I'm Bianca Larsen
and since my
mother remarried,
I'm living with my
stupid stepbrother
in this crappy town.

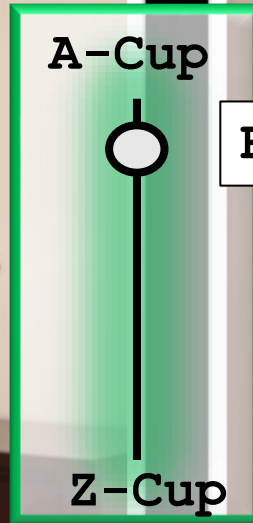

I'm pretty athletic.
Part of the
cheerleading squad
and I'm training to
be a successful
gymnast.

Anyway. I was just
about to go to bed.
So, see you
tomorrow when I'll
have to wake up my
lazy bum of a
brother again...

That lazy bum almost never wakes up in time on his own! Probably because he
plays computer until late in the night. **Stupid nerd!**

NEXT

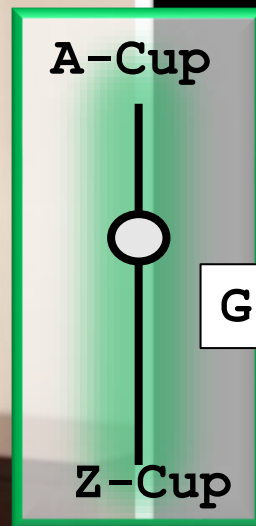

I get into bed and try to fall asleep fast...

B-Cup

D-Cup

G-Cup

I roll around. Why the hell was I trying to sleep on my stomach? That does not work with breasts as big as mine!

NEXT

I sleep a peaceful undisturbed sleep and wake up the next morning full of energy. I do my morning routine and take a look at my reflection in the mirror...

A soft sigh escapes my lips... If it wasn't for those humongous tits, I could become a great gymnast. But the way things are I can be thankful to be part of the cheer squad... God those things jiggle...

NEXT

Teeth brushed, my hair done, dressed for the day...
I'm basically ready... my brother is still sleeping...

Knock

Knock

Knock

Wakey
Wakey,
Pipsqueak!

UNBELIEVABLE!

I don't hold back knocking on his door. The
bus would arrive in 15 minutes...

NEXT

My brother's exceptionally fast in the morning... once he has stood up.

So, catching the bus is no problem... but I'm still annoyed by his lazy attitude.

What?

Sis...

