

A woman in a black latex outfit is shown from the back, holding a white, glossy mask in her right hand. The mask has a realistic human face with dark eyes and a slightly open mouth. The background is a brick wall with a sign that says "LOVE" and some graffiti. The lighting is dim and blue-toned.

THE MASK

*the story is entirely fictional, and all characters in it are adults.

A dark, atmospheric scene of a graffiti-covered alleyway at night. The ground is paved with large, dark cobblestones. In the background, a person is crouching near a wall covered in graffiti, including a skull and a heart. A single light fixture illuminates a small area of the wall. The overall mood is gritty and somber.

Feeling like shit, damn!

A woman in a gold, form-fitting outfit is crouching in a dark, cobblestone alleyway. She is positioned next to a large, dark trash can on the left. The scene is dimly lit, with a speech bubble above her containing the text "HLEEAHHH Hurkurk BLLEAAHH". The alleyway is paved with dark, rectangular cobblestones, and there is a small, square vent or grate on the ground to the right. The overall atmosphere is dark and somewhat mysterious.

HLEEAHHH Hurkurk BLLEAAHH

Finally feeling better now.

Didn't know expect those
assshoes could drink so much.

But just about right, who would sleep with if I'm totally drunk.

Ding ding!

A woman with long blonde hair, wearing a dark, backless, form-fitting outfit, stands in a dimly lit alleyway. She is looking down at a smartphone in her hands. The alleyway is filled with graffiti on brick walls and metal surfaces. A sign for 'REEF EST. 1984' is visible on the wall to her right. A small potted plant is in the bottom right corner. The scene is framed by a thick black border.

Nadi! why haven't you done it yet? Come in and show me your 18cm giant cock.

The fuck why is he again.

Guess I can't go find other customers tonight.

Just hold up, I'm smoking!

A woman with long blonde hair, wearing a grey, form-fitting, backless dress, stands in an alleyway. She is holding a phone to her ear with her right hand and has her left hand on her hip. The background shows a brick wall, a blue trash bin, and a metal door with graffiti. The scene is dimly lit, suggesting dusk or dawn.

I'm free tomorrow afternoon.
Can you come to my house?
No problem, right?

Hey my boss Mr.Jin, did
you miss me again?

Good then I'll see you tomorrow.

Of course, no problem, I will turn away all the other guests.

Okay, see you tomorrow ~ Bye.

SHIT. Gonna have to turn down everyone tonight just because of him.

Still, can't afford to offend who is a Immigration Bureau official.

As long as he doesn't deport me and continues to provide me with identity, this should be fine.

Humm?

What the hell is this.

A... silicon mask of some
sort I guess?

A woman with blonde hair styled in a braid, wearing a gold choker and matching bangles, holds a realistic-looking prosthetic mask. The background is dark and out of focus, suggesting an indoor setting with some ambient lighting.

The texture and feel of this are not like the silicone props I have bought before. It actually looks like real skin.

How could anyone throw away something so beautiful?

Tina! Why the hell you are so slow!

Owh come on I'm coming I'm coming, stoping busting my ass!

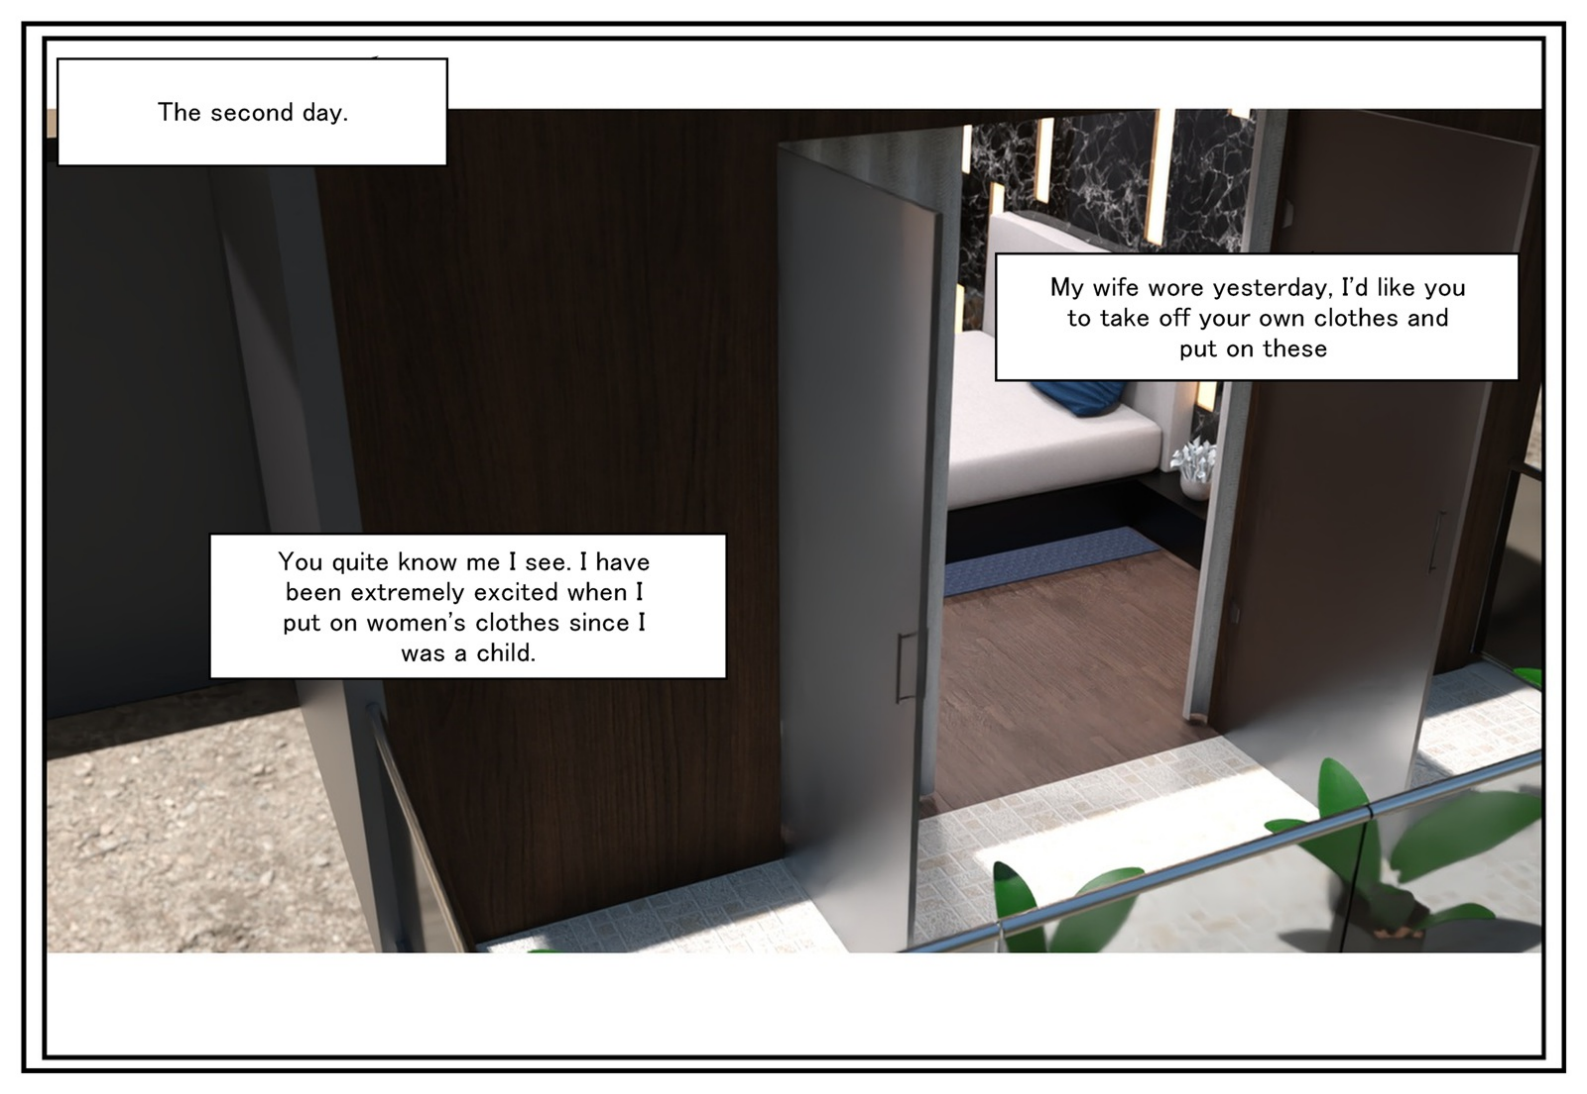

A woman with blonde hair styled in a braid, wearing a dark, shimmering, high-collared outfit and gold jewelry, is shown in a dark, blurred environment. She is holding a small, white, glowing object in her hands, examining it closely. The scene is framed by a white border.

