BY TSF AI

THE GREATEST COSPLAYER PART 2

Hey remember that I'm only wearing this so I owe you 1 less favor

Aww...
Come on Jake!
Don't be
so tight

Lets have
a lot of fun
together as
Asuna and
Karin!

I'm
sure you
just need to
get used to being
in a voluptuous female
body and then
you wont want
to take the
suit off

No way that is ever happening!
I love hot girls as much as the next guy

but that doesn't mean I want to stay in the body of a hot girl

Hey...
No need
to be like that...
I'm sure you
will enjoy
being in that
body

And
I'll let you
know that
there are a lot
of perks to
being a hot
girl

Sorry If I'm interupting... But could I take a few photos of you girls?

Huh?
No tha...
Of course!
Take as many as you want

Hey!
I didn't
agree to
this!

Come
on! There
is no harm
in getting
a few photos
taken

Thank you! Could I ask for some poses

It feels weird having people look at you and think you're someone else

Smile for the camera my dearest Karin

How is this for a pose mister~

IT'S PERFECT! THANK YOU SOOO MUCH!

I can't thank you two enough! I got so many great photos

Why did you agree to that! It was the most embarassing thing I've ever done

Oh
was it really?
It seemed
to me like you
were actually
a bit into
it

I... It...
It was... Just
you know...
I didn't want to give
him a bad photo
after he was
nice enough
to ask

Sure thing bestie

I need to use the restroom so feel free to look around without me for a bit

First he makes me wear this costume Then he forces me to pose for some photos... Then he leaves me alone like this!

I swear I'm going to give him a piece of my mind when we get home

No matter where I go I see a bunch of guys checking me out

Apart from fondling my own huge breasts... Where is the benifit to having this body

OMG!
I love your cospaly of Karin Kakudate!
You look just like her!

Huh?

Oh...
I'm sorry
if I caught
you off
guard

I just
couldn't
help but admire
how accurate
your cosplay
is to the original
character

A cute girl with nice curves... Long blonde hair Cute smile... Blue eyes... She's my type

Ohh... Erhh... It's okay don't worry about it

Really!
Thank you
so much~

Say...
It's a bit
embarassing
to ask this...
But if you don't
mind could I
walk around
the convention
with you?

Should I accept her offer... Or wait for Keitaro....

Ehhh... Sure... If you don't mind walking around with me I guess

Really!
Thank you
so much

I'll do
my best to make
sure we have
a great time
together

Lets go check out that booth over there first!

Meanwhile in the female restroom

Time to start phase 2 of my little plan to get Jake to owe me more favors

Good
thing Jake
was too distracted
to notice that I wore
another cosplay
underneath
the Asuna
cosplay

Hehehe
from one
bunny girl
to another

There is no straight man that can resists this body's charms

I can't wait to see his reaction when Erza starts flirting with him

2 hours earlier
at Keitaro's home

Keitaro sweetie~ I'm back home

Huh...
Seems like
there is no one
home at the
moment

AAHHH
What....
Is that...

It looks just like... Me? But why does it look so wrinkled and deflated?

Wait
I'm the only
one home
right now...

That means I don't have to keep up the facade for the moment

I've known all about his cosplays and how he ropes Jake into his pranks and ideas for a while now

To think he would even cosplay his own mother as well

Since
he isn't home
I assume he
probably forced
poor Jake to
go with him
to the convention
that is currently
happening

Well
if he wants
to walk around
cosplaying
his own mother
then it's
only fair...

...That
his mother
gets to cosplay
someone
else as well

I wonder what cosplay Jake would be interested in seeing

Spekaing off... I wonder if Keitaro managed to seduce him using this body

With curves like these it certainly wouldn't be too hard to pull off... Maybe I should give it a try in the future

I know
my dearest
Jake loves
a woman with
great curves
soo....

Let me try this one on first and see if it would be a good match

So far the bottom half seems to fit perfectly

Ahhh...
What a tight
fit around
the face

A few more slight pulls should do the trick perfectly

Ahhh...
The face feels perfect now and my voice is also different now

Lets take a good look at my new form shall we

Wow!
Now this is what I call mellons...
These things are HUGE

I could probably crush Jake's lovely perfect amazing head between these

AHHHH!
The thought of dominating him using this body... Ahhhhh...
I can't take it...
I WANT HIM
I WANT HIM
I WANT HIM

Phew...
Deep breaths...
I nearly
lost myself
to my own
thoughts

Maybe this body would be too intimidating for my dearest Jake

I guess
I will need to
keep thinking
about who would
be the perfect
cosplay to
use

I'm sure
I can find
a good use
for The Dahlia
cosplay in the
future

Lets see
I need someone
who is normally
not soo intimidating
but also very
attractive

In
that case
this cosplay
of Yor should
be fine...
Right

Arghh...
The face truely is the hardest part about wearing these cosplays

Come on just a tiny bit more and it should be good enough

Mmm...
I think that
was good
enough
to do it

Wow!
Not bad at all
she is not
as curvy as
The Dahlia...