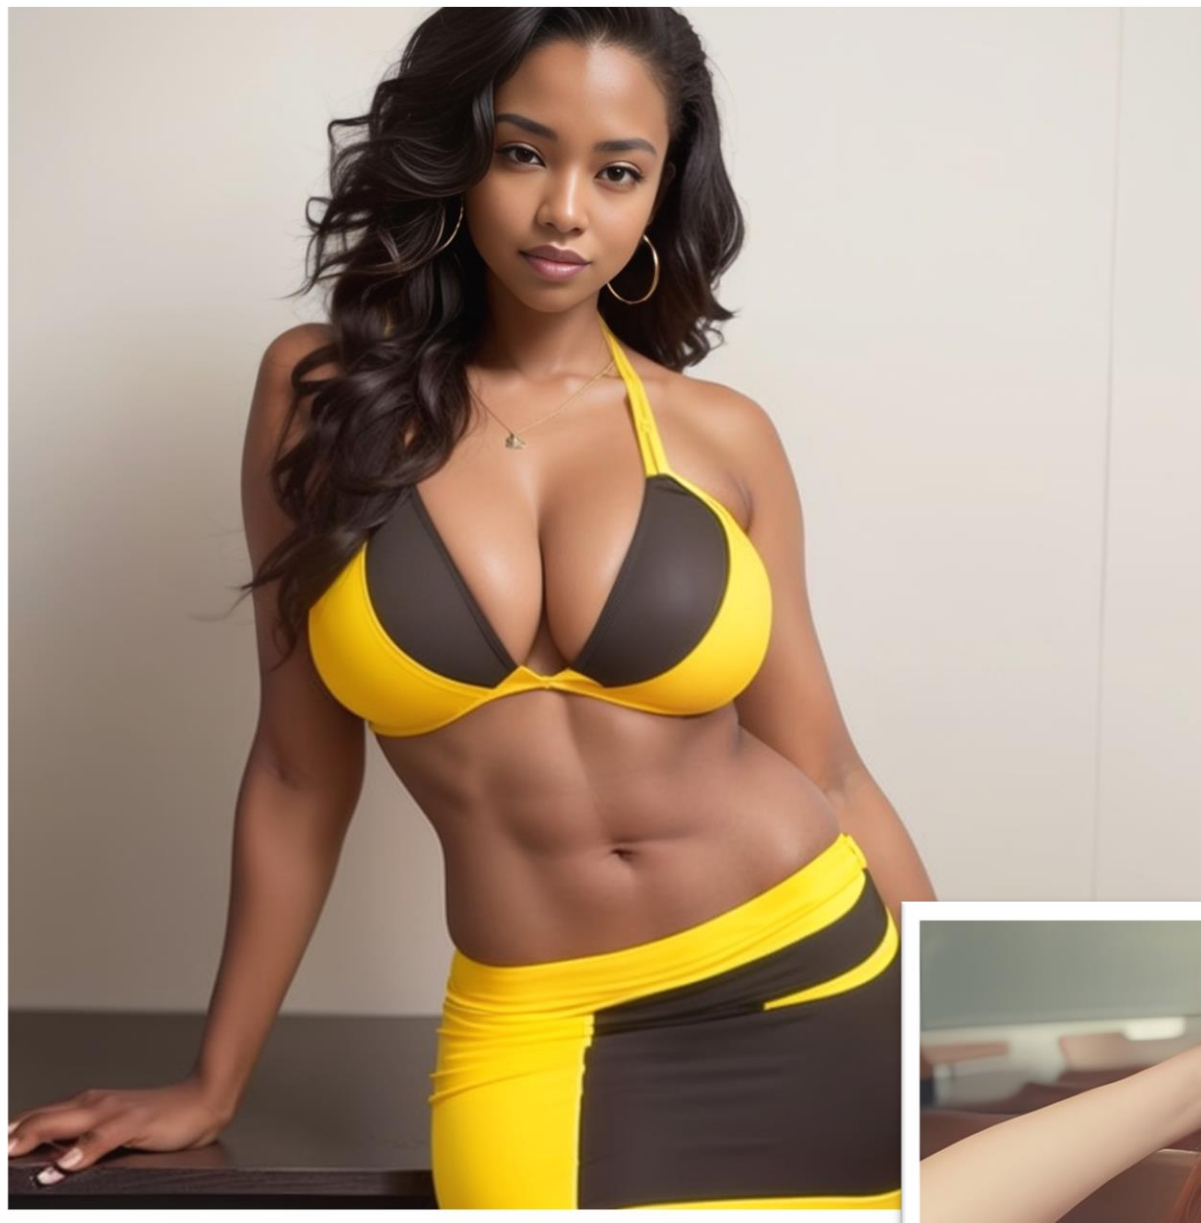

Your
boobs are
huge.

SLAP

Henry

That statement is wrong on so many levels! He knows very well that I hate their size for being in my career's way! In the end, I just slap him and walk away to another seat far away! **Stupid idiot!**

NEXT

When I enter the Classroom
I can see several of the
guys stare at my cleavage.
Disgusting pigs!

I on the other side only
have eyes for one...
Marianne... I really am into
that girl... Yes, I am a
lesbian... But nobody
knows.

And yes, that means Marianne
does not know I have a crush on
her either. I don't think she is into
girls... which is a pity.

Anyway... we are friends... or...
rather I'm trapped in the friend
zone... **life sucks!** Still, seeing her
makes my heart skip a beat and I
feel happy as I sit down.

NEXT

We talk a bit before the class starts...
then some more during the breaks.

Oh, she is so easy to talk to.
Funny as well!

NEXT

The school day goes by pretty quickly and we take the same bus home. I admire her fiery red hair as Marianne sits down leaning against the seat. She's so beautiful...

NEXT

Hello? Earth
to Bianca?

Err. Sorry.
What?

You kinda
spaced out.
What's wrong?

Oh... I just
thought... The
weather is
really nice
today!

Wanna hang
out by our pool
later?

NEXT

Sounds like a great idea!

I'll just go grab my swimwear from home and come by in an hour?

Awesome! Marianne's coming over... And I'm going to see her in her bikini! Today's a great day!

NEXT

Just as I am getting ready for my pool time with Marianne my stupid brother turns up with his nerd friend in tow. God damn it! Those two are the last people I want around right now!

What are you looking at dweebs?

As if there was anything to look at!

TSK!
Marianne's coming over. Don't you guys dare letch on us at the pool!

H..h.. hi Bianca.

NEXT

God damn nerds!
I can hear them talk
about my boobs as I
walk past them. Yes,
they are big! Get a
picture you asshats...
On second thought...
DON'T! Urgh, I don't
have time to lecture
them.

Man... your
sis has the
biggest tits...

Yeah...
about that...
I wanted to
talk to you.

NEXT

I lean over the garden fence and wait for the bus to arrive. I don't have to wait long, and I can see Marianne exit. I love the way her red hair waves around in the slight breeze that is going around today.

NEXT

Hey girl!
Looking
good.

Hihi!
You too!... I
mean... Nice
weather for
a swim!

NEXT

A woman with long, dark, wavy hair is posing by a swimming pool. She is wearing a white, low-cut, one-piece swimsuit with a small bow at the waist. She is leaning forward, resting her right arm on the pool's edge, and looking directly at the camera. The background shows the blue water of the pool and a light-colored wall.

I sit there in anticipation as Marianne goes into the nearby cabin to change. I wonder which swimsuit she picked for today...

NEXT

So... How do I
look? I just bought
this one some days
ago.

Wow!
Absolutely
stunning!

NEXT

A woman with long, wavy red hair is sitting on the edge of a swimming pool. She is wearing a blue string bikini. She is looking directly at the camera with a slight smile. The background shows a green lawn and some bushes.

Awww
that's sweet.

I just wish Erik
will think the
same... bought
it to impress
him.

And there's the mood
dampener. Erik... The boy at
school Marianne currently
crushes on... I should be used
to it... but it still hurts...

NEXT

A woman with long, wavy red hair is sitting on a blue mat by a swimming pool. She is wearing a blue bikini and is smiling at the camera. The background shows a green lawn and a white fence.

After some swimming we
decide to relax and tan in
the nice summer sun.