This thing looks very unusual.

Think I'm gonna keep it for now.

A woman with short blonde hair, wearing a black backless dress and high heels, stands in a doorway at night. She is holding a man's face in her hands. The scene is set in a dark, urban environment with brick walls, graffiti, and a trash can. A speech bubble is positioned above her.

I'm comming~ Sorry for
keeping you guys waiting~

The second day.

My wife wore yesterday, I'd like you to take off your own clothes and put on these

You quite know me I see. I have been extremely excited when I put on women's clothes since I was a child.

How about it, do I look like
her wearing her clothes?

Or do you think I look better?

Ah, of course you look better.
You look much prettier than my
wife in this outfit.

PM
2:35 TIME
11 22 SAT 30%

Really? You have such a
sweet mouth, my dear~

My feet taste good, huh~

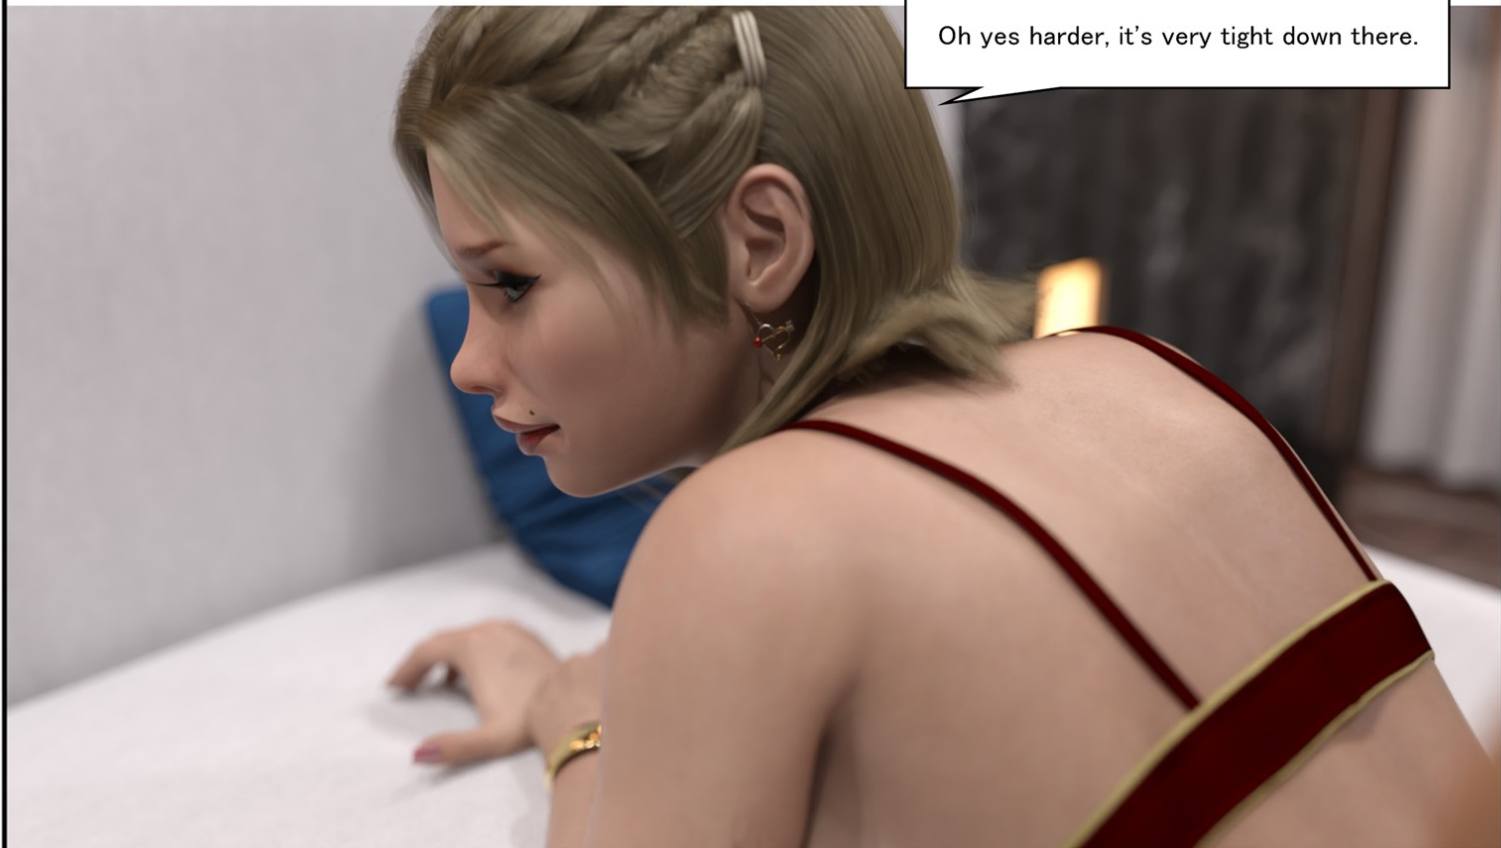

Do you want me to be
your wife, your shemale wife?

Sure, my good wife, I can't wait
to fuck your little ass.

Oh yes harder, it's very tight down there.

Ah~ so rough, my good husband.

I'm quite curious. Judging from your performance every time, you really feel so good after being fucked?

Oh? My dear, are you curious?

You see, it's not like I don't have the thing. You want someone to help you experience it once?

I haven't cum yet, it's still
was so very hard.

Hahaha, are you kidding?

Do you take my words seriously, that wasn't my brain talking. Also you really treat yourself as my wife just because you're wearing my wife's clothes, hum.

*Flick

Who the hell do you think you're dealing with. 'My dear'?? You are a shemale prostitute who came here illegally, and you are serious about having a relationship with me?

Do you still remember who you are?

That's all for today. Take off my wife's clothes and LEAVE.

Damn.

What are you talking about?
My boss, I was just joking with
you. If you don't want to try it,
it's totally ok I get it.

I'll leave your wife's clothes here.
Contact me next time if you want
to have fun~

A 3D rendered scene of a modern interior. In the foreground, a person's legs in dark pants are walking from right to left, slightly out of focus. In the background, there is a dining table with white chairs and a white sofa with blue patterned cushions. A person is sitting on the sofa, facing away from the camera. The room has wooden flooring, a round clock on the wall, and modern lighting fixtures. A white text box is overlaid on the lower part of the image.

Hey~ I'm back~

Oh my wife, why are you back so early? Wasn't the plane delayed till late night? (Damn it, luckily it ended early today)

*Shut dowbn

Actually no, somehow we
took off earlier than planned.

What were you watching
alone again just now?

Really? Then why was the TV turn off as soon as I entered?

No nothing, It's really n othing interesting.

Really, I have just been doing housework at home and I have prepared pajamas for you so that you can change them as soon as you come back.

Oh, you're being nice
at home today I see.

See.

Seeing as how well-behaved you are today, I'll believe that you didn't watch anything.

