

Rings
rings

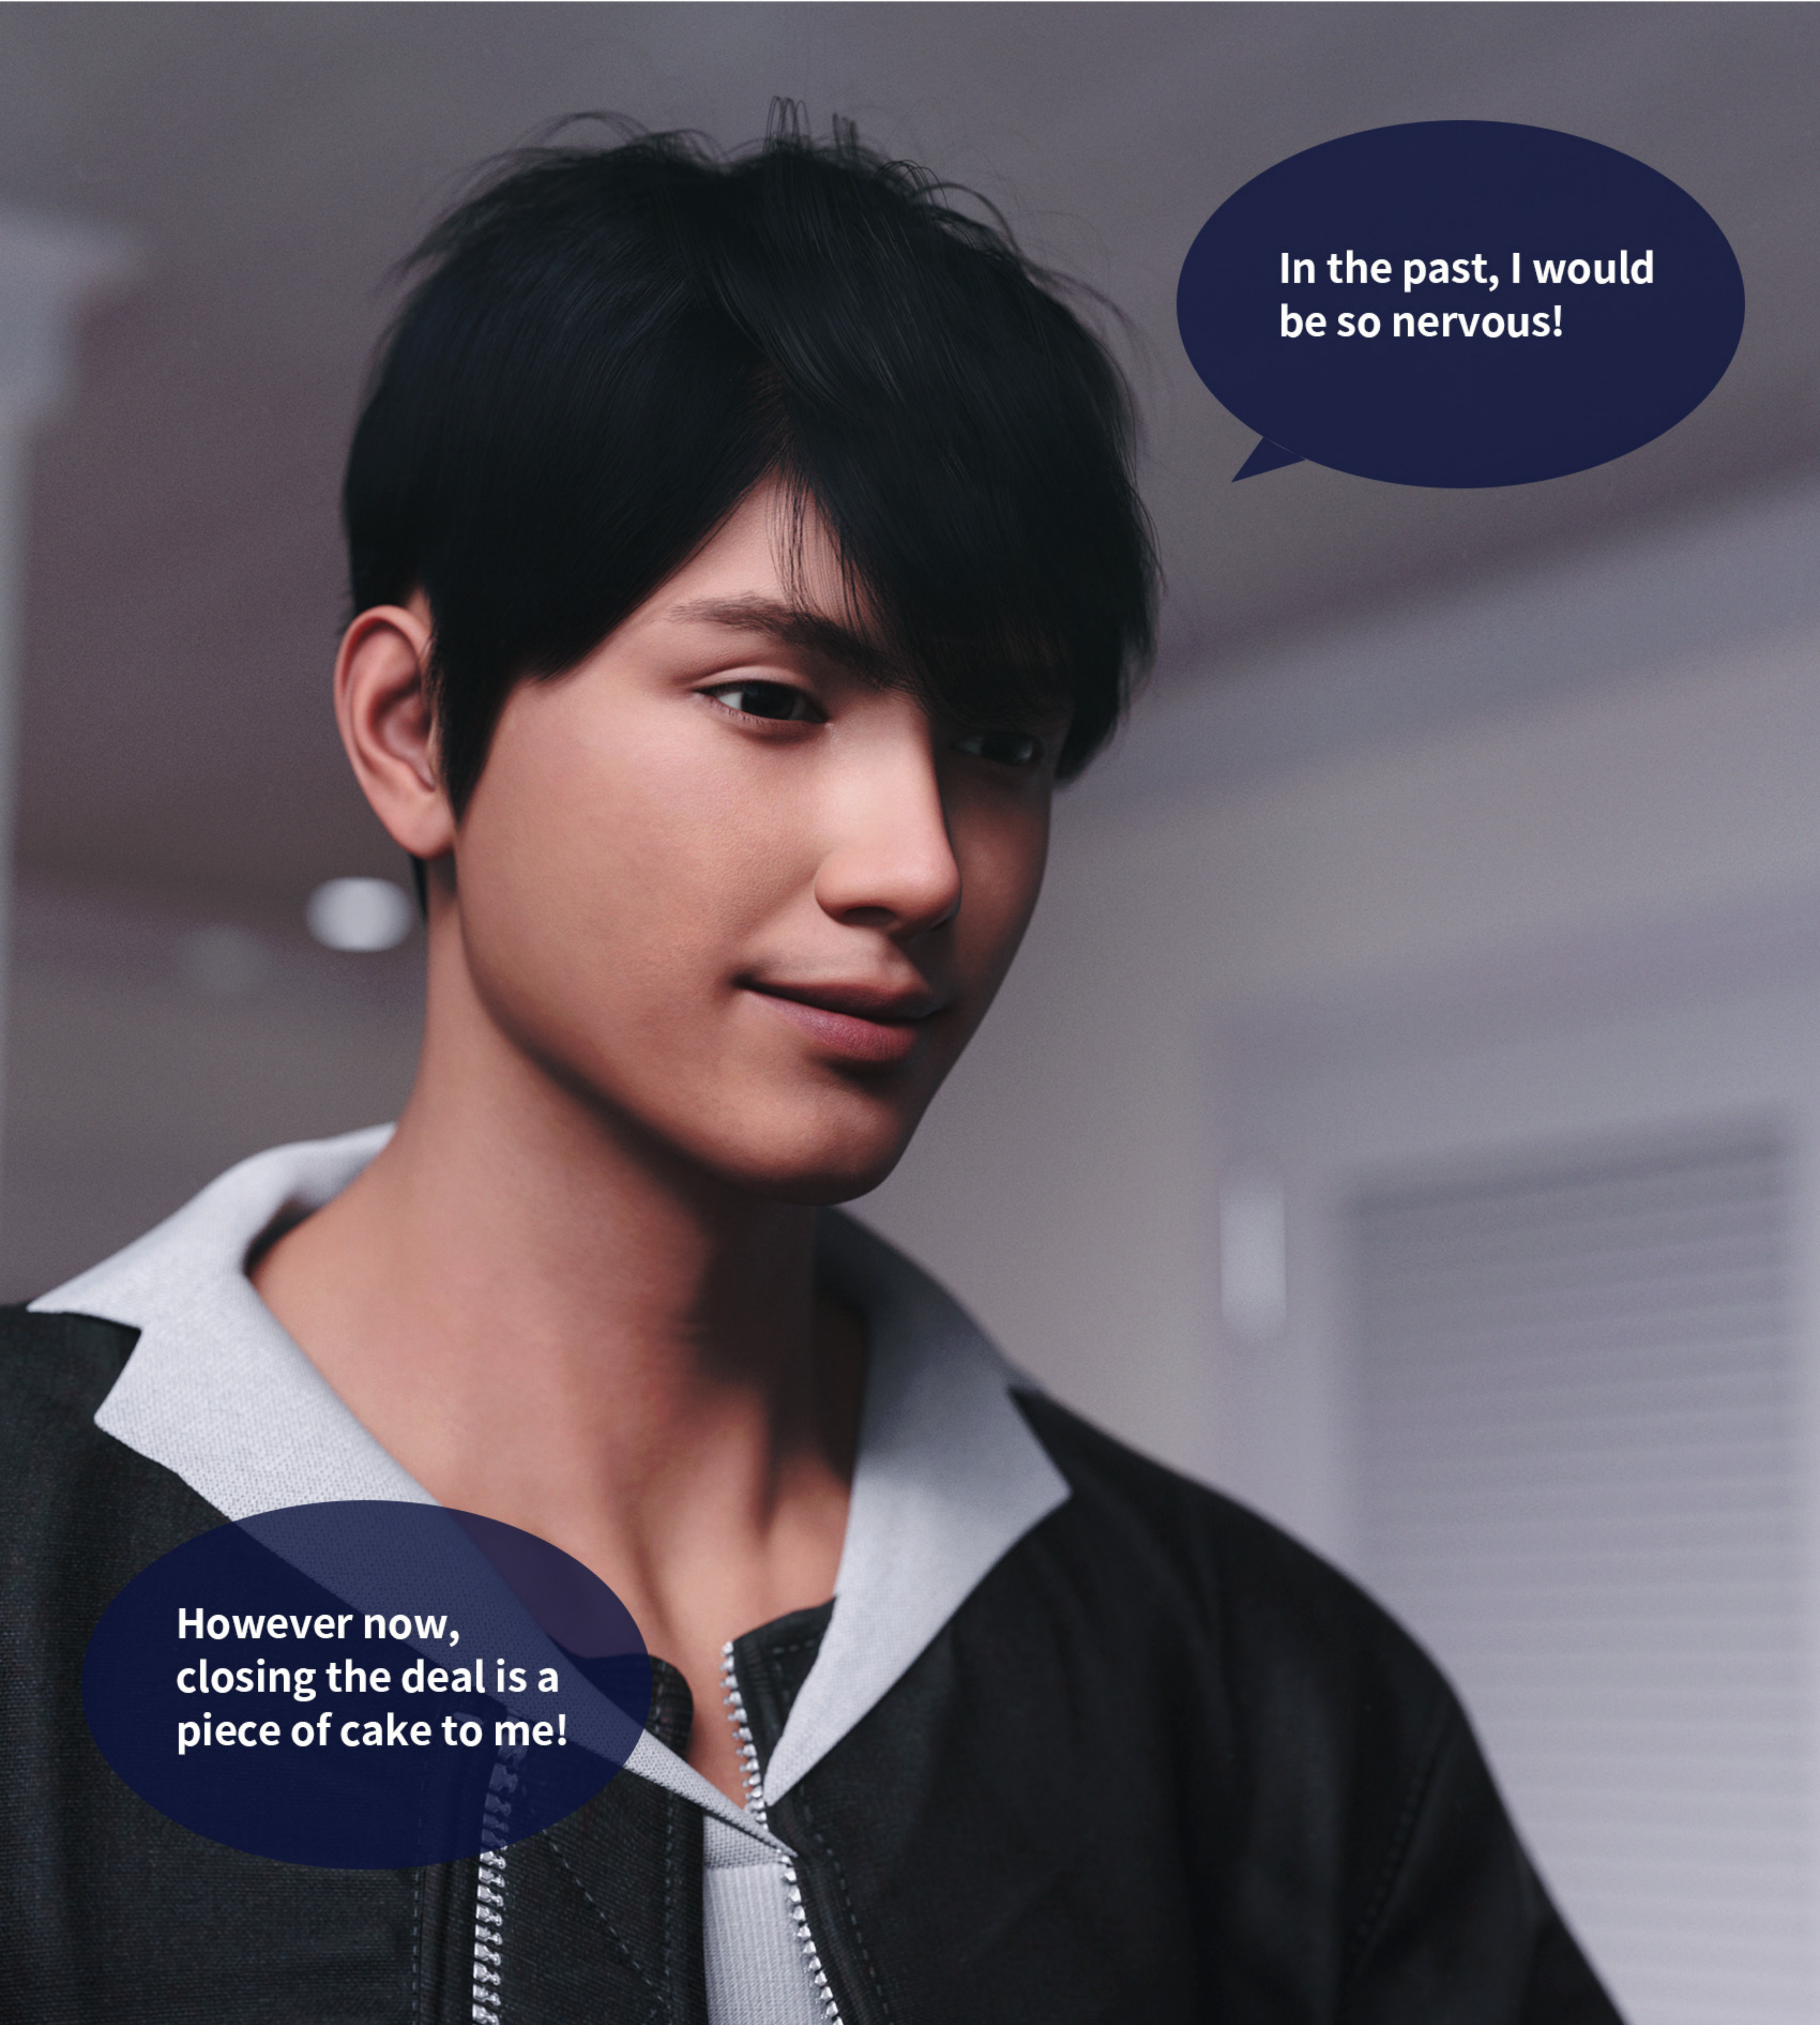

Um...It's alomst 7
o'clock. I need to
close a deal today. I
gotta go!

A man with dark hair, wearing a dark grey zip-up jacket with a white collar and dark pants, stands in a modern living room. He has a thoughtful or slightly annoyed expression. The room features a white cabinet with a wooden top, a glass display case, and a patterned rug. Sunlight filters through a window in the background, creating shadows on the wall.

Just thinking about those pain in the ass clients, makes me really want to skip work!

The manager I'm going to face, he is notoriously difficult. He gave several of my female coworkers a very hard day.

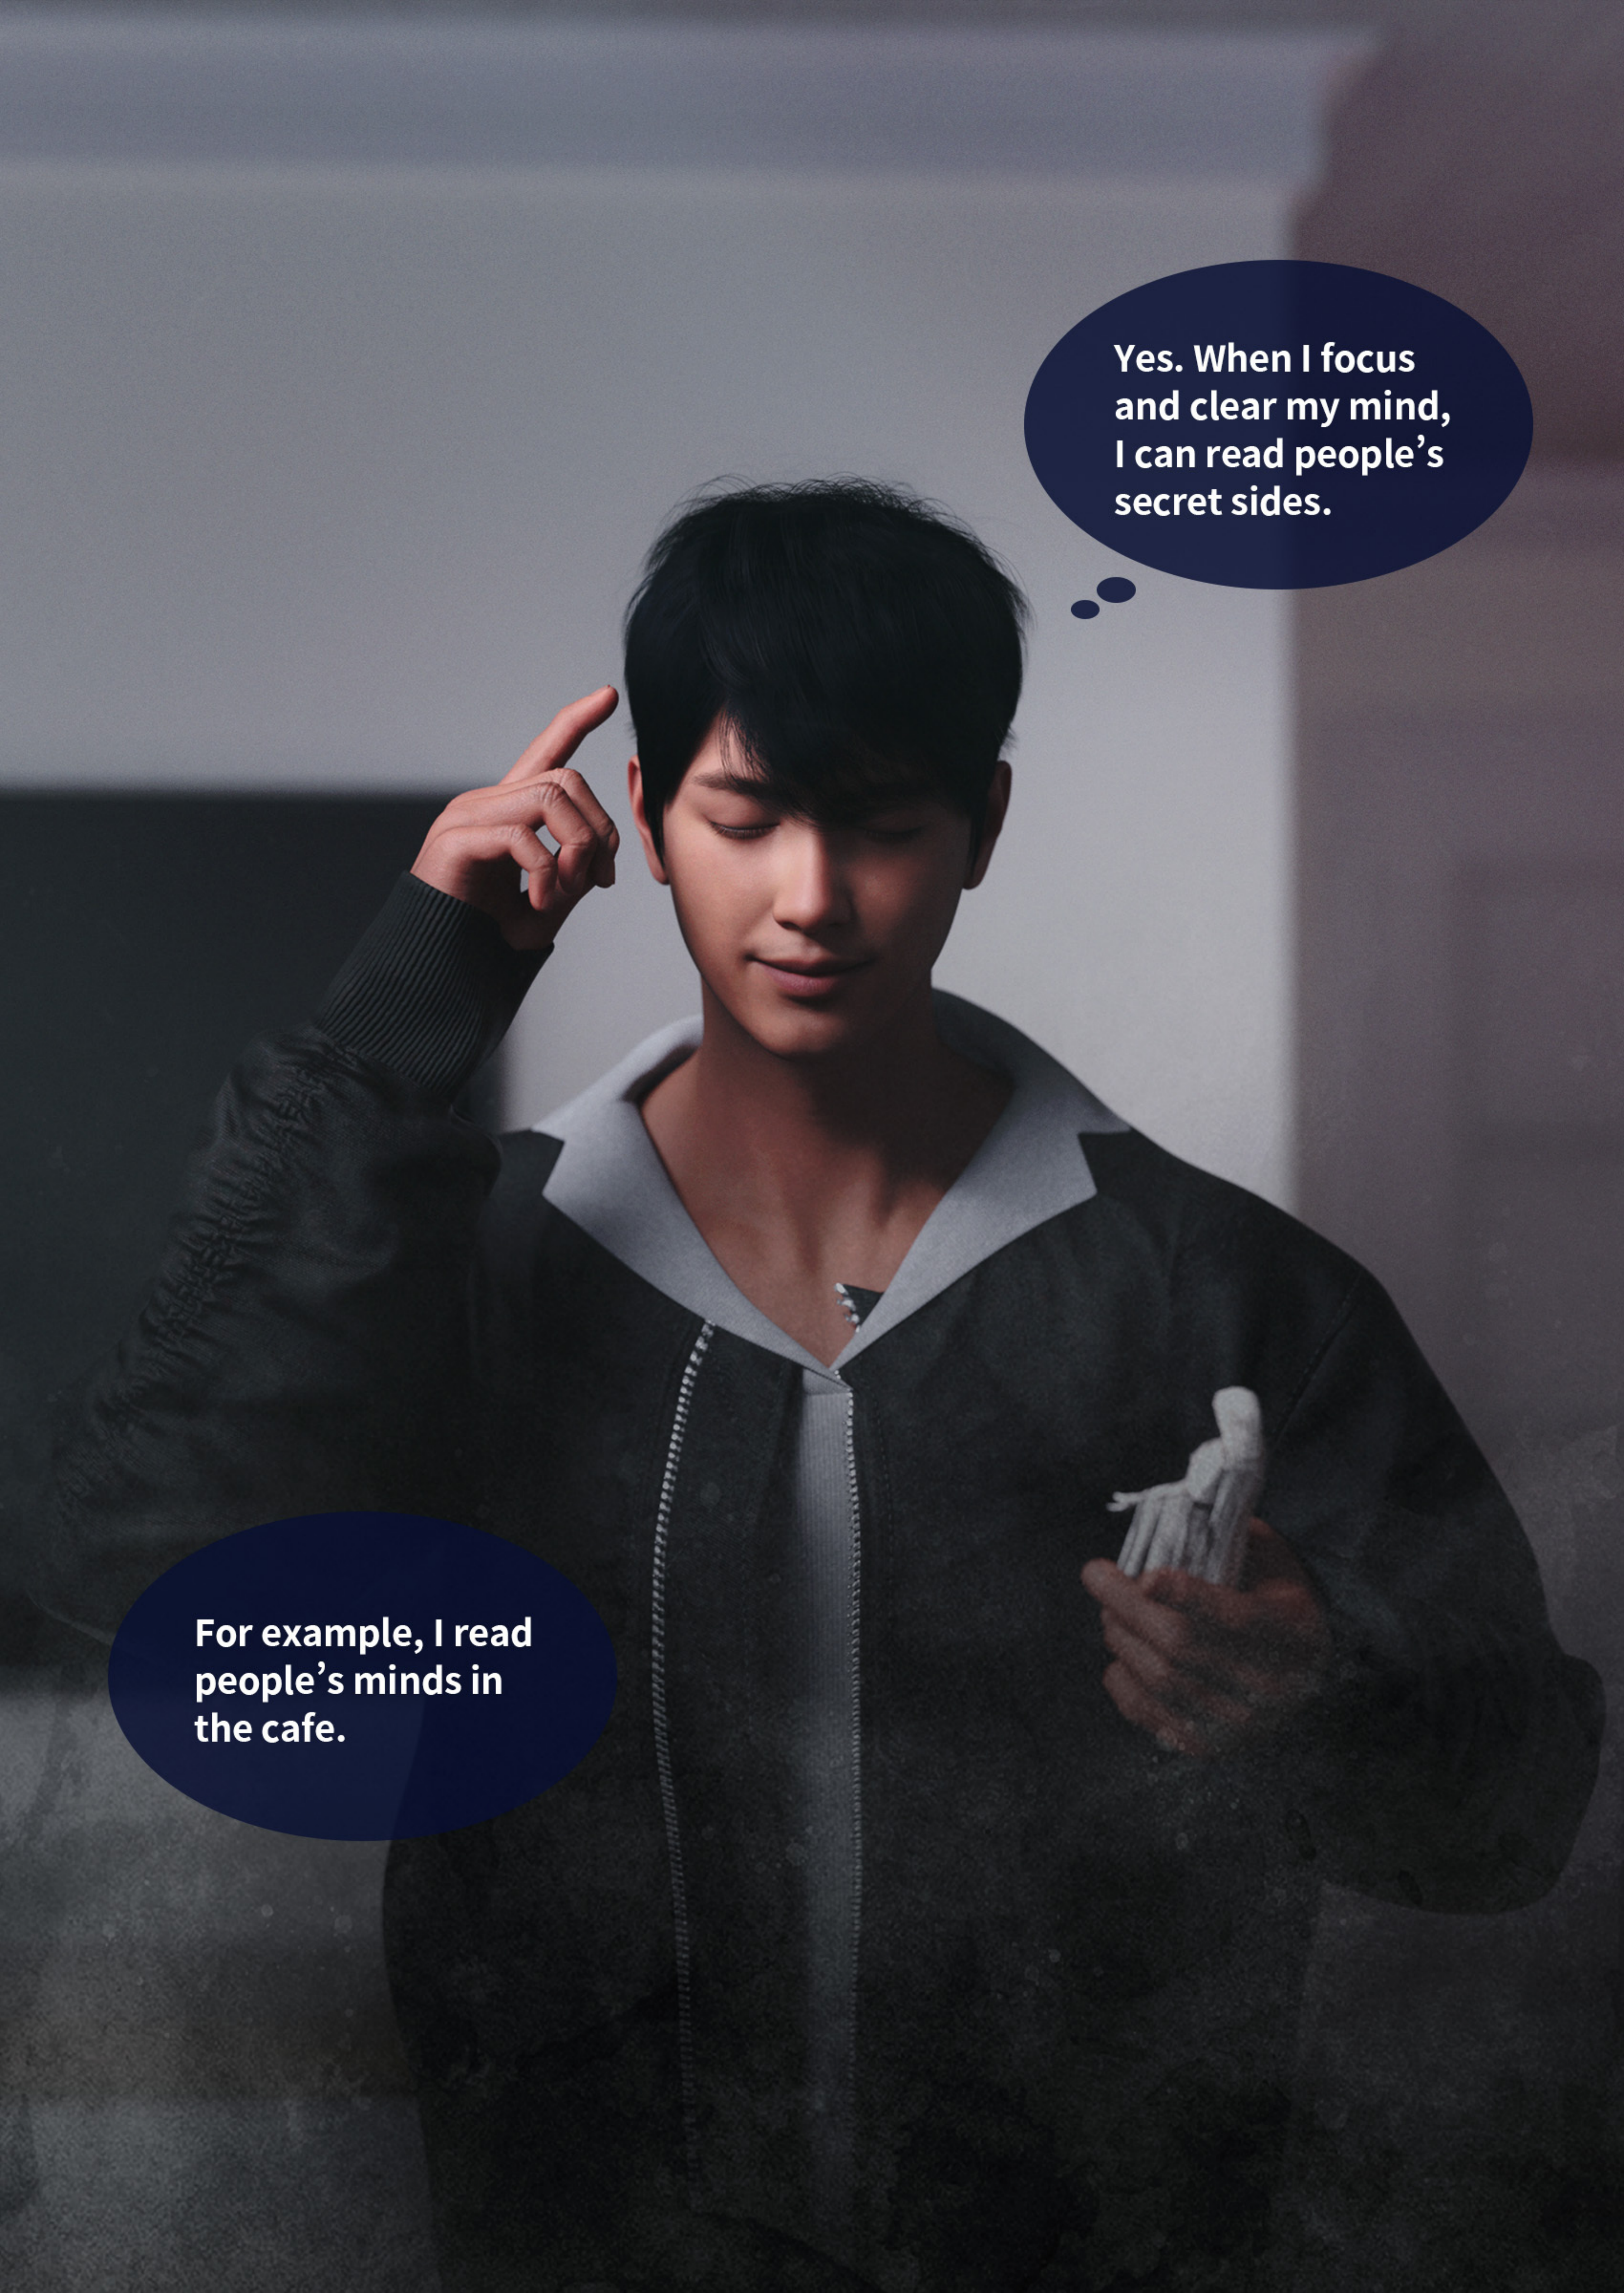

**In the past, I would
be so nervous!**

**However now,
closing the deal is a
piece of cake to me!**

Because I have a magical stone statue that allows me to read people's minds!

From the day I picked up the magical stone statue, it changed my life!

Yes. When I focus
and clear my mind,
I can read people's
secret sides.

For example, I read
people's minds in
the cafe.