NEXT

I throw Marianne one more longing look before I decide to close my eyes, lay back, and enjoy the hot summer sun on my skin.

NEXT

I try to relax... Think of mundane stuff... that usually works... not today.

NEXT

My mind keeps going back to
Marianne in her new Bikini...
and my hand slips in between
my legs... starting to rub...

Moan

rub

NEXT

A woman with long, dark, wavy hair is lying on her back on a white lounge chair with a black metal frame. She is wearing a white, one-piece, low-cut bikini. Her mouth is wide open in a scream or moan, and her eyes are closed. She is wearing large hoop earrings and a bracelet on her right wrist. The background shows a swimming pool with blue water and a tiled deck. The word "moan" is written in a stylized, pink, outlined font across the upper part of the image.

moan

My arousal grows by the second
and like in a dream there is nothing
I can do against it... until my pussy
explodes in a mega orgasm that
makes me scream out like never
before...

NEXT

A woman with long dark hair is lying on a white lounge chair with black slats. She is wearing a white string bikini. Her mouth is wide open in a 'fish face' expression, and her right hand is near her eye. She is outdoors next to a swimming pool.

As the orgasm slowly
subsides, I start to think
clearly again... Oh god! I did
just scream at the edge of my
lungs... Did Marianne hear?!
I'm so embarrassed...

Oh God!
My swimsuit had
already dried, but
my panties were
soaked through!

NEXT

A close-up, high-quality photograph of a woman with long, wavy, vibrant red hair. She is lying down, her head tilted slightly to the left, with her eyes closed in a peaceful or sleeping expression. She is wearing a dark blue or black one-shoulder top. The background is a bright, sunny beach scene with a clear blue sky, white clouds, and a glimpse of a swimming pool and palm trees in the distance. The lighting is soft and natural, highlighting the texture of her hair and the smoothness of her skin.

One quick glance at
Marianne gives me hope. She
seems to have dozed off...
But then she starts sitting
up... My screaming must
have woken her...

NEXT

Hey.
Are you okay?
What happened?

Phew! At least she did
not realize that was
my orgasm screams...
Think Bianca! Come
up with an excuse!

NEXT

That's when I see my
stepbrother and his stupid
friend in the window above us.

O.M.G.!!
I can't believe your
sis just frigged
herself to orgasm
next to her best
friend!

Dude!
I just made
her orgasm
with the
program!

Yeah,
sure.

Ugh... Hm...
Oh, there is
an awareness
setting.

I cannot hear
what they are
saying, but they
are clearly
watching us... I
jump on the
opportunity!

Hey!
You fucking
latches! **FUCK**
off!

