Some time not too long ago in a fictional dimension of „Office Party“ ...

## Office Party Commissioned Story

### The Gift – Part XVII - Alternate

Previously on “The Gift” we saw the united sex slave army of Charlotte and Dylan (under Dylan’s lead) clash with his uncle’s army of hypnotized harem slaves. The battle was fierce but due to some major cheating (according to Dylan) Vincent came out Victorious. But against all odds, Dylan managed to shift the blame and reconcile with his uncle! The two men and some of their slaves with intact sunglasses enter the newsroom to face off against Charlotte. They think they are safe. Cause they are men! And cause they have sunglasses! But Charlotte had Barbara copy the security camera feed to make a new video of Vincent’s ring that can control men! And, the genius Barbara is, she found a way to even circumvent the sunglasses. **They went straight into a trap!** We now continue after the video has been played in the newsroom...

#### Featuring:

- ❖ **Dylan** ... The guy who lost the ring to Charlotte (Hero?/Villain?)
- ❖ **Charlotte** ... She has stolen the ring from Dylan and is trying to take control!
- ❖ **Vincent** ... Dylan’s uncle who has gifted him the ring. He has a stronger ring!
- ❖ **Sayo** ... Charlotte’s girlfriend
- ❖ **Lana**... Dylan’s crush
- ❖ And some others...

Last time on "The Gift": Charlotte had Barbara activate the last stand protocol, which basically is displaying the video of Vincent's ring on all screens in the newsroom. The whole room had been bathed in golden light...

But now that the video and the light have faded... what is going on?! Who is under the ring's power and who is just faking it? Or did all of them end up tranced?

As the camera zooms in on this Chapter's MVP you probably already realized what is going on...

Or did you, now?

Hellooo?

Enthusiastically Sayo checks whether the other party really has been put into a trance.

Anybody home?

Yo, Vincent. Are you in a deep hypnotic trance?

wave

Yes.  
I'm in a deep  
hypnotic  
trance.

Awesome!

Realizing the plan had been a full success, Sayo jumps high up in the air - full of joy.

Super Awesome!

jump

That's something only you could have pulled off, my genius girlfriend.

KISS

Luring them here thinking they had nothing to fear.

Guess that makes you the second smartest person in the room.

Cause you  
have not seen  
this coming.

Only my brilliant Master foresaw all of this!

Can you see the brilliance sparkle in his eyes?

Well... maybe not right now. He let himself trance for this plan to work...

That's what I call commitment! Oh, my brilliant Master.

Master Dylan, I love you! You are free from all programming and the ring's influence.

Now wake up, Master.

Welcome back, Master!

