# The mischievous Bimbo Genie

*Hello everyone. This is me...Cole. I am sure that you do not know me...nobody does, because I am the local egg head...or in short nerd, here on the campus. There are a few like me, but I am the top egg head. My life was...as most nerds can tell you...mostly normal until this day.*

*Oh, by the way: This is me... a regular day here on campus it is really quite boring for me so i often spend the time solving riddles or doing other intelligence testing activities...*

*But there are always things I do not see coming...and if I did I would be far to weak to block it...*

Is my homework done, Egghead?

Ughhhh!

# The mischievous Bimbo Genie

That is how very intelligent, but socially isolated computer fans, or should i say: Nerds...Some one like me got treated every day...

I'm sure you don't want me to fall through the school year, right?

Tom... \*sigh\*

So as usual. Put my homework into my mailbox. And if I'm not at home, don't ring the bell...

teehee... oh yea like totally... we will have sooo much fun.

Cassy here and I want to have some privacy.

Tom-boy... name is Tina...not Cassy. \*giggle\*

Tina, eh? Who cares... Cassy was a good fuck like you.

...and of course those guys always got the hottest babes...and what do I get?

# The mischievous Bimbo Genie

...but all this will change very soon...but right now I did not realize how my future will be changed in this moment...

Well...the life of a Nerd...but one day...

Wow...what for a nice piece of work...

It looks... antique. It would fit into my live stream as fun prop...

# The mischievous Bimbo Genie

But even nerds don't hesitate long when they see something that arouses their interest.

It is a bit rusty and dusty...but nothing I can't fix.

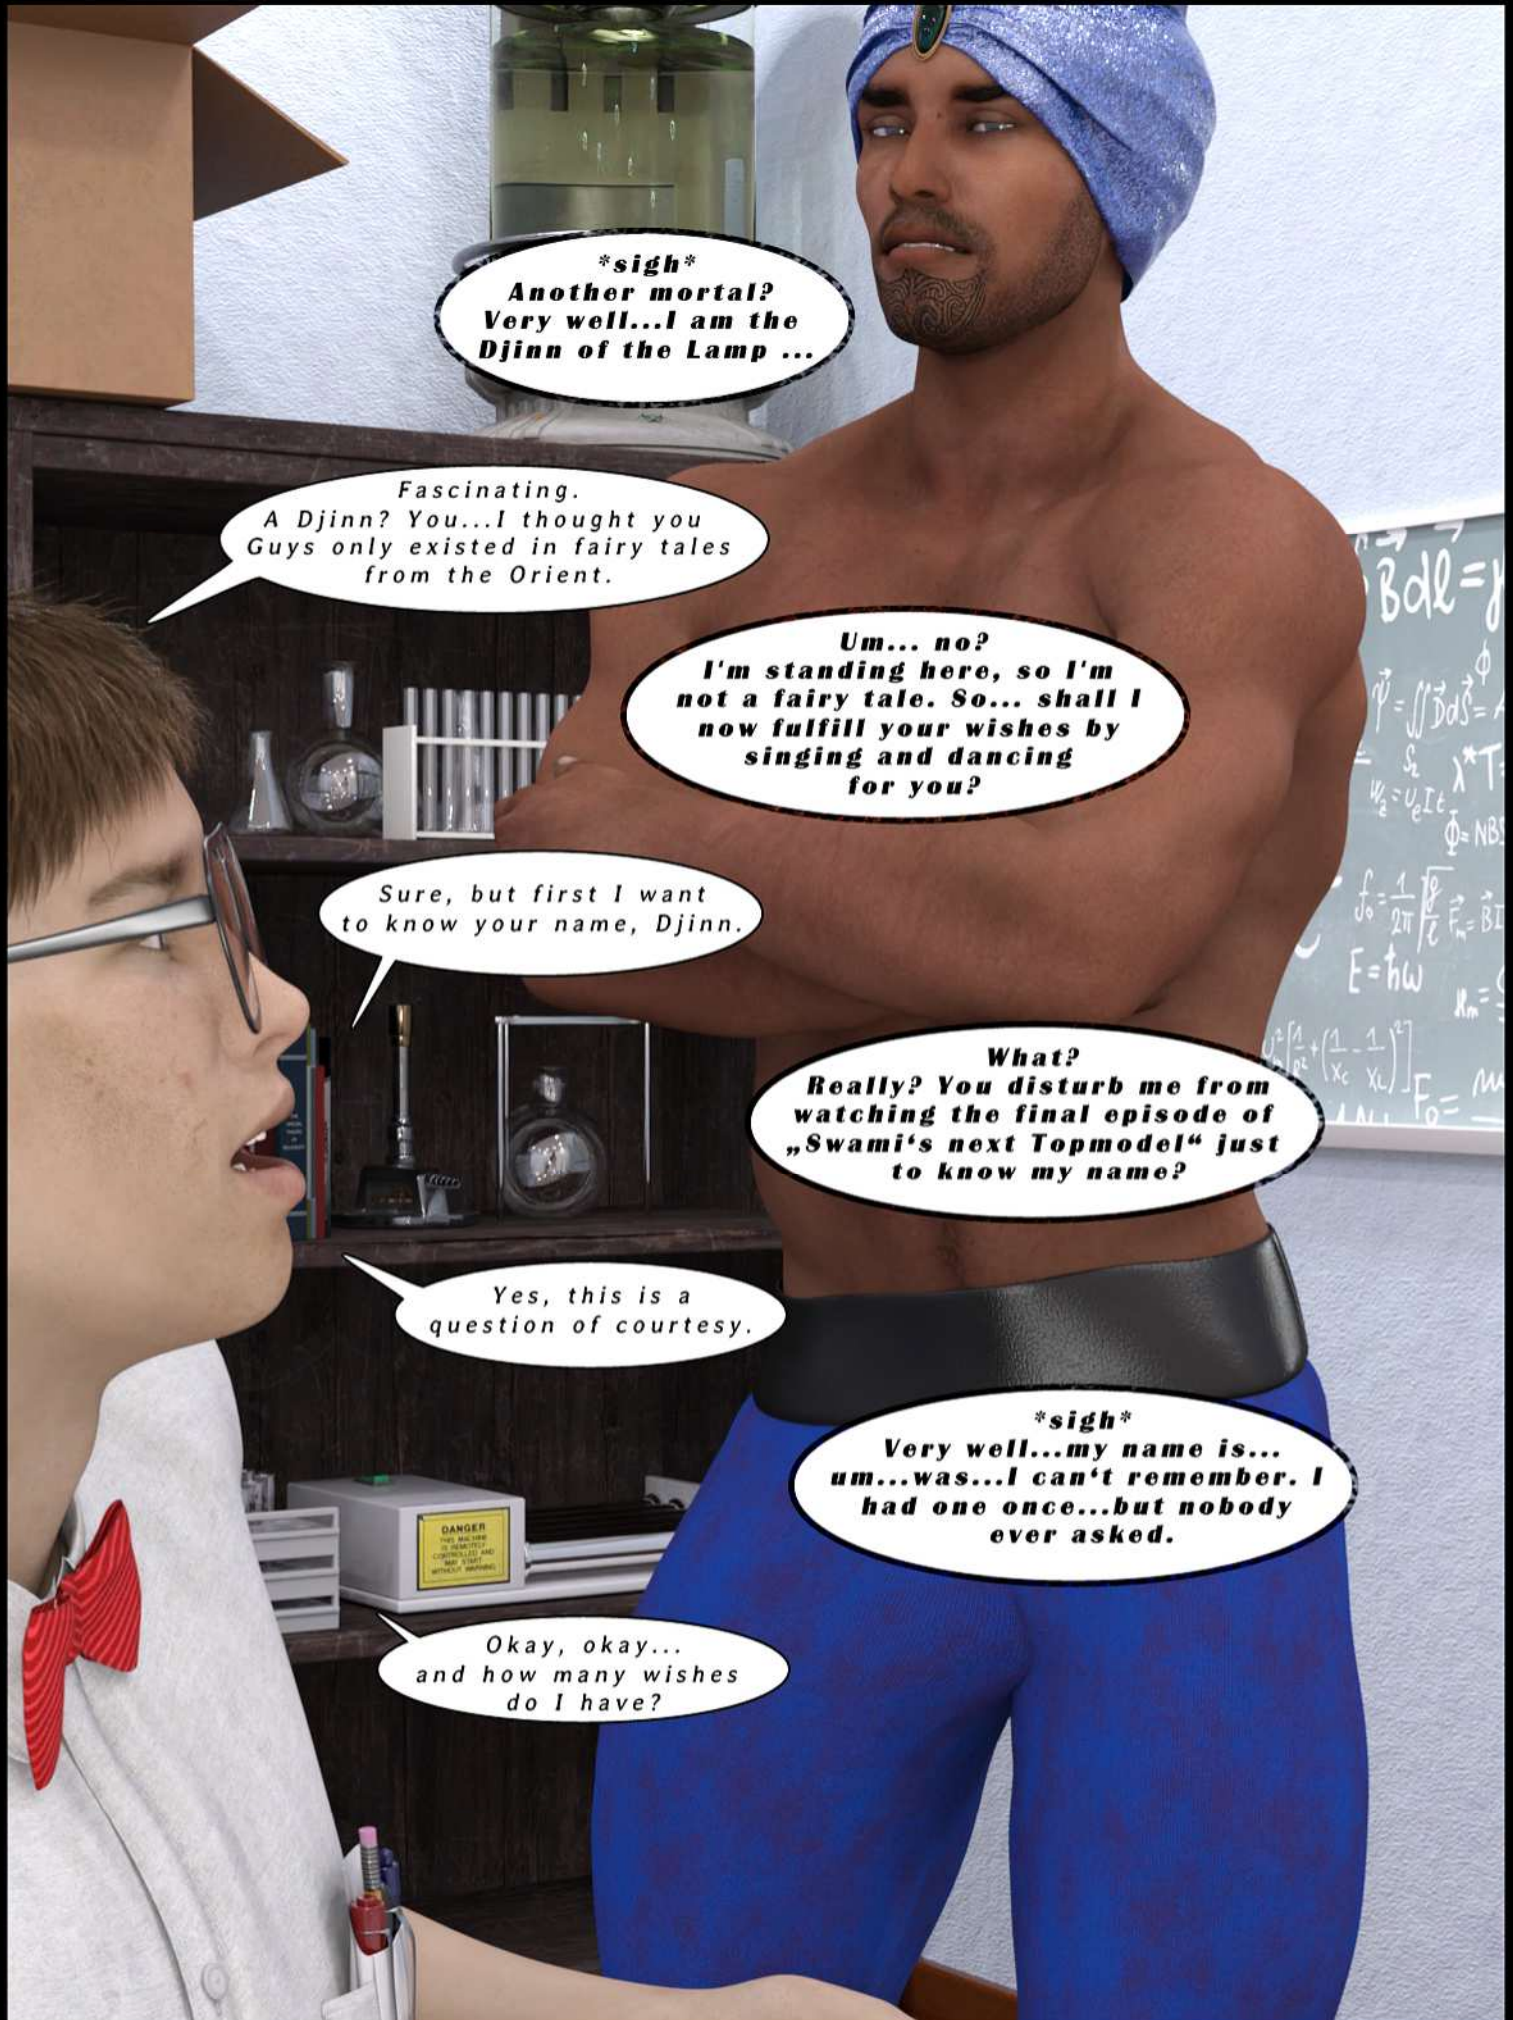

I didn't see any „Made in China“ stamps... I wonder how old this lamp may be?

And then, when an inexplicable phenomenon suddenly occurs, they look for logical answers...

What the? A chemical reaction? That...can't be! I used an biodegradable cleaning agent.

Even if the cause is often different.

# The mischievous Bimbo Genie

**You have interesting taste in woman, Mortal. I have never seen women with such big breasts.**

Well...thank you Djinn. And I already know what my first wish will be.

I often feel inhibited to talk openly with men. So I wish that you were a woman who fits my taste and fulfill my wishes.

**Interesting choice, Mortal. Granted!**

**But don't faint. You have never had a woman so close to you.**

# The mischievous Bimbo Genie

*Even for me  
it feels...fascinating you  
should know...*

*Female Breasts  
are not only for enjoyment...  
they are so important for humankind. But  
a college of mine put his personal home  
into one females breast...as his powers  
grew, her boobs grew too.*

*Ah yes...  
a tight pussy...waiting for  
more...but not for you mortal.  
You can only watch, but  
not touch.*

# The mischievous Bimbo Genie

*Wish done,  
Master...Do you have  
another wish?*

That  
was unexpected Djinn...  
but I think now with this look the  
name Jenny would suit  
you well.

Djinn in female  
would be Djinni...or for  
todays terms...Jenny.

*That is not a wish,  
but I accept the name...  
for now.*

# The mischievous Bimbo Genie

Damn!  
Holy gazongas,  
Batman!

*Stop! As  
I said before,  
Master...*

*Touch them...  
and I will grant you  
your own pair of huge,  
wobbly jugs!*

*And you can be sure  
that yours will be far bigger  
and heavier than my  
girls here.*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

You know, Jenny,  
I really want to trust you.  
But my trust has been betrayed  
many times.

*\*gulp\**  
*But it is my nature,  
Master. A Djinn has  
to be mischivious!*

My last wish  
for today, Jenny. I wish that,  
everytime you try, or think about  
twisting my wishes...your body and mind  
will become a little bit more  
like a slutty, empty minded  
Bimbo with huge curves

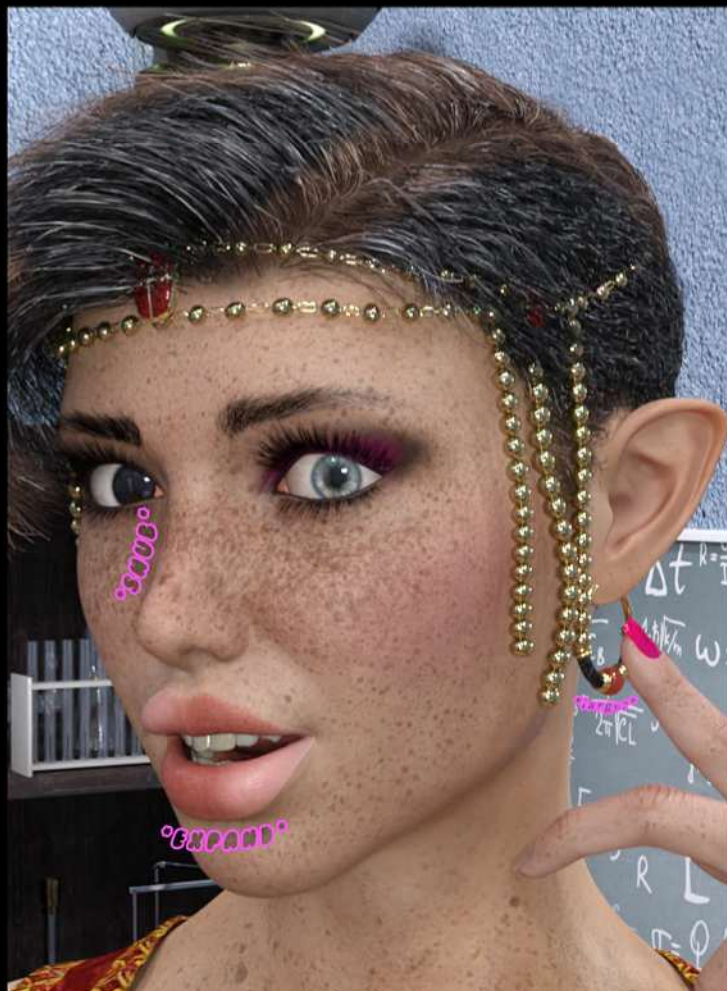

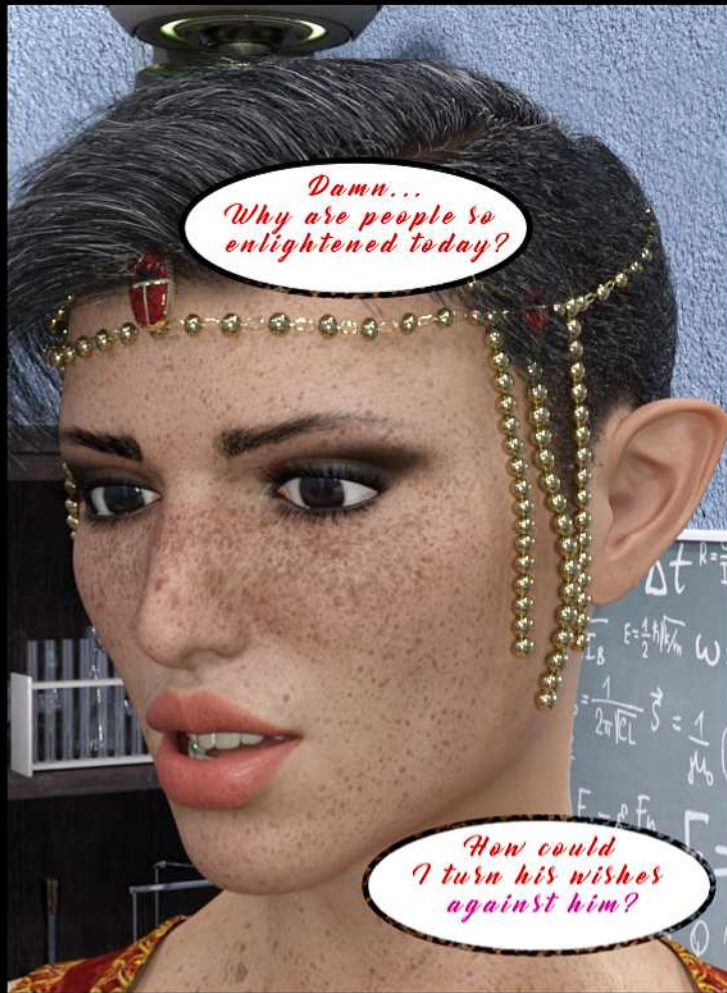

*Granted...  
Master.*

Good night, Jenny. Oh and about  
touching you...I can wait. There WILL  
be a time where YOU will want  
to be touched.

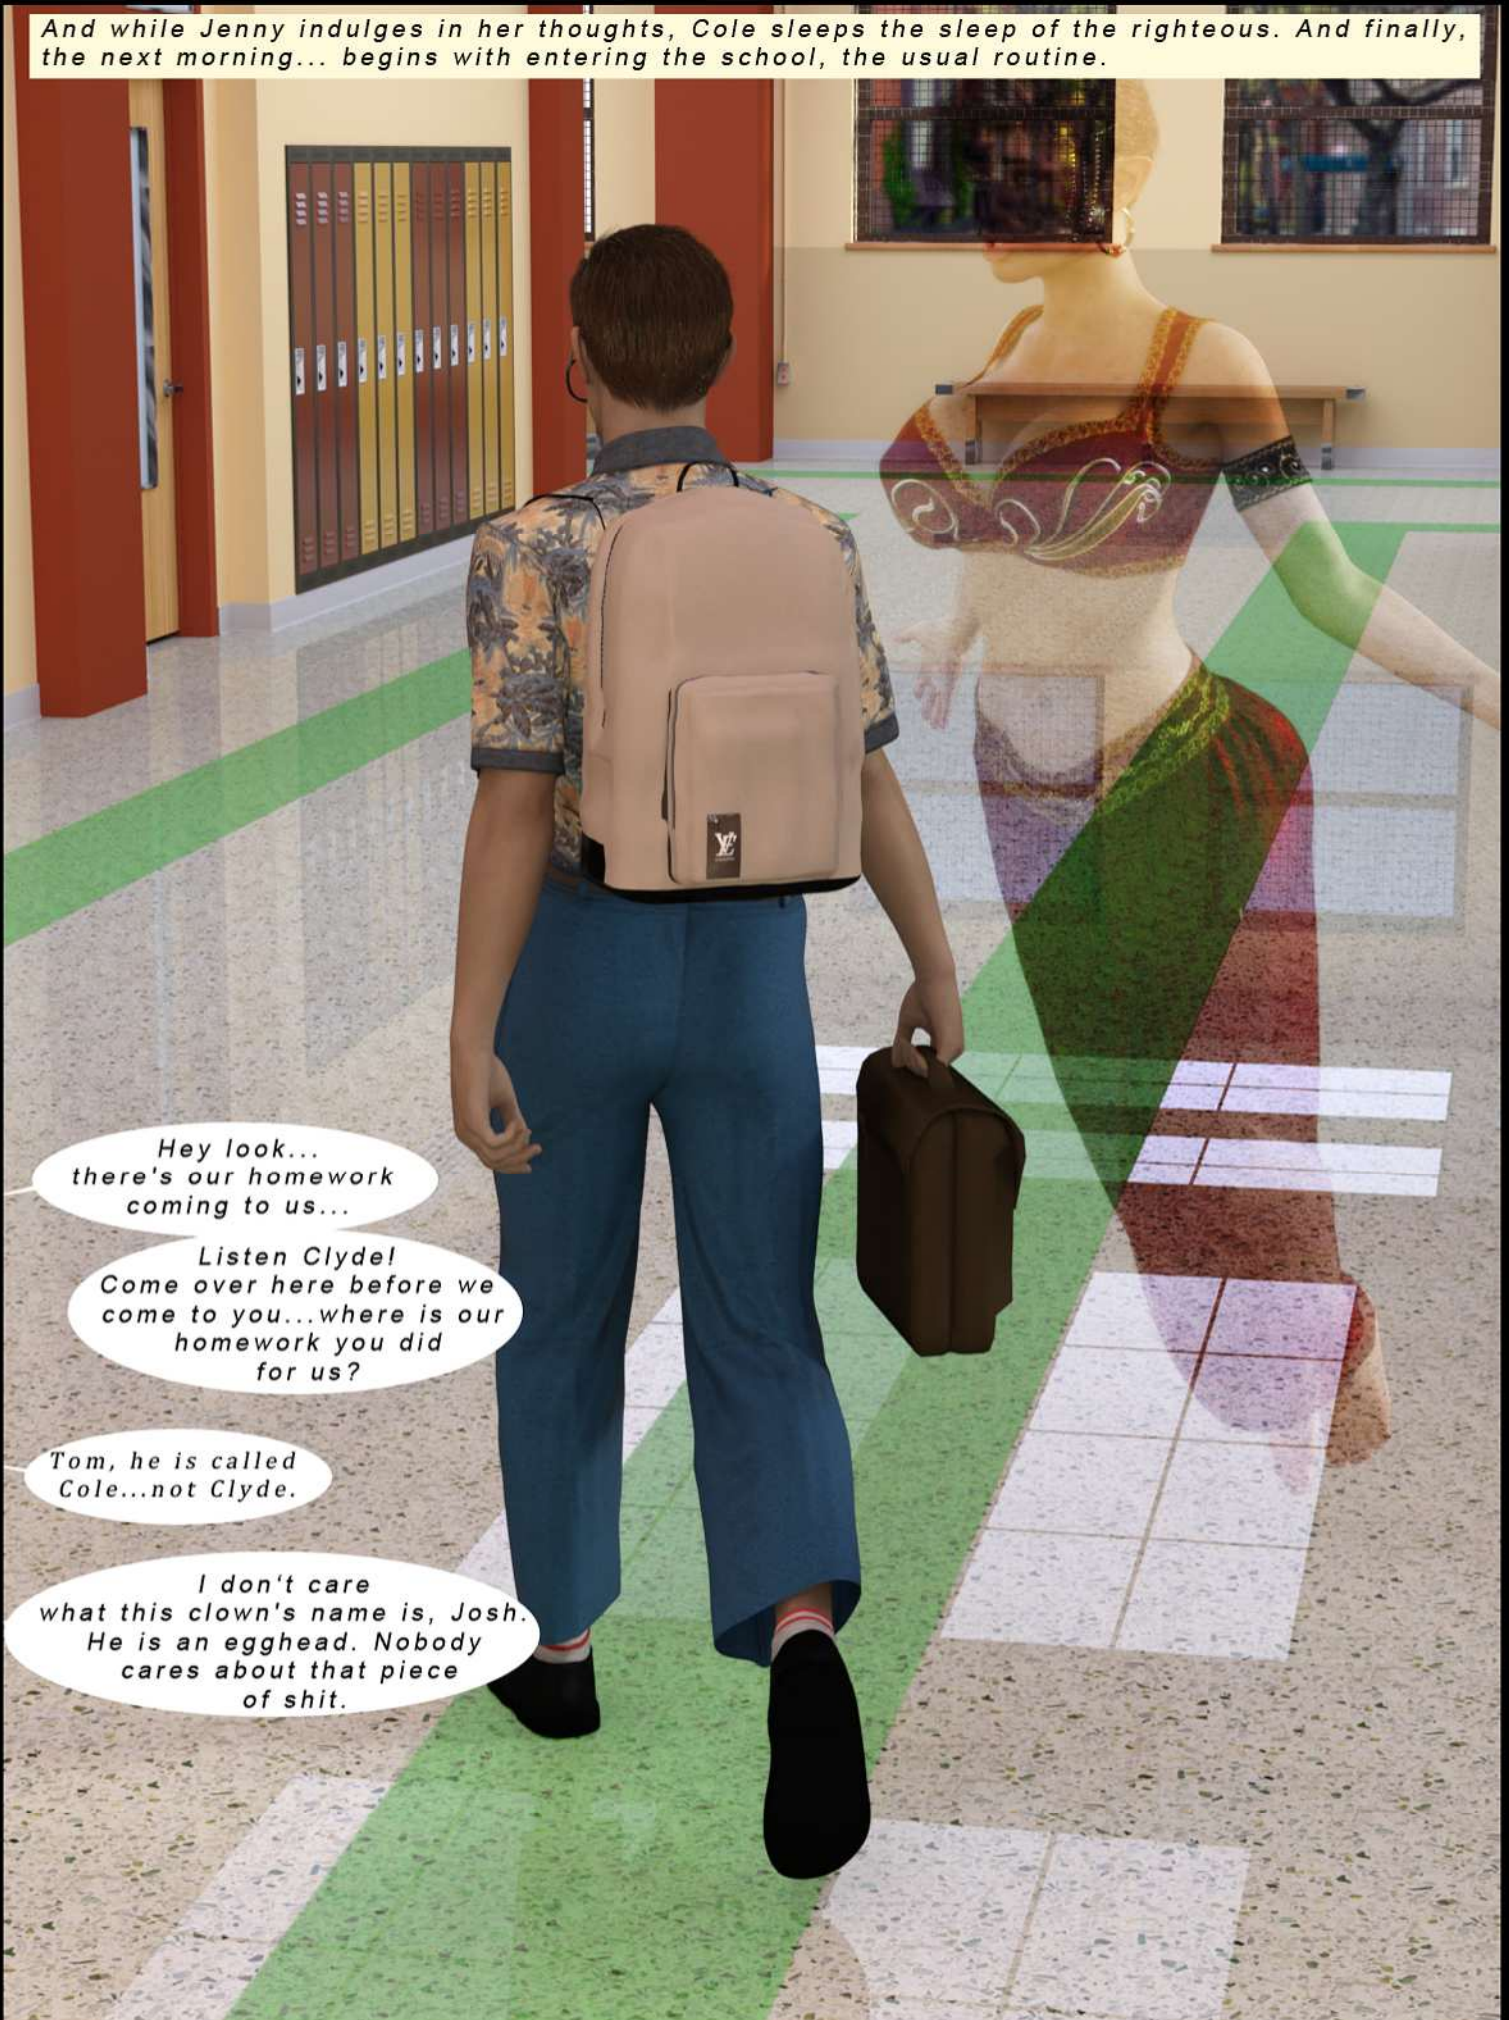

Like all the  
fools who mobbed me. They  
will all be my slutty  
fuck dolls. hehe

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

And while Jenny indulges in her thoughts, Cole sleeps the sleep of the righteous. And finally, the next morning... begins with entering the school, the usual routine.