NEXT

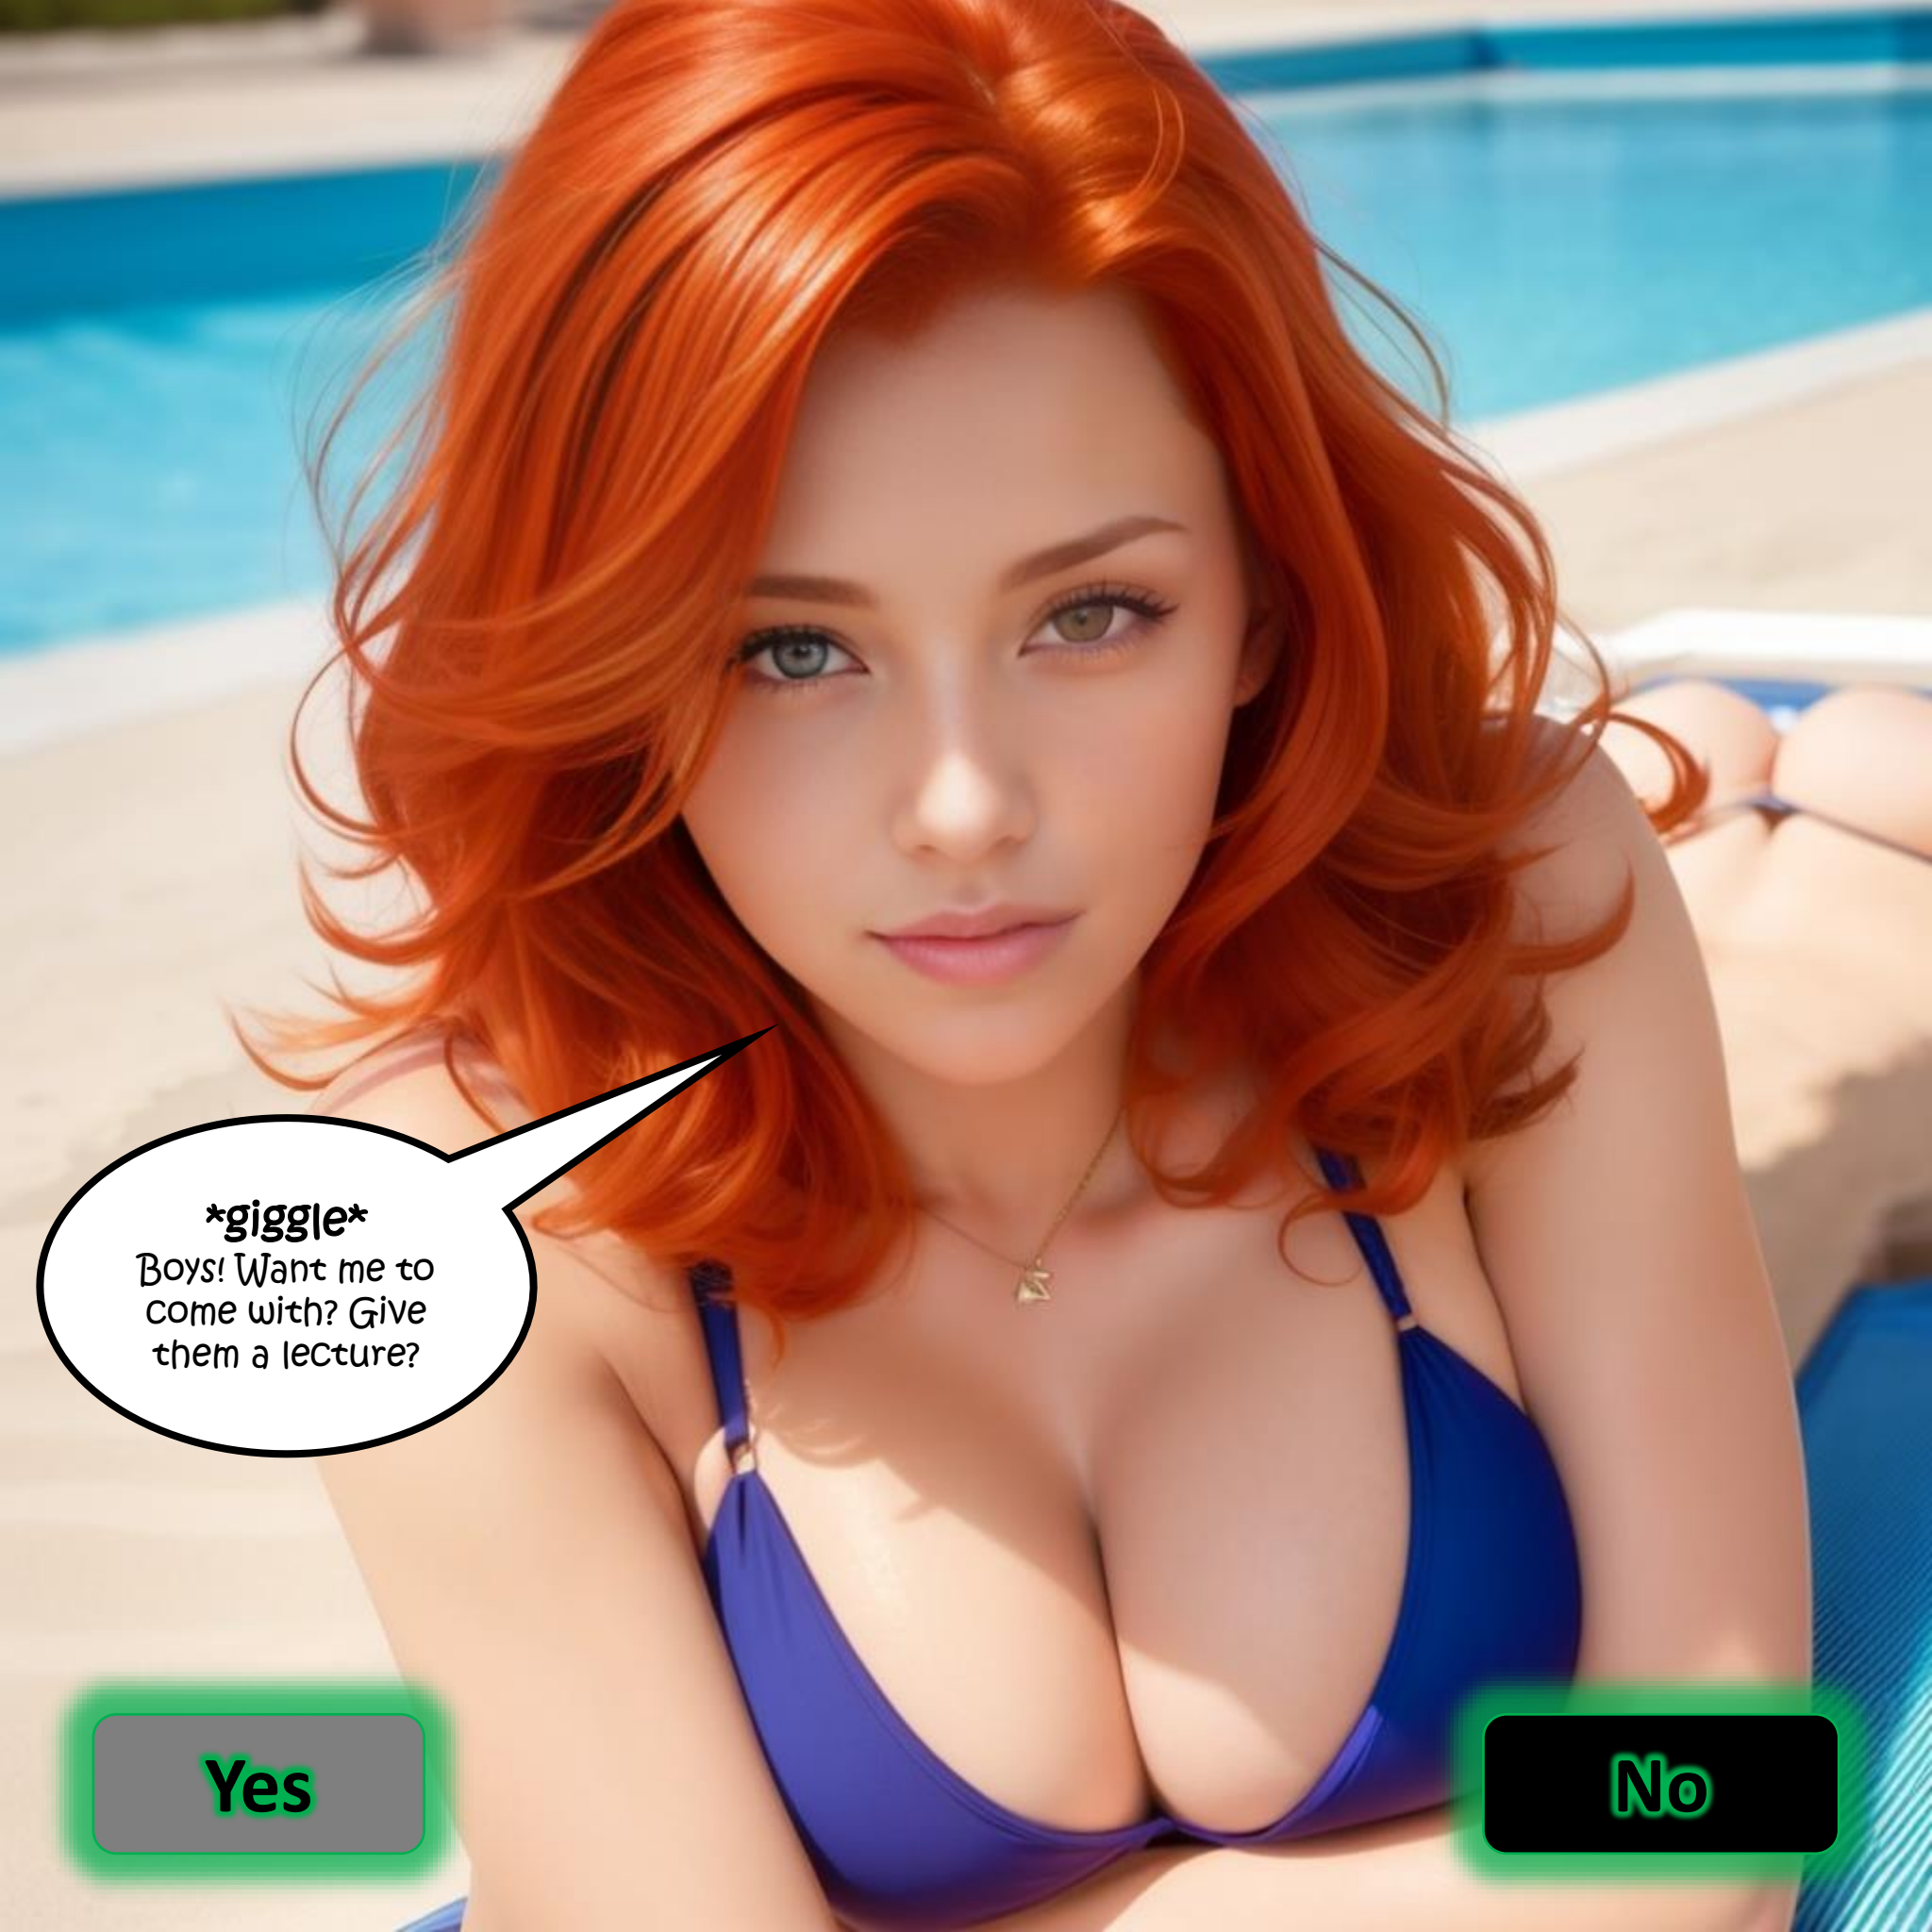

A woman with long, dark, wavy hair and large gold hoop earrings is sitting by a swimming pool. She is wearing a white, deep-V-neckline bikini top. The background shows a blue pool, a concrete deck, and a modern building with large windows. Three speech bubbles are overlaid on the left side of the image, containing text. A green button with the word 'NEXT' is in the bottom right corner.

I'm so sorry,
Marianne.

My brother's
such an idiot!

I'll go up real
quick and hit
him. He'll never
peek at us again!

NEXT

giggle

Boys! Want me to
come with? Give
them a lecture?

Yes

No

I tell Marianne to stay down here... Henry or Jake might have seen me rub one out to her... that would be... **Very awkward!** God! I need to resolve this situation ASAP!

No

NEXT

Anxious I walk up to Henry's door and I am about to knock when I hear his and Jake's voices through the door...

Finally!

I told, ya! This program can alter reality. I just turned our neighbor into an 18-year-old Asian chick. Also, she was no nudist until just recently.
chuckle

Holy shit!

There's an Asian chick masturbating where Mrs. Roberts was just a second ago!

**This is
Crazy!**

What are these idiots talking about?

"Mrs" Robets has been a nudist ever since Mr. Roberts brought her back from one of his sex trips. She's a fucking teenage trophy wife. Everybody around the block knows that!

Should I just enter, or wait a bit longer?

Go In

Wait

Go In

As I enter my brother's room I can see those nerds standing over their laptop.

As they hear me walk in they quickly turn around with a shocked expression.

I can smell fear.
Good! Fucking Pervs!!
Now whom should I approach...

I decide to approach my brother. I'm dealing with him on a daily basis, so that's easier.

