

Ouch!
Let me go!

A man with dark hair, wearing a dark jacket over a white collared shirt, is leaning towards a woman with long blonde hair wearing a grey dress. The woman is holding the man's hand near his face. In the background, another man in a dark shirt is looking on with a concerned expression. The scene is set in a room with wooden paneling and a doorway leading to a brighter area.

**Shut up!
Take off
that skin
now!**

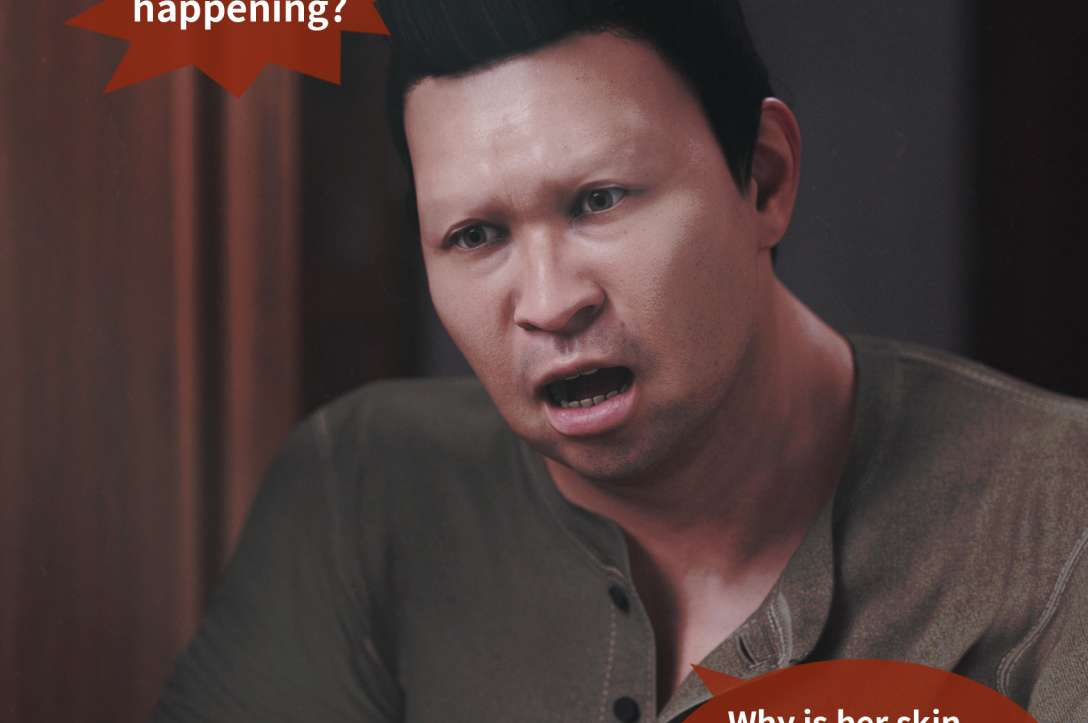

**Stop acting like
a damsel in distress!
I won't fall for your tricks!
If you don't cooperate,
I've got plenty of ways to
make you comply!**

A woman with dark hair and a black top is shown in a state of distress, her mouth open in a cry of pain. A man's hand is firmly gripping her forehead, and another hand is near her face. The scene is set in a dimly lit room with a wooden floor. Three speech bubbles contain text related to the scene.

**I've tried this before!
If I pull your skin,
you'll be in
unbearable pain.**

**Ohhh! Ouch!
It hurts so bad!
Stop it!**

**I did this to the bastard
pretending to be my sister!
You had it coming!
You don't deserve
any sympathy!**

A close-up photograph of a man with dark hair and a wide-eyed, open-mouthed expression of shock or disbelief. He is wearing a dark, button-down shirt. The background is dark and out of focus.

**Ugh! What's
happening?**

**Why is her skin...
doing that?
How can human skin
be pulled like that?!
Who the hell is she?!**

**Still trying to resist?
I tried talking nicely,
but you wouldn't listen.
Now, no matter how much
you beg, I won't stop!**

**It's killing me!
Are you trying
to kill me?
Let go!**

Let her go!
What are
you doing,
you lunatic!

Don't move!
I won't let
you through!
Stay out of this!

**What...
What are you doing?
Why are you stopping me?
Don't tell me...
they bought you off!**

**I don't care what you think.
I'm not letting you through.
Stay put.
Don't make me hurt you.**

I was wrong!
I swear I know
I was wrong!
Please stop
pulling!

I'll take it off
myself!
Please, let go!
You're literally
killing me!

Fine. I'll trust you one last time!
You better not try any tricks,
or I swear I won't let you off!

I get it.
I'm taking it off...
I'm taking it off...
I won't dare do anything!
Please, believe me!

A man with a dark beard and slicked-back hair is shown from the chest up, looking intensely at a woman. The woman has long, light-colored hair and is wearing a grey, form-fitting dress. She has her hands near her chest and appears to be in a state of distress or fear. The background is a dark, textured wall.

**...Phew! Look,
I did what you said!
I took it off!
Do you believe me now?
Please don't hurt me!
It hurt so bad!**

Take off!

**Son of bitch, how dare
you treat me like this!
Once you let your guard down,
I'll beat the shit out of you
that your mom wouldn't
recognize you!**

