Interactive Comic Instructions

This is an interactive Comic. On various occasions you can use multiple buttons to the right to make decisions that influence how Mikael interacts with Emma.

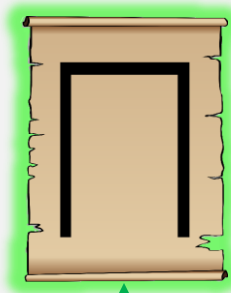

Please use the buttons to navigate. Just scrolling through this PDF might be confusing as some buttons will lead to page jumps to tell the correct path's story.

Please also note that this is a non-canon bonus chapter of „The lost Temple“. Mika is much stronger than he is currently in the main story and the Ocavum spell is more potent than planned for the main story. Also, various evil paths are far more evil than I ever intend Mika to become in the main story.

Cast the **Ocavum** spell by pressing this “button”. The **Ocavum** spell turns the target into an obedient drone listening to your every command.

Cast the **Vasta Mens** spell by pressing this “button”. The **Vasta Mens** spell opens the mind of the target, enabling you to implant a suggestion – changing the target even long after the spell wears off.

This is a button!
Bummer! Click it to proceed the story!

Previously on „The lost Temple“...

Mikael, an archeology student has made a pact with the demon girl Kassandra Elaquoi and learned the art of magic. Cool stuff happened... (read up in the main story :P)...

As a celebration for one test at university being over the students of Mikael's class party at a local nightclub where Mikael meets Emma again. Emma is a smart and very kind girl, but the fates have been cruel to her. She's been born blind – nothing the doctors can do about that... though... maybe some magic can?

This is an interactive chapter. You are playing Mikael as he interacts with Emma. Will you cure her blindness out of the goodness of your heart? Will you take payment for it? Or is there some sinister plan in the back of your head?

After having several drinks with my best friend Gabriel and his girlfriend Jessica I made my way back to Emma, who was still sitting where Liz and I had left her...

Hey,
Emma.

Oh, Mika!
You are
back.

NEXT

Oh... okay.

Thank you
for keeping
me company!

Oh, come on!
I can't leave a
cute girl all to
herself here,
now can I?

He thinks
I'm cute.

NEXT

We talked about this and that.

Emma was really easy to talk to. She shared several of my interests like DnD, and she had some interesting world views – no pun intended.

NEXT

Soon I moved over to her side of the table so we did not have to shout over the table due to the music – which, of course, was echoing through the whole club.

Liz

Her studies.

I am studying
law – third
semester.

Law? Huh... I
thought you
were taking
classes with
Lana?

NEXT

Ah, yes.
I'm also
doubling down
on literature.

But it's really
just a hobby
for me. I do
like to read.

Anyway, I
do plan on
working as
a lawyer
one day.

NEXT

You mean
because I'm
blind?

There is a lot of
work that can be
done through
reading and
research.

And thankfully
there is good
software to read
law texts in
braille.

Lawyer... sorry for
asking but... isn't
that kinda hard...
with your... I
mean...

Her Blindness

Oh, where I
know Liz
from?

We live
in the same
neighborhood.

The other kids
rather kept
their distance
from me.

Guess it's my
eyes that turned
them away... I
looked strange
to them...

But Liz was
different. We
became friends
fast.

She might be
too dedicated
to her studies
from time to
time.

But she's a good
friend and one
that you can
count on.

I don't know
how I would
have faired
without her.

Her Blindness

My favorite
DnD class/Race
combo?

Well, I do
like myself a
spellcaster.

But from time
to time I thief
around as well.
chuckle

Don't judge
me, but I'm
not race-min-
maxing.

I mostly use the
race option for
the roleplay
aspect.

I play everything
from Gnome to
Tiefling. *giggle*

We really
should get a
group together
and play one
day.

NEXT

I can keep my stuff in order with my own writing.

But yeah, some stuff just goes faster if people do it for me.

Like telling me what I rolled...

That's probably why I prefer the roleplaying part over extended battles.
chuckle

That would be cool.

Any problems... while playing? Cause of.. You know...

Her Blindness

chuckle
Please, don't feel
so uncomfortable.

It's totally
fine if you
wanna ask
about my
condition.

I've been
dealing with
it since I'm
born.

So, I'm also
used to talking
about it. It's
not a taboo or
anything.

So... life's pretty
hard when you
are... *cough*...
blind, no?

I wouldn't
be where I
am now.

Duh! If it
wasn't for my
mother who has
done everything
in her power to
help me out.

This world
is made for
the seeing.

And while there
is a lot of aids
and new tech
that makes life a
lot easier...

It's still just a
crutch to try and
keep up with
everybody else..

NEXT

There is none!
My mom has
tried the best
doctors in the
country.

So... if there
was a way for
you to see...

But
hypothetically...
if there was a
"cure"...

NEXT

I'd give
everything for
that. But there
is no such thing.

And I've
learned to
live like this.

Let's talk about
something else.
It's a bit
discomforting.

Respect her wishes

Offer to heal her

Trade Cure for Sex

We keep on talking about this and that, and I think I've found a new friend in Emma.

