THE GREATEST COSPLAYER

Keitaro asked me to come over... He told me he had a "special" surprise for me

If I had to guess he is probably cosplaying some sexy character... Trying his best to seduce me again

Ohh!
H... Hi there
Miss.
Tanaka

Oh my~
It's lovely
seeing you
again Jake

Why does Keitaro's mother have to be soo beautiful and elegant... I need to stay focused

Miss. Tanaka I'm here to see Keitaro... Is he in his room?

Oh my~
how simply
thoughtless of me...
Of course
you're here
to see my dear
son Keitaro

It's okay
Miss. Tanaka...
I also loose
track of myself
at times
WAIT!
Does that mean
she thought I was
here to visit her instead!?
No that can't be true...
Right?

Ohh~
That is a real shame my dear...
Keitaro actually left not long ago...
Something about wanting to surprise you

That means... The only two people in this house right now are... Me and Yuna

GULP

Since my dear son is currently not home~

How about I keep you company instead Jake~

Ohh...
Erhm...
No it's okay
Miss.
Tanaka

I need to
keep my cool
I can't let
my own desire
take over

Aww~
Come on now it's just the two of us there is no need to be so shy~

They feel pretty big and soft right~

I...I erh...
Erhmm...
Ye... Yeah...
They feel amazing
to touch...
But is this not
wrong Miss.
Tanaka?

I can't believe
this... It's not like
I haven't touched
a pair of huge tits
before... But this
feels different...
Maybe it's the
situation?

What
a good boy
you are~
What
do you say
we get a bit
more intimate
and personal~

Wait is she suggesting what I think she is? But this makes no sense...

She's married and this is the first time she has ever acted this sensual around me

I'm so stupid! How did I not figure it out before

There is no way Yuna would act like this... It's you right...

KEITARO!
...

I see

SIGH

My cosplay should have been flawless
Maybe I got a bit ahead of myself

You had me fooled at the start... But why the hell did you choose to cosplay your own mother?

Phew...
You can't blame me for wanting to squeeze more favors out of you

Look
I know we have
the deal that says
"You use your
cosplay skills
to give me sexual
favors by becoming
different female
character"

And
in return
"you will owe
me 1 favor for
each sexual act
I give you"

Thats
right...
But next time
could you not
be your own mother...
I thought my
heart was going
to burst when
my hand grabbed
her breast

I'm honestly still surprised you managed to hold yourself back from making out with my mother

If it wasn't for the fact that I already owe you 4 favors...

So thats
the reason!
In that case
how about I use
1 of those favors
right now!

Sure!
I'll rather
get them done
so I don't
have to worry
about them

In that case my favor is that we cosplay together and check out the local anime convention!

I thought so! Fine go find some cosplays for us then

I have a few ideas so let me show you them one by one...

Then you can choose to skip the first 2 but you have to wear the 3rd option if you do that!

Yeah... Yeah... Just tell me when you're ready

Can
I open my
eyes yet?

You can open your eyes now

Wow!
Your cosplay skills will never not amaze me Keitaro

Thanks for the compliment sweetheart!

So...
This one will be you cosplaying Tifa and me as Aerith!

Wait!
I have to wear
the Tifa cosplay!?
No shot...
I'm not trying to
have every single
guy undress me
with their eyes
in that body

Thats
1 skip!
What a shame
I am sure you
would make a very
good Tifa
Lockheart

Time to close those bright blue eyes of yours again

Please god let the next two cosplays be something not as sexy!

So far
so good!
I knew he
would reject
this one

I am certain he is also going to skip the next one as well

You're taking your sweet time Keitaro

Hold on! I'm almost ready... I just need to adjust the face

Okay!
You can
open your
eyes again

Whats that matter... Has my beauty taken your breath away!?

You can't be serious Keitaro! Mythra is also way to sexy! I'll have guys asking for my number and if I'm available... Every single minute if I look like that

Aww~
Come on now
don't you want
to feel what
it's like walking
around with
these things
on your
chest!

Think about it... You can grope and touch Mythra's amazing body whenever you want

Also
if you skip
this cosplay
you have to
wear the next
one no matter
what it is!

Why do
I feel like
you planned
for this to
happen from
the start

I...I...I'll
Skip the
Mythra cosplay
as well

Ohhh

All acording plan

I see!
Thats pretty
brave of you

The last option is sure to blow your mind and make you regret your choices

Please just nothing too revealing or anything too sexy

Our cosplays are ready! You can open your eyes now!

