Hey, don't get rude Eric. Well... I thought this might happen ...

You can choose. Whilst one cupcake gives you what you want and our story ends, the other, you stay in Wonderland and I show you how much woman you can be...

Which one do you want?

That isn't fair!

Well...if you really want to be male again... choose!

You chose... poorly Erica...from your point of view. hehe

Soon... soon you will be the Girl of your Dreams.

Dumb and just made for sex. There never was a way back for you.

cringe

sigh
No! It needs time
to finish.

But...but...
you totally said...
you...meanie..
sniff

shriveled

Just a
Bimbo...

Finally...

You ask to many question! Maybe your IQ will get lower soon.

giggle
Thank you...umm...
what was I
like...saying?

Wow! You
look amazing Erica.
Those perfect

Torpedo Tits

Pillow Lips

and girlish
figur...

...absolutely
stunning! But nothing
is perfect. Your ass
is way to small...

You know...I was once
a man, like you. Harsh, just
loving myself.

Then i needed money, I
got involved into medical
research...and they...

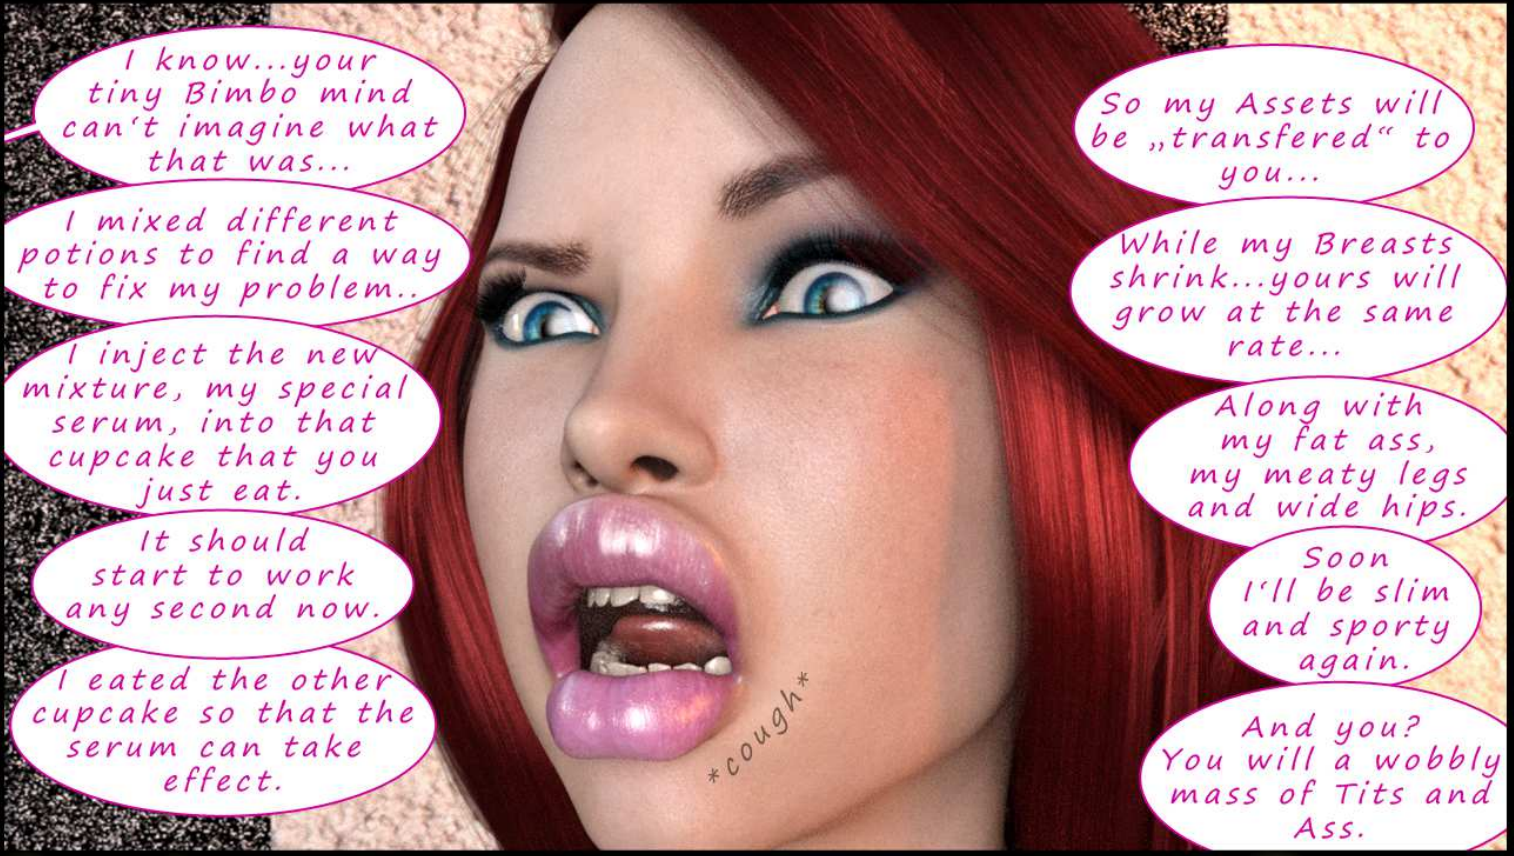

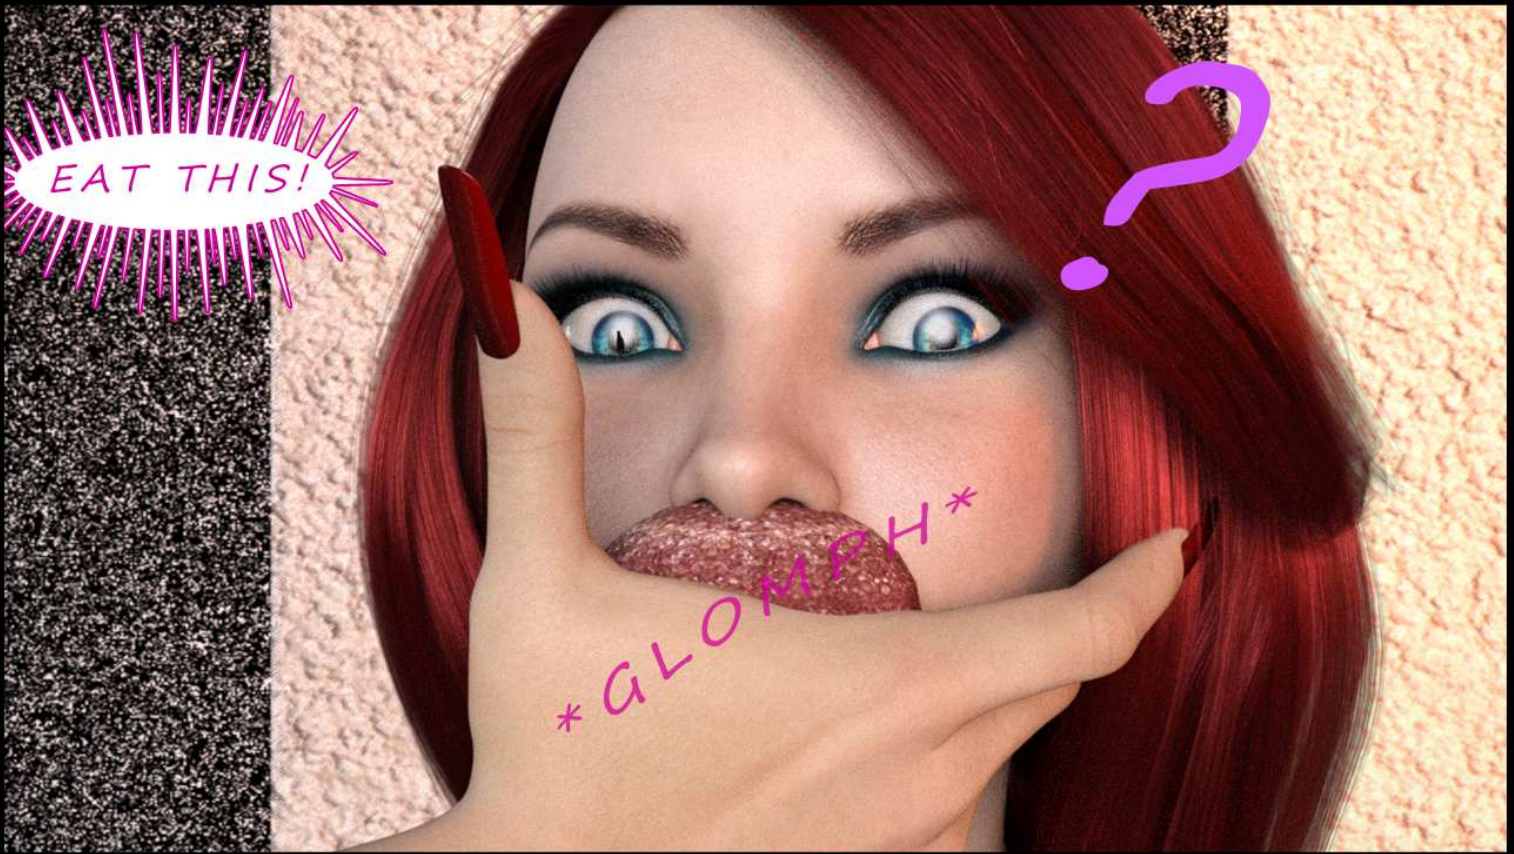

...transformed me into
a woman...by „accident“. Shortly
after that they offered me a new
job....as Captain for this
ship here.

I should help them to turn
cruel men into horny, sex crazed
woman...into Bimbo's. In
exchange I help them.

But the serum I once drunk
had a little side effect...Everytime
I react as I did as a Man, my female
curves expand...belive it or not,
I was just a B-Cup last year.

But...I found a
way...and you'll help me
whether you want
or not!

I know...your tiny Bimbo mind can't imagine what that was...

I mixed different potions to find a way to fix my problem..

I inject the new mixture, my special serum, into that cupcake that you just eat.

It should start to work any second now.

I ate the other cupcake so that the serum can take effect.

So my Assets will be „transferred“ to you...

While my Breasts shrink...yours will grow at the same rate...

Along with my fat ass, my meaty legs and wide hips.

Soon I'll be slim and sporty again.

And you? You will a wobbly mass of Tits and Ass.

cough

Look at me!
So stunning! My tiny
boobs are back and
my ass looks like a
human ass...
and not like a
horse !

I...i...
can't believe
that the serum
worked...

..Hmm
but your boobs
aren't growing
yet...why?

And now...I will show
you how to have some
fun as a girl, Bitch!

Like....yea!
Let's make
this a party!
YAY!

The End