Respect her wishes

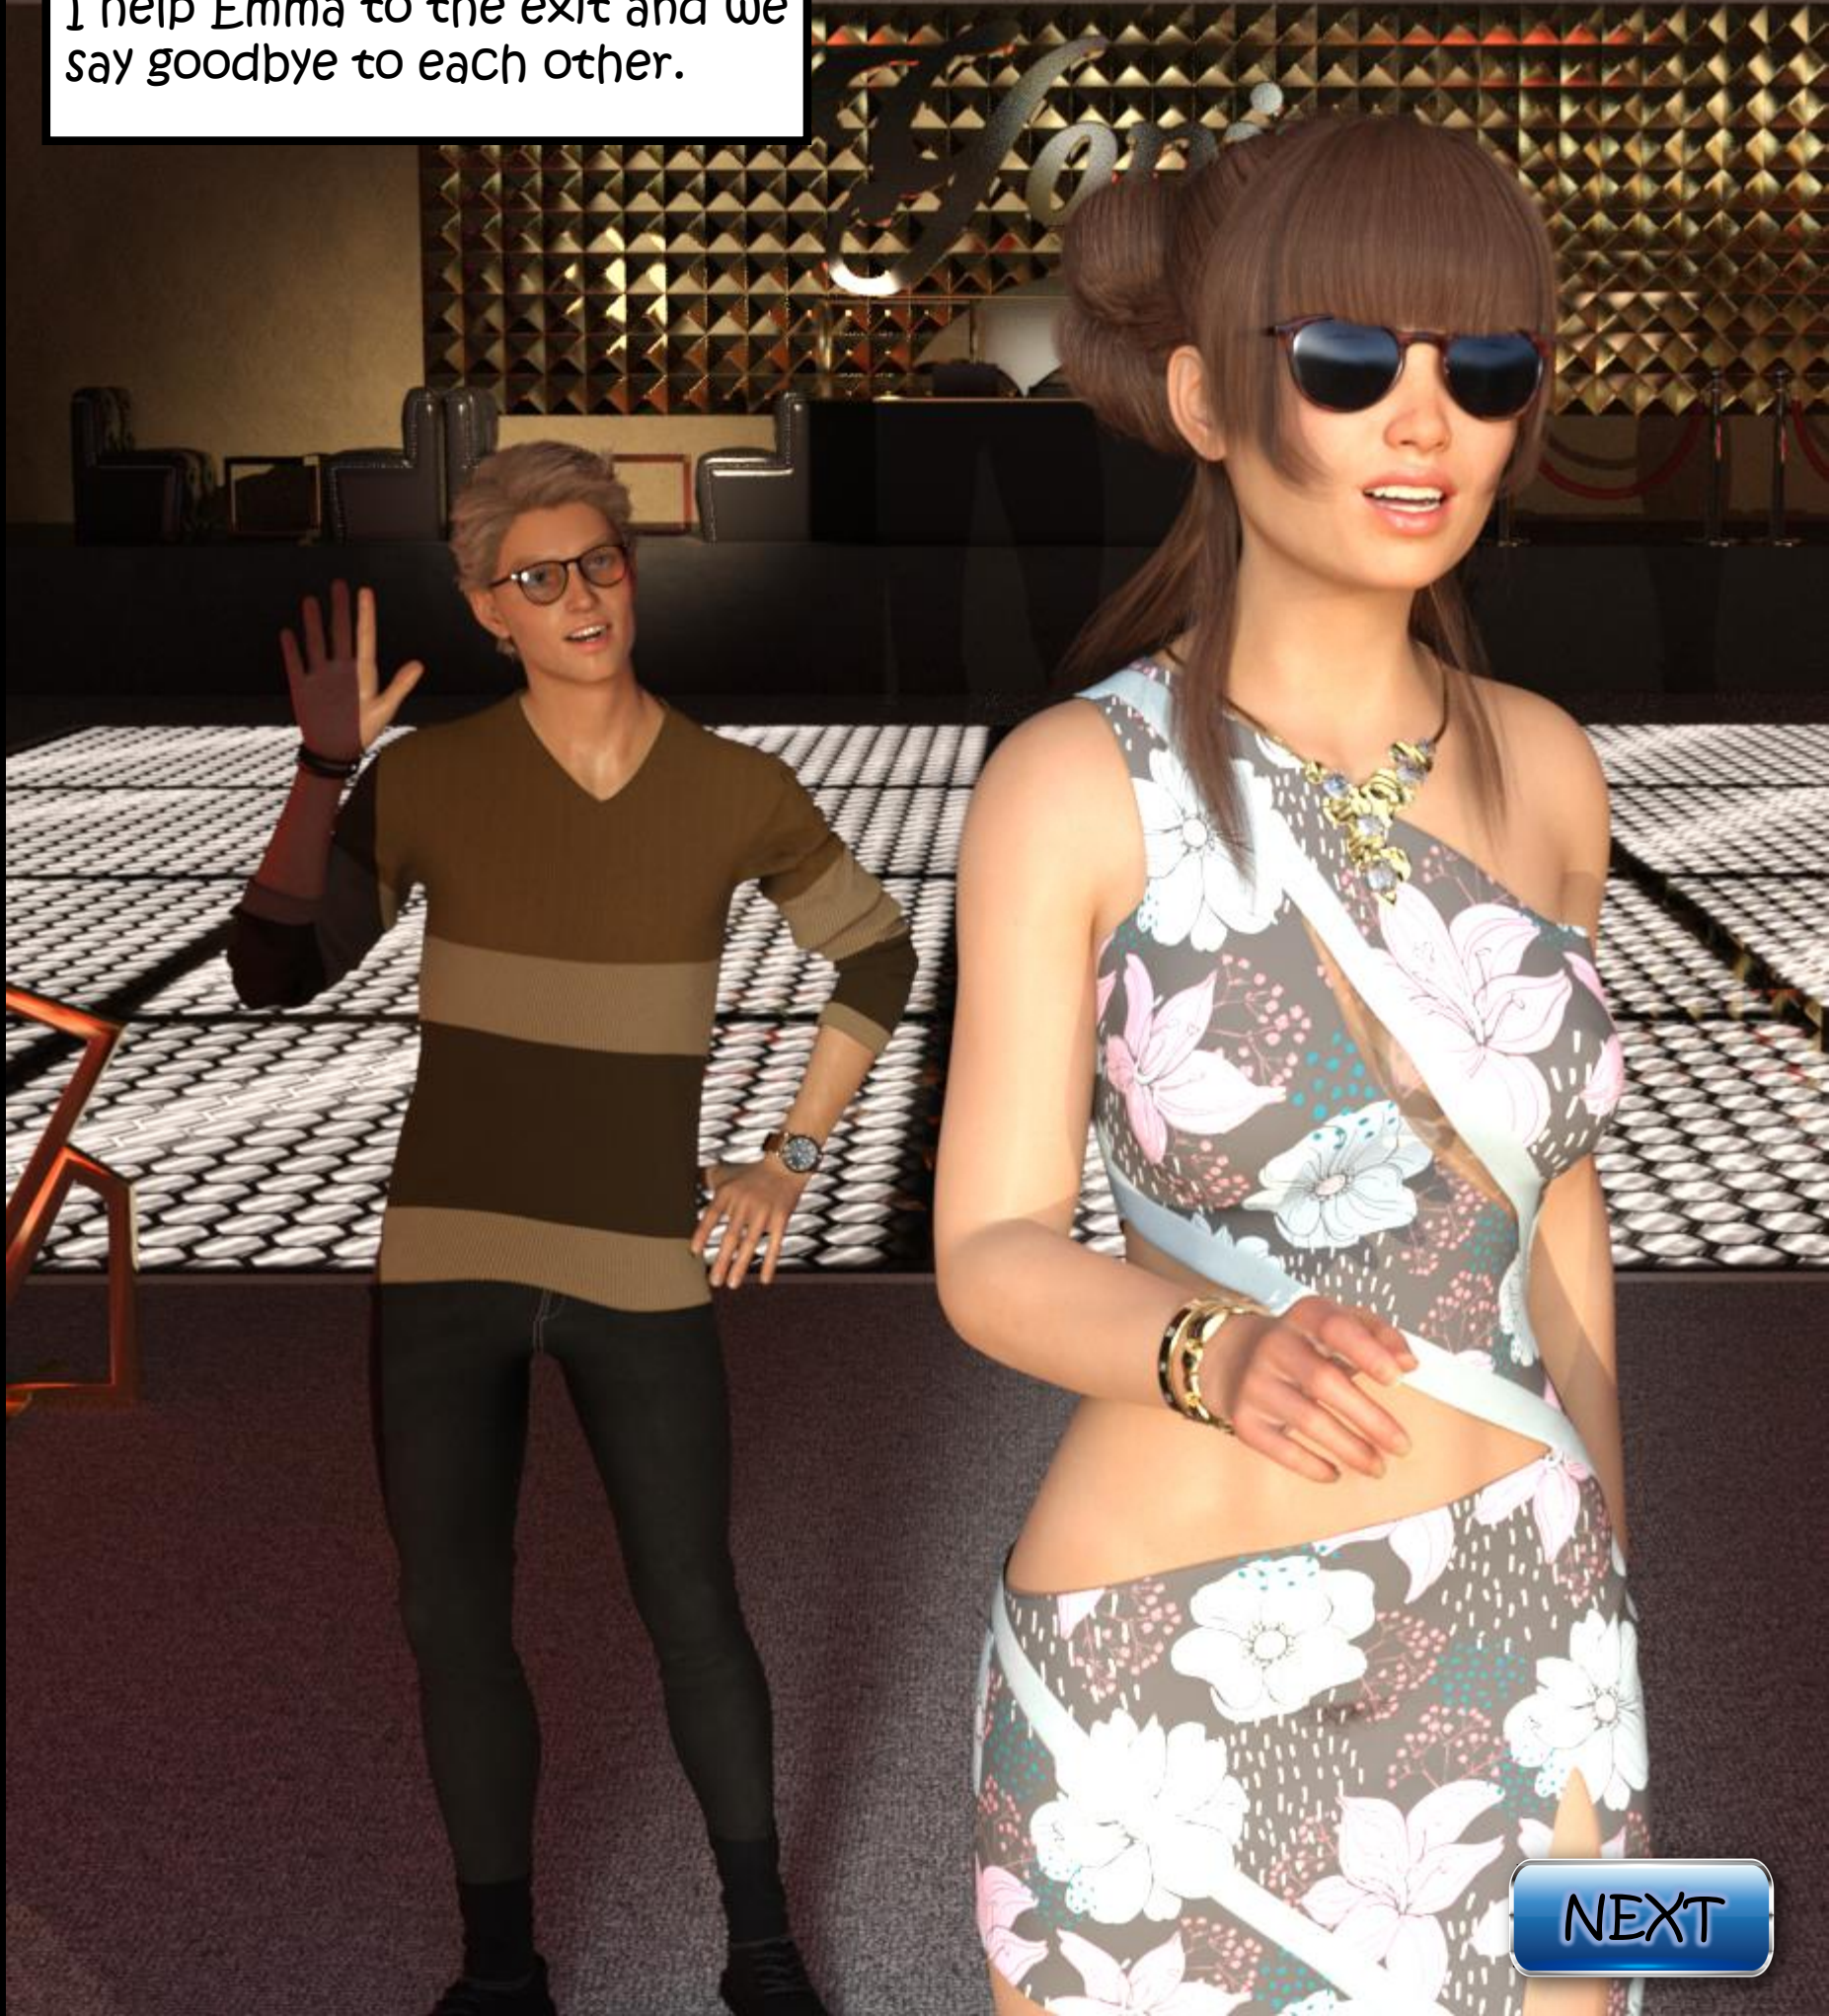

NEXT

At some point Emma gets a call from her mother saying she's ready to pick her up and waiting outside.

I help Emma to the exit and we say goodbye to each other.

Respecting a girl's wishes

Well... that was an
uneventful ending :P.
But at least Emma and you
are friends now!

You heard Liz: "I

Why not try
healing your

NEXT

Why does he not
let go of this? I
really don't need
another false
hope...

Come on. This
is your chance
of a lifetime.

NEXT

Is this some attempt
at a pickup line?...
He is kinda nice to
talk to... but this
got weird fast!

I don't
know...

I just have to lay
my hands upon
your eyes for a
minute or two.

I promise it
won't hurt.

NEXT

sigh
Fine, knock
yourself
out.

Come on!
What's the
harm in
trying?

