
Eh, excuse me, but this is the men's locker room. I think you made a mistake
Is it really?

Let me tell you something, little boy. I rarely make mistakes

Hey! Get your hands off me!

Don't worry wuzz, I was just wondering, I have been working out my arms today. What do you think?

Or don't you like muscles on a woman?

Perhapsp your more a breast guy huh?

Ah, i see you like these better. But no touching till you get permission, little boy!

I can easily break any bone in your body, like this wrist for instance. So you 'll do exactly as I say, understood?

Aaaaargh, please, yes, understood!

Good boy, now you can touch, come here.

Big muscles, big tits, that's the way I like it, don't you?

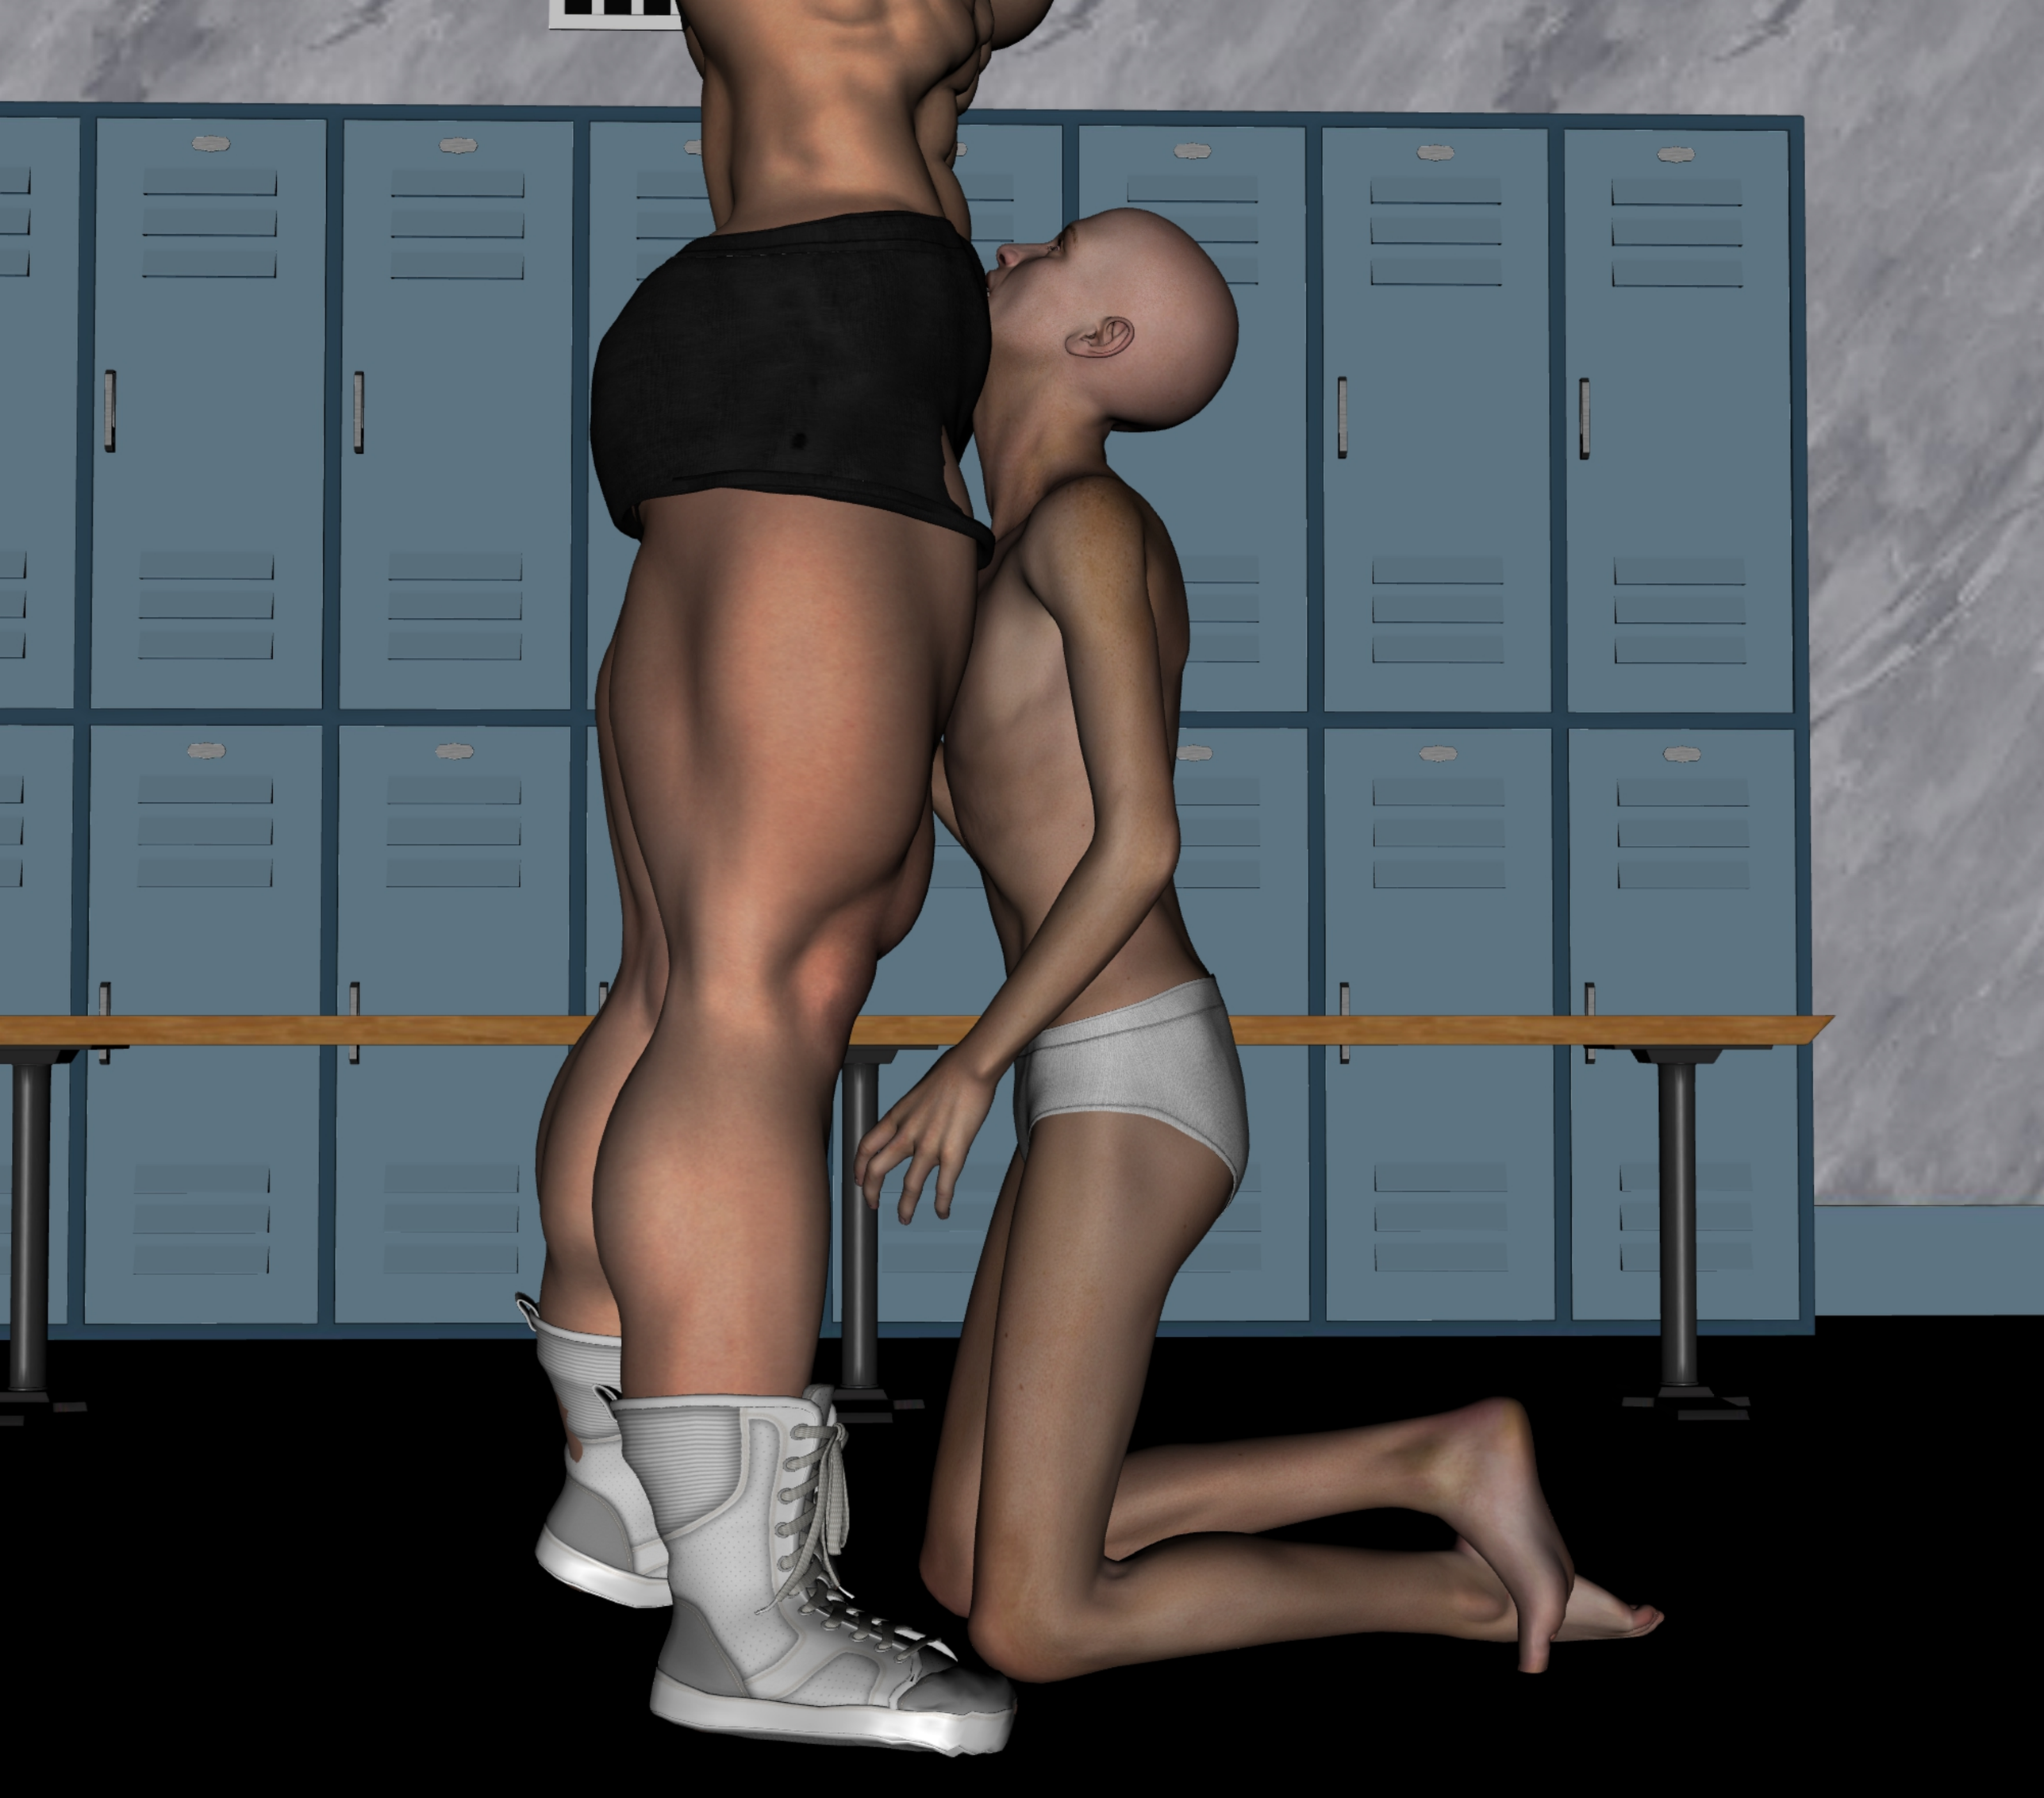

Yes baby, don't stop licking, or I break your hand...

Ooooh yess, lemme flex

I wish people like you could feel how it feels to be as strong and powerful as me. But unfortunately for you, you never will...

Because you're just waaaaay too small