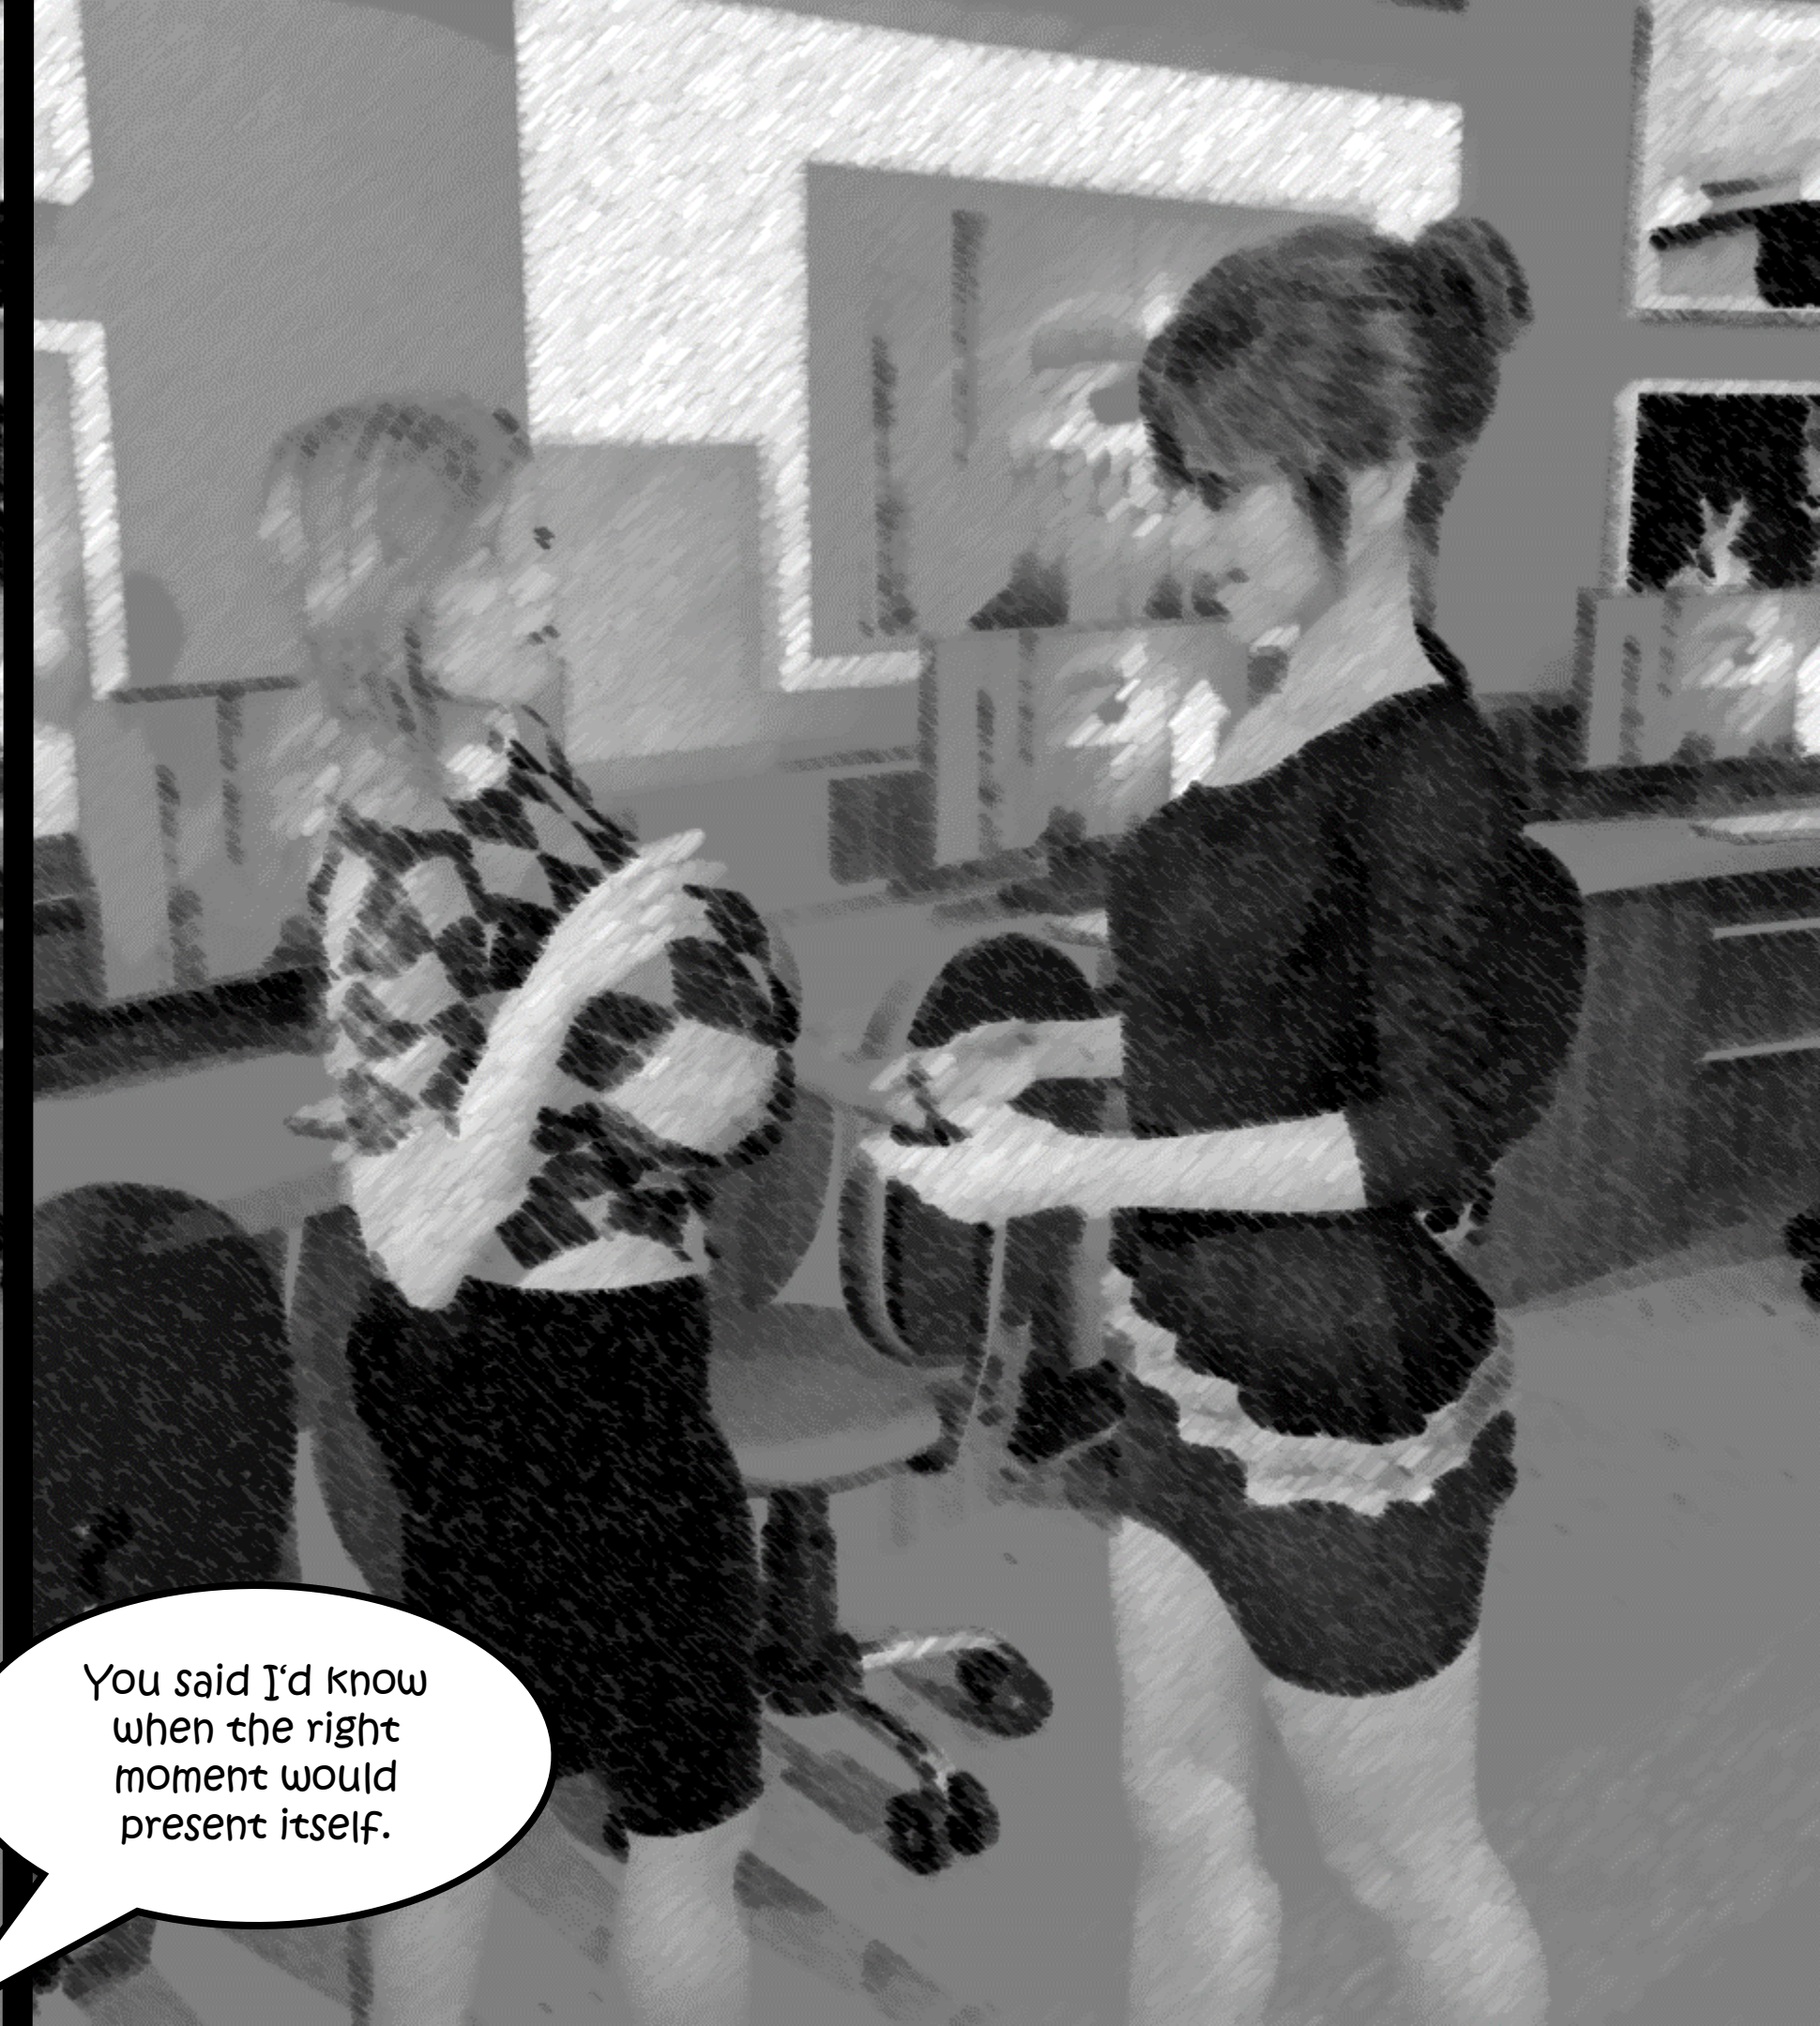

Woah!

**What you are witnessing now are events  
of the past...**

When you put me under you told me to lay low and wait for your command or the right moment.

You said I'd know when the right moment would present itself.

A woman with brown hair, wearing a dark blue dress with a white lace hem and dark sunglasses, stands in a newsroom. She is holding a pair of sunglasses. In the background, there are other people, including a woman in a purple top and black skirt, and a woman in a yellow and black checkered top. There are computer monitors and desks with the 'NEWS' logo. The room has blue walls and framed pictures.

And you were right!  
You foresaw it all!  
You knew about the  
video going through  
those sunglasses!

And that only  
Barbara had special  
glasses that could  
deflect the video's  
light!

The same woman from the first image is shown in the same newsroom setting. She is now holding the sunglasses in her left hand and has her right hand raised to her forehead, looking thoughtful. The background is identical to the first image.

So, when I took  
Barbara's sunglasses  
to bring to my lovely  
Charlotte...

I simply exchanged them for my own.

Negating her whole scheme and turning it to your advantage.

Just like you had foreseen!

Now when I helped her put on the sunglasses.

She never expected a thing.

*clap*

*clap*

Holding back  
evil laughter  
was really hard  
at that point.

*lick*

*kiss*

*slurp*

But I managed!  
And it paid off! I'm  
so glad I can serve  
such a brilliant  
Master as yourself,  
Master Dylan!

Had Dylan fooled us all this time? Is he actually a brilliant mastermind who just played the idiot for this moment to come?!