If it doesn't
work, I will
never speak
of it again,
promise.

NEXT

Alright. Do
your magic,
Mika. *giggle*

NEXT

I had analyzed my own eyes beforehand... so I had the knowledge of how eyes should be structured... but it was still a difficult task... I was doing it for the first time after all...

Damn it!
Why is this
so hard?

Medeo

Are we
done soon?

I kept recasting the Medeo spell – slowly getting the knack of the optical tissue...

Please bear with it just a little longer.

Medeo

This is it!

And finally, I managed to do it!
At least I think I did...

NEXT

Alright.
All done. You
can open your
eyes now.

Okay.

giggle

NEXT

NEXT

As Emma opened her eyes I could already see my magic had an effect.

Of course, just because her eyes look normal now does not mean she can see...

NEXT

But judging from her surprised reaction as she keeps turning her head here and there, I'm quite sure it had some effect!

NEXT

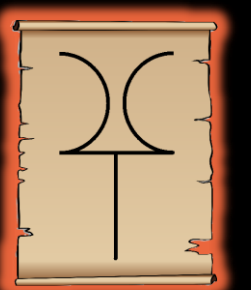

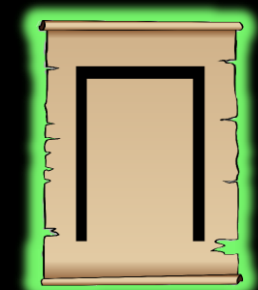

I can't
believe it!

How..
What....

This is
incredible!
How can I ever
repay you?!

Tell her you are glad
it worked

Tell her you are glad it worked

Don't worry
about it.

Just...
please don't
tell anybody
about it.

Oh, my god.
Oh my god.
Oh my god.

NEXT

Please,
calm down.

I'd really
prefer to keep
a low profile
with this...

NEXT

This is like a
dream come
true!

So... Liz was
right? You
really can do
magic?

Mhm...Please
don't tell
anybody.

NEXT

Don't
look so
surprised.

You're my
knight in
shining armor.

Or... rather
wizzard?
blush

Missile

Now that she could see, Emma wanted to try out all those things she had been unable to do so far.

NEXT

We walked around the club and ended up on the dance floor.

I mean, obviously, she could dance before... but judging from that big smile on her face, it seems to be a very different experience now.

NEXT

We had a lot of fun... But every good time comes to an end. And it was time for Emma to catch a ride back home with her mom who was waiting in the car outside.

There are no words to express my gratitude to you, Mika.

Don't mention it. I'm glad I could help and gain a new friend.

NEXT

And tomorrow morning a "wonder" has happened.
chuckle

NEXT

NEXT

But I was sure I'd see her again soon.

Cya!

It felt good to use my magic to help somebody out.

I don't see any reason to keep these powers locked up when I can use them for good. But If Stella and the others find out about this I might get into trouble...

NEXT

Helping a girl in need

You resisted the urges to abuse your powerful spells and helped a girl in need making a new friend in the process... maybe even more than a friend.

What...
eh... are...

What are
you...

I will obey

Kiss me!

Kneel!

Spread your legs!

Kiss me!

Stand
up.

I will

NEXT

Now kiss me.
Passionately!

I will
obey.

NEXT

That was a
nice kiss,
Emma.

Now sit
back down.

I will
obey.

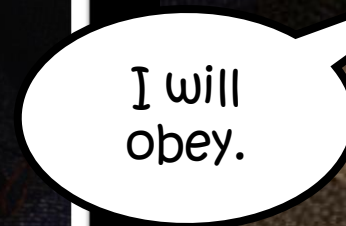

NEXT

Kneel!

Yes,
Master.

I'm kneeling
before you.

NEXT

You have a
great cock,
Master.

I will
obey.

Tell me I
have a great
cock, Emma.

Good girl!
Now, suck
it!

NEXT

Without hesitation, Emma lowers her head and takes my cock into her mouth.

Almost robotically ...

NEXT

Emma keeps bobbing...

NEXT

Up...

NEXT

And down on my cock.

NEXT

It does not take long and I
Can feel the pressure in my
balls building...

NEXT

I'm ready to shoot my load...
the only relevant question
remaining...

Where do I want to cum?

In her mouth!

On her face!

On her hair!

I hold Emma's head down as my cock starts to twitch – shooting my load into Emma's waiting mouth.

Inside her mouth!

NEXT

Nicely done,
Emma. Now
gulp it down.

NEXT

Show me
your mouth,
Emma.

Aaaaaa

Good
girl!

You may sit
back down
next to me.

NEXT

I will obey
you.

Kiss me!

Kneel!

Spread your legs!

Release her
from your spell

Release her from your spell.

I will now
terminate
my spell.

You will not
remember anything
that happened while
you were under.
chuckle

Release!

NEXT

Groan

As the effects of the Ocavum spell subside,
Emma slowly regains her consciousness.

NEXT

Oh, wow!
I must have
spaced out
there for a
sec, sorry.

Don't mention it.
Suddenly being able
to see... I guess all
of this must be
overwhelming for
you.

Urgh...

NEXT

As Emma's face distorts in disgust, she quickly grabs her glass from the table and takes a few gulps.

NEXT

Sorry, I had a
really weird
taste in my
mouth.

Maybe a side
effect from
your magic?

chuckle

Err...
could be!

It's not that
I'm doing
this every
day.

Though,
please. Don't
tell anybody
about me doing
magic...

NEXT

Without any recoil, disgust or any emotion at all, Emma lifts her head and silently waits for me to finish on her cute expressionless face.

On her face!

NEXT

My streams of cum
had found their
target perfectly.

Emma was looking straight at me as the sticky goo slowly
started to drip down her face. It was a beautiful sight!

NEXT

Yes,
master.

Good girl,
Emma!

