
So decide Jack. Do you think you can handle knowing what I make her do or is your masculinity so fragile you'd rather break up with her?

IS THAT A DEALBREAKER, JACK, OR IS IT NOT?!?

I was already suspecting that it would be something like that, and I had already resigned myself to the idea she was a cam girl or something.
But when you walked in I was sure of it, you don't exactly come off as the corporate type.

So no, it's not a dealbreaker.
I want to be with her, Millie's great.

But how did the two of you even meet?

She applied to an anonymous application for the position of my assistant. Millie's very good at what she does, Jack.

I've heard enough.

I will just go back to her place and talk to her myself.

Huh?

Thank you for the conversation,
and have a nice day and all that.

Are you kidding?

COFFEE SHOP
I'll pay you 5k in advance and another 5k when the day is done.

Is this some sort of elaborate joke? What's going on?

Check your bank account, Jack.

There is no way you'd just pay me ten grand for a single day. No way.

What the FUCK
That can't be real!
YOU ACTUALLY
PAID ME FIVE
THOUSAND DOLLARS?

Come Jack, I can tell you're curious enough to want to know all about the kinds of things we do.

This doesn't make ANY sense! I just...

Come along, Jack.
You know you're still curious about the how and why of it all.
I'll show you.

I'm so confused...

HEY! ELVIRA!

WHERE ARE
YOU GOING?
