Previously on „The lost Temple“:

*Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic – though he is not very skilled at it. Over various occasions, Mika has increased his repertoire of magical spells, and by combining them, he is now able to pull off some pretty decent magic like teleportation, healing and „opening the mind“.*

*Last time we saw how he used the Vasta Mens Spell to make Lana and Liz okay with him dating both of them.*

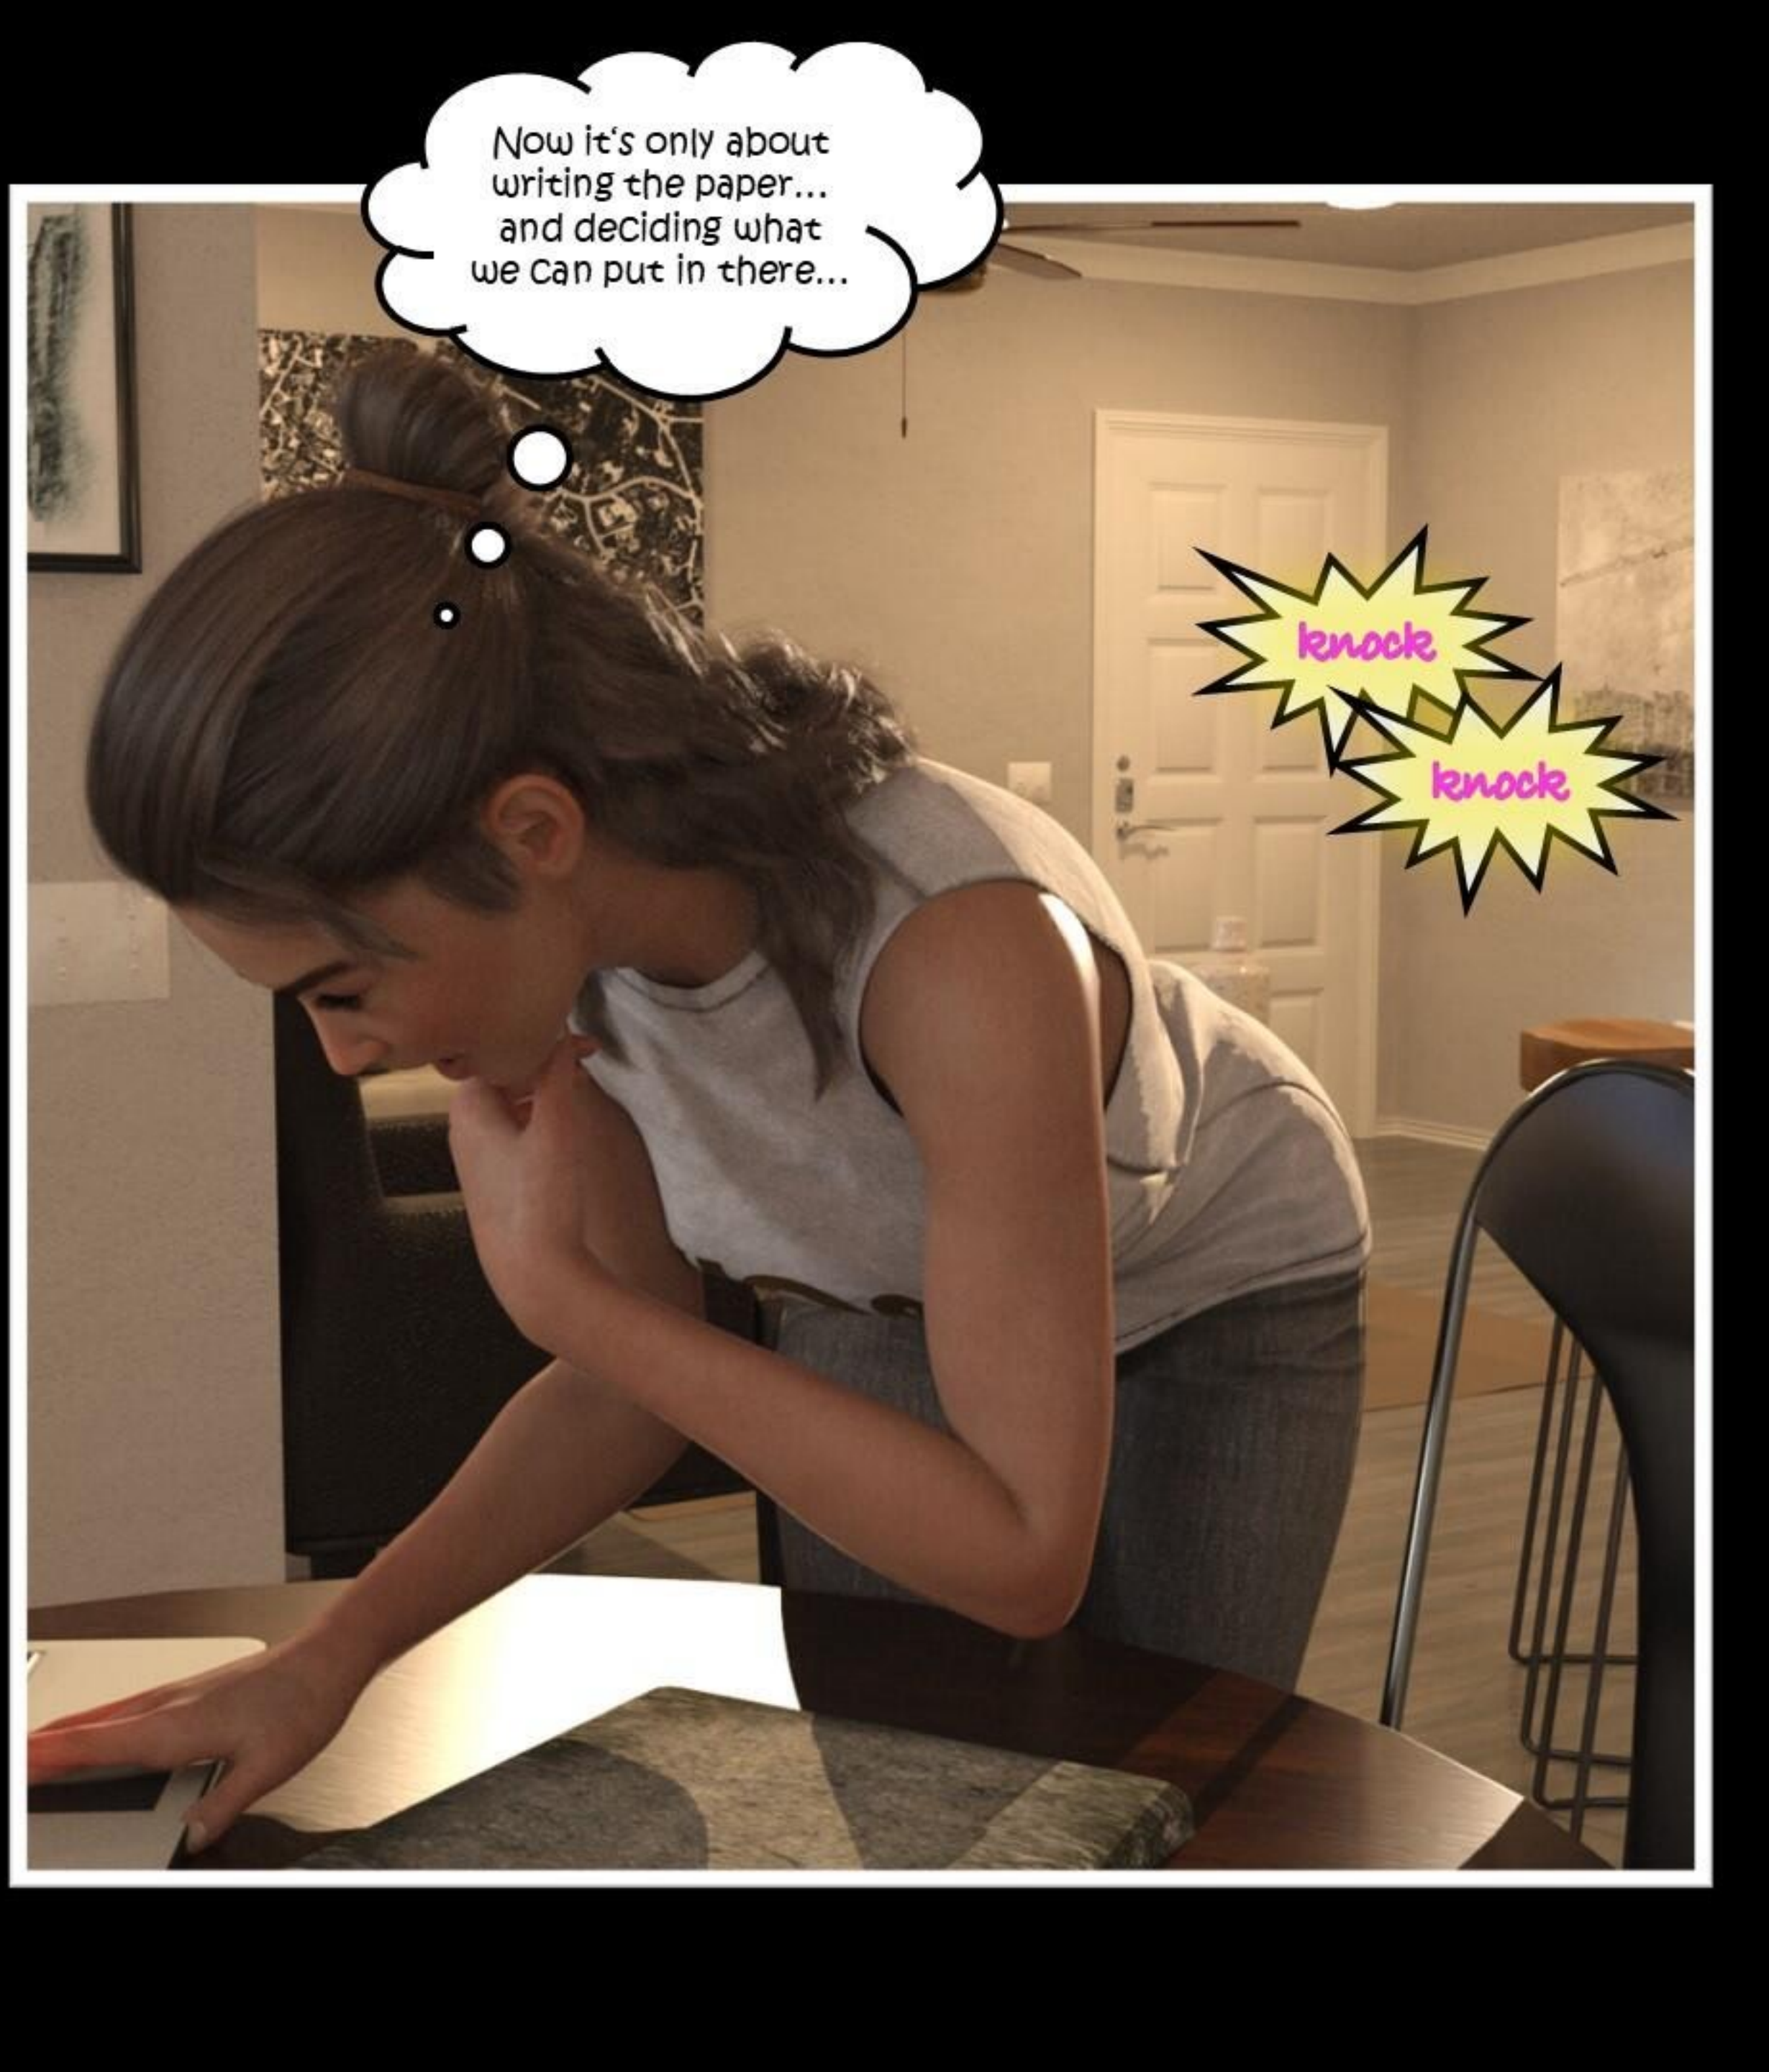

We continue from here at Liz's place where she is waiting for Mika to finalize their due history project for Professor Harrison together.

The translation is done anyway.

swish  
click

Now it's only about writing the paper... and deciding what we can put in there...

knock  
knock

After a loving welcome, the couple sits down at the living room table.

So... What do you think we can write down... to not inconvenience you?

Hmm...

I don't think it should be a problem. We don't need to hide anything.