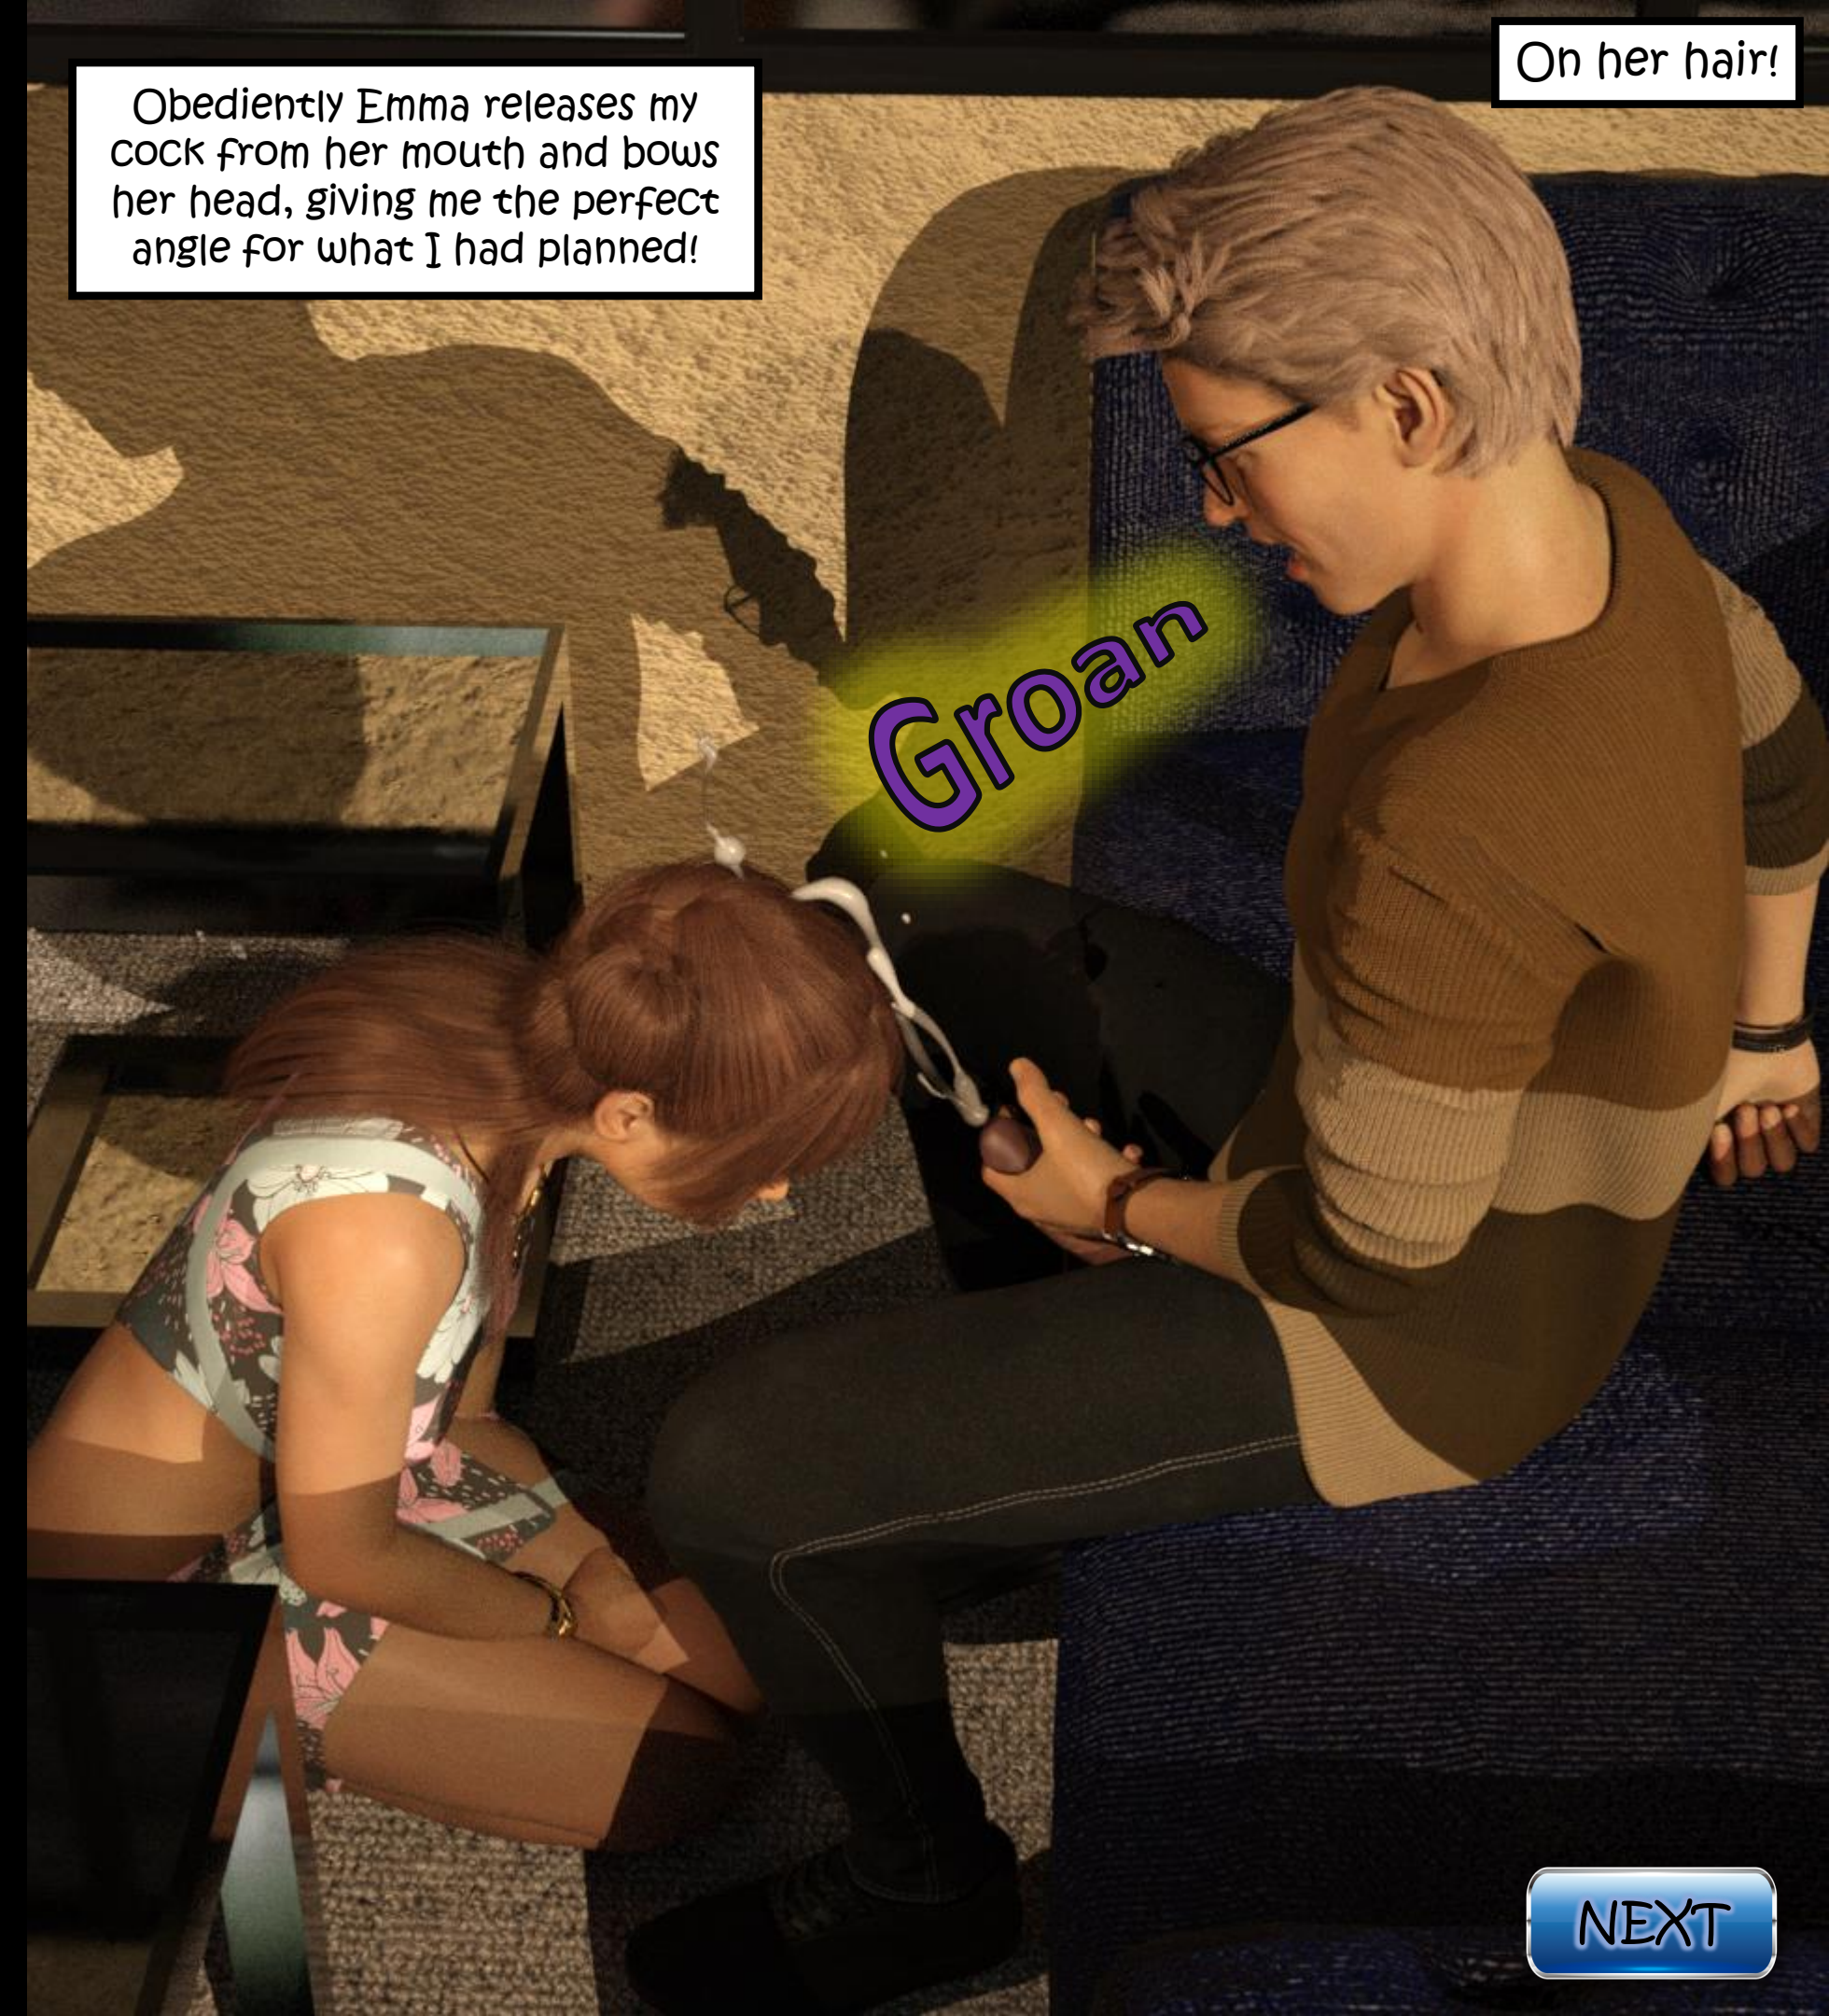

Clean your
face and sit
back up next
to me.