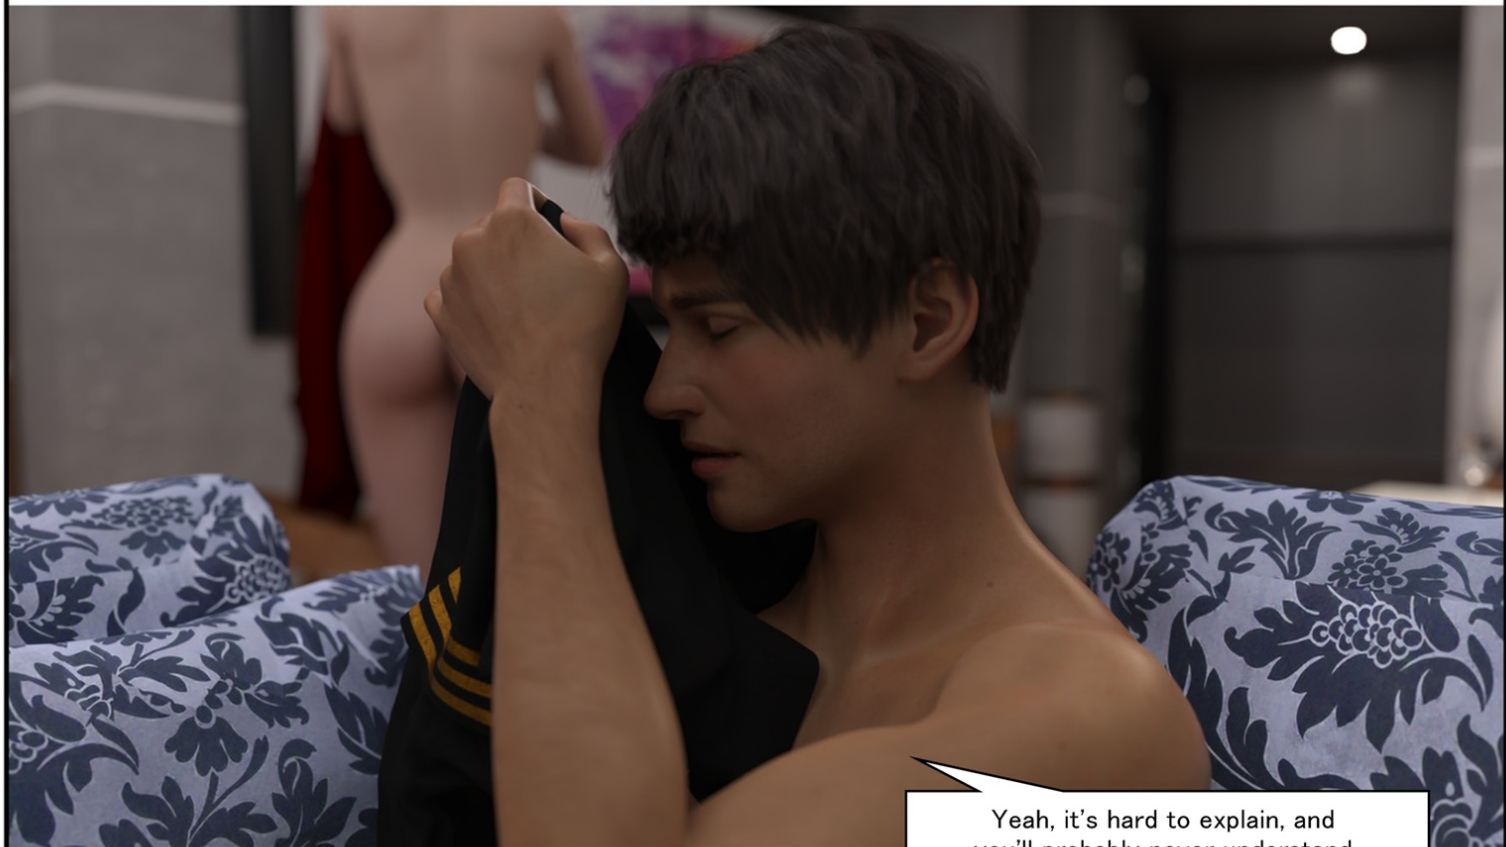

A woman in a flight attendant uniform is seen from behind, standing in a room and changing clothes. She is holding a red garment. In the foreground, a man wearing a dark flight attendant uniform with yellow stripes on the sleeve is sitting on a sofa with a blue and white floral pattern. He is looking towards the woman. The room has a modern interior with a framed world map on the wall and a chandelier with multiple lights hanging from the ceiling.

No peeking! I'm changing
my clothes!

Oh yeah~ The uniform of a
flight attendant of X-Airlines, it
smells so good

Hey, that's all sweaty after all the flying.
You men are really perverted. You only
like our flight attendants' intimate clothes.
I really don't understand you men.

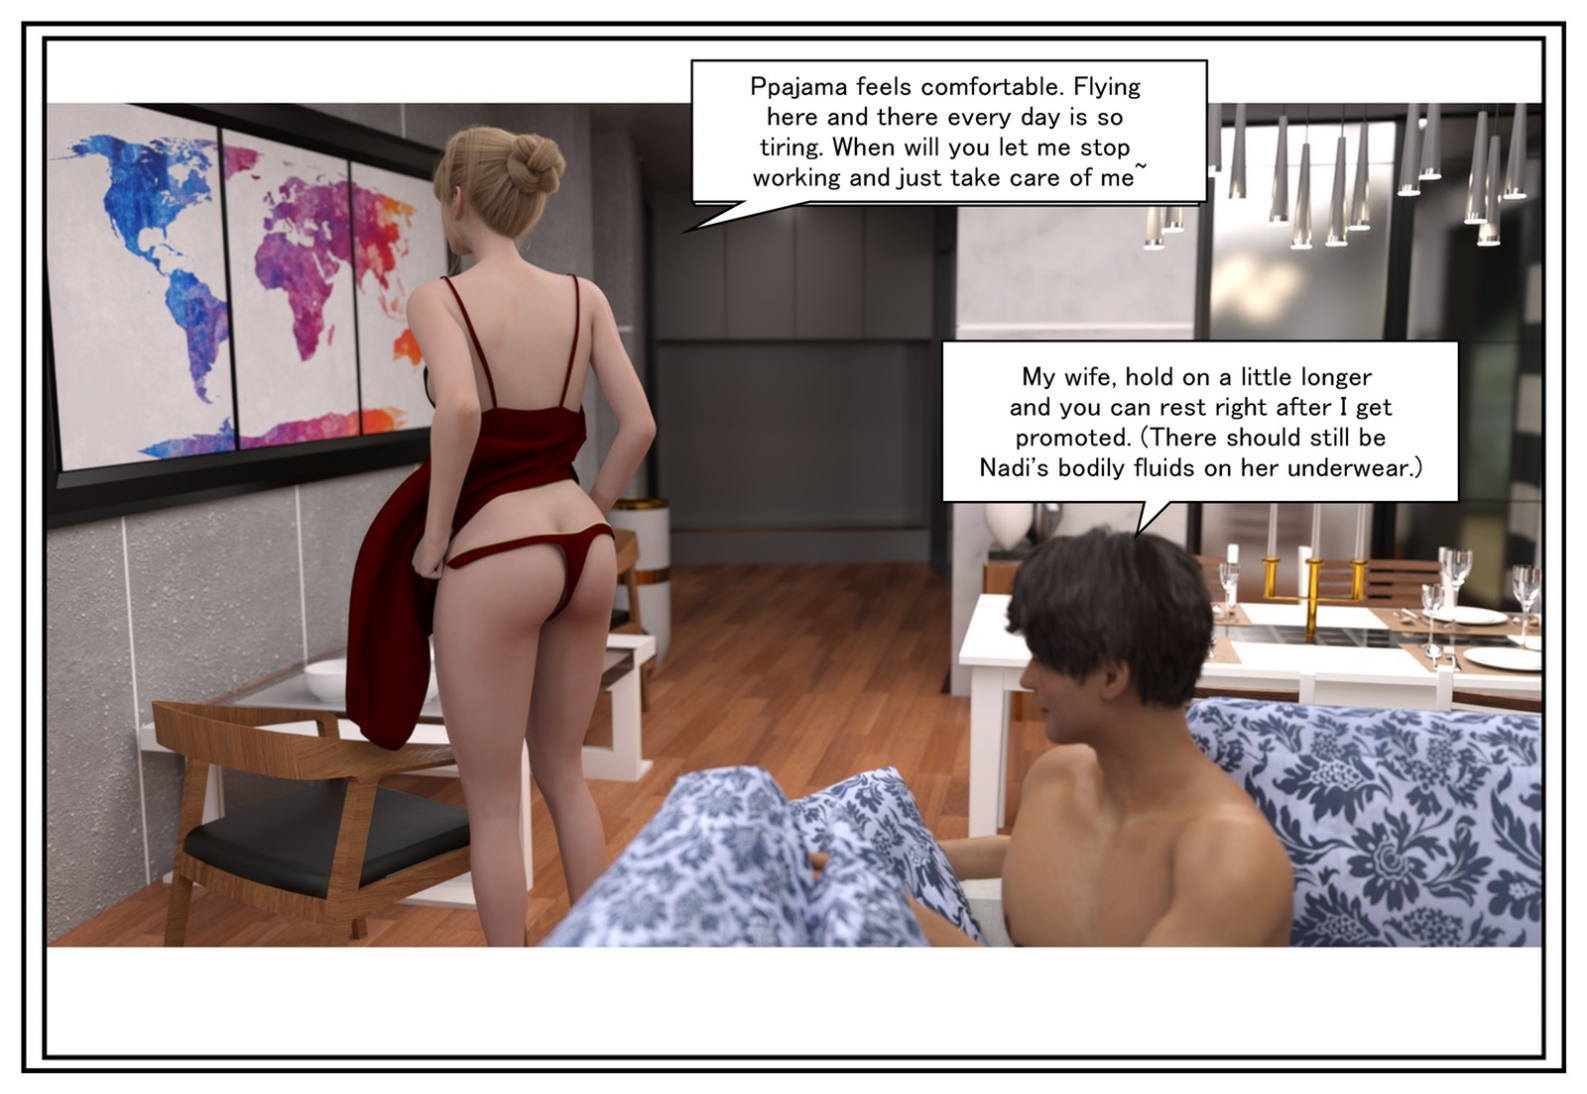

Yeah, it's hard to explain, and you'll probably never understand it unless you become a man.