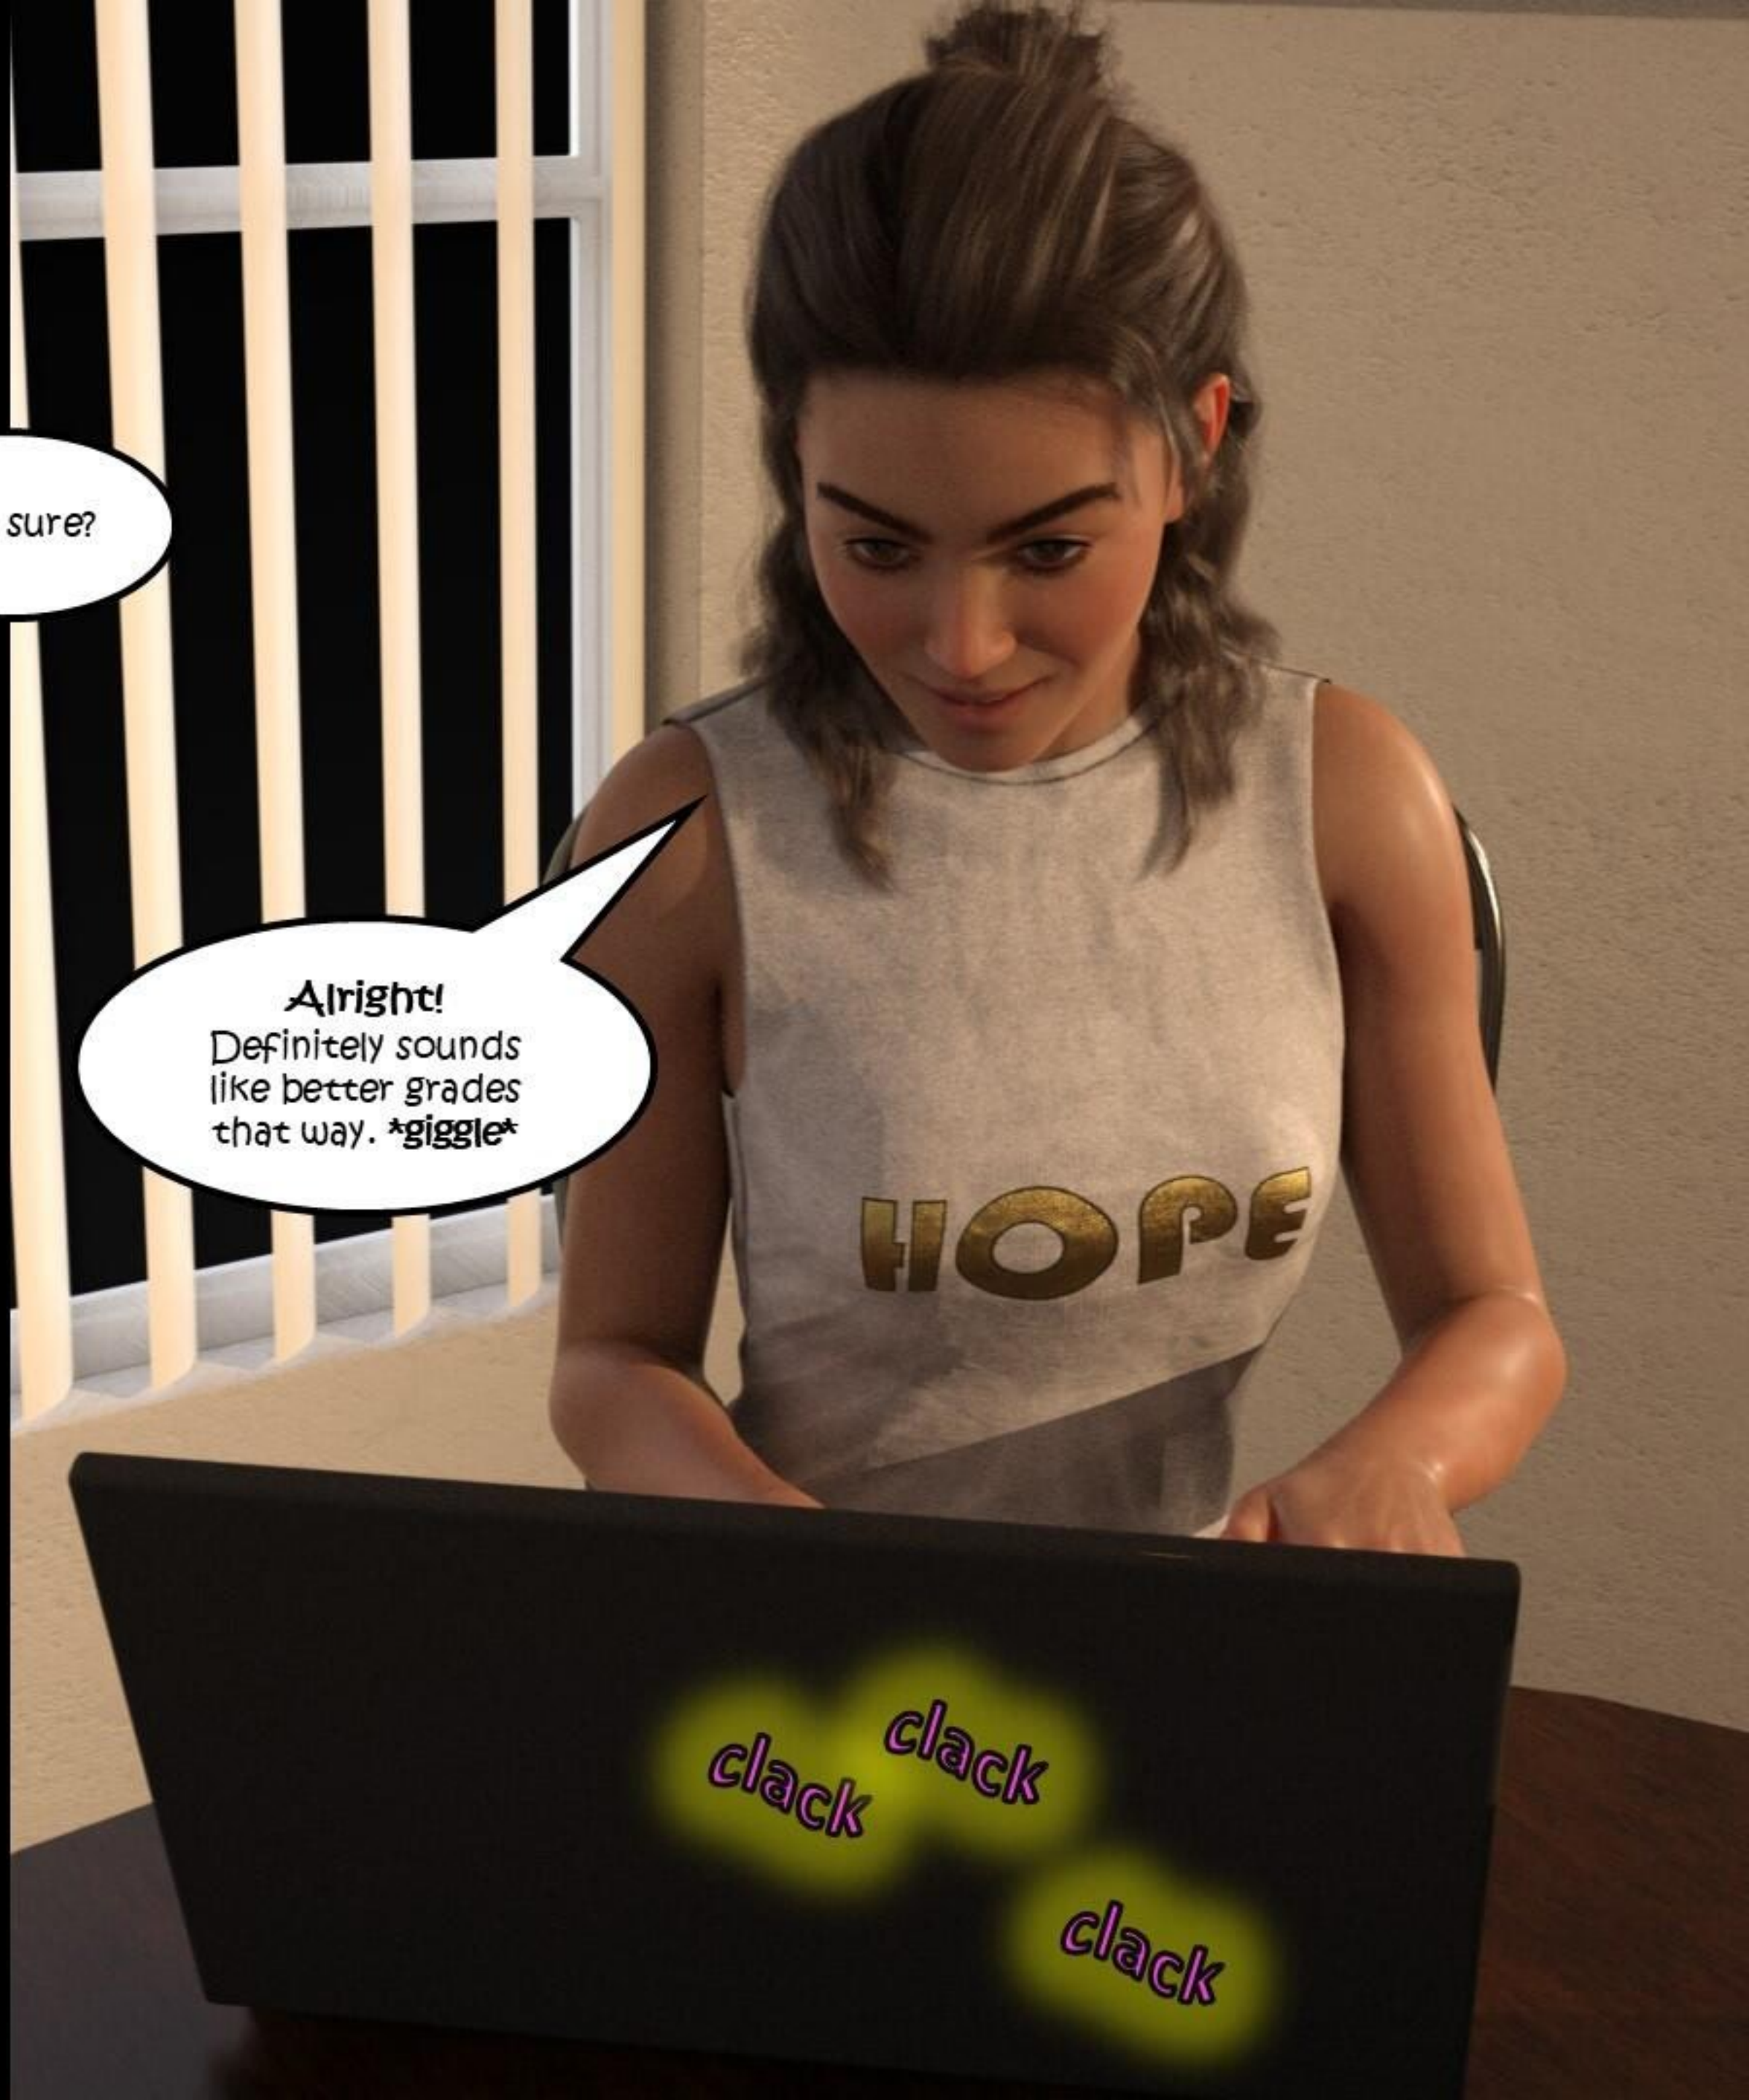

No one without the right knowledge and a body ready for the Ether can use the spell anyway.

You sure?

Positive.

Alright!  
Definitely sounds like better grades that way. \*giggle\*

clack  
clack  
clack

They keep talking about various formulations and how to write paragraphs to make them sound more professional til late into the night, until the door opens...

open

And Liz's mom walks in.

Hey, mom!

Good evening,  
Mrs. Rosto.

Oh, hey kids.

Are you getting along with that project of yours?

Yes, mom. We are making great progress.

Mika was it, right?

Yes. Fine, ma'am. Thank you.

Quite the intense entrance with the outfit and the handcuffs. \*gulp\*

How are you?

2 \*giggle\*

Don't let her  
intimidate  
you.

She's  
actually a  
pretty kind  
person.