**And that damn sucker engineer.
None of you is getting away!
I won't let any of you go!**

**Oh my God!
Is she
a monster?!**

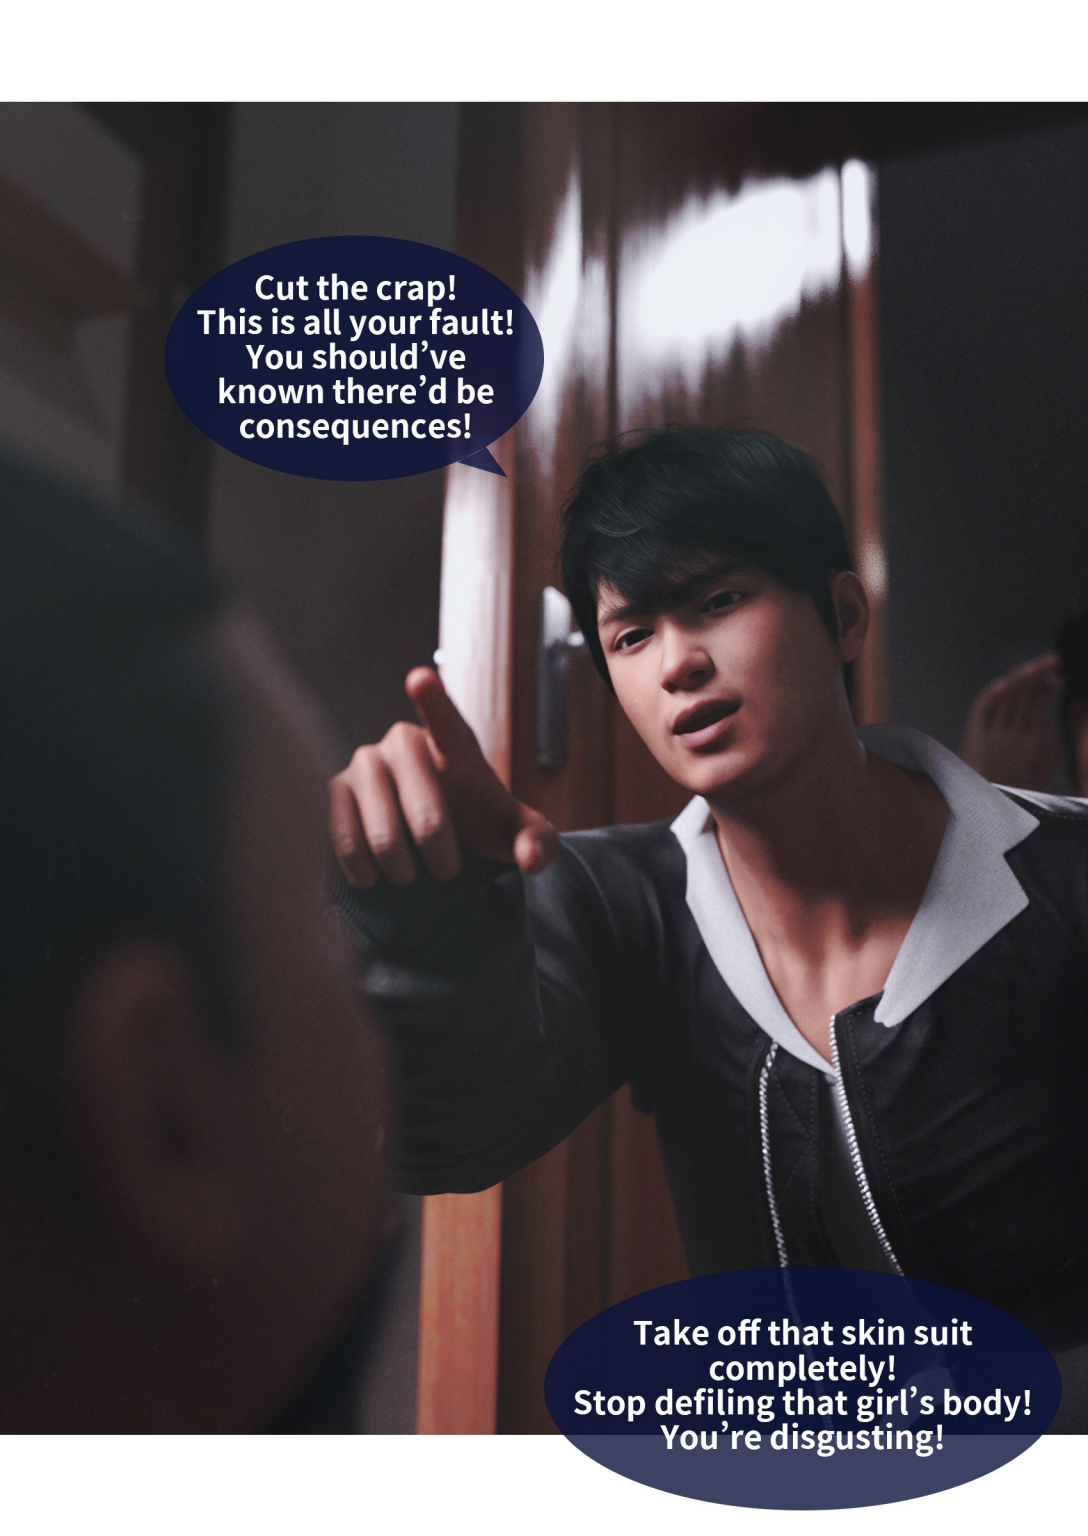

**Why is there a man's
head inside her?
What... What the hell
is this?**

Damn it... It's over...
I'm so fucked....
Someone saw the skin suits,
and I've been overpowered...
What should I do?

The boss definitely
won't let us off!
Will I be thrown to the sharks
or buried in a concrete
breakwater block?

I used to dream of
buying an oceanfront house,
and now I'm about to become
the front-row view myself...

A young man with dark hair, wearing a black jacket with a white collar, is pointing his right index finger towards the viewer. He has a serious expression. The background is dark and out of focus, suggesting an indoor setting with wooden paneling.

**Cut the crap!
This is all your fault!
You should've
known there'd be
consequences!**

**Take off that skin suit
completely!
Stop defiling that girl's body!
You're disgusting!**

Okay... okay...
I'm taking it off...

**How did it come to this?
Things are spiraling
out of control.
Should I fight back
or even silence him?**

**That damn kid really
pisses me off!
Who does he think he is,
judging me like that?
I used to want to make
something of myself.
And what did I get?!**

A photograph of a man with a thick black mustache and a woman in a room. The man is shirtless and looking down at the woman, who is bent over. The scene is lit with dramatic, low-key lighting, creating a somber and intense atmosphere. The background is dark and indistinct.

**The friend I trusted
betrayed me!
What did I get for being
honest and hardworking?
Nothing!**

**No good deed goes unpunished!
I'll teach you a lesson and show
how cruel the world really is!**

**Alright...
I've taken the skin off.
You can take it if you want.
Can you let me go now?**

**I'll delete the video.
Or you can delete
it yourself, whatever!
Like we said,
we never met, okay?**

**Is this
human skin?!
You... You're
actually
a dude!**

**No way...
How....
How could
something this
bizarre exist?**

A photograph of a man with a dark goatee and a hand on his forehead, looking towards a blurry figure in the foreground. The man is shirtless and has a muscular build. The background is a plain, light-colored wall.