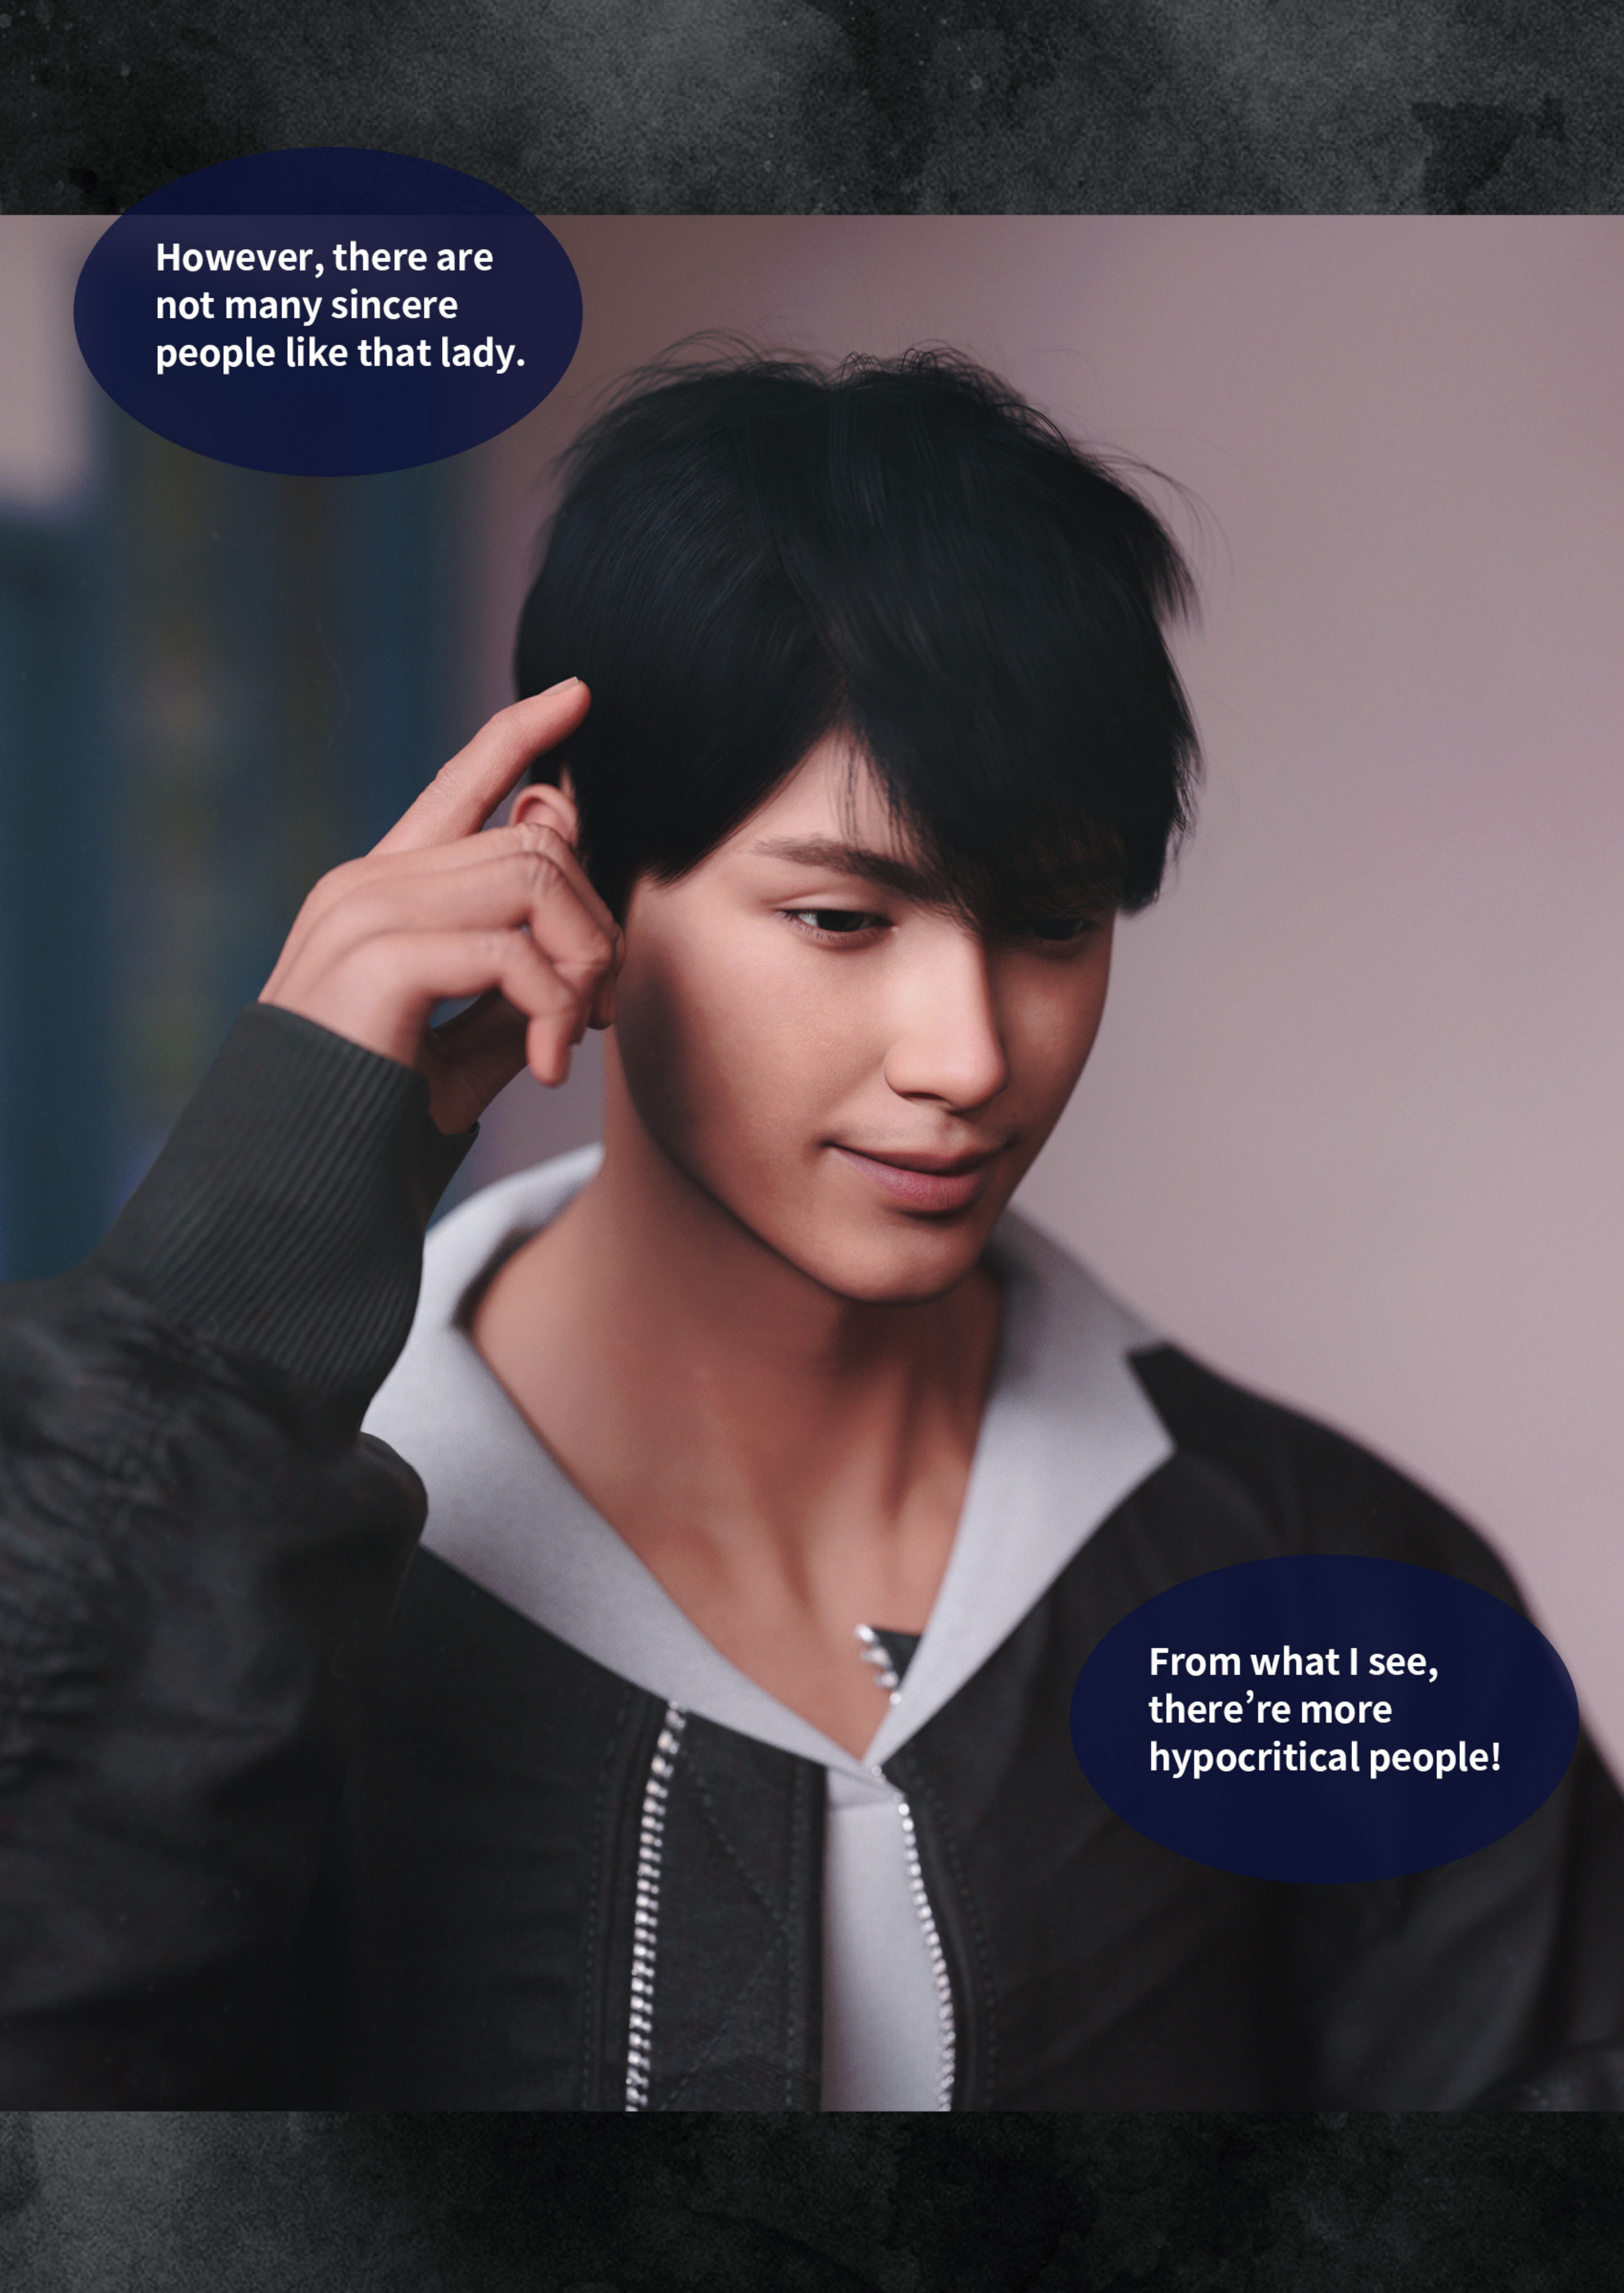

My superpower is different from “mind reading”. The magical stone statue allows me to see other humans’ real inner selves.

Take the OL for example...

**The phantom behind
her is her inner self.**

**Her inner self and
appearance are the
same. That tells me
that she is a genuine
person!**

However, there are
not many sincere
people like that lady.

From what I see,
there're more
hypocritical people!

A photograph of two women sitting at a wooden table in a cafe. The woman on the left is younger, with long dark hair and blue eyes, wearing a light-colored top. The woman on the right is older, with short dark hair and blue eyes, wearing a white long-sleeved top. Both women have their hands resting on their chins and are looking off to the side with thoughtful expressions. In the background, there are bookshelves and a computer monitor. A plate of cookies is visible on the table in the foreground.

However, when someone's appearance and inner self are different, it isn't necessarily a bad thing!

For example that lady over there, she might have elderly look but her mental self is still very young!

A man in a white dress shirt and a striped tie stands in the foreground, looking stressed with his hands on his head. Behind him, a muscular, shirtless man with a stern expression stands with his hands on his hips. The background is a dimly lit bar or office setting with shelves and hanging lights.

**That male office worker,
he has a gentle appearance
but an irritable mind. You
need to be careful with
those people!**

**I use the superpower
to dodge a lot of
backstabbing in the
office. It's even very
useful in my daily life!**

**Having the magical
stone statue, I'm
determined to use the
special power to spice
things up in my life!**

Well. That being said.
I'm still a wage slave
who needs to work my
ass off. I just have the
edge on others.

Good morning, Leo.

You woke up early today. Do you have some work to do?

I know you're young so you put your mind on your career and work very hard. But you still need to take care of yourself, eat regularly and don't stay up late. Ok?

A man with dark hair, wearing a black bomber jacket over a light-colored collared shirt and dark pants, stands and speaks to a woman. The woman is seated in the foreground, her back to the camera, wearing a black top. The background is a simple room with a framed picture on the wall.

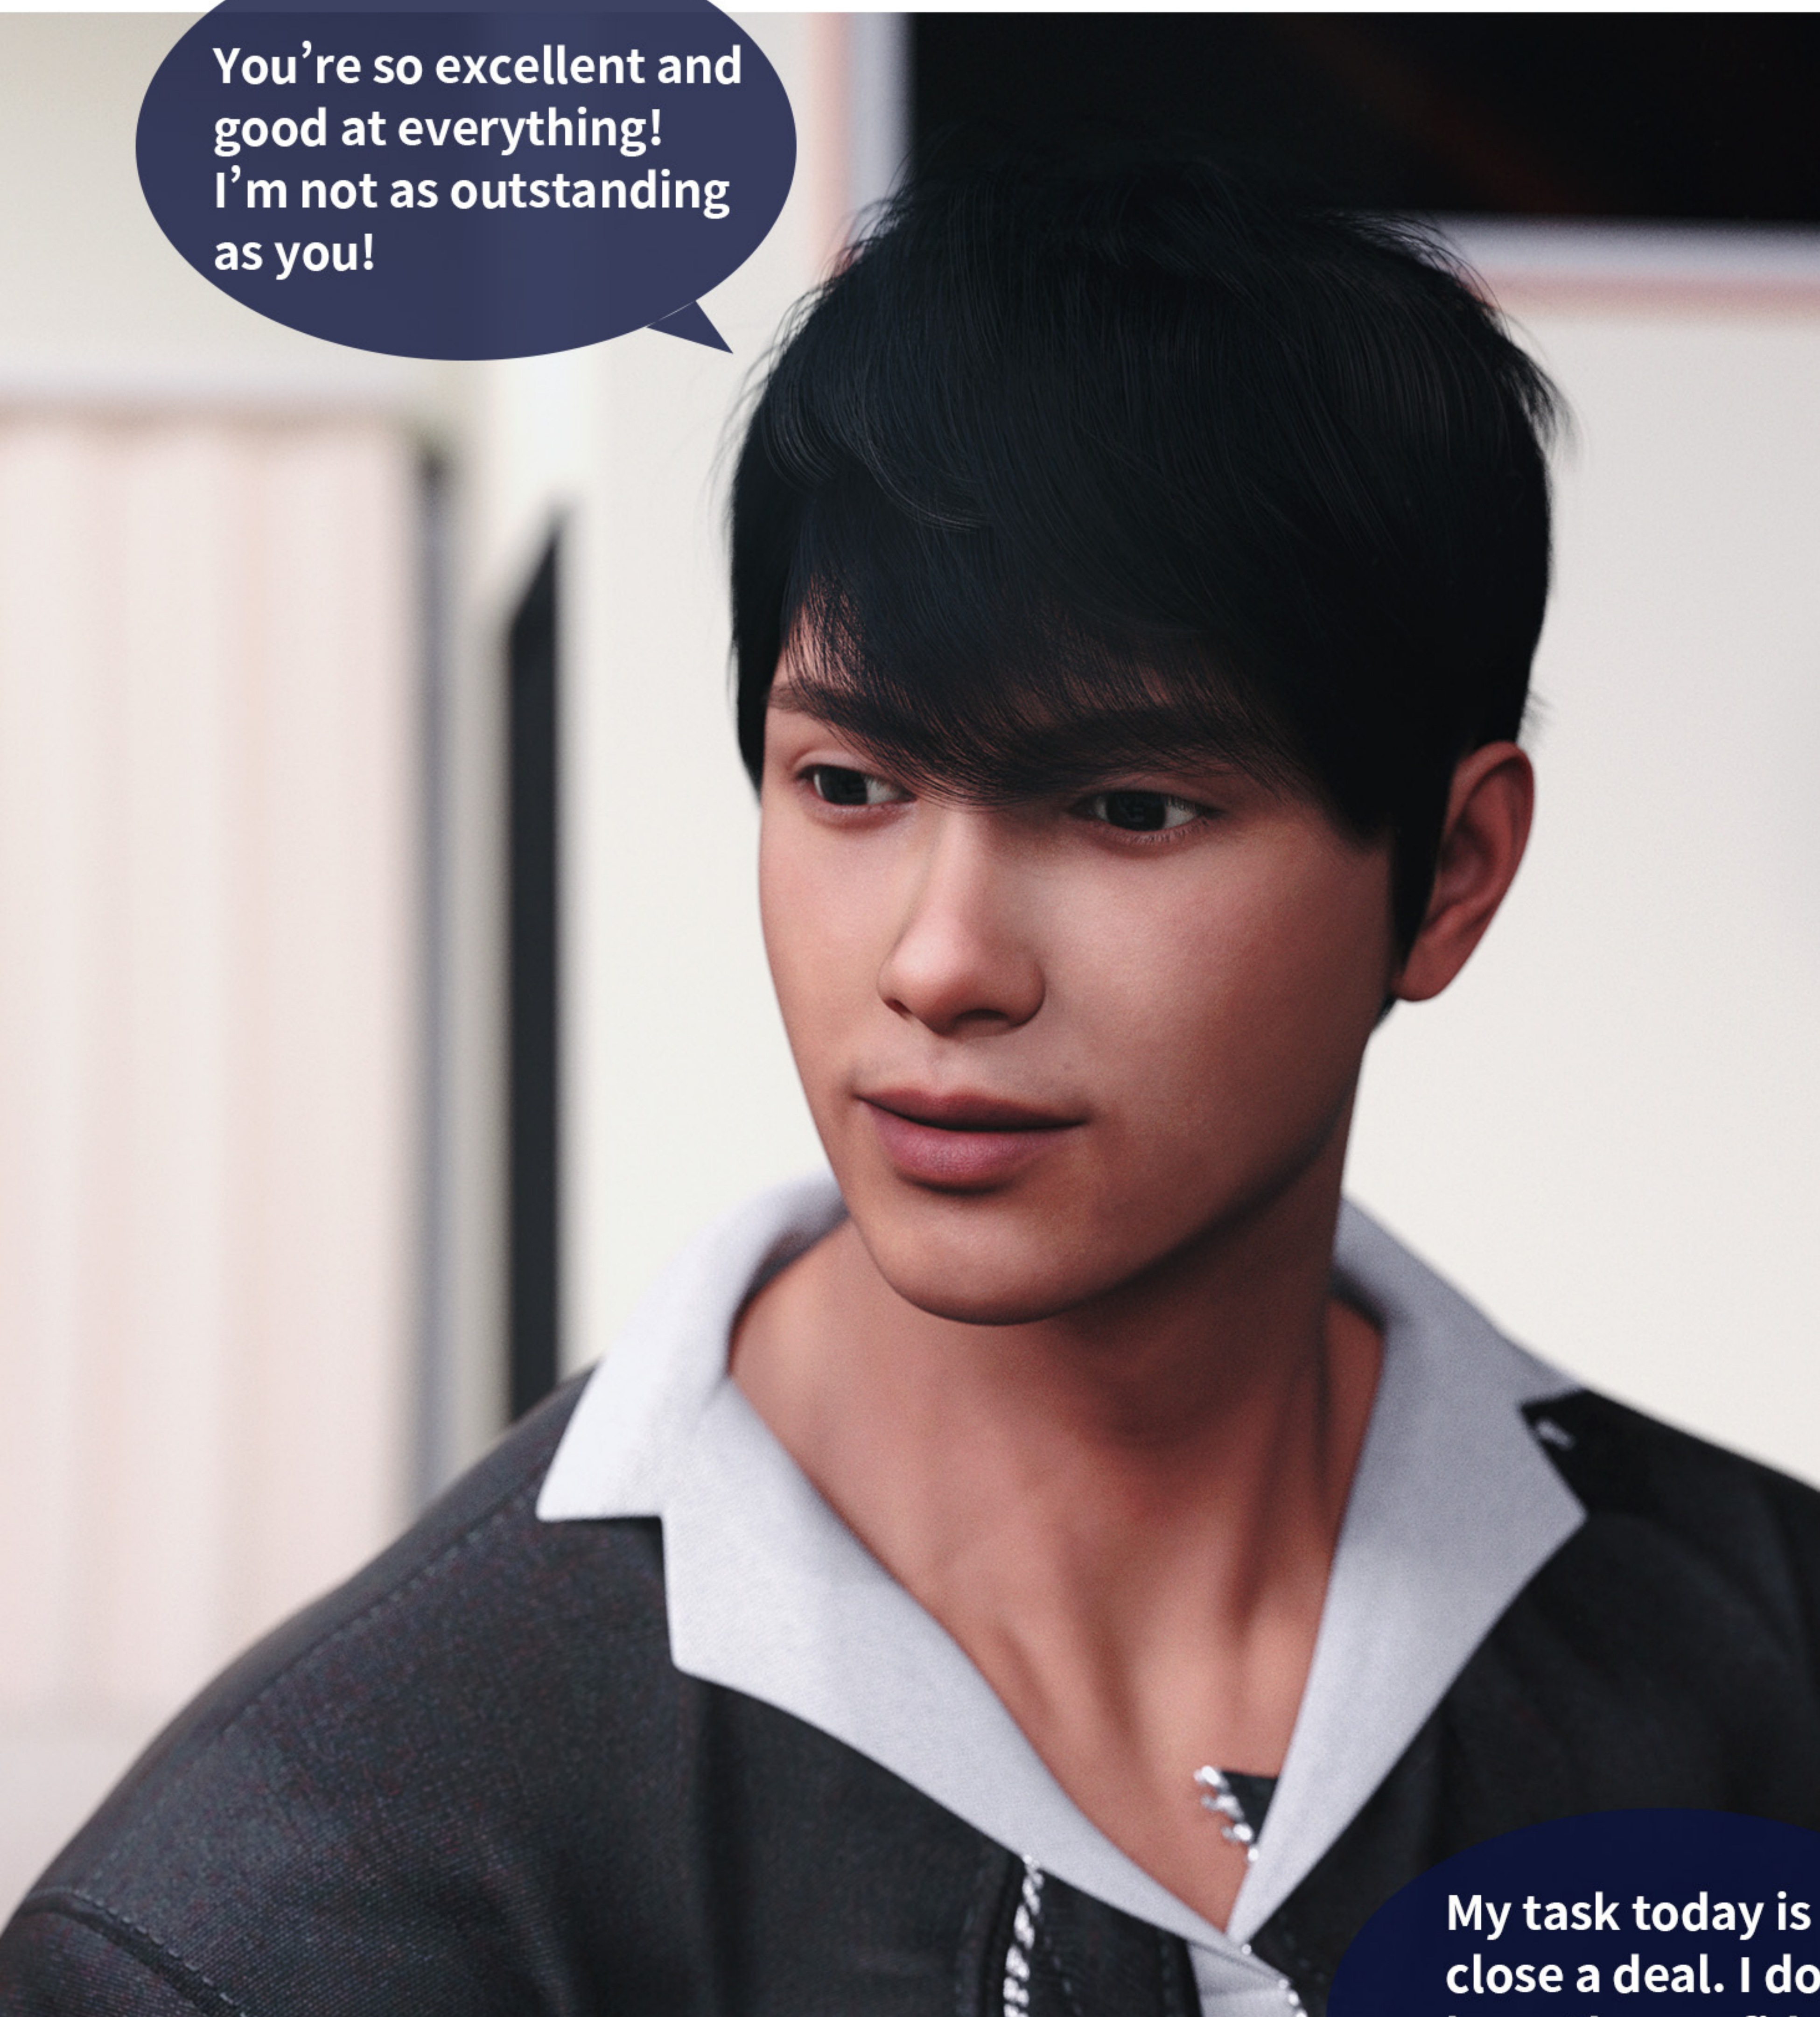

I know, sister. If I had stayed up late, I would not have woken up so early. Don't worry about me!

You just changed your job. Do you fit in the new company?

Come on. You know my capability. There're lovely office environment and easy-going coworkers in my new company.

I just started work there but I'm in charge of human resources, especially recruiting new employees. So your sister has the ear of a higher-up.

You're so excellent and good at everything! I'm not as outstanding as you!

My task today is to close a deal. I don't have the confidence that I can accomplish that. Huh!

A woman with long dark hair, wearing a black blazer and a black mini skirt, is walking in a hallway. She is holding a black smartphone to her ear with her right hand. The hallway has light-colored wood flooring and a dark wood door with a gold handle. The walls are a neutral color.

The gorgeous and competent woman is my eldest sister, Kelly. She's a straight-A student and good at everything.

The first few years after our dad and mom passed away, she worked her way through school and took care of us. But she still was selected as the valedictorian.

Well. Relax, Leo. You closed another deal a few days ago. I'm sure that you will close the deal too.

The lively short hair girl is my second older sister, Stella. She is very optimistic. There's always a smile on her face. She always lights up the room!

Maybe it's because our parents passed away, there are only three of us left so we are very close.

My intellectual and sharp-witted eldest sister and cheerful and passionate second sister, they're my most important family!