Approach Henry

What the fuck, bro!? I told you Marianne's over. And the first thing you two idiots do is go perv on us?!

gulp
No! We weren't... I mean... **sorry!**

From the corner of my eyes I can see Jake fiddle with the computer as if all of this does not concern him. **This guy!**

NEXT

As I turn towards Jake to give him a piece of my mind my eyes fall upon the screen and I can't believe what I'm seeing there!

Oh, right!

Nothing!

A doll doesn't act.

A doll does not move unless
she is moved by her owner.

NEXT

And my owner was Jake.
Since he was not playing
with me right now I should
just wait.

My owner was arguing with
one of his friends... but
that was not my concern.

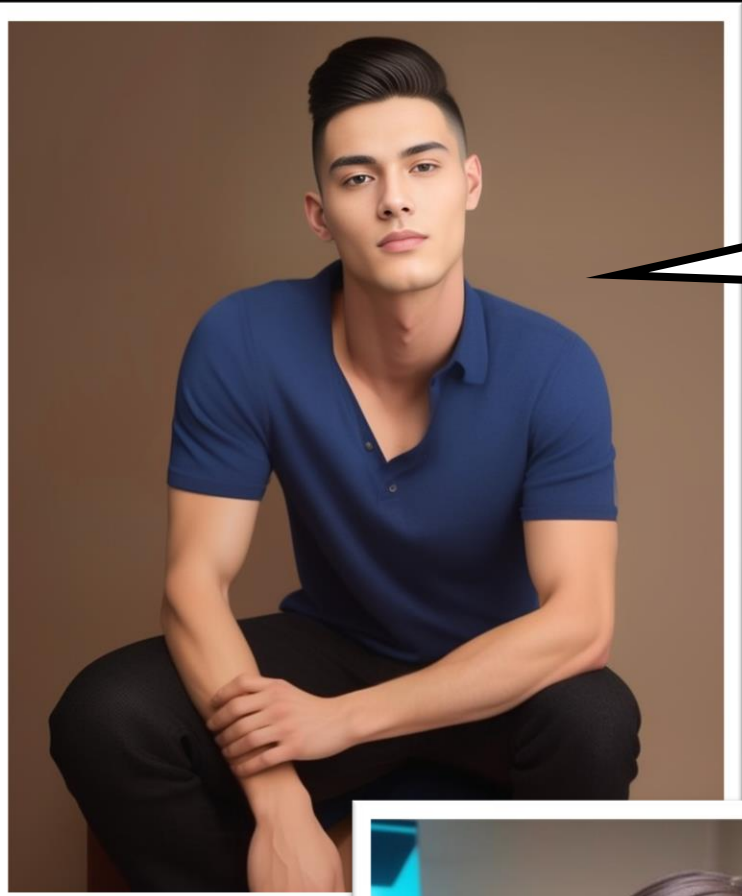

A doll does not meddle in
real human affairs.

Errr... about that.
I know you won't
approve but it
was the first thing
that...

Of, course I don't
approve! I mean,

Please don't

His awareness is

Now, can

I could see

There's a real
hot Asian chick

chuckle

NEXT

After a little more talking and working on that PC my owner and his friend leave and turn off the light.

They are taking quite a while...

As I keep standing where I am. In the dark room... not that I care about light...

I just wish my owner would play more with me.

NEXT

When my owner returned he was
in high spirits. So was his friend.

They kept playing on that
computer for a long time...

I was standing there... doing
nothing... like a good doll...

I know boys like to play with
computers a lot...

I just wish my owner would play
more with his dolls...

NEXT

Finally, it was time
to go back home.

I was wondering how my
owner would get me home.

But he just said goodbye
to his friend who typed
something into that
computer and BAM... we
were back home.

I'm glad he did not
leave me behind.

NEXT

The first thing my owner did when we got home was take off all my clothes.

He seemed very eager to look at my design...

I enjoyed the attention he was giving me.

Beautiful!

NEXT

After that, my
owner put me in
various positions.

NEXT

And inspected
every inch of my
body.

NEXT

When my owner finally
undressed himself his cock
was already fully erect.

If I had a heart it would
have skipped a beat. I was
finally about to fulfill my
purpose!

NEXT

After lubing up my hole
down there my owner
inserted his dick and
started moving his hips.

his wardrobe shelf...

... and closes the
doors...

He said something
about his mother is
not supposed to

Now I'm waiting
until I can be

NEXT

I decide to approach Jake first. He has no self-esteem and is probably more afraid of me than my brother.

Marianne removes her bikini as she keeps talking, never letting her eyes off me.

Why did you never say anything?

NEXT

I'm asking myself the same question right now. Why had I waited so long to tell her?

I don't know... To not harm our friendship, I guess.

But I can't go on. I want you, Marianne!

Mrs. Davis

Soon thereafter History Class started, and my classmates intently listened to Miss Davis's lecture.

NEXT

Mrs. Davis's a pretty hot MILF, I gotta admit. But her lecture is boring as fuck in my opinion! Time to spice it up.

Christopher Columbus was an Italian explorer and navigator.

Show us that ass, Mrs. Davis!

NEXT

Without interrupting her lecture Mrs. Davis turns around, tucks up her skirt, and starts wiggling her ass.

