Previously on „The lost Temple“:

Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic. In the beginning, he was not very skilled at it due to his low Ether Force. But by combining some key spells, he is slowly ramping up power.

Last time we saw the camp crew engage in combat with Kassandra and her minion Harry... That did not go well as Lucy's magic ran rampant tearing a rift into reality through which yet another Zermankai enters our world...

Previously on The lost Temple...

Ocavum!

Harry used Ocavum on Lucy...

No... I...
I...

But as her mind shuts down...

Her Ether Force runs rampant...

Ahhhhhhh

Creating a rift in space!

And through comes yet
another Zermankai!

Found you!

We continue from here...

Two rooftops further, fists are clashing...

I'll crush you!

roar

Grrrrr

Try me!

And what should I do now?!

Scutum Pulsus!

Oh my.

I got her!

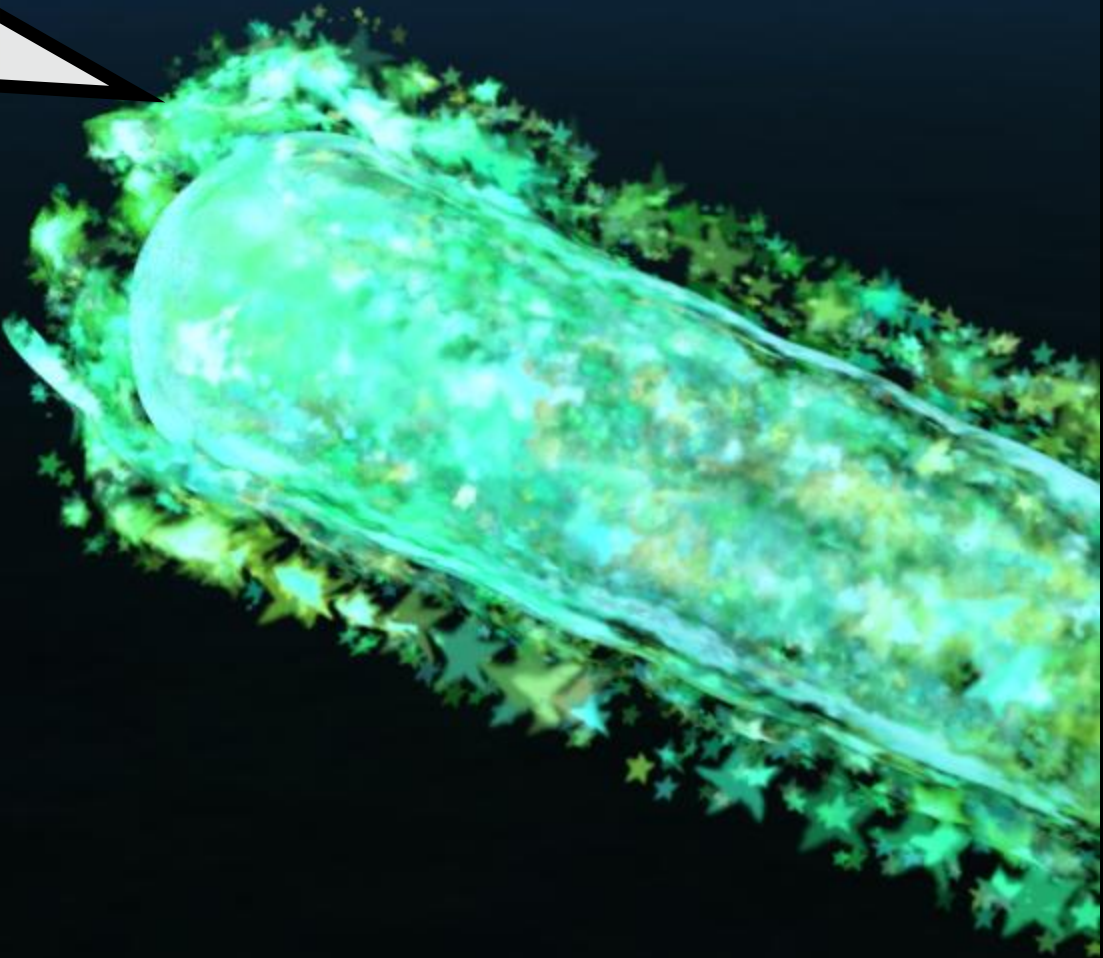

What a warm welcome.