**Then...
then the one I...
I slept with...**

**Was it this
old, ugly,
disgusting man
in front of me?!**

**I couldn't
tell at all!
The way it felt
when I touched her,
the sensation when
I was inside her...**

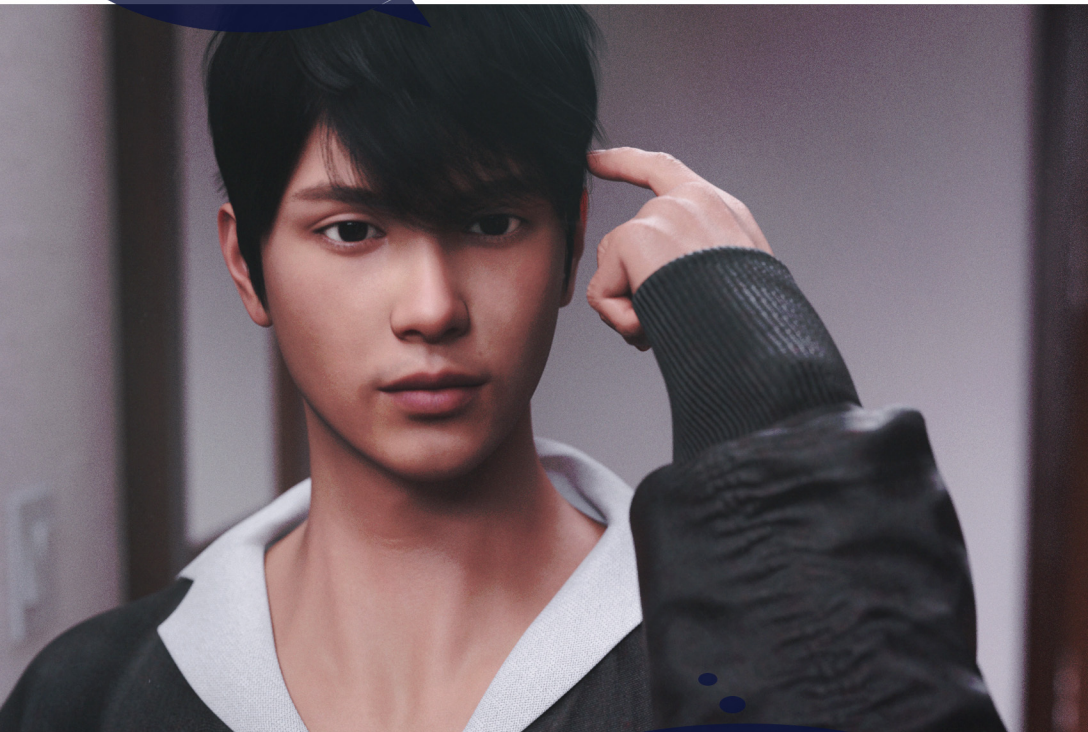

**It was just like
a real woman!**

**Ewww!
Oh god!
It's so gross!
I'm gonna
puke...**

**I had sex with an old man!
Goddamn, that's fucking gross!
I'm gonna be traumatized...
Why did this happen to me?**

Sigh... Sir, calm down.
What's done is done,
so don't dwell on it.
Let's deal with them first.

Hmm...
What should we do with them?
It'd be great if we could get
more intel from them.
For now, let's see what's
on his mind before deciding.

They're starting to let their guard down. I'll take the chance to grab a kitchen knife! I need to stab them to get this even!

**Haha...
What should we do?
Well. I don't know either.
Can I use the bathroom?
I really need to pee...**

**Damn it!
He's up to no good!
He's acting all confused,
but deep down,
he wants to kill us all!**

You...

**Huh?
What now?**

**You're
trying to
trick us
again!**

**Why do people
like you never
feel guilt?**

A photograph of a man in a black leather jacket leaning over a shirtless man lying on the floor. The man in the jacket is looking down at the man on the floor, who has his hands raised in a gesture of surrender or protest. The scene is set in a room with wooden paneling and a tiled floor.

**You always
think you're
right!**

**Saying one thing
and doing another!
Hurting others and
proud of it!**

**Have you ever
thought about your victims?
How desperate their friends
and families must feel!
Have you ever thought
about that?**

**You ruin people's lives
so casually and don't
even think you're wrong!
How... How can there
be people like you?!**

A photograph of a man with a dark beard and hair lying on a light-colored tiled floor. His eyes are closed, and a bright white starburst graphic is positioned on his forehead. The image is split horizontally, with the top half showing the man and the bottom half being white.

**Ugh!
Stop hitting me...
It's all my fault...**

**You're still lying!
Still lying!
You don't feel
any remorse!**

**Leo!
Stop it!**

**Calm down! If you keep
punching him, you'll kill him!
I get how you feel,
but you can't lose control!
Let him go.**

**I... I'm just
so mad!**

**Sorry, I lost it....
He reminds me of my sister...
She was ruined by people
like them...**

My sister, who raised me and was my only family, suffered because of their selfish desires...

Her body was manipulated, forced to do those absurd, unthinkable things against her will... I'll never forgive them!

A woman with black hair and bangs, wearing a pink and white plaid dress with ruffled shoulders and a large white bow at the waist, is sitting on a wooden floor. She is looking towards the camera with a slightly concerned or thoughtful expression. In the background, there is a white L-shaped sofa with several cushions. The lighting is soft and indoor.

What's going on now?
Why's that guy suddenly
freaking out again?
Is he some nutjob
who escaped from
a mental hospital?

But right now,
no one's holding me back
and paying attention to me.
I need to seize this chance!

Nice..
I have the kitchen knife
now...

If I can pull off
a surprise attack,
the crisis will be over.
If I accidentally kill someone,
don't blame me.
You shouldn't have
gotten in my way.

I can't let you
take our skin suits, or the
organization will hurt me down.
I don't want to be buried in a
concrete breakwater block!

A woman with dark hair, wearing a white, ruffled dress, is shown in profile, looking towards the right. She has a concerned expression. A hand from the left is holding a large, dark knife, positioned as if about to strike her. The background is a plain, light-colored wall. The image is framed by a white border at the top and bottom.

**Take it!
I'll take you
all down!**

**Let her go,
or you're
all dead!**

**Pfft!
Shit!**

**Don't even
think about it!**

**Trying to
sneak up on us?
I've been
watching you!**

**Why do you assholes
always disguise yourselves
as women to scam people?
You made me do that...
and you even tried to
extort me for money?
That's outrageous!**

**Fuck! Oww!
My stomach!**

**I'm still a woman!
Don't you know
how to treat a lady?!**

You...

**You reacted so fast,
that was amazing!
Thank you for saving our lives.
I've calmed down now.**

**Despite all the chaos,
our mission is
finally complete.
You probably still have
a lot of questions, right?
Got time to talk with us?**

A man with dark hair, wearing a green polo shirt, is shown from the chest up, looking towards the left with a shocked expression. His right hand is raised to his forehead. In the foreground, the back of another man's head and shoulders is visible; he is wearing a black jacket and a white hoodie. The background is a blurred indoor setting.