Hey look...  
there's our homework  
coming to us...

Listen Clyde!  
Come over here before we  
come to you...where is our  
homework you did  
for us?

Tom, he is called  
Cole...not Clyde.

I don't care  
what this clown's name is, Josh.  
He is an egghead. Nobody  
cares about that piece  
of shit.

# The mischievous Bimbo Genie

*Master, these people seek to harm you for their pleasure, how about we change that?*

Good idea, Jenny.  
Let's start with my old childhood friend Dick...he betrayed my friendship years ago.

I wish that he would turn into a strongly cum addicted Girl, that every time, she drinks cum become more and more a Cumslut Bimbo, with huge tits, wide hips... the whole package.

Oh, is he ignoring us?

*Granted, Master.*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

I think I must have eaten something bad guys!

Dick...you run like a Girl!?

Yo, man, is it just me or does his shirt looks larger...I mean then usual...

These are...argh... stomach cramps! I'll... urk...see...

...you later. I need to get to a toilet now!

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Hole shit! Damn!  
My body! After all those hours of exercising  
to lose weight and gain muscles it's  
finally paying off...

Though why am I getting  
a boner in this situation?

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Damn! I look cute...so damn cute!

I'm a cute fucking Girl!!!

You sure do look like a Girl to me...and you are also standing naked in the boys toilet.

# The mischievous Bimbo Genie

WHAT THE!

Oh, Damien...  
it's y...

You know my name?  
But...I can't say I remember  
yours. But there is a slight  
similarity to a guy  
I know...Dick.

eeEEEK!

Do you know him?  
Is he here? Did  
he bully you? Is that  
why you are naked?

# The mischievous Bimbo Genie

No...no...I...ahm...  
he did not. He is a good  
guy you should know...  
always funny.

Always funny you  
say? I would say: Always  
hungry...hehe.

I should go...  
I need...um...some clothes.  
See you, Damien.

Yeah he really is  
always hungry...teehee...  
And I am hungry too.  
Hungry for...

Excuse  
me?

\*PANT\*  
...cock?!  
\*PANT\*

# The mischievous Bimbo Genie

I dunno why...  
but I absolutly WANT  
to suck you dry...

"PART"

Wait...  
WHAT? You...  
want?

"CANT"  
I somehow NEED  
very single bit of you...  
pretty please.

Ughh...  
your hand is  
on my...

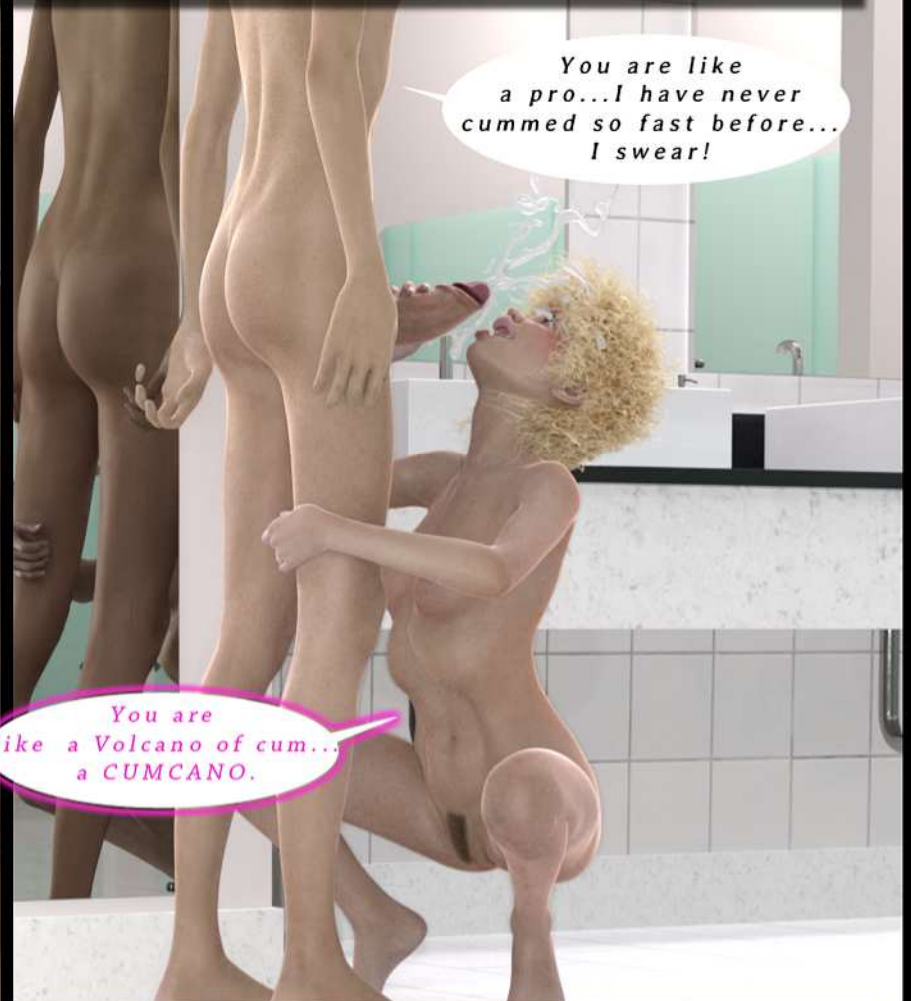

Cock?  
Yea...I can feel him  
pulsing...so strong  
and BIG...

# The mischievous Bimbo Genie

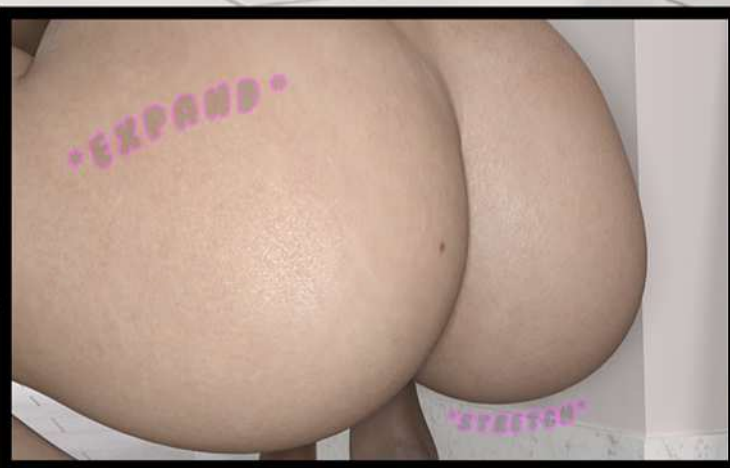

# The mischievous Bimbo Genie

Dick's, or rather be now Ricky, can't explain her transformation into a woman...but that doesn't change the fact that her desire for Spunk is rapidly skyrocketing.

Which in turn causes changes to your body as soon as it comes into contact with the liquid.

# The mischievous Bimbo Genie

And while her growing blonde hair frames her uplifting face, her thinking ability is declining alongside her intelligence, which will lead her into becoming the new Cumslut Bimbo Cole wished for...

Give me a moment  
Girl...I am exhausted.

\*pout\*  
THAT was it? Awww,  
come on...

\*giggle\*  
Look...there is still  
like some yummy spunk  
coming!

# The mischievous Bimbo Genie

Dude, look at  
this bitch. Move aside  
it's my turn now.

Have fun, Pal.  
She blows like a pro It's  
Unbelievable!

# The mischievous Bimbo Genie

Meanwhile, Cole sits in the subject of sexual Ed and does what he does best... discuss.

Mr. Plast, your theory of Sexual education is outdated and just plain stupid. You say it's God's will, I say it's humbug.

LGBTQ Enlightenment is needed and you say it should be forbidden because, a not existent God created Male and Female?

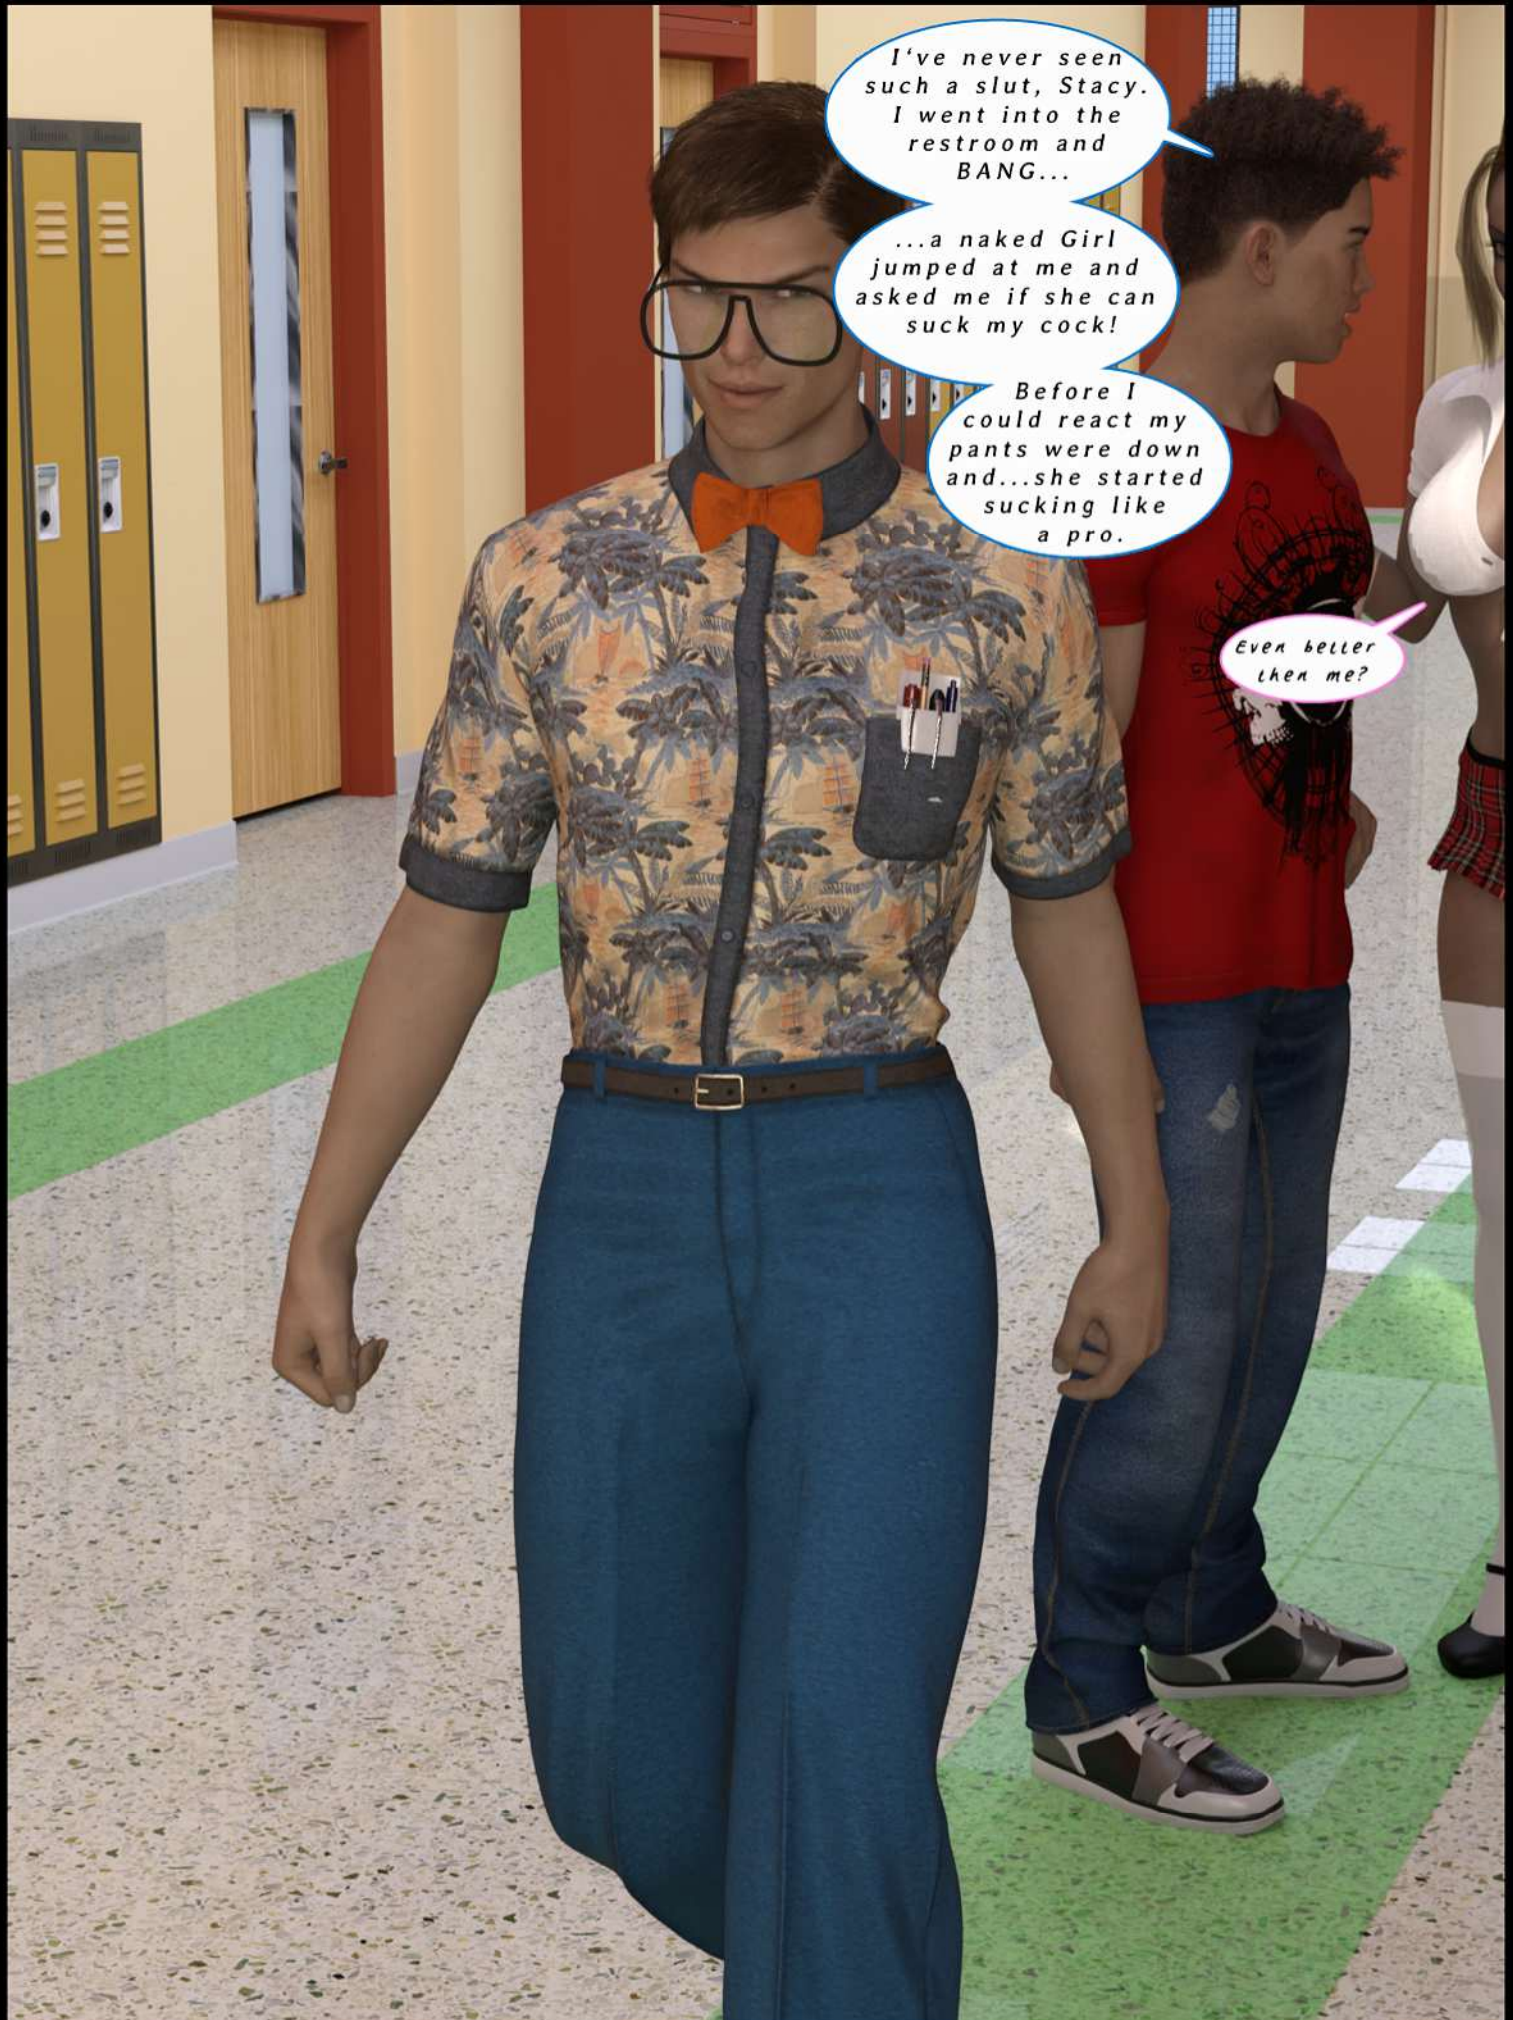

Where are your arguments? Where are the facts? All you have is your old book... the oldest porn ever.

What is „SIN“?  
For me it is a Sin to add a 2 where only 0 and 1 exist.

Oh, but we can discuss this later. I need to visit the restroom.

Master...you should go to the restroom. There is a surprise waiting in there.

# The mischievous Bimbo Genie

I've never seen such a slut, Stacy. I went into the restroom and BANG...

...a naked Girl jumped at me and asked me if she can suck my cock!

Before I could react my pants were down and...she started sucking like a pro.

Even better then me?

# The mischievous Bimbo Genie

Unbelievable...  
the wish it worked, and pretty  
well I might add. What a  
view Damn.

Like O! M! G!  
What is happening  
to me? THIS must be a  
dream...no a  
nightmare.

That is easy, Dick.  
You are turning into a Cumslut  
Bimbo. Sexy as hell, dumb and craving  
for sex and cum. Every drop of ejaculate  
you consume changes your body  
and mind more and more.

Huh? Cole?  
Where...did you...ah...  
now I like totally  
see it clearly!

THIS is your  
fault! What did...how  
did YOU do this  
to ME?

# The mischievous Bimbo Genie

What the...

I will slap you so hard for this!

Am I shrinking?  
What da fuck?

Because I wished that this would happen, Dick. And believe me. This is just the beginning for your journey as Cumslut Bimbo.

Oh...it seems that the cum in your stomach counts too. Interesting.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

*\*pout\**  
Are u like serious, Cole?  
*\*giggle\** even my old cawck  
was waaaay bigger.

*Wow...even  
Genghis Khan had a  
larger one...*

*She is not wrong,  
master. With this size and  
your lousy popularity....*

*...why don't you  
wish to become a popular girl? All  
your problems would be solved.*

You're  
trying again Jenny?  
Okay...

*I wish that  
my cock be the length and shape  
that most women here in the  
college would wish....*

*But...who  
cares...cawck is cawck,  
no matter how tiny.*

# The mischievous Bimbo Genie

*Damn it,  
I failed again?*

*Now I am worried...  
how much more will my body  
bimbofie this time?*

*It may be  
tiny...but it looks  
sooo yummy...oh?*

*\*Giggle\*  
THAT is what I call  
a CAWCK!*

*Oh...it's  
like totally growin  
an stuff?*

*I can feel  
the taste of your  
cum already...*

# The mischievous Bimbo Genie

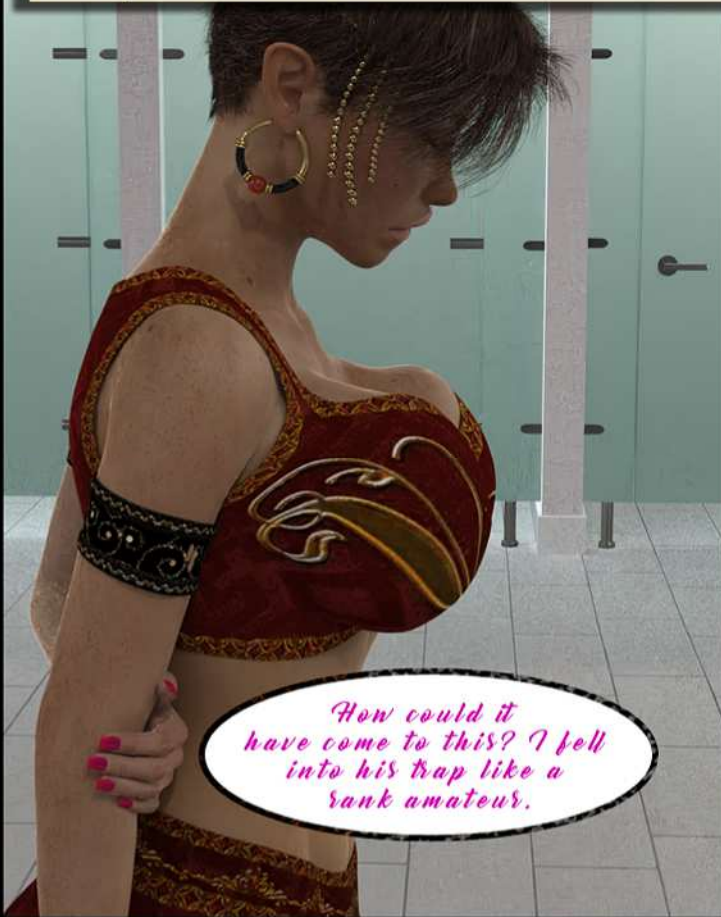

Interesting...I  
guess to women it is the size  
that counts after all.

Ohhh...yes!  
Delicious cum...  
come to me!

# The mischievous Bimbo Genie

And while Ricky and Cole have some fun, Jenny the Djinni, clearly feels the fruits of her attempt to deceive Cole.

# The mischievous Bimbo Genie

*I like  
totally have to  
find a way out  
of this...*

*But it is a  
magic contract. If  
I leave my Master I will  
cease to exist...*

*But if I try  
to be mischievous like  
I usually am, I  
bimbofie...*

*Like O-M-G!  
I feel another wave  
of pressure in my  
chest...*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

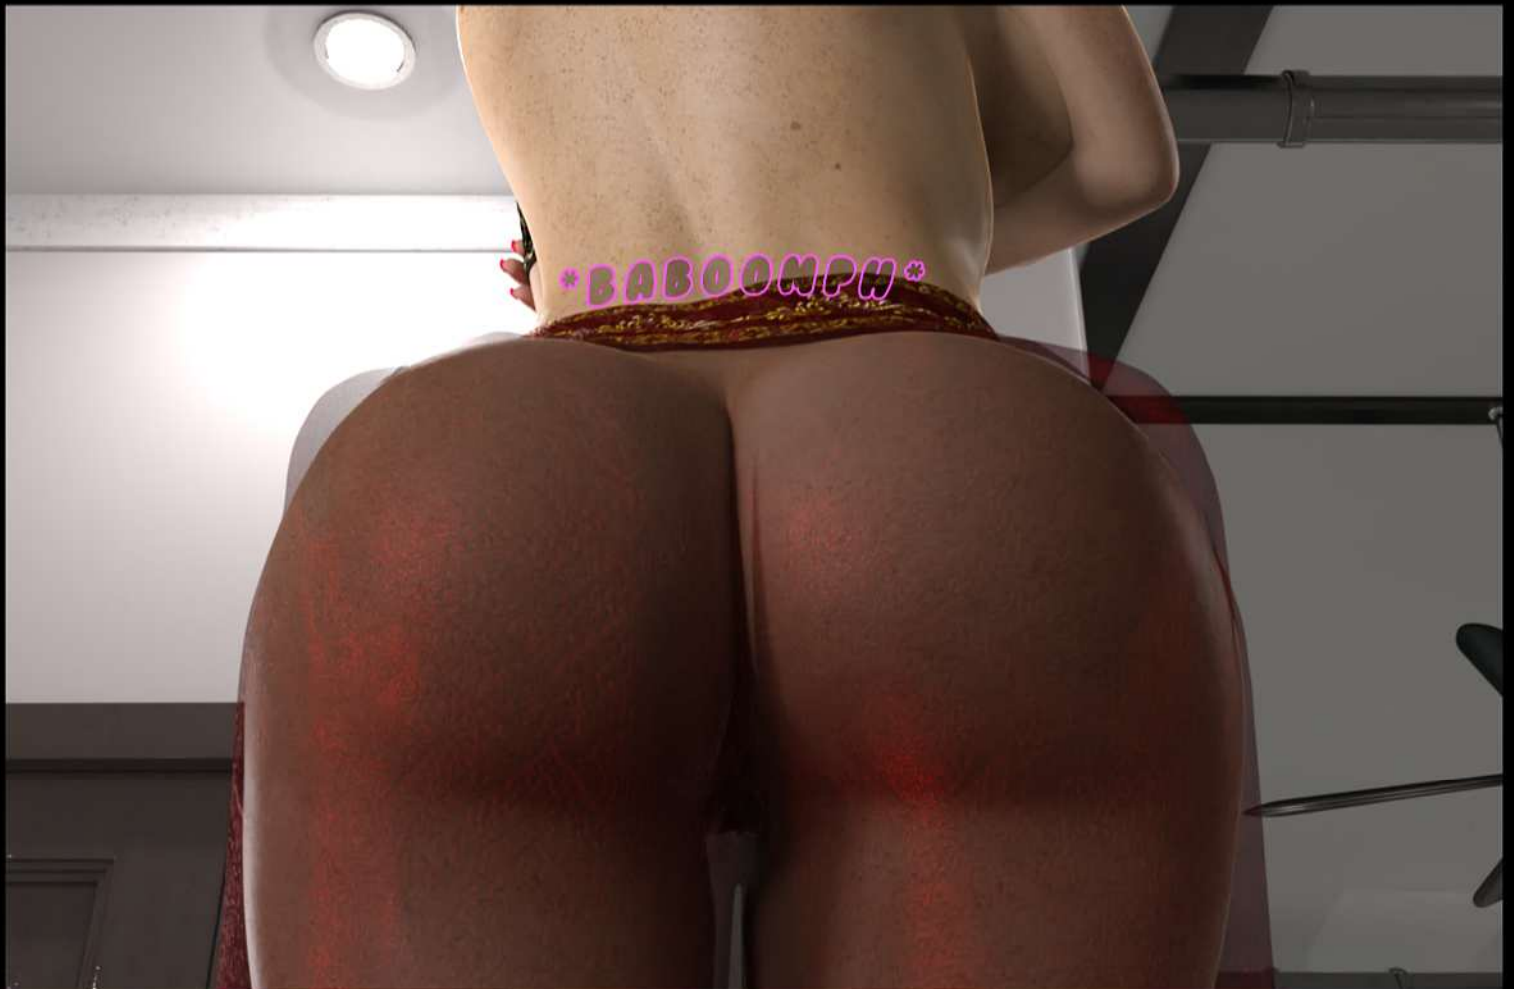

Huh?  
What now?