Clap

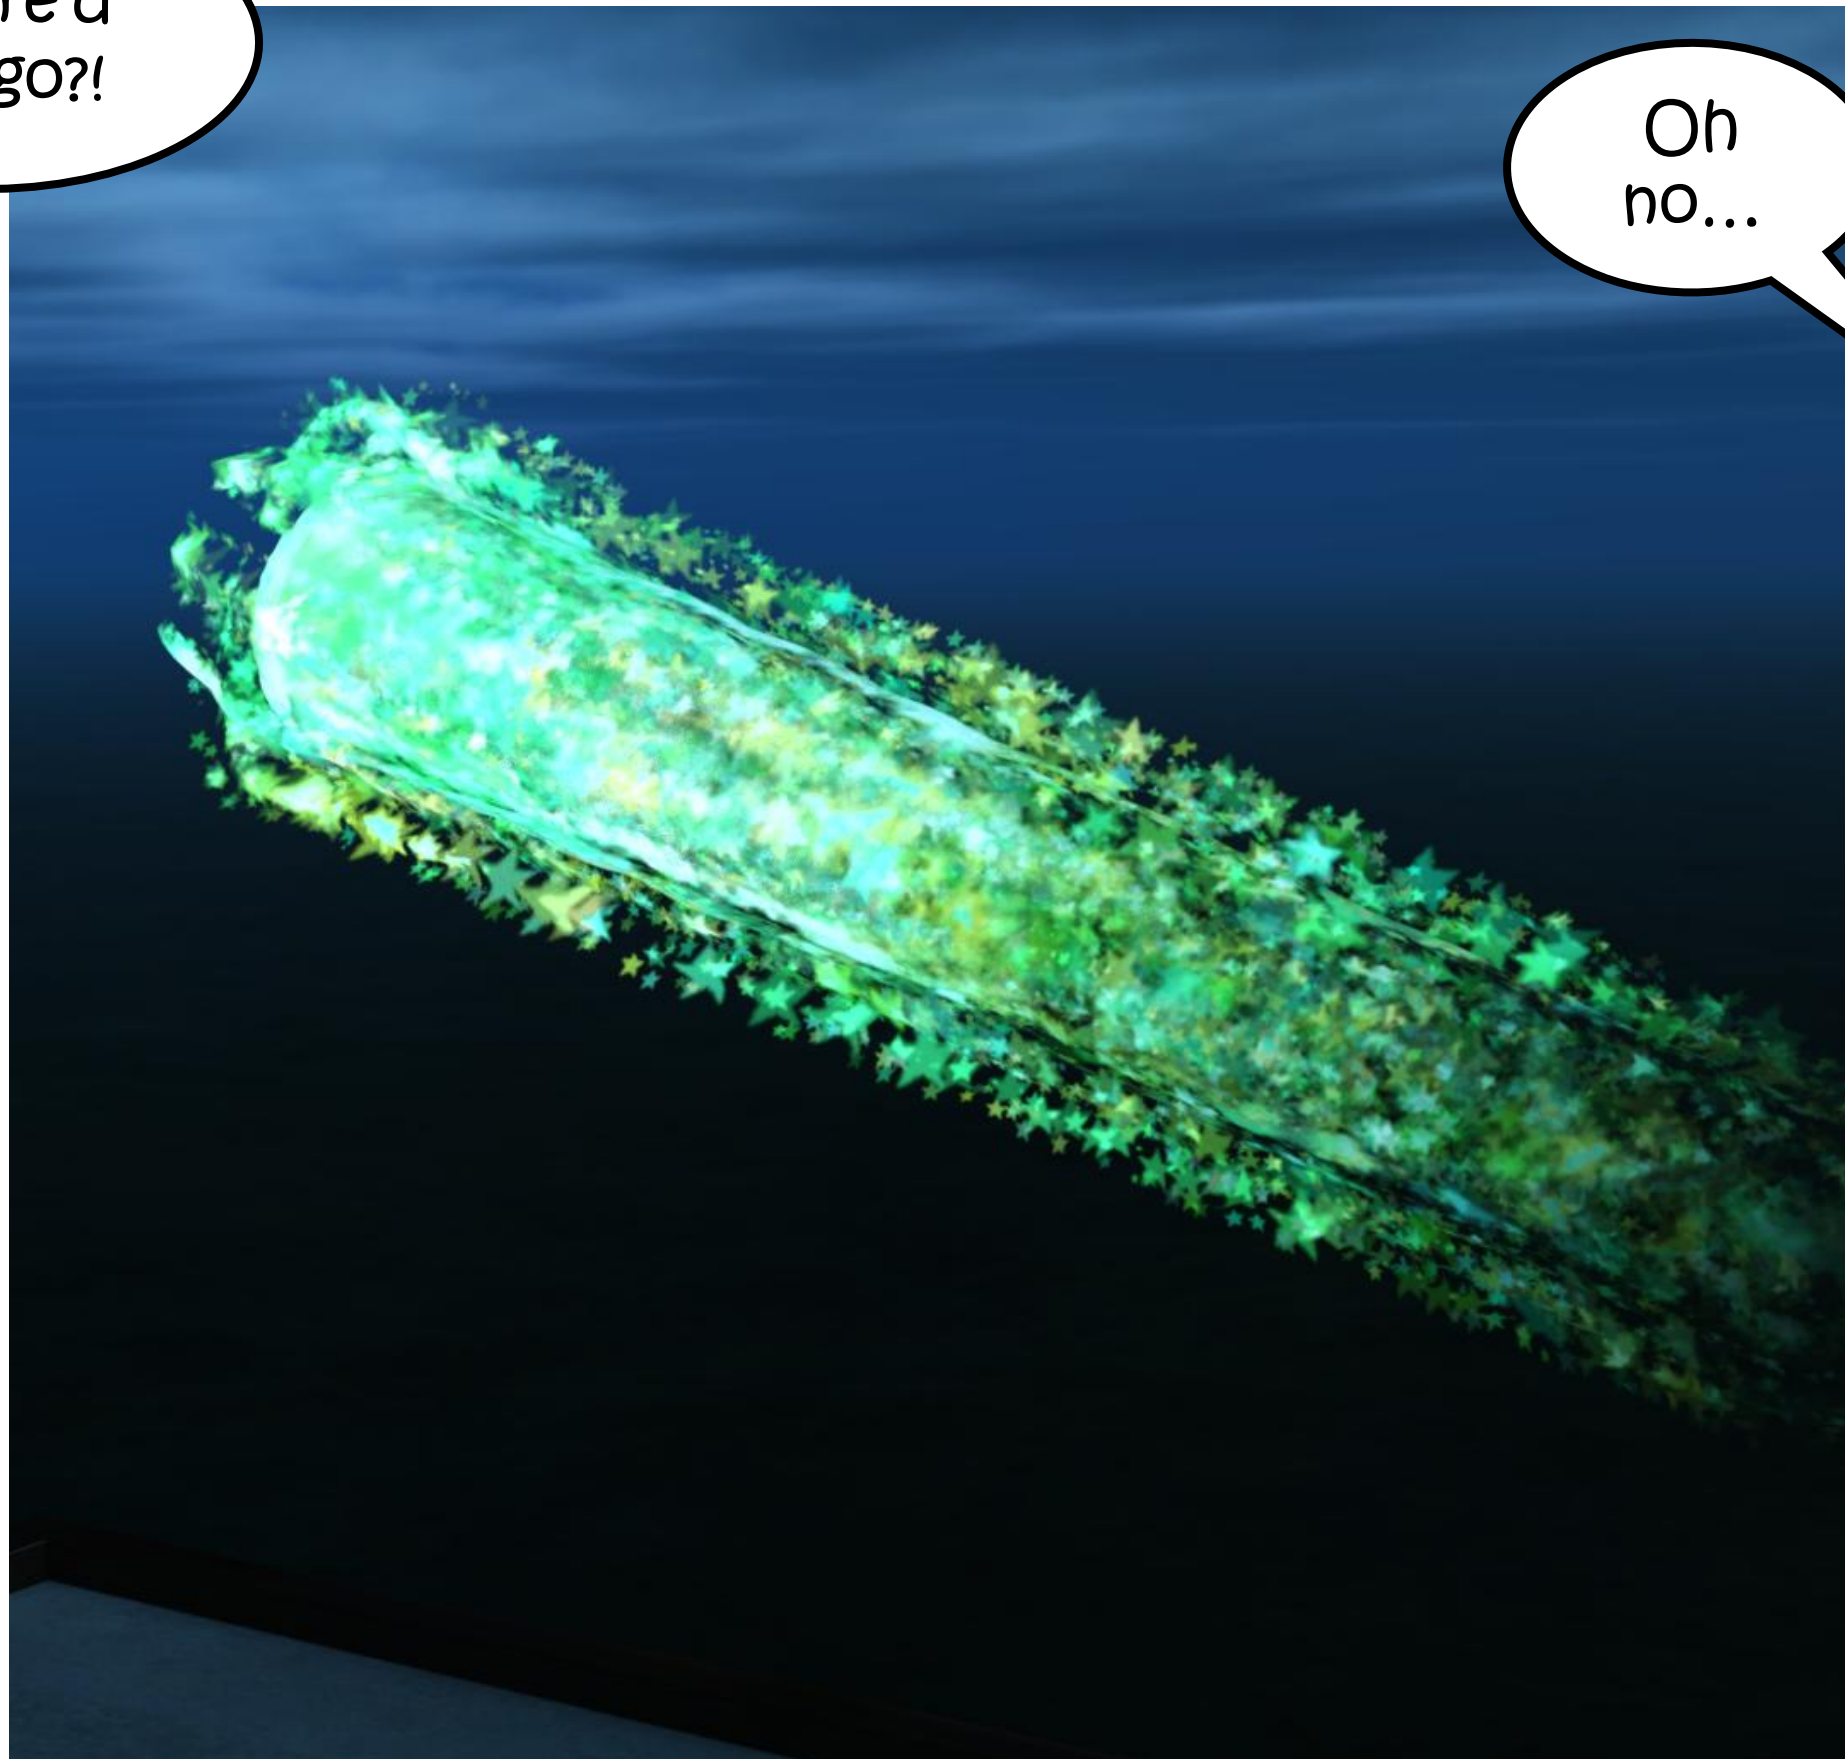

POOF

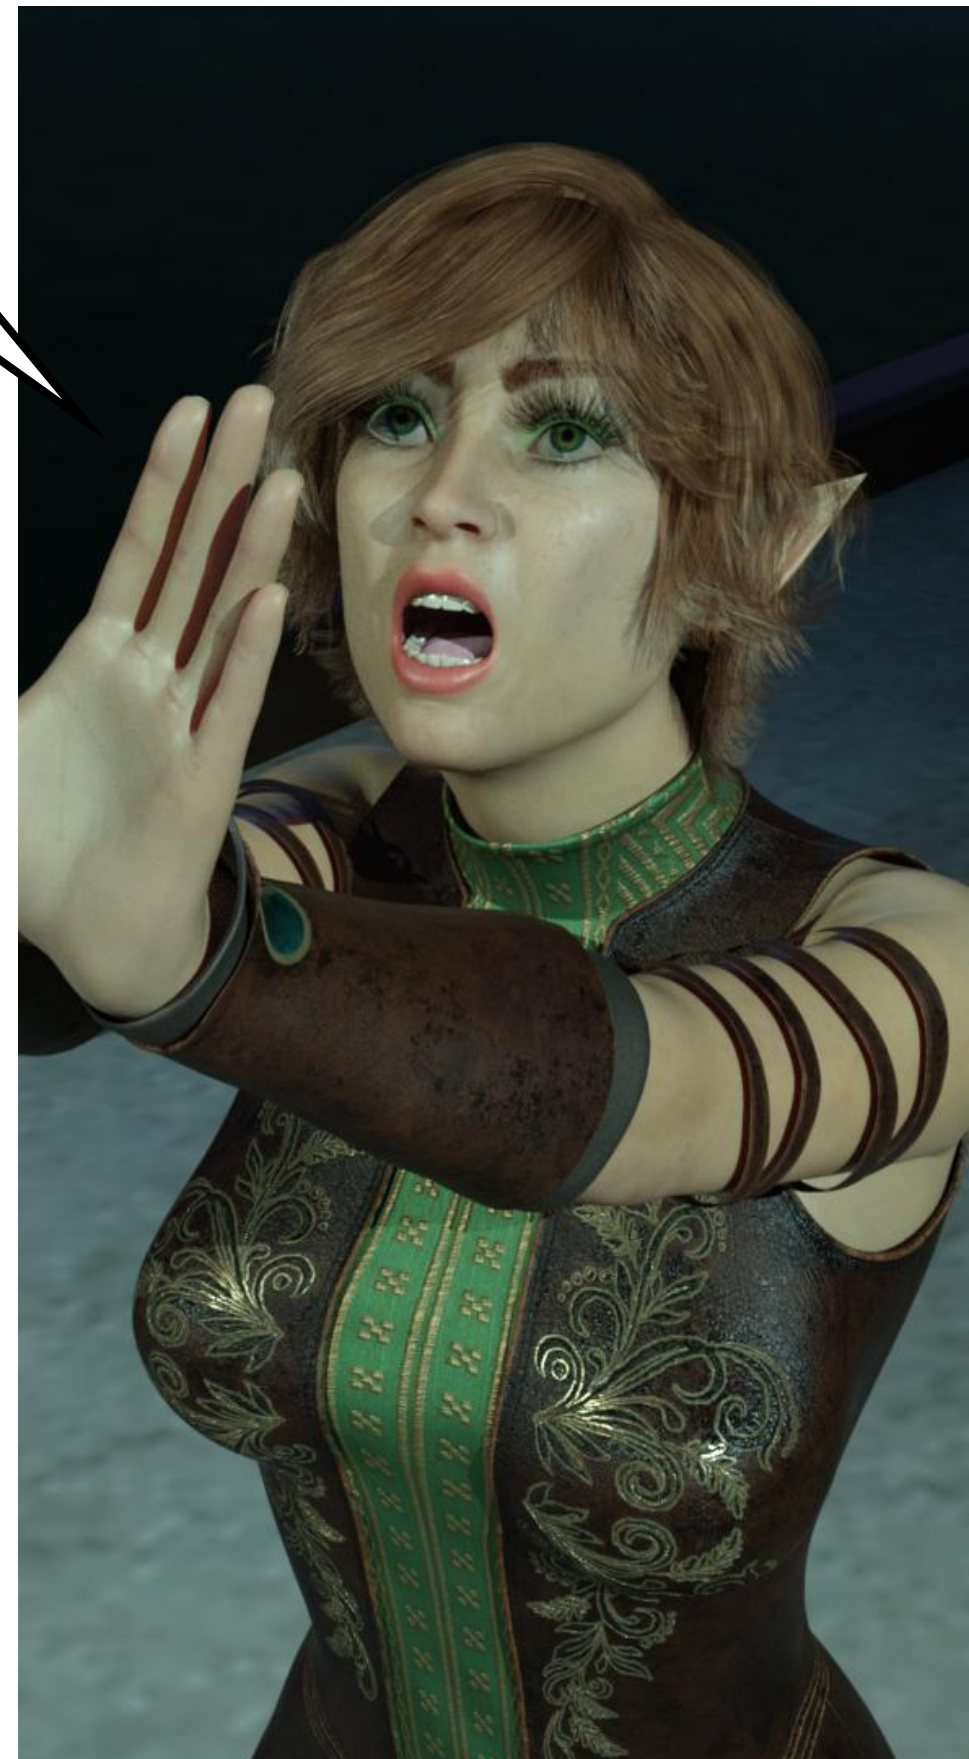

Where'd she go?!

Oh no...

Yara's attack hits empty air, as the white-haired demon simply vanishes...

And popped up right with the others!

plop

Hello there Princess.

Your presence is required at home.

YOU?!

Another one?

There are two?!

Shit!

Sorry girl,
you missed.

The
fuck?

And from there, everything went haywire...

Haaaa!

She is wide open!

Sorry, boy. But you just hit yourself.

Gotcha!

Punch

Huh?

Awww!

What...

the...

FUUUCK!

Kessy flew away without anybody but me noticing...
and I was more than happy with that outcome...

FLY

Sayonara
bitch!...

The battle against that white-haired chick wasn't winnable. None of our attacks worked.

Urgh!
I don't have time
for you small fry.