I'm not gonna be a man..

(Shit, it's so exciting. The underwear Nadi was wearing is on by her.)

Ppajama feels comfortable. Flying here and there every day is so tiring. When will you let me stop working and just take care of me~

My wife, hold on a little longer and you can rest right after I get promoted. (There should still be Nadi's bodily fluids on her underwear.)

What's going on with this pajama?
Why it feel so loose, like it has
been stretched out?

Underwear too, why is it still a little sticky?

Maybe it's because I didn't dry it completely after I washed it.

A 3D rendered scene depicting a woman with short blonde hair wearing a red spaghetti-strap dress, standing next to a shirtless, muscular man wearing black briefs with white stripes. The man has his hands on the woman's shoulders. They are in a modern interior with a world map on the wall and a dining table with a blue patterned cloth in the background.

Just wear it for a while
and I'll wash it again at night.

You're so sweet my dear.

But before that, I would like to reward you some.

Wow~, hubby, your blowjob skills are great.

A 3D rendered woman with blonde hair, wearing a red spaghetti-strap dress, is sitting on a light-colored sofa. She is looking down with a sad or somber expression. Her right hand is resting on the head of a person whose dark hair is visible in the foreground. The background shows a modern interior with a chandelier and large windows. A speech bubble is positioned to the right of her head.

But I actually have bad news for you.

Before I came back today, I went to the hospital to get the results and it turned out that I was still not pregnant.

I thought something was wrong.
You know I don't care about that.

I'll tell you even if the hospital
tells me you are a man now, I will
still love you as I always do.

How sweat you are. So if I'm a man
and there's a big cock down there
right now, would you be willing to
lick it for me?

Then I will lick you so hard until you beg me for mercy.

Oh? Really, why didn't I know you had that kind of interest before?

I'd only do that to my dear wife's cock.

Ah, don't get in so suddenly, it's hurts!

Ah, my dear, you are
so wet today.

I missed you so much
since im aboard the plane.

In a rental house

*Chirk

Damn, you are so ruthless every time. You only care about your own pleasure and never treat me as a human being at all.

I'm so envious of her wife,
living in such a big house

I don't know when I can get enough
money for the surgery to
completely become a woman,
and then find a man to marry.
That way I don't have to be
upset by him.

Hmm, that's... Yeah speaking of which, I just left that thing there since I picked it up that day. I haven't had time to try it yet.

It's so beautiful, the effect
should be good too.

I don't have any glue or anything
at home, so let's try it first.

Hmm?

Just stick it on without glue?

Why is my face so itchy?! Is there something wrong with this thing I picked up!

A 3D-rendered interior scene featuring a brick wall, a woman in a black top and red boots, a staircase, and a coffee table with an open book. The scene is set in a modern, industrial-style space. A woman with blonde hair, wearing a black long-sleeved top, a grey skirt, and red thigh-high boots, stands in the center, looking towards a mirror. To her right is a black staircase with a metal railing. In the foreground, a dark wood coffee table holds an open book with a green cover. To the left, a small round table with a white lamp and two white chairs are visible. The floor is made of light-colored wood, and a patterned rug is partially visible. A white text box with the word "DAMN!" is overlaid on the scene.

DAMN!

Who is this? Why did my
face become like this?

It's quite cute, looks like a college student, which is completely different from the plastic surgery.

This innocent face doesn't
even match my current body.

No, can't hold it for any longer.

This feeling is so amazing. Even though there is a female college student I don't know in the mirror, she is masturbating with my body.

Ahhhhh, the very comfortable feeling spreads throughout my body

Can't hold it, I'm cumming!

Phew. I haven't masturbated
so much in a long time

Ah! Why is my breast deflated?

Damn it, didn't they tell me that
this prosthesis will never break?

Ha?

A person is lying on their back on a wooden floor. They are wearing a grey t-shirt and red shorts. Their eyes are closed, and their mouth is slightly open. A speech bubble is positioned above their head, containing the text "Did the mask just came off?". The scene is framed by a white border.

Did the mask just came off?

SHIT! Isn't this my face?

A woman with long brown hair, wearing a grey short-sleeved top and red thigh-high boots, is lying on a wooden floor. She is looking at her reflection in a large mirror. The room has a brick wall and a grey sofa in the background. A speech bubble is positioned above the mirror.

Then who am I now..

Ha? So my face is swapped
with the mask?

Wait, so my breasts...

This mask literally transformed me into a woman. But who am I now?

Is it the last person wearing
that mask...?

Could it be said that this mask will turn the person wearing it into the previous wearer, and then the mask will come off in the appearance of the current wearer?

Haha, I got some good luck today.
I just made a wish to become a woman, but I didn't expect that I actually turn into a college student right after that.

So I have this mask, I could just
choose who to become next..

I heard that his wife is a flight attendant, so let's start with her wife.

Somehow I feel awkward standing here without clothes. Am I feeling shy??

Let's find something to wear first.
I wonder if I can find something less revealing.

In a bubble tea shop.

...then then, he actually said
such things to me.

