
Who…Who are you?

If you were just a rubbernecker, walk away now! If they catch us, we would be in trouble!
Hey, do you hear me?

Shhh!
Be quiet!
I can't record their voice!
I will explain to you later. Please be quiet and don't bother me!

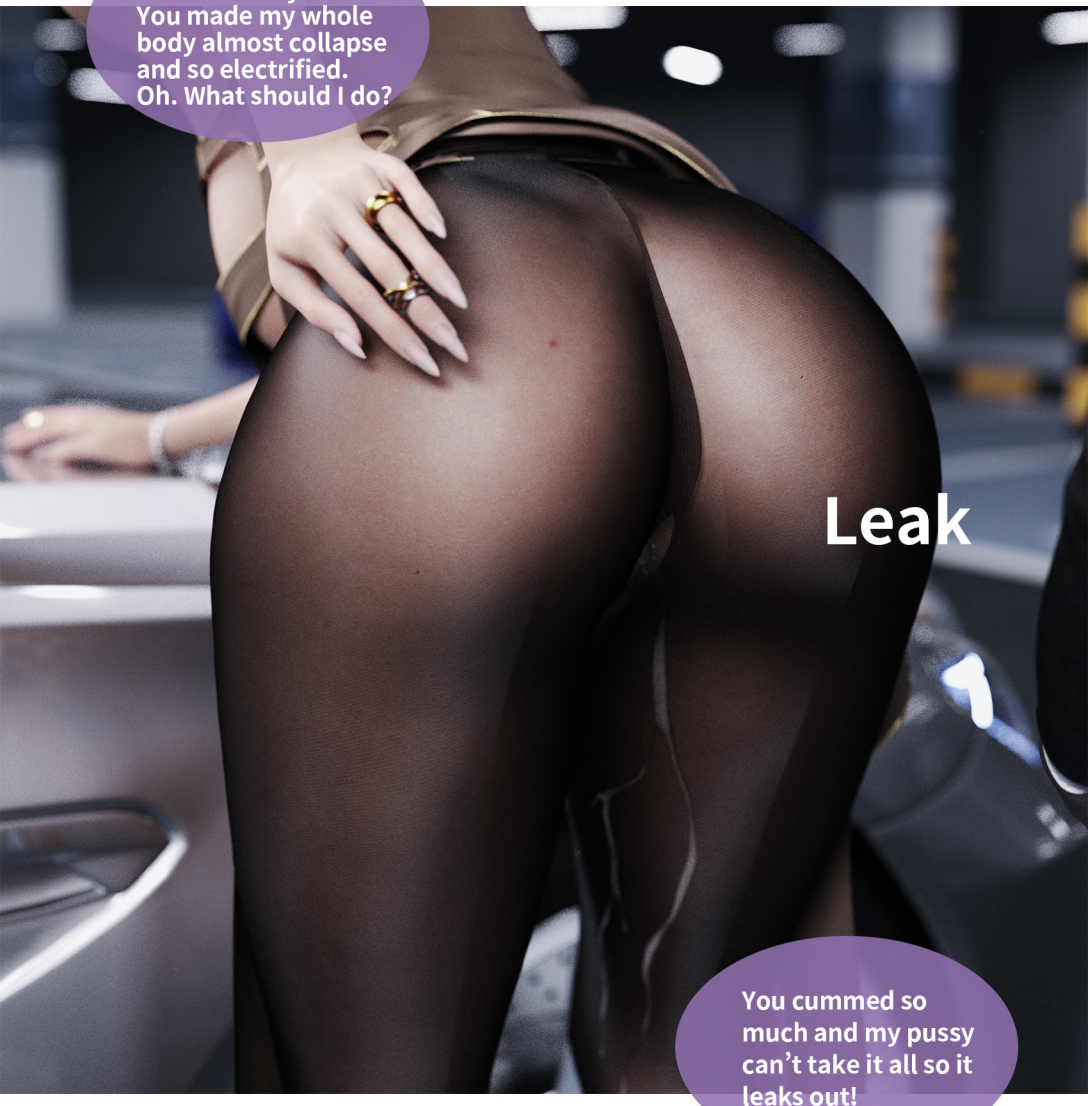

It looks like you secretly stalked that woman here.
So you should understand the importance of having evidence.
Just let me film them first!

Jesus fucking Christ. Your cunt is so damn tight! You love to be fucked, right?
Your pussy clenches my cock so tight. You’re such a horny tramp!

Um ah ah ah ah!
Chairman King's cock is so good!
I can't take it anymore!
I can't.
I'm cumming!
I'm cumming!~

I’m going to make you bitch climax! HA HA!
Jizz!
Use your cunt to take my precious semen!

Um ah~ Chairman King, you're so incredible. You cummed so much!
HA…HA AH… Of course. Come on, who am I? HA AH!

Chairman King is so extraordinary. You made my whole body almost collapse and so electrified. Oh. What should I do?
Leak
You cummed so much and my pussy can’t take it all so it leaks out!

He he. I really cummed so much inside of you. Nothing goes to waste! Ha ha!
I thought you were too pricey but you're worth every penny!

He he. I pulled my punches!
I promise chairman King that you will be so ecstatic and don't want to leave!
Great! You make me happy and I will pay any price you name!

They’re almost over. Hide so they won’t notice us!
Huh? Hey, forget about them. You still didn't tell me who you are?

