**HELLO AND THANK YOU FOR SUPPORTING DKCX! WHETHER IT IS  
THROUGH PATREON OR THROUGH OUR SHOPS, WE'LL ALWAYS BE  
THANKFUL FOR YOUR SUPPORT!**

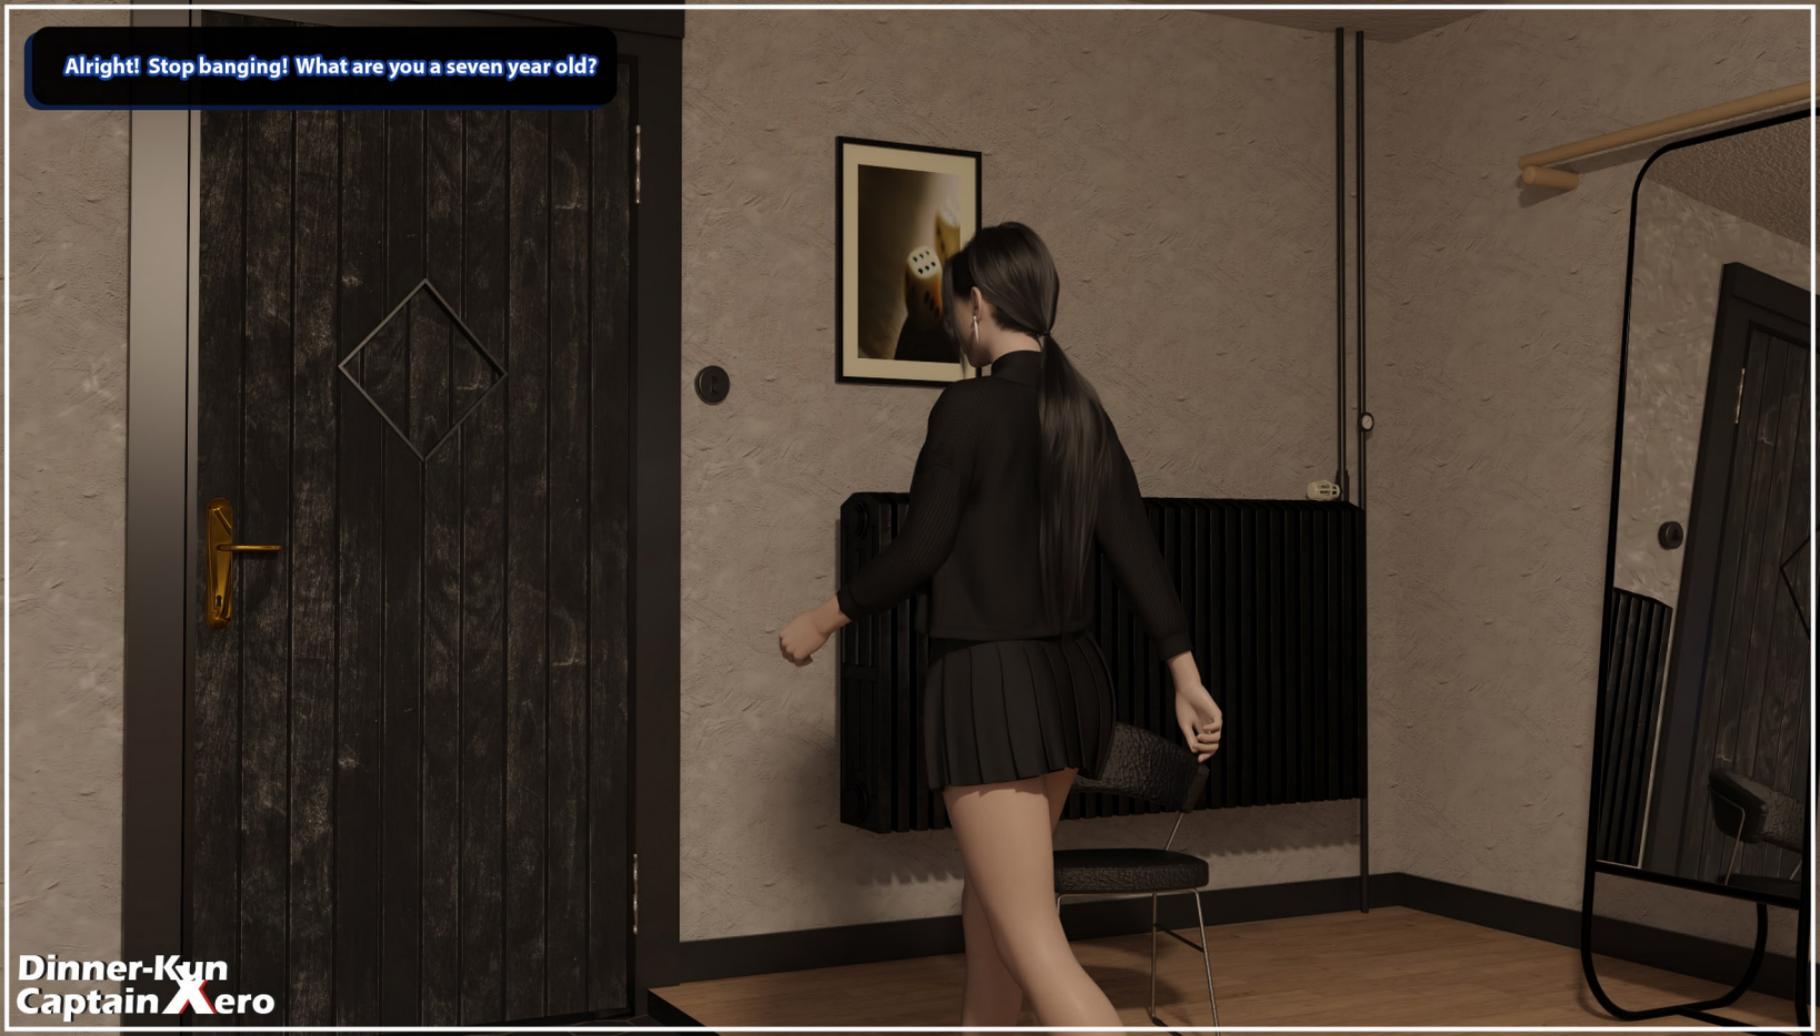

**PLEASE DO NOT PIRATE OR RE-LINK THESE STORIES! LIKE C'MON NOW.**

Yvonne begs me to come over after not seeing her for months and she manages to be late.

I finally get a day off from work just to get jerked around by her.

Alright! Stop banging! What are you a seven year old?

Dinner-Kun  
Captain Xero

It's like you're actively trying to bash my door down, Jesus!

Not intentionally.

Dinner-Kun  
Captain Xero

I still haven't gotten a full grip of my strength just yet, sorry.

Uhh...

New haircut?

Dinner-Kun  
Captain Xero

You definitely can't see my hair from there.

But I like the joke!