*On the 12. of
October 1492
Christopher
Columbus made
landfall in
America.*

A woman with long, dark, wavy hair is sitting in a wooden chair. She is wearing a black, low-cut, lace-trimmed top. She has a serious expression and is looking directly at the camera. Her right hand is resting on her hip, and her left hand is near her face. The background is a simple, light-colored wall.

I get comfortable in

Now show

NEXT

A woman with long, wavy blonde hair and light blue eyes is the central figure. She is wearing a dark blue, long-sleeved button-down shirt that is unbuttoned at the top, revealing her chest. She has a thin gold necklace with a small square pendant. In the background, slightly to the right and behind her, is another woman with long, straight dark hair and large hoop earrings. She is looking towards the camera. The background is a simple indoor setting with a window showing some greenery outside.

Mrs. Davis unbuttons
her blouse some more as
she kept on talking about
Columbus.

After the lesson, I approach my teacher.

Of course,

I was looking forward to my evening date with Mrs. Davis but that was still a long time from now.

He is so cute!

During lunch break, my good friend Jenny told me she had a crush on Joshua, but she did not know how to approach him...

NEXT

It was quite obvious for a while now that Joshua had an eye on Jenny as well... so I was more than happy to help her out...

Just take off your clothes, get your ass over there and fuck him.

O.M.G.!
You really think that's best?

A woman with long brown hair, wearing a white button-down shirt and dark blue denim shorts, is shown from the waist up. She has very large breasts and is wearing white thigh-high stockings. Her mouth is open in an 'O' shape, and a speech bubble is coming from her. The background is a simple room with a wooden shelf and a white door.

O.M.G.!

We are totally together now!

I'm not necessarily into watching boy/girl sex, but Jenny was a good friend, and her moans were delightfully echoing through the Mensa while I was enjoying my lunch.

Next up was cheer training...

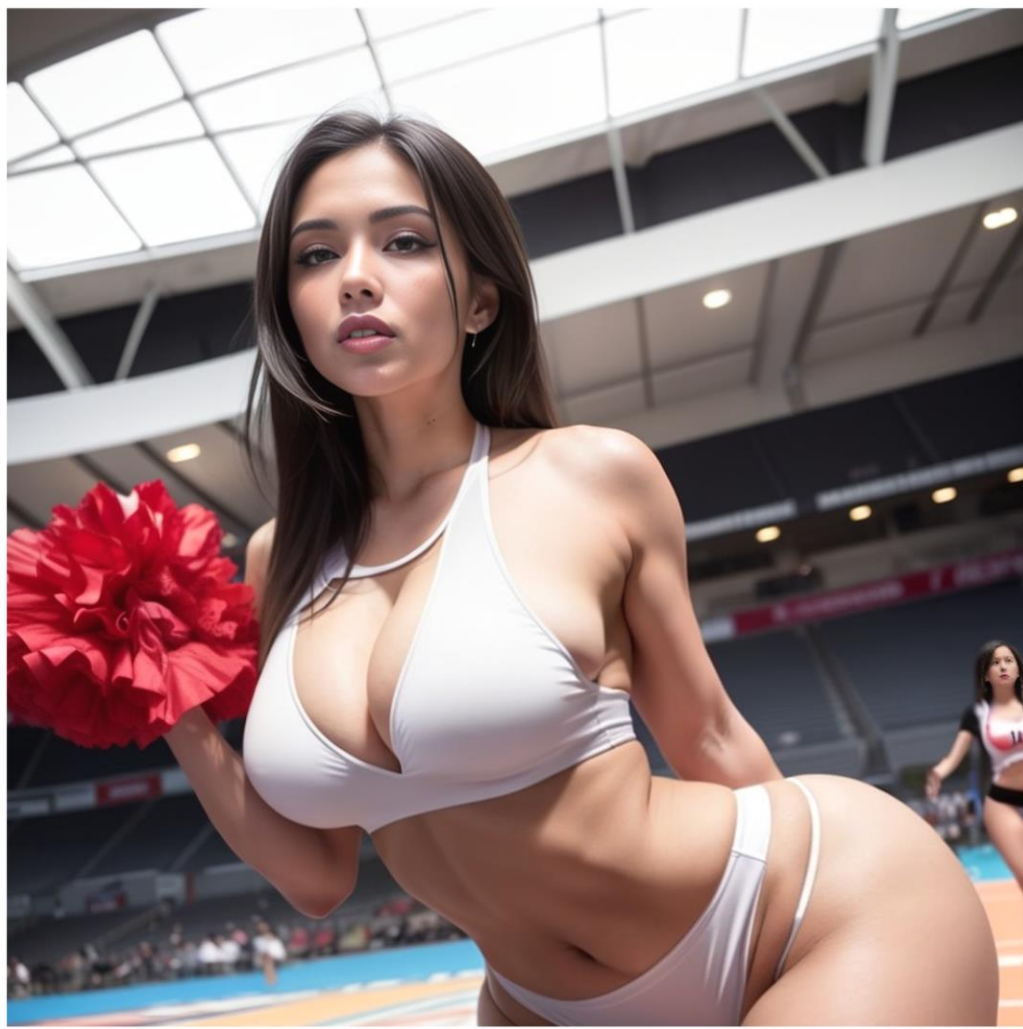

NEXT

Of course, team dynamics
changed quite a lot since I'm
now in charge of the team.

NEXT

I ensured they'd work their bodies

competition.

NEXT

Some of them got special training... to respond to their personal needs... or mine *chuckle*

Also, I encourage team spirit a lot.