Well. They're in the car. It's too bad that I don't have a car so I can't follow them. Sigh!
Never mind.
It looks like they are going to check in to a hotel.
Even if I follow them, I would not be able to enter the hotel.

What the hell?
She just ignored me!
It took a long time for me to find the target and she got away?!
Excuse me, do you know those two people?

We can't talk here.
Follow me!
Hold hands
Huh?!
Wait…Wait!

Where are you taking me? Hey!
Let me take my luggage. Wait for me!

Um…In the end, I somehow followed her. However I didn't expect that she would take me to her home.

Her house is not big and it's an old apartment. It looks like a small studio apartment for students.
Is she still a student? She looks young but is she connected to the traitors?

Sorry. I'm impatient. Sometimes I'm obsessed and don't notice other things.
Please take a seat and catch your breath. Coffee will be ok in a minute!

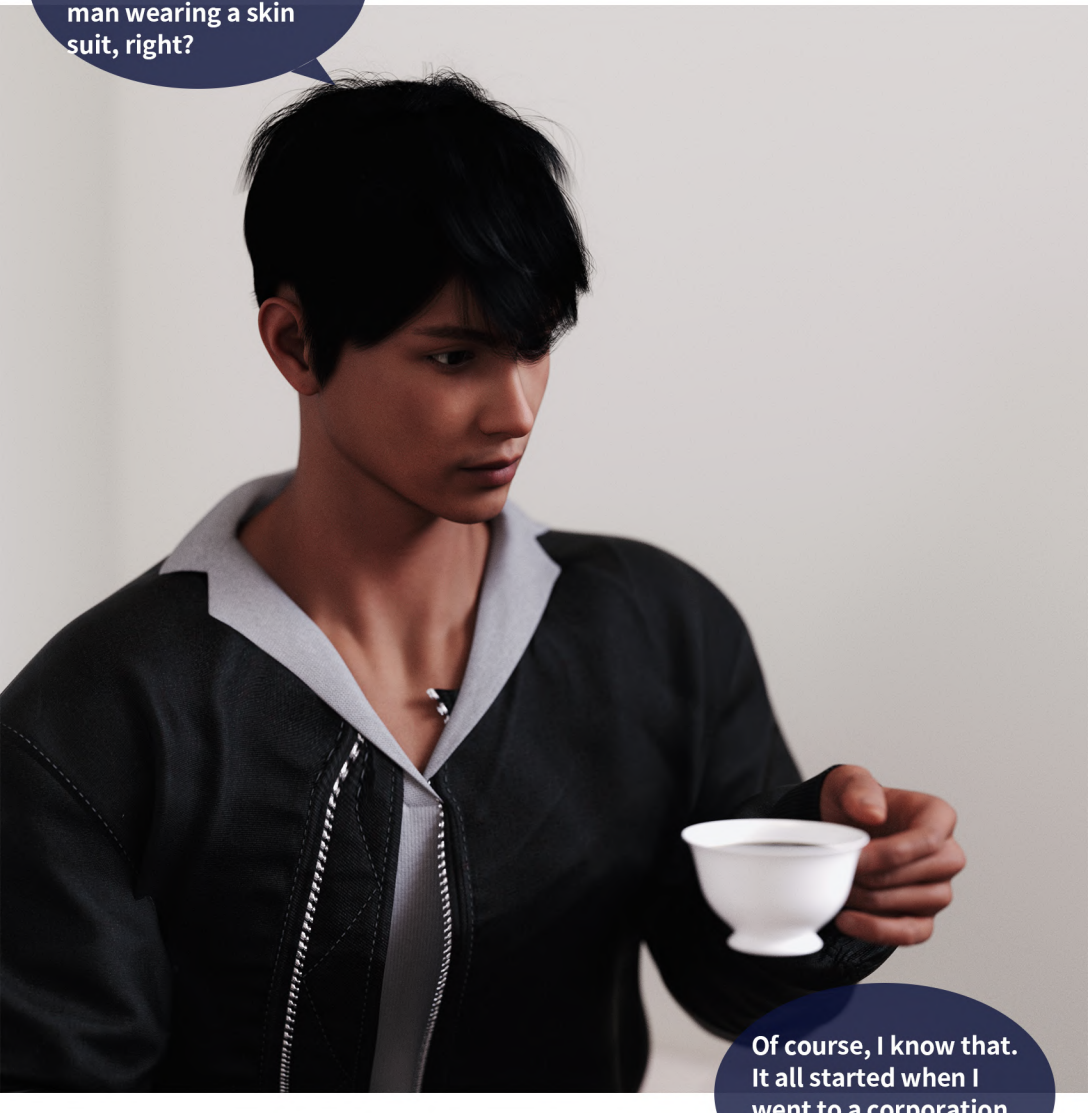

Here.
Please enjoy your coffee.
While you drink coffee,
I will explain to you what happened!
Thanks for your coffee.

After so many things happened, I can't let my guard down. Especially since I just met her.
What if she was with those perverts? What if she had drugged my coffee?

No. I'm just being paranoid. After all, I used the stone statue's power to check that she and her inner self are the same person!
It looks like she has some intelligence. I have to get it for my sister!