Obediently, Emma started to use her right hand to scoop up the cum from her face while her tongue tried to catch the droplets around her lips.

In the end, she slurped up all of my love juice before sitting back down!

NEXT

With Emma's loyal assistance, my cum had hit its mark perfectly! My sticky love goo was nicely visible on Emma's brunette hair.

But of course, the Ocavum spell would wear off at some point... And evidence had to be destroyed...

Rub it in!

NEXT

Diligently Emma starts to massage my love juice into her hair like an expensive shampoo.
chuckle

Soon, most traces of white have disappeared into Emma's scalp and I tell her to sit back down.

Nicely done, Emma. Now sit back down with me.

Yes, Master.

NEXT

I will obey
you.

Kiss me!

Kneel!

Spread your legs!

Release her
from your spell

Release her from your spell.

I will now
terminate
my spell.

You will not
remember anything

chuckle

Release!

Groan

As the effects of the Ocavum spell subside,

Oh, wow.
I must have

Don't mention it.
Suddenly being able

overwhelming for
you.

Though... please... if
you could keep it a
secret that I could do
this stuff... that
would be appreciated.

NEXT

Spread your legs,
Emma. Show me
your panties.

Spread your legs!

As you wish,
Master.

NEXT

Like this,
Master?

NEXT

Just like
that, Emma.

...

...

Give me your
panties, Emma!

NEXT

Quickly Emma removed the white fabric and was offering her knickers to me, like the good drone she currently was.
chuckle

Quickly I snatch the
panties from her hand
and give them a whiff
before pocketing them.

Spread your legs
again, Emma. I
want to see
your pussy.

NEXT

I will
obey.

NEXT

Lean
back.

NEXT

As Emma slowly leaned back, her pelvis arched forward, granting me the perfect vision of her nether region as I had knelt down before her...

In her current state, Emma was completely at my mercy. She would do whatever I told her. I could do with her however I pleased, and she wouldn't remember a thing!

NEXT

And so, I dig in.

Oh, yes,
Master.

You make
me feel so
good.