The fuck happen to you?

I managed to get pretty dang lucky.

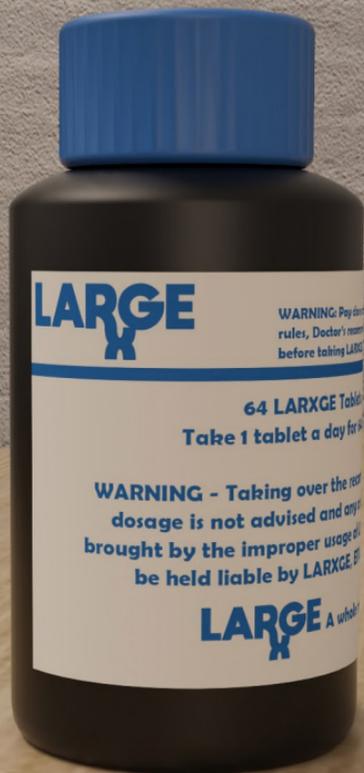

Never would've expected you to get on the list to begin with, let alone try it.

Uh, I might've scratched the paint on your door, sorry.

And then sent you this much? Were they meant to?

I've called the number on the bottle and checked out one of their pharmacies, everybody I've managed to talk to says its no mistake.

Everything I've heard about it is a pill a week. They gave you one for every DAY and you have enough here to last well over a year.

That's what's still there considering I've been on it for a few months, along with a few being snatched up by Naomi.

Dinner-Kun  
Captain Xero

Well of course she couldn't resist, though she left out the part about getting it from you.

