

Leo...
Leo, wait!

Can't you just put it
back into my body?
I feel so weird that
I'm lost for words.

Unease

It's getting harder
and harder as if
it wants me to touch it.
I can't control it!

As if it has a mind of its own
and wants to burst out.
Maybe I'm wrong,
I feel it's beating.

What's going on?
Is something wrong with
this body or a side effect
of the skin suit?

**Relax and
take a deep breath.
It's normal.
Don't worry.**

**These are normal
things for men.
Sometimes I don't know
why I have an erection.
Just get used to it.**

Let's take it slow.
I'll share what I have
learned with you.
Just treat you as a boy
who has an erection
for the first time.

So it's normal.
Thank god, I thought there
was something wrong with me.
I'm like a clueless kid.
I'm as nervous as
when I had my first period.

If I have my period
when I'm wearing the skin suit,
I would be totally at a loss.
I'll need your help then.

A woman with dark brown hair styled in a high bun, looking down with a serious expression. She is wearing a gold necklace and small earrings. The background is a blurred indoor setting.

**Ok. Carry on.
You have to get
used to male lust.**

**Sure...
I will do
my best!**

**If we blow our cover,
we are so screwed.
God knows what those
monsters will do to us.**

First, it's
the basic jack-off.
It's simple and easy
for you to accept.

Hold

If you have this again,
you can deal with it,
even if you're not with me.
Just hold it and stroke.

Ahhh!
Just touching
it...

It feels so strong!
I will never get used
to this pleasure!
I'm losing my mind!

I never had this sensation
and it's totally different
from fingering myself.

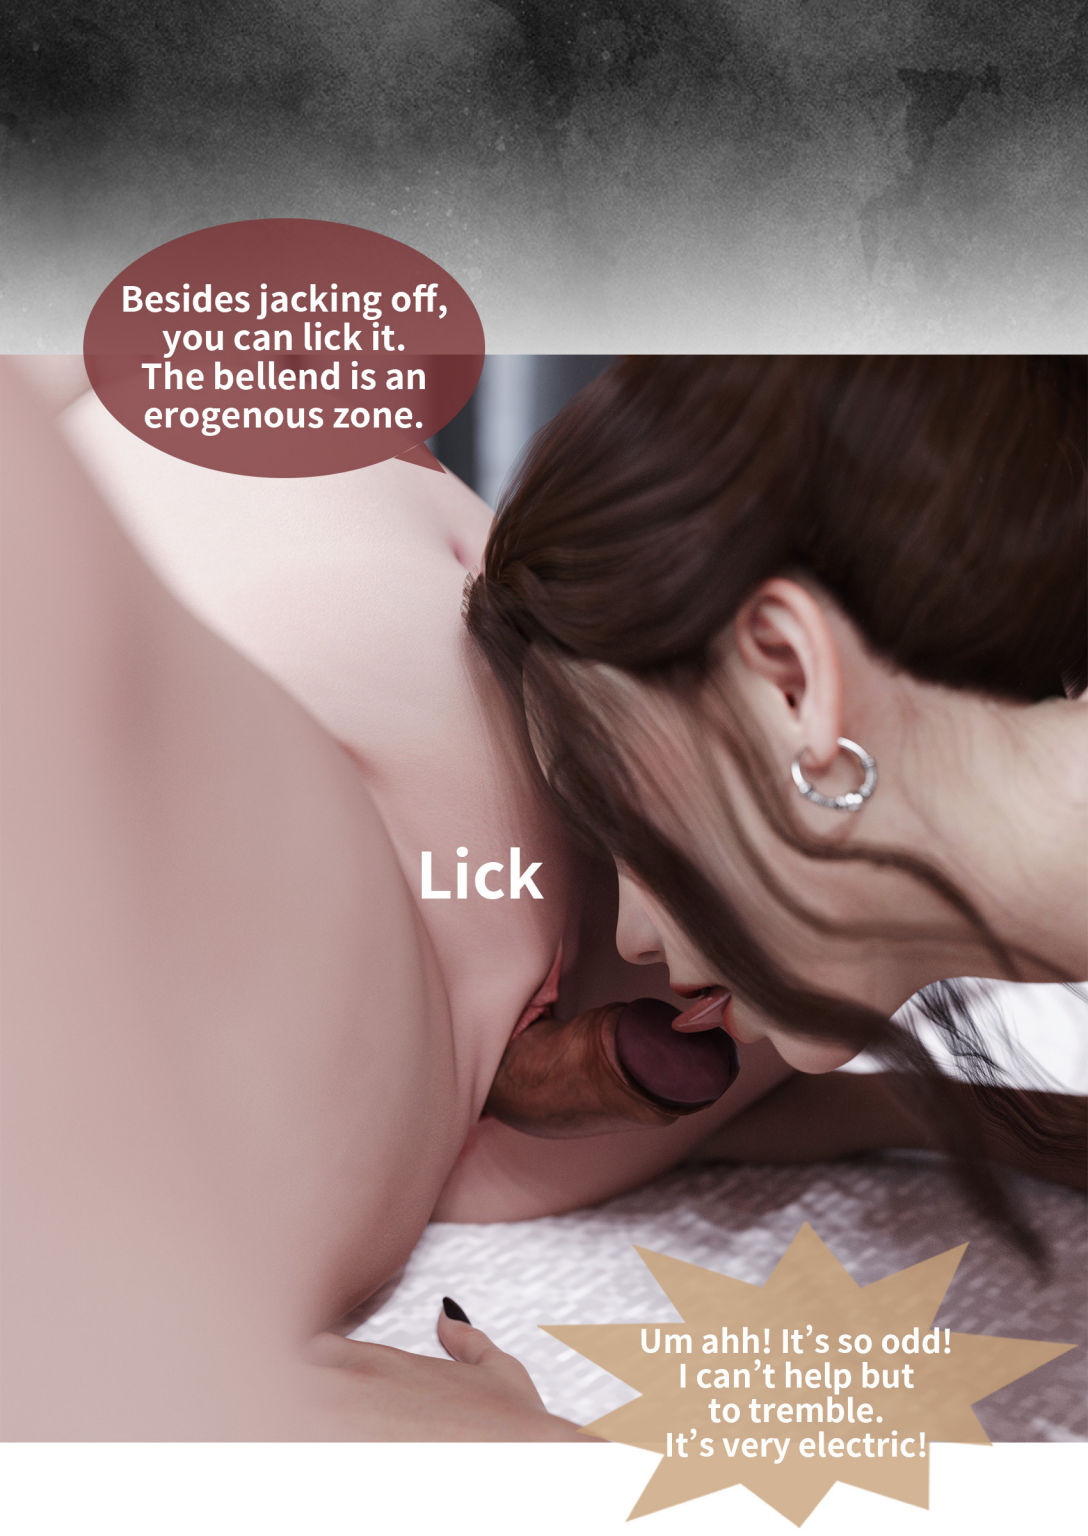

I'm overwhelmed by
the unprecedented strong desire.
The male body inside of me
feels like waking up.
What? Am I seeing something?