Thankfully, she lost interest in fighting us once she realized Kessy had left.

Battered and beaten we returned to Camp...

And as if to underline our loss, rain suddenly came down in heavy sheets.

The debriefing this time was... well, it was basically Velia shouting at Asher. I guess that's just how she copes with losing...

It's not your fault, Velia.

Looked even fitter than before!

I damn know it's not.

And she just laughed it off!

I hit that bitch right on.

That sounds... like she has some sort of protection...

Well, no shit!

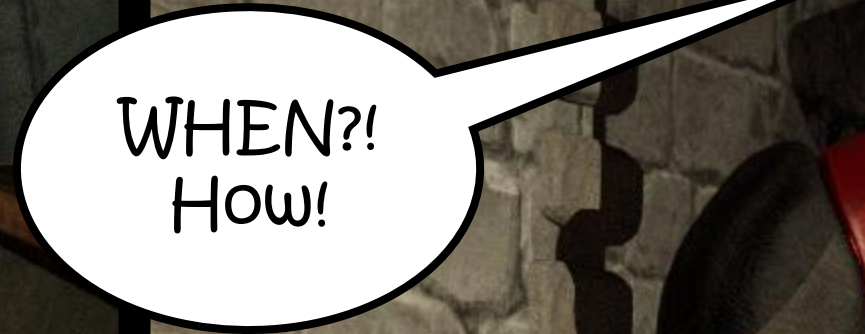

Vadim's punch was reflected right back at him!

And Stella's Magic did not fare any better than mine.

How are we supposed to fight something we can not hurt?!

We will find
a way...

WHEN?!
HOW!

Asher's hiding something...

He knew this would happen!