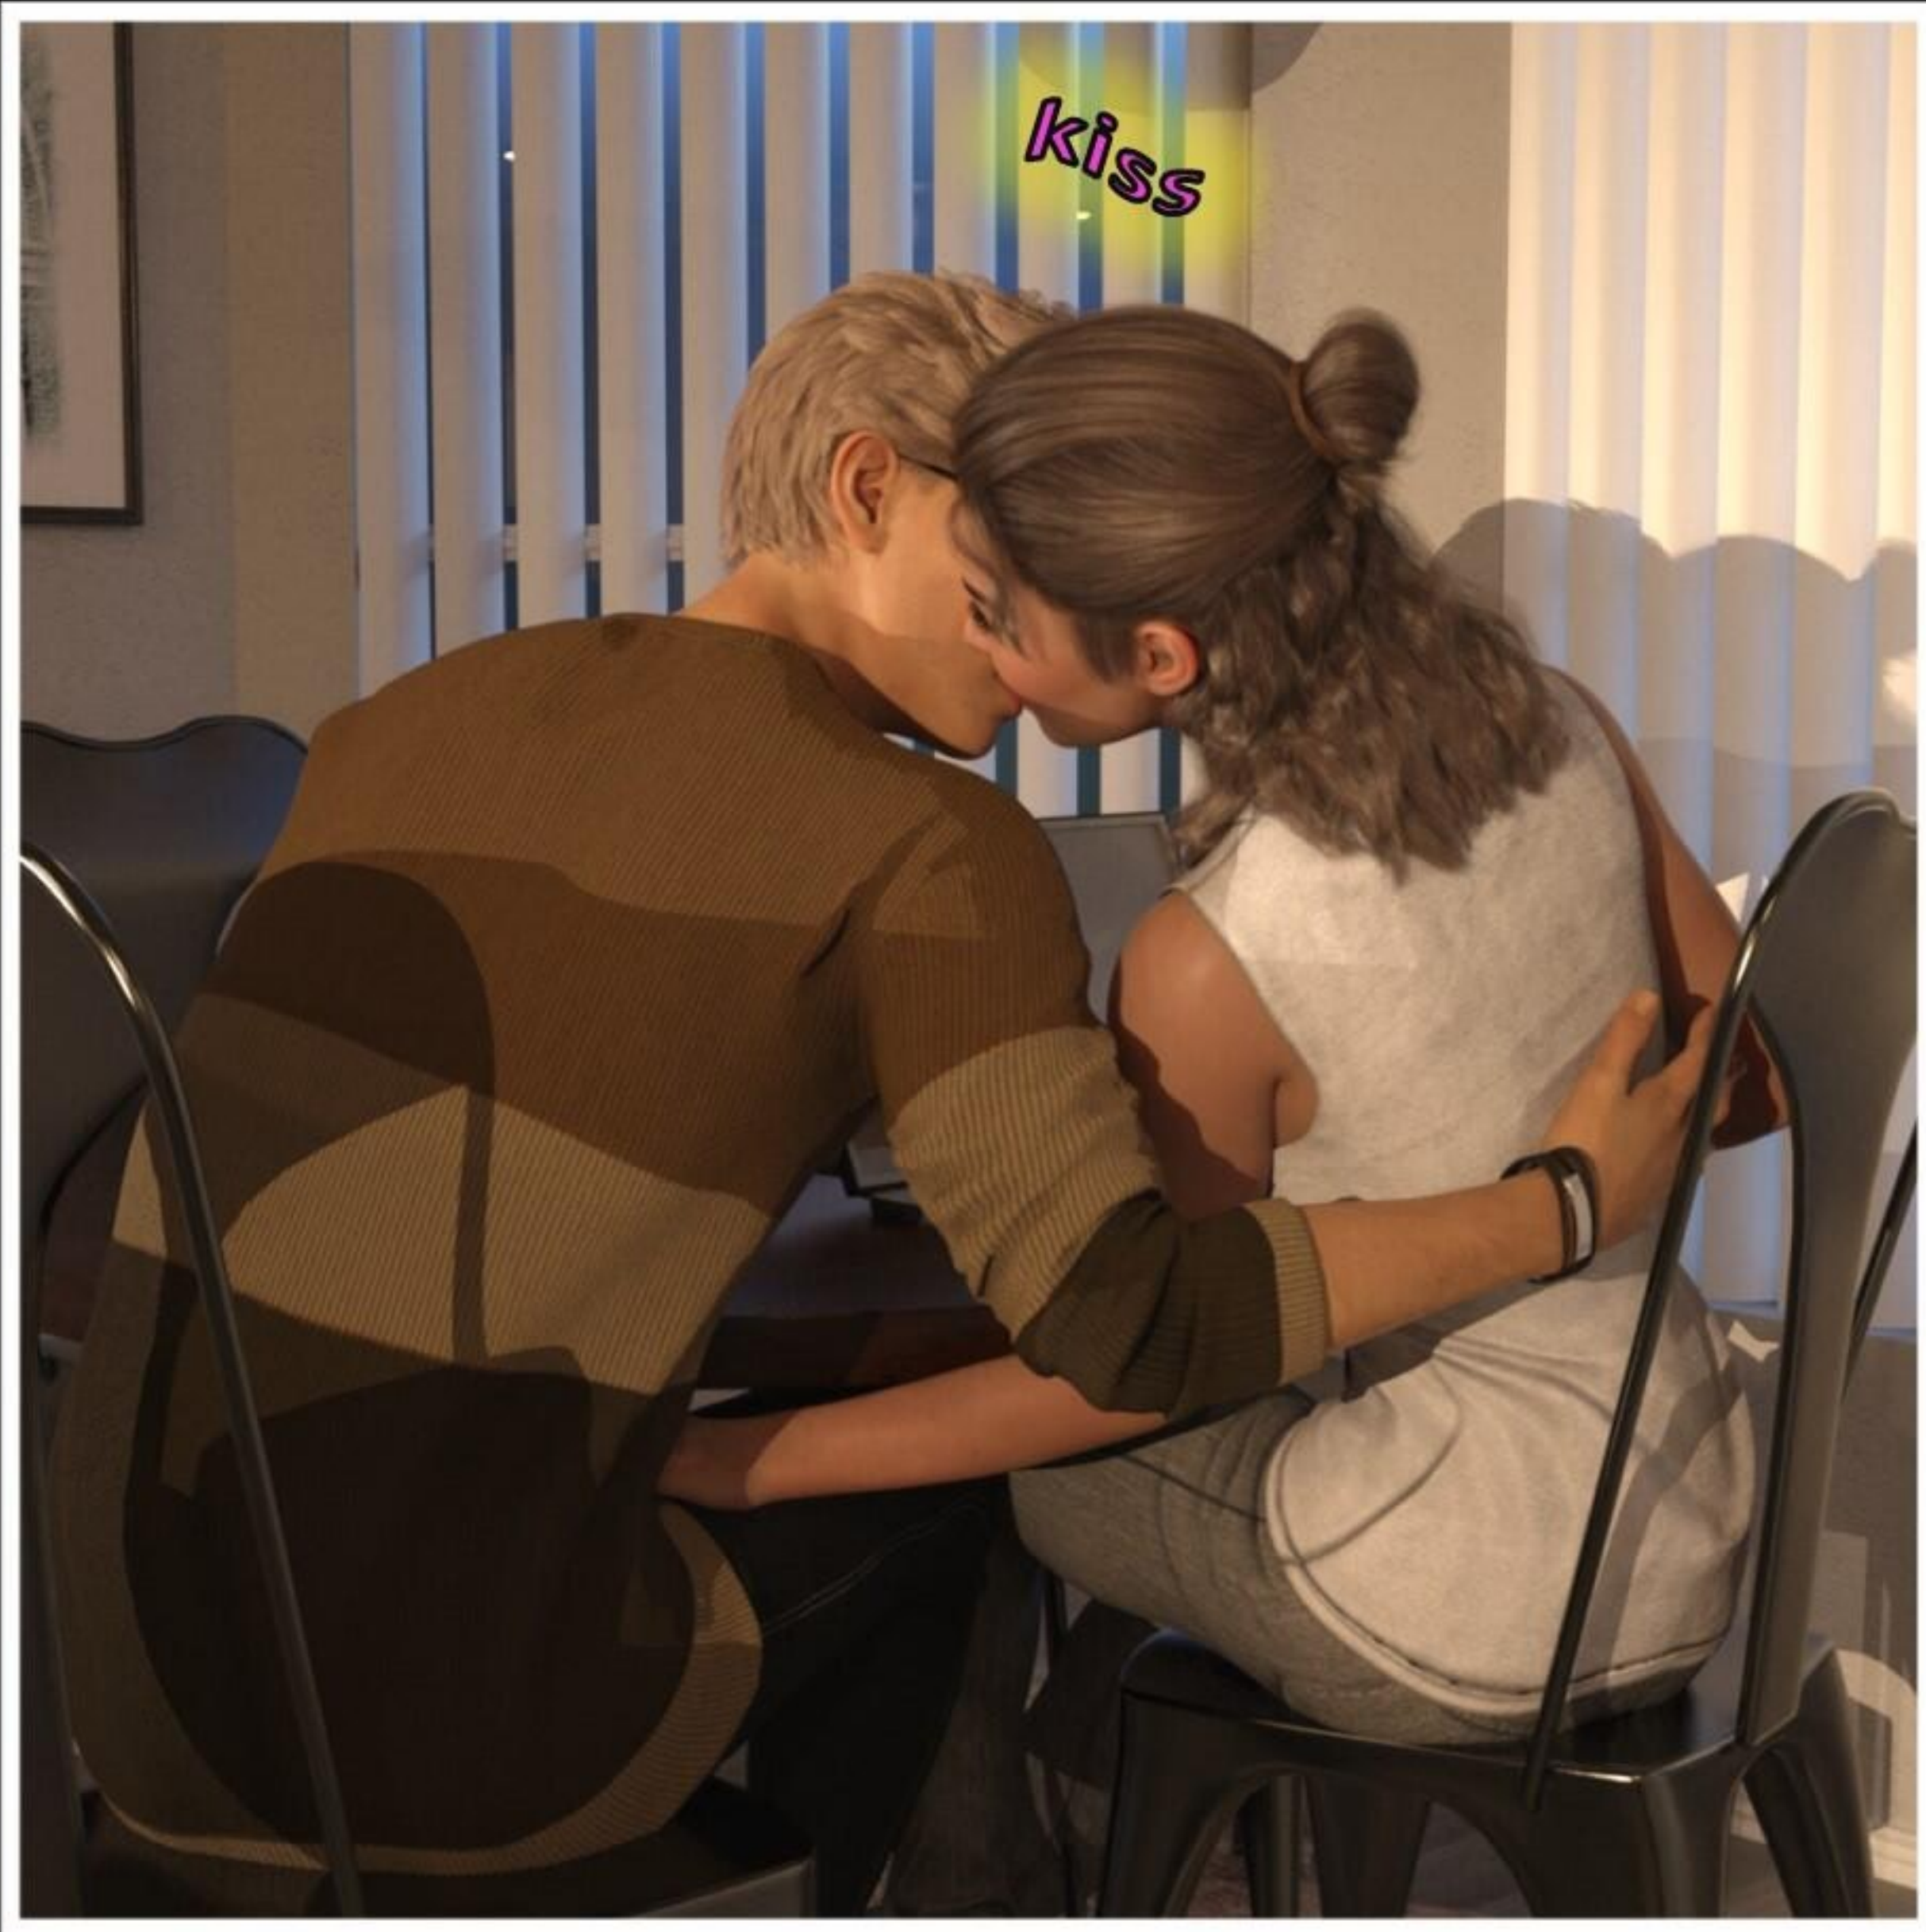

1  
Your mom's quite  
an impressive  
woman.

Mika returns his attention to the tablet while Liz keeps working on her laptop...

But it does not take long...

I wonder if they are serious or just studying together...

Hey, kids...

I'm so horny!

I... did not ask last time...

But I did not take you for a tattoo guy...

trace

Err... yeah... Me neither.

But this thing is magic and enables me to store a bit more ether...

Without it, I could cast... even less than I can now...

Elizabeth starts with oral, but it does not take long for her boyfriend to be at full mast.

Groan

And despite his willingness to return the oral favor, she simply mounts him. (That study session seems to have gotten her juices flowing already!)

Mhhh...  
Yes!

I've missed  
you.

Hushed moaning echoes through the room. The two young adults try to keep it down in respect for Liz's mother...

But there is no way she did not hear that!

Oh, fuck!  
I'm cumming,  
Liz!

Me  
too!

Groan

Moan

Once the deed is done, the young couple looks into each other's eyes with a loving gaze.

Before they start cuddling into the evening. Mika would stay that night at Liz's place.

The next day, after a nice breakfast, courtesy of a blushing Mrs. Rostov, they head to university together to meet with their History Professor.

And you said... you've translated it?

Err... well...

It was basically Liz who did all the translating...

Yes, Professor. We did!

It seems to be an old rite describing a spell... probably from the cult back then...

I'll have to look into this more closely.

That would be a great honor!

Nice!

But if I'm right and these connect to what I found...