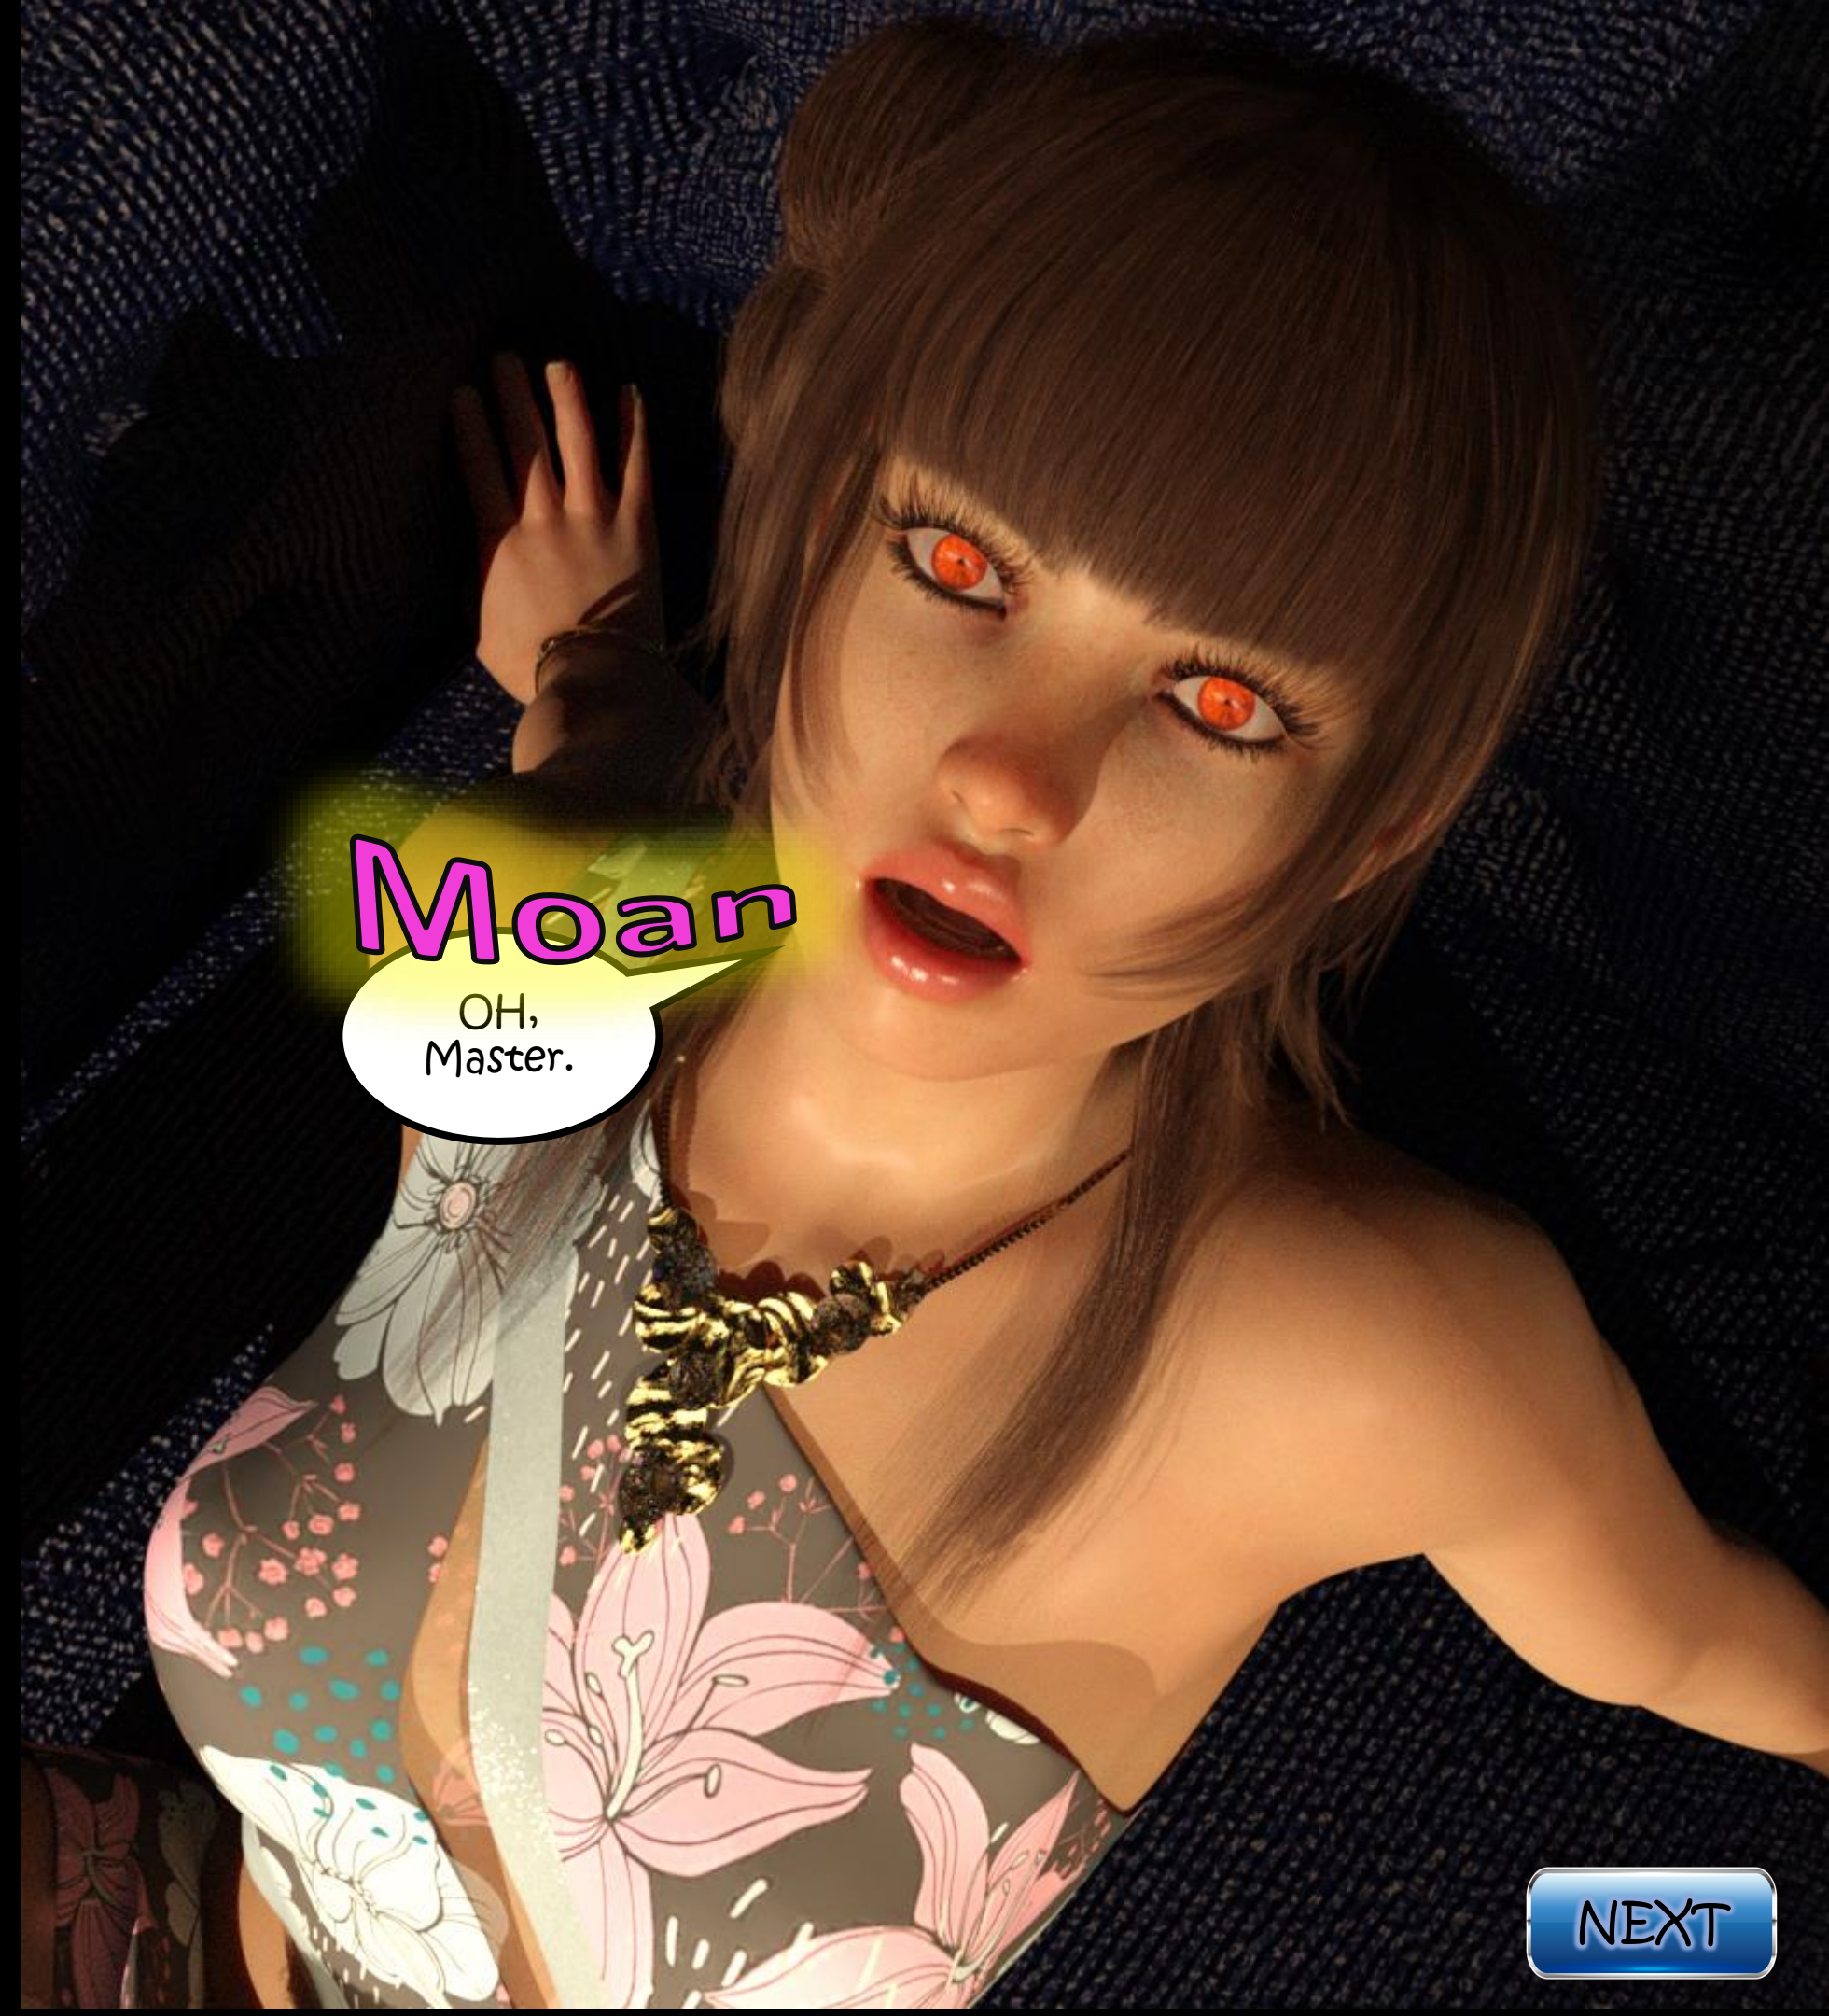

Giving her tender twat a nice sloppy tongue lashing.

Moan

lick
lick
lick

Obviously, I had
commanded her to
enjoy this...
otherwise, she would
have just laid there
like a cold fish with
the Ocavum spell
ongoing...

NEXT

NEXT

I kept on licking a little longer while Emma's hips started to buckle and her whole body spasmed in orgasm.

NEXT

One orgasm later...

NEXT

Straighten
up your skirt
and sit back
down.

I commanded Emma
to sit back down... I
hope she won't check
her underwear once
the spell wears off...
but I was not going to
return this trophy!

As you, wish
Master.

I will obey
you.

Kiss me!

Kneel!

Spread your legs!

Release her
from your spell

Release her from your spell.

I will now
terminate
my spell.

You will not

Release!

Don't mention it.
Suddenly being able

you.

Oh, wow!
I'm totally
wet.

NEXT

Well...
He is kinda
cute...

Though... please... if
you could keep it a
secret that I could do
this stuff... that
would be appreciated.

Err... Emma?
Are you okay?

NEXT

Oh, yeah!
Sorry! What
were you
saying?

My thoughts
kinda drifted
for a second.

I said, please
don't tell anybody
about me being
able to do that...

Missile

Don't look so surprised.

You're my knight in shining armor.

Or... rather wizzard?
blush

LOL! Cute!
She thinks she's rewarding me with a kiss? While I've already done so much more.
chuckle

Now that she could see, Emma wanted to try out all those things she was unable so far.

NEXT

We walk around the club and end up on the dance floor.

As I check out Emma's body moving to the beat my mind drifts back to our private time only shortly before and I smile.

NEXT

Emma has a lot of fun and I gladly spend time with her, experiencing her first steps in the seeing world...

There are no words to express my gratitude to you, Mika.

Don't mention it. I'm glad I could help and gain a new friend.

NEXT

Though in my mind I already think of what I would have her do next when I have her alone again.

Maybe more than a friend.
wink

Maybe, with how this is going I don't even have to cast magic again to get what I want from her...