**Afterward,
I explained everything
in detail to the engineer,
what happened to me and Yuki,
even the skin suits.**

**Though he was shocked,
he believed us and even
decided to help us.**

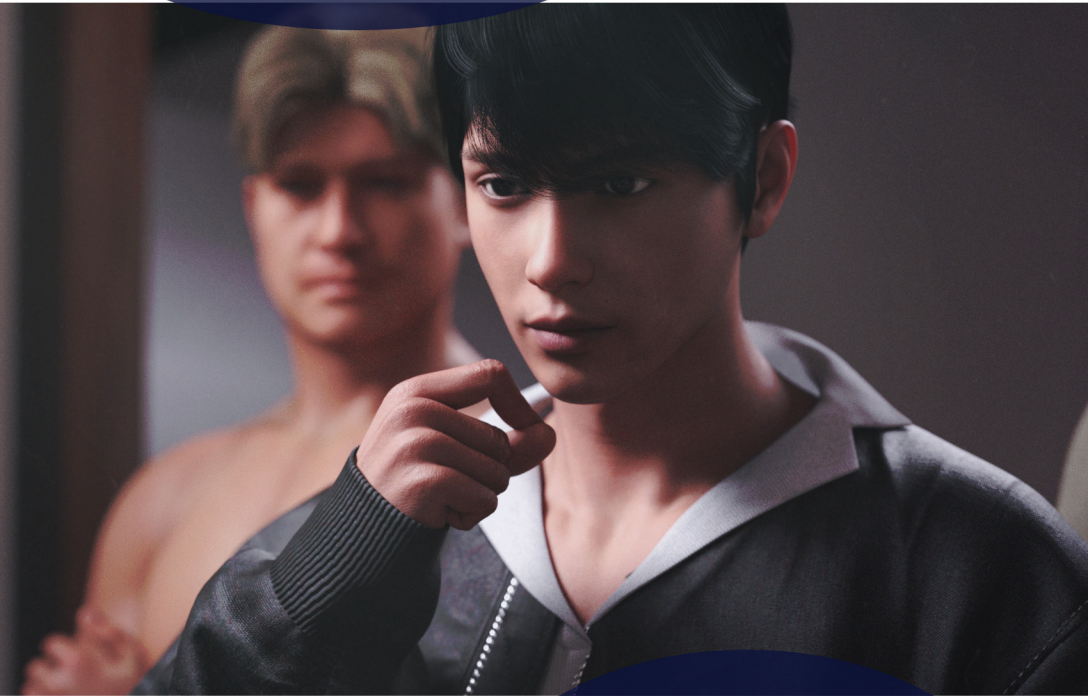

**Aside from being horny,
he's truly a kind-hearted,
right-minded,
and decent person.**

The last loose string
is what to do
with these two bad guys.
Letting them go is obviously
out of the question,
but silencing them...

Of course, I could never do that.
No matter how despicable they are,
I don't want to go down the path
of becoming a murderer.

I couldn't come up with any ideas. Those two kept crying and begging, swearing they'd never do it again.

I didn't buy them, but their whining kept messing with my thoughts. It was really infuriating. Thankfully, the engineer guy said he had a solution.

A man with a large, dark pompadour hairstyle is shown from the chest up, looking off to the side with a serious expression. He is wearing a dark green long-sleeved shirt. The background is a dark, out-of-focus interior.

He gets some connections in the underworld and knows a guy who can lock them up.

They've been wearing those skins to impersonate others, and their original identities have probably been erased, so no one would notice they disappeared.

**That seemed like the best solution,
and the matter finally came to a close.
Then the engineer invited us to his place...**

Wow!
Your house is huge!
It's so beautiful!

**Don't be shy, come on in!
You are my saviors.
My wife and kids
aren't home right now.
Make yourselves at home.**

**Thank you!
It's my first time in such
a luxurious house.**

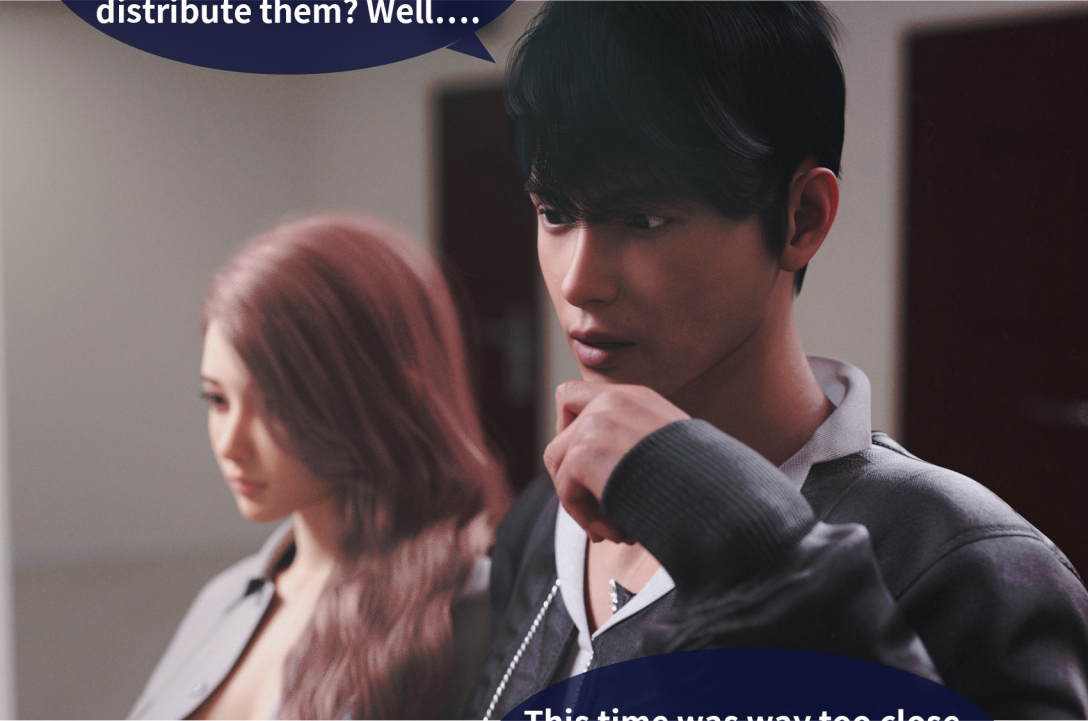

**With no one else
around...**

Let's check the skins we've got.
We should also assess
the current situation and plan.

It's such a relief we made it.
I hope we can help these
girls change back.

So...
How do we infiltrate them?
We have enough skin suits,
but how should we
distribute them? Well....

This time was way too close.
We nearly didn't make it!
We need to be more cautious
and not get hurt.

**You're right! It was so dangerous.
One slip-up could've cost us our lives.
We need to talk through everything
beforehand.**

**If we run into trouble,
we can figure it out together.
I'm sure we can pull through
like we did this time!
I'll do my best to help, too!**

