**HELLO AND THANK YOU FOR SUPPORTING DKCX! WHETHER IT IS
THROUGH PATREON OR THROUGH OUR SHOPS, WE'LL ALWAYS BE
THANKFUL FOR YOUR SUPPORT!**

PLEASE DO NOT PIRATE OR RE-LINK THESE STORIES! LIKE C'MON NOW.

You really know how to take a girl on a date.

I'm just thankful you fit in the theatre.

Oh yea? Why's that?

I ordered the tickets when you
could fit in two of the seats.

So you didn't set up that whole row for me?

Like I was supposed to know you would need it that quickly?

Guess we were lucky the theatre was so kind then.

More that we're lucky our whole row was free still.

If only the theatre was empty for the two of us to have a little extra fun...

W-Well, there's a whole night ahead of us for that.

They really have to use up a lot of open space here huh.

They're smart to go with the times.

A whole lot of girls unable to fit inside their restaurant anymore.

One chicken caesar salad and one pan-seared salmon, coming right up.

Should be about fifteen minutes, but I'll get your appetizer out here as soon as I can.

Oh? Looks like our reservation is here.

Welcome ma'am. I presume this is for Ryan's party of two?

You would be correct!

I have to say, for all the bigger customers we've had of late you're by far the biggest.

You aren't so small yourself there either!

As I'm sure you know, it's a growing world and I don't plan on being left behind in it.

Now about your seating, it'll be no surprise that you have the biggest seat in the house.

Very charming.

With all that out of the way, my name is Shana and I'll be serving you today.

The lucky man of the night was gracious enough to treat you to our special "Amazonian Entree" for the night so you'll get a nice serving of some of our most famous menu items.

Are you on the menu?

Dinner-Kun
Captain Xero

I don't get that nearly as much as you would think.

