What the hell am I doing, man?

It's just unbelievable that Millie is demanding this of me, I can't believe she's making me meet with this person.
How do the two of them even know each other ???

Jack, I want to take our relationship to the next step and I want to share something with you.
But I can't do it myself, so there is someone special that I very much would like you to meet instead.

Okay then, who is it?
A family member or
a good friend or..?

Well, her name is...

How the HELL would a shy girl like Millie possibly know someone like that on a first name basis?

It just doesn't add up.

SHOP

That has got to be her.
Okay, so this is for real. That's most definitely Elvira Dominque. Now how the hell does my girlfriend know the most exclusive and expensive dominatrix in the entire United States.

CAFÉ

I'm here on behalf of Millie,
she's asked me to explain some things
to you that she was too nervous
about to do it herself.
CAFÉ

I see, I see.

A friend of Millie's
is always a friend of mine.

Pleasure to meet you,
I'm Jack Hammersmith.

I am Lady Elvira Dominque.
Just call me Elvira, will you?

Of course, Elvira.
Not a problem.

Holy hell those are the biggest tits I've ever seen. Don't stare at them, dont get distracted. Focus, Jack!

COFFEE SHOP

I can tell by your expression that you recognize who I am, you don't have to feign ignorance.
Surely you must have questions about why I'm here.

I'm sure you must have many questions for me, Don't you, Jack?

Go ahead, ask me whatever you want.

Honestly, there's just one relevant question to ask over all others.

Yeah...how is it that my girlfriend is on a first name basis with someone like you.
And why did she want us to meet, why are we here?

She reached out to me to tell you about the kind of work she does, seeing as I'm her boss and the industry we're in I figured I owe it to her to explain it personally.

She's my personal assistant and does sex work for me.
Now, Jack, I won't tell you the details of the kind of sex work she does if this is a dealbreaker for you.
