**KNOCK

A woman with dark hair is sitting on a red, curved chair. She is wearing a black and white vertically striped button-down shirt and dark grey or black leggings. She has a thoughtful or slightly annoyed expression, looking off to the side. A speech bubble is positioned near her head.

Cool Babsi. But I think Mr. Mike doesn't fit actually. Call me Miranda for now.

But you know Babsi, you could have covered that big tits of yours with a bra. Every one is staring at your nips! How disgusting!

A woman with long, dark, wavy hair is standing in a closet. She is wearing a form-fitting, sleeveless dress that is black on the left side and bright yellow on the right side. She has her hands on her hips and is looking slightly to her right with a questioning expression. The closet behind her has white shelves and hanging clothes, including a blue shirt and a grey sweater. A mirror is visible on the right side of the closet.

Do you think that is good Babsi? Isn't it very revealing?

I mean...even part of my nips are to see. I...i dunno...somehow I like it...but why?

I've found another nice dress for you Miri. Do you like want to try?

Hmm...i think i buy it for myself...it looks cute and sexy.

A woman with long, dark, wavy hair stands in a well-lit closet. She is wearing a bright pink, form-fitting mesh dress with a decorative pattern. Her arms are crossed, and she has a serious expression. The closet contains various items of clothing on hangers and shelves. A speech bubble is positioned to her left.

Are you kidding me?
sigh Remember: Let
never choose a Bimbo
your clothes...

Ohhh...
that's like
tots looks sooo
nice...*giggle*

A woman with long, dark hair is standing in a well-lit closet. She is wearing a light pink, short-sleeved button-down shirt with a dark, patterned necktie. Her expression is neutral as she looks slightly to the side. The closet is filled with various items of clothing hanging on racks and shelves. Three speech bubbles are overlaid on the image, containing text that suggests she is evaluating her new outfit.

I knew that there is something that fits my taste! Yay! And this fabric...feels so good on my sensitive skin.

Hm...but still puffy nips. Not even this new bra can hide them. But I'm sure nobody will notice them.

I'm like tots done Mira. Now...I already know which place we'll visit now.

Okay...why not. Woman's like us need some Make-Up. You're totally right Babsi...by the way... I like your new dress. It suits you.

Yes, that's correct Mr. Lomar. I don't know what...or why this happend. And yes...it would sound... strange if I would be called Mike...or Mr... with a body like this.