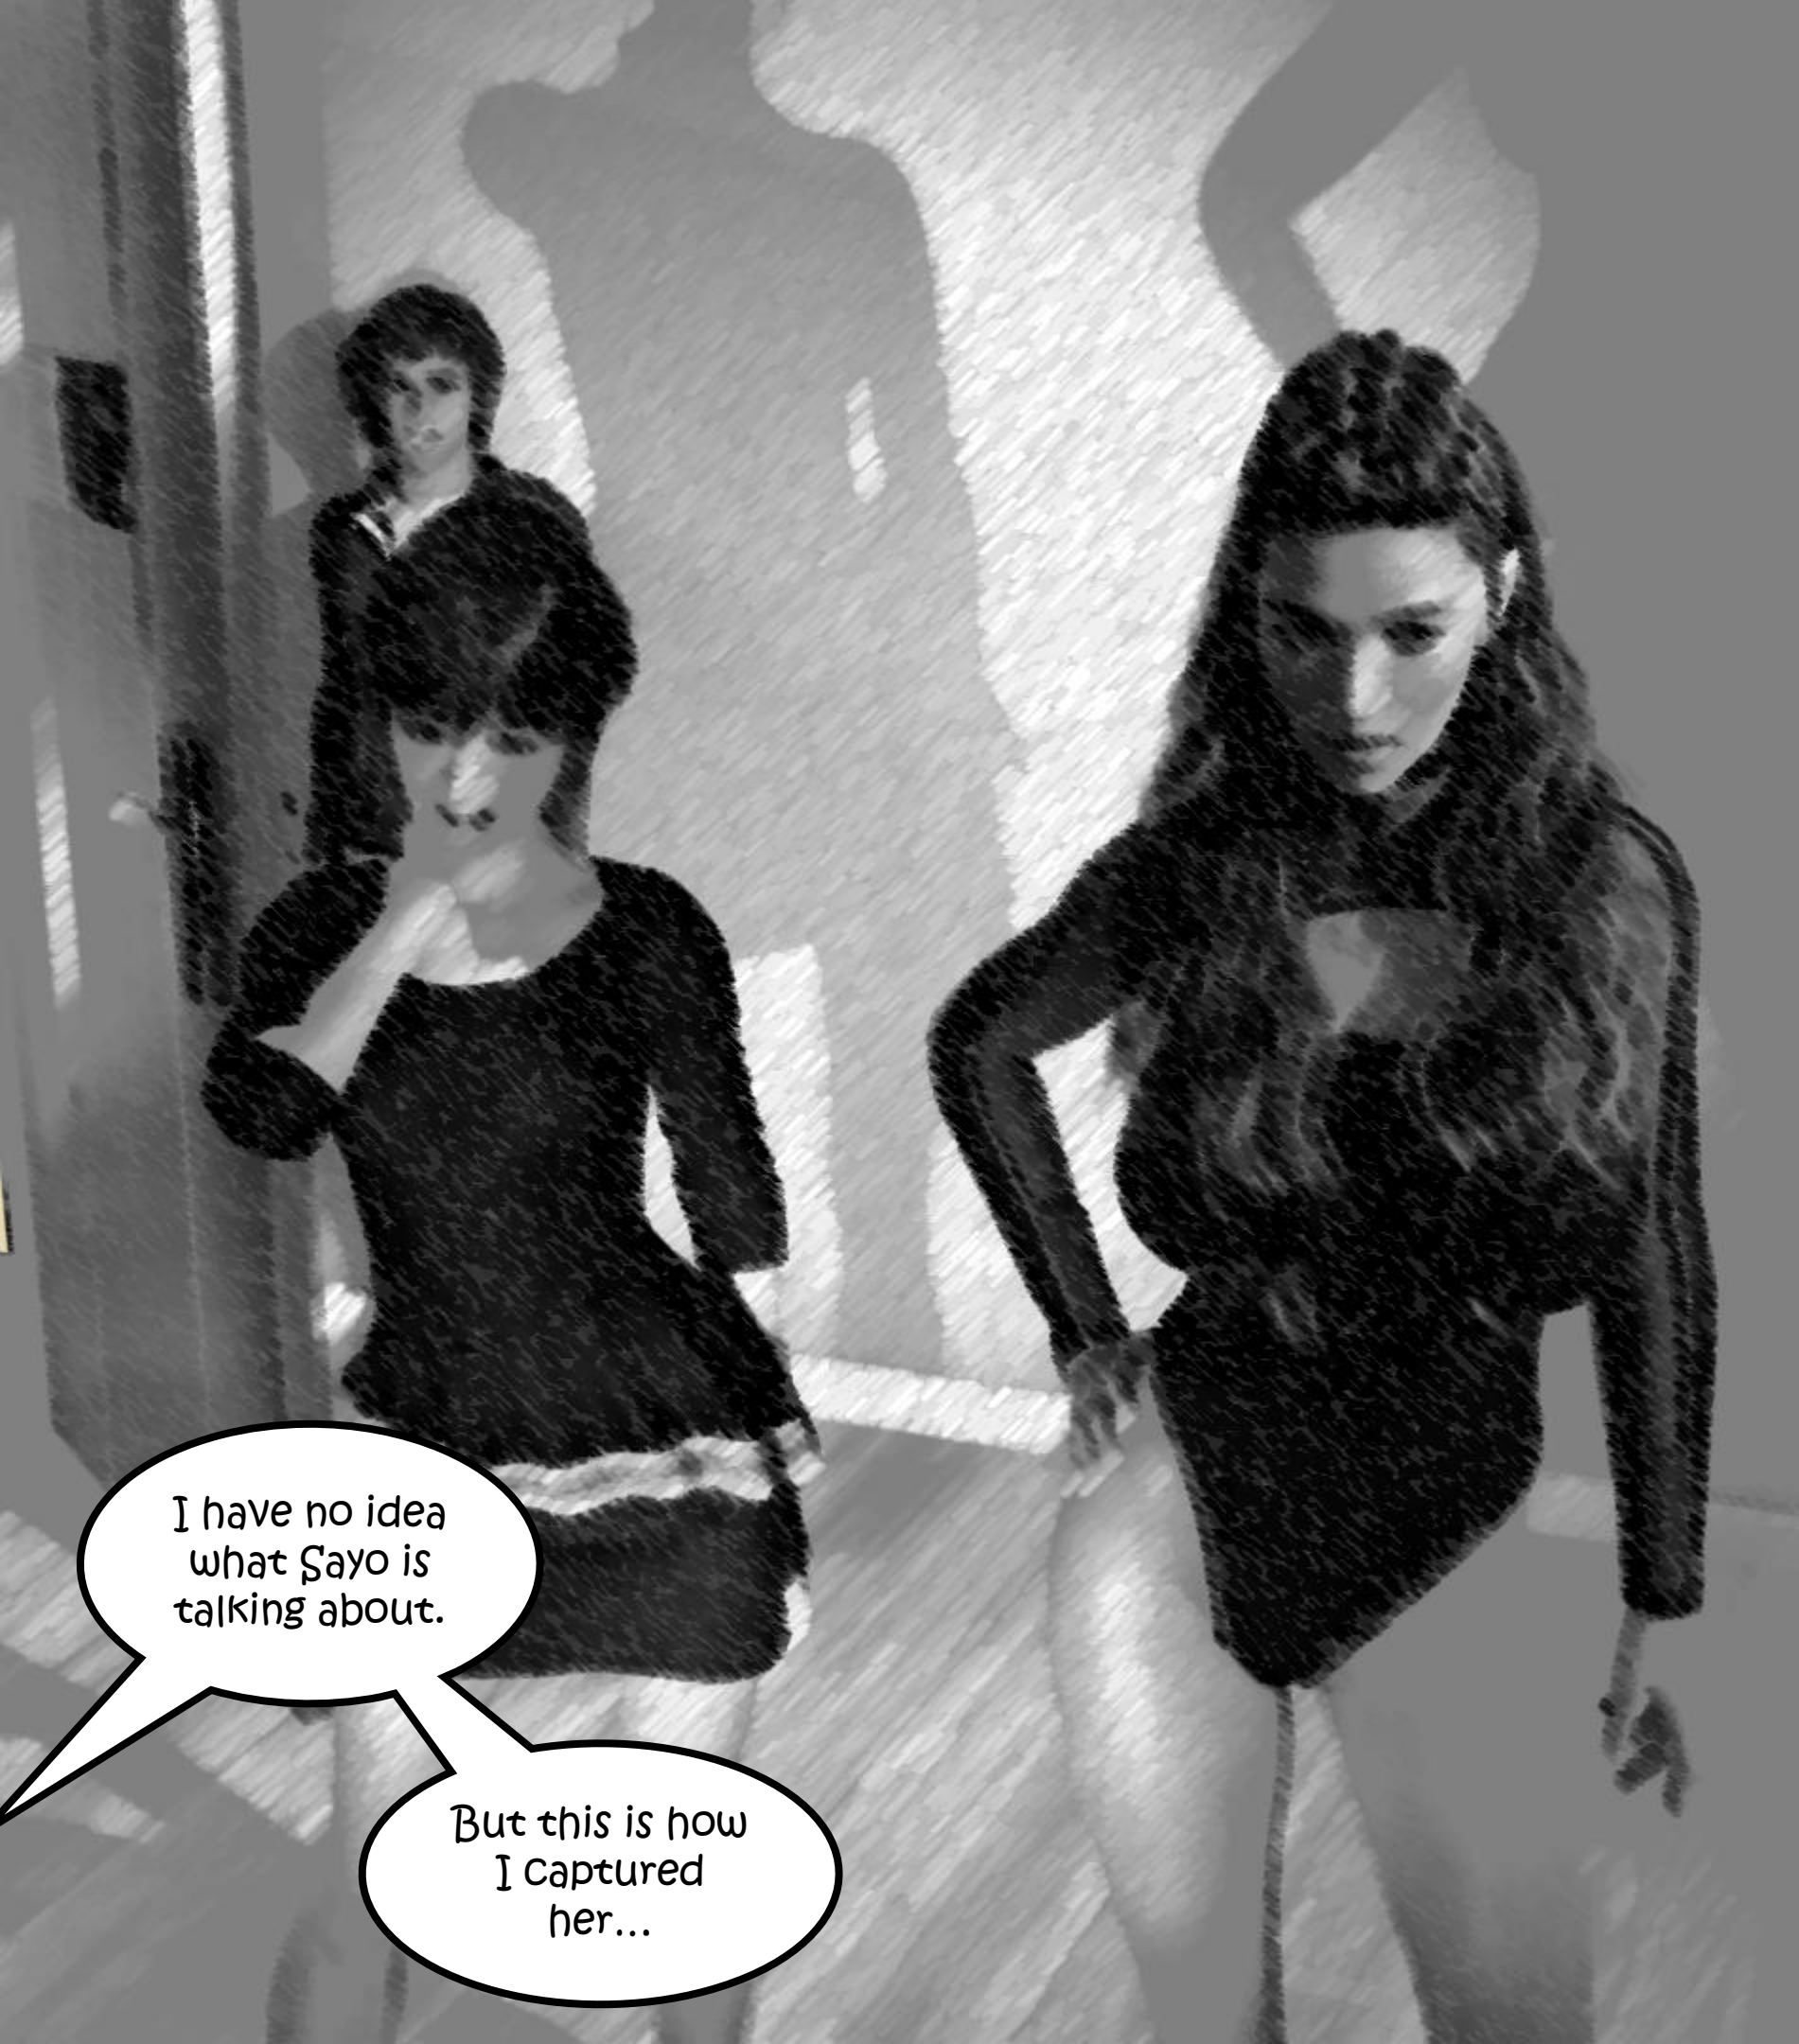

I see!  
Very well done, slave.

Just as planned!

Thank you, Master. I'm just an Instrument of your brilliance!

Now witness how Dylan really escaped his room back then! Cause what he told Charlotte back in the newsroom... **that was all made up!**

I have no idea what Sayo is talking about.

But this is how I captured her...

Wakey wakey. Time for your trial, Dylan!

Oh, no!

Haaaa!

I might had lost  
the ring and all  
my slaves at the  
station.

But I do  
know how to  
use a phone!

And after  
calling up my  
backup  
army...

I realized, I still  
had the original  
ring video on  
my phone!

So, I turned Lana and gave her a copy.

And while she used it on Stella, I snuck up on Sayo.

tap tap

Oh, no!

I will obey!

Must... Can't ...  
look... away...

Yes, Master.  
I will obey.

Now, all I told those three was to be my adoring loyal slaves and that they should lay low and wait for the right moment or my command to strike.

That's why I told Charlotte this bogus story about sneaking out the room and locking them up...

But the others are in a trance and it seems that I have won!

I was thinking those three might come in handy and knock Charlotte out from behind or something when she least expects it.

But that's basically the only brilliant thing I did... I have no fucking clue what Sayo is talking about right now...

**Awesome!**

Back in the present...

I am your loyal minion.

I will obey you to the best of my ability.

Now, Uncle. You will obey me to the best of your ability.

I am now your Master and you are my loyal minion.

I will tell you if something would go against your will.

If you can think of anything that will go against my will, tell me.

You will also give me full control of your slave network.

All your slaves are mine now.

Full control of my slave network.

You will cancel those!