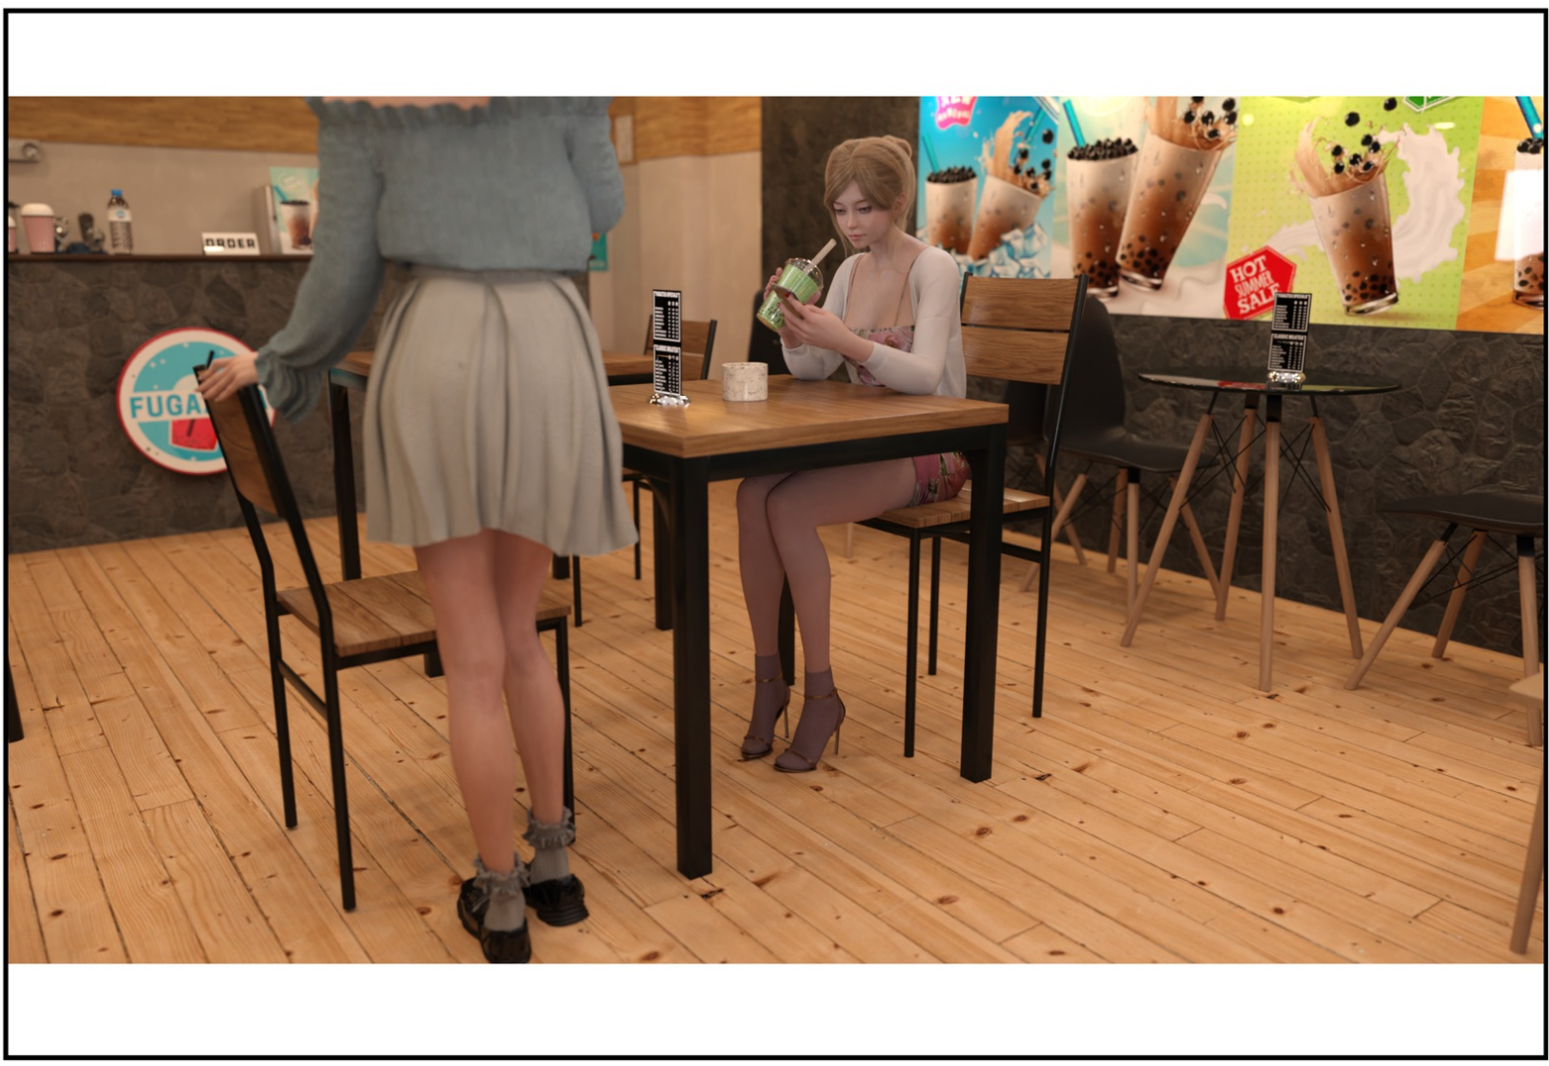

Oh my God, he really said that? that so uncool.

A woman in a pink lace dress stands on the left, gesturing towards a woman seated at a wooden table in a cafe. The seated woman has blonde hair, wears a white cardigan over a floral top, and holds a green smoothie. On the table are a white cup and a menu. The background features a bright green wall with a 'FRESH' sign and images of drinks.

Isn't that right? Wait a minute,
dear, I want to use the toilet.

Sure go ahead.

Ah, sorry, the seat is taken.

Don't worry, it won't take you long.

Look, this is your husband right?

Oh my God, what is he doing?

Well, I can't give it to you now.

But you definitely didn't know
he had this weird hobby right?

If you want to know more, follow me. I have more things to show you.

But...

I'll only wait for you outside
for a minute.

Damn it...hey...don't go.

Oh my god, what is he doing?

How could he be with...this...is
that person a man or a woman?

impossible! I do not believe!
This must be a video made from
deepfake or something like that.

I didn't expect you to disbelieve it though.

However, it is indeed difficult for anyone to accept the fact that the husband they have been with day and night is actually licking the feet of a shemale.

It may be hard for you to believe it until you see it.

A woman with long, straight, light brown hair is shown from the chest up. She is wearing a grey, textured, off-the-shoulder top with long, gathered sleeves. She is pointing her right index finger upwards. The background consists of a red brick wall. To the left, there is a framed painting of a cityscape with a prominent tower. To the right, there is a window with a black frame and a small pink and blue object on the windowsill. The floor is made of light-colored wood.

Ah, yes, how about you pretend to be the person in this video and try to hook up with your husband.

What! How is it possible for me to pretend to be that person.

I can help you if you want, but
you'd better take off your
clothes first.

Is this what you were talking about
as a disguise? But this looks.. just
normal right?

Don't care what it looks like,
just put it on and try it.

A close-up shot of a woman with blonde hair tied back, wearing a white top. She is adjusting a peach-colored headband on her forehead with both hands. Her expression is neutral. In the background, a woman in a blue dress is sitting on a grey sofa in a living room with brick walls and a large window. A speech bubble is positioned to the left of the woman's face.

Okay.

Hehe.

So I just wear it like this?
Do I look like that... that shemale?

What is this? This mask is shrinking..
It's so itchy. What on earth is this?

АААААААА...

A photograph of a woman's back, showing a large, dark, irregular bruise on the upper back and shoulder blades. The woman has short, light brown hair. The background is a blurred indoor setting with a brick wall and a bed with a purple blanket. A speech bubble is overlaid on the right side of the image.

It hurt so much, the bones in my back felt like they were about to break.

My breasts... my breasts are so swollen and my throat is so itchy...

Why did my nails suddenly
grow so long...

God, my voice is so hoarse.

Why am I having this strange
feeling that something is
extending downwards...

My clitoris...is so swollen...

No, make it stop.

What is this feeling, and why
is the clitoris so swollen?

This...isn't this a penis?
Why is it like this down there?。

But, it feels so comfortable...it seems..
.something is about to come out...

AAHHHAAAAA!

Haah, haah, why can I cum like that.

Of course she can ejaculate,
it seems like your transformation
is complete.

A woman with long, light brown hair styled in a braid, wearing a blue, off-the-shoulder, long-sleeved top with ruffled cuffs and a grey skirt, is sitting on a grey sofa. She is holding a blue smartphone in her right hand, displaying a text message conversation. The background features a brick wall, a window with a view of trees, a white armchair, and a lamp. A speech bubble is positioned in the upper right corner of the image.

Also, I have made an appointment for your husband.

Why, you have my husband's contact information? Why on earth are you telling me this.

Is this hard to guess? Because I am the shemale you turned into.

I accidentally discovered this mask and when I put it on I turned into this schoolgirl. Then the mask of my face fell off.

But after watching you put it on
and transform into me today, I am
fully convinced that this mask can
turn a person into the last person
who wore it.

A woman with light-colored hair, wearing a blue off-the-shoulder top, is looking at a person's long, straight, light-colored hair. She is holding a small object, possibly a hairbrush or a comb, near the hair. The background features a brick wall and a framed picture of a cityscape with a tower. A speech bubble is present in the upper left corner.

But don't worry...

This mask will preserve
your appearance....