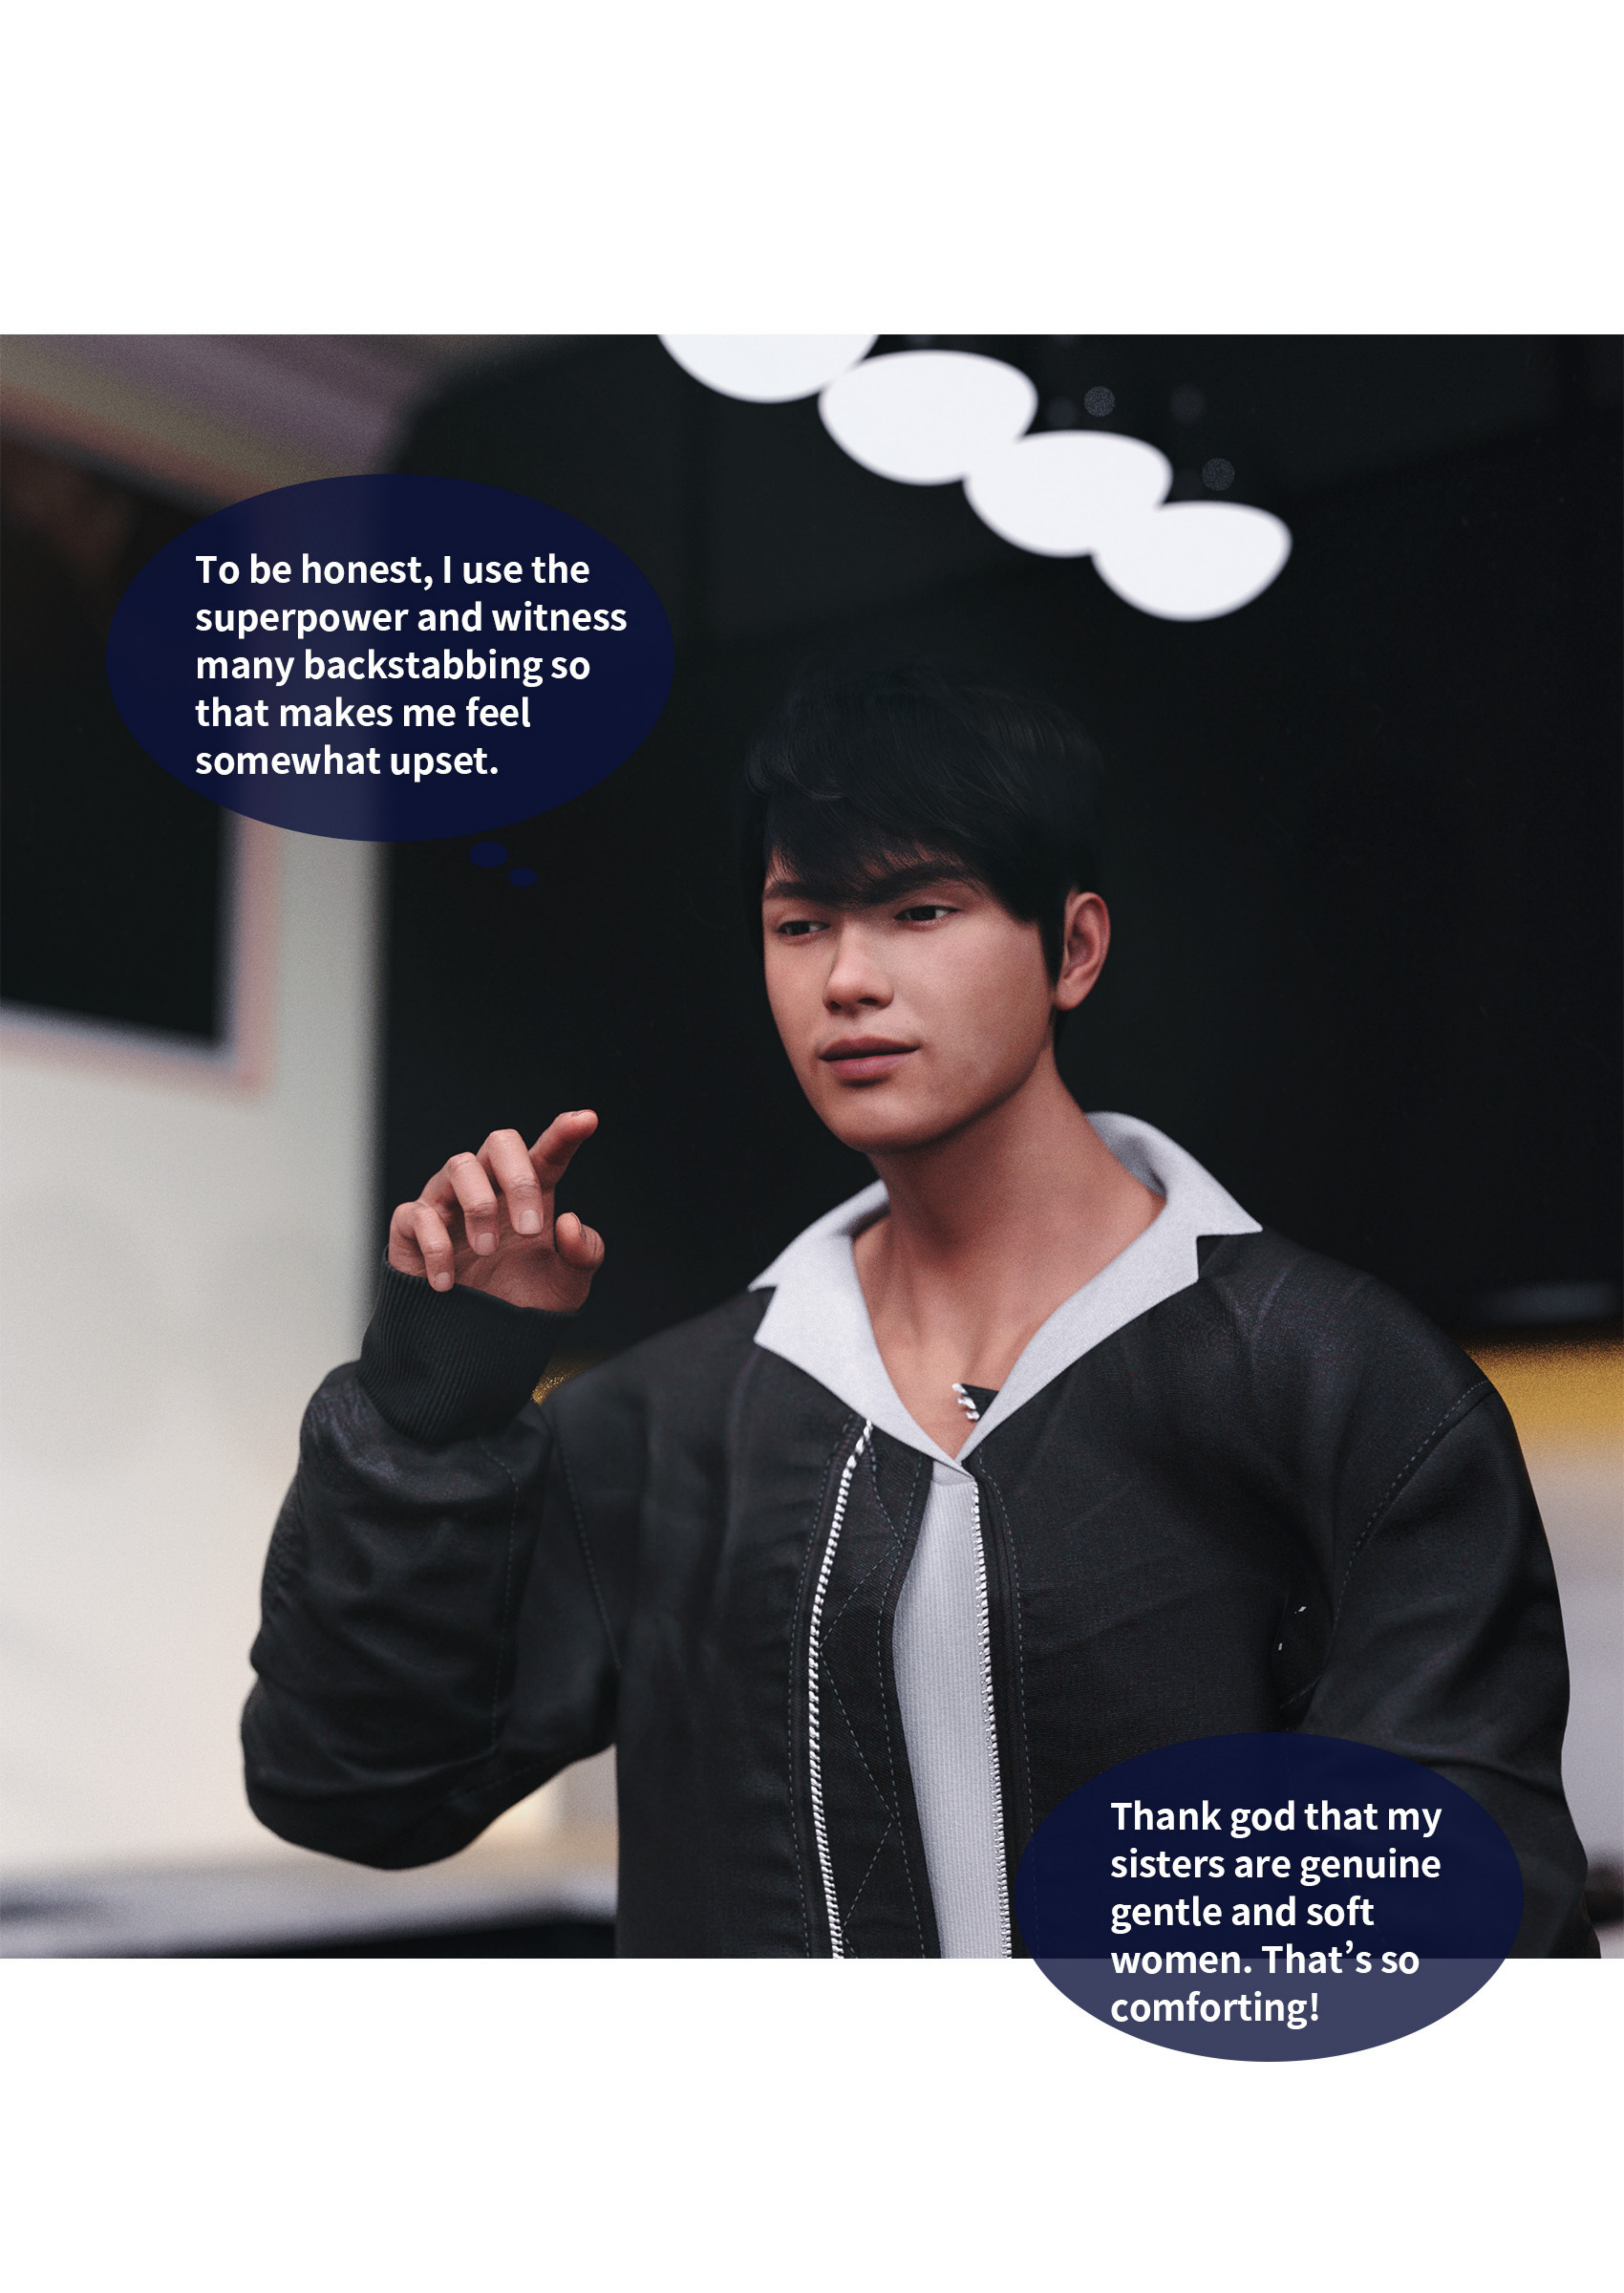

Anyway, after I got the magical stone statue, I never used the superpower to see my sister.

Um...I just peed a little into their minds to satisfy my curiosity. That's ok, right?

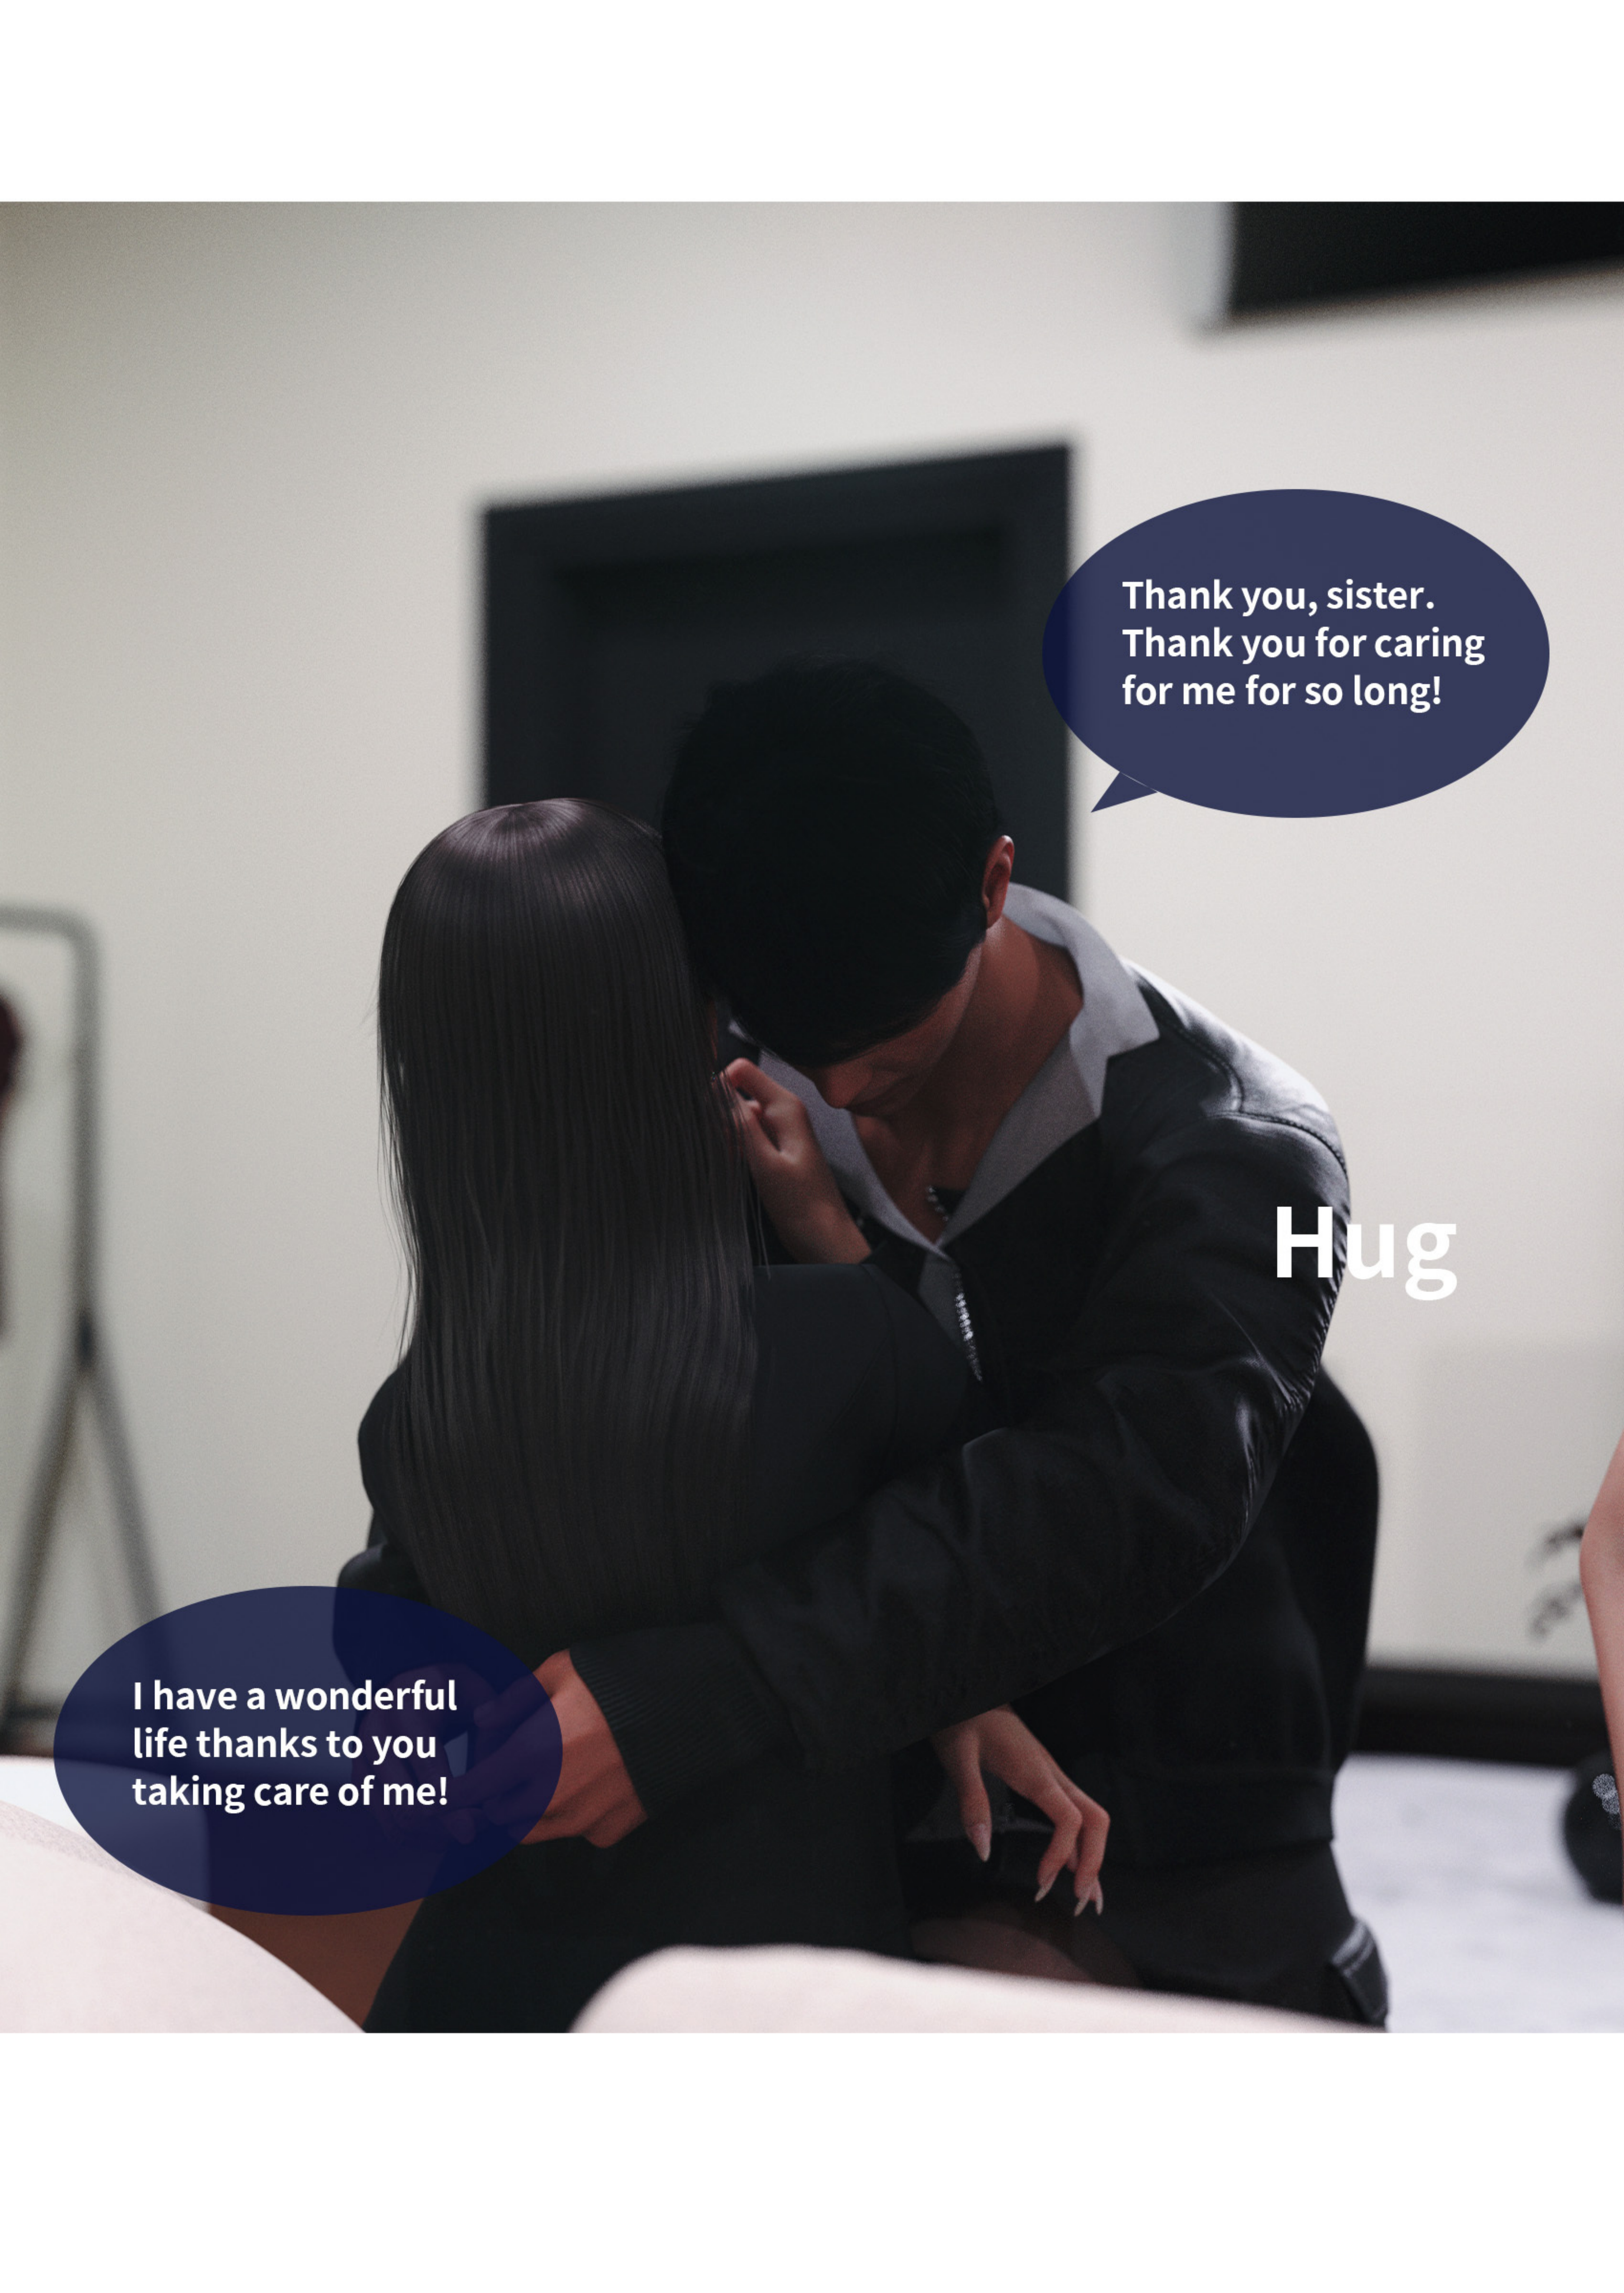

Um...Clear my mind
and focus. Hey, I can
see!

Although there are a
lot of two-faced evil
people, my sisters
are sincere people!

To be honest, I use the superpower and witness many backstabbing so that makes me feel somewhat upset.

Thank god that my sisters are genuine gentle and soft women. That's so comforting!

A man with short black hair, wearing a black leather jacket over a white collared shirt, is hugging a woman from behind. The woman has long, straight black hair and is wearing a black top. They are in an indoor setting with a white wall and a dark doorway in the background. The scene is lit with soft, natural light.

Thank you, sister.
Thank you for caring
for me for so long!

Hug

I have a wonderful
life thanks to you
taking care of me!

What happened? Why are you suddenly so emotional? Come on. You're a big boy now. You're so affectionate as if you were still a child!

Good boy. Good boy. If you have some work problems, you can always tell me!

Wait. It's not fair! I take care of you, too. Why do you only hug big sis?

Leo, you play favorites!

You're so bad! I'm going to teach you a lesson. Take this!

Ha ha ha! Knock it off you two. Ha ha ha!

Hey! Don't punch me, Stella. I have to go to work!

Phew...Come on, Stella.
It's so lucky that I ran so
fast or she would keep
throwing her cute
punches on me!

A man with dark hair, wearing a grey suit, white shirt, and striped tie, stands outdoors. He is looking slightly to his right. A thought bubble is positioned above his head, containing text. The background is blurred, showing a red umbrella and greenery.

