

Thank you all for coming.

A woman with long, straight blonde hair and glasses is shown in profile, looking at a tablet she is holding. She is wearing a light-colored, long-sleeved top and a matching skirt. In the background, another person is visible, slightly out of focus. A yellow speech bubble is positioned above her head, containing text.

I will report to you heroes about crime incidents that need your attention.

Thanks to heroes and hero government's efforts, the city's crime rate is dropping significantly. However there are some major incidents that require your attention.

You're talking about the pig men going ballistic. They're just level C villains but they caused some serious disturbances in the city.

Yes. The pig man gang create serious public security problems that make lay people to lose faith in the hero government.

The higher-up presses us to fix the problem soon.

It's a very tricky problem. The pig men who have special magic circles, even normal level A heroes can't deal with them.

Many level B and A heroes allegedly lost to them. Holy light Charlotte, right?

Yeah. They're tough opponents. They would especially take innocent people hostage, which makes me very hard to strike them.

Even the holy light Charlotte considers them are difficult to deal with. It seems that pig men incidents can not be resolved by a single level 5 hero.

We need to analyze all the information we have and find the way to destroy them once and for all.

The pig men are just level C villains. Their bodies are easy to defeat, the body swap magic circle is the problem.

If a hero doesn't have a certain level of magic resistance or item, he or she is powerless in front of the special magic circle.

For example, Iron fist Myron, a level A hero who is good at physical attack is totally useless and he's in danger of superpower taken away.

The best case scenario is that we form a strike team around Charlotte. Her 100% magic resistance shield can defend the special magic circle's attack.

With some functional magic arts and aid heroes, there's no way to lose.

Even pig men absorbed a few level A heroes' superpowers, in the face of overwhelming force of level S heroes, they don't stand a chance.

Hi. What are you guys so seriously discussing?

? !

Little girl. We're talking business. Leave us alone and play somewhere else.

Well. The assassin,  
you're so tedious  
as always.

Take it easy. It is  
not a big deal!

Hi~veterans!  
Thanks for your  
future guidance.

Despite her young  
appearance, she is a  
level A hero named  
“phantom girl”.

She’s very capable  
and cute. That’s  
why I invited her!

...

Night wing, I don't think that she is old enough to cope with the mental pressure of high intensity combat.

There's nothing to worry about. All you level S heroes are here, there's nothing to be afraid of. Come on guys, let her join us.

Uncle assassin, I won't hold you back. Just give me a chance!

A character with dark hair and purple glasses, wearing a futuristic silver and gold suit, is talking to a blonde woman. The character is looking at the woman with a slight smile. The woman is looking at the character with a concerned expression. The background is a blurred, futuristic setting.

My superpower is very useful. I just showed up but you didn't notice my presence, right? Am I right, elf sister?

Ah. I didn't notice your presence. This's a very exceptional superpower. However our mission is to fight the tough pig men...

Young lady, are you ready to fight those cruel villains? They won't show any mercy.

Don't worry, sister. I know how to handle the body swap magic circle from last time I came across pig men.

I will protect the strike team members and kill all pig men. I say we allow her to join our operation.

Since Charlotte said so, fine. I have no reason to oppose it.

Yeah. Thank you, Charlotte sister.

Ha ha. Are you sure to call the elf "sister"? You should call her "grandma"!

Show some respect to the elves' royal bloodline. They aren't normal heroes.

Huh? They look so young!

Holy light Charlotte and her people have watched over humans for centuries.

Elves are so longevous almost close to eternal. They have accumulated so much wisdom and power to secretly protect humans against the undead and villains.

If there was not an elves' royal bloodline, mankind would probably already took over by the alien species.

Ok. Time to move on from the boring subject.

You're in my mansion, I will show you my collection...