Uh... You good?

Some spurts can be bigger than others, looks like you get lucky seeing a good one today.

Just don't damage anything with your fat head.

No promises.

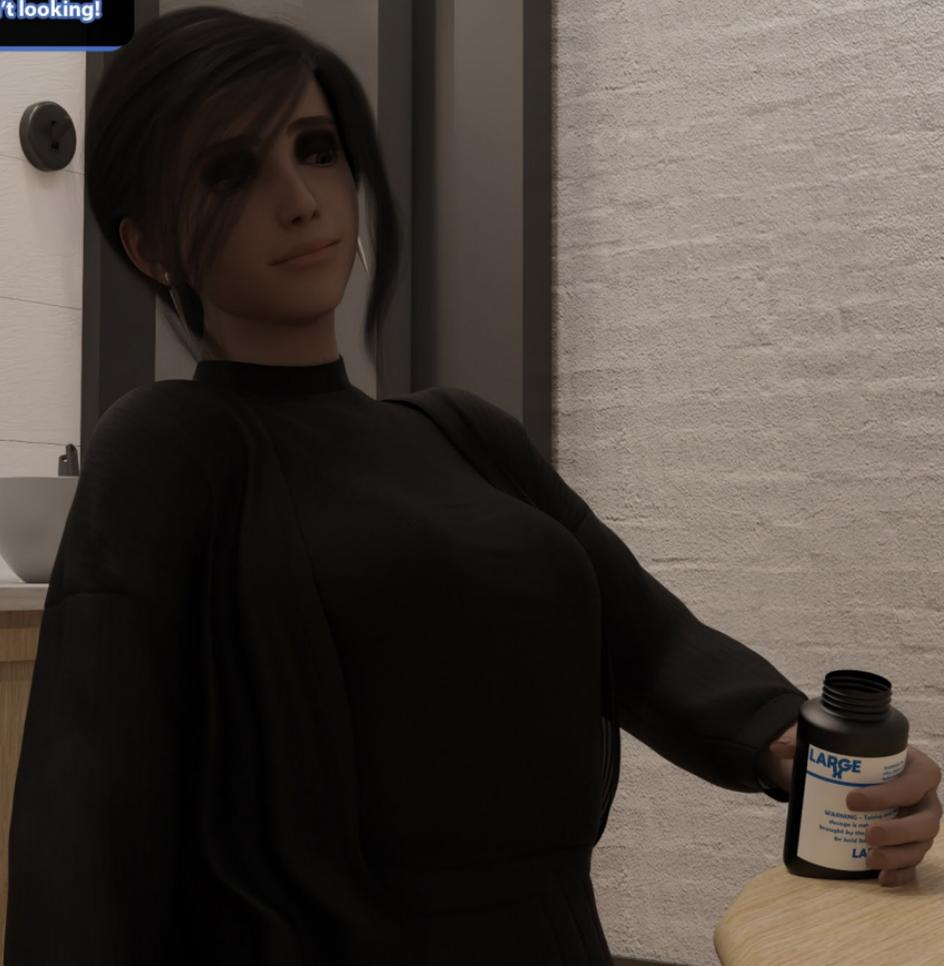

I didn't actually expect to make it to a ceiling, that's a first.

Wait a sec.