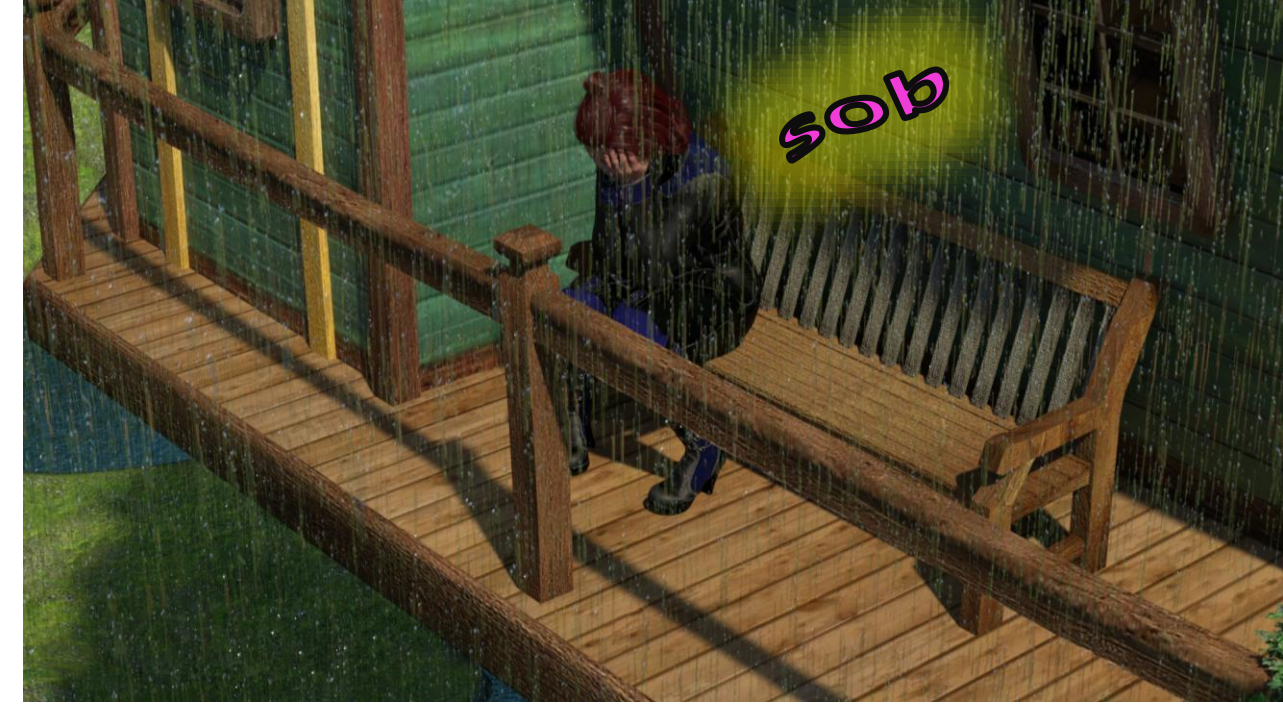

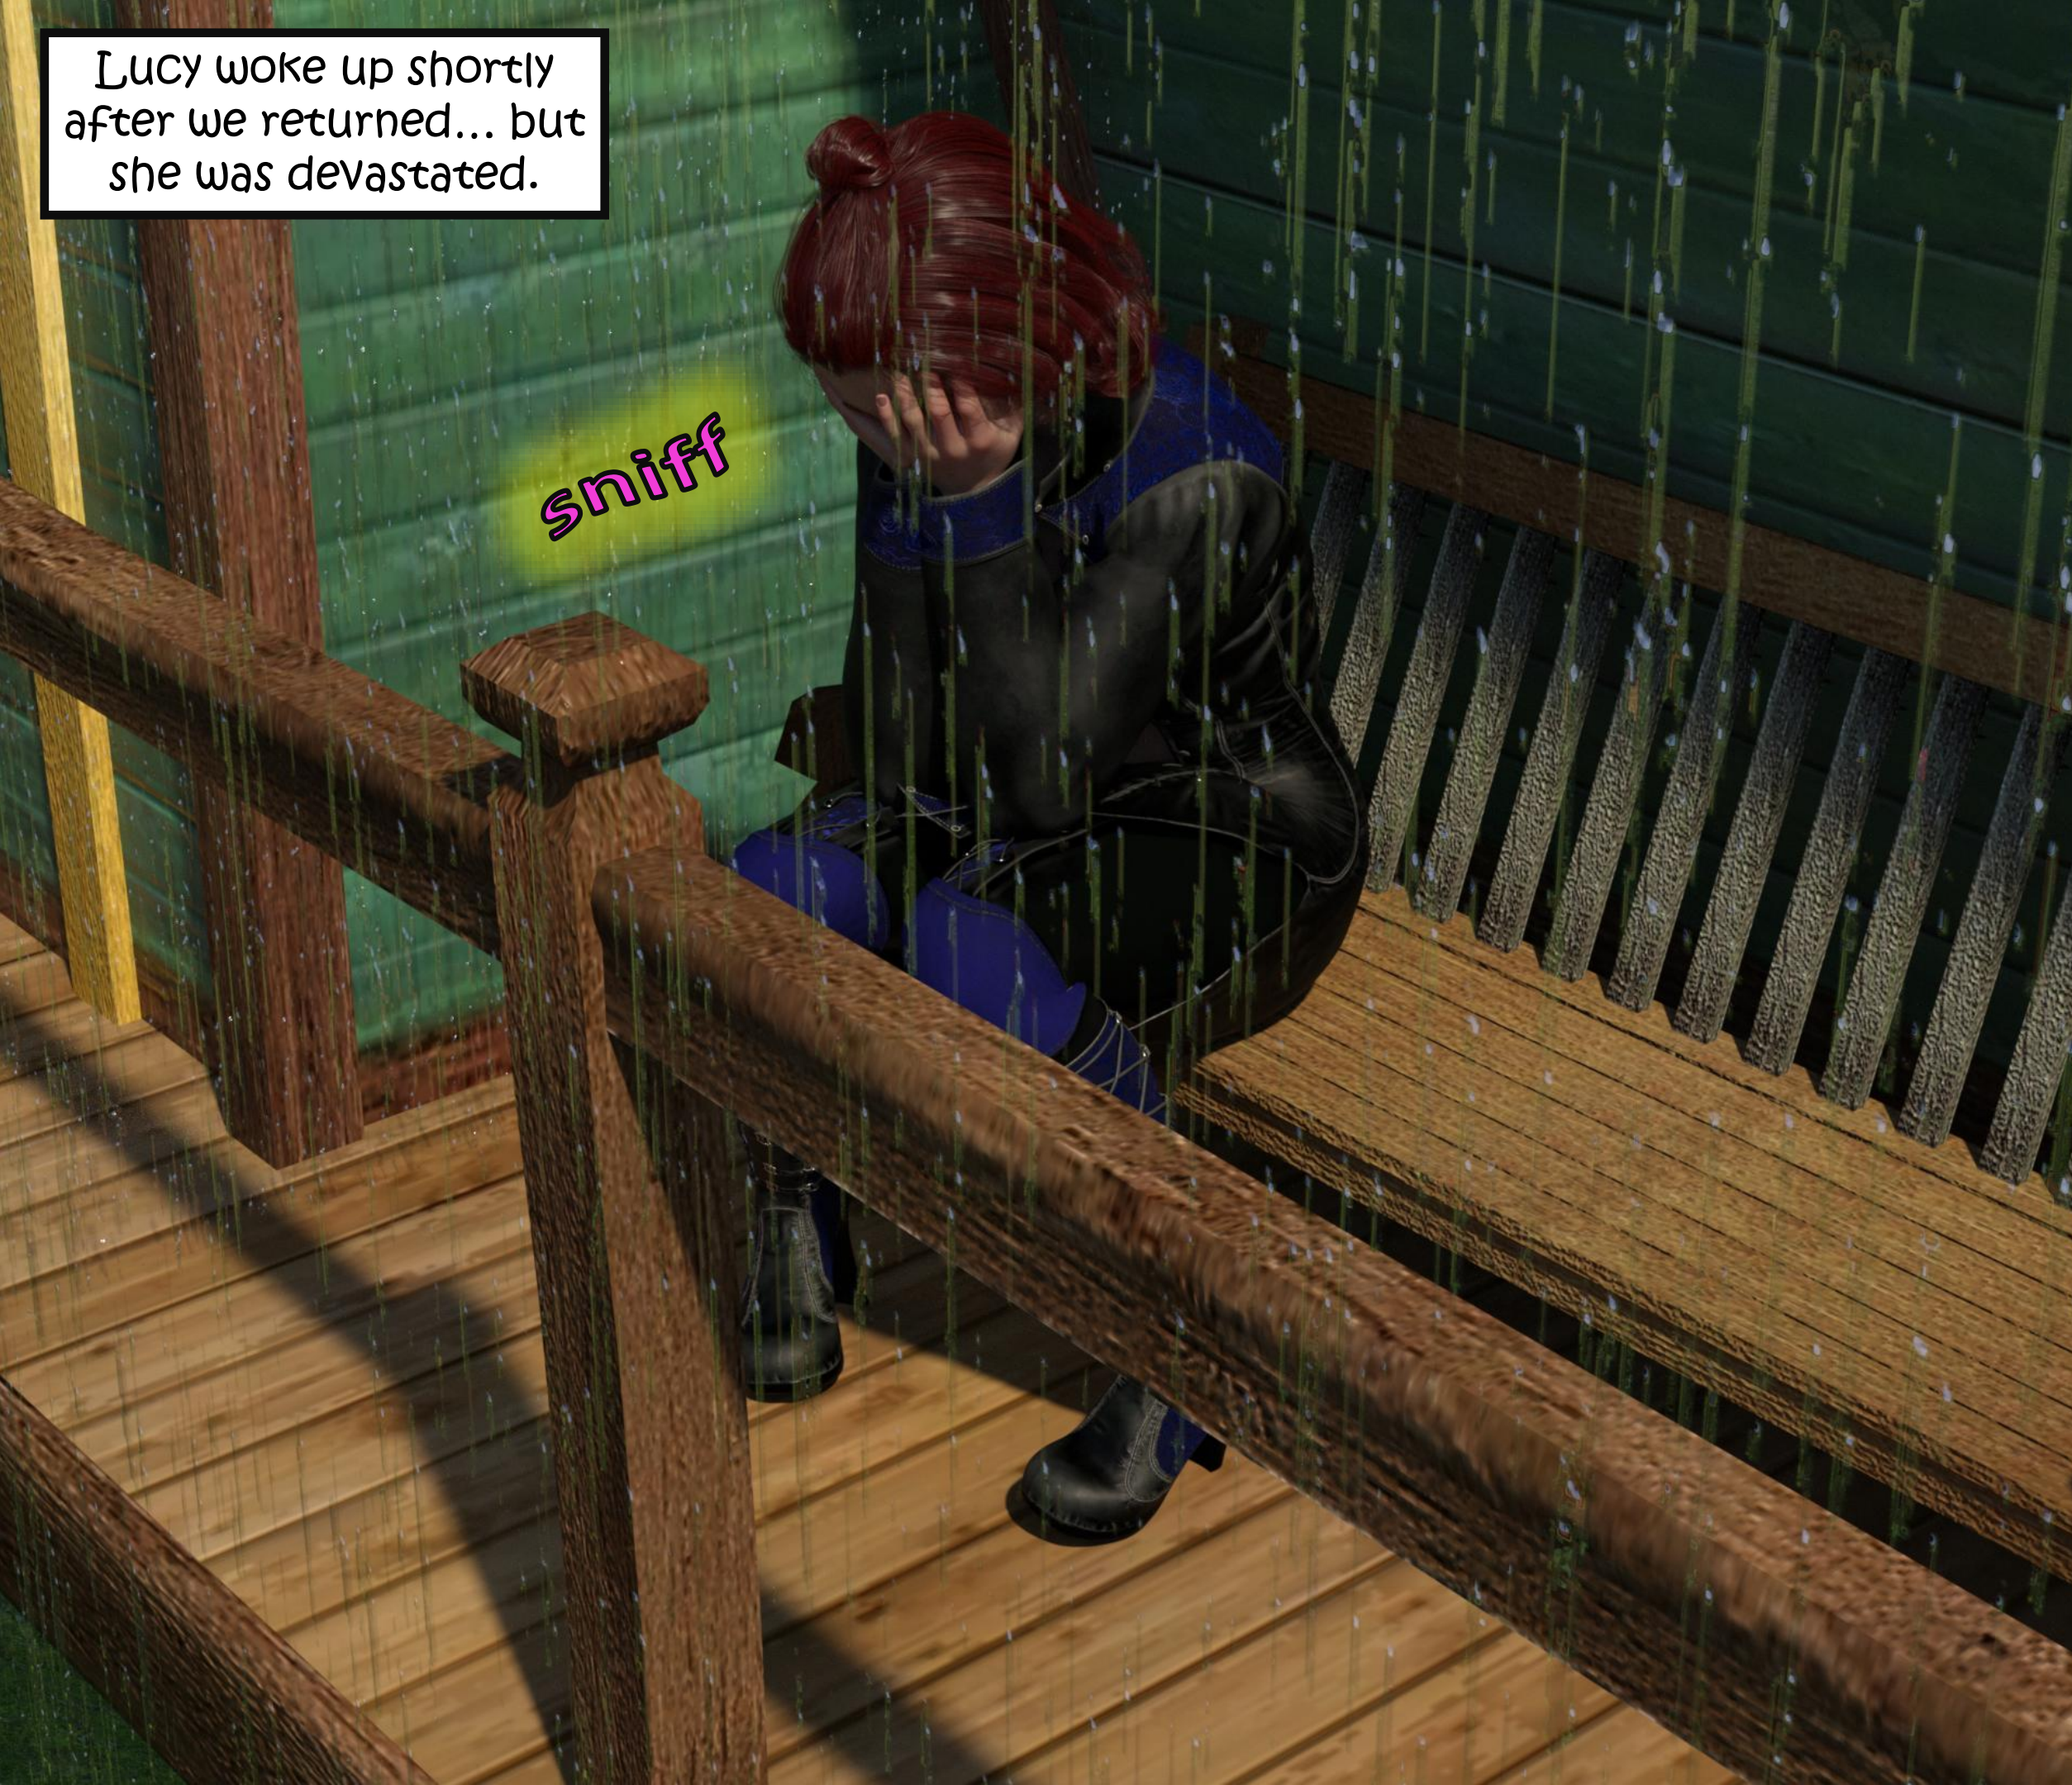

He's not the least bit surprised or shocked!

But if he knew, why let it happen?

Lucy woke up shortly after we returned... but she was devastated.

sniff

I lost control...