.....
Drink

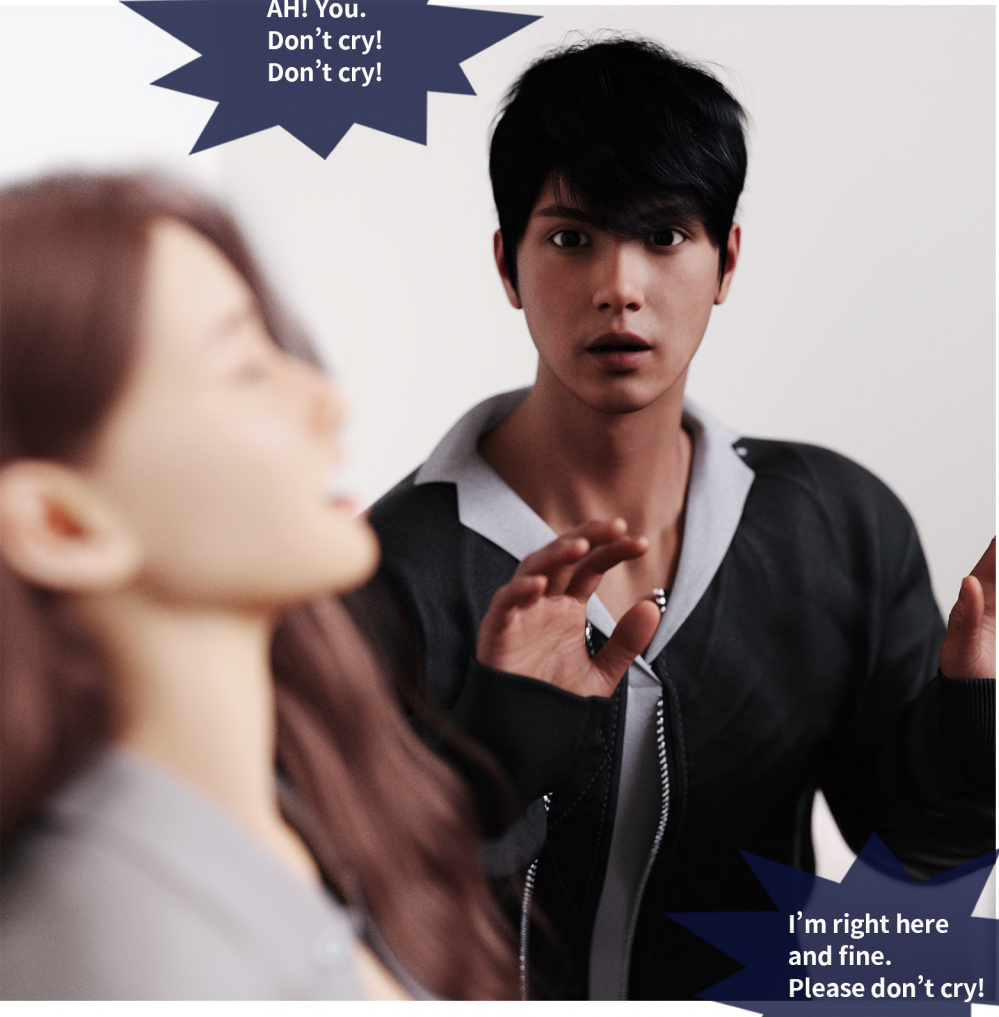

Before I tell my story. I want to know why you stalked that lady?
Do you know that she…she is not a real woman?

You're going to tell me that she's actually a disguised middle-aged man wearing a skin suit, right?
Of course, I know that. It all started when I went to a corporation to talk business…

Anyway, that's what happened.
To save my sister, I came to this city to find the traitor.

Oh my god!
Your both parents are dead.
You grew with your sisters
but she fell victim to perverts
and became their hostage!
You…You suffer so
much alone and now
you have to work for
the enemy….

Waah waah!
I…I really pity you.
Waah.
How could they do
that to you?
They're so evil!
Just thinking all
the bad things
happened to you,
I…I feel so sorry for
you. Waah waah!

