

The initial magic cross-over,
shaping a new destiny...

From rough-cut to luxurious waves...
Her features identical, yet radiating
flawless glow.

Gamer-hardened grip replaced by
an elegant, manicured touch.

A complete, exquisite
transformation. The
housewife as she never
wished to be, fully realized.

SARAH'S JAWLINE SHARPENS...

AND HER SHOULDERS BROADEN IMMENSELY.

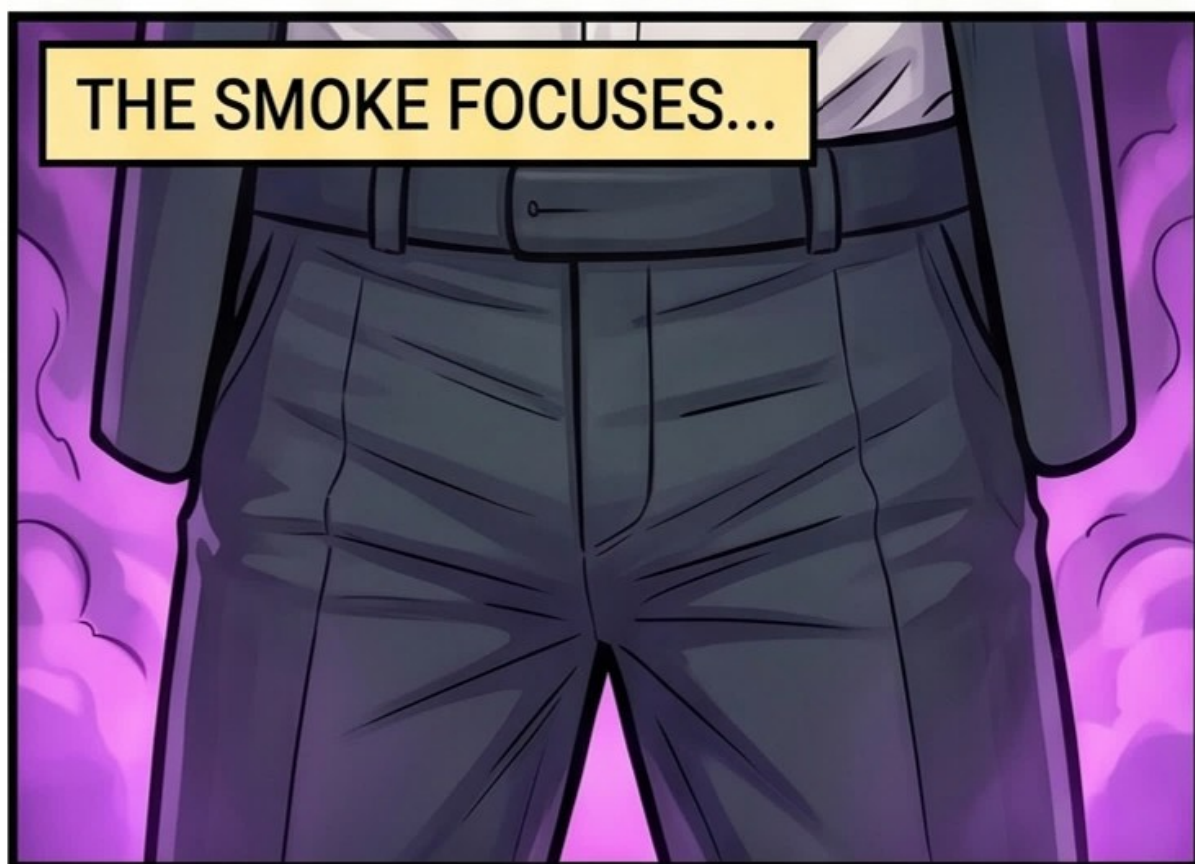

A TORSO OF DEFINED ABS...

...AND "THE LEGEND" TATTOO.

THE SMOKE FOCUSES...

WHERE BEN'S "SOUL" IS BEING COMPRESSED INTO THE "STAR".

...WHERE BEN'S "SOUL" IS BEING COMPRESSED INTO THE "STAR".

Ben's Voice:
I can see the camera from down here, but this is a very weird perspective of fame!

