Some time not too long ago in a fictional dimension of „Office Party“ ...

Office Party Commissioned Story

The Gift – Part XVII

Previously on “The Gift” we saw the united sex slave army of Charlotte and Dylan (under Dylan’s lead) clash with his uncle’s army of hypnotized harem slaves. The battle was fierce but due to some major cheating (according to Dylan) Vincent came out Victorious. But against all odds, Dylan managed to shift the blame and reconcile with his uncle! The two men and some of their slaves with intact sunglasses enter the newsroom to face off against Charlotte. They think they are safe. Cause they are men! And cause they have sunglasses! But Charlotte had Barbara copy the security camera feed to make a new video of Vincent’s ring that can control men! And, the genius Barbara is, she found a way to even circumvent the sunglasses. **They went straight into a trap!** We now continue after the video has been played in the newsroom...

Featuring:

- ❖ **Dylan** ... The guy who lost the ring to Charlotte (Hero?/Villain?)
- ❖ **Charlotte** ... She has stolen the ring from Dylan and is trying to take control!
- ❖ **Vincent** ... Dylan’s uncle who has gifted him the ring. He has a stronger ring!
- ❖ **Sayo** ... Charlotte’s girlfriend
- ❖ **Lana**... Dylan’s crush
- ❖ And some others...

Last time on "The Gift": Charlotte had Barbara activate the last stand protocol, which basically is displaying the video of Vincent's ring on all screens in the newsroom. The whole room had been bathed in golden light...

But now that the video and the light have faded... what is going on?! Who is under the ring's power and who is just faking it? Or did all of them end up tranced?

As the camera zooms in on this confrontations winner you probably already realized...

That Charlotte's plan of copying the security feed of Vincent's ring onto the Video was perfect.

And with the additional sunglass penetration added to the video by Barbara, there was no way for Charlotte's plan to fail...

Author's Note: To see how Charlotte's plan actually ends up failing, keep your eyes out for Chapter 17-Alternate! ☺

So, all hail Charlotte,
Queen of the rings!

Hahahahaha!

I love it when
a plan comes
together.
Hahaha!

You thought you had me cornered!

You thought yourself superior.

Wielding the rings' powers like a bunch of idiots without using your brains!

But I meant what I said...

I have no real grudge against you.

So, don't
fear. I will
not take
revenge...

But for now, you
are my obedient
slave, Dylan.

Yes, Mistress.
I'm your obedient
slave.

Mistress Charlotte, all
slaves in the stations
are now under your
control.

Brilliant!
Now my time has finally come! I have great plans for the future! But first...

Time to celebrate!!!

After calling in some selected slaves into the newsroom the **festive orgy** can begin!

It really worked, love! You are a genius!

I love you so much. I can't wait what else you have planned.

Oh, fuck! This Elizabeth girl knows what she's doing.

Great addition to our lesbian harem, love!

The newsroom is filled with loud moaning and almost shakes from the people spasming on the floor in orgasmic bliss.

Of course, the group around the boys has heard Charlotte's command as well, and all of them moan and groan as the men release their pent-up loads deep inside the girls' wombs!

It takes a while before the lewd sounds ebb down inside the Tv station's newsroom. But once they do, you could hear a pin drop as everyone is laying on the floor exhausted from the sexual activity.

Maybe we should do this more often in the future.

Definitely!

Hey, Charlotte, are you sure you want to let them go just like that?

Yes... Yes, I think I do.

He made you fuck him.

And you are not into men if I may remind you.

Indeed he did...

But he also made me enjoy it.

He treated me well... in his twisted kinda way. He's not evil. Just incredibly stupid.

I don't think payback would solve anything.

Dylan tried to keep the people under his control happy, even if it was just for his own sake.

And I think it's the right approach. Revenge would just lead to sorrow. And leave a bad taste.

I understand.

Kiss me!

I love you.

I can't wait to see your plans for the future! I know you will be doing great things!

Now let's go, or I'll jump you again!

By being the cutest boy in town, of course!

Oh, boy.
How did I ever deserve such an awesome girlfriend?

Traffic was light and the couple made it in time to the local pub, where Dylan's uncle Vincent is having his first public gig!

Don't be nervous, Vincent! You can do this. Everything is set up.

Don't embarrass yourself in front of your nephew!

What exactly is your uncle doing now?

No clue.
He just said he had a show and would like to have a friendly face in the audience.

You know, after Aunt Judy left him, he went a bit strange. Trying out lots of new stuff all the time...

