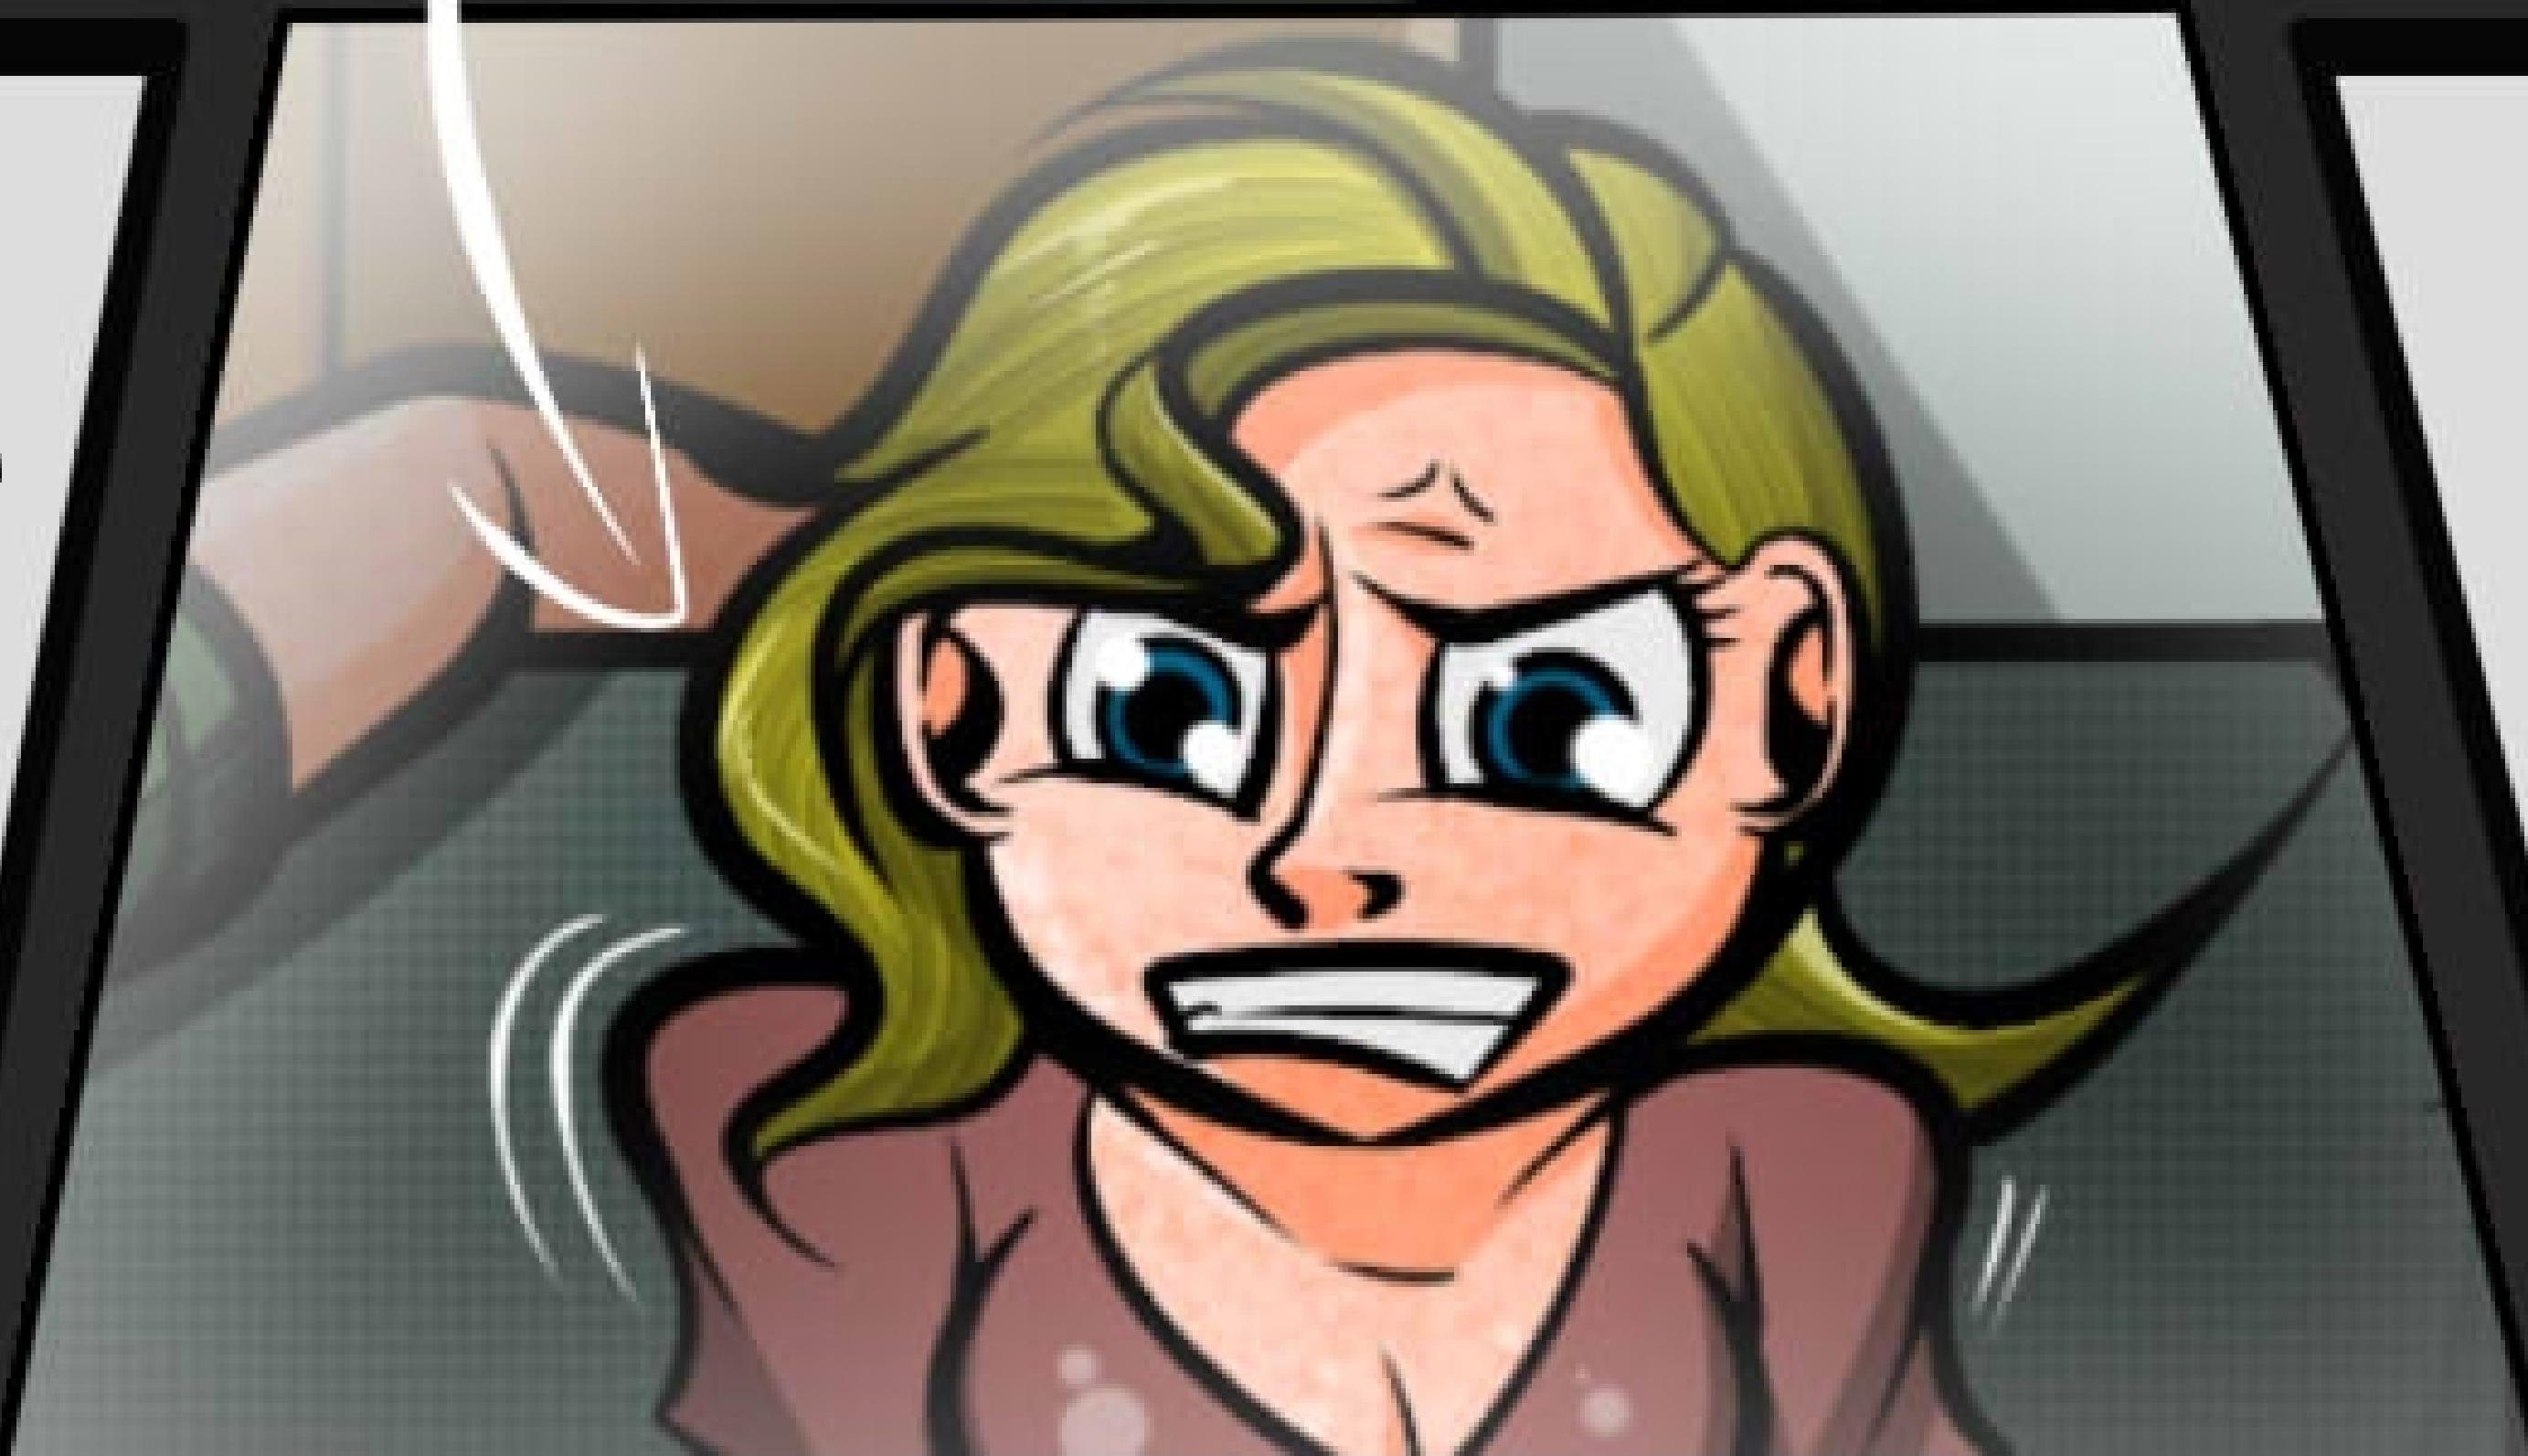

But first, let's introduce ourselves:

Next is Sam, she is a caring girl and I know her for a long time. She does let her emotions get wild.