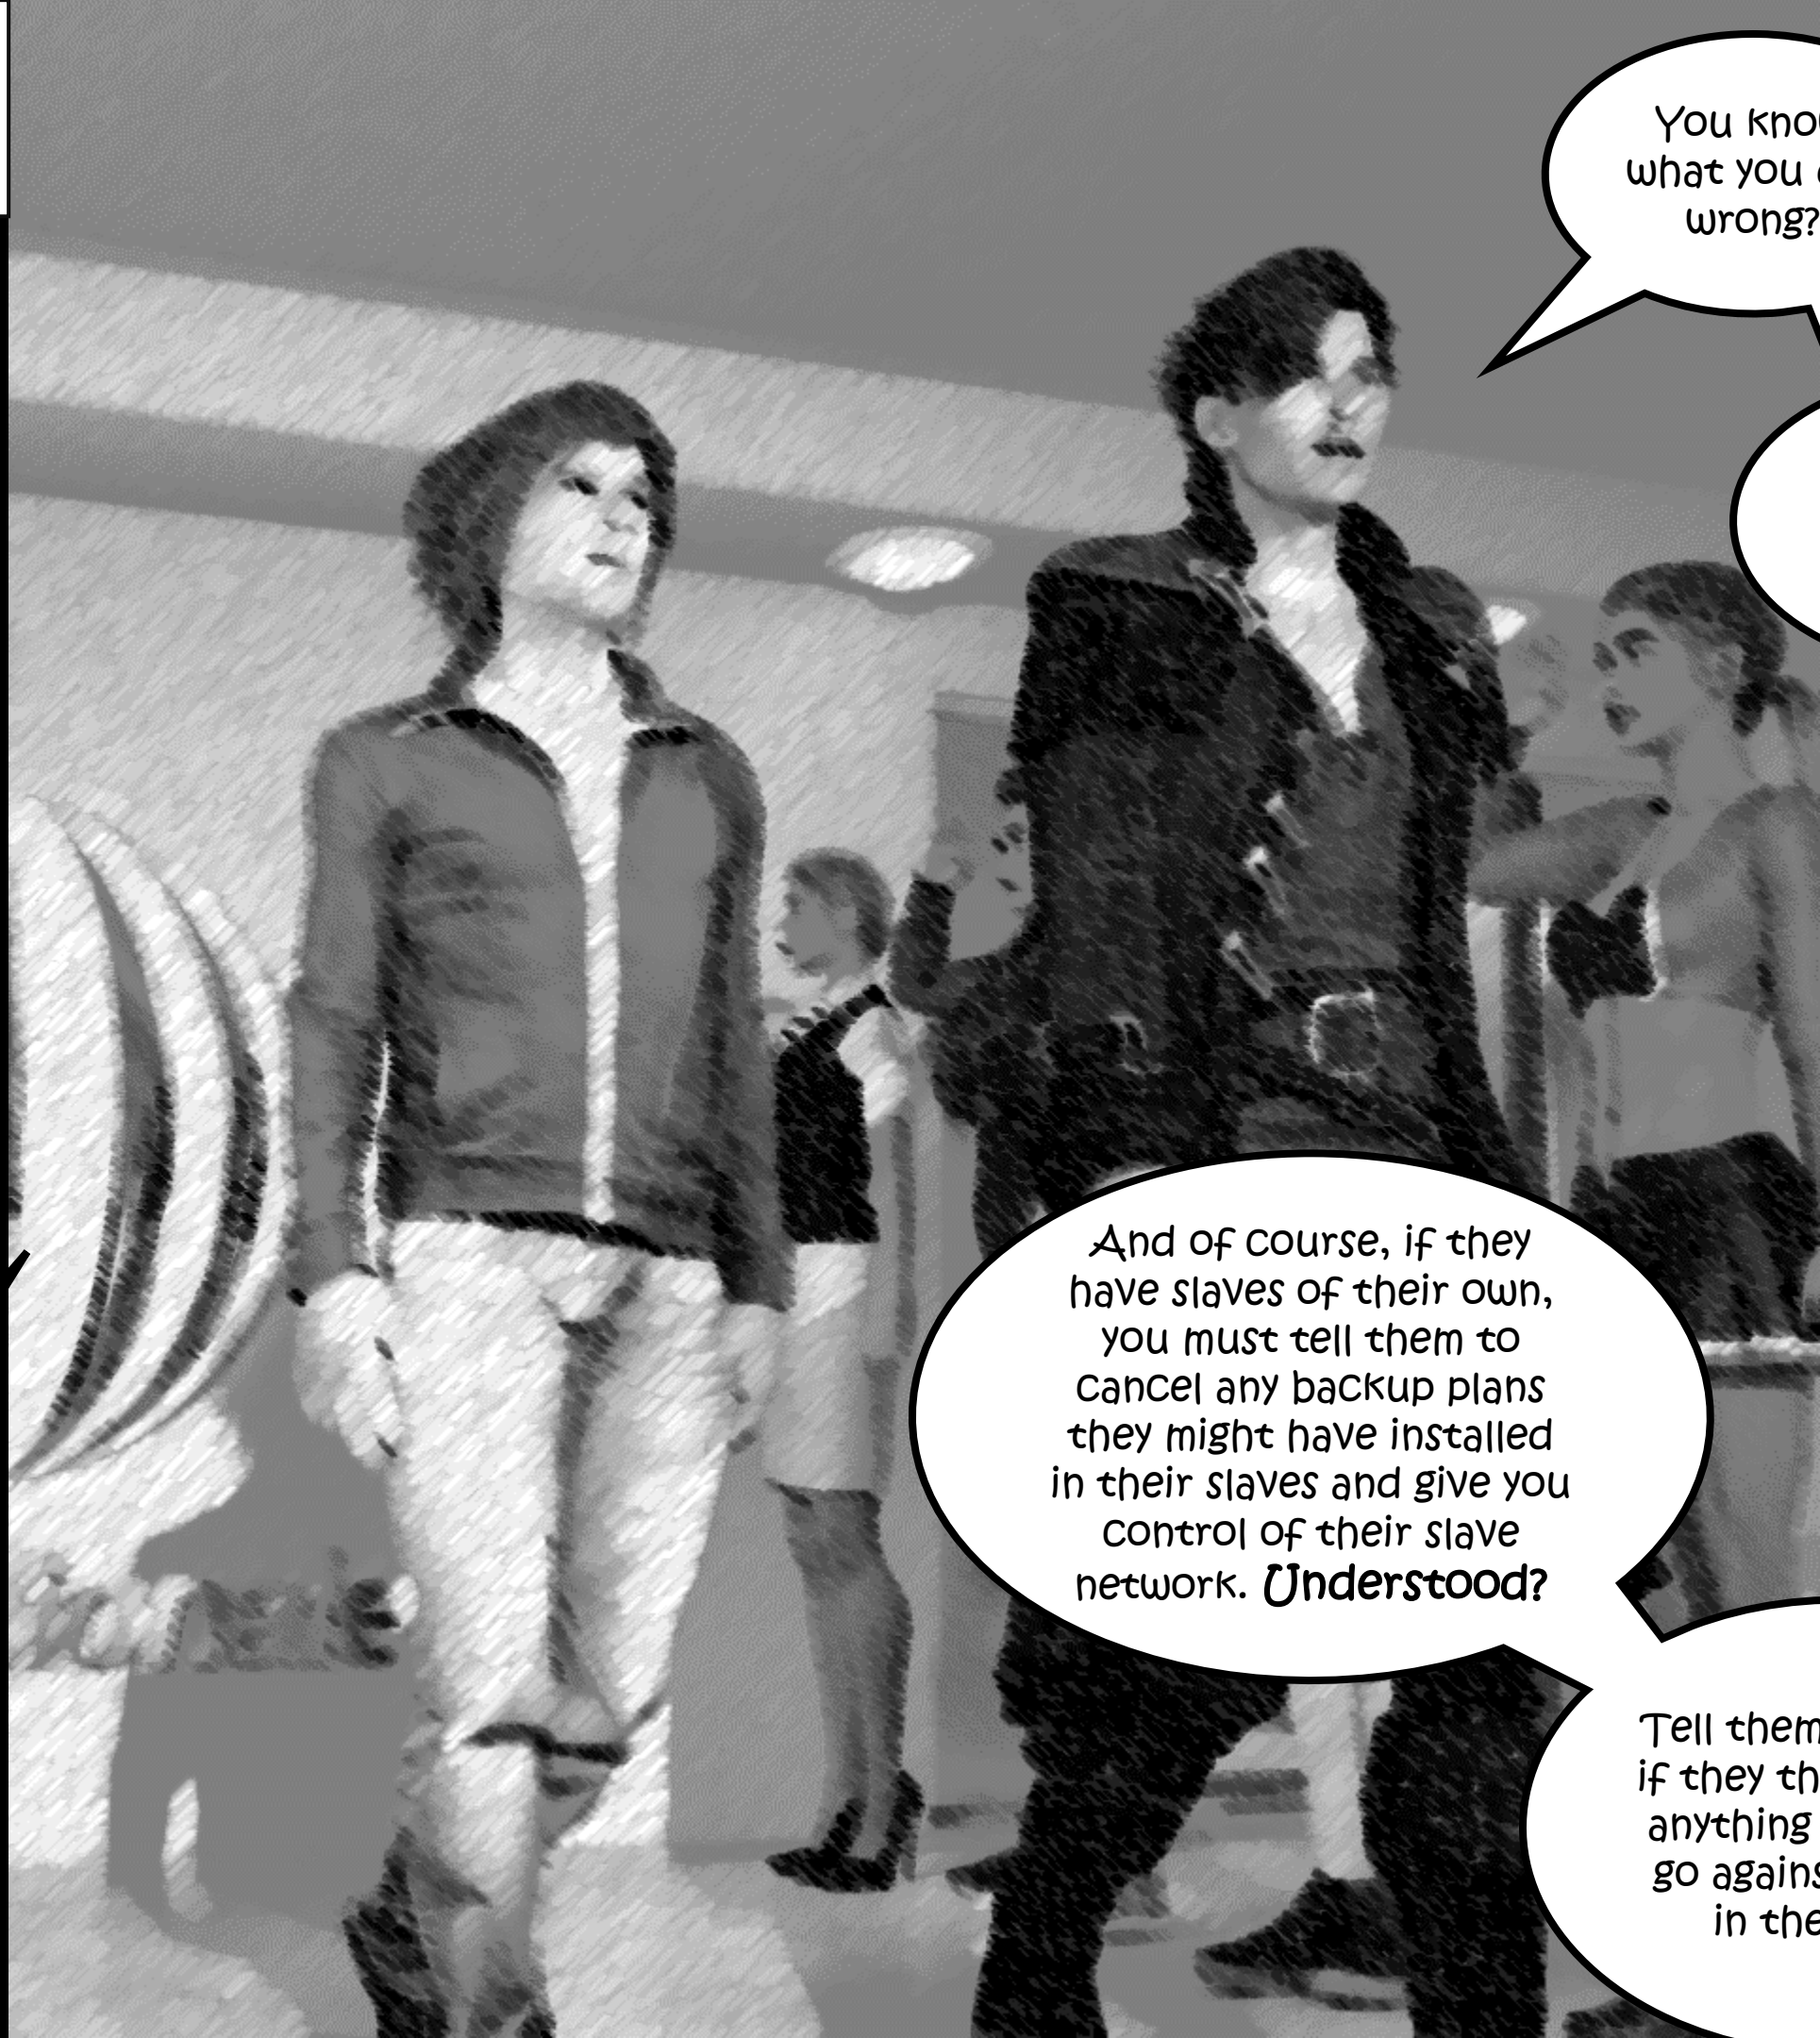

If you have any fail-safes installed as triggers in your slaves or yourself.