But I'm sure that this body could easily send many men into a frenzy

AHHH!
With this body
I could easily
capture
Jake and hold him
captive until he
agrees to marry me!
I NEED HIM
I NEED HIM
I NEED HIM
I NEED HIM
I NEED HIM
I NEED HIM
I NEED HIM

It happened again... I need to keep my true feelings in check

Maybe this Yor cosplay isn't the correct choice either

Present time at the convention

Now I just need to find Jake again

His expression is going to be priceless when a super hot random Erza cosplayer starts flirting with him

It should not be too hard to spot a sexy Karin cosplayer

WAIT! Hold on you wearing that Erza cosplay

Huh... are you talking to me?

Yes!
And OMG!
You look
identical
to the real
Erza!

Huh...
A Lucy
cosplayer

Thats
right! Say
my friend got a bit
ill and I need
an Erza cosplayer
for a photoshoot
would you
be down
to help!?

Please!
I'm never
going to find
a better looking
Erza than
you... I will
do anything
if you
help me

Anything
huh...

Sure
I'll help you
with you
photoshoot
REALLY!
Thank you
soo
much!

At the other end of the convention

This is soo much fun! Look at all of these different booths

I'm also having a great time

Wait am I actually enjoying myself?

I do wonder if Keitaro is running around looking for me

Stop spacing out! Lets go see if we can find some Blue Archive merch!

Ohh... Erhh... Sorry about that

Nearby the restrooms

Soo many cosplayers with big boobs and butts

If
only I had
big boobs or a big
round butt
I could cosplay
soo many
characters

Huh

IT'S
A CORPSE!

What do I do? Should I call the police? Maybe security?

Hold on... There is no blood and... the body looks almost... Deflated

Surely this can't be what I think it might be

1 hour and 30 minutes earlier

Instead of someone alluring and very mature... Maybe I should use what I know about my dearest Jake

I know
he loves
cute girls with
long blonde hair
and nice
curves

Mhmm...
This Marin cosplay should tick all of the boxes

Come on stupid face... Align already!

This one is by far the most tricky one to align perfectly

Mmm...
Did it work?
Did I do it
right?

The voice sounds perfect... But I think I let go too fast... my face hurts

But
apart from
that one mistake
everything
feels right

Now
I look and
sound exactly
like Kitagawa
Marin

Hi Jake~ Say we should totally start dating you know!

Come
on don't be shy~
I'm sure you
want a cute and
sexy girlfriend
like me...
Right!?

Hmm...
That was
pretty good...
But I feel like
I can do
something
even better

Aha!
How come
I never
thought
about that
option!

Ahhhh~
I can already imagine it!
Jake will have no clue and I will get to be right next to him

I can already see it... I'll be soo close to him that I can smell his scent... touch his body and make him fall in love with me

Present time
at the convention

Thank
you for keeping
me company
I really enjoyed
myself

No
I should be thanking you for going along with my selfish request

regardless I hope we meet again at some point

I'm sure we will! I'll see you at some point bye bye~

Mhmm...
So this
really is a
costume...
It's soo tight
to wear

But
for some odd
reason it seems
to actually
fit over my
own body
perfectly

Huh...
Did I wear it right? Is it on properly?

Huh?
My voice...

HOLY!
My body...
My voice...
This view!

Real...
They feel
like real breasts!
I have real huge
breasts!

Woah!
I almost
fell forward...
They aren't
just huge...
They are heavy
as well

They won't stop bouncing when I walk

This is like a dream... I'm actually a tall sexy girl with huge boobs and a nice butt

So this is where you were

Huh?
Could she possibly be talking to me?

Don't ignore me and paly dumb!

You've probably been causing problems when I wasn't around

Wait!
She probably thinks I'm the owner of this crazy costume

Ohh...
Erhh...
I haven't done anything
I swear!

A few moments later at Keitaro's house

That went better than I could have hoped for

Even
though
he was wearing
that cosplay
It still felt
like him

Thanks to this body I managed to get close to him and he seemed to really be struggling to keep his eyes off of me

All thanks to this perfectly crafted cosplay

I will certainly put it to perfect use and make Jake fall deeper in love with me

Ahhh..
The look on his... Or guess rather Karin's face when I wrapped my arm around hers...
Ahhh the the ecstacy

Just thinking about it gets me excited!

Ahhh~
The possibilities
I now have
for getting
even closer
to him

Calm down... Let me not get too excited just yet

I need
to clean up
all of these
cosplays
I've used

BY TSF AI

Except for the one I'm still wearing of course~

To Be Continued?
