

# THE NEW NORMAL 9

Dinner-Kun  
Captain Xero

**HELLO AND THANK YOU FOR SUPPORTING DKCX! WHETHER IT IS  
THROUGH PATREON OR THROUGH OUR SHOPS, WE'LL ALWAYS BE  
THANKFUL FOR YOUR SUPPORT!**

**PLEASE DO NOT PIRATE OR RE-LINK THESE STORIES! LIKE C'MON NOW.**

Come on, honey! You're going to miss the show!

Much as I appreciate you brewing a cup of coffee for us.

Though it's more of a strong sip for me!

I really need to find some drinking glasses  
in massive size.

Maybe a garden planter would do?

Dinner-Kun  
Captain Xero

A planter for a Christmas tree, maybe.

Dinner-Kun  
Captain Xero

We can barely fit you in here let alone accommodations.

Dinner-Kun  
Captain Xero

That's what the house hunt is all about.

Dinner-Kun  
Captain Xero

Only thing we'll find to fit you is a barn.

Well, that *is* a bit accurate for me nowadays.

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

Tell that to the real estate agent!

Dinner-Kun  
Captain Xero

You've still been growing an awful lot lately. You said you stopped taking the pills, right?

Dinner-Kun  
Captain Xero

Yea, just to be safe.

Dinner-Kun  
Captain Xero

They take a bit to work through your system so spurts like now aren't surprising.

Dinner-Kun  
Captain Xero

They are when you're starting to eclipse the other girls we regularly see taking them too.

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

C'mon, there isn't anything wrong with a little more of me is there?

Dinner-Kun  
Captain Xero

We come to you live with a breaking news announcement.

Dinner-Kun  
Captain Xero

We're here live outside the LARGE RX  
Pharmaceuticals headquarters, where a  
press conference is about to begin.

Dinner-Kun  
Captain Xero

Rumors have begun to spin lately that some of their recent products are tainted, causing abnormal or exaggerated effects on their users.

Though with more proof of women posting photos of themselves online, alongside their stock prices taking a massive slide in the past few days, makes this rumor seem all too credible.

We here as City Station News urge anybody still taking LARGE RX products to cease in the short term, as it seems the company needs to reveal their plans for this situation soon.

Well, that explains it.

Dinner-Kun  
Captain Xero

Wait, take one?

Dinner-Kun  
Captain Xero

Heheh... I mean, why put that many in there  
if you weren't supposed to use them?

Dinner-Kun  
Captain Xero

Though I suppose maybe this is more boob  
than one woman is meant to handle.

I... Might need some help getting out of here...

Yea? Well ther's only one place to take you.

Dinner-Kun  
Captain Xero

Hope your doctor doesn't mind surprise visits.

Dinner-Kun  
Captain Xero

Glad you could take her on short notice, doc.

Dinner-Kun  
Captain Xero

As you can see...

Dinner-Kun  
Captain Xero

Is there something on my face?

Yvonne didn't mention you involved yourself too.

Dinner-Kun  
Captain Xero

**She wouldn't know, I only started recently.**

**Bet you're thrilled seeing the news reports then.**

At least I'll know what my patients are dealing with first-hand.

Respectable, though I assume that's not all why you did it.

Hun, I'm right here...

Dinner-Kun  
Captain Xero

I didn't think boobs could get so big.

They weren't meant to, but it seems you and a few other girls are learning what the human body is truly capable of.

And that's not concerning to you?

Oh it's very concerning.

There's just nothing I can do about it.

We're all along for the ride at this point.

Dinner-Kun  
Captain Xero

Though perhaps with the two of us I could start working on something that might help stop the growth.

**It would take time, but perhaps any difference in our blood structure might allow me to see what's causing this to happen so uncontrollably.**

If only I knew more clients with this level of extreme effects.

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

You wouldn't happen to know anybody who started around the time you did, do you?

Dinner-Kun  
Captain Xero

Should we tell her?

Dinner-Kun  
Captain Xero

Either way, now we know why it's been a few weeks since we heard from Naomi.

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

Dinner-Kun  
Captain Xero

You think she's been growing like this too?

We probably should go get her if that means we can come up with a solution that much quicker.

Mind extending your ceilings while I'm gone?

Or... Maybe finding me something I could wear home?