Haven't I changed  
enough already? These melons  
on my chest aren't exactly  
light as a feather.

\*JUGGLE\*

\*JUGGLE\*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

*Look at that piece of Ass.*

*I've turned into a hot chick who's look says: Hey...I'm ready for hant and steamy sex if you are!*

# The mischievous Bimbo Genie

But Jenny the Djinni was not the only one going through changes. Ricky's body and mind also underwent drastic changes, while her body consumed every single drop of Cole's sperm. She not longer remember being a guy named Dick...there is only Ricky, the Bimbo Cumslut left.

# The mischievous Bimbo Genie

But suddenly...

WHAT the heck is going on here?

I have received complaints that some sort of sex orgy was going on....

By God!  
Stop this sinful  
behavior immediately.  
YOU are sinning!

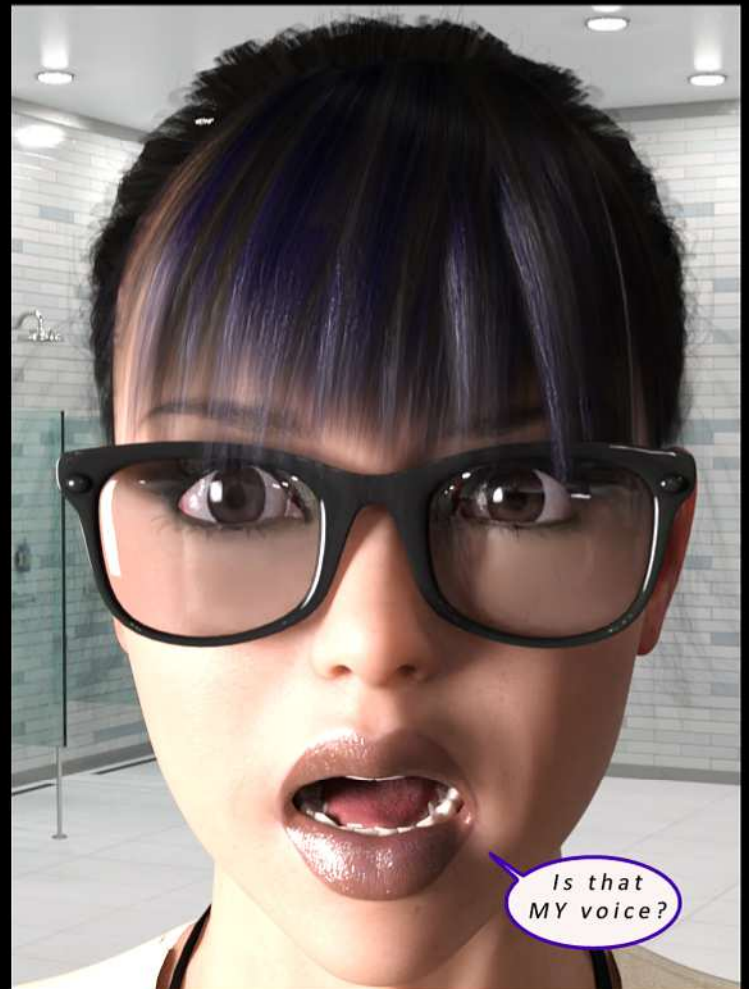

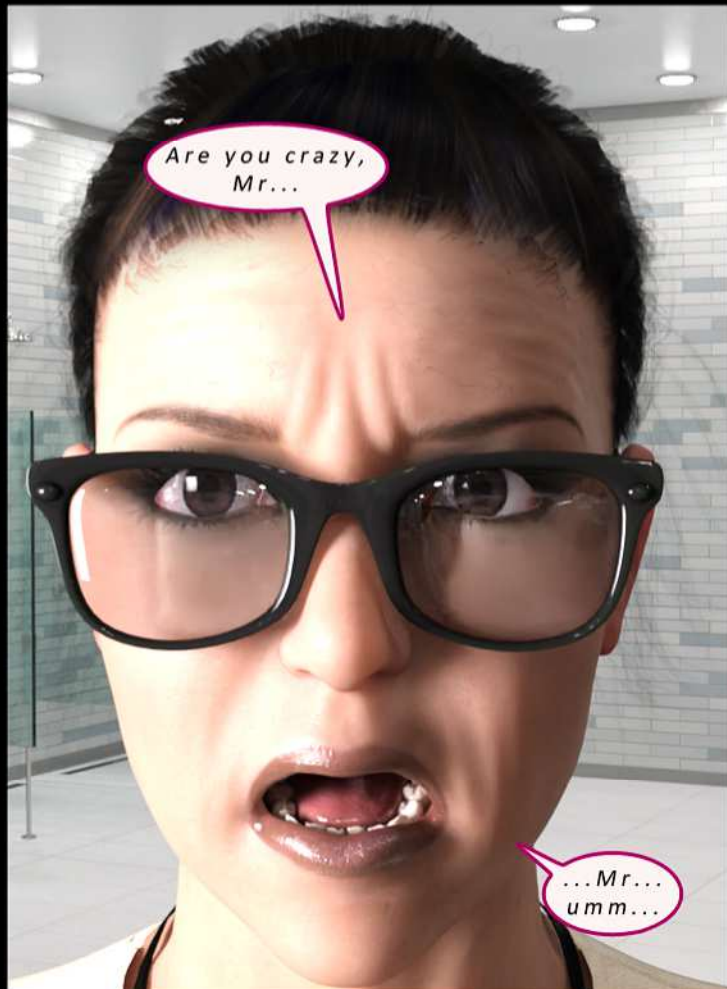

Mr. Cole Danville!  
I wouldn't have expected this  
behavior from you! Let go of  
this harlot immediately!

Like who  
is that old  
hag?

Not now,  
Miss Engstroem.

What? How  
dare you....I am the director of this  
institution and I will see to it that both of you  
are thrown out of the school immediately!

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Wait...  
where is my  
dress?

Cole?  
This is like so boring  
and stuff... can I suck your  
yummy cock some more?

# The mischievous Bimbo Genie

How is this possible? There is no way wishes don't come true... my life is great... ummm... what is with wrong with me my life sucks?

I'm 19 years old and a freshmen here in this college... which is **like totally** strange... because I also... ummm...

By the dark **lady Eve**, why am I wearing such **like totally** old woman Clothes?

Wait... are my clothes **like totally** changing?

# The mischievous Bimbo Genie

Am I like totally  
some sort of a bubblegoth  
Bimbo?

I'm like totally  
way to grey for  
my taste!

# The mischievous Bimbo Genie

Mr. Danville...how are you **like doing...**mhhh that to **like me?**

**Like Stop it right... uhhh... now!**

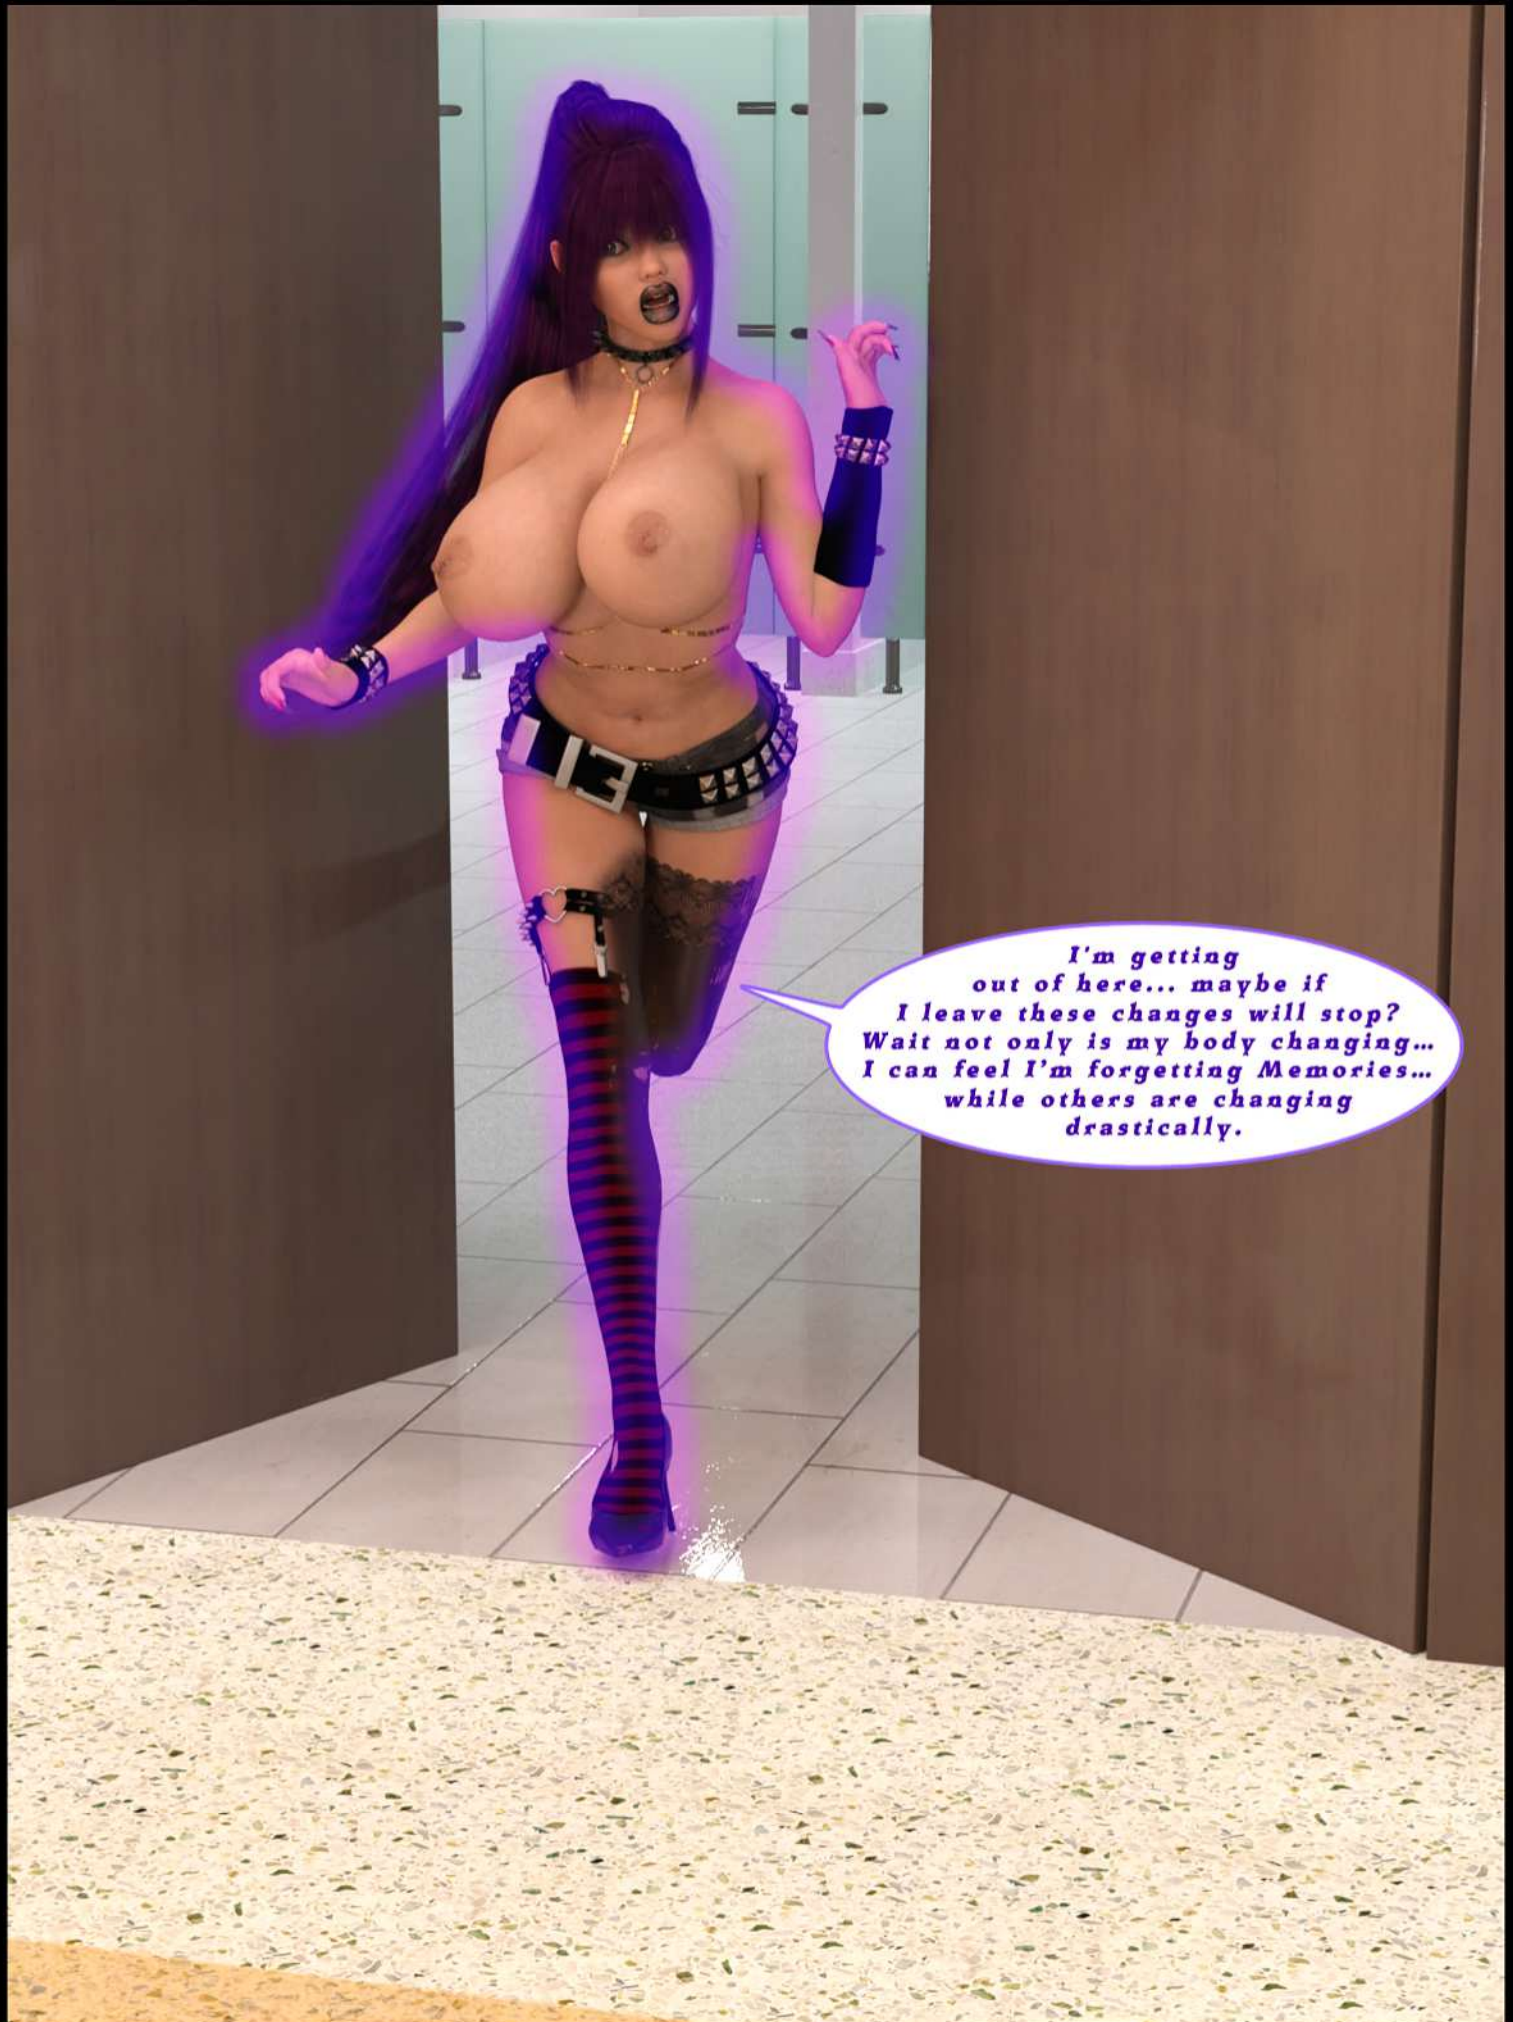

\*GROWTH\*

\*STRETCH\*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

*I'm getting  
out of here... maybe if  
I leave these changes will stop?  
Wait not only is my body changing...  
I can feel I'm forgetting Memories...  
while others are changing  
drastically.*

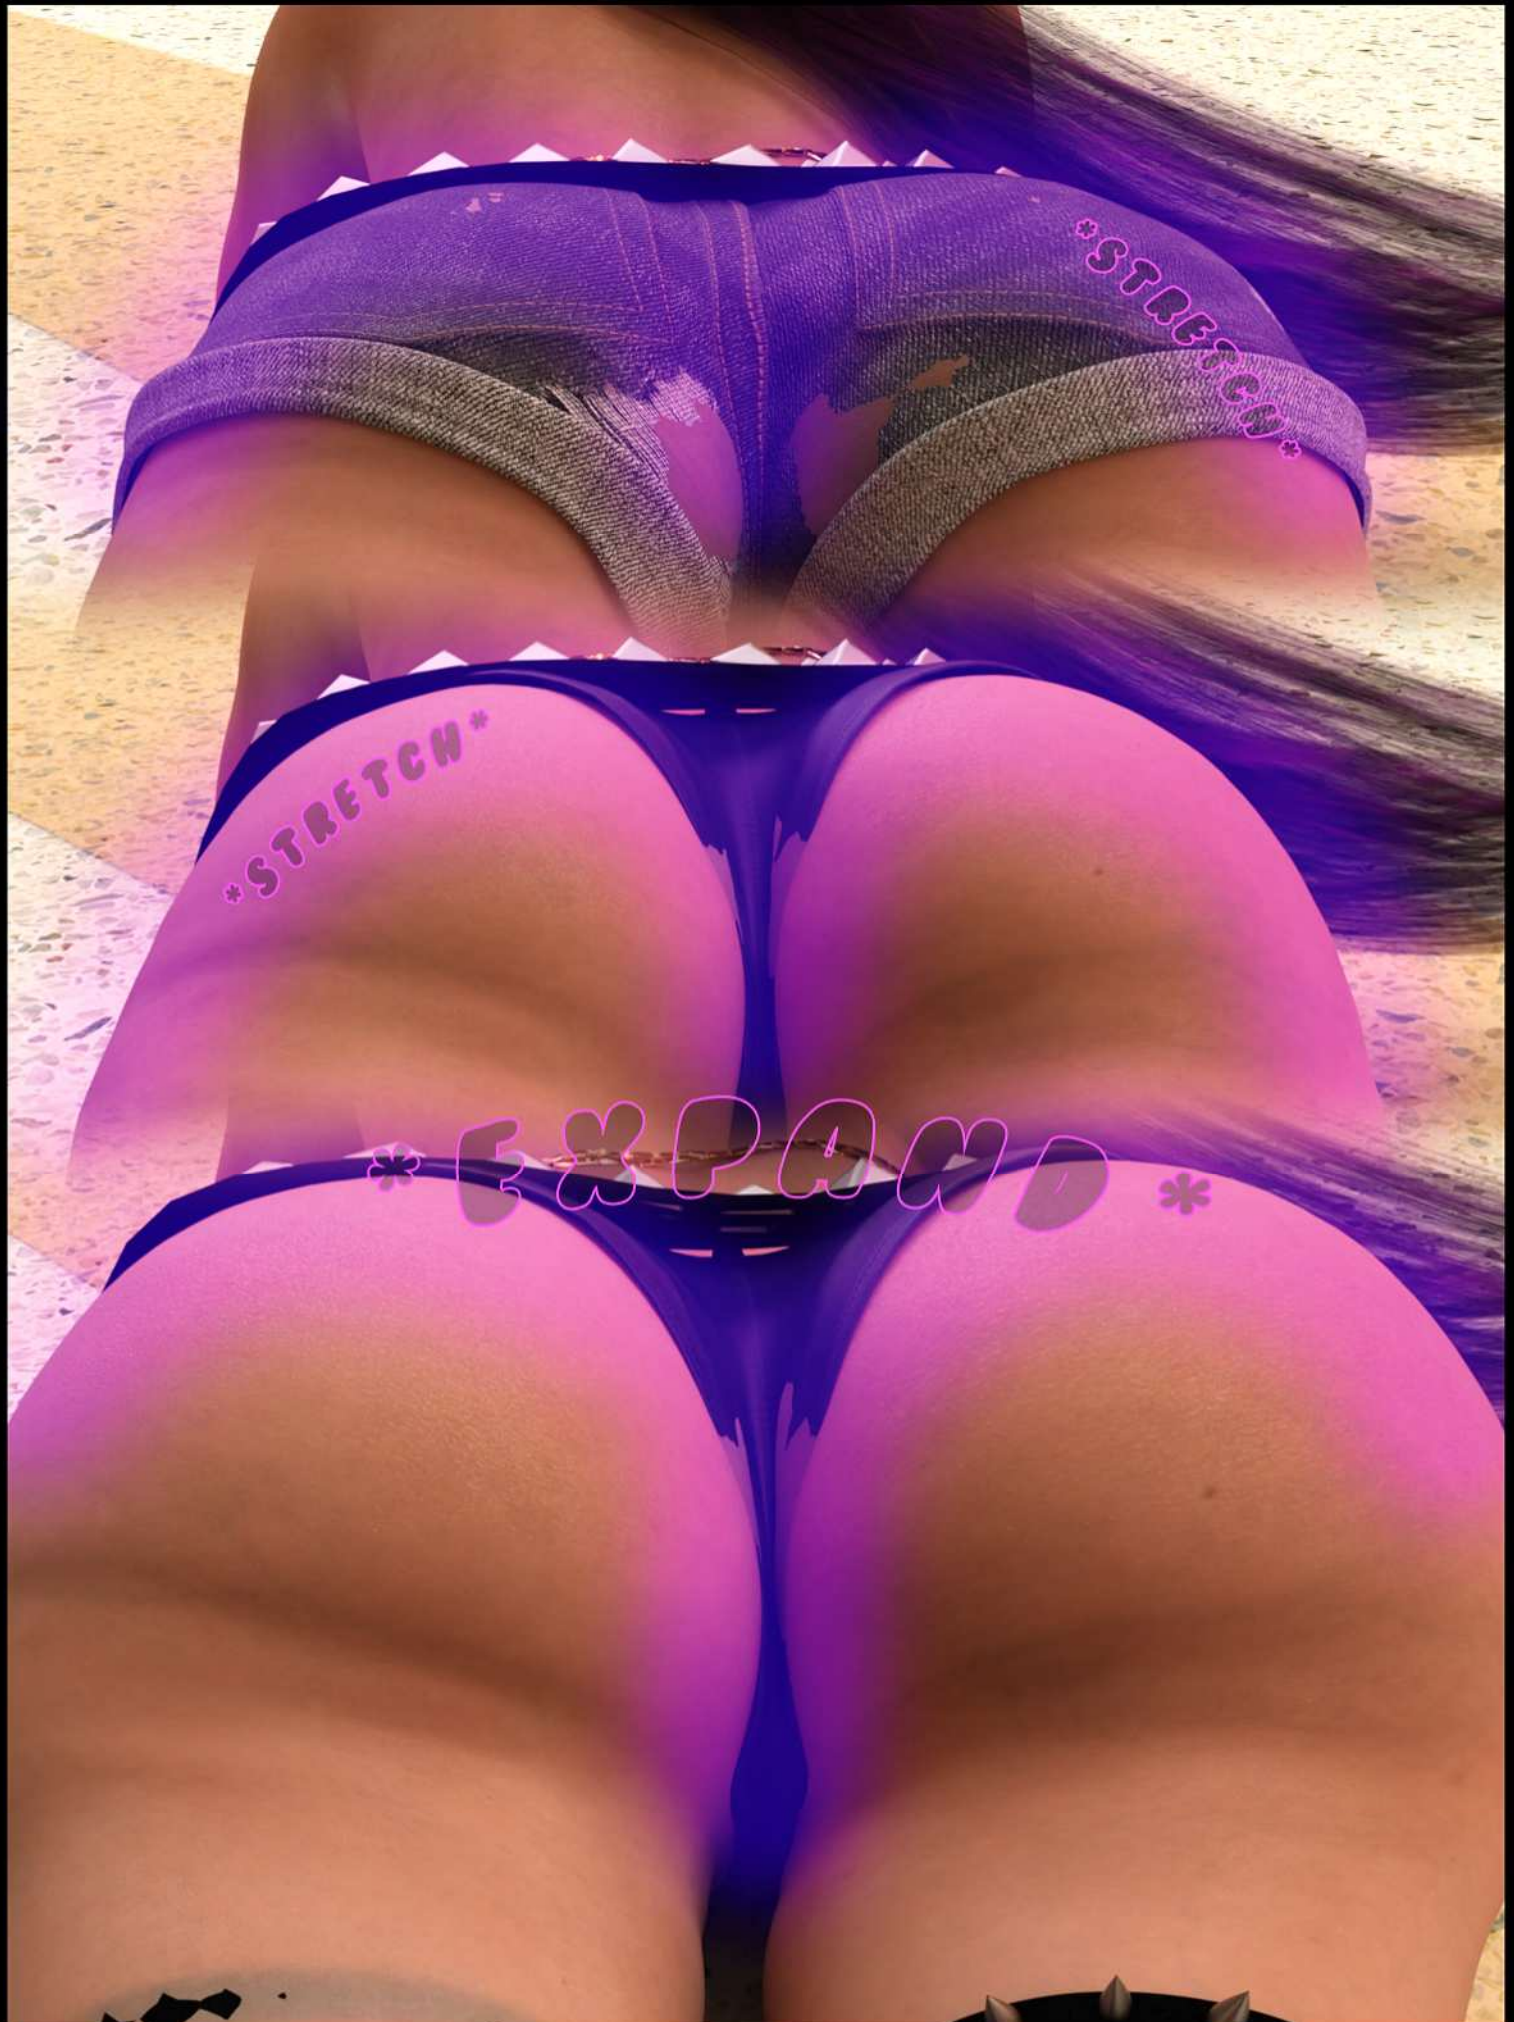

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

But suddenly...