Is this his memory
or am I hallucinating?
But it's so real.
It feels like I'm there.
No! I'm him!

The feeling of jerking off,
speed, and force are so familiar.
Faster! Faster! I want to jizz
so bad! Hell yeah!

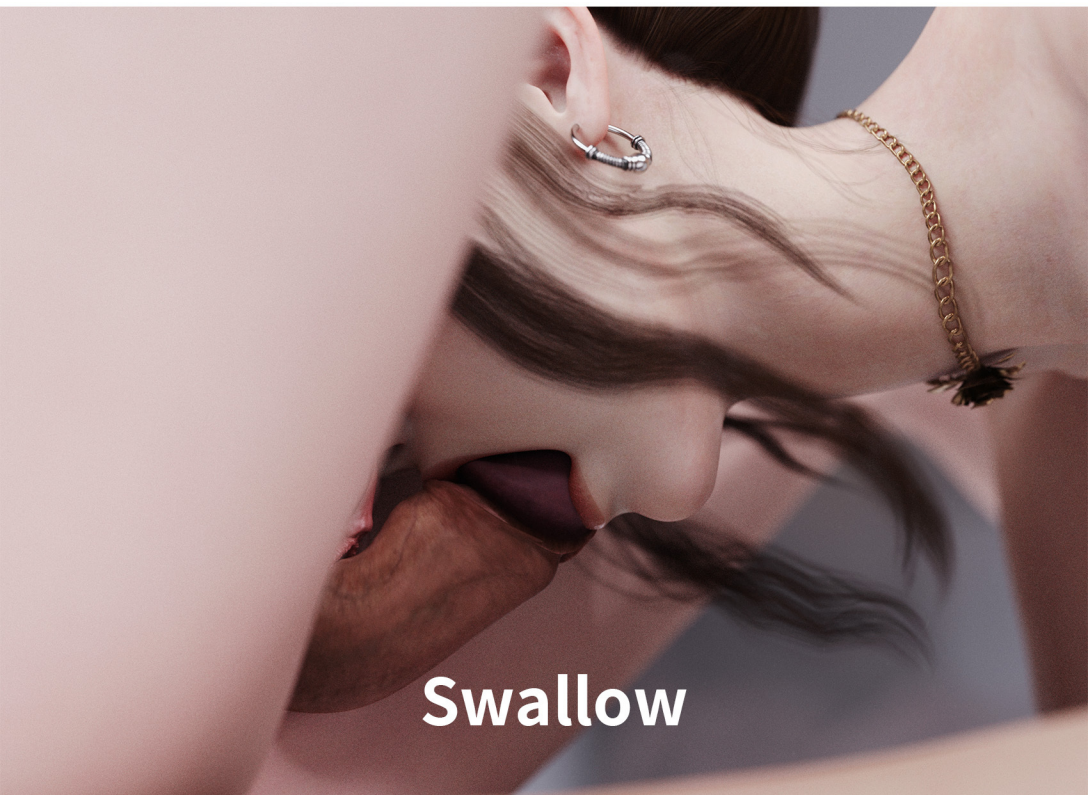

Besides jacking off,
you can lick it.
The bellend is an
erogenous zone.

Lick

Um ahh! It's so odd!
I can't help but
to tremble.
It's very electric!

Are you
swallowing
it?

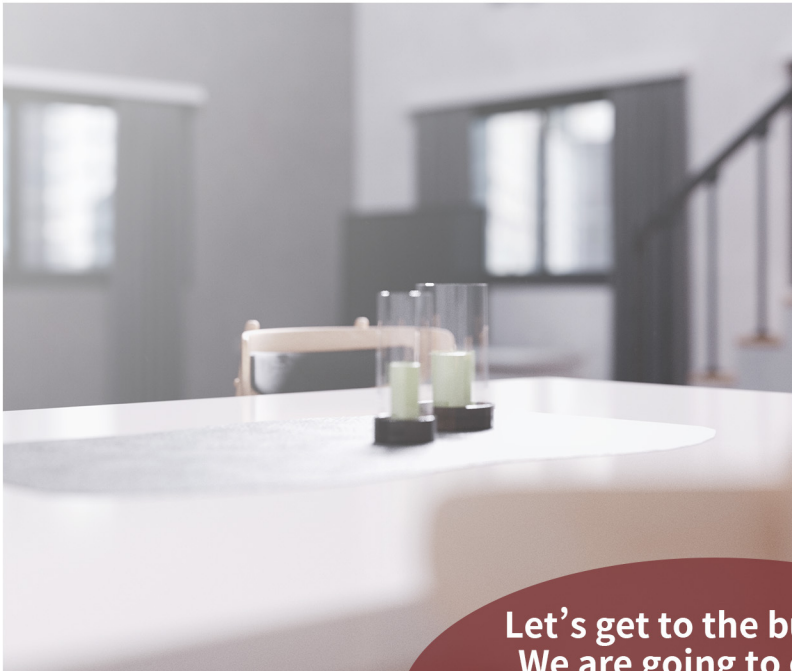

Swallow

Spit it out!
Wow! It's so hot
and so warm!
Leo please deeper!
No! No!

I don't understand
what I'm saying....
This must be the first time
this body has an oral sex.
It feels so strange.

Oh yes! No wonder men
are addicted to sex.
It's like a drug once you try it,
you can't quit it.

**Let's get to the business.
We are going to change
to different poses.
Yuki, stay with me!
You need to learn to
resist the lust!**

Phew....
Ok. I get it. I'm fine.
Don't worry.
I just need to catch
my breath.

Hesitate

Leo, you need to take
care of yourself too.
If you don't feel well,
please tell me!
Don't push yourself!

Unlike last time,
this time it's me taking
the initiative.
Isn't this too far?
What if the lust
overwhelms me again?

I'm fine.
I'm with you so
I'm not worried.
Just do it!
I got this.

Not in my wildest dream that
one day I will use a penis to thrust
into a woman's private parts.

It's so tight!
Is a vagina this tight?
Babies can come through this.
Why is it so hard to
put my penis into it?

Shove!

Does my pussy feel like this?
It's so amazing.
It's like I know this body part
for the first time.
It sucks so tight that
I can't pull my cock out.