I've such a brillaint Master!  
He really thinks of everything!

Yes, Master. I will cancel all my anti-hypno fail safes.

Now, you might be saying: "That's not very Dylan-like! It's too clever!" - But you are not taking Dylan's incredible luck into account!

Cause this just occurred moments before the two men walked into the newsroom to confront Charlotte...

Well, fuck me.  
That lecture comes a bit later, doesn't it?

Yes, Uncle.

You know what you did wrong?

Even if you are the most brilliant mind on earth.

You have to let their minds work for you.

You do not know them!

There is no way that you can foresee each and every little thing that might happen in their life that might thwart your plans!

And of course, if they have slaves of their own, you must tell them to cancel any backup plans they might have installed in their slaves and give you control of their slave network. **Understood?**

So, once you have somebody under you have to tell them, that to the best of their ability they want to support and help you.

Tell them to tell you if they think there is anything that might go against your will in their lives.

Now to you,  
Charlotte...

What to  
do with  
you...

Ah, for  
fuck's sake.  
Bend over!

I have bent over.

I see you haven't put any panties on. Even though you got yourself free. Why is that?

I had no panties here at the station.

And putting on panties was not that high a priority when the ring's power was at stake.

And now I will spank you as a punishment for your treason.

I see. Well, you'll continue to not wear any.

Yes, I won't wear panties.

Please spank me.

You've been a bad girl, Charlotte. It's only natural Master would punish you.

**SMACK**

Now, Charlotte.  
You are back to  
being my loyal  
and devoted  
slave girl.

Yes, Master.  
I'm your loyal  
and devoted  
slave girl.

fap  
fap  
fap

I can fuck you  
whenever I  
want.

Of course,  
Master. You  
can fuck your  
slavegirl anytime  
you want.

fap  
fap  
fap

You'll give me back control of all the girls we've converted.

If you have any fail-safes installed in some of them, remove those.

Yes, Master. My slaves are all yours.

I had no time to install any more fail-safes.

fap  
fap  
fap

Now... I do think I should punish her for her digression some more... Any ideas, Sayo?

fap  
fap  
fap

Holy... Sayo!  
You are evil!  
But I like where  
this is going!

Well, in order to  
really punish her,  
we need to restore  
her mind so she can  
witness her defeat.

I propose we  
make her unable  
to move and  
then...

fap  
fap  
fap

**After some preparations, it is time for  
Charlotte's punishment right there in the  
newsroom...**

You deserve it, girl. Now, what do you think? Let's start?

Yes, Master!

fap  
fap  
fap

Charlotte!  
Wake up now!

Swap

fap  
fap  
fap

All this time, Charlotte is sitting mindlessly on the studio couch...

But with a snap of Sayo's fingers...

Her ability to think returns and she is very confused.

Wha...?  
What's going on? Where am I?

A show where our contestant gives his everything to get our beloved Sayo off.

Welcome to the Fucking Sayo Show!

What?!

And what would be this show without a concerned girlfriend?!

Charlotte, do you have any feelings right now you'd like to share with the audience or Sayo herself?

Hi there!

Şayo! Noo!  
What... What is going on?

What has he done to you?!

STOP!

fap  
fap  
fap

What is going on?!  
Why can't I move?! Why is Sayo...

The ring!  
I'm under its powers...

But...  
How? How did it end up like this?!

I had everything under control, didn't I?

Please!  
Dylan! Stop this!  
Sayo... is mine.  
You promised!

Oh, Yes!  
This is exactly the emotion we like to capture here!

Charlotte, could I get a comment on this? Would you say that you are currently mildly terrified?

Since Charlotte kinda refuses to comment, Sayo, what are you feeling right now?

Ueoooo

fap  
fap  
fap

Oh my god!  
I can feel my brilliant Master's cock so deep inside of me!

I never want this to stop!  
Charlotte never made me feel this good!

He's fucking me so well! **It feels incredible!**

I'm never going back to fucking women after this!

This can't be happening!

Please. STOP!

sob

And you, Dylan, can I get a statement from you?

Well, she is a great fuck. Şayo is the perfect addition to my harem.

Or if I should have my uncle and Vadim take turns on Şayo next.

Right now I'm thinking whether Charlotte will have learned her lesson with this.

fap  
fap  
fap

Don't do it!

This can't be happening!

scream

If I could just move, I'd kill you right here and now!

Dylan, you bastard!

sob  
sob

quiver

**Wow!**  
Are you seeing  
this folks?

Our  
contestant is  
trying to have  
Sayo orgasm  
right into her  
lover's face!

How cruel  
is that?

**Awesome  
to watch  
though!**

Oh, Yes!  
Fuck me,  
Dylan! Fuck  
me hard!

Groan

fap

fap

fap

Holy cow!  
That sounded  
awesome! I  
almost felt the  
whole studio  
shake!

But for the  
show, I need  
confirmation.  
Did he make you  
cum, Sayo?

sob  
sob

Wow!

Yes!  
He just gave  
me the best  
orgasm of my  
life!

You've heard it!  
**We have a winner!**

And besides an awesome orgasm, we also witnessed some genuine emotions!

sob sob

I'm Irene Fortune and this was **Fucking Sayo** – the show.

Look forward to any possible sequels. **Who will be fucking Sayo next?**

And will we reset Charlotte's brain to witness it once again like the first time? Or will we have her remember to double up on her pain?  
**Stay tuned!**

sob  
sob

That was awesome, Master!

I can't stand seeing women cry.

Dylan, you bastard!

I will kill you!

On the next opportunity, you are a dead man!

I... will...

Trance Time, Charlotte!

I will obey.

Now you will forget about this.

You won't hold a grudge.

After all, you are my loyal slave, aren't you, Charlotte?

I will serve  
you to the  
best of my  
ability.

I could never  
begrudge you,  
Master.

A woman with red hair styled in a bun, wearing a purple tank top, is shown from the chest up. She has a neutral expression. The background consists of wood-paneled walls and a blue wall. Three speech bubbles are overlaid on the image. The first bubble on the left contains the text 'And I will comply, Master.' The second bubble, positioned above the first, contains 'Just tell me where and how you need me.' The third bubble on the right contains 'I am your loyal and obedient slave, Master.'

And I will  
comply,  
Master.

Just tell me  
where and  
how you  
need me.

I am your loyal  
and obedient  
slave, Master.

And with that, Dylan has wrapped up any loose ends. His uncle Vincent and the rings' powers are now completely under his control. And his female rival Charlotte is back where she belongs – in his harem as a fucktoy!

Now that all is in control again, Dylan can finally refocus his efforts on what matters most to him. Resetting Lana and living a happy life with his artificially created perfect girlfriend!

Sometime later, we join Dylan and his new partner in crime as he follows an idea he recently came up with...

You sure this is the right place? They are quite secretive about it.

Positive. Just listen to those rejoicing voices over the fence.

Ha-ha! Nice, we found it.

Don't worry pal, you can let us in. I'm the new owner.

No comment. Please leave.

Hi, there! Is this the top-model villa?

Owner... of the show?

Hello no!  
Of the girls!

Now, step aside and let us in.

Please, come in.

Yes, Sir.  
I will obey.

A 3D rendered scene featuring three characters standing on a paved area with a wooden fence and a blue sky in the background. On the left, a man in a dark blazer and black pants salutes. In the center, a woman in a white ribbed top and a plaid skirt stands. On the right, a man in a blue jacket and jeans walks towards the viewer. Two speech bubbles are present: one above the man on the left and one to the right of the man in the blue jacket.

This will  
be fun,  
love.

Indeed,  
it will!

As Lana and Dylan enter the grounds of the top-model villa, three of the girls are in the yard. Two of them are playing ball, while another one is taking in the sun.

The one in yellow looks super cute.