Seriously?  
Look at this slut!  
Who is she?

Clearly, she is  
part of the local  
Goth scene.

*\*giggle\**  
Oh! Em! Ge! I should  
like totally go to my crypt  
and masturbate real  
hard an stuff.

I'm way  
to horny to hang around  
with all those lame normals  
here in this ab-sooo-lutely  
boring Edu... cati... um...  
what ever sheds.\*

\*Education shed - direct translation from the german word „Bildungsschuppen“. Pupulis who think that school is wasting their time often call school as „Bildungsschuppen“.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Oh Amber... you are here? Was your stream successful? I would say it was at least lustful, huh?

*\*snort\**  
you can bet on it. Cole!  
Have fun too?

Yeah... day of the Nerds I guess. It seems that we both had some fun.

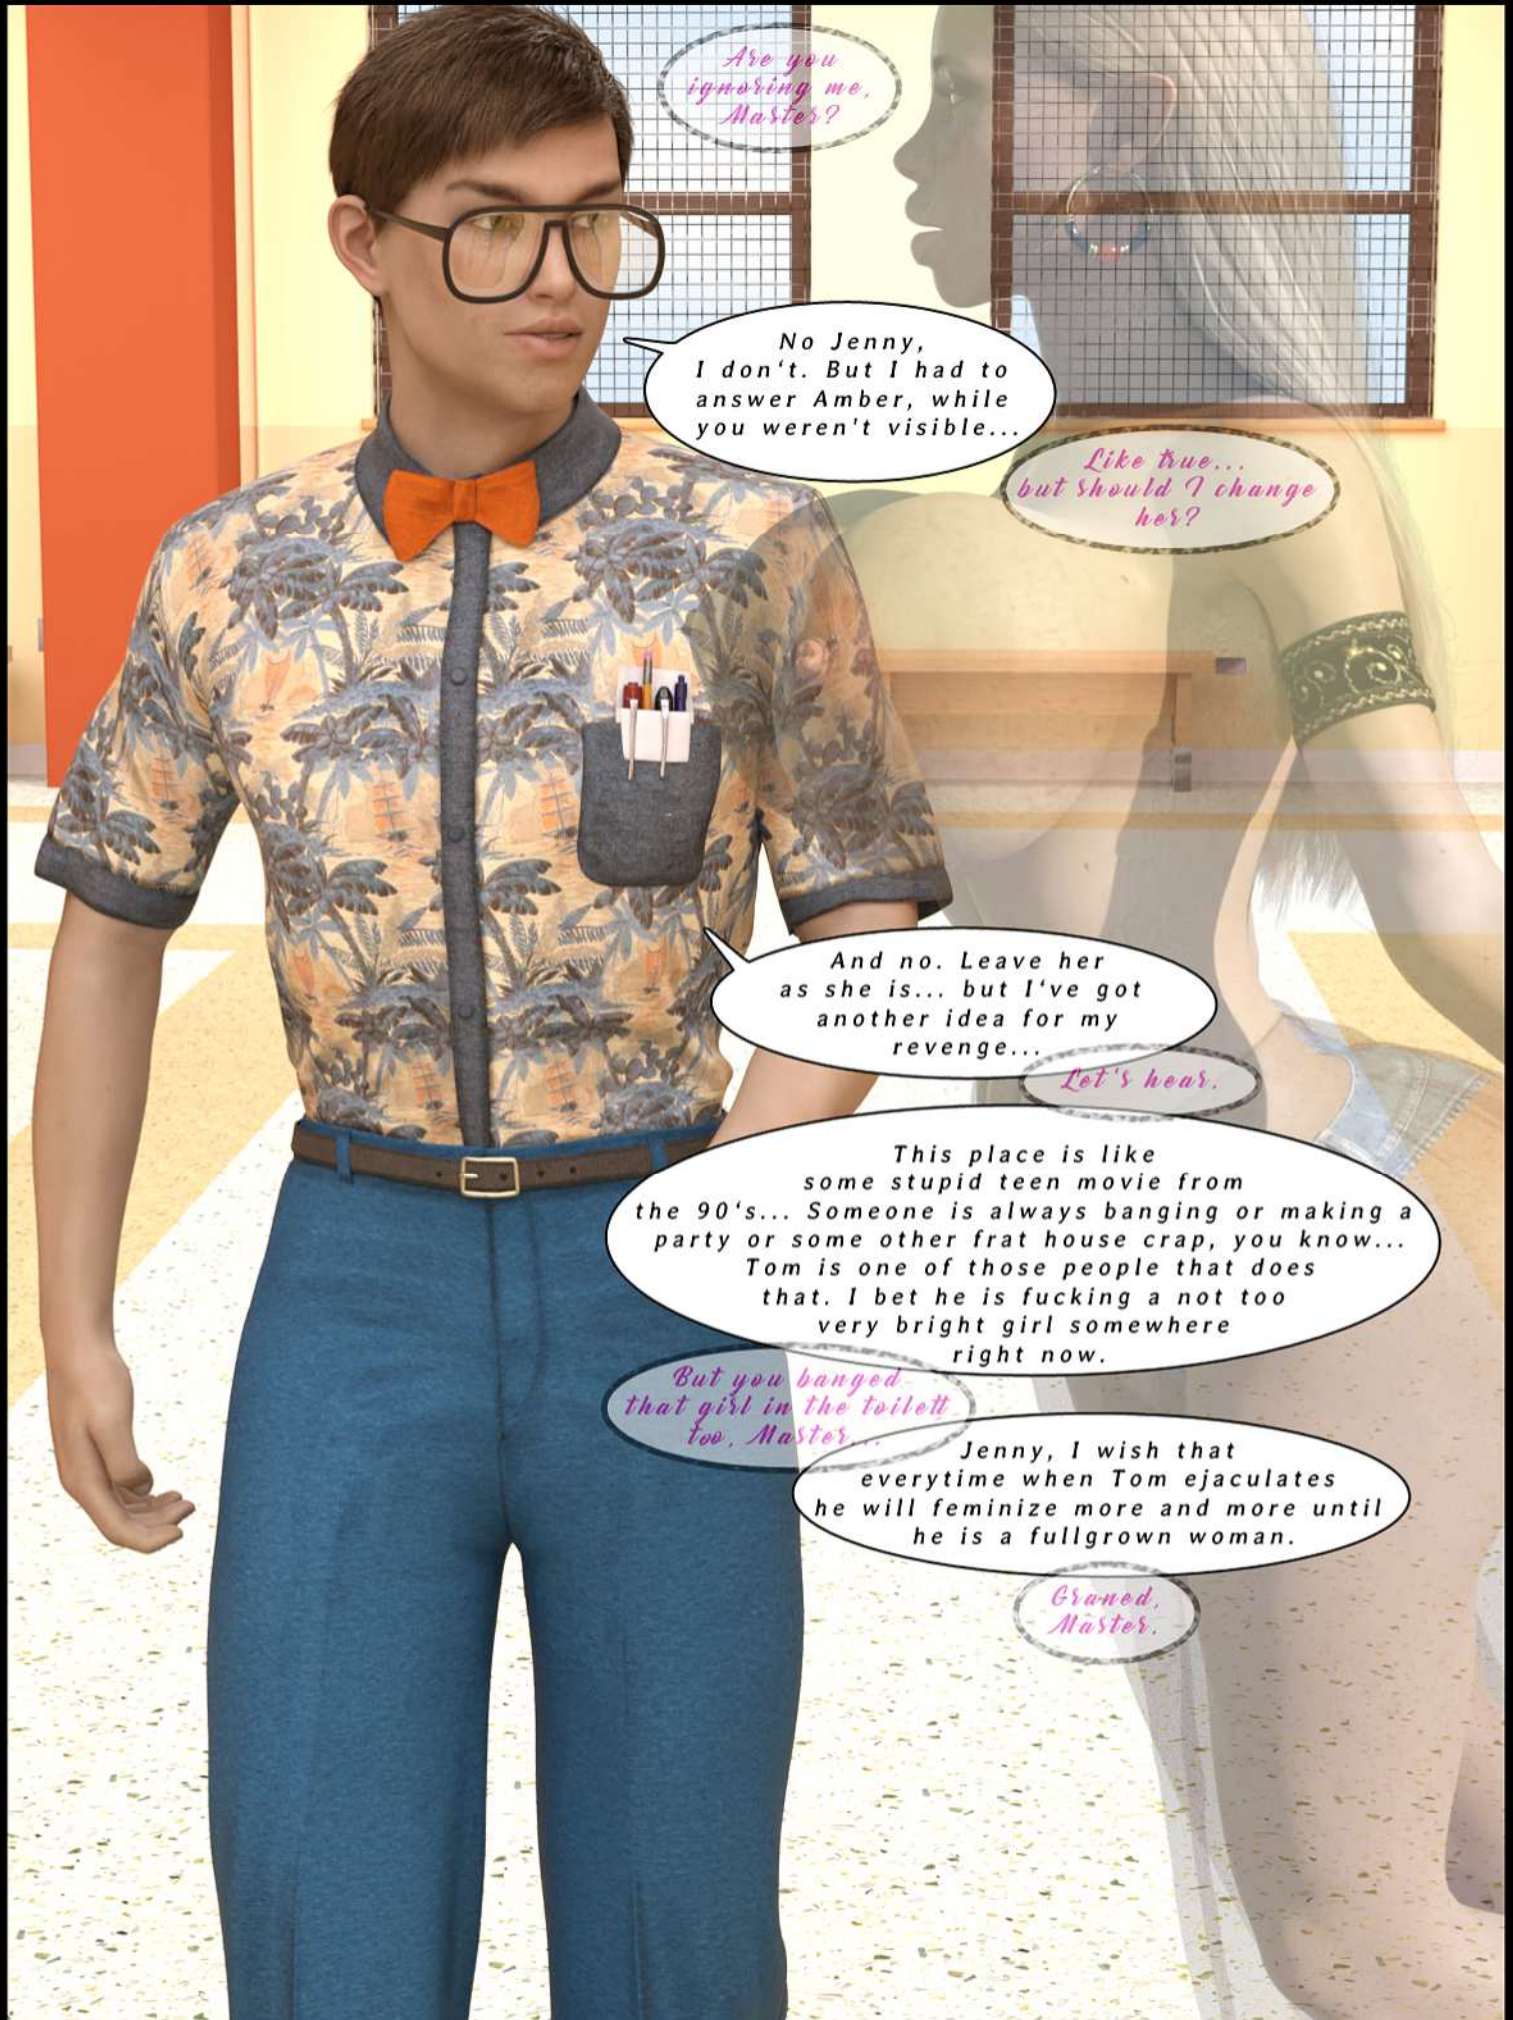

In any case,  
I've never had so many likes during a stream.

*She is in the best situation, master. Should I turn her into a horny slut too?*

Alright...guess I'll see you at our next DnD session.

See you later.

# The mischievous Bimbo Genie

*Are you ignoring me, Master?*

No Jenny, I don't. But I had to answer Amber, while you weren't visible...

*Like true... but should I change her?*

And no. Leave her as she is... but I've got another idea for my revenge...

*Let's hear.*

This place is like some stupid teen movie from the 90's... Someone is always banging or making a party or some other frat house crap, you know... Tom is one of those people that does that. I bet he is fucking a not too very bright girl somewhere right now.

*But you banged that girl in the toilet too, Master...*

Jenny, I wish that everytime when Tom ejaculates he will feminize more and more until he is a fullgrown woman.

*Granted, Master.*

# The mischievous Bimbo Genie

Meanwhile in the boys locker room...

Ohhh...  
Tom... you are  
splitting me in two  
with your errupting  
vulcano!

I know  
Tina... I'm the  
best you've ever  
had!

But this  
load is truly amazing...  
I don't think I've ever cum  
that much.

TOM...  
So... rude! I'm  
Cassy.

# The mischievous Bimbo Genie

Don't make a scene. I don't care what your name is. You we're a good fuck... later I'll fuck another girl.

And I bet she will be better then you we're, Slut.

That hurts...  
I... I've never felt so humiliated before.

\*sob\*  
That... wasn't very... \*sob\*

I don't care. Now leave or are you ready for another round?

\*sob\*  
That... wasn't very... \*sob\*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Meanwhile...

*Now I have found  
your weak point, Cole. I can  
influence Amber accordingly without disobeying  
your wishes and having this bimbofication effect  
change me further...*

*... by using Amber  
I will be able to behave according to my  
Djinn nature and be more  
mischievous.... hehe*

# The mischievous Bimbo Genie

Meanwhile, Amber is not just sitting idly by.

Jackpot!

It's like  
a gold mine  
for me...

... First those  
two goths and now  
these two here...

Tom the most  
popular Guy here is fucking  
Ricky the School Stud right  
here on the school floor...

I never imagined  
that voyeurism would turn  
me on so much...

... good thing  
that no one can see how  
wet I am right now.

but I'm not  
sure... is it ok to watch other  
people while they fuck... or  
my increasing number  
of watchers?

# The mischievous Bimbo Genie

What Amber isn't seeing is that Jenny, who is not visible to her, is twisting her mind, and behavior with hypnotical suggestions, so Amber can be the intrument for Jenny's mischivious ambitions...

*You enjoy watching it... but you want to be fucked too...*

*... your wet snatch is so cock hungry and feels so empty...*

*Cole is the key and you know how to use that key, Amber...*

*Seduce him to make wishes for you... manipulate him.*

# The mischievous Bimbo Genie

What The Fuck!

WHY IS MY  
DICK GETTING  
SMALLER?!

umm...  
Tommy... don't get  
me like totally wrong an' stuff...  
but ur PeeWee like always  
sooo small...

*\*giggle\**  
*\*giggle\**

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

In the nearest bathroom (the one Ricky has left before)...

This can't be!

What the hell is happening to me? My muscles... my Hair? Even my dick have changed.

This isn't normal. I've got to find out what is happening here. I look somehow...

... like I'm more like a boy than a man.

# The mischievous Bimbo Genie

While Tom is still looking at his feminizing body in horror in the toilet mirror, a hard day comes to an end for the students and in front of the school building...

Hey Egghead!

Seriously, Richard. Right now is a very bad time.

I've a DnD session tonight and a lot of work.

Oh... really? I assumed you would spend your days wildly fapping on your PC, looking at cheap websites with fake women.

Time for a new wish, Jenny. Richard's family is very rich and affluent. Accordingly, he himself is arrogant.

I wish that the moment he sees his mother and sister at home together...

... they will transform before his eyes and a short time later he will also change.

His mother is supposed to become a manipulative Gold Digger, she will be the smart one and she helps them to stay wealthy...

... his sister will be a bitchy social media slut and not very bright...

... while Richard himself will become an airhead webcam whore who loves to cosplay and RPG's.

All three are said to spend an enormous amount of money on plastic surgery so their curves look very fake.

As you wish, Master. Granted.

# The mischievous Bimbo Genie

While Richard is still indulging his airs and graces, he arrives at his luxurious estate...

Finally... they should forbid the simple mob from being allowed to ride the subway with us rich people...

it is already honor enough that they are allowed to breathe the same fresh air as us... but one day I'll buy my way into politics, become the president of the country and then... yeah, that sounds good.

Listen, young Lady. You're not going to the gala wearing that obscene outfit.

You show more skin than an ordinary street slut without money, no, you can even see your silk panties.

Think of your elevated status. You represent our family at this benefit gala. Go, change your clothes.

Or I'll cancel your credit cards.

But Mother, I ...

Hi Mother, hi Grace...

... Oh... A woman's talk... I better not interrupt.

# The mischievous Bimbo Genie

And so begins Cole's wish.... Orl should saycurse... starting to take effect. It starts, of course, with the oldest person in the room, with Frida, Richard's snobby mother....

# The mischievous Bimbo Genie

She is changing... \*giggle\*  
Like what should I do?

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Why did  
Grace call me  
sister?

Am I  
changing  
too?

Good God...  
what if I change  
too?

Am I  
turning into  
a girl?

I have  
to fight  
it!

Look, our  
little dummy is trying  
to think hard...

Grace,  
be nice to your sister.  
You're not exactly the brightest  
candle on our family  
cake either.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

But Mum...  
maybe she hasn't seen  
enough YouTube videos  
about it...

... shouldn't we  
sit down together and do our  
make-up together? That way she'll  
learn your make-up tricks too.

**HEEEY?!**

*That sounds  
like a good idea, Grace.  
Professional make-up tips from  
me can't hurt you both...*

I'm not  
even a girl...  
I don't want to  
wear make-up.

# The mischievous Bimbo Genie

I must remain steadfast... I have to find a solution...

Mum? What did Riri like tots mean by not being a girl?

Nothing Grace. Your sis is just a typical Bimbo. Who knows what she is thinking right now...

... damn it...

... My chest feels so wobbly and jiggly.

# The mischievous Bimbo Genie

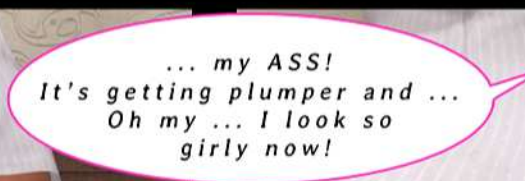

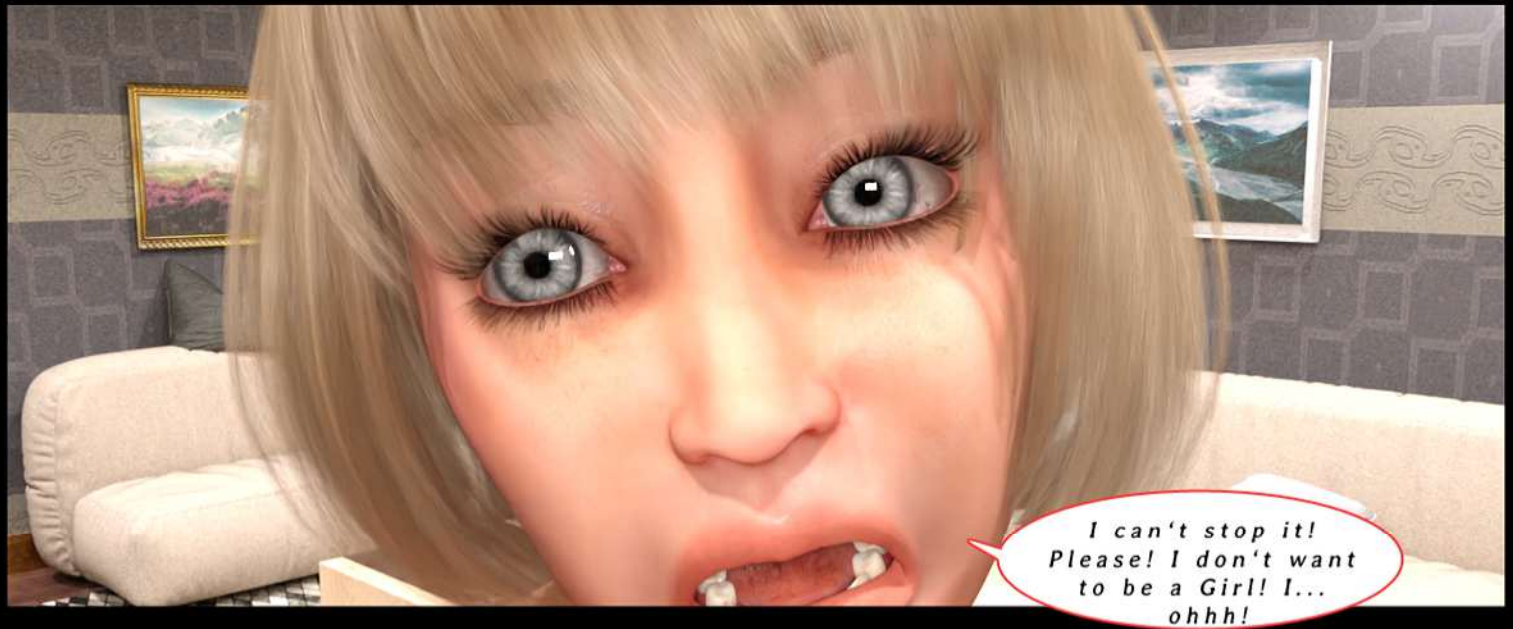

Oh, no... Whatever is causing these changes seems to be accelerating... My clothes...

... my pants, my shoes... all of them became too big for my body in just a few minutes and slipped right off of me...

... and the worst part... I'm growing breasts! These are definitely female breasts on my chest.

# The mischievous Bimbo Genie

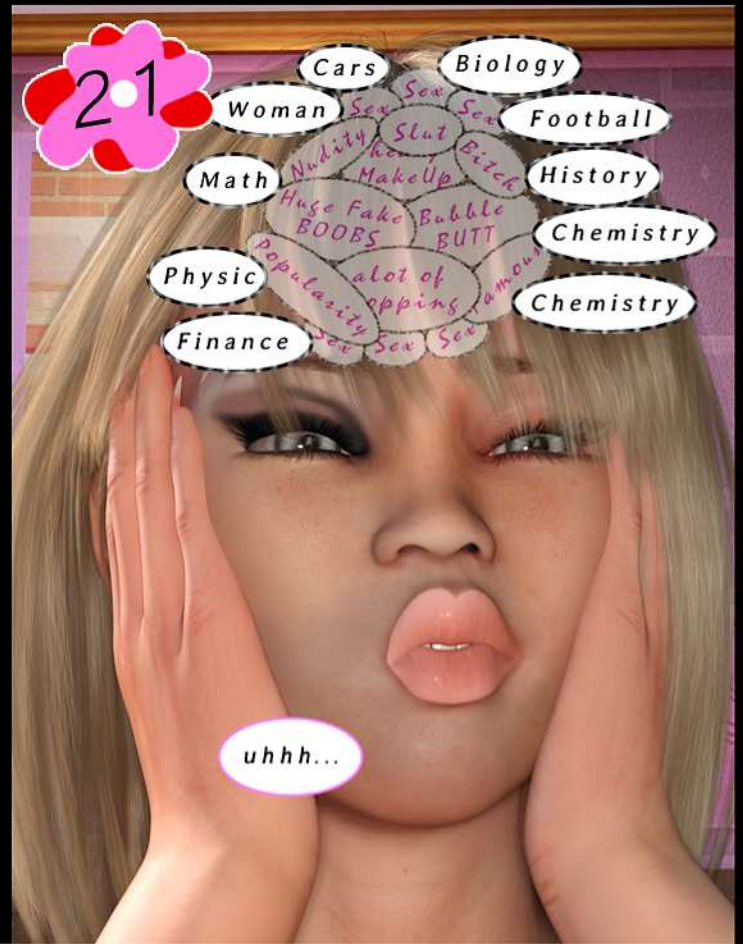

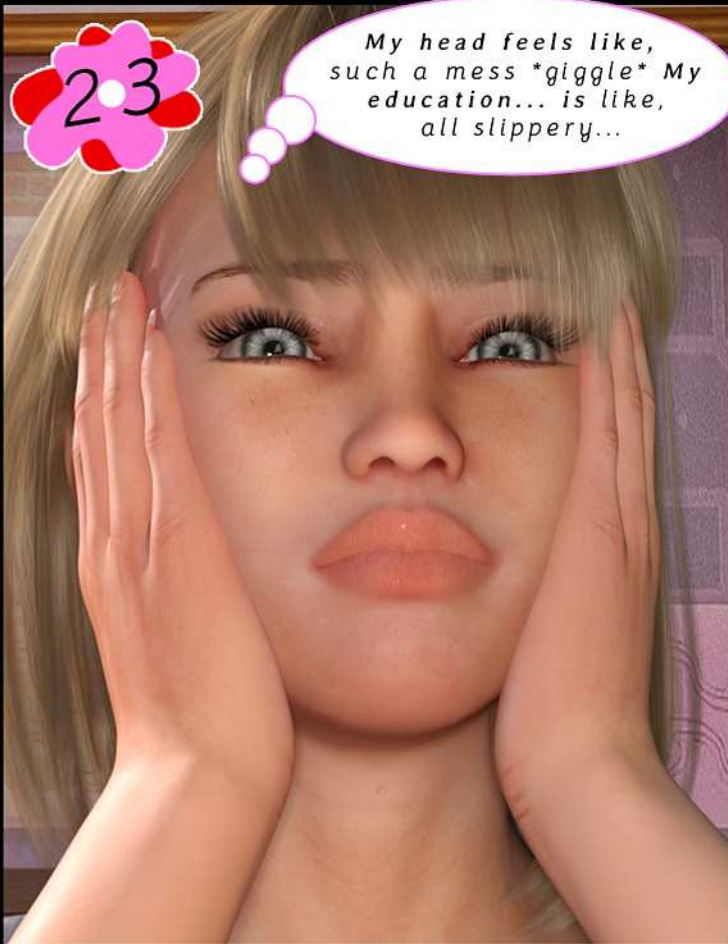

# The mischievous Bimbo Genie

Oh my God!  
My ass looks so gigantic.  
Round and fat... As a man,  
I shouldn't have such...  
teehee hawt curves.

# The mischievous Bimbo Genie

While Richards old personality changes, his Age regress... becoming 18 again meaning that much of his old education has vanished and has madeplace for far more importing things for the Teenage Bimbo Riri.

# The mischievous Bimbo Genie

Ohhh, now  
I like, totally got it...  
my body got smaller while  
I became more of a  
Grl.

My shirt  
looks like more like a  
robe then a shirt now. \*sniff\*  
What the hellis like, totes  
wrong with me...

Buut at  
least are my thoughts all  
clear an stuff... the usual as  
like, always... Guys... partey  
party with the girls...  
cawcks...

Guys? Cawcks?  
Wait, what?

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

But Richard's transformation into Riri is not yet complete... neither is he fully a woman, nor is his mind of pink clouds in full bimbo mode yet.  
But Jenny's magic is constantly working at a steady pace and so...

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Wait... what  
am I talking? Shit!

Hmmm...  
Riri's tits feel, like,  
sooo good...

Me bet all  
the bois are jerkin' off when  
they, like tots see Riri's, like, ultra  
mega giga jugs online.

Teehee  
Jerkin' their cawcks  
makes Riri, like, all woozy.  
Riri is, like, such an  
always horny  
Bimbo.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

As Riri's body undergoes its last transformations, her new personality emerges. The growth of her ass cheeks and the expansion of her hips not only reshape her physically but also contribute to the consolidation of her newfound mental attributes.