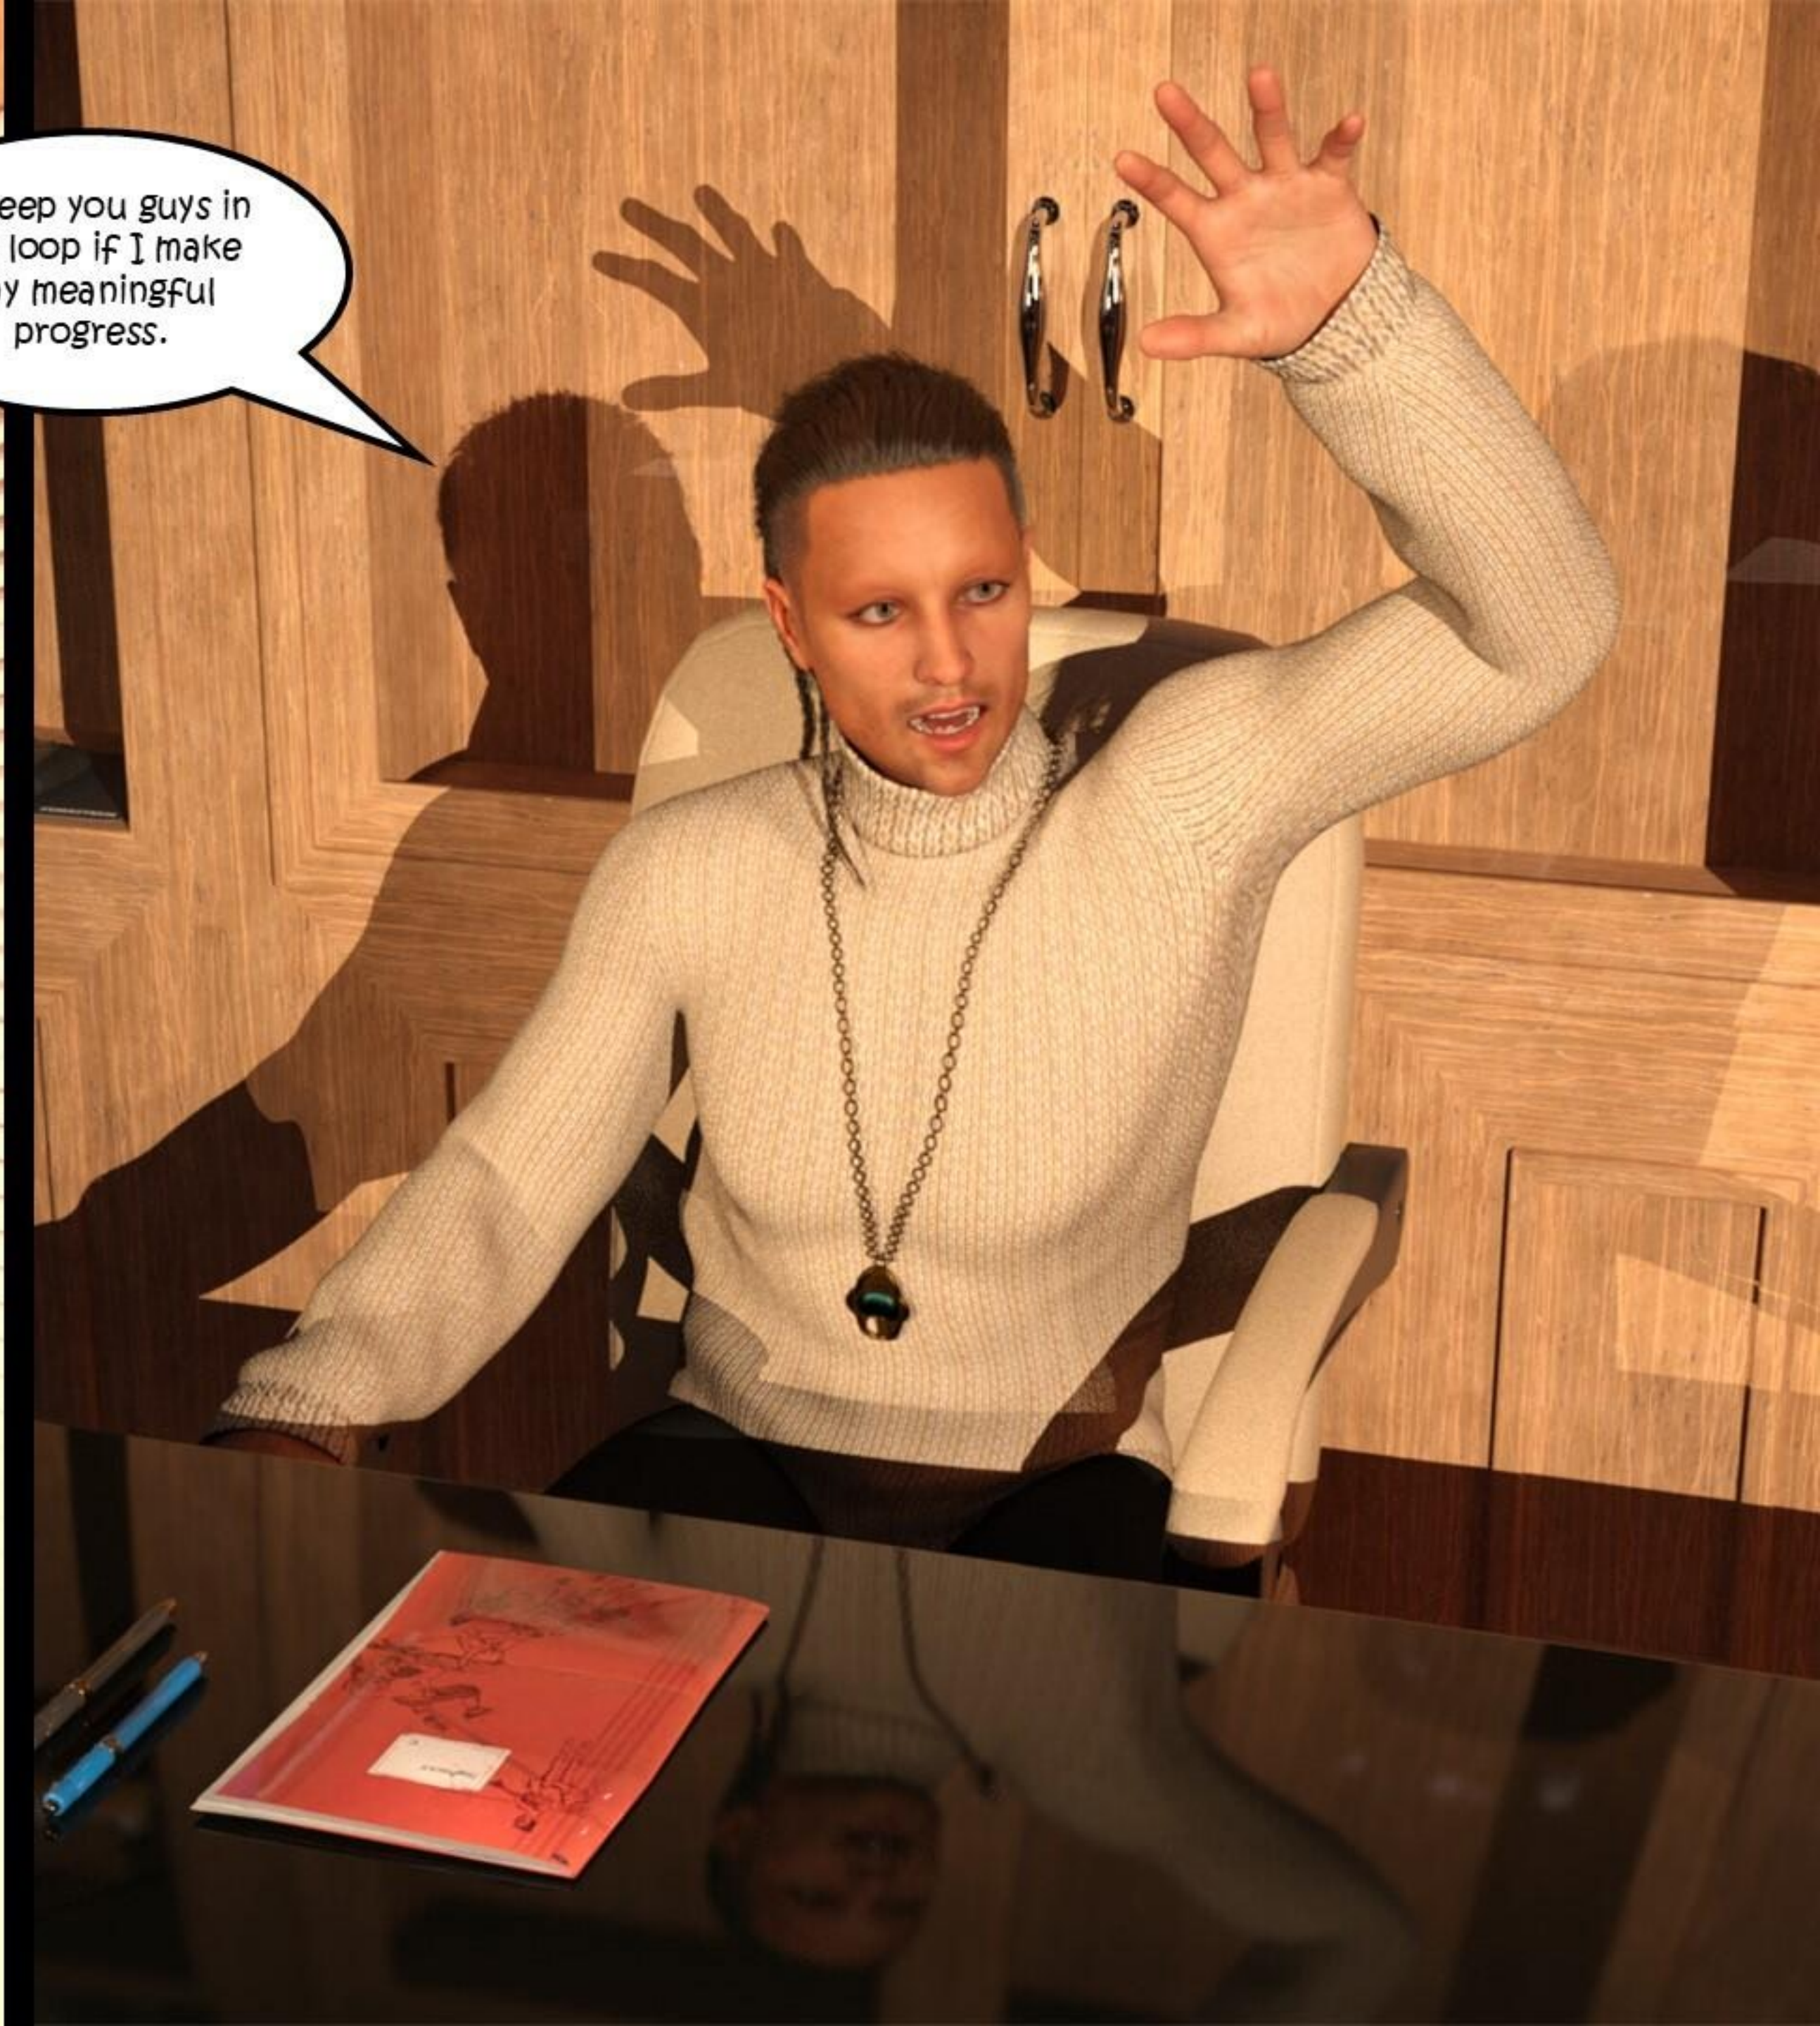

I will credit your work in my paper.

And of course, you get full course credits.

Thank you, professor.

I'll keep you guys in the loop if I make any meaningful progress.

Nice! Full points!

And getting credited in his paper?!

That's a great first step for an academic career!

You are right.

But I guess... It's only natural.

Without your knowledge, no one could have translated this.

And without your translation skills, I'd still be non-the-wiser.

In the meantime, in one of the University's bathrooms...

## THE PHANTOM STRIKES AGAIN? MASTER THIEF SENDS CALLING CARD TO MUSEUM, TARGETS THE LEGENDARY GREEN ROSE

*June 27th, 2025*

In a move as theatrical as it is brazen, the world-renowned phantom thief known only as "*Serenity*" has once again stirred the pot of international intrigue — this time by delivering a midnight calling card to the Rosebridge Museum of Antiquities.

The card, which appeared mysteriously atop the museum's main display case, bore *Serenity's* signature silver crescent seal and a handwritten message:

**"Beauty should never be locked away in glass. When the moon hangs high, the Green Rose shall bloom no more."**

Museum staff discovered the message early this morning, sending shockwaves through the security team and prompting an immediate lockdown of the premises. The target? The Green Rose — a glowing, emerald-hued crystal orb of ancient origin, whose soft luminescence has baffled scientists for the past two years. Often likened to "moonlight trapped in glass," the artifact has been the crown jewel of the museum's Enigmatic Relics exhibit. No one knows why it glows, only that it does... and it never stops.

While museum officials have refused to confirm the authenticity of the threat, insiders claim that the police is providing extra security to the museum. Still, if history is any indication, *Serenity* thrives on challenges like these.

Dubbed "the Ghost of the Vault" by Interpol, *Serenity* has been connected to over a dozen high-profile thefts across five continents — from the Diamond Eclipse in Dubai to the Vanishing Violin of Vienna. No one has ever seen the thief's face, and not a single fingerprint has ever been recovered. Some claim *Serenity* is a master of disguise; others whisper of a team of illusionists, or even supernatural involvement.

What's certain is this: if *Serenity* keeps their word, the world will be watching. And the Green Rose may soon vanish into myth.

-Article written by, Velia Devis

It takes only a little while after Harry leaving the bathroom...