**Wooo ahhh!
I...I have no idea.
I'm not used to women's
sexual pleasure.**

**I have so much to learn.
Yuki, harder.
It's fine. I can take it!**

From the moment
I decided to be a journalist,
I have prepared myself to
face the dark sides of society and
expose scandals for the people.

Leo, how do you feel?
I'm afraid that I may
hurt you but I can't stop!
I want to thrust harder!

啪啪啪!

Am I doing the right thing?
I'm using other people's bodies
without their consent.
Am I a perpetrator too?

What are you doing?

Well well well~
You little couple are doing
some naughty stuff.

You're having fun
behind my back.
Do you freeze me out?
You're too inexperienced
so you only fuck her pussy.

That's entry-level shit.
Real players know
way more than you two.

Step

I'm going to teach you
and it'll be eye-opening.

It's so weird that I am turned
by her stockings legs.
I wear stockings all the time.

It's so tempting.
Her legs and the reflection
from her black stocking
are beautiful.
I have an urge to touch them.

**Ha ha! Look at you!
You can't take
your eyes off my legs.
Now you feel the charm
of black stockings.**

**Countless men love
black stockings.
That guy you're wearing inside
must be one of them.
Do you want to feel my legs?**

A close-up photograph of a woman's torso and legs. She is wearing black stockings. A man's hands are visible, gently caressing her legs. The background is blurred, suggesting an indoor setting.

The stockings feel icy
and smooth but somehow
I can feel her body heat.
I can't take my hand off her.

Caress

I feel like
I'm under a spell.
Why? They're just
regular stockings.

Why didn't I realize stockings are so attractive?

Ahhh! I can't take it. Her black stockings are so appealing. There's a voice inside of me that wants me to keep touching them.

**Yuki never shows this side
of her in front of me.
She seems so fascinated.
I don't want to see the girl
I love make out with others.**

**But going undercover requires us
to understand these sickos' fetishes
so our cover won't be blown.**

Using my face to rub against
your legs feels so great!
Why are legs in stockings
so incredible?
I didn't notice the beauties
were right around me!

I don't need to jack off
or make love to
enjoy the sexual thrill.
It's so amazing!

A woman with long dark hair, wearing a black dress, stands with her arms crossed, looking towards a man whose back is to the camera. The man is shirtless. The scene is set in a modern, dimly lit room with a window in the background.

Hehe! Now you know
I wasn't lying, right?
Black adds a touch of mystery
that makes it more sexy.

Plus, they make my legs
look slimmer and longer.
The stockings have a
silky, delicate texture.
Whether it's the visual or
feeling, it's just irresistible.

A woman with long, dark, wavy hair is shown from the chest up, looking down and to the right. She is holding a foot in a dark, sheer stocking close to her face, as if smelling it. The background is a dark, textured surface. Two purple speech bubbles contain text.

**And that's not all.
Smell it. Don't you smell
something great?**

**The stockings tightly
wrap my gorgeous legs,
locking in the most primal scent.
It's as sweet as morning dew,
isn't it?**

A close-up photograph of a woman with long, dark, wavy hair. She is looking towards the right side of the frame with a soft, appreciative expression. Her hand is raised, and she is holding a single chocolate finger (a small, pointed chocolate treat) near her nose, as if smelling it. The background is blurred, showing what appears to be a display case or shelves in a shop.

They smell so nice and sweet!
Once you taste this rich aroma,
you'll never forget it!

It's so delicious!
Let me savor it some more.
Ahhh! It's amazing.
I love it!

A woman with long dark hair, wearing a black dress and black stockings, is sitting on a bed. She is looking towards a nude woman who is sitting on the bed with her back to the camera. The scene is set in a modern room with dark curtains in the background.

Tsk tsk tsk,
You got good taste.
If you make me happy,
I will give you some more.

Yes! I'll do
anything you say!
Please, I want more
stocking legs!

Hahaha!
The power of black
stockings is overwhelming.
The perverted guy inside you
is already influencing
your behaviors.

Come on,
serve me well.
If you lick me right,
I'll reward you.

Slurp slurp

Mmm~
Your tongue's
pretty nimble.
You're a natural
at this.

Stop!
Don't move until I say so.
These sacred stocking legs
aren't something you
can just lick whenever
you want.

**I'll wait and do
whatever you ask!
Please, hurry and
reward me with
your stocking legs!**

Oh, poor girl.
Your cock is dripping.
Since you're such a good girl,
I'll teach you more fun stuff.

Once you master this,
you'll have amazing sex
with my brother.
I'm just the sweetest
big sister!

But honestly, you've got
zero resistance to lust.
Can you handle an
undercover mission?

Kick

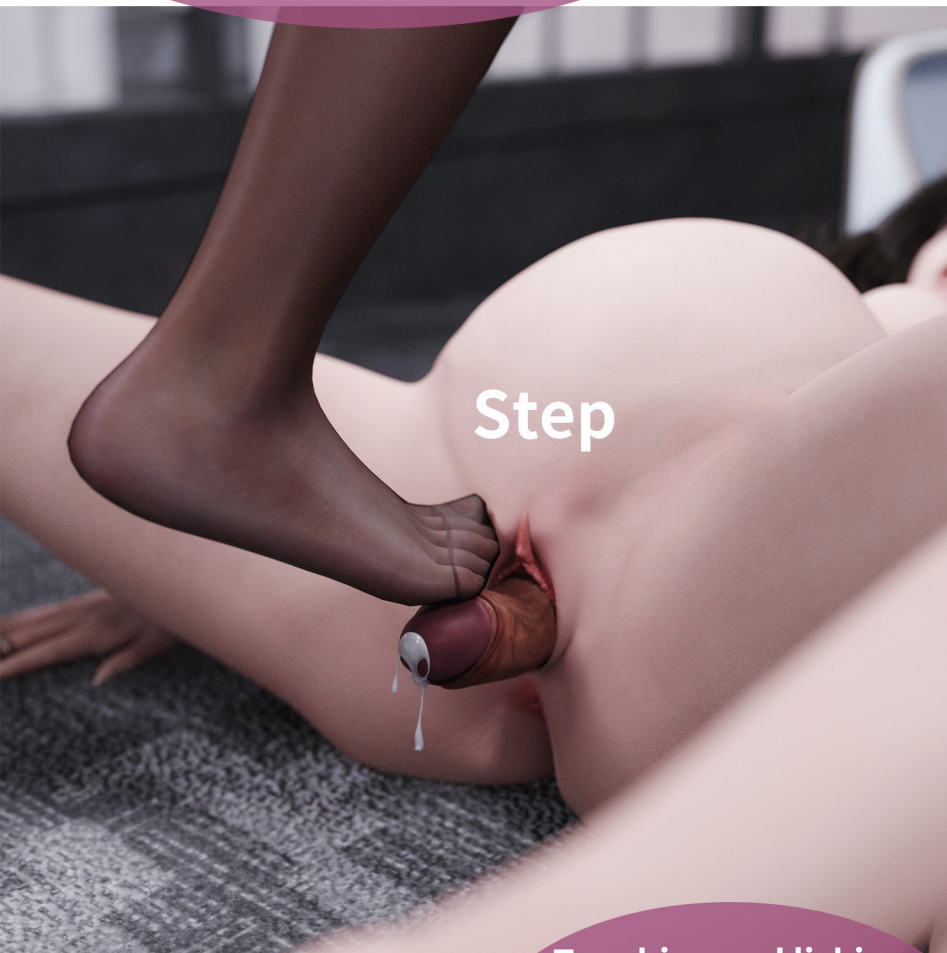

You're getting
turned on way too easily.
We're sending in
an undercover agent,
not some horny bitch
for them to bang.