And after her first female orgasm, Richard is history and instead...

# The mischievous Bimbo Genie

Richard, the arrogant brat of a wealth-indulged high society, is no more. His entire family has undergone a fundamental transformation. Richard is now Riri, a fiercely passionate young adult who not only adores the Bimbo lifestyle but wholeheartedly lives it. Although her intellect has rapidly declined, Riri's education now only rests at a basic level – a fact that doesn't dampen her enjoyment in the slightest.

Even her family underwent a dramatic transformation. Riri's mother, once a successful and tough businesswoman for whom appearances were fundamentally crucial, is now on an eternal quest for credit cards from well-off gentlemen. Riri's little sister has become her big sister, indulging in the Bimbo Lifestyle just like Riri. While Riri prefers streaming on "OnlyWatchers," her sister goes from one party to the next.

# The mischievous Bimbo Genie

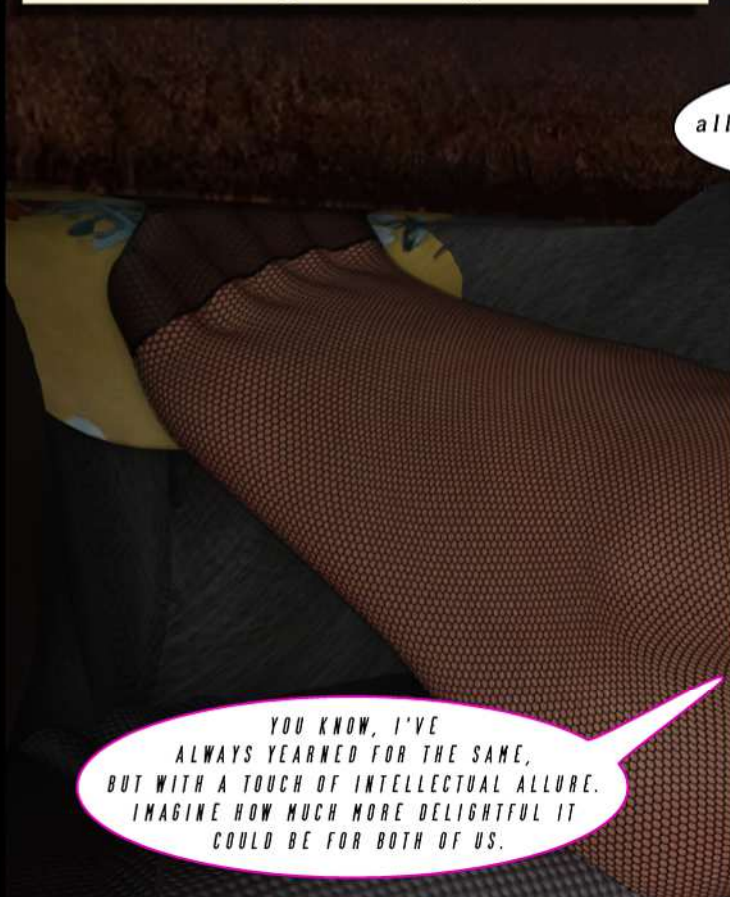

# The mischievous Bimbo Genie

Meanwhile, on that very evening, mere miles from Riri's family gathering, Cole and Amber had planned an exciting Dungeons & Dragons night. Amber, under the sway of Jenny's influence, made a particularly alluring entrance.

And evidently, she has interests far beyond the realm of Dungeons & Dragons.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

In the bathroom, a highly aroused Amber undergoes a profound transformation, entirely unnoticed.

HM, I REALLY WISH COLE WERE HOLDING A REAL HUGE AND VEINY CAWCK BETWEEN HIS LEGS...

..AND A VERY ATHLETIC BUILD, COMPLETE WITH SIZABLE MUSCLES AND STRONG HANDS...

...OH GOSH, THAT WOULD BE INCREDIBLY AROUSING!

# The mischievous Bimbo Genie

COLE IS STILL PLAYING THE SHY CARD. I'VE BEEN DROPPING HINTS SO BLATANTLY...

...AND HE SHOULD ALREADY BE FUCKING ME HARD FROM BEHIND... MAYBE MY ASS IS... NAH!

\*GROW\*

I'M THRILLED THAT ALL THOSE SQUATS ARE PAYING OFF...

\*STRETCH\*

... THIS BODY HAS DONE ME SOME SERIOUS FAVORS AND TURNED SOME HEADS.

\*PLUMP\*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

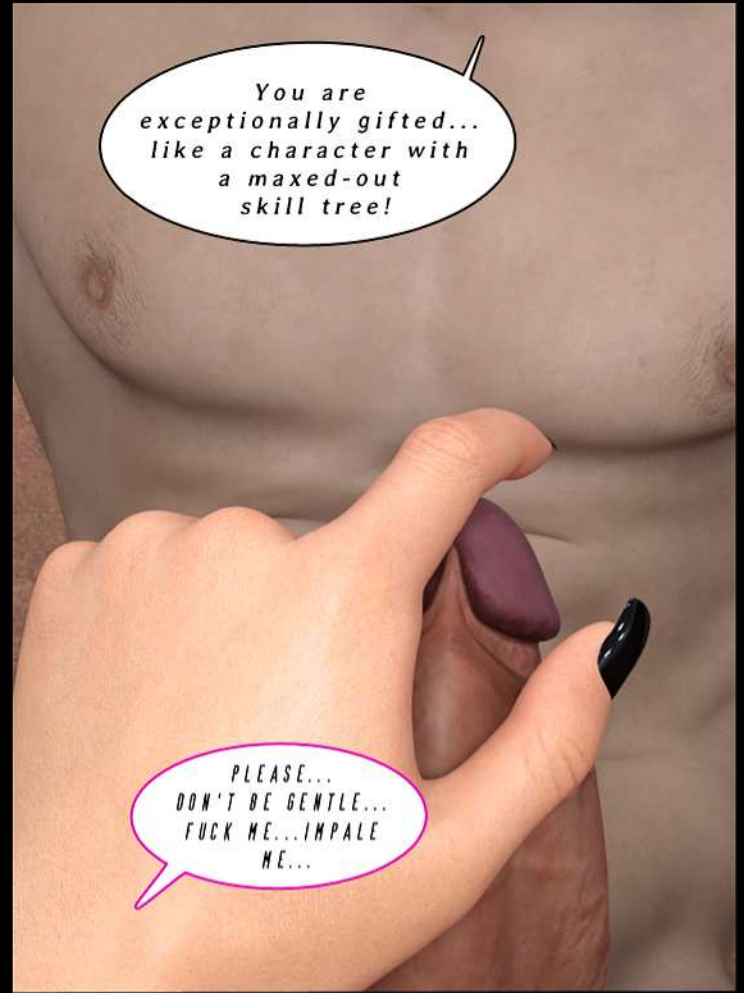

Amber returns from the bathroom, completely transformed yet unnoticed. Only Cole, thanks to his genius friend Jenny who is aware of the reality alteration, witnesses the astonishing new, sexy form of Amber... or Ambi, as she now calls herself.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

But even a Djinn has needs. While Cole and Ambi indulge in their pleasure, Jenny joins in invisibly for both... but her sexual excitement has an unknown effect...

Master... fuck her hard... when you impale her with your huge cawck... you fuck... ohhh... mhhh too... yeeeh

I \*huf\* had no idea...

OHHH...  
SOOO DEEP INSIDE!  
MHHH...

... And behold the cosmic climax! The final vessel of Jenny's Djinn magic, changed into the fabulous Ambi, brims with the effects of this excitement with a last finale transformation!

Ohhh by the lady... praise Lady Lustrahhhh!

... that I had so much \*huf\* energy and strength in me...

...so much POWER!

# The mischievous Bimbo Genie

Ever since Cole unleashed the Djinn from the bottle, now transformed into her, its magic has been at Cole's disposal for wishes and desires. Is it any wonder that...

Natural tissue gives way to implants that receive an infusion of additional volume, causing them to swell to a larger cup size...

Now, with Amber unknowingly and directly exposed to this magic... her body undergoes transformations aligning with Cole's former wishes.

... all the while her intelligence is drawn from Amber's brain, filling it with slight pinkish clouds, with each rhythmic thrust of Cole's cock inside her wanting pussy.

# The mischievous Bimbo Genie

Jenny's sexual eruption had unforeseen consequences for Amber. She was pushed to the edge both physically and mentally. No longer brilliant, yet not exactly dumb, but hotter than hell, Ambi now presents herself as an open-minded, party-hungry woman, always on the prowl for Sex. Unlike Jenny. Her outburst drained her energy, and after reaching her climax, she retreated into her bottle.

# The mischievous Bimbo Genie

Meanwhile at Tom's home.

What a day.

This is not normal... from Alpha Guy to TomBoy... even now, the way I pose is in a feminine way...

I have no idea what's happening to me.

None of the doctors I visited today took me seriously...

And I'm permanently aroused. This perma erection is really starting to hurt!

Well, time for bed. Tomorrow, hopefully, everything will be back to normal.

However, Tom didn't account for his own dreams. And those dreams expose him to Jenny's magical effects, influenced by his strongly aroused mind... with transformative consequences.

Oh yes, Babe... kiss me! Oh, huh...

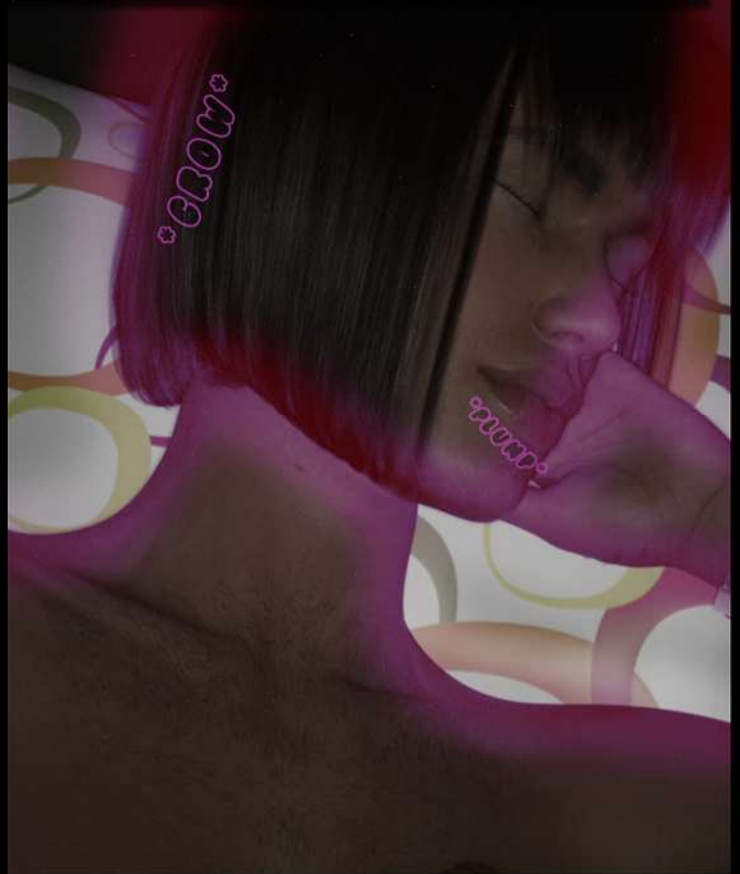

Fuck my tight virgin pussy, huh.

# The mischievous Bimbo Genie

His chest gradually takes shape, as his nipples firm up...

His features soften into a more sensual contour, lips gracefully gaining fullness, while his hair lengthens by several inches...

And by morning, around 6 o'clock, Tommy finally wakes up, adorned with distinctly more feminine features than ever before.

And by morning, around 6 o'clock, Tommy finally wakes up, adorned with distinctly more feminine features than ever before.

But it's not just Tommy who's blossomed into a delicate flower... his entire surroundings have blissfully succumbed to his transformation into a Sissy-boy.

# The mischievous Bimbo Genie

Tom's metamorphosis is in full swing, and Cole's longing for Jenny shows no sign of waning. Tom's arousal doesn't diminish even after reaching a climax; instead, it intensifies, each peak nudging him further into femininity.

Oh my gosh,  
what an absolutely  
fabulous night!

This is totally  
going to be the most  
gorgeous day ever!

Finally, that yucky  
nightmare from yesterday  
is all behind me... yay,  
how super-duper  
lovely!

As we turn our attention to Tommy, the once formidable Star Quarterback of „Zoad College“ is a distant memory. What remains? Perhaps a water bearer—or could he be on the path to becoming a cheerleading contender? The plot thickens in this comic tale of unexpected transformations!

# The mischievous Bimbo Genie

Good morning, Mr. Fluffels! Isn't it just the most adorable day ever? \*Giggle\*

Hold on a sec... is that really me in the mirror?

And where did all this girly goodness come from? A pink cheetah-print bed runner? Like, seriously adorable, right?

# The mischievous Bimbo Genie

Eep! I totally didn't mean to spill that! What's happening to me? I'm, like, looking all girly and stuff...

...ugh, this weird transformation thing is for real... but my dream... ohhh...

Now it all makes sense... like, totally!

OMG, I had, like, this dream about fucking... but not as a guy...

... and, oh my gosh, I totally enjoyed it to be fucked by a huge, veiny cawck?!

# The mischievous Bimbo Genie

Another day at school is ahead. First up is football. On the way to the locker room...

How can these tiny boobs wiggle so much... seriously!

Tommy, I've been searching everywhere for you. Great news!

Wow... look at those pointers... isn't SHE wearing a bra?

Oh, hey Shelly...

The committee has decided you're joining us as a cheerleader candidate.

Your enthusiasm is amazing, but as the water bearer, it's a bit distracting for the boys.

Water... carrier?!

But, like, I'm the star quarterback!!!

Ugh, seriously? Enzo is... \*sigh\* This is like a total nightmare...

But darling... that's Enzo. Now, let's head to the locker room. I've got a special uniform for your upcoming training with us.

A nightmare? Trust me, you're going to love it. Everyone adores cheerleaders. We're way more popular than any boring water carrier. So, are you in now? Get ready to shine!

# The mischievous Bimbo Genie

In the girls' locker room... Tom had been here many times, but never because anyone mistook him for a girl trying out for cheerleading. Instead, it was because he had romanced all the cheerleaders, including Shelly - a perk of being the school's star quarterback.

Tommy, sweetheart, time to rock a sports bra. Those nipples might poke someone's eyes out otherwise...

Ugh, these have been puffy all day... like, seriously, no idea why...

So, I've got these cute pasties in this top for you. They'll give you a perfect silhouette, and you can cheer with confidence, darling!

But nobody remembers that anymore... except Tom and Cole. For the others, Tommy was never a quarterback but rather a sissy boy...

But a sissy boy is a boy who identifies with his standard male gender role... Tommy, on the other hand, has both male and female physical characteristics, making them a hermaphrodite... or nowadays, a futanari.

Well, it looks like the rumors are true. I always saw you as a super masculine chick, but this little guy here seems a bit... wow!

This erection just won't quit, Shelly... I'm, like, sooo sorry.

I'm like, really sorry... sooo sorry... that wasn't, like, my intention... ugh...

As a newbie, we're starting you off in a special cheer outfit. I've chosen this one for you. Take a look and see if it...

You are a Futanari?

# The mischievous Bimbo Genie

I like, swear Shelly, yesterday I was still the star quarterback and this total hunk of a guy...

... with huge, bulky muscles, a huge cawck that made you happy everytime we, like, fucked...

Like, this morning I wake up, and suddenly I'm this total water carrier, and now they want me to be a cheerleader... but you know what...

I seriously have no clue why this is happening to me... but hey, I'm totally taking on this challenge!

I don't need my huge, veiny cawck! A dildo is, like, enough and I will make my way - even as a Futanaril

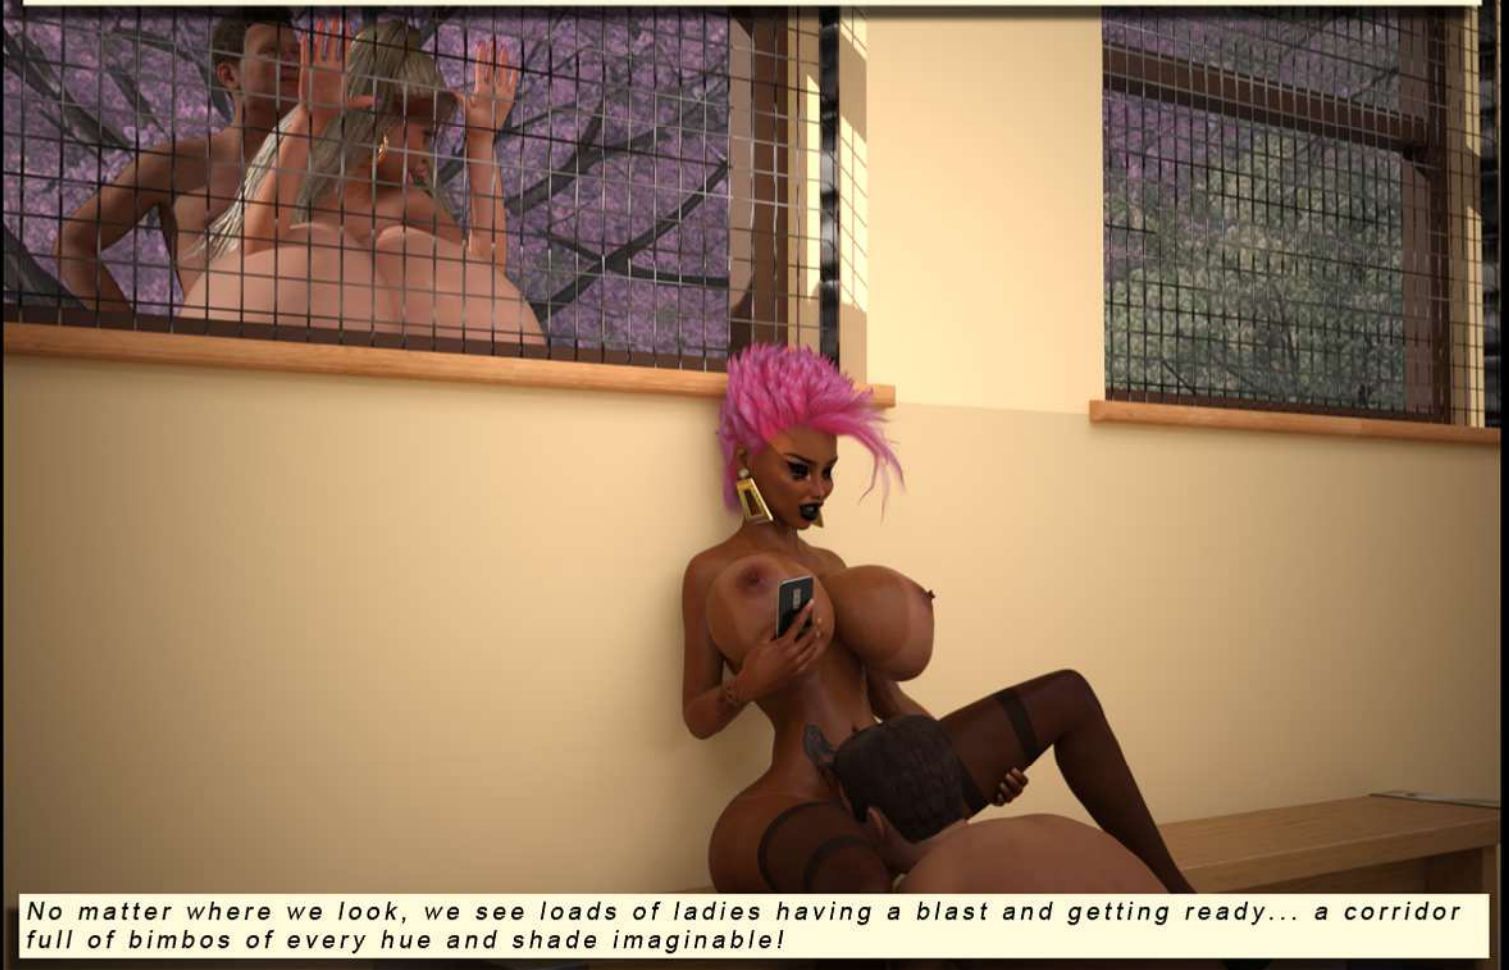

That's the vibe we crave on the team... you're rocking it, Tommy. Fabulous girl!

# The mischievous Bimbo Genie

But let's bounce back from the cheerleader locker room to Cole, the star of our comic.

He's finally made it to college and heads to his classes. But, oh snap! The changes brought on by his wishes to his genie, Jenny, are causing quite a stir in the hallways...

No matter where we look, we see loads of ladies having a blast and getting ready... a corridor full of bimbos of every hue and shade imaginable!

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

And after the grueling two-hour football training session in the men's locker room, at last...

So they've made you a cheerleader and discovered your "little" secret, Tommy?

Nope, like, I totally came over here by myself.

You're like, probably the first cheerleader to hit the showers with us... hehe

Shelly was gonna give me, like, a blow job inside the girls shower...

Dude, wouldn't wanna switch spots with you for nothin'.

Tommy, ya were a grand cheerleader today. With a bit o' experience... I reckon the committee made the right call.

Oh, really now? Well, if that's the case, why don't you come over here and show me your skills with a blow on a real cock?

Sam, that is, like, totally gross... even for you, buddy.

Oh, Sam, me dear... real cock...

# The mischievous Bimbo Genie

And as Josh responds to Sam's casual remark, Cock becomes the magic word that ignites the transformation process...

As Josh fixates on Sam's cawck, seemingly entranced, his feminine alter ego, "Josie," emerges more visibly with each passing moment, transforming him into her as the water cascades around them.

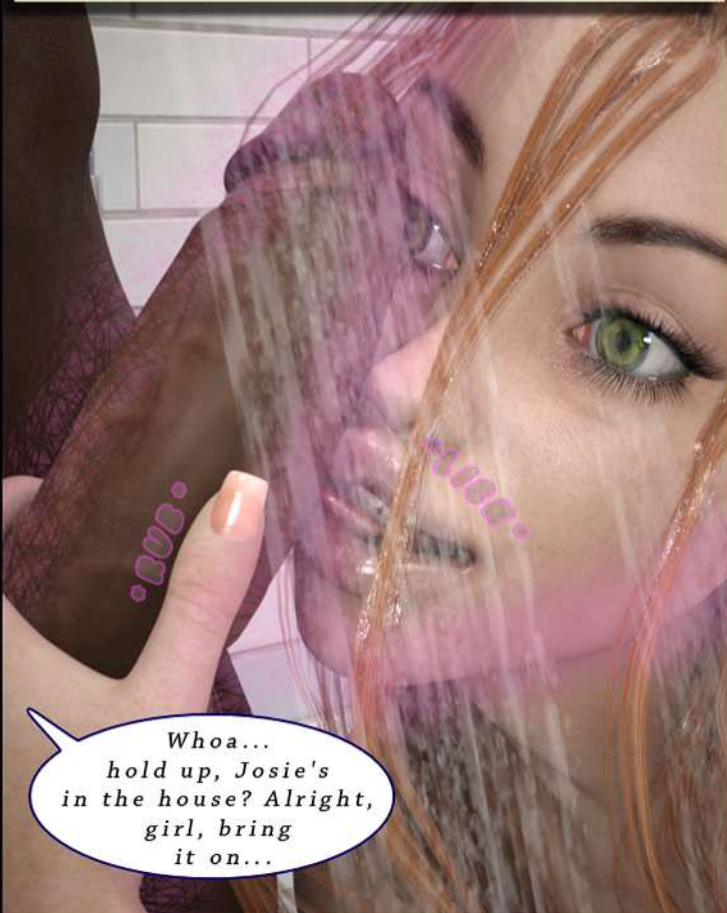

# The mischievous Bimbo Genie

As Josh transitions into Josie, his reality, perception, and desires undergo a profound transformation. What was once mesmerizing now morphs into an insatiable longing for any form of strongly erected cocks, no matter which size.

And at the moment when Josie touches Sam's huge, erected cawck for the first time...

Whoa...  
hold up, Josie's  
in the house? Alright,  
girl, bring  
it on...

...Josies old dick and balls forms his new, wet pussy, demanding to be filled...

... Josie, the slut, is now on hunt for meat.

# The mischievous Bimbo Genie

But Cole's desire was crystal clear, and Jenny knows the routine. So, when it comes to Josie, the journey is far from over, especially in the chest area... as her budding bloom clearly indicates...

But Sam, too, isn't untouched by the potent magic. As Josie's gentle, tender fingers brushed against his cawck feminization started taking root within him as well... Because, let's face it, one can never have too many women in the world, right?

# The mischievous Bimbo Genie

Neither Sam nor Josie realized the subtle transformation occurring within them, their bodies gradually taking on a new form.

Yet, an undeniable surge of arousal pulsed through their veins, igniting an uncontrollable desire. As the steam from the shower enveloped them, their inhibitions and morals becomes lower and lower, and they found themselves drawn together in a passionate embrace.

Under the cascading water, their lips met in a fervent kiss, fueled by the overwhelming intensity of their growing urges which of course makes the sexual desire and arousal swell omnipotently.

So that the bimbofication of the two with the massive swelling of their little asses as well as the immense hair growth of the main hair promotes. Meanwhile, Sam's massive cock begins to shrink...