**I hope when I meet
my clients, I can
successfully close
the deal!**

**Now I have the
superpower that can read
people's minds. Negotiating
contracts would be a walk in
the park, am I right?**

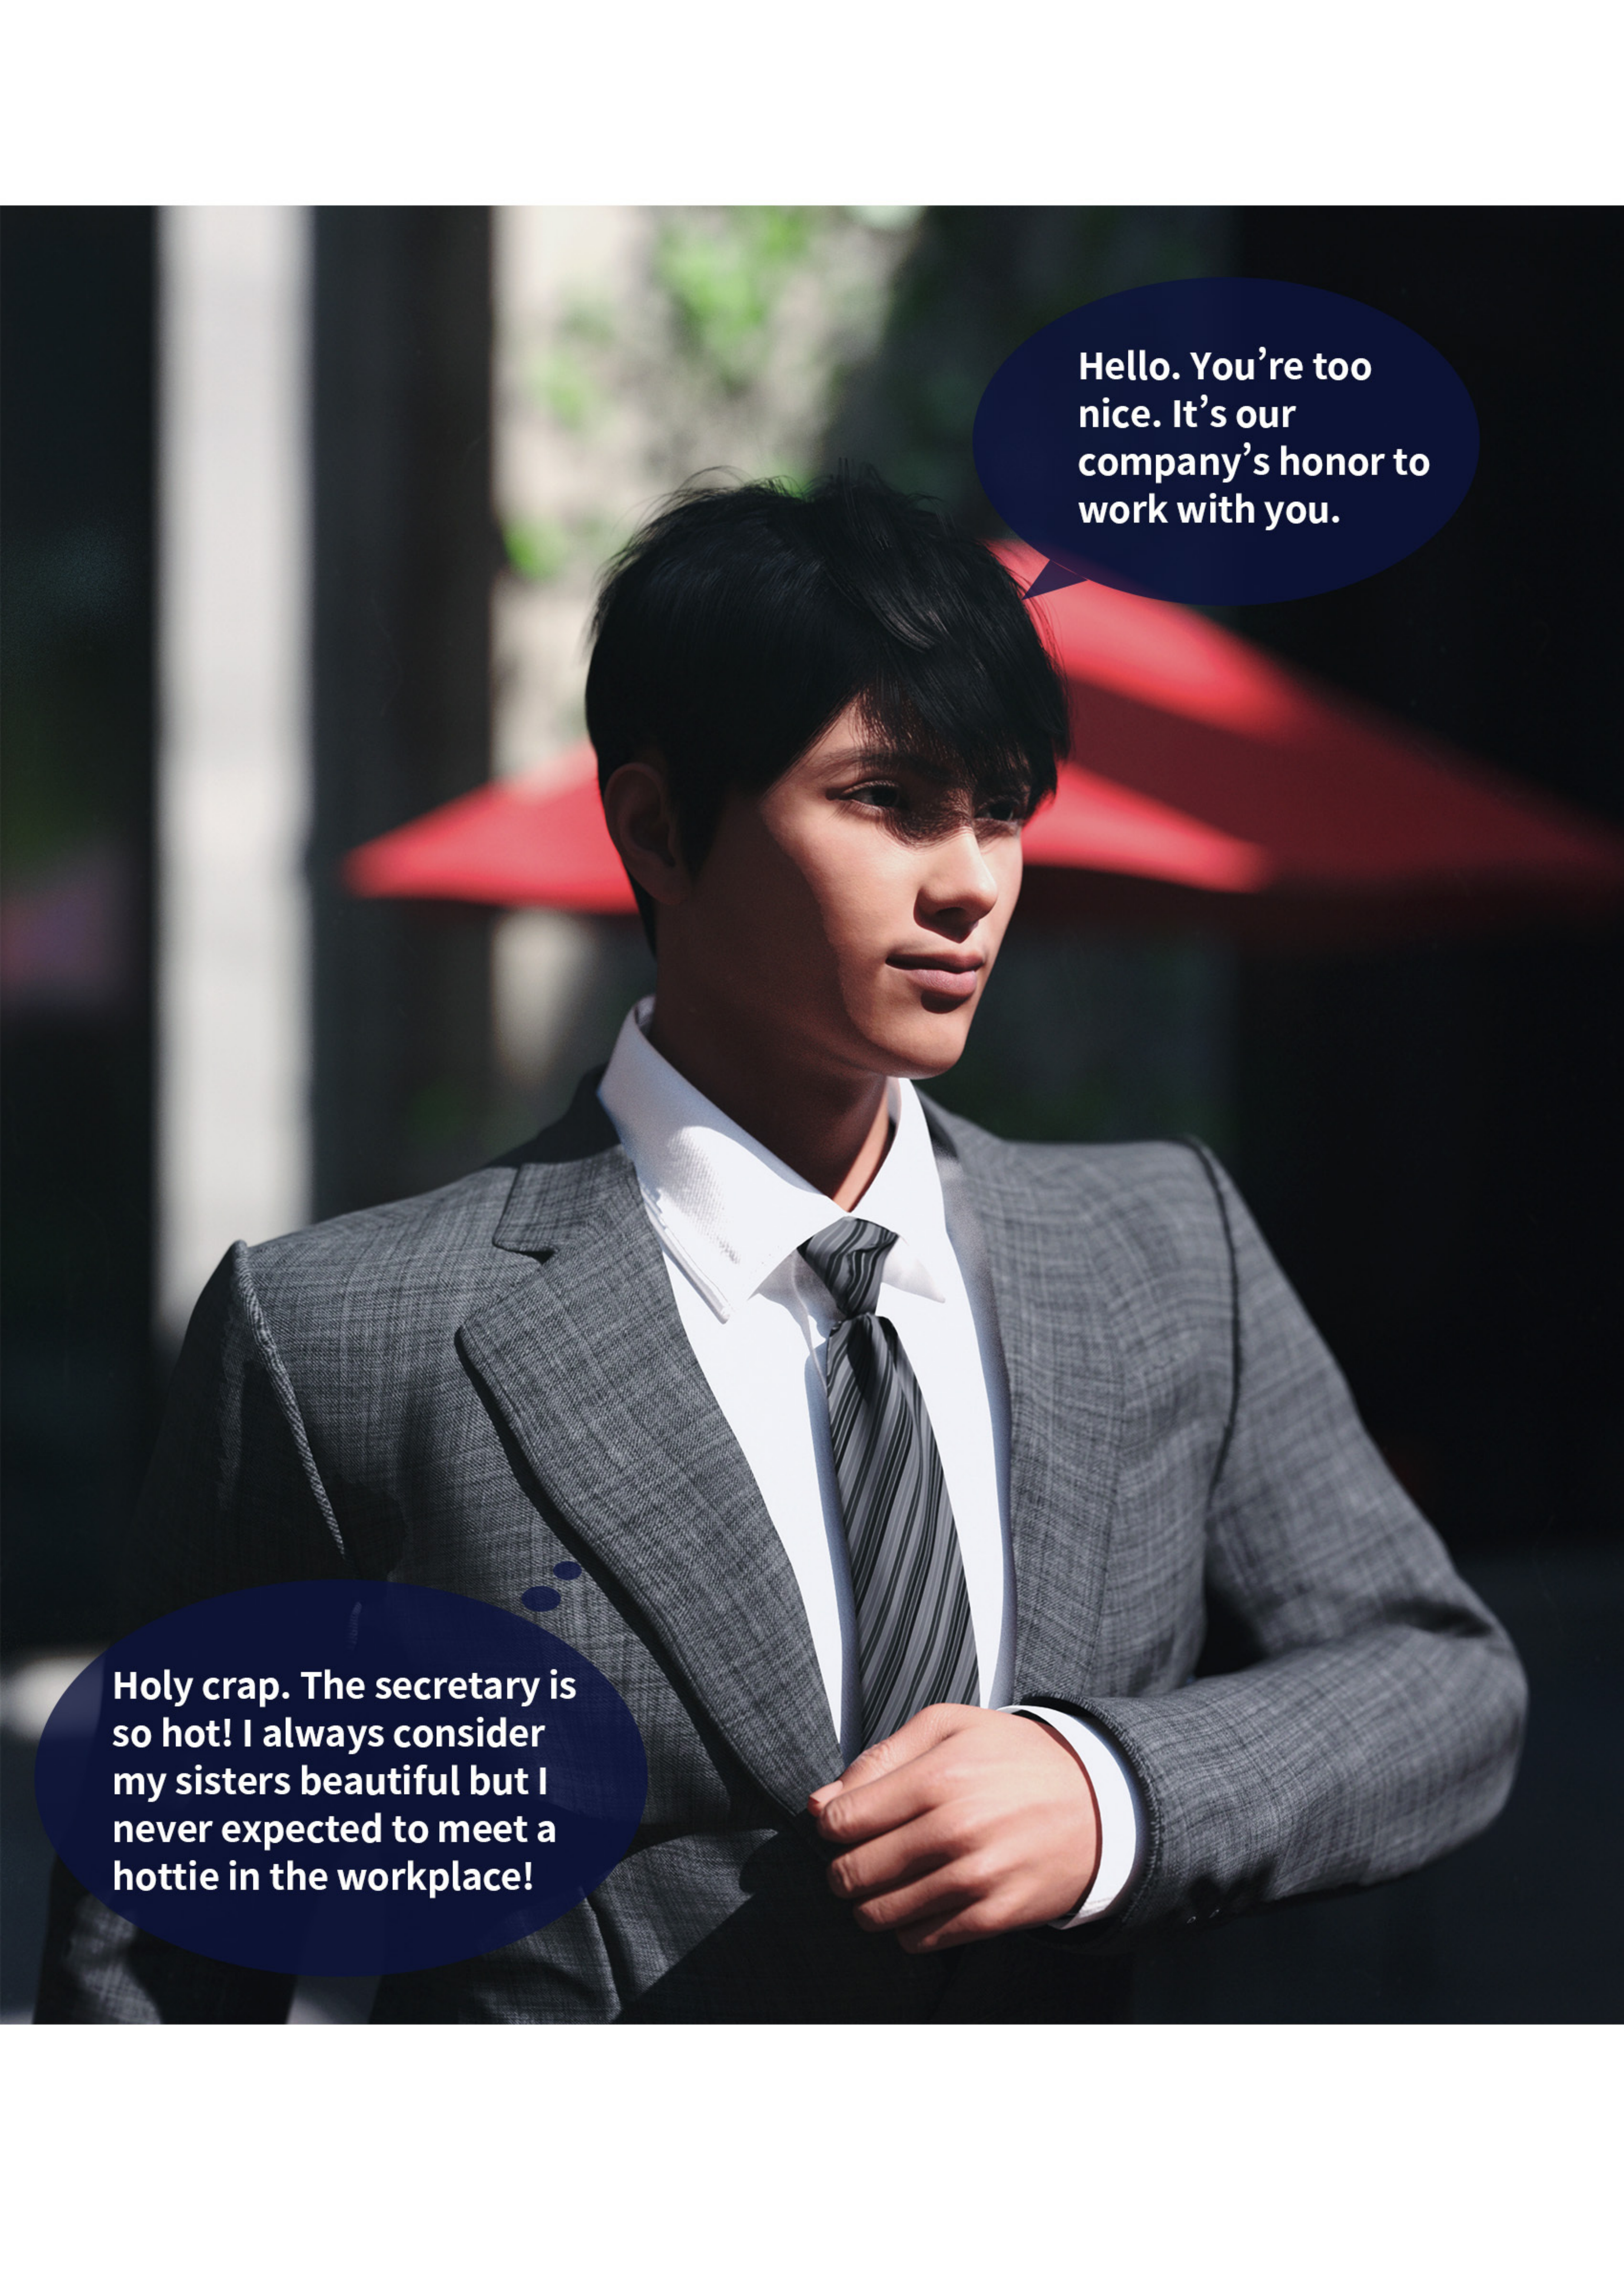

Good morning, general manager Wang. I'm the project manager in charge of your company's projects. You can call me Leo!

Well. Leo, good. She's my secretary Linda. She will be the contact person for the project. You two can meet and know each other.

Hello, manager Leo.
I'm general manager
Wang's secretary.
Just called me Linda!

If we cooperate in
the future, it would
be my honor to work
with you!

Hello. You're too nice. It's our company's honor to work with you.

Holy crap. The secretary is so hot! I always consider my sisters beautiful but I never expected to meet a hottie in the workplace!

A man in a dark suit and tie is pointing his right index finger towards a woman on the right. The woman has long brown hair and is wearing a white, long-sleeved dress. The background is dark and out of focus.

Well, Leo. I heard you're very sharp and affable so I made an exception to cooperate with you. I want you to give me your 100% performance!

Yes. Please rest assured, general manager Wang. I will do my best and be very prudent with our cooperation!

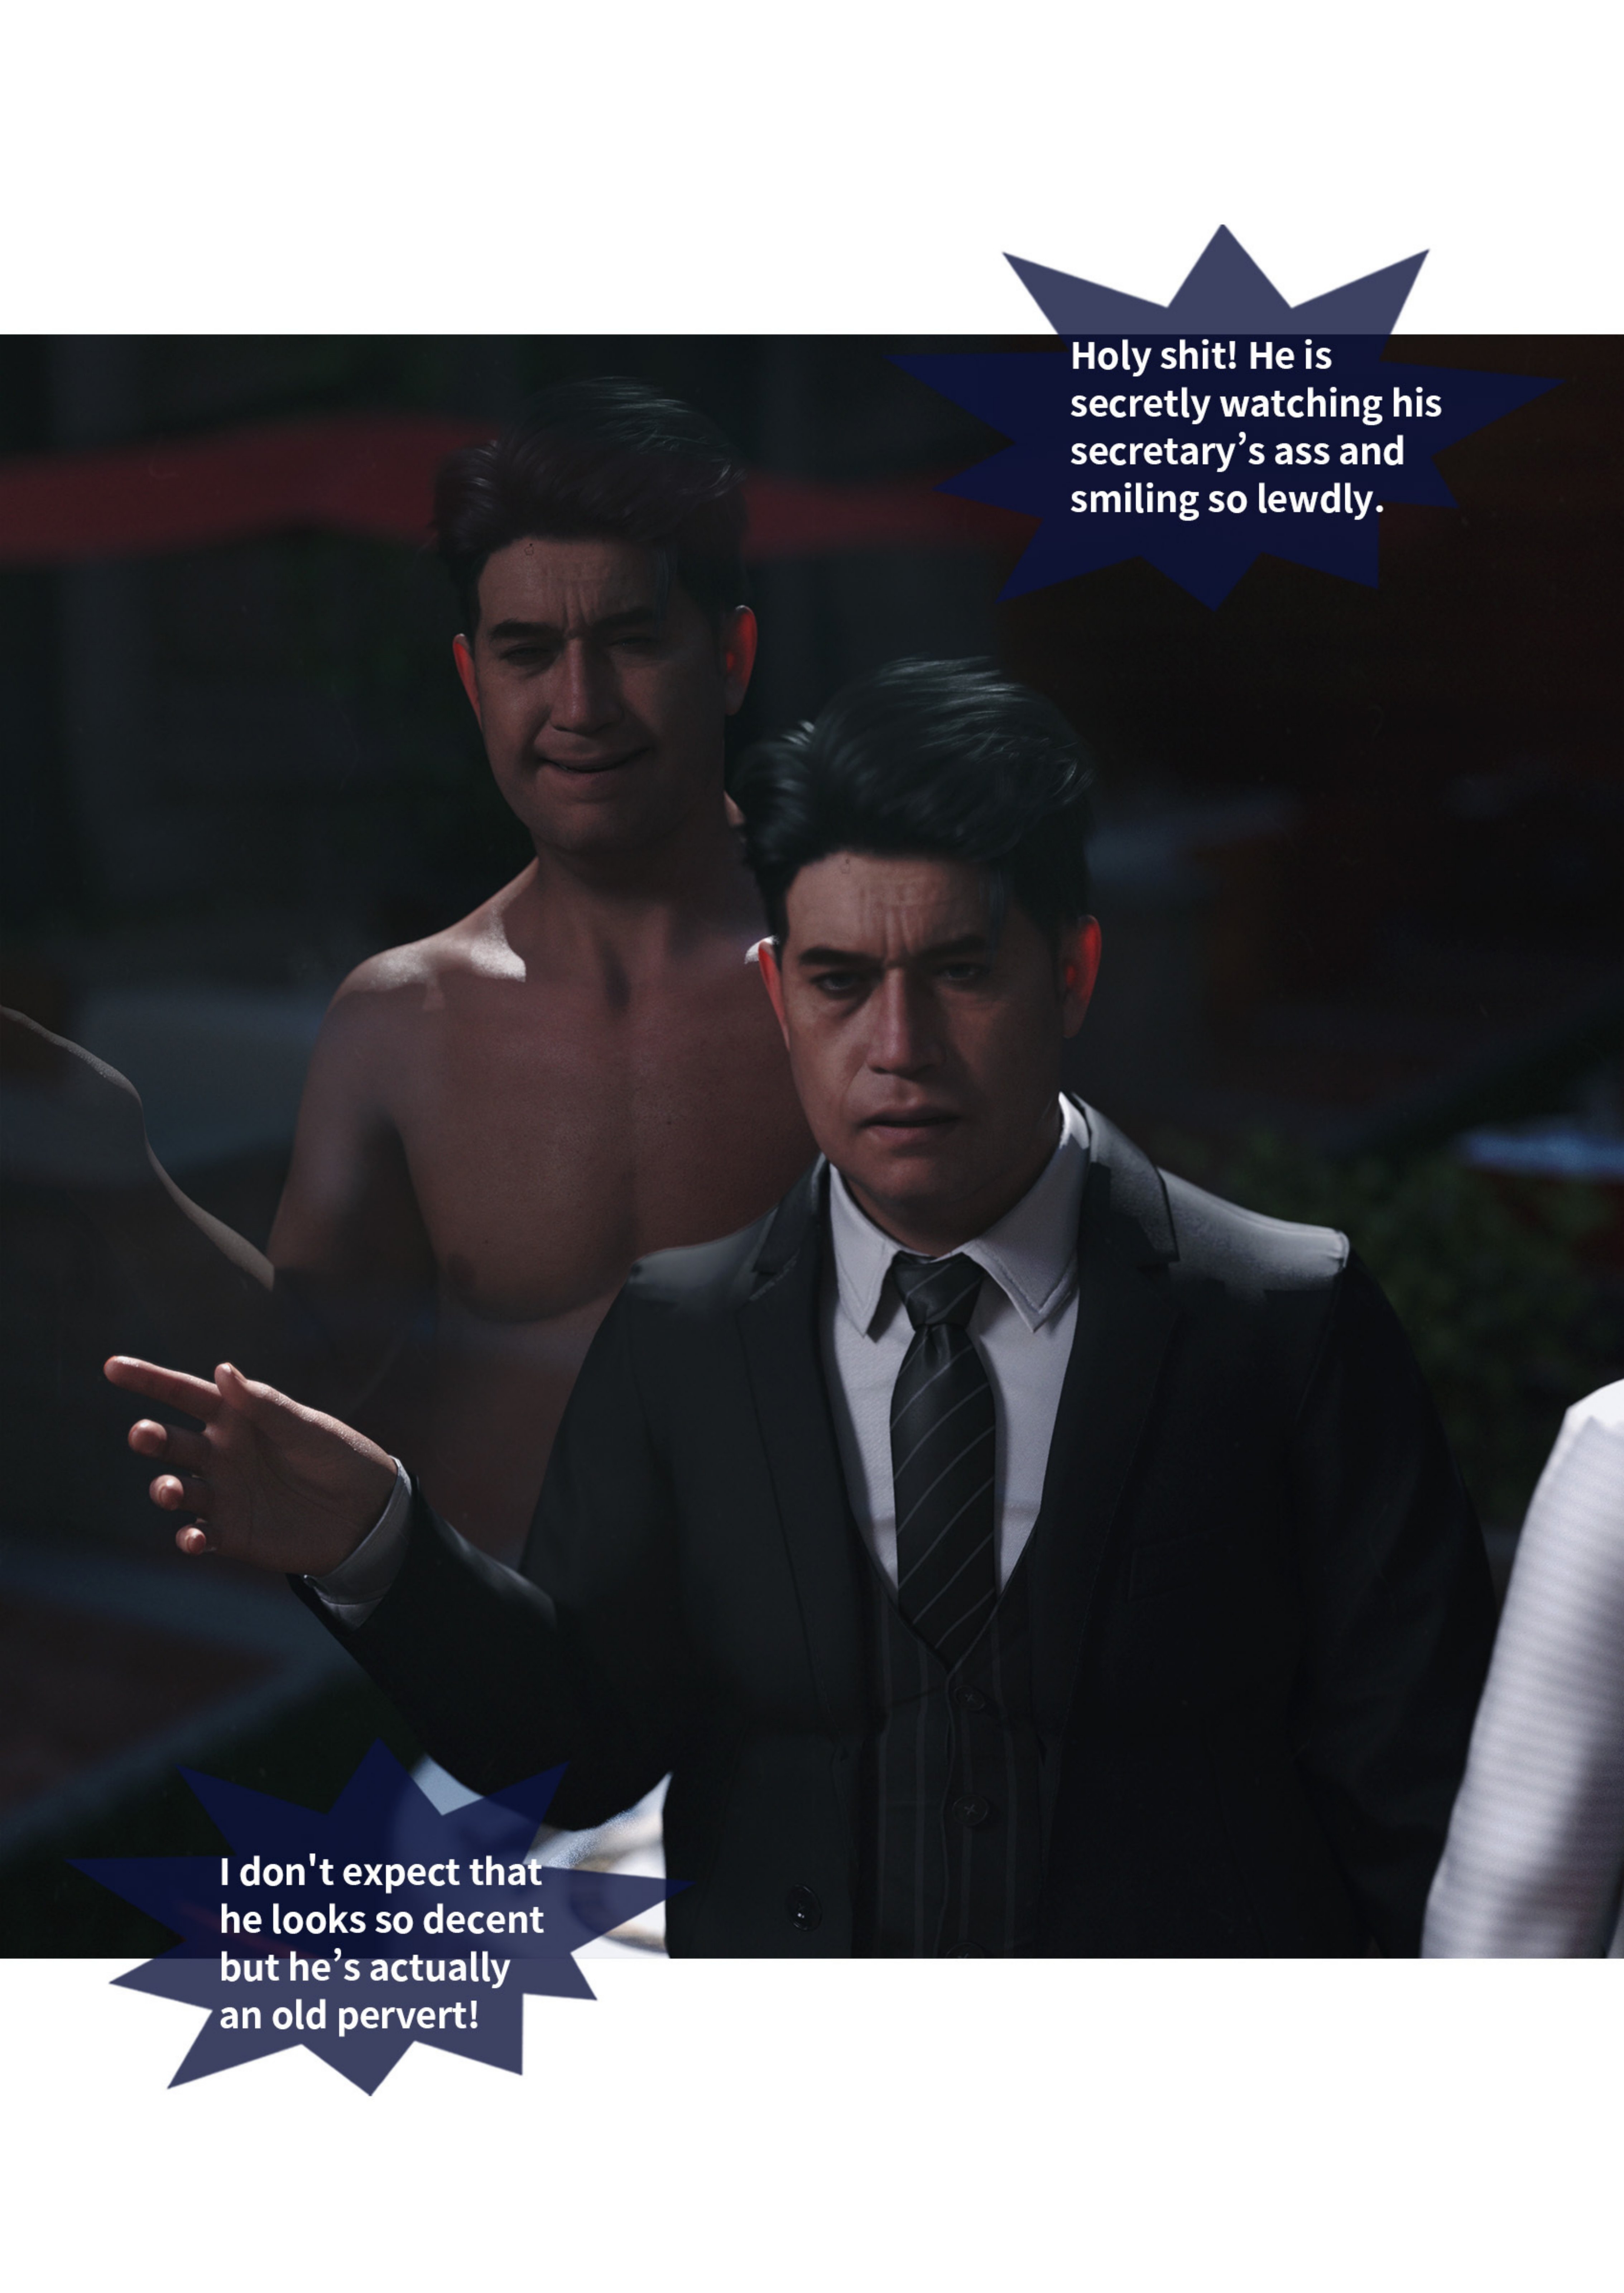

Oh geez! The general manager Wang is a real tough guy just like my coworkers said. However...

Do you see something wrong? The general manager Wang's hands are behind his secretary.

A close-up photograph of a man with dark hair, wearing a grey suit jacket, a white shirt, and a dark tie. He is looking down and to the right with a thoughtful expression, his right hand resting on his forehead. The background is dark with a blurred red light source.

Um. The mysterious situation is the perfect timing for me to use my superpower!

Let's see general manager Wang's mind!

A man in a dark suit, white shirt, and striped tie is looking towards the left with a lewd, smug expression. Behind him, a shirtless man is also looking in the same direction with a similar expression. The background is dark and out of focus.

Holy shit! He is secretly watching his secretary's ass and smiling so lewdly.

I don't expect that he looks so decent but he's actually an old pervert!

A man with dark hair, wearing a grey suit jacket, a white shirt, and a striped tie, is shown from the chest up. He has a thoughtful expression and his right hand is raised, palm facing forward. The background is a blurred outdoor setting with red umbrellas and greenery.

Now I know what he likes. I can report this to my superiors and invite him to the hostess bar!

No need to worry about this, sir. I give you my word that I will present you a very satisfying solution.

Huh! We will see about that. If your performance isn't good enough or I'm not satisfied, I will terminate our contract and find another company!

I will leave the contract details to Linda. I have other business to do so I have to leave!

Yes. Thank you,
general manager
Wang. Have a safe trip!

So manager Leo,
We can discuss the
rest in my office!

Our company is right
across the street.
Please follow me!

Ok, thanks! Linda,
please lead the way.

Yeah! The tough
general manager Wang
left and I can negotiate
with the pretty
secretary. I'm so lucky!

A man with dark hair, wearing a grey suit jacket, a white shirt, and a striped tie, is shown from the chest up. He has a thoughtful expression, with his eyes closed and his right hand raised to his ear. The background is blurred, showing a red structure. Two dark blue speech bubbles are overlaid on the image, containing text.

Well. I can't let my guard down with a beautiful lady. I will use my superpower to check her inside just in case.

I need to clear my mind and stop thinking of her attractive look. Focus...Focus...

Huh?!

**What? What?
What's that?**

Um? Leo, why do you stand still? Do you have something that needs your attention?

If you need my help, please let me know!

What the hell? Her inner self is a hefty dude? This is the biggest difference between that I have ever seen!

Not...nothing. I was...just thinking about work stuff and got too focused.

Oh I see. Please follow me, Leo!

Ok...Ok. I'm right behind you.