You need to understand these fetishes and enjoy them while staying sharp. Otherwise, forget infiltrating; you'll just be their free whore.

Thud

Ah! What are you doing?!

**Come on!
I'm disciplining you
and making you better, of course.
If you don't understand the allure of
stocking legs, you'll blow your cover
the second you step in.**

Step

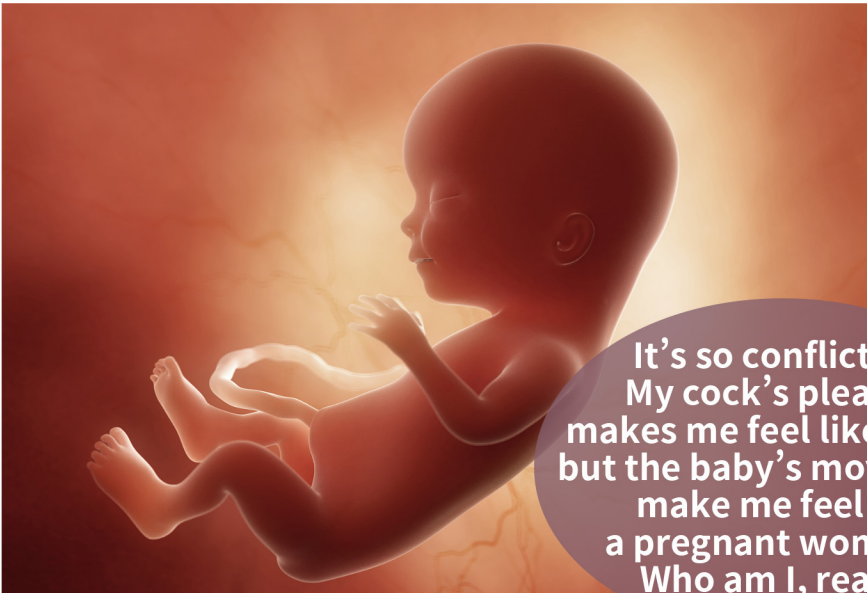

**Touching and licking
are just the basics.
Now comes the real deal.
How does it feel?
Isn't the footjob
mind-blowing?**

Ohhh ahhh!
This sensation...
I can't take it!
I'm losing my mind!

Help!
Something's
moving...
Is it my
stomach?!

It's the baby kicking!
I can feel the baby inside me,
so lively, so full of life,
reminding me of its presence
every second.

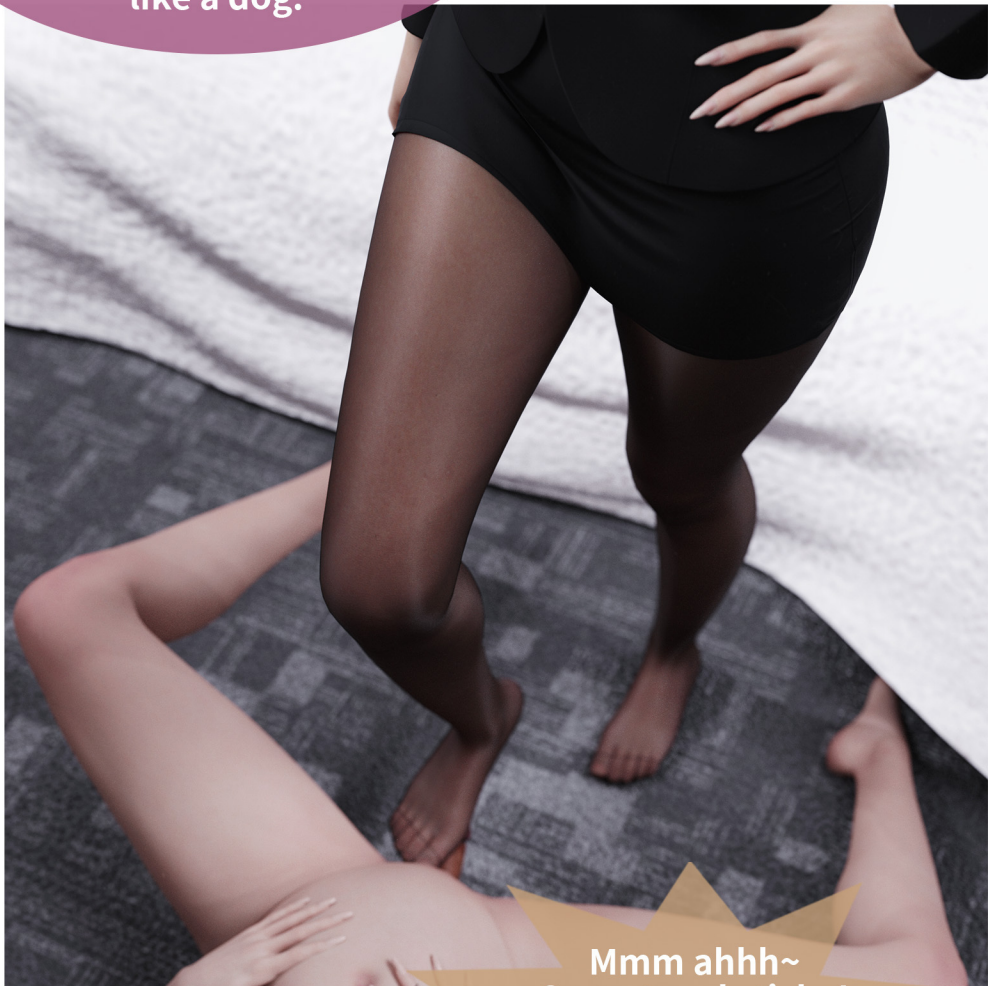

It's so conflicting!
My cock's pleasure
makes me feel like a man,
but the baby's movements
make me feel like
a pregnant woman...
Who am I, really?