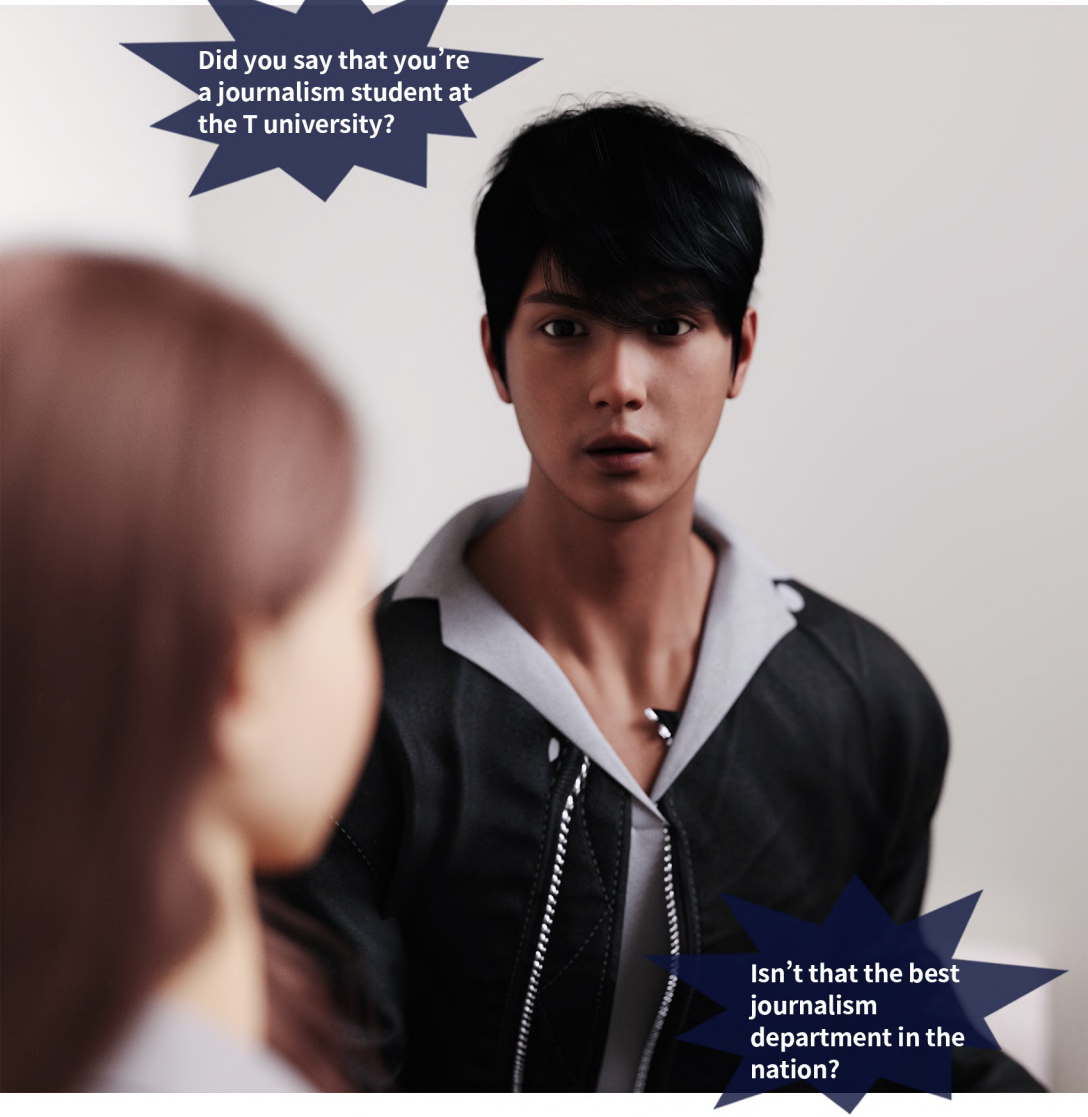

AH! You.
Don't cry!
Don't cry!
I'm right here
and fine.
Please don't cry!

Oh….I’m sorry.
I'm beside myself with grief.
Sorry for you to see that.

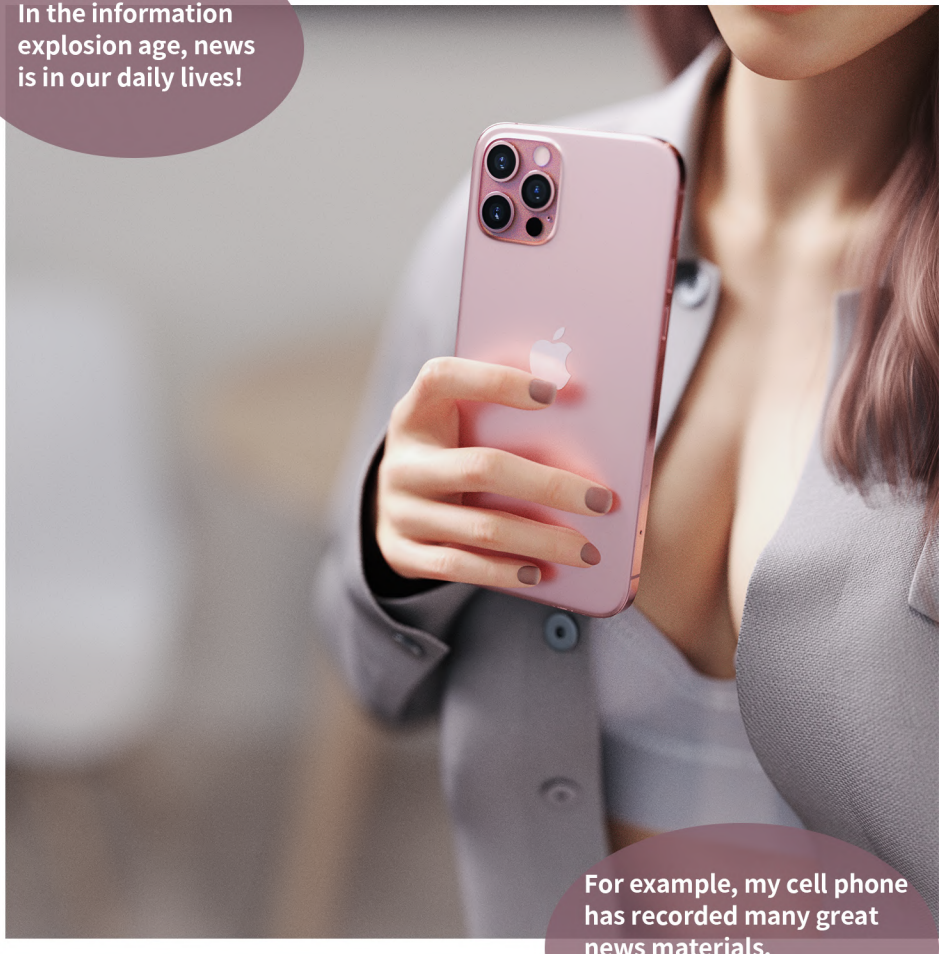

I just can't imagine there're such outrageous and evil things in the world!
You can rest assured that I know this and I will do everything I can to help you!