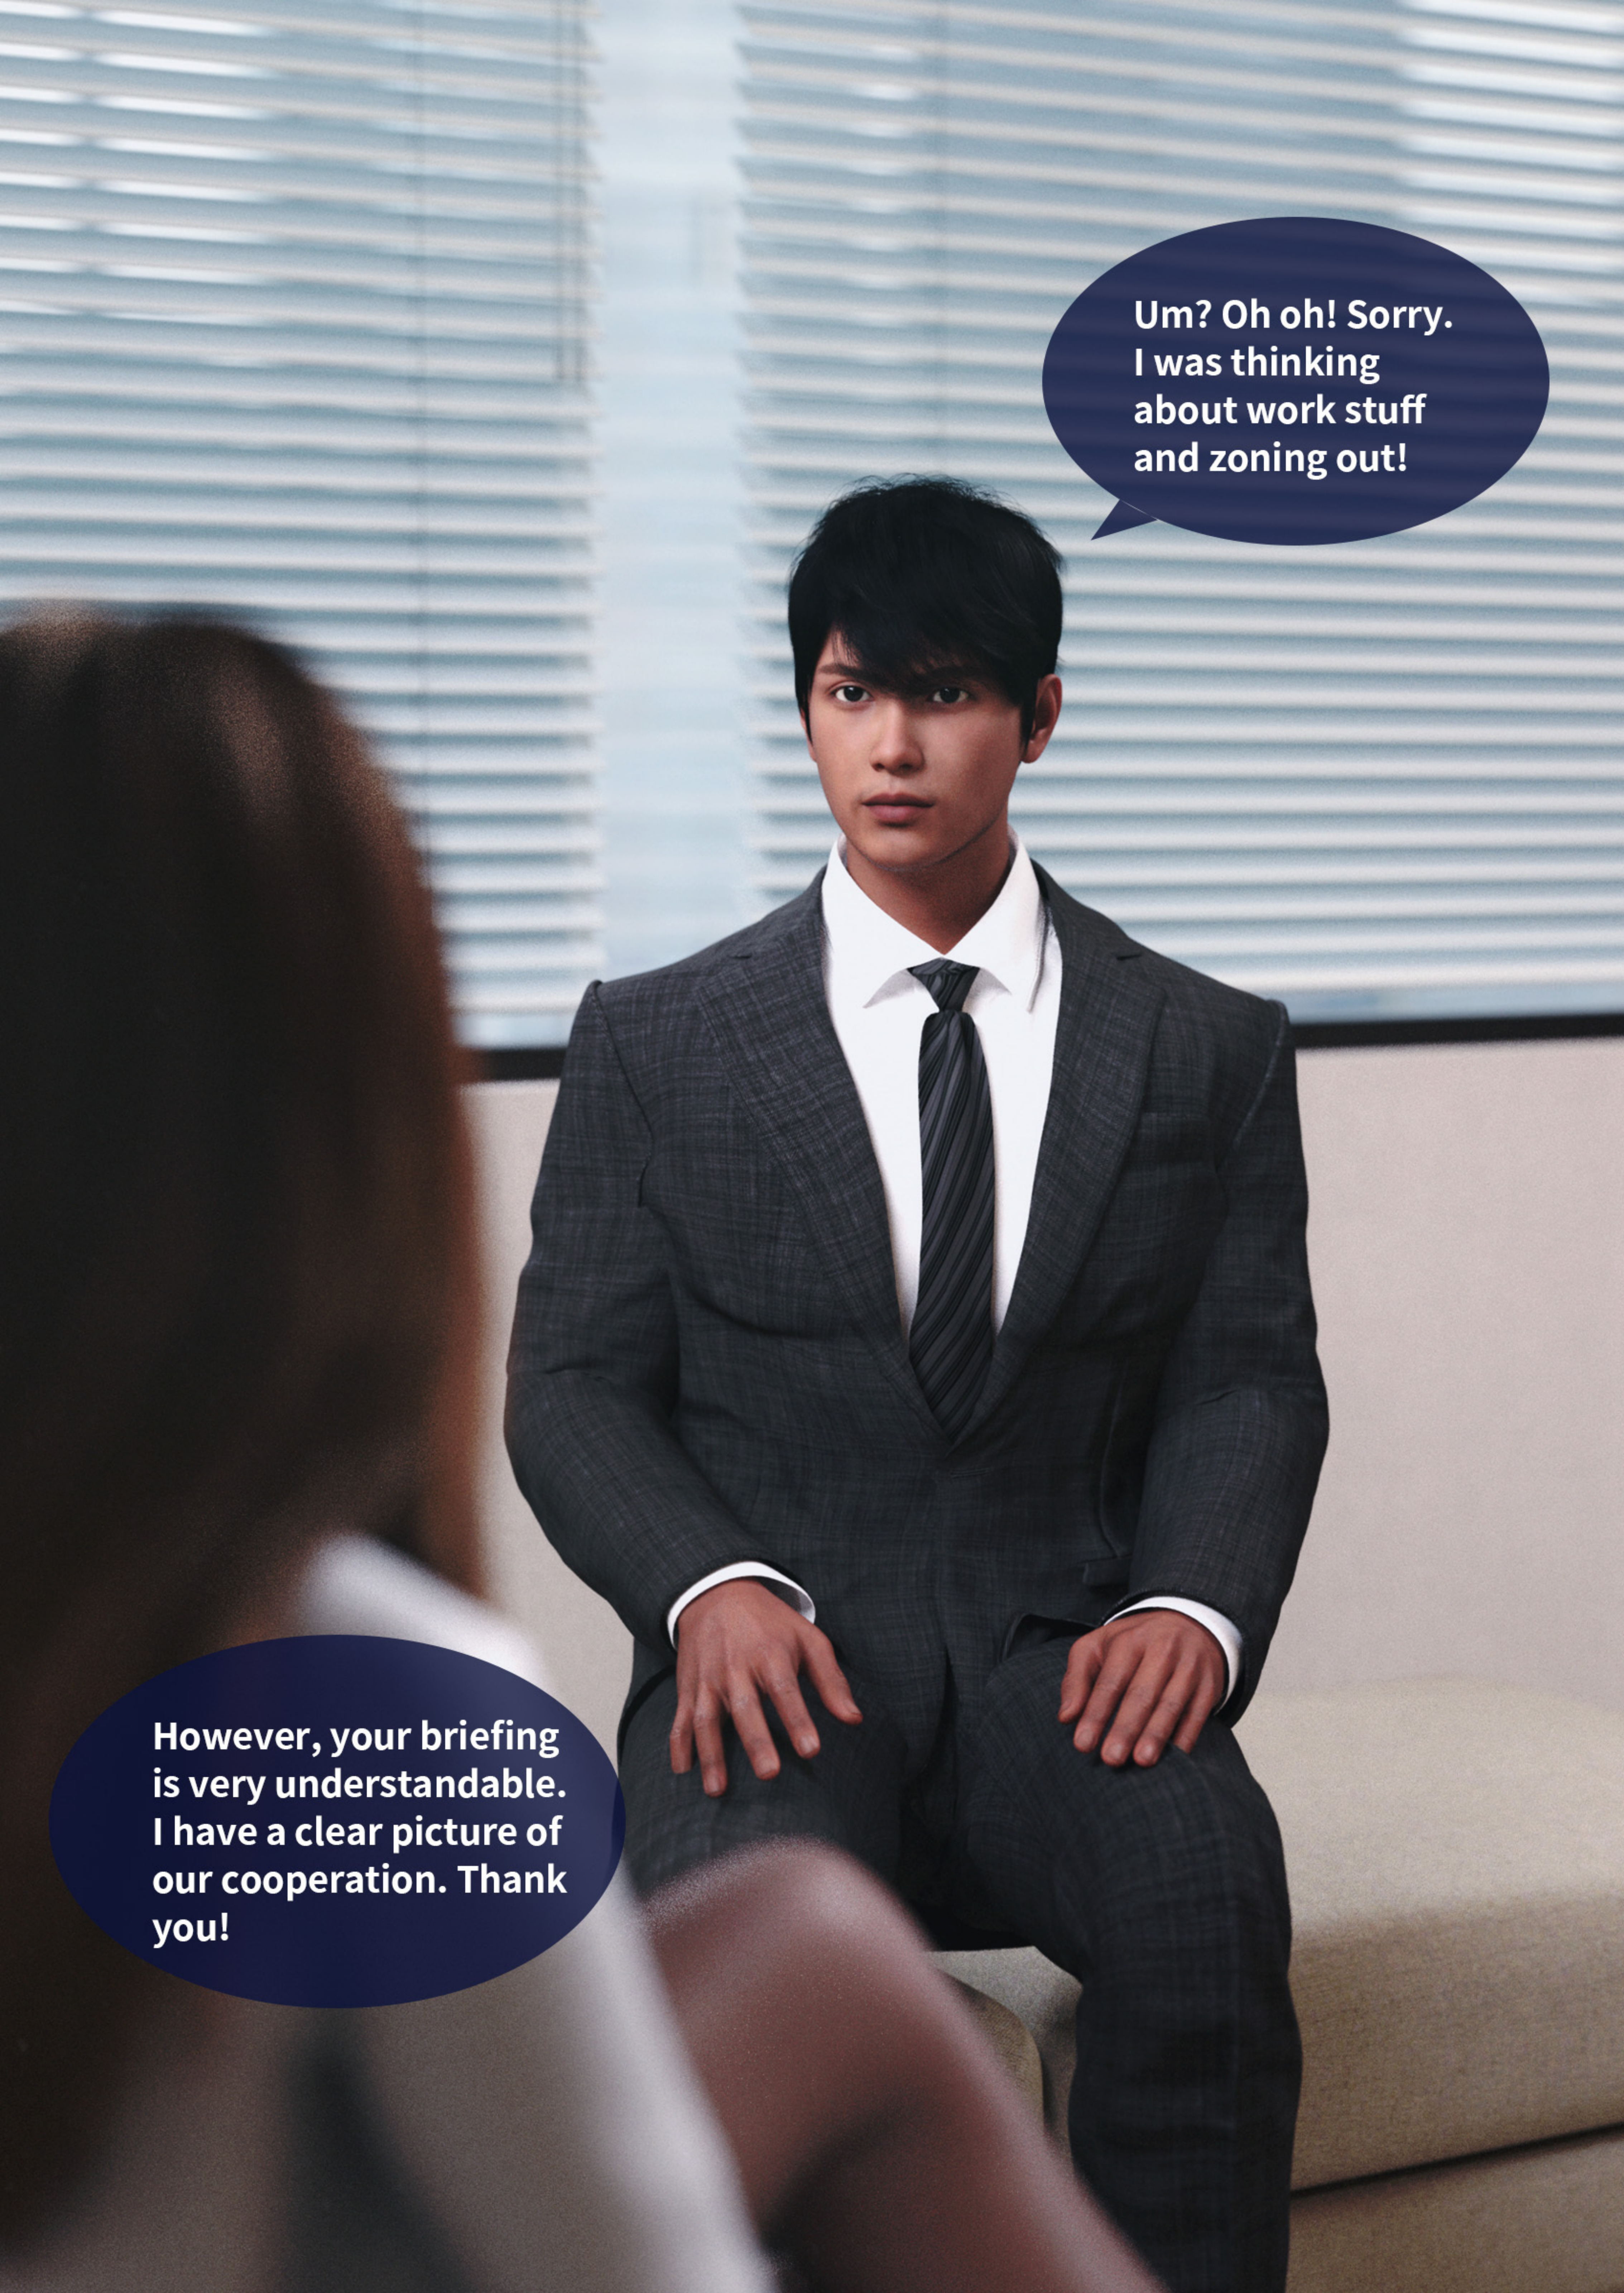

.....Just as my presentation shows , we will invite firms around the world to the exhibition.

A woman with long brown hair, wearing a white business suit with a blue lanyard, is sitting on a beige sofa. She is looking thoughtfully towards the camera with her hand near her chin. The background is a simple, light-colored wall.

So this is the
exhibition layout.
That concludes my
briefing!

I wonder if you have
any questions? Leo,
are you with me?

Um? Oh oh! Sorry.
I was thinking
about work stuff
and zoning out!

However, your briefing
is very understandable.
I have a clear picture of
our cooperation. Thank
you!

A young man with dark hair, wearing a grey suit jacket, white shirt, and dark tie, is shown in a three-quarter view. He has a serious, focused expression. A dark blue speech bubble is positioned to his left, containing white text. The background is a blurred office setting with windows.

**Psst...Focus, Leo!
This is a huge deal
that I can't mess up!**

**But...But the weird
scene made me can't
focus!**

Why does a radiant and elegant lady have an inner self who is a tough-looking buff man and full of scars?!

Even if she privately is a bad temper or violent person, I never saw look and inner self's sex are different!

Does she have gender incongruence and identify herself as a man?

Even if my hypothesis was correct, her inner self should be an Adonis. Why is her inner self a pervert and evil-looking roughneck man?

It's the first time this happened to me since I got the magical stone statue. Maybe I can feel her out.

Speaking of that, uniform reform is the hot topic. I wonder if you want to wear pants or skirts to work?

A woman with long dark hair, wearing a grey business suit and black tights, is sitting on a light-colored couch. She has her hand to her chin in a thoughtful pose. The background shows a modern office or living space with a bookshelf and a framed picture.

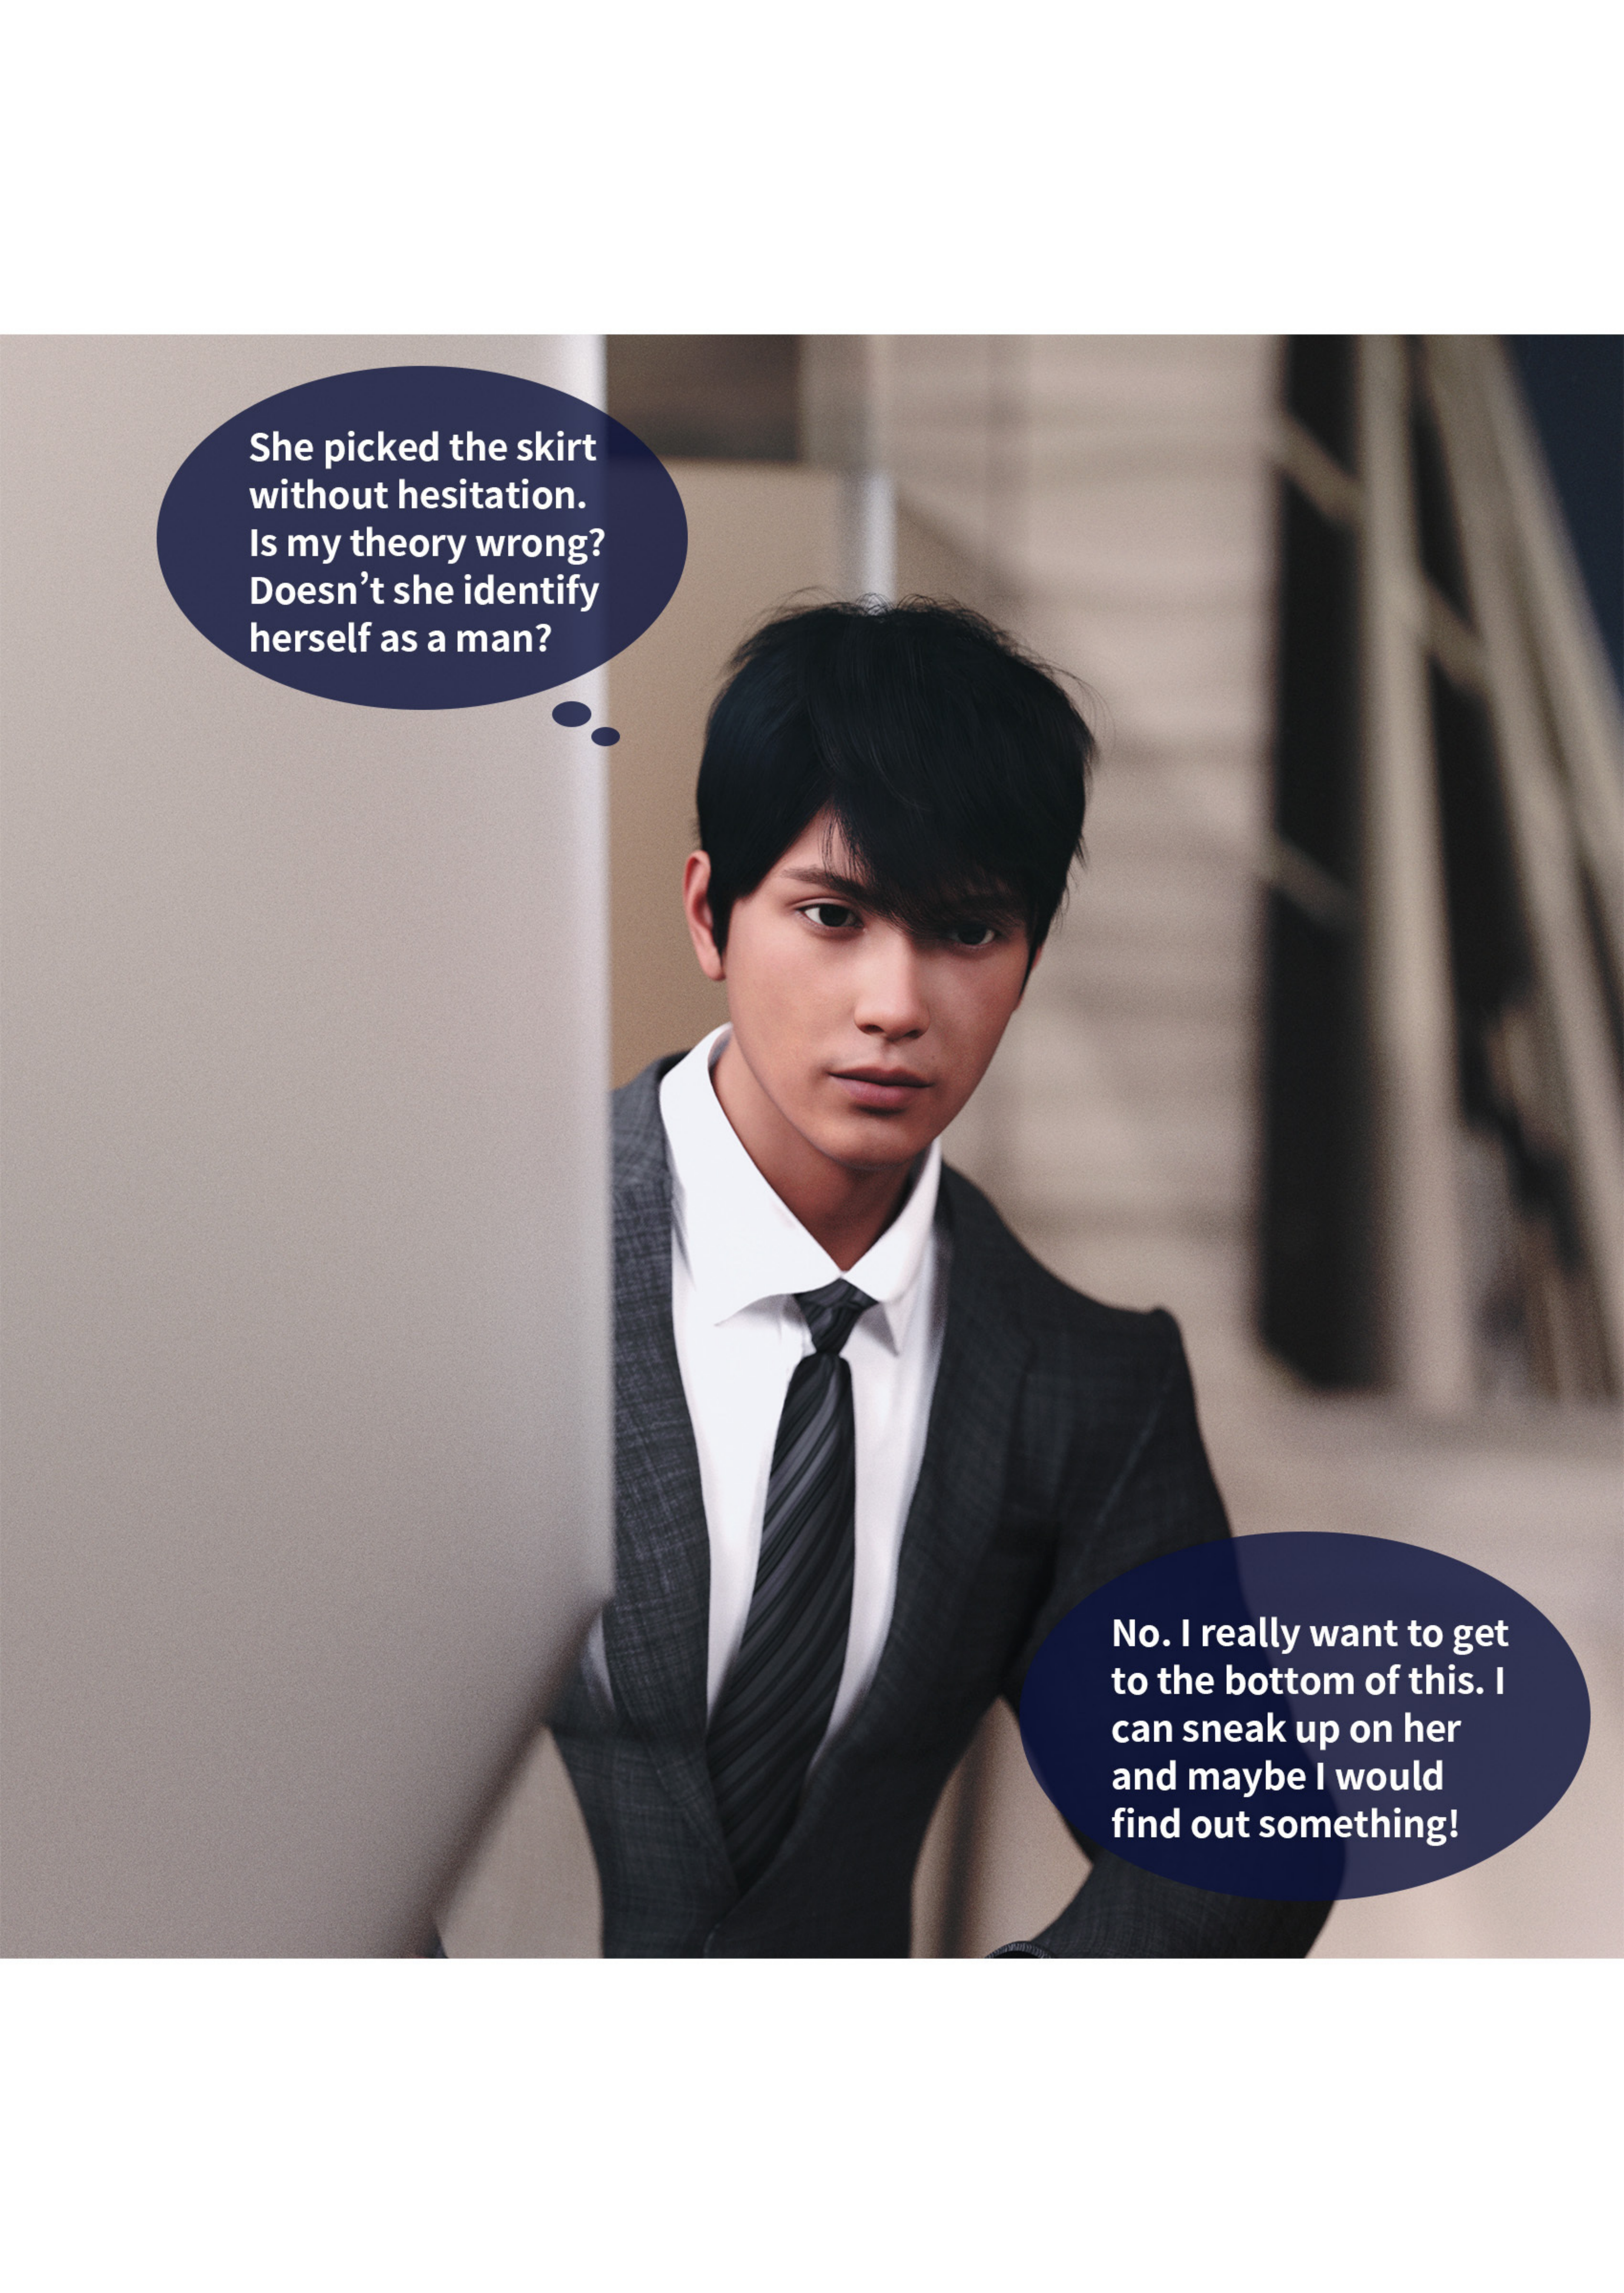

Oh? What an interesting question. Of course I chose the skirt. Well...huh huh!

Sorry, Leo. I need to powder my nose. We can pick up the topic after I come back.

Please wait here.
I will be right back!

Open the door

Ok. Please take
your time.

A young man with dark hair, wearing a grey suit, white shirt, and striped tie, is looking off to the side with a thoughtful expression. A dark blue speech bubble is positioned above his head, containing text. The background is a blurred indoor setting.

**She picked the skirt
without hesitation.
Is my theory wrong?
Doesn't she identify
herself as a man?**

**No. I really want to get
to the bottom of this. I
can sneak up on her
and maybe I would
find out something!**

A woman with long brown hair, wearing a light blue ribbed suit and black high heels, is walking away from the camera down a hallway. A man in a dark suit is standing in the foreground, looking at her. The hallway has a tiled floor and a wall with a large window or glass partition. A dark blue speech bubble is positioned above the man's head, and another dark blue speech bubble is positioned near the woman's feet.

Huh. On my way here, the restroom is the other way.

Why does Linda go the other way?
Where's she going?

I follow her all the way. Linda entered the empty office. What's she doing?

Phew! It's so fucking exhausting. I never thought it's so difficult to be a woman!

A woman with long dark hair, wearing a light-colored pinstriped business suit and a blue lanyard with a white ID card, is sitting on a grey bench. She has her eyes closed and a slightly pained or weary expression. The background is a plain, light-colored wall.

Although it's so much better being an enchanting woman than being a lowlife man.

But I have to pretend to be a gentle and soft-spoken lady. High heels are killing my feet!

A woman with long dark hair, wearing a light-colored pinstriped suit jacket over a white collared shirt. She has a blue lanyard with a white ID card around her neck. She is looking slightly to her left with a subtle smile. The background is a plain, light-colored wall.