Kiss

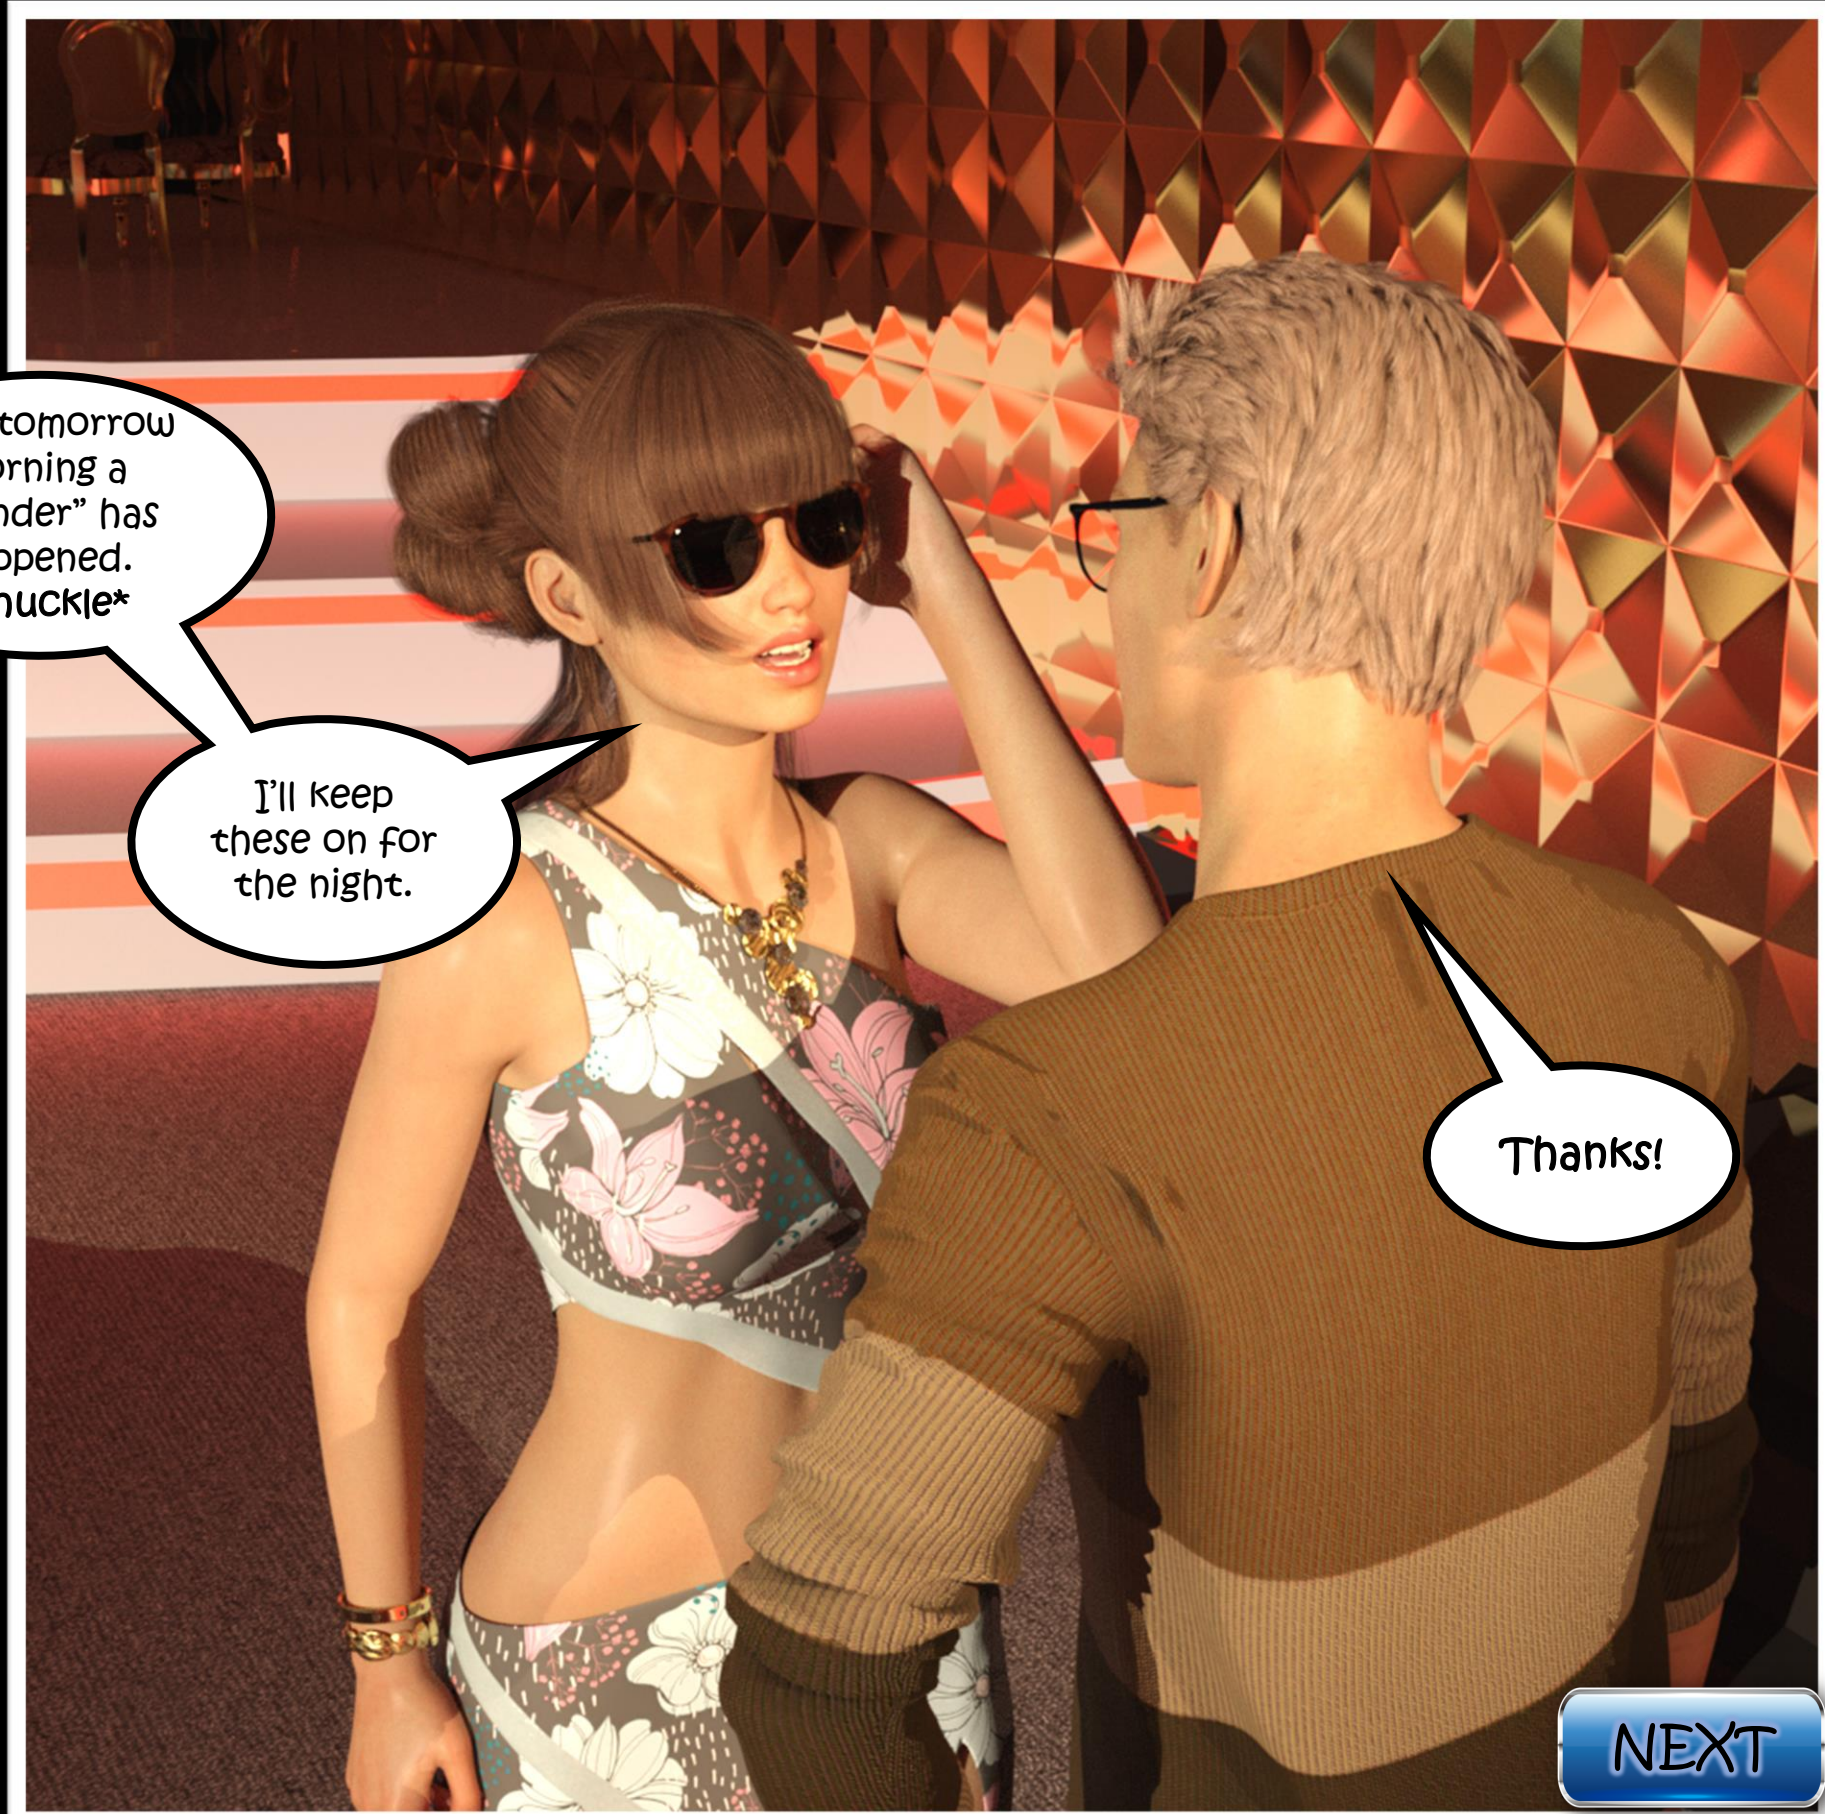

NEXT

And don't worry. I'll keep your powers a secret.