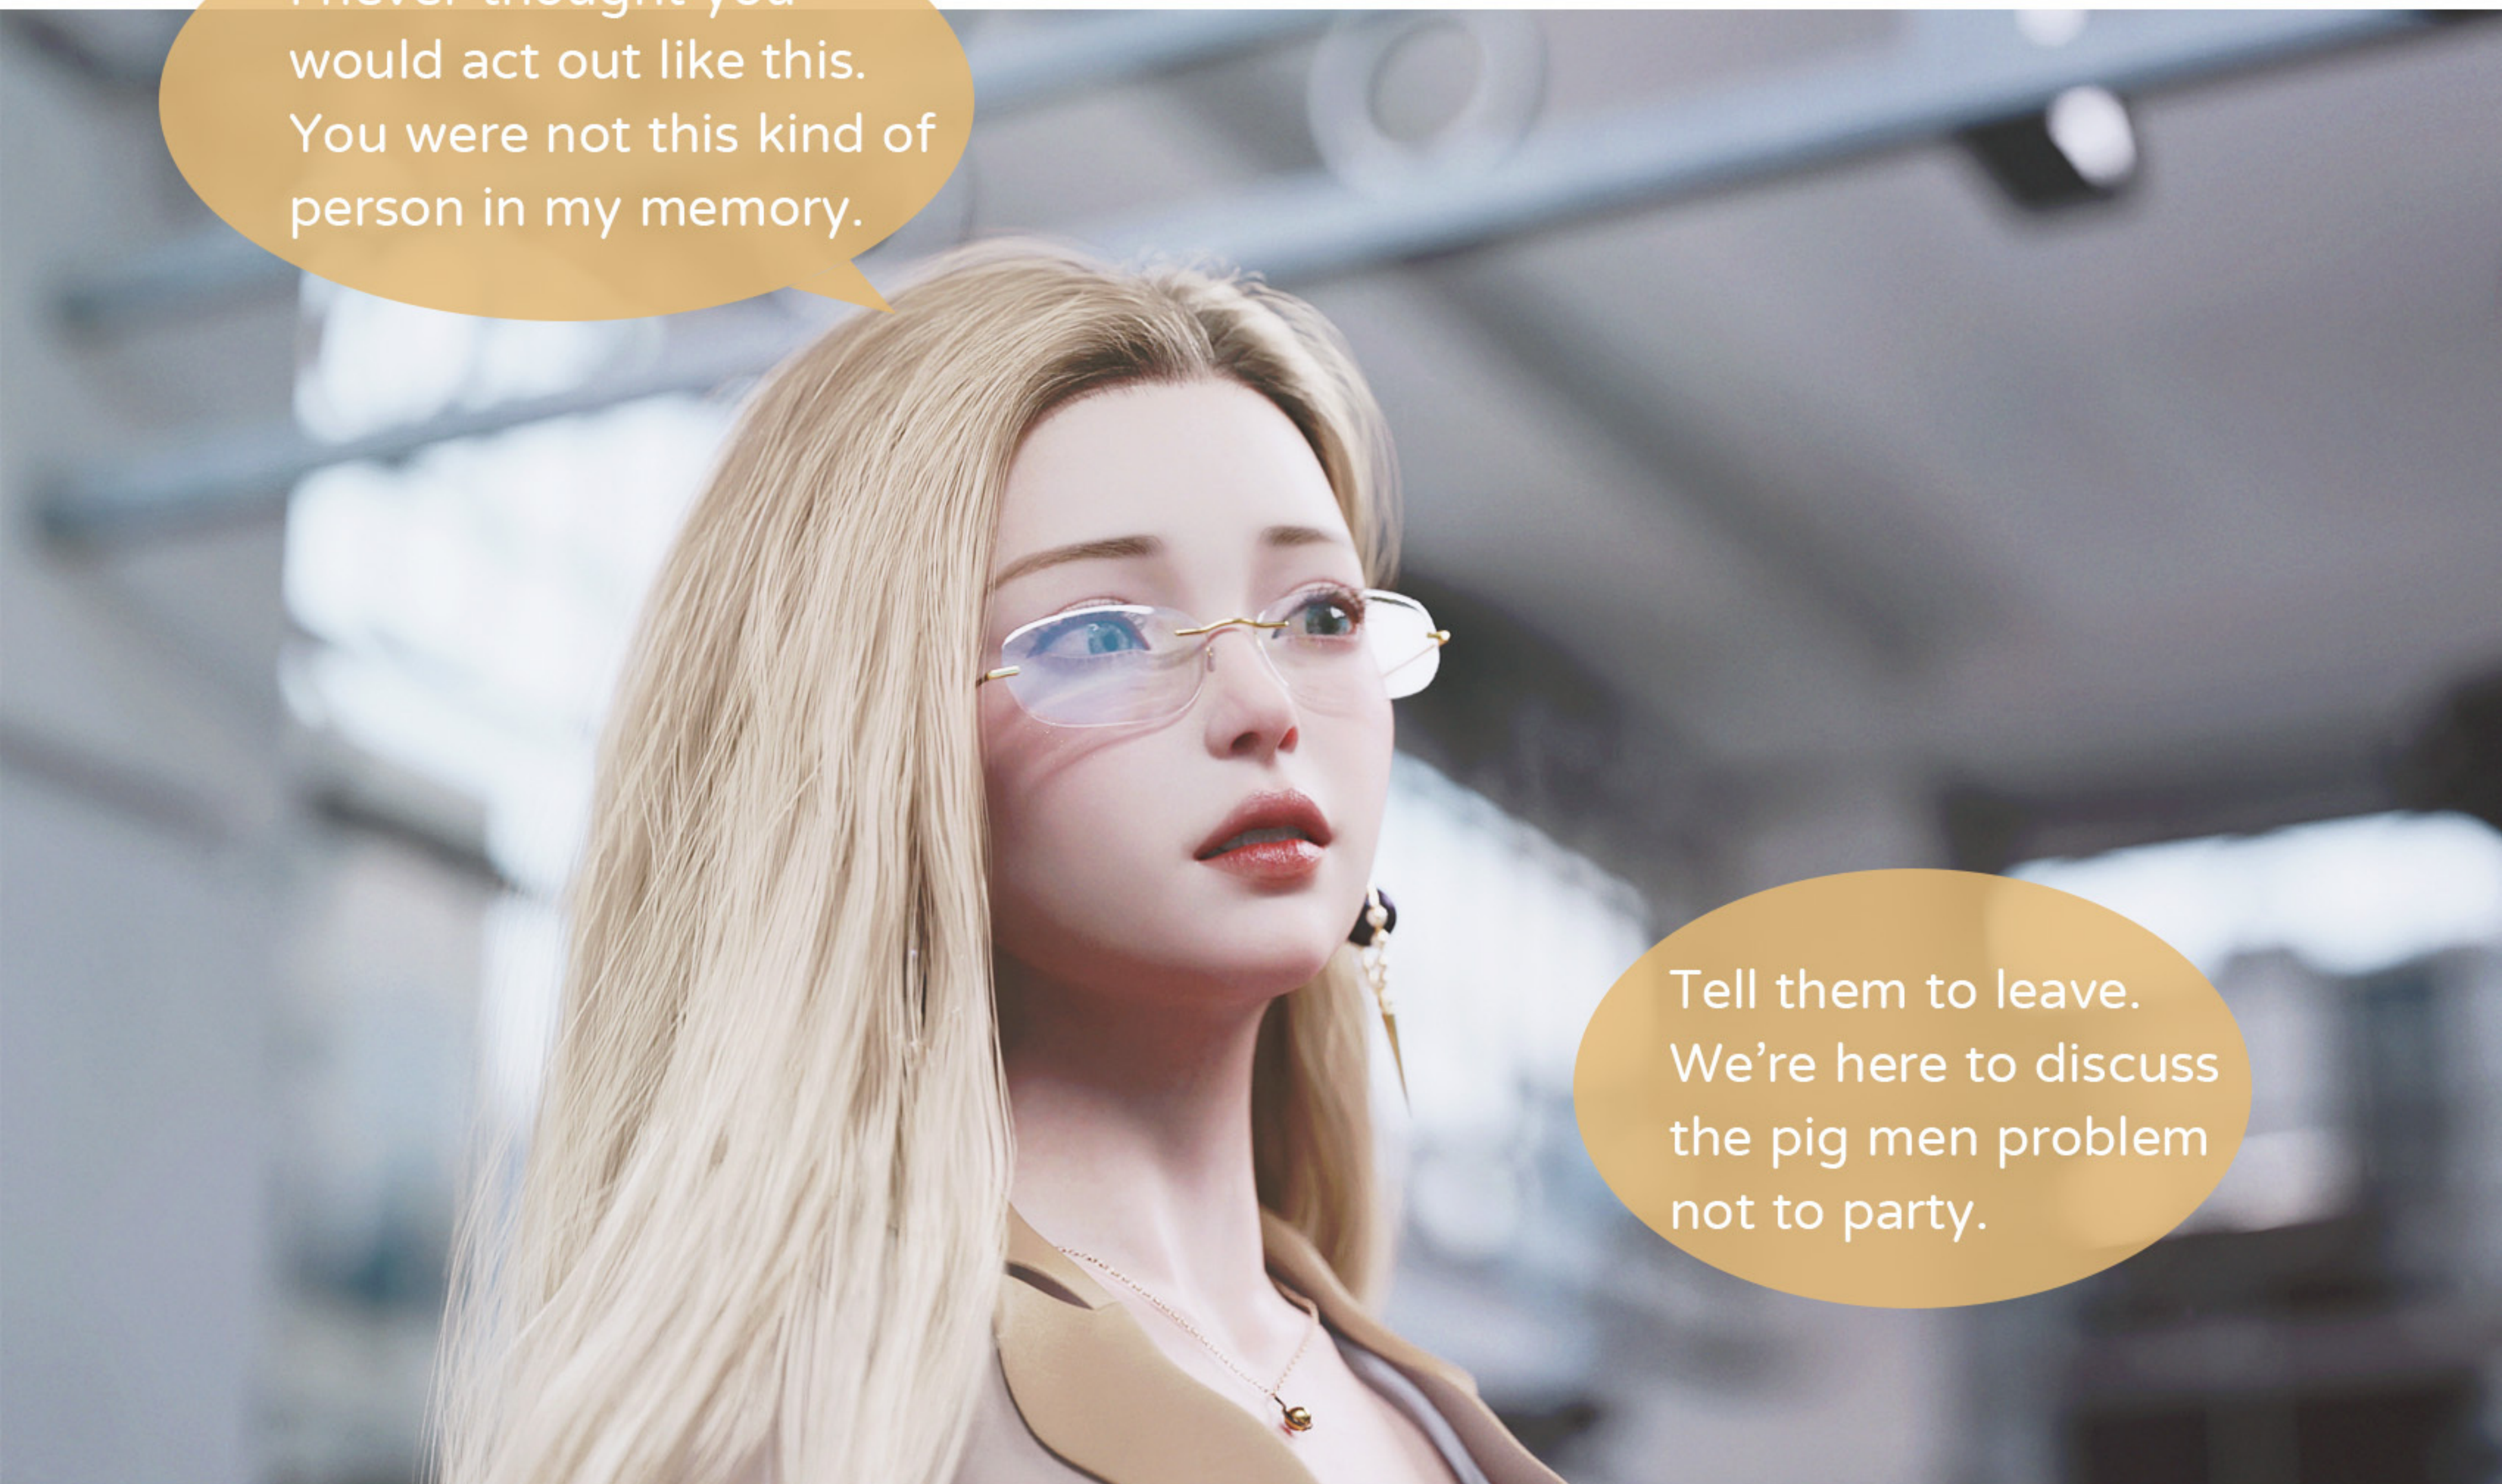

The image features two identical female characters standing side-by-side in a poolside setting. They are dressed in black and white maid uniforms, including a black crop top with a white ruffled collar and cuffs, a black belt with a silver buckle, a white apron with a ruffled hem, and a black skirt. They are also wearing black high-heeled shoes and have blonde hair styled in an updo with a white ruffled hair accessory. The background shows a modern building with large windows and a pool area with lounge chairs.

My personal maids!

These girls are my handpicked. They're curvy, tall and gorgeous.

Since we're old friends, I will order them to serve you.

I never thought you would act out like this. You were not this kind of person in my memory.

Tell them to leave. We're here to discuss the pig men problem not to party.

You're too serious.  
You Only Live Once.  
What's wrong with  
having some fun?

Opps. I forget you elves  
who can live forever so  
you can not comprehend  
short-lived animals.

Ah. They're too hot.

I can't take it anymore.

Those curvy breasts...

sexy butts and  
breathtaking legs...

plus the maid  
uniforms and  
black stockings...

Ah. My cock...  
cock is erecting!

The shape is too  
noticeable. They will  
find out my anomaly.

The skirt will be lifted. My pig man penis is too big.

I must...must find a discreet location to blow off steam.

A character with short dark hair and purple glasses, wearing a futuristic silver and gold outfit, is speaking to a man whose face is partially visible on the right. The character has a surprised or grateful expression. The background is a blurred outdoor setting with white columns and greenery.

Thank you, Charlotte.  
I really appreciate you  
standing up for me!

And I want to tell you  
that you have been  
my icon for a long  
time. I really like you!

Sister, I'm grateful  
that you like me  
but...

I need to take care of  
some urgent business.  
You can discuss this  
without me.

Huh? What happened to Charlotte?

How about I secretly follow her?

They almost found  
out. That was close.

My god damn older brother changed me into this. I'm so mad about this.

I was this close to get rid of being a pig man and pretend to be the holy light Charlotte.

# Magic Circle!

I really can't understand why my older brother is so obsessed with being a pig man?

What...what are you doing?  
My noble body...

Why not take the chance to get rid of the bottom class's life and become "the one percent"?

Oh my god. My pig man's cock is getting bigger!

My clothes can't cover it. The bulge is too obvious.

Now I have to masturbate...

I guess the only way to make it soft is cumming.

It's so gross.  
There's a filthy  
thing attached to  
my noble body.