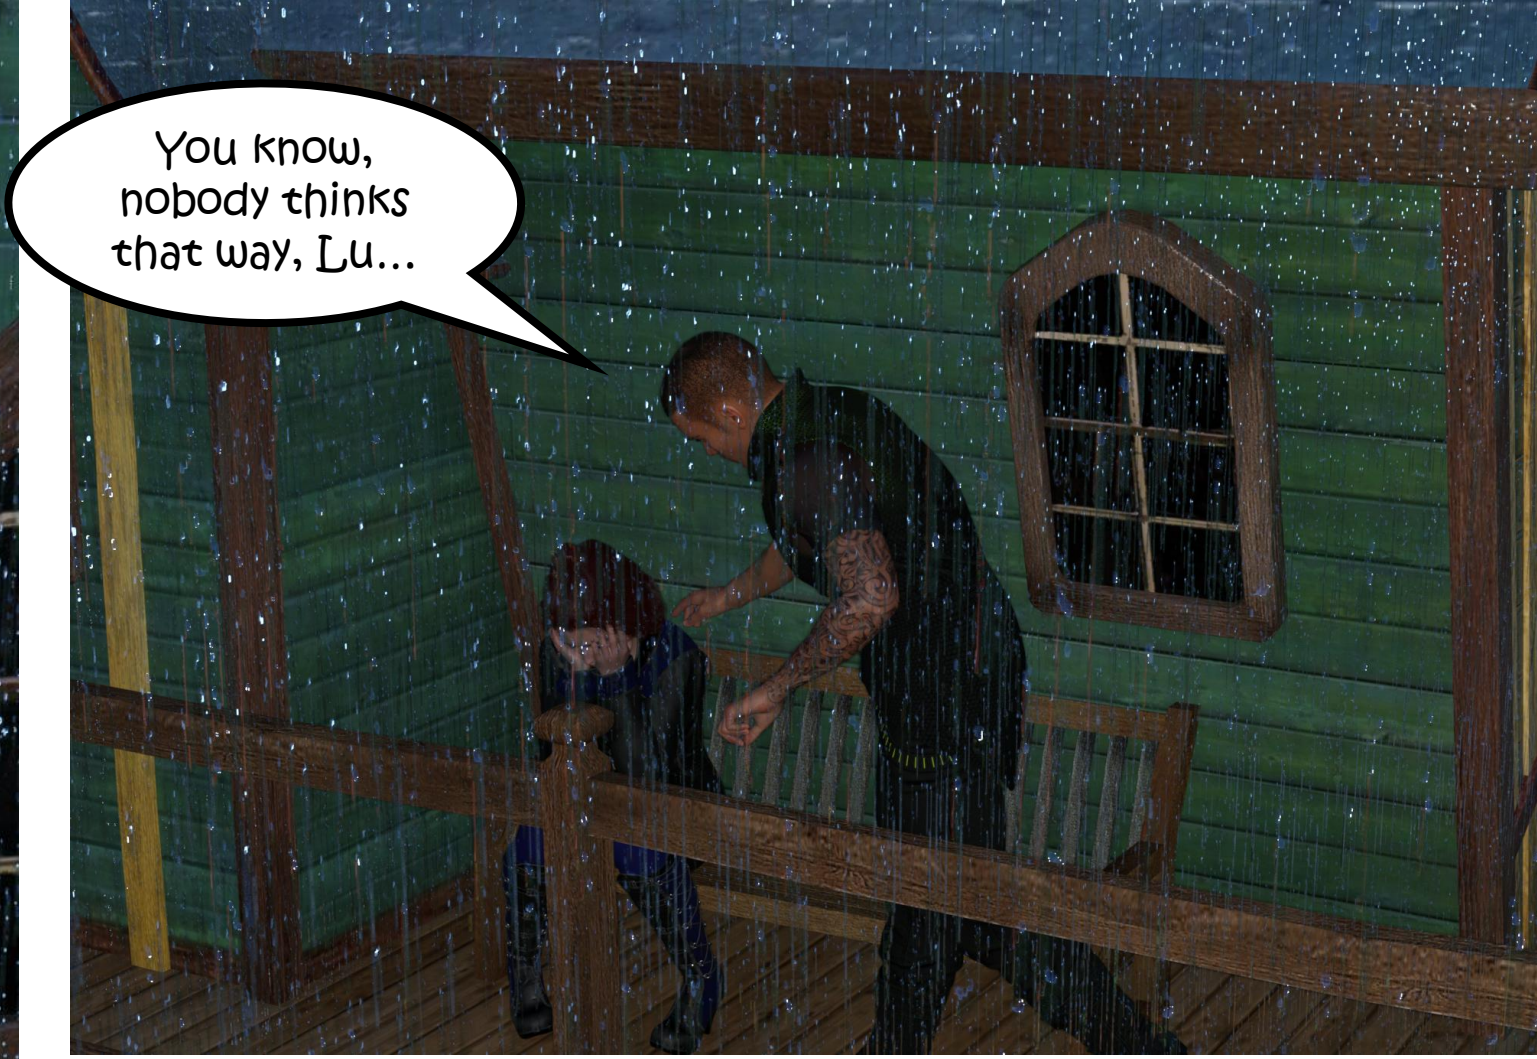

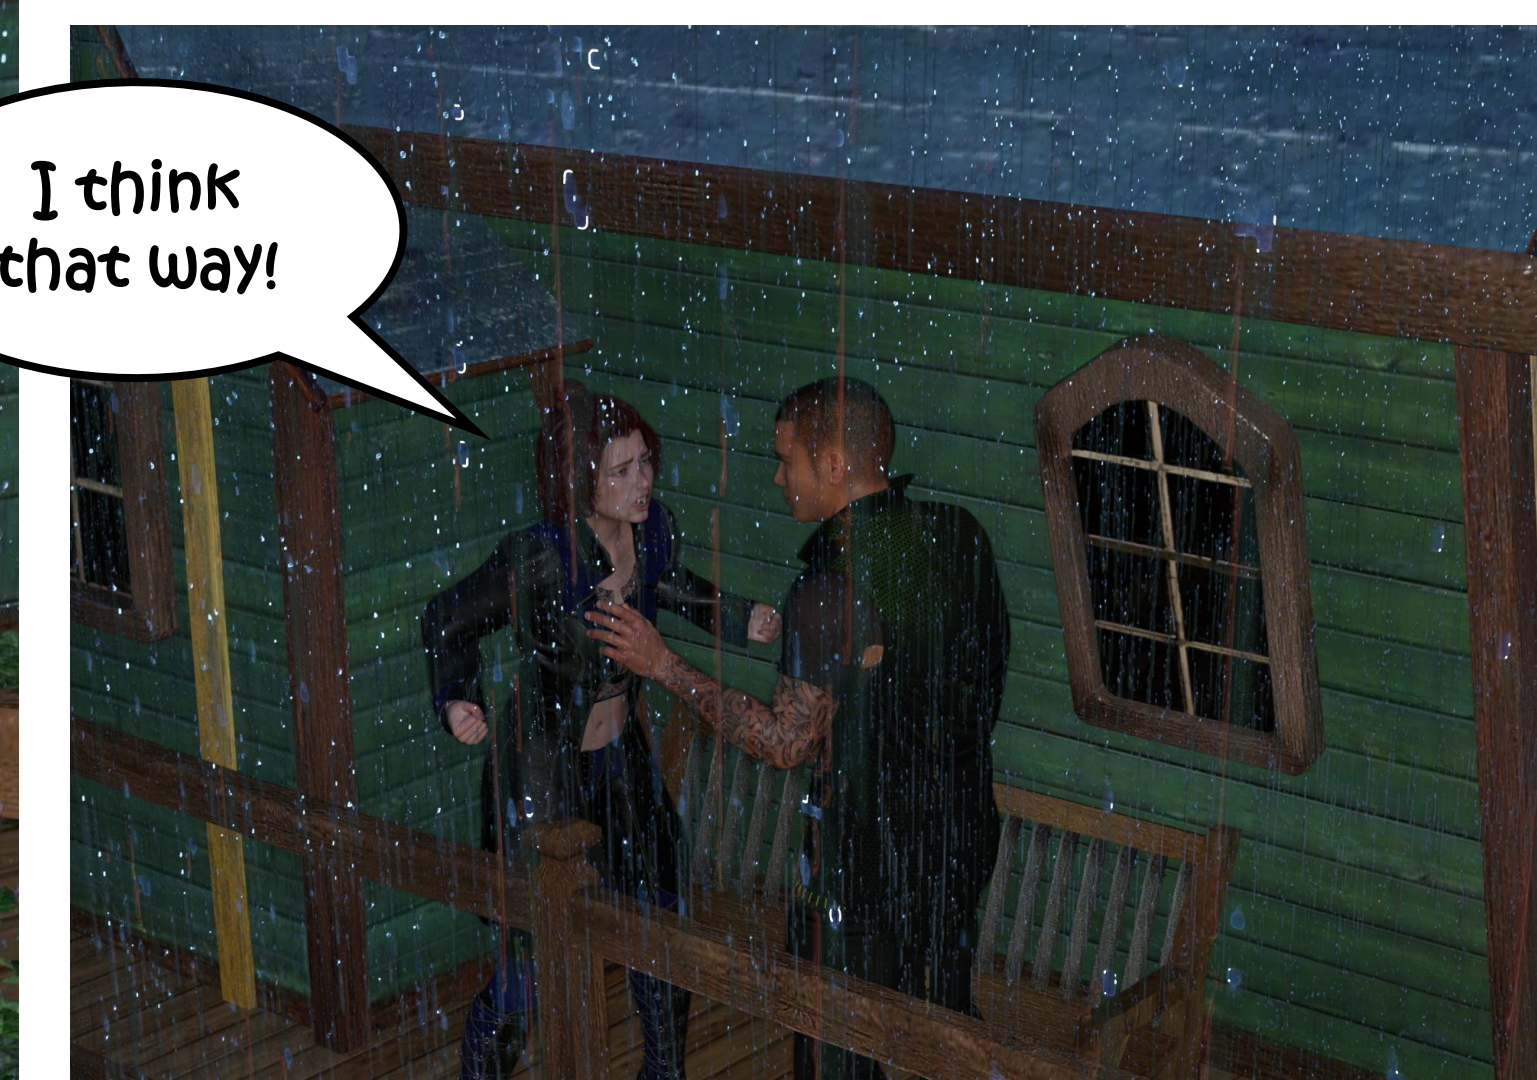

Hey,
Lucy.

This is all
my fault...

sob

You know,
nobody thinks
that way, Lu...

I think
that way!

If it wasn't
for these
damn powers
of mine!

If I had not
lost control
back then...

You'd have
taken down
that demon.

Instead,
there are
two of them
roaming the
City now!

You'd be
much better
off without
me!

Don't say
that, Lu.

I need
you!

You are my only
ray of sunshine in
this crazy world
of magic and
demons!

sob

embrace

Well... that's another way
to cope with the situation
at hand... I guess...

sob

kiss

Stella was also pretty shaken. She and Yara talked separately...

We almost lost them today...

You did everything you could. We all got beaten up.

I'll gladly give my life to protect them!

But I can not lose another one!

You are thinking of Velia's parents...

It's been barely 5 years.

And these new demons are far worse than what took them!

Worse than anything we've ever encountered!

If that Zermankai cared to finish us off, we'd all be dead now.

sigh
I guess we did not even register to her as a threat...

Woah. Okay, now that's really one way to deal with a bad situation I can get behind...