Although being a lady is very challenging, I can play the sexy body anytime I want. It still worth it!

Having a gorgeous face and soft body, I always turned-on! He he!

I can caress or play
my favorite black
stockings leg anytime
and anywhere.

Caress

Holy shit. Just using
a woman's hands to
touch my crotch, it
becomes so moist
and excited!

A person wearing a black, form-fitting skin suit is shown from the chest down. A hand with long, manicured nails is resting on their right shoulder. The background is a dark, textured surface.

**Ohhh! No! It feels
so awesome that
my cock is going to
come out!**

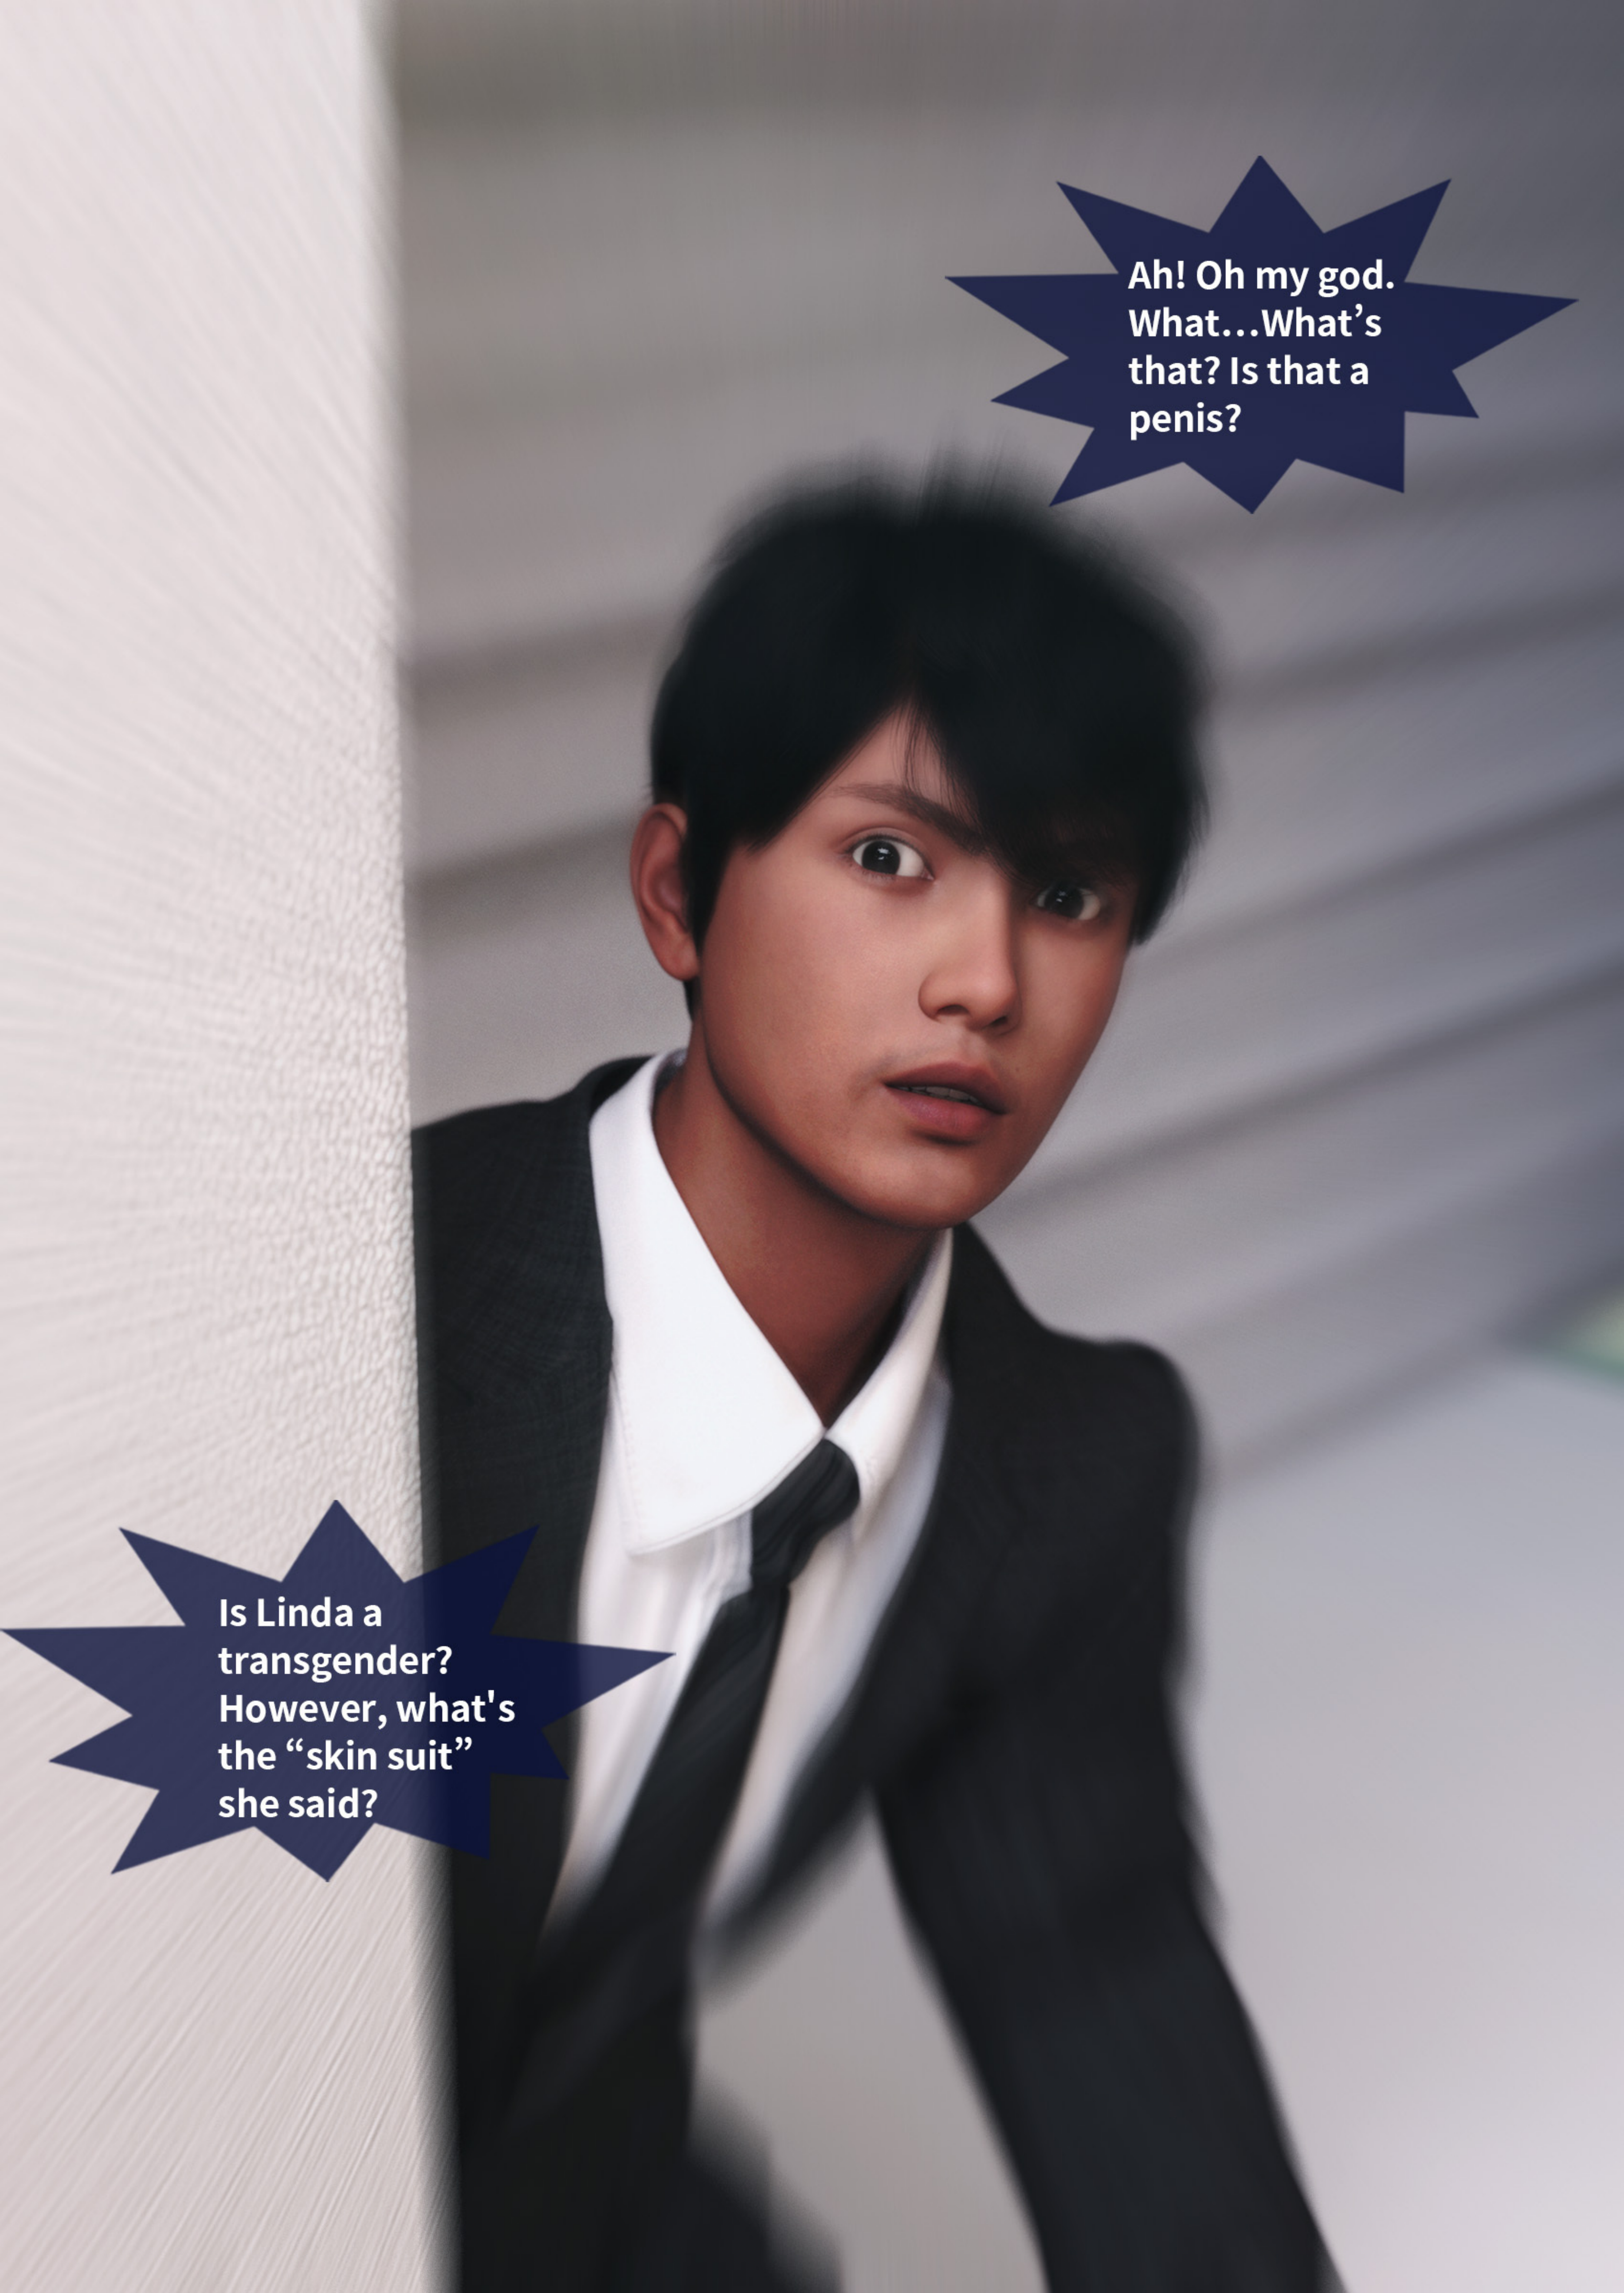

Show up!

**My dick is coming
out from my skin
suit! Ahhh!**

Jesus fucking christ! I love the sensation when my cock slips out from the pussy!

My cock is tightly wrapped by stockings. The silk feeling is so amazing!

A young man with dark hair, wearing a black suit jacket, white shirt, and black tie, is leaning against a white wall. He has a surprised expression on his face, with wide eyes and a slightly open mouth. The background is a blurred indoor setting with a window showing blinds.

Ah! Oh my god.
What...What's
that? Is that a
penis?

Is Linda a
transgender?
However, what's
the "skin suit"
she said?

I must admit that when Linda salaciously strokes her cock, it makes her having an inner male self more reasonable.

Even if Linda is a transgender who underwent plastic surgeries, there's no way that she can make her penis come out at her will.

A close-up photograph of a woman in a grey business suit and black stockings. She is wearing a blue lanyard with a white ID badge. Her hands are resting on her thighs, and she is wearing a gold ring on her left hand. A teal speech bubble is overlaid on the image, containing text.

Huh~It's so unfortunate that there's a dork waiting for me in the meeting room so I can't have a good time now.

My cock is so hard that I really want to fap. It would be so wonderful that I can spray my semen all over the black stockings!

A woman with long brown hair, wearing a white long-sleeved business suit jacket and a matching skirt, is leaning forward. She is wearing black high-heeled shoes and dark tights. She has a blue lanyard with a white ID card around her neck. She is standing on a patterned rug in front of a beige sofa. The background features a wall with a diamond-patterned mesh.

Woo. However lovely Linda's tiny hands make me feel so great. My cock is too erected to hide!

But I'm a beautiful secretary, I can't have a middle-aged man's erect and smelly cock to meet my business partner.

Um ah~Come on, Linda. Please hide the middle-aged man's dick!

If I go meet my client with a huge bulge on my skirt, he would think I'm a shemale with a massive cock!

Phew~Finally, I managed to stuff my cock back in. I will have a good time with my hot chick look in the evening!

This skin suit is young and pretty. It's so fantastic but it's just too tight for a middle-aged man like me!

I need some fresh air before I go back and negotiate the contract. It almost smothers me to death!

The weather has been so hot recently. It makes me so uncomfortable. Oh man!

Take off

A man in a grey suit is shown from the chest up, wearing a skin suit that has the face of a woman with long dark hair and a ring on her finger. The man's face is visible through the suit's head opening, showing a wide, toothy grin and some red marks on his forehead. He is looking upwards and to the right. The woman's face is resting on his shoulder, with her eyes closed and a serene expression. She has her hands near her head. A blue lanyard with a white ID card hangs from his neck. The background is a blurred, light-colored wall.

Phew~I feel so
much better.
Linda's skin suit is
smothering me!

After I put on her
skin suit, hearing my
voice is so strange!
Ha ha!

**My...My god!
There's a man
coming out from
Linda's body!**

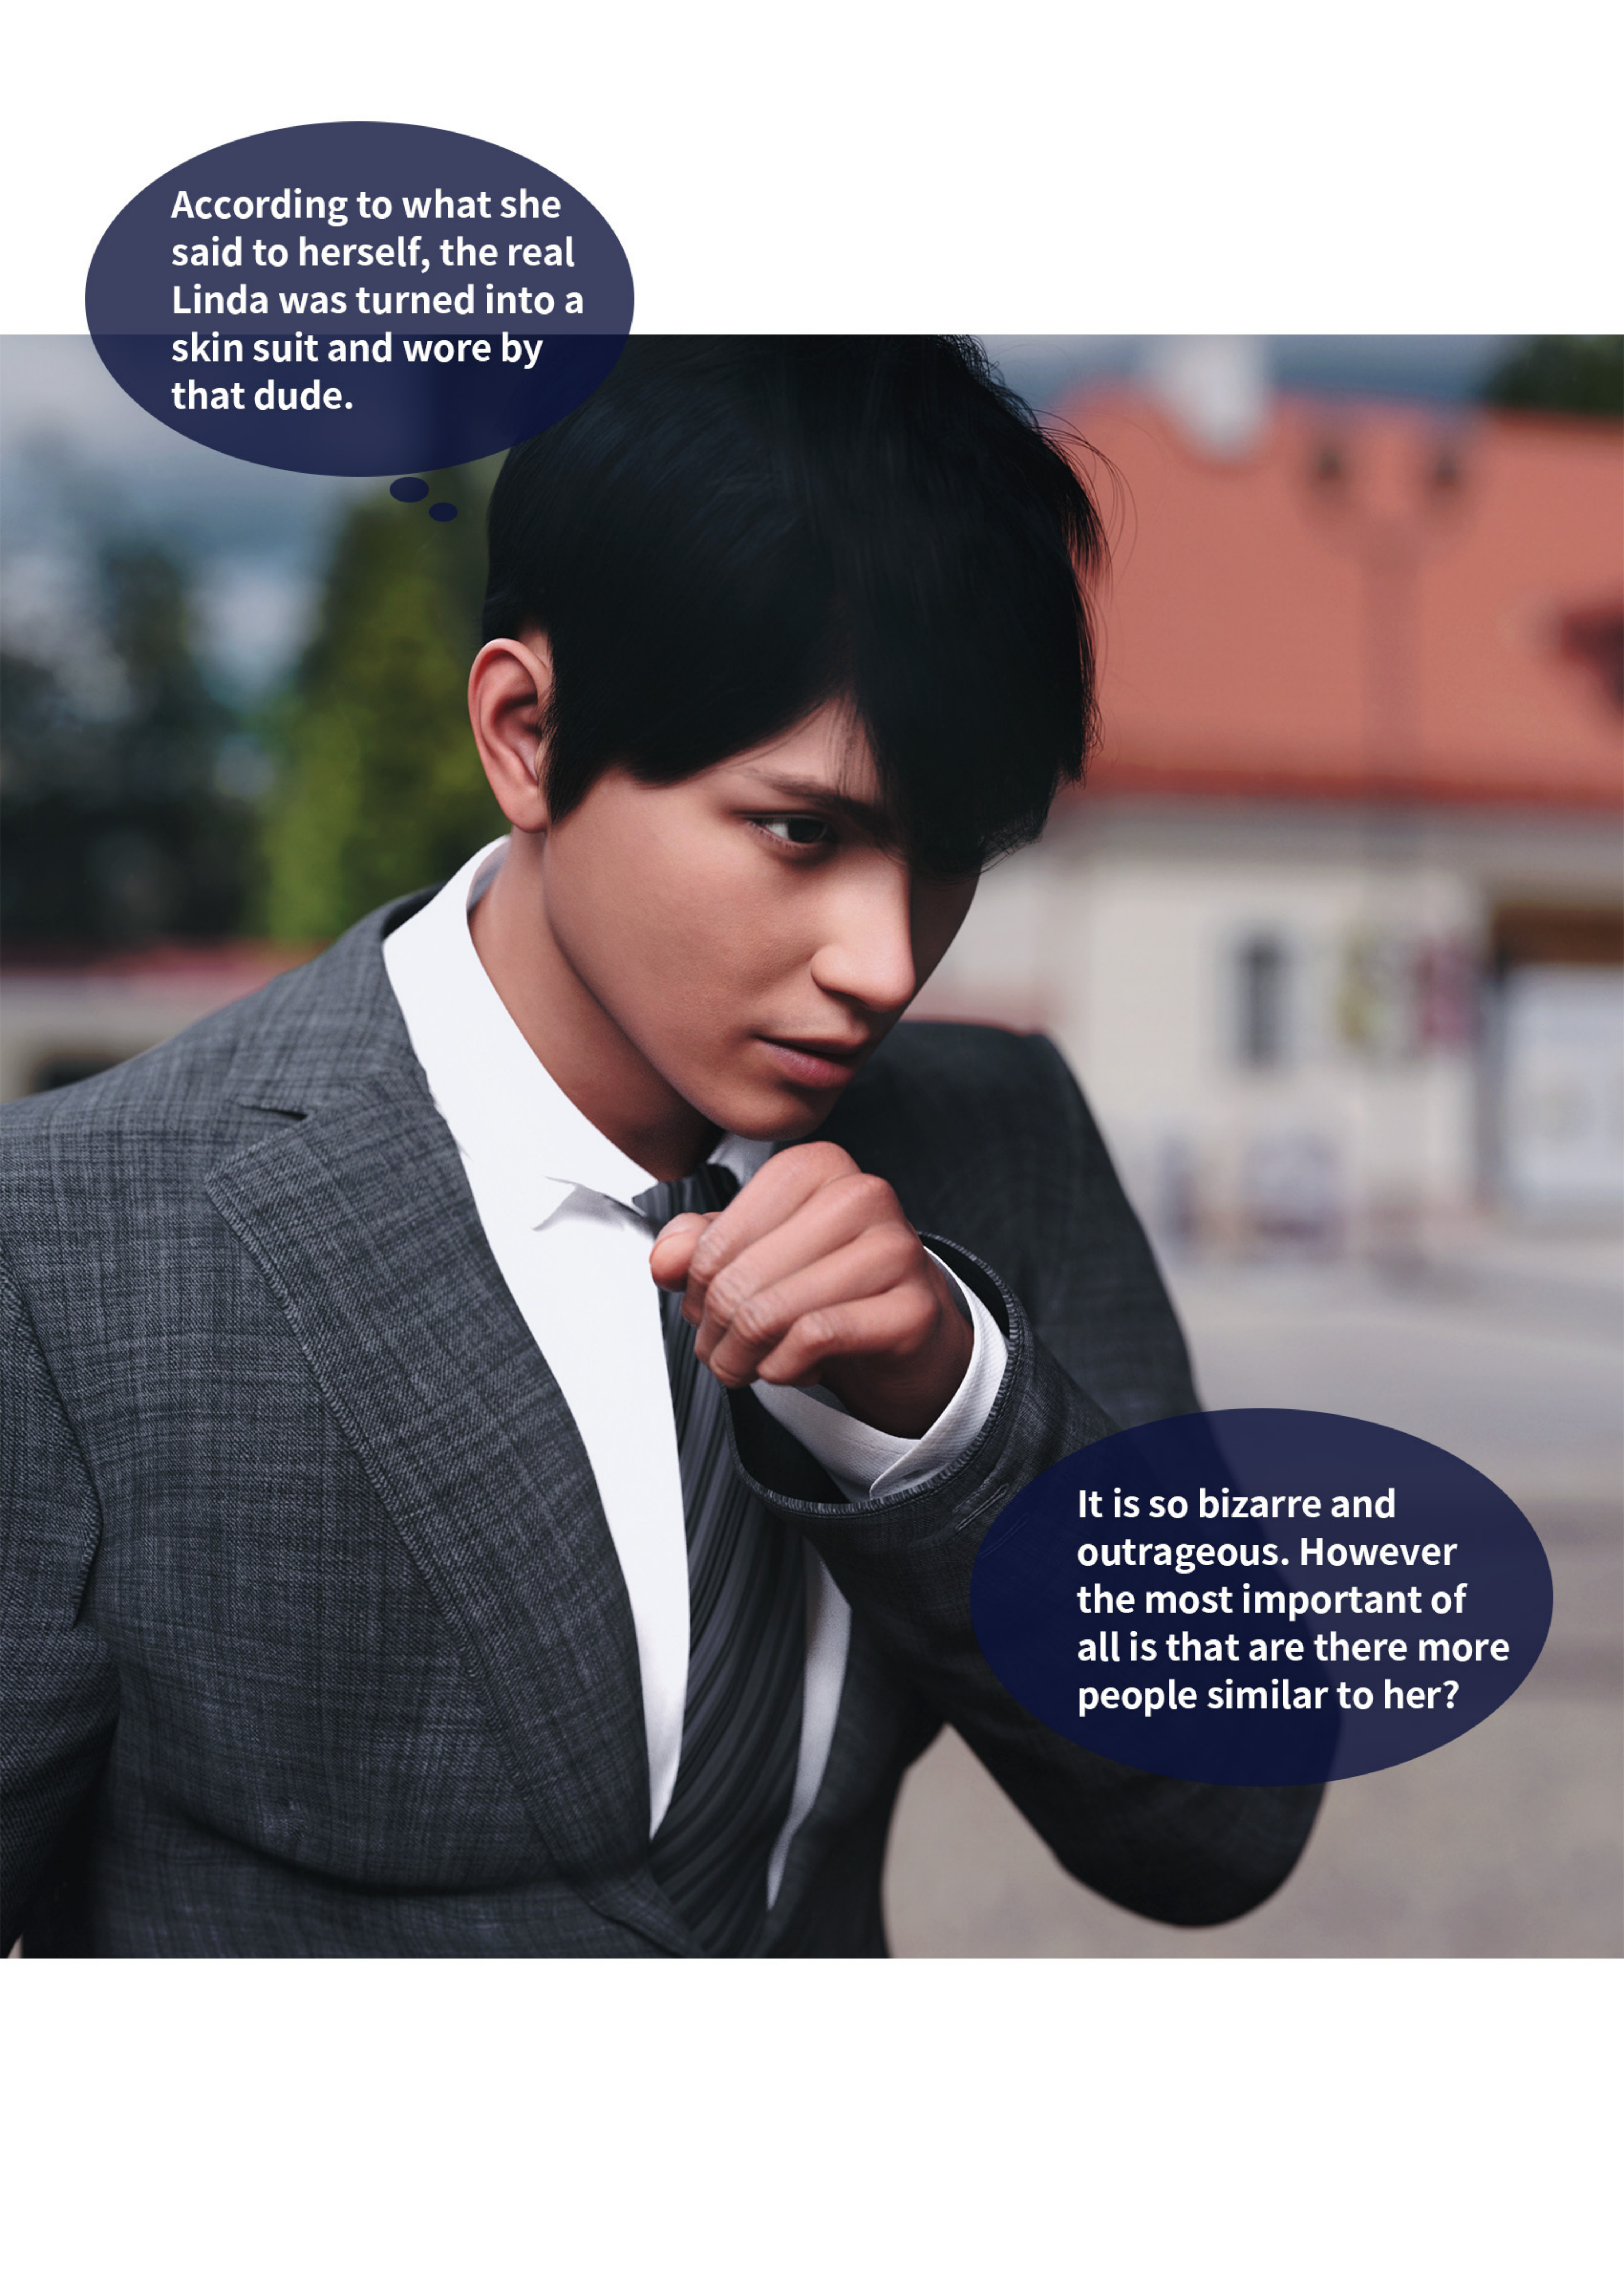

**The face...That's
the same face from
her inner self?!**

**It's...It's so
horrible. Screw the
deal! I'm getting
out of here!**

A man in a grey suit, white shirt, and striped tie is shown from the waist up. He has a distressed expression, looking down and to the side, with his right hand pressed against his forehead. The background is a blurred outdoor setting with a building and a white canopy. Two dark blue speech bubbles are overlaid on the image, one in the top right and one in the bottom left.