Dinner-Kun  
Captain Xero

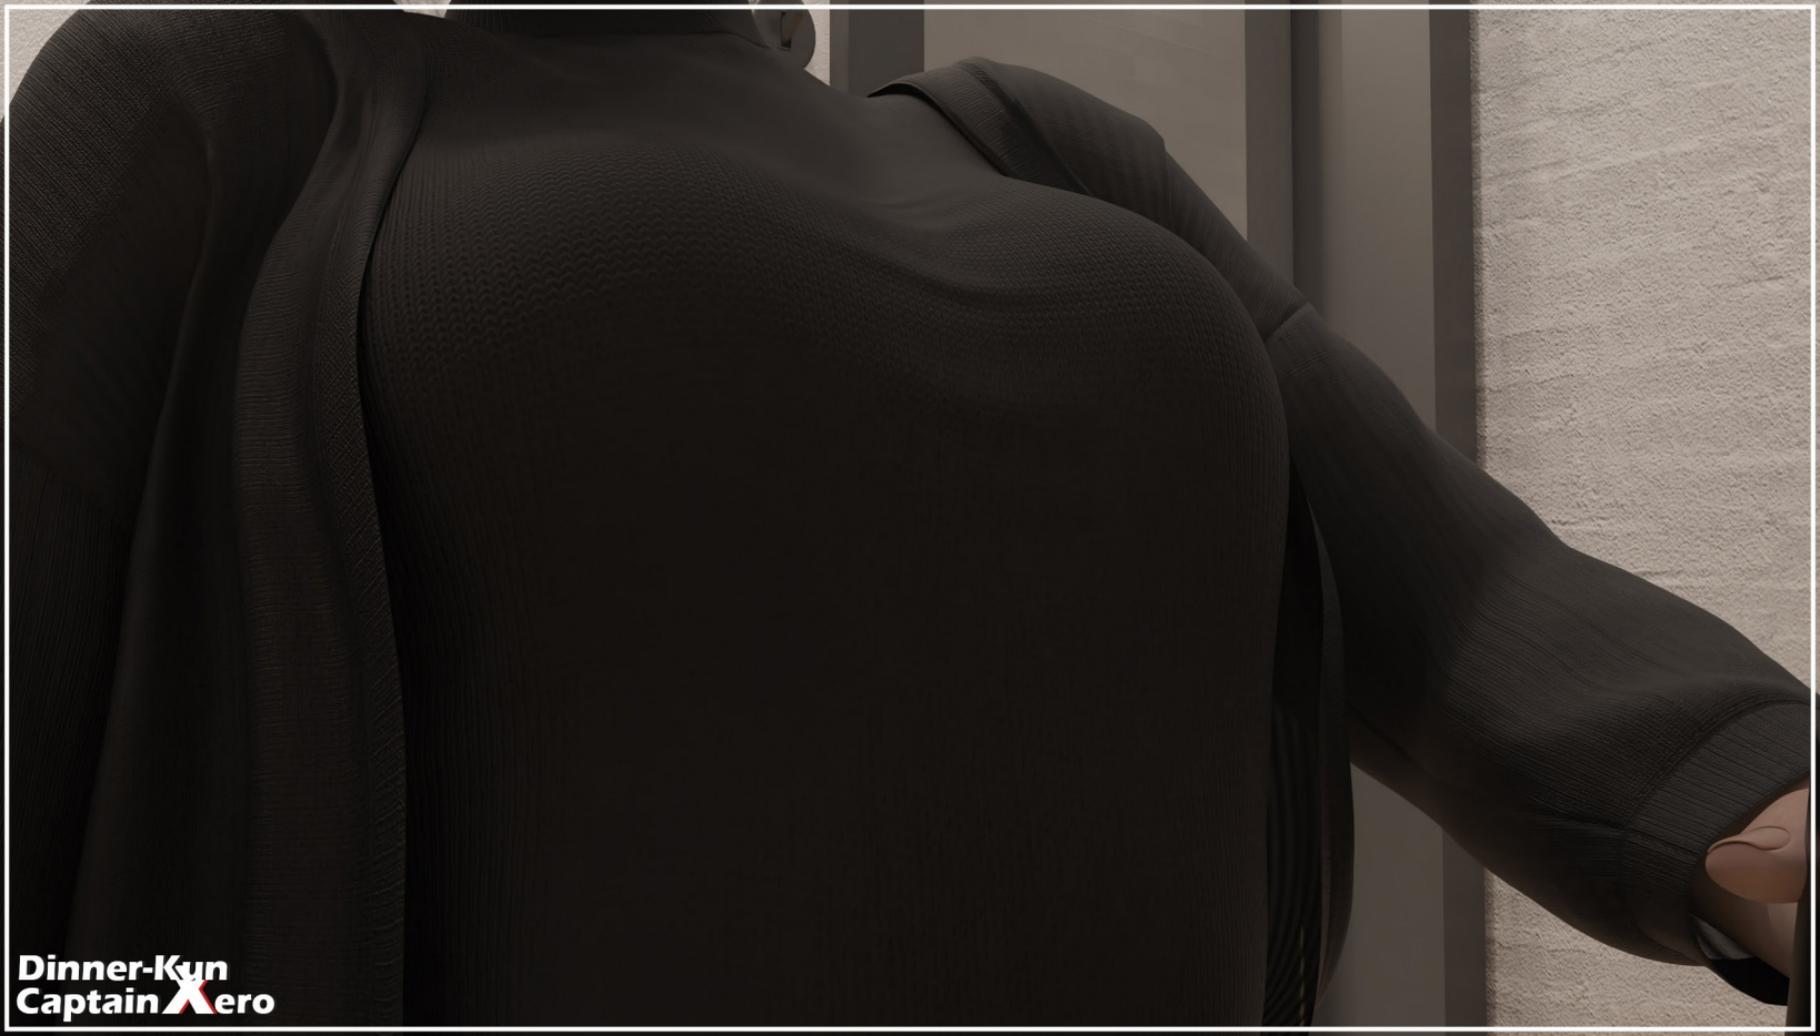

You popped it open when I wasn't looking!