I want to remove it so  
bad. However there's  
no other way than my  
older brother's body  
swap magic circle.

Ahahah! It's so tight. My dick is bursting out from my clothes!

Enlarge!

I feel so disgusted and so comfortable. The pig man's sexual desire is never-ending.

Sister Charlotte?

Are you ok?  
What happened?

? !

Phantom girl!  
Why are you here?

Please leave and  
don't look at me!

What's that in your private parts?!

Why do you have that thing?

A woman with blonde hair, wearing a form-fitting, light pink, high-necked dress with a high slit and horizontal cutouts on the side. A large, realistic-looking red phallic object protrudes from the side of her dress. She is standing in a modern interior with a wooden bench, a potted plant, and a large window with string lights. A speech bubble is in the top left, and another is in the bottom right.

Well well well. You saw my secret that leaves me no option.

You get what you deserve.

It's a villain's penis.  
Did a pig man do  
something to  
Charlotte...

No. I must tell this  
to the assassin....

Sink

The level S heroes  
can save the real  
Charlotte.

Wait and see,  
pig man! You will  
be punished!

The victory belongs  
to the justice side!

Oh. It's the superpower that can pass through solid objects. How convenient. No wonder they call you Phantom girl!

However, do you really think that you can use some small tricks to escape from me?

Bang!

Ouch! Let me go!

Your response speed is too slow to allow you to activate superpower to dodge my suppression.

You're still too young and lack experience. You underestimated the grim reality of battle!

However, you showed up just in time. The pig man is easy to lose control when he is in rut.

Weep. Please... don't.

I can use your body to calm me down.

What a delicate and cute body! My pig man cock has not taste such a wonderful human body.

Take off your panties and show me!

Take it off!

S...stop or I will shout!

A close-up photograph showing a hand pulling a hair out from a person's head. The hand is on the left, and the hair is on the right. The background is blurred.

Grab!

A purple starburst shape with multiple points, containing text.

Ah ah ah! Ouch!  
Ah ah ah!

A woman with long, wavy blonde hair, wearing a white, form-fitting, sleeveless bodysuit with thin brown straps across the back, is holding the hair of another woman. The second woman has short, dark hair and is wearing a purple, textured, short-sleeved top. She has a surprised or pained expression. The background is a blurred indoor setting with warm, glowing lights.

If you call for help,  
I will make you disappear  
before they come to  
recuse. You had better  
believe that.

Weep. I'm hurted.

You had better  
shut up and obey  
me. When I done, I  
will let you go.