Ok boy, get on your knees for me now.

Enjoying the view baby?

Tell me, boy, you're not scared of me are you?
N...no I'm... not scared...

You're not? let me tell you boy...

That's a BIG mistake

You should be VERY afraid

Because any crazy thing i want to do to you...

I can DO it!
But right now I feel sweet. You can touch my big tits now. NOW!

Aren't they something?

Y-yes...

Yes MISS BODYBUILDER!

Eh, yes Miss Bodybuilder

Good boy. Now kiss my tits.

Good, now I'll show you some of my strength. Or rather, let you feel it.

Can you imagine what one of these massive legs can do to you?

EXIT
Or two of them? I'm not even squeezing

I can lift you any way I want

I can play with you...

And I can smoothly move from one lift to another, as if you weigh nothing. Actually, to me, do don't weigh anything at all.
Now, let's go to the shower, I'll take you with me.

This one arm has more muscle than your whole body!

Don't you think?
Yes, I think so too
Yes, you think so too WHO?
Eh... I think so too Miss Bodybuilder

Feel my pecs now

Well?
Everything about you is very big and hard, Miss Bodybuilder
Good boy, that's a good line. Now, I feel like showing off a bit. I won't hurt you. yet.

See, one arm is all it takes to control you. I love that.

One hand even; And there's nothing more you can do... It never fails to turn me on.

Look at at that, such a small little boy.

And me so

MASSIVE!

Say it baby, say how big I am
You are incredibly huge Miss Bodybuilder

Yes, but louder boy, open your mouth, can hardly hear you

EXIT

mmmmm Wou aw wewy MAVIVE!

Good boy. Now, I feel like some lifts

Like pinning your tiny body against the wall.

Look mom, with just one arm! Keep breathing boy, we're not done yet.

How does it feel, to be so completely overpowered?

Uuuughhhh can't...b... breathe

I asked: how does it feel?
Uuuuurgh... feel... t-tiny

Feel tiny WHO!
F-feel... t..t Miss B..B... uuuggggggg

Ok, i'll give your throat some relief. Let's put some pressure on your chest

Aaah, power is sooo sexy

Just a little more pressure, let's see what you can take. I think i'm applying about 2% of my strength, if even that.

Better stop wiggling boy, or you'll *really* get hurt

Ok, i'm afraid I'll break you too soon. I often have that with new toys. Come here little boy.

Silly, there is really absolutely no way to escape from my muscles

Time to be sweet, what do you think?

Ok, just one last squeeze. Scream for me baby

Uuuuurrrghhhhhh

Aaaaaah, yes, good boy!

Actually, you probably don't believe I can be sweet, do you?
I... don't know, Miss Bodybuilder

Ok, I'll prove it. You can choose any blowjob position you want!

Oh... wow... how about... like this? Is that possible?

Silly, of course that's possible. Look at my body. Is it so hard to believe that there's nothing I can't do with your tiny body?

This what you want, lucky tiny boy?

Oh yes, Yes! Yes Miss Bodybuilder!

The end

EXIT

EXIT

EXIT

EXIT

EXIT