Y...Yo..You
You can't
be serious!
I HAVE TO
WEAR THAT!

Hey
at least this
will be 1 favor
used and
1 less favor you
have to worry
about!

30 minutes later at the convention

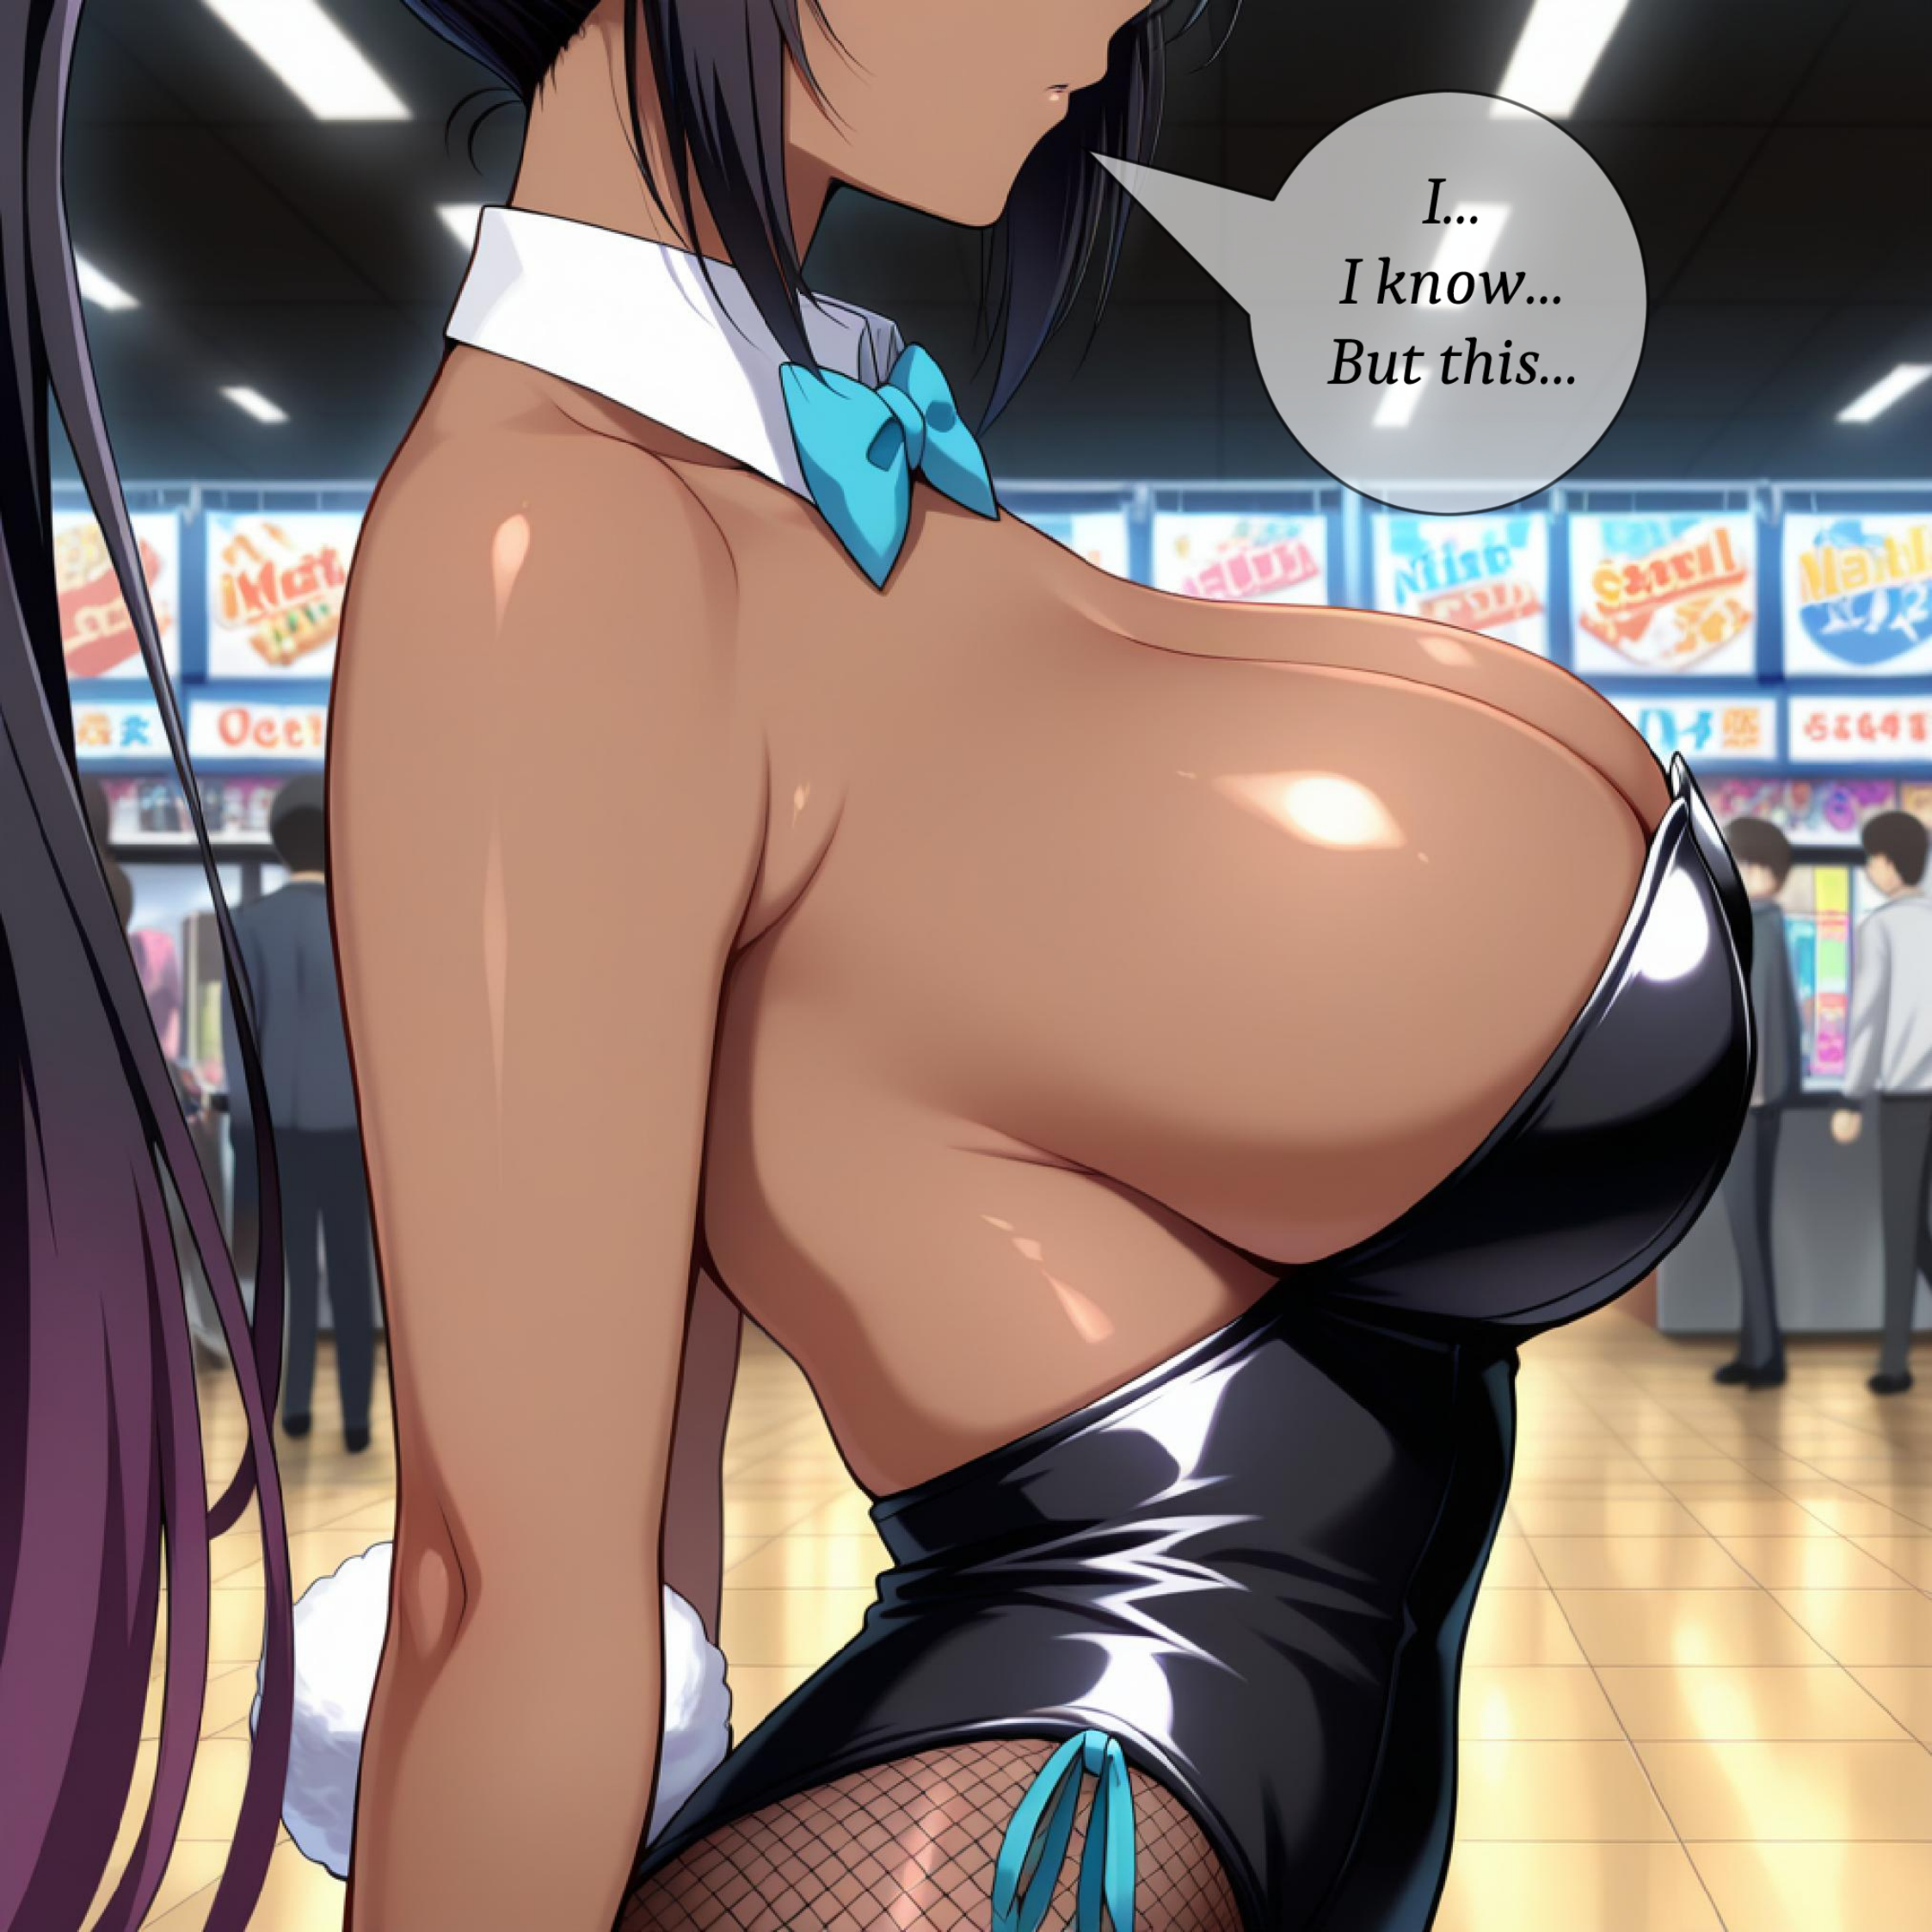

Wow!
There are
so many
people
here!

Come on now~ Don't be afraid to show off that body

You look incredible in that body Jake!

You should be more open and embrace your current body

Also
the skinsuits
I use for cosplays
have in-built
voice changers
so you have nothing
to fear about
others finding out
your actually
a guy!

I...
I know...
But this...

This...
This body...
This cosplay
it's just...

Way to revealing and sexy! I mean look at this ass for gods sake!

Not to mention these huge massive tits that are close to spilling out

I knew
I should have
picked the
Tifa Lockheart
cosplay

Aww... But you make the perfect Karin... Jake!