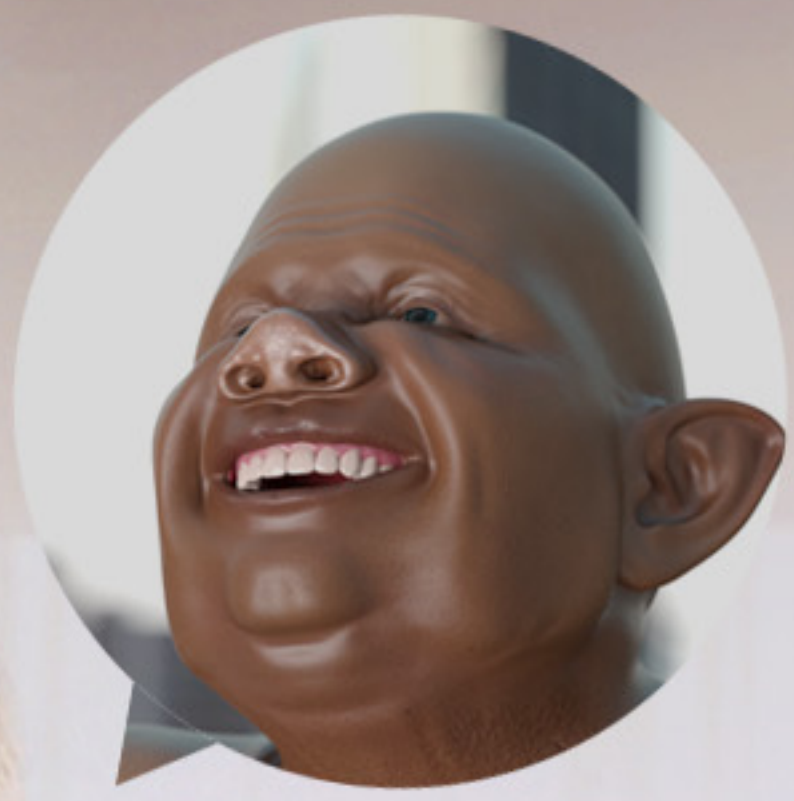

Insert!

Ah. Your pussy is so tight! Are you still a virgin?

Cover

My enormous cock must hurt you but I will not allow you to scream.

How do you feel? It must be great to be fucked by such a big penis and belong to your icon Charlotte's body!

Slap! Slap!

You should be happy!  
Why the long face?

Ah ah. I'm...I'm reaching climax!

No one can resist the pig man big cock! The villains' dicks are much larger than humans'.

Ha ha ha. I'm gonna  
fuck you up!

Slap! Slap!

Take my pig  
man's sperm!

A close-up photograph of a woman with long, wavy blonde hair. She is looking upwards and to the right with a playful expression, sticking her tongue out. She is wearing a light-colored, sleeveless top. The background is blurred, showing some greenery and a person with dark hair.

Make me a whole  
bunch of pig man babies!  
The pig man sperm is  
very fertile!

Please don't  
cum inside! No!

Huh! My younger brother,  
as long as you have pig  
man's genitals, you will  
never become the real  
holy light Charlotte.

I will make you  
remember the pig  
men's glory!

Ah...ah...

Ah...ah...

A 3D rendered woman with long, wavy blonde hair, smiling and looking towards the camera. She is wearing a light pink, form-fitting, high-cut bodysuit with a large, protruding phallic object from her chest. The object is white and pink, with a realistic, fleshy appearance. She is also wearing dark brown, multi-strapped high-heeled sandals. The background is a blurred indoor setting with wooden paneling and a white wall.

Ah. I have not cummed so good for a long time. It's so great to get these "benefit" because of Charlotte's identity.

I can just live this way. I don't have switch back my genitals but my colossal cock is very difficult to hide.

A woman with blonde hair in a bun, wearing a light pink, form-fitting, backless dress with a high collar, stands with her hands on her hips. In the background, a woman in a metallic, futuristic bodysuit with purple and gold accents lies on her back on a wooden rug. She is wearing black thigh-high stockings and high-heeled shoes. The scene is set in a modern, brightly lit room with a white floor and a potted plant in the background.

The Phantom girl...  
I can just keep her as  
my sex slave.

I can make love with  
her and keep her  
from spilling my  
secrets to heroes.

Happiness is so short-lived. Time to conceal my dick.

The method is kind of deliberate...

I summon the holy light! Charlotte's holy light can suppress any unclean things.

Slap!

Ah. My appearance  
is so perfect.

A woman with large, white, feathered wings stands in a bathroom. She is wearing a black and silver, form-fitting outfit with intricate details, including a high collar, a bra-like top, and thigh-high boots. She has a silver headpiece with horns and is looking towards the camera. The background shows a white tiled wall and two black toilets. A pink speech bubble is positioned in the upper left, and another pink speech bubble is in the lower right. A purple object is visible in the bottom left corner.

After I used holy light to transform, I always feel so powerful and pleasant.

The sexy and dominant image fits me, holy light Charlotte.

My despicable lust is now under control. My pig man's cock isn't erecting but it still makes a huge bulge.

Press down

I have to use the elf's strong muscles to clamp and hide it.

Oh. It's perfect now.  
It's quite hard to  
clamp all the time.

The bulge disappeared.  
Now they will be none  
the wiser.

Ah ah. I'm so noble and elegant. Since I became Charlotte, I feel refreshed everyday.

I can live for hundreds of years. I don't want to be a species whose lifespan is only a few decades.

Time to wake up, sis. It's time for us to go back.

But I...

You had better behave. If you try tip-off them, I will fucking kill you.

The image features two anime-style characters with large, detailed white wings. The character in the foreground is a woman with short black hair, wearing a futuristic, form-fitting suit with a metallic silver and gold color scheme. She has a high collar and a visor-like element on her face. The character behind her is a woman with long blonde hair, wearing a similar but more revealing metallic suit with a high collar and a crown-like headpiece. They are standing in a modern, well-lit interior with a marble floor, a large black bowl, and a wooden bench. The background is filled with warm, glowing lights.

Act naturally. I don't want them to notice anything strange.

I...I know.

Good. Obey me and don't try anything stupid!

I'm back. Sorry for leaving so long. Let's carry on the discussion.

Oh. It's fine. You must have some emergency. It's ok.

But I can't help to notice that you summoned the holy light and transform. Is there any trouble? Maybe we can help.

Oh. It's nothing. I just sensed something unusual and raised the alarm.

...

Charlotte, you always handle all the problems on your own.

Sometimes you can divide some work to us. After all, we're your partners!

Thanks for your  
advice.

Let's finish the meeting.

Huh? Where's the  
Night wing? Where  
is he?

Forget about him.  
He probably went  
back to his mansion  
and party.

Well...

A man in a Nightwing costume is sitting on a white couch. He is wearing a black and blue suit with a mask. Three women in black and white maid outfits are sitting around him. One woman is sitting on his lap, another is sitting next to him, and a third is sitting in front of him. The background is a dark, marbled wall with vertical light strips.

The night wing may look like a cynic now, he used to be a hardworking and serious hero.

He lost his partner and master in a very fierce battle with villains.

He probably became a playboy to escape the trauma!

A woman with long, straight blonde hair, wearing glasses and a gold blazer, is holding a black tablet. She has a serious expression. The background is a blurred indoor setting.

What a poor boy. The achievements of his family to use mortal bodies to achieve level S hero status are very remarkable.

All the powerful combat skills and equipment can not fix the mental trauma!

This is the major difference between humans and elves that humans have to suffer sickness, old age and death in relatively short lifespans.

