

Halloween Night

I can't hold my human form any longer...

Damn, why does it have to be now

Damn, this body is so useless.

I' ll need to change to a  
new body after this

Huh?

Hmm? A man? Well, I guess I don't have a choice now.

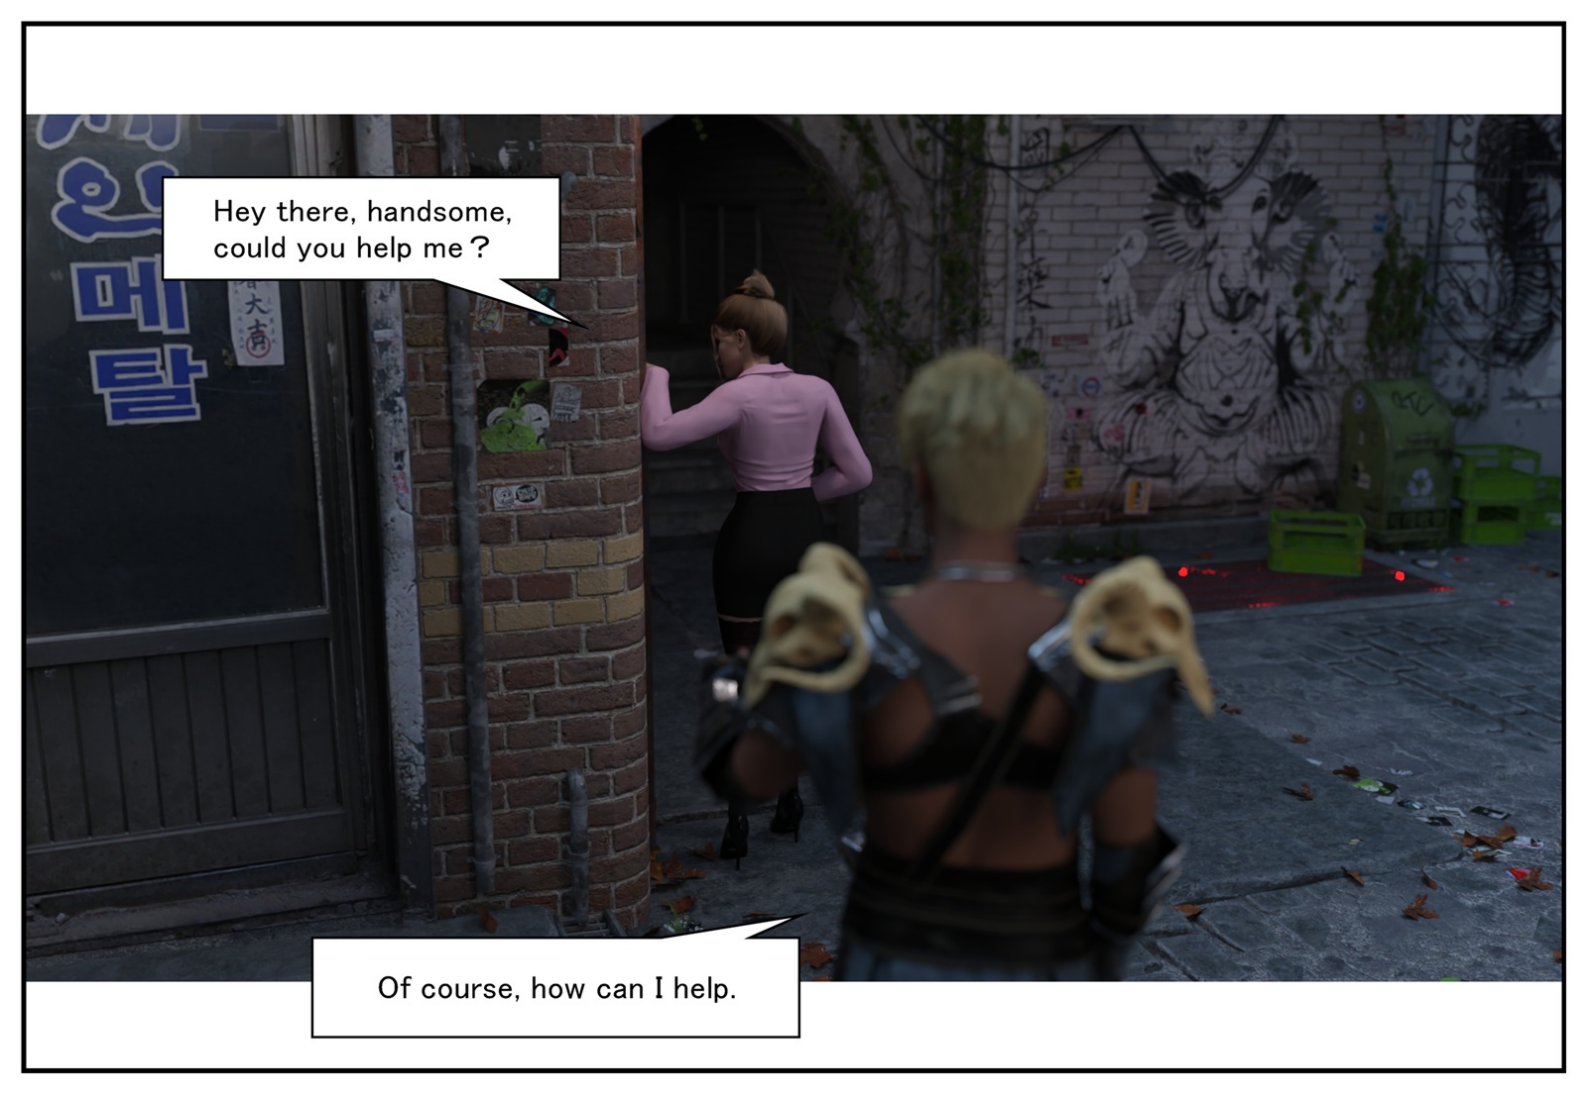

I can't wait to see what my dear will dress up as tonight.

Last time, she promised me she'd indulge me in some embarrassing play.

Miss, are you alright?