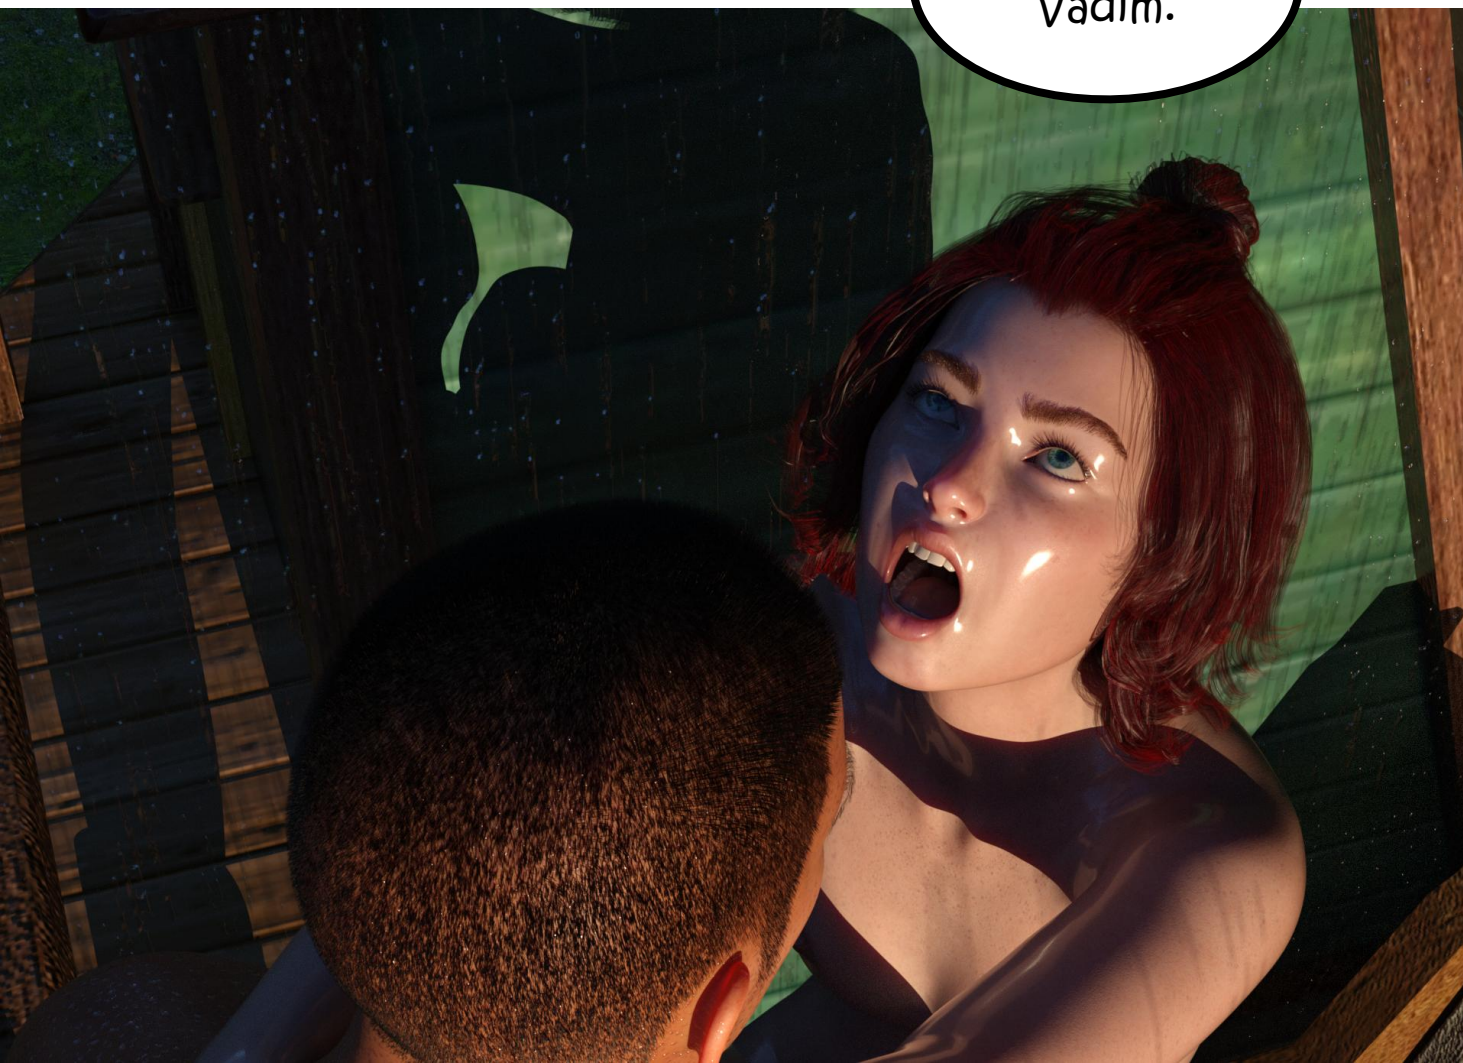

I love you,
Vadim.

Not too sure about the timing of this...

KISS

But I'm happy for them. It was clear to everybody that these two had a thing for each other!

Anyway, after a lot of depressing
talk and feelings at camp, I returned
into my apartment...

Just to get screamed at there...

While Barbara, once again under Kessy's Ocavum spell, stands mindlessly to the sidelines...

That white-haired
bitch, is my father's
right hand from
even before the
great Cataclysm...

Zermankai
General, Lies.

Her innate "skill" or whatever renders any attack useless.

She's an especially bad opponent for someone like me.

Melee attacks are reflected back at the attacker.

I've seen colossal monstrosities cut her just to fall to pieces from their own attack.

Babara goes down from the enraged slap. And all I can do is thank god Kessy held her demon powers back... otherwise...