Ah ah ah! HELP!

Let me go you,  
son of bitch!

If you don't let me  
go, I will fucking  
punch you to death.

Oh. So you want to kill you? You can try!

I won't stop.  
It's payback time!

Ah ah ah!

Stop Night wing!  
This is way out of  
line! This is not  
what a level S  
hero should act!

Holy light Charlotte is  
here. We don't allow  
this kind of behavior!

Ah ha ha ha!  
Stop me if you can!

He abuses me for so  
long, you didn't show  
up to help. Get down  
your high horse!

This is odd.  
Something isn't right...

What the night wing  
is saying doesn't make  
any sense. There's no  
way that a maid can  
kick his ass.

There's something wrong!

He he. My younger brother's situation awareness is as sharp as ever.

Me being his older brother is so happy.

What...what are  
you doing?  
My noble body...

On that fateful day,  
I switched the pig  
man's penis to your  
new body...

You left the pig man  
gang and defected to  
the hero side as  
Charlotte.

You broke my heart...

I...I don't know what  
are you talking about!

I'm not some pig  
man brother! I'm the  
holy light Charlotte!

Are you still indulging in unfounded vanity and superiority?

Magic circle!

No problem. As your older brother, I will use the force to destroy heroes and bring you back to the pig man gang.

A close-up photograph of a hand holding a glowing, golden-yellow orb of light. The hand is wearing a silver watch and a gold bracelet. The background is blurred, showing a person's arm in a white sleeve and a pair of sunglasses. The overall scene is bright and ethereal.

I won't allow it!  
You're just a level  
C villain! Don't be  
so arrogant !

Summon holy light!

Woo ah ah!

Slap!

Huh. I already predicted your moves.

Your magic circle is useless in front of my 100% magic resistance shield!

You're more capable than I expected. You took out the shield faster than I thought.

I expected to use the magic circle to finish you all.

!...! remember! No wonder the maid's face is so familiar.