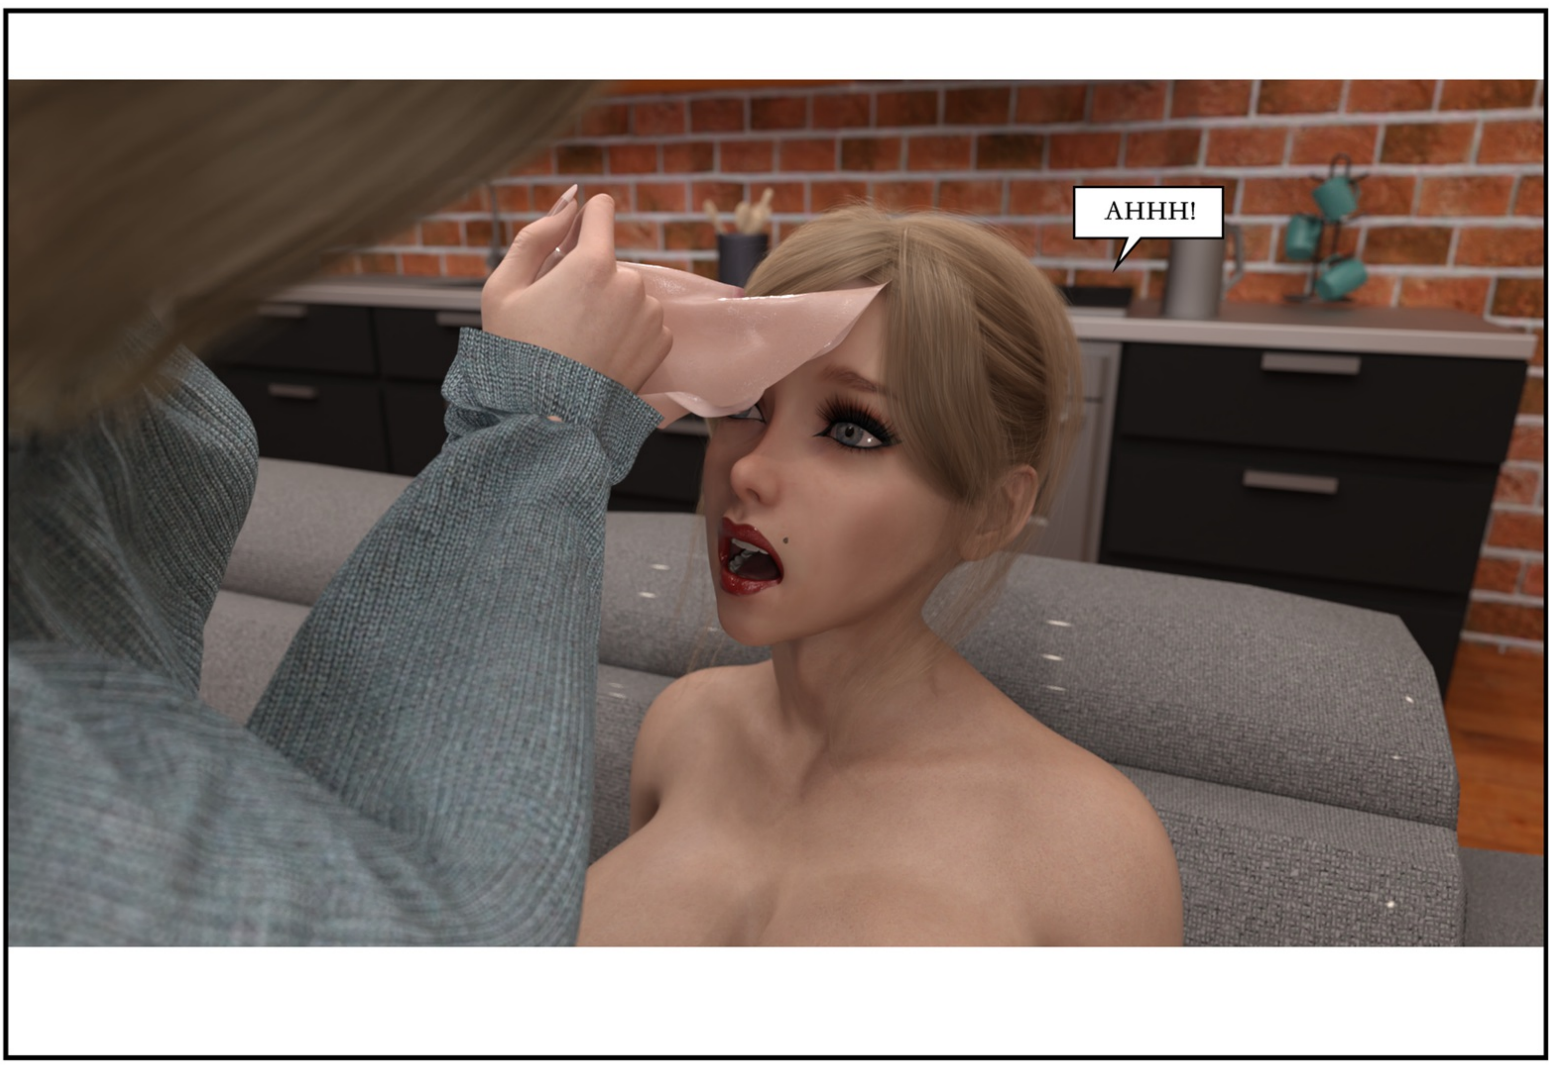

*Peel

After you come back, you can put
on your own mask and become
yourself again.

АHHHHH

AHHH!

This...is this my face?

To be precise, it should be your previous face, your current face is that of a Thai shemale named Nadi.

Ah? A Thai shemale? !

So now, let me pick out some clothes for you that are suitable for shemales.

**Ta-ta-ta-ta... (sound of high heels)*

God, my breasts got so weird
too, so big and hard.

The same goes for the butt.
How much silicone is filled into
the body?

WOW~

东湖

Is he looking at me? Sure enough,
wearing this kind of latex suit
walking down the street in broad
daylight is too strange and eye-catching.

Wait... These pants are so tight,
they make my dick bulge so much.
No wonder some people looked
back at me along the way.

The more I pay attention to it, the bigger it gets. Damn! I can't believe my husband likes this.

Fortunately, I have long been used to being stared at on the road. But before it was because of my pretty face, today it's because of the cock in my crotch.

It's almost there, and I'm really curious about what you're going to do with me, with a shemale, behind your wife's back.

My man is so awesome, he really helped me make it. He really earn the title of chief scientist in that secret research institute.

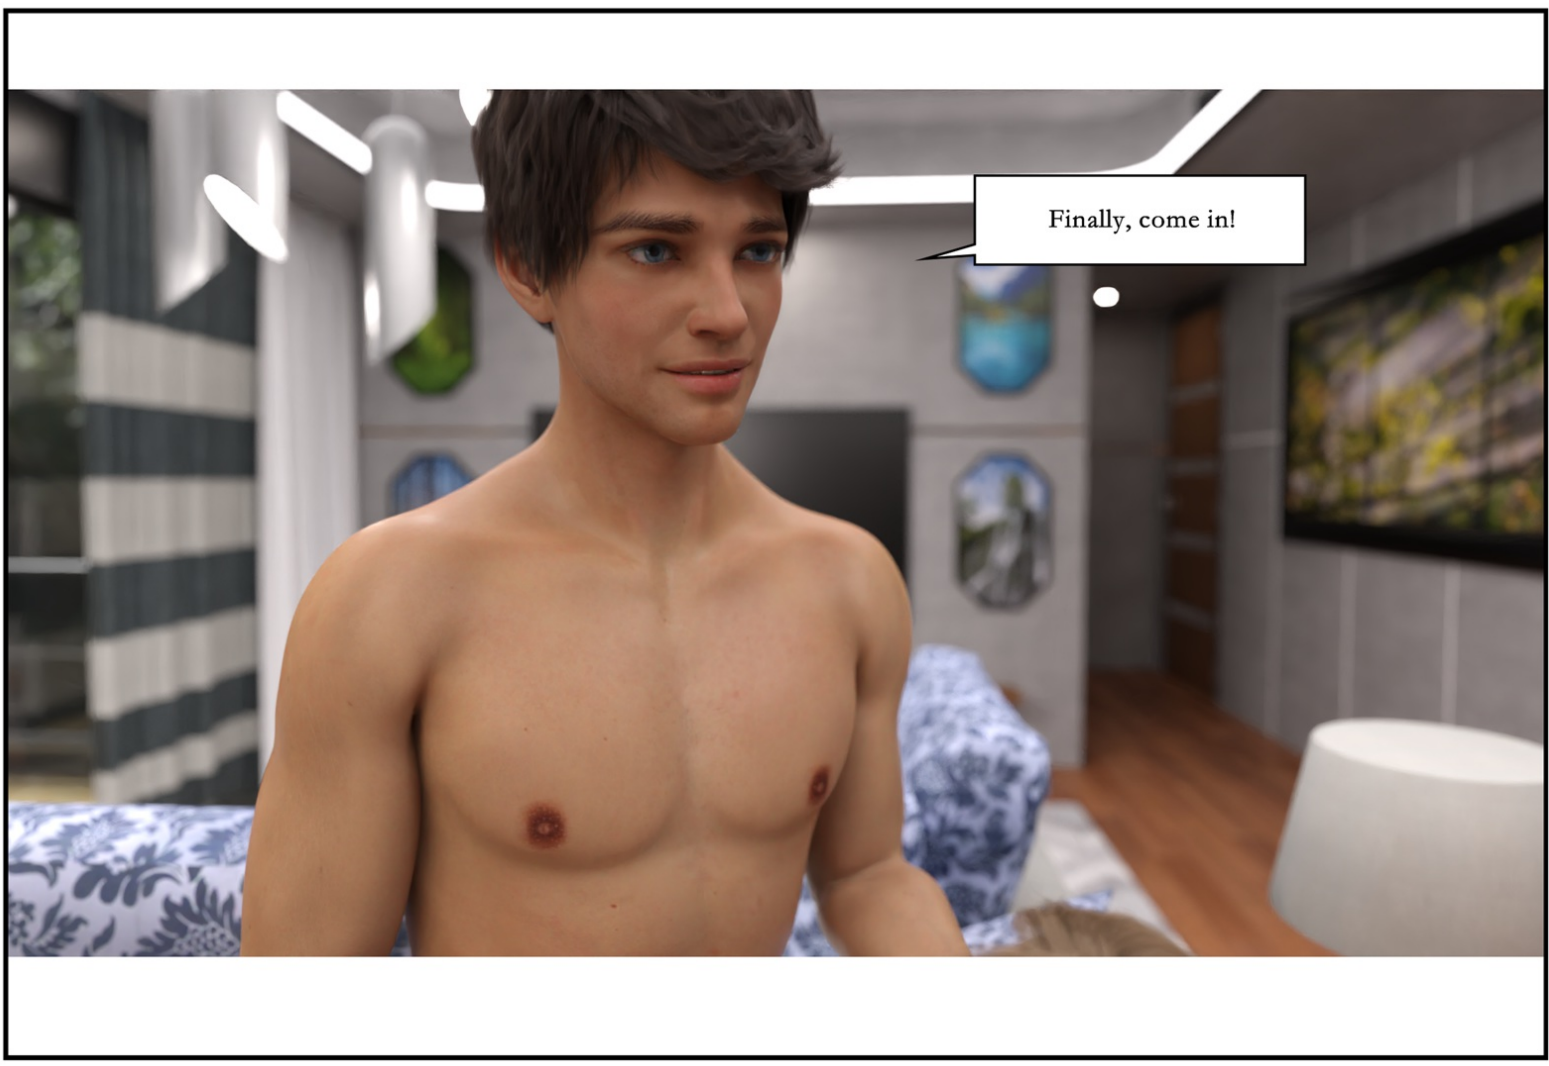

There is no such awesome mask on the market, and even if it were, I probably wouldn't be able to afford it.

