IT'S BEEN A YEAR SINCE JUDITH GOT HER PRESENT FORM HIS LOVE BRAD: THE AGE CHANGE CLOCK. IT CHANGED HER LIFE AND SINCE THAN, SHE LIVE HER LIFE AS A BABY WITH MEMORY PIECES OF HER OLD LIFE. THANKS TO THE CHANGE HER NEVER WANTED DAUGHTER, LÉA WAS BORN AT TOOK HER PLACE AT THE SIDE OF BRAD. THEY GOT MARRIED AND MOVED TOGETHER INTO A NEW HOUSE. LÉA ADOPTED TO THE ADULT LIFE IN A SHORT TIME AND SINCE THAN, SHE MADE SURE THAT JUDITH HAD NO CHANCE TO PUT HER LITTLE HANDS ON THE CLOCK AGAIN. SHE LOVED THE ADULT LIFE AND ALL THE... ADVANTAGES WHAT COMES WITH IT. ON THE OTHER SIDE SHE REALLY ENJOYED BEING THE MOTHER OF JUDITH.

The Gift Clock – Part 2

BUT JUDITH WAS AWARE OF LÉA'S CURRENT SITUATION. SHE DOESN'T ALWAYS UNDERSTOOD WHAT HAPPENED AROUND HER. WHEN HER "MOMMY" AND "DADDY" PLAYED ON THE BED ALMOST EVERY NIGHT SHE KNOW THAT SOMETHING WASN'T RIGHT ABOUT THIS WHOLE SITUATION. SO WHENEVER "MOMMY" WAS YELLING IN THE BED LITTLE JUDITH STARTED TO CRY.

Part 3

Four year passed since the last incident. Things settled down since Marla become the head of the family and while both Lēa and Judith remembered their past, they made an agreement they won't show any sign of that to their new mommy: Marla. of course they blamed each other for their current circumstances, but in time like these, your enemy can turn into your friend.

Brad and Marla's love life was very intensive for LEa's and Judith's biggest sadness. In fact, they spend so much time together that one night, a little visitor arrived to the big family. The parents decided to call her Marie after brad's grandmother.

So they lived happily after that until one day when Marla decided to make a family bath with all the kids while Brad was in work. She wanted to create a big happy family and now with Marie's arrive her big family was ready. Until the little two year old Marie started to play with a black glass ball.