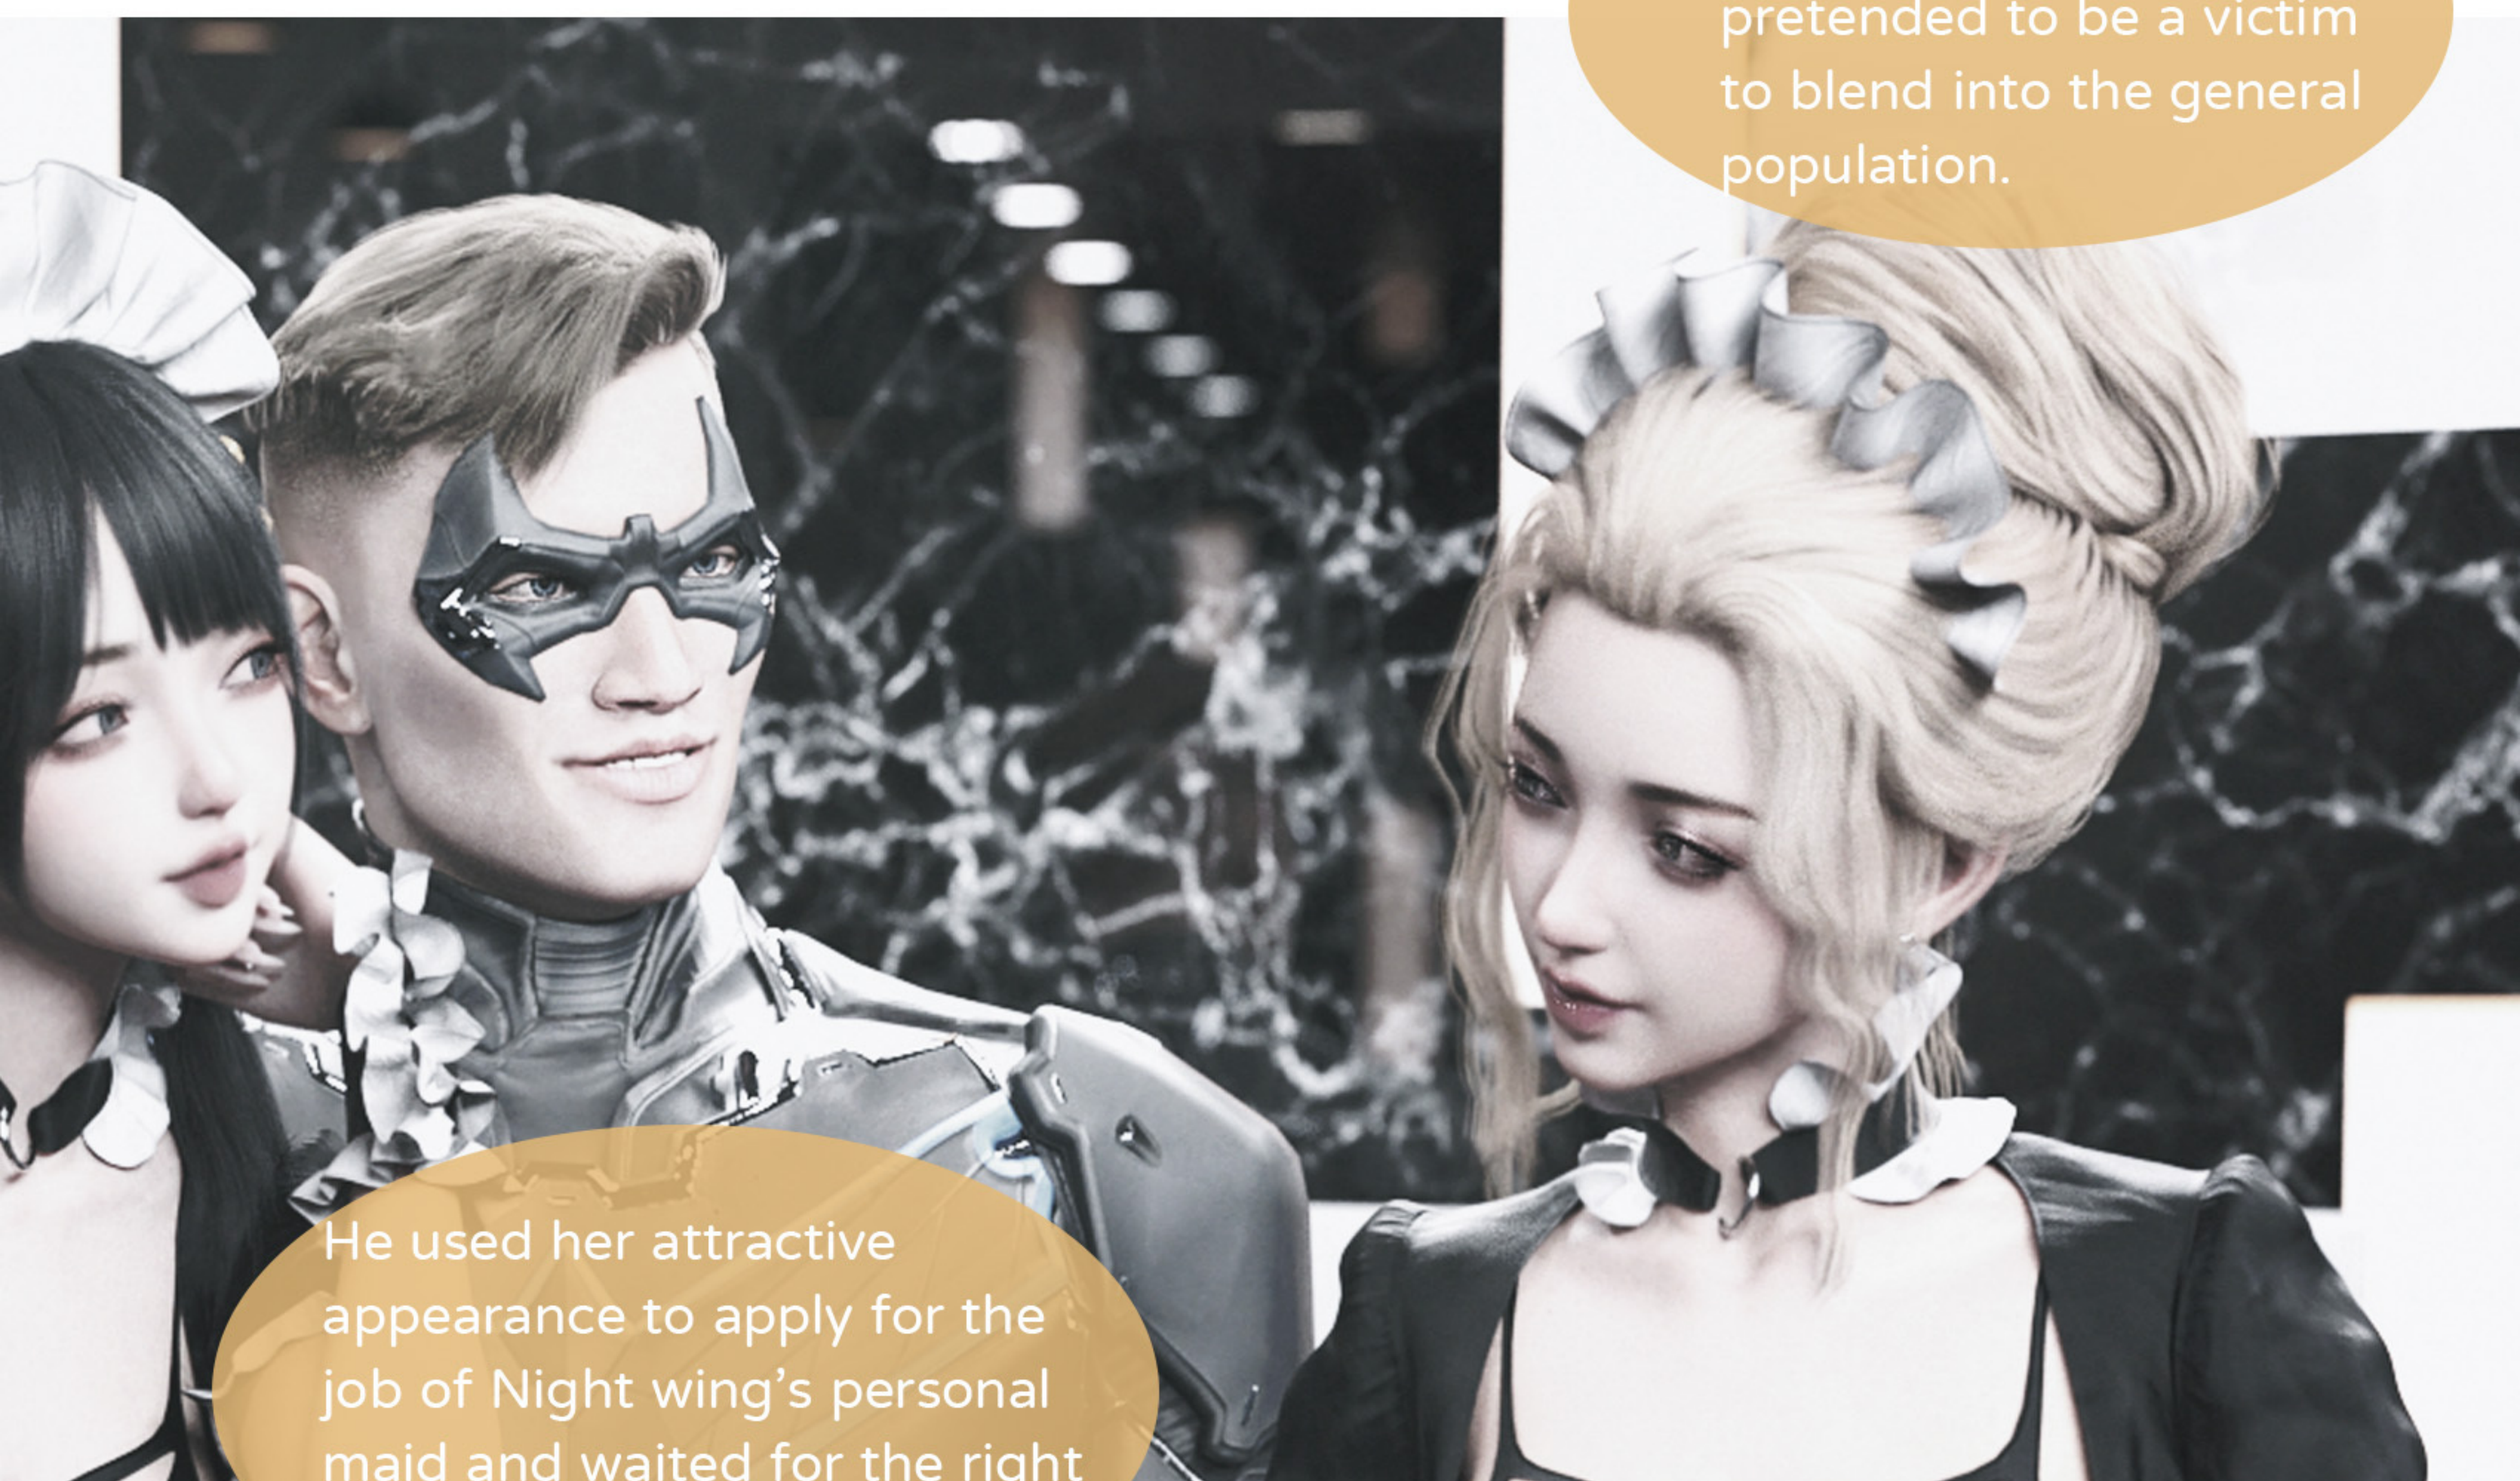

The maid is the older pig man! I remember the victim's face.

You can recognize me. The royal elf bloodline is as powerful as ever. You're very observant.

There was a young OL victim in the recent body swap incident perpetrated by pig men.