A woman in a black suit stands on a bed, looking down at a nude woman lying on the floor. The scene is set in a modern, dimly lit room with a window in the background. The woman in the suit has her hand on her hip, and the nude woman is lying on her back with her hands on her chest.

I haven't even gotten serious,
and you're already
so overwhelmed you can't speak?
I had some expectations for you,
but now I'm deeply disappointed.

Are you too innocent
to resist lust,
or is it because deep down
you're just a pervert?
Either way,
I'll keep disciplining you.

The wet stockings feel even better, don't they?
Can you feel it?
They're soaked with your saliva!
You were licking my feet like a dog.

Mmm ahhh~
So wet and sticky!
My cock can't take it.
It feels so good,
ahhh!

**I can't take it anymore!
Watching my girlfriend
with another guy is
too hard for me!**

**That pervert is using “disciplining”
as an excuse to satisfy
his own twisted desires.
If anyone’s going to discipline her,
it should be me, her boyfriend!**

**Stockings, huh?
I've got them too!**

A woman with dark hair styled in an updo, wearing a white long-sleeved blouse and a black skirt, stands in a modern, brightly lit office environment. She is looking slightly to her right. A red speech bubble is positioned in the upper right corner of the image.

**Mine are OL
black stockings legs.
When it comes to seduction,
the charm of an OL
won't lose to you!**

A woman with dark hair styled in an updo, wearing a white long-sleeved blouse and a black skirt, stands in a modern, brightly lit office environment. She is looking slightly to her right. A red speech bubble is positioned in the lower right corner of the image.

**I can definitely teach
her better than you.
My girlfriend doesn't need
some creep like you meddling!**

I...I can't breathe!
It's all the scent of stocking legs.
This should feel humiliating,
so why don't I hate it?

This sensation of
being trampled, powerless,
and at someone's mercy...
It's...It's kinda nice!

The innocence of a woman new to the workplace, paired with the innate allure of black stockings. OL stocking legs are the perfect blend of innocence and sexiness.

You get it, don't you?
My man!

His dick is getting even harder!
Getting stepped on the face and still enjoying it.
You two perverts are such a perfect match~

Leo's OL stocking legs...
So beautiful, fragrant, and sweet.
They smell amazing!
How can they be this wonderful...

They're mine...
All the stocking legs are mine!
Ahh~ I'm drowning in the scent
of black stockings!

Of course, they're all yours.
These are way more captivating than
that pervert's stocking legs, right?
See, I'm the one
who understands Yuki best.

Haha!
Don't suck so hard.
It tickles!
Looks like Yuki
loves me more!

I call you native because you're so easy to get jealous. Why don't you two hold hands and kiss like two teenagers? Please!

Step

Ohhh ahhh~
No! I'm
gonna jizz!

Come on!
Leo, this is how adults have sex.
Look how happy your girlfriend is!

A woman with long dark hair, wearing a black blazer and black stockings, is sitting on a bed. She is looking towards the camera with a slight smile. Her legs are crossed at the ankles. The background shows a white bedsheet and a dark headboard.

**Different plays and scenarios
bring fresh and different thrills.
It's like the difference
between jerking yourself off
and having a handjob.**

**There are endless ways to
play with stocking legs.
I don't even need to touch or
stroke to make your girlfriend
turned on. Watch me!**

What are you
going to do?
What?

How is this happening?
Seeing this, my body
gets even hotter.

Never seen a view
this stunning before, huh?
Don't you just want to tear up my
black stockings and taste my cunt?

I don't even wear
panties on purpose.
This is how you should
wear black stockings!
Can you kid handle it?
Hahaha!

A woman with long dark hair, wearing a black top, is leaning forward and smiling. She is looking towards the camera. The background is slightly blurred, suggesting an indoor setting.

I know you're
dying to tear through
these stockings
and fuck me up.
Don't hold back.
Come and enjoy it!

A close-up shot of a woman's midsection and legs. She is wearing a dark, possibly black, stocking on her right leg. Her hand is resting on her hip. The lighting is soft, highlighting the contours of her body.

Can I do that?
She's Leo's older sister.
But just watching her,
my cock is so hard that
it's going to explode!

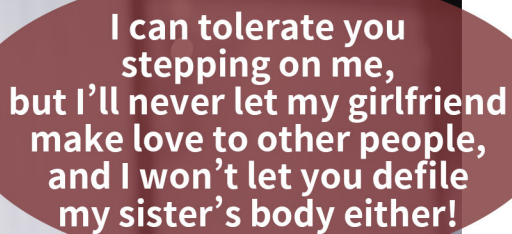

I can barely see her pussy.
She's seducing me.
I want to use my cock to rub it.
It will feel so great to
put my cock into her vagina.

Hell yeah!
Being wrapped up in my black stockings
and pussy at the same time,
you will cum instantly,
and it wouldn't even be surprising!
What are you waiting for? Come on!

**That's enough!
Don't go too far!**

**I can tolerate you
stepping on me,
but I'll never let my girlfriend
make love to other people,
and I won't let you defile
my sister's body either!**

**Bitch, please!
Are you trying to
make me laugh?
Who the fuck are you
to talk down to me?**

**Do you forget how sweet we are?
Or you can't face
the history between us?
Do you need me to
refresh your memory?**

A woman with long dark hair, wearing a black bra and high-waisted black shorts, is sitting on a man who is lying on his back on a bed. She is looking up and to the right, with her hands on her hips. The man is looking up at her. The background shows a window with light coming through. There are two purple speech bubbles containing text.