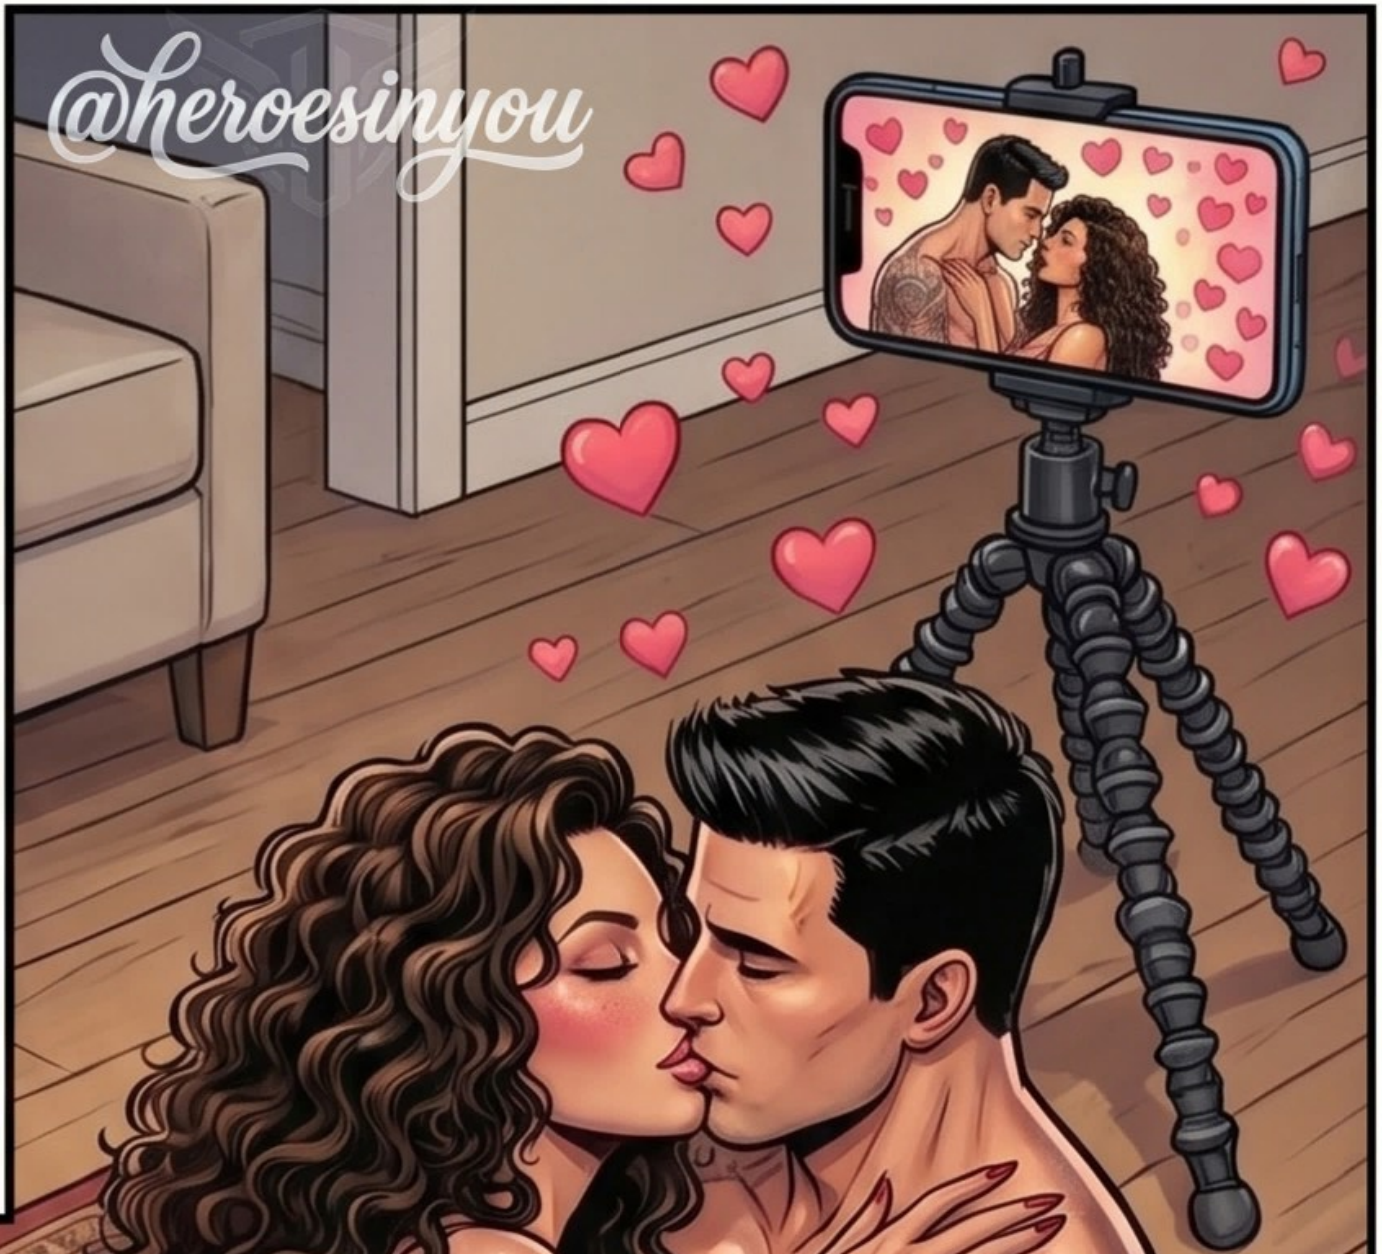

@heroesinyou

Fine! Let's give the fans what they want!

- OMG FINALLY!
- LEGEND COUPLE!
- YESSS!
- THEY ARE DOING IT!
- IT IS HAPPENING LIVE!

Ben's Voice:
"Finally! My close-up!"

"relief"

Oh... maybe this role isn't... so bad...

Morning light...
The room is quiet.

...until a familiar,
uneasy feeling sets in.

A different kind of
positive result.

Kevina: One night of 'relief'
and now I'm pregnant with the
Fourth one?! The wish for
just won't stop!

The fans don't want me anymore, Kevina! They're unsubscribing by the thousands! You're the one they're screaming for!

But Sam... I've done this. I'm just a... a mom!

Live Comment (Page 2)

She realized she didn't just have the beauty; she had the leverage.

Kevina: Fine. If they want a Queen, I'll give them a goddess. But from now on, Sam... I call the shots.

Kevin: Being a housewife was exhausting. But being the world's most wanted MOM? That's just... rewarding.

Ben: I'm still famous! Why won't anyone look at me?!

Sam: Shut up, Ben. I have to finish the laundry before her next shoot.

@heroesinyou

The transition from star to studio mogul was seamless. I didn't just break the glass ceiling; I bought the building and put my name on it in neon.

They say you can't have it all... but they never met me.

She made another \$100 million before lunch. I think I'm getting a folding-related injury.

If anyone looked at these spreadsheets, they'd see I optimized her stock portfolio! Why won't anyone look at me?!

Being a housewife was exhausting. But being the goddess of my own empire? That's just... rewarding.

I got the fame. I got the riches. I even got the "husband and kids" on my own terms. My logic? I didn't just make wishes... I created my reality.