So I was so afraid that I left the work behind.

But that was not my fault. If anyone had witnessed that horror, they would very likely pass out in fear!

According to what she said to herself, the real Linda was turned into a skin suit and wore by that dude.

It is so bizarre and outrageous. However the most important of all is that are there more people similar to her?

Geez. No. Just thinking about the horrible monster around me, it makes me so paranoid!

Just to be safe, I'm going to use my superpower to check my surroundings so I would feel much safer!

Let's see. The couple over there look so normal. Their inner selves and appearances match.

Other passers-by are the same. Maybe some inner selves and appearances are slightly different. No one's inner self and appearance's sexes are different.

A woman with long black hair, wearing a white button-down shirt and a black skirt, stands next to a shirtless man with a short haircut. They are in an outdoor setting with a blurred background of buildings and a large bouquet of flowers. Two dark blue starburst callouts contain text.

Wait. What did I see? That....That girl...She...

Her inner self is a man. What?

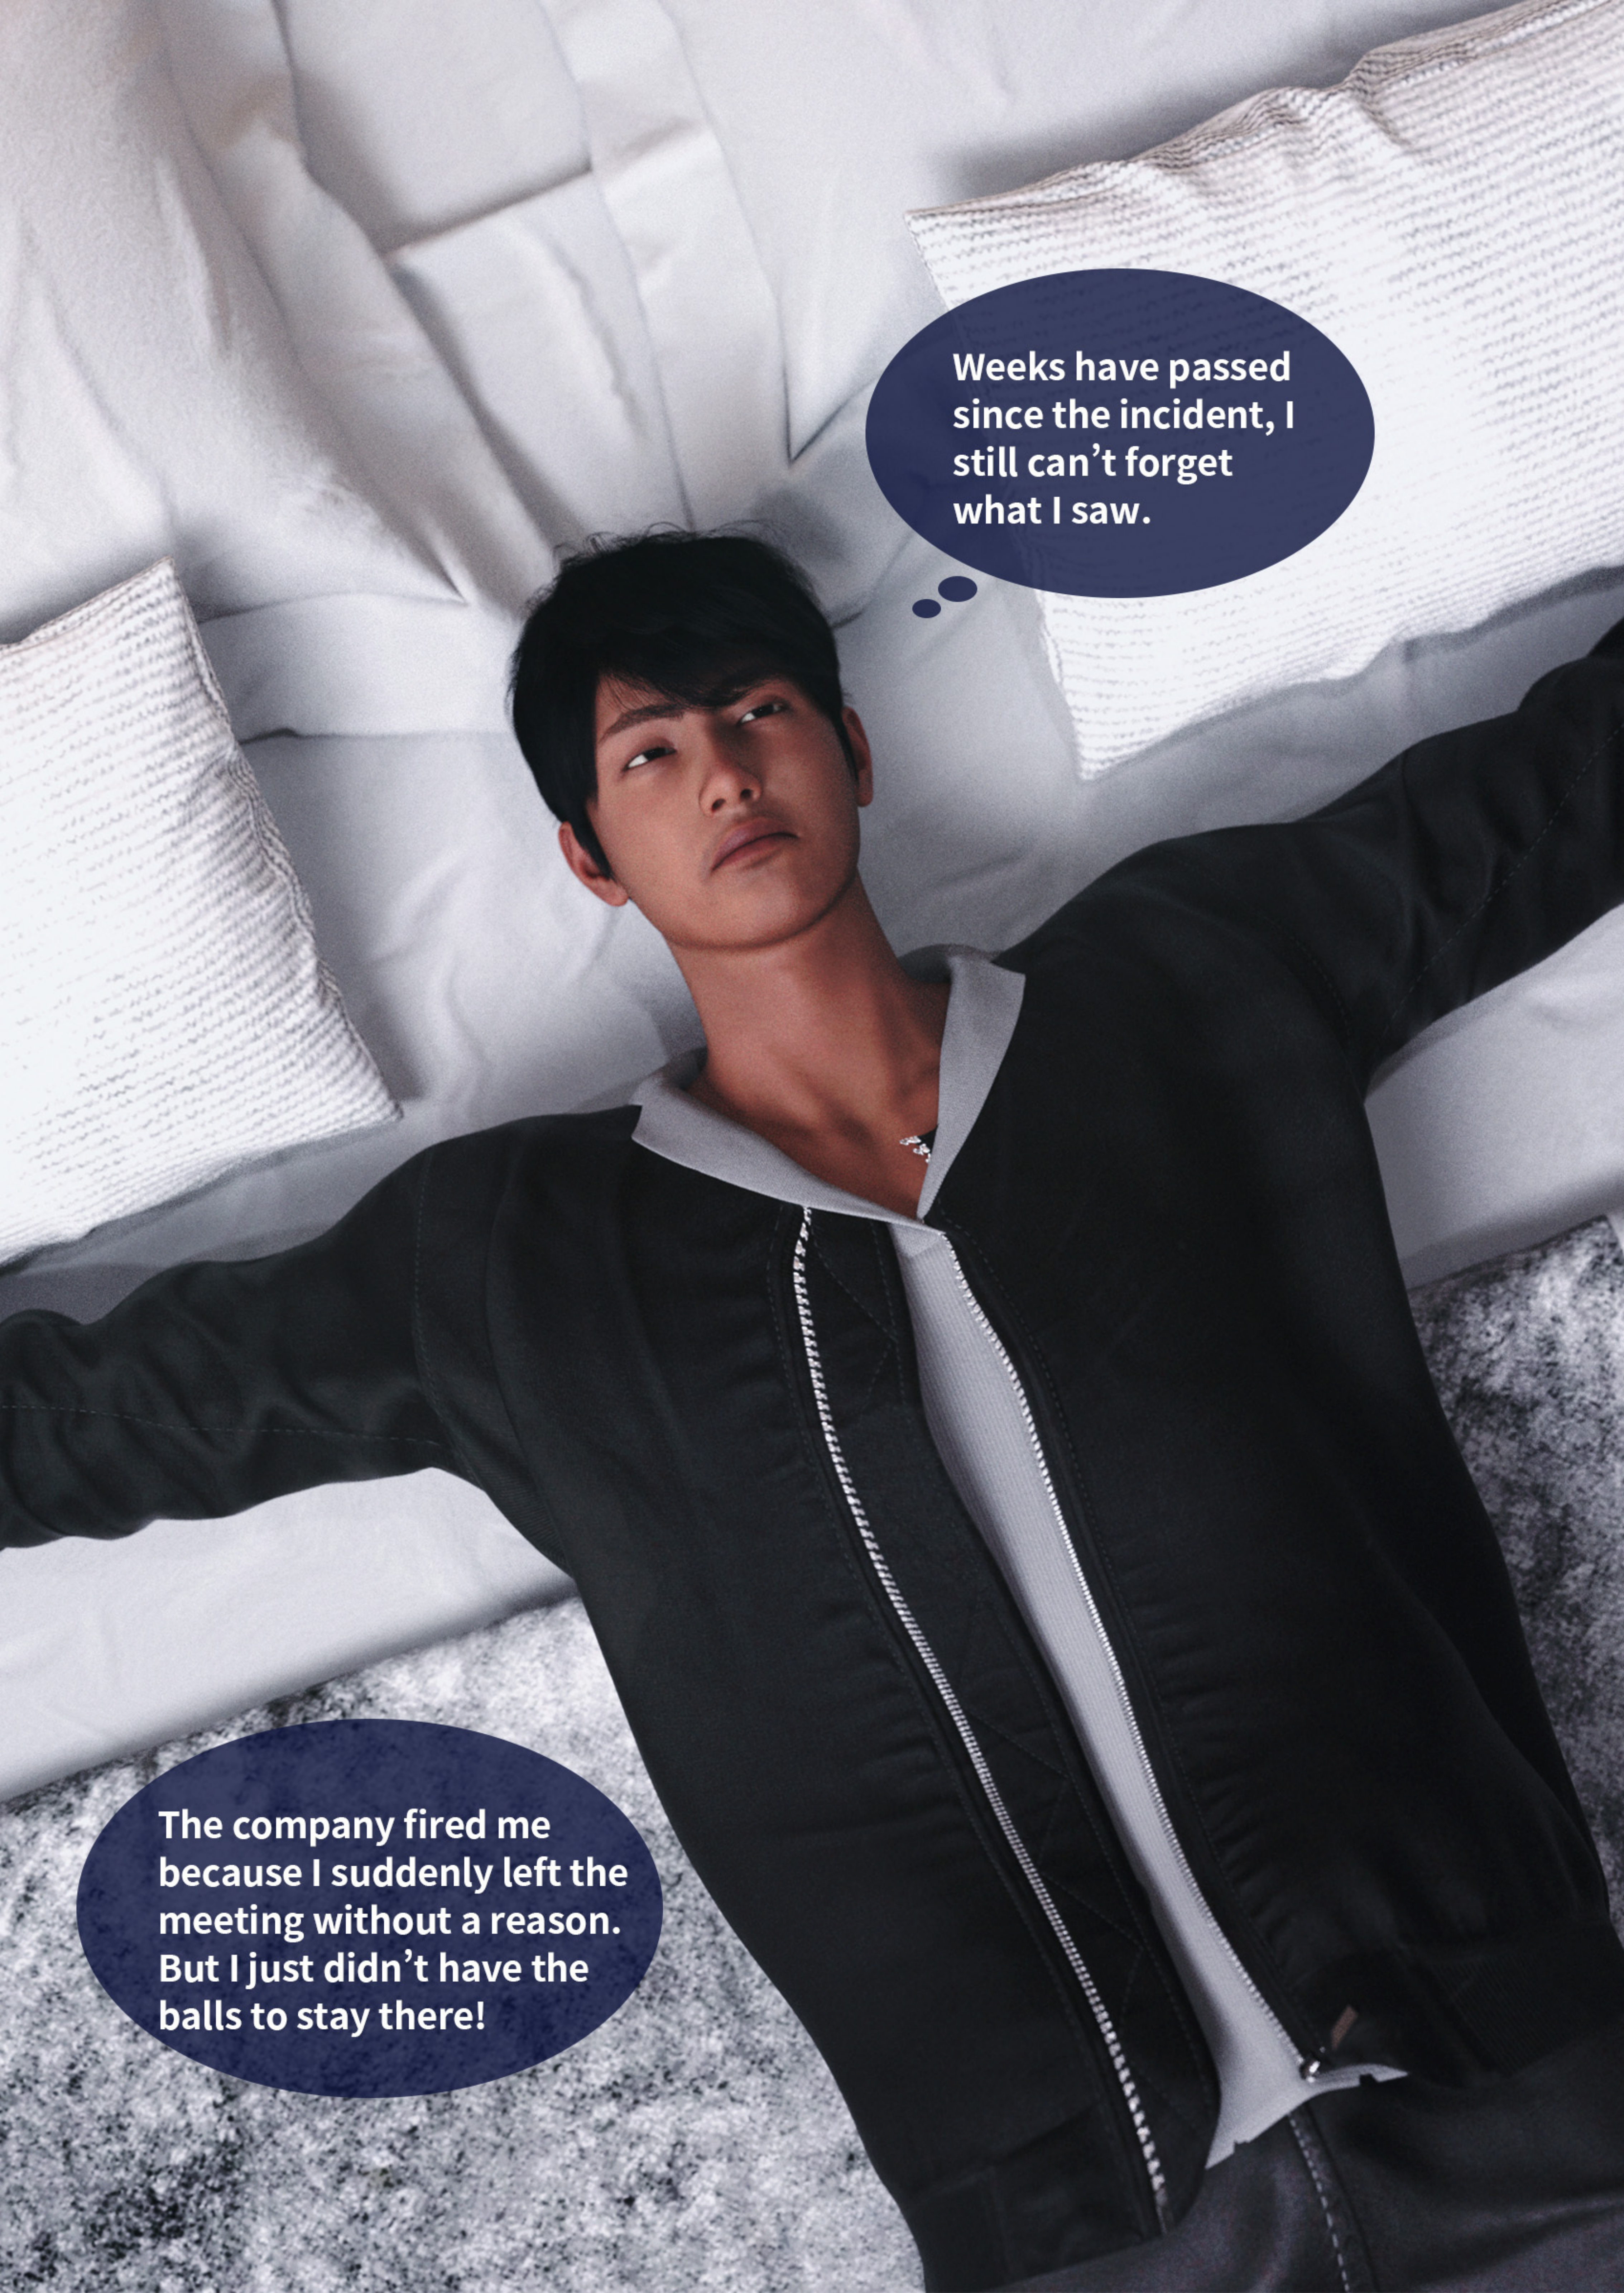

Are the girl and Linda
disguised men?

How many people
like them in the city?
My god. I...I don't
have the courage to
think about it.

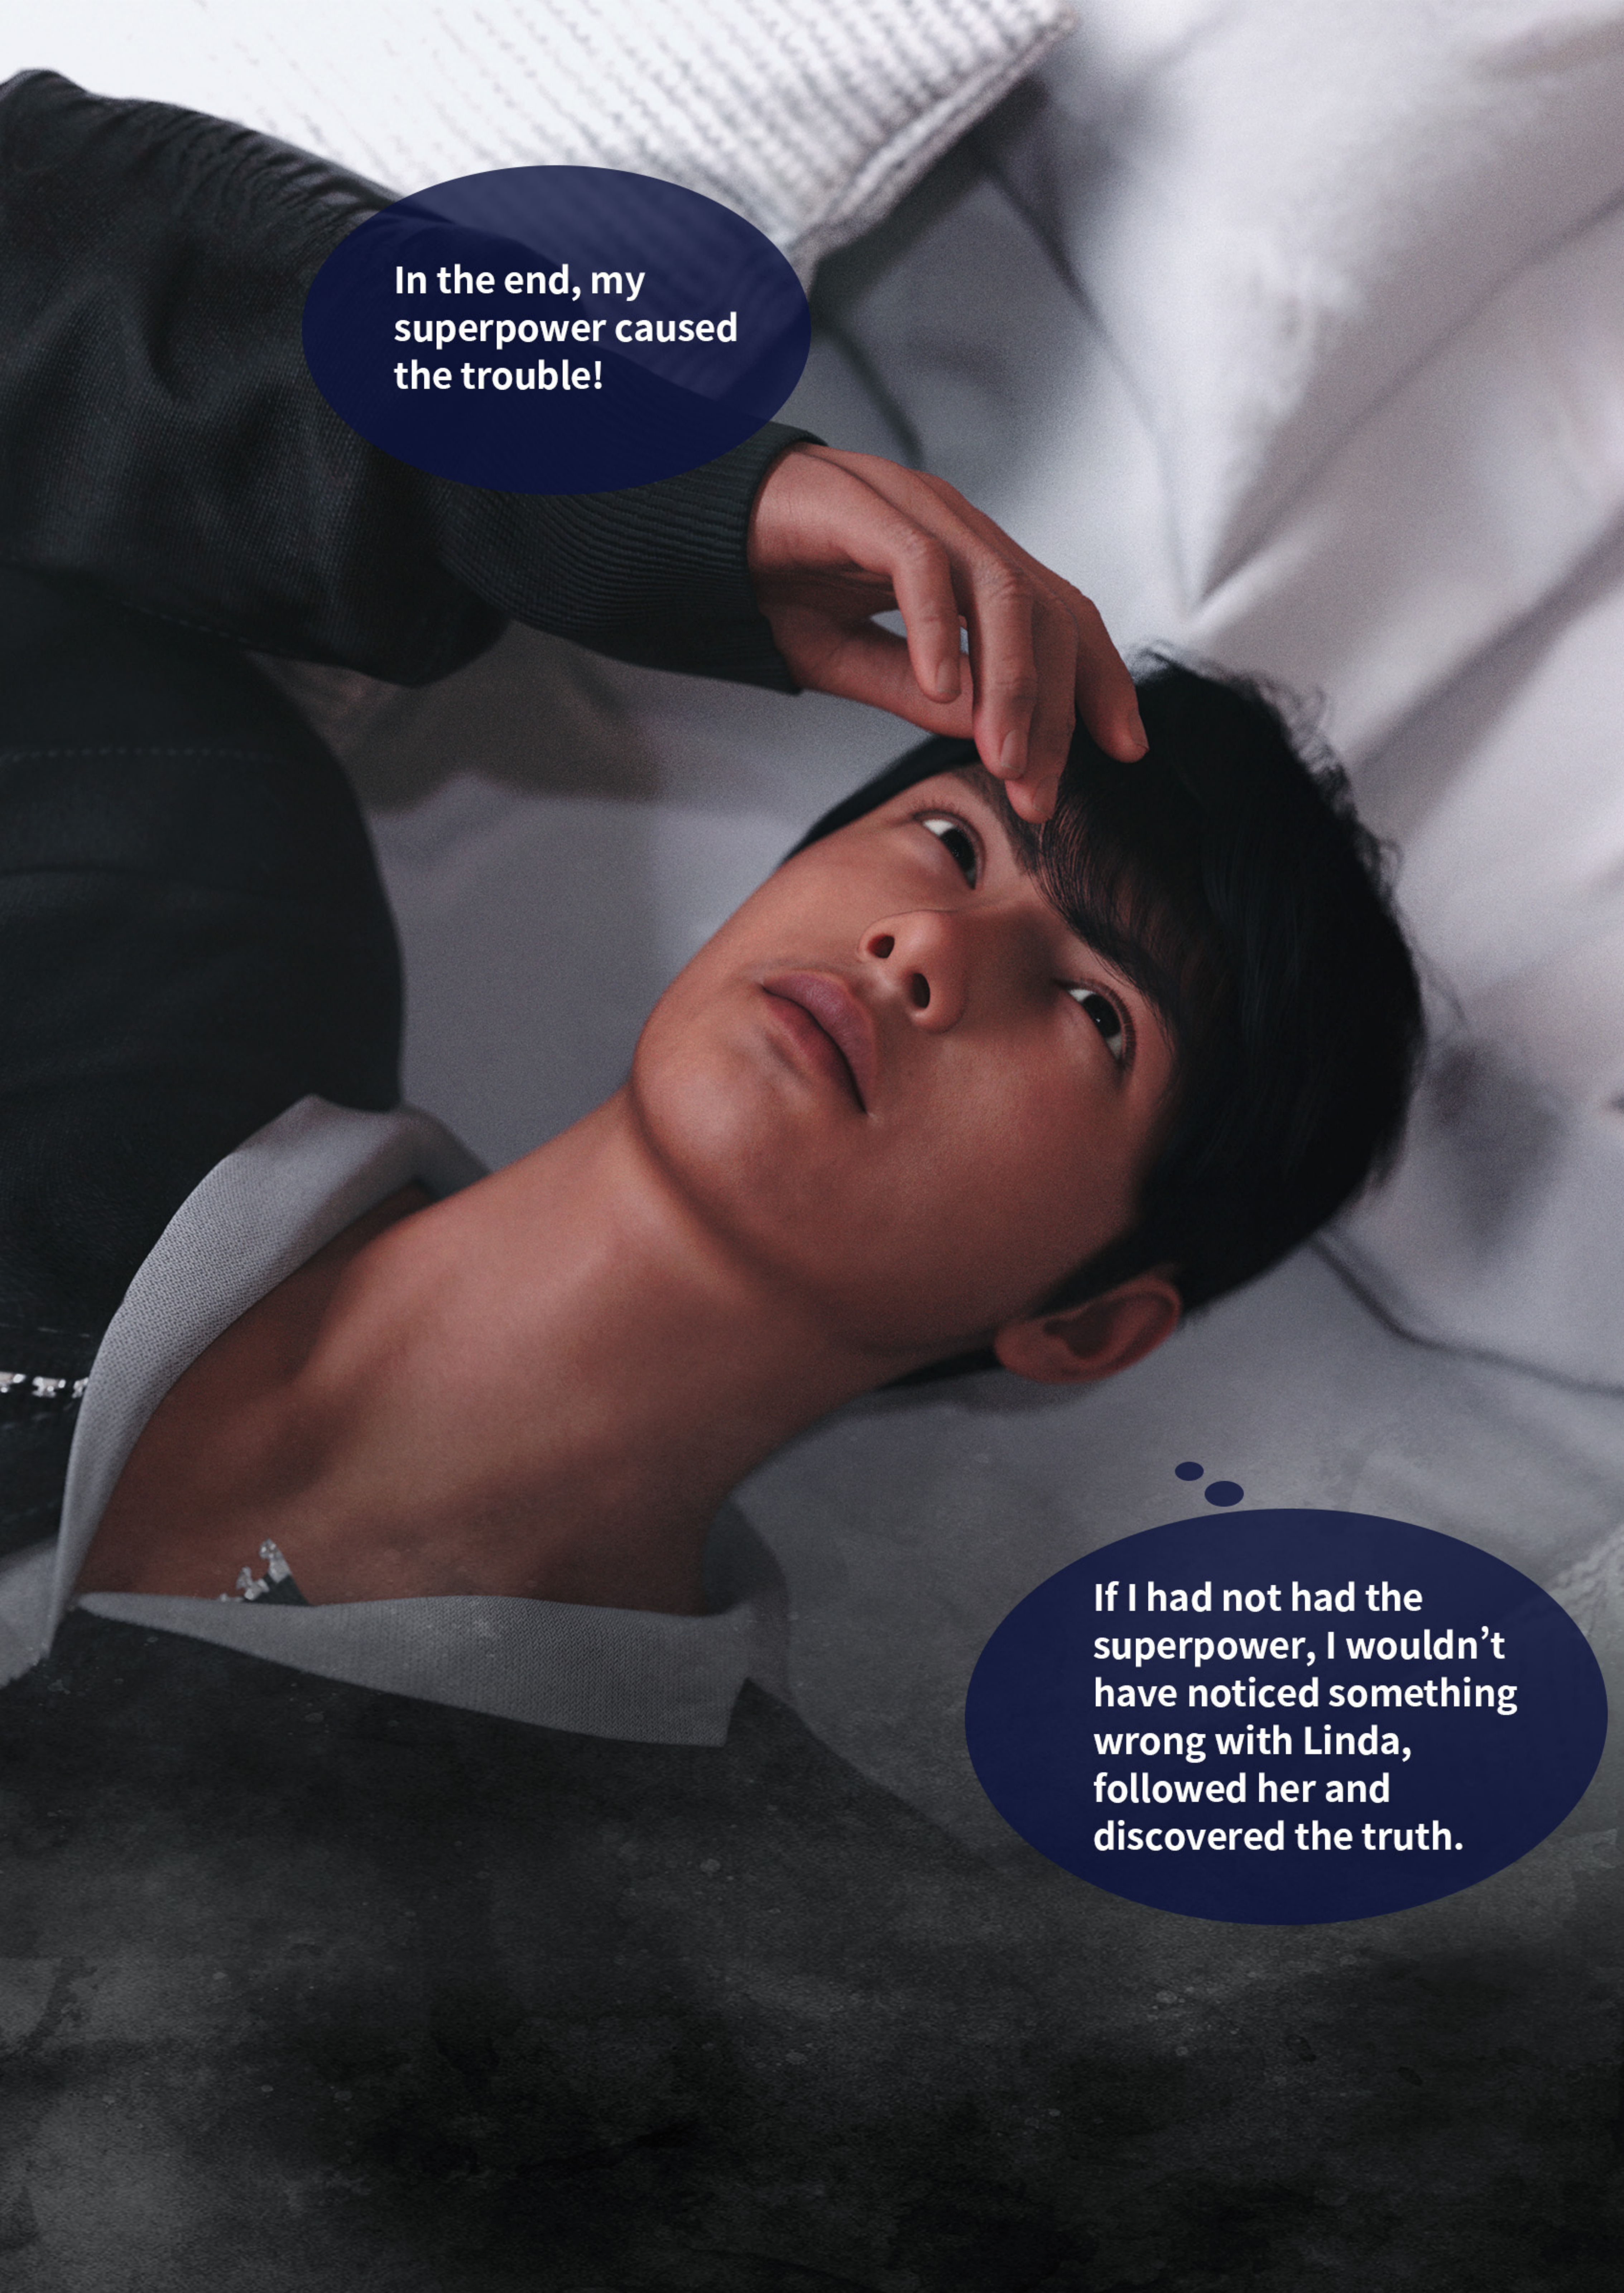

.....Huh!