Allow me to introduce myself, I'm Yuki.
I'm a junior that majors in journalism at the T university.
As a journalism student, I consider myself good at reading people.
I can see your determination to save your sister!

Did you say that you're a journalism student at the T university?
Isn't that the best journalism department in the nation?

Well well. You know my school is great. As a straight-A student, I'm very capable.
Don't underestimate me because I'm just a student. I have several journalism student awards!

In the information explosion age, news is in our daily lives!

For example, my cell phone has recorded many great news materials.
It helps me a lot in reporting news!

I should not leak my scoop but you're a victim's family.
And you share your intel with me. It's unreasonable if I don't share anything with you!

So I should return your favor.
I will tell you my story of how I met those perverts!
To be honest, the story still doesn't feel real…

It happened half a month ago in the famous medical center.

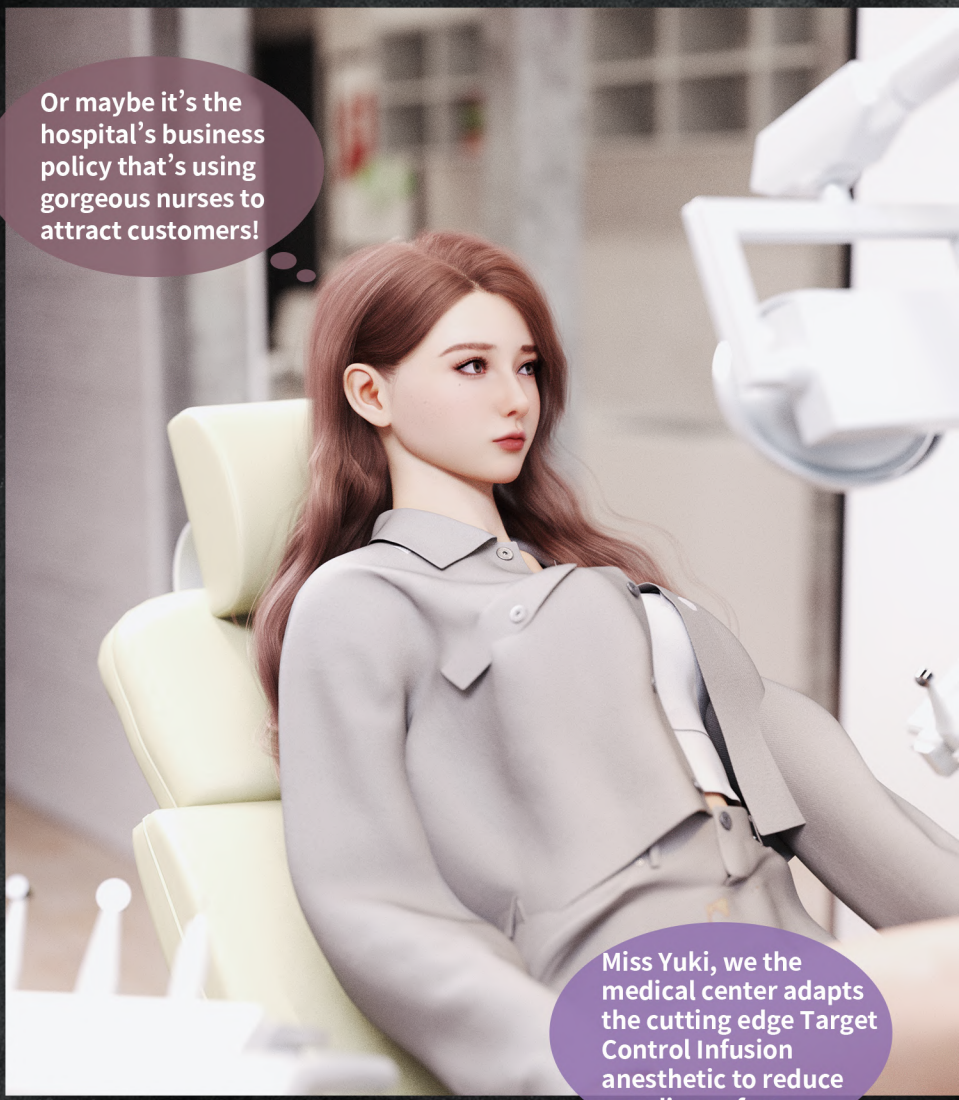

I suffered from a toothache so a friend told me to see a dentist there.
Maybe it's a reporter's instinct.
When I entered the dentist office, I felt a strange atmosphere.

The first thing that made me feel uncomfortable was the weird nurse looking at me so closely.
Hello, Miss Yuki.
Your reservation is for dental treatments, right?
Please wait a second!

Well. The nurse is so pretty and the hair color really suits her skin tone!
However I feel that she’s looking at me funny.
Do I know her?