Argh... Huh? Miss, are you alright

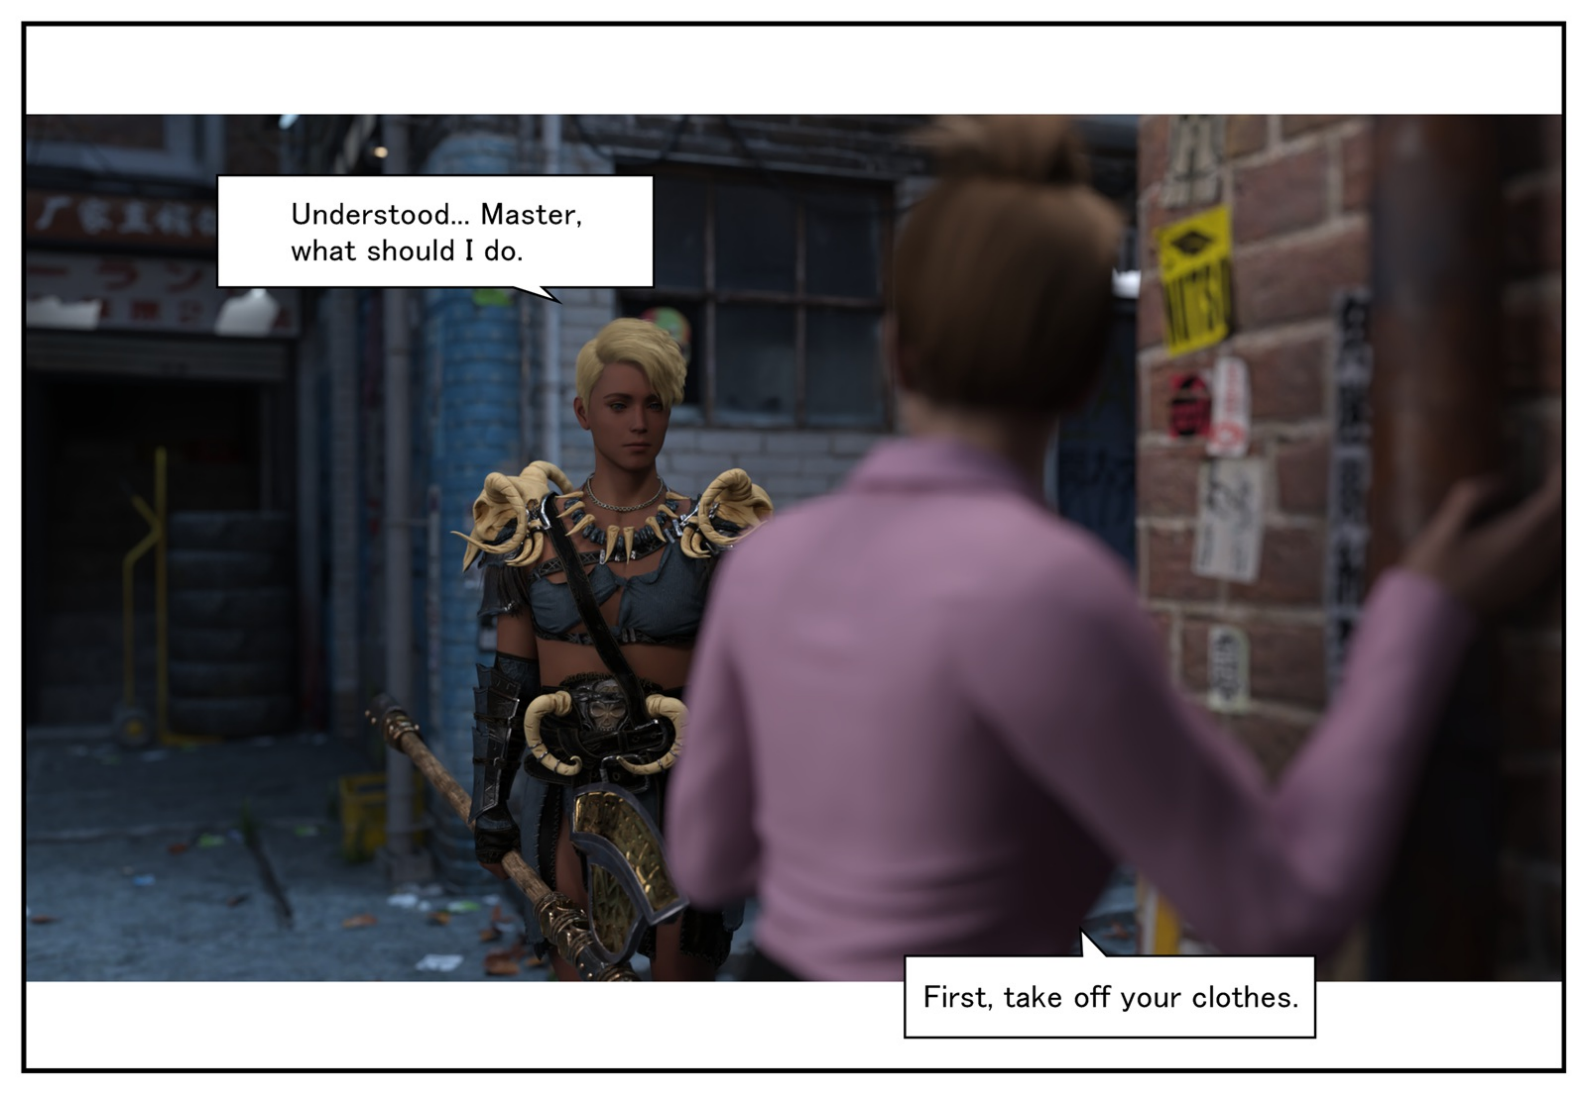

A woman with her hair in a bun, wearing a light pink long-sleeved top and a black skirt, stands in an alleyway. She is looking towards a man whose back is to the camera. The man has short blonde hair and is wearing a black and gold outfit with shoulder pieces. The alleyway has a brick wall on the left with a door and graffiti, and a wall with a large mural on the right. There are green recycling bins and some litter on the ground.

Hey there, handsome,  
could you help me ?

Of course, how can I help.

It's simple, just put me on.

A woman with short blonde hair, wearing a grey and black outfit with yellow horns and a sword, stands in a dark alleyway. She is looking at a person in a purple shirt who is seen from the back. The alleyway has a brick wall with a yellow sign and a window in the background.

Understood... Master,  
what should I do.

First, take off your clothes.

Next, it's simple, just enter my body.

Understood, Master, it's my honor.

Yes~ just like putting on clothes,  
start by putting on my legs.

Then my sexy hips. They're much bigger than yours, right?

Now, put on the rest of my body.

A woman with short blonde hair and blue eyes, wearing a light pink, long-sleeved shirt that is open at the chest, stands in the foreground. She has a serious expression. Behind her, a woman with brown hair tied up in a bun leans her head against the blonde woman's shoulder. The background is dark and blurry, with a brick wall visible on the left. Three speech bubbles are overlaid on the right side of the image.

Can you feel it? We' re merging.

The color of our skin is becoming the same.

My chest is about to become yours.

Yes, haha, keep going~~~

A woman with blonde hair, wearing a light pink coat, is shown from the chest up. She is looking upwards and to the right with a slight smile. Her hands are near her neck, as if adjusting a dark turtleneck. The background is dark and textured. A white speech bubble is positioned in the upper right corner of the image.

Put on my face! Become me.

Ah~~~ Looks like we've finally merged into one.

So, I have a little  
girlfriend waiting for me.

Halloween party venue.

What's up with him? He's taking forever to show up, and I got stopped by several people outside for photos.