A shirtless man with dark, wavy hair is looking down and slightly to his left. He is in a modern living room with a blue and white floral patterned sofa, a white cylindrical table, and a television on the wall. The room has a contemporary design with white walls and a wooden floor.

He also specially made one for me that was exactly the same as my wife's face. I'm going to have some serious fun today. Damn !!

*Knock knock!

Finally, come in!

My...My boss...

I was delayed for a while
on the way.

Come on in, why did it take
so long today?

A woman wearing a highly reflective, black, form-fitting outfit consisting of a top and leggings. She is standing in a modern, brightly lit living room. In the background, there is a white dining table with a black grid pattern, a white sofa with blue floral cushions, and a large window with a view of greenery. A woman with blonde hair is lying on the dining table, looking up at the woman in the shiny outfit. The room has wooden flooring and modern decor, including a pink vase with flowers on a side table and framed artwork on the wall.

You dress so coquettishly, you gonna gather some unwanted attentions outside.

Did you also purposely prepared
your hairstyle to be like my wife's?

Do you really want to play
the role of my wife?

I've always wanted to see what it feels like for my wife to have such a big cock!

Wowhaaa! ?

No, hubby, I feel so good.
I can't hold it too long I might...

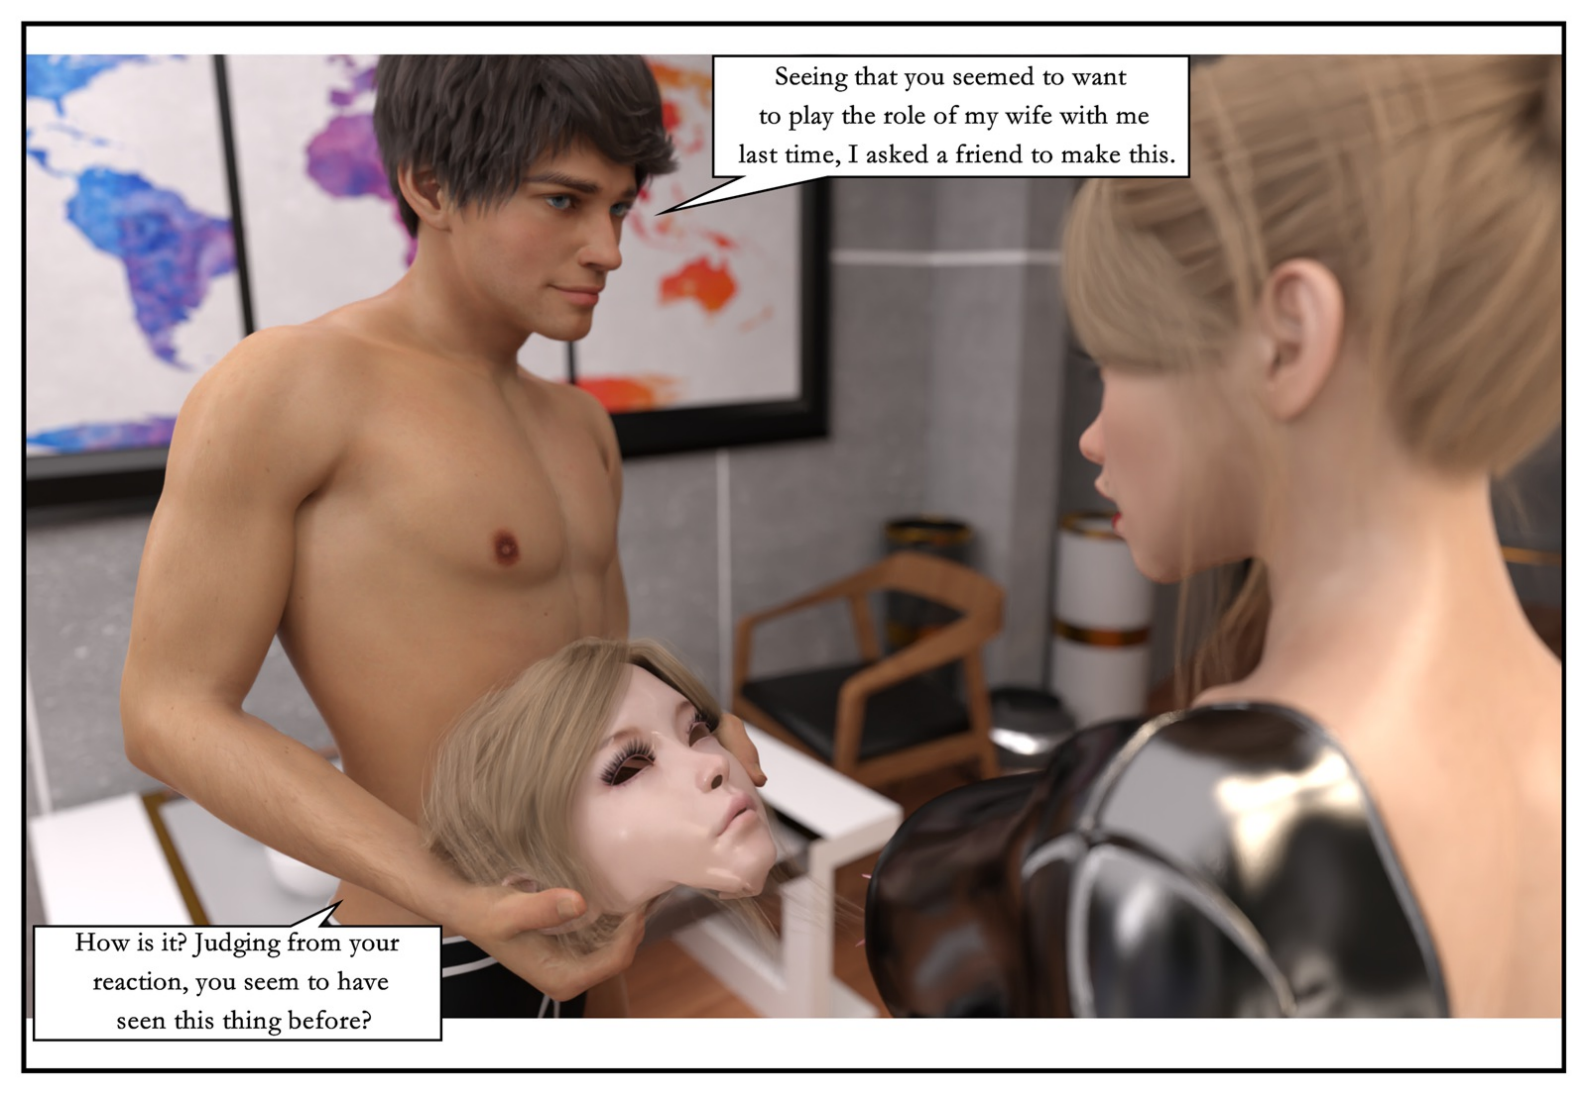

Oh, you fell into the role so
quickly? Don't worry, I've
prepared some good stuff for you..

Come on, wear this first.

This...this is? ! when did you...

This is a mask made by scanning my wife's face. It's the most high-end product and is not available on the market.

A 3D rendered scene depicting a man and two women in a modern interior. The man, on the left, is shirtless and muscular, holding a woman's head with both hands. The woman whose head he is holding has blonde hair and is looking upwards. To the right, another woman with blonde hair, wearing a black, shiny, form-fitting top, is looking towards the man. In the background, there is a framed world map on the wall and a wooden chair.

Seeing that you seemed to want to play the role of my wife with me last time, I asked a friend to make this.

How is it? Judging from your reaction, you seem to have seen this thing before?

No, not really...

Yes, of course you have never
seen it before, it's made in a
secret science institution.
Come try it.

Okay (I didn't expect that I would wear a mask and pretend to be myself)

A woman with blonde hair, wearing a black, shiny, form-fitting outfit, is looking slightly to the left. She has her hands near her chin. The background shows a modern interior with white walls, a white curtain, and several pendant lights hanging from the ceiling. The scene is framed by a black border.

Is this good?

It's almost done, let's adjust it a little more and then put some makeup on.

How about now?

Damn....

What's wrong? Is it weird?

No! Your face looks exactly like my wife's.

Wow, what are you doing.

What? I'm giving you a blowjob.
Let me serve my wife's cock well.