**Who was it that couldn't
resist temptation and ended up
fucking his own sister?
I remember it crystal clear.**

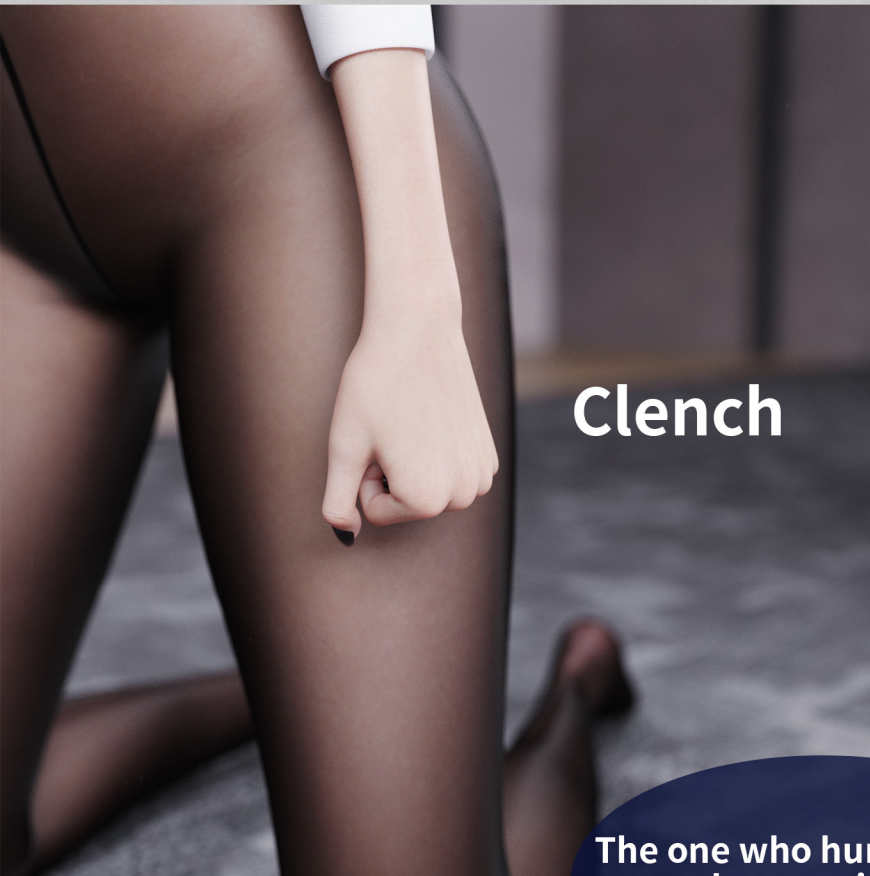

**Your cock thrust
inside me like crazy.
It showed no sign of being forced.
Are you going to deny it and
say you were not turned on?**

And besides,
I've already used your sister's body
to sleep with countless people.
Haha! Thanks to me,
she's a legendary "man-eater" now!

You know all this, don't you?
Why are you acting outraged now?
Please. It's too late to play
the good little brother!

**That bastard's right.
I can't even muster a single word to argue back.
It was me who couldn't resist temptation,
and it was me who failed to protect my sister.**

Clench

**The one who hurt my sister
the most is me.
How can I judge anyone?**

He's using my sister's face to talk to me.
It's like the real her accusing me...

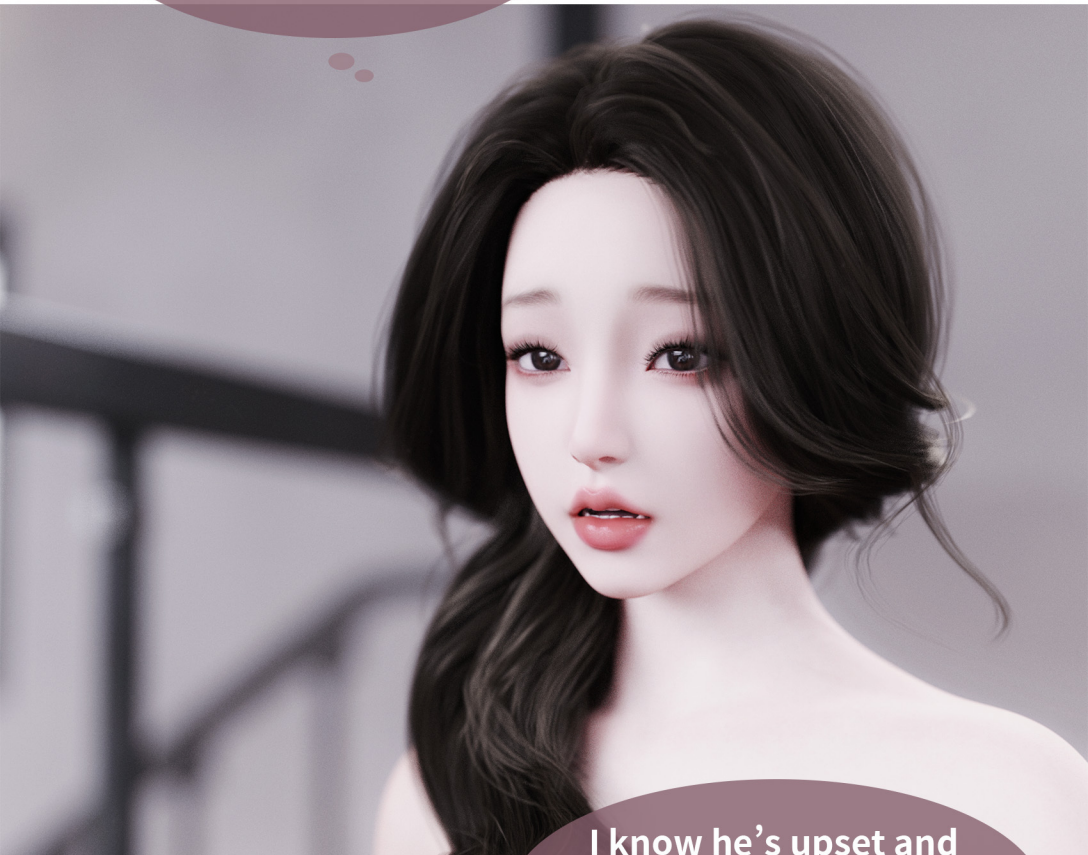

I can't even repay
my sister for raising me.
How can I face her?
I've failed as a brother
and as a lover...

Get it? Then get lost and stop interrupting me fucking her. What, you're impotent, so now you want to stop others from making love?

Check out the way he's watching me. His gaze is so heated, it's like my butt's about to catch fire! Just give in to your desires. Cock wants it wants.

Leo looks so sad...
He must be really hurt.
No one wants to see their
girlfriends doing this.

I know he's upset and
struggling inside,
but to infiltrate this is all
necessary preparation.

A woman wearing black stockings is lying on her back on a grey patterned carpet. Her legs are raised and bent at the knees. In the foreground, the back of a person's head and shoulders is visible, looking towards the woman. A speech bubble is positioned at the top left, and another is at the bottom right.

And honestly, the black stockings
butt, and legs are irresistible.
He keeps shaking them to seduce me.