A woman with red hair and horns, wearing a black, shiny, low-cut top and skirt, stands in a room with large windows. She is looking slightly to the right with a neutral expression. Her hands are raised near her chest. In the background, there are large, dark red, wing-like structures. A speech bubble is positioned in the upper right corner of the image.

He insisted I dress up like this  
tonight, cosplaying a succubus...  
It's so embarrassing...

Cosplaying as a succubus is one thing, but he even wanted me to do a "femboy" succubus! He was so serious about it, making me wear these fake dick pants thing! Unbelievable! If I hadn't lost that bet with him last time, there's no way I'd be going out wearing this!

But this dildo pants are a bit too realistic...  
Even though I know it's fake, having it show  
like this is just so embarrassing.

But is he coming or not! This is just too embarrassing.  
I can't wait here any longer. I need to go back.

On the way home.

(Damn it, why is there someone on this street at this hour, and it's a girl. I hope she doesn't notice the fake bulge under my skirt.)

Hey, darling, your little demon outfit really suits the mood tonight.

Th-thank you... Your costume  
is pretty impressive too.

Wow, you even dressed up as a futanari.

No... I didn't choose this on purpose.

Don't be shy.

But your dildo doesn't look real enough, let me help with that.

Wha... this thing is merging with my skin?!

What did you do?!

Just giving you a taste  
of being a real futa succubus.

Oh my god!

Why can I feel the skirt resting on it?

Oh, darling, of course you can feel it. After all, it's now a part of your body.

Th-this can't be! How could I actually grow... that?

You can touch it if you don't believe me.

Ah~ is this... the feeling from glans?

Looks like your new dick is very sensitive. Want to try putting it in?

That's right, come a little closer.

A woman with blonde hair tied up, wearing a purple long-sleeved shirt, is leaning forward. She has a speech bubble above her head containing the text "Ah" flanked by two small black icons. The background is a blurred outdoor setting with wooden benches and greenery.

Ah

This... feels so good.

Yes Move a little faster

This sensation... it's incredible.

A 3D rendered character with red horns and wings, wearing a black and red outfit, with a speech bubble. The character has red hair, yellow markings on her face, and is wearing a black choker and a black and red bodysuit. She is standing in a dark, outdoor environment with a wooden bench and some greenery in the background. A speech bubble is positioned in the upper right corner of the image.

Ahaha, I'm about to cum...

M—my skin, what's happening to it?

Heh, heh, how does the new body feel?

You... why did you turn into me? What happened...

That's right, darling, we've swapped bodies.

Now you' re a genuine futa succubus.

That's right, now take some time to fully experience your new body.

Ahhh, my dick...

A woman with her hair in a bun, wearing a light pink long-sleeved top and a black skirt, is embracing a character from behind. The character has red horns, a red mask, and large, dark red wings. They are standing on a dark asphalt surface next to a concrete curb and a grassy area. A wooden bench is partially visible in the bottom right corner.

• Ahhh • the sensation •  
• move faster • it feels amazing •

Getting to play with your former female body like this is pretty thrilling, isn't it?

☞ Ahhh ☞ The body of a futa succubus feels incredible ☞

A 3D-rendered devil character with red horns, glowing orange eyes, and large red wings is kneeling on a dark park bench. She is wearing a black and red outfit with gold accents. To her left, the lower legs and black stockings of another person are visible. The background shows a park setting with trees and a wooden bench.

Does this mean I' ll have to stay like this forever?

Of course not...

A woman with her hair in a bun, wearing a pink long-sleeved blouse and a black skirt, stands with her hands on her hips. She is looking down at a small, red-skinned dragon-like creature with horns and wings. The creature is looking up at her. The background is a blurred outdoor setting with trees and a bench.

To keep this form, you'll need to sustain it with magic, and that magic, of course, comes from absorbing energy from human bodies. If the magic runs out and isn't replenished in time, you won't be able to maintain a human form.

What will I turn into then?

Ah, sorry, I forgot to mention, you were already close to running out of magic today, and after just releasing twice more, you're likely about to revert to your original form.

Th-this feeling... it's unbearable.

Ahhhhh...

In this state, you have no reason,  
only a slave to lust.

Ugh, flesh... I need...

Better find a way to replenish your energy quickly to turn back into human form, or else if those demon hunters find you and send you back to hell, that'd be a disaster.

But, well, today is Halloween, so maybe it won't be so easy to get noticed. Good luck.

A woman with her hair in a bun, wearing a pink long-sleeved shirt, stands in a park at dusk. She has a thoughtful expression, with her hand near her chin. In the background, a dark, winged creature is flying in the sky, illuminated by a street lamp. The scene is framed by a white border.

Heh, heh, Halloween... how interesting..

.The End.