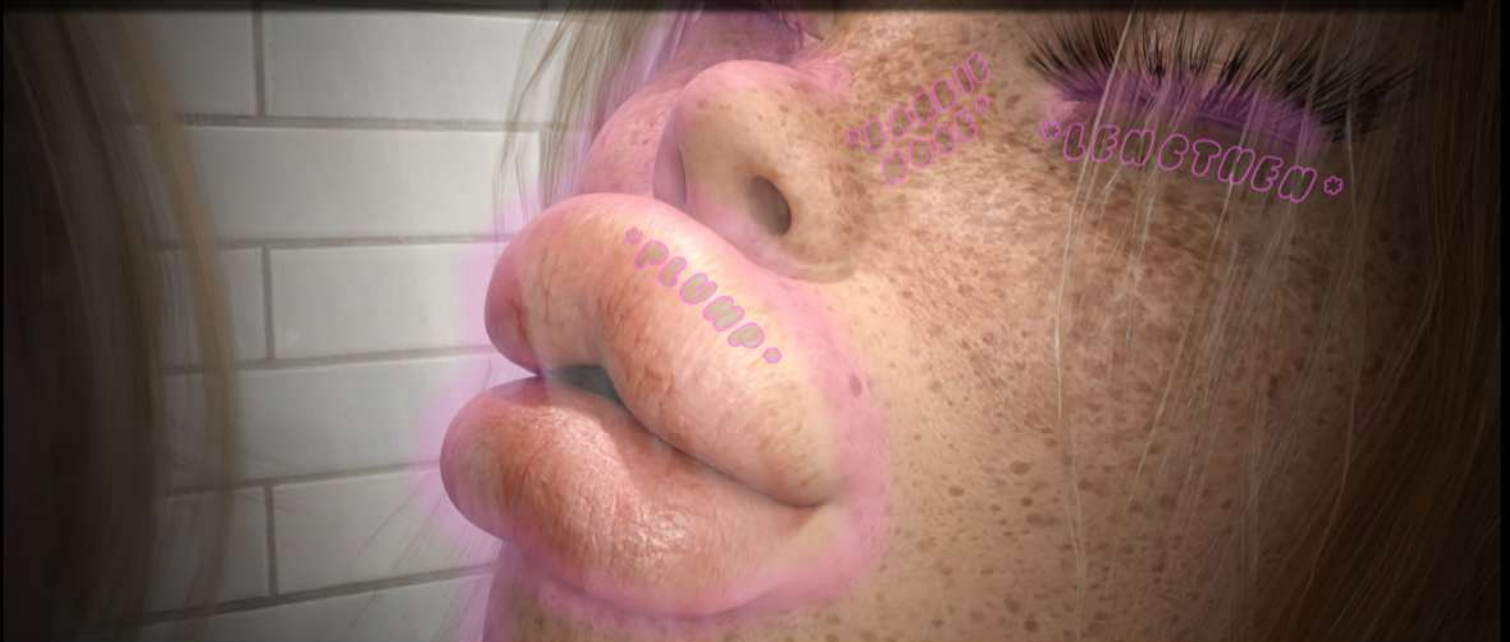

# The mischievous Bimbo Genie

Sam's hair, once a short afro, now cascades down his body in long, gently waving strands, transforming into a cascade of soft curls that gradually fade from black to platinum blonde. Simultaneously, both masculine features give way to unmistakably feminine traits, exuding a distinctly girlish charm.

As the transformation in Josh, now Josie, became more pronounced and spread to Sam, the onset of the new Bimbo lifestyle became visible first in her - such as when her lips swelled dramatically into full, voluptuous DSL lips while her nose shrinks to a cute Barbie Nose...

# The mischievous Bimbo Genie

And finally, with a dramatic surge of femininity, Josie's stature diminishes by 30 centimeters, from 5 feet 10 inches (180 cm) to 4 feet 11 inches (150 cm).

Meanwhile, her breasts burgeon, gaining weight and size, shedding any traces of masculinity as they swell, inch by inch, transcending several cup sizes to reach a colossal, natural breast size.

Josie, now the epitome of the Bimbo lifestyle in a petite package, emerges as the frontrunner. Would you welcome her?

# The mischievous Bimbo Genie

But even with Sam, Jenny's magic continues unexpectedly, while his once long and erected cock fully transforms into a soft, moist, and always hungry pussy, always ready to embrace the proudly erected cocks of guys...

# The mischievous Bimbo Genie

Oh my gosh,  
if you're into that,  
just picture how amazing  
it feels when the quarterback's  
strong, manly hands are like,  
totally squeezing your  
tits... teehee

Hhmmm

And as if Josie has set a trigger word here, a gentle vibration starts in Sammy's chest area, and with each gentle vibration, her bosom starts to swell forward...

Hey, you're  
so unfair. Your  
melons are like, gigantic...  
and when I think of mine...  
but they feel so soft...  
hmm... I luv it...  
\*giggle\*

"CROW"

"PLUMP"

# The mischievous Bimbo Genie

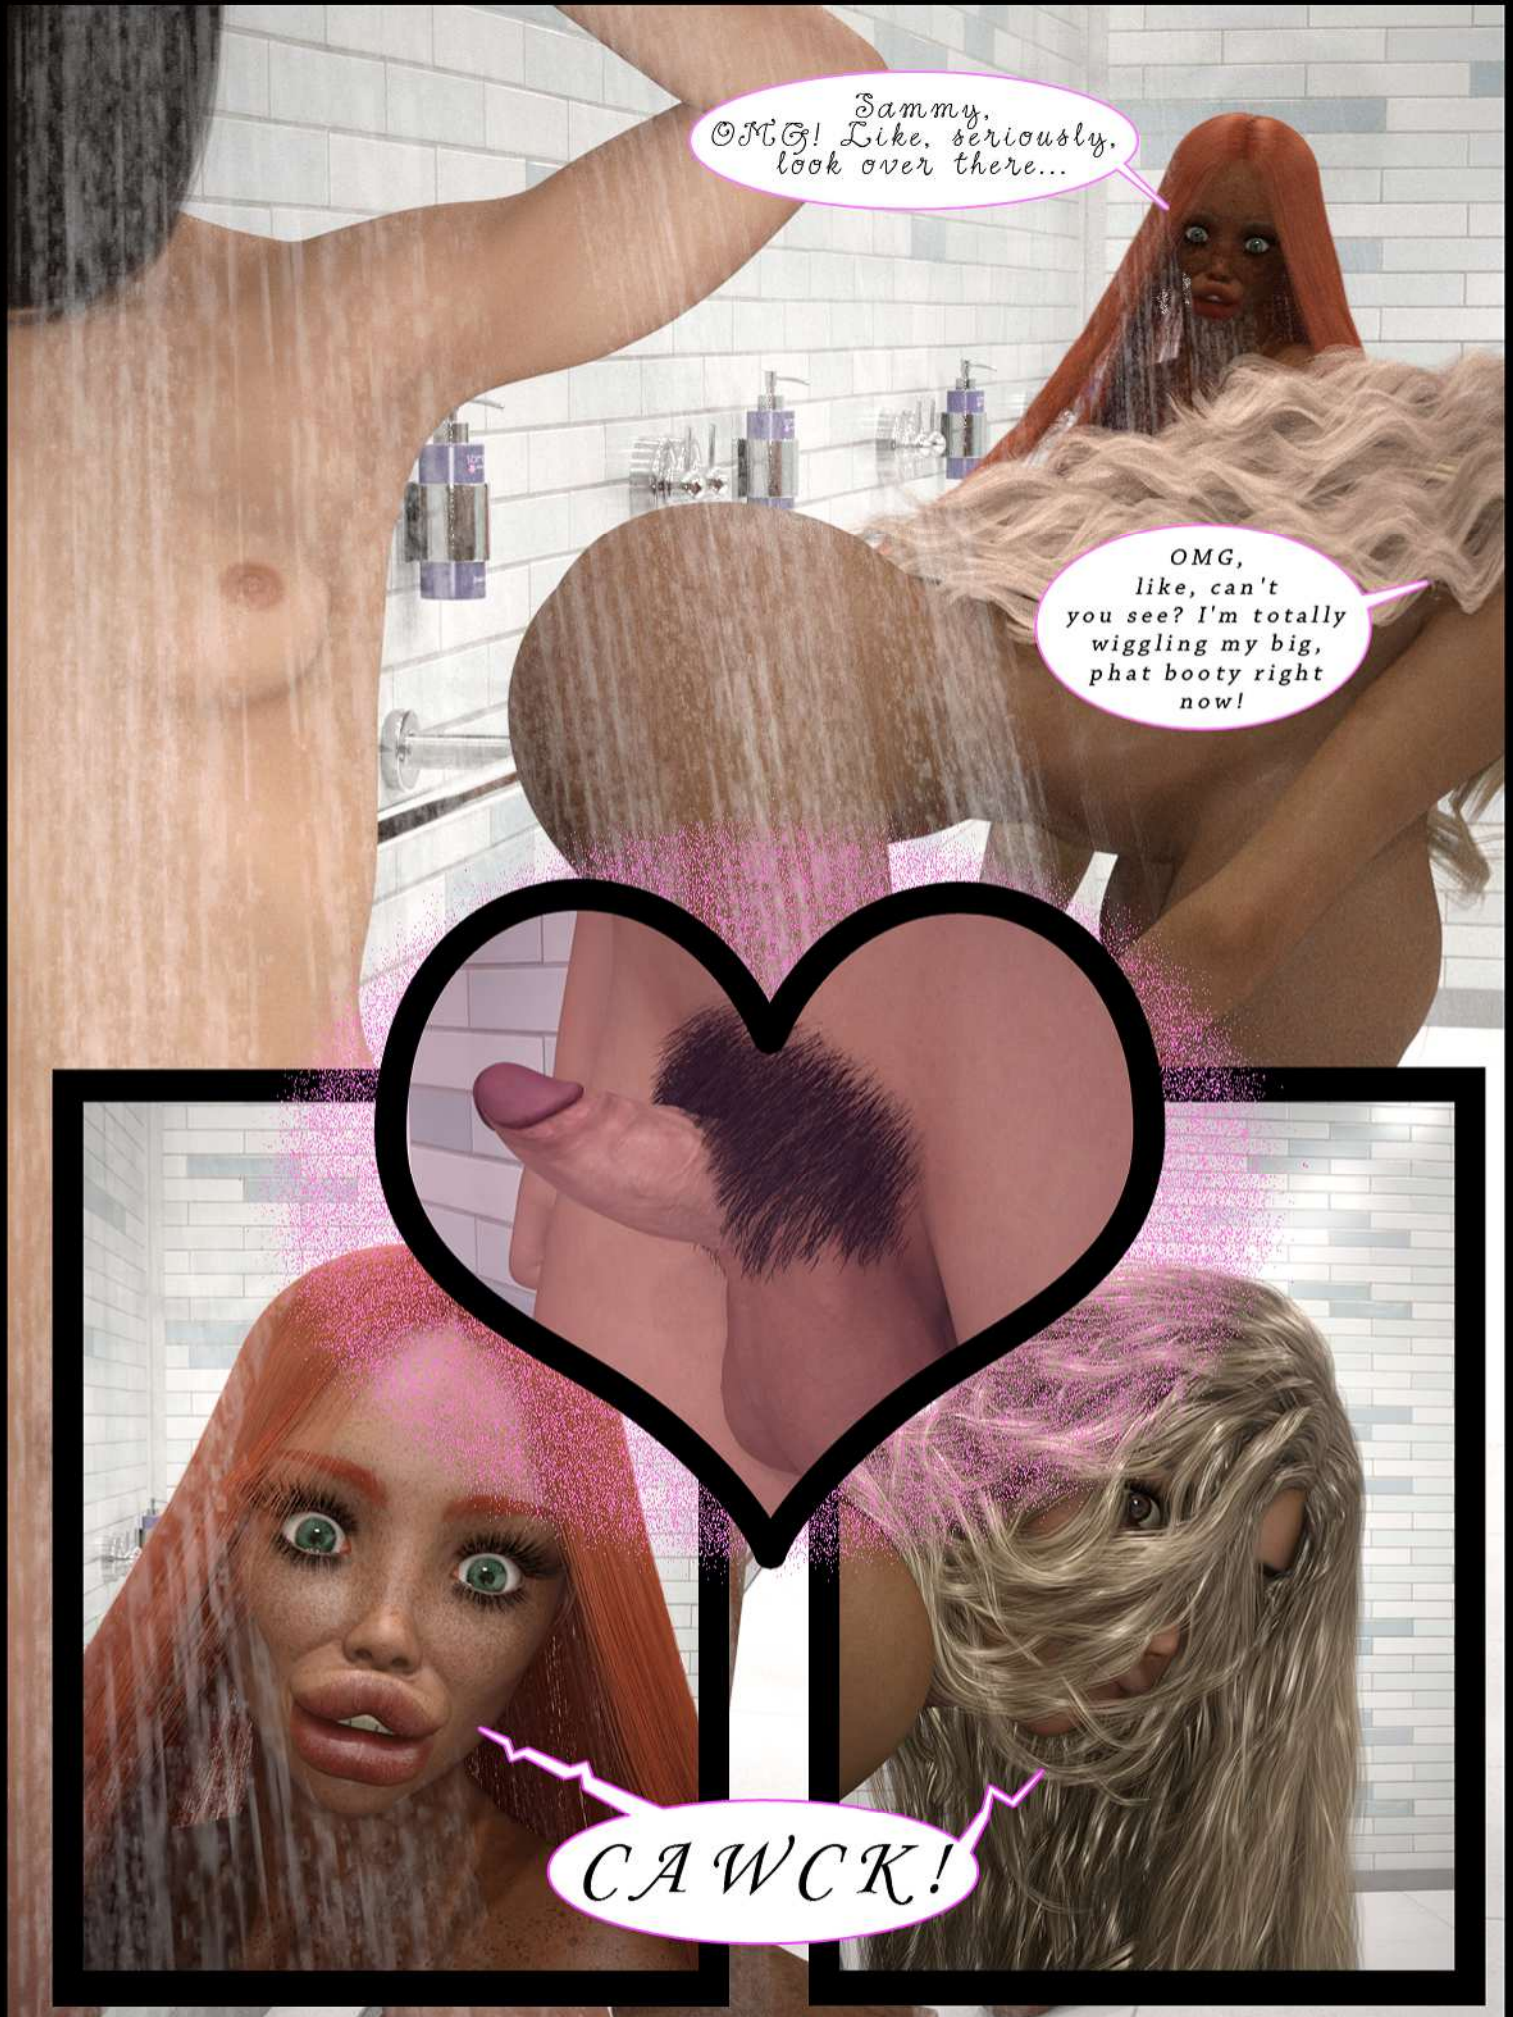

And as Sammy's breasts grow larger and rounder, clearly supported by implants, Josie's bimbofication is still in full swing as a healthy sun-kissed glow covers her once fair skin.

And with an authentic saline surge, Sammy's peaches ripen into plump, round pumpkins atop her chest, embodying the sheer delight of breast expansion, ensuring everyone reaps the rewards.

# The mischievous Bimbo Genie

Sammy,  
OMG! Like, seriously,  
look over there...

OMG,  
like, can't  
you see? I'm totally  
wiggling my big,  
phat booty right  
now!

CAWCK!

# The mischievous Bimbo Genie

Oh,  
tiny Tammy, like,  
every new cheerleader babe  
totally has to show  
some skill, you  
know?

Yours will  
be how you use your  
yummy boy cawck... So,  
like, are you ready to  
have some fun,  
babe?  
giggle

Whoa,  
what's up with this?  
This is the boys'  
shower...

They little  
cawckie... come  
to Gocie!

Gocie, like,  
totally loves all  
sorts of cawcks... even  
such a little cawckies  
like you, cause Gocie  
is, like, a total  
cawck slut!

# The mischievous Bimbo Genie

As the sexual combined efforts of Sammy and Josie unfold, there's another profound shift occurring within Tommy. Through the surge of stimulation, the inevitable transformation begins to take hold, and thus...

# The mischievous Bimbo Genie

In the tapestry of reality, balance weaves its intricate threads through every aspect. With Jenny's Djinn magic, Sam and Josh underwent a profound metamorphosis, emerging as women. Tom, or Tommy as he may now be known, underwent a remarkable transformation before, shifting from a robust, athletic man to a delicate, androgynous figure, embodying traits of both genders.

Thus, it is a delicate equilibrium that dictates the men's shower now becomes a sanctuary for women - a scene unfolding as the cheerleading team revels in the aftermath of their triumphant training session.

# The mischievous Bimbo Genie

But let's return to Tommy. While he's conscious of his transformation, he hasn't grasped that it's physical arousal that sets it in motion. And now, with two lovely women beside him, lavishing him with kisses - how would you react in his/ her shoes?

# The mischievous Bimbo Genie

Tommy's realization comes a little too late, however, because it is at this very moment that he reaches his climax...

Like,  
Oh My Gosh,  
that's like, seriously  
delicious, sweety!

Like,  
sooo much cum  
for such a small  
cawck. \*giggle\*

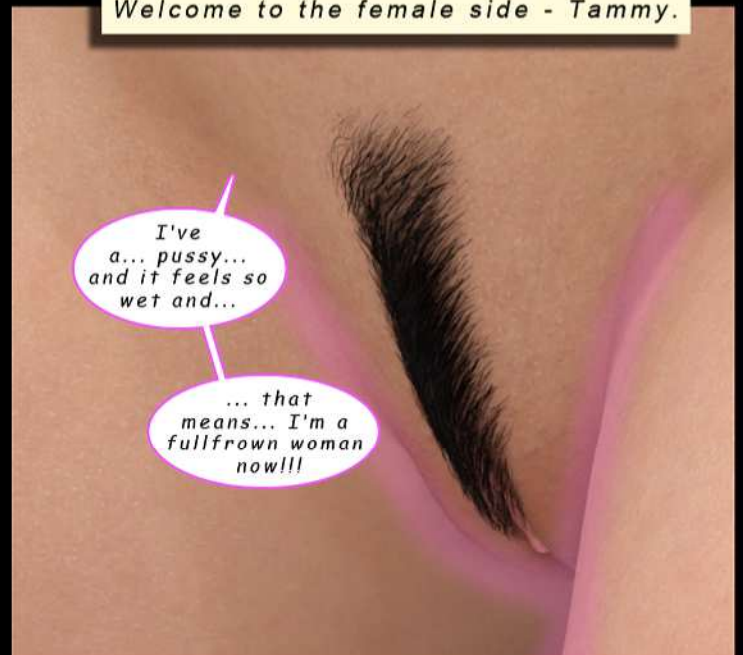

Oh gosh...  
THAT was sooo  
... ughhh...

But with one last, intense orgasm, Tommy's cock shoots one last blast jizz and makes room for a wet pussy, which means...

Welcome to the female side - Tammy.

I've  
a... pussy...  
and it feels so  
wet and...

... that  
means... I'm a  
fullfrown woman  
now!!!

# The mischievous Bimbo Genie

That can't be...

Okey Dokie, like, seriously, there's, like, no cawck here. How, like, super boring, right? Boi's shower, Josie? Like, where's all the fun at?

... my dick... is gone...

I... have a pussy... mhhh... a very sensitive, wet pussy...

OMG Tammy... all girls, like, have a pussy.

I'm fully a Girl... with breasts, round ass and a fucking vaginal!

Oh, like, my pussy is just craving some serious cawcks, you know? It's like, totally hungry and stuff! Are you, like, gonna come with us to the boys room? It's gonna be, like, so much fun and, like, totally glam!  
\*giggle\*

Oh my gosh, like, totally, Josie is, like, sooo on point, right? Come on, Tammy, like, you have to come with us to the boi's shower room! It's, like, super fun!

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Hey Tom, wow, you've blossomed into such a lovely girl. Ever thought about trying a bra? It could be a game-changer!

OMG, seriously, Cole? You knew about my transformation? I wasn't always... like, Tammy, to you?

Ugh, I get it now! YOU're behind this nightmare! How the heck did you pull that off, Cole?

So, you want to talk about what happend?

Hey, don't you dare leave me hanging here, damn it!

Ugh, like seriously, since when did Cole turn into such an alpha... Look at those muscles and that cocky attitudel

Alright then, tonight... let's say at 8 o'clock, at my place.

He's totally swiped all that from me - somehow he's sucked all the masculinity right out of me and claimed it for himself! Ugh, I'm like, totally freaking out here! Ugh!

# The mischievous Bimbo Genie

As Cole and Tammy's paths intertwine, a revelation dawns upon Tammy - Cole seems to be intricately linked to her newfound womanhood. Yet, in the labyrinthine corridors of fate, another scene unfolds, far from their awareness.

Within the hallowed confines of the teachers' shower room, Ambi, with a demeanor veiled in secrecy, is far from idle. Here, where the echoes of whispered secrets mingle with the steam rising from the hot water, Ambi's intentions simmer beneath the surface.

# The mischievous Bimbo Genie

Even though Ambi isn't aware, last night she unknowingly bathed in Jenny's wild burst of cosmic Djinn magic, and now this power still envelops her like an aura...

... leading to uncontrolled eruptions. But for whatever reason, it seems Ambi serves as a vessel for these powers - because rather than weakening, the magic appears inexhaustible.

# The mischievous Bimbo Genie

However, the two are abruptly interrupted...

The whole campus is going crazy and you want to do the same here?

This student may be a slut, after all, I've already seen her having sex with different guys six times this morning, but that this slut gets pregnant, possibly by you... God forbid!

So put your monstrous thing back in your pants, or I will... I'll immediately report you to the management as soon as she's back!

I have never seen such a cock in my life! How is it possible that it stands so stiff and rock hard at this size?

Oh my goodness! Mr. Colleague! What in the name of God are you doing?

WOA... PROFESSOR!

THAT'S LIKE, TOTALLY NOT TRUE, PROFESSOR! LIKE, I'M SO OVER BEING A STUDENT HERE. I, LIKE, TOTALLY BAILED LAST NIGHT...

\*STRETCH\*

I'M ONLY HERE 'CAUSE OF ALL THE YUMMY CAWCKS... TEEHEE

# The mischievous Bimbo Genie

Even though Ambi lost a lot of her actual intelligence in the evening with Cole, she can also get offended very quickly, contrary to her cheerful, playful nature.

So what if you left yesterday? You're still here, lurking in the college building like you own the place.

You are nothing more than a dirty slut who has fucked six men in an hour. And they weren't enough for you, which is why you're now seducing this honorable professor with your sinful mind.

OH MY GOSH, LIKE SERIOUSLY? DID YOU SERIOUSLY JUST CALL ME A PREGNANT SLUT? UGH, THAT'S LIKE SO NOT COOL! LIKE, WHY WOULD YOU EVEN GO THERE? I'M TOTALLY NOT PREGNANT, OKAY?

However, it's important to remember that her body currently serves as a repository for raw, cosmic Djinn magic and Ambi has no idea about that. So her statements should be taken with a grain of salt.

I'M NOT THE ONE WHO GOT KNOCKED UP BY THIS CAWCK OVER HERE OR IS SO CAWCK HUNGRY THAT SHE FUCKS SIX OR MORE COCKS IN UNDER AN HOUR. LIKE, HELLO? CAN WE GET THAT STRAIGHT? LIKE, I AM SO NOT THE CAWCK HUNGRY, SLUTTY MAMA-TO-BE IN THIS ROOM!

LIKE, DID YOU EVEN CHECK YOURSELF OUT IN THE MIRROR THIS MORNING, GIRL? 'CAUSE SERIOUSLY, I DON'T SEE ANYONE ELSE IN THIS ROOM WHO'S ROCKING THAT HYPER-SLUTTY BIMBO VIBE AND, LIKE, TOTALLY GLOWING WITH THAT HEFTY PREGNANCY GLOW LIKE YOU ARE!

The professor, oblivious to this revelation, is about to learn firsthand the consequences of underestimating Ambi's newfound powers in the upcoming pages...

Stacy

My clothes!

Stacy

They...  
are... that can't

Stacy

I've never  
shown so much skin!  
Scandalous.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

As rapidly as Stacy rejuvenated back to her early twenties, so swiftly did all knowledge and intelligence from her mind diminish. Stacy, now known for her big, fake Tits and her strong hunger for unprotected Sex...

... she's about to experience yet another surprise, the very thing she accused Ambi of earlier, unaware that it would be her... being heavily pregnant with twins, rapidly growing inside her, making her a Bimbo Mum very soon.

# The mischievous Bimbo Genie

OMG, like, our babies are, like, totally hyper right now... Can you, like, feel them kicking, Daddy?

OMG, LIKE, WAIT A SEC... SHE WAS, LIKE, TOTALLY OLD JUST NOW... AND NOW SHE'S ALL YOUNG AND... PREGNANT? WHAT EVEN?!

ENOUGH!

WOA! WHAT THE FUCK IS GOING ON HERE?

# The mischievous Bimbo Genie

*Hello Amber,  
welcome to the  
dimension of all magical  
creatures. You can call me  
Jenny, and I am  
Cole's djinn.*

*YOU'RE, LIKE,  
TOTALLY KIDDING ME, RIGHT?  
DJINN ARE REAL? FOR REAL?  
HOW DID I EVEN  
GET HERE?*

*I WAS,  
LIKE, JUST IN  
THE SHOWER ROOM, AND  
MRS. RAPIZI WAS, LIKE,  
CHANGING... RIGHT IN  
FRONT OF ME...*

*Yes, she was  
transformed because  
of you. That's why I brought  
you here. We need  
to talk...*

*BECAUSE  
OF ME? BUT...  
HOW?*

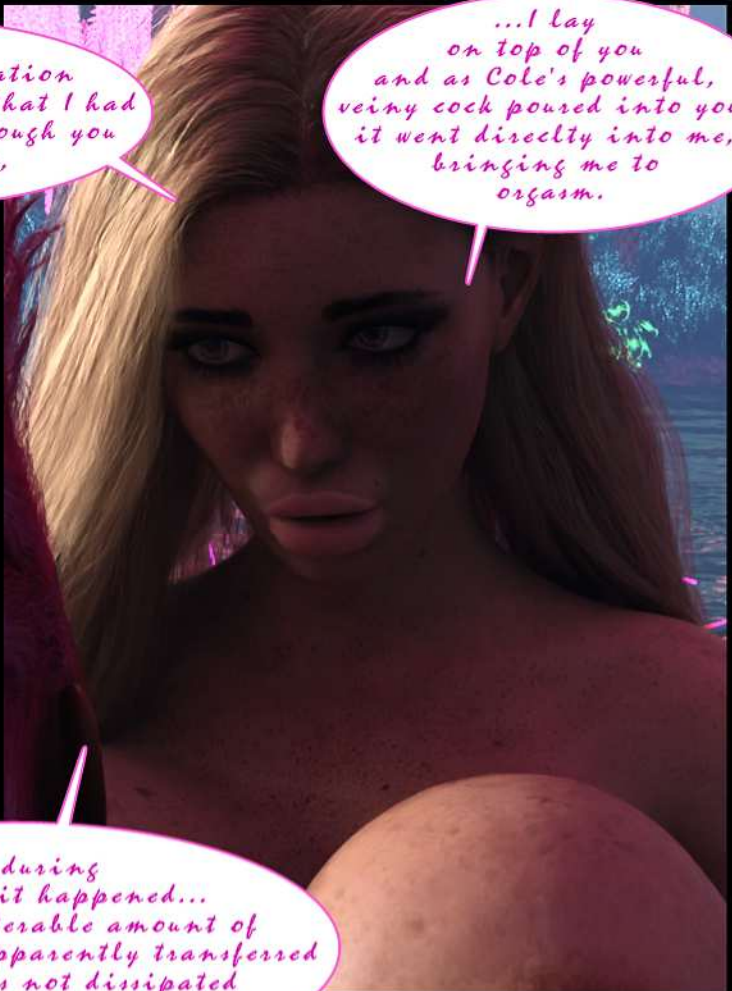

*... don't worry,  
the chaos you unintentionally  
caused has already been corrected  
by me. Stacy and Stan are now  
happily married and  
soon-to-be parents.*

# The mischievous Bimbo Genie

Your previous transformation had made me so horny that I had to fuck along, even though you couldn't see me,

When you fucked Cole, you weren't alone.

...I lay on top of you and as Cole's powerful, veiny cock poured into you, it went directly into me, bringing me to orgasm.

And during my climax it happened... a not inconsiderable amount of my Djinn magic apparently transferred to you and has not dissipated since, as it normally does.