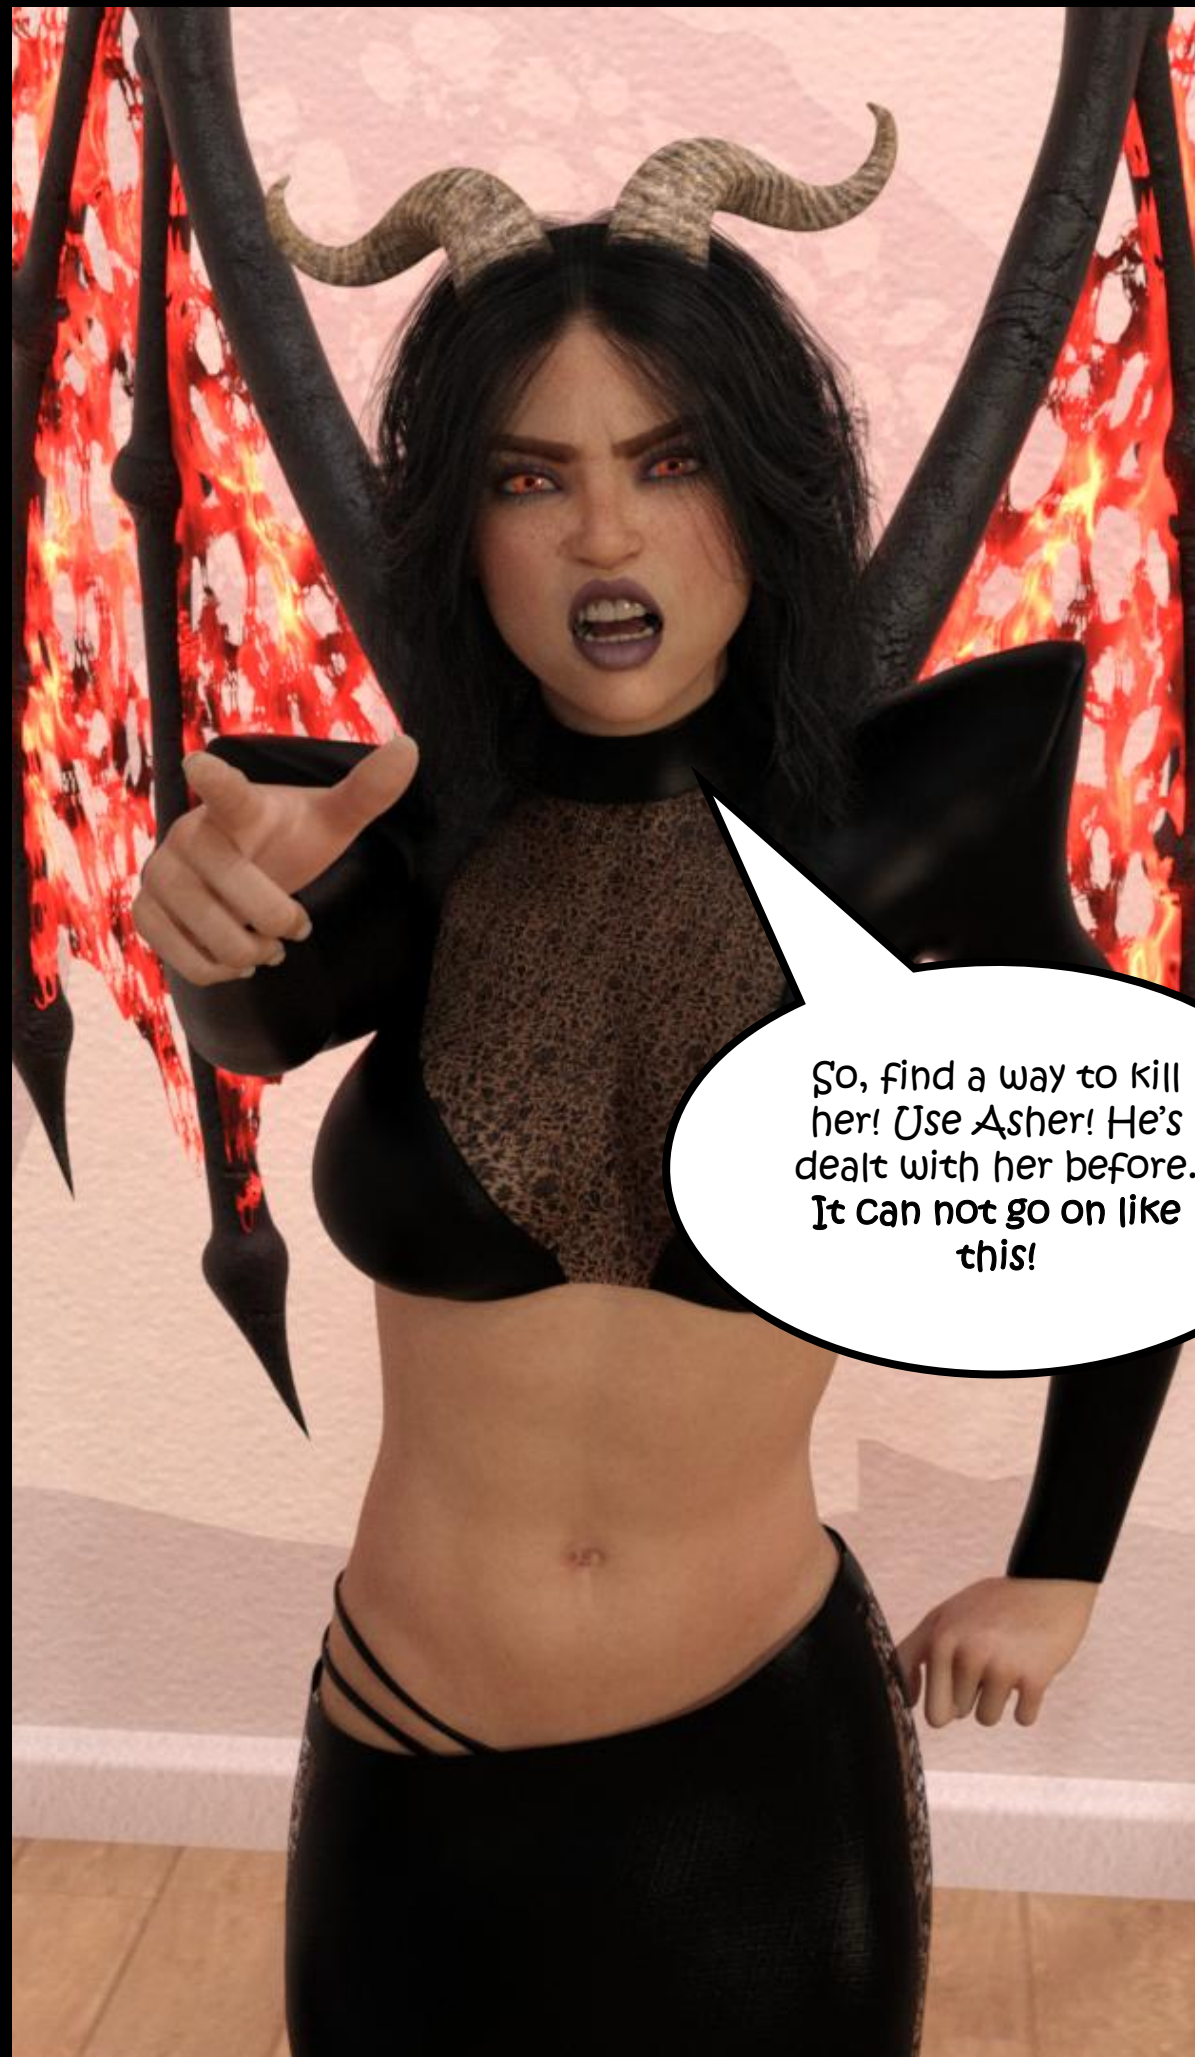

And worst of all!
If I return with her,
she's gonna take all the
credit for securing a
way back into the
human realm!

I will not let that happen - do you understand me, minion?!

I will be the one leading my father's armies into this world and cement my position as my father's heir!

So, find a way to kill her! Use Asher! He's dealt with her before. It can not go on like this!

And there she goes...

Kessy was right about one thing...

It can definitely not go on like this!

Errr... what happened?

Are you okay?

I don't know. I found you on the floor. Did you fall?

I'll go lay down a bit.

Strange... Sorry to have worried you.

Yeah... try and get some rest.

My inaction endangers the people around me.

Kassandra is dangerous. Much more dangerous than I wanted to admit.

And Asher... I don't know what game he was playing...

The truth is:
No one will fix
this for me!

No one will be on my
side if I explain myself...

Not of their own free
will that is...

I have to act!
I have to take control of
this situation or it will all
go down the drain.
This is my story!

End of Chapter.

Thank you for reading!

Hello, Hexxet here,

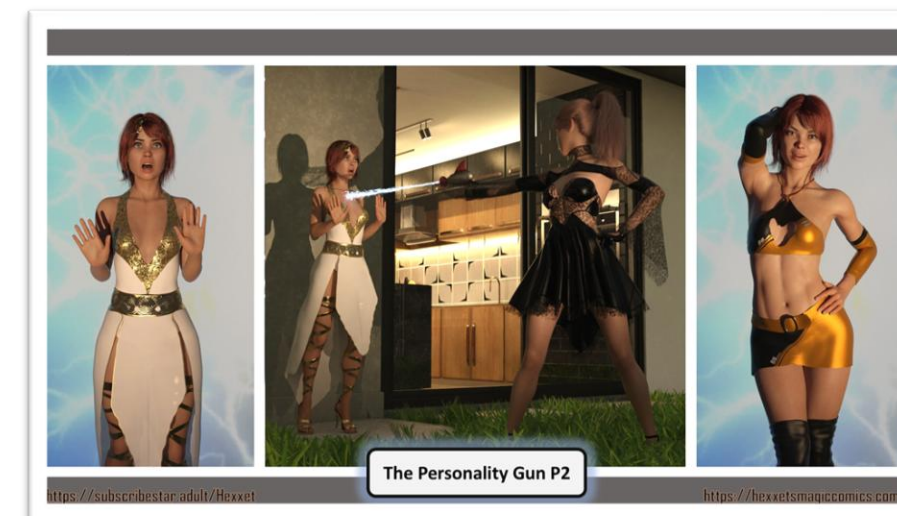

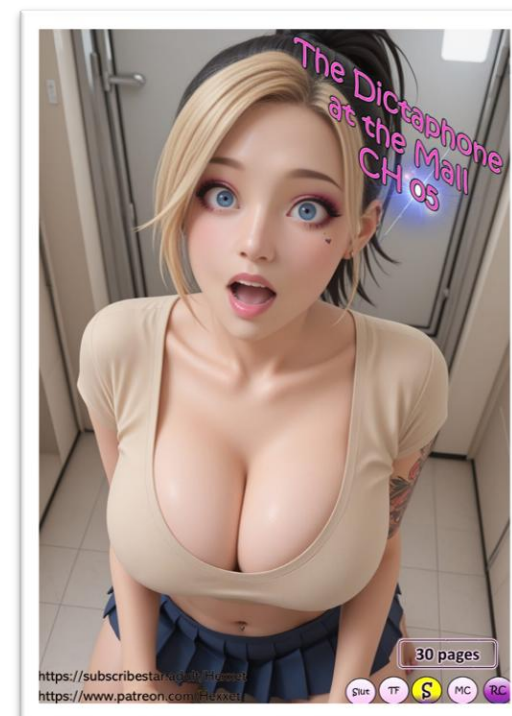

I don't know if you noticed, but I'm trying to speed up the progression of this story. The plan is to really ramp up storytelling with the next chapter while dedicating more time to Mika using the Vasta spell to secure some "allies" to take down these pesky demon plague. 😊

Are we forgetting about someone?
Well, yeah, we were pretty busy getting
away from Lies in that fight...

What the fuck
happened?

Better get
out of here!

Everybody's
gone?

flap flap

Fuck, my
head hurts!