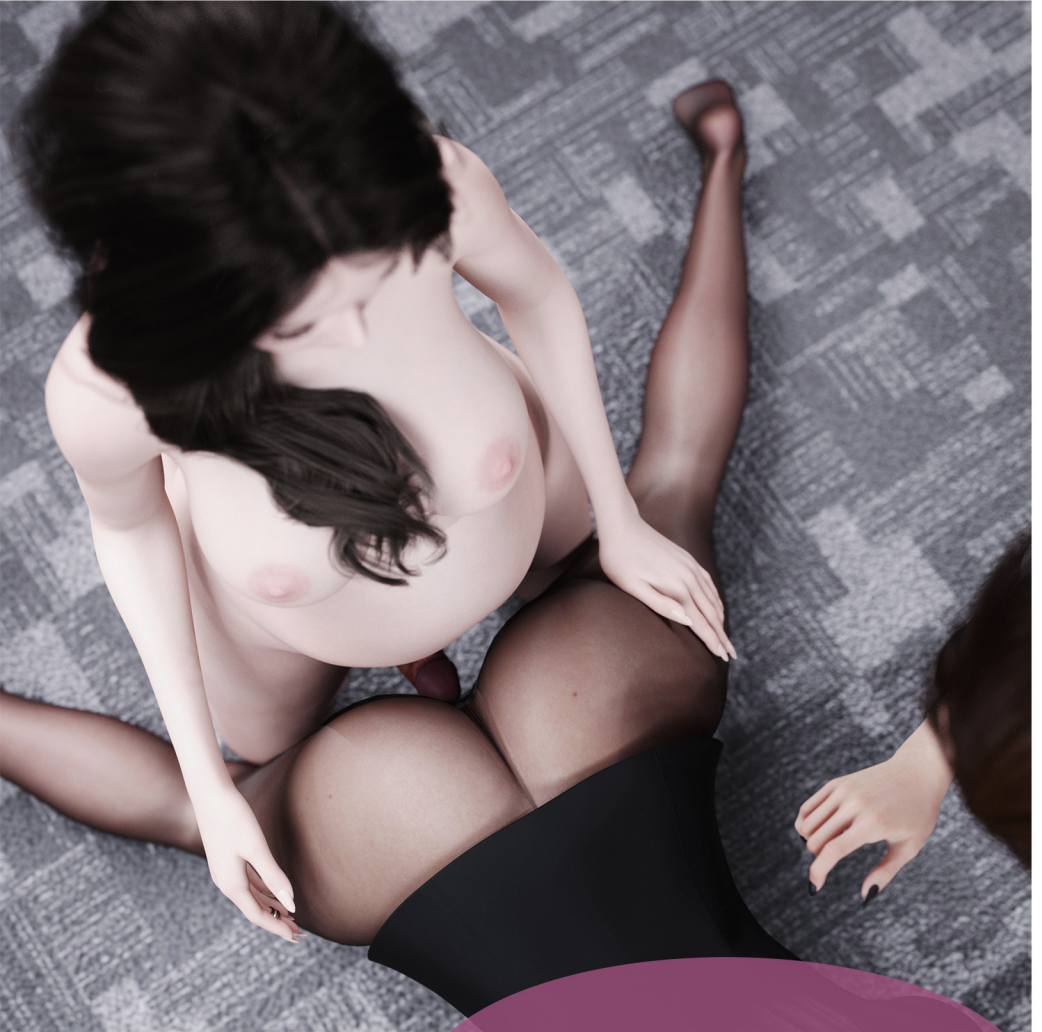

Sorry, Leo!
I can't hold back anymore.
My desire's too strong,
it's driving me crazy!

Well...
I'll get started...

Lift up

Come on!
I've been waiting so long
that my pussy is dry!

So soft... The stocking ass
is even softer than the legs
It feels so incredible!
Can I just stick my cock right in?

Sure! Ripping through stockings
is like taking a woman's virginity.
You're gonna love this feeling!

My sweet butt's pretty great, right?
I've been taking good care of this body.
Ahhh, finally, it's in!
After waiting so long,
that cock feels even better!

So amazing...
Is this what popping the cherry
feels like? Yes! Oh Yes!
Your virgin pussy
sucks so good!

I'm her boyfriend...
but now I watch her
have sex with another man.
Yuki completely forgot about me.
Her heart and eyes
are all on someone else...

I know I don't have the right
to complain, but it still hurts.
I can't watch this.
Please, just stop...

Young man,
you might lack skills,
but have plenty of stamina!
You fuck me so hard!
You've got a real talent
for banging chicks.
Oh god! I feel so great!

Shut the
fuck up!

啪啪啪！

Mmm ahhh!
So wet, so hot!
My cock can't
live without
virgin pussies!

Because I wasn't a man,
I never knew using cock to
fuck someone feel this great!
It's different from the pussy
of Leo's skin suit.

Do other women's pussies
feel different too?
I want to screw more pussy
and rip off more stockings!

But you two are a perfect match.
I just tease a little, and
you're both so horny to fuck.
Haha!

But you two are a perfect match.
I just tease a little, and
you're both so horny to fuck.
Haha!

Oh yeah!
I fuck her so hard that
her pussy's burning hot.
My cock is sucked so tight.
I'm gonna fuck you up!

I can't stop! What do I do?!
My dick is out of control! Ahhh!
Your vagina sucks me so nice!

**Ohhh!
What's this
feeling?!**

**My cock is
pulsing!
Something's
coming out!**

Ahhh!
This white
stuff...
Is it semen?
Am I
ejaculating?!

Ejaculate!

Am I ejaculating?!
What?
Why can't I stop?!

What's all this?!
Is that my semen?
There's so much!

Drip

No way!
How can there
be this much...
How do I ejaculate
so much semen?!

My penis is still dripping.
It's really my semen...
How do I stop this?!
It's like I've lost control
of my bladder...

My head's a mess...
What have I done...
Did... Did I cum
inside Leo's sister?
I... I'm sorry!
I didn't mean to!

Are you trying to deny the fact
and pretend it didn't happen
after you climaxed?
You fucked me so hard that
my butt still hurts!

Look, you even made
my pussy swell up.
Was your first ejaculation fun?
Do you want another round
to relive it?

No, I didn't!
I'm not.
Shut up!

How could I do that
to Leo's sister...
That wasn't me!
It's the skin suit's fault!

**Calm down,
Yuki!**

**Don't listen to that creep's nonsense.
He's a shameless and evil man
who just wants to see us break down!**

I've told you many times.
It's totally normal.
It's your first time dealing with
male desire, so of course you
were uneasy and out of control.

Don't blame yourself.
It's not your fault.
The Yuki I know is kind and strong.
She'd never hurt anyone
on purpose.

Lovebirds, huh?
But when it comes to escaping from reality,
you're the expert, my little brother.
Do you remember?
Back then, you fucked me really good!

You've both had your way with
my pussy, so we're just one big,
happy family now.
Let's get along, okay?

Shut up!

**You shut the fuck up!
The one escaping reality is you.
Who was it that nearly had their
skin peeled off by me, crying and
begging for mercy in pain?**

**If you're old so
your memory's failing,
I don't mind helping you
to remember it.**

A woman with long dark hair, wearing a black blazer, is sitting on a bed with white pillows. She is smiling and touching her face with her right hand. The background is a simple, modern room.