This is Christon, he is an awesome dude but is a bit too confident for his own good.

And then there's me. I am quiet most of the time, but I do have my talents like competitive gaming.

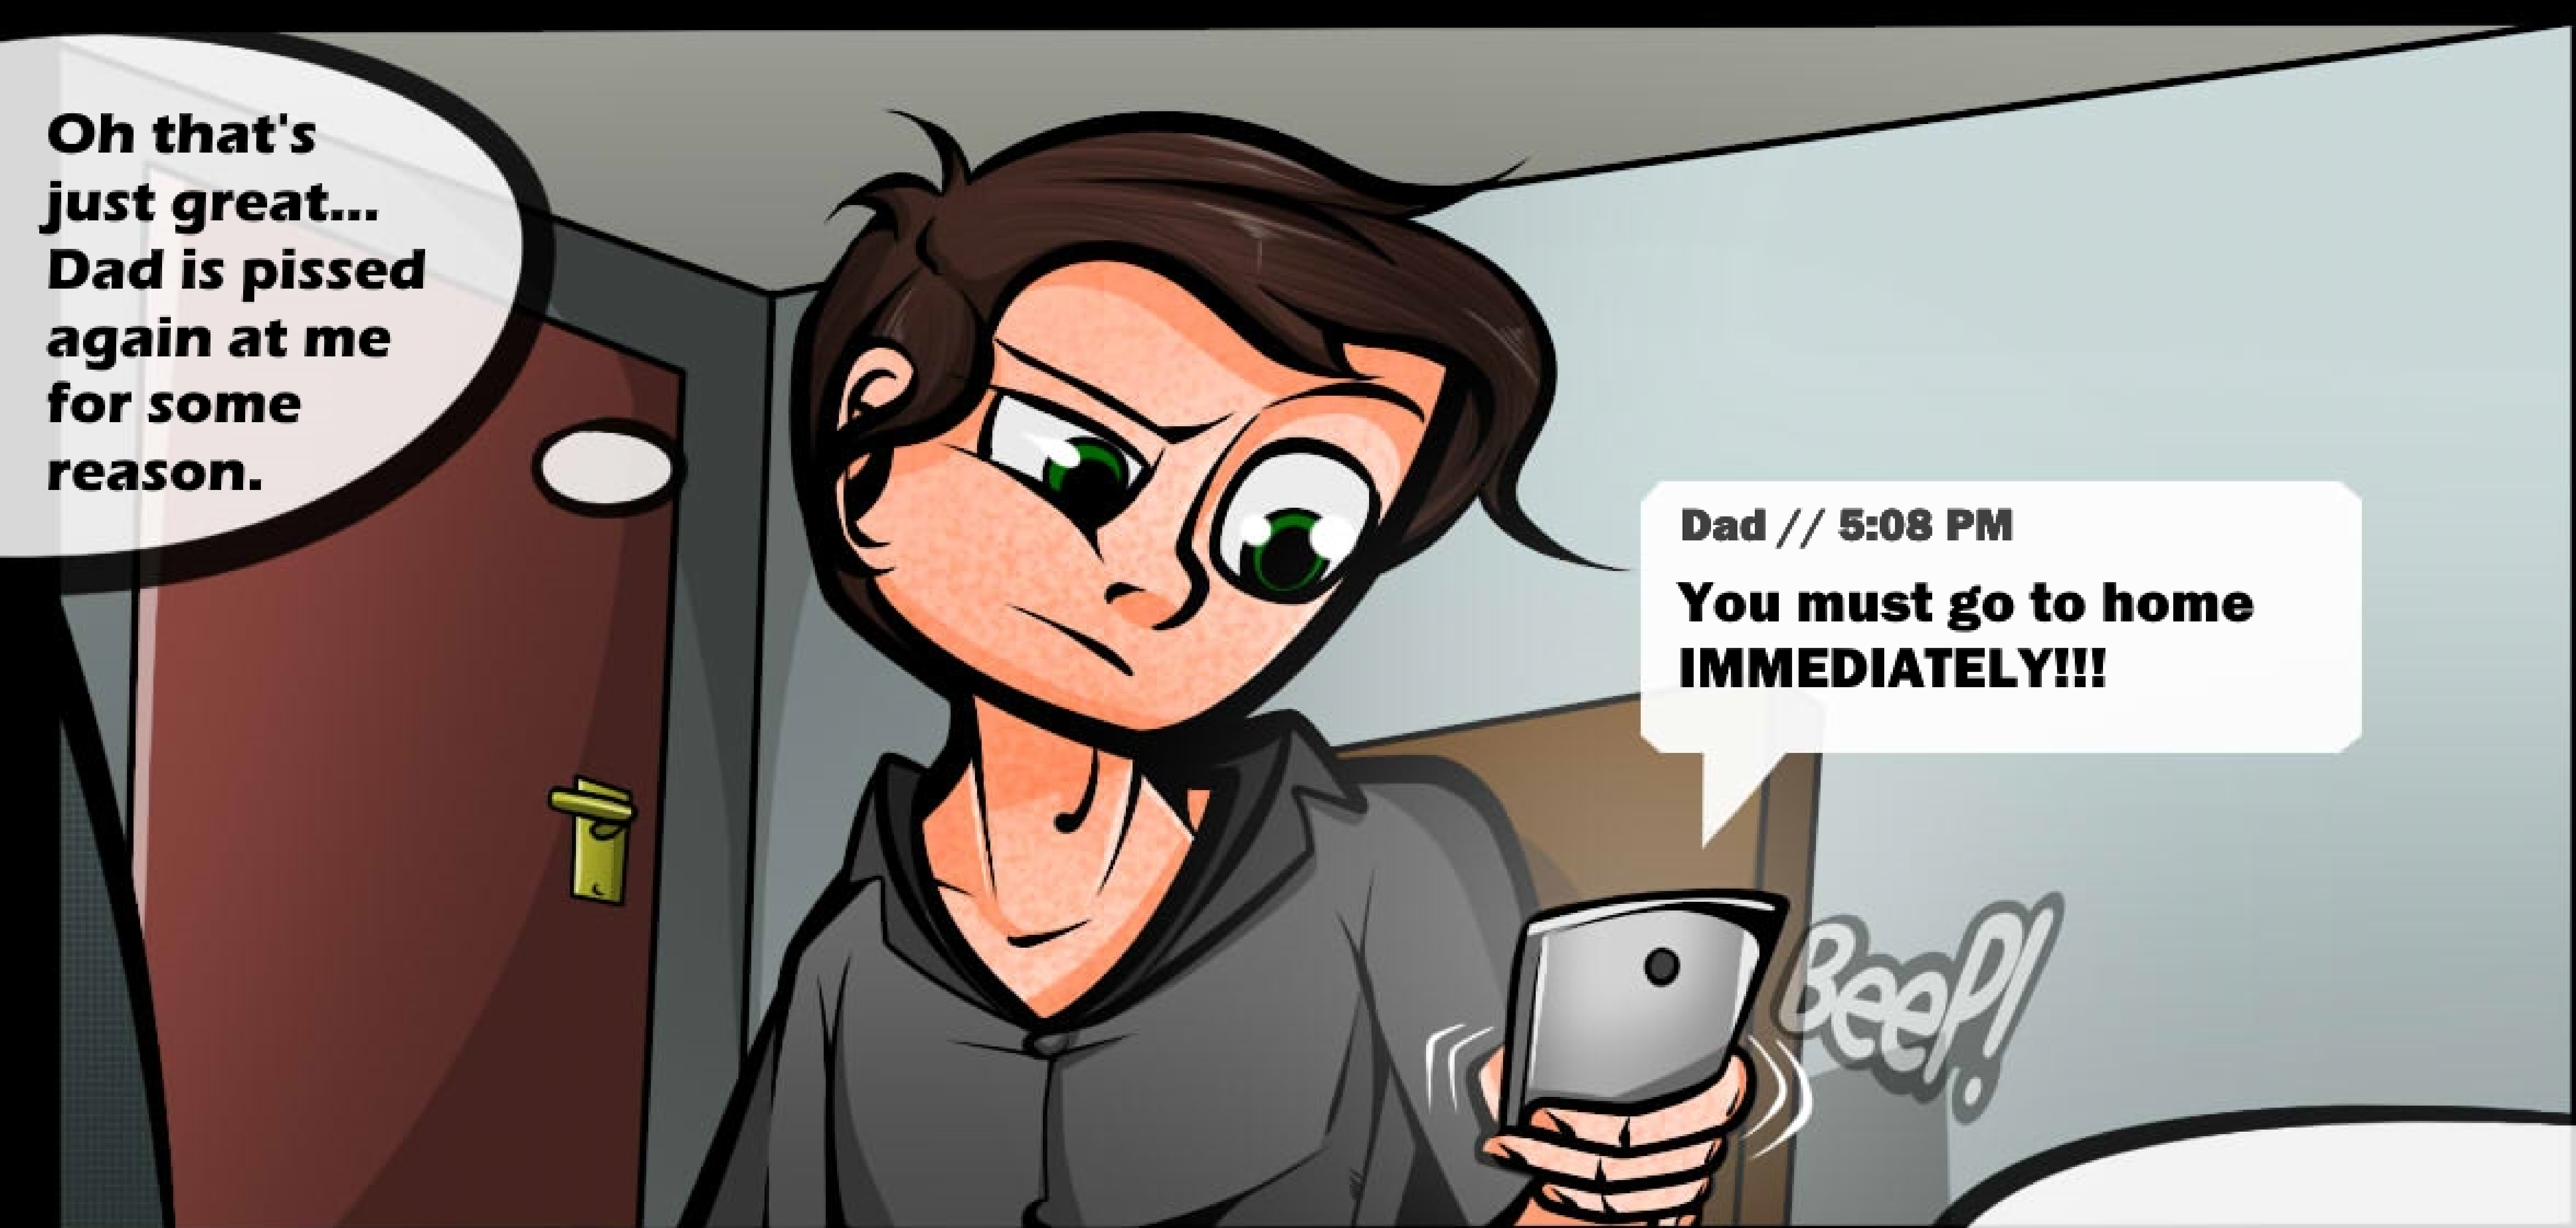

**Better luck next time!**

**Aw... man! I lost again...**

**I would have won if I went against him.**

**BEEP!  
BEEP!**

**Oh that's just great... Dad is pissed again at me for some reason.**

**Dad // 5:08 PM  
You must go to home IMMEDIATELY!!!**

**BEEP!**

**I must go to home. My dad is whining again...**

**It's okay, you can come back anytime!**

**Later, aligator!**

**BEEP!  
BEEP!**

Why does dad  
always wants  
me to go home  
when I'm just  
having fun?

BAM!

What  
the...?!

This can't  
be happening!

I don't want  
to lose it... I don't  
want to become  
a woman...

What is happening?  
Is there an accident or something like that?

**This is the only chance you can jerk off!**

**Take this!  
Before you become a chick!**

**Calm down!  
I'll take it already.**

**You'll thank me later!  
But first: Jack off!**

**Becoming a chick?  
What the hell is  
HAPPENING?!**

**When the  
wall of light  
had hit me, I felt  
my muscles  
tightening up  
and my bones  
becoming...**