A young man with dark hair is lying on a bed with white pillows and a dark jacket. He is looking upwards with a thoughtful expression. The background is a soft, white, textured surface, possibly a blanket or pillow. The lighting is soft and natural, creating a calm and reflective atmosphere.

Weeks have passed since the incident, I still can't forget what I saw.

The company fired me because I suddenly left the meeting without a reason. But I just didn't have the balls to stay there!

**In the end, my
superpower caused
the trouble!**

**If I had not had the
superpower, I wouldn't
have noticed something
wrong with Linda,
followed her and
discovered the truth.**

I wonder how many women fell victims and were replaced by men?

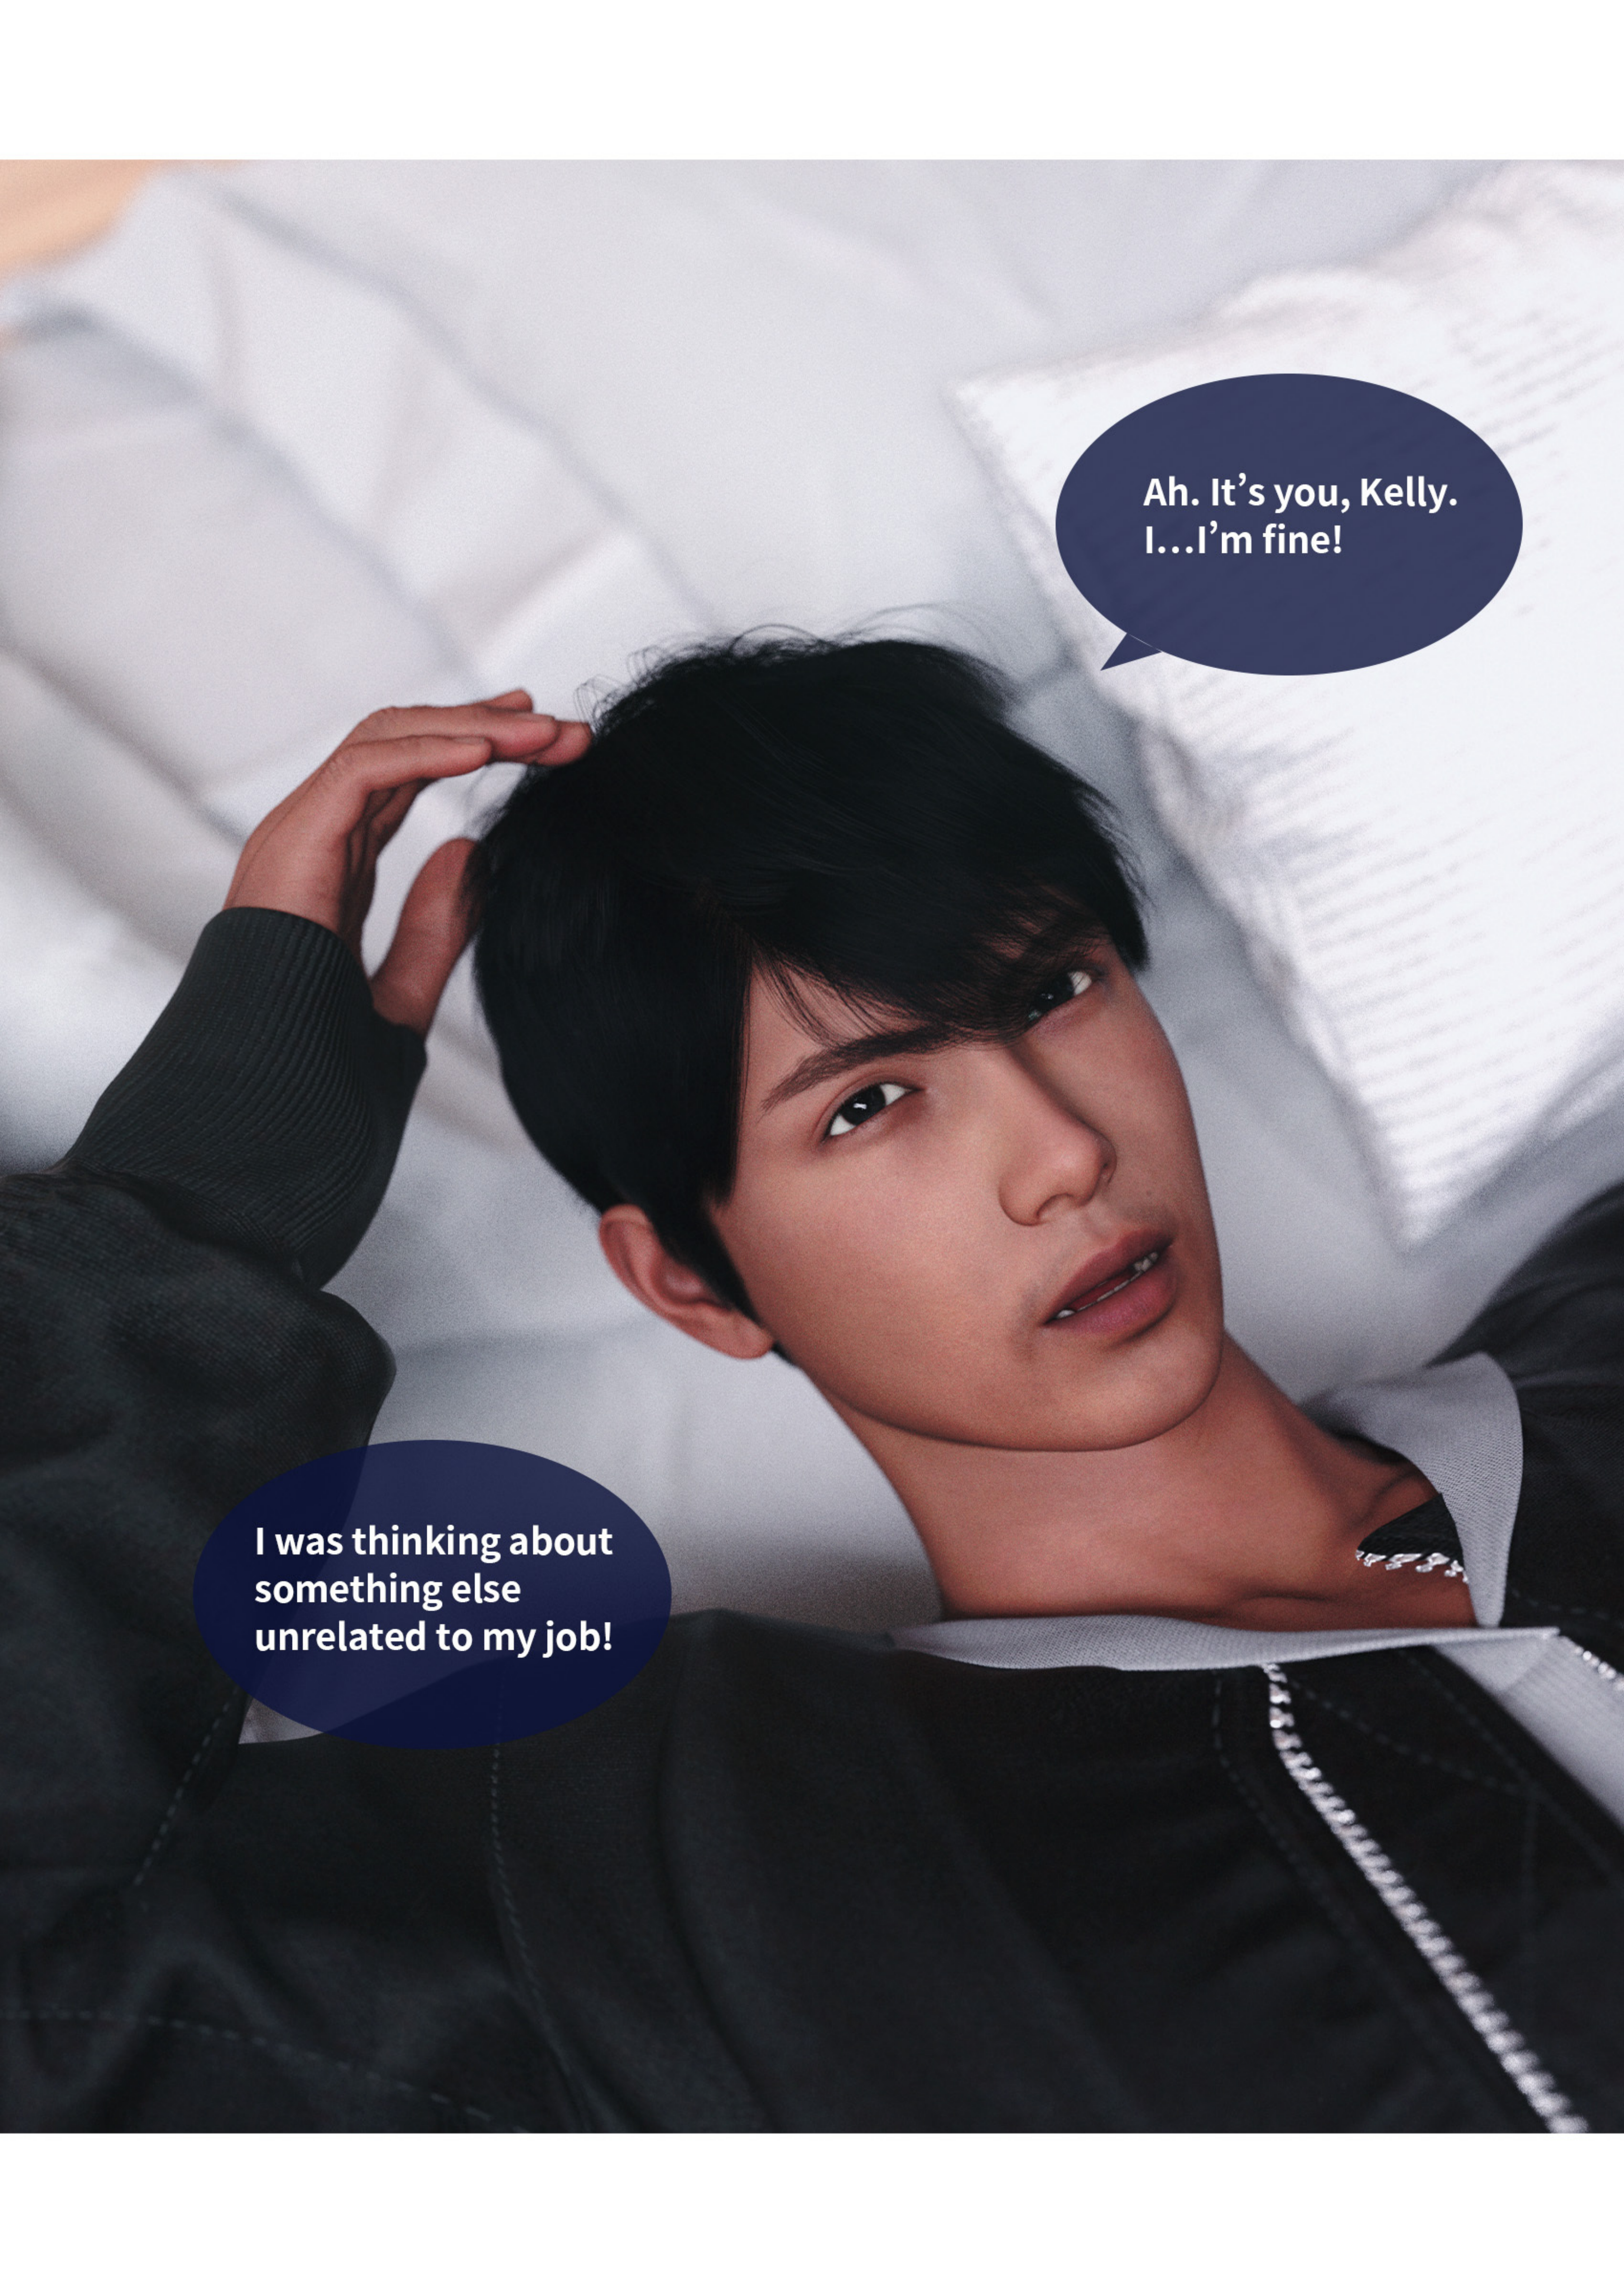

Should I call the police? Maybe the cops won't believe me. What if there were their accomplice in the police? I should cover my back first.

Why did you sigh?
If you have anything
on your mind, you
can always share
with me!

Are you still thinking
that you messed up
and got fired?

Ah. It's you, Kelly.
I...I'm fine!

I was thinking about
something else
unrelated to my job!

A woman with long, straight black hair is sitting on a light-colored sofa. She is wearing a black, long-sleeved, form-fitting dress. She is holding a lit cigarette in her right hand, which is raised towards her face. The background is a blurred indoor setting.

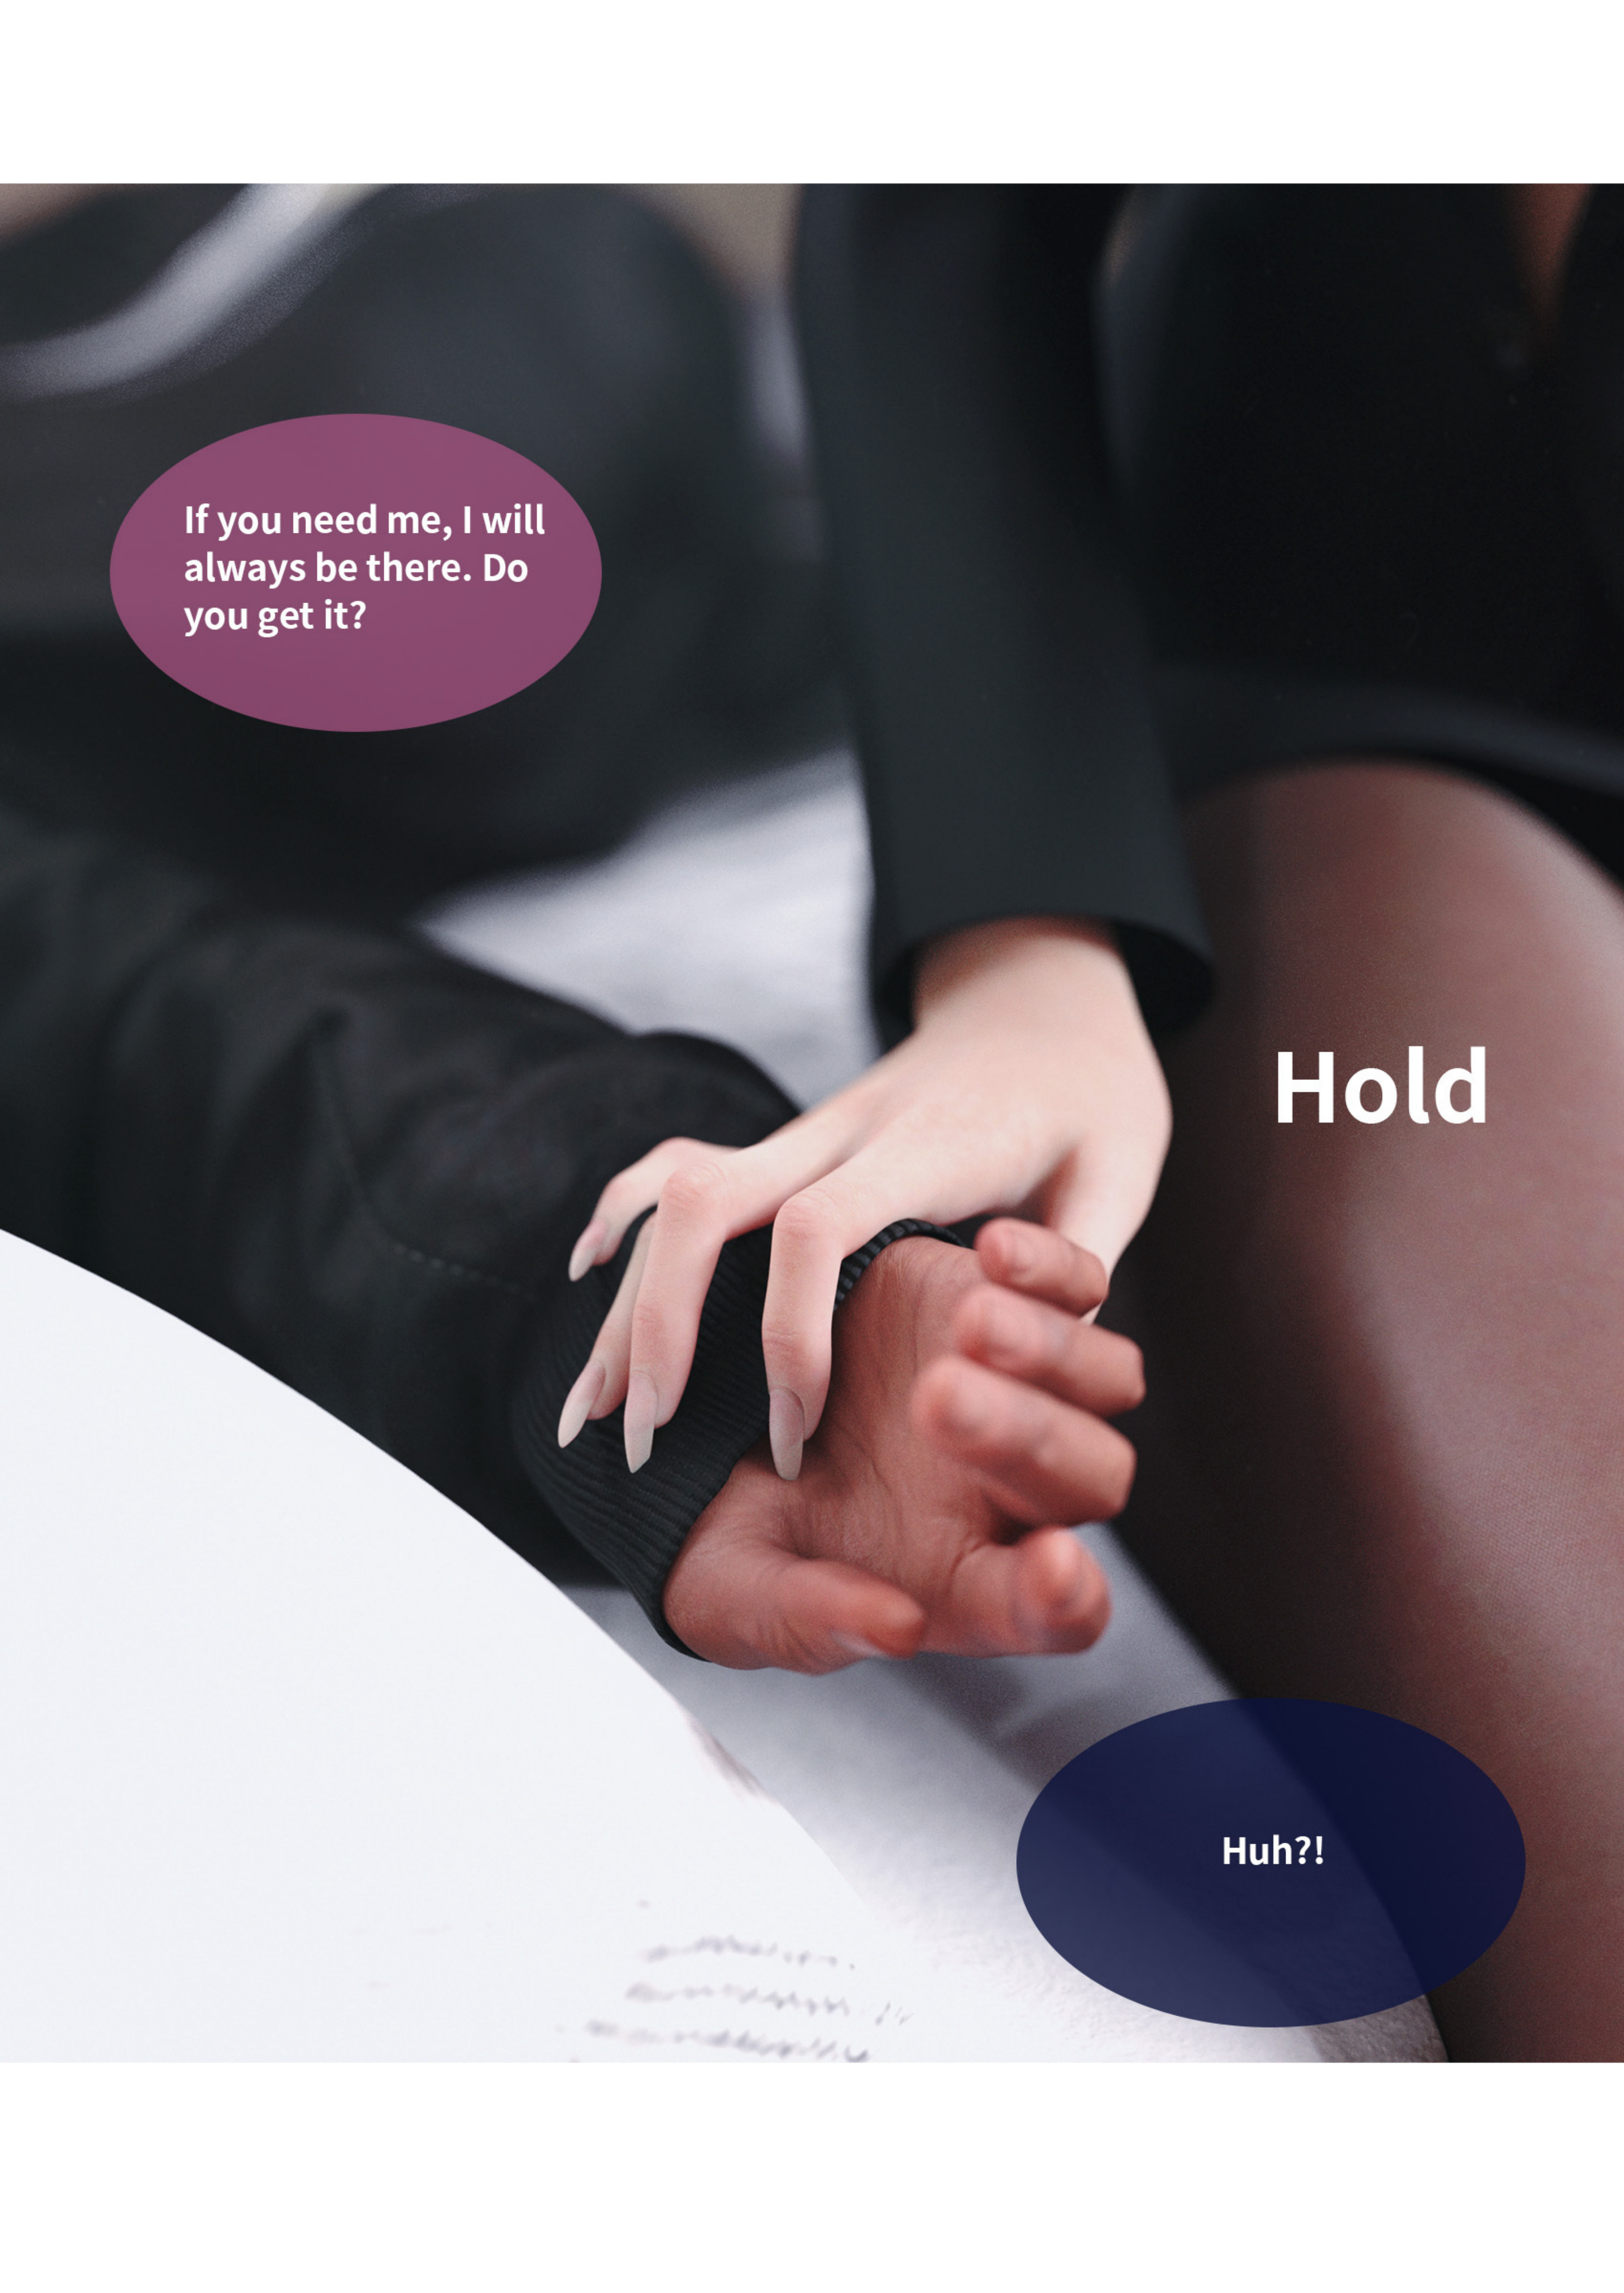

I know you're unemployed and need to take a break and adjust yourself. Don't be upset!

Um...I'm not upset. I found...found out something that I just don't know how to tell you.

Silly boy. No matter what happened, we're family. You can always talk to me!

Of course, if you're not ready, I won't force you. If you need someone to talk to, you can always come to me!

If you need me, I will
always be there. Do
you get it?

Hold

Huh?!

A young man with dark hair is lying on a bed with white and grey bedding, looking towards a woman. The woman is sitting on the edge of the bed, wearing a dark grey zip-up hoodie, and is holding both of the man's hands. The scene is set in a bedroom with a wooden floor and a white wall in the background.

That's odd. She's nice but she usually avoids physical contacts.

When I was a kid, she just patted my shoulder, not even petted my head. And now she holds my hands so tightly?

A woman with long grey hair, wearing a black long-sleeved suit jacket and black shorts, is sitting on a grey stone ledge. She is looking down and to the left with a thoughtful expression. Her hands are clasped together near her face. In the background, a man with dark hair is lying down on a white surface, looking towards the woman. The setting appears to be an indoor space with large windows and a wooden floor.

Maybe my sister notices that I'm sad so she especially comforts me. Or?

Huh! That shit makes me so paranoid. Even when my own sister comforts me, I'm still so suspicious.

**I'm just overthinking.
My sister is as usual,
right?**