**Too bad!
That trick doesn't
work on me anymore.
Do you think I'm like you,
focusing on love and
not learning anything?**

**HQ didn't just send me alone.
If anything seems off,
my backup will show up
in a second.
You two had better
play ball.**

I'm done wasting my time on you.
You get the fuck out now!
Yuki, let's go and forget about him.

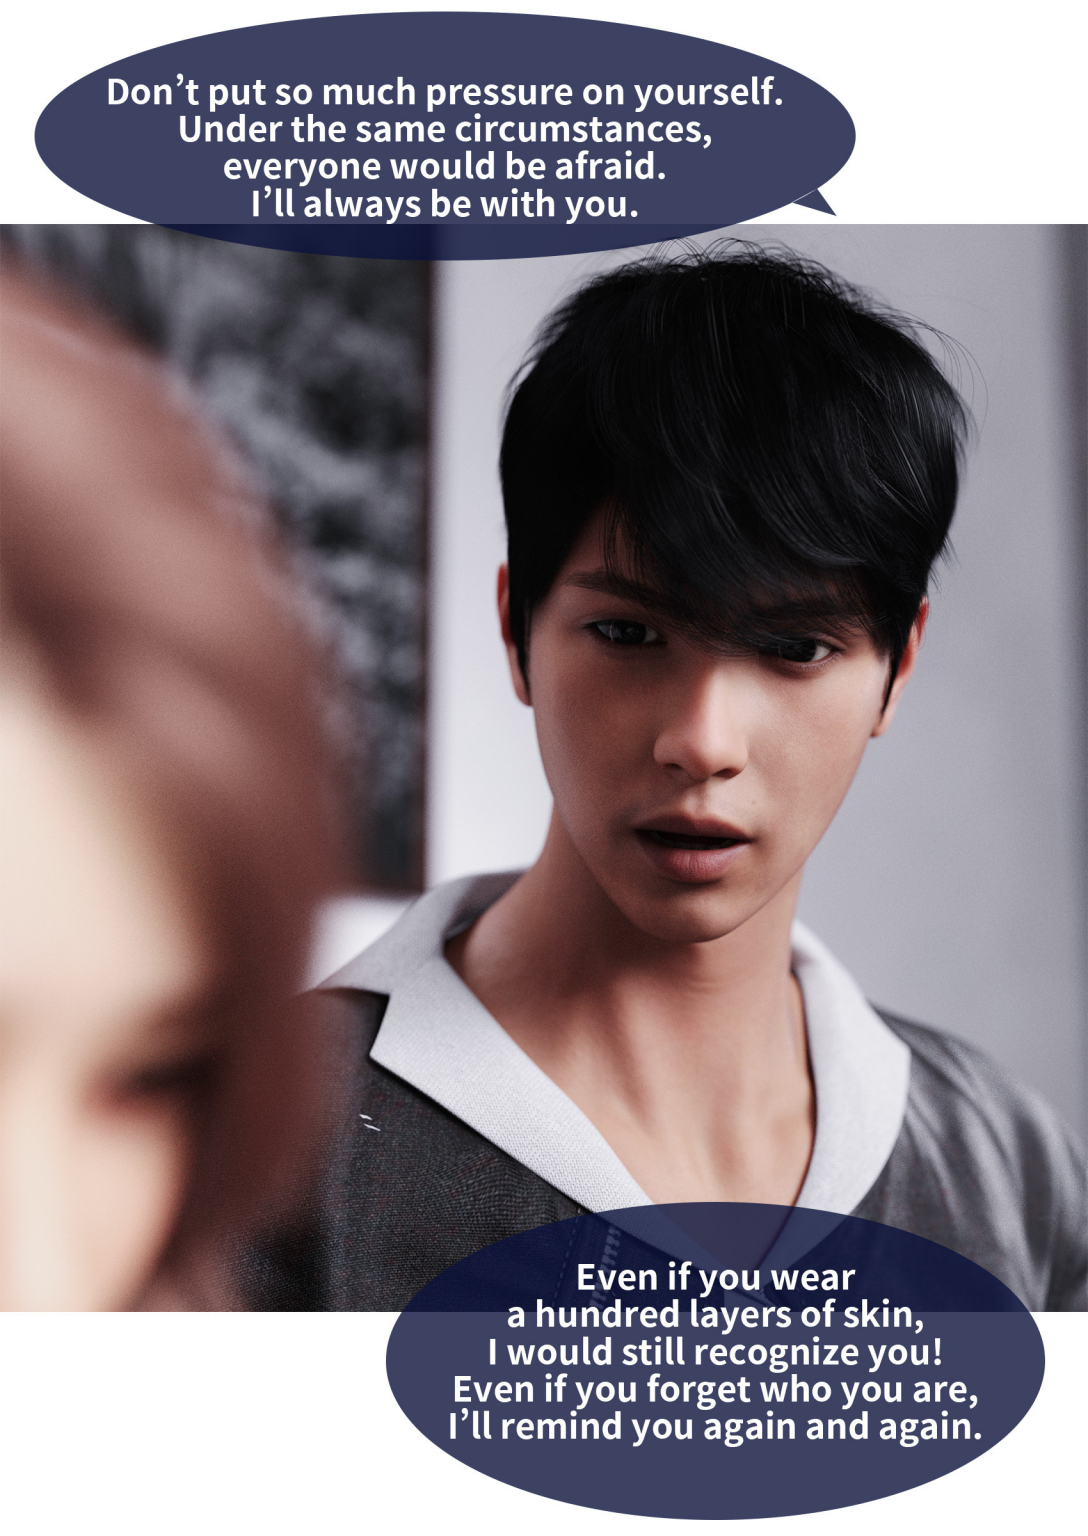

**Sorry, Leo.
I'm so useless!**

I underestimated this.
I didn't expect that putting on this skin suit
would let his desires control me.
It's like I'm the one being controlled...

I... I'm actually a little scared.
Just now, it felt like my consciousness
was being swallowed.
For a moment,
I didn't even know who I was...

Don't put so much pressure on yourself.
Under the same circumstances,
everyone would be afraid.
I'll always be with you.

Even if you wear
a hundred layers of skin,
I would still recognize you!
Even if you forget who you are,
I'll remind you again and again.

You're Yuki and you'll become a great journalist and uncover the truth. We're going to infiltrate that clinic together and collect more clues.

Before that, we need another skin to disguise. It's going to be dangerous, but we promised to help each other, right?

**You're right!
I need to pull myself together.
There's no reason to back down
just because I failed once.**

**Becoming a journalist
has always been my dream.
We're going to help your sister,
the pregnant women,
and all the countless other victims
take back their bodies!**

**I'll make sure
those monsters
face justice!**