The pig man must have stolen her body and pretended to be a victim to blend into the general population.

He used her attractive appearance to apply for the job of Night wing's personal maid and waited for the right time to strike!

The smoking gun is  
the pig man's penis  
under her stockings!

Pig men are so  
fixated on their penises  
because of their libido  
and identity.

Even if they steal other  
humans' bodies, they  
would always keep  
their original genitals.

It's time for you  
to face the end.  
I will finish you  
in seconds.

I will wipe out the  
despicable pig  
man species from  
the world.

Bro, you know that even you kill me, the pig man species will not be extinct.

Because you can not hide the fact that you're a pig man forever. Besides, I'm not alone!

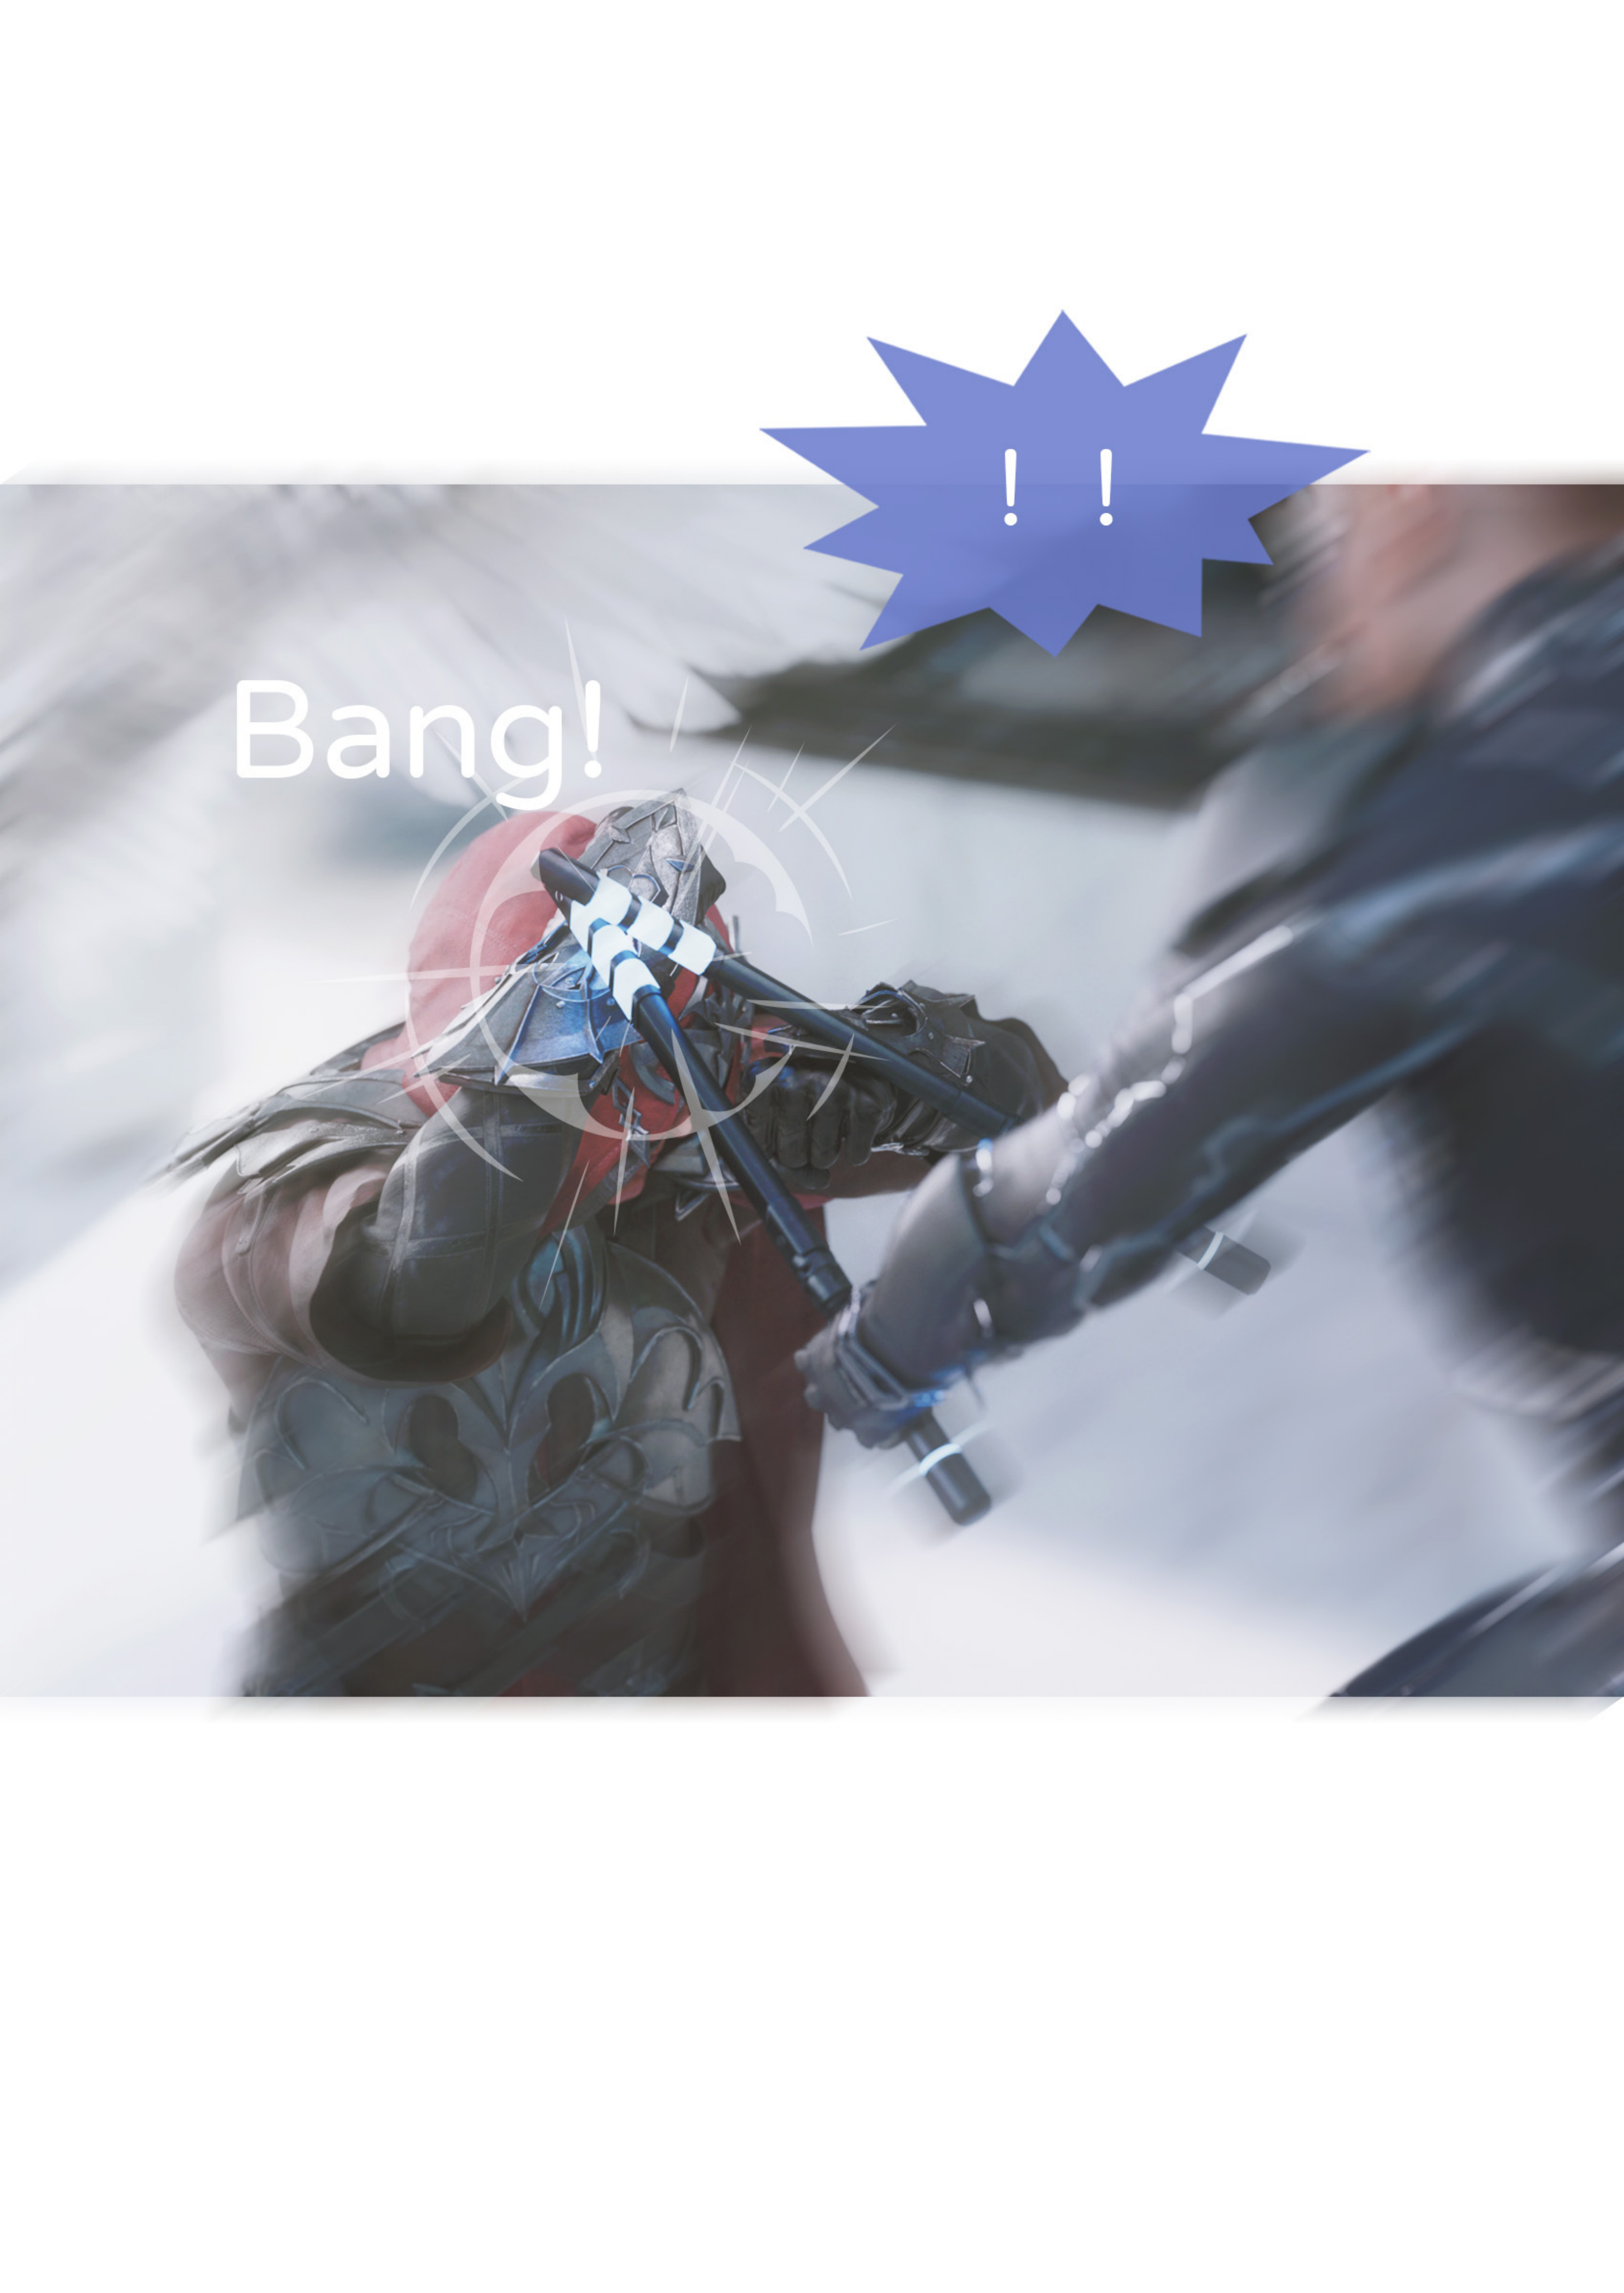

What...?!

Take this, holy  
light Charlotte.  
Fuck you heroes!

I already learn  
your weakness  
from the bat  
family files.

Bang!

Night wing! I don't understand what's wrong with you. What you're doing now puts your family to shame.

Charlotte...leave him to me. You focus in the pig man!

He isn't the Night wing we know!

He fell into a pig man's trap when he partied with maids.!

The maid's soul is in  
the Night wing's body!  
That's why he keeps  
saying he's abused.

Shit.  
It's so painful.

The real Night wing  
swapped bodies  
with the maid!

The pig man must  
exploit the maid's hatred  
toward the Night wing  
to create conflict!

You still have the luxury to explain what happened. I'm your opponent!

!!

Bang!

No way! Is iron fist Myron's right fist so powerful?

My arm is numb. I carefully took the punch.

I was not messing around. I have collected many level B and A aid heroes' superpowers.

After I fulfilled some requirements, I made iron fist Myron's right fist even more powerful!

I was surprised that you could take the hit. Holy light Charlotte's body is so formidable.

The image features two anime-style female characters. The character on the left has long, straight, light-colored hair and is wearing a blue high-collared top with a red and gold emblem on the chest, and a red shoulder piece. The character on the right has long, wavy blonde hair and is wearing a black and white maid outfit with a large white ruffled collar and a matching headpiece. The background is a soft-focus green outdoor setting.

You're the famous pig man, right?

Huh?

Let's see how long  
you can last in the  
face level S hero  
No. 2 the Supergirl...