He really got quite well at timing the Ocavum spell...

And expression returns to the cute girl's face...

In the meantime, Liz has made her way over to the sports field to do something she has delayed for several days now...

Have you told them you are good to go again?

No... and I don't even know if I want to return...

Not after... that... incident.

But you are not here to talk about cheerleading, now are you?

Well... no... I wanted to talk about Mika.

Has he talked to you?

He did.

And... you are really okay...

With me dating him?

Duh! He's going through so much right now.

He needs all the support he can get.

And if it takes the both of us to be there for him that is fine with me.

I just thought,  
cause you are a  
cheerleader, you  
might have given  
him some hope  
or...

I'm not into  
girls. At all!  
**Period!**

Okay,  
okay!

So, are we on the same page here?

Yes!  
We'll each support Mika the best we can!

With information, in the field...

And in regards to love...

...From our separate bedrooms!

Meanwhile, Mika has made his way to the camp – the group was supposed to meet there for an important briefing..

But as he arrives, there's only  
Velia enjoying a soft breeze  
while sitting in the grass.

Hey, Velia.  
Where are  
the others?

I'm sure  
they'll be  
here soon.

Any clue  
what this is  
about?

Well, I guess  
Asher has some  
insight into magic  
activity around  
town.

But I have no details.  
Let's just wait for the  
briefing to start.

So... err... Vella. I  
read your article  
on the University  
board.

The other articles are a bit over the top...

But in this one, you did not have to hide anything. So, one could really see your writing skills!

But... I mean I know why you do that.

That... is very sweet of you to say...

After my studies, I'd like to get into Journalism...

You should!  
You definitely  
should. You have  
a knack for it!

Well... with my  
duties here at  
camp...

I guess that  
dream will have  
to wait...

End of Chapter

# Thank you for reading!

Hello, Hexxet here,

I used this chapter to connect the story around Liz to the history project and also show off a bit of life at home for Liz. Then the rest of this chapter mostly consists of possible hooks for bonus chapters. But the girl stories are done for now, and next chapter Mika will be thrown into his first magic mission from the camp and from there on, the main story should get rolling for real... I hope! 😊

If you like my comics, please consider supporting me on Patreon. I need your support to keep creating more Magic-themed comics! 😊