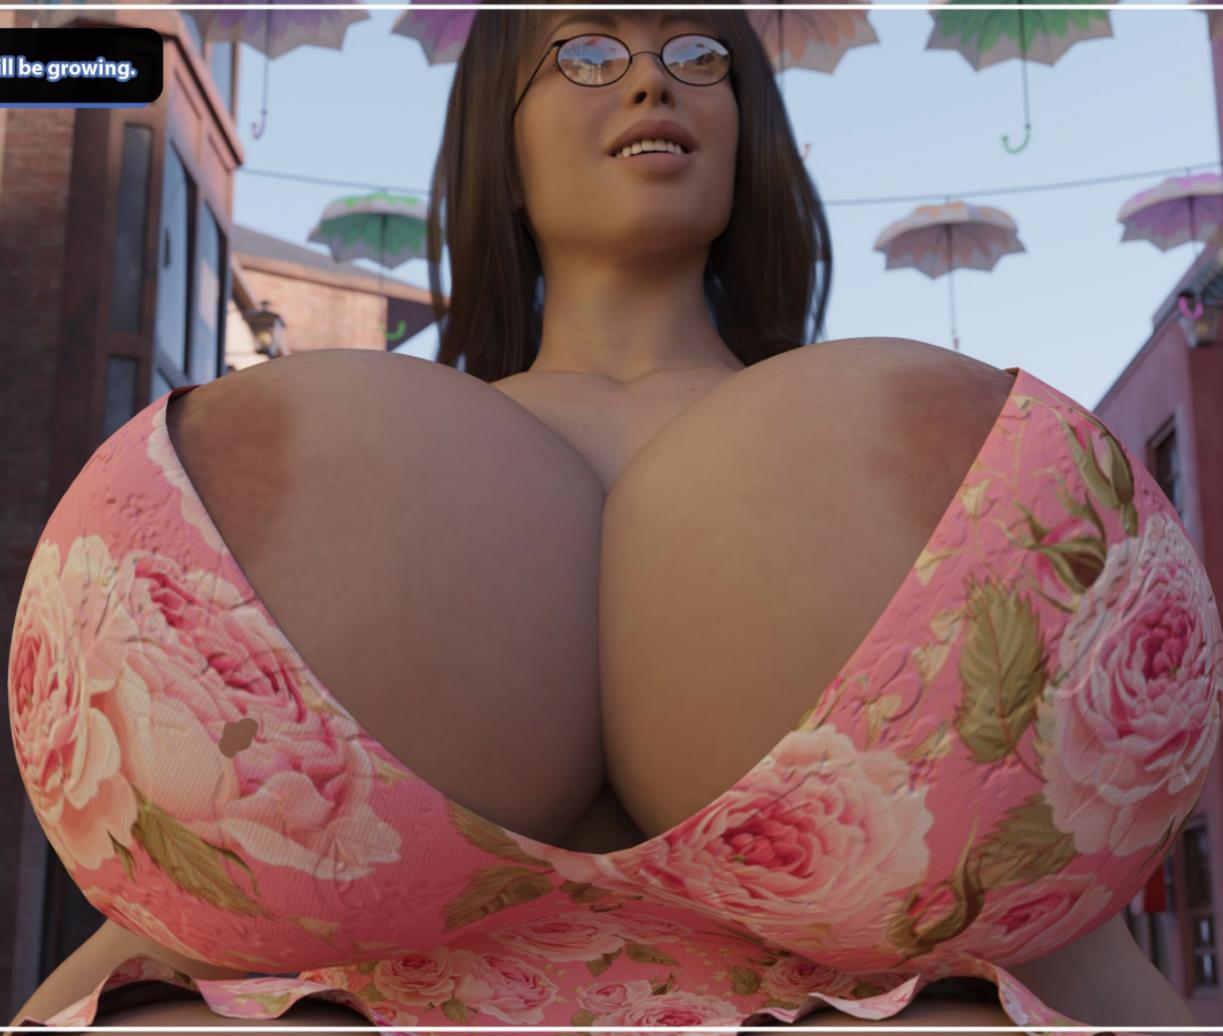

Well, I'm sure Ryan here would love the offer if you want to come stay for dessert after.

Very appreciated, though I believe you bring enough protein for the two of you as it is.

If there was, I wouldn't still be growing.

No kidding...

Dinner-Kun
Captain Xero

Impressive.

Been a few months now and it hasn't stopped.

Dinner-Kun
Captain Xero

As nice as these girls are, they really want to torture my outfit bill.

Well, his bill.

Dinner-Kun
Captain Xero

Lucky man.

The luckiest.

Dinner-Kun
Captain Xero

I feel like I'm at the kid's seat at the table right now.

Dinner-Kun
Captain Xero

Well at least try to stay comfortable in your seat for now, I'll go see if your appetizers are ready.

Thank you Shana.

Huh, my skirt just got an awful lot tighter.

You know, it's rude to stare.

Dinner-Kun
Captain Xero

Yea, hun.

Dinner-Kun
Captain Xero

Besides, if you want something to look at...

Dinner-Kun
Captain Xero

I'm right here.

Dinner-Kun
Captain Xero

I'm the luckiest guy alive, you know that?

Dinner-Kun
Captain Xero

Mmm!

Dinner-Kun
Captain Xero

I'll take it from what I'm hearing over here that you're enjoying the meal?

Everything's been fantastic.

Serving sizes could be a tad bigger, but I know I'm a special case situation.

Dinner-Kun

Every bite sure counts when its this good!

Dinner-Kun
Captain Xero

I can only say great things about the chef.

She'll be sure to hear every ounce of praise.

She's hoping to get catching up to me soon actually.

But she's been worried about what having bigger hands and a bigger chest might do for her cooking ability.

She doesn't want to hear "Oh just become a waitress like me when you're too big!" Then she just starts screaming!

It's a shame, she doesn't realize how good the tips get when you look like this.

Well, least I can do is make sure you're both tipped appropriately for tonight.

I'm still lucky to have started when I did,
least I can do is help your friend start her
journey a little faster.

Dinner-Kun
Captain Xero

Elsewise she might not catch up with you.

Dinner-Kun
Captain Xero

Dinner-Kun
Captain Xero

You're cool with that, right honey?

Dinner-Kun
Captain Xero

Uh... Sure.

Dinner-Kun
Captain Xero

Still gonna need help carrying all this take-out though.