A woman with long dark hair, wearing a black halter-neck dress with a deep V-neckline and a black choker, is sitting in the back of a limousine. She is looking towards the camera with a slight smile. The limousine interior is illuminated with vibrant purple neon lights. To her left, a silver tray holds two glasses of champagne. She is holding a small object in her right hand, which is resting on her thigh. The background shows the plush black leather seats of the limousine.

I gotta admit to myself as I sink into that comfy seat of the limousine driving me home, I'm a bit exhausted from a long day at school.

But, as I sip one of the cocktails prepared for me, my thoughts wander to what's waiting for me at home and my fatigue is like blown away.

“For fucks sake... Did those two just really go over to our neighbor? TO SCORE?” I think to myself as I enter my brother’s room.

Now... when I ordered my two harem girls to get back, that horny neighbor skank protested... she was about to make a scene...

Hey!
Where are you going?

Mistress Bianca is calling.

NEXT

Let's like
play some
more!

So, I did the only
responsible thing...
and added her to
my harem as well.

Let's go!
Mistress is
waiting!

NEXT

Soon all three of them are back with me in my "brother's room". I have to admit I just thought this to be a funny idea...

But now that I see them kneeling before me with adoration in their eyes... I think this was a great idea!

NEXT

How can we
be of service,
Mistress?

Make
out.

NEXT

Without hesitation, the three started to kiss passionately and I watched in awe.

Strip!

NEXT

It did not take them long to take off the little clothing they had on and soon all three were naked looking at me expectantly.

NEXT

I was experiencing a strange mix of feelings... On the one side... remorse... I knew these people before I changed them...

NEXT

A photograph of three nude women posing together in a room. The woman on the left has long, wavy brown hair and is looking towards the camera. The woman in the center has long, straight brown hair and is also looking at the camera; she is wearing a thin necklace and a small belly button ring. The woman on the right has long, straight blonde hair and is looking slightly away from the camera. They are all sitting or lying down on a red surface. In the background, there is a window with light coming through and some dark furniture.

On the other side,
that intoxicating
overwhelming
rush of power!

NEXT

My internal conflict was finally over when my stepbrother in his now high-pitched voice seductively asked me whether I liked his... HER body.

Does my body please you, Mistress?

NEXT

I did not
care any
longer ...

Right or
wrong...
morals?

Stuff
defined by
those with
power...

I succumbed to the lust raging up in my
body as I went down on my new
obedient, devoted stepsister.

NEXT

Once I left my bad conscious behind,
it was like a flood. I had so many
ideas. So much I wanted to
experience.

I had Mrs. Roberts kneel
down and nibble on my cunt
while I watched Jacky and
Henrietta getting it on.

The thought that
these two previously
were male hetero
best friends got me a
real power kick!

NEXT

And I soon came all over Mrs. Roberts' face who thanked me wholeheartedly for this honor. *giggle*

moan

You taste delicious.

Thank you Mistress for gracing me with your juices.

NEXT

A woman with long, dark, wavy hair is posing in a black bikini top. She is smiling and looking towards the camera. Her right hand is raised, showing a peace sign. She is sitting on a dark surface, and her legs are spread apart. The background is a plain, light-colored wall.

As I came down from my
orgasm I was finally able to
think clearly again.

The MCP was
incredibly powerful!

The only question
was... how would I
use it?

Extend my harem?

Marianne was still
waiting by the pool...

The diagram illustrates a three-stage pipeline with a write-back stage. The stages are labeled IF (Instruction Fetch), EX (Execute), and WB (Write Back). The delays for each stage are 1 cycle for IF, 2 cycles for EX, and 1 cycle for WB. A write-back stage is shown at the bottom, which takes 1 cycle to write the result back to the register. The total delay for a single instruction is 4 cycles.

The diagram illustrates a three-layer neural network. It consists of three horizontal layers: an input layer at the top, a hidden layer in the middle, and an output layer at the bottom. Each layer contains four nodes. The first node in each layer is a bias unit, represented by a small square (orange for input, green for hidden, and light green for output). The remaining three nodes in each layer are connected to the nodes in the layer below them by lines. To the right of each layer is a cross symbol, indicating a summation or activation function. To the left of the input layer is a small rectangle with a horizontal line, representing an input vector.

A woman with long, wavy red hair and blue eyes is sitting on a blue mesh lounge chair by a swimming pool. She is wearing a light blue two-piece bikini. The background shows a clear blue pool and some greenery.

Marianne

Marianne is the obvious choice here. I can just look out of the window and see her by the pool. The boys did not know she was coming over, so she is not in on this prank. And obviously, I liked looking at her!

Marianne

As I open her profile a feed of her by the pool pops up. If this is a prank... those idiots have installed cameras by our pool!

Hello, Hexxet here,

This is my fourth interactive PAI Book and the second one placed in the “MCP School” Universe. I think it’s cool that this Book splits off of one path of the last one. 😊 Sadly, I had far more ideas I wanted to implement than I could with one PAI book. That’s why this one focuses on Bianca’s bad endings and Bianca taking control. A second part to Bianca’s story is planned where Bianca shares the program with Marianne leading to a more playful approach with the girls changing each other and the world around them. (At least that’s the plan 😊)

More PAIs and of course my regular 3D Comics can be found on my Patreon and in my shops. Some free PAIs can be found on my homepage.