(He was not joking when he said before that he would be willing to give me blowjob if I were a man.)

Don't speak yet. Your voice is too rough and it's distraction to me.

(He really lick it, this is a damn shemale's cock!)

(But, the cock feels so good.)

(He is so skilled, he even rub my balls so well. How many men has he given blowjob to?)

Do you prefer a shemale like me
pretending to be your wife more
than you wife?

Yes, it's much more exciting than
simply having sex with her. Of
course it would be even more
exciting if she could directly
transform into a shemale.

Then...ah...then why are you still
marrying her instead of just
marrying a shemale?

Marrying a shemale? Who among
my parents and friends can accept
that? Besides, it's quite beneficial
for me to show off my wife's
pretty face.

What's going on with you today? So many questions. Get into the act a little more.

I see...

A 3D rendered female character with blonde hair styled in a bun, wearing a black latex dress. She is looking down and to the left with a somber expression. The background shows a modern living room with a sofa, dining chairs, and a television. A speech bubble is positioned above her head.

Do I have to be in this position?

So... so shameful...

Yeah be shier, that reaction
is really like my wife's.

But your backside is still as sexy as ever, and you are craving for cock again.

Ah, hubby, don't rub there anymore,
just put your cock in quickly.

As expected, couldn't hold long
before your true self is revealed.

Even if your face turns into a woman's, you will still like the feeling of being filled up by men right?

Yeah, I really like that feeling.

Haah Haah

It feels so good, my wife, will you
always be my shemale wife from
now on?

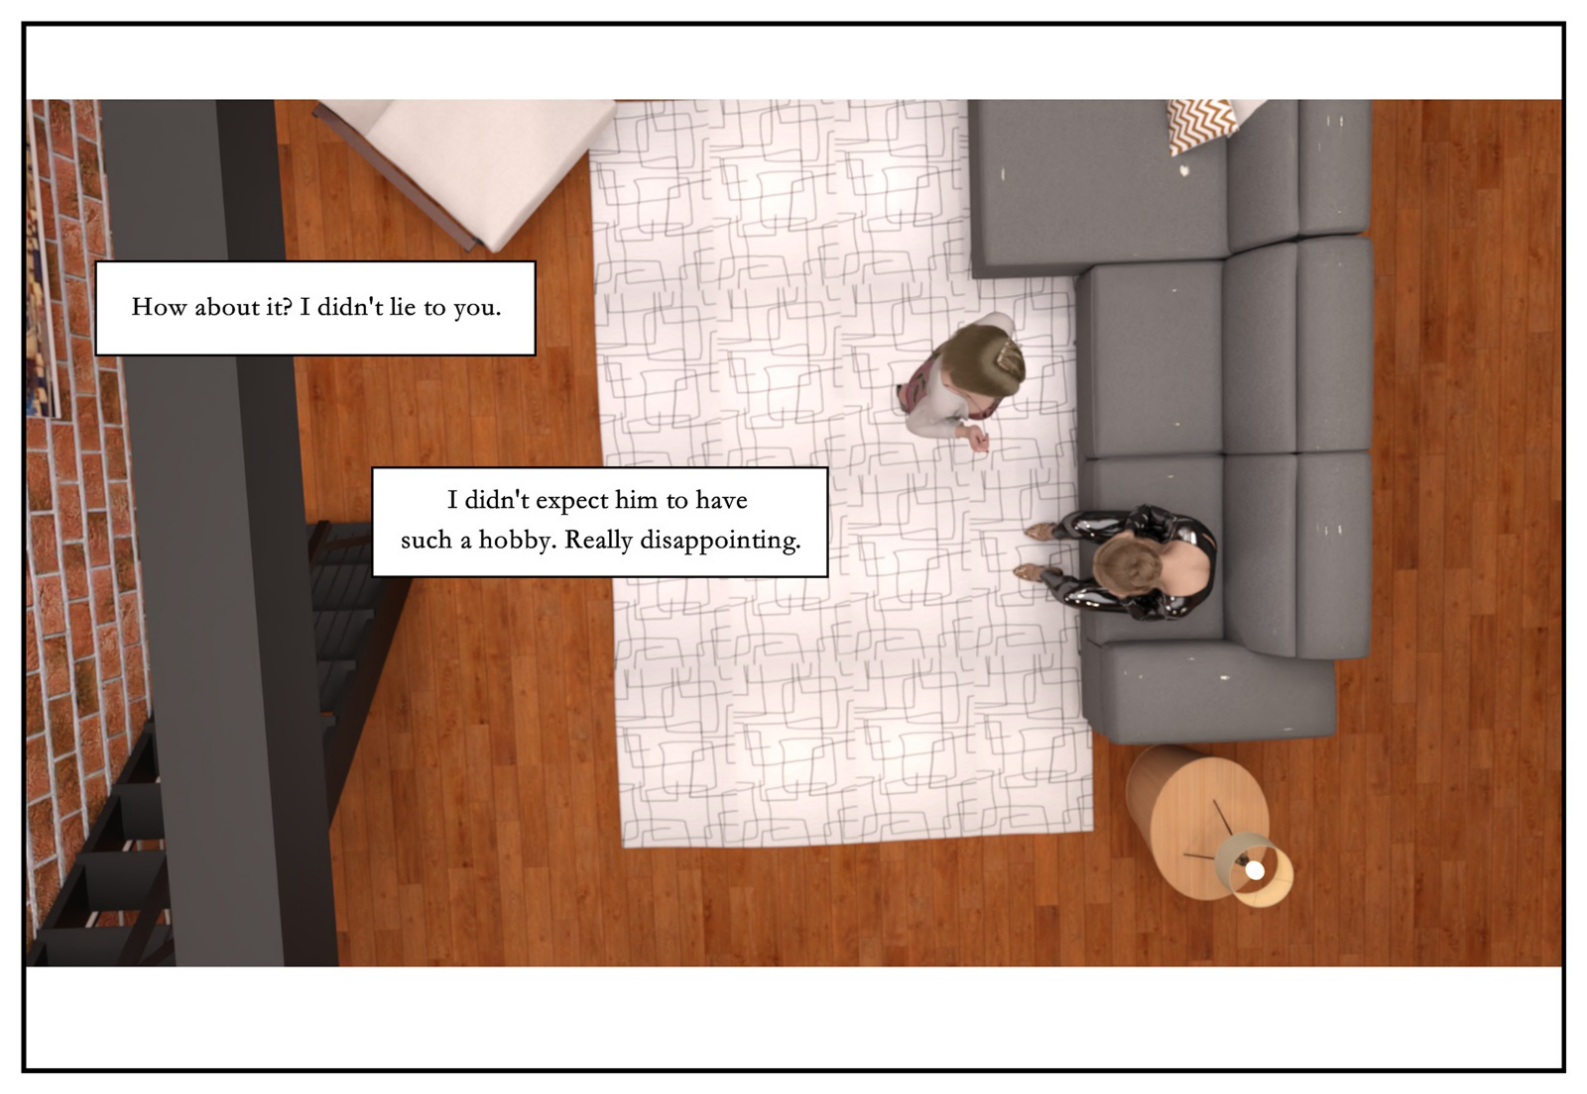

Yeah um 🍆 Okay 🍆 Husband 🍆
I will always be your shemale wife
Liu Wanna from now on 🍆

Ahhh 🍆 Your shemale wife is
about to cum 🍆

Although Jin Xingyu didn't know my true identity when he asked this question, my answer was indeed truthful. When I heard him say that he preferred shemales and that marryin me was just a compromise to circumstances, I knew that our marriage was over. But at the moment, my mind went blank. I didn't think about how I would face him in the future. I was just completely addicted to the stimulation of the shemale body and the pleasure of ejaculation.

How about it? I didn't lie to you.

I didn't expect him to have
such a hobby. Really disappointing.

Come smoke a cigarette
and calm down.

Ah, I don't...

A woman with blonde hair, wearing a shiny black latex outfit, is sitting on a grey couch. She is looking towards a person whose arm and hand are visible on the left, holding a lit cigarette. The background shows a brick wall and a kitchen area. A speech bubble is positioned above the woman's head.

Um, thank you.

For some reason, as a non-smoker,
I looked at the cigarette in front
of me and felt an urge to smoke one.

*Inhale

Thank you for letting me know the truth.

But why did you put on my mask and my clothes?

I'm back, give me my face now.

A 3D rendered scene featuring a woman with light green hair, wearing a white cardigan over a pink floral dress. She is standing in a room with a brick wall and a window showing the Eiffel Tower. A speech bubble points to her. In the foreground, the back of a woman's head with blonde hair in a bun is visible, holding a pen. The scene is set in a modern interior with a brick wall, a staircase, and a window with a view of Paris.

But, Nadi, I have no intention
of returning it to you.

To be continued.