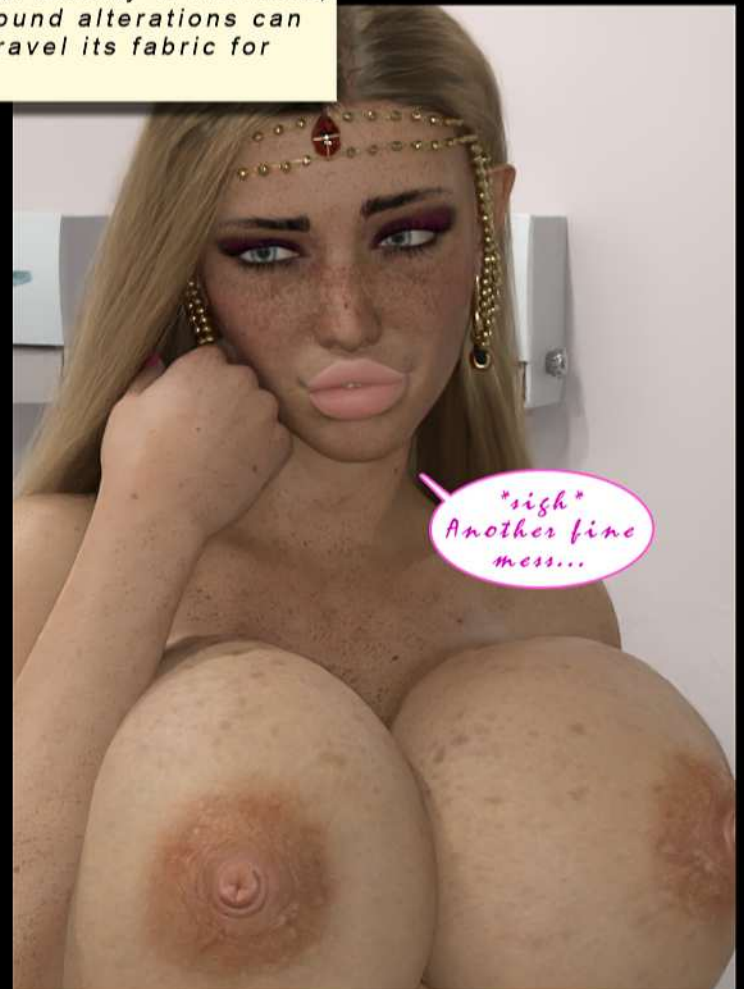

When the Power erupted in you, I was executing another "bust-filling" wish from Cole to Itty Bitty Tracy....

???

# The mischievous Bimbo Genie

I sensed my own distinct Djinn power, unmistakably mine. When I stumbled upon you, Ambi, things spiraled out of control. Stacy was on the verge of delivering twins, and Robert was teetering on the brink of a heart attack. Your stress and agitation were palpable - another surge of cosmic Djinn magic could've torn the very fabric of space and time, forever altering everything you know.

# The mischievous Bimbo Genie

You don't need to worry, Ambi. Robert and Stacy are now happy together. They are eagerly anticipating the soon arrival of their twin daughters. Stacy leads a happy life as a Bimbo Mum, and although Robert is no longer a professor, as a Himbo, he now has different goals in life. But for the space-time continuum, a happy Bimbo family is better than the unintended chaos my mistake through you would have caused.

# The mischievous Bimbo Genie

SO, YOU  
MEAN I HAVEN'T ALWAYS LOOKED LIKE  
THIS, AND IT WAS COLE'S WISH? HOW DID  
I ORIGINALLY LOOK?

IT WASN'T  
COLE'S WISH?

WOW,  
INCREDIBLE!

No, the  
master was only  
indirectly  
involved.

It was I  
who wanted to change  
you as a tool for my natural  
behavior and corrupted you  
by unleashing your... hidden  
desires and cravings...  
which leads to your  
look...

... Should I  
undo everything,  
Ambi?

NO, LADY JENNY...  
YOU KNOW, I'M NOT SURE  
I REALLY WANT TO KNOW - I QUITE  
LIKE MYSELF JUST THE WAY I AM.  
WISH OR NOT... BUT, UM, WHY  
EXACTLY AM I HERE?

Okay, as you  
wish. To understand  
why this happened, we are here  
in the realm of the Djinn, where you  
will soon meet our mistress, who created  
all Djinn in the name  
of the goddess Lustra.

# The mischievous Bimbo Genie

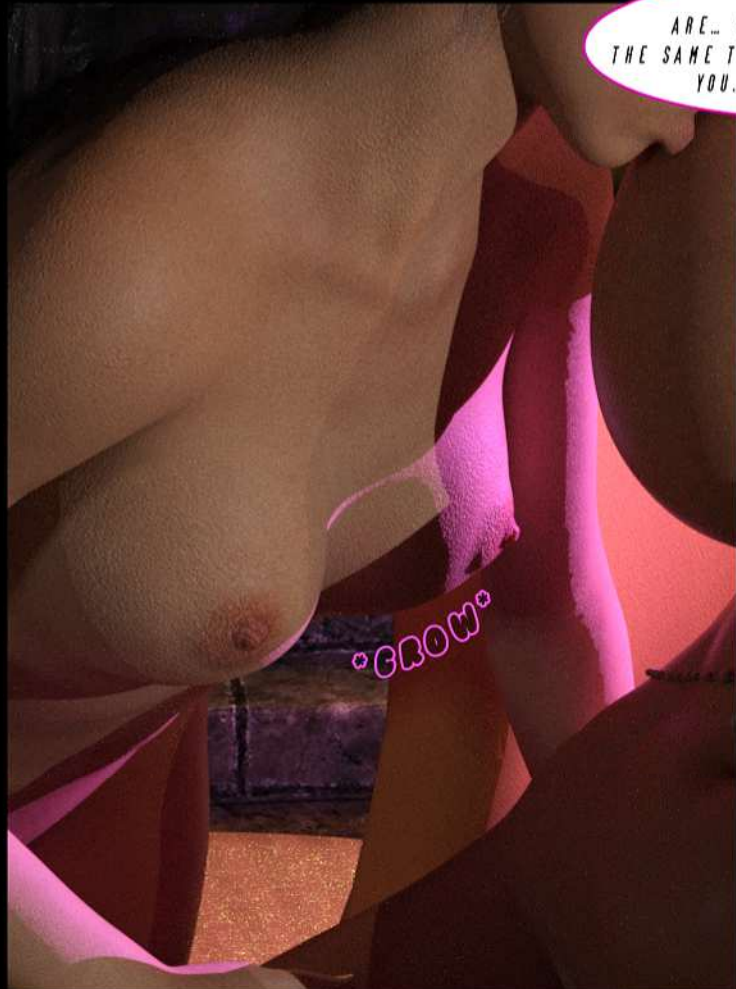

Lady Lustra, the Goddess of Femininity and Joybringer, extends HER welcome to you, child. May you honor HER name as Djinn - now and forevermore!

Ah, we've arrived just in time for an initiation ceremony, which is... almost over...

Let me introduce the High Priestess of Lustra: Ankh su Anat, the Mother of all Djinn.

SHE LOOKS SO YOUNG... NOT OLDER THAN ME.

WOW... HER TITS ARE... GROWING? JENNY, DID THE SAME THING HAPPEN TO YOU WHEN YOU... BECAME DJINNY?.

\*GROW\*

\*STRETCH\*

No... I was still a male Djinn. It was the master's wish who wished me to be a woman... so I became one.

# The mischievous Bimbo Genie

Ah... Shapur...  
you're back! As a woman  
this time.

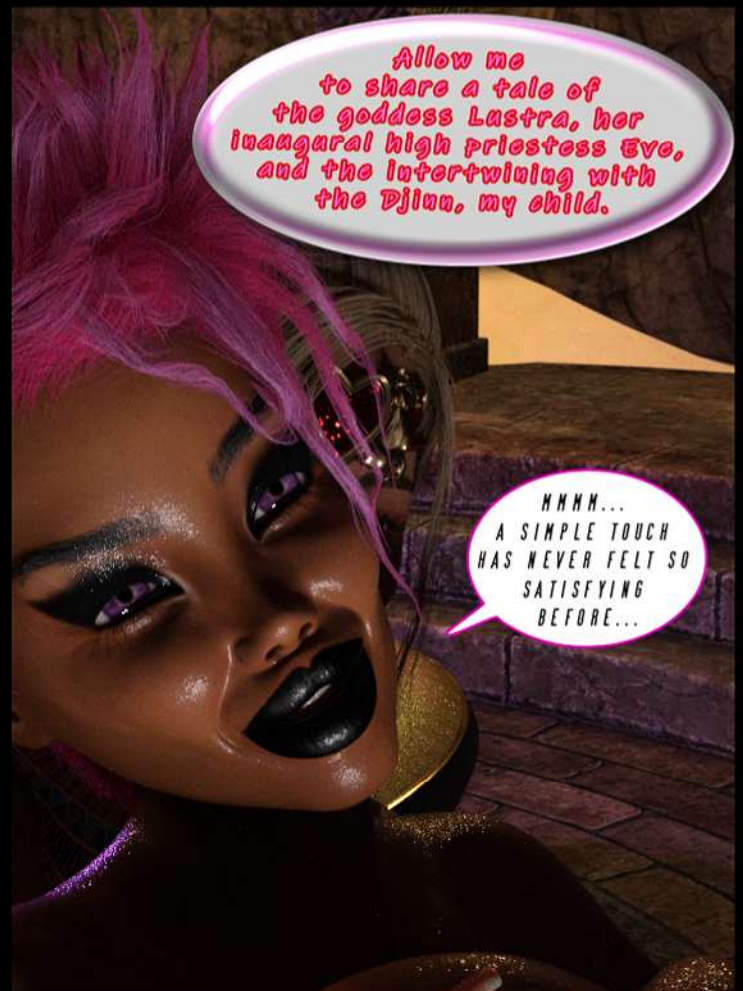

What I  
couldn't do in millennia,  
a mortal has achieved. Great  
choice, being a Djinnny opens  
up so many possibilities  
for you.

But wait,  
have you brought a guest  
with you into our  
realm?

Welcome,  
mortal.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

After Ankh su Anat recounts the ancient tale to Ambi, she turns to Jenny...

So, Shapar, have you finally embraced your femininity, hm? It suits you...

Thank you, Mother...

... your master must be quite clever to have outwitted you.

He really is... uhhh... Mother.

And now you go by Jenny? A very feminine name. But in all seriousness, you were the last male Djinn, are you aware of that? Welcome, DAUGHTER!

About Ambi... she is... could she be a Djinni too? She stored and covertly utilized my Djinn magic...

The mortal you've brought along is quite fascinating. Were you aware that one of her ancestors is Adam, Lady Eve's first adversary? She will make an excellent Djinni...

# The mischievous Bimbo Genie

Naturally,  
provided she desires it  
and proves herself...

As for you,  
my dear daughter, you  
adore this mortal... am I  
correct?

Yes, Mother.  
I can't explain  
these strong feelings,  
for him. I'm sorry.

So, Ambi...  
the choice is yours -  
do you wish to continue living  
your mortal life or do you  
desire to become a  
Pjinni and live  
forever?

Alternatively,  
you could also become  
a Succubus, as Lady Lillith has  
indeed returned. What is  
your decision?

OMG! SERIOUSLY?  
I CAN ACTUALLY BECOME  
A DJINNI? HOW TOTALLY COOL  
IS THAT?!

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Yes, this test will show me what kind of Djinni you'll become once you pass... ohhh, LUSTRA!

\*GIGGLE\*  
ALREADY WET, HUH,  
YOU'R, LIKE, MAKING IT TOO  
EASY FOR ME.

# The mischievous Bimbo Genie

A woman with long blonde hair and large breasts is standing on the left. A genie with a large feathered headdress is on the right, pointing upwards. The background is dark with a brick-like pattern.

Jenny, my dear.  
Your master may have  
turned you into a woman, but  
these magnificent curves also  
need to be earned  
by you.

So, you  
too must undergo  
this test, and I have a  
special challenge  
for you.

I see  
that you are ready, darling.  
Have lots of fun.

# The mischievous Bimbo Genie

Are you serious?

Of all the possible partners I could fuck here, you chose him?

He was the obvious choice; he looks good and, as you know, is very experienced...

# The mischievous Bimbo Genie

**I should be angry that I was outwitted by a mortal.**

**But what a horny bitch I've become.**

Am I supposed... to fuck myself?

I have made some enhancements to your old body, to ensure your fuck will be a truly special experience for you, my dear. One you will never forget.

Holy crap... I was never the massively well endowed but what a monster cock!

Fuck me!  
**FUCK ME** as HARD as you can.

# The mischievous Bimbo Genie

When I shoot my load inside you, bitch, I won't exist anymore - but you'll get pregnant with me... and should you even dream of becoming mortal - I will be born again.

Oh my!  
He... I... is...  
\*gasp\*

I feel how his monster of a cawck fills my womb ...

Yes... KNOCK ME UP - make me a mommy!

But please become a DAUGHTER - I will raise you like the SLUT I already am...

... together we will hunt BIG MONSTER CAWCKS!  
\*Giggle\*

\*JIGGLE\*

# The mischievous Bimbo Genie

Few people enjoy being tested to reach a certain point, but I imagine this kind of test would be much more interesting.

Gosh... this monster cawk tears me in two... and I... Ohhhh... enjoy every inch of it.

\*JUGGLE\*

\*wobble\*

\*JUGGLE\*

And as the orgy in the temple progresses, not only does the atmosphere of the room change...

# The mischievous Bimbo Genie

**AAAAAH!**  
**♥ YES!**

**FUCK YES!!!**

YESSS!

YES!

*\*SQUIRT\**

Unbeknownst to Ambi, her mortal form transforms into that of an immortal Djinn...

# The mischievous Bimbo Genie

I can't believe... ahhh... you made me come so quickly! What for a cock hungry slut you... I... have become.

MMMMMMMM

OOOOOOOOOH!

I had no choice...

My MASTER prefers women who have huge curves and small minds.

When he tricked me, my fate was sealed. Forgive me, but I will raise you as my daughter in all the same way, Shapur...

... but I really enjoyed your cock.

Until she finally has the typical features, the pointed ears, of the Djinn people. But her trial is not over yet...

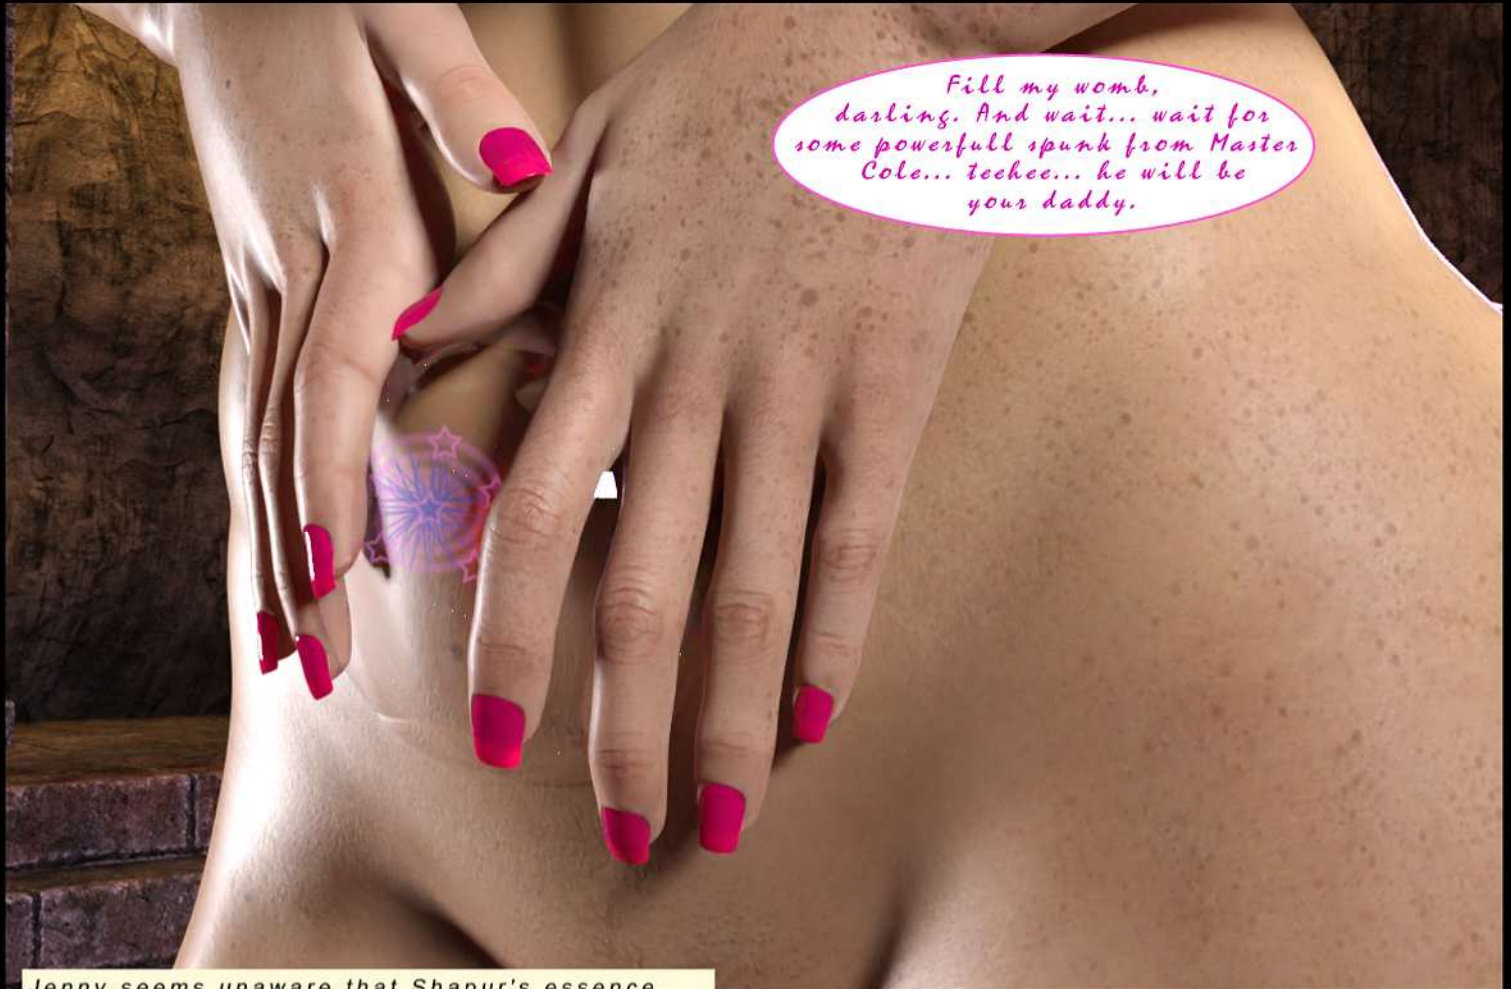

# The mischievous Bimbo Genie

Come to  
Mommy, Shapu... Shandy.  
One day, you will be Mommy's  
little darling and make my  
motherly boobies swell  
with pride...

We have  
impregnated hundreds  
of women over the millennia... now  
I'm going to be a mother myself. I can  
hardly wait to feel you grow inside  
me... Shandy, my  
little angel.

\*GURGEL\*

# The mischievous Bimbo Genie

Fill my womb, darling. And wait... wait for some powerfull spunk from Master Cole... teehee... he will be your daddy.

Jenny seems unaware that Shapur's essence, now nestled in her ovaries awaiting fertilization by Cole's sperm, is causing subtle changes to her body.

Her labia lips are slightly swelling, and a light tuft of pubic hair, unusual for a Djinn, is sprouting from her skin...

This feeling... INside me, ON MY skin, every single hair on my body... so sensitive... almost like a sensa... ohhh... during a transforma...haaaaa... tion...

... so orgasmic... I love to be a Girl!

Her journey into mortality has begun.

# The mischievous Bimbo Genie

Jenny, the divine power of Lastra has erased your masculinity from the ages. You were never born a man, but a woman. You are still a Djinni, but once your lower lips yield to the man of your desire... you will become mortal.

My beloved daughter, until we meet again - you have always stood faithfully by Lady Lastra and me. Farewell.

Jenny, I know you will raise your daughter, Shandy, in the name of Lastra. Do so, and both of you are assured a return to our world as Djinni after your passing.

It has been an honor and a pleasure, Mother. I look forward to the day when I can serve you and Lady Lastra alongside my daughter. Until then, farewell.

# The mischievous Bimbo Genie

And so, both Djinn's return to our reality...

OMG, JENNY,  
THAT WAS, LIKE, SUCH AN  
AMAZING EXPERIENCE! AM I, LIKE,  
REALLY A DJINNY NOW, JUST LIKE  
YOU? I FEEL, LIKE, THE SAME  
AS BEFORE, EXCEPT FOR  
THIS WEIRD...

... PULSING AROUND  
MY HEART... BUT I'M STILL,  
LIKE, TOTALLY LUSTFUL, SUPER  
HOT, AND ABSOLUTELY  
IRRESISTIBLE!

*Jenny, this  
is the cosmic power  
of the Goddess, whose child  
you have now become. But you must  
grant a wish to be fully accepted.  
This is the only wish any mortal  
may express that does  
not bind you. So,  
choose wisely.*

# The mischievous Bimbo Genie

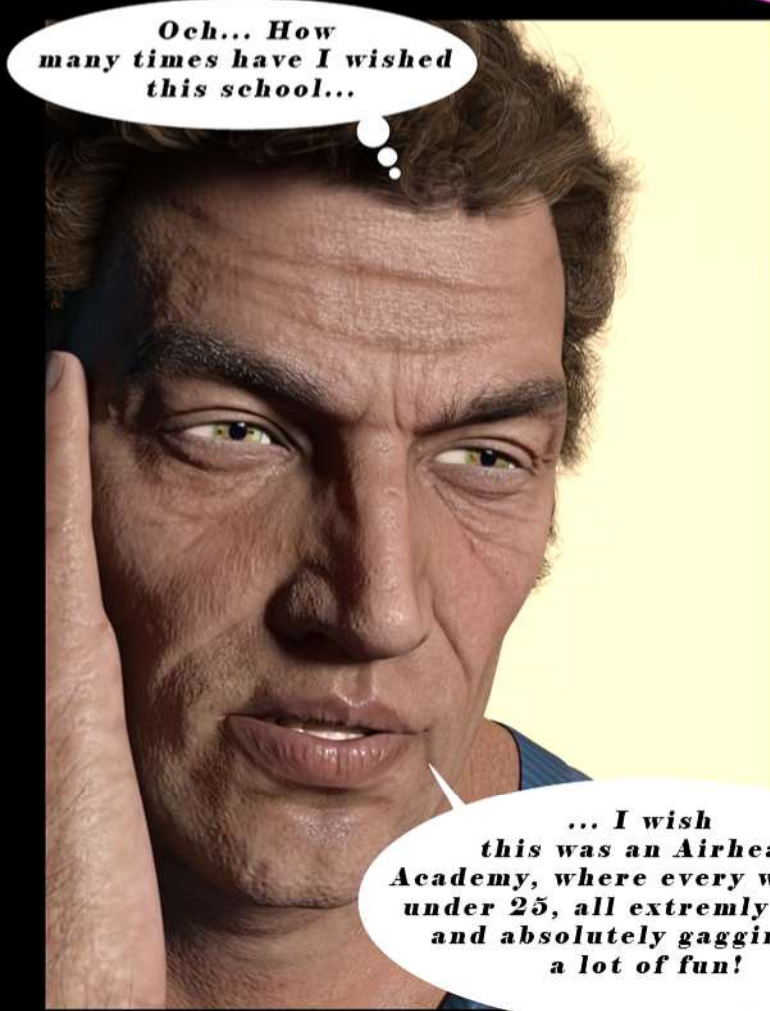

After your first task, you'll need to find a home. I can offer you my lamp, but that's up to you. Your home can be any container...

Damn, look at these fine lassies. So young, so busty.

\*GASP\* ... ANY CONTAINER?

... or anything that looks like one. Trust me, you'll have plenty of space and won't even notice how time flies.

Och... How many times have I wished this school...

... I wish this was an Airhead Academy, where every woman's under 25, all extremely curvy, and absolutely gaggin' for a lot of fun!

\*BLINK\* GRANTED, SWEETIE!

Good choice, Ambi. I always thought this place was too dull.

# The mischievous Bimbo Genie

*Ambi's first wish, which she accepted and granted with her new powers as a Djinn...*

I understand your points, ma'am, but don't you think that the Pythagorean theorem might be out of place in this context? I mean...

*... altered the reality of every woman currently on the grounds of Zoad College...*

*... according to the janitor's wish, into extremely curvy, always sex hungry, slutty versions under 25 of their former self.*

You're not entirely wrong, Cole. However, it's important to consider that...

Sybille Fox (38),  
Math, Engineering

...Fashion Design here at Zoad's Airhead Academy might, like, totally not be the best fit for a hot cutie like you.

Billy Cox (23),  
Fashion Design

Wanna, like, move forward? I'd love to, like, taste your cock! \*teehee\*

*Names are entirely fictional and not inspired by any real individuals.*

# The mischievous Bimbo Genie

Everyone at the academy suddenly changed, and all inhibitions seem to have disappeared... everyone?

What the...  
Why are they  
transforming? Jenny?  
Jenny? Where  
are you?

Cole, baby!  
I'm so lonely up here.  
Don't you like me? I could  
teach you...

No, Cole seems to be unaffected. Maybe it's because of his connection to Jenny?

Meanwhile, in the girls' restroom, where Tom... Tammy... had retreated after meeting with Cole, the effect of the janitor's wish is visibly taking hold of her as well.

Men don't  
just turn into  
busty chicks; that's  
impossible. How did  
Cole manage  
that?

I bet...