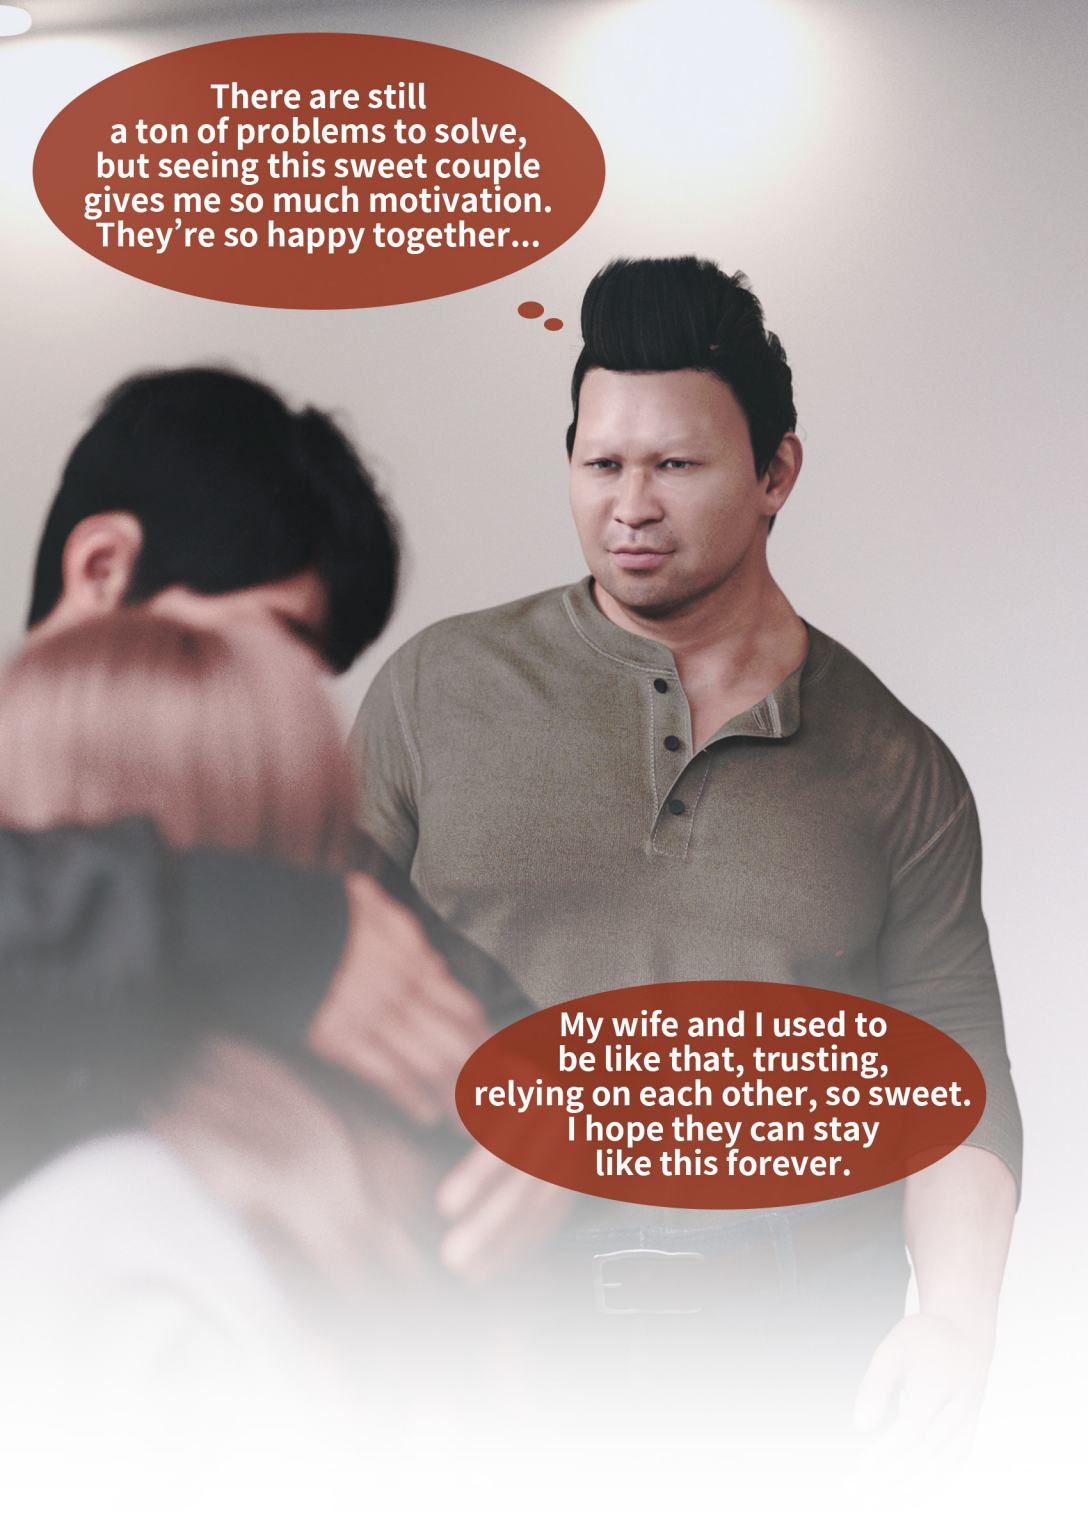

Why the long face?
This success is
a huge step forward.
Everything's moving to
the right direction!

We need to be cautiously optimistic.
We can overcome any obstacle!
We'll save your sister very soon!

A man and a woman are shown in a close embrace. The woman has long, wavy reddish-brown hair and is wearing a light-colored, possibly white or cream, jacket. The man has dark hair and is wearing a dark leather jacket over a white collared shirt. They are standing in a modern, brightly lit interior space. In the background, there is a white railing, a white vase containing dried branches, and a white wall. The overall atmosphere is intimate and warm.

**Yuki... Thank you!
I really wouldn't know
what to do on my own.
Having you here means
the world to me!**

**No need to be so polite!
Helping each other
is what friends do.
You'd better introduce me
properly to your sisters
when the time comes!**

A man with dark hair, wearing a grey polo shirt, stands in the center of the frame. He is looking towards the left, where a man and a woman are embracing. The man is seen from the back, and the woman has her back to the camera. The background is a plain, light-colored wall. Two thought bubbles are present: one at the top left and one at the bottom right.

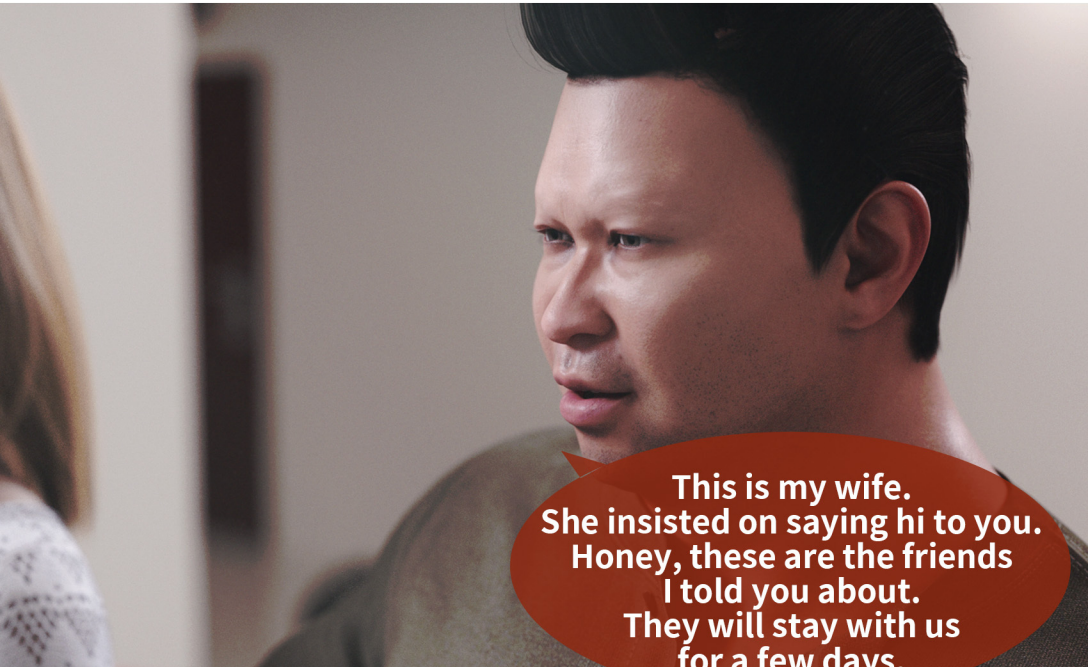

**There are still
a ton of problems to solve,
but seeing this sweet couple
gives me so much motivation.
They're so happy together...**

**My wife and I used to
be like that, trusting,
relying on each other, so sweet.
I hope they can stay
like this forever.**

**Hey, you two,
let me introduce...**

**This is my wife.
She insisted on saying hi to you.
Honey, these are the friends
I told you about.
They will stay with us
for a few days.**

Hello! Sorry for interrupting your chat.
My husband rarely brings friends home,
so I was just too curious.