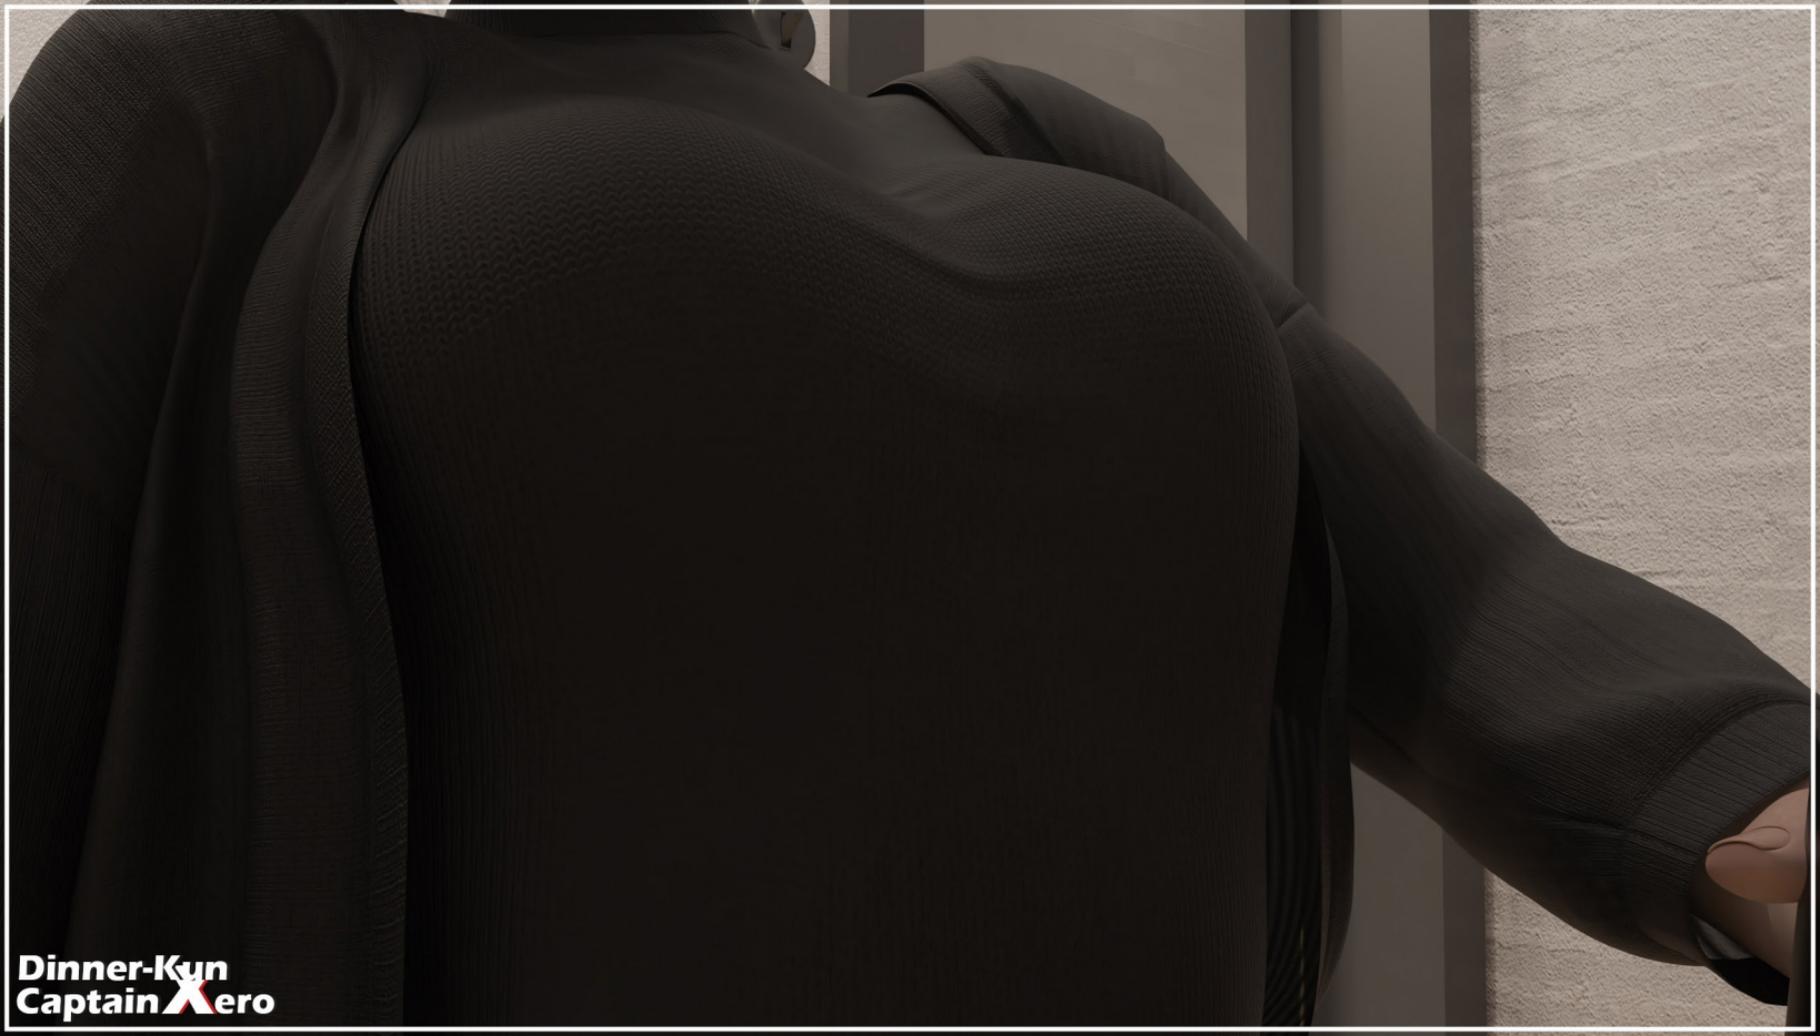

You didn't bring them over just to have me look at them.

**Captain Xero**

Though I didn't expect they worked so quickly.

Damn, my bra's tight now.

Guess that's it for bras in general based on what you're rocking.

That's seriously with just *ONE* of these.

Dinner-Kun  
Captain Xero

First one is by far the strongest.

Dinner-Kun  
Captain Xero

Things chill out a lot once your body adjusts to it.

You're saying I'm not done yet?

Dinner-Kun  
Captain Xero

It took me a fair bit, plus if you want to keep going after today there's always me to catch up to.

I'd like to fit in my house thank you very much.

But somewhere inbetween certainly wouldn't hurt!

Well my bra's trapped under my shirt but at least the girls are free.

Not a moment too soon.

Dinner-Kun  
Captain Xero

I think I would've strangled my chest.

Dinner-Kun

Looks like the rest of me wants to catch up a bit!

Look, you finally have an ass!

Oh shut up!

Dinner-Kun  
Captain Xero

Well would you look at that...

Your thighs are catching up too, look at those things!

Proportionately speaking, you might have better legs than I do right now.

No kidding...

The fuck am I going to cover these with?

Dinner-Kun  
Captain Xero

I only have so many skirts in my closet and I don't think they'll cut it.

Well you're in luck!

Dinner-Kun  
Captain Xero

I get a referral bonus to a sweet clothing store on the other side of town for situations like this!

So this was part of your plan...