But if things go sideways, I can always resort to my trusty Ocavum and Vasta spell to wipe the slate clean. *chuckle*

And tomorrow morning a "wonder" has happened. *chuckle*

I'll keep these on for the night.

Thanks!

NEXT

Bye!
See you
soon! ☺

Cya!

And with that, it was time
for Emma to leave.

Her mother was
getting her -
waiting outside
with the car.

NEXT

I have to admit, Emma's gratitude towards me felt kinda nice....

I feel a bit guilty about what I did to her...

But she doesn't remember anyway...

So, everything's fine!

NEXT

At first, a bit hesitantly,
Emma places the tip of my
cock in her mouth. But soon
she starts circling her
tongue around and that
feels great!

It does not take long until
she takes my dick a bit
deeper...

NEXT

And soon she is bobbing up
and down on my cock like
it's the most natural thing in
the world.

NEXT

She's really enthusiastic
about this... which is to be
expected seeing I implanted
that desire inside her
mind...

NEXT

Anyway, her service is really good and soon I feel the pressure in my balls rising...

Where do I want to cum?

Facial

In her mouth

You want to
cum on my
face?

Is that a
problem?

Uh... No!
Please, cover
me with your
spunk! *giggle*

I read it's
important to
keep eye contact
during a bj...

Does this mean...
now that I can

better blowjobs?

Do it!
Cover me
with your

Yes!

Sure!
That's fine

No need to tell

this.

Emma resumed her oral
duty.

NEXT

Bobbing up and down on my
cock once again...

And after a few more...

NEXT

I was ready to shoot my

NEXT

When she went down once again I held Emma's head down as my cock released its juicy load inside her mouth.

Mmmpr

NEXT

Without me telling her
Emma starts playing with my
cum a little.

Before gulping my load
down.

NEXT

Wow!

NEXT

I kneel down in front of Emma and, after removing her panties, inspect her nether region.

Before diving in – licking
her cunt. She was right
– she indeed was wet
already. The Vasta spell
really made her all hot
for me! *chuckle*

Oh, wow!
That feels
amazing!

NEXT

The taste of Emma's

I get back up and
embrace her with a

Before pulling down my pants and inserting my cock in her waiting love hole.

The only question was...

Where did I want to cum?

Cum inside

Cum outside

With one final thrust, I

I thought
you'd be the
bad guy...

Thank you!
Thank you,
thank you,
thank you!

NEXT

Come on Emma.
Look into my eyes
and tell me you
really don't want
me...

Mika...
please. Can't
we do this
another...

Vasta Mens!

Huh?
Mika! Your
eyes... they
are... glow...

NEXT

I... feel...
strange...

Listen to
me, Emma.

Your mind is
open. You
feel relaxed.

My voice
becomes your
thoughts.

NEXT

You want to uphold your side of the deal.

Indeed, you are looking forward to it.

You think I'm incredibly hot. You love me! You want to please me sexually.

Want... reward you...

Love it!

*So hot!
Love... you...
please... sexually...*

NEXT

And wake
up!

Snap

Uh...

Oh, sorry Mika!
I spaced out for
a moment!

NEXT

I need to
uphold my
end of the
bargain.

But I guess
it's time for
your reward
now.

NEXT

Ah no... that was
just a joke. You
don't have to,
Emma.

chuckle

Oh, don't
be like
that.

Even if I
don't have to.
I want to!

NEXT

gulp
Is that...
so?

I want to
repay you for
what you did
for me today.

Gulp
I'd like
that...

Yes!
I think you
are really hot!

Even if you
hadn't cured
me.

I love you! And
I want to make
you feel good –
if that's okay
with you?

NEXT

Great!
Follow
me!

Where
to?

Bathroom,
silly!

You'll like
it! Promise!

chuckle

NEXT

What...
eh... are...

NEXT

Now you
will obey
me.

Doing to
me...

NEXT

I will obey
you.

Stand up
and kiss me
passionately!

NEXT

Ha-ha!!

I love it when a plan works out. I knew once she could see I could use my optical spells on her.

I will obey.

NEXT

Emma starts out sensual as she presses her lips upon mine.

But soon our tongues meet...

She even gropes my ass a little while kissing!

NEXT

NEXT

And so, I made my way
to the bathroom -
Emma following close
behind me like the
good little drone she
was right now.

NEXT

The disabled bathroom was a solo cell and quite spacious. Perfect for what I had in mind.

NEXT

Emma was standing in front of me. Obediently waiting for further instructions...

What do I want her to do for me?

Strip naked

Blowjob

Sex

Strip naked

Strip
naked!

NEXT

As soon as the command leaves my mouth, Emma quickly starts to undress.

NEXT

Until she is standing
before stark naked.

What do I want her to
do for me?

Masturbate!

Sex

Show me
how you
masturbate.

Obediently Emma
sits down on the
toilet and her left
hand wanders
between her legs.

NEXT

As she rubs her pussy for my viewing pleasure, soft moans escape her lips.

I was enjoying her
performance quite a lot.

NEXT

Emma's performance was enjoyable. But why wait for the grand finale when you can just command it?

Orgasm!

Squirting Orgasm!

I tell Emma to orgasm, and instantly her play becomes more intense.

orgasm

And it does not take long until her whole body starts to buckle in ecstasy.

Moan

NEXT

Emma! Cum for me! Cum harder than you've ever cum before.

I want you to squirt!

I will obey!

Squirting orgasm

Frantically Emma increases her speed to keep up with my command.

I can see her arousal peek as her body starts to shake and squirm in pleasure while her fingers still piston in and out of her...

Until she deliberately removes
them from her snatch with
one fast gesture...

NEXT

Releasing a stream of her love
juice forward!

NEXT

I don't know if she usually
squirts... but I assume this is
the power of control I have
over her. **Nice!**

While Emma exhaustedly gasps for air after that orgasm, I contemplate what next to do with my beautiful toy.

Release her

Kneel!

I will obey.

Get my cock
out. Carefully!

I will
obey.

NEXT

I will obey.

Emma's tongue feels amazing as she's licking up and down my shaft.

The trademark of the Ocavum spell – her huge orange glowing eyes – only add to my excitement as she keeps constant eye contact while tending to my needs.

NEXT

After slobbering up my
cock from tip to balls
she places it in her
mouth...

And starts bobbing
up and down.

NEXT

It feels amazing!

NEXT

And I soon feel the
pressure in my balls rising...

But how do I wanna cum?

Cum in her
mouth

FaCial!

Cum in mouth

I'm gonna cum
in your mouth.
Keep up the
pace.

NEXT

It does not take long...

NEXT

Just a few more head bobs
and I was good to unload!

NEXT

I pressed Emma's head deep down on my cock as I fired spurt after spurt of my jizz into her mouth and throat.

NEXT

Show me
the cum!

Nice!

Now gulp it

I slowly insert my dick into

Oh, yes.
Oh, yes.

Leaving me with one

Cum inside!

Cum outside!

I really couldn't care less whether she was on the pill or not right now. Emma's pussy felt amazing, and I was enjoying it right up to the moment when I was pumping shot after shot of a massive pent-up load inside Emma's womb.

I decide to cum over her

There is no need to make her suspicious and endanger our friendship.
chuckle

NEXT

Without a hitch we got back to our seats... well... one girl noticed us exit the toilet together... but hey.. It's a nightclub. You see that from time to time. *chuckle*

I have Emma sit back down...

And release her from the Ocavum spell.

And there she wakes back up –
non the wiser of the events
inside that bathroom. *chuckle*

Uhh... sorry.
I blacked out
for a sec I
think.

What were

I said I was
sorry about my
behavior
before.

I do not
expect
anything in

I'm just glad I

Thank you, Mika.

Ha-ha!
She has no clue!

Kiss

I will always be indebted to you.

Amazing!
chuckle

Ah, don't mention it.

We talk some more...

We hit the dance floor...

And enjoy another round of drinks...

Emma's experiencing her first steps

hot steamy action back in the
bathroom... *chuckle*

NEXT

But it has gotten late... and it was time for Emma to leave the club.

Oh, my. Where did the time go?

I had the best day of my life today!

Thank you, Mika. For everything.

And don't worry. I won't tell anybody that you cured me.

See you soon.

This is the evil route. Most paths leading onwards from here lead to Emma being distressed or worse.

Despite her reluctance, Emma hesitantly follows and sneaks behind me into the disabled bathroom.

She's looking at me intensely. Trying to discern my intentions here...

So, what do I want to ask of her?

You had expected as much... It's clear Emma hasn't resigned herself yet fully... and while you probably could... you don't feel like blackmailing her all the way...