Miss Yuki,
this way please.
I will lead you to the
treatment room.
Huh? She wears
heeled shoes.
From what I understand,
because nurses need to
stand all day, they usually
don't wear heeled shoes!

Although it's common for nurses to wear uniforms and white stockings, is she a little bit too sexy?
Her skirt is so short that I can almost see her panties. Don't hospital administrators or head nurses have a problem with that? That's odd!

Or maybe it's the hospital's business policy that's using gorgeous nurses to attract customers!
Miss Yuki, we the medical center adapts the cutting edge Target Control Infusion anesthetic to reduce any discomfort.

The treatment will use anesthetic so you will feel no pain and it helps wounds to heal.
We use the latest anesthetic so the treatment is quick, recovery is fast and you don't need to be accompanied by family!

Oh…I feel very light-headed. The anaesthetic kicks in…
You should feel very relaxed, right? Don't fight it. Just sleep. HEHEHE…

A few minutes later, I will have a great time. This hot chick makes me so excited! HA HA…
Huh? What…What is she talking about? Why does …her smile… make me feel so weird?

Oh…no.
I feel something is wrong but I can't hold on…
No. I need to turn on my phone before… I pass out…

Soon the anesthetic kicked in,
I fell asleep.
In my dream, there was
a man’s rude and strange laugh and
women's sharp and high pitched scream.

With those annoying sounds,
there were so many bizarre scenes.

An ugly moth steals a butterfly chrysalis.

A spider web is broken and
pieces back together.

A leech goes into a snail shell and
devours the snail.

I say &%$#
Boss...He…
Thank god it's not…

Huh? Who…Who's talking?

Don't worry.
I will fix this!

…Psst…
My head hurts so bad.
Where…Where am I?
Did I have a very unusual dream?
Oh…I can remember now.
I came here to see the dentist and received anesthetic.
So is the treatment over?

Nurse…Oh…I can't. I can't move my body and make any noise. Doesn't she notice that I'm awake?
What…What's she doing there?

Is she touching her private parts?
No way!
This is a hospital where she works!
Am I still dreaming?
But it seems unlikely.
Even if I was dreaming, is it possible for me to dream this?

AH PSST…
The slightly rough stockings keep rubbing my crotch feels so nice!
I really want to use my dirty love juice to stain the nurse's white stockings. HEHE…

At first, I thought that such a lovely girl just being a nurse is such a waste.
But wearing her uniforms and masturbating in the hospital is so exhilarating! HA HA!

The feeling of stockings and touch by my fingers are so amazing and comfortable!
Fondle
Oh no. I can't. My cock… My cock is going to come out!

OHHHH!
It's coming out!
It's coming out!
My dick is coming
out of the skin suit!

Oh geez! The stockings sticking to my pussy feels so awesome. The feeling of my cock wrapped by stockings feels even better!
The beautiful body with my hideous penis is so strange and twisted! It's so exciting! HA HA!