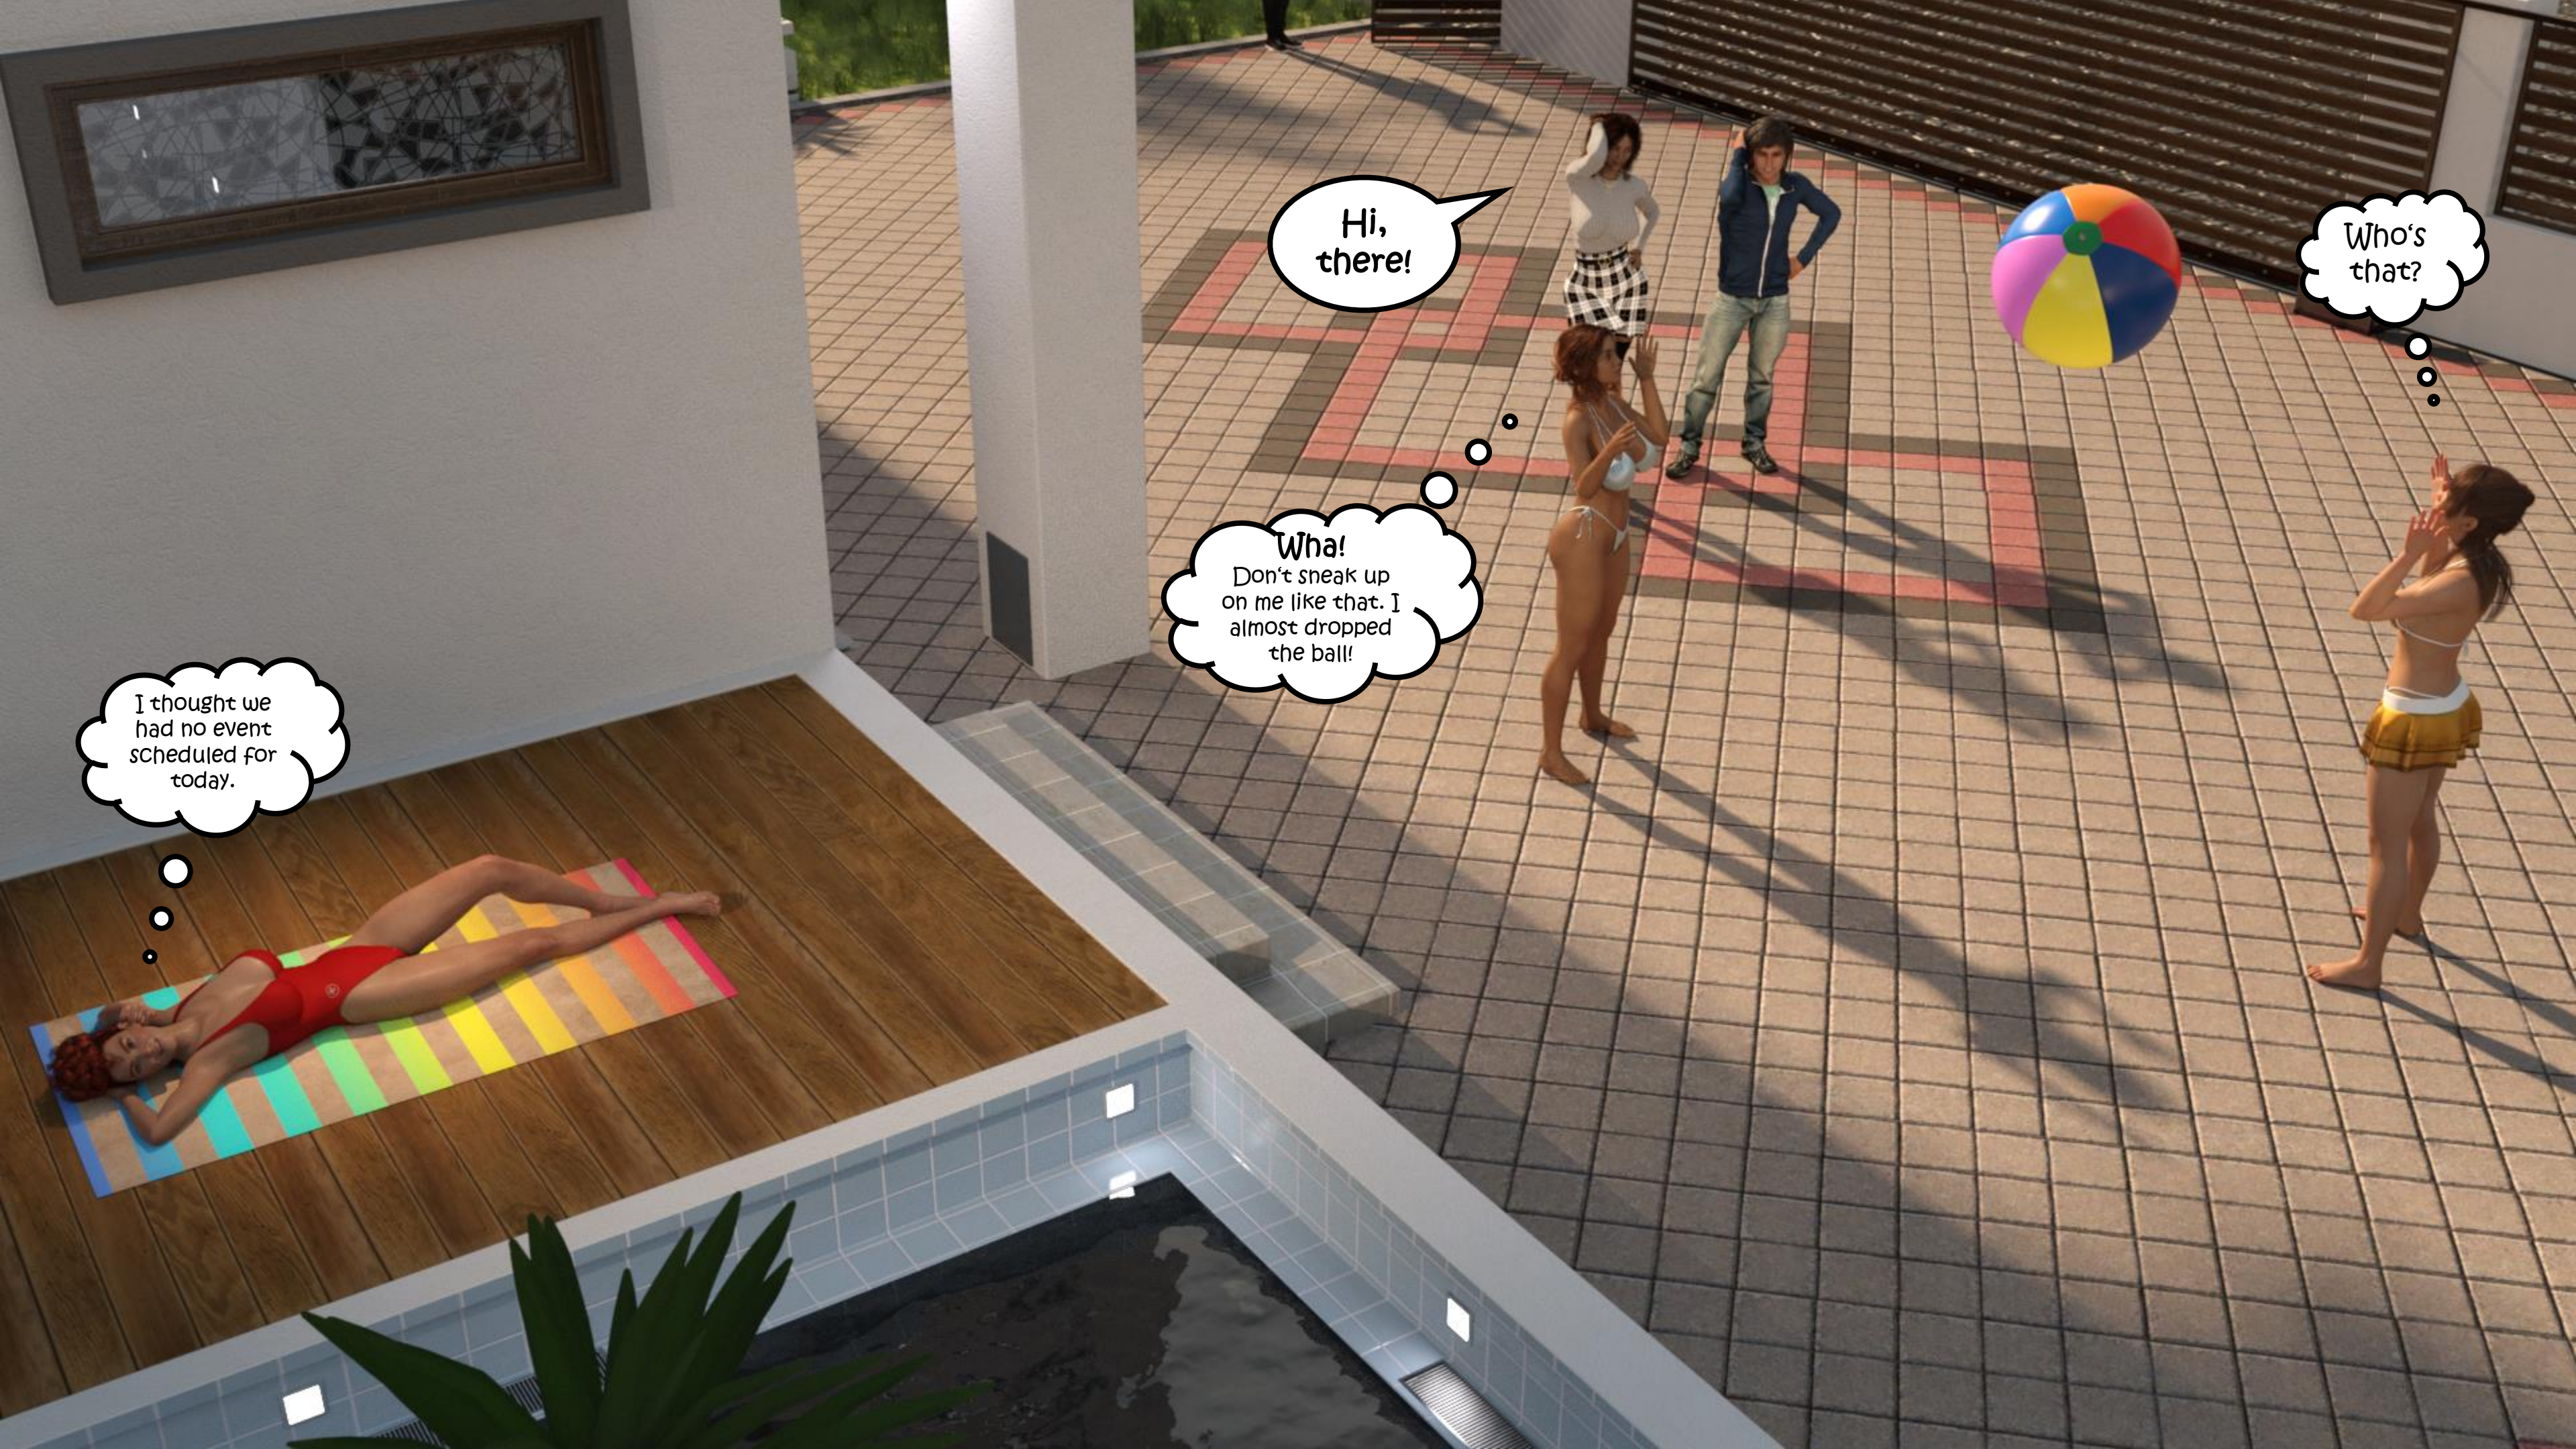

Yeah, she does Dylan. But the one in white got some prime boobies!

O.M.G.!! Isn't that... what's her name?

She played this super villainess in Love Bug Bite!

Yeah, that was a great movie! And I think you are right. That indeed is her...

I thought we had no event scheduled for today.

Hi, there!

Wha!  
Don't sneak up on me like that. I almost dropped the ball!

Who's that?

Hi...  
Who are  
you?

Extra  
points?

We were told  
we were free  
to have some  
fun today.

What's this  
about?

Pretty light...

So pretty...

I... feel strange.

Feeling... dizzy.

Yes, Master.  
We are under  
your control.

Sooo  
shiny...

Is that  
for me?

Woah.  
I... feel  
strange...

Can't... look  
away. So...  
shiny...

I... will do  
what you  
say.

Yes, Master.  
I'm all yours.

This was a great idea!

Thanks for taking me slave-shopping, Dylan!

Your ass is great too, hon.

Wow! That ass is firm!

You are welcome, hon.

\*giggle\*  
Guess I should work out more then.

But a five-some can be quite taxing, so the couple decides to divide and conquer.

While that blank state has something to it... I do prefer them to show pleasure when I put the little Dylan in!

As you wish, Master.

Enjoy it! Moan for me!

Oh, Yes, Master! You are fucking me so well!

And while Dylan is using two of the models for his pleasure, Lana has withdrawn with the red-haired beauty to the pool's plateau to enjoy some cunnilingus.

At least act as if my pussy was the most delicious thing you've ever tasted.

Oh, C'mon!  
You can do better than that!

Lana's point of view...

Hey, Dylan!  
Getting  
close?

Yeah!  
This one's  
a great  
fuck!

Let's finish  
together?

Okay!

moan

And so, under Lana's directions, the three models line up and kneel before their Master, ready for their next "shoot".

Oh, fuck!  
I'm close!

Let it all  
out!

Shoot your spunk  
right over their  
pretty model  
faces!

Groan

A little support here, slaves!

Beg your Master for his cum!

Groan

Oh, yes!  
Let it all  
out!

The image shows three nude female characters sitting on a wooden floor. They are all wearing dark brown bikini bottoms. The character on the left has brown hair in buns and bangs. The character in the middle has red hair in a high bun and is sticking her tongue out. The character on the right has dark hair. There are blue shadows of their heads on the wall behind them. Two speech bubbles are present: one on the left and one on the right.

