**HELLO AND THANK YOU FOR SUPPORTING DKCX! WHETHER IT IS
THROUGH PATREON OR THROUGH OUR SHOPS, WE'LL ALWAYS BE
THANKFUL FOR YOUR SUPPORT!**

PLEASE DO NOT PIRATE OR RE-LINK THESE STORIES! LIKE C'MON NOW.

This place is great! No wonder Naomi's friend decided to hang out here.

Great for you maybe, you get to treat it like a vacation.

Dinner-Kun
Captain Xero

You know how awkward it is to confront a one night stand?

Dinner-Kun
Captain Xero

Now, take that and be as tall as any of the buildings nearby.

Dinner-Kun
Captain Xero

As wide as them too.

Dinner-Kun
Captain Xero

Hey, that's a perk not a downside.

Dinner-Kun
Captain Xero

I still can't believe Yvonne found bikinis for us that fit.

Dinner-Kun
Captain Xero

You have no idea how bad she doesn't want to be nude in public.

Dinner-Kun
Captain Xero

Tell that to her areolas hanging out everywhere.

Dinner-Kun
Captain Xero

I can hear you...

Dinner-Kun
Captain Xero

And trust me, I know they're showing.

Dinner-Kun
Captain Xero

Not like I have much choice in that matter.

Wherever this girl is Naomi, I want to find her sooner rather than later if you don't mind?

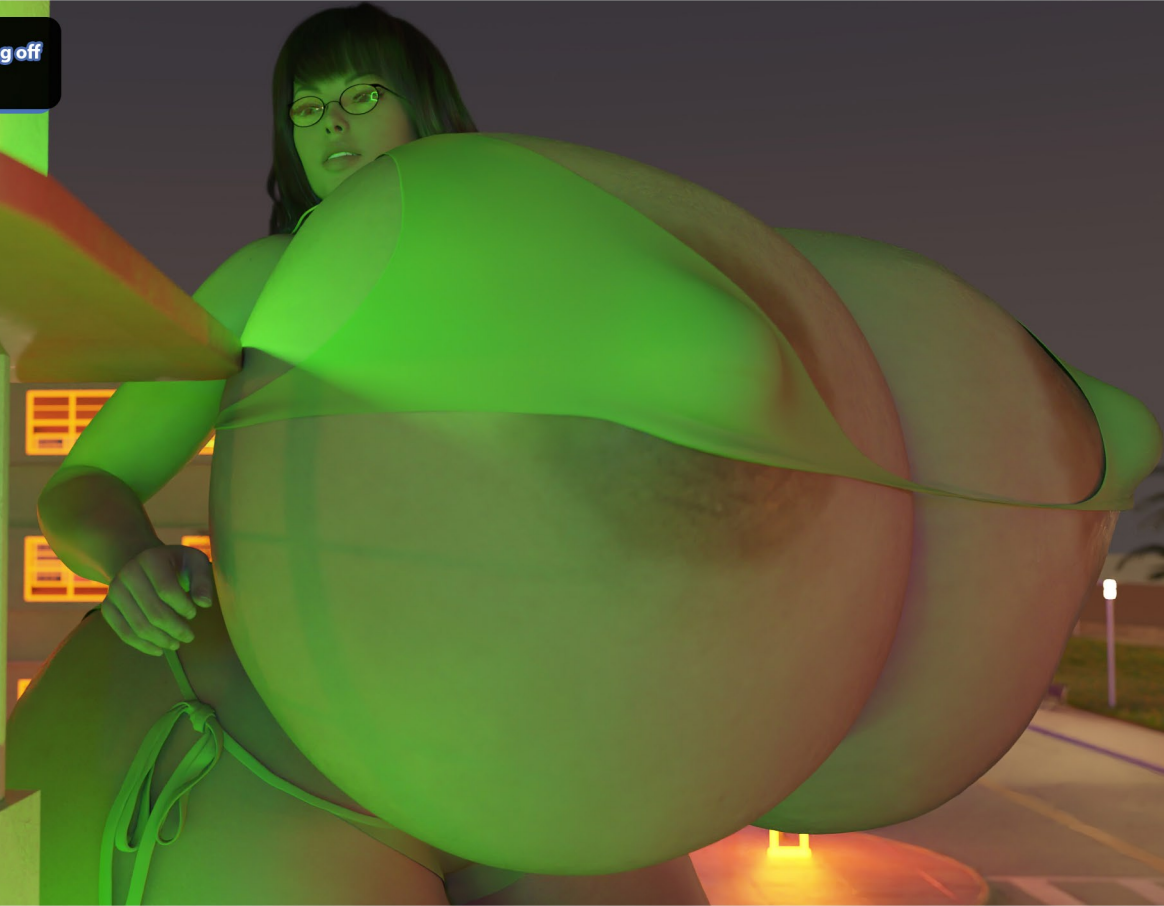

There's a very good chance this top is flying off before we're done here tonight...

Also, there's no way I fit in the apartment now...

So long as you fit in my place you're safe on that for now.

Dinner-Kun
Captain Xero

Well well! Look who we have here!

Dinner-Kun
Captain Xero

Been a little while, Naomi.

Dinner-Kun

Looking big as ever!

D-Damn, you too Reby.

Seems like we're all part of an ever-growing club.

A-Alright Reby, so we need your help trying to fix all this.

The growing? Sure, why not.

Really? Thought that would be tougher.

You know, they say that you can have too much of a good thing.

1337

It's gotten tougher to find other women into somebody this big.

And the ones I do find are overly infatuated.

Nice as it is to be worshiped all the time.

You know as well as I do it's better when
you're worshipped in the bedroom.

And I haven't fit in mine properly for weeks.

Well... I could help with that if you want.

Really? Right now?

Dinner-Kun
Captain Xero

We really got more important things to settle first.

Sorry hun, we went over this.

A woman with dark hair and glasses is looking upwards with a surprised expression. In the background, a neon sign in the shape of a speech bubble is illuminated against a dark wall. The scene is dimly lit, with the primary light source being the neon sign.

Alright, rejection noted. You'll still help us?

Just tell me what I need to do.

Just gotta come with us for one more stop.