Make yourselves at home.
If you need anything,
don't hesitate to tell me!

We're the ones who should
thank you for staying here.
If we get too noisy,
please let us know!

Wow, I didn't expect
the engineer's wife
to be so gorgeous!
And so young...
She looks like
a celebrity.

No worries,
I love friends coming over.
I've washed some fruit,
so come eat!
If you want to eat anything,
just let me know.

I hope you'll stay for a while.
It feels like my husband's
really happy with you around.
He's been so down lately.

**You're too kind!
You don't have to do this.
We're the ones
who owe your husband.
He helps us a lot.**

**We're glad to have met him.
Thank you for preparing the fruit.
These are all our favorites!**

Weird...

Why do I have this strange feeling?
My heart's itching,
kind of uncomfortable, a bit hot and
restless, and I can't calm down.

After seeing his wife,
I can't take my eyes off her.
Hearing her voice
makes my heart race.
I really want to
talk to her more.

Her face is so delicate.
She's so beautiful,
and her figure is amazing.
What's wrong with me...
I've never felt this way
about a woman before.

She smells so great.
Her skin looks so smooth.
It must feel amazing!
I want to touch
and hug her!

Such long legs! So fair...
and with a bit of muscle.
Does she work out regularly?
No wonder she's so sexy.

Her butt's so perky.
I really want to lift her skirt
and take a look.
It's probably just as tight
and fair as her legs...
She's just too attractive.

Wait, no! How could I have these thoughts about a woman, especially since she's married! I absolutely can't mess this up!

Is it because I've been under too much stress lately? After all, I had so many close calls. Ugh, I should see a therapist when I get the chance.

Ugh! Oh, come on!
There's this weird feeling
in my private parts
I can't put into words.
It's like something's
about to burst out...

I can't hold back
these strange urges anymore.
I want to touch and to let it all out.
I can't take it anymore!

**Yuki, are you okay?
You don't look so good.
Why don't you rest?
Don't think about this
and just relax!**

**Don't put too much
pressure on yourself.
We'll talk things over later.
Everything will be fine,
I'm here.**

**You can turn in early!
I'm heading back to
my room with my wife.
Call us if you need anything.
Mi casa es tu casa.**

**After going through so much,
they must be exhausted.
I'm so grateful to them for
giving me a second chance
with my family...**

I didn't realize my wife noticed how down I've been lately... I've been such a jerk for making her worry about me.

I'm going to turn over a new leaf and protect my wife. I'll never betray her again and be a responsible head of the family!

Sigh...

I'm so tired...
but I can't sleep.
What's wrong with me?
My body feels so strange,
like there's this
untameable heat.

Especially my crotch...
It's itchy and
uncomfortable.
It's driving me crazy!
Why is this happening?
I can't even sleep!

**Come on, Yuki,
pull yourself together!
Aren't you going to help Leo?
Don't you want to help people?**

**I can't do anything like this!
I don't want... to hold
everyone back anymore.
Get it together!**

A woman with long, wavy brown hair is sitting on a white chair. She is wearing a white, lace-trimmed bra. She has a distressed and pained expression, looking down and to the side. Her hands are clasped together in her lap. The background is dark and out of focus, suggesting an indoor setting at night.

I can't take it anymore!
If I keep holding it in, I'll die!
If I don't deal with this now,
I won't be able to do anything!
It's so hot...

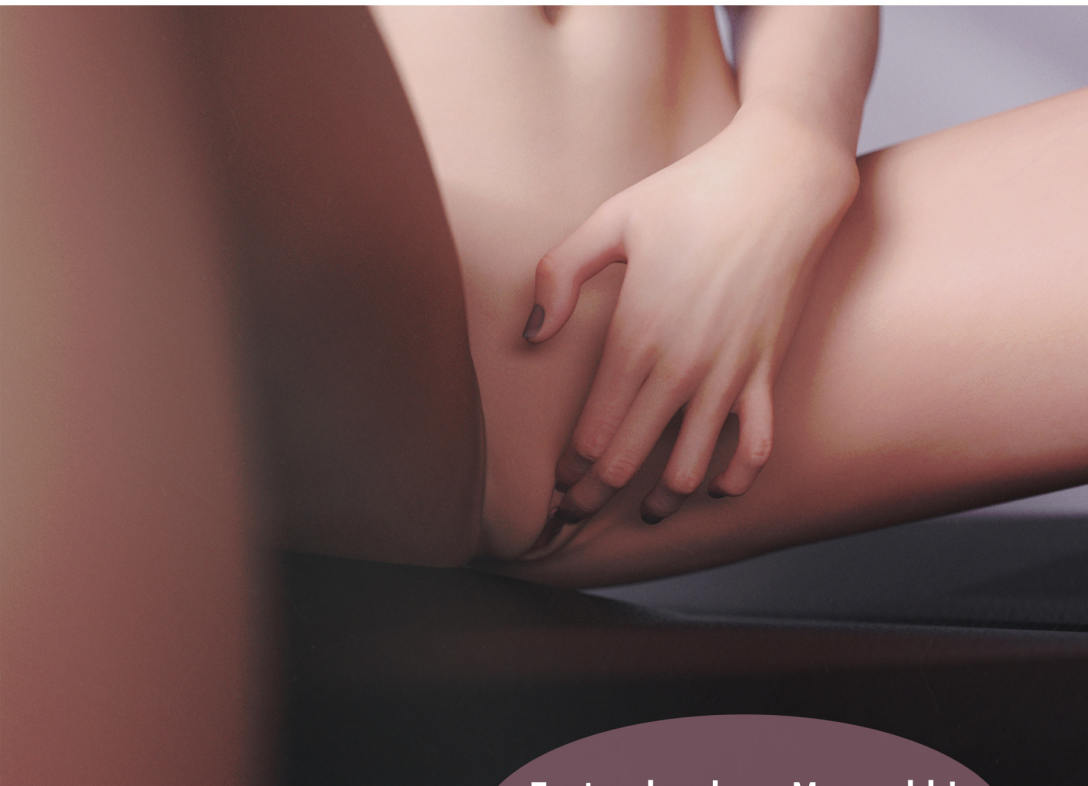

Everyone's probably asleep.
I'll just take care of it quickly,
and then I can sleep well.
Tomorrow, I'll be back to normal!

A woman with long, wavy brown hair is sitting on a white couch. She is wearing a light blue, strapless bra. She has a thoughtful or slightly frustrated expression on her face, looking off to the side. The background is dark and out of focus, suggesting an indoor setting with some furniture.

Mmm...
Why is my pussy so wet
already?
And it's so hot and
keeps tightening.

I'm so horny. Ohh...
I'm in someone else's house,
so I need to hold back...
but... but my love juices
just keep flowing...