Your spunk  
is delicious  
Master!  
\*gargle\*

Thanks for  
the cum,  
Master!

\*huff\* \*huff\*  
Oh, wow! That  
was awesome!

What do  
you think,  
hon?

My turn!

A woman with long brown hair is standing on a wooden deck next to a swimming pool. She is nude and has a shocked expression on her face. She is holding her right hand to her buttocks. The scene is set at night with some foliage and a building in the background. There are two speech bubbles and three onomatopoeic words overlaid on the image.

Oh, fuck!  
I love seeing  
girls covered in  
your spunk,  
love!

It turns me  
on sooo  
much!

rub

Now, it's not like Dylan programmed Lana to love the idea of squirting over other girls...

**Here I cum!**

**squirt**

But by making her like things he liked, share his fantasies and fetishes...

She just kinda turned out that way...  
But Dylan's not complaining. If anything,  
it's a feature of his awesome new  
girlfriend he can share everything with!

I love  
this girl!

Moan

Love you more!  
*chuckle*

I love you.  
Love you most!  
*giggle*

Eh...  
err.. I  
don't...

Next?

So, what  
next, hon?

Well, with all  
that power.  
You could  
candidate for  
president.

One ring  
spiced add  
and you'd win  
the elections  
for sure!

...

...

...

I'm joking  
you sweet  
dummy!

Why would  
anybody want all  
that responsibility?

When thanks to the  
rings we can take  
whatever we want,  
whenever we want!  
**Living a Carefree  
life!**

I love this girl!

What we have here, is perfect.

Don't change anything!

# The End

And so, Dylan enjoyed his happy ever after with his personally approved girlfriend Lana. With Vincent and Sayo in charge of handling major affairs in his harem, the desire to stay low and in general pretty low ambitions, Dylan has good chances to live his lewd life until the end of his days... 😊

Unless he loses both rings and deletes all copies of the video. But really, how dumb can you be?

**\*wink\***

# Thank you for reading!

Hello, Hexxet here,

And there we go. The Gift has finally concluded the way most readers wanted it to end. At least that's what I think you wanted to see. **Do you think Dylan deserves this win?**

The Gift has been quite a long journey. Thanks for keeping up with the comic and I hope I was able to bring the story to a satisfying end for you with either one of the **two Endings available**. 😊