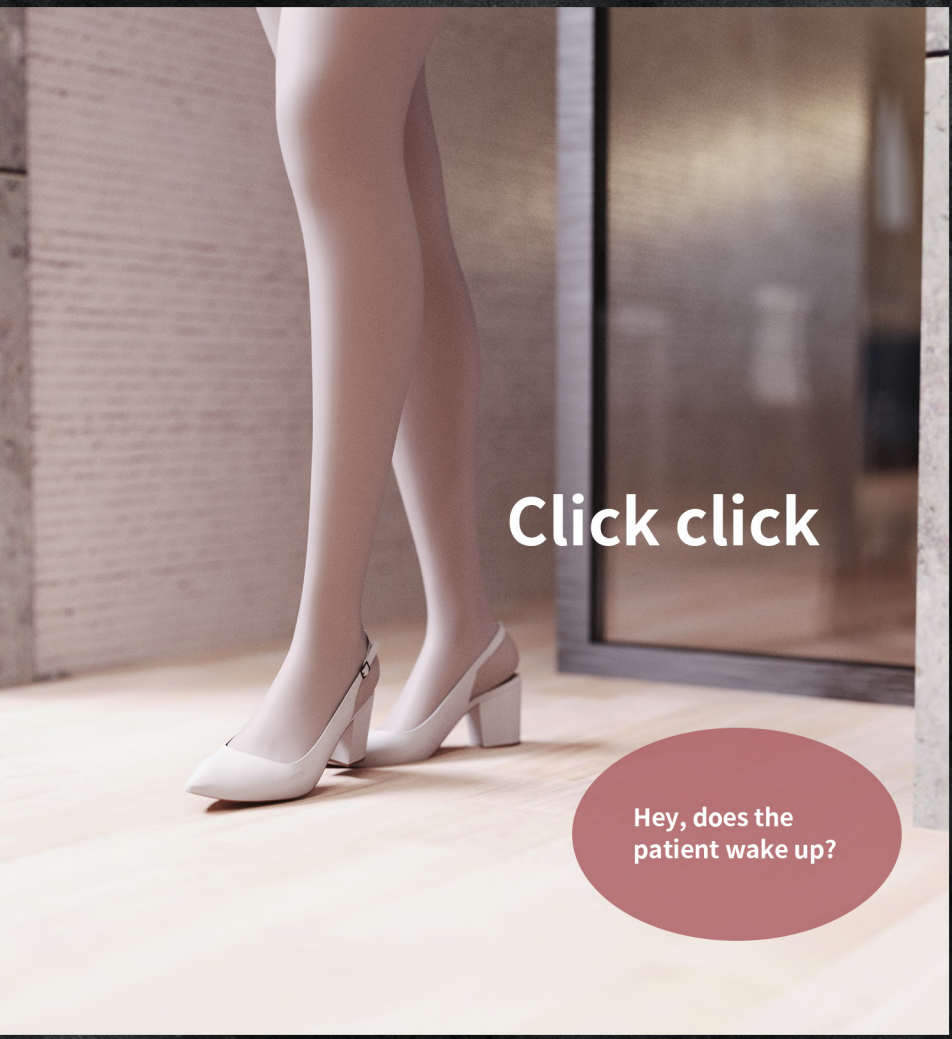

What…What?!
Is a man's penis coming out from the nurse's private parts?
I…I must be dreaming…
How can it be real?

Oh please. The patient is still here but I'm secretly playing my cock.
I'm such a bad nurse.
Stroke
From what happened to other patients, it will take a while for her to wake up so I still have time to enjoy myself! HEHE!

I have to say that the boss' taste is very extraordinary. The girl he picked is beautiful and has a willowy figure.
She's still sleeping that makes me really want to molest her. HEHE!

I'm going to take advantage of her when she's still sleeping. Boss will be ok about this, right?
WHAT! What's she doing to me? Should I wake up to scare her off or play dumb?

OH OH! Jacking off in front of a hot chick is so incredible!
I really want to cum on her face and use my semen to spray all over her face! HEHE!

Click click
Hey, does the patient wake up?

What!
She's still sleeping.
You're slacking off!
There are so many things to be done back at the receptionist desk.
What's wrong with you lately?
I'm not a pushover and you can't pass the buck to me!

Well. Is our lovely nurse angry? Chill chill. I'm going to comfort you!
AH! What are you doing? Get your hands off me. I don't like you touching me!

Take it easy! See! You don't comfort your body so you have accumulated a lot of pressure!
Grab!
You should follow my lead. Enjoy your young and enchanting body. Don't just think about work!

I'm a loving nurse.
How about I help you to relieve stress.
HEHE!
Poke!
Um ah! What are you using to touch me?
Is…Is that…