Ha ah...
My body's getting even hotter...
Why does it feel like
I'm more sensitive than before?
It's so uncomfortable...
I want more...

Faster, harder... Mmm ahh!
Why... does it feel so different
from when I masturbated
before... Ugh...

No matter what I do,
it just doesn't feel right...
It's pleasurable, but...
it's like something's missing.
What should I do?
Keep trying?

No way!
The sexual pleasure's
not strong enough.
I need... I need something
more intense... like...
That's it! That thing!

I know I shouldn't do this,
but I can't stand it anymore!
If I keep going like this,
I'll never reach a climax!

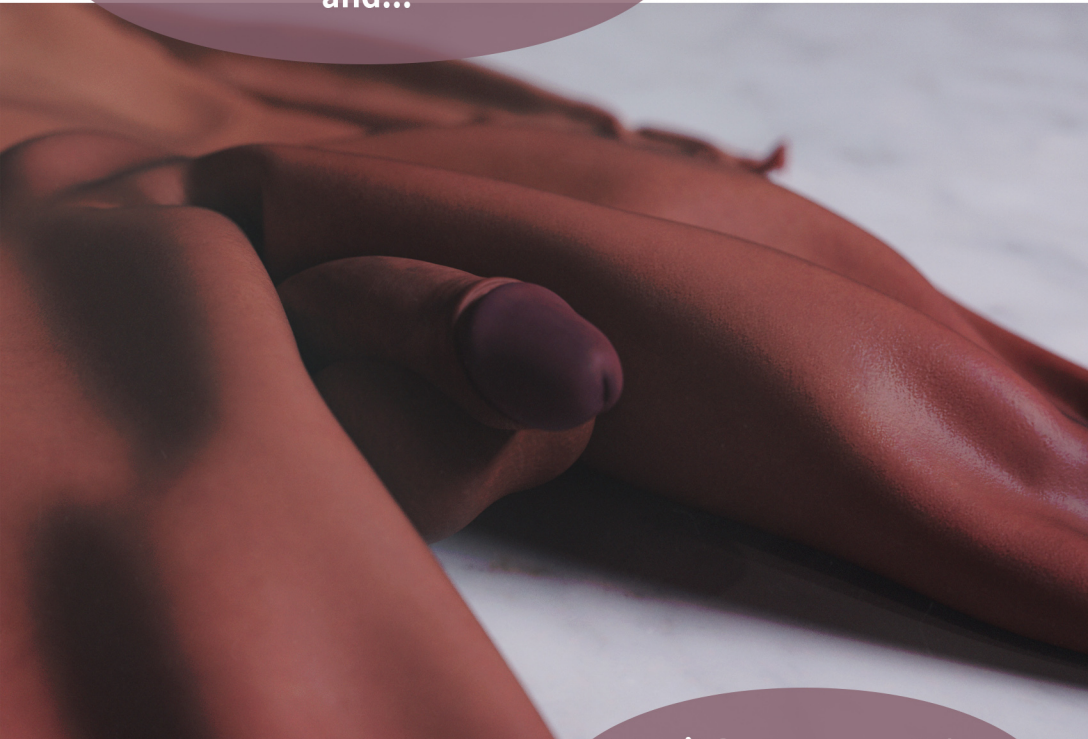

Just a quick use...
It should be fine, right?
I'll finish fast and clean up,
and no one will notice...

A woman in a white bikini is kneeling on a bed, looking down at a male skin suit that is lying flat on the surface. The skin suit is a realistic, brown, muscular male figure. The scene is dimly lit, with a soft light source from the side. In the background, a white cabinet or dresser is partially visible.

**Before, just looking at it
made me feel disgusted.
Why do I suddenly want to
put the male skin suit on?
I can't wait to put it on...**

**Screw it!
Don't think too much!
I can't hold back
for another second.
It's too much...
It's agonizing...**

**This thing...
I couldn't even bear to look at it....
But now it doesn't seem gross at all,
and...**

**I don't feel any repulsion.
I just want to possess it,
to have it back on my body
as soon as possible...**

A woman in a light blue bikini is massaging a man's back. The man is lying on his stomach, and the woman is standing behind him, using her hands to massage his back. The scene is dimly lit, with a warm, intimate atmosphere. The woman's hands are positioned on the man's back, and she appears to be in the middle of a massage. The man's head is resting on the floor, and his arms are crossed in front of him. The woman's legs are visible, and she is wearing a light blue bikini. The overall mood is sensual and relaxing.

I can't hold back!
I'm... I'm putting it on!
Ah... so warm,
and still so spacious inside.
Just holding it makes me
feel at ease.

That weird heat and
restlessness are fading.
I'm starting to feel excited,
even a little turned on.

Mmm ah!
The warmth inside is so comfortable!
How is this possible...
Just slipping in a little feels so much
better than masturbating....

So much more intense!
It's amazing...
Like returning to where I belong.
But this skin suit is so heavy.

A woman with long brown hair, wearing a white bikini, is holding a man's body suit. The man's body is visible through the suit, showing a muscular physique. The scene is set in a modern, dimly lit room with a white railing in the background.

It's not my first time wearing it, but it still feels so surreal!
I'm starting to understand why those evil men were so reluctant to take it off.

No wonder they looked so sad every time they had to take it off.
No, wait! I'm not like them.
I'm not trying to hurt anyone.
I'm just...

Just trying to
deal with my own problem!
It's clinging to me so tightly!
His legs are mine now!

This strong and powerful feeling...
It's totally different from my own body.
His skin tone doesn't match mine at all,
but... It's so good! I love it!

**That feeling down there is back!
I miss it... This is a man's cock.
It brings a completely different
kind of pleasure than a pussy.**

**That addictive and
unforgettable pleasure...
Mmm ahh! So big, so thick!
Having a cock feels
so incredible!**

Ohhh!
The heavy weight of it in my hand.
Mmm ahh! Just touching it
makes my whole body tingle!

A cock is awesome!
This kind of pleasure
is impossible to quit!
And the way it feels
is just too good!

Haah... That's right!
Mmm ahh, so great!
All my worries are gone!
How can it feel this nice?

My whole body's relaxed...
How can anything feel this amazing?
It's pure bliss! A penis is perfect...

Mmm ahh...
I'm gonna sit down
and really enjoy this.
It's been so long since I felt
this kind of intense sensation!
It's driving me crazy!

Grip!

It's like a young girl
is jerking me off,
or like I'm giving
another man
a handjob.