Oh, shit.
I almost forgot about that! He was so bad!
chuckle

Yeah... like that skateboard stunt at your mother's birthday?

Let's hope he's better at this... whatever this is.

Alright!
Let's get this
show started!

Ladies and
Gentlemen.
Thank you for
coming.

Today I will take
you on a journey
into the depths
of the mind.

But in order to start my hypnosis show I need a volunteer.

How about you, the young lady in the front row?

Wha... Me?!

Yup, that's Ally and Marco. Turns out it's much less work just zapping the guy's memory rather than keeping an innocent man imprisoned.

That's the girl?

Oh, boy.
That guy looks so cheesy!
Magic nerd!
chuckle

Yeah!
That's my best friend Julie. I'll acquaint you later.

Let's watch her perform now.

giggle

FOR YOUR
BEER WINES SPIRITS

Thank you for coming up.

No need to be afraid, I'm just a friendly hypnotist.
chuckle

What's your name?

I... I...
I'm Julie.

Alright, Julie.

I want you to focus your eyes on this flame.

You are perfectly safe here. You can trust me.

Just stare into the flame and listen to my voice.

Relax.

Let go
of your
thoughts.

Let your
mind drift.

Now, on the count
of three, I want
you to let yourself
completely go for
me and fall asleep.

SWAP

One.

So relaxed.

Two.

Feeling great.

And Three.

Sleep!

SWAP

Letting completely go of your mind.

No thoughts...

No will.

Just listening to my voice.

No mind...

No
thoughts...

Listen... to
your... voice.

Very good,
July!

Darn, this
girl is good!

Anything you
tell me to...

Now, dear audience.
As you can see, Julie
here is in a deep
hypnotic trance. And
she will do anything I
tell her to. Isn't that
right July?

So... what
shall I make
sweet July
here do?

The show starts with some typical hypnosis elements like Julie forgetting her name and a number and so on. But it mostly gets interesting when Vincent starts accepting ideas from the audience...

First Julie is supposed to act like a cat. Isn't she cute?

And then she is made to dance at the bar's stripping pole! An absolute highlight every hypnosis show needs!

Hm... I think we are taking this a bit far...

Julie's skirt is so short, from the right angle, the audience can see right up to her panties!

Julie's seductive dance is a blast to watch and the audience cheers.

But... she doesn't seem to mind... so I guess it's fine...

But every good show comes to an end...

Alright, Julie.
On the count
of three, I want
you to wake up
again.

And three!
Welcome
back, Julie!

Wha...
where...
I...

A man in a dark green medieval-style outfit with a black cape and a woman in a dark green two-piece outfit on a stage. The man is gesturing towards the woman. A speech bubble is above the man.

Dear audience
please, A huge
round of applause
for the lovely July.

A man in a dark green medieval-style outfit with a black cape and a woman in a dark green two-piece outfit on a stage. The man is gesturing towards the woman. A speech bubble is above the man.

whisper
Thank you!
You were
great, girl!

Thank you!
Thank you! You
have been a
great audience!

I am Vincent
Valentine and I
wish you a great
day.

Nailed it!

Hey, guys!
Thanks for coming you two!

Great show!

Hey, uncle!

Hi!

That was really impressive.

You really got that girl under. She was basically putty in your hands!

Ha-ha!

Tricked ya! That girl was paid off beforehand.

But it's what the audience. So... I improvised... for the sake of the illusion so to say.

But hey, this is not how hypnosis works, right?

Can't just make a girl dance at the pole against her will.

My hypno-guru said I'm pretty good. Soothing voice and all.

Argh, darn!
Should have
known!

Would have
been too good
to be true.

You could just go
around and
hypnotize any hot
chick to be your
harem-sex-slave!

Then I could
score with some
hot college
students!

Yeah... that
would be
AWESOME!

Well... I for my part am relieved.

Just imagine there could be people that hijack your mind, *ZAP*, just like that.

I think that would be pretty frightening!

But...
also hot!

Oh, are we
into hypnosis
now?

Maybe?

Shall I be your
hypnotized slave
girl tonight? Would
you like that?

Gulp

nod

Ah, young love.

You guys are really refreshing.

Thanks for coming today. It really helped against the stage fright knowing you were watching.

Aww.. You are welcome. It was a great show!

And don't write yourself off so easily!

You are not that old yourself, Uncle Vincent.

Maybe you should get yourself out there once more. I'm sure there is a lovely lady waiting just for you somewhere!

Thanks, Lana! Maybe you are right. That actually cheered me up.