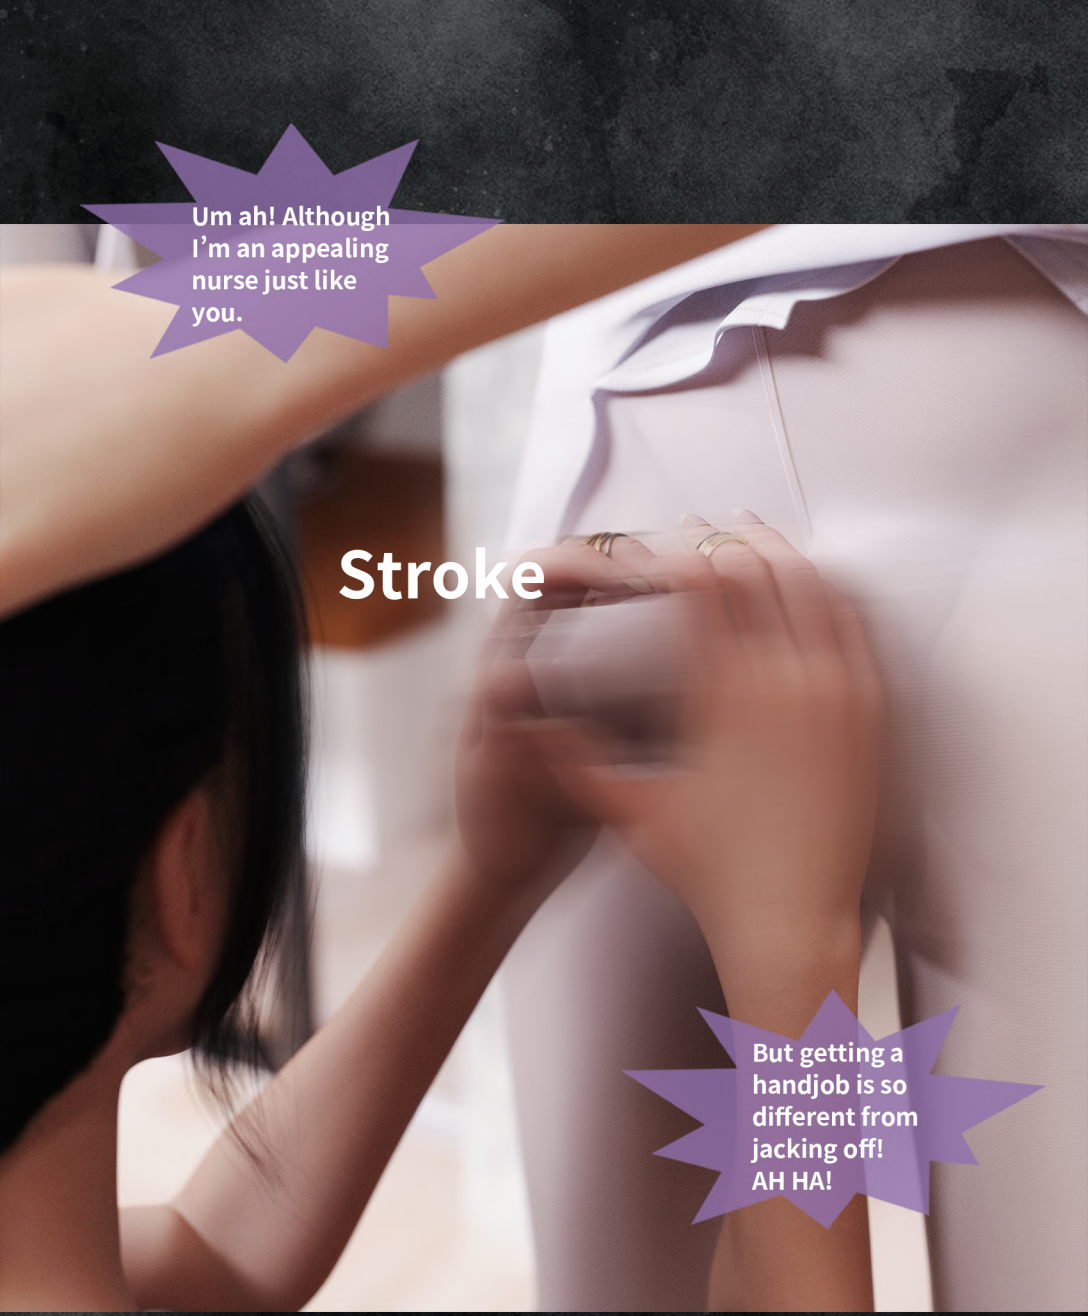

Oh my god! Is…Is that a man's penis? Why do you have that?
Let me go now! Don't use that to touch my body!

Bitch, you had better shut up if you want to live!
AH AH…
Is…Is this a gun?
Please…Please…
don't kill me…

Huh, are you scared now?
If you want to live, you had better behave.
If you make me feel comfortable, I will consider letting you go.
Press!
Now get down on your knees and serve my cock.
Do you hear me!

I…I see.
I will do whatever you say.
Please don't hurt me…
I…I will use my hand
to serve you…

Well well. That's my girl. Such a sweet girl. That's better than when you were so mean and aggressive!
We're all coworkers so we should help each other out. What's the big deal?

Um ah! Although I'm an appealing nurse just like you.
Stroke
But getting a handjob is so different from jacking off! AH HA!

OH OH! We're playing my penis right in front of a patient.
We're such naughty nurses! HA HA!

My god! Does the nurse have a gun and force another nurse to give her a handjob?
This…This is huge news! I should stand down and fake sleeping.
Hope my phone records everything!

OH OH! A nurse's soft hands and our sexy uniforms…
The excitement of abusing other people's bodies is so electrifying!

I want to try something different than just getting a handjob!
I'm accompanied by a gorgeous nurse so I can't give up the opportunity. HEHE!

You! Follow my command!
Stand up and take off your shoes!

I have wanted to try a footjob by stockings legs. It's so unfortunate that the fetish is so sick so it's very hard for me to find partners.
There's no better time than now. I should seize the chance and fulfill my lust!

Do you see my very excited cock?
I’m ordering you to put your stockings legs to step on it Use your legs to make me cum!

Do…Do you want me to use my legs to step on your thing?
Of course. But you have to watch your force. I want to cum and if you hurt me, you will be screwed!

I…I see.
I will control my force carefully and I won't hurt you!
Lift her legs
So…So I'm going to step on it?

OHHHH! Yes! That's right. Don't stop! Use your stocking legs to tread me!
Step!
Harder! Use your beautiful legs with stockings to ravage my cock!

Nice! I feel so amazing! It feels so wonderful that my fetish is fulfilled!
The stockings on my body and the nurse's legs keep squeezing my dick! I feel like going to cum anytime!

OH OH! More!
I want more!
One leg is not enough.
Hurry! Use both your
stocking legs to play
me!

OH…The pose is so humiliating and salacious.
Why…Why do I have to do this?
There is fishy and sticky pre cum on my feet.
It's so gross and sick!
Ewww!

UM AH!
That's right.
Use your legs to
stroke my cock!
I feel so amazing!
I'm going to cum at
any moment!
More!

My female hospital coworker suddenly grows a penis and forces me to give her a footjob.
What's going on?
Why is this happening to me?
Why do I have to be the pervert shemale's toy!

OH OH! You're getting better and better. You're making me feel even more comfortable!
Robbing this woman's body is the best choice I have made!

Not only can I wear pretty and sexy nurse uniforms but also can molest my patients and colleagues.
For a pervert, the medical center is the dream come true to me. HA HA!

No! My cock keeps dripping.
I'm going to cum!
DRIP!
I can't end my first time with a nurse like this.

Hot lesbian sex between two lovely nurses is so exciting. I'm sure that you want to try it, too. HEHE!
What…What are you doing? Don't come any closer!

What am I doing? It's so obvious that I'm going to use my cock to have sex with you!
Look at my penis, it's so hard that it hurts. You're a nurse so shouldn't you help me out? HA HA!

Relax. My cock is massive. But if I break your pussy, it's the hospital. The help is near! HA HA!
NO! That…That's too much! Please leave me alone!

No way.
Did she mean sex?
Did she forget that I'm still in the treatment room?
When will the farce end?
Do I have to fake sleeping?

Please, anyone!
Just anyone shows up so I can normally wake up and get the hell out from the weird and sick medical center!