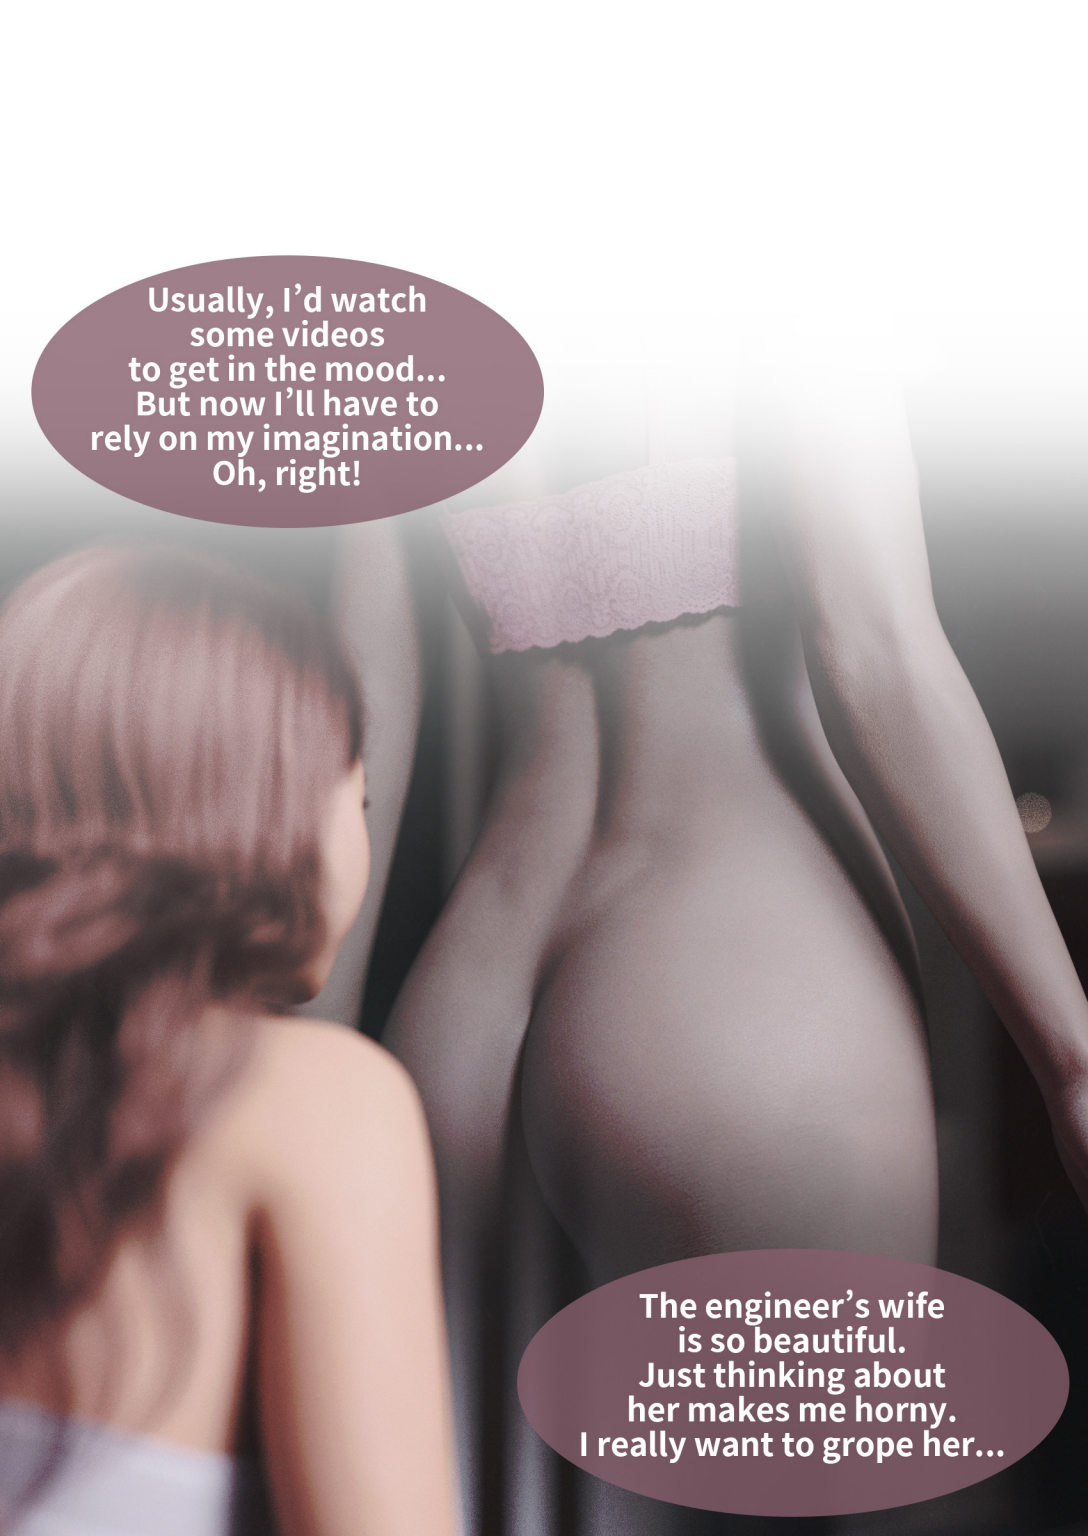

Ohh mmm ahhh! Yes! Oh yes!
Both thoughts are so thrilling!
My hands can't stop!

Ohh mmm ahh!
I feel so wonderful!
This cock is so thick!
I... I can barely wrap
my hands around it!

**Mmm ah... ohh mmm!
Jerking off feels
so damn awesome!
How can it feel so amazing?
Ohhh! It's driving me wild!**

**Ohhh! My...
My cock's so hard!
Mmm ah, mmm ahhh!
What should I do?
It's too good!
I can't live without
having a cock!**

A woman with long, wavy brown hair is seen from the back, looking towards a man. The man is wearing a white lace-trimmed tank top and is shirtless. The background is dark and out of focus.

Usually, I'd watch
some videos
to get in the mood...
But now I'll have to
rely on my imagination...
Oh, right!

The engineer's wife
is so beautiful.
Just thinking about
her makes me horny.
I really want to grope her...

I want to hold her in my arms!
I want to breathe in her scent!
Mmm ahh!
Her body must be so soft!

I wonder how good
her pussy feels. Ohhh!
It's like I'm thrusting
my dick inside her!
Oh yes!

**Ohhh! Your... Your pussy is so tight!
My cock can't get enough of your pussy!
Is this how you make love with
your husband?**

**Mmm, mmm ahh,
So tight! So hot!
You move so fast! Ughhh!
You're so good at sex!
Ahhh!**

**Let's switch positions!
This way I can thrust even harder!
Ohhh! Your waist is so slim!
Your skin's so smooth and soft!**

**Your ass is so hot!
Does your husband
know how slutty you are?
Ohh mmm! Your vagina is
gripping my cock so tight!**

**Yeah! Oh fuck yeah!
Using my cock to bang chicks
is just too amazing! Mmm ah...
The feeling of the cock
inside a pussy is fabulous!**

Slap slap slap!

**My...
My cock feels so wonderful!
Ohhh! I...
I love fucking women so much!
I love cocks! Ahhh!
Mmm ahhh! So awesome!**

A married woman's
pussy is so aromatic!
Ohhhh! Sex is so great!
Mmm ahhh...
Are you feeling good?

Are you feeling so great
that you can't even speak?
Ohh mmm! I...
I'm so good, too! Oh yes!

**This immoral thrill of
fucking someone else's wife...
What's wrong with me?
It's like I've awakened
some weird fetish...**