Oh, hey, you guys!
It's Governor
Kraten!

Hey, waitress!
Please turn up the
volume. We'd like
to hear that.

I'm sure with her at the top same-sex marriage will be possible in no time.

Not only is she the first female Governor here. She's also a lesbian.

Oh, wow! It's Governor Kraten! What a woman!

Governor Kraten... Sayo Tei the fierce reporter is her girlfriend. So cool!

Fellow Citizens.
I'm Charlotte Kraten
and I know I've only
been your Governor
for less that half a
year.

But with the
upcoming
elections... I have
decided to run
for president!

Woohoo!

**Miss
Kraten!**

I hope to count on all your support for my upcoming campaign.

Governor Kraten,
while I do believe
that you would make
for the perfect
president.

People might fear,
that during your
campaign, you might
neglect your duties
as Governor.

Could I get a
statement on
that?

And I will in no way neglect my duties as Governor of this lovely town.

You need not fear. I will always have an open ear to my hometown's people!

What are your plans for your time as president?
What will you stand for?

0% Crime rate.
0% unemployment rate. Peace and Prosperity for each and every one living in my country.

Big goals! What makes you believe you can achieve what nobody else could do?

Just take a look at my city. We are almost there, already.

And I'm positive that we can achieve what I have done here on a more global scale if the people unite to make this country a better place.

And that's a wrap-up. It was a pleasure Misstr... Miss Governor.

Of course, Channel 69 will support your Campaign to the fullest.

Thank you, Irene. I'll be contacting you soon, with more details on my media campaign.

It will be an honor, Madam Governor.

Shortly after Irene has left...

Madam Governor,
please Refrain
from putting such
unbelievable goals
out there.

Voters will just
be disappointed
and we have to
play the long
game.

With your standing as a
lesbian woman, we can
reach certain fringe
groups but it will be a
miracle if we can even
get 10% of the voters
in your first candidacy.

Who are
you again?

Err...! I'm Marianne Gonzales your Campaign Manager?

And as my Campaign Manager, shouldn't you support my goals?

Cause my goal, is winning this election in one fell swoop.

Ridiculous!

Sayo, dear.
Remind me
once again. Why
did you hire
her?

Well, she has a
Harvard degree and
almost ten years of
experience in the
field.

Her name and
ethnicity will
appeal to even
more fringe
voters.

And she has
already managed
several successful
campaigns on lower
scales.

And I guarantee
you, Madame
Governor I will
give you the best
campaign you can
hope for.

Thank you, Miss
Tei. It's nice to be
appreciated for
one's achievements.

Yeee!
Show us those
big boobies!

You are not
excused! Unless
you strip down and
show us those big
udders of yours.

What the hell? I was
glad to finally work
for a woman and
then she's acting like
a lecherous old
geezer?!

You are crazy!
I'm out'a here!

Trust me, you
will regret
this!

Oh, just shut
up and look
at this here.

It will explain
everything.

Even as a
joke that
went too
far.

I will not
work for
you, ever!

No matter
what you have
there it will
not change
that!

A woman with voluminous, curly reddish-brown hair and glasses is wearing a dark grey business suit with a white shirt and a dark tie. She has a surprised or questioning expression on her face. Her right hand is on her hip, and her left hand is held up, palm facing forward, as if gesturing. The background is a dimly lit room with wood-paneled walls, a framed picture, and a small table with a white cup. A speech bubble is positioned above her head, pointing to her mouth.

A ring?

Really?

The End?

The End

Will Charlotte's plan of country-wide advertisement bear fruit? Will she become the next president? And will she stop at that or is this only her first step towards uniting the world under her glorious rule?

That is up to the reader 😊. I hope you enjoyed "The Gift"-Series and I hope that I was able to round up the story with a good ending. Note that if you are unsatisfied with how this ending turned out because of Charlotte winning, there will be an **Alternate Ending** as well!

Back in the pub after Governor Kraten's Transmission had concluded.

I know you got paid for that...

But girl... before you dance like that on stage...

I didn't know you were this bad on money.

The End.

Thank you for reading!

Hello, Hexxet here,

Were you rooting for Team Dylan or Vincent? Or were you rooting for mutual destruction? **Personally, I think Charlotte deserves this win.** She came up with the video of the ring and basically did all the hard lifting throughout the comic ever since chapter 5.

*But, before you throw the Gift Series into a corner to never look at it again because of this FD-Ending, note that there will be an **alternate Ending** to the series, where Charlotte does **NOT** win!*