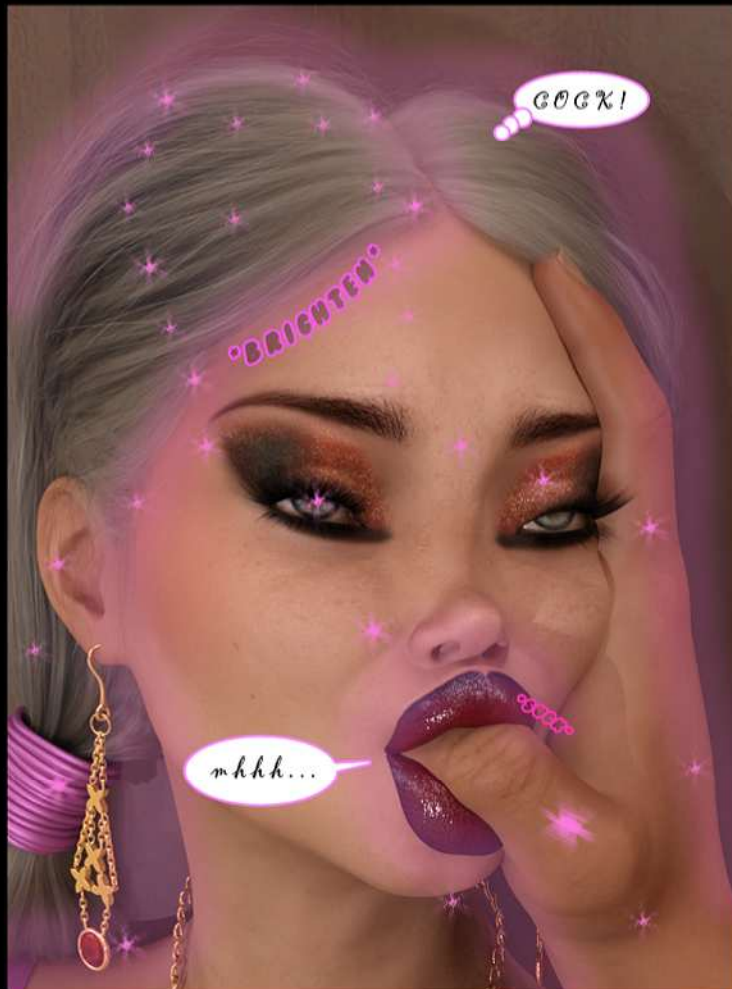

... when I  
suck Coles cock  
tonight... gosh, he's  
so manly now.

Sucking Coles  
meat stick? What the hell  
am I thinking?

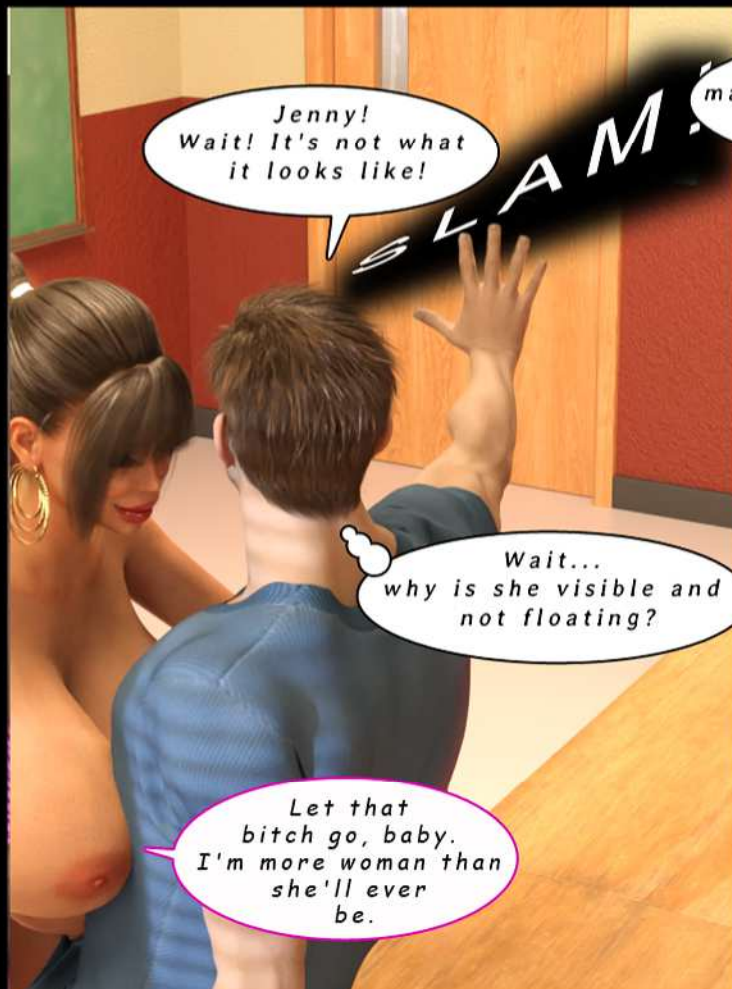

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

This saying is based on Spock's quote from Star Trek II: "I have been, and always shall be, your friend." Just nerds being nerds ;)

# The mischievous Bimbo Genie

She was a very good friend, Jenny. I... I never noticed how she felt about me.

Master, Ambi's, like, super close. I can totally feel her. She's found her vessel, and we'll, like, see her again. Trust me!

And now - now she's a Djinn, just like you. And when you're gone, despite everything we've accomplished, I'll be all alone again. Why is it always me?

You won't be alone. When we get close, I'll become human. And I, like, totally love you, Master.

Even when I'm no longer a Djinn, I'll be your wife, just like you wished. And look at all the happy women we made from raw men!

Why always you? Because you're, like, so special to me.

Don't be sad anymore, kay?

Oh, Jenny...

Jenny isn't far off. Right now in the locker room, Shelly, the head cheerleader, is indulging in her new favorite sport...

Shelly  
Head Slutleader

Ohhh... Enzo!  
This is, like, totally the best training session we've had in, like, forever!

It's good to be the Head Slutleader here!

Ambi's magic has only slightly changed Shelly physically - but her personality is now extremely slutty. This turned her, the head cheerleader, into the Head Slutleader!

# The mischievous Bimbo Genie

Neither Shelly nor Enzo seem to notice the invisible, green shimmering mist that appears out of nowhere and enters Shelly's bouncing nipples.

Ambi has found her new vessel and is making herself right at home...

# The mischievous Bimbo Genie

Shelly may not have been physically transformed by Ambi's first wish...

They're,  
like, totally swelling up?  
What the...?

\*LARGER\*

Wowzie!  
Like, so huge...

\*EXPAND\*

...but her breasts are now swelling, becoming massive and fake-looking, as they house Ambi's Djinn essence.

Oh my  
gosh, look how huge  
my tiddies are! Ohhh, I, like,  
totally love them!  
Tee hee

A fitting choice, considering Ambi herself became a Djinn when she was almost a bimbo.

# The mischievous Bimbo Genie

As bewildered as Shelly and the silent Enzo might be, the beauty of magic is how quickly it reshapes reality.

OMG!  
Enzo, did you see  
THAT?!

My boobs!  
They're like, totally  
blown up - these are  
implants!

To make room for Ambi's Djinn essence, special vessels were needed in Shelly's breasts - these are now implants.

Duh,  
of course they're  
implants, what else would  
they be?

Silly me,  
I just had them bumped  
up to 2000cc!

They're extremely sensitive, allowing Ambi to be summoned quickly at any time. Was that a wise choice? Oh, who am I kidding? Djinn Bimbo Ambi knows exactly what she's doing.

Sooo,  
are you enjoying the view  
of MY BIG BEWBS,  
hun?

After just a few moments of amazement, the new reality settles: Shelly had recently enhanced her natural breasts with 2000cc implants each. Divine, isn't it?

# The mischievous Bimbo Genie

Enzo, you're like, totally unstoppable!

\*HUFF\*  
\*HUFF\*

\*SQUISH\*

Keep going, you stud!

\*HUFF\*  
\*HUFF\*

Ohhh! What's that green smoke coming out of my... ohhhh!

Oh my gosh, Ambi! You like, totally came out of my boobs! How freaking cool is that?!

ENZO, YOU CALLED FOR ME! I'M AMBI, THE DJINNY FROM SHELLY'S BOOBS, AND LIKE, TOTALLY HERE TO GRANT YOU ONE WISH, MASTER!

BUT HURRY UP, 'CAUSE "NEXT DJINN'S TOP WISH MODEL" IS ON DJINN TV RIGHT NOW, TEE-HEE!

But let's leave the three of them and turn to the evening, when Tammy plans to visit Cole at home and confront him.

I'm like, totally gonna kick his ass! Gosh, his ass is sooo cute though!

mhhh...

# The mischievous Bimbo Genie

*Listen, you dweeb! I have no idea how you did this!*

*GOGK!*

*MUSCLES!*

Ah, Tammy, nice to see you...

*But reverse this transformation! I've fucked five guys, just in the last two hours, and I'm still sooo horny!*

Of course you are. But come on, get inside first...

*This is so fucking unfair. Why am I such a bitch now and you're all yummy?!*

Shut up and get your ass in here!

# The mischievous Bimbo Genie

By the way, Tammy, this is my fiancée, Jenny.

Nice to meet you, Tammy... hehe!

Ohhh, Jenny, you're, like, such a hottie...

And yes, before you ask: I'm the one responsible for turning you into a woman.

... but there's no way you're hotter than me, duh!

You were a total jerk as a guy, and I think you and your former buddies are going to behave very differently now - just like everyone else already does.

Ugh, so it's, like, exactly what I totally thought, huh?!

I'm not a jerk, but you're still a loser, Cole! Messing with you is just too easy!

Like, how about we have a fun little competition?

If you can, like, make my fiancé finish before you in three different challenges, we'll totally reverse the transformation.

But if you can't, like, it's gonna be permanent, babe.

And, like, why would he even choose you? Ugh, whatever!

# The mischievous Bimbo Genie

Fine, Jenny,  
if you want a competition,  
you've got one!

Ah,  
Tammy, nice to  
see you...

There's no  
way I'm letting you  
win... especially  
with him!

Gosh,  
why am I so freaking  
horny again? My pussy is  
gushing like crazy!

Like, if  
that's the case,  
Tammy, come with me  
- this is, like, our  
living room!

I'm curious  
to see what remarkable  
skills you've picked up in  
the last few hours as a  
woman, Tom... uh,  
Tammy.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Tom - now Tammy - could never turn down a challenge. His, or rather her, ego wouldn't allow it. He always wanted to be the very best.

No prob,  
he's gonna cum  
sooo soon...

However, Tammy hadn't accounted for the drastic changes in her body and its newfound sensitivity when she agreed.

I'm  
totally gonna  
win this...

As she fixated on making Cole climax, desperate to win her old body back...

...mmm,  
so good...

...oh  
my gosh... I  
feel... wow, this  
feeling...

Cole's touch on her sensitive spots, with just the right mix of tenderness and strength, began to unravel her after only a few minutes...

# The mischievous Bimbo Genie

Her first, body-shaking orgasm tears through her, and in that moment, as pink clouds fill her mind, Tammy realizes she has overestimated herself...

...and that if she loses each part of the competition...

# The mischievous Bimbo Genie

Because each time she loses...

Ouchie...  
my head... teehee...  
my thoughts are like,  
all spinning...

Jenny  
Round 1 -  
Cole wins!

... another drastic wave of  
bimbofication hits Tammy...

Ohhh,  
what the...  
my lipth...

... pushing her further away from her  
goal of ever becoming a man again.

\*suck\*  
umm... weady  
for wound two,  
Cole?

\*BROU\*

# The mischievous Bimbo Genie

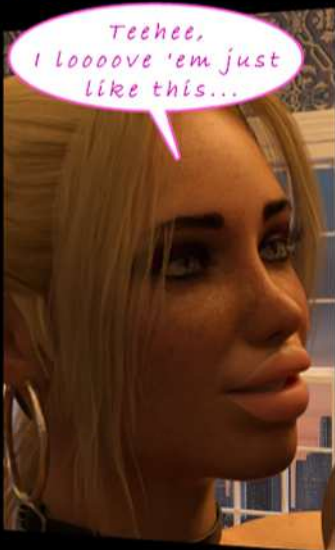

# The mischievous Bimbo Genie

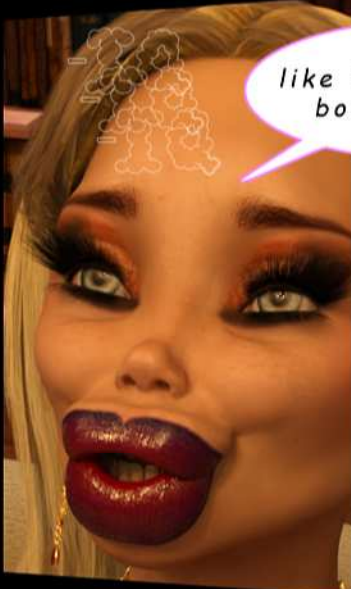

Melonth  
have to be big  
and round...

Ooooh,  
that  
HUGE?

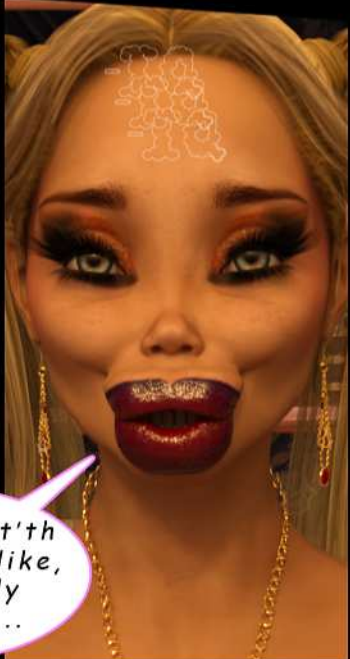

Teehee,  
I loooove 'em just  
like this...

Just  
like Tammy's huuuge  
bounthy bewbs...

Oh wait...  
Tammy... that'th  
me, lol! I'm, like,  
thooo thilly  
and stuff...

Such  
a bimbo...  
\*giggle\*

# The mischievous Bimbo Genie

What're  
you waitin' for,  
Tiger?

... go  
ahead and finish her  
transformation!

Tammy's  
snatch is, like, sooo  
ready and totally  
thirsty!

Mpfh...  
\*slurp\*

# The mischievous Bimbo Genie

As the trio indulges together, none of them notice time slipping away.

**NNNNNGH**

But Cole and Tammy's competition is nearing its end...

Tammy's attempt to reclaim her masculinity through Cole's climax has failed.

Instead, with each orgasm, Tammy became more feminine... and even more sensitive.

And now, it arrives: Tammy's final, unstoppable climax...

**OH MY GOD!**

**CAN'T STOP CLIMMING!**

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Wowzie, I, like, totally don't get it...

All the other guys today were, like, putty in my sweet little hands and came within seconds...

But you, like, didn't at all! That's, like, sooo unfair. What did I do wrong...?

Jenny, like, how do you even get them to, like, explode so fast? I'm, like, soooo jelly!

Can you, like, teach me? Pleaaase? I swear I'll, like, be the best student ever!

# The mischievous Bimbo Genie

Wow, girl,  
you've got so much to  
learn... not a single blow  
in 30 minutes?

Here,  
let me show you how  
a real woman handles  
a hunk like him.

First...  
be gentle... and show  
him exactly what  
you want.

Seduce him  
with your sweet voice...  
like this.

Oh, Master...  
could you blow that hot  
load all over this sweet  
little bimbo?

♥♥  
Pretty  
please? ♥♥

# The mischievous Bimbo Genie

MMMMMMMM

Here it comes... get ready, sweetie!

That's my hunk of a man... Big, strong, and soooo generous. Hehe!

Go ahead, Tammy, take your share! There's plenty more where that came from!

OMG, Jenny!  
That voice thing you did, like, totally worked... Maybe that's why Cole didn't, like, finish with me... I forgot to use my, like, sexy voice!

# The mischievous Bimbo Genie

About an hour later, Tammy had fallen asleep, exhausted, while Cole and Jenny snuggle on the couch.

Master,  
I have only enough  
magic left for three wishes  
before I become a mere  
mortal woman.

Jenny,  
it's time you start  
calling me Cole. We're  
getting married.

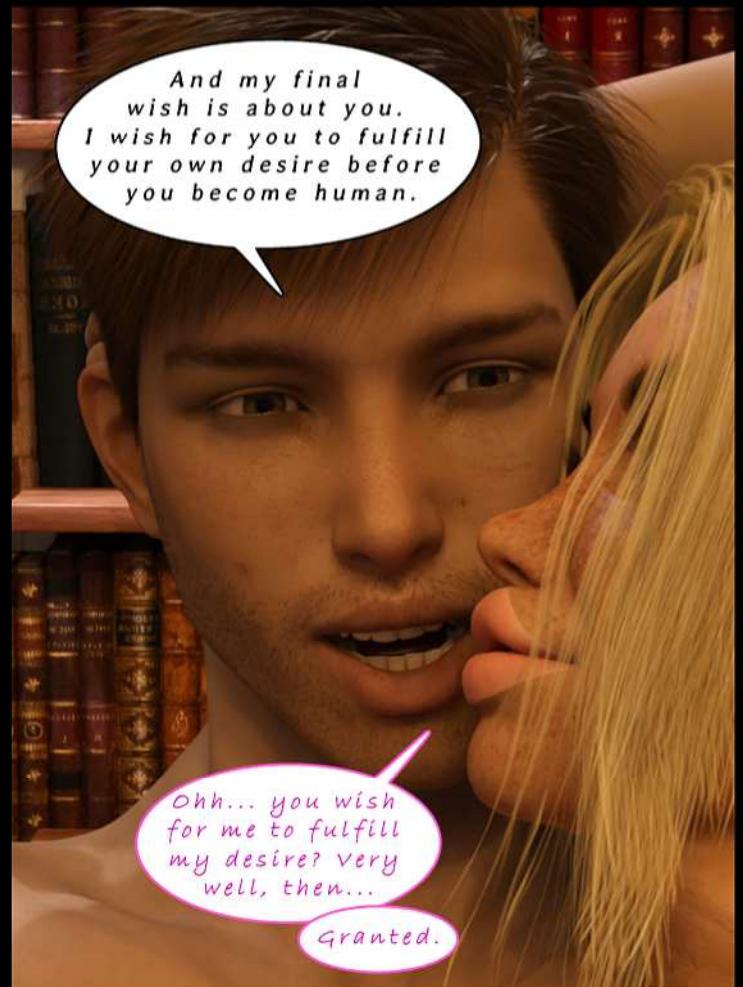

My first  
wish is that we  
are financially secure,  
and my second wish  
builds on that.

I wish for  
our child to be  
healthy and grow up  
in prosperity.

Oh, you're  
thinking about our  
daughter? How sweet  
you are... Mas...  
my darling.

Granted.

And my final  
wish is about you.  
I wish for you to fulfill  
your own desire before  
you become human.

Ohh... you wish  
for me to fulfill  
my desire? Very  
well, then...

Granted.

# The mischievous Bimbo Genie

Teehee, I don't even need to think about that, hubby.

I totally wish to become your perfect bimbo dream girl... and the best mommy for our little baby angel...

... the whole package!

Jenny poured all her remaining cosmic power into that final wish...

And with each change to her body... Jenny, the mischievous Djinn...

slowly becomes Jenny, a mortal woman....

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Jenny playfully nudges Cole back, and with a surprised laugh, he falls back onto the couch...

Oh, darling...

Giggling, she lands right on top of him, both totally lost in each other.

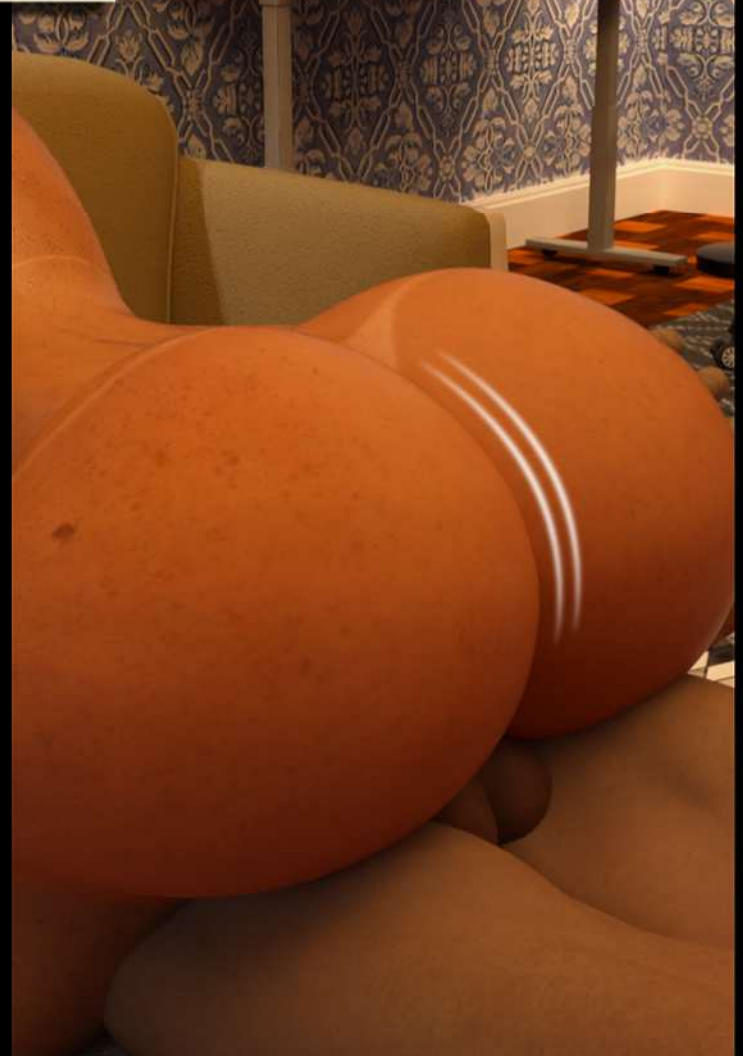

ufff...

... so on target!  
Take me now, please!

As they get closer, Jenny feels her curves grow rounder and softer, perfectly fitting her new, sassy self.

Oh, yes!  
Cole... harder!

# The mischievous Bimbo Genie

No doubt, Cole doesn't need to be asked twice...

Mhhh...  
feels sooo...

I mean, who would?

Ohhh...  
yesss, this feels  
sooo good... more,  
more!

Jenny's already melon-sized  
breasts start to grow...

Mmm, my  
tits... they're getting  
bigger! I totally  
love it!

Oh, Cole...  
harder, babe! Show me  
just how strong  
you are!

...until they reach massive,  
beach ball-sized proportions!

# The mischievous Bimbo Genie

Thirty intense minutes later, the climax finally arrives...

Ohh, Jenny...  
I'm so close... should  
I... pull out?

Cole, give me  
everything you've  
got! Don't you dare  
pull out

**CUM INSIDE ME!**

Mhhh...  
feels sooo...

°FLAP°  
°FLAP°

Even the strongest stamina has its limit, and at last, Cole releases himself in full, filling his woman's womb completely...

♥ OOH ♥  
**OH GOD!**  
**YESSSSSSSS!**

°SPLURT°

... sealing her transformation from Djinn to fully human woman.

# The mischievous Bimbo Genie

As all her cosmic power fades - and with it, the ancient knowledge she held as a Djinn...

Ohhh, Cole... everything's, like, sooo light and fizzy now!

...Jenny's mind begins to reshape, focusing solely on her final wish...

Big words and stuff... like, totally slipping away...

Umm... what was I even talking about? Teehee!

...her intellect draining away like water from a sponge, leaving only simplicity behind...

Hi, baby! After all our super-duper fun... ummm, can we do it again? Like, please?

...and what remains is simply Jenny: an nymphomaniac, airheaded bimbo.

... Mmm, Jenny just wants to be your perfect, happy girl, like, always! Yay!

# The mischievous Bimbo Genie

Ooo, hubby...  
or should we, like,  
go shopping first?

That would  
be sooo fun! I need  
new clothes - my boobies  
feel, like, totally  
massive right  
now!

And we  
need cute things  
for our sweet little  
baby girl!

... And let's  
throw a party tonight!  
Cole and Jenny are getting  
married sooo soon!

Eeee, Jenny's,  
like, soooo happy to  
be a bimbo bride!

# The mischievous Bimbo Genie

Cole may not be the biggest fan of shopping... but Jenny and her new BFF, Tammy, make up for it with pure enthusiasm!

Totallyyy, babe! Shopping with my BFF is, like, the ultimate vibe...

... hot guys, so many cute stores! Being a bimbo is, like, sooo life! \*giggle\*

Yeah, those front stores are like, sooo boring!

Just for old-school girls who, like, don't know how to flaunt it. Total no-go, right?!

Like, girl, that was like, the most epic shopping spree ever between us besties, right?!

OMG, can you even believe how few super hot outfits they had here? Like, ughhhh!

And omg, your Cole is like, such a hottie stallion! Last night he, like, rocked my world... thank you, bestie, for sharing him, teehee!

But, thank gawd, my hubby knows all the, like, best shops, teehee!

Ohhh, yesss...

Sooo, Tammy, wanna like...

And like a true gentleman, he's there to escort both bimbo beauties every step of the way.

# The mischievous Bimbo Genie

Even if he can hardly believe it, it's exactly what he wished for... All his bullies? Now busty bimbos. His best friend? An immortal bimbo genie. And him? Engaged to the ultimate woman, healthy, carefree, and with a glamorous future for him, Jenny, and their soon-to-be-born daughter. Life just couldn't be more fabulous for Cole!

Unbelievable. Just two weeks ago, I was the school's punching bag, and Tom never missed a chance to humiliate me with his gang.

Then this Djinn shows up in my life, and now? That same Djinn is my fiancée, Jenny, and all my bullies? Busty bimbos... including Tom, who's now Tammy - my fiancée's new best friend.

I'm the absolute alpha now. Talk about a 180-degree twist... but how did those two become BFFs so fast? Must be a girl thing...

This shopping trip has been mentally exhausting, but honestly - isn't this exactly what I wished for? A woman by my side who loves me, understands me, and accepts me just as I am - and Jenny became that perfect woman.

Oh, and I wonder how Ambi's doing... hopefully, she's enjoying her new role as a Djinn.

Ah, these Bimbos... I love them so much.

Alright, ladies - how about a Piña Colada at the bar?

Ooooh, I'm like sooo into Strawberry Daiquiris right now!

Teehee, but only if it has, like, a cute little tropical umbrella!

CAWCKTAIL time, baby!

Yayyy, I like totally looove Piña Coladas, so fun and stuff!

But only in, like, a super sparkly glass, ya know?

Cocktail time, baby!

# The mischievous Bimbo Genie

Of course, the three aren't alone on the street. In the background, right up against the wall, invisible to the mortals of this world, leans the Mother of all Djinns... Ankh su Anat, the Second High Priestess of the Goddess Lustra. Who knew she had such a thing for wall-surfing?

It was  
the right decision to  
send my Djinn, Shapur, to  
this mortal...

... Even though  
it cost me an experienced Djinn,  
I now have a new one for the modern  
age, along with an entire family  
devoted to the Goddess.

The great  
game, one that has been  
played for millennia, is unfolding,  
and soon Eve, the High Priestess,  
will return...

... And together,  
we will free Lustra from  
the globe her brother trapped her  
in after his treacherous  
assault.

But the thoughts of Anak su Anat are part of another comic. The story of The Mischievous Bimbo Genie ends here. Cole, Jenny, and all the others have been with us for a long time... but even this tale had to come to an end. I hope you enjoyed the comic, and although some of my co-author's wishes didn't quite come true, I want to thank Cole Jones for the wonderful collaboration and, most of all, for the lively exchanges over all these months - THE END!

# The mischievous Bimbo Genie

Like, no joke? This Amaz guy is, like, totally cray-cray or something! He told me if I didn't announce this, I'd, like, totally turn into a Bimbo!

Boohoo! Amaz, babe, I'm already, like, the biggest Bimbo babe ever, but since I, like, totes adore your community, here's what you wanted me to say...
